MARCUS CROW IS OPENING A WATER SKI SCHOOL AT THE LOCAL CITY SEWER LAKE. GUARANTEE TO LEARN IN ONE LESSON. YOU WON'T FALL BUT ONCE.

Some of the best days of my life were spent on Willis Creek. Willis Creek was made up of the north and the south forks that ran together down below our house and then into Pecan Bayou in Brown County. I'm sure that I wasn't the champion of the fishermen in Brown County, but I was the champion of Willis Creek.

South Willis Creek headed out on Club Lake and my good friend, Dallas (Red Horse Minner) Fish, III, kept the wire kicked down on the lower side of the spillway so that when the lake overflowed the catfish would come on down.

Did we look forward to the time the creek started drying up in holes! Um, good fishing. Those fish were trapped and they were ready. You could fish for them with hook and line, but that was too slow and you could get in there and muddy it up real good. When the catfish would come to the top you could hit them with a club. My favorite way to fish was to seine them.

Really to do a good job seining you need two or three partners, but it wasn't necessary. I know my mother was the best in the world, 'cause she let me make a seine out of the net wire around her garden. To make this seine work takes a fence post on top for a float and a few small rocks on the bottom. Those 2, 3, 4, 6 and 8 pound catfish just couldn't get away.

Now a boy who's just by himself figures out a way. You could get forty or fifty feet of that wire, anchor it to the bank and make long sweeps in a half circle and sometimes catch twenty to thirty pounds of fish per drag. (Any boy with any ingenuity could catch 100 pounds or so of fish. If you were lucky twenty to thirty pounds would be good catfish.) I would then throw the shad and the bony fish away and save the catfish.

Now if you've never buried a cleaned three pound catfish under a fire, wrapped in brown paper (salted and buttered), you could take a nap, sleep an hour, go

swimming and in a couple of hours you could eat like a king.

I've tried to sell many a catfish for a quarter or a dime in the early part of the depression and then give them a catfish when they didn't have the money. "Yeah," they'd tell me, "the sheriff's gonna catch you seining," and I'd say, "We go to the same chicken fights, he's not gonna bother me."

Up and down Willis Creek I'd go. There were wild grapes, eggs to boil, crayfish tails to eat, fruit to swipe and pecans to eat, but that's other stories.

Probably a fish out of a muddy hole wouldn't look too good to me today, but that's not the way I remember it. No wonder kids can't cook today, they don't have the place to hunt and fish or a Willis Creek to wander up and down on.

Mrs. Joe Miller of Big Lake visited during the week-end with her son, Mr. and Mrs. J. W. Miller and Wendall.

INDIANS LOSE FINAL DISTRICT GAME

The Seminole Indians closed out their baseball season, losing their final district game to the Kermit Yellow Jackets last night.

There were some real highlights. Donald Roberts had a perfect night at the plate with a towering home run, a longer triple and a single, driving in the first three runs.

The Indians put together a rally in the last of the 7th after Partain and Byram went down pinch hitting. Donohoe got a single. Villalva got one of his two hits. Roberts came to bat for the fourth time and the pitcher hit him to set the stage for Bill Hearne. The bases were loaded and Hearne delivered a two out, base loaded home run when the ball sailed into the parking lot at the bus barn.

It was seven big runs but not enough to overcome the ten runs that the Jackets had built up. They scored 3 in the first, 3 in the 2nd, 2 in the 6th and 2 in the 7th. Williams, the pitcher, went out in the 2nd inning after yeilding a lead off double. Sims had little better luck as three errors behind him led to three more scores. Baker and Livingston also relieved.

The Indians never got back in contention until Hearne drove in 4 runs in the 7th. Locker made the final out, ending the threat after Livingston got hit with a pitch. Final score Indians 7, Kermit 10. In district play the Indians were 3 - 9.

THE SEMINOLE HIGH SCHOOL A CAPPELLA CHOIR UNDER THE DIRECTION OF PAUL MARLIN HAD THEIR SPRING CONCERT MONDAY NIGHT IN THE HIGH SCHOOL AUDITORIUM. THEY WERE ACCOMPANIED BY CONNIE GOLDEN, CAROLYN GOWDY AND TERRI BATES. THEY SANG "O COME YE SERVANTS OF THE LORD," "BEAUTIFUL SAVIOR," "AVE MARIS NO. 17," "O CLAP YOUR HANDS," "MELODIES STEAL INTO MY HEART," "TO BLOSSOMS," "CHOOSE SOMETHING LIKE A STAR," "HEY JUDE," "GUANTANAMERA," "GOOD MARNING STARSHINE," AND "AQUARIUS-LET THE SUNSHINE IN."

MELVIN BROWN WAS AWARDED AN APPRECIATION PLAQUE BY THE SEMINOLE FFA CHAPTER, CLARK PARROTT, PRESIDENT. MELVIN HAS BOUGHT THE LAMB FLOOR PRICE AT THE LOCAL STOCK SHOW FOR THE PAST SEVERAL YEARS.

Bill Heath, son of Mr. and Mrs. Bill Heath, has had to undergo surgery on his leg. He was a victim of the tornado in Lubbock. Flying glass and debris pierced into his leg. His wife, the former Loretta Dyess, was not injured. They spent last week in Seminole due to no electricity in their home and all the windows were broken. The Tommy Woodards were also victims of the tornado with no injuries.

The eighth grade banquet and party has come and gone with everyone breathing a sigh of relief, but I must say, I believe everyone had a marvelous time (even the parents). The decorations at the M. S. DOSS YOUTH CENTER were out of this world. Much praise goes to the ladies on the decorating committee for their outstanding job. The program at the party was very amusing, using a 'Laugh-In' theme. It went very smooth. JEAN FLIPPIN (now, let's see, where does she work?) did a take-off on Tiny Tim and composed and sang a song using all 189 names in the 8th grade class, which was very good. All the other performers made it a very enjoyable show. --- The rest of my column will be devoted to the pictures I took of some of the fancy dressed young people at the party. --- (Coming soon - PICTURES of my GRAND-CHILDREN.)

VERNELL PETTY and CRAIG CRISTY spruced up for the party.

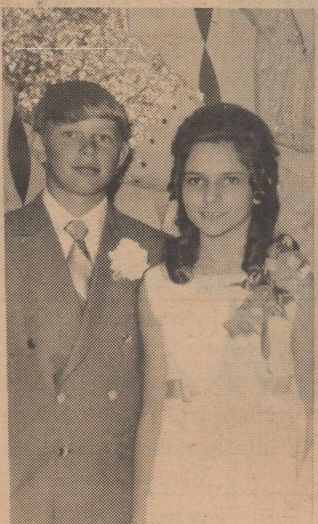

Another sharp looking pair, RHONDA STANLEY and TIM HASSELL.

"MOST HANDSOME BOY" - GARY SQUIRES with his "BEST GROOMED" date, REGINA FARMER. (In the event you don't know it already, Gary is my son.)

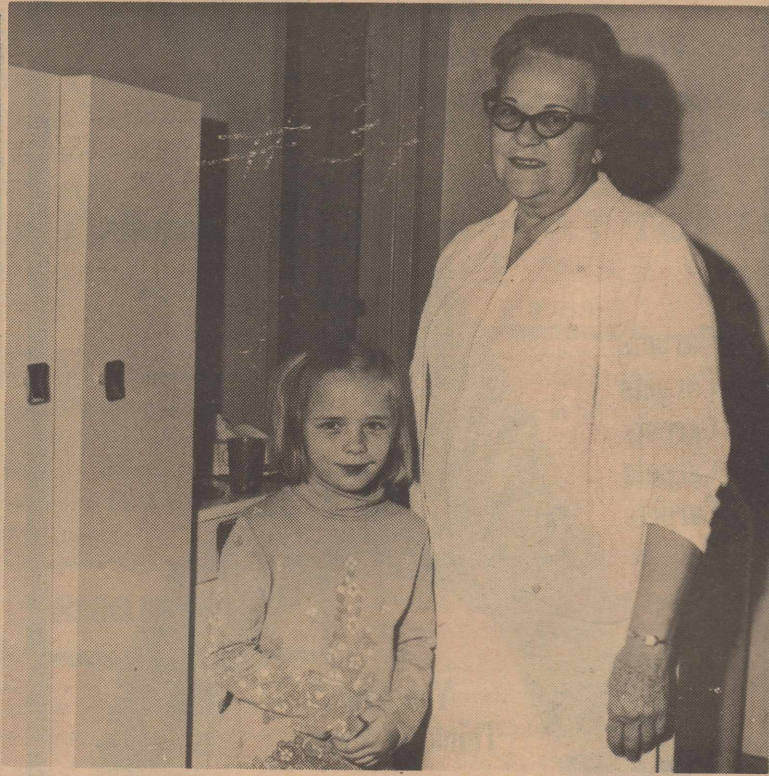

BRYAN MASON and his "BEST ALL AROUND" date at the party. (You'd never know I had to splice them together for this picture, would you? Bryan got cut off the original.)

"BEST GROOMED" - JOHN JORDAN with his "MOST TALENTED" date, INA BETH DECKER.

FOLKS & Facts

Mrs. Annie Boyd retires this year after her 13th year as school nurse. Previously she had worked for the hospital for 14 years. One of her patients, Becky Bacon, is in to see her "to get my sunburned lips doctored." She is a favorite among the small children that love to visit her.

"Yes, I've doctored everything from the lice to the itch, having had as many as from 75 to 85 visits per day and as few as 8 or 10." Her son, Glenn, lives in Wailuku, Hawaii. Her daughter, Margaret, lives in Modesto, California and Mary lives in Seminole. She has four grandchildren.

MRS. RONALD LEE DULIN

Marriage Solemnized

Wedding vows for Miss Vaudine Browne and Ronald Lee Dulin were read May 16, 1970 in the First Baptist Church before a large collum arch of Bouvardia greenery and daisies and topped with large white doves, flanked with four tall cathedral tapers adorned with greenery. The choir rails were decorated with Bouvardia greenery, white cathedral tapers and white love doves. The pews were marked with white satin bows and love lace greenery. Rev. Gene Hawkins officiated the double ring ceremony at 7:30 p.m.

Mrs. Jerry Hewett, organist, accompanied soloist, Mrs. Frank Wilson, Lubbock, as she sang traditional wedding selections.

Parents of the couple are Judge and Mrs. Chester D. Browne, 501 N. W. Avenue J and Mrs. Ralph Cravens, Lamesa Highway, Seminole and the late Mr. J. D. Dulin.

The radiant bride, escorted to the altar by her father, was exquisitely gowned in an original, designed by a good friend of the couple, James Haney, of imported, re-embroidered Galloon type tulle with full length bell sleeves over bridal satin. Her veil was of the same tulle. The bride carried a lovely cascade of majestic daisies and white roses atopped with white gardenias.

Mrs. Doyle Fincher served her sister as matron of honor. She was attired in a bright yellow Serrano with sheer bell sleeves. Bridesmaids were Miss Christine Dulin, sister of the groom; Miss Rita Taylor, Lubbock and Miss Deborah Stanley, lifelong friend of the bride. Miss Penny Mayo of San Angelo was junior bridesmaid. They wore floral Serrano with shaded tints of yellow with matching sheer sleeves. The attendants carried different colors of Italian cascade of colored grapes with long colored satin streamers and white daisies. Miss Karla Wilson of Lubbock was flowergirl and she was gowned in a bright yellow Serrano with sheer bell sleeves and white roses at intervals over her dress. She carried a basket of daisies and passed to the wedding guests. Ringbearer was Biz Houston.

Serving the groom as best man was Mr. Ed Pullam. Groomsmen were Jimmie Dirks, Wayne Hunt and Randy Dulin, brother of the groom. Junior groomsmen was Delmar Fincher, nephew of the bride. Ushers were Doyle Fincher, the bride's brother-in-law; Larry Phillips and Billy Pullam.

Immediately following the wedding, a reception was held in the Fellowship Hall. The serving table was covered in a Roman cut-work linen cloth over yellow, centered with the Bride and Groom's song on parchment scroll between silver candleabras. The bride's bouquet at the scroll. The four tiered wedding confection with tiny white doves and yellow roses topped with two feathered doves united through a wedding band held in beaks nested in pearlized fountain graced the table. Bridal punch, handmade mints in the bride's chosen colors of yellow and white were served with the wedding confection in crystal and silver appointments. Members of the house-party were Mmes. F. S. Whitaker, A. P. McGuire, Dean Wheelis, A. C. Stanley, Kenneth Willis, B. C. Norton, John W. Bennett and Miss Pauline Ancell.

For a wedding trip to Ruidoso, N. M., the bride wore a bright yellow coat dress with hem-length multicolor scarf, yellow hat and white accessories. They will be at home at 5740 West 19th Street, Lubbock where the groom is employed at Resthaven-Singleton-Wilson Funeral Home.

EDITORIAL

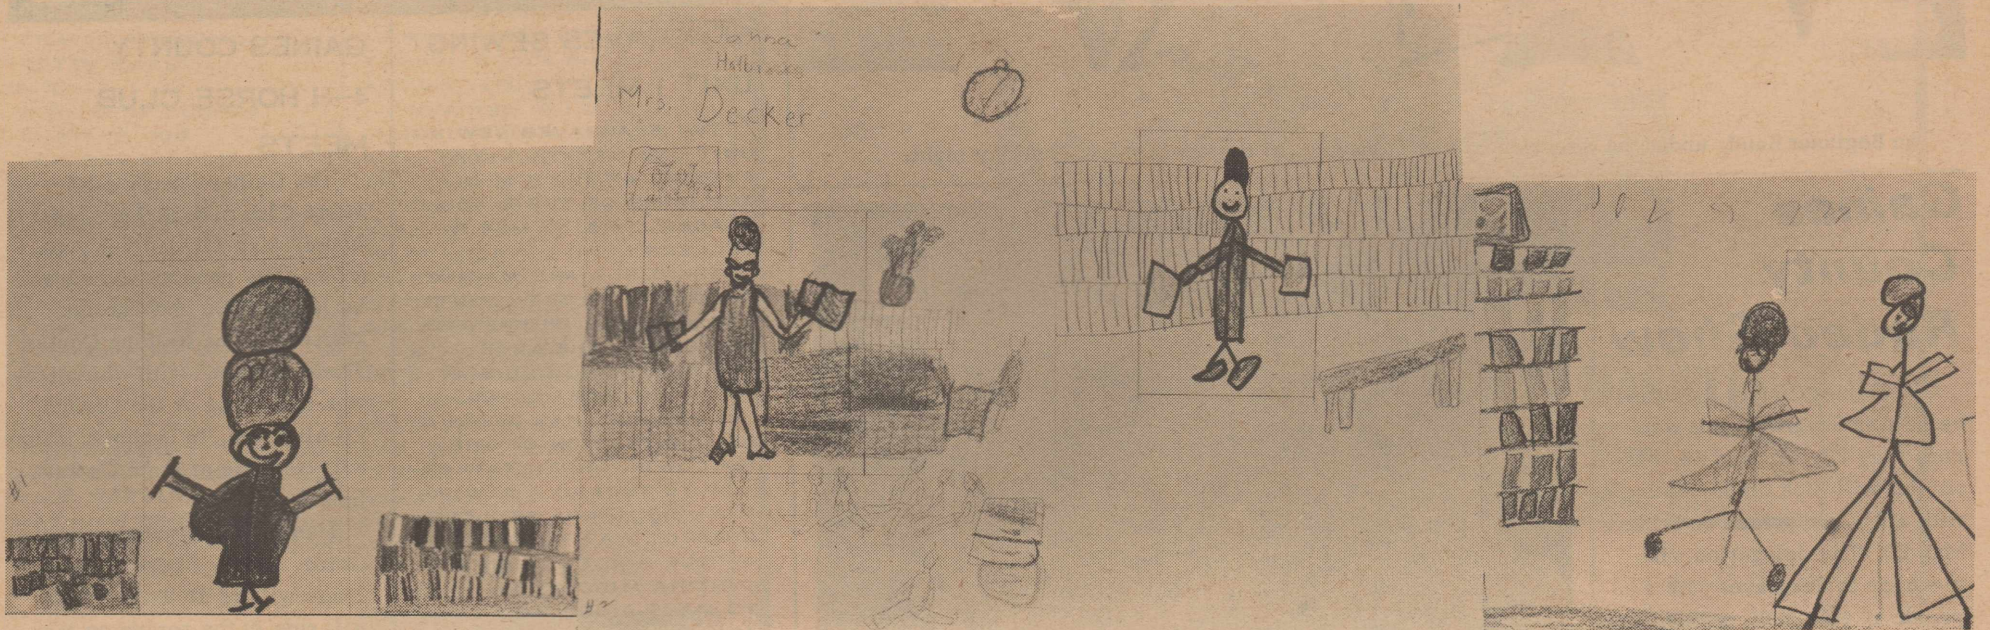

The City of Seminole is asking everyone to be lenient toward them in the pick up of trash, old trees and items placed in the alleys during Clean Up Week because of extra work concerning paving of streets and the moving of water lines and fire hydrants. The following clubs have participated in checking out the town for old cars needing to be moved, lots to be mowed, old trees to be hauled off and old buildings and houses that need to be moved: the Evening Lions Club, Alpha Epsilon Epsilon and Tau Upsilon chapters of Beta Sigma Phi, Rotary Club, and the Noonday Lions Club. One hundred four applications have been turned in that need attention. The News is pleased to report that 22 old car bodies have been moved out of Seminole and permission has been granted for 20 more. If there is an old car body adjacent to you or on your property and permission can be given please call the City Police at 758-2218 or the City Hall at 758-3621. City equipment continues to mow vacant lots. Seminole has moved a long way in the past two years cleaning up but many troublesome spots remain. Do your part, join the Clean Up Campaign this week.

MR. AND MRS. MARVIN BROGDON

Couple Says Vows

The background for the marriage of Miss Mary Sue Davis, San Antonio and Marvin Lee Brogdon, Houston, was designed with a fanshape basket of white carnations on a table with an open Bible, flanked with lighted candles in a silver candelabra. The double ring ceremony, held at 3:00 p. m. May 9 in the M. S. Doss Chapel at the First United Methodist Church, was officiated by Dr. Tilden Armstrong.

Mrs. Dayton Elam at the organ accompanied George L. Ratliff in selections of "Whether Thou Goest" and the "Lord's Prayer."

The bride is the daughter of Mrs. Dan Y. David, 308 S.W. 14th Street, and the late Mr. Dan Y. David. The bridegroom's parents are Mr. and Mrs. W.A. Brogdon of Houston.

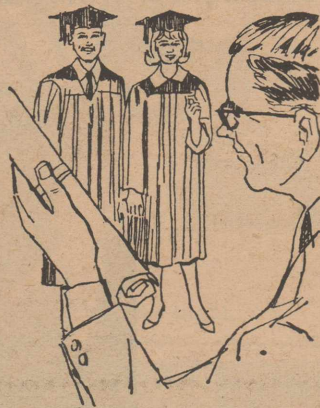

Presented in marriage by her brother, Jim L. Davis, the bride wore a street-length sleeveless A-line dress of Chantilly lace with scooped neckline and a matching coat with flared long sleeves. A traditional shoulder length veil of silk illusion was attached to a cluster of petals edged in seapearls. Her bridal bouquet was a white orchid surrounded by pale yellow rosebuds with short satin streamers.

Mrs. Nathan Moore of Lubbock, the bride's college roommate, was matron of honor. She wore a yellow street-length dress, trimmed in white lace. Her short yellow veil was attached to a crown of daisies and she carried a bouquet of white carnations and yellow rose buds.

Darryl Brogdon of Pasadena, brother of the groom, served as best man.

Miss Dawn Harvick of Andrews, cousin of the bride, registered guests at the reception in the home of the bride's mother. A single yellow rose in a crystal vase decorated the table that held the bride's book. A three tiered, wedding confection with pale yellow rosebuds, topped with the traditional bride and groom figurines under a wedding bell, graced the serving table, which was covered with a white lace cloth over yellow satin. The bride's bouquet centered the table. The cake was served by Mrs. Jim L. Davis, sister-in-law of the bride. Mrs. Darryl Brogdon, of Pasadena, sister-in-law of the groom, Jaded punch from a crystal punch bowl. Mints and nuts were offered. Appointments were in crystal and silver.

Mrs. Alfa Simmons made and presented to the bride a centerpiece of a set of wedding rings. The rings encircled in white satin with white carnations for the stones set in a nest of soft illusion surrounded with pale yellow carnations. It graced the stereo in the living room.

For a wedding trip to Houston, where the couple will reside, the bride was attired in a suit dress of navy and white with red, white and blue accessories. She wore the orchid lifted from her bridal bouquet.

Guests were Mr. and Mrs. Darryl Brogdon; Renee and Mark of Pasadena; Mr. and Mrs. Nathan Moore, Lubbock; Mrs. A. D. Harvick and Dawn, Andrews; Mrs. Loma Underwood, Seminole and a special guest, the bride's grandmother, Mrs. C.W. Conway, Seminole.

**NEW FHA OFFICERS

The Seminole Chapter of the Future Homemakers of America met in the high school auditorium Friday, May 15, at 6:00 p. m. to install their new officers. President, Jana Moore, called the meeting to order.

The outgoing officers told the purposes of the organization, after which Jana Moore named the officers that were elected to serve the Seminole Chapter for the 1970 - '71 year. They are as follows: Carolyn Teston, president; Anita Saldana, 1st vice-president; Esther Quintanilla, 2nd vice - president; Coleta Muntzart, 3rd vice - president; Sherry Thurman, 4th vice-president; Estella Quintanilla, 5th vice-president; Beverly Hill, parliamentarian; and Shelia Jones, historian.

The officers-elect took the pledge of their offices and told of the duties that they are to perform as new officers. Jana Moore relinquished her office to the new president, Carolyn Teston. Carolyn made a speech of acceptance, and turned the meeting back over to Jana Moore in which Jana adjourned the meeting after the members repeated the Creed of the Future Homemakers of America.

The members ate out and attended a movie at Hobbs after the meeting. This was to celebrate a very successful year for all of the FHA'ers.

Carolyn Teston was elected Area II Historian and Jana Moore was named FHA Girl of the Year, which added to some of the highlights of the year.

**INDIANS DEFEAT
FORT STOCKTON
FRIDAY NIGHT**

The Seminole Indians behind the 7 hit pitching of Raymond Villalva overcame an extra inning affair and beat Fort Stockton last Friday night, 4-3. It was a different story last Tuesday night when the Indians lost in 10 innings to the Monahans Lobos, 5-4. Villalva went the distance against Fort Stockton for Seminole, allowing 7 hits. The Indians committed 2 errors behind him, the Panthers made 3. Seminole grabbed a one run lead in the 4th inning but could not make it stand up as Fort Stockton came back in the next, scoring 3 runs. The game went into extra innings with the score tied 3-3 with Seminole scoring one run in the 6th and one in the 7th. The Indians finally eked out a run in the 10th inning with the Panthers committing the error that allowed the Indians to take away a 2AAA victory.

It was a tough loss for Yabarra, the Panther pitcher, as he only allowed 2 hits over the 10 innings but the three errors behind him were his undoing.

The Indian record stands at 3 wins and 8 losses in district play. The Andrews Mustangs lead with a 9-0 record.

**CRAIG NELSON COON
TO GRADUATE**

Craig Nelson Coon of Seminole is one of 1,526 students applying for spring graduation at Texas A&M University, announced Admissions Dean H. L. Heaton.

Coon, who resides at 100 S. W. 14th, is seeking a master's degree in plant physiology.

Heaton said 1,137 students have filed for baccalaureate degrees and 389 for advanced degrees, including 122 Ph. D. candidates.

Commencement exercises will be conducted May 23.

Lubbock's north side lay in shambles after a tornado cut an eight mile long gash through the heart of the city shortly before 10 p. m. on Monday, May 11.

Help in Hub City Relief

When American people are aroused it seems that no task is too large for them. When the thousands of people were made homeless at Lubbock at 9:45 p. m. last Monday the citizens of Seminole rose to the occasion to help. Sheriff Ed Welch drove an ambulance to Lubbock. Chief of Police, Shorty Blackman, went to help, along with Enoch Bacca, a city policeman. They were joined by sheriff's deputies Tony Simmons, Don Jackson and Hamilton Bell. Roger Pool carried an ambulance from Singleton Funeral Home. They helped to keep peace in Lubbock, direct traffic and to prevent looting. At least two county trucks rushed to Lubbock with food stuffs, mattresses, bedding, clothing and dishes picked up at the Chamber of Commerce. Churches pitched in. Many pickup loads of food stuffs and other needed items were rushed to Lubbock. Curry Motor Freight that serves Seminole with headquarters in Amarillo carried 55 cases of food stuffs and new bedding donated by the Westside Church of Christ and others. Southwestern Public Service employees were on the road at an early hour on Tuesday to help remove the danger of hot wires, fallen poles and a crippled electric system.

Lubbock is the hub city of the South Plains and her smaller neighbors to the north, east, south and west converged to help house her homeless and help feed her hungry. It was a great concern to Gaines County residents as most of the people either had children in school there, some of their family living there or some of their close friends in the city. The city was not spared the big storm but Lubbock can count its blessings because the storm did not hit when the thousands of people could have been in the downtown area or had it struck a residential area in the same proportion.

The people of Seminole are to be commended for their thoughtfulness, their concern and the many items sent to a twister torn area.

Saturday was a most important day for the Scouts. They gathered at the City Park for the trip to the Gaines County Park for their cook-out and for the "Fly-up Service".

Letters to the Editor

Dear Mr. and Mrs. Coker,

We think the article in the News was real interesting. We hope to come see your collection for ourselves sometime.

Keep up the good work.

I am enclosing a poem. I copied it from an old Boy Scout Handbook. I was reminded of it when I read about you folks in the paper.

Harve and Verda Garrett
406 S. W. Ave. F.

A FLINT ARROWHEAD

O'er fields of new turned sod,
Communing with my God,
I tramped alone;
And in a furrow bed I found an
Arrowhead,
Chiselled from a stone.

Then fancy fled on wings,
Back to primeval things.
Seeking the light.

What warrior drew the bow,
Sighted, and let it go
On its last flight?

How oft this flinten head,
On deadly errand sped,
I may not know,
Nor will the silent flint
Reaveal the slightest hint,
How long ago.

Were its grim story told,
What tales would it unfold,
Tales that would chill -
I know but this one thing,
Beyond all questioning,
'Twas made to kill.

Agnes have worn away,
Warriors gone their way;
Their bones are dust.
Proof of a craftman's skill,
Left in my trust.

Letter to the Editor;

I talked to Mr. Woods the first time Jackie Squires' picture came out in her column. I told Mr. Woods that the picture helped the paper more than anything. Of course we are always wanting to improve our city paper. I think when anyone notices anything in the paper one should say so and write the editor, if you have anything good to say about anyone tell them. Don't wait until they die, and then say, "Well, Old Joe was a good guy, he did this and that." He's dead and can't hear the good news. Keep up the good work, Jackie.

Look out for me, I always love to see your smiling face AROUND TOWN.

Signed/ Jim Savell

(Thanks so much for the kind words, Jim, and if and when I get that raise, half of it's yours. -----Jackie Squires)

I want to take this opportunity to say "Thank You" to you folks at Seminole News for sending the paper to me while I was in the hospital. It was so thoughtful of you, and I enjoyed receiving the paper.

Folks like you make life more enjoyable. May the Lord bless and keep you.

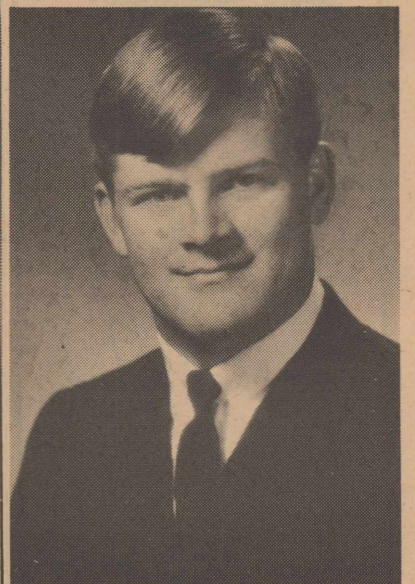

I really don't know what you other folks are going to do with that dotting grandfather, but maybe we can best him some day.

I am enclosing a check for our renewal subscription.

Thank you so much.

As ever,

LOOP NEWS

Baccalaureate services were held Sunday night at the Loop High School Auditorium at 7:00 p. m.

Commencement exercises will be at the Loop High School Auditorium May 22 at 8:30 p. m. Hooray, hooray! School is almost over for another year. Just can't imagine anyone happier than those students from Loop -- unless it's the faculty.

The motto of the seniors is "Look Ahead." Congratulations, seniors, on this great milestone which you are now approaching. May you always look ahead instead of backward. After graduation, then the senior trip, you may never all be together as a group, but I am sure you will never forget the good times, the sad times, as well as the many classes and studies together. The teachers will miss you next year and you won't soon forget them either. God bless you as you go your many varied and separate ways and always remember to keep yourself where Loop Home Folks can be as proud of you always as they are today.

The annual end of school picnic was held Friday at the Gaines County Park. Three bus loads of students, teachers, parents, and pre-schoolers all had a big day. At least nobody blistered this year under those coats and blankets.

When interviewing one of the mothers, Betty Young, on comments about the picnic, she said she sure did look forward to it and just wouldn't miss it. I guess she really meant it because Betty hasn't missed one in eleven years now.

The boys were robbed of part of their fun because of lack of rain this year. Their favorite pastime is gathering up paper cups full of frogs each year. Last year my car croaked for a week after the picnic. This year they had to settle for bird nests.

Mr. Sherman Conner was unable to go with us this year since he was still confined to the Seagraves Hospital.

Thanks to the high school boys, Barry McConal, Ricky Mills, and Dennis Aldrige, for driving the buses.

The FFA organization, along with their advisor, Mr. J.E. White, met Monday night to elect officers for the coming year. Elected president was Ricky Mills, Rickey McConal, vice president; Dennis Aldridge, secretary; Randy Armstrong, treasurer; Wayne Freeman, reporter; and Monty Ancinec, sentinel.

Mr. White accompanied three boys, Ricky Mills, Monty Ancinec, and Randy Armstrong to Meadow for the Mesa District FFA meeting. Ricky and Monty were voting delegates for district offices. Randy was a candidate for office and was elected district reporter of the Mesa District.

The Loop Longhorns Babe Ruth League played the Seagraves Braves at Loop field on Monday night. On Friday night the Longhorns played again at the Loop

field against the Oilers with the Oilers coming out on top, 10-9.

The Loop Tigers played a practice game at Seagraves with the Oilers. In the game Saturday the Tigers played the Giants and won 12-2 in four innings of play.

The Pee Wee team is getting underway and will play a game Tuesday night.

The first year group, taught by Mrs. Keith Young and Mrs. Arnold Smith, have completed their garments. They met last week to work on record books. These girls include Renee Foshee, Tonya Smith, Linda Young and Cheryl McDonald.

Gaines County Park was the scene for the FHA meeting this past week. The girls, along with their sponsor, Miss Betty Davis, and several mothers, enjoyed a hamburger cookout. The club welcomed the 8th grade girls who will be members next year. Officers were elected for the following year; Cathy Noble as president; Teresa Bingham, vice president; Genny Gambrel, secretary; Brenda Shults, reporter; Debbie Young, historian; Pam Owens, parliamentarian; and Elaine Freeman, song leader.

Mr. Dan Calfee was host to a party Saturday night in his home at Seagraves. Mr. and Mrs. Dewey Middleton assisted him. The party was given honoring the 8th grade graduates who will be graduated into high school Thursday night. The boys and girls were carried by bus from Loop to Seagraves.

Chips, dips and sherbet punch were served, then games were played. Those attending were Pam McKenzie, Elaine Freeman, Liz Caughron, Rhonda Smith, Brenda Chaffin, Craig Ancinec, Harold Glaspie, Darris Shults, Kent Smith, Johnny Frasier, Joe Casas, Mike McKenzie, Edward Vidales, Manuel Garcia, Tony Hord and Mike Young.

A large crowd and some very strong competition was reported at the state track meet.

Coach Hamilton took the track girls to the state meet in Abilene Friday and Saturday. The mile relay team was made up of Cindy Smith, Vickie Todd, Teresa Bingham, Barbara Wilkinson and Jackie Nail as alternate. They were unable to place this year.

Cindy and Vicki ran the 440 with Cindy coming in third and Vicki sixth. Mr. Puryear, Ann Hamilton and Billie Smith accompanied the girls to Abilene. Mr. McDonald and Coach Fincher were able to attend the Friday night and Saturday events at the meet and Dwight Smith joined the group on Saturday.

Mrs. Puryear, who had been visiting in Houston, flew back to Abilene on Friday and came home with Mr. Puryear.

Mrs. Red Hand is home now after a visit with her daughter, Andy, who lives in Dallas.

Randy Armstrong received a broken thumb this week playing baseball. Reckon he knew that final tests were coming up soon so he made sure it was on the right hand.

Mrs. Rayburn Clark spent a few days in the Seagraves Hospital last week.

Mrs. Doss Hunt entered the Seagraves Hospital on Sunday for tests and observation.

Stella Chitwood visited a few days this past week at Denver City with her daughter, Mrs. Guy Walker and family.

the fastener of her purse, causing blood poison to set in, so a part of her vacation was spent in the Seagraves Hospital.

Mr. and Mrs. Bill McKenzie and family, Mrs. L. L. McKenzie visited at Idalou Sunday with Mr. and Mrs. Marvin McKenzie and family. They all toured the tornado damage in Lubbock and reported that it looks so much worse than any of us can imagine.

Lions Convention Set

A streamlined one-day Lions International District 2T-2 annual convention, quickly arranged to replace this weekend's cancelled conclave, was announced last Wednesday for Saturday, May 23, by Lions District Governor Clyde K. Schneider and Convention Chairman John W. Lowery, both of Lubbock.

All business sessions, luncheon, and the Queen's Contest have been relocated and are to be held at Monterey High School during the condensed Saturday, May 23, event.

Critical motel-hotel needs of swarms of tornado emergency repair crews, insurance survey teams, and other disaster workers forced Tuesday's cancellation of the original May 14, 15, 16 program.

May 23rd registration will begin at 8 a. m. in the Monterey High School auditorium lobby. Other rapid succession program highlights continue with an 8:30 till - 12 noon business session in the Monterey High School Auditorium. From 12 until 1:30 there is to be a luncheon with a speaker. Forums will be conducted from 1:30 till 2:30 p. m.

Election of district officers is slated for 2:30 - 3:30 p. m. A necrology ceremony honoring deceased Lions is planned for 4-4:30 p. m.

Forty-four contestants, representing the District's 63 clubs, will compete for the Lions Queen title, beginning with registration from 8 to 9:30 a. m. and concluding with the contest at 5 p. m. in the specially-decorated auditorium. Lack of overnight facilities and dining accommodations has prevented plans for the regular District Governor's banquet and ball following.

Change of convention date to Saturday, May 23, forced cancellation of both the traditional golf and bowling tournaments.

The compact 10½ hour convention program is a first for District 2T-2 Lions, an aftermath of Lubbock's worst natural disaster.
