McGinley

Cathy Fay McGinley, 50, went to be with her loved ones in heaven on Friday, September 9, 2011. A Celebration of her life was held at 2 pm Thursday, September 15, 2011, at the Robert Lee Baptist Church with Danny White officiating. Services were under the direction of Shaffer Funeral Home.

Cathy was born on October 7, 1960, to Gorman and Jewel Walker in Big Spring, Texas. On December 15, 1979, she married the love of her life Terry McGinley. She moved to Robert Lee and she and Terry made Robert Lee their home.

She loved the outdoors! She enjoyed fishing, ranching, hunting and even taking her dogs out for walks.

Cathy had a great love for people and everybody loved her in return. She never met a stranger. She was a big prankster and enjoyed playing jokes on her husband and other people. She will be missed by all those whose lives she touched.

She is preceded in death by her parents and one sister, Janet.

Cathy is survived by her husband, Terry McGinley of Robert Lee; her brother, Jimmy Walker; her sisters, Linda Jones and Martha Walker, all of Bronte, numerous aunts, uncles, nieces and nephews, along with a large number of dear friends. Cathy is also survived by her "special boys", her dogs, Cody and Jack.

In lieu of flowers please send memorial contributions to Robert Lee Fire Department and Robert Lee Food Bank.

HOW LONG DOES HELL LAST?

Then a third angel followed them, saying with a loud voice, If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name. • Revelation 14:9-11

Then Death and Hades were cast into the lake of fire. This is the second death. And anyone not found written in the Book of Life was cast into the lake of fire. • Revelation 20:14-15

Then He will also say to those on the left hand, Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels: • Matthew 25:41

In flaming fire taking vengeance on those who do not know God, and on those who do not obey the gospel of our Lord Jesus Christ. These shall be punished with everlasting destruction from the presence of the Lord and from the glory of His power. • 1 Thessalonians 1:8-9

He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. • 1 John 3:8

2011 Robert Lee Hunters BBQ canceled

Extensive wildfires and critical lack of rain has prompted the cancellation of the 2011 Robert Lee Hunters BBQ. The Robert Lee event is a casualty of wide spread fire damage to hunting areas, summer 2011 punishing heat, and extreme water needs. Held annually on the first day of hunting season. This will be the first time in twenty-three years that it will not take place.

Event organizers appreciate visiting hunters for their contribution to the local economy, landowners and businesses for sponsoring, and also value the outstanding community participation that has always made this hunting season kickoff possible. The Robert Lee Hunters BBQ will continue next hunting season.

Planners for the Robert Lee BBQ will focus efforts this year to assist with meals that will be needed as construction on the water pipeline begins in the fall. This civic endeavor to provide much needed water is also an important effort for our community.

Legislation creates a new photo voter identification

SB 14 by Fraser: relating to requirements to vote, including presenting proof of identification; providing criminal penalties. The legislation creates a new photo voter identification requirement that will be required for voter qualification in all elections in Texas beginning January 1, 2012. It requires all voters to present one of the following forms of photo identification in order to be eligible to be accepted for voting: driver's license, election identification certificate, personal identification card, or concealed handgun license issued by the Texas

Department of Public Safety; U.S. military identification card that contains the person's photograph; U.S. Citizenship Certificate that contains the person's photograph or U. S. passport. The above identification must be current or have expired no more than 60 days before it is presented for voter qualification at the polling place.

There are several exceptions to the photo voter identification requirement: voters with a disability (requires an exemption application be submitted to the voter registrar); voters who have had a consistent religious objection to being photographed; and voters who do not have any photo identification as a result of certain natural disasters as declared by the president of the United States or the Texas governor that occurred not earlier than 45 days from the day the ballot was cast.

The new law creates a "cure period" for a voter who does not qualify for an exemption and votes a provisional ballot due to the fact that the voter did not present a valid form of photo identification at the polls. A person who votes a provisional ballot due to failure to present photo identification has up to six days (calendar days) after the election to present appropriate photo identification. If the provisional voter presents the photo identification to the county voter registrar within the six-day period and meets all other requirements, then the provisional ballot must be accepted.

Register Now for October ACT Test

Registration is now open for the October 22, 2011, ACT achievement test. Students who wish to take the college admission and placement exam must register before September 16, 2011.

The ACT is a curriculum-based achievement exam. It tests what students have actually learned in school, not their aptitude for learning. The ACT also measures what students need to know to be ready for first year credit-bearing college courses based on ACT College Readiness Standards™. Every student's results can be tied directly to these consistent standards.

The ACT has four sections—English, mathematics,

reading and science—and takes about three hours to complete. Students who take the ACT Plus Writing complete an optional writing test that requires an additional 30 minutes. Unlike other exams, students are not penalized for guessing or answering all the questions on each test section. In fact, it is beneficial to answer all questions within the time allowed.

During registration, stu-

dents may select up to four universities to receive their score reports. ACT scores are accepted by all four-year colleges and universities across the United States. ACT reports scores only when requested to do so by the student. Additional score reports are available for a small fee.

All students complete a detailed inventory of questions during ACT registration. Each test taker receives an ACT score report that includes a wide variety of information to assist with high school course selection, college readiness, career planning, and college admissions.

The cost for the ACT test without writing is \$34. When combined with the optional ACT Writing Test, the total cost is \$49.50. Students who qualify may apply for a fee waiver through their high school counselor.

The ACT website, www.actstudent.org, has helpful information, free sample items, and inexpensive test prep materials to help students prepare for the exam.

Most students register online at www.actstudent.org. Students may also pick up registration forms from their high school counseling offices. Late registration is available until September 30.

Proposition Number 4 (HJR 63)
