## County Livestock Show starts today in Robert Lee

The 75th edition of the Coke County Junior Livestock Show will be held today and tomorrow (Friday and Saturday), January 17 and 18, 2014, at the Sterling Lindsey Memorial Exhibition Building in Robert Lee.

This year's show will feature animals in the Market Lamb, Market Goat, Market Swine and Market Steer shows, but more importantly, many young exhibitors from around the county.

The county stock show offers the youth of Coke County an opportunity to exhibit their livestock projects which they have worked with for more than 11 months, in many cases.

Besides being a worthwhile educational activity for our youth in teaching them responsibility, working with others and numerous life skills, it is an important economic endeavor when you consider the animals purchased from county producers, feed purchased locally and the premium sale monies that come in from the county and other areas. The total amounts of monies generated by these exhibitors

amounts to over \$150,000 per year that is circulated in the county.

The show will begin today at 6:30 pm with the Market Lamb show, followed by the Market Goat show. These will be judged by Bronc Fleming, livestock producer of San Angelo. Tomorrow, the Market Swine show gets underway at 8:30 am, followed by the Market Steer show at 11 am, judged by Duffy Galloway, Loraine ISD agriculture teacher. Showmanship judge is Glenn Heard, Miles ISD agriculture teacher.

The Buyer's appreciation barbecue will be served at 12 noon Saturday. Following the barbecue, the premium sale will be held at 2 pm to honor the prize winning animals and exhibitors.

People wishing to donate to the Coke County Livestock Show can contact either the County Extension office in the courthouse or one of the Livestock Association directors.

The directors of the Coke County Junior Livestock Show would like to invite everyone to

The Coke County Retired Teachers Association will meet Monday, January 20, 2014. The noon luncheon meeting will be held at First Baptist Church in Bronte. All Coke County school retirees are encouraged to attend.

### Bronte Lions help kids to see in time for Christmas

The Bronte Evening Lions Club's main mission is to help serve the community the best they can. You have probably seen, as you head from Bronte to San Angelo, that the Lions keep the highway from the city limits to the Colorado River free of trash. They also help by taking tickets at the Longhorn football games at no charge to the school. Furthermore, they have been giving scholarships to Bronte graduates for many years.

However, the most significant way they benefit the community

is by helping people to see. In the past, the Club has helped many children and some adults whose families did not have the means to purchase glasses on their own. This year alone, the Club has helped, free of charge, around 8 children from Bronte to obtain glasses. Five of these were delivered right before Christmas; the gift of sight was a great gift for these children. These kids would probably not have had the opportunity to get glasses if it were not for the Lions. With the Club's help, they now will have a much better chance to succeed in school, whereas before they were at a major disadvantage.

The Bronte Evening Lions Club's major fundraiser is placing flags around town on patriotic holidays. This service is how they pay to provide the glasses for these children, as well as the other services they deliver. The flags are put up seven times a year and the cost is only \$20 for the year. If you would like to have a flag displayed at your home or other location on these holiday's or make a donation to the Lion's to

On Saturday, January 11, 2014, our dear father, grandfather, brother and friend, Wallace David Ross, "Wally", 80, of San Angelo, Texas, went to be with his maker.

Wally was born on September 2, 1933, in Robert Lee, Texas, to Alice May Ford Ross and Roy Preston Ross. Wally grew up on a farm two miles from Robert Lee with 5 brothers and 3 sisters. In 1950, Wally joined the US Air Force and served for 4 years as a Radio Intercept Operator. While in service, he spent time serving in Japan and in South Carolina. While on leave at home from Japan in 1954, Wally met the love of his life, Billie Dove Allen. On March 14, 1955, they were united in marriage. Over the next years, Wally was the manager for Fred Meyer, Inc, Strike It Rich and B&W Stores. In 1981, Wally and Billie opened Wally's Woodworks in Bangs, Texas. The shop is currently owned and operated by family friend, Mr. Dennis Lilley.

Wally was a member of Robert Lee Baptist Church and sang in the choir for the last 3 years they lived in Robert Lee. After moving to San Angelo, Wally and Billie attended Hillcrest Baptist Church in San Angelo, Texas. Wally enjoyed camping, fishing, carpentry, family time and most of all projects in his shop.

Wallace David Ross was preceded in death by his parents; his wife, Billie Dove Allen Ross; brothers, Mike Ross, R.D. Ross and wife Bea Ross, Preston Ross and wife Norma, Joe Ross and Freddy Ross; sister, Edwinna Ross Wilkerson and husband Ellis Wilkerson, and brother-in-law Elmer Ross.

### PETITION TO LEGALIZE THE SALE OF ALCOHOL FOR OFF-PREMISES CONSUMPTION

Currently the City of Bronte allows retailers to sell beer and wine because the legalization for this was voted on and passed years ago. The sale of alcohol, however, is still prohibited. I would like to change that and legalize the sale of alcohol in the city, but will need your support!

My name is Jennifer Addona and I have been a resident of Bronte since October of 2009. I have made Bronte my home and can truthfully say I love this small town and the people in it. I quickly became involved in the community by being a member of the Bronte Chamber of Commerce, the Historical Commission and the City Council. I have been managing Bronte Hometown Hardware over the past several years and have successfully turned it into the store it is today; increasing sales and the volume of people who shop there, not only by our residents but those from surrounding towns.

I was raised in a happy, conservative home, and have strong morals and beliefs. Most of you know me by now and know that I am a hard worker, respectful, caring and friendly. I believe that being involved in your community, getting to know one another, understanding the needs of, and communicating with, our residents and businesses is fundamental in maintaining a healthy, prosperous and strong community.

I hope to open a liquor store in the city on Highway 277 within the next year or so. It will not be just your traditional liquor store; I would add my own personal touch! I plan on becoming a member of the Go Texan program and carry Texas made products such as boxed chocolates, specialty breads, gourmet foods like cheeses, nuts, salsa's, meats, sausage and jerky; the possibilities are endless and I really haven't quite made up my mind on the inventory yet.

I know I would like to carry a line of Bronte sports and visitor shirts & caps, and have an area in the store for tables and chairs where shoppers can stop and relax for a bit.

I want to make this store an attraction not only for our residents, but for the residents from surrounding cities, the many travelers and tourists that drive through our welcoming city, and for the Hunters who faithfully visit our city; of whom I know many and can tell you from talking to them that they are in favor of seeing a liquor store in the city. Over the years I've constantly heard them ask "where is the closest liquor store?", and "how much further do we have to drive?".

Presently those that want to purchase alcohol go out of town. Why not support this legalization and keep the money in the city? This would generate increased tax revenue for the city, and keep those from shopping the bigger towns for an item not supplied in town. I know there are those that are against this legalization, and that's alright. But by not selling liquor in town does not mean that no one will consume it or that it will stay out of the city. On the contrary, it will still be bought and the money will continue to be spent out of the city. I have the passion to try to obtain this approval; not only for myself, but for those that share my same view.

I am presently taking the necessary steps to obtain a Petition from the City. I ask those Bronte registered voters, who live within the city limits, and who support this legalization, to come out and show your support by signing this Petition. If I get the necessary amount of signers, it will be voted on at the next election. I believe in small businesses and the future. Times change and new ideas are good! I ask for your support in making this happen!
