- Coke County Attorney Nancy Arthur, 40 votes;
- Commissioner Precinct 1 Troy Gene Montgomery, 10 votes;
- Commissioner Precinct 3 Gaylon Pitcock, 16 votes;
- Precinct 1 Constable Marshall Millican, 23 votes;
- Democratic County Chairman Robert Houck, 37 votes.

Coke County Republican voters agreed for the most part with other voters in Texas on the state and national races.

Mitt Romney in his race for the Republican Presidential nomination garnered 402 votes in Coke County included in the 993,086 votes statewide.

David Dewhurt in his race for the US Senate seat held by Kay Bailey Hutchinson garnered 348 votes in Coke County included in the 622,420 votes statewide. This put him at only 44.60% of the vote statewide and forcing a runoff election with Ted Cruz. Cruz received 89 votes in the county and 477,750 votes statewide for an overall percentage of 34.23.

Current US Representative for District 11 Mike Conaway garnered 379 votes in Coke County included in the 48,570 votes in the district. Closest challenger Chris Younts garnered 26.42% of the vote in the county (140 votes) compared to 18.70% (12,913 votes) in the district.

Texas State Senator Bob Duncan easily overcame challenger E.M. Garza in Coke County, 390-53, and also in District 28 with over 85% of the votes cast.

In the hotly contested race for 51st Judicial District Attorney, Allison Palmer received 254 votes in Coke County. Challengers Andrew Graves and Nathan Butler received 101 and 96 respectively. It appears at presstime that she received over 50% of the vote overall in this district and a runoff election will not be necessary.

There were five propositions on the Republican ballot.

- Proposition 1 - School Choice, For 421 - Against 88, Statewide For 84.56% - Against 15.43%;
- Proposition 2 - Repeal Obamacare, For 504, Against 21, Statewide For 92.85% - Against 7.14%;
- Proposition 3 - Public Prayer, For 511 - Against 29, Statewide For 91.30% - Against 8.69%;
- Proposition 4 - Balanced Budget/Controlling Government Growth, For 500 - Against 12, Statewide For 94.00% - Against 5.99%;
- Proposition 5 - Redistricting, For 375 - Against 85, Statewide For 75.58% - Against 24.41%.

Primary in Coke County posted low numbers, so did the Democratic Primary across the state.

President Obama posted 24 votes in Coke County and claimed 88.21% (517,540 votes) of the vote statewide.

Democratic challengers for Sen. Hutchinson's seat will face a runoff with no clear winner in the county or statewide. Paul Sadler garnered 12 votes in the county to Grady Yarbrough's 11. Statewide, Paul Sadler posted 35.12%, Grady Yarbrough posted 25.82%, Addie Allen posted 22.90% and Sean Hubbard posted 16.14%.

The Democrats had three propositions on their ballot.

- Proposition 1 - In-state high school graduate eligible for tuition/legal status, For 34 - Against 14, Statewide For 84.95% - Against 15.04%;
- Proposition 2 - Legislature fund colleges with affordable tuition and fees, For 35 - Against 11, Statewide For 92.60% - Against 7.39%;

**Remember Me?**

I have been called many things in my long "life"; Old Glory, Star Spangled Banner, Stars and Stripes, but whatever you call me I am your Flag, the flag of our United States of America.

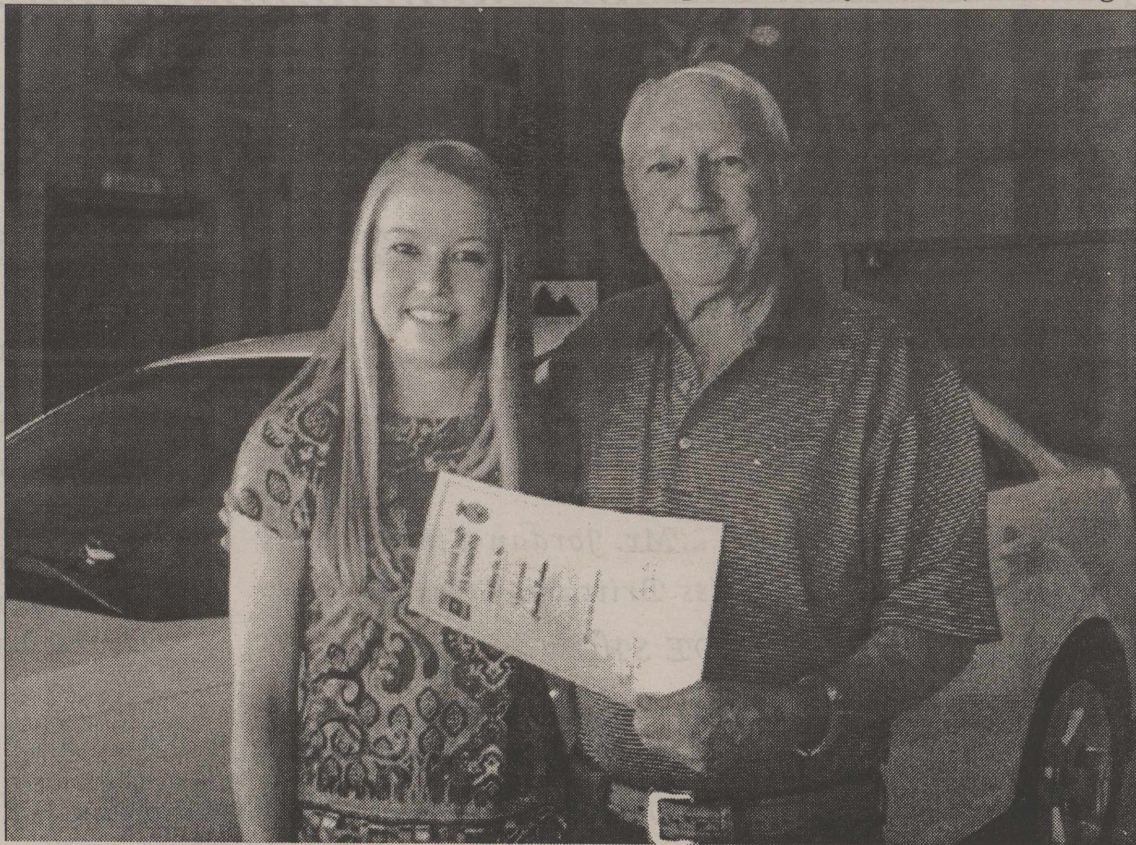

I remember, at one time in your history, people lined both sides of the streets to watch a parade and I was always waving in the breeze. Remember?

When children stood before the flag pole at their school every morning to watch me pulled up the pole and waved at you; and The Pledge of Allegiance was recited. Remember?

When your dad removed his hat, as I waved by and placed it over his heart. Maybe it was a ball game, a rodeo where riders presented me to all on horse back. You children stood tall and put little hands over your heart. Remember?

What has happened? I'm still the same old flag. A few new stars have been added and a lot more blood has been shed so I could still wave at you. Just as the Democratic

**Howard College Meeting!** Danny Sparks from Howard College recently provided information to Bronte High School students and parents about higher education opportunities at Bronte High School during the summer and during the academic school year. Parents and students were also provided with handouts and had the opportunity to ask questions.

**Bronte ISD Bands!** The Bronte High School and Bronte Elementary School bands have each performed concerts this month. Mr. Dannheim, band director, and his band students have worked hard this year and the concerts were enjoyed by the students and school staff as well as, community members and parents. Pictured is the elementary band. The Bronte High School Band blew them away at the 2012 Texas Music Festival, bringing back the Best in Class and Division I trophies with a rating of Superior from all the judges! "Great, energetic playing...keep up the fine work and progress" and "This composite ensemble has a nice healthy balance" were only two of the awesome comments from the judges.

**... Remember Me?**

(Continued from page 3)

Lately I don't wave so happily when I pass by or I'm sad when I'm presented where people are asked to remove their hats or caps and please stand. Some people don't pay attention when our "Star Spangled Banner" is being sung.

Some seem embarrassed to

be patriotic. Have you forgotten what I stand for or where I've been? I was at World War I in England, France, and Germany; in World War II at Pearl Harbor, Normandy, Omaha Beach; at Korea and Viet Nam and now the Middle East. Remember?

I'm so sad when I'm burned in streets by people of other countries and now in the streets of the U.S.A., by people who don't care how many lives were lost so they can walk on your streets.

Where has respect for our old flag and our country gone? Take time to look at memorials that have honor rolls of all our men and women who gave their lives so you can live in a free country. When you salute me you are saluting all our military people who never came home.

Well, it won't be long before I'll be coming down a street again; or I'm at a ball game, car race, rodeo or just waving in someone's yard, over a court house or a business.

When you see me next, stand tall, give a wave, place your hand over your heart (while you are still allowed). I'll salute you by waving back and I'll know you Remembered.

**Check Out Coke County Library**

"A Quiet Place" is a song by Garnet Mimms. She sings of what makes her street noisy and of her desire to find "a quiet place."

Lots of things make a street noisy. Dogs barking, cats meowing, cars passing, motorcycles roaring, kids playing, televisions and radios blaring, unhappy people yelling. A little noise may be o.k.,

but a day-long noisy street is unnerving.

So, how to find a quiet place? Can't move off the noisy street? Move into a book. Rent's free. If it's a really good book, all your attention will be there and you won't even hear noise. You will have temporary ownership of the book and its story and its people. Plus, from books you learn without even trying.

Browse the library. Take several books. Try them out. No need to read every book you pick up. A library book is your very own selection. Not assigned, not beamed, not portrayed in living color and noise by people who need to make a lot of money.

The Coke County Library is mainly a quiet place. Except for readers under five years old. Under-five readers have to be in a library to learn how to be in a library. So under-five-year-olds should come to the library often. So they

learn faster. They like to check out books. Sometimes the same book over and over. Like finding a good friend. A book read twice is predictable which means its quiet in that book. Quiet is a good place for the youngest readers, too.

Coke County Library hours are Tuesdays, 8-12; Wednesdays, 8-4; Thursdays, 1-5; Fridays, 8-12. Call 453-2495 for information.

**The Biggest Lie**

by Melinda McCutchen

Many sits at her kitchen table blankly staring into her cup of coffee that had long since become cold. She's trying hard to make sense of why this is happening to her and to the family she loves.

She's tried all of her life to be a good Christian and now ... she's dying.

Why do bad things happen to good people?

Since the beginning of time, people have been deceived by Satan. This book discusses his first lie, the same lie people believe today!

Based on John 10:10.
