CAN YOU RECOMMEND YOUR RELIGION?

The Bible emphatically declares that we should prove our religion by the Scriptures. "Prove all things; hold fast that which is good." (1 Thess. 5:21) "Examine yourselves, whether ye be in the faith; prove your own selves." (2 Cor. 13:5) "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world." (1 John 4:1) "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (2 Tim. 2:15) "These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so." (Acts 17:11)

You must not recommend your religion to others unless you can prove by the Scriptures that it is right. And, if I cannot recommend it to others, I do not want it for myself! "But, in vain do they worship me, teaching for doctrines the commandments of men." (Matt. 15:9) "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God." (2 John 9) "Not every one that saith unto me, Lord, Lord, shall enter the kingdom of heaven; but he that doeth the will of my Father which is in heaven." (Matt. 7:21) "Then said Jesus unto those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free." (John 8:31,32)

Peter said, "If any man speak, let him speak as the oracles of God." (1 Pet. 4:11) If anyone should recommend his religion without the authority of the word of God back of it, he would be inviting the anathema of God. (Gal. 1:7-9) ... continued next week

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Competition is shaping up in the top two state races for 1972.

State Sen. Joe Christie of El Paso emerged recently as a possible candidate for the Democratic U. S. Senate nomination. Christie, a 38-year El Pasoan, said he would be reluctant to abandon his state senate post, but he is keeping a close eye on U. S. Senator John Tower's activities in the Senate and considers him vulnerable to contest by a strong Democrat.

Christie's statement was seen as a trial balloon aimed at detecting just how serious Democratic leaders are about fielding a candidate against Tower -- and whether they would consider him as the man to unite behind.

Meanwhile, Dolph Briscoe of Uvalde is declaring his candidacy for governor and asking support in a series of statewide speeches.

Lt. Gov. Ben Barnes, of course, announced his candidacy for governor in mid-June, and already is campaigning (with time out to get married: to the former Mrs. Nancy Sayers of Austin, a longtime friend).

Former U. S. Sen. Ralph Yarborough is still leaving the door open for either a senate or gubernatorial race.

Gov. Preston Smith hints, from time to time, he may seek re-election.

Houston Post President William P. Hobby is the only announced candidate to succeed Barnes as lieutenant governor, but a lot more are expected to follow.

COURTS SPEAK — State Supreme Court upheld an intermediate court finding that an individual has no vested "property right" to welfare aid.

In other recent decisions, the High Court held:

A 1966 constitutional amendment does not outlaw use of market value to determine tax value of agricultural land. Kerr County ranchers had contended valuation should be determined on net income per acre from agricultural use only.

Beaumont Baptist minister of a church moved into a residential neighborhood cannot be held in contempt of a court order which blocked construction on an animal health clinic on same site.

Texas law does not require a father to support his illegitimate children. (Only one other state fails to provide for such support).

Contractors cannot collect on an insurance policy as the result of fire at a missile site near Abilene from which they had been hired to move property.

Austin district judge cleared the way for an appellate court test of whether the legislature in effect repealed penalties for possession of LSD and certain other illegal drugs.

Driver who failed to prove the other party in a traffic accident was not insured cannot collect on his uninsured motorist policy.

APPOINTMENTS — Governor Smith announced the appointment of Mrs. Mary Nell Garrison of Austin to the Board of Regents at Midwestern University, Wichita Falls.

Smith also announced these recent appointments:

Louis Shanks of Austin to State School Land Board.

Frank Medina of Austin, Dr. James W. Suffield of Beaumont and Logan W. Wood Jr. of Houston to new Texas Board of Athletic Trainers.

Charles Freeman of Pleasanton to Board of Directors of Evergreen Underground water Conservation District.

Bruce Street of Graham and A. M. Willis of Longview to North Texas State University Board of Regents (reappointments).

William Harold Pieratt Jr. of Giddings and Taylor H. Jobe of Gladewater to the State Board of Pharmacy.

SENATE "RATED" — League of Conservation Voters rated 11 senators with perfect voting

records on seven selected environmental issues this year.

Eight others were given a passing score, and 12 flunked (with less than five favorable votes out of seven). Seven of the latter group who registered two or less votes deemed correct by the environmentalists were put down as having "abominable records."

Senate's record, said the environmentalists, was better than that of the House, though only a "fraction" of strong pollution-control and conservation bills ever passed either house.

LABOR'S ELECTION DAY — August 14 is a major election day for organized labor.

AFL-CIO will select new officers at its state convention in Dallas at that time.

H. S. (Hank) Brown is stepping aside as president. Candidates to succeed him are Roy R. Evans, now AFL-CIO secretary-treasurer, and Harold Tate, the organization's education director since 1964. Candidates for secretary-treas. include Sherman Fricks (Evans' running mate), Harry Hubbard (Tate's ticketmate) and Henry Munoz Jr.

Brown threw his support to Tate, but Evans claims he is ahead.

EXAMINE HUNT LANDS — Parks and Wildlife Director James U. Cross and Land Commissioner Bob Armstrong made a helicopter tour of the Canadian River bed to inspect an area involved in a controversy over free public hunting.

Parks and Wildlife Commission June 4 ordered a stop to hunting on state-owned river beds and public lands.

After heated protests from the Panhandle, Commission indicated it might switch its position for Canadian River lands. PWC staff was directed to get more information and make its recommendation at a meeting this month.

BRAND RECORDING NECESSARY — Cattlemen must record their brands and marks, including locations on animals, with county clerks after August 30.

Texas and Southwestern Cattle Raisers' Association said six months is allowed after August 30 to register brands. Thereafter, brands must be registered every 10 years.

INDUSTRIES EXPAND — Texas Industrial Commission report lists 161 new industries as starting in the state in the first six months of 1971, an increase

of eight over last year.

One hundred others expanded. Commission announced a comprehensive research project to find why some Texas rural areas have a population upsurge and others continue in a slump.

Agency also ordered a feasibility study to determine the future of textile manufacturing in the state. Texas produces more than 30 per cent of the nation's cotton, 97 per cent of mohair and 50 per cent of wool, with most of it processed in other states. A recent survey showed processing facilities may add more than \$7 billion a year to the state's economy.

SHORT SNORTS

Parks and Wildlife Commission has set September 1 as opening day of dove season for the North Zone.

Drivers' record will be computerized by the end of the year. Criminal records also are being compiled for a statewide data retrieval system to be linked with California and the National Crime Information Center.

More than 425,000 Texas horses have been vaccinated in the drive against Venezuelan Equine Encephalomyelitis (VEE).

Father of Clyde Resident Succumbs

CLYDE — Joe B. Lewis, 59, of Bryson, died about 6 p. m. Sunday in Callahan County Hospital in Baird, after a 3½ month illness.

Funeral services were held at 10 a. m. Tuesday in the First Baptist Church of Bryson, with David Caskey, Church of Christ minister from Denton, officiating.

Burial was in the Hawley Cemetery in Jones County at 2 p. m. Tuesday with Rev. Riley Fugitt, Clyde Baptist minister, officiating.

Mr. Lewis was born Sept. 4, 1911 in Hawley. He married Clara Belle Clyburn on Nov. 14, 1934 in Abilene. He was a member of the Masonic Lodge Mount Hecla 701 of Bryson. He had been in the oil business in Bryson most of his life.

Survivors are one son, Don Lewis of Denton; one daughter, Mrs. Jim (Judy) McDonald of Clyde; three grandchildren; two brothers, Adrian Lewis of Oklahoma City and Virgil Lewis of Overton.

TOPS Has Salad Supper Tuesday

CLYDE — Tuesday night, the Clyde P. M. TOPS enjoyed a salad supper and business meeting. Johanna May was Queen of the Week. Lotta Pounds will share time with Fanny Mae Miller and Frances Whitehead this week.

Bea Reynolds was Queen of the Month, and will carry the Queen trophy home for a month.

Anyone wishing information concerning TOPS should call Teresa Holmes or Nelda Dean.

Reunion At Pioneer For Ex-Students

PIONEER — The annual reunion of all students and teachers of the Pioneer, Liberty and Sabanno schools will be held at the Pioneer Tabernacle Aug. 13. All former students and teachers are urged to attend the reunion this year, and make it the best ever held.

A catered lunch will be served.
