

Editorial

Why do we always have to read and hear just the bad? It seems a popular way to sell newspapers, to be heard on the radio and to have a popular newscast is to be continually reporting big doings of the mistreated few. It also seems that all news media is fast to jump on the band wagon of the screaming few, more so that cameramen are anxious to get so close that they can smell the unwashed, the extremely long hair and a minority that has never worked, are not looking for jobs and would be insulted if they were offered an honest days work with an honest days pay.

I want to see more news of honest people. I want to hear more news of the many who are grateful for our great institutions. I want to live next to people that wash their clothes and break into a pleasing smile when they see the flag raised. The News this week will try to report on the Spanish speaking students in our school and run a series of pictures, not of the unfortunate, but of the advantages they receive in the Seminole Public School. I want to answer in part because all things concerning a minority group are not bad. I feel there is a language barrier between us. I further feel that the Board of Education, the superintendent, the principal, and teachers are doing something about it. I would like to point out that instead of some of these students costing the tax payers \$752.95 a year, the attention they are receiving in special classes, special library work, special play periods, and speech therapy, they are receiving upwards of twice that amount being spent on them. Parents of Spanish speaking students need to know this and I know they appreciate it. It is further unfortunate that all Spanish families do not speak some English in their home when their children are small, like the Joe Aguilars, the N. N. Calderons, the Crispin Mejias and numerous other Spanish families. This editorial is written to point out what great advantages the Spanish speaking student has in our country, in our community, and in our school if they are faithful in attendance and will try.

My brother Paul was a good horse rider and, like the rest of the boys in the family, he could ride bareback or with a saddle, sirsingle, or holding onto the mane. He could ride a horse sitting way back at the back or where the collar goes, or in between. He could put a horse up about as steep a place as there ever was for a horse to go, jump about the widest stream, or go down the steepest embankment.

I never will forget the day when he was telling all these cousins and all these friends what a rider he was. He knew he was a good rider and he was telling them about it. On this particular day he had his horse bridled and saddled and was telling everyone how fast that horse could go, how quick he could stop, cut, and come back.

While he was telling them the story and they were begging him to show them, he had a little brother that was ornery enough to be loosening the girth. He pulled his hat down, stepped into the saddle (somehow the saddle stayed erect) and, with a burst of speed and the yell of an Indian, he headed to the north. I can still hear that horse grunt and groan as he was urging him to his utmost speed. He changed his position as the horse reached maximum speed and that pony slid to a halt.

As he slid to a halt and leaned to the left to come back the saddle turned and my brother Paul headed on north. As the ohs and the ahs went up from the audience the little brother started talking to himself, "Maybe he won't be dead but be stove up real good which is what he deserves".

Paul hit the ground, slid and turned over a time or two. The horse came trotting back to the crowd with his head to one side so he wouldn't step on the reins and the saddle at a 45 degree on the other side. We caught the horse, brother straightened up the saddle and gave the saddle a quick cinch. *Continued P. 12*

ADVANTAGES FOR SPANISH STUDENTS

***** ONE KILLED

The death vehicle with Grady Allen Brown, age 61, visible in the back seat, was headed east, the pickup below headed west.

Grady Allen Brown, age 61, was killed last Thursday morning at approximately 3:30 when the 1967 Cadillac in which he was a passenger was involved in a car-pickup accident 13 miles west of Seminole on the Hobbs Highway. Roger Allen Brown, 35, was the driver of the vehicle in which his father was killed. Other passengers were Laneta Brown and Viola Brown, wives of the victim and the driver. The Browns are from Denver City. They were reported in fair condition in the Yoakum County Hospital with multiple lacerations and bruises.

Cipriono B. Amador, 38 years old, temporarily staying in Hobbs, New Mexico with a permanent address in Sterling City, Texas, was driving west when he apparently went to sleep, striking the Cadillac. Brown, the other driver, swerved to his right, taking the full impact of the pickup down the driver's side of the car.

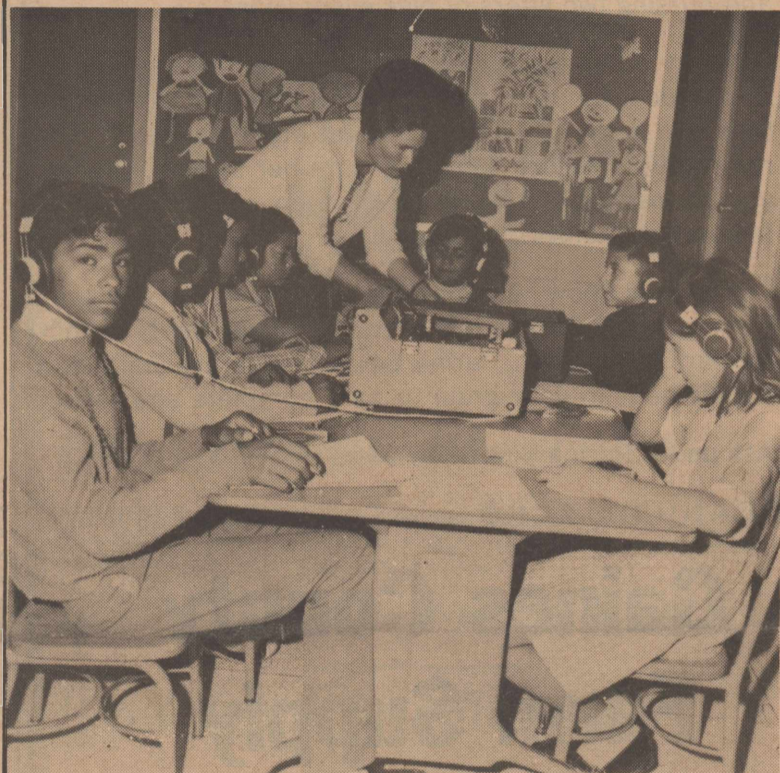

The car was headed east. Impact occurred in the east bound traffic.

Texas Highway Patrolmen Kenneth Selman and Clayton Koonce, reported that the driver of the pickup truck stated that he had been working all night, had been loading out sheep for his employer, Bill J. Cole of Sterling City, and was on his way to another farm when the accident occurred.

The Cadillac ended up in the mud in the bar ditch on the south side of the road, the pickup on the same side of the road, approximately 300 feet away.

Amador was treated at Memorial Hospital in Seminole and released. He was later arrested and will be charged with murder with malice with a motor vehicle - DWI.

Funeral services for Brown were held last Sunday in Denver City under the direction of Singleton Funeral Home.

Of these eight Spanish speaking students at this table only one speaks English well enough to converse. The eight students are from six rooms. From Mrs. Vera Fay Hill's room are Mara Reyes, Gilberto Rios and Erma Salinas; from Mrs. Frances Woods' room - Roberto Ponce; from Billy Ray Hicks' room Margarita Pena and Peter Naxarro; from Mrs. Doris Taylor's room Arturo Lamas and from Mrs. Beverley Robinson's room Jose' Luis Pena.

Pupils working at the Listening Station on work sheets giving practice and teaching on the letter-sound association for the letter D. There is also practice on using this sound with oral context to supply a missing word.

These students gather at 8:15 each morning on their own time to learn more and better speak the English language. Grades 2 through 5 are represented. Frances Woods, a 2nd grade teacher, is in attendance.

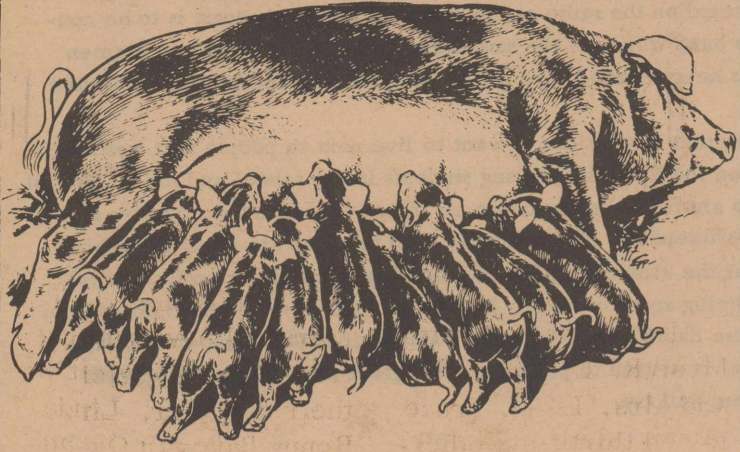

"SPANISH SPEAKING STUDENTS THAT START TO SCHOOL IN SEMINOLE IN THE 4TH, 5TH AND 6TH GRADES USUALLY HAVE LITTLE TROUBLE WITH MATH AND NUMBERS", SO SAID EARL BRASFIELD, PRINCIPAL, "IF THEY CANNOT SPEAK ENGLISH THEY ARE ASSIGNED A STUDENT THAT DOES SPEAK ENGLISH AND SPANISH SO THEY CAN BE INTRODUCED TO THE SYSTEM, THEIR TEACHERS AND THEIR SUBJECTS".

INDIVIDUAL TEACHERS HAVE OBJECTS IN THE ROOM NAMED WITH PLACE CARDS SO THEY MAY BECOME ACQUAINTED WITH EVERY DAY THINGS SUCH AS DESKS, CHAIRS, BOOKS AND SO FORTH. THEY ARE ISSUED PICTURE BOOKS FOR THE SAME PURPOSE. THEIR READING IS DOWN-GRADED TO FIRST GRADE LEVEL SO THEY CAN BE BROUGHT ALONG AS RAPIDLY AS POSSIBLE.

FOLLOWING ARE TABLES OF GRADES AND THE PERCENTAGES OF ANGLO, SPANISH AND NEGRO STUDENTS. ABOUT 50% OF REMEDIAL READING STUDENTS IN REMEDIAL READING CLASSES ARE SPANISH SPEAKING STUDENTS. THE BREAKDOWN AND PERCENTAGES READ LIKE THIS.

	ANGLO	%	SPANISH	%	NEGRO	%
FOURTH GRADE	86	64	45	33	3	2
FIFTH GRADE	87	71	31	25	4	3
SIXTH GRADE	131	72	42	23	7	4
SEVENTH GRADE	135	72	47	25	6	3
EIGHTH GRADE	152	77	39	20	6	3
NINTH GRADE	132	81	28	17	2	1
TENTH GRADE	137	78	29	16	9	5
ELEVENTH GRADE	123	86	17	12	3	2
TWELFTH GRADE	90	90	10	9	1	1

ALTHOUGH SOME SPANISH SPEAKING STUDENTS DROP OUT AT THE 7TH, 8TH, 9TH AND 10TH GRADE LEVELS, THE BIG REASON THERE ARE MANY MORE SPANISH SPEAKING STUDENTS IN THE SMALL GRADES IS BECAUSE YOUNG FAMILIES HAVE MOVED TO THIS AGRICULTURAL SCHOOL DISTRICT IN THE PAST FEW YEARS.

Get big litters of husky pigs... Feed Purina Sow Chow

A sow is a pig factory. She has the big job of producing and nursing two litters of pigs every year.

Like any other factory, she has to have raw ingredients to produce the products (pigs) and maintain the factory (her own body). If she doesn't get proper nutrition, she may actually resorb some pigs into her system, causing you to lose pigs you will never even see; or she may farrow weak, unthrifty litters.

Purina Sow Chow has what it takes to help the sow keep her own body, farrow big litters and have plenty of milk to start them right. Purina Sow Chow is available as a supplement to your grain or as a complete sow ration.

LOOP NEWS

BY MRS. BUCK CUNNINGHAM

Wet weather continued to plague the Loop area last week. It has been almost impossible to get into the fields. The sun shone briefly Friday and Saturday with another rain Saturday night, accompanied by some hail although no one has reported hail damage. The sun seems to have returned this week with some frost in the area.

Mr. and Mrs. George Newman left for San Antonio Sunday afternoon to attend the annual meeting of the Baptist General Convention of Texas. The meetings will be held at the site of the 1968 Hemisfair.

The Junior High Shorthorn football team lost their game at Union last week. Danny Young, son of Mr. and Mrs. Keith Young, suffered a broken thumb and will be out of athletic competition for several weeks.

On Tuesday night, October 28, the local girls won both A and B games from Smyer in the home gym. They will return the games at Smyer on November 4, then meet Wilson at home on November 11 for two games.

The Loop Longhorns invaded the den of the Klondike Cougars Friday night and came away victorious. Klondike scored first and failed the extra point try to lead 6-0. Loop came back to score on a 2 yard run by Barry McConal and a pass from Danny Yocom to Monty Ancinec for the 2 extra points, making the score 8-6. Klondike scored again but failed the extra point try, to lead again 12-8. McConal ran the kickoff back 60 yards for another Loop TD, to take a slim halftime lead 14-12.

Second half scoring saw Loop increase their lead with a 32 yard run by McConal with no extra points. Loop scored again on a 12 yard run by McConal to stretch the lead 26-12. Klondike came back with another TD and 2 extra points, to make the score Loop 26, Klondike 20. Eddie Aldridge scored for Loop on a 2 yard run and the pass from Yocom to Larry Caughron was good for 2 more, making the score 34-20. Late in the game Klondike scored again but the extra point try failed. On the kickoff Klondike recovered their own short kick but the tough Loop defense held on four downs to bring home a victory of 34-26.

This gives Loop a conference record of 2 wins and 2 losses with 2 games remaining. This Friday will be an open date with play resuming on November 14 at Sterling City.

The Junior High finishes their season here this week against Dawson at Longhorn Field. The

game time has been moved up to 5:30 because of the 4-H Awards Program in Seminole that evening.

Mr. Jimmy Woodard of the Sunset School of Preaching in Lubbock preached at the Church of Christ Sunday.

Visiting at services at Ashmore Baptist Church were Mrs. Lloyd Halbrooks and Mrs. Johnny Hand, who were visiting their parents, Mr. and Mrs. H. T. Todd, Jr. and Mr. and Mrs. A. N. Russell.

Mr. and Mrs. Gene Ballard and family of Lubbock visited her parents, Mr. and Mrs. A. D. Bishop.

Mrs. Leon Davis has been visiting with Mrs. Doss Hunt and Mrs. Jimmy Smith.

The Young Homemakers entertained the community with a Halloween carnival Saturday night at the Community Building. Food was served and various booths enjoyed by children and adults alike. Mrs. Keith Young, Mrs. Robert Scott and Miss Betty Davis were in charge of the food booth. Other booths were Spook House - Mrs. Stanley Smith and Mrs. Raburn Clark; bulls' eye darts - Mrs. Jack Kelly and Mrs. Jennie Jo Schooler; balloon darts - Mrs. Bill Armstrong and Mrs. Earl Owens; fish pond - Mrs. Douglas Floyd and Mrs. Dan Freeman; grab bag - Mrs. F. W. McDonald; bingo - Mrs. Arnold Smith, Mrs. Eddie Foshee and Mrs. Bill Ellyson; fortune tellers - Mrs. Guy Henson and Mrs. David Oats; bean guessing contest - Mrs. Arit Davison and Mrs. Weldon Gibson; apple dunking - Mrs. Royce Cornett and Mrs. Rusty Freeman; cake walk - Mrs. J. E. White and Mrs. Vester Smith; and Mrs. Joe Faulkenberry and Mrs. Donald Floyd were in charge of tickets for a wig, lawn sprinkler, records and stuffed animal to be given away. Mrs. Homer Smith and Mrs. Eldon Harris were in charge of the Ugliest Man Contest.

In the Ugliest Man contest, nominations were made from the floor for that honor. Nominated were Hearne Freeman, Douglas Floyd, Guy Henson, Eddie Foshee, Bud Bingham and Keith Young. After the nominations, the campaign manager for each candidate solicited votes at 1¢ per vote. Mr. C. S. Puryear proved to be a good manager as his candidate, Bud Bingham, won. First runner-up was Guy Henson and second runner-up was Keith Young. Donald Floyd, as the Halloween Queen, (some said he looked more like a witch) crowned the winner.

Winners were drawn for the other articles. The hair piece went to Mrs. Hearne Freeman, the lawn sprinkling system to Douglas Floyd, the record album to Delilah Young and the stuffed toy to Shelley Harris.

The Young Homemakers and FHA will pack boxes for Christ-

mas for boys in service. They will need a complete list of all boys from the Loop community, both in the States or overseas. Please contact Miss Betty Davis, Mrs. Keith Young, Mrs. Earl Owens or Mrs. Buck Cunningham and give names and addresses. Donations will be appreciated.

The Young Farmers meeting included the first session of a four night Farm Electrification Short Course on wiring and safety. The course is conducted by Extension Specialist H. Cleve Walkup of Texas A&M University and will run through Thursday night.

Visiting in the home of Mr. and Mrs. Jasper Case last week were Mr. Case's niece, Mr. and Mrs. Mitch Durden and baby, Cassandra, of Anchorage, Alaska. They had been visiting in Florida and then flew back to their station in Anchorage.

Mrs. Hettie Thomas was honored on her 78th birthday last Tuesday as more than 50 friends called on her at the home of her daughter, Mrs. Walter Green. Birthday cake, coffee and punch were served throughout the day. Luncheon guests were Mrs. Thomas' son, Mr. and Mrs. Lawson Thomas, and Mr. and Mrs. Mark Allen, all of Seagraves.

Mrs. Thomas and her husband, Lee, came to Gaines County in 1937. She has four sons and one daughter. The other three sons live in California. Mr. Lee Thomas, who was a retired farmer, passed away in 1957.

Her grandchildren from Seagraves called during the day, Mr. and Mrs. Billy Gaddy and Gene and Rex Thomas and also her only great-grandchildren, Monica and Judd Gaddy. Mrs. Thomas has 12 grandchildren and 2 step-grandchildren. She also has a twin sister, Mrs. Nettie Flannagan, who lives in Clarksville.

Treat Time

Today is treat day. What's better than an ice cream cone furnished by the teacher? "When we try real hard, we get a treat and today's the day."

Visiting in the Buck Cunningham home Sunday evening were their daughters, Mr. and Mrs. Bob Standifer of Odessa and Miss Margaret Cunningham of Kermit. They were en route to their homes from Homecoming weekend at Texas Tech University.

The Loop Young Farmers and Young Homemakers met for their regular meetings on Monday night in the ag shop and Community Building. The FHA girls met with the Young Homemakers to make plans for the January stock show. A report was given on the Halloween Carnival. They reported a net of \$503.00.

Mr. and Mrs. Buck Cunningham went to Utopia last week to visit her parents, Mr. and Mrs. J. T. Blalock, and brother, Bill. They also visited a sister,

Mr. and Mrs. Leslie Duke, also of Utopia. A very nice surprise was to find another brother, Jack Blalock, of Bozeman, Montana was to arrive at mid-week for a visit. In spite of the weather, (yes, it poured down rain there, too with the creeks up and lots of fog), there was a lot of visiting done. The Blalocks enjoy the Seminole News. Mom said she enjoyed the Loop News while Dad said he read it from "kiver to kiver".

At approximately 5:45 p.m. yesterday afternoon a 1963 Pontiac sedan driven by Garland Edward Bell, 45, Seminole, ran under the rear end of a loaded cotton trailer 13.9 miles west of Seminole on the Hobbs Highway. Two trailers with about 7 bales of cotton on them were being pulled to the Crossland and Son Gin, 7 miles east. They were being pulled by a 1968 one ton Ford truck driven by James Edward Sinclair, 37, Seminole, an employee of Delta Pine Harvesting Company.

Approximately \$500 damage was done to another car, a 1968 Pontiac driven by Richard Allen Miles, 23, of Seminole, headed west, when the impact of the collision jack-knifed the trailer into the path of the west bound vehicle.

Bell was carried to Lea County General Hospital in Hobbs where he was treated and released. There were no other injuries.

 Paul was coming back to the crowd. I think it was his pride that was hurt the worst. He was talking to himself. His brother handed him the reins and he looked him square in the eyeball. "If I could prove you loosened that saddle girt, I'd kill you." (This is the first and only proof he's ever had.)

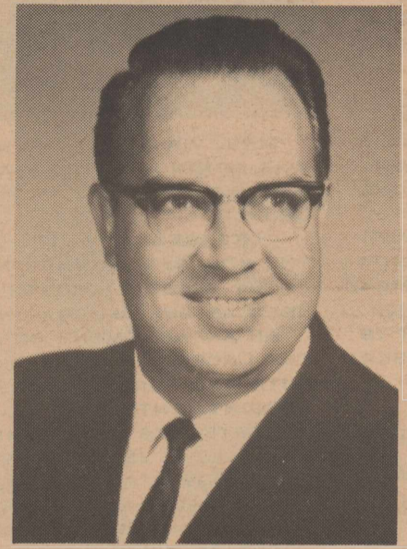

* * *
 To the women that I love, that I care for, to the nice ladies who work in the office and especially Mrs. Pierce, I write this column explaining some football terms. The following terms you should know. Please study them. Please, girls, your husbands will like you better if you'll use one of these terms.
BLITZ (RED DOG): When one or more defensive linebackers rush the quarterback.
BOMB: Long, high forward pass to gain long yardage.
DOUBLE WING: An offensive formation where both halfbacks line up behind or outside of their ends. Quarterback and fullback line up behind the center.
DRAW (TRAP, DELAY): A lure to induce defensive linemen into a hard rush on the quarterback. The quarterback fakes a pass and gives the ball to his fullback or halfback.
EAT THE BALL: Passer elects to be tackled rather than throw the ball away.
FAIR CATCH: By raising his hand as a signal, a player receiving a punt has the right to catch the ball without being tackled. Ball is put in play at exact position of catch.
FIELD GOAL: 3 points for successful kick. Ball must clear crossbar and be between uprights.
"I" FORMATION: Offensive formation in which four backs line up directly behind center.
MAN-IN-MOTION: An offensive back in motion before the ball is snapped.
MOUSETRAP: An offensive guard pulls out of the line to block defensive tackle or end who has been "allowed" to crash in.
POCKET: Teammates form semi-circle around quarterback about 7 yards from center for maximum protection while he tries to pass.
QUARTERBACK SNEAK: Quarterback takes snap from center and plunges straight ahead.
ROLL-OUT (BOOTLEG): Quarterback fakes handoff to another back and hides the ball against hip. He runs toward sideline and can either pass or run.
SAFETY: Two points for defensive team when offensive ball carrier is tackled behind own end zone.
SCREEN PASS: Center, guard and tackle of offensive team form a protective screen to hide the receiver behind the line of scrimmage.
SHOTGUN OFFENSIVE: An offensive formation designed to allow quarterback to throw passes from position 5 to 7 yards behind the line of scrimmage without moving back.

SNAP: The start of each play by passing of the football from the center to a back.
SPLIT END: End lines up very wide of tackle - usually 6 to 7 yards away.
TIGHT END: End lines up very close to his tackle.

Spanish speaking students gather in the F.J. Young library, under the direction of Wanda Watson. Spanish materials are limited but the earlier a child is exposed to books in both English and Spanish, the sooner he will feel at home in both cultures. Some of the books available in the library are Papa Small? Papa Pequeno, Mother Goose in Spanish, El Gato Con Botas, Puss in Boots; El Cuento De Ferdinando, The Wise Rooster? El Gallo Sabio, La Fiesta, Snow and the Sun, Fun with Spanish, More Fun with Spanish, and See Again, Say Again.

THE 52's Have It

THE 52'S HAVE IT! Number 52 in the white jersey is Tommy Harrell and he is headed for pay dirt with another interception. Not only did he play a big game on defense but got two interceptions for the evening. Final score of the game was 41-12. Number 52 on the right is another Seminole product - Bob Keyes. He's not running with the football, but he's enjoying his walk! He went on to help ACC defeat Eastern NM 42 to 13.

SEMINOLE INDIANS in ACTION

No. 82 Roger Allen can be seen after he made a fine catch playing against Ft. Stockton last Friday night. Other players shown are No. 80 Gene Sims and No. 24 Mike Walker.

Not many times in the life of a defensive center does he have the opportunity to run for 2 touchdowns. Tommy Harrell intercepted 2 passes and makes out like he's Lavern Bennett.

Seminole 41 - Ft. Stockton 12

The Seminole Indians were eager. They were ready and power housed the Panthers into submission with a 41-12 score last Friday night in Ft. Stockton. The week before the Indians could do very little right. Last Friday night they could do very little wrong.

With less than 4 minutes gone in the game Frank Gady took a handoff from QB Whisenhunt and carried in for the score after Ft. Stockton fumbled. Whisenhunt converted and the tribe was on the warpath. On Ft. Stockton's next possession Bennett and Hearne tackled with such force Ft. Stockton fumbled. Calderon had a fine run of 12 yards. Gary Don Ray had a fine run of 10 yards and Gady plowed in again. Bennett converted and the score read 14-0.

Four minutes remained in the first quarter. The Indians were not through for the first period of play. Lavern Bennett made a long run only to have it called back on a clipping penalty. Calderon made a first down. Walker again was catching and Whisenhunt throwing. Then Bennett threw a 45 yard pass to James Hill and Seminole was on the score board for the third time, 20-0. He carried in the last 2 yards himself.

Coach Harrell threw in new troops and Ft. Stockton scored against them in the second quarter. Seminole was plagued with foul troubles on the next drive with 3 penalties. They gave the ball up on downs but recovered a Ft. Stockton fumble only to fumble back to Ft. Stockton. The half-time read 20-6.

For all purposes Seminole had won the ballgame. Whisenhunt went to work in the 3rd quarter, made a good throw to Mike Walker, another to Gene Sims, then suffered an interception, but Tommy Harrell, playing probably the best game of his career and almost went in for the remaining yards and Seminole led 27-6. Stockton marched for their 2nd TD, upping their score to 12. The point failed. Bennett scored his 3rd touchdown of the night with 2 minutes remaining in the quarter. Harrell went to work again, tackling and intercepted his 2nd possession of the game.

Frank Gady scored on a 5 yard play in the 4th quarter, rounding out the scoring for the evening. The kick was good 41-12. If the Indians hit with the same force that they showed at times in last Friday night's game and against Crane they could be tough Friday night against an old foe - Andrews.

Mrs. Donnie Picket and Tina from Brownwood, Texas visited in the home of her parents, Mr. and Mrs. A. L. Barker.

Airman Rosemary Upton left this week for Tyndall Airforce Base in Florida after a visit with her parents, Mr. and Mrs. John Upton.

AROUND TOWN *By Jackie Squires*

Getting off the gossip track a few weeks ago and doing an article on hunting deer and elk, it looks like 'Around Town' has 'gone to the animals'. I started receiving phone calls as soon as the paper came out last week, wanting to know what a female bear is called. One of the calls was so cute I must tell about it even though she wished to remain anonymous. The voice at the other end said, "Jackie Squires, I'm ashamed of you asking a question like that. Everyone who has ever read 'Goldilocks' knows a female bear is called a Mama Bear!" I like that answer much better than mine. She also said "Do you know what a female earthworm is called?" I do now, I looked it up, but I'll bet you all don't!---

MRS. GRAY AND MRS. HICKS ATTEND WORKSHOP

Mrs. Helen Gray and Mrs. Charlene Hicks, special education teachers in the local school, attended a special education workshop on perceptual motor development in Lubbock Friday and Saturday morning. Featured speaker was Dr. Bryand J. Cratty, professor of special education at UCLA.

Some students are pulled from their regular rooms to make up special groups. Class participation is always a mark of advancement and joy to any student. Pictures are being shown that some of these students do not normally have contact with. The basic purpose of the Spanish speaking section of the first grade is vocabulary development in English while trying to make progress in regular first grade curriculum. Instruction in these sections is in Spanish when necessary. Introducing English reading curriculum includes counting aids and Spanish library books. These are used in addition to regular curriculum materials.

SEMINOLE 7th Wins 8-0

The big 7th took on the bigger 8th from Seagraves and beat them 8-0 last Thursday in Seagraves. Mike Nelson made the biggest play when he skirted end for 25 yards and the touchdown that brought victory to the unbeaten 7th. A 2 point conversion was good when Pete Hicks took a pitch pass from Sammy Harrell for 2 points and that was the old ballgame. Final score Seminole Warriors 8, Seagraves 8th 0.

Coach Meyers played more than two full teams and in a close game is a real credit of his attitude of wanting the boys to play.

Boys making good runs were Anthony Hemphill, Sammy Harrell, Mike Nelson, Pete Hicks, and Jerry Medrano, who also threw several good halfback passes to his quarterback Sammy Harrell.

Dear Madeline, Mr. Woods and the rest of you dear ladies,
I went to the beauty parlor today and got my hair washed and set. I can go take a bath tonight and clean up.

There are not too many here and I am enjoying everyone here. We have breakfast at 7:30 a. m. and dinner at 12 o'clock noon, supper at 5:30 p. m.

I have been studying and reading the Bible and I really do enjoy these dear ladies.

I got my second newspaper and am I enjoying it.

This is a nice town for a little place but everyone is nice to me.

My right knee had to have a **comforter**. I had to use a crutch to walk but that is better now.

What is everyone doing out there? It cleared off here this evening. Has it there? It rained awful hard and all night last night.

When have you heard from my daughter? She is so dear to me.

Don't have much to write to anyone only I made it here at 10:10 a. m. in Glen Rose.

There are about 30 people here now. The doctor we used to go to is the owner here now. His health has really failed.

I would lots rather be at home but I come here for the good and intend to stay.

Will close and write some more letters.

From a gal who loves West Texas.

Letter To The Editor

Seminole News

Mr. Walter Woods
Seminole, Texas

Dear Sir;

We are enclosing a copy of a letter sent to Mr. Kent Denson. In checking back over the local newspaper article we note that they list the donor as Kent Dawson. We are sorry about this because it was a great jester on Mr. Denson's part to think of others even though I'm sure his loss was considerable.

We have had numerous people to write, come by, or stop us on the street to thank us for the beans or to thank us for making them available to the needy. We still have people come by or call us to see if we still have the beans.

We also appreciate Mr. Grady Crossland, owner and driver of the truck. We hope one day to thank Mr. Denson in person for his kindness and thoughtfulness.

God bless you.

Sincerely,
s/ R. E. Hall

Dear Sir;

May we take this opportunity to thank you for the 43,700 pounds of green snap beans. Mr. Grady Crossland, the driver of the truck which brought your donation of beans to Lubbock, parked outside our building at approximately 6:00 p. m. Wednesday. We contacted the newspaper, T. V. stations and radio. We had people coming for beans until midnight and then they started again at daybreak and every single bean was gone by 12:00 noon.

A farmer in Tahoka heard about it and brought a pickup load of turnips which was gone in about 10 minutes, so he went back home for another load and all of them are gone. He is going to bring more at another time.

We have had about 150 people since noon come by looking for the beans. I'm sure some who came after these beautiful beans were not actually needy, but I can assure you the majority were needy and many were very needy. Again thank you and God bless you.

Sincerely,
s/ R. E. Hall

Seminole 12 Lamesa 32

The Seminole Freshmen were defeated 32-12 by Lamesa last Thursday. Lamesa showed their class early by taking a 20-6 half-time lead. The Indians came back real strong in the second half but could not overcome the speedy Lamesa Freshmen.

Touchdowns were scored by Mel Nelson and Donald Roberts, Ron Bartley, Stanley Caffey, Tim Overbeck and Tim Ericson. All played well for Seminole. This week the Freshmen will play in Kermit at 7:00 p.m. Thursday night.

We wish to express our sincere thanks and appreciation to everyone for the many kindnesses extended during the illness and death of our mother, Mrs. Louise McNew. For the food, cards, flowers and other messages, we are most grateful for your thoughtfulness. May God bless you.
