Elect BILL ELKINS CONGRESSMAN AT-LARGE
(Pol. adv. pd. for by Bill Elkins)

OUT ON A LIMB
By CHARLENE WHITE

We received a nice letter from Elouise Neely, the ice skating gal, thanking us for a story we wrote about her a few weeks ago. It was kind of a shock. As Mrs. Mahood, in Stamford, says, "When the complaints don't come in, we just take it for granted that the story satisfied. But it certainly is nice when someone says so." Elouise allows that she has hung up her ice skates for good after six years on the road, for dancing in some of the nation's better known clubs. The letter was sent from Beverly Hills Country Club in Rockport, Kentucky. From there she will go to Hawaii and then is being booked into the Moulin Rouge, Los Angeles. She says, "This is a fabulous experience for me. I have worked with Jose Greco, Ted Lewis, Georgia Gibbs, Myron Cohen and now at the present time, Pearl Bailey is our lead star. I might add, she is tremendous."

We're worrying our brain down to the bone over a release just received from the Texas State Health Department. Namely: Do Mexican flies stay in Mexico and Texas flies stick to this side of the river? Or do they brave the perils of the Rio Grande? Or, do just the sturdier ones immigrate in hopes of better pickings on the other side? Now we can quit brooding. Last week the answer was made crystal clear. To find out the answer to this brain teaser, 25,000 flies were captured in Laredo and 30,000 in Nuevo Laredo. One bunch was dyed red and the second flock green. The answer? As might be expected, they go where they darned well please, anytime the notion strikes them. So there.

C. of C. Retail Trade Committee met Monday afternoon to discuss the Christmas program for this year. Among the problems to crop up was that of finding a way of insuring that the small fry get a free bag of candy without getting trampled in the rush by the older children. Don Roberts suggested that they build a small doorway and if the kid has to stoop to get under, he is too old. Noah Lane pointed out a squib in the Foxtail Johnson Object column of the current Farmer-Stockman which would be appropriate here. "Finest sport us farmers have had in years is to hunt up a city banker and talk about the soil bank like we know as much about it as he makes out like he knows about money banks."

Met one of Haskell's citizens bubbling over. "I just love elections," she said sweetly. "People come up and chat with me, who didn't even speak to me last month."

Ottie Johnson is back in line after getting a little contrary last week. Started looking for a new waitress, and before he found one, was filling in as headwaiter. "Just goes to prove what I've always thought," he said, mopping up a glass of water he had just overturned. "There's no job a man can't do better than a woman. In fact, my wife's coming down to help out pretty soon. I may get so contrary, I'll just send her home." We don't know, but we'll bet axes and spades, that ain't what he told her!

Life do get frustrating. First the man in charge got mixed up on dates and didn't make it to the Ground Observer Corps meeting. The fire siren goes off and half the town tears out to watch an oil pit burn and if any of the occupants of the autos felt sheepish, at least they had company. Probably just as well we weren't inducted into the GOC. As near-sighted as we are, we'd sight a buzzard and report a bomber.

Frances and Shady Lane are enjoying their vacation this week at a lovely lodge known as "Shady's Lodge," located on the 12th block, Haskell, Texas. We know all this 'cause Frances was thoughtful enough to send the staff Lane-Felker's a long letter detailing their vacation activities. It reads:

"Dear Slaves: As you know we started our vacation Saturday night. We arrived at our destination about 10 o'clock. It is located in a grove of pecan trees with the prettiest green grass and surroundings. Linda and Suzanne left today for a conducted tour with about 20 or 30 other young people. This tour will take them to a very beautiful encampment ground at Lueders. While they are gone we will stay here. Actually took a nap Sunday while the girls went to town to a show. They thought it was wonderful, and if Shady fishes tonight, I may go to the movie. Must relax, you know this is my vacation, but promised I wouldn't do like the rest, just send a little card. Love, Shady and Frances." The comment about the card was directed to Mattie Merl Felker, who sent the staff a card while on vacation. The card arrived at the shop two days after Mattie Merl did.

SHERIFF

I want to again thank the people of Haskell County for their friendliness and confidence shown in electing me as your Sheriff. I am anxious to thank you personally not only for your support in the past, but for the interest and encouragement given me in my campaign for a second term. H. K. (BUD) THOMPSON CANDIDATE FOR CONSTABLE - PREC. 1

To the Voters of Constable, Precinct No. 1:
Please accept this as a final reminder that I need and will appreciate your vote in my race for Constable.

It has been my intention to see as many voters as possible during the campaign but this has been impossible. I appreciate the encouragement given me and to those I have not had the privilege of meeting personally would like to give a brief outline of my candidacy. I have had considerable experience as a peace officer, having worked under three different Sheriff's administrations and with juries and other court officials over a period of several years.

I am a longtime resident of Haskell, and am seeking the office of Constable as a livelihood, with the intention of devoting my major time and efforts to handling the affairs of the office in an honest and impartial manner. On that basis I respectfully solicit your consideration and vote next Saturday.

VACATION TIME

It is that time of year again when we had planned to close up and head for the mountains. This year the drouth, hospital bills and a car wreck took care of that for us.

We do think a good service man deserves a vacation so our service department may be a little lax at times between now and the first of September.

We have been in this business for more than 30 years and have tried to hire good clean, honest men to handle your service jobs. We haven't in the past and will not in the future use a man in our service department who spends his spare time drinking or using dope or vacation time in jail. We just don't believe that way.

We carry a complete stock of pulleys, belts, floats, tubing, fittings and pads for your coolers. Clinton and Briggs-Stratton Motor parts for your lawn mowers and small power equipment.

A Message from A. C. Sego To Prec. 1 Voters

To the Voters of Precinct 1:
At the time of my announcement I did not present a formal statement and at this time desire to sincerely solicit your consideration and support of my candidacy for Commissioner of Prec. 1.

It has been impossible to see each voter and discuss my campaign personally as well as to express my appreciation for your past favors.

A majority of you know my record as your Commissioner, an office with which you have honored me in the past. You are likewise acquainted with the fact that as Commissioner I tried to serve all sections of the precinct in an equitable manner. I believe that I am thoroughly acquainted with the needs of the precinct and familiar with the business and administrative duties of your Commissioner.

Also, as your Commissioner I will welcome at all times your suggestions in all matters pertaining to the precinct and county business, and to devote my full time and best efforts toward giving you a satisfactory, business-like administration.

On this basis I respectfully solicit your vote when you select your Commissioner Saturday.

Sincerely,

Reminder to the Voters from J. C. (Bob) Marlow

To the Voters of Constable Precinct 1:
During these final days of the campaign before Saturday's election, I hope to see as many of you as possible and ask your support and vote for a second term as Constable.

However I will be unable to see a majority of the voters and take this means to solicit your continued support. Most of you know that I am now serving my first term as Constable. I have tried to handle the affairs of the office in a manner to justify the confidence you have expressed by your vote in the past.

In asking for a second term, I believe that experience will enable me to serve you more efficiently in the future. If you see fit to re-elect me, it will be my continued aim to devote full time to the job in making you a dependable officer.

I need and will sincerely appreciate your vote in Saturday's election, and will repay you with honest service.

Respectfully,

To The Voters of Haskell County

With the first primary only a few days away I do not consider it necessary at this time to make a formal statement concerning my candidacy for the office of Tax Assessor-Collector of Haskell County.

However, I do want to express my appreciation to the voters and people of Haskell County for the encouragement given me during my campaign and to review briefly the qualifications upon which I have based my candidacy.

I am a native of Haskell County, born and reared on a farm and educated in the public schools of our county. Like hundreds of others from our county, I am a veteran of World War II and I considered it an honor to assume my responsibility as a citizen and serve in the armed forces of our country when needed.

In addition to farming, I have had a number of years of experience in various business fields and feel that I am thoroughly qualified by experience in business management, bookkeeping and related fields to handle the affairs of the Assessor-Collector's office in an efficient and satisfactory manner.

I am married and the head of a family to whom I owe the responsibility of providing a livelihood, a Christian home and an education for our two children, a son and a daughter.

On the basis of my qualifications, I respectfully solicit your consideration and your vote in the primary, Saturday, July 28.

Sincerely,

Richard E. Mathis, Jr.

Paint Creek... Community News

MRS. GENE OVERTON

All these jokes we laughed at in June about Noah built the ark and it rained for forty days and nights, Haskell County got three inches, and saying "it's too wet to plow, might as well go fishing" and all these other dry weather jokes just "ain't funny no more, McGee!" There's nothing funny about this poor little droopy cotton, and these big cracks in the wheat fields, I guess though that it is good when folks can joke about it, even if it is just awful.

Mr. and Mrs. Hoyt Perry had as their guests this past week their daughter, Mrs. Wayne Blacklock and daughter Pam of San Antonio. The Perrys, son Don, and granddaughter Amelia Rhaye took Mrs. Blacklock home Friday and stayed for a visit with her till Sunday.

Mrs. Carl Manske, Carla, Lynn Dale and Danna have gone to Wheeler to visit Mrs. Manske's uncle, Dewitt Swan for about three weeks. Carl is working on the highway being built from Pampa to Borger and they can be closer to him at Wheeler.

Jimmy Ned Hokanson was inducted into the Army Friday a week ago at Abilene. He and his group were then sent to Fort Bliss at El Paso where they stayed week for their shots, uniforms and assignments. Jimmy Ned has been assigned to Fort Hood for his basic training, and reported there sometime this week.

Mr. and Mrs. Boyd Cathey and daughter Elizabeth of Grand Prairie came Friday night to the home of her parents, Mr. and Mrs. W. A. Montgomery, and the next morning both families left for Lake Palmer, Colo. for a week's vacation. They have stayed at Lake Palmer in the same cabin the past three summers, during their vacation. Mr. Cathey is in better health than he has been in several years.

Mr. and Mrs. Ben Isbell and Mr. and Mrs. Allen Isbell spent last week end in Graham where they celebrated Granny Emma Isbell's 83rd birthday.

Rev. and Mrs. J. B. Thompson had as their house guests at the parsonage last week their three grandchildren of Dallas. Saturday their parents came for them and brought Mrs. James Thompson and son Mike of Dallas for the weekend. Guests also for the Sunday morning service at Haskell, and for dinner were friends from Tulsa.

Mr. and Mrs. Dan LeFevre had as their guests Friday a week ago Dan's parents, Mr. and Mrs. C. W. LeFevre and Elizabeth of Sagerton, and his uncle.

The men went fishing at the lake all day, and caught one nice big cat fish, and enough more for a fish fry at the lake that evening.

Jerry Thane, a theological student at the Lutheran College in Iowa, and son of Mr. and Mrs. Edwin Thane, preached at St. Paul's Lutheran Church in Sagerton Sunday before last while their pastor Rev. Rudy Wendel was at the Lutheran Junior Bible Camp at Kerrville.

Five Paint Creek boys have been named Star Farmers of Texas. Willie Lee Medford, Agriculture teacher has been informed. They are Wallar Overton, Leon Hokanson, William Overton, Roddy Kuenstler and Arvie Bergstrom. Mr. Medford and the boys will attend the FFA banquet in Dallas Thursday night when the awards will be presented. They

will stay at the new Statler Hilton Hotel.

If I had gotten the news in time last week you would have read that Mr. and Mrs. Glen Berry of Abilene were the week end guests of her parents, Mr. and Mrs. Bill Griffith and family.

And Mr. and Mrs. J. J. Mickler and Mr. and Mrs. Allen Isbell and children spent Sunday in Abilene as guests of Mr. and Mrs. James Ross Mickler and sons. They had a picnic dinner at the Abilene Park.

And Mr. and Mrs. Pat Morrison, Vicki and Janay attended a 3-day reunion of Mrs. Morrison's mother's family at the Cleburne State Park. Relatives were there from Mississippi, California and Louisiana as well as Texas, and about 85 were there.

The ladies of the Baptist Church honored Mrs. Eldon Thane with a pink and blue shower at the church Friday afternoon. Guests were registered by Mrs. Dale Middlebrooks, and games were directed by Glenda Walton. A refreshment plate of pink cake squares, punch and candy favors were served. Besides the hostesses and Paint Creekers, guests were Meses. Henry Thane, Ervin Schaaque, Wayne Nickerson of Rule, Henry Townsend, E. C. Smith and Andrew of Rule.

But I didn't get the news in on time.

Mr. and Mrs. Frank Sims and Dub spent last week end at the park in Breckenridge where they attended the Everett's family reunion. Mrs. Sims was an Everett before her marriage. Their son Frank and his wife and son of Vernon Ray and his wife of Lubbock also were there. Bouncer and Karen, children of Ray and Wanda had spent the week here with their parents, Mr. and Mrs. Doc Raughton and the Sims, and they met their parents at the reunion to return home.

Mrs. Jewel McLennan and Tom Paul spent last week in Fort Worth as guests of her brother's family, Mr. and Mrs. Gordon Herring.

Mr. and Mrs. Jerry Terrell of Colorado City are announcing the birth of a baby daughter July 18. Her name is Sharon Elaine. Grandparents are Mr. and Mrs. Harvey Terrell of the Pardue Ranch.

Johnnie Watson had as his guests last week end Volley J. Ivy and W. O. Nanny of Haskell.

Mr. and Mrs. W. W. Thane and grandchildren Tandy and Pam of Stamford spent Thursday evening with Mrs. Thane's sister's family, Mr. and Mrs. Frank Underwood. Both Mr. and Mrs. Thane have recently undergone surgery and are recuperating.

Dianne Thompson from Lubbock has been a guest this week of her uncle and aunt, Mr. and Mrs. Estle Gilleland.

Mr. and Mrs. Jessie Cook and daughter Charlotte spent Tuesday and Wednesday of last week in Abilene where Charlotte had extensive tests and X-rays at Hendricks Memorial Hospital. She will undergo abdominal surgery there next week. Carolyn and Ray stayed with Mr. and Mrs. Paul Fischer and girls while their parents were gone.

Jo Ann and Emilee Griffith were guests recently in Seymour of the Knox County 4-H Camp. Emilee showed her films and told of her recent trip to Washington, D. C. where she attended the national 4-H meeting.

Mr. and Mrs. Brooks Early and

children have just returned from a vacation trip to San Antonio, Rockport, Corpus Christi, Austin and Brownwood. In Brownwood they visited Mr. Early's parents, Mr. and Mrs. Fred Shaw, Mike and Sue spent last week in Fort Worth as guests of Mrs. Shaw's parents, Mr. and Mrs. W. D. Martin.

Mr. and Mrs. James Raughton of Eola write homefolks that their baby daughter Jean Ann is much improved. She was quite ill for over a week and in the hospital at San Angelo. Both sets of grandparents, Mr. and Mrs. Clarence Raughton and Mr. and Mrs. Ray Overton went to be with her and her parents while she was so sick. The doctors decided she had measles, but before they decided she ran a temperature of 106 for two days.

Mrs. Ray Overton, Sr. and Mrs. Howard Montgomery attended a pink and blue shower for Mrs. Dempsey Bolding last week at the home of Mrs. Ellis Bean.

All these nice people who go to Munday for loads of melons and cantaloupes and then share with their neighbors are surely being appreciated these days. Ray Overton went and made the rounds of the community giving them away, and Sammy Griffith brought a pickup load to church a Sunday or two ago, and made everybody take all they wanted. Dan Riley came down to the Methodist Church and invited us all to come get some.

Mr. and Mrs. William McRae and sons of Hurst were guests of his brother's family, Mr. and Mrs. Dan McRae last week.

Glenda Walton and Helen Jean Cox were visitors last Monday on the campus of Midwestern University at Wichita Falls, and of NTSTC, Denton. They have decided to go to North Texas this coming year.

Dan Riley Griffith had surgery at the Stamford Sanitarium recently when he had a tumor removed from his big toe. He stayed in the hospital three days. I believe Paint Creek young people have set sort of a record this summer for toe surgery. Judy Earles and Polly Tipton have both had to have ingrown nails repaired.

Joan and Wanda Griffith returned this week end from a week's visit with relatives in Abilene. They visited their grand-

mother, Mrs. Annie Daniels, and aunts and uncles, Mr. and Mrs. V. A. Zackery and Mr. and Mrs. J. R. Vinson.

VISIT WITH FORMER RESIDENTS IN ARKANSAS

Mr. and Mrs. Haskell Edwards, Mrs. Cecil Corley and Karen, visited Mr. and Mrs. Virgil Thomas of Dardanelles, Ark., last week while vacationing in that state. Other points of interest visited by the Haskell people were the Ozark Mountains, Jasper and Hot Springs, Ark.

Frank South Makes Statement to Prec. 1 Voters

With the First Primary only a few days away, I take this means of making a final solicitation for your support and vote in my campaign for Constable of Precinct No. 1.

I appreciate the consideration and encouragement given me by many friends and voters throughout the precinct but there are some of you I have been unable to see personally and solicit your vote.

By way of introduction, I have been a resident of Haskell County and Precinct 1 for many years and am a veteran of World War I. My overseas service was with the 90th Division at St. Mihiel and "Death Valley" in France, until relieved by the 36th Division and then took part in the campaigns at Verdun and the Argonne Forest.

I have never held public office, but believe with the application of sound judgment and impartial dealing that I can serve you efficiently and satisfactorily as Constable.

Before casting your vote Saturday, I respectfully solicit your consideration and vote, with the promise that if elected I will try at all times to merit the confidence of the good people of Precinct 1.

Sincerely,
 (Pd. Pol. Adv.) Frank South.

Will Conduct Class In Baton Twirling In Haskell

Bill Adkins, former drum major of Haskell High School, McMurry College and University of Texas bands will give private instruction in baton twirling beginning July 30.

Adkins, son of Mr. and Mrs. W. H. Harrell of Haskell, was co-director of twirling instruction in McMurry College's annual summer band and twirling school which was held in Abilene July 15-28. A member of the twirling staff for four years in the summer school division, Adkins received high praise from Raymond T. Bynum, professor of music and director of the McMurry Indian Band. Bynum said, in part, "He has proven himself a capable teacher of the skills which he has mastered—fire twirling, high throws and drum majoring."

Adkins is a 1951 graduate of Haskell High School.

Ken Lane Returns From MU Summer Geology Class

Kenneth Lane, Haskell, is one of 10 Midwestern University students to recently complete a unique summer geology class conducted in part in Glacier National Park, Jasper National Park and in the largest gold mine in the world.

The special class was planned and conducted by Rex Ryan MU Geology Department head and was comprised of a four week trip through the West and Canada, a week's review of the things seen and a final exam.

The group left Wichita Falls, June 11, making the trip in three cars. The four week tour covered 5,020 miles in all, and during that time the students were able to observe almost every known geological formation first hand.

A highlight of the trip was the visit to Glacier National Park in northwest Montana where the Lewis Overthrust was studied. Sculptured by ice during the glacial periods, the huge overthrust fault has a throw of over 15 miles.

A tour of the Columbian Ice Fields in Jasper National Park in Canada gave the group the opportunity to see the remains of the continental glacier and study the geological history left by the glacier.

On the way back to Wichita Falls the group visited the Home Stake mine, largest gold mine in the world. Deepest shaft of the mine is slightly over a mile deep.

News of Haskell Boy Scouts

A watermelon feast and trips to Camp Tonkawa and Fossam Kingdom Lake have been the main topics of conversation for Haskell's Boy Scouts and Explorer Scouts for the last few days.

Scouts in Troop 35 acted as hosts at a watermelon feast for parents Monday evening in Rice Springs Park. James Gay was awarded his Tenderfoot Badge as the newest member of Troop 35. The event was attended by Mr. and Mrs. Kenneth Lafferty, Stamford. Mr. Lafferty is the new Scout executive for this area. The occasion also marked the first outing directed by the new Scoutmaster, Wayne Bradford who replaces Cecil Corley. Mr. Corley was recently appointed Boy Scout Commissioner.

Recently returned from an annual outing to Camp Tonkawa near Buffalo Gap are four Scouts from Troop 26. They are: Tom Bill Holden, Sammy Curry, Ken Weaver and Ken Stewart. Troop 26 meets each Tuesday evening at 7:30 p. m. in the First Methodist Church under the leadership of Jimmy Turner, Scoutmaster.

Explorer Scouts Advisor, Frank Urban accompanied six of the Scouts on a 2-day campout on Fossam Kingdom Lake last week.

One of the annual outings, the Scouts enjoyed swimming and fishing at a famed resort area. Attending were Bryan Corley, Kenny Neely, Doyce Hutson, Phillip Martin and Rodney Roberts.

A regular monthly meeting of scoutmaster, committeemen and Den Mothers, will be held in Stamford tonight. Planning to attend are Don Roberts, Woody Woodard, Wayne Bradford, Jimmy Turner, and Cecil Corley, all from Haskell. The group will participate in a round table discussion on scouting.
