**YOU ARE NOW ENTERING  
A VERY DANGEROUS AREA  
WHERE MULTIPLE  
FATALITY ACCIDENTS  
HAVE OCCURRED.  
PLEASE DRIVE  
DEFENSIVELY.**

**Editorial** - The community of Bronte lost a beloved member this past weekend on the same stretch of Highway 277 where we've lost members before. On Saturday, September 12, 2015, David and Misti Bedford, along with their parents, Jerita and Stover Taylor and Everett and Pat Bedford were just leaving Bronte headed north to a volleyball game. A young man traveling south toward Bronte, in his attempt to pass a truck, hit them. Mr. Taylor was airlifted and later died at the hospital. All of the ladies were taken by ambulance to the hospital with serious injuries. Our prayers are with this family.

In the last couple of years, there have been several deadly accidents in the one mile section between the north city limits and the Winters highway. A meeting was held with TxDOT this past March following the last fatality accident, but nothing has been done to improve the safety of this roadway. Perhaps the time is here for citizens of Bronte to come together and create and post the above sign near the turnoff to Winters, with landowners' permission.

day). The JV and junior high will also be playing the Hornets in Highland starting with the junior high at 5:30 pm.

Friday, September 25: "There's a StormCOMING Friday!" (Steer spirit day).

Many events will take place on Friday, September 25th celebrating the Robert Lee Homecoming. The Robert Lee School parade will start at 2 pm at the Coke Co Courthouse. The community is invited to participate in the parade with floats or other entries. Cash awards will be given to entries for 1st, 2nd, 3rd and 4th places judged by members of the community. The parade will end at the High School where a pep rally will be held at 2:40. Winning entries from the parade will be announced at the pep rally. Immediately following the pep rally the Robert Lee Beta Club will be hosting the Exes Tea at the high school. FCCLA will have their fund raising dinner from 5-7pm in the High School cafeteria. Fajitas are on the menu. Tickets for the dinner may be purchased from any FCCLA member or at the door. The Steers will be taking on the Highland

Hornets; game starting at 7:30pm. Pre-game announcements will begin at 7:10pm. Homecoming ceremonies will take place at half-time which will include introductions of the Homecoming Court, the crowning of Homecoming King and Queen and the crowning of Mr. and Ms. RLHS.

## Wildlife/Range Workshop slated

It will specifically target ways to keep wildlife present on low-fenced properties. Also, there will be a plant ID contest with the winner receiving a copy of the user-friendly book "Range Plants of North Central Texas," donated by

the Coke County Soil and Water Conservation District.

Coke County Retired Teachers attend area meeting.

**Coke County Retired Teachers to meet**

The Coke County Retired Teachers will hold the first meeting of the year on Monday, September 21, at the First Baptist Church in Bronte at 12:00 noon for a covered dish meal and meeting.

New retirees are urged to join the CCRTA as a show of support for active teachers and retirees in matters of legislation. Also a good meal is guaranteed at each of the nine meetings throughout the year.

A group of CCRTA teachers attended the San Angelo Retired Teachers Association to hear Tim Lee, Executive Director of the Texas Retired Teachers Association, bring everyone up to date on retirement funds and health care. It is essential to be informed of any legislation taking place in Austin and Tim Lee and his staff are the retired teachers' representative on site in Austin.

He said that the retired teachers who remain active are the ones who "get-it-done." He explained the revenue stream for the RTA fund as well as the health care concerns. The only thing going up is the health care cost. Pension income remains steady, but is not equal to the medical complex and its rising costs. Some of the representatives who supported TRA are not returning to the legislature. This will pose a problem year after next.

One representative on hand was Senator Charles Perry who recognizes retired and active teachers importance in the education of Texans. He reminded the group that a voting block of teachers and retired teachers will make a strong statement in the future. He expressed his appreciation to educators.

Dr. J. D. Sheffield, who was born in Loraine, Texas, and now serves as a representative of District 59 in the Gatesville area, was also a speaker. He speaks for public education and is not in favor of vouchers. Private charter schools are for profit and under few regulations. When they close, the profits leave Texas.

The Coke County Retired Association meets each month (except December) of the school year.

**Deadline nears to order swine tags**

It is that time of year again to order swine validation tags for FFA and 4-H members planning on exhibiting swine projects at the Coke County Show and the major stock shows.

Any barrow must have a state validation tag to be eligible to enter Fort Worth, San Angelo,

San Antonio, Houston, or Austin stock shows. Also, any gilt must have a state validation tag to be able to participate in the CTBR Stars of Texas gilt show at the San Angelo Stock show.

You can contact your Agriscience teacher or the Coke County Extension office to place your tag order. The tag order is due by Friday, September 25, 2015, to the swine validation chairman. Swine validation will be held in November and will be

set by the county stock show board of directors.

**'64 Study Club to raffle Spirit Quilt**

The '64 Study Club's Spirit Quilt will be on view at the club's booth during the Robert Lee Street Affair on Saturday, September 19th.

It's RLISD spirit is alive in school colors and steer logos. The winner can stay "orange warm" and "bleed orange," too.

Also, the club will have tickets available for a Sam's Club and Wal Mart gift certificate. Tickets are \$1.00 each. The drawing will be held at the

downtown Christmas in Robert Lee event in December.

The funds raised through this effort provide scholarships for RLISD seniors. The quilt will be on display at all RLISD home games: September 25; October 2 and November 6.

MAKING SENSE OF INVESTING

**Explanatory Statements for the November 3, 2015 Constitutional Amendment Election**

**Proposition Number 1 (SJR 1)**

**SJR 1 - Current law provides an exemption of \$15,000 from the ad valorem taxation for public school purposes of a residence homestead. The proposed amendment would increase this exemption to \$25,000, starting in the tax year beginning January 1, 2015. In order to reflect the increased exemption on the homestead of a person 65 years of age or older or a disabled person, the proposed amendment would provide a reduction to the current limitation on the total amount of ad valorem taxes. The proposed amendment would protect school districts from all or part of the revenue loss by authorizing an appropriation of funds according to formulas set by the legislature. In addition, the proposed amendment would authorize the legislature to prohibit a political subdivision from reducing or repealing a homestead exemption adopted by the political subdivision. Finally, the proposed amendment would prohibit the imposition of a tax on the conveyance of real property, but would not prohibit the imposition of a business tax measured by business activity, a tax on the production of minerals, a tax on the issuance of title insurance, or a change in the rate of a tax in existence on January 1, 2016.**

The proposed amendment will appear on the ballot as follows: "The constitutional amendment increasing the amount of the residence homestead exemption from ad valorem taxation for public school purposes from \$15,000 to \$25,000, providing for a reduction of the limitation on the total amount of ad valorem taxes that may be imposed for those purposes on the homestead of an elderly or disabled person to reflect the increased exemption amount, authorizing the legislature to prohibit a political subdivision that has adopted an optional residence homestead exemption from ad valorem taxation from reducing the amount of or repealing the

exemption, and prohibiting the enactment of a law that imposes a transfer tax on a transaction that conveys fee simple title to real property."

**Proposition Number 2 (HJR 75)**

**HJR 75 - In 2011, voters approved a constitutional amendment to allow a surviving spouse of a 100 percent or totally disabled veteran an exemption from ad valorem taxation from all or part of the market value on the disabled veteran's residence homestead, as long as the surviving spouse had not remarried. The amendment did not apply to surviving spouses of veterans who died before 2011. This amendment would extend the exemption in such cases. The proposed amendment would apply only to ad valorem taxes imposed for a tax year beginning on or after January 1, 2016.**

The proposed amendment would appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for an exemption from ad valorem taxation of all or part of the market value of the residence homestead of the surviving spouse of a 100 percent or totally disabled veteran who died before the law authorizing a residence homestead exemption for such a veteran took effect."

**Proposition Number 3 (SJR 52)**

**SJR 52 proposes a constitutional amendment to repeal the requirement for the Comptroller of Public Accounts, the Commissioner of the General Land Office, the Attorney General, and any other officers elected statewide to reside in Austin, Texas, the state capital. Under current law, these statewide elected officers are required to reside in the capital of the State of Texas while in office. This amendment would not apply to the residency requirement for the Governor.**

The proposed amendment will appear on the ballot as follows: "The constitutional amendment repealing the requirement that state officers elected by voters statewide reside in the state capital."

**Proposition Number 4 (HJR 73)**

**HJR 73 proposes a constitutional amendment that would grant the legislature the authority to pass statutes to allow a professional sports team charitable foundation to conduct charitable raffles under the terms and conditions imposed by general law. The laws passed under this authority may provide that the professional sports team charitable foundation may use proceeds from such charitable raffles to pay reasonable advertising, promotional, and administrative expenses. Any law enacted by this provision only applies to entities defined as professional sports team charitable foundations on January 1, 2016. Additionally, any law enacted by this provision may only allow charitable raffles to be conducted at games hosted at the home venue of the professional sports team associated with a professional sports team charitable foundation.**

The proposed amendment would appear on the ballot as follows: "The constitutional amendment authorizing the legislature to permit professional sports team charitable foundations to conduct charitable raffles."

**Proposition Number 5 (SJR 17)**

**SJR 17 proposes a constitutional amendment which would increase from 5,000 to 7,500 the maximum total population threshold of a county that is allowed to construct and maintain private roads as long as the county imposes a reasonable charge for the work.**

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize counties with a population of 7,500 or less to perform private road construction and maintenance."

**Proposition Number 6 (SJR 22)**

**SJR 22 proposes a constitutional amendment that would add the right to hunt, fish and harvest wildlife, including by use of traditional methods, in the Bill of Rights of the Texas Constitution. This right would be subject to laws and regulations intended to conserve**

and manage wildlife and to preserve the future of hunting and fishing. The proposed amendment would establish hunting and fishing as the preferred method of managing and controlling wildlife in Texas. The proposed amendment is not intended to affect any law or provision related to trespass, property rights or eminent domain, and would not prevent the legislature from authorizing a municipality to regulate the discharge of a firearm in a populated area in the interest of safety.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment recognizing the right of the people to hunt, fish, and harvest wildlife subject to laws that promote wildlife conservation."

**Proposition Number 7 (SJR 5)**

**SJR 5 proposes a constitutional amendment to dedicate a portion of revenues from (1) the state sales and use tax, and (2) the tax imposed on the sale, use, or rental of a motor vehicle, to the State Highway Fund (SHF). Under current law, these funds would be deposited to the General Revenue Fund. Money deposited to the SHF is intended to be used only to construct, maintain, or acquire rights-of-way for public roadways other than toll roads; or to repay certain transportation-related debt.**

The proposed amendment would appear on the ballot as follows: "The constitutional amendment dedicating certain sales and use tax revenue and motor vehicle sales, use, and rental tax revenue to the state highway fund to provide funding for non-tolled roads and the reduction of certain transportation-related debt."

## Longhorns fall to Moguls

By Coach Rider  
The Bronte Longhorns were defeated by the Munday Moguls last Friday night by a score of 46-6. It was a great learning experience for the Longhorns playing against a top ranked team. The Longhorns played good defense early, but struggled offensively when starting quarterback Ryan Jones was injured. Brant Smith stepped in at quarterback and did throw a sixty yard Touchdown pass to Samuel Dominguez. The Longhorns plan to bounce back and will play the Baird Bears at Baird on Friday, September 18th.

September VP meeting discussed

Following the meeting of the

Long Range Planning Committee for Vision with a Purpose, the regular meeting for all members was held September 3 at 6:30 at their headquarters on Austin St.

President Debbie Childers opened the meeting with a prayer and introduced guests Kay Torres, Main St. Improvement and Mayor Leroy Casey

Ms. Torres was at the meeting to explain the Texas Capital Fund, Downtown Revitalization Program (DRP), a program to aid in the improvement of historic downtown areas of rural communities. Robert Lee needs pledges of \$45,000 to revitalize our downtown area. The

maximum amount a city may receive is \$150,000. VP agreed to pledge \$15,000

Another guest, Matthew Gore, Youth Minister at Robert Lee Baptist Church, was there representing the United Youth Alliance, an organization of young people focusing on community events. The group wanted permission to use the VP building for their weekly meetings; it was granted.

Our office will be open for the Street Affair, September 19, to sell coffee, cinnamon rolls and water. Also, Memorial Bricks, Hunter's B.B.Q. tickets, Memorial Park Christmas Cards and V.P. Memberships will be

available. Nancy Wilson and Debbie Childers will decorate the office. Come by to see what we're all about.

Members approved the purchase of a sea container to be delivered and installed behind our building for extra storage during remodeling.

A reminder regarding the Christmas Cards for Memorial Park: \$350 for first year includes a personalized card and installation with a spotlight; every year following is \$100. Payment deadline is November

4th. For more information, see Jan Pettit at Floyd Pettit Insurance, 715 Austin St., 325-212-0817

Sons of Pitches softball tournament August 8 was a success in spite of the heat. Everyone enjoyed the games and the food. Consideration is being discussed to move the tournament to a "cooler" date next year.

Next meeting will be Thursday, October 1st at our office on Austin St. Come see what we're all about.
