## Dining Guide

After the Friday night game between the Dunbar Panthers of Lubbock and the Booker T. Washington Leopards of Wichita Falls, Andrews people were asked if they had planned on showing up on Saturday. This writer got a weak, Yes.

Saturday results, Dunbar 81-62; it could have been much worse.

The game between the Panthers and Leopards on Friday was the best High School game ever witnessed by this writer, who has been watching High School games since 1936.

These two teams were called numerous times for goal tending and it was fortunate for Dunbar that the game did not last two minutes longer.

If the Seminole Indians hope to retain any portion of their greatness, we're going to have to build in some boys, height, speed, and agility.

We could hope for a Sophomore that is 6'3" that could goal tend with either hand and sweep the goal just like a pro.

Various things pass over this desk, for an example, "Sooner or later a man reaches his "B" period---Baldness, Bridge-work, Bifocals, and Bulge; THE BOSS HAS RIGHTS! "I can think of a few, like paying the bills, worrying about collections and sweeping out."

### Public School Week No Classes Friday

Seminole Schools will join others around the state this week for observance of Texas Public Schools Week. During the week, parents and friends will have the opportunity to observe the newest teaching methods by visiting a classroom and seeing first hand the progress their children are making.

One of this newspaper's objectives is to increase the potential of this and surrounding communities. The paper today will be filled with Seminole's eating establishments.

With this issue goes an invitation to enjoy the pleasure of eating away from home. So to our close neighbors at Loop, Sand, Seagraves, Denver City, and Higginbotham, we extend a special invitation to visit our town, read our ads, and enjoy a visit together.

It has been said that the reason people didn't visit Seminole more is because they had not been asked. Consider this your personal invitation.

The publishers of this paper are pleased that this invitation is going to 156 people at Loop and 235 at Seagraves who receive this paper, their kinspeople and their friends.

Following is a list of cafes and drive-ins and their owners:

- Little Mexico - Mr. and Mrs. Fred Gomez
- The Raymond Restaurant - Mr. and Mrs. Miles Warlick
- Jo's Restaurant - Mrs. Gladys Cleveland
- Autry's Cafe - Henry and Bessie Mosbacher
- LaDon's Cafe - Mrs. Libby Livingston
- Big Chief - Dewey Timmons
- Josie's Cafe - Noble and Josie Fox
- Kim's Drive In - Amos and Oma Seay
- Dairy Queen - John and Charlene Bell
- Lil' Chief Drive In - Richard Timmons
- Frosty Way Drive In - Marshall and Opal Sommers

In Seminole are facilities for any size party, class, club or family arrangement. There are assortments of food services and prices. Families are especially welcome.

THEY EXTEND AN INVITATION TO EACH OF YOU TO VISIT THEIR PLACES OF BUSINESS.

### New Officer

Dr. E. M. Wright was installed as Vice President of the South Plains Optometric Society last Saturday night, March 2. The South Plains Optometric Society covers approximately 27 counties in West Texas.

### Files For Place On School Board

Glenn Chandler, who has lived in Gaines County for six years and three years in Seminole at 1516 S. W. Ave. B, has authorized the News that he has entered the race, the Seminole School Board.

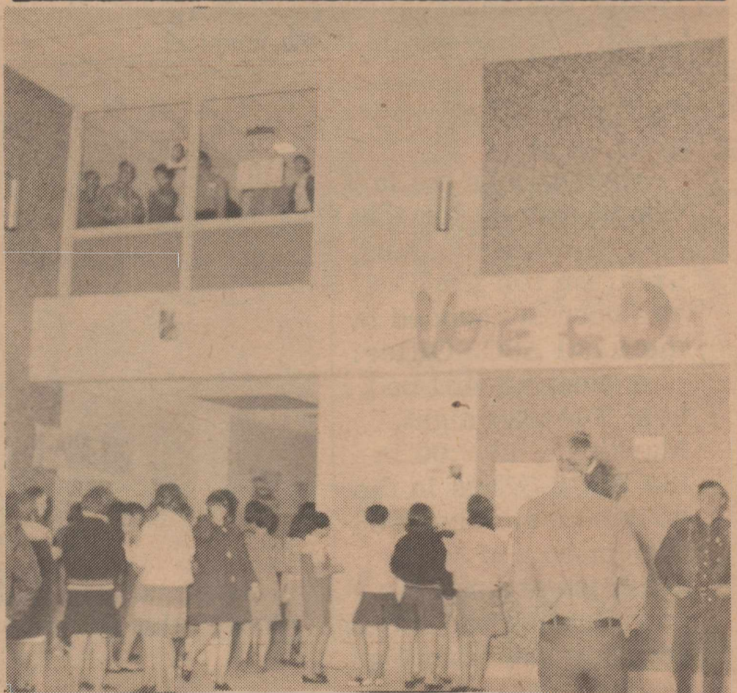

He is thirty-two years of age and has three children, Kerry-7, Christina-6 and Kelvin-4. His wife is Carlene Chandler. Mr. Chandler is employed as a Farm and Ranch Loan supervisor with an insurance company, Mutual of New York. He is a member of the Ave. B Church of Christ. (A statement with his picture will follow).

### Political Pot Begins to Boil

The enthusiasm of the Seminole High School students would do for politicians today and their followers. The High School is electing Student Body Officers for next year. The halls and lobby of the High School is covered with posters and arm twisters for their particular candidates.

Various slogans that were used in the campaigning were; "You'll be keen if you vote for Bean;" "Even an Aggie knows to vote for Dunn;" A small sign said, "Psst, Vote for Craig;" and "All the way with Dulin".

This is the year to Vote. The High School students make no bones about whom their running for office and when its over, they all work together. It's too bad about the Adult World. We will not help a candidate or neglect to vote at all and then get our feelings hurt when our choice is not elected.

## 34th ANNUAL MEETING OF PRODUCTION CREDIT

Last Thursday, February 29, eleven hundred Production Credit members and guests, from seven counties, gathered at the Fair Park Coliseum for the 34th Annual Stockholders Meeting. Seminole and Gaines County had 68% of their members present or 78% of 115.

Billy Weems, one time resident of Seminole, and the Morton office won the Attendance Plaque, with 71% of their members present. C. E. Hicks, from Meadow; and father of Seminole Herbert Hicks, was re-elected to serve as Chairman of Board of Directors.

Dr. C. L. Kay, Assistant President of Lubbock Christian College, gave an inspiring address on Americanism.

Jack Barton, Federal Intermediate Credit Bank of Houston, told the association members, that money would be available to them, but not at a cheap price.

The Seminole office force were made up of Dave Sooter, Vice-President; Lester Ericson, Assistant Vice-President; and Jay Dycus, Field Representative. They were keenly disappointed over the Attendance Plaque. Had Seminole won again it would have been three times in a row and the Plaque would have stayed in the local office.

Mr. Sooter said, "We were especially proud of the Production Credit Association members from Loop. Twenty-five were present, only one absent, Mr. Stanley Ancinec, who is in the hospital.

### OF INTEREST TO FARMERS

Chet Morgan, local Texas Employment Commission Office Manager, stated, "We're now open for business in room 208 in the Courthouse. We have processed eight workers at no cost to the farmers". He further stated that it would be much better for the farmers to come to the Courthouse rather than call, so proper forms could be filled out.

The local office is a sub office from the Lamesa Texas Employment Commission.

Farm workers out of a job, please contact Mr. Morgan, and also if one needs employees.

### NOTICE

The baseball game between Seminole and Brownfield that was originally scheduled for Tuesday afternoon will be played on Thursday, March 7, at 4:15 in Seminole. It was postponed because of the weather.

Mr. and Mrs. Roger Pool were in Fort Stockton Monday. They had dinner with Judge and Mrs. Charles Sherrill.

### ASCS NEWS

March 15 is the last day to sign up for the cotton and feed grain program for 1968, it has been announced by the local ASCS Office.

A meeting will be held Tuesday night, March 11, at 8:00 in the ASCS Office in the courthouse. The 1968 the cotton and feed grain program, skip row planting for cotton, and skip row planting for feed grain (which is different).

Hand, Bill Armstrong, Alton Billings, Ernest Spradlin, Leon Foote, O. M. Fowler, Vernon Gayle, and Delton Mills. Chairman of the Membership Drive was Roy Cypert.

If twenty-two men out of this county doesn't shake you up, think of the ratio between this and the state of Texas making approximately fifteen thousand men; if the ratio holds true. Multiply that times fifty states and the seventy-five thousand will make you began to realize that, We're At War!

### RED CROSS CHAIRMAN NAMED

Mrs. Charles Shelton has been appointed Red Cross Fund Chairman of the Gaines County Chapter of the American Red Cross.

The annual month-long campaign for members and funds of the Gaines County Chapter of the American Red Cross will open Friday--one of the most important of its drive since World War II, Chester D. Browne, Chapter Chairman said today.

"Because of the greatly increased cost of serving U. S. servicemen in Viet-Nam and because of a series of major disasters, the Red Cross has been forced to ask the American people for the largest sum of money since World War II-\$121, 624.00", Mr. Browne said.

"In the Gaines County Chapter we are seeking to raise \$1500.00. We therefore urge that our supporters increase their 1968 donations.

The funds contributed here, he explained, will be used locally to support Chapter services such as Home service help to the Servicé Men and their families, reporting both to the servicemen and their families difficulties and to provide the local Chapter's share of financing national programs.

President Lyndon B. Johnson has proclaimed March as Red Cross Month.

The nationwide drive for funds of the Red Cross will be geared to the theme of "SOS-SUPPORT our Servicemen," and the slogan "Help us Help".

Services to members of the armed forces, at military installations and medical facilities, totaled more than 1, 400, 700 during the year. Over 209, 800 of these services were provided to U. S. fighting men in Viet-Nam where, in addition, a monthly average of 275, 800 servicemen participated in programs given by center-clubmobile girls. Volumes of services to military families in ARC Chapters was comparable to that given their sons, husbands, and brothers.

A total of \$44, 663, 045 was expended by the American Red Cross on Services to the Armed Forces and Veterans this past fiscal year.

Letters To the Editor

Tuesday,  
March 5, 1968

To the Editor:

Several people have asked me, this week, "Why a petition for Glenn Cavitt's name to be on the ballot for school board member?"

First, I would like to state that it is a very common way for prospective member's names to be placed on the ballot for their first term.

I have known Glenn for several years and I think he is capable of serving as a board member. In visits with Glenn, prior to the petition, he had indicated to me he would be willing to serve his community, if it was the will of the voters.

I have had a personal interest in the school for the past 21 years, having had three daughters to complete their public school education here, and having had the privilege of serving two terms as a member of the school board.

I would like to commend the staff of our school for an outstanding job, the administrators and the school board for their untiring work in the making of a good school even better.

At this time I am aware of two men whose names have been placed on the ballot, Mr. Cavitt and incumbent, Mr. Leon Foote. Having served with Mr. Foote, I will say that he has been an excellent board member. I feel that we can depend on these men to help to keep our school on the present high level of educational achievement.

Thank you,  
H. B. Patterson, Jr.

## A SCENE FROM YESTERYEAR

"Running the plow is my brother, Wilton; supervising are my brothers, Claude and Wilford; pulling the plow, Starlite; my dog, Foxie," so stated J. B. Thornbury, Jr., local barber. "My father ran the general store in Bennett Spring State Park in Lebanon, Missouri. We sold carrots, lettuce, English Peas, radishes, potatoes, and corn raised on this plot.

It seems that Junior started to California and went to work in Hobbs because of the lack of funds. After working in Hobbs 2 years he went into the service, returned and worked for Eddie Jameson Grocery for several years. When asked why he settled in Seminole he said, "Take one more look at that picture and you will know."

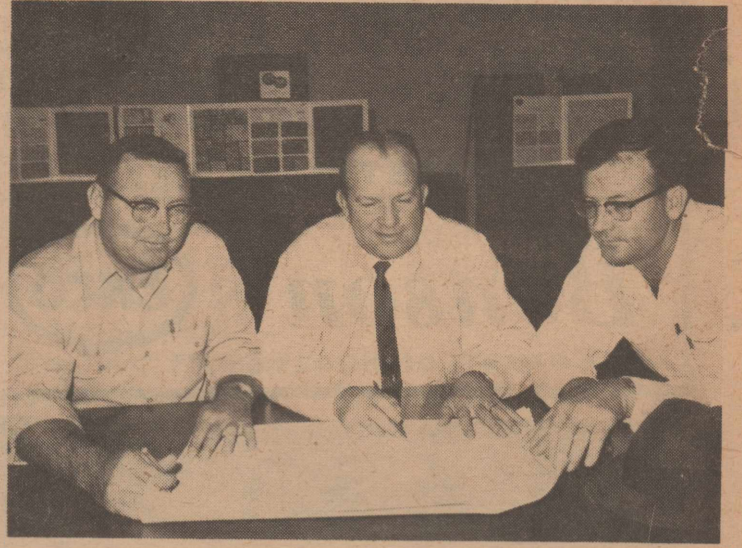

"That's a trout stream right behind the garden. It's beautiful country there, but it is difficult for people to make a living. It's an ideal place to take a vacation."

If you are in the market for a pump, be sure to get a California Western with genuine Sequoil Tubeline.

Look for the Sequoil name on every length of Tubeline! Don't be satisfied with imitations!

Pumps installed 40 years ago are still operating with original tube and shaft because Sequoil Tubeline reduces critical shaft wear.

Western's famous Tubeline was developed to reduce shaft wear which occurs when bronze bearings are used. Because Western has found the way of reducing shaft wear, Western can rightfully make the claim: "Sequoil Tubeline Makes Western Pumps Last Three Times Longer."

Be sure the Tubeline you get is genuine Sequoil Tubeline. See your California Western Pump Company Dealer Today.
