West Coke County Hospital Board Meeting

By Pat Stephens
 The Board of Directors of the West Coke County Hospital District met in regular session March 24, 2014. President Mary Bessent called the meeting to order and declared a quorum was present. Other Board members present were Dessie Kendall, Sarah Green, Pat Stephens and Pat Carwile. Monica Toney, Administrator, and Janie Munoz, BOM, were also present at the meeting. The invocation was given. Minutes from the previous meeting were approved, and there were no absent Board members from that meeting.

In the census count, there are currently 31 residents in the facility.

Under Capital Improvements, the parking lot renovation and the construction to the East wing of the facility remain projected. A new stove, ice machines, and mixing valve for the hot water system have been purchased.

In the staffing update, there are currently 2 employees enrolled in CNA classes. There is currently an ad running for positions as CNA, LVN, and Maintenance personnel.

The facility continues to work on the changeover to the Matrix system of bookkeeping, and the Board appreciates the hard work and diligence of everyone involved in this process as it is put in place. A new firm has been hired to do Medicaid cost reports, due to the resignation of Della Alexander. The Board extends sincere appreciation to Della for her many years of excellent service.

The May election of Board members was canceled due to an uncontested race.

Updates were given on maintenance of the building, and the Board reviewed accounts receivable and collections. Financial statements were discussed and accepted.

The Board went into Executive Session at 12:55 PM to discuss Personnel. They returned to Regular Session at 1:00 PM. In her 6 month evaluation, Monica Toney received a rating of excellence, and a raise in pay. The Board extends sincere appreciation to Monica for her dedication and diligence as administrator of the facility.

Future agenda items were

discussed and the meeting was adjourned. The next meeting will be April 28, 2014. Everyone is invited and encouraged to attend.

Sneaking a peek at the calendar for April, at 10:45 on the 8th, the Sierra Vista Circuit Singers will be performing at the facility. On the 18th, at 3:00, there will be an Easter egg hunt, so that probably means the Easter bunny will have been there earlier that day. The monthly birthday party will be held at 3:00 on the 22nd, hosted by members of the Eastern Star. Family and friends are always welcome. The birthday honorees are Ethel Ames, Joan Davis, Louise Colby, and Polly Millican. Curtis Shelburne will be providing entertainment for residents and guests on the 23rd, at 3:00, and the monthly Sing-along will be held April 25th, at 3:00. Everyone has a standing invitation to come and join in the fun. All of this is in addition to regular church services at 3:00 every Sunday afternoon, provided by the area churches, and Methodist entertainment at

3:00 every Monday afternoon. Visitors and participants are always welcome. Wishes are extended to everyone for a very blessed Easter.

The Faces of a TxDOT San Angelo District Work Zone

Veteran employees bring awareness to nationwide observance week of April 7-11
 Israel Ortegon, David Sanchez, and Jerry Stone all live and work in the 15-county San Angelo District of the Texas Department of Transportation (TxDOT). All have witnessed or been involved in near-miss incidents or fatalities in a work zone because of a distracted driver. Their stories are compelling and have been life-changing for each of them.

Israel Ortegon

David Sanchez

Jerry Stone

Israel Ortegon is the maintenance section supervisor of the Eden and Menard Maintenance Offices. He has lived in Eden his entire life and has a wife and three children. On July 3, 2007, he and another employee were working on the shoulder of the US 83 bridge as the road approaches Menard. A truck that was carrying a concrete slab had lost its load. Israel and his co-worker were at the scene with a loader pushing the slab off the main lanes. Suddenly, seemingly out of nowhere, a pickup truck with five people aboard veered right and hit the edge of the TxDOT sign trailer, swinging their truck parallel to the TxDOT dump truck which was connected to the sign trailer. Israel was struck down to the pavement by one of the passengers who was ejected from the pickup. He was knocked unconscious, face down on the grassy right of way. The pickup truck came to a rest just inches from Israel's body. "When the dust settled, I wasn't sure if it was the clouds of heaven or the smoke of hell"

Israel said later, describing the horrific work zone crash that could have killed him. "Lots of people have life changing events like marriage, having children, or divorce, but this incident was my life changing event. When I realized that I still had two arms and two legs, I knew God had spared me that day," he added. "Today I always grab an extra hug from my wife and kids when I head off to work, because you just never know what may happen," Israel said.

David Sanchez, is a Construction Inspector for the Sutton County Area Office in Sonora. He has lived in Sonora his entire life and has three grown children. In his 28-year career with the department he has had two near misses. One was on US 277 in Val Verde County when he was flagging in a work zone and was nearly hit by truck. The other was on I 10, when he was working just three or four feet from the traffic when a driver came across the center line, passing through the

barrels and plowing into the work zone.

David ran and was able to narrowly escape tragedy. He says drivers have more distractions now than they did years ago. "I witness people driving too fast, being aggressive, and not paying attention in work zones," David said. "I wish people would be more aware of signs and stay alert in work zones," he added.

Jerry Stone, is the Assistant Supervisor for Tom Green County Maintenance Office. He was born in Ackerly, Texas and now makes his home in San Angelo. He is married and has two young children. Since he began working for TxDOT in 2005, he has had two near misses and witnessed the fatality of a contract worker. It was in 2008, when he was working on US 87 near FM 2105, that he witnessed a fatality. Jerry and his

coworkers were inspecting a contractor who was placing stripes on the pavement when a pickup truck grazed a parked construction vehicle and hit the worker, killing him instantly. The pickup truck skidded about 100 feet before coming to a stop. "We are out there working hard every day in very dangerous situations, and I wish the public would have more respect for us," he said. "We all try to watch each other's back and be a support system for each other."

These three workers would like drivers to know that they are real people too, with families and people counting on them to come home safe. They would like to remind you to:

- Be aware of signs in work zones
- Look out for workers
- Slow down and focus on the

- road
- Put down the cell phone
- Be patient
- Since 1938, TxDOT has lost 272 employees in work zones:
- 103 killed by a distracted driver
- 28 killed on the shoulder or right of way
- 19 killed while flagging traffic

At any given time, there are over 2,000 active work zones on the 80,000 miles of roads that TxDOT maintains in Texas. In 2013, there were 17,000 crashes in work zones and 115 people died in those crashes. Although the national recognition of Work Zone Awareness Week is April 7-11, TxDOT believes that every week should be Work Zone Awareness Week.

Remember each of our workers is someone's mother, father, brother, sister, son or daughter!

Deer Study Group to meet April 10-11

The Texas Deer Study Group will convene April 10-11, 2014, at the Knights of Columbus Hall in Columbus, Texas. This year's event will focus on "Great Expectations: Optimizing Deer Management in the Post Oak Savanna and Gulf-Coast Prairies."

The program will consist of a full day of presentations on the 10th covering a wide array of topics including a history of management and habitat changes in the area, breeding chronology and buck movement, harvest strategies, an overview of research and a point-counterpoint discussing important management concerns.

On the 11th, the group will meet at a local ranch for a half-day of presentations covering getting to know your deer, habitat management techniques and native and introduced vegetation. Everyone with an interest in deer and deer management is encouraged to attend.

Sponsorship and vendor opportunities will be available for businesses and individuals to support the event. Early registration deadline is March 31. For more information or to sign up please visit the Texas Wildlife Association website at <http://www.texas-wildlife.org/resources/events/texas-deer-study-group> or contact Clint Faas at cfaas@texas-wildlife.org

Bronte Scholarships available

The C.J. Macon Memorial Scholarship and the Bronte Community Scholarship applications are now available to graduating seniors at Bronte High School who plan on attending a university, junior college or technical school fall 2014. Applications are available online at www.bronteisd.net on the Counselor's Corner page under scholarships or may be picked up in the counselor's office. The deadline to apply for both scholarships is April 8, 2014.

The C.J. Macon Memorial Scholarship is also open to past BHS graduates. Please turn in applications to Mrs. Timmerman, BHS counselor. For more information, please call the counselor's office at 473-2511.

Camp Courage slated

Hendrick Hospice Care in Abilene is offering two free camps for children and teens who have experienced loss. Losses are varied and could include but are not limited to death, divorce, separation, incarceration and deployment. Participants are led through a variety of grief exercises which

ultimately build self-esteem, trust and an understanding of the grief process. Specifically trained volunteers and counselors facilitate the activities that encourage self-healing and provide an outlet for unexpressed emotions.

One camp is a day camp on August 9 for children entering grades K-2 for the 2014 school year. The other camp is a four-day, three night camp from June 1-4 and is for students that will be entering grades 3-12 for the 2014 school year.

If you would like an application, please contact the BHS counselor's office for more information or an application or Aimee Colley at Hendrick Hospice Care at 325-670-6951. Application deadline is April 18, 2014.

Health Matters Summer Camps set for June

The West Texas Area Health Education Center is hosting two Nursing Day Camps and a Health Careers Day Camp in June. Students currently in grades 9-12 may apply. The deadline to apply is April 30th.

Health Matters Summer Camps offer a great opportunity for students interested in learning more about health professions.

For more information, please contact the West Texas AHEC-Big Country at 325-672-0495 or visit the counselor's office at your high school for more information or to pick up an application.

The camps allow the students to gain experience through hands-on learning, interaction with healthcare professionals, and tours of medical facilities. Students are also given the

opportunity to participate in teaching simulations and visit with university pre-health departments. The deadline to apply is April 30th.

For more information, please contact the West Texas AHEC-Big Country at 325-672-0495 or visit the counselor's office at the high school for more information or to pick up an application.

SPECIAL THANKS

A special thanks to those who helped with the Barbeque: Jeffie Roberts and Crystal Stanford and the Directors Wives. A very special thank you to Hall's Super Save, B&K Processing and Super H for their donation of meat & Jack Horton for cooking the meat and Jeremy & Sid Burns for cooking the beans. Also, thanks to the 4-H and FFA mothers who worked in the concession stand. Thanks to John Hayes and Shane Kelton for announcing during the show and sale. Thanks to Stacy Kelton for keeping the books.
