With an office full of congratulatory signs made by the junior high band, Assistant Band Director Ray Lashaway, on the left, flashes the old No. I for the kids and the News photographer as Band Director Sammie Robertson beams with pride over winning the Division I rating in the marching contest.

Bedlam broke loose last Wednesday when it was announced in Lubbock that the Seminole Indian Band had won a first division. It's first in eight years, it's first under the four year direction of Sammie Robertson, and it's first for the Senior band members. The three busloads of students can be seen as they arrived at the band hall and there's no doubt that the three judges that awarded them a division one at the annual Region 16 University Interscholastic League marching and twirling contest, were right.

H.B. UNDERWOOD

Funeral services for Howard B. Underwood, 57, were held at 10 a.m. last Saturday in the Westside Church of Christ, Joe Harber, minister, officiated, assisted by Herbert Love of Eden.

Burial was in Seminole Cemetery under the direction of Seminole Memorial Funeral Home.

Underwood died about 9 a. m. Thursday in Memorial Hospital after a long illness. He was born September 29, 1913 in Paris, Arkansas.

He married Beatrice Jennings September 13, 1937 in Ft. Worth. A retired oil field worker, he moved to Seminole from Ranger in 1937 and had lived in Ranger recently before moving back to Seminole two weeks ago.

Survivors include his wife, Beatrice, two sisters, Mrs. R. M. Love, Odessa and Mrs. J.B. Marlow, Denver City, and several nieves and nephews.

Pall bearers were Lloyd Coff-

TWO CHARGED WITH

MURDER

Eight policemen in four cars apprehended Jerry Watson, 29, last Friday at 1 p.m. 4 miles from Seminole on the Denver City Highway and charged him in connection with the beating and shooting death of lumberman Scott Williams from Seagraves which occurred the night before.

One hour later in Seagraves Roy King, 22, was apprehended at his mobile home and was charged in the same incident. They were charged with murder with malice.

Williams was found last Thursday night in his own blood shortly before 8 p.m. in the office of Higginbotham-Bartlett Lumber Company. A friend of Williams, Clayton Harper, had been sent for help after discovering a break-in at the lumber company. The two had gone down to pick up stove parts.

Sheriff Ed Welch stated that the two pearl handles of a 22 caliber revolver were found near the body, the gun evidently used to beat the victim either before or after he was shot three times.

It was the second day of school and the young first grade teacher added the following note to her morning report: "Help, they're all here."

This is the story of last Friday night's ballgame. #65, Trevino, catches the ball carrier. #41, Lloyd Barker, helps out by putting the shoulder into him. #44 Tommy Shuler had blocked him out and, #82 Roger Allen had whacked him also. The Eagles got almost gun shy from going around the ends.

Cont. from page 1 County people live here and too, too many are kinfolks or good friends helped out at one of the local hideways or made it themselves.

Few stills, to my knowledge, ever labeled their own whiskey but in Stonewall County it looked like the real McCoy in every respect, except for the liquor stamps; that made it bootleg whiskey.

In about 1939 or 1940 the biggest still that was ever found in Texas was hauled from north and west of Swinson and north and east of Peacock, or a few miles east of where Croten Creek hit the salt fork of the Brazos River. They said it took seven big trucks just to haul off the equipment. (Ask Jim Rash, Joe Anderson, Leonard Hallum, Paul Combs, or Delmon Ellison-I don't think any of their daddies ran a still.)

This particular day I had ridden horseback down by the wild plum thicket, on over to Grantham's and started back. "Yep," I thought, "I believe I can smell that still today, I think I'll give it a try" and I just kinda followed my nose, left the river, angled kinda south and west, holding the wind to my face.

What do you know? Huh, I found it and there was nobody around. Now, it was the years of the depression and we didn't have an abundance of sugar at our house. Sometimes we had to do a little substituting and use honey. Now, I've never been to very many stills and hardly know the principle that makes whiskey but I am here to testify that when I saw Domino sugar stacked in 100 pound sacks eight to ten feet high, I got excited. (Well, they looked like 100 pound sacks to me, they a may not have been but 50 pound sacks, but those blue letters stood out on all those sacks.) I got so excited looking at all that sugar, I like to forgot to get me some whiskey. It looked like to me somebody had been there just recently. (Oh, if I'd only known.)

I hurriedly gathered up a few samples, stepped on that pony and rode back out the way I came in. I cut back to the west and hastened my horse's steps homeward. I hid the whiskey, drank it 22 times in my imagination and planned party after party as to who I would share it with. I was proud that I'd pulled off such a fete undetected. I rode on in and started to unsaddle my horse when my dad appeared and he addressed me just like I was a grown man. "Get on that horse and take back everything that you rode out of there with. " I thought he would surely say something else but he saved that till I started to ride off and simply said, "This time you go in there, you whistle in and whistle out. " I did just that. I followed my same tracks back in. I followed my same tracks back out.

It looked like no contest in the first quarter as Ector took the ball on the 5 yard line on the kick-off and traveled 95 yards for a touchdown on the very first play. The clock showed only 16 seconds left and the Junior Varsity fell behind by 6 points.

Marvin Boyd was running as quarterback and looked real good as he drove the team on a 70 yard drive only to fumble on the 5 yard line. After another exchange of the ball, Boyd ignited another drive, only to be intercepted on Ectors 30 yard line on a freak play and Ector traveling 70 yards on the interception for another TD. Both the points were good and with 1:45 left in the quarter the Bs were behind 14 points.

There was exchange of fumbles in the cold weather and colder winds and the Indians finally got on the board in the second quarter with 6:22 remaining.

Charles Norris came in for Boyd the quarterback after Boyd was hurt and it was the running of Larry Jackson, Benny Davis, Glen Smith and Norris that got the TD on the 55 yard drive. A two point conversion was called back and Seminole was behind by 8.

With 5:35 to go before the half the Bs put together a 45 yard drive with Flud the big man getting the final 15 yards. The score read 12-14.

The Bs put together another drive before the half but time ran out before they could score. The third period was uneventful other than some outstanding tackles by Wade Johnson, Richard Mansell and others.

In the fourth quarter Seminole took over on a fumble only to run out of downs. They took over again on a punt on the 20 yard line. Flud got 14 yards, Larry Jackson got 15 yards on a pass from Norris and Norris got 6 and carried to the 11 yard line. Glen Smith carried for a first and with 1:50 to go the Bs rushed in for a clincher scoring their third touchdown and adding the PAT making the final reading 19-14. Outstanding boys on any ball club always show real metal when they're behind. The Bs were downed 14-0, dug in, held Ector, scored 3 touchdowns and won the ballgame.

John Jordan caught. a pass for a touchdown and ran for a TD in helping to lead the Seminole freshman to victory against Kermit last Thursday in Seminole.

The two teams slugged it out in the first period but could not dent the scoreboard until the second quarter. The freshman put together a 55 yard drive with Jordan plunging for the final foot to make the score read 6-0. The 2 point play was complete when Wrenn threw to Rory Lacey for 2 points and the freshman were off and going with an 8-0 lead.

In the second period Jordan stopped one drive as did Flud when they intercepted passes to stop Kermit.

With 4:20 to go in the half and the ball 55 yards away, the big plays were run by Gary Squires for 8 yards, Rory Lacey on a pass play for 15 yards and then from Wrenn to Jordan for 15 yards to paydirt. Score 16-0 Paul Adkinson ran the 2 point conversion. It was the fourth quarter before Kermit would get on the scoreboard, 16-6. There was an exchange of fumbles and quarterback Charles Wrenn carried in for the third touchdown and made the reading 22-6. Rory Lacey carried in for the final Seminole score on a pass play for the PAT.

Freshmen stalwart of last Thursday's game were Cal Carson, #27, Tom Eudy, #74 and David Norris, #68, who were tied with the most tackles each. In the back row were stars on offense John Jordan, #12, Charles Wrenn, #18 and Benny Flud, #23.

GO! INDIANS, GO! IVA DUMAS Seminole SEMINOLE STATE BANK OWNBEY EGGS GOMEZ LITTLE ver Ector MEXICO CAFE

The Seminole Indians saved their best effort of the year for the Ector Eagles and war paint was in abundance as they clobbered them in W.T. Barrett Stadium last Friday night 43-15. The Indians could do no wrong. They scored on short runs, long runs, passes, 1 point conversions, 2 point conversions, and strong boy Rick Partain covered a fumble in the end zone for a T. D.

Seminole fans had been told about the speed of the great quarterback Mr. Pride of Ector but the Indians were so ready that comments were heard on the bench, "Why wasn't this Monahans?

The Indians scored in every quarter with 14 points each in the 3rd and 4th. If Pride was supposed to have been the big quarterback in the game, Donald Roberts, Seminole quarterback, must have grown a few inches during the ballgame. Roberts completed 2 passes, 1 for a T D and I to set up a T D. He ran a balanced attack that kept Ector off balance all night. Enough cannot be said about the interior offensive line, as they opened up the holes for the trap and the dive play all night long for the consistent running of Gary Don Ray, Frankie Calderon, Lloyd Barker, Kregg Pierson, Williams and Roberts. They made it look easy as the ball carriers consistently got 3, 5,7 and 8 yards per carry. Only on one occasion did they allow their quarterback to be caught.

The game started off mildly with Ector trying their speed around the ends and the Indians going on the warpath and stopping them. With 19 seconds showing on the scoreboard, 3rd down and 2 feet to go, Ray went in and the score was 6-0.

and in a 50 second drive claimed their 3rd touchdown when Colderon (as the announcer called him) was Mr. Hotderon and broke through the line for 32 yards and 6 points. The big play had been set up on a 35 yard pass play to Gene Sims, covering 35 yards. The kick was good.

Seminole kicked. Ector dropped back, intending to let the ball go into the end aone, but accidentally touched the ball and Rick Partain, a senior guard, flashed everybody that toothless smile after he had covered a fumble in the end zone.

It was 29 to 7 and they became progressively easier in the 4th quarter. In the final period the Indians drove 65 yards and scored with 10:47 remaining. They went at it again, this time the big play being a 13 yard gainer from Roberts to Barker. The point was good. The final drive, with Renne Williams quarterbacking, Calderon got 22 yards and then Williams ran it in from 44 yards out, to make the final reading 43-15. Colderon made another TD as time ran out. It was called back.

The Indians completed their season in fine fashion, scoring 35 points against Ft. Stockton and 43 against Ector. Their record for the season: 6, 3, 1, claiming 3rd place in the district, behind state ranked Monahans and Andrews.

Roberts' kick was good and the Indians were ahead 7-0.

The Indians took over in the 2nd quarter after a kick on the 20 yard line and put together a sustained drive with the big plays being Lloyd Barker for 9 yards and a pass from Roberts to Gene Sims for 39 yards. The point failed. The Eagles were off side. The Indians tried for 2 and were ahead at halftime 15-0.

The drive had eaten up 4 minutes and 2 seconds of the 2nd quarter and Seminole was ahead to stay. The Indians were still facing a stiff wind to begin the 3rd quarter and the Eagles finally got on the board when quarterback Pride carried around end, kicked the extra point and cut the margin to 15-7. The Indians jumped right back into the thick of the battle

on the far side led the Seminole Indians in vote getters for All-District selections. Sims, 150 lbs., was chosen as a wide receiver and his coach said, "We went to Gene on clutch plays and he caught the ball. " Everett Haller was chosen as a lineman and was a two-way boy, a senior weighing 220. This outstanding group of seniors led Seminole to 6 big wins, 3 losses and 1 tie, for 3rd place. (Not bad for a team that was chosen to win a possible 3.) Others from Seminole receiving honorable mention were Roger Allen, offensive end; Wendell Miller, guard; Donald Roberts, quarterback; Gary Don Ray, running back; and on defense Rick Partain, linebacker; Bill Hearne, linebacker; Richard Trevino, lineman; and Roger Allen, lineman; defensive backs, Lloyd Barker and Tommy Shuler.

People wh cook with pride cook with GAS. Mrs. Rolan Simpson does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Simpson and nine out of 10 professional chefs agree

that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Simpson's favorite recipes.

WALNUT ROLL

Mrs. Rolan Simpson, 3213 56th St., Lubbock

Brush a jelly-roll pan, 10 x 15 inches, with oil, line it with wax paper, and oil the paper.

Separate 7 eggs. Beat the yolks with 3/4 cup sugar until the mixture is pale in color and thick enough to "ribbon." Beat in $1\frac{1}{2}$ cups ground walnuts and 1 teaspoon baking powder. Fold in egg whites, stiffly beaten. Spread the batter in the prepared pan and bake the cake in a mod-erate oven (350 degrees) 15 or 20 minutes or until it is golden. Cool the cake in the pan, cover it with a damp towel and chill it.

Dust the cold cake generously with sifted confectioner sugar and turn it out on a board covered with two overlapping sheets of wax paper. Carefully strip the paper from bottom of cake. Spread cake with 1 cup heavy cream, whipped and flavored to taste with sugar and vanilla. Roll up the cake, using the paper as an aid, slide the roll onto a flat serving platter. Sprinkle with more confectioner sugar. (Rum or almond flavoring is also good.) A REAL AND A

THIS IS WEST TEXAS

West Texas at one time was made up of barren land, few fences and with isolated wells, storage tanks and windmills. Originally water tanks were provided with overflows into a surface tank. This well, located on the Walker Ranch west of Seminole, has a metal storage that supplies the watering trough and if the wind fails for a few days cattle have available water. The trade of "pulling a windmill" is about gone. Certain cowboys on large ranches were assigned to the task of keeping windmills greased, changing the leathers, pulling the pipes or repairing parted sucker rods.

INSPECTOR VISITS HOSPITAL

C.L. "Chuck" Fisher, Jr., an inspector for the Division of Certification and Consultation for the State Department of Health in Austin, Texas, visited the local hospital last Thursday. He assured hospital administrator, Ed Rodgers, and Brom Marchbanks that his business in Seminole was to make recommendations and help. "My interest is better public health. I would say this, it seems that when new health care facilities are built, that there is more help available to run them. I've known of instances where R. N. 's have moved back to their home town when a new hospital was built. I know of cases where women (that did not have to work) decided they wanted to work again when working conditions were improved. It seems easier for a hospital to get doctors if it's new, if it's modern and it has more to offer."

He made this explanation for news readers after being questioned about 7C hospitals. "7C means that it is the 7th question on a questionaire. 1. Name, 2. Address, 3. Number of beds, etc., 4, 5, 6, and then 7. The 7th question and where a 7C hospital comes from. The question 7A - there are no deficiencies in 7A hospitals. 7B -There are deficiencies but they are correctible, and then 7C -(Memorial Hospital) Meeting conditions at present for special certification." Mr. Fisher went on to say that he was of the opinion that there would be no relief during this session of the "Lame Duck" congress for 7C hospitals.

The following is taken from the Texas Hospital Association. The office of Congressman J. J. (Jake) Pickle of Austin, Texas, advised the Texas Hospital Association in Austin that tentative approval of legislation introduced by Congressman Pickle and United States Senator Ralph Yarborough, is the first step to help many of the smaller hospitals of Texas which need more registered nurses to meet current medicare requirements. Similar legislation had also been introduced by U.S. Senator John Tower and Congressman Omar Burleson of Texas.

"The Health Careers Program has helped to increase nursing school enrollment since 1965 when more than 50% of the student nurse chairs were vacant. Not only has enrollment increased, but a number of new schools of nursing have opened, and existing nurse programs have increased their student capacity.

"Although nursing schools have increased, the Texas schools of nursing are unable to meet the continued demand for trained registered nurses. The most critical registered nurse vacancies exist in the sparsely populated counties of the state and it is in these areas where hospitals are more likely to have difficulty meeting Medicare nurse requirements."

Mrs. David Cavitt and children and Mrs. Robert Matthews visited Monday with Mrs. Lena Castleberry in Seagraves. Mrs. Castleberry had hurt her foot but is much better.

J.R. "Pat" Ballew, Seminole businessman, was elected Commander of Company L, 144th Infantry, 36th Division of World War I reunion members in Ennis, Texas. The reunion of Company L began in 1967. The featured highlight of the reunion was the introduction and relating of experiences in France and especially interesting were those narrow escapes different ones told of. Forty-two veterans, wives and other guests were served at lunch. Ballew said, "Another interesting thing about the reunion was that my brother, Sye C. Ballew from Hamlin, was present for the reunion; we served in the same outfit."

Sammie Robertson, band director, proudly displays his Certificate of Merit given by the Booster Club and the division 1 trophy awarded the band in area compitition in Lubbock last Wednesday.

Seminole High's Indian Marching Band received a First Division rating in the regional marching contest held in Jones Stadium Wednesday, November 18. First Division rating means the best conceivable performance for the event and the class of participants being judged and worthy of being recognized as a first place winner.

Sam Robertson is the head band director and Ray Lashaway is assistant. Mark Mercer and Jerry Horn are drum majors.

The only other AAA band making a first division rating was Muleshoe. The last first division rating in marching by the local bandsmen was earned in 1964. However, it was discovered later that an ineligible bandsman had participated and this award was nullified. The last marching first for the record was in 1963. Robertson praised band members for their willingness to work hard and the dedication they had shown this year.

Judges for the event were Dan Gibbs, Monahans band director; Tim Jones, Hamlin director; and Charles Trayler, director of bands at Abilene Christian College.

INDIANS WIN FIRST ENCOUNTER

Seminole Indains blew the Brownfield Cubs right out of the gym in their first encounter last night in Brownfield to the tune of 64-30. The Cubs could manage only 2 points in the 3rd quarter and 7 in the last quarter, after falling behind 31-21 at the half.

Jim Livingston, a stalwart of last year's team, led the Indains with 19 points. Roberts had 14, Gene Sims 12, Ray 8, Howard

Baker, 7, playing only in the last half, and Shuler and Kregg Pierson, 2 each.

The B-team led at the 3/4 mark by 3 points, 36-33, but scored 20 big points in the 4th quarter, to win 56-48 over the Brownfield B's.

Larry Jackson led the barrage in the 3rd quarter with 6 points Coffee had 5. The Indains need more height but looked good against a weak Brownfield club.

3I4 POSTMASTER VACANCIES TO BE FILLED IN TEXAS

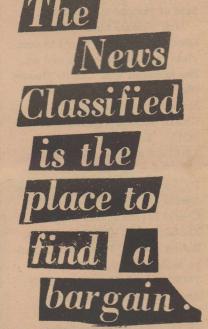

AND LOUISIANA

DALLAS, TEXAS-WILLIAM L. CRAWFORD, DIRECTOR OF THE DALLAS POSTAL SERVICE REGION, SAID TODAY 314 POSTMASTER VACANCIES IN TEXAS AND LOUISIANA WILL BE FILLED SOON ON A NONPOLITICAL, MERIT BASIS FOR THE FIRST TIME.

MR. CRAWFORD, WHO DIRECTS THE ACTIVITIES OF 2,133 POST OFFICES IN THE TWO-STATE REGION FROM HIS HEADQUARTERS IN DALLAS, SAID, "FIRST CONSIDERATION WILL BE GIVEN TO CAREER POSTAL E MPLOYEES WITHIN THE POST OFFICES WHERE THE VACANCY EXISTS, INCLUD-ING AN ACTING POSTMAS-TER, IF ANY, WHO WAS SERVING ON JAN. I, 1969."

HE SAID THE SECOND CONSIDERATION FOR FIL-LING POSTMASTER VACAN-CIES WILL BE GIVEN TO CAREER POSTAL EMPLOYEES IN POST OFFICES IN NEIGH-BORING AREAS, ADJACENT TO THE POST OFFICES HAVING A VACANCY.

"FOR THE TIME BEING, AND UNTIL THE NEW BOARD OF GOVERNORS IS CON-FIRMED BY THE SENATE TO RUN THE NEW UNITED POS-TAL SERVICE," REGIONAL DIRECTOR CRAWFORD EX-PLAINED, "WE WILL CON-SIDER ONLY APPLICANTS WHO HAVE RESIDED FOR AT LEAST ONE YEAR IN THE DELIVERY LIMITS OF THE POST OFFICE WHERE THE VACANCY EXISTS." HE POINTED OUT, HOW-EVER, THAT THE POLICY UNDER THE NEW POSTAL REORGANIZATION ACT SIGNED INTO PUBLIC LAW BY PRESIDENT NIXON LAST AUG. 12. WILL ELIMINATE THE "RESIDENCY REQUIRE-MENT." MR. CRAWFORD SAID HE HAS BEEN NOTIFIED BY POSTMASTER GENERAL WINTON M. BLOUNT THAT NATIONWIDE ACTION WILL BEGIN SOON TO FILL 5,000 POSTMASTER VACANCIES THAT HAVE ACCUMULATED THROUGHOUT THE COUNTRY DURING THE NIXON ADMINI-STRATION'S STRUGGLE TO GET POSTAL REFORM LEG-ISLATION THROUGH THE CONGRESS.

NATIONAL AND REGIONAL MANAGEMENT SELECTION BOARDS HAVE BEEN IDEN-TIFYING QUALIFIED PER-SONNEL TO FILL VACANT POSTMASTER POSITIONS FOR THE PAST 17 MONTHS, MR. CRAWFORD SAID. IT WILL BE FROM THESE LISTS OF QUALIFIED APPLICANTS THAT THE POSTMASTER GENERAL WILL COMMENCE TO MAKE EARLY APPOINT-MENTS.

"FOR THE FIRST TIME, POSTMASTER WILL BE APPOINTED ON A BASIS OF QUALIFICATIONS, WITHOUT

REGARD TO POLITICAL IN-FLUENCE, " MR. CRAWFORD SAID.

MR. CRAWFORD SAID THE 314 POSTMASTER VAC-ANCIES IN THE DALLAS POSTAL SERVICE REGION HAVE BEEN MANNED DURING THE PAST 17 MONTHS BY POSTAL CAREER PERSONNEL SERVING AS OFFICERS-IN-CHARGE, OR BY NON-CAR-EER PERSONS SERVING AS ACTING POSTMASTERS.

DIRECTOR CRAWFORD JOINED POSTMASTER GEN-ERAL BLOUNT IN HAILING THE NEW PROCEDURE FOR POSTMASTER APPOINT --MENTS AS "ONE OF THE MOST IMPORTANT FACETS OF OUR REORGANIZATION."

"AT LAST WE HAVE THE ABILITY TO PROVIDE OUR EMPLOYEES WITH TRULY MEANINGFUL CAREER AD-VANCEMENT OPPORTUNI -TIES," MR. CRAWFORD SAID. "POSTAL EMPLOYEES NOW HAVE A GOAL WORTH WORKING FOR--PROMOTION BY MERIT." Around Town ackies Squires

The women's lib movement is going strong in this country and while I'm sure there are some things I might agree with

them on, for the most part I have never felt the need to be "equal" with the men because actually, I think we've had it better. I'm using the term "I think" quite often because this is strictly my views on the subject. Young mothers are leaving their homes and babies to go out and hold demonstrations and fight for their "equal" rights when the majority of the time they just want to escape the monotony of their house and chores. Anything you endeavor will get a little monotonous after the new wears off. I have always been a "home body" and enjoyed being at home where I'm the "Queen of the house, " my own boss (and maybe a little too bossy to suit my family). I like the small courtesies a gentleman pays a woman and the feeling of being protected, the satisfaction of seeing my children grown and almost grown and knowing that I was there when they needed me. All you gals that feel you must go on with the demonstrations and bra burnings, be my guests but as for me I enjoy being a girl (even an old one) and I'll remain "Queenof my house." (Maybe Charles won't read this because I've tried to convince him what a hard time I've had all of these years.)

Dear Walter:

Enclosed is my subscription for another year. Enjoy the News very much. The best part is your "Woodenfoote" column. So much of it typical of today's young man and yet nostalgic of yesterday's young man. I could tell similar stories on the people I grew up with; guys like Jackie Cargill, Winifred Baggett, James Jackson, Bill Burnett, Phillip Gist, David Shelton and others. A person's past is one of the greatest story books of all. Keep reminding us.

Thank you--Jerry Drennan

DRUG ABUSE WORKSHOP HELD

Last Friday the teacher workshop in high school was held on Drug Abuse.

"Drug education should present the truth and deal with facts. It should not preach, moralize, or use scare tactics. Facts about people are equally as important as those about crime and drugs, if not more so. The focus must be on people, relating to the emotional and social components of drug abuse. It must promote self-understanding and prompt, constructive self-direction among young people." (taken from the Texas Education Agency Bulletin)

A film was seen at 2:00 p.m. "Drug Abuse: A Call to Action". A panel made up of Mr. William Benton, School Counselor, Mr. Bob Black, Youth Center Director, Mr. James Clark, Policeman, Mr. Lynn Garret, Church Youth Director, Mr. Cecil Holbrooks, Student and Miss Susan Sanders, Student discussed "What Are the Problems and Concerns of Today's Youth".

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS...

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families!... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating!... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair —we have a special, most attractive plan for you, too.

Brownie Troop 471 met for their regular meeting November 18. They visited Oswalt's Drug Store. Don Cates showed them how medicines are weighed and prepared and also the large amount of prescriptions on file.

After the visit the girls worked on their Christmas presents for their mothers.

Girls attending were Vicki Williams, Rita Woosley, Tina Kelley, Suzan Kelley, Cindy Smith, Cecelia Reed, Susie Fierro, Diann Barron, Diann Williams, Elisa Galvan, Rachel Walker, Dona Melton, Peggy Valadez, Patsy Lujan and leaders Mrs. Corrine Williams, and Mrs. Nicky Melton. Visitors were Nicky and Tashia Williams.

LINEMAN OF THE WEEK

Rick Partain, senior letterman, did an outstanding job on defense, making several big plays. His tackling was sharp and tough. He made 2 unassisted tackles and 10 assisted tackles for a total of 12. Rick leads the team this year in tackles with a season total of 119.

The School Board met last night with classroom teachers from grades 1, 2 and 3 of the Primary School, John Golmon principal. One board member was overheard to say, "It's by far the best meeting the school board has ever had." The great enthusiasm gendered by the teachers reporting for each of the grades was contagious and the meeting carried on over into rooms where books were laid out, projectors set up, reading aids were explained, along with library helps, nursing station and special reading.

Mrs. Sandra McGill kicked the program off and explained the kindergarten kprogram and problems concerning non-English speaking students, her basic program and aims. Mrs. Donna Love explained the progress of first grade pupils, placement in reading groups, how many new words were introduced, along with workbooks. She was followed by Mrs. Lillian Timmons with first grade work other than reading – math, spelling, English, writing, social studies and art.

Mrs. Blanche Keyes, second grade teacher, carried board members and visitors through second grade work of reading, writing stories of home and home life, spelling, consonants, vowels, from manuscript to cursive writing (not cursing writing as one little boy said), math, social studies and art. Mrs. LaRue McClellan continued with second grade, saying, "Thank goodness for first grade teachers. It's a blessing to get a student that knows how to behave and how to read," pointing out the necessity of a child knowing what he reads, how to listen and to take home books.

Mrs. Bonnie Warren and Mrs. Mary Ruthart led the group in a discussion over material studied by third graders, also tests, records and grouping, saying "Success depends so much on how well a person can read." Dorothy Decker explained library services, and Mrs. Dinah Perkins, health services.

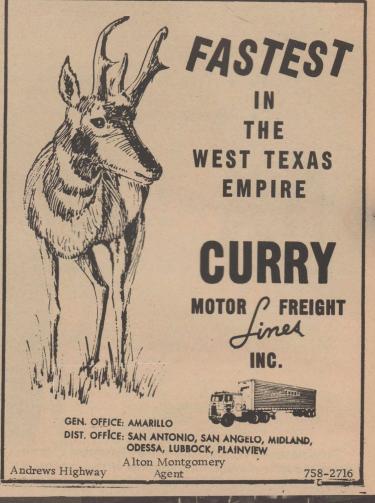

If participants in the discussion left nothing else with board members and visitors, they left this impression - their great responsibility of developing minds of children, their great care and love for their students, and their devotion to their work. Materials passed out to board members reflected that the teaching staff in the building had an average teaching experience of 15 to 18 years. Of this number, only two had 2 years experience, one 3 years, one 4 years and two 5 years. This reflects an abundance of experience and it reflected in the meeting Monday night.

2. In other action, Mr. Robert E. Robinson was employed to work with 7th and 8th grade B-team basketball players.

3. The board also approved of the new free and reduced price hunch policy.

This is practically unheard of. The traffic death trend during the past decade others. This Thanksgiving, Keep DRIVING FRIENDLY . . . it works

has been almost consistently up . . . 2,254 deaths in 1960: 2,314 in 1961: 2,421 in 1962, and so it has gone, almost without exception, right up to 3,551 in 1969.

But 1970 has been the year of DRIVING FRIENDLY. This has meant obeying traffic laws, planning travel to avoid rushing, not driving and drinking. In other words, maintaining a friendly driving attitude toward others.

Moore-Haralson Agency

Yes, 1970 has been the year of DRIVING FRIENDLY. It can also be the year the relentless trend of more and more highway murders was reversed. But there are still five weeks to go. This Thanksgiving weekend, think of your responsibilities every time you take the wheel.

We're ahead of 1969 now, and we can finish that way. So, DON'T BLOW IT NOW!

There's a changing of the guard at 7 a.m. each day at Memorial Hospital. The night crew going off is made up of Ozelle Montgomery, Cynthia Johnson, Eva Garland and Barbara Broussard.

TIMES DO CHANGE -- And sometimes -- BACK. San Francisco, where the cable car was the trademark and destined to go to the junk heap, now plans to purchase 78 streetcars -- as an answer to the air pollution problem. Last new streetcar purchase was in 1952. Plans also include the purchase of 160 electric trolley coaches -buses powered by electricity drawn from overhead wires.

San Francisco plans to spend \$19, 900.00 on new streetcars and \$7, 500, 000 on trolley buses. City will buy 78 of the 72-foot-long streetcars which can be linked together into three-unit trams for subway use. - - - From the Texas Press Association.

ANNUAL CHIRSTMAS TOUR OF HOMES SLATED

The Seminole Garden Club will sponsor the annual Christmas Tour of Homes which will highlight the beginning of the holiday season. The tour is scheduled for December 8 from 7:00 to 10:00 p.m.

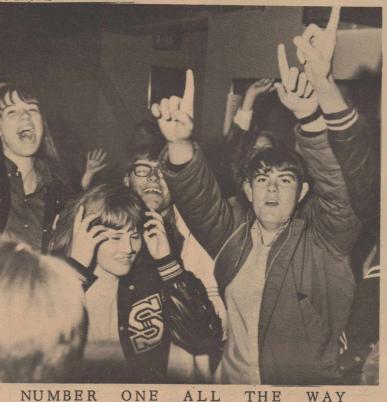

The homes of Mr. and Mrs. Pat Ballew, Plateau Heights; Mr. and Mrs. Don Mansell, Avenue B, S. W. and Mr. and Mrs. J. H. Linthicum, 2117 N. W. Avenue C will be in the tour. Tickets are \$1.00 each and can be purchased from any member of the club or at the homes the night of the tour.

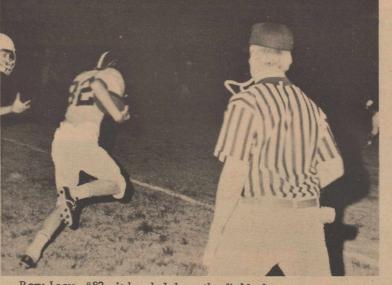

Chairman of decorations for the Ballew home is Mrs. W. H. Cravy, assisted by Mmes. J. W. Satterwhite, W. H. Vanlandingham, Cline Morris, Eddie Jameson and Seth Woltz. The theme "Sound of Christmas" will be carried out in colors of red, green and gold.

Mrs. Kenneth Bass, chairman and co-workers Mmes. J. D. Mitchell, Charles Cope, Jack Lane, Robert Sneed, Janie Johnson and Lynn Crossland will decorate the lovely new Mansell home in green and gold using the theme "A West Texas Christmas."

The Linthicum home, "All a Glo", in gold and green will be decorated by Mrs. Alton Freeman, chairman; and her assistants, Mmes. J. L. Skaggs, Charles Gay, O. B. Smith, C. O. Wright, J. W. Baker, V. M. Briggs and Ed Aryain.

The Seminole Garden Club ladies go all out in making the "Tour of Homes" a gala affair each year. Get your ticket early and plan to attend.

Rory Lacy, #82, is headed down the field after a pass reception and their winning effort against Kermit.

Funeral services for James M. (Jimmy) Calvert, Jr., 46, will be today at 2:00 p.m. in the Trinity Baptist Church with Rev. Wesley Wellborn, former pastor, officiating. Burial will be in Seminole Cemetery under the direction of Seminole Memorial Funeral Home.

Jimmy died sometime Saturday morning in his sleep of a heart attack at his home in Zion, Illinois. A long time Seminole resident, he had lived in Illinois for the past year.

Survivors include his wife, Vivian; two sons, Mike, Odessa; Jimmy Doyle of Kenosha, Wisc. and a grandson, Ricky of Kenosha, Wisc.

Pall bearers will be Albert Hester, Jerry Gilbert, Pat Randall, Durwood Gressett, Dalton Gressett and John McClead.

Letter to the Editor

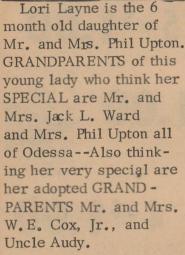

Dear Editor:

We want to express our appreciation to those merchants who flew our country's flag on Veteran's Day. The red, white and blue was beautiful in the brisk November breeze. Thank

SHOPLIFTING CLINIC HELD

A ONE-HOUR CLINIC ON SHOPLIFTING PREVENTION FOR RETAIL STORE OWNERS, MANAGERS, AND EMPLOYEES WILL BE HELD IN SEMINOLE MONDAY, DECEMBER 2, AT 6 P.M. IN THE TOWER THEATRE. THE CLINIC IS JOINTLY SPONSORED BY THE RETAIL MERCHANTS OF THE SEMINOLE AREA CHAM-BER OF COMMERCE AND THE TEXAS RETAIL FEDERATION, WHICH HEADQUARTERS IN AUSTIN. MICHAEL R. MOORE, EXECUTIVE VICE PRESIDENT OF THE TEXAS RETAIL FEDERATION, WILL CONDUCT THE CLINIC, WHICH CONSISTS OF A 20-MINUTE COLOR FILM EN-TITLED, "THE SHOPLIFTERS" FOLLOWED BY DISCUSSIONS REPRESENTATIVES FROM THE LOCAL PLOICE DEPART-MENT AND THE COUNTY ATTORNEY'S OFFICE. SHOPLIFTING IS BECOM-

ING AN INCREASINGLY SERIOUS PROBLEM IN THE UNITED STATES, AMOUNT-ING TO MORE THAN \$2.5 BILLION IN 1969. . THE COST TO THE CONSUMING PUBLIC IS EXTIMATED TO BE FROM 3 TO 10 PER CENT ADDED TO EACH ITEM THEY PURCHASE, REFLECTING THE MER-CHANT'S LOSS TO SHOP-LIFTERS. A VERY FRIGHT-ENING DEVELOPMENT IN RECENT YEARS IS THE DRAMATIC INCREASE IN JUVENILE OFFENDERS. EX-PERTS BELIEVE THAT JUVE-NILES COMPRISE BETWEEN 50 AND 60 PER CENT OF ALL OFFENDERS. IT HAS BE-COME A "FAD" IN SOME OF OUR PUBLIC SCHOOLS TO COME TO SCHOOL ATTIRED IN CLOTHES AND ACCESSOR-IES THAT HAVE BEEN STOL-EN. MANY JUVENILES ARE NOT FULLY AWARE OF THE FACT THAT THE ACT OF SHOPLIFTING IS A CRIMIN-AL OFFENSE, AND APPRE-HENSION AND CONVICTION CREATES A CRIMINAL RE-CORD FOR THE OFFENDER THAT WILL STAY WITH HIM THE REST OF HIS LIFE.

"Thanksgiving Day . . . is the one day that is purely American," O. Henry (William Sydney Porter) wrote in 1907.

The Texas Highway Department urges you to hlep make this a safe Thanksgiving for Motorists!

The Department works constantly to make travel on the Texas Highway System as safe and convenient as possible. Yet, construction areas this time of year call for extra caution.

The enclosed bulletin pinpoints current construction projects. One or more of these may be in your area.

We urge you to call these areas to the attention of your readers and listeners. Many of them will be traveling during the extended Thanksgiving holiday. We hope you will repeat this information as often as possible during this time.

Please include a reminder to observe warning signs, and above all, urge safe driving everywhere!

The Texas Highway Depart. ment appreciates your cooperation in using these public services through the year.

In the above photo Arit Davison examines a field of Kentucky Fescue grass which he planted on his farm east of Seagraves. Fescue has attracted a great deal of interest in the Gaines - Andrews Soil and Water Conservation District.

The main advantage of Kentucky Fescue is that it is a cool season grass which grows during the winter time. This supplies grazing during the time when most grasses have gone dormant. For more information contact the Soil Conservation Service.

Purina Baby Pig Chow is a super-palatable, highly-fortified feed for baby pigs. The antibiotics in Purina Baby Pig Chow give it builtin livability.

Purina Baby Pig Chow is fed from the time pigs are one week old. One fifty pound bag per litter (or about 5 pounds per pig) is fed before switching to Purina Pig Startena.

Purina Baby Pig Chow is a product of Purina Research. It is the result of years of tests on hundreds of pigs. You can count on Purina Baby Pig Chow to give your pigs the kind of fast, right start that will help them reach market weight at a remarkably early age, and at low cost.

FARMERS INSURANCE GROUP FLOAT FIRST

ENTRY IN 1971 TOURNAMENT OF ROSES PARADE word has been received by Herman Dirks for Farmers insurance group that his company's "cinderel-La" float has been accepted as the first official entry in the 1971 tournament of roses parade.

"WE HAVE SELECTED 'CINDERELLA' AS THEME OF OUR FLOAT IN KEEPING WITH THE PARADE THEME OF 'THRU THE EYES OF A CHILD,' " COMMENTED HERMAN DIRKS.

"WE ALSO HAVE ANOTHER 'FIRST' IN THIS YEAR'S PARADE," HE CONTINUED. "OUR CINDERELLA WILL RIDE IN A COACH DRAWN DOWN AN AVENUE OF GRACEFUL TREES BY SIX WHITE PONIES. THE COACH WILL USE THE ACTUAL STREET. THE TREES WILL BE BUILT ON A FLOAT BED AND WILL BE NINE INCHES ABOVE THE STREET. THE TREES AND COACH WILL BE SYNCHRONIZED AS ONE UNIT TO DEP-ICT CINDERELLA GOING TO THE BALL. THIS IS THE FIRST TIME SUCH A SYNCHRONIZED UNIT HAS BEEN ENTERED IN THE PARADE."

THE BRANCHES FROM THE TREES WILL FORM A CAN-OPY OVER THE COACH AND HORSES AND WILL HAVE 55,000 PINK DEBUTANTE CAMELLIAS, PINK ROSES, CAMELLIA LEAVES AND FERNS. OTHER FLOWERS USED ON THE TREES AND COACH INCLUDE CRYSANTHEMUMS, STERLING SILVER, WHITE AND BABY ROSES, BLUE IRIS, STOCK BLOSSOMS, CATTLEYA AND VANDA ORCHIDS.
