

GET ON YOUR MARK, GET SET, GO! THESE SCENES WERE RE-ENACTED IN ALL FIRST, SECOND AND THIRD GRADE ROOMS LAST THURSDAY AT THE EASTER EGG HUNT. PICTURE NUMBER 3 SHOWS THE RESULTS AT THE END OF THE HUNT. (SHOWN ARE SUSIE AND STEPHANIE JOHNSON, DAUGHTERS OF MR. AND MRS. STEVE JOHNSON.)

Ol' Joe Clark's dead 'n' gone.
I hope he's doing well.
He made me wear the ball 'n'
chain,
He made my ankles swell,
Round and round, Ol' Joe
Clark.
Round and round, I say.
Round and round, Ol' Joe
Clark.

I haven't got long to stay.
After promising several people
that I'd do a piece one week on
the merits of calling Ol' Joe
Clark - well, this is it. Now, if
you were new to the game, you'd
probably fall out before my
brother, Paul, and I were through
with the first 20 or 30 verses. If
you stayed through Ol' Joe Clark,
there was always "Shoot the
Buffalo", "Four Little Prisoners
Here in Jail", "First Two Gents
Across the Hall", and "The Girl
I Left Behind Me."

Back to Ol' Joe Clark---One
fellow in the community next to
us always ended the chorus by
saying, "I ain't got long to stay
right heah." Now Haskeew really
had the proper kind of a twang
in his voice to call. He was
slightly cross-eyed, wore cowboy
boots and his hat when he was
calling. It was always a delight
to get him to help call, as he'd
always worked out a new verse
or two.

How's this for a party-pepper?
(Tune of Ol' Joe Clark)
Kisses full of germs, I've often
heered it stated.

Come on, girls, I don't keere.
I've been vaccinated!
Round and round Ol' Joe Clark
Round and round I keep say-
ing.

Round and round Ol' Joe
Clark.

I haven't got long to stay
right heah.

And there's another one:
I went to see ol' Joe Clark.
He was sick abed.

I rammed my finger down his
throat.

Ha! and I pulled out a little
red wagon.

Now, if the girls you were
promenading was not willing to
sit down and talk to you, she
would be, after playing "Four
Little Prisoners Here in Jail."
The game gets a little bit faster
with the adding of each new

W. E. Cox, Jr., Justice of the Peace, can be seen on the right, viewing the scene where he pronounced Larry Don Sampson, 23, of 109 E. Ave. F, Seminole, Texas, dead. The car, a 1969 Ford, made at least 2 complete turns, ending up on its wheels.

Larry Don Sampson, 23, was killed Tuesday morning at 5:30 a. m. when the 1969 Ford he was driving was involved in a single car accident. The body was thrown 75 feet beyond the point of the final resting place of the automobile. Kenneth Whitaker, 22, a passenger and owner of the car, was in serious condition with cuts, abrasions, and broken bones. It was reported that there was another passenger but her whereabouts were never fully established.

The accident occurred approximately 7 miles west of Seminole on the Hobbs Highway. The car was travelling east at a high rate of speed, travelling 810 feet after it left the highway. The car turned over at least two times, bouncing every 30 to 40 feet, after going into a broad-side skid.

TIME NEARS FOR NO GRAZING ON DIVERTED FARM PROGRAM ACRES

Farmers were reminded today that the "no-grazing" period for land diverted from production under the 1969 feed grain and wheat programs will start May 1. It will continue for the following five months until September 30. Troy Martin, Chairman of the Agricultural Stabilization and Conservation Committee explained that producers who are diverting land under the programs have agreed not to graze the land being diverted during a specific 5 month period of the growing season and not to harvest a crop from the land at any time during the year.

Farmers who are taking part in the Conservation Reserve and Cropland Adjustment programs have agreed not to graze or harvest crops from land diverted under these programs during the life of the agreements. These provisions are important to producers because any violation of them may result in reduction or total loss of payments otherwise earned under the programs.

County producers signed up to participate in the 1969 feed grain and wheat programs number about 800.

EASTER SEAL SOCIETY ASKS FOR SUPPORT

A last minute appeal for support of the Easter Seal Society for Crippled Children and Adults and its program of services to the handicapped was issued today by Mr. C. V. Shelton, who is the Easter Seal Representative in Gaines County.

The Easter Seal Society is providing treatment and services for 17, 622 physically handicapped children and adults in Texas, Mr. Shelton said, and this program needs to be expanded. Many people are going without services that would increase the productivity of their lives and make them happier. With increased growth of the Easter Seal Society, more and more of these people will be reached, he added.

The Society is carrying on a continuing program to seek out the disabled who are going without services to see that they receive the services they need. As Easter Seal Representative, Mr. Shelton is the person to contact for services from the Easter Seal Society.

The Texas Easter Seal Society helps support 21 treatment facilities in Texas where crippled children and adults are treated regardless of their ability to pay. Physical, occupational, and speech therapy are offered to help the handicapped overcome their disabilities. A complete referral program to ensure equal rehabilitation services to every person in Texas is included in Easter Seal Society services, he added.

Mr. Shelton asked that anyone in need of services contact him at the Seminole State Bank, Drawer 727, Seminole, Texas 79360. He added that the Easter Seal Appeal will close Sunday, April 6, and full support should be given the Easter Seal Society by every citizen of Gaines County.

Lieutenant Governor Ben Barnes is State Chairman of the Appeal.

The line was long last Thursday at the Seminole Elementary School with approximately 60 boys and girls vying to win the spelling bee. After the 4th round there were 7 boys and 11 girls left. The 5th round cut it to 14, and the 6th round to 12. The 8th round cut it to 11 (4 boys and 7 girls), with the girls finally being depleted till there were 2 boys and 2 girls left at the end of round #19.

EVERYBODY IN ON THE WORK at the Joe Trammel residence, 1400 S.W. Ave C - Son, Bill Trammel, on the ladder and his family of Springerville, Arizona are visiting this week in Seminole and in Seagraves with Mrs. Trammel's parents, Mr. and Mrs. Allen Keel. Last Saturday they all got busy and started SPRING CLEAN UP. On the porch is Mrs. Trammel and her dad, Mr. Keel. Her sister, Mr. and Mrs. Gregg Lauman and Brenda of Seagraves are getting the material ready. Denise, the Lauman's little daughter, didn't want her picture taken and ran around beside the house. Mrs. Keel and grandchildren, Pam and Joey Trammel, missed being in the picture by minutes as they had gone to town on an errand. (Bill said stick around a few minutes and I'll fall off the ladder for you.)

Wayne Stephens, stationed at El Paso, visited during the weekend with Nancy Hester.

The Seminole Farms, Inc. (George Sultemeier, manager) are grazing 1332 steers on Elbon rye on their farm just off the Fullerton Road, south and west of Seminole. The steers are predominately black and some Whiteface with a tinge of Brahma in part of them. They came in weighing 266 pounds and weigh between 450 and 500 pounds at present. In all probability, they will go off the rye into feed lots. This is probably the largest amount of steers on winter green grazing in Gaines County. Note; the dark specks in the background are other grazing cattle.

SCOUT-O-RAMA WILL BE HELD HERE SATURDAY

More than four thousand Cub Scouts, Boy Scouts and Explorers form one-hundred and thirty Cub Packs, Scout Troops and Explorer Posts in the South Plains Boy Scout Council will present their annual Scout-O-Rama on Saturday, April 12, according to Colonel Haynes Baumgardner, chairman of this year's shows.

Three separate Scout-O-Ramas will be conducted from 1 to 8 p. m. They will be at the Panhandle - South Plains Fairgrounds in Lubbock, at the Agriculture Center in Plainview and at the Gaines County Show Barn in Seminole.

The shows will have from thirty to seventy exhibits in booths and demonstration areas in which they will show the skills, crafts and fun of Scouting. It is a "fair type" of show, Baumgardner said and visitors can spend as much time as they wish, visiting the individual displays during the seven hour period of each show.

This year the boys in Scouting are selling family tickets to the Scout-O-Rama. Each ticket admits an entire family, regardless of its size. The scouts receive prizes for themselves and cash commissions for their unit treasuries from their ticket sales. In addition, the top four ticket salesmen in the Council, and their dads, will have a free week-end at Astro-World and Sea-A-Rama in Houston and Galveston on the first week-end in May. The local Scout-O-Rama committee will furnish transportation and the management of Astro-World and Sea-A-Rama will host the winners at their facilities.

These children took time out from BUILDING THEIR FORT long enough for the News' photographer to take their picture Saturday afternoon. Shown left to right are Sherry Griffin, Dana Autry, Lisa and Leslie Griffin, Kendra Morgan, Beverly Brown and Kirk Cristy. Standing in front is the Griffin girls' little brother, Eric. (Lisa said, "Oh Boy, we get our paper in the picture." --but really she meant picture in the paper.)

Last Wednesday at approximately 1:30 p.m. a 1960 Oldsmobile, driven by Mrs. Henry E. Edge from Seagraves, had a brake failure and plunged into an empty store building on S.W. Ave. B. There was only a small amount of damage to the car but the plate glass window was shattered. A city pickup can be seen at the right. Hearne Insurance Agency and H&R Block are on the left.

VUICICH PONTIAC FIRE

A flash fire at Vuicich Pontiac on South Main Street caused extensive damage last Wednesday at approximately 7 P. M. Mr. Vuicich stated that it came from a corner where there was paint and a small butane bottle, thinking that it might have been set off when the Coca-Cola box began to run. Milt Vuicich received first degree burns on one hand and second degree burns on the other hand while using a fire extinguisher before the fire department arrived.

NEWS

Editorial

This is the 106th edition of the Seminole News. In the first issue Rayford Bates and Horace Jones won the school board election over a field of four other candidates. Karl Don Hughes, Raymond Patton and Ed Pullam won the city alderman election in a field of six candidates.

In the first issue of the paper appeared the following editorial:

The number one purpose of this paper and I think any paper is to serve. We promise to serve this community to the best of our ability. "The service we render to others is really the rent we pay for our room on this earth. It is obvious that man is himself a traveller, that the purpose of this world is not 'to have and to hold' but 'to give and to serve'. There can be no other meaning." By Wilfred T. Grenfell.

The number two purpose is to make money. "There are three faithful friends - an old wife, an old dog, and ready money." --- Franklin

We hope that we can fulfill purpose number one in such a way that you will not resent our achieving purpose number two. We hope you will give us a chance to correct the many mistakes that we will make and that you will contribute to the success of this venture.

May we express a sincere thanks to all of you who have contributed. This is the beginning of the third year. We still have our first subscriber and we have a new 5 year subscription. Thanks!

NEWS Editorial

My name is anonymous, and I'm definitely an alcoholic. In 1968 God allowed me to quit drinking. Why He waited so long I don't know, because I prayed many times to overcome my addiction and I was sincere in my prayers. I understand that alcoholics have 36 different drinking patterns, and that they fall into 2 categories, Periodic and chronic. I am a chronic alcoholic, in other words, I drank every day. Like most drunks I started drinking as a teenager and that's when I should have quit, but I didn't.

I did slack up in the middle 50's and at that time I was a pretty nice fellow, but John Barleycorn and I really fixed that. By 1965 I was drinking at least a fifth of Vodka a day and a whole bunch of beer. I crave alcohol, if you know what craving means. As my disease progressed, my scruples diminished, I became a notorious liar and cheat, and I lost my decency, and my sanity. There were at least 6 or 7 bars in Hobbs where I could drink on credit and one where I could drink free (which incidentally turned out to be the most expensive place I was ever in,) I've come back from Hobbs at least a thousand times when I dreaded going home and my wife dreaded to see me come in.

If there was a 25¢ toll everytime someone like myself went to Hobbs for something to drink, we could have built that 4 lane highway a long time ago and paid cash for it. If you earth people had seen me drinking, you probably would have thought I was having a good time. Only God and another alcoholic could understand what kind of Hell I've been through. Most of my faults are directly related to alcoholic. A while back I was a pallbearer for an old friend of mine, I showed up for the funeral drunk and I could hardly wait for them to put him in the ground, so I could get back to my car and take another drink, that's how bad I wanted the stuff.

My wife mentioned a couple of years ago that I might be an alcoholic and I resented this very much, then some things happened to me mentally that I couldn't cope with or understand, so I decided I was crazy. Ready to admit that I was insane but not ready to admit that I was an alcoholic, so I continued to drink, and things got worse, in every respect. I was desperate, I wanted a way out. Finally my wife demanded that I go talk to a friend that was an A. A. member, or else. Now, I think that I was waiting for her to make me do this. My friend introduced me to A. A. and I've been sober ever since. For this I am eternally grateful.

It's a God given program and a wonderful way of life. It has taught me to live one day at a time, yesterday is gone, tomorrow may not get here, today is important. I'm not perfect by any means, but I'm a lot better than I used to be. I know A. A. will not get you to Heaven, but it will keep you sane and sober so that you can find the way. There are many mental problems a person can have, alcohol is my main one, and thank God I can do something about it. So can you. It is so free and so simple, why suffer any longer. If you have a problem, we will be glad to help you, our names will be given to you by Walter.

TAX MAN SAM SAYS

On a cold day last December, we predicted that about 1/3 of the taxpayers in our district would wait three months before they filed their tax returns in the frantic last minute rush before April 15. On ground hog day, we predicted that the sun would not be shining on April 15, if you did not face up to the ugly shadow of the 1040 instructions and your shoe box full of records back in February.

If you filed last January and have already spent your refund check-----Congratulations! If you belong to the "File on April 15 Club", get out your membership card, read those tax instructions, go over those tax records, figure that tax return, and re-check it. To correct all of those mistakes can't be put off any longer. To get a good start why don't you make your April 15 resolution right now-----"File Early in January, Next Year."

BY

MRS. E. G. THORNTON

The good old times have come and gone. All the elementary school children enjoyed the numerous parties which were held last Thursday morning. Many children enjoyed the lovely time. Mr. Johnson, the elementary principal, was not present. His mother, Mrs. Minnie Johnson, from Turkey, age 79, was laid to rest on Monday at 2:00. We want Mr. Johnson to know we were thinking of him and his family at this sad time.

Mr. Allen (Ira) passed away and the funeral was Sunday at 2:30 in the Twelfth Street Church of Christ. His wife had passed away some few years back. A son, Mr. Leon Allen, lives here in Seagraves. Brother Carmen helped with the preaching of the funeral. Although Brother Allen had married and was living in Brownfield at this time, we miss him. Mrs. Alexander, grandmother of Mrs. Jim Hamilton and mother of Mrs. Joe Hudson, passed away.

Mr. Red Turner fainted while at work for Southwestern Public Service in Denver City and is hospitalized at the writing of this column in the Seagraves Clinic under the care of Dr. Bill.

The greening of the area in and around Seagraves shows that God is good, indeed. We give thanks for his wonderful love in extending to us the grass, the trees and the flowers. The Jonquils are peeping all around the town. The birds seem to enjoy the lovely coat of green for their songs are a little sweeter and feathers are getting a little brighter after the long cold winter.

At 3:00 in the morning last Thursday Mrs. Gladys Santos was surprised by a knocking on her door. She was expecting company and she thought the knock was her company. Two men

entered and choked Mrs. Santos. When it was discovered they had the wrong house they left immediately.

Our commissioners, Mr. Cecil Faulkenberry, Mr. Jess Lambert and Mr. Bob Ellis, will be with us another year. These men won their places at the polls.

Our two school trustees, Mr. Bud Givan and Dr. Bill, will also continue helping us with our school. These two fine men were re-elected.

Mr. and Mrs. Robert Jackson were visiting in Arkansas over the holidays. Mr. Jackson's brother lives in Arkansas.

Mrs. Grace Smith was visiting schools in Lubbock on Monday and last Friday visiting schools in Hartshorne, Oklahoma, where her sister, Mrs. Von Lynn, is teaching Spanish in high school there.

Mrs. Shelley, the remedial teacher in the Junior High and Elementary Schools, is back at her work after surgery in Brownfield.

Mrs. S.M. Hanson, Jr. attended the funeral of her grandmother in Knox City this past weekend. Our thoughts are with you at this time, Pat.

The family of Harmon Mills, Cristy Moore, LaVonda Billings and Cindy Mitchell were fishing at Brownwood Thursday through Monday.

Mr. and Mrs. J. T. Miller from Marshall, Texas, grandmother of Jim Andrews, is visiting Mr. and Mrs. Bob Andrews now.

Mrs. Ollie Wilcher from Arvin, California is here with Henry and Betty Wilcher.

Our Interscholastic League one-act play was Monday at 1:00 in the high school auditorium. Other schools who entered were presented following the Seagraves presentation. Seagraves drew first presentation.

Friday the track and field teams will be in Wink.

Saturday our literary events will be in Wink. Starting at 9:00 students will go on the school bus, accompanied by teachers and principals.

Tyra Wilson, along with her parents and family, visited the L. B. J. Ranch and the Astrodome over the holidays.

Guests in the home of Mr. and Mrs. Ernest Seller were Mr. and Mrs. Ernest Thornton, Tonti, Leslie, Tina and Lane from Andrews; Mr. and Mrs. J. W. Smith, Rhonda, Diana, Vicky and Marchel of Whiteface; Mr. and Mrs. Pat Allen, Cyndie and Dana from Lubbock, Mr. and Mrs. Norman Hicks, Stacey and Gregory, Mrs. Faye Smith, Mrs. Maudie Thornton and Calvin Sellers.

- Personal -

Mr. and Mrs. Gary Miller and children of Andrews spent the weekend with their parents, Mr. and Mrs. Roy Cypert and Mrs. T. E. Miller.

Mr. and Mrs. Charles Squires and Mr. and Mrs. Joe Mason entertained their sons, Gary Squires and Bryan Mason with a weiner roast Friday night at the Gaines County Park. Attending were Tim Hassell, Regina Farmer, Greg Buck, Sandy Chambers, Bennie Flud, Debbie Autry, Marla Williams, Kayla Lippincott, Joanie Salmon, Rhonda Stanley, Lesha Hurst, Mike Hedrick, Stan Hughes, Gary Squires, Bryan Mason, Dennis Hamilton, Cal Carson, Steve Bingham, Dee Wickson, Ronnie Aten, Tom Eudy, Joe Puckett, and Judy Henderson. Not shown in the picture were Banay Sooter and Kim Hughes.
