Harmon

Jessie Harmon of Robert Lee passed away peacefully Monday afternoon, September 6, 2010, at the Robert Lee Care Center surrounded by many family members and friends.

Jessie was born December 18, 1915, in Coke County, Texas. Her parents were Elias Brown and Prudie Ann Creech. She married Floyd Harmon on December 18, 1932, in Coke County near Robert Lee, Texas. To this union were born four children, Lawana Askins, Dorene Bearfield, Jeffie Roberts, and the late Jerry Harmon.

Jessie was a wonderful mother and grandmother. Besides being a mother and housewife, Jessie helped Floyd in the fields and with their livestock. While raising their children, she served as Room Mother for each of her children's classes and worked at the Trimble Laundry. She was active in the Coke County Home Demonstration Clubs and was a member of the First United Methodist Church. Jessie "Ma" loved her family and loved to join her grandchildren in their yearly Easter Egg Hunts. "Ma" was always "witty" and "jolly" and loved listening to and singing gospel music. In 2007, she was chosen Valentine Queen at Robert Lee Care Center. She also loved to read, especially western novels.

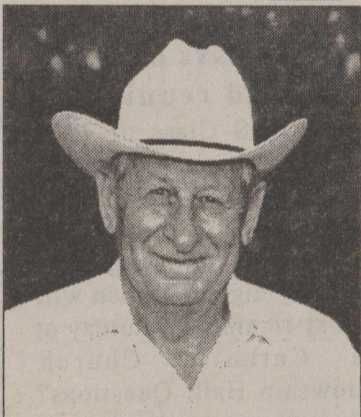

She was preceded in death by her parents, fourteen (14) siblings, her husband Floyd of 73 years and her son Jerry.

She is survived by children Lawana Askins and husband Foy, Jeffie Roberts and husband Bobby of

Robert Lee, Dorene Bearfield and husband John of San Angelo and her daughter-in-law Janie Harmon of Weatherford. She is also survived by eleven (11) grandchildren, Marshall Millican, Troy Millican, Rena Conner, Rick Mashburn, Sheila Farrar, Douglas Roberts, Jeanette Lee Boyd, Darwin Harmon, Damond Harmon, Tammy Hortenstein and Jason Harmon, sixteen (16) great-grandchildren and six (6) great-great grandchildren, numerous nieces and nephews and a host of friends.

Services were held at Robert Lee Baptist Church Wednesday, September 8, 2010, at 11 am and were under direction of Shaffer Funeral Home. Pall Bearers were Jessie's grandsons Marshall Millican, Troy Millican, Rick Mashburn, Douglas Roberts, Darwin Harmon, Damond Harmon, Jason Harmon and great-grandsons Tony and Paul Mashburn, Stewart Millican, Brady Johnson, James Roberts and Hunter Hortenstein.

Jameson

Mr. J. P. Jameson, long-time resident of Silver, Texas, passed away September 6, 2010, in a San Angelo hospital.

Mr. Jameson was born December 25, 1925, at Silver, Texas, on the Jameson family homestead to Homer and Trixie Jameson. He was part of the fourth generation of his family to reside in Silver, Texas. He attended Colorado High School in Colorado City, Texas. His career was spent as a business owner and later as a District Manager in the oil and gas services business. After retirement, Mr. Jameson returned to his roots in ranching in the Silver area.

Mr. Jameson was an active member of the Silver community during the days of the Sun Oil Company

residential camps in the 1950's and 1960's. He was a member of the Silver School Board of Trustees and active with the Boy Scouts.

He was a World War II Veteran and served in the United States Marine Corps in the Pacific Theater. He was assigned to the aircraft carrier USS Ticonderoga as part of a ground support team supporting the F4U Corsair Marine Corps fighter planes.

Mr. Jameson was an active member of the First Baptist Church in Silver, Texas.

He was known in his familiar cowboy attire including hat, boots and jeans. His presence always seemed larger than life, with his out-going personality, big smile and hearty, contagious laughter. He loved the outdoors, and spent many happy days hunting in West Texas and in the state of Colorado with friends and family. There were many happy trips to Lake Travis near Austin, Texas for fishing and swimming and water skiing.

He was devoted to his family, and his grandchildren were a very special part of his life.

Mr. Jameson was an aviation enthusiast. He earned his private pilot license during the 1960's. He was a member of the Aircraft Owners and Pilots Association. Many happy weekends were spent with family and friends flying to "Fly-in Breakfasts" and air shows.

Mr. Jameson was preceded in death by his parents, H.H. "Homer" and Trixie Jameson and a son, Robert Jameson.

He is survived by his wife of 66 years, Marie Jameson of Silver, Texas; his daughter, Kay Hunter and husband, Glenn of Atlanta, Texas; a son, Harold Jameson and wife, Joanna of Southlake, Texas; his beloved grandchildren, Jennifer Hunter, Candice Roberts, McKensi Jameson, Hallie Jameson, Natalie Bosworth and Stacie Anderson; two great-grandchildren and two great great grandchildren.

Visitation began at 11 am Thursday, with the family present from 6 to 8 pm that evening. Visitation continues Friday from 9 am to noon. Funeral service will be held at 2 pm Friday, September 10, 2010, at Robert Lee Baptist Church. Burial will follow in the MacKenzieville Cemetery. Services are under direction of Shaffer Funeral Home.

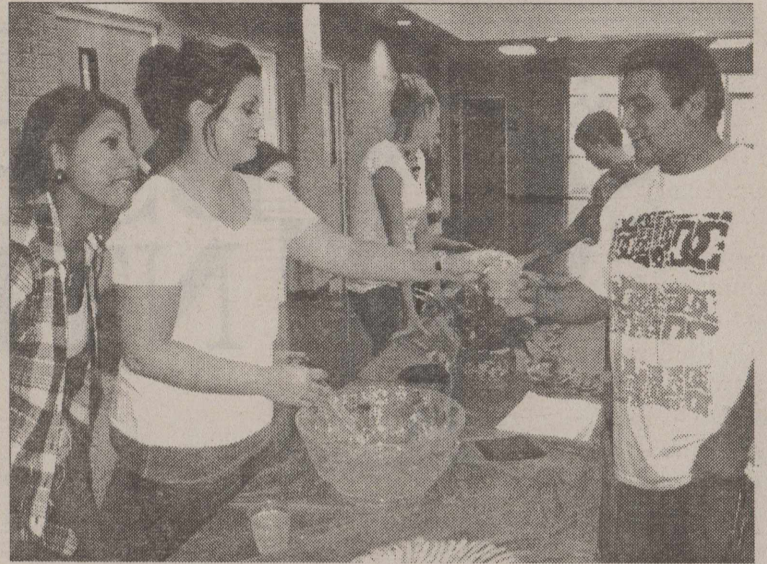

Memorials may be made to the American Heart Association.

Bronte Chamber of Commerce posts minutes of August meeting

On August 2, 2010, at 6:30 pm, the Directors of the Bronte Chamber of Commerce met to act on pending items. The meeting was called to order with the following members present: Ron Cooper, Melinda McCutchen, Paul Gohman and Ronda Sedden. Susan Williams and Corey Cornutt were absent. Also present were Tammy Thorn - Bronte Economic Development Coordinator, and Teen Chamber members, Austin Mertz and Jaylon Seales.

There being a quorum present, the following items were discussed and decided as follows.

The minutes from the previous meeting were presented. A motion was made by Ron Cooper to accept the minutes as presented, seconded by Ronda Sedden. All were in favor. The motion passed.

The possibility of getting local businesses to help purchase an electronic sign was discussed. It was decided to discuss this further with the businesses.

The Teen Chamber reported making \$492 at the car wash. They also made \$257 at the ranch rodeo gate.

The financial report was given by Melinda McCutchen.

Possible Christmas activities were discussed. It was decided to try to schedule the tree lighting, yard decoration contest, prize drawing and other activities on the first Saturday of December.

The members discussed putting together and distributing a directory of local businesses, organizations, etc. to new city residents for 2011. Paul Gohman and Melinda McCutchen will continue researching the project.

The next Chamber meeting is scheduled for September 13, 2010, at 6 pm in the Housing community room.

There being no further business to come before the board, the meeting was

adjourned.

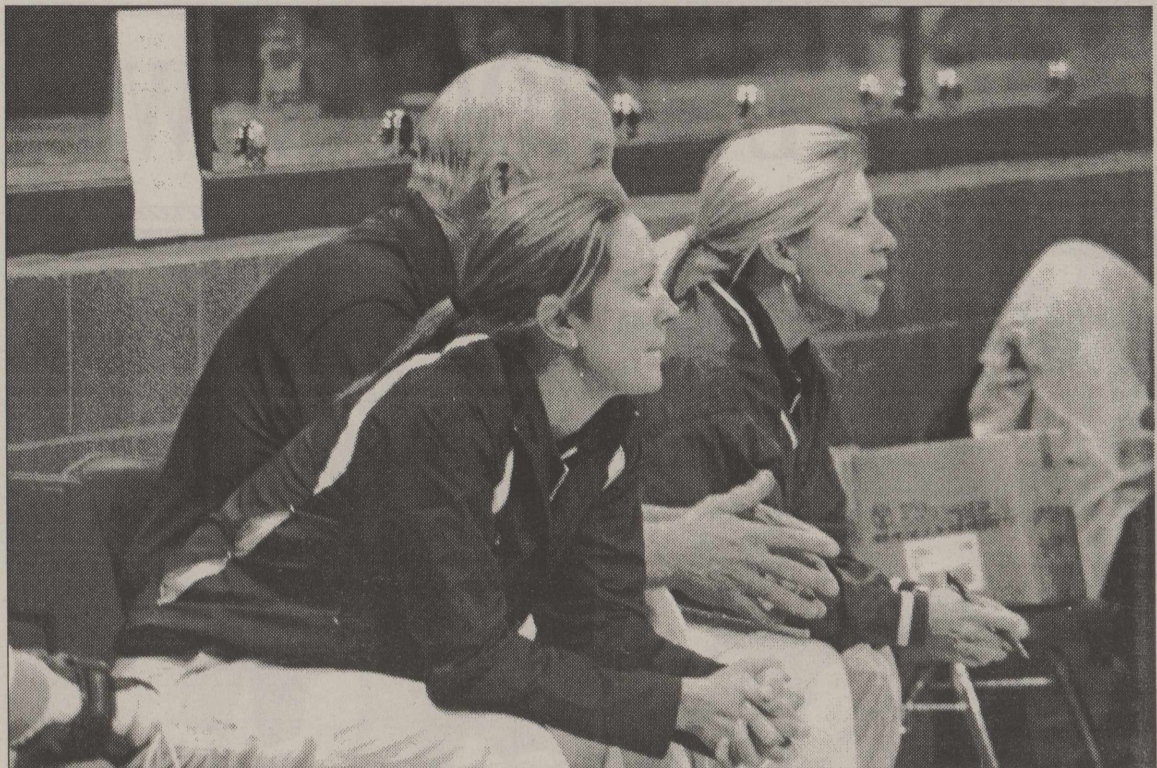

Letters to the Editor

I would like to express my AMUSEMENT with the Letter to the Editor in last week's paper about his displeasure with the City of Robert Lee for taking away yet another quiet Saturday evening at his home; not to mention not getting his needed sleep by allowing people to ENJOY themselves at a dance at the amphitheater. I live closer than this person does to the amphitheater. Did it bother me? NO! He must have much better hearing than I do, or the walls in his house must be paper thin.

I think Robert Lee NEEDS LOTS MORE entertainment of some kind, whether it be a dance, ball games, Street Affair, or whatever??

BEFORE you buy, rent, or move into a house that is in the vicinity of a ball field, amphitheater, stadium, golf course, or a highway, you should EXPECT, understand, and ACCEPT that ever so often there is a good possibility that there will be something going on there from time to time! From my house I can hear the fans ENJOYING and cheering their favorite team on when something is going on at the local high school stadium. I am surprised that person has not complained about that. If you cannot join in and have some fun, at least be tolerant enough to let others ENJOY life, and what little limited entertainment there is available here in Robert Lee.

A few very generous browsers took advantage of the Coke County Library cook book sale. The collection belonged to Fay Roe whose family donated the books to be used on the shelf or to be sold to benefit the Library.

Due to the hopefully rainy weather, the books will remain at the Library until the skies clear. Anyone who missed the sale is welcome to browse through the books until then.

Summer reading students are reminded to check for Coke County Library books that might be due.

The books will be needed for the Head Start program readers.

Local Volunteers Assist 51st Round-Up for Rehab

Coke County ranchers Ed Cumbie and Clifton Reed are providing leadership for West Texas Rehabilitation Center's 51st Round-Up for Rehab.

Round-Up for Rehab is a year-round program that provides friends in the agricultural industry an opportunity to support WTRC operations in Abilene, San Angelo and Ozona.

"Our message to ranchers is simple but sincere: Let's help Rehab help all who turn to them for assistance in overcoming disabling illnesses and injuries," said Cumbie.

Among ways to participate are: Donate livestock to a sale in your area; Make a cash gift

now to WT Rehab; Ask your auction house to cut a check to Rehab when you do take livestock to market.

"Round-Up for Rehab is our oldest fundraiser," said WTRC President Woody Gilliland, "and we've been blessed to have tremendous ag support - in good times and bad. Everyone needs to know that we never take that support for granted, and we work hard every day to continue to deserve such loyal friendship."

Cattle sales are set for September 23 at Producers Auction in San Angelo and September 28 at Abilene Auction. Regional sales and community events also are scheduled in Eastland, Coleman, Stephenville, Junction and Sweetwater.

BRONTE SCHOOL NEWS

Lady Longhorns Championship! *The Lady Longhorns celebrate winning their "A" Showdown tournament held in Bronte recently. This is the first time in the history of the tournament for the Ladies to keep the Championship at home. This tournament has become known for having the best volleyball teams in the state as participants.*

Longhorns suffer first defeat of the season

by Coach Kevin Burns

The Bronte Longhorns suffered their first defeat of the season in a 21-13 loss to the Roby Lions last Friday night. The Horns were able to cause a fumble on the third play

from scrimmage. Jordan Baumann ran 25 yards on second down and got it to the five yard line, where Creed Coalson scored to give the Horns the lead just two minutes into the game. The try for extra point was good by Adrian Padilla, and the Horns led 7-0. The Horns would cause two more turnovers on the next two Lion possessions, but were unable to put points on the board.

The Lions would score twice in the second quarter and take a 14-7 halftime lead. The Horns moved the ball well at times, but could not sustain possession of the ball or pick up much needed first downs for the remainder of the half.

On the Horns' first possession of the third quarter, the Horns covered 63 yards in just two plays as both Baumann and Coalson carried the ball on long runs. From the 2 yard line, it took the Horns 4 downs to get the TD as Coalson scored from a foot out. The PAT kick was missed, and the Horns still trailed 14-13. Five minutes later, the Lions would answer with a TD of their own and up the lead to 21-13, and that is how the game ended.

The Horns had chances in the fourth quarter to score as we got inside Lion territory on two drives but were unable to take advantage of

some opportunities. The Longhorns ended up with 4 fumble recoveries but were offset with three turnovers of our own in a game that was very evenly matched as far as stats go. We didn't take advantage of some opportunities early and late.

Our overall impression was that we didn't play well and will go back to work during our open week and get some of these problem areas fixed. The effort was good, we just have to make it more productive. The Horns take this week off and will head to Eldorado next week for week 4 of football action.

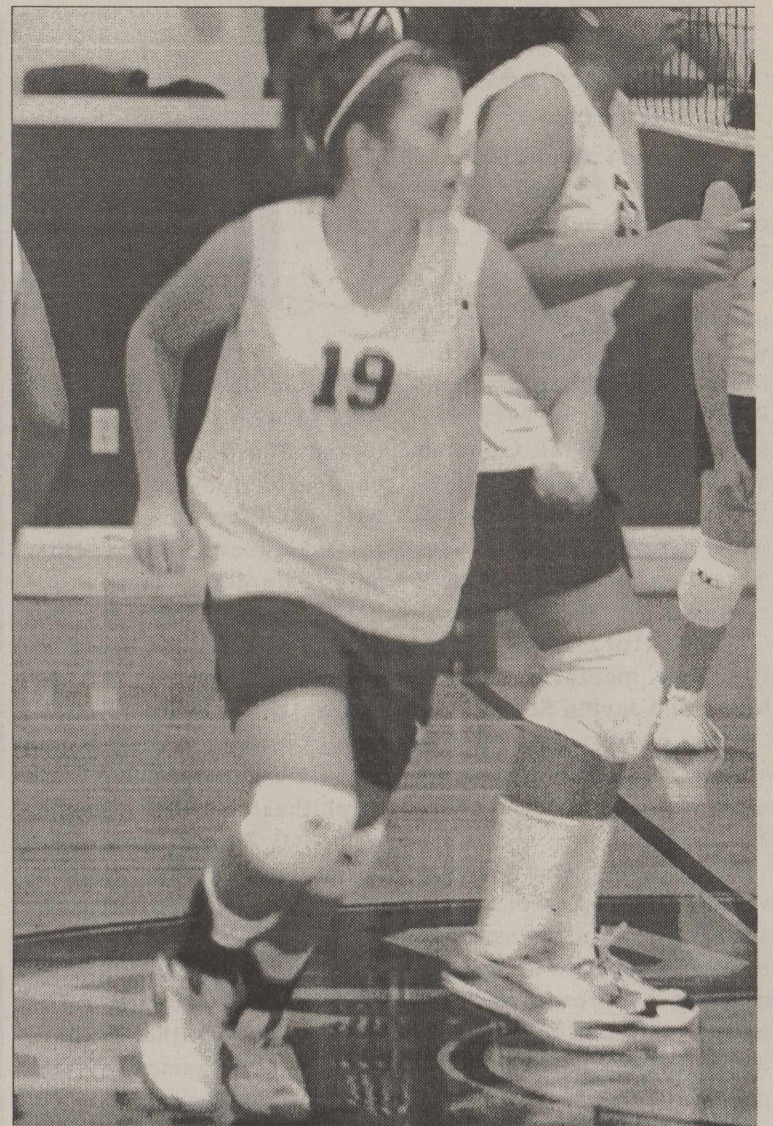

Bronte Homecoming plans being finalized

The Homecoming committee has been working on finalizing the plans for their big Homecoming to be held October 8 and 9, 2010. The theme for this year's homecoming is 'Once a Longhorn Always a Longhorn.'

Friday plans include a bonfire, parade, pep rally and tailgate Party followed by the football game between Bronte and Menard in the new stadium.

On Saturday a special coffee and donut registration, tours and visitation, followed by volleyball games, a meal, and dance.

We need many volunteers in order to make these events happen. Please let Paula

Age Difference shows on court

By Jayon Seales

There's definitely a huge difference between 7th and 12th grade girls. This difference can be seen when the girls take to the volleyball court.

"The Junior High doesn't have the experience that the high school does," said Bronte Teacher, Tami Richards.

In the Bronte vs. Miles JH Game, it was clear that some junior high players don't yet have the strength to get the ball over the net. Many struggled with serving the ball.

"By the girls' 8th grade

year, they should be mature enough and have the coordination to do it," said Bronte teacher and former assistant coach, Heather Lee.

Throughout the volleyball girls' years in sports, they all will mature athletically. Most girls who stick with volleyball will eventually go through an athletic change.

"The girls' biggest change is between 8th and 9th grade years, athletically speaking," said Lee.

The varsity player is such a big change from the junior high players. Varsity players act aggressive and play with a high level of coordination. Varsity players seem to act more as a team instead of thriving for individual perfection. Junior High players are just beginning to practice team concepts.

"The biggest difference is the experience gained over the years," said Lee.

So there is no doubt that a major change happens between a girl's Junior High and Varsity years.

"Everyone will grow athletically," said Lee.

That is something that the Junior High Players have to look forward to.

ROBERT LEE SCHOOL NEWS

Steers Football! The Robert Lee Steers put forth a great effort in the game against Paint Rock September 3. The Robert Lee High School Cheerleaders had spirit and people flying at the Pep Rally held in the new cafetorium.

Steers vs. Indians

By Tom Sawyer

The Steers played a very long and hard fought game Friday night with touchdowns being strung together up and down the field with a total of 172 points scored by both teams. Sixman football is sometimes defined by the stamina that your team has to maintain, to answer the offensive threat that is used against you. Friday night the Steers proved that their conditioning and Steer Pride

can last as long as any game can go and that champions don't always have the most points.

Join us this week when the Steers travel to Loraine for the 7:30 pm game time. **GO STEERS**

**Washday 101
Laundry Basics For The
College Bound And Other
First Timers**

Doing your laundry for the first time? What gets washed with what? Too late to call home? You're the only one in the laundry room?

Hang on, help is here. You can take care of your clothes and save money by practicing good clothing management in your home, dorm or neighborhood laundry. Although the latest in washer, dryer and laundry products make cleaning easier, for good results, follow these basic procedures:

- * Remove stains as soon as possible. Spots and stains are easier to remove if they are treated quickly. To remove a stain, use a blotting motion, do not rub the stain. Retreat stains that are not completely gone. Do not dry stained clothes in the dryer, or the stains may become permanent. Bleach also helps to remove stains and improve cleaning power. Follow garment care instructions and bleach label directions for proper use. If there is any doubt, test the garment for colorfastness in an inconspicuous area.

- * Read the care labels and

follow instructions. Following the manufacturer's recommended instructions can mean the difference between a garment that lasts and one that can be ruined easily. Read the care labels on your garments. They contain care procedures recommended by the clothing manufacturer.

- * Sort clothes before washing. Separate whites from colors and light colors from dark. Separate sturdy cottons from delicate and permanent press items. Separate lint-givers, such as sweatshirts, from lint-grabbers, such as corduroy and permanent press items. Finally, separate heavily soiled items from lightly soiled ones. As you separate clothes into loads, empty pockets and shake out cuffs. Close zippers and hooks. Repair any holes or tears so they don't grow in the wash. Pretreat stains, collars and cuffs.

- * Follow the instructions on laundry products. Many choices of laundry products are available today. Follow the manufacturer's instructions for amounts to use. Soaps are designed for light, gentle washing. Detergents work to remove a variety of soil amounts. Granular detergents work well on mud and clay soils. Liquid detergents are usually effective in removing grease and oil stains. Fabric softener reduces static cling, minimizes wrinkling and softens clothes. Rinse-added softener goes into the final rinse. Dryer-added softener sheets go in the dryer at the beginning of the cycle.

- * Avoid overloading. The wash may get finished faster, but it won't be nearly as clean. For best

MAKING SENSE OF INVESTING

RESULTS OF UNBELIEF

For what if some did not believe? Shall their unbelief make the faith of God without effect? God forbid: Yea, let God be true, but every man a liar. • Romans 3:3-4a

Well, because of unbelief they were broken off, and thou standest by faith. Be not highminded, but fear: For if God spared not the natural branches, take heed lest He also spare not thee. • Romans 11:20-21

He that believeth and is baptized shall be saved; But He that believeth not shall be damned. • Mark 16:16

For God sent not His Son into the world to condemn the world: But that the world through Him might be saved. He that believeth on Him is not condemned: But He that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. • John 3:17-18

And if any man hear My words, and believe not, I judge him not: For I came not to judge the world, but to save the world. He that rejecteth Me, and receiveth not My words, hath one that judgeth Him: The word that I have spoken, the same shall judge him in the last day. • John 12:47-48

Wendy's High School Heisman Award announced

For the past sixteen years, Wendy's Restaurants have teamed up with the Heisman Memorial trophy Committee to create the Wendy's High School Heisman Award. The award honors both male and female high school students who excel in academics, athletics, and student leadership. Eligibility is limited exclusively to men and women entering their senior year of high school in the 2010-2011 academic year who have at least a "B" average and participate in at least one school-sponsored sport. Students may apply online at www.wendysheisman.com.

The deadline to apply is October 3, 2010. Free Wendy's \$5 to \$50 gift cards will be awarded to the first 41,000 applicants. For more information, please visit the web site or the scholarship bulletin board at Bronte High School.

ACT and SAT Test Deadlines posted

Students interested in taking the October 23, 2010 ACT test must register by September 18th, 2010 in order to avoid late fees. Students may register online at www.actstudent.org or pick up an application in the high school counselor's office. The cost of the ACT test is \$33.00 or \$48.00 if a student registers for the ACT Plus Writing test. If someone is unsure which test to sign up for, please consult the high school counselor.

Students interested in taking the October 9, 2010 SAT Reasoning Test must register before September 10th in order to avoid late fees. Another SAT Test will be administered November 6th and the deadline to apply for that test is October 8th. The cost of the SAT Reasoning test is \$47.00 and includes a required writing portion. Registration may be done online at www.collegeboard.com or

you may pick up a registration packet in the counselor's office.

Fee waivers are available to junior and senior students who qualify for free or reduced lunches. Call or see Mrs. Timmerman, counselor for more information. Please keep in mind that the ACT and SAT tests will be offered several times throughout the spring semester. The ACT test is offered at Bronte High School in October, April and June. Free study guides are available in the counselor's office. The high school library has practice test preparation books available to students. The ACT and SAT websites also have free practice items available online. For more information, please call the BHS counselor's office at 473-2521.

Poly cart Collection Guidelines and Information

Republic Waste Services d/b/a Duncan Disposal is proud to announce that beginning October 1, 2010; your trash service will be converting to poly cart containers. This change will allow Duncan Disposal to service Bronte more efficiently, while providing a more sanitary way to dispose of household waste.

As a resident or commercial hand-load customer, receiving city utilities, you are being provided with one (1) 96 gallon poly cart at no-charge. If an additional poly cart is required, the City of Bronte will be happy to provide one to you for a nominal fee. A metal container is available for customers requiring greater capacity.

The following provides you with the information you need to best utilize this new service.

IMPORTANT DATES:

- Initial deliveries of poly carts and commercial metal containers begin Monday, Sept 20th.
- Collection services utilizing the new commercial containers will begin Friday, October 1st and residential poly carts will begin Tuesday, Oct 5th.
- Requests for additional poly carts can be made to City Hall, beginning the week of Sept 20th.

Effective in October residential and commercial poly cart trash collection days will change to Tuesday collection. Commercial metal containers will be serviced on Fridays.

NEW PLACEMENT REQUIREMENTS:

- On collection day (Tuesday), place the poly cart in front of your property, curbside or at the edge of the street by 6:00 a.m. You may remove it after the garbage has been collected and should remove it by 7:00 p.m. Place the poly cart with the handle away from the curb.
- Place your poly cart at least 3 feet away from a mailbox or other obstacles, 12 feet from a parked car, and avoid placing directly underneath low hanging branches or power lines.
- Your poly cart cannot be emptied if it is not easily accessed by the grabber arm of the collection truck!
- All food waste must be bagged.
- Poly carts are designed for household trash only. Do not fill with gravel, dirt or construction debris.
- Only what fits inside the container will be collected (ie. nothing placed beside or stacked on top of container). Please do not overfill poly cart, as lids should close properly.

USEFUL INFORMATION:

- The following items **CANNOT** be collected in the poly carts:
 - Batteries, Concrete, Flammable Liquids, Florescent Light Bulbs, Hazardous Materials, Hot Ashes, Metal, E-Waste (monitors, TV's, fax machines etc.), Motor Oil, Paints, Poly Chemicals, Solvents, Tires or Construction Debris.
 - Residential and Commercial customers requiring large temporary rolloff containers for construction or clean-up may contact Duncan Disposal directly at 325-481-7700 for pricing.
 - Special accommodations will be made for residents physically unable to handle the poly cart. Please contact City Hall for details.

PLEASE NOTE:

- If your cart is damaged or lost, call City Hall to have it replaced. If lost or damaged by homeowner (i.e.: hot coals or ashes placed in the cart), a \$60.00 replacement fee will be assessed. If the damage is not the fault of the homeowner, the replacement will be at no cost.

WHO TO CALL:

- To order additional poly carts, request special service accommodations, report lost or damaged Poly carts, please contact City Hall at 325.473.3501.

Coke County 4-H seeks members
 The Coke County Extension agents will be conducting 4-H meetings in Bronte and Robert Lee to kick off the 4-H year. Any youth who is either 9 years old or 8 years old and in the 3rd grade, and has not reached their 19th birthday by August 31, 2010, is eligible to become a 4-H member. Meetings in Robert Lee will be held the first Wednesday of the month beginning September 1, 2010. The senior 4-H group, grades 7-12, will meet during the lunch period at the Catholic Church hall and the junior 4-H group, grades 3-6, will meet after school in the cafeteria. Bronte 4-H meetings will be held the 2nd Wednesday of the month, beginning September 8, 2010. Grades 3-6 will meet after school in the library, grades 7-12 will meet during the lunch period at the Bronte Church of Christ annex.
 4-H is open to any youth regardless of sex, religion, race, socio-economic level, color, disability, or national origin, who meet the age requirement listed above.

several project areas. Many people have the misconception that 4-H members only learn to cook, sew or have livestock projects, but 4-H is more than just cooking and cows. Youth can participate in project areas including: gardening, horticulture, electricity, shooting sports, archery, government, wildlife, dog care and training, poultry and numerous other learning experiences. Through project work, being on judging teams, public speaking, method demonstrations and other 4-H areas, youth can learn valuable lessons in responsibility, being able to think for themselves, be able to speak in front of groups and other beneficial lessons to help them in their lives later on. Also, 4-H is not just for youth. Adults and parents are encouraged to become involved as volunteer leaders to assist in club meetings and various project groups.
 Additional information can be obtained from the Texas AgriLife Extension Service-Coke County office in the county courthouse, or by calling (325) 453-2461.

(Continued from Page 8) results, items must circulate freely.

* Water temperature is an important factor in cleaning performance. For best results, use warm water (90-110 degrees F), for most loads, use hot water (130 degrees F and above) for whites and heavily soiled items, and cold water (80 degrees F or colder) for lightly soiled or brightly colored items.

* Choose a drying cycle that fits the care label instructions. Generally if clothes can be washed together they can be dried together. Shake the damp items to loosen them before putting them in the dryer. Set controls for "regular" if most of the load is made up of all-cotton fabric or "permanent press" if the load contains man-made fibers or permanent press fabrics. To avoid unnecessary wrinkling, remove items from the dryer as soon as it shuts off. Do not overload the dryer. Keep lint filter clean. Air drying is recommended for some garments.

If you expect your clothes to last, you must take care of them. The appearance of clothing can be ruined during any of the steps outlined above. However, if you take time to care for and clean your clothes properly, you will save money.

Concho Valley general chairmen are Jody Frey and Bob Helmers. They're joined by Big Country chairmen Mike Alexander and Randy Carson as well as legendary western cowboy entertainer Red Steagall who's serving as honorary spokesman for the drive.

"We're off to a great start for Round-Up 2010," said Helmers, "thanks in part to the early support we've received from corporate sponsors Bar G Feedyard, Family Power-Sports, Group IV Electric Cooperatives, Lone Star Beef and Strongpoint/Pied Piper Pet & Wildlife. Providing additional 'up front' support are A-B Distributing, Aermotor Windmill Co., Angelo Pellets, Capital Farm Credit and Mueller Metals.

Arrangements for hauling donated animals can be made through local chairmen or by calling WTRC-San Angelo at 325-223-6300. Information about Rehab Center services is available at www.WestTexasRehab.org.

Since 1953, West Texas Rehab's mission has been to improve the quality of life for every disabled child and adult who seek its services, regardless of their financial circumstance. Proceeds

from fundraising events such as Round-Up for Rehab help provide services annually for more than 28,000 patients with physical disabilities and communication disorders who turn to the Center for help and hope.

Built Ford Tough Texas High School Football Player of the Week Program launches

For the fifth consecutive year, Ford Motor Company will recognize six outstanding student-athletes each week through the Built Ford Tough Texas High School Football Player of the Week Program. The program invites fans, coaches and Texas media to pay tribute to those players who demonstrate toughness, sportsmanlike conduct and scholarship throughout the high school football season.

"Nothing says 'Texas' like trucks and football," said Philip Podgorny, Ford's Sales and Marketing Manager of the Central Market Area. "Ford is proud that the F-150 is the 'Truck of Texas' and proud to honor the superstars of our state's favorite pastime through the Built Ford Tough Player of the Week program."

Again this fall, fans can nominate their favorite players at the redesigned playeroftheweek.com, a web site that allows visitors to catch up with weekly winners, view video clips of players in action and get the latest program details.

Additionally, fans can keep up with award winners through a weekly television show. Ford and the Texas Ford Dealers are teaming up with Fox Sports Southwest to send television crews into communities across the state to shine the spotlight on players who excel on the field, in the classroom and in their communities. The half-hour Built Ford Tough Player of the Week

This doesn't feel like grass! Athletic Director Keith McCutchen took his elementary boys' PE class to the new football field for a workout this week. The weather was beautiful, and the boys enjoyed working out on the new turf.

program airs Saturday at 8:30 am for twelve weeks beginning September 4, 2010.

Ford Player of the Week Program: How it Works

The Built Ford Tough Texas High School Football Player of the Week program will recognize one high school student-athlete in six of the state's athletic classifications every week of the regular season of the 2010 Texas high school football schedule. They are selected based upon their individual performance on the field, their contribution to the team and their success in the classroom.

Throughout the 2010 football season, fans can nominate any player who takes the field for the Player of the Week Award, as long as they excel in three categories:

- Individual performance on the field, including significant statistics from that week's game;
- Contribution to the team's success through their individual leadership abilities;
- Performance off the field of play, including academic success and good community citizenship.

At the conclusion of the ten-week regular season, Ford and its advisory board will select one student-athlete from the ten weekly winners to be the Built Ford Tough Texas High School Football Player of the Year in each classification. Following the championship games, honorees will once again be recognized at a statewide banquet event.

During the 2009 season, 60 outstanding student-athletes were named Built Ford Tough Texas High School Football Players of the Week. At season's end, the following players who excelled on the field, in the classroom and in their communities were named as the Built Ford Tough Texas High School Football Players of the Year:

- Class 5A: Jeremy Johnson, QB, John Tyler High School,
- Class 4A: Scotty Young, QB, Ryan High School, Denton
- Class 3A: Darian Godfrey, QB, Gilmer High School,
- Class 2A: Nate Jeffery, RB, Caddo Mills High School,
- Class 1A: Traylon Shead, RB, Cayuga High

Street Affair to feature Quilt Show

It's that time again! The Robert Lee Street Affair will be here soon. So, you know what that means. The Quilt Show will be held in the Ivey Motors showroom the day of the Street Affair. Anyone who would like to have an entry in the Quilt Show needs to pick up your entry form and pay the \$5 entry fee.

The quilts will be judged in three divisions: machine; hand; and baby. First and second place prizes will be awarded in each division.

Quilts will need to be taken to Ivey Motor Co., Inc. the evening prior to the Street

Affair. You may also drop off the quilts at Designs by Toni and the Coke County Library. Completed entry forms and payment will be required at that time.

Please make plans to enjoy the Quilt Show during the Street Affair.

Lily Fest 2010 set for September 18

The City of San Angelo Parks & Recreation Department announces the sixth annual Water Lily Collection celebration event.

The purpose of the event is to recognize the importance of the Collection for the City and the botanical world to honor the role of Kenneth Landon, as well as others, in making the Collection a reality.

The event will be held on Saturday, September 18, from 9:30 am to shortly after noon at Civic League Park. A guided tour of the Collection, by Kenneth Landon, will be given about 11 am. Civic League Park is located on North Park Street between Pecos Street and Beauregard Avenue.

Street Affair Bake Sale set for Friday

A benefit Bake Sale for the Robert Lee Street Affair is being held today at Robert Lee State Bank. The sale begins at 9 am and will continue until all the goodies are gone.
