

John Shepherd called in the following report from Austin. A joint hearing of Senate Bill #443 - Seminole Hospital District, and Senate Bill #444- Seagraves Hospital District, was held in Austin tonight. Senator H. J. "Doc" Blanchard gave the introductory remarks. He told the committee he wanted them to hear the bills and he would accept their decision. Blanchard said he felt he could not recommend one over the other but there definitely is a need for medical facilities in Gaines County. Senator Ralph Hall, Rockwall, chairman, presided over most of the hearing.

There were eleven witnesses from Seminole that testified and eight others that registered their attendance for Senate Bill #443. Neither Seminole nor Seagraves spoke in direct opposition to the other's bill. Three witnesses were present from Seagraves - Harry Cayce, Sonny Willingham and Travis Bagley. Mr. Willingham made the presentation for the Seagraves group.

Testifying for Seminole were Barry Norton, Victor Probst from Austin who made the survey for medical needs for Gaines County last spring, Robert Matthews, Brom Marchbanks, Ed Rodgers, Don Cates, Leon Foote, Richard Watts, Hyle Doss, Joe Anderson and John Shepherd.

Registering from Seminole in favor of Senate Bill #443 but who did not testify were A. C. Stanley, Ben Meith, Bill

I was up in the Lubbock area some time ago and saw a new windmill. I wouldn't have been a bit surprised to have seen a wind charger running nearby. In my picture file I've got pictures of one legged windmills, three legged windmills and four legged windmills. Like cowboy boots and big hats, they're one of the vanishing breeds from West Texas.

Windmills were a way of life not many years ago, not only on the ranches, but in small towns. I've always liked that story about Johnny Heath. He used to be the windmill greaser and he was paid as much as a dime to grease the windmill on the square. Have you ever heard a dry windmill run? Now, there's nothing that will get on your nerves much worse than a windmill going wh--rr--rr--rr, wh-r--rr--rr, wh--rr, and it makes that noise every little while. Now, if the wind's high it's really not too much of a problem, but if the mill's pumping on little gusts of wind and makes that wh--rr, r, wh--rr, wh-r--rr--rr, it'll nearly drive you crazy.

They said when Johnny greased the windmills that he put only enough grease to last 24 to 36 hours. There was an eye for business - the job never played out.

"On railroads come the preachers, giving hope to every soul and God sent windmills, see page two

The sub-committee which consists of the three committee members who heard the major portion of the testimony, will make recommendations to the full committee and to the Senate. There has been no time set for the full committee or the Senate meeting.

There were 14 bills heard by this committee. Seminole and Seagraves were the only contested bills, lasting over three hours. The other 12 bills took up about fifteen minutes. Shepherd said they were well received by all committee members.

"We're number one, we're number one, we're number one!" was the chant following the volleyball games last Friday night when the Maidens beat the Loboettes from Monahans two out of three and went into a tie for the district.

Bob Clark, Duncan Ellison, Delbert Warren and Tom Williams at the meeting of Water, Inc. last Thursday.

Water, Inc. elected officers for Gaines County last Thursday at the Seminole Bank Building. Marion Bowers was elected president, Delbert Warren vice president and Bob Whippo secretary-treasurer. If the county can get as many as 100 members it will entitle them to a director in the organization. Tom Williams and Duncan Ellison from the Water, Inc. office in Lubbock were present.

Water, Inc. is a unique organization, a membership supported non-profit entity concerning itself with finding solutions to the long-range water supply problems. Water, Inc. is concerned with the future water needs of all, agriculture, municipalities and industry.

Water, Inc. was formally organized on May 24, 1967 at a meeting in Lubbock. The organization was the result of concerted effort of the twelve incorporators who had chartered the non-profit corporation the week previously. Both the charter and the organization's by-laws set out its goals, principal among them the creation of public interest in and development of public support for water resources development and conservation projects, and to promote, conduct, and participate in studies, surveys, and research programs for the importation, distribution, reclamation, re-use, utilization, and the storage of water and to make such programs available to the public.

Water, Inc. officials are well aware that its aims include all sources of supplemental water, however, emphasis has been on import of water from the Mississippi River, principally because development of the Texas Water Plan was reaching full stride during Water, Inc.'s brief history. The organization was instrumental in seeing that all of Texas was included in the state plan, and gave it strong backing. An indication of the effectiveness of the organization is evidenced in the fact that the area served by Water, Inc., generally the western half of the state, gave strong backing to a constitutional amendment which would have provided the state's share of financing to launch the Texas Water Plan. Unfortunately, the amendment was defeated statewide by the slimmest of margins.

Even before the constitutional amendment balloting was official, Water, Inc. officials were initiating steps to see that voters would get a second chance as soon as possible. see page two

## HONORS - HONORS

A standing ovation was given when these three received TWENTY-FIVE YEAR service pins Monday night at the school employees appreciation banquet - L. L. Moore, Junior High Principal; Mrs. Agnes Anderson, Arts & Crafts teacher; and Earle Brasfield, Elementary School Principal.

Fourteen employees of Seminole Public Schools received FIVE YEAR service pins last Monday night at the school appreciation banquet.

WATER, INC. cont. from page one

Water, Inc. is truly representative of the area it serves. It is governed by a board of directors. The area is divided into 32 districts. A director is elected from each of the districts. In addition, directors are elected "at-large," however, the list of at-large directors must also be representative of the overall area, thus preventing a concentration of directors from a single area.

The board also includes "advisory directors," among them the leading water planners in the Southwest. An executive committee named by the board conducts the detailed business of Water, Inc. under policies and guidelines set down by the directors.

The day to day operation is carried out by a professional staff headed by the executive director. The staff includes an attorney, an associate director for membership and organization, and an associate director for public relations. Necessary secretarial and accounting personnel round out the staff.

Realizing a need for a closer relationship with individual members, Water, Inc. has embarked on a program of county unit organizations, each unit with its own slate of officers and directors. It is through the county units that Water, Inc. keeps abreast of specific needs and wants of local geographical areas, and it is through the local unit that Water, Inc. is most effective in educational phases of its work.

The organization is financed entirely through membership dues. Dues have been set on a formula basis by the directors with a \$25.00 minimum per member. The formula guidelines take into consideration the size of the business or farming operation.

In early 1970, the current paid-up membership exceeded 2,000 and plans are underway for doubling the membership by the end of the year.

harnessed power and held it in control." -- Vella Galle.

I've tried to count the windmills in Seminole and there's five or six left, some of them still pumping water. Old timers will tell you to this good day that when the windmills went out there was an uneasy feeling because they couldn't tell when the wind was blowing or when it was still outside. Ranchers discussed the depth of wells, the size of the pump, what made the best leathers and sucker rods.

Some cowboys were known as Sucker Rod because their job was to keep the mills pumping. I remember working on one well that only had two joints of pipe in the well and two joints of sucker rod and when it got something wrong with it or sanded down, it just lifted the whole pipe up and down. A lot of windmills didn't have too big a supply and when driving herds through the country some ranchers were very unhappy because they just drank the stock tanks dry. Now, if water was in short supply on that ranch, you could see why as it would

take some mills two or three days to catch up if the wind was blowing steady.

When cowboys started using pickups it was nothing unusual to see a little one lung pump

## P.C.A. REDUCES RATES AGAIN

Lubbock Production Credit Association announced that effective March 15, 1971, their interest rate would be reduced to 7-3/4 per cent.

This is the second reduction of the interest rate in the past seventy days for the association.

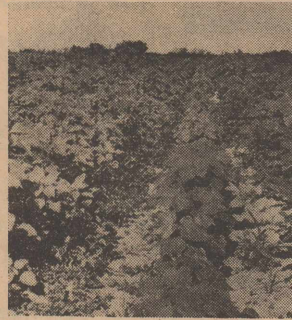

Johnny Lemmons, office manager of the Seminole office, reports that there is currently a downward trend in interest rates and that the Lubbock Association hopes to be able to lower the interest rate again in the near future. (Editors Note: This compares to 9.5% one year ago in December, 1969 and 8.5% on January 10, 1971.)

with up and down arms on it where it could be hauled from mill to mill to pump water. The windmill did just about as much for ranching in Texas as did barbed wire as pastures could be cut up.

I never hear that pump jack squeaking on that oil well south of 19th Street that I don't think about screeching windmills.

This map gives suggested routes for the surface water development, Texas Water Plan. Such a plan is by far the largest dream for bringing water into a semi-arid area that's ever been dreamed up by man. As water tables fall throughout the Plains area, as industry begins to suffer for lack of water, as many many cities in Texas begin to feel the pinch of water reserves, it becomes more and more apparent that something has to be done.

Frustrations of a West Texas housewife - spending all day getting the remains of the day before's dirt storm out of the house, which is precisely what I did Saturday and staying up all night with a severe attack of hay fever from stirring up all that dirt, only to have it blow in again Sunday, tenfold. It seems ole Mother Nature just doesn't have any pity for us hard working housewives. Looks like we're going to have to get DAYTON ELAM to start burning owl feathers again to make the rains come. --- Thank goodness, Monday was a pretty day for getting 'Around Town' or there probably wouldn't have been any 'Around Town' news this week. ---JACK JORDAN in a generous mood Monday, giving me another one of his pretty calendars and MADELINE a pen. ---FAYE BRYANT looking pretty, as usual, coming out of LOWRIE'S DRUG as we were going in Monday. --- BETTY PRICE is a new employee at LOWRIE'S DRUG. If you haven't been by to meet the Lowrie's, do so. ATHEN is the tall, nice looking fella behind the drug counter and GLENDA is the pretty little short vivacious blond that never meets a stranger. --- We miss the happy giggle next door of our friend who doesn't like her name in the paper. Since she's out of town in the Methodist Hospital in Lubbock and can't defend herself for awhile, after having had surgery Monday, I'll just come right out and say CORKY SCOGGINS, WE MISS YOU. GET WELL, SOON! ---DARRELL BURKS, ex-manager of PIGGLY WIGGLY, over from Artesia last Friday, having coffee with new manager, CARL FORD, KENNETH BUCK and ROGER COOPER at JO's. VIRGINIA BURKS looking up old acquaintances while Darrell visited with his old gang. --- FLO SATTERWHITE is home from the Lea General Hospital in Hobbs. Our latest report is - she's doing nicely. ---We're losing some more of our town folks. A. F. and JACKIE HOWETH are moving to Overton, Texas and L. T. and BOBBIE JETER have moved to Ruidoso where they will run a used furniture store and upholstery shop. Sorry I missed seeing our old friend, WANDA ABSHIER, a couple of weeks ago when she was back for a short trip. The Abshiers recently moved to Mount Pleasant. Sure wish you had remembered to bring the butter and eggs you promised us, Wanda. ---ANN DYESS over last week, showing us pictures of her one and only granddaughter. The only thing worse than a grandmother of one is a grandmother of two. ---One of our favorite couples, The I. W. McNAIRS, celebrated their 30th anniversary Monday. Congratulations, McNairs. ---LA RUE'S BEAUTY SHOP has an operator on duty Monday through Saturday, instead of Monday through

**To the Editor**

DEAR EDITOR,  
 THANK YOU SO MUCH FOR ALL THE CLIPPINGS. YES I SAVE THEM AND WE ARE VERY PROUD OF JOHN, AS WE ARE OF ALL OUR BOYS, BUT SINCE JOHN IS IN THE SPOT-LIGHT JUST NOW I WILL TALK ABOUT HIM. THE FINEST THING ABOUT HIS WINNING THE STATE CHAMPIONSHIP WAS THE WAY HIS BOYS RE-ACTED TO HIM, TOTAL RESPECT. OF COURSE HE SHOWS THE SAME TO HIS BOYS, HE HAS A VERY FINE BUNCH OF BOYS TO WORK WITH. HIS COMMENT AFTER THE GAME WAS, "I JUST DON'T KNOW WHAT TO SAY ABOUT ALL OF THIS."

I GUESS THE NICEST THING SAID ABOUT JOHN CAME FROM A VAN HORN STUDENT WHO WAS NOT A BASKETBALL PLAYER WAS, "SINCE COACH CURRY CAME TO VAN HORN WE WIN IN EVERYTHING NOW, BAND, SPORTS, AND OUR SCHOOL RUNS GREAT."

VAN HORN IS A NICE LITTLE TOWN WE ALWAYS ENJOY OUR VISITS THERE, THE PEOPLE ARE REAL FRIENDLY. WE SAW SEVERAL SEMINOLE PEOPLE IN AUSTIN AND ENJOYED VISITING WITH THEM. GIVE MY REGARDS TO YOUR FAMILY, AND THANKS AGAIN FOR THE CLIPPINGS. SINCERELY,  
 ROSALEE (JOHN) CURRY

Dear Editor:  
 I was recently in the hospital here and though some of the conveniences were missing (intercom systems from the rooms to the nurses stations and push-button beds and free TV's, to name a few) there is a marvelous nursing staff and dietary department. I was a patient for two weeks on complete bed rest and the nurses were kind, considerate, friendly, helpful on every shift. I would like to thank them very sincerely and tell them I appreciated all their many kindnesses.

Thank you.  
 Mrs. Patricia Ward

ONE PICTURE EDITORIAL --- To run Ka-Bongers and Ka-Knockers at the pep rally last Thursday night at the M.S. Doss Youth Center, it's the position of the mouth that makes them work. Watch your tongue, men. The pep rally must have worked as the girls went on to defeat Monahans Friday night.

Monday at 4:15 p.m. at North Main and Avenue F - Joe D. Harris from Rogers, Texas. What do you do when a tractor and a tandem plow appear suddenly in front of you? "Thank goodness, I wasn't going very fast." The tractor and empty trailer struck the large rear wheel of an Oliver 1850, then hit the plow following as it crossed over the main highway headed east. The driver of the tractor evidently was scared as he pulled the tractor and plow over on a vacant lot and was last seen running. Doyle Fincher is seen behind the Benet Motor Co. wrecker as he ties onto the truck.

THE SEMINOLE MAIDENS BEAT THE GREEN MACHINE FROM MONAHANS LAST FRIDAY NIGHT IN VOLLEY BALL. MONAHANS HAD BEAT THE MAIDENS IN MONAHANS AND IN THE DENVER CITY TOURNAMENT BUT SEMINOLE CAME BACK TO WIN TWO GAMES OUT OF THREE AND GAIN A DISTRICT TIE IN THE PRESENT STANDINGS. THIS CONTEST WAS ONE OF FEW THAT SEMINOLE GIRLS HAVE EVER PLAYED WHERE THE TIME ELEMENT DETERMINED THE SCORE IN ALL THREE GAMES. THE MAIDENS LOST THE FIRST GAME 12-14 IN OVERTIME. THEY WON THE SECOND GAME 11-8 IN OVERTIME AND CLAIMED THE BIG THIRD GAME 13-11 AS TIME RAN OUT. IN THE FIRST CONTEST THAT MONAHANS WON THE GAME WAS TIED 7-7, 9-9, 11-11 AND 12-12 BEFORE THE MAIDENS WERE EEKED OUT. THERESA CAFFEY LED ALL SCORES FOR THE NIGHT WHEN SHE HAD 9 POINTS SERVED IN THE FIRST GAME, 2 IN THE SECOND GAME AND 4 IN THE LAST GAME. ROBIN HUGHES HAD 6 BIG POINTS IN LEADING THE SECOND GAME AND SUSAN SANDERS WAS HIGH WITH 6 IN THE LAST GAME. IN THE SPIKING DEPARTMENT IT WAS VAN WINKLE AND THE EASY TOUCH OF LINDA ARYAIN. LINDA WAS PLACING THE BALL INSTEAD OF DRIVING IT DOWN THEIR THROATS. IN THE SECOND GAME, THE GAME WAS TIED 1-1, 3-3, 4-4 AND 5-5 BEFORE SEMINOLE JUMPED TO A 10-7 LEAD AND WON IT 11-8. THE THIRD AND DECIDING GAME WAS MOST EXCITING WHEN THE MAIDENS JUMPED TO A 8-0 LEAD, MOVED TO 8-4, 10-4 ONLY TO SEE MONAHANS JUMP BACK TO A 10-11 ADVANTAGE. WITH 17 SECONDS LEFT ON THE CLOCK MONAHANS MISSED THEIR SERVE AND THE OUTSTANDING SOPHOMORE THERESA CAFFEY SERVED, ARYAIN SPIKED ON THE FIRST VOLLEY AND THE SCORE WAS TIED 11-11 WITH 13 SECONDS. NOW CAME THE BIG ONE, VAN WINKLE RECEIVED AN EXCELLANT SET-UP BY THERESA HUGHES AND MONAHANS WAS BEHIND BY 1 ON A TERRIFIC DRIVE. THERESA CAFFEY SERVED AGAIN WITH 2 SECONDS LEFT AND MONAHANS WAS BEAT AS TIME RAN OUT. THEY WERE SO UP-SET THEY DID NOT EVEN RETURN THE BALL.

The annual Texas Football Boys' Lily Day for Crippled Children in Seminole will be held March 27 from 12:00 noon till 4:00 p.m., Claude Chappell announced today.

Members of Seminole Indians, led by their coaches, will be stationed on streets downtown to pin Easter lilies on lapels of shoppers.

Football players conducting the sale will be identified by the Easter Seal coin canisters they will be carrying.

Bob Lilly, defensive tackle of the Dallas Cowboys football team, is serving as State Chairman for the Football Boys' Lily Day for Crippled Children in Texas.

The Easter Seal Appeal is conducted by the Easter Seal Society for Crippled Children and Adults of Texas which last year provided treatment and services for 21,563 crippled children and adults in Texas.

Ninety percent of the funds contributed during the Easter Seal campaign remain in Texas to finance rehabilitation services for handicapped Texans. The Easter Seal Society annually spends more money for direct services to the handicapped in Texas than is collected in the Easter Seal Appeal.

**WOMEN AT WORK... A PROFILE STUDY**

In 1940, one out of four persons in the work force was a woman. At the peak of World War II, when women entered the war effort, females accounted for 30% of the total work force or a little less than 1 in 3. By 1960, one of every three were women. Now the figure is 38%... creeping steadily toward the 50% or 1 in 2 mark.

Striking changes have marked the female work force over the past years. In 1920, the typical working girl was 28 years old, single, and worked in a factory. Only 1 in 5 finished high school. Today, the typical female worker is 40 years old, married, and most likely holds down a clerical, service, or sales job. She has a high school diploma and some college.

Since 1947 the number of women in the civilian labor force increased 75% while the number of men rose only 16%. Women give economic necessity as their major reason for taking a job. Other reasons include need to supplement inadequate family income; to help pay for a home; medical treatment; or children's education; or to raise the family's standard of living in general.

A significant difference between women workers and men workers is the intermittent nature of women's lifetime work pattern. Nearly all women workers interrupt their employment at some time for marriage and for bearing and rearing children. When they return to the labor force many can work only part time or part of the year because of continued home responsibilities. Thus... whether clerical workers, operatives, or professional workers, they will have lost ground in terms of job seniority and work experience to qualify for promotion at the same rate as men.

In addition, females generally retire at an earlier age than men, yet because of their shortened number of working years, their retirement income is sadly deficient.

The foregoing facts, presented by the U.S. Department of Labor, are significant to us. Women's need for money... of which life insurance is a basic part... is no small matter.

**BY MRS. OPAL (R.M.E.) HUGHES**

Our pastor, Brother P.A. Mitcham, preached a real good sermon about Jobe being punished and how he let the Lord lead him all the way.

Mrs. Fairy Blodgett is fine but sure did stay at home out of the sand storm.

Mr. and Mrs. Dick Clay visited Mrs. Opal Hughes this week.

Mr. and Mrs. Donnie Castleberry came down from Lubbock and visited both of their parents, Mr. and Mrs. Charlie Lambert and Mr. and Mrs. L.V. Castleberry of Fairview, and both of their grandparents, Mrs. Lena Castleberry of Seagraves and Mrs. Opal Hughes.

Mr. and Mrs. Dick Clay visited Mr. and Mrs. Doc Hays this week.

Mrs. R.C. Pattie and Mrs. Opal Hughes had a weekend party at Mrs. D.F. Rice's home. These women did lots of talking and girlish giggling in other words. This was a big time for all present.

Mr. and Mrs. Farris Brooks worked cattle. We are sure they are busy because it is so dry here now.

Mr. and Mrs. L.V. Castleberry had Lewis' brother, Stanley Castleberry and Stanley's son, Steve Castleberry, visiting them Sunday, also Mrs. Opal Hughes and Mrs. Lena Castleberry of Seagraves, Donnie Castleberry from Lubbock, Jean, Amon and Leon. All this bunch had a real nice time together.

Mr. and Mrs. L.H. Hughes have gone fishing but guess will be gone several days. They took their trailer house.

Mr. and Mrs. Gene Allen was at church Sunday.

Mr. and Mrs. Jim Cassell come to church and brought Karl Hughes with them. These people are so faithful to our church and their Lord.

Mr. and Mrs. Farris Brooks had Mr. and Mrs. J.C. Rice visiting them this week.

Mr. and Mrs. Homer Whitaker are real proud of their home although Homer works too hard and does not feel too good.

Fairview's revival is coming up soon. They will have two services a day and all those that can't see to drive at night can be there for the morning services. Seems like they get close enough to the Lord in the morning.

Mr. and Mrs. Woodrow Wright was at church. These folks are such good neighbors.

Mr. and Mrs. Richard Haynes from Lubbock visited her mother and father, Mr. and Mrs. Woodrow Wright, last week.

Vickie Bates visited Jean Castleberry this week.

Mr. and Mrs. Leslie McHaney had sick folks at Andrews but they are better now, Mrs. John Renfro.

## EDITORIAL

Gaines County with no doubt grows the best peaches, the best watermelons, potatoes, and green beans of any area in Texas.

One of the complaints continuously is quote, "why can't we buy Gaines County pecans, potatoes, peaches, etc.

Mainly the problem that exist is this, local stores that sell similar merchandise has to have a supplier that can furnish them these items 12 months out of the year. So it is a problem to local merchants to sell in-season vegetables and fruits when maybe the local supply will last only a few weeks.

Friends in Odessa, San Angelo, and Carrizo Springs delight in telling me about buying Indian potatoes in their hometowns.

Texas has the 3rd largest fruit and vegetable harvest in the nation, with a total value of more than 140 million dollars.

Texas ranks first in production of carrots, onions, watermelons and cabbage. Production totals for Texas grapefruit and cantaloupes are second largest among all states, while oranges rank fourth and peaches 12th.

Other major fruits and vegetables produced in Texas are honeydew melons, lettuce, cucumbers, tomatoes, spinach, sweet corn, potatoes, sweet potatoes, green peppers, cauliflower, broccoli and snap beans.

Altogether there are more than 200 different varieties of fruits and vegetables grown in Texas. Commercial production is concentrated in 13 separate areas, with the largest output located in the Rio Grande Valley and the High Plains.

A number of Texas vegetables are available all year, but in general the shipping season hits a peak in the Spring, and again during the Winter months. Citrus shipments are confined to the period from October to June.

Enjoy Gaines County products and Texas Agriculture products as much as possible .

In selecting Texas fruits and vegetables TAP, Texas Agriculture products says they are 1st in quality, economy and availability.

### WRECK SENDS LOCAL WOMAN TO HOSPITAL

Marsha Ann Burrell, age 22, lost control of the 1967 Ford she was driving last Thursday morning at 3:10 a.m. 20 miles west of Seminole. She was headed east when the car went off the right hand side of the highway, crossed over the highway and came to rest approximately 1/4 mile away in a stubblefield north of the highway.

The car was a total loss after turning over two complete times. Miss Burrell's condition is reported as good in Seminole Memorial Hospital. There were no passengers. Kenneth Selman, TDPS, worked the accident.

### Cards Of Thanks

It is very difficult to find the words to express the gratitude we feel for all your help, concern, flowers, food, and the many prayers during the illness and loss of our loved one. We are so thankful for Rev. McMullen and the members of the Assembly of God Church. Also a very special thanks to the wonderful nurses at the hospital. We want each of you to know that each act of kindness was deeply appreciated and will never be forgotten.

## Honey Bee Mfg Co

Isabel Alaniz started building trailers, pickup covers and pickup campers four years ago and started his own manufacturing plant thirteen months ago. Honey Bee campers are now sold by eleven dealers in the following towns: Farmington, Lovington, Hobbs, and Carlsbad, New Mexico; Levelland, Lubbock, Odessa, Monahans, Seminole, Denver City and Seagraves. Even a small factory takes a lot of equipment - \$6,000 in saws. The organization builds covers from \$269 cost to dealers to \$1897 campers and vacation trailers. "We can build five of the small units per day with the five employees. We have in stock to be built up approximately 150 to 160 units or about \$13,000 in windows and metal alone."

Besides the owner, there is Ben Rivera, Jack Davilla, Frank Estrada and Glenda Baker, secretary. Mr. and Mrs. Alaniz are the parents of six children. His hobby is horses.

# LOOP NEWS

BY EDITH ARMSTRONG

T. J. (Jeff) McAlister, 65, a farmer in the Loop community since 1943, died about 2 p. m. Sunday in Lubbock's Methodist Hospital.

Services were conducted at 2:30 p. m. Tuesday in the 13th and Ave. D. Church of Christ in Seagraves with the Rev. Don Knight, pastor of the First Baptist Church in Loop, and Doug Wilks of Seagraves, minister, officiating.

Burial followed in the Loop Cemetery, directed by Webb Funeral Home.

A native of Erath County, McAlister was married to Veda Fleming in 1930 at Lovington, New Mexico.

He is survived by his wife, Veda; a daughter, Mrs. Nancy Perez of Loop; three brothers, A. P. of Mexia, Roscoe of Pecos; and Bill of Stephenville; five sisters, Mrs. Belle Tate of Slaton, Mrs. Vida McEntire and Mrs. Pearl McEntire, both of Stephenville, Mrs. Clara Yeager of Mineral Wells and Mrs. Avis Tate of Littlefield; and three granddaughters of Loop.

Our sympathy is extended to the family in this time of sorrow.

Sympathy is also extended to the Delbert Nail family. His sister, Mrs. Frank Caldwell, was buried at Loop on Sunday. Services were held at Loop Church of Christ Sunday afternoon and burial followed in Loop Cemetery. Mrs. Caldwell was a former resident of the Loop community. She was living in Ervin at the time of her death Thursday morning.

A group from Loop attended the State Basketball Tournament held at Austin last weekend. Those attending were Mr. Crisp Williams, Mr. Wayne Fincher, Mr. Fred McDonald, Mr. Dan Calfee, Ricky Mills, Mike Boggan, and Monty Ancinec. They reported having an enjoyable weekend of basketball excitement.

Mr. and Mrs. Henry Simmons visited this week in Albuquerque with their daughter and family.

A double 12th birthday party was held Thursday evening at the Seagraves Skating Rink honoring Jan Boles and Russell Armstrong. About 40 junior high boys and girls attended. Refreshments of Cokes and cookies were served.

Regular monthly 4-H meeting will be held this Thursday, March 18, at 4 o'clock in the community building. The program will be on law enforcement given by Ed Welch, County Sheriff. Refreshments will be served by Harold Glaspie, Jayme Hamilton, Tony Hord and Cherrie Harris. Clean-up committee will be Elvia Gonzales and Cynthia Glaspie.

The adult sewing class met again Monday morning at the community building to sew on their garments. Miss Elinor Harvey from Seminole gave a lecture and demonstration on how our finished coats will look.

Most of us are wondering if ours will ever look like a coat or suit with a Hong Kong finish. Her finished garment was very neat and attractive. Next meeting will be held Monday at 9 o'clock with demonstration beginning at 9:30. A salad luncheon will be held again next Monday at the sewing classes.

The Young Homemakers of Loop sponsored a bake sale Friday held at Nina's Cafe. Proceeds from the sale and donations amounted to about \$385 which was given to the Jeff McAlister family. Thanks to the community for a good turnout on this worthy project of the Young Homemakers.

Mr. and Mrs. Jerry Hunt and children from Hobbs were weekend guests at Loop with his parents, Mr. and Mrs. R. L. Hunt.

Mr. and Mrs. Paul Caughron were hosts for a double birthday celebration Saturday in their home. Guests of honor were Shannon Caughron from Lubbock and Larry Caughron from Canyon. Visitors with Mr. and Mrs. Bill Lowe over the weekend was Mr. and Mrs. Ray Marley and baby from Plainview.

The Baptist Church at Loop has a new preacher who moved in on Monday. Mr. and Mrs. Don Knight came from Tokio. They have two children, a son, Darren, in the 4th grade and a daughter, Tammi, in the 2nd grade. Welcome to Loop.

### SCHOOL NEWS

The public is invited to attend the dress rehearsal of the One Act play entitled "Once Upon A Playground" by Jack Franks. This is a Samuel French Production. The rehearsal play will be on Tuesday, March 23, at 1:00 p. m. at the Loop High School Auditorium. There will be no charge for admission. This will be the only showing of the play at Loop.

Next showing of the One Act play will be at Borden County March 25th in competition with other area school. The plays there will begin at 4:30 and Loop will be number 3.

Cast for the play will be Wanda Bon-Teresa Bingham, Tootie Shoe-Kathy Noble, Didi Fee-Elaine Freeman, Forda Moore-Brenda Chaffin, Phoebe Dive-Brenda Shults, Dixie Wicks-Jackie Nail, Flirt Stephens - Pam Owens, Georgie - Jim Schooler, The Girl - Barbara Wilkenson, The Boy - Roy Tovar.

The senior class held a variety show last Thursday night with a wide variety of talent displayed. Ricky McConal acted as master of ceremonies. Contestants performed from Brownfield, Lamesa, Seagraves and Loop area. It was a very enjoyable evening of singing, short skits, pantomime acts, twirling, piano solos and a local rock band.

Track meet schedule is as follows:  
 March 20- Girls at Wink  
 March 20 - Boys at Imperial  
 March 26 - Girls & boys - Borden County  
 March 31 - Boys district track meet at Seagraves  
 April 10- Girls at Idalou  
 April 22 - Girls district at Seagraves  
 Friday, March 19, a group of

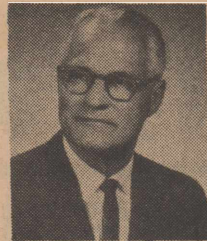

FFA boys and their advisor, Mr. J. E. White, plan to attend a livestock judging contest at the fair ground in Lubbock. Students attending will be Monty Ancinec, Wayne Freeman, Virgil Newton and Randy Armstrong.

Saturday, March 20, a group of FFA boys and their advisor, Mr. White, will also attend a meats, dairy and livestock judging at Sweetwater.

Last Saturday the FHA girls and their sponsor, Miss Betty Davis, attended a district FHA meeting held at Midland. Jackie Nail was the voting delegate for the Loop girls. They were accompanied by Mr. Alvin Frasier who drove the school bus.

Mrs. Iola Briscoe announces the engagement and approaching marriage of her daughter, Miss La Ruth Freeman, to Mr. Sylvester Erskin, son of Mrs. Alice Littlefield of Lamesa. The wedding will be Saturday, March 20, at 3 p. m. in the Loop Baptist Church.

Sunday, March 14, the sand blew and it blew at Loop. It set a record as the worst one most of us Loop-ites had seen in several years. We need to

#### "HOW TO BE RICH"

"NOW, SARGE, I'M GOING TO BE QUITE FRANK WITH YOU. I'M QUITE SURE WE'RE TALKING ABOUT TWO DIFFERENT THINGS. YOU'RE TALKING ABOUT HOUSES AND LAND, A BIG BANK ACCOUNT, TWO OR THREE CARS, A YACHT, PERHAPS, TRAVEL, EXCITEMENT, AND LUZURY, AREN'T YOU?"

"WELL, YES", HE ANSWERED, "YOU'VE PROBABLY EXAGERATTED, BECAUSE I DON'T BELIEVE I THOUGHT OF ALL THOSE THINGS YOU MENTIONED, BUT IT WOULD BE PRETTY NICE TO BE ABLE TO AFFORD ALL THEM IF I WANTED TO, SO YOU MAY AS WELL INCLUDE THEM IN THE LIST." HE GRINNED AND SETTLED BACK IN HIS CHAIR.

"WELL, LET ME ASSURE YOU THAT THE LORD WHOM I SERVE IS CAPABLE OF GIVING YOU ALL THOSE THINGS IF HE SO CHOOSES. KING SOLOMON REQUESTED WISDOM, AND JEHOVAH NOT ONLY MADE HIM THE WISEST MAN THE WORLD HAS EVER KNOWN, BUT HE ALSO MADE HIM THE RICHEST MAN IN THE WORLD'S HISTORY. SO GOD CAN MAKE YOU A POSSESSOR OF MANY THINGS WHILE YOU'RE HERE, BUT HE PROBABLY WON'T GIVE YOU ANY SPECIAL CONSIDERATION IN THIS AREA--AT LEAST, NOT ANY MORE THAN ANY OTHER HARD WORKING INDIVIDUAL. YOU SEE, THE MATERIAL POSSESSIONS WHICH YOU ARE AFTER ARE AWAY DOWN ON THE SCALE OF RELATIVE VALUES OF THOSE THINGS WHICH GOD CAN GIVE YOU." I PICKED UP MY BIBLE WHICH WAS

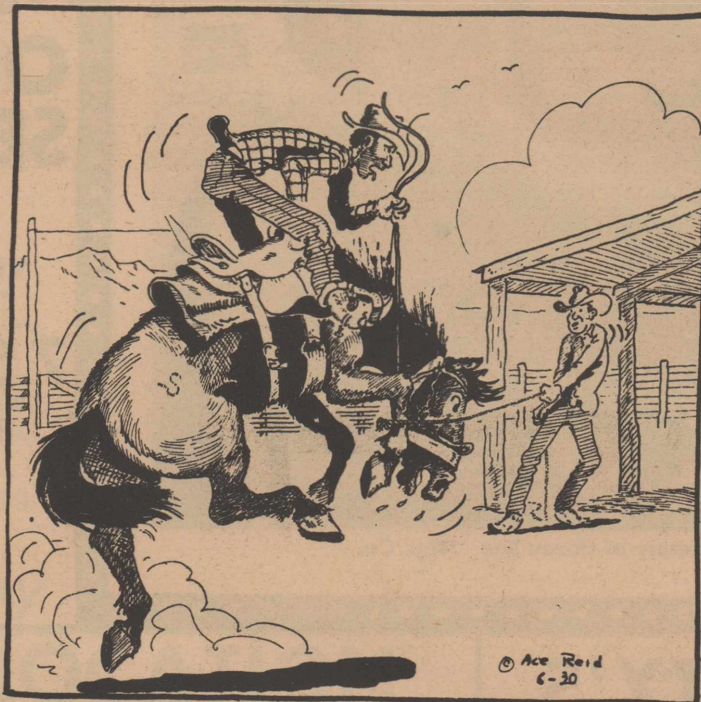

\* \* \*  
 hurry and get it shoveled out, ready for that big rain that is coming. Better hurry and get that rain gauge up soon.

LYING ON MY DESK AND TURNED TO THE BOOK OF ECCLESIASTES WHILE I CONTINUED TALKING, "IN THE FIFTH CHAPTER OF ECCLESIASTES AT VERSES EIGHTEEN AND NINETEEN SOLOMON PENNED THE FOLLOWING WORDS OF IMMORTAL WISDOM CONCERNING GOD'S BLESSINGS AND OUR RECEPTION OF THEM." AND I READ, "IT IS GOOD AND COMELY FOR ONE TO EAT AND TO DRINK AND TO ENJOY THE GOOD OF ALL HIS LABOR THAT HE TAKETH UNDER THE SUN ALL THE DAYS OF HIS LIFE, WHICH GOD GIVETH HIM--FOR IT IS HIS PORTION. EVERY MAN ALSO TO WHOM GOD HATH GIVEN RICHES AND WEALTH, AND HATH GIVEN HIM POWER TO EAT THEREOF, AND TO TAKE HIS PORTION, AND TO REJOICE IN HIS LABOR. THIS IS THE GIFT OF GOD." "HOWEVER", I SAID, "SOLOMON CONTINUED IN CHAPTER SIX, "THERE IS AN EVIL WHICH I HAVE SEEN UNDER THE SUN, AND IT IS COMMON AMONG MEN-- A MAN TO WHOM GOD HATH GIVEN RICHES, WEALTH AND HONOR, SO THAT HE WANTETH NOTHING FOR HIS SOUL OF ALL THAT HE DESIRETH, YET GOD GIVETH HIM NOT POWER TO EAT THEREOF, BUT A STRANGER EATETH IT. THIS IS VANITY AND IT IS AN EVIL DISEASE."

I PAUSED AND LOOKED AT HIM, BUT HE SAID NOTHING. "NOW, SARGE," I CONTINUED, "GOD HAS GIVEN YOU A HEALTHY BODY. HE HAS GIVEN YOU A GOOD BRAIN, AND PLENTY OF ABILITY. THESE YOU CAN USE HONESTLY AND HONORABLY TO ACQUIRE MATERIAL POSSESSIONS. AS YOU ACQUIRE THEM, PRAY THAT GOD WILL GIVE YOU THE "POWER TO EAT THEREOF" SO THAT YOU CAN CONTINUE TO ENJOY THEM FULLY. BUT MY FRIEND, A WORD OF CAUTION IS IN ORDER, WHILE YOU ARE ACQUIREING AND ENJOYING THIS MATERIAL WEALTH, SEE THAT YOU EXERCISE WISDOM SO THAT YOU CAN CONTINUE TO ENJOY THE FRUITS OF YOUR LABOR. BUT ABOVE ALL, REMEMBER THAT GOD HAS A MUCH MORE VALUABLE POSSESSION THAT IS AVAILABLE TO YOU FOR THE TAKING." (CONTINUED)

**LOCAL STUDENTS HONORED**

Four outstanding high school science students from Seminole were honored yesterday at a Science Recognition Day sponsored by Southwestern Bell in Lubbock.

Students attending from Seminole High School included Mark Thompson, Michael Lewis, Barry Willis and Bill McCleskey. Also attending was David Perkins, Seminole High School teacher. Students and teachers from a wide area of West Texas attended.

The all-day event commemorated the 124th birthday of Alexander Graham Bell, inventor of the telephone. "The telephone company holds these programs annually to recognize high school students, normally seniors, who are proficient in science and physics," said Harry Sawyer, manager for Southwestern Bell.

The day's activities included three significant programs. Richard Barnes, Bell Telephone Laboratories field representative from Dallas, talked about the latest research and development in telecommunications. Gene Solloway, Southwestern Bell engineer from San Antonio, demonstrated a working laser and discussed its potential in the telecommunications field. Roy Wickerham, telephone company science demonstrated closed circuit television, micro-wave transmission and electronic switching for telephones.

THE SPEECH TEAM AND THEIR SPONSOR MRS. PRICE AS THEY PREPARE TO LEAVE FOR THE SPEECH TOURNAMENT AT WEST TEXAS STATE UNIVERSITY IN CANYON LAST FRIDAY.

Estella Quintanilla and Carolyn Teston, seated, and Susan Wallace and the FHA girls' teacher, Mrs. Joyce Watts, are all smiles Monday as they look at their FHA scrapbook. At the Area II meeting in Midland Saturday, Susan was chosen to sing in the state choir at the State FHA meeting to be held in April at Dallas. Estella was elected historian for 1971-72. Carolyn was the outgoing area historian. Mrs. Watts was given an honorary FHA membership, one of three chosen from the area.

Last week the News ran a story about the sharp increase in building materials. Numbers of you had comments. Here's a grocery ad from a December 2, 1937 Thursday issue of the Plainview Evening Herald. Roasting Pork, plenty of lean shoulder, 17¢ per lb., Rabbits-wild cottontails from New Mexico, they're dressed, ready to fry - 20¢ each; Rib Roast - 11¢ per lb., Pecan Meats - 1 lb. cellophane bags 39¢. Ten ounces today cost from \$1.25 to \$1.60. How's this - Candy - 1 lb. cello bag 15¢, Grapes - 6¢ lb., Red Pepper - 8 oz. box 15¢, Oranges, full of juice - 35¢ for 2 doz., Kraut - 7½¢ per can, Corn, same price, Tomato Juice, Swift's or Del Monte - 7½¢ per can, and Hams, boneless picnic, half or whole - 29¢ per lb.

Last Saturday night the Girl Scouts Father-Daughter banquet was held at the school cafeteria. Fathers and dates paid a penny a pound to get in. Bill Buzbee said "My date, Karen Allison Buzbee, weighs 105 pounds. It only cost me \$3.20 for me to get in." All dates weighed 20,000 pounds, that's 128 daddies and escorts.

HOW THE INDIVIDUAL CAN FREE HIMSELF MOST EFFECTIVELY FROM POLLUTION OF THE MENTAL ATMOSPHERE WILL BE BROUGHT OUT IN A PUBLIC LECTURE IN HOBBS, N.M. ON TUESDAY MARCH 23.

GRACE BEMIS CURTIS, C.S.B., OF PITTSBURGH, WILL DISCUSS WAYS OF CULTIVATING A FULLER MEASURE OF IMPARTIAL LOVE, SELFLESSNESS, MENTAL FLEXIBILITY AND MORAL COURAGE IN HELPING TO ESTABLISH LIVING CONDITIONS FREE OF MENTAL AS WELL AS PHYSICAL POLLUTION.

A CHRISTIAN SCIENCE TEACHER AND LECTURER, MISS CURTIS WILL SPEAK UNDER THE AUSPICES OF FIRST CHURCH OF CHRIST, SCIENTIST, IN THE CHRISTIAN SCIENCE CHURCH, 901 NORTH TURNER AT 7:30 P.M.

"WHEN WE FINALLY DECIDE THAT WE DON'T WANT TO LIVE IN THE HELL OF MENTAL POLLUTION AND BEGIN TO CHOOSE HEAVEN, WE BECOME PROGRESSIVELY BLESSED WITH INNER CONTENTMENT AND OUTER HARMONY," MISS CURTIS WILL TELL HER AUDIENCE.

LONG ACTIVE IN THE HEALING MINISTRY OF CHRISTIAN SCIENCE, MISS CURTIS WILL RELATE IN HER LECTURE INSTANCES OF SPIRITUAL HEALING OF PRESENT-DAY PROBLEMS.

BEFORE DEVOTING HER FULL TIME TO THE PRACTICE OF CHRISTIAN SCIENCE, SHE WAS A CONCERT PIANIST. MISS CURTIS STUDIED MUSIC PRIVATELY WITH TWO STUDENTS OF FRANZ LISZT. SHE ALSO STUDIED AT THE EASTMAN SCHOOL OF MUSIC AND FINE ARTS IN NEW YORK CITY. IN ADDITION TO TEACHING MUSIC AT ELMIRA COLLEGE IN NEW YORK SHE HAS SERVED A PRESIDENT OF THE CORNING PHILHARMONIC SOCIETY.

MISS CURTIS IS A CHRISTIAN SCIENCE TEACHER AND A MEMBER OF THE CHRISTIAN SCIENCE BOARD OF LECTURESHIP.

HER LECTURE ENTITLED "LET'S CHOOSE HEAVEN HERE" IS FREE, AND LOCAL MEMBERS HAVE INVITED THE PUBLIC TO ATTEND.

## NEWS RELEASE FROM SOIL CONSERVATION SERVICE

LANDOWNERS AND OPERATORS ARE BEING URGED TO "THINK TWICE" BEFORE DOING ANY UNNECESSARY TILLAGE OPERATIONS WHICH MIGHT TEND TO INDUCE WIND EROSION, ACCORDING TO CHARLES MICKELSON, DISTRICT CONSERVATIONIST WITH THE SOIL CONSERVATION SERVICE IN SEMINOLE.

"WITH THE LACK OF SOIL MOISTURE, THE MOST DESIRABLE METHOD OF KEEPING LAND FROM BLOWING IS BY A PROTECTIVE COVER," MICKELSON STATED. IF CROP RESIDUES ARE PRESENTLY DOING A GOOD JOB OF HOLDING DOWN EROSION, ESPECIALLY ON DRYLAND, THE CONSERVATIONIST RECOMMENDS THEY BE KEPT ON THE SOIL SURFACE AS LONG AS POSSIBLE. CROPS SHOULD BE PLANTED WITH A MINIMUM AMOUNT OF TILLAGE BEING PERFORMED TO STIR THE SOIL AND START IT TO BLOWING.

MICKELSON WENT ON TO STATE THAT FARMERS WITH IRRIGATED LAND SHOULD PREWATER AS MUCH AS POSSIBLE BEFORE FLOWING UNDER ANY PROTECTIVE COVER, ONCE THE SOIL MOISTURE HAS BEEN REPLACED, THEN TILLAGE OPERATIONS CAN BE EFFECTIVE TO CONTROL THE BLOWING.

ON DRYLAND, MINIMUM TILLAGE CAN KEEP THE COST OF PRODUCING A CROP DOWN WHILE ALSO PROVIDING EROSION PROTECTION. MANY FARMERS IN THE PLAINS AREA ARE GOING TO A MINIMUM TILLAGE TYPE OPERATION TO HELP ACCOMPLISH THIS. EQUIPMENT COMPANIES AND CHEMICAL COMPANIES HAVE BEEN WORKING ON TECHNIQUES AND EQUIPMENT NEEDED TO CARRY OUT SUCH A SYSTEM OF FARMING WITH LITTLE OR NO TILLAGE OPERATIONS EXCEPT FOR THE PLANTING OPERATION. MICKELSON ADDED THAT IF THIS TYPE FARMING CAN BE ADAPTED, IT WILL BE VERY BENEFICIAL TO CONTROLLING EROSION AND AT THE SAME TIME, INSURE GETTING A CROP STARTED WITHOUT GETTING "BLOWN OUT".

MICKELSON COMMENTED THAT WIND EROSION CAUSES UNTOLD MISERIES TO THE PEOPLE OF THIS AREA AND UNCOUNTED DOLLARS IN DAMAGE TO PROPERTY. HE ADDED THAT WE ALL KNOW THAT DRY WEATHER IS GOING TO OCCUR FROM TIME TO TIME AND BEING PREPARED FOR IT AND THE WINDS WHICH ACCOMPANY IT IS WHAT NEEDS TO BE ACCOMPLISHED.
