Courts continue to change dates in 2012 primary elections

Due to disputed district lines, the courts have not only changed the filing period for the 2012 primary election a couple of times, they now have changed the date of the primary election.

The filing period was last scheduled to end Thursday, December 15, 2011. It has now ended as of Monday, December 19, 2011.

The primary, originally scheduled for March 6, 2012, is now slated for April 3, 2012. This move effectively removes Texas from having a decisive say in the presidential nominee since the state will no longer be included in "Super Tuesday".

County offices up for election include Coke County Commissioners in Precincts 1 and 3, currently held by Gene Montgomery and Gaylon Pitcock; County Constables in Precincts 1 and 2, currently held by Marshall Millican and Marty Boyd respectively; County Attorney, currently held by Nancy Arthur; County Tax Assessor/Collector, currently held by Josie Dean; and County Sheriff, currently held by Wayne McCutchen.

Gene Montgomery and Gaylon Pitcock have filed to retain their seats on the com-

missioners' court. Sheriff Wayne McCutchen has filed for re-election, Coke County Attorney Nancy Arthur, along with Precinct 2 Constable Marty Boyd and Precinct 1 Constable Marshall Millican. Incumbent Tax Assessor/Collector Josie Dean has filed by petition, along with her challenger, Kathi Cox. The applications and petitions have been picked up by the party chair and the signatures on the petitions are being verified.

Robert Lee receives funding for pipeline

The Texas Water Development Board (TWDB) today approved by resolution \$2,750,000 in financial assistance, consisting of an \$825,000 loan and \$1,925,000 loan forgiveness from the Drinking Water State Revolving Fund-Disadvantaged Community to the City of Robert Lee (Coke County) to finance water system improvements.

The City of Robert Lee (City) depends on the E.V. Spence Reservoir for its water supply, and the reservoir is currently at one percent of its capacity. The City will use these funds to build a 12-mile-long pipeline as an

emergency connection to the City of Bronte to obtain emergency water supplies. Minor improvements to the City of Robert Lee Water Treatment Plant are included in this loan to provide adequate disinfection for the emergency supplies received from the City of Bronte. The loan will also provide financing to plan and design solutions to meet the City's long-term water supply and treatment needs. The planning effort will include drilling test wells for a supplemental groundwater supply.

The City is located approximately 30 miles north of the City of San Angelo. The City's 2010 population was 1,049, and its utility system serves 602 water connections and 470 wastewater connections.

The TWDB is the state agency charged with collecting and disseminating water-related data, assisting with regional planning and preparing the State Water Plan for the development of the state's water resources. The TWDB administers cost-effective financial programs for the construction of water supply, wastewater treatment, flood control, and agricultural water conservation projects.

Freaky Winter Weather! On Thursday December 15, 2011, at approximately 9:30 am, Coke County Sheriff Wayne McCutchen and Deputy Trey Davis responded to a one vehicle accident approximately 12 miles North of Robert Lee on Hwy 208. The accident was caused by a freak sleet storm with sleet covering the roadway for approximately 1 mile. Temperatures were approximately 20°F colder than those in Robert Lee. No one was injured in this accident. The Best Connection's Rick Drennan braved the slick ground to rescue the vehicle.

Jones

On this happy day, a wonderful lady went to heaven to meet Don and Jimmy Don "fishing pole in hand" at the big fishing hole behind the Pearly Gates. Lillian G. Branch Jones left this world December 15, 2011, free of pain and heartache.

Lillian was born on October 17, 1925, in Waurika, Oklahoma, to Claude and Annie Mae (Helffinger) Branch. Both preceded her in death. Lillian was a Baptist and had lived in Robert Lee for twenty years on Spence Lake until five years ago when her health began to fail, at which time, she moved to San Angelo so she could be closer to her doctors. She was a housewife and married Donald Lewis Jones on January 13, 1946, in Sherman, Texas. They had 52 wonderful years together before Don passed on August 3, 1998. Lillian loved fishing and being at the lake where she and Donald would make all kinds of things from old pieces of wood that they found there.

She is preceded in death by Don (1998) and her son Jimmy Don in July 1973.

She leaves behind to rejoice her death brothers, Ralph Branch and Karen, Farrell Branch and Karen; sisters, Doris Ware and husband Jimmie, Verta Nolan; grandson, Donald Branch and wife Kari. To miss her and still love her is her faithful pet, J.C., and friend, Marie Plott, both of San Angelo.

Visitation was all day Sunday from 9 am to 8 pm, December 18, 2011, at Shaffer Funeral Home in

Robert Lee. A graveside service was held at 10 am Monday, December 19, 2011, in Paint Creek Cemetery. Services were under the direction of Shaffer Funeral Home.

New law aimed at ag sales tax abuse

A new law aimed at reducing the misuse of agriculture sales tax exemptions is going into effect in January, said John Ross Copeland, president of the Coke-Sterling County Farm Bureau.

"The law creates a new tax exemption number for Texas agriculture producers," John Ross Copeland noted. "Farmers and ranchers need to take note of the change."

John Ross Copeland said the registration number requirement does not change the agriculture/timber exemption that has been in place since 1961. Anyone engaged in the production of agriculture or timber products still qualifies.

"The new law is aimed at curbing abuse of those who falsely claim the exemption, costing sales tax dollars to the state, municipi-

palities and local communities," John Ross Copeland said.

In the past, anyone who bought products for use in agriculture production had only to verbally state they were sales tax exempt, and fill out a form. Beginning Jan. 1, a person claiming an exemption from sales tax on the purchase of agricultural items must provide a registration number, which will be issued by the comptroller.

"This new procedure is an important tool to protect the integrity of the sales tax exemption," John Ross Copeland said. "In lean years like 2011, this

important exemption for farmers and ranchers can be the difference between staying in business or not."

Farmers and ranchers need to apply for the tax exemption number, which starting Jan. 1, 2012 will be presented to sellers to be exempt from sales and

use taxes when making agricultural purchases. The agriculture tax exemption number is received from the state comptroller, who can be reached by calling toll free 1-800-252-5555, or at <http://www.window.state.tx.us/taxinfo/agriculture>.

POLITICAL LETTER

Dear Editor,

As a concerned citizen, I am writing about a proposal made to the Coke County Commissioners Court on December 12, 2011, concerning an ATV/OHV park in the Wildcat Recreation area of Lake Spence. Supposedly a state funded grant would provide 80% of the cost and the county would provide 20%. According to the county judge, the county would do all the work and maintain it at tax payers' expense. I have property I pay taxes on and for the past 3 years, there's never been any maintenance to those roads. Yet the commissioners want to back this special interest group. Make your concerns known.  Let me start by saying that I have been acting WAY better than I did last year, so that's worth something right? This year for Christmas, I will be happy with anything as long as it falls into one of these basic categories: trains (especially Thomas the Train), cars, or school buses.

Mom says I'm a little obsessed. Please remember my baby sister, Kanyon, and all the other children in Robert Lee.
