### Friday's stand-off ends with arrest

Officers of numerous area law enforcement agencies descended on west Coke County last week. On Friday evening, May 8, 2015, Coke County Chief Deputy Brandon Neal and Deputy Anthony Lopez were searching for a man believed to be in the Lake Spence area. An arrest warrant (motion to revoke probation on an aggravated assault with a deadly weapon conviction) was issued out of Tom Green

County for Dennis Cranfill, 53 of San Angelo. Coke County Deputies believed Cranfill might be responsible for several break-ins around the lake where food had been taken. When found by Neal and Lopez, Cranfill barricaded himself and his co-habitant in a house on Driftwood (off of Highway 158 west of Robert Lee). He soon released the woman. East Coke County Ambulance Service transported her to a San Angelo hospital with injuries.

Coke County Sheriff Wayne McCutchen okayed the use of tear gas and entrance to the house by the Tom Green County Sheriff's Office SWAT team when Cranfill refused to cooperate. He was taken into custody on the warrant and later charged with aggravated assault with a deadly weapon and aggravated kidnapping.

Emergency responders included members of the Coke County

Sheriff's Office, East Coke County Ambulance Service, Robert Lee Volunteer Fire Department, Texas Rangers, Tom Green County Sheriff's Office and Department of Public Safety.

**Fancher honored on May 2**

A lovely party was held in the home of Keith and Lanette Fletcher Saturday, May 2, 2015, to honor Billie Jean (Mrs. Royce) Fancher. Many people brought cards and letters telling her how their lives, homes, and families have been impacted by what they learned from her during her many years of teaching "future homemakers" in Bronte High School's Home Economics Classes. Two former students (Melissa Lee Hoch and Susan Cumbie Williams) even brought their much-used recipe file boxes from high school.

Billie Jean grew up in Bronte and graduated from Texas Women's University at the age of nineteen. She returned to Bronte where she was hired to teach, and where she remained for thirty years. Hundreds of young ladies (and young men!) went through her classes. She never taught anywhere else in her tenure.

There were approximately 75 people in attendance, everyone from past students to people whom she impacted after she retired. Everyone seemed to enjoy reminiscing, visiting with old alumni and old friends, telling stories, talking with Billie Jean, and enjoying the wonderful cookies and punch. The hostesses provided Billie Jean's favorite sweets - thumb print cookies and apricot fried pics, as well as other deserts. The hostesses were Lanette Fletcher, Susan Williams, Marilyn Bivins, Cynthia Robinson, and Linda (Cumbie) Gladden; as well as help from Cami Davidson, and some wonderful cookies by Ginger Eubanks.

**Fancher Honored With Tea!** Mrs. Jean Fancher was honored with a tea on Saturday, May 2, 2015, at the home of Lanette Fletcher in Bronte. Mrs. Fancher, long time home economics teacher at Bronte High School, was instrumental in imparting important life skills to hundreds of students over the course of her career in Bronte.

**CCRTA meeting set for May 18**

The Coke County Retired Teachers Association will hold their final meeting of the year on Monday, May 18, at 12 noon at the First Baptist Church in Bronte.

A short meeting will follow the covered dish lunch. All Coke County retired teachers and school administrators are encouraged to come and eat heartily.

President Kelso has reported that Tim Lee, Executive Director, of the Texas State Teachers Association will be the speaker at a meeting on September 8, 2015, in San Angelo. The meeting is to be held in the Region XV

Education Center. More information will be given at Monday's meeting in Bronte.

All retired school personnel are encouraged to join CCRTA. Statistics of membership and attendance are recorded. Legislators are made aware of the figures to evaluate the support level. Treasurer Janet Wommack will accept mail-in membership dues at P.O. Box 364, Bronte, TX 76933.

CCRTA meetings will resume in September.

**Annual Celebration issue set for July 3rd**

Last year's 125th Coke County Anniversary issue was a huge success. Although it included many stories of early Coke County, there will never be room enough in a single issue to tell all of the interesting history surrounding Coke County and the people who have lived here.

With this said, the July 3, 2015, issue and the issue nearest to July 4th of the years following will be devoted to celebrating the history of Coke County. We are asking for your stories, old pictures and anything you believe pertains to our history here in Coke County. Please contact us at (325) 453-2433 (email o-c@wcc.net).

**Local farmers support trade authority bills**

Coke County farmers and ranchers support legislation that expands international trade for farmers and ranchers.

The Trade Promotion Authority (TPA) bills will greatly benefit Texas farmers and ranchers, said Coke County Farm Bureau President John Ross Copeland.

TPA streamlines negotiations and strengthens the U.S. position at the bargaining table. It is central to completing key trade negotiations already under way, such as the Trans-Pacific Partnership.

"U.S. agriculture will not grow unless our farmers and ranchers can compete in the international marketplace," John Ross Copeland said. "We lose potential markets if we cannot negotiate and ratify trade agreements through TPA."

The United States is the world's leader in agricultural exports, coming off a record year of \$152 billion in exports last year.

"TPA will keep that trend moving forward," John Ross Copeland said.

**Lady Longhorns Chosen!** Four senior members of the Lady Longhorns Volleyball team were chosen to represent Bronte ISD, its coaches, community and Texas in the USA Junior National League Tournament of Volleyball in Columbus, Ohio, July 15-20, 2015. This is a great honor and opportunity for these seniors. These young ladies, Dakota Arthur, Stacia Emfinger, Moriah Royall and Crystal Bilbrey, need the community's support and blessings.

### Robert Lee ISD bad weather make-up days announced

Robert Lee ISD has missed two days of school due to bad weather. Both of the days missed will have to be made up and they have been scheduled for Friday, May 15, and Friday, May 22, 2015.

Please feel free to contact the school office at 453-4555 if you have any questions.

### Longhorns, Lady Horns compete at Regional Track Meet

The Bronte Longhorns and Lady Longhorns participated in the Class 1A Regional Track Meet recently at Angelo State University. The boys had three events from the Area Meet two weeks ago. The girls had seven qualifiers in six events from the Area Meet. Regional meets were held throughout the state to determine trips to the State Meet in Austin. The top two in each event advance along with a single wild-card from the best time or place that was not in the top two at their regional meet.

In the boys division: Jared Scott placed 9th in the Long Jump; Lance Burns placed 10th in the Shot Put; and Joshua Puentez placed 12th in the 400M Dash.

In the girls division: the 4x100 relay team of Emily Davidson, Karen Davis, Addison Rosson and Jordayn Berryhill were 11th. Crystal Bilbrey placed 11th in the 100M Hurdles and 10th in the 300M Intermediate Hurdles; Darby Duncan placed 11th in the 1600M Run; the 4x200 relay team of Brittany Bedford, Jordayn Berryhill, Addison Rosson and Karen Davis placed 6th; and the 4x400 relay team of Karen Davis, Jordayn Berryhill, Brittany Bedford and Addison

Rosson placed 2nd and will advance to the State Meet.

These kids worked really hard and represented their team, school, and community with class. Wishing the best of luck to the Girls Mile Relay in Austin.

### Blackwell CISD School Calendar revised

**Cattlemen's investment booming in Texas**

Just six months in, the Texas Beef Checkoff posted revenue of \$3.4 million.

That money will be used to revamp marketing strategies to share beefy messages with consumer audiences, enhance producer communications and provide beef content to retail partners. In addition to promotion and marketing beef, checkoff dollars will be invested

in research efforts.

"It's an investment by Texas cattlemen for Texas cattlemen," County Farm Bureau President John Ross Copeland said. "We raise a quality product right here in the Lone Star State, and checkoff dollars help ranchers with marketing their beef in Texas and around the world."

Funds also are used to build upon current programs, which wasn't possible before the state-

funded checkoff began.

"We've all faced the tough times during the continuous drought. The beef checkoff was no different," said. "Many research, marketing and education programs were put on hold, but now there's a light at the end of the tunnel."

The Texas Beef Checkoff referendum was approved by Texas cattlemen last July. Collections of the assessment began Oct. 1, 2014.

**TEXAS COMMISSION ON ENVIRONMENTAL QUALITY**

**Notice of Draft Federal Operating Permit**

Draft Permit No.: O865

**Application and Draft Permit.** WTG Jameson, LP, 211 N. Colorado St., Midland, TX 79701-4607, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Federal Operating Permit (herein referred to as Permit) No. O865, Application No. 21887, to authorize operation of the Jameson Gas Plant, a Natural Gas Liquids facility. The area addressed by the application is located at 1000 Gas Plant Road in Silver, Coke County, Texas 76945-3249. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to the application. You can find an electronic map of the facility at:

[www.tceq.texas.gov/assets/public/hb610/index.html?lat=32.048888&lng=-100.68&zoom=13&type=r](http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=32.048888&lng=-100.68&zoom=13&type=r)

This application was received by the TCEQ on September 15, 2014.

The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code § 122.10 (30 TAC §122.10). The draft permit, if approved, will codify the conditions under which the area must operate. The permit will not authorize new construction. The executive director has completed the technical review of the application and has made a preliminary decision to prepare a draft permit for public

comment and review. The executive director recommends issuance of this draft permit. The permit application, statement of basis, and draft permit will be available for viewing and copying at the TCEQ Central Office, 12100 Park 35 Circle, Building E, First Floor, Austin, Texas; the TCEQ San Angelo Regional Office, 622 S. Oakes St., Ste. K, San Angelo, Texas 76903-7035; and the Coke County Library, 706 Austin St., Robert Lee, Texas, beginning the first day of publication of this notice. The draft permit and statement of basis are available at the TCEQ Website:

[www.tceq.texas.gov/goto/tvnotice](http://www.tceq.texas.gov/goto/tvnotice)

At the TCEQ central and regional offices, relevant supporting materials for the draft permit, as well as the New Source Review permits which have been incorporated by reference, may be reviewed and copied. Any person with difficulties obtaining these materials due to travel constraints may contact the TCEQ central office file room at (512) 239-1540.

**Public Comment/Notice and Comment Hearing. Any person may submit written comments on the draft permit.** Comments relating to the accuracy, completeness, and appropriateness of the permit conditions may result in changes to the draft permit.

**A person who may be affected by the emission of air pollutants from the permitted area may request a notice and comment hearing.** The purpose of the notice and comment hearing is to provide an additional opportunity to submit comments on the draft permit. The permit may be changed based on comments

pertaining to whether the permit provides for compliance with 30 TAC Chapter 122 (examples may include that the permit does not contain all applicable requirements or the public notice procedures were not satisfied). The TCEQ may grant a notice and comment hearing on the application if a written hearing request is received within 30 days after publication of the newspaper notice. The hearing request must include the basis for the request, including a description of how the person may be affected by the emission of air pollutants from the application area. The request should also specify the conditions of the draft permit that are inappropriate or specify how the preliminary decision to issue or deny the permit is inappropriate. All reasonably ascertainable issues must be raised and all reasonably available arguments must be submitted by the end of the public comment period. If a notice and comment hearing is granted, all individuals that submitted written comments or a hearing request will receive written notice of the hearing. This notice will identify the date, time, and location for the hearing.

**Written public comments and/or requests for a notice and comment hearing should be submitted to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087, or electronically at [www.tceq.texas.gov/about/comments.html](http://www.tceq.texas.gov/about/comments.html) and be received within 30 days after the date of newspaper publication of this notice.** If you communicate with the TCEQ electronically, please be

aware that your email address, like your physical mailing address, will become part of the agency's public record.

**A notice of proposed final action that includes a response to comments and identification of any changes to the draft permit will be mailed to everyone who submitted public comments, a hearing request, or requested to be on the mailing list for this application.** This mailing will also provide instructions for public petitions to the U.S. Environmental Protection Agency (EPA) to request that the EPA object to the issuance of the proposed permit. After receiving a petition, the EPA may only object to the issuance of a permit which is not in compliance with the applicable requirements or the requirements of 30 TAC Chapter 122.

**Mailing List.** In addition to submitting public comments, a person may ask to be placed on a mailing list for this application by sending a request to the Office of the Chief Clerk at the address above. Those on the mailing list will receive copies of future public notices (if any) mailed by the Chief Clerk for this application.

**Information.** For additional information about this permit application or the permitting process, please contact the Texas Commission on Environmental Quality, Public Education Program, MC-108, P.O. Box 13087, Austin, Texas 78711-3087 or toll free at 1-800-687-4040. Si desea información en Español, puede llamar al 1-800-687-4040.
