FUNERAL HELD FOR FORMER SEMINOLE RESIDENT

Geyer and his wife, Mary, were residing in Ennis, Texas and were in Shamrock for the holidays.

City's 1971 First Baby

Jim Gregory has eyes for his mommie only. He's proud, too, he's the only son of an only son.

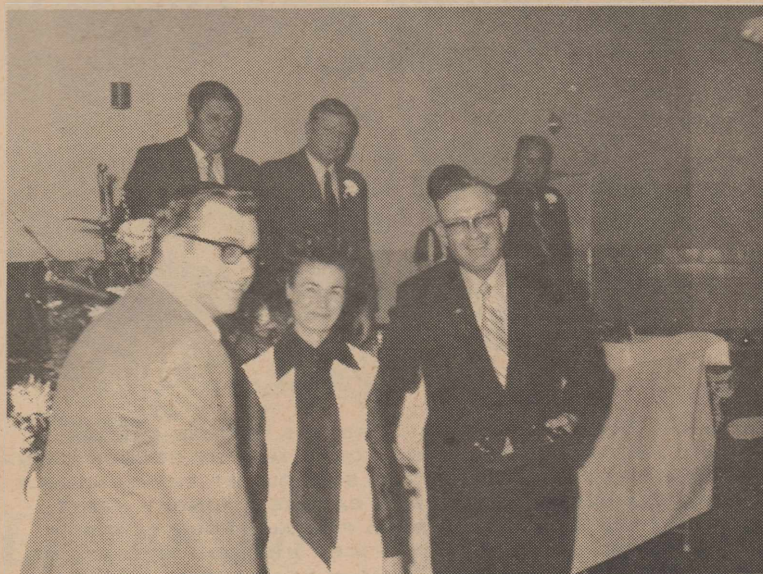

Jim Gregory Shepherd was born January 1, 1971 at 5:50 p. m. in Memorial Hospital. He was the first son of John and Frances Shepherd and the first grandson of A. L. Shepherd or any of his brothers, with the name Shepherd. John proudly said, "He's the prettiest baby boy in the hospital. He's by far the prettiest child in the hospital, he's the biggest baby in the hospital. In fact, He's the only baby in the hospital."

Jim Gregory weighed 7 lbs. 5 ozs. and was welcomed into this world by his older sisters, Angela, 15, and Casey Jo, 8 years old. No doubt, the old homestead at 610 S. W. 18th will never be the same again. "What did the daughters say when I called them on the telephone? The house was loaded with other girls and they did not say a word - they just squealed and squealed."

Dr. Harold (Rowdy) Dow had the famous statement to make concerning the offspring, "John, I did not have to spank him a bit. He came into the world crying. He was hungry, he was cold, he was wet and besides all that, he owed the government \$3,000.00."

Friends of the family join with members of the family in honoring Jim Gregory Shepherd, Seminole's first born of the new year, 1971.

CHAMBER BANQUET

Mr. and Mrs. B. D. Marchbanks (Brom and Beulah Mae) were honored Monday night at the annual Chamber of Commerce banquet as Seminole's "Family of the Year". Brom is the past president of the Lions Club, is president of the hospital board, a former county commissioner of Precinct 2, chairman of the Democratic Party, is active in the Chamber of Commerce and other community activities. He and Mrs. Marchbanks are the parents of two sons, Joe and Ira Don, and have two granddaughters. He is shown receiving the award from Dwayne Herman of Seminole State Bank, last year's recipient of the award. In the background, standing to show their approval, are Texas Tech's Coach Jim Carlen, speaker for the affair; Coach Claude Chappell and Glen Cavitt, immediate past president of the chamber.

GOVERNOR VISITS

Governor and Mrs. Preston Smith were met Sunday at the Hobbs airport by Albert McGuire, his brother-in-law, for a visit to Seminole with his sister and family, the Albert McGuires. His mother, Mrs. Effie Smith and sister, Mr. and Mrs. J. H. Freeman of Lamesa met them in Seminole for a visit. Also visiting with the families Sunday were the McGuire children, Mr. and Mrs. Ernest Singleton and children and Mr. and Mrs. Perry McGuire and children. Mrs. Ruth Tibbets of California, sister of Mr. McGuire, and Mr. and Mrs. Mrs. Leo Salinas and children were also guests in the McGuire home. (Editor's note: It was a pleasure to be invited by the McGuires to their home to meet the governor, his wife and the Lamesa "kin".)

EDITORIAL

I asked ten ladies the following question, "What is the license number on your car?" and not a one of them knew. The next question was "What if someone stole your car?" "Call the police, of course," was their answer.

Police have a great advantage on stolen cars. Within a few minutes they generally can find out the kind of car you drive, its make, model and license number. They're listed on public records.

The same women were asked "What kind of TV do you have?" Six of them knew. "Do you know the serial number?" Two out of ten said they could locate it. Next question, "What would you do if you went home and your color TV had been stolen?" "Call the police."

Have you ever thought what a great disadvantage it would be to try to find your TV when you were not sure of the color, the size, the model or the serial number? Four houses have been broken into recently in this vicinity and police are being hindered in recoveries because of lack of identification. It seems that breaking and entering and the theft of TVs, radios, guns, vacuum cleaners, hair dryers and other small appliances will get worse before it gets better. Sheriff Ed Welch advised the News that if you would like to help, make a list in duplicate with one list in a safe place. List TVs, the size, model and serial number, also radios, guns, vacuum cleaners, hair dryers, toasters, all small appliances, along with refrigerators, sewing machines and stoves. You will not only be helping yourself, you'll be helping to keep the rates down, you'll be helping in case of a break in to catch the guilty party and you'll be helping to make the law enforcement men's job much easier. Please make two copies, putting them in separate places.

(Editor's note - Don't dare talk about what a poor job might be done by the police department unless you think enough of your own household goods to list them.)

This story appeared in the Meija, Texas Farm & Ranch Weekly, January 1, 1971. "Bleak Christmas in store for two men whose homes broken in and their TV's stolen, this their most precious worldly possession. Things looked up Saturday when local boys rabbit hunting notified the sheriff's department they found some hidden in woods, identified and returned to happy owners." You may not be this lucky,

AUSTIN, TEXAS, IS THE HOME OFFICE FOR 35 INSURANCE COMPANIES.

Santa Claus letters are always a special treat for me because your kids and my kids are not a bit backwards about expressing their wants and their desires.

I've just been reading them again. I especially liked that one by Myra Cox. After wanting a saddle and unicycle, she asked for an 'A' on her spelling test. No wonder I didn't make A's on spelling. That's one of the things I never asked for.

And then there was one by Cathy Woodruff that said "But my mother said I couldn't have a whole lot," and she filled her mother's and daddy's stockings with candy.

And Danny Ivy and a host of others asked for an operation and I came to find out there's a game called 'Operation'.

And then it's always so nice for ones like Mario Garza that take great pains in telling you where their grandmother lives or what town they're going to be in, and I don't blame them a bit.

Cheryl Braun finally straightened me up when she asked for a Baby Tenderlove. So many of them just asked for tender love and that's what I still want. I just didn't know you could ask Santa Claus for it.

It's good to have a Santa Claus that knows what he's doing because Robert Martinez simply says "Bring me a bear." Little Miss Charla Stennett asked for a Rogg ity Ann. Any Santa Claus could understand that. Jerry Perkins wanted a kniveu, along with wanting to know "how is the raindeers." And then there are those letters that only boys and girls would write that ask for presents for little brothers and little sisters and big brothers and big sisters. Then there's that one by Kenneth Cox, "I want also an operation, a knife and an axe." (Boy, what an operation.)

"I have been a good boy. I want a Rock um Sock um Robot." Bert McKee.

And I love that spelling of B B guns. There's Bee Bee, be be, B b, bea bea and others, but there's no doubt what they want.

Ron Jones wants a shooting gallery. There never was a little boy who didn't want a shooting gallery at one time in his life and envision himself as being the best shot in the area. Branson Tefertiller wants a "bike with giers". Carol Braun, among other things, wants a "band sute." Those uniforms are still liked.

How's this one by Tierica Bailey, Rt. 4, she wanted some go-go boots, some dishes, a fall and a ring". Even adults (ladies) are wanting these. And how about this one by David Jimenez. "Bring me a pig, I love you." Many, many boys and girls admitted, as did Shelby Crow, "I am a pretty good girl!" and after mentioning what she might want, she said "and anything else". That shows real class. After all, you don't want to have to send back what they got that they didn't ask for.

Jill Mantooth wanted "a radio that looks like a French telephone" and Wanda that lives at 308 S. W. 16th started "This letter is for you and this is what I want for Christmas." Why, I understand this one. And Pete Childers wanted a 22.

One of my favorites was by Harvey Puerto. He wanted cars, guns, a bone, aro, sling shot and 2 balls and ended up by saying "I am a boy". Now, wouldn't Santa have a hard time figuring that one out?

David Hays has a grandmother that lives in Alaska and he says "I have been up at North Pole. I hope you are ho rite. Hile are your helpers. I hope they are aw rite." I'll tell you, if David and some of the other kids ever decide to rewrite the English language, I'm going to vote for them because they say it like it is.

Elvoy Cavasoz says "I want a Gettr for Cremus." I saw you when we were at the pread."

There were many, many more, all a delight. I hope you had as much fun reading them as I did.

SEMINOLE

The Seminole Indians lost their first district basketball outing last Saturday night to Andrews on a squeaker, 68-70. Seminole fell behind by 4 points in the very first part of the ballgame when the score read 2-6, but came back to tie it up 22-22 with 6 minutes to go in the half. They fell behind by 7 points, 55-62, with 4 minutes to go in the 3rd quarter, but sophomore Donald Roberts got hot in the early part of the 4th quarter and led the Indians to a tie, 64-64, with 1½ minutes to go.

The Indians missed on 2 field goals and two 1 and 1 situations at the free throw line, to lose the ballgame. Seminole hit on 20 of 32 free throws at the charity line.

Pearson was the big scorer for Andrews, getting 23 points.

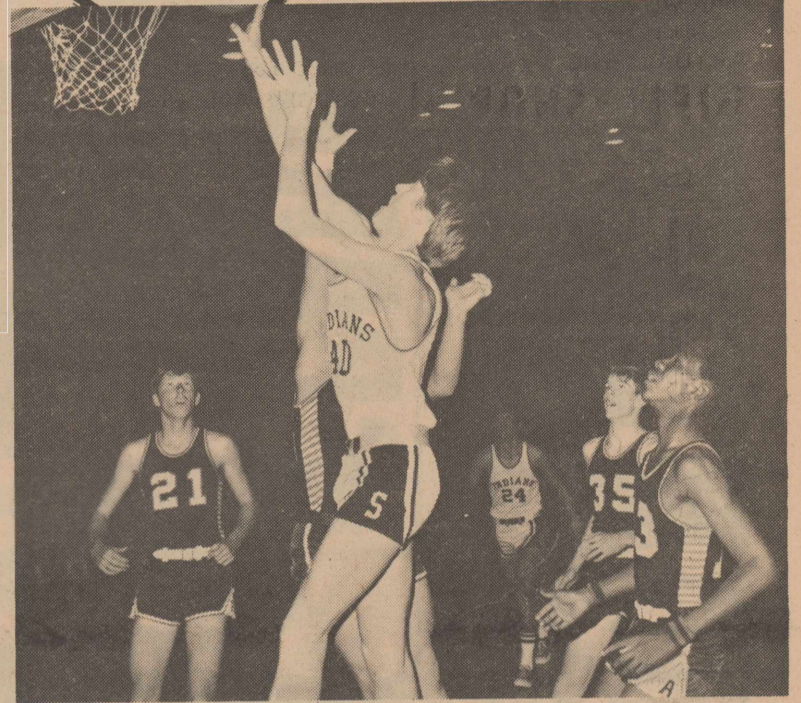

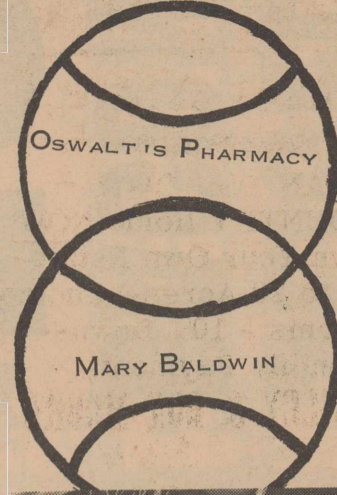

Neal Lamanick, one time Seminole basketball coach and one time Andrews basketball coach, was at the basketball game Saturday night. His son scored 12 points against the Indians.

While visiting, he looked around and said, "I see you've still got a lot of old faithful round ball fans, there's Joe Britton. Also it seems that I recognize some of the same old voices booing the officials."

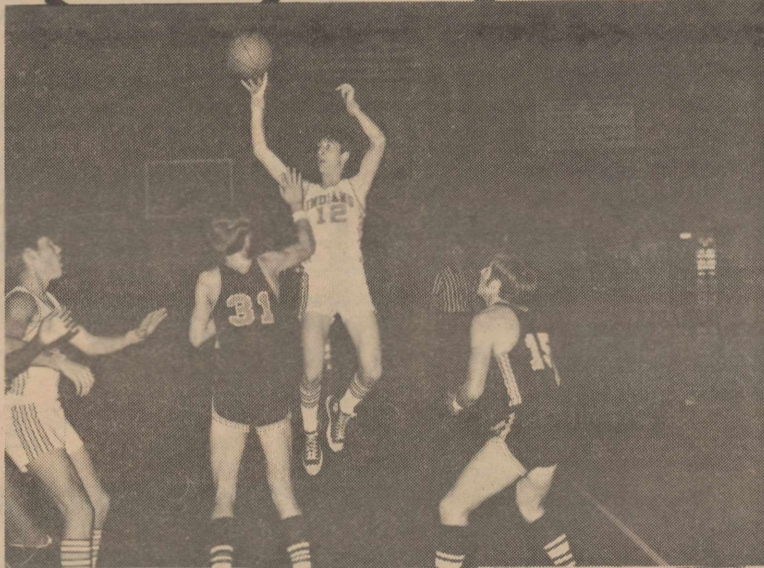

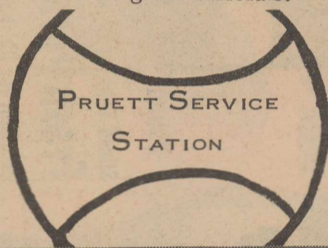

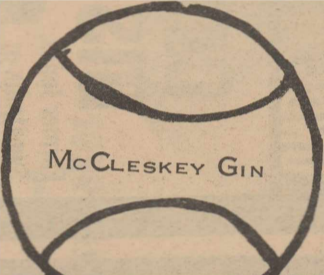

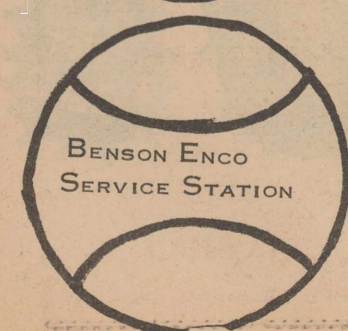

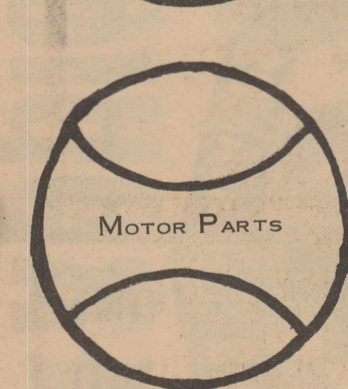

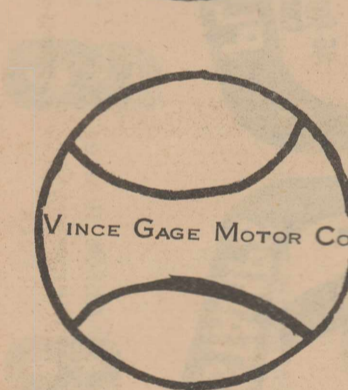

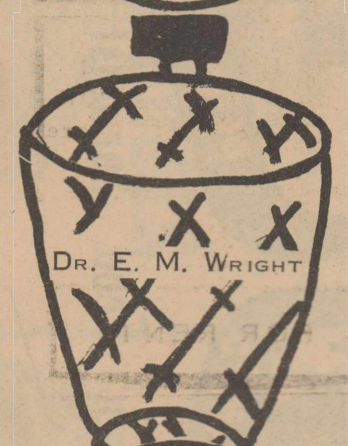

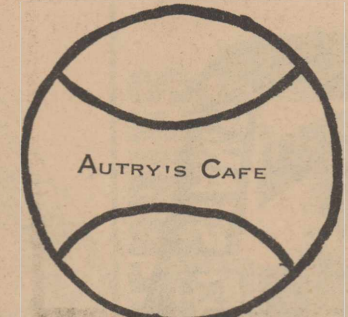

B-TEAM

The Seminole B's lost to Andrews last Saturday night by 7 points, 50-57. Stewart Coffee led Seminole with 19 points. Robert Arrezola scored 13, Jackson had 6, Ericson 5, Farris 3 and Wrenn and Kim Hughes 2 each.

The B's led at the end of the first quarter but could not hold on for the victory. They were trailing by 2 at the 3/4 mark, but had too many turn-overs in the final stanza.

Susan Sanders received the "Young Citizens" award as the outstanding young lady Monday night at the Chamber of Commerce banquet. She was cited for her leadership, and the many school activities in which she participates. She is the daughter of Mr. and Mrs. D. E. Sanders. In all probability, she has attended more football games and basketball games as a yell leader than any other girl ever attending Seminole High School. Mr. and Mrs. Glen Cavitt can be seen on the right.

HAPPY NEW YEAR! MAY 1971 BRING NOTHING BUT THE BEST FOR YOU AND YOURS.

ALEXANDER GRAHAM BELL KNEW HE HAD A GREAT THING WHEN HE WAS ABLE TO TRANSMIT VOICES OVER A WIRE.

SINCE MR. BELL'S INVENTION, THE TELEPHONE HAS IMPROVED SO THAT OUR VOICES CAN SPAN CONTINENTS. WE CAN DIAL DIRECT AND WITHIN SECONDS CONVERSE WITH A LOVED ONE OR A BUSINESS ACQUAINTANCE ON THE OTHER SIDE OF THE WORLD. DID YOU TAKE ADVANTAGE OF THIS OVER THE HOLIDAYS? I DID!

IT WOULD BE DIFFICULT TO IMAGINE THESE DAYS A BUSINESS WITHOUT A TELEPHONE. MOST HOMES ARE EQUIPPED WITH TELEPHONES. IN A FEW YEARS IT WILL BE POSSIBLE TO HAVE A PICTURE-PHONE, YES, EVEN IN YOUR HOME.

SOCIAL SECURITY HAS RECENTLY STARTED A NEW SERVICE TO TAKE ADVANTAGE OF THE SPEED AND CONVENIENCE OF THE TELEPHONE.

NOW BENEFICIARIES CAN NOTIFY THE SOCIAL SECURITY OFFICE ABOUT DEATH OR MARRIAGE OF A PERSON RECEIVING SOCIAL SECURITY BENEFITS. THEY CAN REPORT A CHANGE OF ADDRESS WHICH IS TRANSMITTED TO THE PAYMENT CENTER BY TELETYPE SO THAT THE CHECK WILL BE SENT TO THE NEW ADDRESS EARLIER THAN IF IT WENT BY MAIL. A PERSON CAN EVEN REQUEST AN APPLICATION FOR A SOCIAL SECURITY NUMBER BY TELEPHONE.

BEST OF ALL ABOUT THE NEW TELESERVICE IS THAT MANY APPLICATIONS FOR BENEFITS CAN NOW BE HANDLED BY PHONE.

THE COMPLETED FORM WILL BE MAILED FOR THE CLAIMANT'S REVIEW AND SIGNATURE. THE SIGNED CLAIM AND THE DOCUMENTS REQUESTED BY THE REPRESENTATIVE SHOULD BE MAILED BACK TO THE SOCIAL SECURITY OFFICE IN THE SPECIAL SELF-ADDRESSED ENVELOPE PROVIDED. THE DOCUMENTS WILL BE RETURNED TO THE CLAIMANT.

SO MAKE GOOD USE OF MR. BELL'S VOICE BOX. CALL 332-9423 IN ODESSA, TEXAS TO APPLY FOR BENEFITS OR TO REPORT EVENTS AFFECTING SOCIAL SECURITY PAYMENTS.

MRS. PETE WILLIAMS
nee Miss Cheryl Hoover

Wedding of Interest

Wedding vows for Miss Cheryl Hoover and Pete Williams were read at 7:00 p.m. Saturday, January 2, 1971 in St. Christopher's Episcopal Church at Lubbock with the Father Robert Seney officiating the double ring ceremony.

Dr. Ted Downs, organist, furnished the wedding selections. The bride is the daughter of Mr. and Mrs. Garland R. Hoover, 3803 55th Street, Lubbock. Parents of the bridegroom are Mr. and Mrs. Elvis D. Williams, 500 S. W. 15th Street.

The bride was radiant as she entered on the arm of her father and was attired in a formal length gown of antique satin overlaid with Chantilly lace. The gown featured a Victorian neckline, petal point sleeves, and a chapel length train with pearlized petal sequins and pearls. Her shoulder length veil was of silk illusion. She carried a bouquet of a white orchid surrounded with yellow throat and white chrysanthemum pom-poms atop the bride's prayer book.

Mrs. Ron Hoover of Colorado Springs, Colo. served her sister-in-law as matron of honor. Bridesmaids were Mrs. Tom Brummett of El Paso and Mrs. Phillip Robinson of Lubbock. The attendants wore identical harvest gold formal length gowns featuring empire waists and carried bouquets of white chrysanthemum pom-poms and carnations with green ribbon streamers tied in love knots. Little Miss Tracye James, daughter of Mr. and Mrs. Al James of Lubbock, served her cousin as flower girl. She was gowned in a yellow, gold and green floral print with voile sleeves, trimmed with off-white eyelet lace. She carried a lace covered basket filled with gold petals.

Best man was Tom Brummett of El Paso. Groomsmen were Ron Hoover, brother of the bride and Kenny Roberts of Tulia. Serving as ushers were Rennie and Bruce Williams, cousins of the bridegroom and Danny Hoover, brother of the bride.

The reception was held immediately following the wedding at the church. Members of the houseparty were Misses Gwen and Bev Myers, Gwen Ward and Marla Williams and Mrs. Kathy Cheshire.

Mrs. Williams is a graduate of Monterey High School in Lubbock and is a December graduate of Texas Tech with a degree in elementary education. She was on the Dean's Honor List.

The bridegroom is a graduate of Seminole High School and attended New Mexico Military Institute and North Texas State University. He served two years with the United States Marine Corp, having served in Viet-Nam.

After a short wedding trip, the couple will be at home in Denver City where the groom is self employed at Broadway Enco.

The rehearsal dinner was hosted by the bridegroom's parents, Mr. and Mrs. Elvis Williams in the Blue Room of the Villa Inn at Lubbock.

The picture was obtained in 1905 from D.J. Murphy by L. C. Collier, Ft. Worth, Texas. The picture was made some years before and was believed to be a group of confederate veterans. SEMINOLE NEWS

Section II Seminole, Gaines County, Texas

Under the theme "Get it Done in 71" Glen Cavitt relinquished the presidency of the Seminole Area Chamber of Commerce to its new leader, Don Cates, for the new year. Don said "IT'LL BE HARD TO FILL HIS SHOES, (I never did like tennis shoes too well, anyway.) It was all in fun, with the chamber losing a fine leader, yet gaining a fine leader.

In 1970 the chamber gained 51 new members, moved into a new office, elected an outstanding peach queen, Linda Aryain, had a good clean-up campaign, obtained a fine young manager in Bill Faircloth, had some good promotions, a fine clinic on shoplifting pre-

vention, old settlers reunion, teachers reception and Christmas in July. They had the first golf tournament for chamber members and oil appreciation day. The chamber sponsors the Christmas parade, worked on financial help for the chamber and helped to raise \$22,400 for medical facilities.

Charles Ray, George Cristy, Jim Davis, Jack Jordan, Brom Marchbanks and Olan Locker were cited for jobs well done as departing directors.

New officers for the new year include Don Cates, president; Tom Rogers, first vice-president; Marcus Crow, second vice-president; and Carroll Haralson, treasurer.

New directors are John Shepherd, Charles Squires, Carl Ford, Robert Jones and Joe Smith.

Jim Carlen may not have won all of his football games at Texas Tech in 1970 but he captured the admiration of approximately 230 people attending the chamber banquet Monday night. "Education is fine," he said, "but let us not forget what common sense is. Twenty-two of my football players out of twenty-four graduated with their class at Virginia, helping to prove that hard work and rules do not bother those that want to attain. Why, I carried my players to Arlington National Cemetery so that they might see what price some young men HAD HAD TO PAY TO BE FREE!

"Why, if I'd caused a disturbance in my school they would not have had to call the law, my father would have been there to take care of me. You've taken away from your children some of the things they need most - work, faith in God, rules, and the failure to refuse them things!"

He pointed out the great downfall of a great government of many years gone by - over-taxation, refusal of service to country, sex perversion, boys looking like girls and girls looking like boys, and a going away from God.

Charles Love, teacher in Seminole Elementary, who has been in the local hospital, has been moved to Methodist Hospital in Lubbock where he will undergo surgery. He left yesterday afternoon at approximately 2 p.m.

OPEN LETTER TO WOOD 'N' FOOTE

I REMEMBER READING ONE OF YOUR ARTICLES SOMETIME LAST SUMMER, AND YOU WERE DOING A VERY GOOD JOB OF "BAD-MOUTHING" THE SLOWER DRIVERS YOU HAD ENCOUNTERED ON A RECENT TRIP. MAY I ASK YOU THIS QUESTION? HAVE YOU EVER EXPERIENCED THE "GLOW" AND THE "AFTER-GLOW?" IF YOU HAVEN'T YOU HAVE MISSED THE GREATEST PLEASURE OF TRAVELING. LET ME EXPLAIN WHAT I MEAN. ON A RECENT TRIP I WAS IN A LITTLE MORE OF A HURRY THAN USUAL SO, I WAS TRYING TO KEEP THE SPEEDOMETER NEEDLE HOVERING AS NEAR THE 70 MILE PER HOUR MARK AS POSSIBLE. NATURALLY I CAUGHT-UP WITH DRIVERS WHO WERE NOT IN SUCH A RUSH. OCCASIONALLY ONE WOULD SEE ME APPROACHING AND MOVE OVER ON THE SHOULDER OF THE ROAD AND LET ME PASS. AFTER PASSING AND HE GOT BACK ON THE ROAD I WOULD PUT THE TIPS OF MY THUMB AND FOREFINGER TOGETHER AND WAVE BACK TO HIM, WHICH IS THE UNIVERSAL ROAD SIGN FOR "THANKS, BUDDY, THAT WAS APPRECIATED." EACH TIME I DID THIS I WOULD FEEL A WARM "GLOW" IN MY HEART FOR HAVING THANKED A STRANGER WHO DID ME A FAVOR. SOME OF THE DRIVERS WOULD GIVE THE SAME SIGN BACK TO ME AS I SPED ON DOWN THE ROAD. BUT FOR THE DRIVER BEHIND ME IT EXPRESSED A DIFFERENT MEANING--"GLAD TO HAVE HELPED YOU, AND MAY THE GOOD LORD HAVE HIS HAND ON YOUR STEERING WHEEL UNTIL YOU ARRIVE AT YOUR DESTINATION." THIS IS THE TIME YOU FEEL THAT EXTRA WARM "AFTER-GLOW." BUT, MR. WOOD'N'FOOTE, IF YOU REALLY WANT TO FEEL THAT GLOW AND AFTERGLOW, SO THAT IT WILL MAKE A LASTING IMPRESSION ON YOU, TRY SLOWING DOWN TO 60 MPH. THE NEXT TIME YOU MAKE A TRIP SOMEWHERE, AND WHEN A FASTER DRIVER COMES UP BEHIND YOU, MOVE OVER ON THE SHOULDER AND LET HIM PASS. ONE OUT OF EVERY 10 OR 12 DRIVERS WILL GIVE YOU THE "THANKS, BUDDY," SIGN AND YOU CAN REVERSE THE PROCEDURE EXPLAINED ABOVE. I HEARTILY RECOMMEND THIS PROCEDURE FOR A TIRED DISGRUNTLED DRIVER TO REGAIN HIS COMPOURE FOR HAVING ASKED FOR DIVINE GUIDANCE TO THE FASTER DRIVER. THIS IS NOT MEANT AS DESTRUCTIVE CRITICISM FOR BAD-MOUTHING THE SLOW DRIVERS---I HAVE DONE THAT MANY TIMES---IT IS THAT I HAVE FOUND A MORE SATISFYING WAY OF DOING IT.

Around Town
WITH
Jackie Squires

This is my mom, MRS. ELSIE McFATRIDGE from Oklahoma City. She has been visiting with us this past week (against her will). She always has one foot out the front door, headed for home after a couple of days with us. My co-workers really turned on the charm for her and she decided her favorite daughter was working in good company. She confirmed all of the nice things I have told them about myself throughout the years and confessed to WALTER WOODS she liked reading "AROUND TOWN" much better than the "WOOD-ENFOOTE". She and her neighbors, MRS. ESSIE COUEY and MRS. ORA OLIPHANT, read the paper from cover to cover (even the Woodenfoote) each week. Isn't she a cute "71"?

Everything happens to me. Being sick over the weekend, I missed the opportunity of meeting our governor, PRESTON SMITH, and his lovely wife, IMA. I do hope the opportunity will avail again.

BONNER and LAURA SMITH have recently returned from a holiday vacation in Dallas?

After enjoying the Chamber of Commerce banquet Monday night, I returned home to find a water pipe had burst in the garage. There's nothing like having water soaked kitchen carpet and sweeping water out of a garage in sub-zero weather.

We enjoyed seeing old friends and acquaintances at the banquet, WAYNE and BEA CORNETT from Brownfield, EARL BARTLEY, our former Chamber of Commerce manager, and BILL ADAMS from Slaton were among the familiar faces there. I wish every parent and child could have heard the fine speech made by the guest speaker, COACH JIM CARLEN. It's a comfort to know we still have men like him teaching our youth.

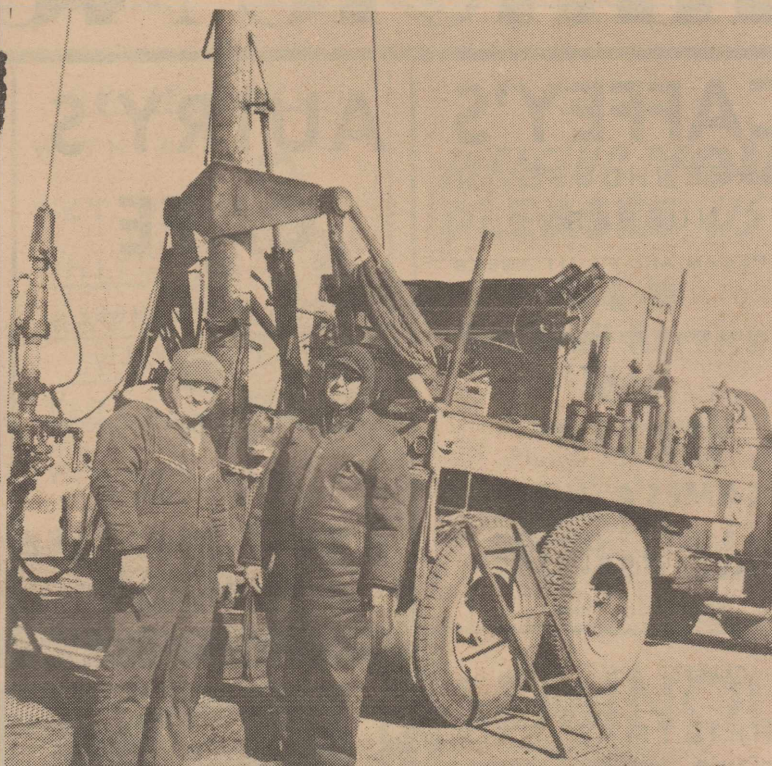

It was good to see JOHN THOMPSON back in the office again Monday with the school news, which meant the holidays were officially over, with school starting again.

See you after the thaw---

Look out for me because I'll be seeing you AROUND TOWN.

Mr. and Mrs. Harold Sholders from Dumas, were week-end visitors in the home of his sister and family, Mr. and Mrs. Joe Smith.

FOLKS & Facts

Monday morning it was down to 10°. Tuesday morning it was down to 4° below zero. Mike Podrazik and Owen Workman, right, employees of SE&E Paraffin Service, said "We've got on four full sets of clothing and wish we had on four more. We've been out since 8 o'clock." The weatherman said the chilling factor was 20° below zero - that's cold! The swabbing unit is on the Amerada lease just off the Denver City Highway.

This is not near the coldest weather Seminole ever had. Seminole holds the record along with Tulia. On February 8, 1933 Seminole recorded 23 below zero. Tulia recorded 23 below February 12, 1899.

Mr. and Mrs. Lawrence Kirk and Karen of Houston spent part of their Christmas Holiday with his parents, Mr. and Mrs. Arzie Kirk.

Holiday guests in the home of Mr. and Mrs. Bill Oswalt were their daughter, Mr. and Mrs. John Dozier, Shelley Gene, Kelly and Kevin of Amarillo and Mrs. Oswalt's parents, Mr. and Mrs. J. O. Martin of Abielene. The Doziers, John and Betty, enjoyed seeing a lot of their school friends who were home for the holidays.

Holiday visitors in the home of their mother, Mrs. Mary Jo Kennedy and sister, Mr. and Mrs. Glen Sullivan and family were Mr. and Mrs. Miles Eckert, Ronnie and Angie of Odessa; Mrs. Glenda Taylor, Ben, Allison and Jimmy and Sue Ann Kennedy, all of Houston and Mrs. Sandra Herod, Diana, Steven and Vicki of Ranger.

Mary Sue Bragdon of Houston spent the Christmas Holidays with her mother, Mrs. Dan Davis and her brother, Mr. and Mrs. Jim Davis and children. She also visited with her grandmother, Mrs. C. W. Conway.

Mrs. Jackie Scott returned home last Thursday after spending the Holidays with her daughter and family, Mr. and Mrs. H. C. Schooley in Ft. Worth.

Bob Clark and son, Mark, spent last Thursday in Sundown with his mother, Mrs. Wanda Honea. His brother, James Clark of Hereford and Mr. and Mrs. Sonny Hicks, Bob's sister of Friona and his nephews, Mr. and Mrs. Gary Hicks, Clovis, N. M. and Mr. and Mrs. Randy Hicks of Colorado City met him in Sundown for a visit. Gary is in the Air Force and will be receiving his discharge soon. Randy is coaching in Colorado City.

Mr. and Mrs. D. G. Presley, Mike, Bobby and Shirlene, spent four days over the holidays visiting in the home of his mother, Mrs. J. S. Quisenberry in Vernon, Texas, also in Iowa Park with Mrs. Eugene Rusham, his sister.

Frank is now associated with Floyd Van Deburgh, Auctioneers, who specialize in selling of oil field equipment, trucking lines and construction equipment.

Mr. and Mrs. Charles Caffey of Searcy, Ark and Mr. and Mrs. Jessie Sims and Kenny of Paragould, Ark. visited during the holidays with Charle's parents, Mr. and Mrs. H. T. Caffey. They went through Carlsbad while in Texas. This was Mr. and Mrs. Sims first trip to Texas and they marveled at the wide open spaces of West Texas.

Mr. and Mrs. H. T. Caffey, Stanley and Harlan spent part of last week in Abilene with his mother, Mrs. Pearl Caffey and in Anson with Mrs. Caffey's mother Mrs. Jim Bowen.

EVERYTHING FOR EVERYONE!

Lowell M. Moore has lived in Seminole since 1948 and it's good that the News can report a home town young man making good. He owns and operates M & M Oil Well Service, Inc., a service company, reworking and repairing oil wells. M & M is managed by Moore and Moore, Joe being a young brother of Lowell's. The company has fifteen employees, three rework rigs - one pole rig and two derrick rigs. Lowell is married to the former Earline Allen. The couple has four children, Evelyn, Becky, Allen Dale and Leland.

Mrs. Hank (Vi) Mayo is the office manager and Earline Moore also works in the office.

In proving his loyalty to his home town and his worth to the community of Seminole, he stood in a public meeting last year and was the first to donate \$1,000 in obtaining the clinic that Seminole might have another doctor. M & M Oil Well Services has been in business three years and three months. Its location - in the draw just west of Seminole on the Hobbs Highway. Like most oil field service companies, it is a day and / or night operation.

H&R Block, an income tax service with offices nationwide, announces the appointment of a new Satellite Franchise Manager. Shown in a ribbon cutting ceremony of the appointment, are Mr. Robert J. Fishkind of Dallas, right, Regional Director of the firm, and Freda Mathis, the local manager. The office is located at 101 S. W. Ave. B. and is part of the 5,000 offices Block will operate nationally this year.

During the 105 day filing period of tax season, these 5,000 offices will use 200 tons of coffee, which is equivalent to 20 million cups. They will use in excess of 130 million sheets of paper and approximately 3,400 inches of special electronic lead. Some 12,000 adding machines will use up to 21,000,000 feet of tape. The firm is estimating to prepare over 9 million returns nationwide this tax season.

Mrs. Mathis cited many reasons for acquiring the local franchise. H&R Block's rapid growth, their fair schedule of charges, were prime considerations. "The Block satellite franchise training program, their acceptance nationwide and their strict adherence to a written guarantee were instrumental in my decision to associate with H&R Block," stated Mathis.

YOUNG FARMERS and YOUNG HOMEMAKERS

The annual livestock show is only a few days away now. It is scheduled for January 9th and will be held at the community building.

The food and crafts show will be held inside the building. Also the sewing projects will be judged and on display inside the building. If you plan to enter the food or crafts division, contact Beth McDonald or Betty Young.

There will be a food both where lunch, coffee and Cokes can be purchased from the Young Homemakers.

Scheduled meetings on Monday night for the Young Farmers and Young Homemakers were both postponed. The Young Farmers are scheduled to meet on Thursday night at the agriculture room at 7:30.
