

A fan from Lamesa yelled at the volleyball game in Lubbock last Saturday, "Seminole people are poor losers." That just might be, but the Seminole Maidens looked great in victory as they claimed the Region I volleyball meet. They soundly beat the Lamesa Tornadoes in the finals 15-9 and 15-7.

It was a big team effort all the way. In the first game against Perryton at high noon Teresa Hughes had 4 successful serves, Aryain had 4 and Susan Sanders had 5. In the second game Aryain and Sanders were tied with 4 points each, followed by Robin Hughes with 3 and Teresa Hughes with 2. The first game was tied 1-1 and 3-3 before the Maidens started putting the points together and jumped to a 7-4 and a 13-6 lead. In game number two the Maidens jumped to a 3-1 lead only to fall apart and behind 4-8. They came back strong, tying the score 10-10 and winning 15-10.

On the big smashes over the net it was Van Winkle, Caffey and Aryain tied with 3 each in the first game. Robin Hughes had 1. In the second game it was Theresa Caffey with 4, followed by Aryain and Van Winkle with 2 each and Robin Hughes with 1.

Lamesa made short work of Vernon. With 1:55 gone in the 1st game Lamesa won 15-0. The 2nd team played them almost as well in the 2nd game, 15-5, winning in 3 minutes 2 seconds.

The Maidens proved their class and superiority in the regional meet when they met Lamesa. With 5 minutes remaining in the 1st game the score was tied 4-4, then 5-5 and 6-6, but the Maidens really challenged then and jumped to an 11-7 lead and won it at 15-9 with 1 minute to go on the clock.

Sanders and Teresa Hughes never set up better and Teresa on two occasions placed the ball over the net when the opponent was out of position, claiming big 'go ahead' points. She was in a class all by herself on serves when she got 12 for the 2 game set. Linda Aryain had 6, Robin Hughes 3 and Theresa Caffey 3. Theresa Caffey had 5 great spikes in the 2 games, along with Linda Aryain. Van Winkle had 4 and Robin Hughes 2. Gayla Blau proved her worth to the team when she came in off the bench and served successfully in both games.

It was a good victory and it's on to Austin for the Seminole Maidens and their coaches, Judy Bugher and Sandra Ward.

Man is an adaptable character, he is born free, into a free society; he lives free, in a free society, he is big, he is strong, he is the boss of the universe, he mans a space ship, he throttles a train, he controls a ship, he splits the atom, he plays pro-football, he politics the world.

I asked a young man a few days ago, he must have weighed 170 to 180 pounds, what kind of wife he had married fifteen months ago. **CON'T PAGE 2**

IT RAINED 3 FAST INCHES LAST THURSDAY NIGHT ON THE JENKINS FARM WEST AND SOUTH OF SEMINOLE. THE VALLEY SPRINKLER SYSTEM IS ALMOST UNDERWATER.

A front view of the tree and the Chevrolet pickup driven by George W. "Dub" Jones.

Justice of the Peace W. E. Cox, Jr. pronounced George W. "Dub" Jones, 55, dead at the scene of the accident 13.3 miles east of Seminole on Highway 180. A truck driver reported the accident at 3:05 a.m. yesterday after seeing the Chevrolet pickup where it had smashed a tree. Approximate time of the accident was 2:30 a.m. Tuesday

morning. Apparently Jones had fallen asleep at the wheel while traveling east toward his home, left the highway on the north side and struck an elm tree two feet in diameter. The driver's side took the full impact with the base of the tree being directly under the driver's seat. There were no passengers. **CON'T. P. 2**

Hail stones as seen through a camera eye last Thursday night.

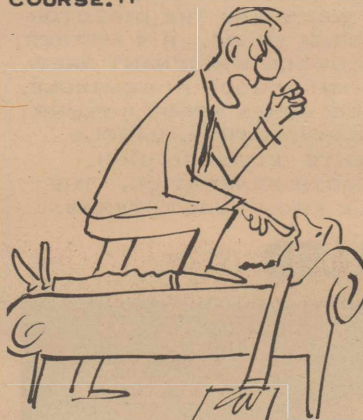

A deformed Hereford calf was delivered in Lockney a week ago last Friday by Dr. Paul Glasson. The calf had 2 heads, 7 legs and 8 feet. Note the leg on top had 2 feet growing on it. The doctor described the calf as having a "pretty well developed" body. He termed it a "full term" Hereford calf. The deformed animal was joined along the stomach from the neck to the pelvis. Such births among people are commonly referred to as Siamese. The book "Siamese Twins" about two adult men from Siam who were joined together made such births quite famous. Dr. Glasson described the birth as very rare and one in a million. - - - Photo and story courtesy of Jim Reynolds, Editor of The Lockney Beacon.

He simply replied, "Ninty-nine pounds of pure dynamite." Why was it when man was promised dominion was this great challenge placed in his way? About all the trouble he has is with people and things. The things he seems to manage, getting along with people he seems to manage and about the time he thinks he has got all the things figured out about the little woman he gets another set back. Now don't tell me you don't know what I'm talking about.

"MAN IS ADAPTABLE, OF COURSE."

AS FAR BACK AS I CAN REMEMBER, DOCTOR - I'VE HAD THIS SUPERIORITY COMPLEX.

Here's a man, he steps out into a big tough world, he directs the machinery, he directs the man, he directs the car on it's way home, he bluffs the traffic, he gets out of the car and tells the kids to get on with their chores-- then opens the door and says meekly -- "Yes Dear."

Why a man is a slave to his wife, his children and his friends, at one time sons went into business with their fathers -- now fathers go into business with their sons. If you don't believe fathers are servants, look at the fathers.

FROM PAGE 1

Survivors include his wife, Edna, a son, Jayson and a daughter, Jill; his parents, Mr. and Mrs. R. L. Jones, Lamesa; two sisters, Mrs. Lois Prather, Lamesa, and Mrs. Jim Thomas, Comroe; three brothers, Lee and J. Lavern of Seminole and J. H. of Welch, Texas.

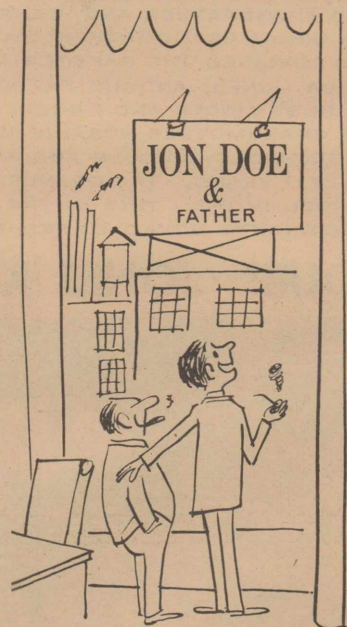

Oil cans were hurled out the back of the pickup, chains were thrown, a crowbar and a 6 inch aluminum valve evidently came through the rear glass and on through the windshield, coming to rest on the tree and the remains of the front of the pickup.

Jones had left earlier in the evening to transport workers from his farm at Sands to another farm he owned 18 miles west of Seminole. The family resides in a fashionable country home, the first house west of Sands.

Services will be held Thursday, April 22, at 3 p. m. in the First Baptist Church in Lamesa with Rev. Dorman Kinard and Rev. Gene Hawkins of Seminole officiating under the direction of Brannon Funeral Home.

Pallbearers will be Harvey Kimpor, Horace Wood, Jackie Cohorn, Cleon Payton, John Wheat, Wally Thompson, Luther Lee and Luther Welcher.

# INDIANS

Renne Williams was the big gun for the Seminole Indians last Friday against Kermit when he gave up only one run pitching and batted in 2 big runs in the 5th inning uprising in winning over the Yellow Jackets, 3-1. Ian Locker got things rolling for Seminole when he got a one base hit and stole 2nd in the 4th inning. Out fielder Ismael Martinez stroked a single to drive in the 1st Indian run, tying the game.

Then came the big 5th. Steady Bill Hearne, Seminole catcher, walked. Tommy Shuler got a one base knock. Then came the big blow by Renne Williams after Roberts, Indian short stop, had sacrificed both runners alone.

Seminole evened its district record at 2, 2, with the win over the Yellow Jackets from Kermit and has a season record of 9, 11 in their 20 outings. Williams also evened his record at 4, 4 in the pitching department for the season.

## Letters to the Editor

One of the better letters that the Seminole News receives each month is the Texas Good Roads Association from Austin. Its purpose is to inform the public about where new highways are being built, the cost and up-keep. It's interesting to note and probably most of you know that Interstate Highways (example #20 and #66) are 90% Federally Financed, others are financed 50% state and 50% city or county. Farm to Market roads are 100% county financed. Prices on building highways have increased as much as 33.5% in the past 12 months.

"Increased pressures, especially from the cities, for more aid at a faster pace." (Examples: The four major-city counties have asked for over \$1 billion in highway projects during the last 26 months, and these did not include requests for ROW and similar state aid. Even with a 2-cent increase as proposed, the Highway Department says it would be able to finance "only two-thirds of needed maintenance, operation and construction programs during fiscal 1971-72.")

## EDITORIAL

Have you missed any of the old cars in Seminole? A few more have been hauled off. Even the weather is cooperating with the Clean Up Campaign. With the good rain everyone feels like cleaning up a little more and everyone is in a better humor -- neighbors are speaking to neighbors with a refreshing smile and the general attitude of the people is good. Numerous clubs and their representatives are already working the areas assigned to them and reports are coming in. If there is an old car parked in your neighborhood (not driveable) pick up a form at Shorty Blackmon, Chief of Police, Chamber of Commerce or the City Hall, get the needed signature so that it can be removed. If there is an old house next to you or in your block that has become a haven for birds, rats, mice, skunks or other rodents, follow the same pattern.

Another house is coming down on South Main (the promise has been made) and many others need to be torn down. It has been estimated that over one hundred houses have been torn down, burned or moved in the last two years. Over three hundred old cars and old car bodies have been moved out and others need to go.

Do your part, join the Clean Up Campaign, whether it is a lot, a street, an old car, an old house or behind your back fence.

People are being warned again not to dump fresh cut grass for a compost, it tends to breed mosquitos, "in the wet weather we are having", old car bodies do the same thing.

Be one of the 5,000 that want a cleaner town, cleaner streets, better schools, painted houses and not one of the 7 who grip, fuss and keep a propped up car in their front yard.

One of the scourges of our town is that people have dogs running on the loose, scattering trash, bringing in bones and turning over trash cans. If there is an extra one eating at your house, call the city and they will rid you and your neighbors of this menace.

Kenneth Selman, TDPS, presented a program yesterday at Lions Club concerning the problems of patrolmen and trying to get convictions on habitual dope users. Items in front of him are what smokers of dope use. The large one is for opium but used also by marijuana smokers. By filtering the smoke through the water base they use the dope over and over. The two pliable leads have mouthpieces so that more than one can smoke. Others on the left are for individual smokers. On the right is incense and an incense burner. The incense burner is used to hide the smell created by the burning of the dope filled material. Louis Birdwell, a recent college graduate, said, "Mr. Woods, be sure and tell parents if their children are in the habit of burning incense, to be sure and be certain that they're not also users of dope."

In telling about carriers of dope, Mr. Selman went on to say "I can stop 20 cars on the weekend and almost without fail find one carrying dope." To make out a case on a dooper takes eight hours of paper work. One carrier was found to have \$300,000 worth in the drive shaft of his car.

The Chamber of Commerce, represented by George Cristy and Glen Cavitt, present Coach Judy Bugher and her volleyball team a certificate of merit after winning District in volleyball and representing their town and their school in such a fine way. They went on to win Regional in Lubbock and will go to State this weekend.

## LASSO® Another CFS-Approved Herbicide.

Now there is one basic pre-emergent herbicide for both corn and soybeans . . . Lasso. One application controls most grasses and broadleaf weeds. Lasso, a selective herbicide, gets the job done with or without incorporation, without crop damage, without carry-over. Wet or hardly moist, Lasso cleans up corn and soybean fields in soil types from sand to clay and does it conveniently. CFS recommends Lasso in liquid or granular form. Also, liquid Lasso can be used in label-approved combinations with other herbicides. Lasso . . . takes the gamble out of weed control. Order Lasso today!

The Fairview people have sure enjoyed their revival so much. The singer and his son, Jack and Sammy Cannon of Hobbs, New Mexico, also Mrs. Cannon and daughter sang a special for the church. Oh, how the Lord shined on us at Fairview for the music and a good leader.

Brother Jack Stringer was wonderful. The Lord gave him speech and knowledge to explain his word to the people.

The prayer meetings just looked like the Lord looked on the people (weak and strong) and they just poured out their hearts to the Lord. There was very few dry eyes in the house and people needed the Lord's help and he gave it to the church.

Those who did not come missed a real blessing. Fairview Church is small and needs everyone to love the Lord.

**Information From Social Security Office**

BY DOROTHY FEAZELL

THO' I HAVE TALKED ABOUT THIS BEFORE BELIEVE IT CAN BEAR REPEATING SINCE IT IS VERY IMPORTANT TO ANYONE PREPARING TO FILE A CLAIM FOR SOCIAL SECURITY PAYMENTS.

BEING PREPARED IS NOT AS DIFFICULT AS MANY PEOPLE BELIEVE. REMEMBER TO TAKE ALONG YOUR SOCIAL SECURITY CARD AND -OR THE CARD OF THE PERSON ON WHOSE RECORD YOU ARE FILING. FOR A WIDOW, THIS WOULD BE THE SOCIAL SECURITY CARD OF HER LATE HUSBAND. THIS MAY SOUND HARD TO BELIEVE, BUT MANY PEOPLE DO COME IN TO FILE THEIR APPLICATION AND LEAVE THEIR SOCIAL SECURITY CARD AT HOME.

THE NEXT MOST IMPORTANT THING TO BRING WITH YOU IS PROOF OF YOUR AGE. PROOF OF AGE IS NEEDED TO QUALIFY FOR NEARLY ALL TYPES OF SOCIAL SECURITY BENEFITS. IF YOUR BIRTH WAS RECORDED WHEN YOU WERE BORN, OR IF YOU WERE BAPTIZED BEFORE AGE FIVE, YOU WILL NEED ONE OF THESE DOCUMENTS. IF YOU DON'T HAVE A COPY OF SUCH A DOCUMENT NOW, MAKE ARRANGEMENTS TO GET ONE.

IF YOUR BIRTH WAS NOT RECORDED, AND YOU WERE NOT BAPTIZED BEFORE AGE FIVE, THERE ARE OTHER DOCUMENTS YOU CAN USE. IN MOST CASES THE EARLIER THE RECORD WAS MADE, THE BETTER IT IS IN HELPING TO ESTABLISH YOUR DATE OF BIRTH.

ALSO, WE WILL NEED TO KNOW YOUR LAST YEARS EARNINGS AND WHAT YOU THINK YOU WILL EARN THIS YEAR. YOUR WITH HOLDING STATEMENT OR TAX RETURN FOR LAST YEAR WILL GIVE US THIS INFORMATION. BE SURE TO BRING THESE WITH YOU.

IF YOU HAVE ANY QUESTIONS ABOUT WHAT WILL BE NEEDED IN YOUR PARTICULAR CASE, CHECK WITH THE SOCIAL SECURITY OFFICE OR WITH THE REPRESENTATIVE IN YOUR AREA, BEFORE THE TIME COMES FOR YOU TO APPLY.

**THE NEWSIEST GAL IN TOWN!**

There's nothing like having two little ones around the house for a couple of days. We brought our grandchildren home with us Saturday to spend the night. After rocking them to sleep (their mother doesn't do that) and watching their peaceful little faces, I couldn't help but compare them to a renaissance prince and a dresden doll. While bathing my little grandson I noticed a large scratch on the back of his leg and for the want of something better to say, I said, "Did Daddy spank you there?" He looked at me with those big innocent blue eyes and shook his head 'yes'. When PHYLLIS and BILL arrived the next day I told them about it and Bill said "Why, I've never whipped that boy, not even when he took a hammer and broke out all the windows in the store house. I just figured well, he's just a boy." Of course I knew my son-in-law wasn't much of a disciplinarian, but he doesn't have to be because my grandchildren mind. ---GRACE McLAREN, out west of town, shopping in Seminole Tuesday, visited with her at MODE-O-DAY. --- PAULINE YOUNG from over Hobbs way, by the office for a chat Tuesday morning, also EVA BENNETT, LILA PORTER and LILLIE HADAWAY, CLARA FOOTE and her sister, MATTIE HILBUN, who is visiting from Greenville, checking on the office crew Tuesday. She said she just wanted to be sure we were working. --- LILLIAN MEADOWS took her little granddaughter, LORI, out to view the pigs. When they returned to the house, she told her grandfather, "Those pigs barked at me." She's also the smart granddaughter of the CHARLIE GEORGE'S. --- PAT BRAUN in MONTGOMERY WARDS Monday, looking trim. --- MRS. J. B. DYESS, SR. saying Monday at RAY'S MENS WEAR, she started to ask for her dime back the week 'Around Town' was missing. Isn't she sweet! --- DELL HOWARD modeling a pretty formal for a friend Monday at KELLEY'S DRESS SHOP. --- All of you B&PW gals, don't forget the meeting tomorrow night at JO'S. SHERIFF ED WELCH and COUNTY ATTORNEY JOE MCGILL and my illustrious boss, WALTER WOODS, will be the guest speakers. The subject will be Crime Prevention. It should prove to be a most interesting meeting, so try to attend. --- Look out for me and I'll be seeing you AROUND TOWN.

Miss Cynthia Ann Woods, who teaches at Carrizo Springs, visited her parents, Mr. and Mrs. Walter Woods, Larry and Lindy over the weekend.
