AN EDITORIAL- -The Tax Story

June 17th is Election Day in Seminole. The vote is to decide whether or not there will be a tax increase in Gaines County. The increase is needed for our schools and the outcome of the election will be decided by each of us. As individuals we have an obligation to provide an education for the youth of our area. It has been the privilege of Gaines County residents to enjoy a school system known throughout the state for its superior standards and facilities. This has been a result of dedicated men and women. We have had conscientious school board members, administrators and teachers to bring about the good reputation of the Seminole Schools. A number of factors have played a part in the need for increased revenue. Inflation and alarming increase in the cost of living is a major factor. This increase carries over in the operation of our schools in the same way it affects a privately owned business or a household.

The tax asked for is not unreasonable. We have one of the lowest tax rates and evaluation in the state. For comparison, we have obtained a few examples which illustrates how fortunate we in Gaines County are--tax wise. We only pay 5% of the school taxes. Oil companies and utility companies pay 95% of our school taxes.

Landowners with Terry, Floyd, and Gaines County and the Seagraves school district (property owners) pay the following taxes:

Gaines County--all taxes--\$114.58;

School taxes--\$54.15. (This 400 acre of irrigated land has a market value of \$120,600.00).

Terry County--school taxes only--\$174.80. (This 320 acres--160 acres irrigated and 160 acres dry land--has a market value of \$72,000.00).

Floyd County--school taxes only--\$263.58. (This amount on 405 acre of dry land).

Seagraves--school taxes only--\$78.00 (150 acres of dry land).

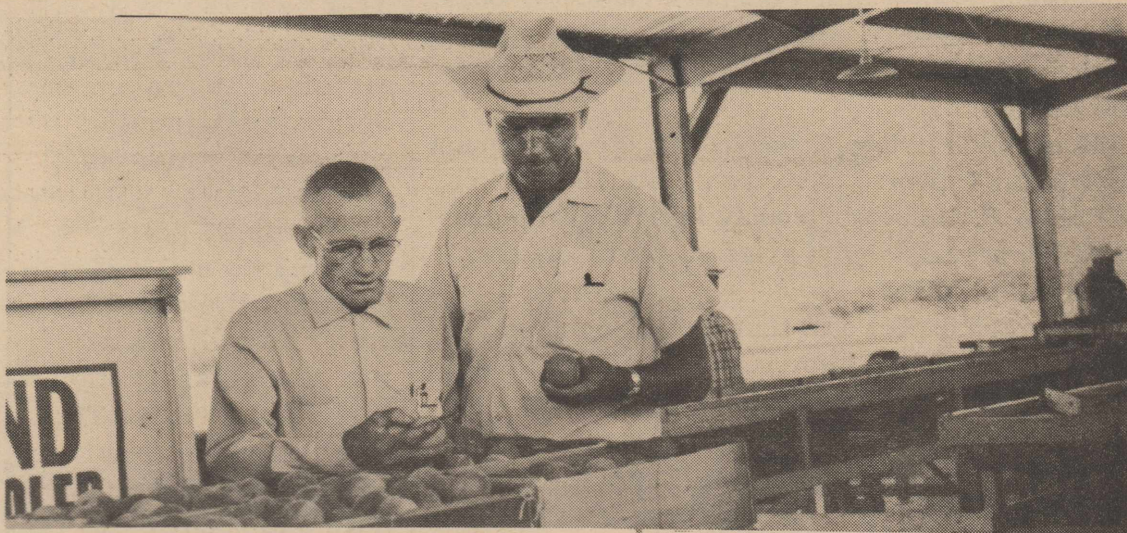

Gaines County--school taxes only--\$32.91. (475 irrigated acres).

Most any local person owning property in other counties find the situation similar.

A \$15,000.00 home in Seminole is taxed on \$1,500.00. The School tax on this property is \$25.50 per year. If the tax increase that is being asked is approved, the 21¢ needed at the present time would increase the above tax by \$3.15 per year. (This figure is based on a \$15,000.00 brick home). In Brownfield, a three bedroom frame home is assessed at approximately 60% of the total evaluation at a \$1.82 rate, (Seminole is 10% at \$1.50 rate). The school taxes on this Brownfield home was \$120.00 in 1966.

The tax is needed and the tax is reasonable. We hope all eligible voters will exercise their right and privilege of voting.

GEORGE NORMAN AND LOUIE GILMORE INSPECTING THE FIRST CROP OF PEACHES IN GAINES COUNTY.

Fairview News

BY MRS. OPAL
(R.M.E.) HUGHES

The preacher of Fair View church started to carry the young people to the Billy Graham crusade picture but the picture failed to arrive so he carried the young people to bowling and they reported a good time.

Mr. and Mrs. Farris Brooks went to Garden City to Mrs. Brooks uncle, Mr. and Mrs. Bill Robinson, Mrs. A. W. Robinson is visiting them now, she is Barbara's grandmother. Barbara had one of her good friends with her at church, Leta King.

Brother Leon Smith wife, and children visited Mrs. J. J. Barlow, of Earth, Texas, Johnnie their oldest son stayed awhile up there.

Mrs. Ethel Garland had as her company, Mrs. Margret Noble, Mrs. Ola Tinkler, both together from Lamesa.

Brother James and Mrs. James ate dinner with Mr. and Mrs. Hugh Castleberry of Florey, Texas. They reported a real good visit together.

Jimmie Garland of Seminole has been taken home from the Hospital.

George Norman of Lamesa started harvesting peaches last Friday, June 9. They are harvesting "Dixie Reds". Mr. Norman told us that he has 160 acres of peach trees that are 3 years old, and 80 acres that are one year old. They expect very few peaches from the young trees, but on the old trees the harvest will be more abundant. These trees are in the western part of Gaines County.

Mr. Norman has several varieties. The different varieties enable the harvest of the fruit every two or three weeks. The "Dixie Reds" are the first to be ready to harvest followed by the "Ranger Red Globe" and "Redskin". In the young orchard the varieties are "Ioring and "Jefferson".

The Norman peach farm has cold-storage facilities (the farm stores up to 1400 bushels of peaches). The first harvest was sold and the trucks were waiting for the peaches to be culled, cooled, and loaded.

They were sold to Louie Gilmore of Lamesa, Texas, Piggly Wiggly store, and Deordoff Wholesale Company of Lubbock.

Peaches on the Moore-Freeman and the Fred Barrett Farms are also ready for harvest.

GAINES COTTON FARMERS FACE DECISION ON REPLANTING

Some South Plains cotton farmers face an important decision--whether to replant hailed-out or cold damaged cotton or to plant permitted cotton acreage to soybeans.

If the decision is to plant soybeans, growers must receive prior approval from the county ASCS office, says Calvin D. Holcomb, county agricultural agent. With this approval, cotton price support payments may still be received.

Growers can expect a decline in lint yields as planting dates become later in the season, Holcomb points out. In fact, some yields have decreased as much as 728 pounds per acre.

Average lint yields obtained at the South Plains Research and Extension Center over a five-year period have been 800 pounds per acre for June 1 plantings compared to 662 pounds per acre for planting on June 8-10. Based on an average price of 16¢ per pound, this difference alone amounts to \$14.08 per acre.

Holcomb adds that there are a number of factors consider before planting soybeans on cotton acreage. First of all, adequate irrigation water should be available to produce sufficient yields.

Also, tests have shown that yields are increased if cotton follows soybeans in a rotation. Thus higher yields should be obtained on next year's acreage if soybeans are planted this season.

Of course, the rental agreement between the landlord and tenant must be considered, points out Holcomb. Usual agreements call for one-fourth of the gross income from cotton to go to the land owner whereas one-third of the income of soybeans is paid.

The expected income above operating costs is another all-important factor in deciding between late-planted cotton and soybeans, points out Holcomb. On a per acre basis, to produce a lint yield of 800 pounds, a grower may spend \$80 and thereby leave a net operating return of \$40.

In comparison, irrigated soybeans planted by June 6 normally yield about 25 to 30 bushels or more per acre. Considering a production cost of \$35 per acre for soybeans, a producer could expect

School board

The School Board met Friday, June 9, for their regular meeting. They accepted the resignation of Mrs. Roy Hart, first grade teacher. David Hubert Cavitt and Melvin G. Clark were hired, subject to assignments for the 1967-68 semester.

The board elected Rayford Bates, delegate and Horace I. Jones, alternate, to be a member of the delegate assembly, which shall elect officers, vote on resolutions, policy statements and amendments to the constitution and by-laws of the Texas Association of School Boards. This is an annual meeting held in September; the date and location to be announced later.

It was voted to offer Drivers Education to students 15 years of age, prior to the semester in which they enroll. It is a state law now that a 16 year old can secure a license if they have had drivers education, if not the required age is 18 years of age.

reasonably more net operating return from soybeans than from cotton.

If cotton is to be replanted, Holcomb feels that a few guidelines should be considered with regards to varieties that might do best in Gaines County. Only early maturing varieties should be planted at this late date due to the shortened growing season. Long staple varieties such as Acala and Del Cerro will not have sufficient time to mature.

Irrigation of late cotton also becomes more critical, says Holcomb. Less water should be applied in order to insure early fruiting. Following pre-plant irrigation, generally one additional application at peak bloom is sufficient.

Letter from the Ft. Worth Kinnery

Just received a copy of the May 17 issue of the Seminole News and have to conclude that news of importance must have been pretty scarce by the time you got to page two. Want to thank you though for putting us on the same page with the Farm Hand. That was most appropriate, as we are still Country folks at heart, even though we have moved off the farm. You know the old story? "You can get the boy out of the country, Etc."

On Sunday we would be taken to Sunday school and church. Notice we use the word "taken", we were not sent, but taken by our parents. After a good substantial Sunday dinner, we gathered around the old fashioned organ and sang hymns of praise. The music may not have been good when compared to present day standards, but it was soul satisfying and spiritually uplifting to us and of one thing our parents could be sure, they knew where we were and what we were doing, on such occasions. It seems to us, now as we look back, that there was more genuine neighborliness in those days, than prevails today. If a neighbor was sick, it was customary for the other neighbors to come and sit by his bedside all night long, if necessary. If one died, every neighbor for miles around would grab his grubbing hoe, pick and shovel and head for the cemetery to dig the grave. It appeared there was always one or more of the older men that know just how to put the finishing touches on the grave. In like manner they all, men and boys large enough to wield a shovel, filled the grave after the burial and again some man, especially adept at rounding off the mound on the grave, would do that little chore with justifiable pride. Yes the bonds of friendship appeared to be much more prevalent 60 years ago than in this year A.D. 1967.

Mr. and Mrs. W. E. Cox, Jr. and Audy are in Houston this week for Fronia to have her annual check up. They plan to see a ball game at the Astrodome. From Houston they will visit in Jasper with relatives. The Coxes will return home this week-end.

MORE ABOUT THE EARLY DAY FIRE DEPT. AND AN APOLOGY

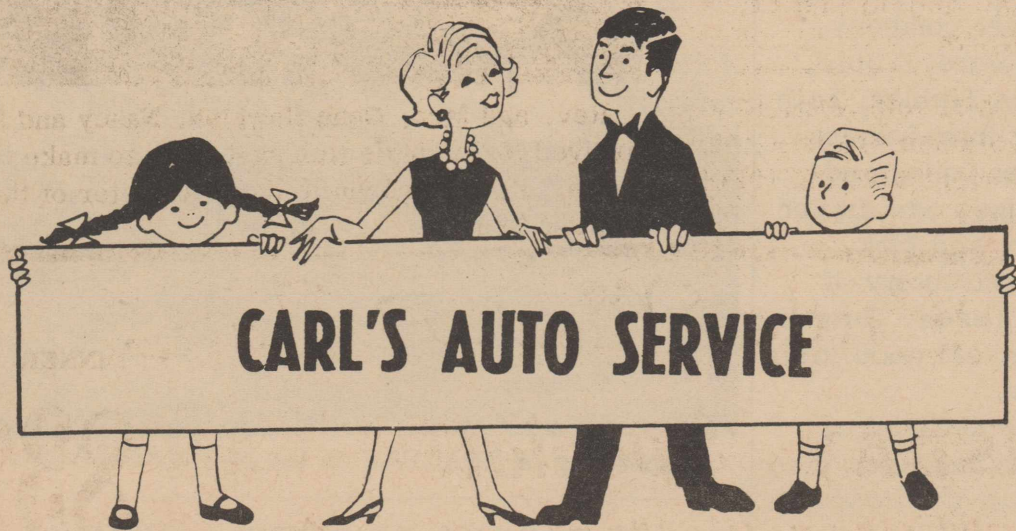

Our apology to Joe Dennis (and others too, we're sure). Mr. Dennis was an original fireman and his name was omitted from last weeks articles on the Seminole Fire Department and Firemen. We're sorry about this. Now may we say a special "Thank You" to the many who have called in expressing appreciation for the "Firemen" issue. It was a pleasure to recognize this group who serve all of us.

This interesting note came to the attention of the NEWS. Mrs. Harry Stone said that the late Mr. Stone, accompanied by W. E. Cox, picked up the first fire truck in Dallas and drove it to Seminole. Mr. Stone was Mayor of Seminole at that time and Mr. Cox was a City Commissioner. The new fire engine was parked at the Stone residence over night and shortly after breakfast Patsy and Ruth Slaton were delighted to be taken for a ride on the new vehicle. Patsy is now, Mrs. James K. Waldrop, of Odessa and Ruth is Mrs. W. R. Miller of Kermit.

Many a man with no family tree has succeeded because he branched out for himself.

Q & A

(Q) Some of my red sable brushes that I use in oil painting get so fuzzy after I use them for a while. What can I do to stop them from becoming fuzzy?

(A) Dip the brush in a solution of half glycerin, half water. Wipe it across the palm of your hand carefully and softly to remove the excess and to bring the hairs to a fine edge or point. Stand in a jar overnight (bristle end up, of course). The next morning should find them in perfect shape. It is not necessary to wash out the glycerin before painting.

R. A. C. E. S. on call to Serve Seminole

How wonderful it is when someone offers to serve. It is good to hear the words 'willing to help'. Such a fellow was in our office last week. He is Billy Houston. Billy serves the Civil Defense as a radio operator for the 'Radio Amateur Civil Emergency Service' or what he commonly calls: "Races".

He pointed out several ways that he and others can serve our community and our country. As long as our telephones are working, our radios are receiving, and we are getting TV reception, we feel connected with the rest of the world, but what if a catastrophe were to happen to our part of the country. But if disaster, such as a tornado, power failure, or sudden war, then our "Races Operators" such as Billy Houston, Tom Wood, and E. L. Wallace would be 'People of the Hour'.

Did you know that Judge Charlie Lawrence and Dr. C. P. Alexander are co-chairman of our Civil Defense: In case of an emergency they along with us would have to depend upon the amateur radio operators to keep us in touch with other parts of our world.

WHO CAN JOIN RACES? Anyone with an amateur radio license is eligible to enroll if they meet the high standards imposed by such a vital service. Holders of certain commercial operator licenses may be enrolled if adequate numbers of qualified amateurs are not available. Amateurs should meet this obligation to their community and keep RACES a truly AMATEUR service.

Each applicant must obtain a written certificate from the local or State Civil Defense Director concerning loyalty to the United States and a testing to his general reliability in accordance with prescribed FCC procedures.

WHAT IS RACES? Races (Radio Amateur Civil Emergency Service) is an organization of amateur radio operators who help provide communications needed by Federal, State and local governments in time of emergency.

Races was created in 1952 by the Federal Communications Commission and the former Federal Civil Defense Administration (now Office of Civil Defense) primarily to serve in a civil defense emergency. Membership is now more than 50,000.

RACES provides backup communications for land-line telephone and teletype systems applicable to civil defense. RACES is used at points of disaster, or wherever needed, to relieve overloaded circuits and to replace circuits temporarily out of operation, as well as to furnish communications from areas where communications are not normally available.

WHEN IS RACES USED? RACES may be called on to provide communications in any emergency concerning:

- Public Safety
- Preservation of Property
- Maintenance of Law and Order
- Alleviation of Human Suffering and Need
- Armed attack or Sabotage
- National Defense or Security

Billy Houston said further, "In event of an ice storm in Montana or a flood in Carlsbad; if people will contact us, we will contact their folks there, or any other place where other communications have failed." If you are interested in becoming one of the amateur operators, you may contact one of the mentioned men. (Thanks Billy for coming in and Thanks for Serving).

TECH COACHES AND OFFICIALS TOUR GAINES COUNTY

There were approximately twelve coaches, assistant coaches and professors from Texas Tech on their 7th annual tour in Gaines County, Seminole and Seagraves Tuesday. One-half of the group had lunch with the Seagraves Lions and Rotary Club, with J.T. King, the principle speaker. Coach Burl Huffman spoke to the Seminole Lions and Rotary Club at the noon luncheon.

After lunch the groups met at the Gaines County Golf Club, along with the Red Raider fans of Gaines County for an afternoon of golf. At 7:30 p.m. a barbecue was held at the Party House at Gaines County Park. Several trophies were presented to golfers.

Polk Robinson, athletic director at Texas Tech introduced the speakers, J.T. King, Gene Gibson, and Burl Huffman. The coaches gave a review of the past season and all were optimistic about the coming year. Films were also shown.

The NEWS encourages you to back our Red Raiders.

NEW WAY TO BE SUDDENLY SLIM

Los Angeles:—Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim and yet completely comfortable. If you're more than 15 pounds overweight or your waistline is larger than 32 inches, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem.

The girdle itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It is so comfortable, but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim," in both girdle and panty versions, is the peak achievement of the California designer-genius, Olga. They are available in our area at

GAINES COUNTY RODEO

The Gaines County Rodeo was originally held in Seminole until a few years ago, when the Rodeo arena was torn down, (the Little League Baseball field is located there now), and the Association disbanded at that time.

About six years ago, a group from all over the County got together and reorganized the Gaines County Rodeo Association. Mr. Jeff Singleton, president; Mr. Joe Hudson, vice-president; and Mr. and Mrs. K.F. Schooler, Secretary-Treasurer were elected to office at that time. then with the aid of the business men and individuals of the entire county, the Association put on its first annual show of the reorganized Association in Seagraves, where the Gaines County Rodeo Arena is now located.

The Gaines County Rodeo Association is a non-profit organization. If, ay any time, there is a profit made on the rodeo, Little Britches Rodeo or the Appaloosa Horse Show, it is put back into the arena in the form of bleachers, bucking chutes, equipment, etc.

The goal of the Association is to put on a top

rate show for the citizens, where the entire family can go for exciting and enjoyable entertainment.

The association would like to extend a cordial welcome to each and everyone. To get your advance tickets, see one of the Queen contestants and buy your tickets from the contender you would like to see become Queen.

There will be a Chuck Shepard Roping saddle given away Saturday, June 24, the last night of th show. You can get your saddle ticket from any member of the Association for the donation of \$1.00 and you do not have to be present to win.

We would also like to mention the Association will sponsor a Little Britches Rodeo, which will be held July 21 and 22, 1967. It is a Little Britches Association approved show. Also the Appaloosa Horse Show later on this year, which is Golden Spread, Texas, and National Appaloosa Horse Club approved.

The entire Gaines County Rodeo Association would like to take this opportunity to express our sincere thanks for the support that the county has most generously given.

FIRST CHRISTIAN CHURCH NEWS
 Christian Women's Fellowship met Wednesday, June 7 at 9:30 for their monthly meeting in the fellowship hall of the First Christian Church.

The meeting was opened with the C.W.F. Prayer. During the business meeting they voted to pay half the registration fee for the 7 children going to Ceta Glen Summer Camp at Happy, Texas.

Dennie Crossland and Suzan Miller attended camp last week, June 4 thru June 10 at Ceta Glen. Joneen Cummings, Kathy Adams, Mark Dawson, Steve and Daryle Watkins will leave for Ceta Glen on June 27 thru June 30.

The ladies decided to have a birthday reception for Mrs. W. J. Davis on June 28 at the church in the fellowship hall from 3 to 6 p.m. All members and friends are invited.

Mrs. Dennis Knight gave the lesson entitled "Money Is As Money Does". The closing prayer was given by Mrs. Knight.

Refreshments of punch, coffee and cookies were served to the members.

The Youth Directors, Mr. and Mrs. John Lamm decided to discontinue the Youth Group Activities until after summer vacations.

Layminister, Mr. Gary Caffey from Lubbock, who is "filling in" until the church gets a regular minister, and his wife, Judy, were intertained by Mr. and Mrs. K. B. Snider at the Raymond Restaurant Sunday afternoon. Mrs. Caffey attended Texas Tech with the Snider's daughter, Margie.

Sunday night services were conducted by the youth of the church. Joneen Cummings, Mark and Bruce Dawson read Bible Stories to the congregation. Fellowship followed the services.

The ladies of the First Christian Church prepared a supper for the Bill Adams' family on return from Edgewood, Texas, where they attended Mrs. Adams' father's funeral.

To all our Seminole Friends:

Just a line from EXPO-67 to let you know we are enjoying a lot of unusual sights from the countries around the world. The St. Lawrence River flows enough water every 24 hours to flood Gaines County several feet deep and enough to overlap our neighbors on all sides. It was 9 miles wide at Gananoque, Ontario where we spent Monday night. This is called the 'town of a thousand islands' and I believe they are all there. We spent the night in a cabin overlooking the river.

Arrived here Tuesday noon, June 6, after driving 2268 miles. We all are going to New York tomorrow. (6/7/67) We are in the United Nations Building, 2:05 p.m. It is raining and there are thousands of people here. Our car is parked about fifteen or twenty miles from EXPO Grounds.

WEB WORMS SHOWING UP

Web worms are beginning to show up in trees in Gaines County says County Agent Clavin Holcomb. If you have shade trees in your yard and want to keep leaves on them, you should examine them now for these worms.

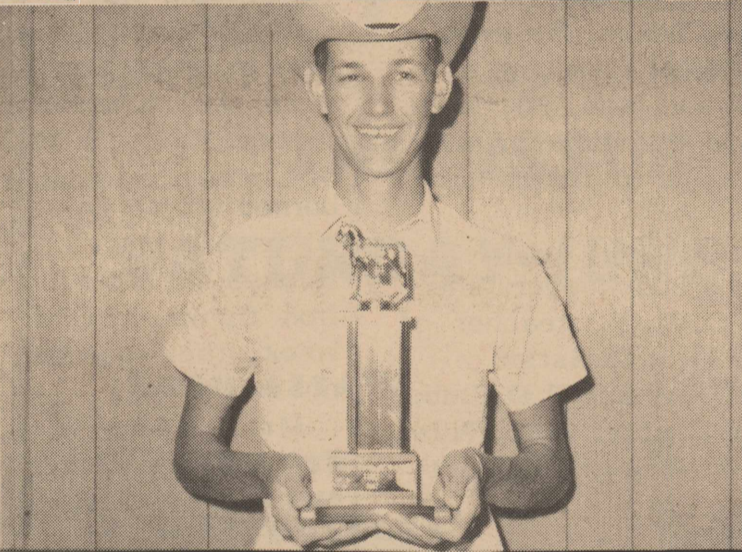

When they are real small they start eating on leaves and forming a web. Sometimes they will have a good many leaves eaten and webs already formed if you are not keeping close watch on your trees.

These worms generally feed by eating leaves, sometimes in concentrated areas. Some web within, or build "web nests" in crotches of limbs, or feed together in large groups without making a web. Caterpillars vary from one to two inches long. They also vary in color, but usually are striped, multicolored and hairy. If webbed branches are present, small infestation may be destroyed by cutting out and burning webs or by other mechanical means. There are one to three generations per year. Some winter as eggs in clusters on limbs, others hibernate as pupae in the ground.

Usually sprays are the best to use and following is the material to be used: Sevin, chlordane, D.D.T., Lead Arsenate, Molanthin and Toxaphane.

Holcomb says all insecticide are poisonous and should be handled with care. If insecticides come in contact with skin, remove residue immediately by washing with soap and water.

Insecticides are sold under many different trade names. Always refer to the statement of active ingredients on the label to determine the specific insecticide in the foundation. Mix and apply the material exactly as directed on the label.

Mr. and Mrs. Don Micka and children of Lubbock, visited with the Robert Jamesons' Friday and attended the retirement party for Forrest E. Farmer at the Gaines County Park Friday night.

Mr. and Mrs. E.E. Freeman of Lubbock, brother of Mr. Alton Freeman were weekend visitors of the Alton Freemans'.

MAURICE'S TO MOVE TO NEW LOCATION

Maurice's is moving to town. A sign of progress is evident in the 100 block of 2nd Street in downtown Seminole. The completion date is near on a new building for "Maurice's". It will have about twice the area of their present location and it will be a spacious modern building.

Maurice and James Phillips are the owners of Maurice's, a speciality shop. The Phillips' have two daughters, Jammey and Paula, Jammey and her husband, Earl Huggins and son, 3 1/2 year old Lynn, live in Monument, New Mexico. Paula will be a Junior in Seminole High School next year.

When the Phillips attended the Dallas Market recently, new lines were added in anticipation of their move. The Phillips have been in their present location for 5 years.

BOOKS
OPEN NEW HORIZONS

Story hour will begin in the County Library this Friday morning at 10 o'clock. This program is for pre-school children and first and second grade. Flannel board stories, Show and Tell and puppets will be used. The program will continue each Friday morning until August 18th.

Some books for adult enjoyment are:
Another Spring by Grace Erdman.

Although this is not a Civil War novel, that period is the background. It is a story of displaced people. People who were driven from their homes and victims of many tragic events and their reaction to what happened. A story of their endurance under stress, of their courage and dignity, of the triumph of the human spirit over adversity.

Silverhill by Phyllis Whitney.

Mounting suspense is sent against the background of a mysterious house: Silverhill. Silverhill seems to Mallie Rice haunted by evil reflections from the past. In an atmosphere of shuddering evil, the strange forces of Silverhill are arranged in an attempt to destroy Mallie's love and sanity.

The Plot by Irving Wallace.

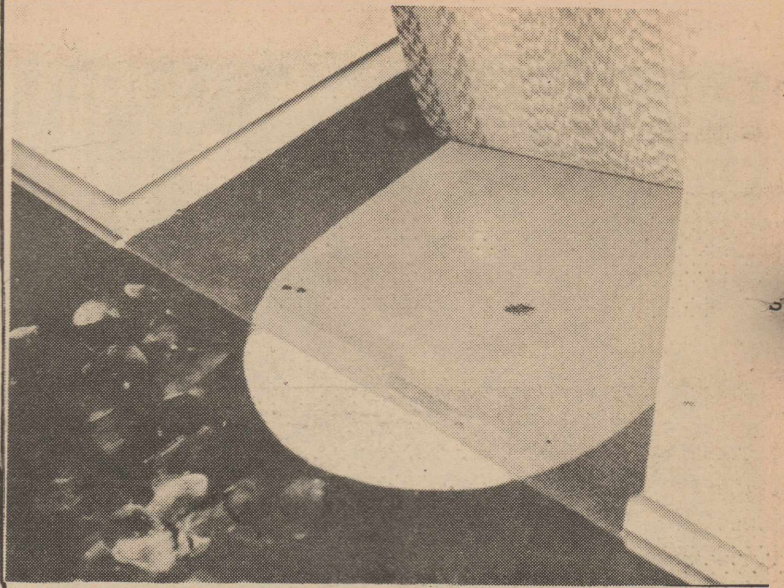

The author of The Man and The Prize turns to the world of international diplomacy, to the Summit, where the future of nations, and the human race rests on the decisions of men operating under pressure. Although it is a novel, Wallace presents a compelling behind-the-scenes subject, characters, and Plot.

The Candlestick and the Cross by Ruth Solomon.

A romantic epic of a glamorous, highly placed Jewish family in the Imperial Court of Russia during the last years of Czar Nicholas' reign.

Mr. and Mrs. Van Reese, Leanne and Michael of Detroit, Michigan are visiting her parents, the Alton Freemans'. The Reeses' flew to Midland on June 6th. They will return to Detroit this Friday.

RICKY NELSON COON

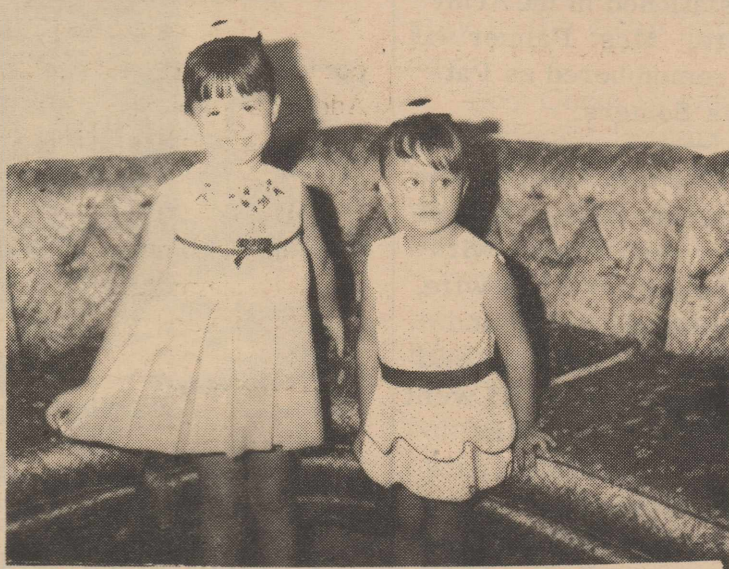

Ricky Nelson Coon is the 10 month old grandson of Mr. and Mrs. S. R. Jeter, 206 S.W. Avenue N, and Mr. and Mrs. Nelson Coon, 1403 West Avenue A. He is the 'only one' for these four grandparents. They all think the same about 'Little Ricky'--he's about it!

The parents are Ricky and Dalilah Coon who reside in Arlington, Texas, where Ricky works as a machinist.

Kelley O'Neal, 8 1/2 months, visited with her grandmother last week. Kelley's parents, Bill and Vicki, reside in Alpine. They were moving to a new address and Kelley got to visit with her grandmother, Mrs. Jean Strawn and great-grandmother, Mrs. J. L. Carroll.

LYN ANN AND KATHY SUE

The two young ladies in the NEWS photo are special "Fowler" girls--if you don't believe it--just ask Oscar and Evelyn Fowler. They are proud as 'proverbial punch' of Lyn Ann, 5 years and Kathy Sue 2 1/2 years old. They think being grandparents of these two is just the finest thing that has happened. Maternal grandparents are Mr. and Mrs. Tom Crow of Lubbock. Parents are Mr. and Mrs. Max Fowler of Ft. Worth. The paternal great grandmothers are Mrs. Ola Beeson of Waco, Texas, and Mrs. Nida Fowler of Happy, Texas.

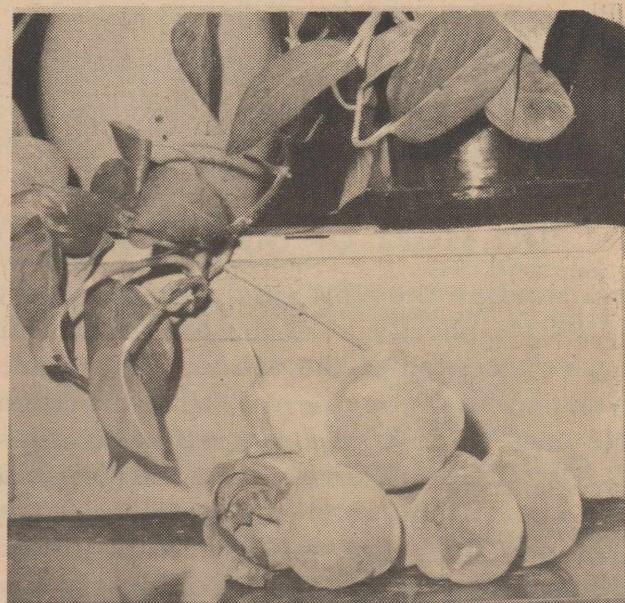

We know the Fowlers are having fun with their young Ft. Worth visitors.

LEANNE, MICHAEL, AND MRS. FREEMAN

Leanne is 2 years old and Michael is 8 months old. They are the children of Van and Mary Lee Reese of Detroit, Michigan. Van is associated with General Foods in Detroit.

Mr. Van K. Reese of Houston is the paternal grandfather and the Alton Freemans are the children's other grandparents.

Peaches from the Fred Barrett farm are shown in the NEWS PHOTO. John Shepherd came by the News office Friday morning and said Peach Harvesting is ready to begin at the Barrett farm.

Mr. and Mrs. A.L. Phillips spent last week in Midland with their son Jerry and family. Their grandchildren, Jerry Jr., and Randy came home with them for a visit.

SCOUTS MEET

The Girl Scouts of the Seminole neighborhood held their annual Day Camp from Monday, June 5, through Friday, June 9. The girls went to the camp each day from 2:00 p.m. until 8:00 p.m. and on Thursday the Girl Scouts had an overnight stay in the camp until the Camp closed on Friday.

Day Camp is camping outdoors in small groups with special leaders. The Camp site is at the Gaines County Park. Chairman of the Day Camp was Mrs. G.K. Lake and Buyer was Mrs. James Russell.

There were numerous activities planned for the girls. They enjoyed hand crafts and the things made denoted Indian lore.

The girls set up 'wash stands', and made cabinets. They built their own fires and did their own cooking. They enjoyed sandwiches, hot dogs, 'Sloppy Joe's', and a combination dish of vegetables and meat cooked in foil.

The leaders were assisted in setting up tents by the girls. Hikes were taken, and the group marked the signs and then followed them back to the point of origin.

When asked "what was fun at Day Camp?" --one Scout said, "I liked making my Indian things--and hunting signs--and sleeping out was fun!"

What a rich and rewarding experience for these 42 young girls and the 8 adults which assisted in the camp.

These are the times that try men's souls. The Summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country, but he that stands it now deserves the love and thanks of man and woman. Tyranny, like Hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict the more glorious the triumph. What we obtain too cheaply we esteem too lightly; it is dear-ness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as *freedom* should not be highly rated.

THOMAS PAINE - *The Crisis*

Why fear death? It is the most beautiful adventure in life.

CABLE TV CELEBRATES 7th ANNIVERSARY

Cable TV had its beginning in 1949 at Astoria, Oregon. Today there are over 2,000 systems Seminole Cable TV was completed in June, 1960 after receiving a franchise in 1959. In early 1960 a 500' receiving tower, tallest of its kind in West Texas, was completed. The tower was built to gather signals from distant stations. 60 amplifier and coaxial cable were strung through Seminole to boost the signals in the homes. 1963-1964 saw several new amps added to the system.

1965 was a big year for Cable TV--a new building-to-house receiving equipment at the tower was completed, the new building for Cable TV offices was completed in 1965, a new aluminum trunk line to reduce the number of amps needed was added. Cable TV started local program origination by television services from the First Baptist Church in 1965. Seminole Cable TV was one of the first systems in the United States for this type service. The year 1966 saw great strides in its local programming and additional equipment was installed. By 1967 local program origination was in full swing with a fully equipped studio including four cameras Altec Audio equipment and amp and video tape recorder. Future plans include increasing the channel capacity of the system from 5 to 12 to enable the addition of other TV Stations; some of the stations will be brought to Seminole via micro-wave from Dallas and Ft. Worth. Expansion of local programming is also planned.

Presently available on Cable TV are the following: TV Stations 13 and 11, Lubbock; #9, Monahans; #7, Odessa; #2, Midland; and also FM music--plus, our own local CHANNEL 3. Programs on Seminole Cable TV 3 are the 4 D's Show, a 'Town Talk' program with a bit of humor, News, Sport, and Weather. Always something of local interest is featured with local people involved. Don and Dave narrate the show It may be seen at 9:30 a.m. daily Monday through Friday. Other shows include: 'TV Bingo' played daily at 9:00 a.m. Two local persons have already won \$100.00 each on Black-Out Bingo. Each Tuesday, Joe Seagler, manager of the Chamber of Commerce, has a program directed to the interests of Seminole residents. Saturday finds a Teen program featuring Donna Carter and Bruce Agnew, called 'The Record Party'. Seminole Cable TV still broadcast each Sunday, services from the First Baptist Church. The first Cable cast from our studio was a Girl Scout Cablethon, which raised almost \$300.00 for the Girl Scouts. A huge success has been the reporting of Election Returns and interviews of persons involved. It is plans of Seminole Cable TV to continue the service of reporting all local election results. Additional ways that Cable TV helps the community is in serving as a civil defense alert system. In time of emergency, Cable TV comes on the air to warn of any impending danger.

Special events planned this week are 'pros' and 'con's' of the school Tax Election. This program will be on Friday at 6:30 p.m. Election returns will be given Saturday at 7:00 p.m. Other programs are planned for the pleasure and benefit of the Cable viewers

The Seminole Cable TV personnel include: Don Mansell, owner, Charles Carter, Manager, Mike Ray, technician, Mrs. John (Francis) Shephard, Secretary.

Dr. Norman Vincent Peale of New York City was a guest speaker for the annual Chamber of Commerce banquet held in Andrews, Wednesday, June 7. He spoke on the "Power of Positive Thinking". Dr. Peale is an internationally known minister, author, and speaker.

Approximately 1400 guests attended the banquet. Those attending from Seminole were: Mrs. Ann Kelly, Mrs. M.S. Doss, Mrs. Bill Munnerylyn, Mrs. T.F. Lindley, Mrs. Jewell Cobb, Mr. and Mrs. F.T. Jackson, Mr. Jack Lane, Mr. Dewayne Herman, Mr. Sammy Moore and Dr. E.M. Wright.

CHRIS WICKER

Serving as first vice-chairman of District 2 4-H Council is Chris Wicker, Seagraves, Texas, member of Gaines County-Wide Senior 4-H Club. Chris is 16 years of age and a 4-H'er for 7 years.

District 2 4-H Council is the governing body for 4-H work in the twenty county Extension District 2. Members of District Council are composed of five officers and a boy and a girl from each of the twenty counties. This group meets twice a year to transact its business.

To be elected for office on the District 2 4-H Council, a 4-H member is elected from the current membership of district council and is eligible for one office for one term (January 1 to December 31) for the coming year. The chairman and first vice-chairman of District 2 4-H Council then serve as members of the Texas 4-H Council the year they serve as district officers. Texas 4-H Council is composed of 29 delegates, two from each of Texas' 12 Agricultural Extension Districts and five officers. The first meeting of Texas 4-H Council will be June 16-21 on the campus of the University of Houston.

4-H projects for Chris have been and/or now are: foods-nutrition, clothing, field crops, electricity, public speaking, and junior leadership. Other than project work, she has participated in many 4-H activities on county, district and state levels. Some of these activities have been county dress revue, county cherry pie contest and bake show, county and district food show, county and district share-the-fun contest, and district elimination contests. Chris has had 4-H records judged at district as a junior and a senior 4-H'er.

Development of leadership has been a large portion of 4-H work for Chris. Locally she has served as junior leader in foods-nutrition 4 years, treasurer, council delegate, and president of the Seagraves 4-H Club. On the County level, she has been vice-chairman and chairman of Gaines County 4-H Council, county delegate to District 4-H Council. In 1966, she served on the committee in charge of District 2 Elimination Contests.

A highlight in her 4-H work came in 1966, when she was among the Gaines County delegation to attend the 18th Annual 4-H Junior Leadership Laboratory, Lake Brownwood, Texas. Another peak in her 4-H career came in December 1966, when she was elected as first vice-chairman of District 2 4-H Council.

Presently, Chris is chairman of Gaines County 4-H Council, president of the Gaines County-Wide Senior 4-H Club, working as a junior leader in the foods-nutrition group in Seagraves, and serving as chairman of District 2 Junior Leadership Workshop committee.

Other Gaines County 4-H members on District 4-H Council are Andrea Hand, Loop, and Johnny Clanton, Seminole. They are the county delegates

SUMMER HOMEMAKING CLASS MET

The Summer Homemaking class met Monday, June 5, and Wednesday, June 7, in the Seminole High School Homemaking Department from ten to twelve a.m. Each girl reported on a subject she had chosen to study about fabrics and fibers such as: how to judge quality, finishes, fabrics requiring special attention, woven vs. printed designs, types of weaves, cotton, linen, wool, silk, and synthetic fibers and qualities of each.

Miss Ellen Massengill, Homemaking teacher, gave a demonstration on the tests for various fibers by burning them. After this, the girls divided into groups to study various fabrics in local stores. Fabrics were judged according to the quality, width of the fabric, cost per yard, whether the fabrics would shrink or fade, and the purpose for which they might be used. The study was continued Wednesday, June 7, and at the end of the class time, reports were made as to conclusions reached by each group on the various type fabrics. Brief observations were then made as to the differences in the way one judges quality in buying food and in buying fabrics.

The class wrote thank-you notes to the merchants whose businesses they had visited.

Girls enrolled in the course are: Misses Paulette Barger, Peggy Barger, Marlene Droigk, Beverly Forbis, Lynn Gray, Julia Martinez, Marilyn Moore, Oralía Ramirez, Loretta Richardson, Phyllis Sharp, and Kathy White.

DARWIN'S SPORTS THEORY

The sports scene in Seminole is beginning to roll for the summer. Students are involved in golf, tennis, swimming, track and baseball programs.

Two of Seminole's top Junior golfers joined together to take second place honors in first flight competition in the Texas Junior Partnership golf tourney at Andrews Country club last Friday and Saturday. Tinker Nolen and Jimmy Lewis, both Seminole High School sophomores, were leading at the half way mark with a 74, but fell to a two-stroke deficit behind Timand Richard Hamilton of Andrews to garner a second place finish.

Nolen also teamed with Ronnie Ronson of Lamesa to capture a third place finish in the Championship flight with a 138.

Barbara Bramlett, state AAA runner-up in girls singles, is competing in various tournaments throughout Texas. She has two titles so far to her credit.

Lions' Club baseball is going full steam with competition in four leagues.

Swimming lessons began at the local pool on Monday. Boys' classes are on Monday and Wednesday morning at 10:00, while girls' occur on Tuesday and Thursdays.

The summer track program is gaining speed as both male and females travel to Brownfield for their second meet.

Coach Chet Morgan, former Seminole Head baseball coach, is immensely enjoying himself as the first American baseball coach in Italy.

Members of the Texas Tech coaching staff made their annual trip to Gaines County Tuesday. The tour is an annual event held in the interest of public relations.

FATHER'S DAY

Many people throughout the United States and Canada express their gratitude and appreciation to their fathers on the third Sunday of every June.

Father's Day was started in 1910 by Mrs. John Bruce Dodd of Splkane, Washington. A national Father's Day Committee was formed in 1936. This committee annually elects "The Father of the Year." Among those who have been chosen are Douglas MacArthur, Ralph J. Bunche, Dwight D. Eisenhower, and Harry S. Truman.

Let's all remember our fathers this coming Sunday and express our love and appreciation to them.

Here to attend the Smethers-Ragsdale wedding on Friday night were: Mr. and Mrs. E.L. Smethers, Azusa, California; Mr. and Mrs. Homer L. Moore, Monahans; Mrs. Faye Thomas, Debbie and Denice, Kermit; Mr. and Mrs. Truman Kidd and family of Andrews; Mr. and Mrs. Rowlett and family, Andrews; and Mrs. Gerald Gartman of Welch. A special guest at Brenda's wedding was her grandmother, Mrs. J. T. Rowlett of Seminole.

FEMALE THINCLADS BEGIN SEASON WITH BANG

The summer track program has been ushered in with a big bang. The female tracksters journeyed to Lubbock to compete in the Lubbock J. C. Track Meet.

Eighteen girls, under the direction of Coach Jimmy Inman, entered the meet and brought home a total of 30 ribbons. Team totals were not kept and there were no team trophies awarded.

The meet was not scheduled upon the regular rooster and was learned about by Inman on the preceding Thursday. Inman had scheduled light practices all week in anticipation of this week's meet at Brownfield.

"The girls were not really ready to run and had not even worked upon their real handoffs. They did a real fine job for their amount of preparation," Inman was quoted as saying.

Of the 18 girls who entered, only one failed to win a ribbon. JoAnn Keyes was unable to finish because of a pulled leg muscle.

The girls participated in all four divisions: Juniors (11-12); Prep (13-14); Intermediates (15-16); and Seniors (17-up).

Numerous teams entered the meet. Among which were Floydada, Brownfield, Lubbock, Sundown, Roosevelt, Stanton, Abernathy and many others.

Girls and the events in which they competed were:

JUNIORS

50-yard dash---Barbara Bennette (2nd); Luann Thomas (3rd); Sandy Chambers (4th); and Donna Spencer (did not run)

100-yard dash---Bennette (2nd); Chambers (3rd); Thomas (4th)

High-jump---Bennette (2nd); Donna Spencer, (4th)

Broad Jump---Bennette (1st)

220-yard relay---Chambers, Spencer, Thomas, Bennette (1st), Kristy McNew, Debbie Autry, Marla Spencer, Marla Williams (4th)

PREP

220-yard dash---Dixie Harrell (3rd)

High Jump---Debbie Wallace (4th)

Broad Jump---Diann Elliston (3rd)

220-yard Relay---Linda Oats, Harrell, Darlene Ogle, Elliston, (1st), Robbie Chaffin, Wallace, Cheryl Chambers, Sherry LaFollette (4th)

INTERMEDIATES

60-yard Hurdles---Kathy McMinn (3rd)

SENIORS

60-yard Hurdles---Kathy McMinn (1st)

Ribbons were given for the first four places only. The female harriers also garnered 7 ribbons for sixth and fifth place finishes.

Remaining meets are:

June 17--Brownfield

July 1--Kermit

8--Jal, New Mexico

15--Odessa

22--State Meet--Richardson.

**SEMINOLE LANDS TWO
ON ALL-DISTRICT TEAM**

The Ector Eagles, district champions and state semi-finalists, dominated the team, with five players. Pecos placed three players. Other teams and their players were Seminole-2, Kermit-2, Andrews-2, and Monahans-1.

The coaches also picked coach Bob Pufal and Pitcher Richard Ramirez, both of Ector, as Coach of the Year and Most Valuable Player, respectively.

Seminole also placed Micky Ray, a Junior outfielder, on the second team, and sophomore, Larry Cottrell on the Honorable mention list.

Price and Childs were co-holders of the Booster Club's Most Valuable Baseballer trophy.

The reason for the delay in such information is a District 2-AAA rule which states that the all-district teams for all sports will not be released until its representative is eliminated from state play offs.

Two local high school baseballers have been named to the All-district 2-AAA baseball team. They are seniors, Darrell Price and Mike Childs. Childs was selected as an utility infielder, while Price made the dream team as the utility outfielder.

The teams were selected by the coaches of the district and those from Ector, Kermit, Seminole, Andrews, Pecos, and Nonahans cast their votes. (Ft. Stockton does not compete in baseball.)

**IN CASE OF
A TORNADO**

When there is no time to escape a tornado, lie flat in a deep ditch. Other ways to protect yourself are:

- Drive, or run at right angles to the storm.
- Duck into a strongly reinforced building; stay away from windows.
- Stand against inside wall on lower floor of office building.
- Avoid large rooms such as auditoriums.
- Choose a ditch instead of a flimsy building.
- Go to storm shelter or southwest corner of home basement.
- Shut off electricity and fuel lines if time.

There's nothing you can do about calming a tornado, but may be you can calm your fears by talking about them.

Chance of a tornado striking any particular spot is extremely small.

Men are four:
He who knows not and knows not he knows not, he is a fool—shun him;
He who knows not and knows he knows not, he is simple—teach him;
He who knows and knows not he knows, he is asleep—wake him;
He who knows and knows he knows, he is wise—follow him!

Normal direction is from the southwest to the northeast.

Average tornado path is 16 miles long, less than 1/4 mile wide.

Tornadoes usually move ahead at about 25 to 40 miles an hour.

"The Shoes and I"

I met some shoes walking down the street one day, and I said, "What are you walking for with know body in you?" But they didit say any thing s o I just walked by. And then they came running to me and said, "What are you walking for?" I said, "I have to go to school", and he said, "I wont to go to school too. Please let me go to school and learn something?" But I said "You cant go to school with know body in you. And then they said, "You can get in me and take me to school. That way I could learn a lot. So I wore them to school and they learned to spell no.

JOYCE HUEY TO DO SUMMER MISSION WORK

Miss Joyce Huey, junior business major at Texas Woman's University, is one of forty-eight summer missionaries being sent out by the Texas Baptist Division of Student Work in June.

She is the daughter of Mr. and Mrs. James W. Huey, 612 S. W. 6th St., Seminole.

Joyce will be a part of the USA Campus Evangelism project visiting college campuses from Texas to Ohio, also a part of the Jr. College project. These projects are a pioneering effort for Baptist. Both projects are aimed directly at college students. Before this year students have served during the summer with small children and older adults.

The summer missions program is financed by offerings from Baptist students through the Baptist Student Union on Texas College Campuses.

The goal for this summer's work is \$20,000 with \$24,000 already pledged by the students.

The team of four will give their main attention to establishing Baptist Student Unions on the Jr. College campuses in Texas that do not have them. They will contact the students and work with them in establishing a program for their BSU. The team will also hold seminars and workshops on personal witnessing for college students and will visit in dormitories with these students.

In July Miss Huey and the team, including a BSU Director as sponser, will travel to Dayton, Ohio to participate in the Greater Dayton Evangelistic Crusade. There they will work with Rev. Ralph Neighbors, Texas Department of Evangelism, and Dr. W. A. Criswell, pastor of Dallas' First Baptist Chru ch.

They will begin their work June 14 and go through August 31.

Joyce is a member of Texas Woman's University Baptist Student Union and serves as Student Center Hostess. She is a member of the Agalian Literary Social Club and representative to the Student Council of Religious Activities at T.W.U.

In Net Spotlight

Barbara and Cindy Bramlett participated in the Abilene Open Tennis Tournament on June 1-3.

Barbara and Cindy met in the finals in Girls 16 Singles with Barbara winning 6-3, 6-4. Barbara and Cindy also won the Girls 16 Doubles by defeating Nelson and Payne of Andrews in the finals 6-1, 6-2.

Barbara and Cindy played in the Texas Open Tennis Tournament in Fort Worth, June 4-7. This is the top rated tennis tournament in Texas and from it is determined whether you receive an invitation to play in the National Tennis Tournament and get a ranking nationally. This tournament also has the most weight in determining your ranking on the State level.

Cindy won the Girls 14 and under singles title by defeating Beth Galloway of Pearsall in the finals 6-2, 6-4. Miss Galloway was the top ranked girl in this division. She is ranked seventh nationally and number one in the state. Most of the Texas Tennis coaches think that Miss Galloway will win the National Title this year. Cindy and her doubles partner, Maggie Riley of Dallas, won the Girls 14 and under doubles titles by defeating Parker of Midland and Mapes of Corpus Christi 6-3, 6-3. Cindy and Miss Riley defeated the number one seeded team of Galloway and Grakle in the semi-finals 9-7, 6-1. Miss Riley and Daryl Grakle of Houston met in the Girls 16 and under finals with Miss Grakle winning 6-4, 6-1. Cindy defeated both of these players in the tournament in Girls 14 and under play, but Cindy did not play for the title in Girls 16 and under singles.

Barbara Bramlett was defeated in the quarter-finals of the Girls 16 and under by Miss Grakle of Houston, 6-4, 6-4. Miss Grakle then won the title in this division.

Barbara and Cindy Bramlett were defeated in the finals of the Girls 16 and under doubles by Reas of Pearsall and Clark of Houston 9-7, 6-4.

Barbara and Cindy have received invitations to try out for the Texas Jr. Weightman Cup Team. This tryout is being held in Dallas, June 11-16 and is composed of ranked girls through the age of twenty-one. This team will then play in different parts of the nation against other state teams for the National Championship.

'Wandering Wheels' Visit Seminole

How refreshing to meet the youth of our nation--especially when they are wholesome and enjoy the good things of life. Such a group of young men came through Gaines County last Wednesday, (June 7, 1967) There were 35 boys traveling on bicycles on a cross-country jaunt. "Wandering Wheels" is what the boys call themselves and they are all students or associated with Taylor University in Upland, Indiana.

Since 1964, Wandering Wheels has criss-crossed the Middle West with four trips totaling 3100 miles with 60 riders. This experience led to a 3500 mile coast-to-coast trip in 1966, 35 bikes traveling from San Francisco to Rehoboth Beach, Delaware in 50 days.

This trip will see 35 Taylor University students ride from San Diego to Savannah, Georgia; 2500 miles in approximately 30 days. They left San Diego on Friday, May 26.

Traveling with the group is Ralph Boyd, who drives a truck and cooks for the boys. The truck, which goes along with the group, is equipped with a locker for each cyclist, there are parts and spare tires; and also musical instruments. "That's the singingest bunch of boys you ever heard," said Mr. Boyd.

When they left San Diego they had 24 spare tires. There were 2 left on arrival here. Deevee Boyd, is Mr. Ralph Boyd's son. He is a skilled mechanic, experienced cyclist and a leader in WW. He was with the group here. Mr. Ralph Boyd is Superintendent of buildings and grounds at Taylor.

Bob Davenport, a well known college athlete, is the coach at Taylor U. and the Wandering Wheels was his idea of a means of relating rugged physical discipline to spiritual growth. He travels on a motorcycle with the "WW". Dale Murphy, who teaches English in Fairmont, Indiana, was with the group and he said that he had to keep up with the 'Texas Tales' as he had a brother teaching at Texas A&M in Bryan, Texas. A Seymour, Indiana student, John Gregory, was pleased to learn of a Seymour, Texas and said they studied about Seymour, Australia at the University.

The young men sleep in city parks and there cook out--and they enjoy the fellowship and fun of like minded persons. Some of the most appreciated help, as well as the occasion for the most memorable fellowship has been the carry-in suppers provided by churches and service clubs to the riders en route. The riders are from all over the nation and represent many church backgrounds. They stress Christian principles and ideals. No one sponsors Wandering Wheels. In order to be part of the team, each rider pays a minimal "trail fee" covering his basic expenses.

If you saw 35 happy, singing young men on bicycles topped with orange pennants or if you see them it's the Wandering Wheels--a good bunch of fellows.

Mrs. Bill Cravy is in Lubbock visiting her sister, Mrs. Brent G. Thompson this week.

Reverend and Mrs. R. W. Francis and daughter, Debbie are vacationing near Monroe, Louisiana, this week.

Mr. and Mrs. Van Reese, Leanne and Michael of Detroit, Michigan are visiting her parents Mr. and Mrs. Alton Freeman. The Freeman's met them in Midland last week and will return to Detroit on Friday. Mrs. Reese is the former Mary Lou Freeman. Mr. and Mrs. Reese and Mrs. J. H. Beasley of Abilene, spent Monday and Tuesday in Ruidoso. The Reese children stayed in Seminole with their grandparents.

Pledge Vows

Miss Brenda Smethers and Leon Ragsdale, were married at 7:00 in the evening of Friday, June 9, in the Trinity Baptist Church. Reverend Wayne Sheffield of Seagraves officiated in the double ring ceremony. Parents of the bride are Mr. and Mrs. J.W. Smethers and Mr. and Mrs. W.C. Ragsdale, parents of the groom, all are residents of Seminole.

Given in marriage by her father, the bride wore a dress of white satin. The gown featured an overlay of lace on the bodice and had long tapered sleeves. She carried a bouquet of white carnations on her Bible. The bride presented her mother with a long stemmed red rose as she entered the church. She presented the groom's mother with a rose as she left.

Mrs. Gary Miller was matron of honor. She wore a street length dress of blue. Gary Miller served as best man. Miss Inice Womble, organist, provided wedding music and accompanied Mrs. Vaudine Browne as she sang "Because".

The couple greeted guests at a reception at the home of the brides parents following the ceremony. Mrs. Gerald Gartman and Miss Jerry Berry presided at the table. The lace covered table featured a four-teared wedding cake.

When the couple left on their wedding trip to Ruidoso, New Mexico, the bride was wearing a white two-piece suit and a corsage of white carnations.

The bride attended Seminole High School, and the groom was a graduate of Seminole High School and attended Wayland Baptist College in Plainview, Texas.

The couple will reside in Seagraves where Mr. Ragsdale is the assistant manager of Henny Penny.

Out of town guests were from: Azusa, California; Monahans, Texas; Kermit Texas; Andrews Texas; and Welch, Texas.

Mr. and Mrs. Carver J. Earl and their children - Mrs. Eugene Davis, Mrs. Jack Combest, Dale and Donald Joe. The Earl's have lived in Seminole since 1940, moving here from Heaton, Oklahoma. Carver has retired - having worked for Mobil for 34 years. They have 10 GRANDCHILDREN and think they are the GREATEST. Mr. and Mrs. Earl are members of the Assembly of God Church.

JESSICA QUINTANILLA

Mrs. Dan Price was by the office Tuesday. She, Brenda Hoskins, and Jessica Quintanilla have been in Searcy, Arkansas. Mrs. Price and Brenda arrived home Saturday night. Jessica registered for summer school at Harding College, June 5 and classes started the 6th Mrs. Price and Brenda returned home via Cushing, Oklahoma, for a visit with Mrs. Prices' sister, Mrs. George Grubb. This is the first visit in 32 years that Dora has made in Cushing. Brenda had a short stay in the Hospital at Cushing but feeling fine now.

JUHREE BOBO, QUEEN CONTESTANT

Juhree Bobo, 12 year old daughter of Mr. and Mrs. Ira Bobo, Jr., is shown above with her horse Blue Babe. She is a member of the 4-H Horse Club and has been in the Club for 4 years. She has won several first place trophies. She is active in Invitational Play days and local. Juhree also participates in barrels and pole bending in rodeos. At present time, she is standing second place in the county for the district contest in the 4-H Club.

Juhree is a member of the Seminole Gold Band and won first in a twirling contest. She is candidate for rodeo queen for the Gaines County Rodeo to be held in Seagraves, June 22, 23, and 24. The city of Seminole, including the Lions, Rotary and Chamber of Commerce is sponsoring Juhree.
