Who raises all the dogs? Where do all the dogs come from? It's a shame that dogs continue to plague neighbors, police and city officials. One man suggested a dog drive - like the old rabbit drive. A hundred to 200 men start on one side of town and take every dog not rightfully claimed, vaccinated, tagged, chained, penned, or loved. City Ordinance #63 says a dog cannot be a nuisance. It has to be vaccinated, wear the number on its collar, that it's unlawful for it to run at large, to bother persons or properties and can be destroyed. An offender may be charged from \$10 to \$50 fine and can be fined each day. A dog must be chained or be in an enclosure. We are told that Hobbs, New Mexico can fine a dog owner \$25 if the dog is found unchained or at large. To you good people who harbor or claim female dogs (not the registered nor the ones you intend to take care of, or their offspring) please help. Don't drop the poor offsprings on someone else. Call the local police and they will destroy them. A poor puppy out looking for a home is a disgrace to the people who provided the mother a home and then turn the puppy loose on the neighbors.

Mr. Woods has given the office staff a free hand this week, writing the Woodenfoote, so we would like to take this opportunity of expressing our feelings for our bosses. It is a pleasure working for men who have respect for their women employees, who don't think it's smart to use abusive language and tell smutty stories, who usually always have a sense of humor when tensions are prevalent on our busiest days. Even when all he does is holler "PASTE" (and sometimes just hollers), with us ignoring him. We appreciate the "extra" things they do like call up unexpectedly saying "meet us at such and such a restaurant at 6:00 p. m. with the whole family, the News is eating out," or saying "I'll buy you girls dinner if you eat what I just had... Frito Pie, a 15¢ coke, and a candy bar." (You can understand why no thin people work for the News.)

Besides our appreciation for Walter Woods and Leon Foote, it's said there is always a good woman behind every good man and we know this to be true of Frances Woods and Tommy Foote. Two kinder, softer spoken women you'll never meet.

Before they form the opinion we're just buttering up the bosses, we'll just sign

COMMODITY
DISTRIBUTION CENTER
ESTABLISHED IN
SEMINOLE

IT WAS ANNOUNCED TUESDAY IN SEMINOLE BY COUNTY JUDGE CHESTER BROWNE THAT THE STATE DEPARTMENT OF PUBLIC WELFARE WILL OPEN ON NOVEMBER 17TH, A COMMODITY DISTRIBUTION DIVISION IN SEMINOLE.

THIS DISTRIBUTION CENTER WILL BE LOCATED ON THE EAST SIDE OF THE MENTAL HEALTH CLINIC (FORMERLY DR. HOOD'S OFFICE).

THE COMMISSIONER'S COURT OF GAINES COUNTY WILL BE RESPONSIBLE FOR FURNISHING HOUSING FOR THE CENTER AND THE CASE WORKER. THEY HAVE APPOINTED MRS. KATE WEBB TO FILL THAT PLACE. SHE WILL CHECK ON NEEDS OF THE FAMILY, FAMILY CONDITIONS, AND MONIES EARNED BY THAT FAMILY TO SEE IF THEY QUALIFY FOR THE FARM SURPLUS PROGRAM.

IN REPORTING THE NEW SERVICE AND THE NEW OFFICE, JUDGE BROWNE POINTED OUT THAT A COUNTY TRUCK WOULD PICK UP FROM LUBBOCK THE SURPLUS ITEMS TO STOCK THE NEW DISTRIBUTION CENTER.

Lost And Found

A lone sentry manned the upper halls at the Primary Building last Sunday. By actual count, 40, yes forty, coats, sweaters, shoes, socks and windbreakers - - . One teacher, Mrs. Lewis said Monday, "the worst thing is white sweaters - one child wears it home one day and the parents send it back - - another child wears it the second day, and sometimes a third child wears it home before proper ownership is established. Children do not know which one is their white sweater.

This is only the Lost and Found. This does not include the coats and other items in individual rooms. Teachers and principals alike dread a few cold days and then a 'hot' Friday. Oh, but some parents might say teachers are supposed to help my kids keep up with their lunch tickets, their pencils, their coats, and their money. Do you recognize any of your children's clothes?

New Ambulance

The Commissioner's Court of Gaines County is in the process of having a new ambulance equipped and it should be ready for service soon after November 1st. Delivery has already been made of a new 1970 Chevrolet, equipped with emergency equipment, to Seagraves. The fire department will operate the rescue vehicle there. The one delivered there cost \$6235. Actually Seagraves firemen started answering calls several weeks ago. The new ambulance for Seminole will be operated in the sheriff's department. Deputies are going to school this week so that they might qualify for rescue service when the new vehicle arrives.

The Seagraves ambulance is based at the fire station. The Seminole ambulance will be based at the sheriff's office. County Judge Chester Browne stated that a second ambulance for Seminole will be delivered sometime in the future. The City of Seagraves had already bought and equipped one unit. The primary purpose for the county owned ambulances is for wreck victims. These arrangements were brought about when ambulance services in Seminole and Seagraves were discontinued by private owners.

Annual Halloween Carnival

THREE YOUNG MEN WERE BY THE OFFICE TO REMIND EVERYONE THAT THE ANNUAL HALLOWEEN CARNIVAL FOR THE BOY SCOUTS WOULD BE 7:30 FRIDAY NIGHT AT THE COUNTY BARN. "PLEASE," SAID JOHN SANCHEZ, "BE SURE AND TELL EVERYONE TO COME". JOE TAYLOR, 7TH GRADER SAID "WE NEED FOR EVERYBODY TO BE THERE." BRAD SWENDIG, ALSO A 7TH GRADER SAID "WE SURE THANK YOU FOR INVITING EVERYONE".

THE ANNUAL HALLOWEEN CARNIVAL WILL BEGIN AT 7:30 P. M. NEXT FRIDAY NIGHT. THERE WILL BE A CONCESSION BOOTH, FISHING STAND, BEAN BAG THROW, HIT THE SCOUT, PICK-A-LID, AND CAKE AUCTION AND MANY OTHER BOOTHS, THE THREE MEN WENT ON TO EXPLAIN.

OUR SCOUT MASTER IS MR. CHARLES SOUTH. MR. WILBURN IS OUT ASSISTANT SCOUT MASTER.

LIONS CLUB MEMBERS WILL WILL HELP MAN THE SCOUT CARNIVAL BOOTHS.

The last ten days have brought to Gaines County more rainfall than we received during several years of the drought. Upwards of 9 inches has been reported in the county. About the least amount that's been reported is near 5 inches. Rain is forecast again for today.

It is reported that cotton that has been defoliated, with no leaves for protection, is suffering the most. Then there's the problem of a hard freeze and ruining a great deal of the crop by freezing cotton bolls that still have a great deal of moisture in them.

Area farmers are looking pleadingly to the skies for sunshine, sunshine and more sunshine. If rainy weather continues damage will be extensive. Suffering from an early frost already were green bean growers who did not have their crop out of the field. The frost did not kill the cotton but did get tomatoes and green beans.

Upwards of 85% to 90% of the milo maize has been harvested.

School Board Meets

The following teachers were appointed to the Textbook Adoption Committee by the School Board Monday night. They are Mrs. Elizabeth Bobo, Miss Helon Martin, Mrs. Patricia Love, Mrs. Bonnie Warren, Mrs. Jimmie Woodruff, Mrs. Donna Love, Mrs. Alda Benton, Mr. Roy Barnes, Mrs. Frank Nix, Mr. James Bramlett and Mr. John Thompson. The subjects to be approved this year are arithmetic, grades 1, 2, and 3; American history, grade 8; literature, grades 9 and 10; supplementary reading, grades 7 and 8; journalism, biology, high school; physics I, Spanish I and II, American history, high school; drafting, high school; and English dictionaries, grade 12.

2. Mr. Bob Wilton, from the Certified Public Accountant firm of Wilton, Woods and Coffee, was present and gave an audit report on monies spent through the school. Among many other things he pointed out in his report that August 31, 1978 would pay out the full indebtedness of school owned properties. He reported that per pupil for the year ending August 31, 1969 that \$752.95 was spent compared to the year before of \$702.93. For the 1969-1970 school year bond indebtedness will cost \$53,390 in interest and \$185,000 in principal. He assured the board that money spent and accountings made by the business office was in good keeping with bookkeeping practices. This was his yearly report. He reported on the FFA fund, high school activity fund, cafeteria fund, collection of taxes and gave a good report.

3. The resignation of Mrs. Sharron Lashaway, high school biology teacher, was accepted. (She and her husband are expecting their first child.)

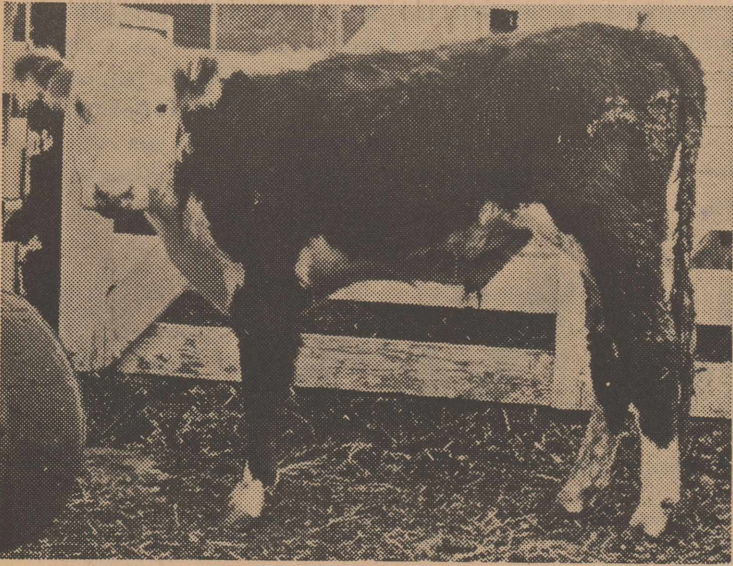

4. Willie Otis Sims was employed as custodian at the F. J. Young Elementary School.

5. J. W. Allen was employed by the board as a maintenance supervisor.

6. The Board of Education approved of three insurance agencies to share in insurance profits. They are Moore, Hearne and Dirks.

The Superintendent's Report showed the net receipts from the Seminole-Tulia football game as \$761.62. The total enrollment as of October 23, 1969 is 2119 as compared to 2138 on October 24, 1968.

EDITORIAL

A ONE PICTURE EDITORIAL --- She was a nice looking lady. Her children were clean; their clothes were clean. They owned a big car. They pulled up to the curb. She spoke. We won't mention her name because a lot of us know her. She sent one of the children in to tell the husband and the father that they were ready to go, then opened the door on her side and cleaned out the car, dumping the contents in the street. Someone in the family smoked Marlboro 100's. Not seen are the ashes and a paper sack that blew away. I suppose all of us have been guilty at one time or another of throwing things out of the car. This is a reminder that someone is always looking.

GROWERS ARE CHEATING THEMSELVES IF THEY MARKET THEIR CROPS AT PRICES BELOW THE COMMODITY CREDIT CORPORATION LOAN LEVELS, ACCORDING TO TROY MARTIN, CHAIRMAN OF THE AGRICULTURAL STABILIZATION AND CONSERVATION COUNTY COMMITTEE.

THE PRICE SUPPORT COMMODITY LOAN PROGRAM WAS DEVELOPED AS A MEANS OF HELPING FARMERS SELL THEIR CROPS AT A TIME WHEN MARKET CONDITIONS ARE MOST FAVORABLE THE CHAIRMAN POINTS OUT, AND THAT TIME NORMALLY IS NOT AT HARVEST TIME, WHEN SUPPLIES ARE AMPLE AND PRICES ARE LIKELY TO BE DOWN.

HE EXPLAINS THAT THE GOVERNMENT LOAN GIVES US AN IMMEDIATE RETURN TO THE PARTICIPATING FARMER AT HARVEST TIME, AND AT THE SAME TIME THE FARMER RETAINS CONTROL OF HIS CROP. BY STORING IT FOR A WHILE AND THEN REPAYING THE LOAN AND SELLING THE CROP LATER AFTER THE MARKETING PEAK, THE GROWER FREQUENTLY CAN GET A MUCH BETTER PRICE.

HOW EFFECTIVE THE LOAN IS IN PROTECTING FARM PRICES REALLY CAN BE DECIDED ONLY BY THE FARMER, CHAIRMAN MARTIN EMPHASIZED. ONLY HE CAN MAKE THE PROGRAM OPERATE AS INTENDED.

THE CHAIRMAN REMINDS FARMERS, ALSO, THAT THE LOAN IS ONLY A PART OF THE TOTAL PRICE-SUPPORT PROTECTION AVAILABLE TO PARTICIPATING GROWERS OF SUCH MAJOR CROPS AS WHEAT, CORN, GRAIN SORGHUM AND COTTON. A GROWER WHO HELPS TO STABILIZE CROP SUPPLIES BY TAKING PART IN COMMODITY DIVERSION PROGRAMS ALSO RECEIVES A PRICE-SUPPORT PAYMENT ON THE CROP (MARKETING CERTIFICATE FOR WHEAT) WHICH SUBSTANTIALLY BOOSTS HIS TOTAL CASH RETURNS FROM HIS CROP. THE PRICE SUPPORT (OR MARKETING CERTIFICATE) PAYMENT IS SEPERATE FROM THE PROGRAM PAYMENT MADE FOR DIVERTING ACREAGE FROM PRODUCTION INTO A SERVING USE.

Seminole 6 Monahans 60

What is there left to say when the score reads Seminole 6, Monahans 60? The Indians not only went into the game crippled but gave up 4 fumbles and 5 pass interceptions for a total of 9 turnovers and the Loboes gave the Indians the worst pounding that had been received by a Seminole team in the past 22 years.

The Loboes warmed up by making only 2 touchdowns in the first quarter but by the end of the 2nd quarter they had ground out 3 more.

They slowed up in the 3rd quarter, scoring only 1, but scored 4 in the 4th quarter. Final score Monahans 60, Seminole 6.

The Indians' lone score came with 3 minutes remaining in the game when Gene Sims took a pass on a near impossible catch and broke the drought.

The Indians play Fort Stockton Friday night in Fort Stockton at 7:30 p.m. for their 2nd district encounter.

No, they're not too happy--- 41-0 at the 3/4 mark Friday night at the Monahans game.

HUNTING SEASON OPENS NEXT MONTH

Gaines County sets in Zone A in the State of Texas for hunting regulations. Zone A goes to the Rio Grande River south, through Dawson County east, the New Mexico Panhandle on the north, and the State Line on the west.

Quail season will be November 8 through February 15 with a daily bag limit of 12 and a possession limit of 36. Other information will be available later.

The season for Sandhill Cranes (little brown) is November 1 through December 28.

Duck season is November 18 through January 11. This includes Teal but not Merganser Ducks. There is no open season on black-bellied tree ducks and fulvous tree ducks. Daily bag limit is 4; possession limit 8.

REPORT FROM THE ASCS OFFICE

Wool producers were reminded today that they should bring sales documents for shorn wool and unshorn lambs to the Gaines Agricultural Stabilization and Conservation Service Office to earn incentive payments for the 1969 marketings. Sales of both wool and unshorn lambs may be included in a single application for payment, according to Troy Martin, Chairman of the Gaines ASC Committee.

Producers were also reminded that purchases of all unshorn lambs, including the lambs in ewe-lamb pairs, must be reported when application is filled for wool incentive payment. Martin said wool producers occasionally overlook reporting purchases of replacement stock, but the ASCS County Office must have an accurate record of purchases as well as sales of unshorn lambs.

Wool delivery expenses not shown in the sales documents should be reported when producers apply for incentive payments.

The ASC Committee Chairman pointed out that under the National wool Act all producers who market wool and mohair in 1969 are eligible for incentive payments.

Shorn wool payments to a producer are equal to a percentage of his returns from sales. The percentage of his returns from sales. The percentage is that required to raise the national average price received for shorn wool by all producers up to 69 cents a pound. Mohair payments are determined in a similar manner, with the national incentive price at 77.4 cents a pound.

"YOU AND THE BURGLAR"

In the Friendly Flame, a publication sent courtesy of Gaines County Oil Company, is an article on page 12 entitled "You and the Burglar". It points out first of all that burglars are interested more in hitting two or three of Mr. Average Citizen's houses rather than one big job. The article by M. Robert Beasley suggests that (1) the spring lock be replaced by locks that require keys to lock and unlock, (2) Bolt doors and basement windows. (3) A favorite trick of the burglar is to simply knock the pins out of the hinges if hinged on the outside. (4) Do not leave keys accessible in the mailbox, under the matting, or behind shingles. Leave your spare key with a trusted neighbor. (5) It is better not to leave an address in your key case. Your keys may be returned and the burglar enter later with a duplicate key. (6) House keys left on a key chain in a parking lot is a dangerous hazard.

Don't you believe that a burglar does not carry weapons. One burglar said, "What do you expect me to do, go into a place naked (unarmed) and have some joker corner me with a ball bat?"

The experienced burglar at work is tense and alert to prevent detection. You are unprepared for the situation. Even if you have a gun handy, is your hand steady enough to shoot accurately? Are you in sufficient command of yourself to move without a sound? If you start shooting, are you positive the target isn't one of your family moving about? The answer to each question is probably NO.

THANKS, GOD, FOR AMERICA!

I'm thankful to be, in this Land of the Free,
Where folks can live the American way,
Can vote as they choose and voice their own views,
With the Communist leader's okay.

Land of free schools, where Democracy rules,
And Liberty's Torch is the light of the Nation.
Where sons of the poor, find an open door,
Regardless of race, or creed or station.

Thank God! I say, for the U. S. A.,
Where the heart and soul and genius of man,
Are given more scope, more freedom, more hope,
Than the World has known since time began.

God keep our land from the dictator's hand
So smeared with human blood and gory,
And keep each Gem in the Diadem,
Of our Grand Old Union's Crown of Glory.

With planes, ships, bombs, tanks and guns,
May Uncle Sam's sons,
Fight for the Flag our Fathers cherished,
May that Flag still fly in Freedom's sky,
When the brutal might of all foes has perished.

When Mao, Kruschew, Castro and all who would dictate,
Are but dust in the grave,
May this still be our Legacy,
The Land of the Free and the Home of the Brave.

LOOP NEWS

BY MRS. BUCK CUNNINGHAM

WHO IS HE????? The HIDDEN MAN in Loop. Come to the Halloween Carnival Saturday night and find out.

Last weekend was the big Homecoming weekend in Loop. The kickoff was a bonfire and pep rally at the High School on Thursday night. In spite of rain and wet ground a large crowd gathered at Longhorn Field on Friday night. Preceding the game the Longhorn players, escorted by their fathers, entered between the east goal posts. The fathers wore their son's numbers pinned on their coats. They stood in a line at midfield facing the home stands. The invocation was offered by Dave Cunningham, 1969 graduate. The Loop band played the national anthem followed by the Wellman and Loop school songs.

The colorful half-time ceremonies began with the pep squad marching onto the field. They formed an H, then an I and waved "HI" to the stands. Changing formations, they formed an E and X and another wave and bow to all ex-students. The three sweetheart candidates were escorted onto the field. Miss Pam Owens was escorted by Roger McKenzie, Miss Kathy Noble escorted by Rickey Mills and Miss Terri Freeman was escorted by Barry McConal.

The young ladies wore ankle-length velveteen formals; Pam in red, Kathy in rose pink and Terri in blue. As they faced the home stands little Miss Cherrie Harris, also dressed in a long red velveteen dress, and Darren Ancinec entered the field carrying an arm bouquet of red roses for the sweetheart and a gift for the hero. The red roses were given to Barry McConal, who in turn presented them to Terri Freeman, thereby proclaiming her the 1969 Football Sweetheart. The Hero award was given to Terri, who in turn presented it to Barry as Football Hero 1969. Terri is the daughter of Mr. and Mrs. Robert Freeman and is a Junior. Barry is the son of Mr. and Mrs. Keith McConal and is a Senior and is playing his 4th year of football. During the second half of the game, the sweetheart and her attendants viewed the game from a raised platform in front of the stands.

Everything was fine for the homefolks except the score of the game which went to Wellman 60-30. The first half was a close contest but the extra size and weight of the Wildcat team

made a difference in the second half. Loop scored 3 times in the first half and again in the 4th quarter.

After the football game a reception was held at the Community Building for students and ex-students. Refreshments of cookies, sandwiches, tea and coffee were served from a table with a centerpiece of red roses and candles with a football topped by a miniature Longhorn. The tables in the room were arranged in an EX with appropriate decorations.

Entertainment was furnished by two guitar bands. Each group performed four selections. In the first group were Gary Smith, Harold Glaspie, Timmy Smith, and Wesley Butchee. The second group was Delilah Young, Jim Schooler, Derris Shults and Kent Smith. An estimated 300 people attended the reception. Out of town guests who registered were Mr. and Mrs. Kenneth Schrader, Mr. and Mrs. Billy Shipley, Mr. and Mrs. David Schrader, Mr. and Mrs. Jimmy Caughron, Mr. and Mrs. Delton Young, Mrs. Nathan (Connie) Luger, Miss Sibyl Holloway, Mrs. Brenda (Folmer) Smith, Mrs. Glenda (Folmer) Petree, Mrs. Mary (Folmer) Shuey, Mr. and Mrs. Garrison Yocom, Mr. and Mrs. Alton Shipley, Mr. and Mrs. Roy Smith, Mr. and Mrs. Lewis Strube, Mr. and Mrs. Johnnie Halbrooks, Calvin Young, Ernest Young and Gary Liles.

There were others who were at the game but didn't follow to the reception and to all of these we say "Welcome back" and hope to see you again next year.

The Loop Junior High lost another one to Wellman last week by a score of 56-0.

The girls' basketball games last Tuesday night were hard fought games with Wellman taking the B game and Loop taking the A game.

Mr. and Mrs. George Newman, Mr. and Mrs. A. R. Faulkenberry, Mr. and Mrs. Sherman Conner and Tammy, Mrs. Bertha Morgan, Mrs. Nova Garren, Mrs. Willie King and Mrs. Hattie Smith all attended the annual meeting of the G. A. Y. Association at the First Baptist Church in Seagraves last Thursday afternoon and evening.

Mr. Don Fleming of Seminole preached at the Church of Christ Sunday.

Mr. John Ingram spent several days in the hospital in Seagraves but is back at home. Other sick: Mrs. Blair is improving, also Mr. Sawyer and Mrs. Freeman.

Mr. C. E. Fleming and Mrs. T. J. McAllister, Mr. and Mrs. A. L. Fleming, Miss Ruby Fleming and Marshall Fleming all went to Mason for the birthday celebration of Mr. Ike Henry. Mr. Henry is an uncle of C. E. Fleming and Mrs. McAllister and the only living relative of their mother's family.

Cindy and Bruce Newman of Clovis, New Mexico spent several days with their grandparents, Mr. and Mrs. George Newman. On Sunday Mr. and Mrs. Royce Newman visited and their children returned home with them.

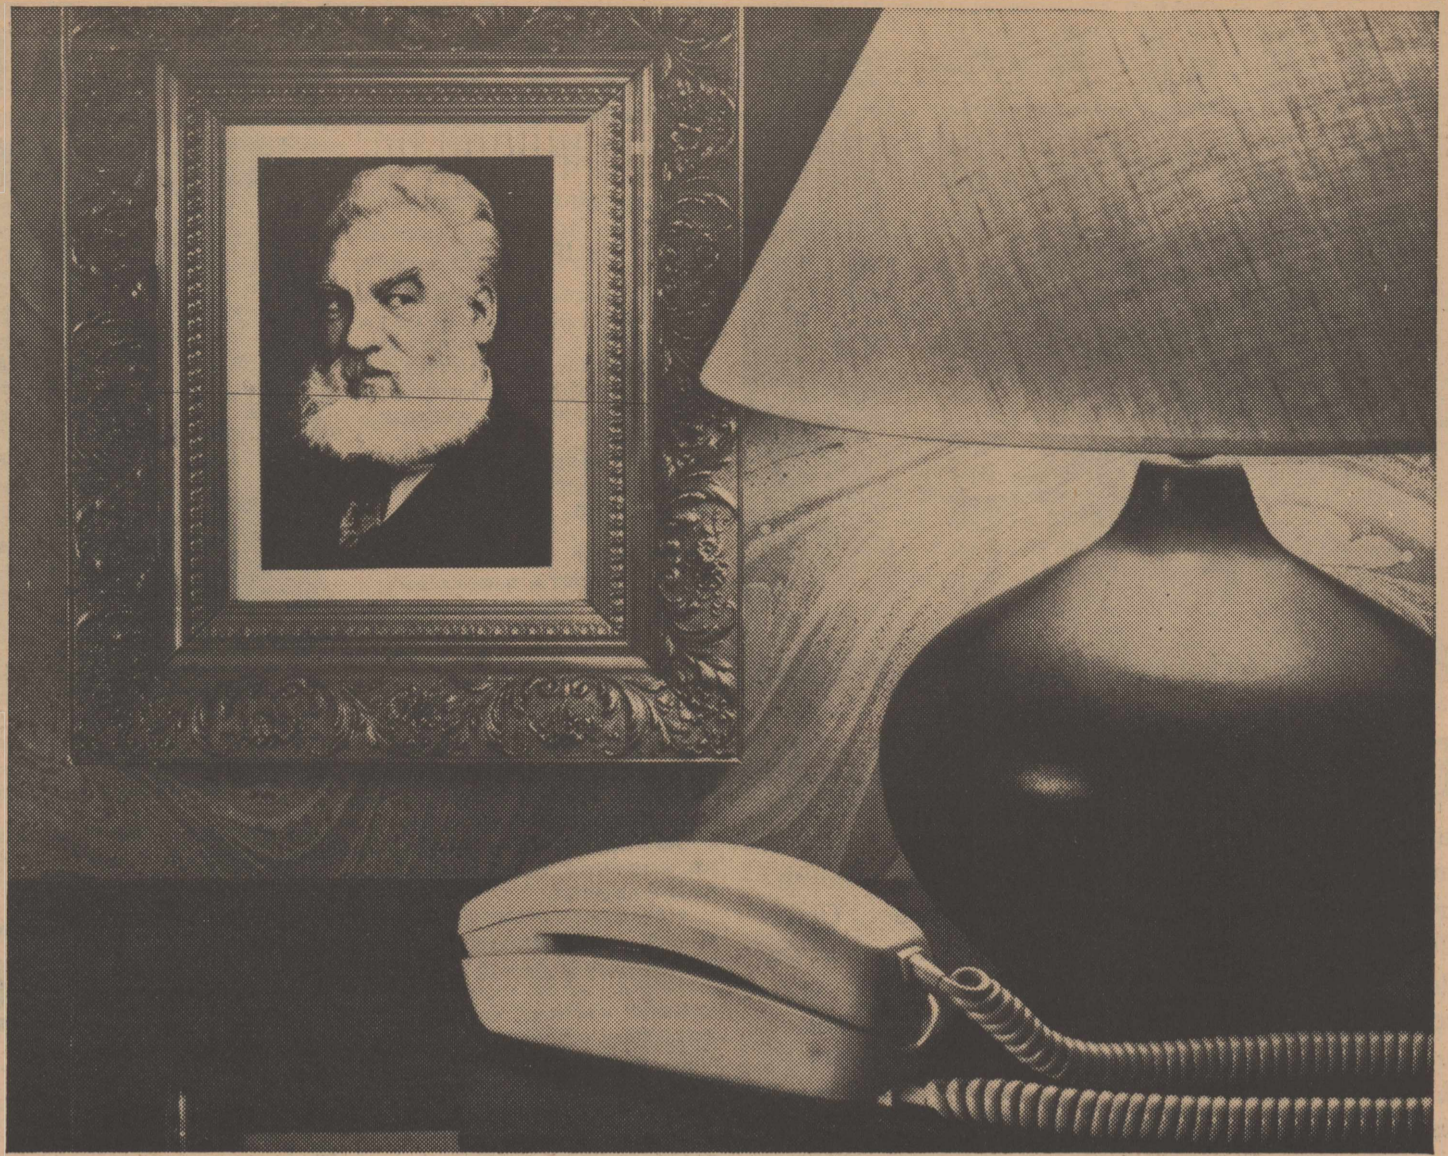

Mrs. George Newman, G. A. leader, entertained her Junior G. A.'s with a Halloween party

last Friday following the football game. The party table was covered with a Halloween cloth and the cake was shaped like a pumpkin. It was an all night slumber party enjoyed by Jayme Hamilton, Tammy Conner, Cheryl McDonald, Deena Gibson, Sherry Chaffin, Cynthia Glaspie and guest, Cindy Newman.

In our school news this week: Wednesday grades 7, 9, and 11 are being administered the SRA Achievement tests; the Junior High football game will be at Union at 6:30; the Longhorns go to Klondike on Friday and the following Tuesday the girls go to Smyer for two basketball games.

Mr. Earl Marshall of California was in the area last week visiting his cousins, Mrs. Geneva Brandenburg, R. L. and Tom Hunt and Coley Hunt of Lamesa. These relatives hadn't seen each other for a number of years.

Don't forget the HALLOWEEN CARNIVAL on SATURDAY NIGHT!

Seminole B 23 Pecos 32

The Seminole Bees journeyed to Pecos last Thursday and met the Pecos Bees. Pecos left little doubt in the Indians' mind that they were there to play ball. Three plays from scrimmage and with less than a minute gone they broke a long gainer and led 6-0.

The Indians came back and scored on a fine run set up by French on a 30 yard play, kicked the extra point and the Bees led the only time in the ballgame 7-6. It was short lived. Pecos added insult to injury, scored touchdown No. 3 and was ahead 20-7 at the half.

Coach Mantooth got the defense straightened out at intermission but the offense could not go in the 3rd quarter. Neither team scored.

The Indians narrowed the gap with another touchdown in the 4th quarter with 6 minutes remaining on a fine run of 46 yards by quarterback Renne Williams. A feeling of upsetting the favored Eagles was short lived when they returned the favor and upped their lead to 2 touchdowns again. That wasn't enough, they scored again and left Seminole on the short end of a 13-32 score.

The Seminole Bees came bouncing back. They got a 2 point safety, then Renne Williams passed to Larry Jackson and another touchdown after the punt and passed to Ivy for a 2 point conversion, scoring 10 points in

THE INDIANS ON DEFENSE last Thursday night in Pecos. Shown making the tackle is Tony Williams, #72. Coming in to assist were Larry Jackson, #22, and Renne Williams, #11.

Mr. and Mrs. Glen Fleming had as visitors last week-end, her brother and family, Mr. and Mrs. Ted Jackson, Kirk, Kent and Keva from Lubbock, Texas.

an 8 second period of the ballgame. Final score Seminole Bees 23, Pecos 32. The big man on defense was Robert Hitch; helping out on defense were Gilbert Ramirez, Tommy Shuler and Gregg Pierson.

Section II Seminole, Gaines County, Texas

THE OLD TIMER

R. W. Pittman got a phone message from Dalton, Georgia. Claude C. Pittman had passed away at Cartersville, Georgia from strokes Friday, October 24, 1969. He was 84 years of age and he taught school here in Seminole in 1913 and 1914 and that summer studied law while his team grazed as he made my first and best crop back in 1914.

Claude made a successful lawyer and he located at Cartersville, Georgia. An old law firm sent a Negro to him who was charged with stealing a shot gun. This was his first case and when he asked the Negro what he was going to receive for his fee, the man replied, "Nothing, unless you can get the shot gun". Since the owner could not describe the gun, he still owned his first law fee at the time of his death.

Judge Claude C. Pittman served ten years as Judge of Superior Court in North Georgia and was elected to State Representative and State Senator several times.

Eunice Coker, Drucilla Lord, Leo Holmes, Homer Trimble, Howard McReynolds and several others were his students here.

Of twelve children of the R. M. Pittman family, there survive two boys and six girls, all living around Dalton and LaFayette, Georgia, with the exception of the one who came to Seminole in 1909.

Youth Killed Trick Or Treat Time Again In Venezuela

Funeral services will be held Thursday, Oct. 30 at 2:00 p. m. in the First Baptist Church at Carlton, Texas for Terry Jordan, age 12.

Terry, the son of Gene and Frances (Briggs) Jordan was killed Saturday in a truck-pickup crash near Anaco, Venezuela, South America. Sixteen children were riding in the pickup at the time of the accident. Six were killed and ten critically injured.

Survivors include his parents, a younger brother Byron of the home, his grandparents, Mrs. H. A. Briggs of Midland and Mr. and Mrs. J. Jordan, Waco.

COME FRIDAY NIGHT THE GOBLINS WILL BE OUT!

See that one breaking forth in the Halloween scene in Mrs. Doscher's room at F. J. Young Elementary. These first graders are enjoying it. Left to right in the front row are Joey Cervantes, Junior Valdez, Olga Castille and back row, left to right are Chris Michelson, Casey Shepherd and Pete Childers.

Mr. and Mrs. Bruce Perry returned from a hunting trip in Colorado last week. They returned with a deer and a large 10 point elk. No, Bruce didn't get the kill, but had the pleasure of being in the party that did. The elk was brought down by Melvin Kelley of Odessa and the deer by Ken Bradford of Knox City, Texas. Dale Pitts of Knox City was unlucky, too, at last report, but all are still hunting in Colorado hoping to fill their limits.

IF I HAD MY WAY

- Myrtis Ayers

If I had my way,
I should like in this world to live
As long as I can service give,
As long as I can helpful be,
As long as anyone depends on me.

If I had my way,
I would like more of His sunshine
And more of His rain,
And more of happiness, and less
of pain,
And more of truth and less of
deceit,
And more of victory, and less
of defeat.

If I had my way
I would be busy to the last,
Then when the sands are slipping
fast,
I would like a triumphant song
to sing
As I go out to meet my Lord
and King.

But I shall not have my way.
My Heavenly Father rules, and
He knows best -
So my prayer is for strength to
stand the test
With patience to bear whatever
He may send
And love and trust Christ to my
journey's end.

(Mrs. Ayers is from Abilene, Texas. She is an aunt to Mrs. N. D. McDougal, Seminole. She wrote this poem after she became totally blind two years ago.)

THE CORNERSTONE

OF YOUR COTTON PROGRAM

a special message for the cotton producer who wants to make more money

Are we exaggerating? Giving too much credit to the least cost item in your entire cotton production program? University researchers don't think so. Their studies show that **quality of planting seed** definitely affects net profit; that most "farmer saved" seed is decidedly inferior to pure seedstock, by as much as 116 pounds of lint an acre in some cases. Think about it. You can do two things to make more money: improve your product and lower production costs. The **only** common link between the two is **quality seed**.

There is no excuse for planting poor quality seed when you can get both guaranteed quality seed and supply in one economical package. You get both through SEED BANK, the

unique service provided by your own cooperative, Growers Seed Association. Growers has enough top quality, proven and tested seed to plant hundreds of thousands of cotton acres. Decide on the variety you want, apply at your local coop gin or elevator, receive your bank certificate and forget about it. Your seed will be ready next spring. Growers guarantees it in writing. Seed can also be custom treated.

But sign up now to be assured of the variety you want and the amount you need. Seed are sold first come, first serve, and the **early freeze** has created an **unusually strong demand for planting seed**. See your local coop for top quality JOHNNY COTTONSEED brand seed.

AROUND TOWN By Jackie Squires

One good thing about writing a column for the News, when you make a mistake it's not long before you are corrected, like last week when I didn't have the good sense to know a male Elk was called a "bull" - not a "buck". Well believe me, I know it to be true now. I have had phone calls, letters and people stopping me on the street to straighten me out. I really appreciate the interest and at least know people are still reading AROUND TOWN. Since my readers are so smart, what is a female Bear called??--The rain didn't keep people from eating out Sunday, Seen eating a good meal out were the JACK JORDANS and CHILDREN, the DAVE HENDERSONS, HORACE JONES, BUCK CHILDS, ROBERT BICES with new DAUGHTER, the LAVERNE JONES and NEWELL BOWENS---Did you remember to set your clock back last Sunday? We forgot and were early for Bible Class for the first time in weeks---Most of the dress shop owners were out of town this week--gone to market--ANNA KELLEY, FAYE BRYANT AND ALLEAN NORRIS were missing from the local scene---Former SEMINOLE residents, GLEN and ESTER MARTIN have purchased the newspaper in Shallowater, "The Star". We wish you much success MARTINS!!!---Hi, MARGE ETHRIDGE, how is country livin' down around Sterling City? Miss your smiling face AROUND TOWN---ELSIE BOOE and DOROTHY CROSSLAND showing me the new lingerie that had just arrived at the CASUAL SHOP, Mer, remember the little woman, Christmas is just around the corner---CHARLES CAFFEY is "big dog" on HARDIN COLLEGE campus this week, made two touchdowns last week-end when they beat QUACHITA COLLEGE---ELVIS and KATHY WILLIAMS eating lunch at JO'S Tuesday - also GRADY and JANE CROSSLAND---ANN MULLINS saying she didn't know what the desert was she had just eaten at JO'S Tuesday, but it sure was good---So many people have commented how they have missed the BANK CLOCK in its' old place on MAIN STREET and how they still look up to see what time it is. My daughter, Pam, getting home a little late one evening with the excuse "Well, Mother, we didn't know what time it was because they have moved the clock at the BANK." Lookout for me, because I'll be seeing you AROUND TOWN.

To Thank You

I want to thank each of you who was so thoughtful to me and my family while I was in the hospital. The abundance of get well cards, flowers, visits, prayers and other acts of kindness were greatly appreciated.

SUBMARINE VETERANS OF WWII TO HOLD STATE CONVENTION

The Submarine Veterans of WWII will hold their 1970 State Convention in Bandera, Texas, on May 29, 30, and 31.

The Veterans meet annually amid gala entertainment to visit, tell stories, and honor those of their ranks who did not return.

Having only one membership requirement--that you be a WWII submarine veteran--the organization is strictly a pleasure group which has no axe to grind, no political goals, no civic works, and no money raising--except a scholarship fund for children of sub vets.

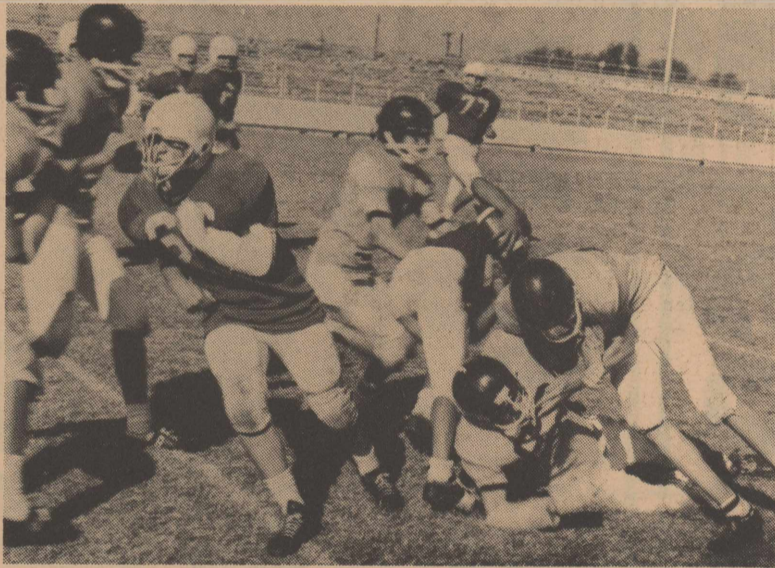

Harold White, Vice Commander of the group, points out, "We are trying to contact all WWII sub vets-- crewmen and relief men. I would like anyone having knowledge of any of these people to contact me: Harold White, Rt. 1, Box 105, Bandera, Texas 78003.

We know a fellow who is really conceited. On his birthday, he sends a congratulatory telegram to his mother!

A Su-mach tree, located on the corner of N. W. Ave. C, at the home of Mr. and Mrs. Marbet George is admired by Jackie Squires. The foliage shown in the picture is beautiful and should be photographed in color. Drive by to see the lovely colors - browns, reds, yellows and greens. There are four types of Su-mach trees, Staghorn, Dwarf, Smooth and Poisen. We're not sure which type this tree is.

Score Big FRESHMEN

The freshman played it tough on defense last Saturday morning only to lose out in the closing minutes of play. 24 to 19 was the final score.

Letter to the Editor

DEAR WALTER,
 THAT LAST "WOODEN-FOOTE" BUSINESS ABOUT THE "ASAFETIDA" WAS READ SEVERAL TIMES IN OUR HOUSE. WE ENJOYED IT. I'M SORRY THAT YOU FORGOT THE ROUND THAT POOR CHARLIE (OUR HORSE) HAD WITH IT. I'VE TRIED TO LOOK THIS WORD UP IN THE DICTIONARY TOO, AND THE CLOSEST THING I FOUND WAS THIS WORD "FISTULA" (A DEEP PIPELIKE ULCER). I WOULD HAVE SPELLED IT WITH AN "O" OR A "LOW" ON THE END OF IT. WELL ANYWAY, CHARLIE (THE HORSE) HAD THIS IN HIS SHOULDER WHEN WE LIVED ON THE FLATS IN STONEWALL COUNTY. DAD HEARD THAT IF YOU WOULD SPLIT CHARLIE'S TAIL AND WRAP A PIECE OF ASAFETIDA IN IT, IT WOULD BE A SURE CURE. DAD BACKED OL' CHARLIE UP TO THE HEAVIEST BOARD FENCE AND BEHIND THE BIGGEST POST IN THIS FENCE AND PLACED CHARLIE'S TAIL UP ON THE POST, AND HIT IT WITH HIS WOOD CHISEL---NEEDLESS TO SAY, CHARLIE ABOUT SENT DAD, POST AND FENCE AND ALL INTO ORBIT WHEN HE GOT THE CHISEL. DON'T KNOW IF THAT CURED HIS SHOULDER OR NOT, BUT THAT WAS JUST ANOTHER USE FOR ASAFETIDA THAT I THOUGHT YOU WOULD BE INTERESTED IN. I THOUGHT YOU WOULD NEVER FORGET THAT ONE. I GOT A BANG OUT OF TELLING MY CHILDREN ABOUT IT ANYWAY.

YES, AND I ALSO ENJOYED THE CASTEROIL BIT. I CAN STILL GAG WHEN I THINK ABOUT THAT.

I JUDGED THOSE PUMPKINS AT ROTARY CLUB TODAY. ONE WEIGHED 145 POUNDS, ONE WAS 100 POUNDS AND ANOTHER WAS 90. THE ONE THAT WEIGHED 145 POUNDS WAS 85 INCHES IN CIRCUMFERENCE. THAT DO BEAT ALL I EVER SAW.

Fairview News

BY MRS. OPAL (R.M.E.) HUGHES

"Yes, I'm leaving tonight. What all am I going to do?" Mrs. Hughes said, "just quit snooping around 'cause I'm afraid to say anything to you, you old storyteller. Ha! ha! ha! No, no one's going with me. I'm going on the bus. I'm gonna have a good time. I'm gonna get me a bus ticket, round trip. I'm going to Glen Rose. I'm going to take the baths and the treatments one hour a day - and the rest of the time I'm going to do as I please. Yes, do as I please! What ALL I do is none of your business, but I will not be going to a show but I will be playing plenty of 42 with them people. I'll probably have the biggest time of my life. No, I won't be betting anything, just playing. Anyway, I couldn't get a bet on your good looking face.

"Yeah, we had 3 or 4 inches of rain out at Fairview. It's not helping the crops either. I'm wanting it to fair up. Farmers need some help 'cause they don't get too much for their crop anyway.

"I'm just gonna go - no hogs, no cattle, no chickens. Well, if you don't want me to go by myself, send Mrs. Shelton (the editor) with me. You're always saying the girls don't do anything anyway.

"What better vacation could I have on \$8.00 a day - room, board, baths and treatments. Private room - no, I'm not gonna sleep in a barn - a private room and a private bath, too. Just write me. in care of the Snyder Sanatorium, Glen Rose, Texas, % M. E. Meadows, manager and owner.

"Cotton's beginning to fall out and it hurts anybody that's been around the farm as long as I have. Sure, I'll behave, just try behaving yourself.

"Who got me started writing the Fairview News? Why, Pauline Dalmont Ogg. She got me started when Mr. Reddell owned the paper.

"My room will be right on the river - right on the Brazos - and I'm gonna watch the water and rest, play 42 and have a real vacation. Your wife must really like you or she wouldn't put up with you."
