## Budget adopted following Monday's public hearing

The 2015 Coke County budget was reconsidered and once again adopted following a public hearing Monday morning, September 22, 2014, at the Coke County Courthouse. Ten concerned citizens (evenly divided between Bronte and Robert Lee) attended the public hearing where, due to a procedural mistake, the Sheriff's budget had to be reconsidered.

The error began during Commissioners Court following the public hearing on September 2, 2014. At that time and at the request of the citizens in attendance, Commissioners voted to increase the salaries of the Sheriff and his deputies by 7%. They then adopted the 2015 Budget. Following the posting and certification of the budget, it was realized that time requirements for elected officials' salary increases had not been met and another public hearing must be held.

At Monday's public hearing, all those addressing the court spoke in support of the Sheriff's Office. Following the conclusion of the hearing, Precinct 2 Commissioner Wendell Lee made a motion to reconsider the adoption of the 2015 budget. His motion was seconded by Precinct 3 Commissioner Gaylon Pitcock. The motion carried.

Commissioner Lee then made a motion to discuss and act on the increase of 7% for the

Sheriff's salary. Precinct 4 Commissioner Bobby Blaylock seconded the motion and it also carried.

The final motion made on this subject came from Precinct 1 Commissioner Gene Montgomery. His motion to readopt the 2014-2015 budget was seconded by Commissioner Blaylock and also carried.

**Old Coke County Jail Dedication!** People in period dress added to the historic atmosphere at the dedication of the old Coke County Jail and its new annex Saturday morning, September 20, 2014. The overflow of attendees were protected from the rain as they listened to Bobby Blaylock and the program inside the new building.

### Old Jail's history detailed in Saturday's ceremony

Descendants of Coke County pioneer families, descendants of Coke County sheriffs, present and past sheriffs, and honored guests made up a special audience for the dedication of the 1907 Coke County Jail. Also, a room full of people with various connections to the history of the county and the preservation process of the Coke County Historical Commission added to the support for preserving the history of Coke County.

The Old Jail has a dedication plaque to Roberta Cole Johnson of Brenham, Texas, whose bequest funded the restoration and future maintenance of the building. The annex building has been named the Blake Annex to honor Charles and Joy Millican Blake who were entrusted by Mrs. Johnson to name the projects worthy of her bequest.

Two special guests couldn't make the ceremony. Charles and Joy Blake were confined to their home in Brenham because Charles had tackled a project which left him with a viral infection to be treated with intravenous and then oral antibiotics until the infection is eradicated. They were missed by those in attendance.

Kara Dotter came from San Diego to see the completion of a project for which she laid the groundwork. Her masters thesis from the University of Texas documented the

construction and laid out a preservation plan in accordance with the preservation practices of historical projects nation-wide.

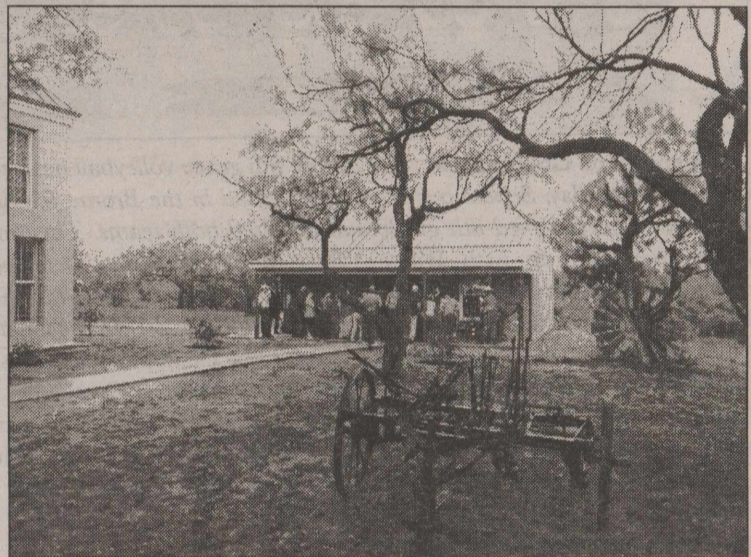

Jeff McCrea, his family, and parents were acknowledged for making the preservation process their own and carrying out the plan that had been established. Preservation is not an HGTV-flip project with Skill saws and sledge hammers. It is more hack saws and putty knives and bended backs that reveal, preserve and protect building structure.

Bonita Copeland Cartrite researched and wrote A History of the Old Coke County Jail and Sheriffs with Related Facts and Tales documenting the lives and events of her father, Sheriff Melvin Childress who along with her mother Essie Childress were the last to live in the Old Jail during the 1960's. She and her family were honored at the event. Funds from the sale of her book were donated to the Coke County Historical Commission and there are only a few of the books left. A re-print is planned to include Sheriff McCutchen.

Eddie Paul and Billie Roberts Good were acknowledged for having the close ties to the Old Jail where Mr. Good lived with his family and Mrs. Good is a Coke County pioneer descendant. Mrs. Bobbie Allen (Bill) and Mrs. Peggy Davis (Vaughn) and Mrs. Phelan Wrinkle were acknowledged for their over-seeing of the preservation process and

handling the paper work.

Commissioner Bobby Blaylock was the MC for the program and was acknowledged for his store of Coke County history and his problem solving throughout the preservation process. As have been mentioned with appreciation, Coke County commissioners and their staffs, the City staff, Olive Nursery and Britten's Garden and Landscape for falling in to complete the xeriscape project and George Grim for having seen to the

conquering of the weeds over the years.

Future plans for the annex are

developing and the area will soon be ready to preserve and exhibit Coke County history.

### Longhorns fall to the Bears

By Coach Kevin Burns

The Baird Bears defeated the Bronte Longhorns on Friday by a score of 26-14. The Bears scored once in the first quarter and once in the second quarter to take a 14-0 halftime lead.

At the three minute mark of the third quarter Josh Puentez scampered 17 yards for a TD and Lance Burns PAT trimmed the lead to 14-7. On the first play of the fourth quarter, the Bears scored on a 28 yard run to extend their lead to 20-7 but missed the PAT. At the five minute mark, Puentez scored from 5 yards out and the PAT was good to cut the lead to 20-14. That drive was set up by a blocked punt that was downed at the ten yard line. The Bears responded with a time consuming drive that would eventually score one more time with 1:09 to play to end the scoring for the evening.

With the win Baird, improved

to 2-2 on the season and the Horns fell 0-4.

This week, the Longhorns will travel to Rocksprings for a 7:30 kickoff.

## Hornets Lose a Tough Game to Robert Lee

After taking the opening kickoff and putting together an impressive march down the field for the opening score, the Hornets were hard pressed for much of the first half to put together much offense as the Robert Lee Steers showed why they were undefeated coming in to the game as they quickly took a sizeable halftime lead.

However, bolstered by 4 takeaways by the defense, the Hornet offense took on new life and made a game of it in the second half. Led by 233 yards rushing by Franck Cano and 4 TD passes by Cole Alley, the Hornets matched the Steers score for score to make the final score 86-50.

The Blackwell coaching staff was very proud of the effort of the kids as they fought hard and never quit.

The Hornets' next game is Friday, September 26, at home against the Eden Bulldogs.

**Robert Lee Robotics needs your help**

Robert Lee Robotics is gearing up again for the 2014-2015 contest year. We need your help.

We do two contests each year- B.E.S.T. and TCEA Lego's. To

do this we need both mentors and sponsors to help the kids go to contests.

For the B.E.S.T. competition the kids need to build a robot from scratch. We need mentors that help them do this. We are looking for people who know how to put things together such as lifts, crane arms, and anything a machine has to do a job. These kids need training in using different power tools used in construction. Also, we need people to help them learn how to plan a robot and lay it out.

We also need people who can help the students develop a presentation and a marketing booth. B.E.S.T. is a contest where we not only build a robot but we market it as well. This year we are using turbines as the competition theme.

One of the requirements of B.E.S.T. is to have sponsors to support our team. Each year the teams work hard to keep the funds going to pay for the contests, team t-shirts, cost of transportation, materials, and robots. At the competition your name will be proudly displayed on a banner in our marketing booth.

TSTC of Sweetwater provides the materials for their contest but there are always costs for participation.

TCEA Robotics uses the Lego mindstorm kits and we have reached a point where our robots are failing and we must replace them. Each kit cost

around \$400.00.

Please if you have time we need you. Teaching kids the skills learned in robotics will translate in a job when they graduate. We thank you in advance. We also thank all the sponsors we have had in the past.

For more information please email celeste.service@rlisd.net or call (325) 453-4555.
