

Leroy Armistead Shot

Murder charges, with intent to murder, have been filed on Dale Telfer in the shooting of Leroy Armistead in Austin, Texas, son of Mr. and Mrs. A. L. Armistead of SW 11th Street, Seminole. Armistead is a 1960 graduate of Seminole.

Word was received of the shooting last Wednesday morning by his parents at 2 a. m. Lt. Merle Wells, of the Austin Police Department, told the Seminole Police that Leroy Armistead was shot at close range. His parents report that a portion of his stomach had to be removed where the bullet entered and passed on through his body in the lower abdomen.

The News was further told that he was working at the time he was shot for an investment and insurance company.

Word was received in Seminole Wednesday morning at 2:30 A.M. that Leroy had died shortly before. Funeral pending.

Jeff Hays Dies

Jeff Hays, a 28 year old farmer, 405 SW 14th, was found dead in his pickup 25 miles south-east of Seminole at 12:15 Monday morning, evidently from gunshot wounds. His wife, Ginger Hays, formerly Ginger Luttrell, took their children to the swimming pool Sunday afternoon between 4 and 5 and found a note when she returned saying that he had gone to the farm. When he did not return she became worried and called Raymond Anderson, a friend, to check on him sometime after 9:00.

He and Troy Hays, a brother, travelled to a farm that Jeff was farming 5 miles west and 1 mile south, but failed to locate him. Then they went to a farm on the Gaines - Andrews County line beyond the Bill Cox Gin and found him dead in the cab of the pickup which was sitting at an irrigation well.

They returned to Seminole and reported to the Sheriff's Department. W. E. Cox, Jr., Justice of the Peace, pronounced him dead at the scene at 1:30 a. m.

Another note was found in the car pocket of the pickup. The radio was on and the key turned on ACC (Accessory position).

Funeral services will be held at 3 p. m. today in the Ave. B. Church of Christ with Bill Allen, Minister, officiating. Bur-

SEMINOLE'S YARD OF THE WEEK was awarded to Mr. and Mrs. T. D. Walker, 602 SW 14th. Mrs. Walker is shown in her back yard where she spends much of her time. Present for the award were Earl Bartley, Chamber of Commerce Manager, Jim Davis, Co-Chairman of the Civic Affairs Committee and Mrs. Luke Skaggs, representing the Seminole Garden Club.

BURNING STOPS

City Council met Monday night and opened sealed bids on a crawler type tractor to be used mainly at the City Dump. This was brought on by the new state law saying municipalities could no longer burn trash.

A bid of \$32,000.00 was accepted from Plains Machinery, Odessa, on an International Tractor. A bid of \$19,533.50 was rejected on a Case Tractor from Southwestern Tractor because it did not meet specifications and was too small. The only other bidder was West Texas Equipment on a caterpillar for \$37,996.00. This price took into consideration a trade in of a used TD-14.

The council brought 2500 ft. of pipe, AC 3", at 81 cents per ft. from Western Industrial. Council-

The School Board met June 23, 1969 and in major action gave a \$550 blanket raise to all teachers. Administrators, including the Athletic Director, all Principals and the Superintendent, received a 10% raise. It was pointed out that first year teachers with a Bachelors Degree would start at \$6,720.00 or with a Masters Degree at \$7,020.00.

The following teachers were employed: Mrs. Leland Caffey, Primary Music; Mrs. Joyce Wellborn and Mrs. Juanell Earl, to be assigned, probably in 3rd or 4th grade; Don Ashley, Jr. High Math; Paul Marlin, Choral; and 1 High School English teacher, Marlea Mitchell. Left to be filled is one High School position and a Jr. High English teacher and B-Team Basketball Coach.

In other board action, a Ford truck chassis was bought on a bid basis for \$2789.00 to replace the band instrument truck lost in the fire.

Mr. N. D. McDougal was hired for maintenance and custodian of the field house.

Mr. Hollis Shults was granted permission to attend a vocational Agricultural Cooperative training program in Austin July 7, 8, 9 & 10.

Rayford Bates and H. I. Jones were selected as two members to serve as delegate and alternate to the TASB for 1969-70.

The resignation of Mickey Fitts was accepted.

SUPERINTENDENT'S REPORT:

We have two summer school classes in operation. One, reading for pupils in grades 3-8, has 12 students enrolled and is taught by Miss Christine Kitchens. The other class, a government class in high school, has 19 pupils enrolled and is taught by Mr. Bill Benton. Each class meets from 8:00-10:00 a. m. Monday through Friday.

OPEN HOUSE - PIGS, THURSDAY

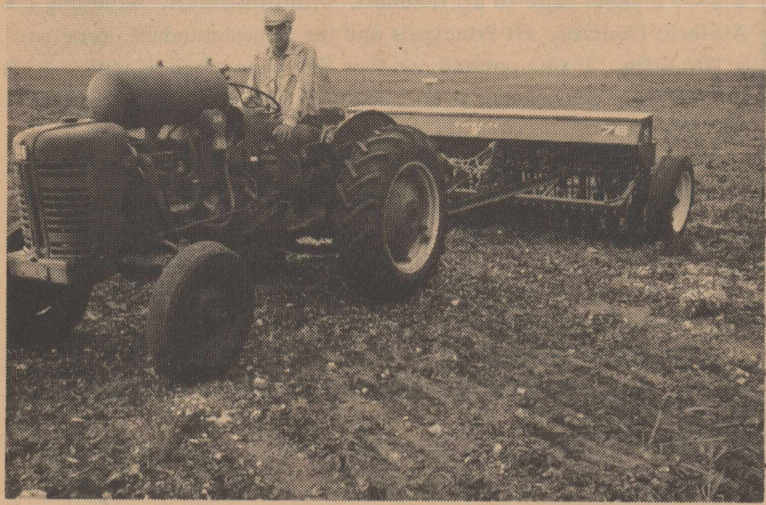

Enjoying the new look at the Piggly Wiggly Super Market are checkers, Eugenia Glass, Ruby Johnson and Larry Wicks, Sacking the groceries are Jim Miller and Wallie Arrizola. Customers include Mrs. Pat Recter, Mrs. James Stevens and son Glenn and Mrs. J. A. Moore and Regina.

Piggly Wiggly Grocery Store has been in Seminole for 30 years. They have remodeled. OPEN HOUSE will be Thursday. It was originally opened by the Davis - Humphrey Chain as one of the 21 stores. For all practical purposes the store has had only two locations and two managers. Daryl Burks, present manager, took over the reins from Allison Gainey in 1963 after having served the store as assistant manager since 1950. Piggly Wiggly's first location was on the north side of the square where the United Department Store is today.

In 1960 the 21 stores of the Davis - Humphrey Lubbock based operations were sold to Shop Rite Foods. Shop Rite's headquarters are in Albuquerque, New Mexico and spans over a great deal of Texas with 200+ locations. Their officers are J. S. Reinhart, President; C. E. Pearson, Vice-President in charge of store operations; and C. L. (Mac) Godwin, Vice-President and Regional Manager.

GREAT PLAINS CONSERVATION PROGRAM DEVELOPED

In 1966, "The Big Four Farm" consisted of over 3,000 acres of dryland cropland. A Great Plains Conservation Program contract was developed on the farm with the owners, George Norman, R. O. Parker and C. T. Beckham. The owners had previously put the farm into the Cropland Adjustment Program.

After consulting with the Soil Conservation Service and developing The Great Plains contract, they started to work. Since the entire acreage was dryland, the first step was to establish a dead litter cover in which to seed the grass. After one-waying the seeded twice, about 2900 acres was drilled in a crop of forage sorghum. This crop was shredded during the growing season the first year to keep down seed production until frost killed the sorghum.

In February and March of 1967, the weeping lovegrass was drilled into the forage sorghum stubble. Since that time it has developed into what George Norman describes as a "beautiful stand of grass".

This acreage was, however, the easiest part to get a stand of grass established on. The real problem existed on a 120 acre block which was a very old cropland field. Here, the field had blown down to clay and caliche in many places with sand piled high around the edges. Much of the sandier part was seeded to weeping lovegrass following the dead litter cover and a good stand obtained.

The heavier clay presented a different problem. The first operation on this consisted of using chisels to rip the clay up and roughen the surface of the soil. This made it possible to catch some sand on the roughened surface to mix with the clay. By keeping the surface rough, enough sand was caught to try and seed a dead litter cover. This was done in 1968 but due to the heavy clay soil, sufficient litter was not obtained on all of the old field. Cotton burs were then spread over the barren areas to provide cover in which to seed the grass. The field has now been seeded to weeping lovegrass and Lehmann lovegrass. With this accomplished, the owners have but to sit back and wait for the grass to become established. When this occurs, the entire farm, except for a 152 acre cropland field, will be established to perennial grass.

Anyone wishing to see this 3,000 acre "grass patch" can easily take a self-tour of the farm. This can be done by taking the first county road going east from the Seagraves highway just north of Seminole. The farm starts three miles from the highway with the county road going right through the middle of the farm. Anyone seeing this should agree that conservation work such as this certainly adds beauty to our countryside.

OPEN HOUSE—PIGGLY WIGGLY THURSDAY

Cont'd. from P. 1

In the local store, Mr. Burks has 23 years experience in the grocery business; Junior Sernil, assistant manager, 10 years; Kenneth Buck, market manager, 30 years; his helpers, Suelma Villalvia, 2 years, and Flossy White, 1 year; Roger Cooper, produce manager, 10 years; checkers, Ruby Johnson, 11 years; Maurine King, 8 years; Eugenia Glass, 6 years; and other employees, Henry Gutierrez, stocker and checker, Larry Wicks, stocker and checker, Wallie Arrizola, Larry Upham, Jim Miller, Mrs. Lenora Burns and Steve Nelson with 5 years between them. The local store carries 106 years of total experience so they might serve you better.

Joining in a campaign to clean-up and fix-up Seminole, the inside has been completely renovated--new lights, new floors, new shelves, new produce racks and new self-serving meat cases. The selling area takes in 5400 sq. ft.; the market area, 1800 sq. ft.; and the store room takes in 3000 sq. ft. making over 10,000 sq. ft. in the present structure.

In interviewing Mr. Burks he was asked how many items in the store. "There are over 5,000 drug items." Further checking came up with this kind of an answer, "about 15,000 items in all--counting drugs and house ware items, 5,100; 10,200 grocery items; 120 produce items and approximately 200 meat items." "And just think," Mr. Buck said, "there are 71 cheese items." The store manager added further that by far paper goods are the nicest things to sell in a grocery store with the coke machine being the messiest. We still sell Garretts Snuff, Honest Snuff, Copen Hagen and chewing tobacco. "A few days ago I made a peculiar sale, a \$25 grocery sale over the telephone to a woman in Anaheim, California, to be delivered here in Seminole." The produce manager said, "One Christmas, I sold 50 cases of bananas or 2000 pounds and that's lots of bananas any time."

The store sustained one robbery in the Spring of 1954. Bacon, coffee and cigarettes were taken. The burglars came through the roof of the building but could not get the safe open. Three men were caught by 9:00 a.m. in a road block in Big Spring. The greatest inconvenience, so the manager said, was cleaning up the chocolate milk they poured on the floor and getting change to operate on until a 'safe man' could get the damaged safe open.

Thurman Sims, a farmer, Chester Browne, County Judge, and Dee Coker were caught shopping in Piggly Wiggly and swapping stories. "Ah" Dee said, "this is nice."

Daryl Burks, store manager stands by new shelving and underneath new signs to direct customers to the proper section for grocery buying.

BASEBALL ACTION IN SEMINOLE

Baseball action was fast and furious for the last few days because of make up games and regular games.

In LITTLE LEAGUE action the Braves downed the Cubs 12-11 in a hotly contested ballgame. The Cubs scored 7 in the 2nd inning and 4 in the 5th inning while the Braves scored in all 5 innings to win by 1 run.

On Friday night the Cubs mopped up on the Cardinals and it was called after 4 innings when the Cubs won on the 10 run rule 13-2.

The Braves bombed the Reds last Thursday night 18-0 when they scored 12 runs in the 2nd inning, 1 in the 3rd and 5 in the 5th.

Tuesday the Cardinals wrapped up the Reds in 4 innings when the hitter broke loose and scored 21 runs and won 21-3.

In BABE RUTH action Thursday night the Giants scored in 4 of the 6 innings and beat the Dodgers 9-6. The Dodgers scored 6 runs in the 2nd inning.

On Friday night the Astros scored 3 runs in their half of the 6 innings and overcame a 1 run lead held by the Pirates. Final score 6-4 in favor of the Astros.

The Astros were not so lucky on Saturday night as they jumped out to a big lead only to have the Giants come on and tie it up 12-12 for a split of that contest.

Edwards hit 2 home runs and Anthony Hemphill hit one leading the Pirates to a 27-6 victory over the Dodgers.

In PONY LEAGUE action the Tigers and the Orioles clawed each other Monday night with the Orioles coming out on top 14-10.

The Indians almost shut the Tigers out when they scored 11 runs with the Tigers coming up with only 1 run in the 2nd inning.

In other action of the past week the Indians beat the Orioles 15-7, scoring in every inning to win by 8 big runs.

Yankee pitching was at its best last Friday night when Gary Don Ray threw a shut out at the Tigers and beat them 6-0.

Last night the Indians scored 7 big runs in the 4th inning and defeated the Yankees, 13-6.

The PEE WEE LEAGUE had the Senators beating the Athletics 15-3 Monday night.

In a close ballgame last Friday the White Sox scored 9 big runs in the 3 innings to overcome the Senators' 8 run lead and won 11-10.

The Red Sox were victorious over the White Sox last night by a score of 14 - 5.

Prompted by allegedly deceptive TV advertising by two leading food and soap manufacturing companies, the Federal Trade Commission has ordered the National Broadcasting Company to make monthly reports for the next year detailing the content of all radio and television commercials beamed by the network. The order which may be appealed to the courts requires a complete script and description of each TV ad.

We believe it would be punishment enough if manufacturers producing misleading or irritating commercials were sentenced to watch each one a hundred times.

Mr. and Mrs. Bob Vining and little son of Commerce, Texas have been visiting his mother, Mrs. J. L. Vining of 809 Ave. B SW this week.

Also, visiting Mrs. Vining was her mother, Mrs. Connie Terrell of Tylertown, Miss.

Recent visitors in the home of Mr. and Mrs. H.E. McBeth and family were her sister and family, Mr. and Mrs. Carl Smith, from Concord, Calif. and other relatives, Mr. and Mrs. John Clanton and Mr. and Mrs. Whitey Vickers, Seminole and Mr. and Mrs. Darwin McBeth from Denver City.

MR. AND MRS. WILLIAM C. OVERSTREET

Vows Pledged

Wilda Hancock and William C. Overstreet exchanged double ring wedding vows at 8:00 P. M., June 13 in the home of Mr. and Mrs. Leonard Heald before an arch of English Ivy and white gladioli.

Rev. C. J. McQuillen of The Trinity Baptist Church officiated.

The bride was dressed in a powder blue sheath with a jewell neckline and featured a semi-circle three quarter length matching coat with accordian pleated elbow length sleeves. A white jumbo Orchid enhanced her ensemble. She carried a white bible.

Parents of the couple are Mr. and Mrs. Ernest Foote of Seminole and Mr. and Mrs. W. E. Overstreet of Andalusia, Alabama.

Mrs. Leonard Heald attended the bride as matron of honor. She chose a pink nylon lace sheath over matching taffeta with pink and white accessories and a white orchid to complete her outfit.

Neil Ryals served as best man.

A reception followed the ceremony. The table was laid with nylon lace over blue satin. A three tiered white wedding confection topped by wedding bells was served with punch, mints and nuts. White Gladioli, Blue Daisies and White Babies Breath surrounded by white tapers centered the serving table. Mrs. Stanley Miller, sister of the bride and Mrs. Leon Foote, sister-in-law of the bride served and Mrs. Joe Henry Thompson registered approximately 50 guests from Plains, Denver City, Seminole, Brownfield, Bronco and Eules, Texas.

After a wedding trip to Old Mexico, the couple will reside at 408 West 9th. St., Denver City.

Births

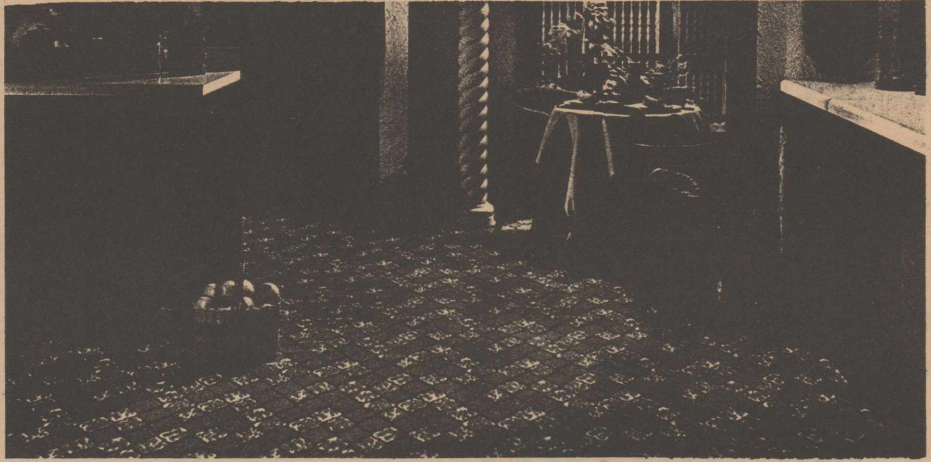

Mr. and Mrs. O. E. Milner have a new granddaughter, Cindy Leigh, daughter of Mr. and Mrs. Doyle Milner of Irving, Texas. Cindy was born June 13 and weighed 6 lbs, 6 oz. She has 2 older sisters, Robin and Julie.

DARRELL PRICE MAKES DEAN'S HONOR ROLL

Darrell Robert Price, son of Mr. and Mrs. Dan R. Price of 202 SW 14th Street, Seminole, Texas, was one of thirty-six sophomores on the Dean's Honor Roll for the spring semester with a 3.50 grade point average at Lubbock Christian College.

Do you ever get too big or too old to be scared? Why does it frighten me so to wake up in the middle of the night and hear a strange sound? I can think of many times I've been frightened from a bullet or a horse falling on me. At least twice I thought I had a heart attack and died. Now, that'll scare you! When I awakened I started laughing. Dr. Koberg said, "It wasn't so funny to you awhile ago." Why, I was just happy to be in this world instead of the next one.

But the time I want to talk about is not when I heard the bullets, when the horse fell on me or when someone grabbed my hand when I reached in Box 253 to get the mail. The worst I was ever scared in my life was not the evening my little girl was swinging a play iron around her head and hit me below the eye, knocking me out, but the worst was about thirty minutes later, after Mama had doctored my face and I had stretched back out in the floor to enjoy a TV program.

Evidently I had fallen asleep and was dreaming something bad was about to happen. And it did! That same little girl just couldn't resist the temptation and she slipped up to her daddy and, I'm sure without considering the consequences, she looked over his big toe and bit with all her might.

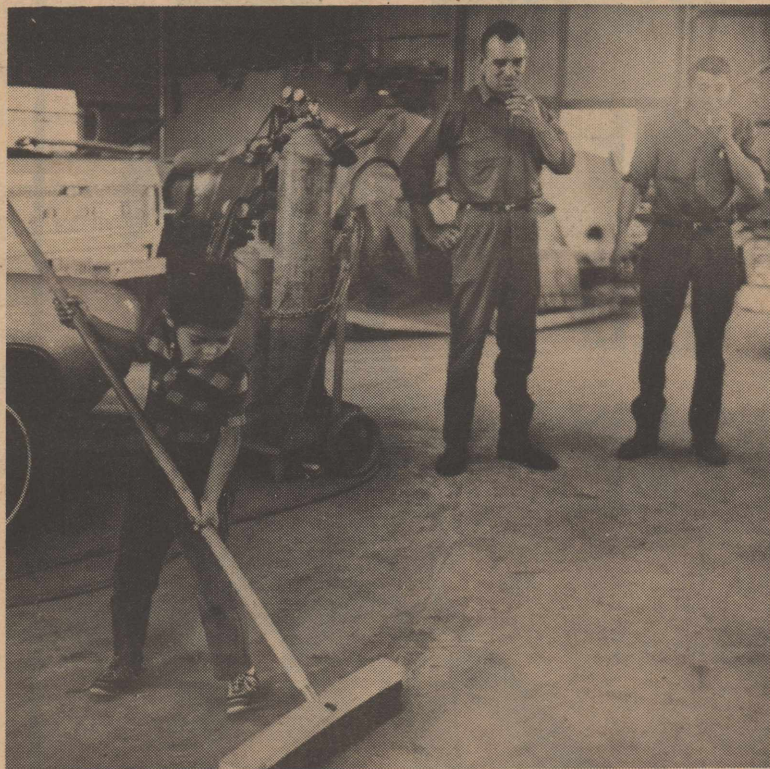

Bullets, Indians, heart attacks and Box 253 were crowded into the insignificance. There's no sensation like being bitten on the big toe. To make matters worse, Mama laughed till the tears ran off her cheeks. What do you do to a three year old, except suffer, grin and bear it?

Endurance is patience concentrated.

Gaines County Peach Queen, Vicki Wallace, returned Sunday from Stonewall and the State Peach Queen Contest. She was second runner-up.

TWO DAY CELEBRATION FOR JULY 3RD AND 4TH TO BEGIN

The two day celebration for July 3rd and 4th will begin with Christmas in July with booths on the courthouse square Thursday, 6 p.m. - 9:30 p.m. On Friday guests will register beginning at 10 a.m. at the City Park. Everyone will spread lunch together at 11:30 til 1 p.m. at the park. Entertainment will last at least two hours in the afternoon with different musical groups, starting at 2 p.m. The donkey ballgame, sponsored by the Evening Lions Club, will begin at 7:30. The fireworks display will be at the end of the donkey ballgame, starting from 9:00 to 9:30.

Those responsible on Friday will be commissioners, B. C. Norton and Robert Matthews - tables and chairs; refreshment stand - Lynn Garrett; drinks - Ron Scheuren; and P.A. system - Walter Woods.

Clubs and booths activities on Thursday night will be Chamber of Commerce - HOMEMADE PEACH ICE CREAM; Jr. Study Club - BALLOON DART & PENNY PITCH; AAUW - BOOK & RECORD SALE; Garden Club - COUNTRY STORE; Lions Club - DUNKING BOARD; Rotary Club - BINGO; Candy Strippers - CAKE WALK, HOT DOGS & COKES; Music Club - COTTON CANDY; Beta Sigma Phi - PIE & CAKE SALE; Rebekah Lodge - PEACH BOOTH; BPEW - GRAB BAG; Youth of First Baptist Church - WATERMELON FEAST. The Boy Scout Scouts will also have a booth. Earl Bartley, chamber manager, invites other clubs to participate.

The celebration this year will bring out many things concerning the peach industry. The Rebekah Lodge will have many recipes on how to use peaches; the Chamber of Commerce, homemade peach ice cream; and Beta Sigma Phi - pie and cake sale, many with peaches.

POLICE REPORT

City Police, the Sheriff's Department and Highway Patrol reported numerous infractions during the past week, but nothing of major importance.

7-fined for drinking and fighting, 5-fined for being drunk, 1-threatening life of body, 2-vagrancies, 2-minors consuming, 5-aggravated assault warrants from Lamesa, 1-seducing, 2-disturbances, 1-D.W.I., 2-profane language and 1-sleeper.

The local jail has 3 inmates, as of Tuesday. Also reported to the police were 5 windows shot out of Trinity Baptist Church, a theft of .22 caliber pistol, and breaking and entering. Nothing was taken.

Directors of the Noonday Lions Club that were installed Tuesday were Bill Wescott, seated left, Raymond Patton, Earl Bartley and Jack Combest.

MRS. CHESTER SAMPLE

Vows Solemnized

The First United Methodist Church of Seminole was the scene of the double ring ceremony at 8:00 p.m. Saturday, June 21, uniting Belinda Ray Aten and Chester Elvert Sample in marriage. Rev. Bobby Phillips, pastor of the South Seminole Baptist Church, officiated the ceremony.

The bride's parents are Mr. and Mrs. Neal Aten, 905 N.W. 8th Street. Mrs. Bessie Sample, 306 S.W. 11th Street, is the groom's mother.

Traditional wedding music was presented by Mrs. T.G. Gibby, who accompanied Mrs. Sue Presley as she sang "I Love You Truly" and "More".

The wedding vows were repeated in front of an arch covered in greenery and topped with white doves flanked by two cathedral tapers. The altar rails were covered with greenery and candles.

Given in marriage by her father the bride chose a floor length A-line princess style white peau de soie gown with a chantilly lace panel down the front, decorated with pearls. A wedding ring collar accented the neckline and the long sleeves came to a point over the hands. The lace chapel train was attached with a peau de soie bow. Her tiered veil of illusion was held with loops and petals of organza and decorated with pearls. The bride carried a slim cascade of white feathered carnations and English ivy with a white orchid atop a white Bible.

Mrs. Sandra Flowers, sister of the bride, was matron of honor. Bridesmaids were Nancy Hester, cousin of the bride, and Edna Sample, sister of the groom. The flower girl was Deretha Aten, sister of the bride. The attendants wore identical floor length dresses of flashing pink crepe. Their headpieces were clusters of flashing pink roses and matching tulle. They carried colonial nosegays of white carnations with streamers tied in love knots.

Best man was Roland Saul of Plainview. Groomsmen were Earl Sample, brother of the groom, and Ronnie Aten, brother of the bride. Ushers were Duane Flowers, brother-in-law of the bride, and Mike Podrazik, brother-in-law of the groom.

Mrs. Teddy Welch of Plainview registered guests.

A reception was held following the ceremony in the Fellowship Hall of the church. The couple was assisted in receiving by their parents and the bride's attendants.

The three tiered white wedding cake, decorated with flashing pink flowers and topped with a miniature bride and groom, was served by Mrs. Elvis Williams. Mrs. Stephen Stanley of Lubbock served pink punch from a table covered with pink taffeta, overlaid with white lace. Also assisting in serving were Mrs. Buddy Hackworth and Mrs. Earl Aten of Lamesa, aunts of the bride, Mrs. Tommy Thornton and Debra Aten of Anderson, Missouri, cousins of the bride.

For a wedding trip the bride chose a turquoise crepe dress with white accessories and the white orchid from her bouquet.

The bride is a graduate of Seminole High School and attended West Texas State University and New Mexico Junior College. She had been employed with McAdoo Chevrolet Company for the past year.

The bridegroom is a graduate of Seminole High School and Wayland Baptist College. He is now serving in the Army and is stationed at Fort Bliss in El Paso, Texas, where they will make their home.

A rehearsal dinner was held at Jo's Restaurant Friday, June 20.

Mr. and Mrs. J.W. Miller and Wendell have returned from Sulphur, La., where they attended the funeral of Mr. Miller's uncle, who was killed in an automobile accident last Wednesday.

PORCELAIN ARTS

CLUB MEETS

Llano Estacado Porcelain Arts Club met at 9:30 a.m. June 21st in the Seminole Room of Seminole State Bank.

Coffee and cookies were served as members arrived by hostesses Ann Smith and Magdalene Markham.

President Pauline Russell presided over a short business meeting, announcing a new member, Mrs. Nelson (Valrie) Coon.

Kay Gay introduced a talented china painter and teacher, Nola Bigham of Lovington, N. M. Her points of interesting information were the importance of the background, dusting china for darkness and applying enamel to china and glass.

Door prizes were won by Maurice Phillips, Ann Smith, and Ethel Bell.

A covered dish luncheon was served to fourteen members, Pauline Russell, Bertie Fowler, Mary Lou Jameson, Ethel Bell, Tinnie Elder, Lucille Lee, Kay Gay, June Blaine, Juanita Morgan, Ann Smith, Magdalene Markham, Frances Hankins, Maurice Phillips and Myrtle Cope.

Mr. and Mrs. Raymond J. Anderson and Cheree returned last week from Stockton, Calif. where they attended the funeral of Mrs. Anderson's father, Carl Cox. Mr. Cox passed away June 7 from a heart attack.

**TEXAS HIGHWAY PATROL REPORTS
FIVE ACCIDENTS**

The Texas Highway Patrol reports 5 accidents this week. Those investigated by Highway Patrolman Kenneth Selman were:

At 9:45 a. m. June 18, Mr. R. L. Hunt of Loop was travelling west on Texas 83 in a 1964 Chevrolet pickup and attempted a left hand turn into a private drive. Donovan Phipps of Welch driving a 1969 Chevrolet pickup was attempting to pass Mr. Hunt, who turned into him. There were no injuries; damage was estimated at \$300.00 for Hunt's pickup and \$700 to Phipp's pickup.

June 19, at 12:30 p. m., 8.7 miles west of Sea-graves on Texas 83, a 13 year old boy was travelling east in a 1963 Ford pickup. He attempted a left hand turn onto a county road. The pickup had a standard transmission and the boy hit the clutch instead of the brake, causing him to hit a utility pole. He was not injured. Estimated damages were \$300 to the pickup and \$75 to the utility pole owned by Lyntegar Electric Company.

Patrolman Phil Upton investigated 3 one car accidents: Jerry Lynn Cummings, 17, of Seagraves, was the driver of a 1967 Pontiac that overturned June 21 at 3:30 a. m. nine-tenths of a mile southeast of Seagraves. Cummings was going north on Farm Road 1429 and for some unknown reason lost control of the car hitting a sign post. He was not injured; damage to the car was estimated at \$200.

On June 22 at 2:45 a. m. 1.2 miles south of Denver City on Farm Road 2056, Lyndon Ray Dearing, 20 years old, of Denver City lost control of the 1960 Chevrolet sedan he was driving. The car turned over one time and landed on its top. He was travelling east. Neither the passengers, Glen Anthony and Rodney Allen of Denver City, nor the driver were injured. The damage was estimated at \$300.

At 6:10 p. m. June 22, 13 miles west of Seagraves on Texas Highway 83, John Jones of Seagraves, Tex. was critically injured when he lost control of his 1962 Chevrolet pickup. The pickup overturned 3½ times ending up on its side. Jones, a 51 year old Negro, was going west when the accident occurred. He has a broken neck and has been moved to a Lubbock hospital. Estimated damage to the vehicle was \$750.

SEAGRAVES NEWS

BY

MRS. E. G. THORNTON

Our sympathy goes out to the Walser family. Mrs. Jewel Walser's sister passed away and services were held at Moran, Texas. We remember you and your family, Jewel, at this time.

The Hayhurst family reunion was held in Tulia on Saturday and Sunday. Those attending from Seagraves were Mrs. Maudie Thornton, Mr. and Mrs. Ernest Sellers, Leon, Gayland and Douglas.

Friday night results of the Little League ballgames were Yankees 15, Oilers 6. Thursday night the Yankees were beaten by the Cubs, 5 to 4. Another home run for Julian Flores. Looks like some of the Babe Ruth managers might look into the future with boys like Julian coming up very soon to be eligible for Babe Ruth. Julian will not be with the Yankees next year due to age and I'm sure some interested persons have already taken a notice to Julian. This makes 6 for him.

Our hearts were saddened to hear of the death of Robert Edwin Drake, only 17 years old, the son of Mr. and Mrs. Bob Drake of Sudan. Mr. Bob Drake used to be with the Southwestern Public Service Company in Denver City before moving to Sudan to work with the Southwestern Public Service Company at Earth. He is the plant manager at Plant X. The report says that "Little Bob" tried to climb a water tower to retrieve a set of keys and came in contact with a high voltage wire. "Little Bob" had a sister, Brenda. His paternal

grandmother is Mrs. H. H. Gregg of Tulia and his maternal grandmother is Mrs. J. T. Agee of Sudan. Many cards of condolence were sent from members of Southwestern Public Service Company here and at Denver City.

Mrs. Leon Allen was admitted to the hospital on Sunday morning.

Miss Myra Jean Reasonover was hospitalized for several days but is at home now.

Mrs. W. P. Bell is ill at her home and not able to be out at the present time.

Gary Williams, great grandson of Mrs. Wagoner, is in the local hospital.

Mr. and Mrs. Edd James had their children visiting with them over the weekend and they were all present at church together.

The week's meeting at the Appleton Avenue Church of Christ came to a close on Sunday night. A good crowd was present each night and many interesting sermons were preached. The singing was extra good.

Mrs. Joe David Hall (the former Vickie Morris) and children, Jodie and Jill, flew via jet from Memphis, Tennessee to Dallas and on to Lubbock and were met by her mother, Opal Morris, to spend some time here in her native little town of Seagraves. A big smile was on her face when she put her feet down on good old Texas soil. Vickie's home is in Dyersburgh, Tennessee, where Joe David works for Sylvania Electric.

June Smith and Mrs. Tim Garrison from Lubbock drove to visit Miss Ginger Warremer of Amarillo and then drove to Denver, Colorado to visit Miss Silver

Jacobson, who is in school in Denver. They visited Estes Park and were surprised to see the hippies from California who had chosen this spot to spend a few days.

Mr. and Mrs. Gene Osborn, Randy and Kella took a few days off to go to their trailer in Cloudcroft. Mary always smiles a little bigger after she has been to the mountains.

Mrs. Bessie Williams is feeling better and we all are happy over this. Mrs. Williams had surgery in Lubbock some time back and we are so happy she is home and able to be up.

Sara Votaw Easley and sons, Jon and Jay, are with her parents, Mr. and Mrs. E. Votaw, in Ruidoso for several weeks. Sara's brother and family from Abilene will be joining them on Wednesday for a week.

It is nice to see James Glen Reasonover out and about since his tonsillectomy. He has lost a lot of weight but we are all betting he will gain it back, with such a fine cook as his mother, Mrs. Juanita Reasonover.

Mrs. Bessie Jackson and Mrs. Juanita Reasonover, with aids Myra Jean Reasonover and Nelda Harvey, are still working with the Headstart Program. I'm sure Mrs. Jackson will be ready for a rest and recuperation period -- thinking of visiting her daughter and son-in-law, Mr. and Mrs. Bob Ellis in Hawaii.

Mrs. Bannie Bonham is back home and was at church on Sunday. She had been with her daughter after a stay in the local hospital here.

Mrs. Bonham, who runs the Bonham Nursery in Brownfield, was visiting friends here over the weekend.

Mr. Shelby Cole is still in St. Mary's hospital in Lubbock.

Mrs. Florence Smith had as her guests, her daughter and family on Sunday, Mr. and Mrs. Garland Berry from Lovington, and daughters, Becky and Jane. Mrs. Smith accompanied them home then she will be close by to keep her appointment with Dr. McBee for an eye test and new glasses on Monday.

Mrs. Petty is back at her old job, running the Burger Bungalow, after taking off a few weeks while her son and family were here from Wyoming. We are always glad when Mrs. Petty is back for we all get tired of cooking and enjoy one of her hamburgers.

Our little town is happy over the new Garlon's Drive In. Have you been inside? Open House will be soon and you should make an effort to go visit this neat little place. There are no car hops but a drive-in window serves most anything you would want quickly and efficiently. It's nice to see clean boys and girls, as well as adults, inside enjoying the atmosphere. Hats off to you, Mr. and Mrs. Garlon Eastman and Nicky.

You might chalk this up on your calendar for the coming months. There will be a youth meeting in Denver City with Jimmy Allen as the speaker with the theme "Creative Christianity" coming in the near future. We will keep you posted on the dates later.

Mrs. Nita Wilder, fourth grade teacher, writes that she is home in Coleman and cleaning up after a recent storm, having her house, carport and storage shed recovered. She will visit her

daughter in Washington sometime in July.

Mrs. Edmiston, first grade teacher, is at her home in San Angelo and writes she would like to be back on the 'real' plains to enjoy a cooler season. It had reached 104 there when she wrote.

Mrs. Bette Cox, sixth grade teacher, says she is finding out what it means to be a full time housewife and mother to her daughter since school is out.

Mr. and Mrs. Pat McAadoo and children visited with her parents, Mr. and Mrs. Bill Smith, in Big Spring last weekend.

Johnny Jones had a minor wreck between here and Denver City. Mr. Perry Morris brought Johnny in to the local hospital. He was sent to Lubbock. We hope Johnny was not hurt too badly. Johnny is the colored man whom most everyone knows. He blew out a tire and lost control of his car. He was alone at the time.

Storyhour at the Gaines County Library drew a large crowd of youngsters for the first story last Friday, June 20.

Friday afternoon marked the first story hour session for the summer, at the Gaines County Library, with attendance of 77.

There will be two sessions held each Friday, because of the limited space in the library. The first one will be at 2 p.m. and over at 2:45. Then in order to give the children time to check out books and make room for the next group, the second session will be held from 3:30-4:15. Children are invited to attend the session which will be most convenient for them.

The program for this Friday will include a puppet story presented by Ann Jones, Patsy Condit and Sandra Hughes, members of the Junior Study Club. Conducted by the library staff, will be "Ask Mr. Bear" by Flack, presented in the "Story bag" fashion; "The Cow in the House" by Watts told with the aid of a TV roll, the action song of "Way Down Yonder in the Paw Paw Patch" plus several finger games.

Bozo the clown has invaded the library! There are now 68 Bozo clowns on display, representing the number of boys and girls who have read the required number of books to start them on their way to a complete clown. Twenty-two have completed their clown, and are now eligible for a reading certificate which will be presented to them during the last week of August.

There are now 192 who have joined the Reading Club. The library is gaily decorated with the bright colored clowns, and by August it is anticipated that there will be many more.

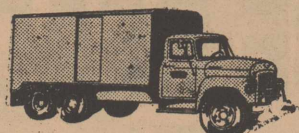

According to the United States Department of Agriculture, farmers received thirty-nine cents out of the food dollar in 1968--an increase of one cent over 1967. The farmer's share, arranged by food groups, varied from nineteen cents out of a dollar for bakery and cereal products to fifty-five cents for poultry and eggs. The remaining sixty-one cents of the food dollar the farmer did not get went to processors, packagers, transporters, and all other persons involved in bringing food from the farm to the retail store checkout counter.

BOB CLARK

Bob Clark, Southwestern Life Insurance Company representative in Seminole, recently attended a special advanced life insurance school at the Company's home office in Dallas.

This was the third in a series of four schools Southwestern Life provides for its career representatives over a period of three years.

During the five-day school Clark studied the coordination of various life insurance and retirement income sources for an over-all family income plan.

Our daughter, Cynthia Ann, age 21, said to me, "Yes, Daddy, I would like to live in Brussels, Belgium. You see, they don't have the problems there we have in our country. There's been no riots there. Girls get off work at 11 or 12 o'clock at night and walk home unhindered and not afraid of hoodlums, or of being robbed or being attacked."

"Something has happened to us. They're poorer than we are but have a much greater respect for authority."

After thinking on the above statements for days and months, I am of the opinion that it's time the American public gives back to the American law enforcement agencies their proper authority and slaps the hands and maybe the face of politicians in higher courts, that are more interested in the vote of the rabble rowser than Mr. Working American.

Our Cindy may be right. For, after having lived with the working class of people in Brussels, Belgium, two summers, she loves their sense of decency, their hard working habits, their station in life and their ability to behave themselves. I am of that generation where teenage boys didn't get too big to whip if they misbehaved, that boys didn't dare think about getting married till they were old enough to make a living, that hard work and sweat was honorable and if you were big enough to curse a man, you were big enough to get whipped.

This voter is fast losing patience with the alibis of politicians, explanations of courts and the stupidity of intellectuals who head marches. Maybe, just maybe, recent elections in New York and Los Angeles where voters turned to different leaders who leaned more to conservatism will shake others in higher places.

The following is by Andrew Tully.
"It is a measure of the country's sickness that hits particularly hard at the citizen just returned from a fearless stay in Europe. In Amsterdam, Brussels and Paris, this citizen strolled the streets at night without giving it a moment's thought. It goes without saying he would not dare to do so - without an armed bodyguard - in New York, Washington, Chicago, Detroit, Cleveland or Gary, Indiana.

"Yet, the poor in Amsterdam, Brussels and Paris are so much poorer than the poor in America that any comparison would be a joke. In all three cities, the poor exist on what some of the American poor spend on cigarets and booze. In the U. S., the dole is permanent. In Holland, Belgium and France, the welfare recipient is stricken from the rolls after a few weeks if he refuses to accept any kind of a job that is offered him. If poverty is the root cause of crime, then Amsterdam, Brussels and Paris should be off-limits to all but troops riding in tanks.

Europe is safer than America because there the cops arrest Dutchmen, or Belgians or Frenchmen - not members of a minority group. Since the criminal in the U. S. is given all his constitutional rights - and then some - it might be refreshing if some day he could be arrested as a plain American. By itself, the label denotes equality."

The Seminole Volunteer Fire Department was called to the residence of Maurice C. Hughes at 1:20 p.m. last Thursday. A daughter, Teresa, had gone to answer the telephone, leaving grease on the stove. It ignited, causing several hundred dollars worth of damage. At 1:40 p.m. firemen raced back to the same scene on the draw just south of Seminole and adjacent to the road-side park when the fire rekindled in the attic.

WOMACK HONORED AT LUNCHEON

Nathan E. Womack of 607 SW 19th Street, Seminole, Texas was honored at a luncheon at the Raymond Restaurant on June 20 at which time he was presented a pin in recognition of his 25 years service with Mobil Pipe Line Company. Womack is an area clerk at the company's Seminole Area Office.

A native of Dallas, Texas, Womack graduated from Woodrow Wilson High School and attended Dallas College of S. M. U. where he studied business administration. He joined the company in 1944 as a clerk in the old Telegraph and Telephone Department. In 1950 he was promoted to intermediate clerk and in 1956 was made a telegraph operator. In 1960 he was transferred to the Oil Movements Department as a dispatch-clerk and in 1965 he transferred to the Engineering Department as clerk. He moved to Seminole in 1966 when he was promoted to his present position.

Womack is past president of Dallas College of S. M. U. Chapter of Alpha Sigma Lambda, which is a national honorary fraternity for evening colleges. He and his wife, the former Fay Hyatt of Bonham, Texas, have three children, Jesse, 17, Katie, 15, and Forest, 12.

CANDY STRIPERS TO HAVE CAR WASH SATURDAY

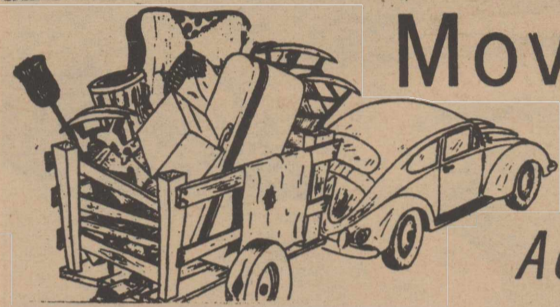

The Candy Stripers called a special meeting Tuesday and made out new work shifts. Christmas in July was discussed and it was decided to have a cake walk and a concession stand. Tickets for the car wash to be held Saturday, July 28th, at the Telephone office, were distributed to be sold. Tickets may be purchased from any Candy Striper for \$1.25 (Wash outside only) or \$2.00 (Wash and clean inside).

New signs and new shelves are pictures in the remodeled facilities of Piggly Wiggly.

Arzie Kirk said "We also had big snakes when I was a kid." Arzie is shown with his brother, Jud, on the left, after they had killed a huge Diamond Back Rattler in 1913. The snake is just about as long as the boys are tall. Notice the new growth on the tail where Arzie is holding the snake. A snake this size could easily have 15 rattlers if none were broken off. Boys in that day may not have had shoes or preferred not to wear their shoes but they did have a hat to wear.
