Floydada getting ready for Old Settler's Reunion

Floyd County's 78th Old Settler's Reunion will be celebrated this Saturday, May 26, on the Courthouse Square in Floydada.

Although the majority of activities are held on Saturday, the Floyd County Museum formally kicks off the Reunion with an Open House on Friday, from 1:00 p.m. - 5:00 p.m.

The Museum will serve refreshments, play the video "Coronado in Blanco Canyon", and unveil a painting of Francisco Vasquez de Coronado at 2:00 p.m.

The painting is done by Daphne Hollingsworth, and has been purchased by the museum through a patron's gift.

On Saturday the Museum sponsors the Wildflower Show.

A schedule of Saturday's

events can be found inside this edition, courtesy of Floydada's First National Bank.

The Boy Scouts will start the Old Settler's Business meeting with the flag presentation at 10:00 a.m. under the pavilion. During the meeting awards will be presented to the Pioneer Woman, Man, and Couple.

Entertainment, by local talent, will be held under the pavilion from 11:30 a.m. - 1:15 p.m.

"Texas in The Swing" will perform after the 2:30 p.m. parade.

The square will be full of arts and crafts booths, and the streets will also be full of activities. Stroll around and take in the Nifty-Fifty Auto Club displays, Texas Pedal Pullers competition, Cow Patty Bingo, Lawn Mower Races, and the Burn Out contest close to the

Fire Hall.

Team Roping will also be held at the Rodeo Arena.

In Payne's Pharmacy, on Saturday, Ron Hill (formerly of Floydada) will be autographing his book, "Kicking Butts Not Butts", from 10:00 a.m. - 11:00 a.m.

In the historical Commercial Hotel, on Saturday, the Western Bronze sculptures of Curtis Fort will be on display. This would also be a good time to see what is going on inside the Hotel.

Saturday's Old Settlers should register at the north end of the Ag building to get a free lunch ticket. Lunch, catered by Danny's Fins & Hens, will be complimentary to those who have lived in Floyd County for 50 or more years.

FHS Trustees vote in new girls Softball Program

By Darwin Robinson
Floydada ISD Board of Trustees met Tuesday, May 15, and unanimously voted to add Girls Softball to the FISH sports program as a UIL competition to begin in the 2007-2008 school year.

Superintendent Jerry Vaughn, FHS Principal Wayne Morren and FHS Head Coach/Athletic Director Rusty Purser all spoke positive to the board and highly endorsed the addition of a Girls Softball program to FISH's athletic agenda.

FHS Principal Morren told the board, "I have been approached

by some parents and some high school girls who would like to have a Girls Softball team at FHS. By just talking to a few girls, we are only five girls short of having enough for two teams. We need 20 girls for two teams. Lockney just added it to their program and asked us to consider it, too."

Superintendent Vaughn added, "I have talked to City Manager Gary Brown and he said we could work together and share the Little League baseball park with a little effort from both sides. Lowering the pitching mound

would be the only major change we would need to make when we used it."

Head Coach/AD Rusty Purser handed out an information chart to the board. Purser told the trustees, "We would only have a Varsity team and not a JV team. The start-up cost will run about \$15,000 for needed supplies, such as, uniforms, shoes, bats, balls and gloves. We would probably compete twice weekly, one game at home and one away. There would be some travel expense in whatever district we are

Letter to the Editor

Dear Editor,
I have lived in Lockney most of my life, except for the 10 years my husband was in the military. I got to know many people from all over. I have never been so embarrassed than I was at the town hall meeting with Mr. Fischer.

I was brought up to speak my mind but do it in such a way that you don't over step in someone else's home or life. The Consti-

tution of the United States gives us the freedom of press, religion, speech and voting right.

Who are we to judge others? I was taught by my parents that no matter what, God is the ultimate judge, not us as individuals. My mother always said, "If you give a person enough rope they will hang themselves."

Sincerely,
Renee Armstrong

Courtroom Activities

In County Court, May 1, 2007:

Silverster Garcia III, 32, pled guilty to Deadly Conduct. He was sentenced to 180 days in jail which was probated for 2 years, a \$1,500 fine, and \$258 in court costs.

May 8, 2007, Lupe Almaguer, pled guilty to a 12-12-04 charge of Obstructing the Highway. He was fined \$600;

Billy Joe Luna, 25, pled guilty to Possession of Marijuana under 2 ozs. He was fined \$600 and court costs of \$283.00.

FISD getting softball program

"There is some definite interest for Girls Softball right now. The girls are available to play softball. Some of these do not go out for basketball or tennis, but they want to play softball. It gives them more opportunities. We could have as many as 35 girls to come out for softball," Purser added.

Purser's Girls Softball Program chart showed: (1) need one Head Coach (a new FISD position) and one Assistant Coach; (2) facility cost would be mini-

mal with the use of the Little League baseball field; (3) a start-up cost of \$15,000 for supplies; (4) a girls' administrator from our FISD staff; and (5) I would have control over the off-season (practices) and how specific needs should be met.

Trustee Amado Morales made the motion to add Girls Softball to the FISD sports program. It was seconded by Trustee Bill Dean and it unanimously passed by Trustees Morales, Dean, Lyle Miller, Rachel Castillo, Kerry Pratt and Bart Greer. Trustee Marty Lucke was absent from the meeting.

In all probability we will soon have an immigration bill before the Congress. Like any compromise, the proposed bill has its good points and its bad points. Whether it finally becomes law is anybody's guess. As far as we are concerned, things will rock on the way they are. Not good.

Quite frankly, the nation will be well advised to worry anytime Teddy Kennedy and George W. Bush agree on anything. Both have their reasons to agree on this, and it is a matter of opinion whether those reasons agree with the national interest. In our opinion the jury is still out on the issue, no matter that a sizeable majority may say otherwise.

Teddy Kennedy's reasons are well known. Quite simply, he wants the USA population to replicate the Kennedy clack's image of America. (Chappaquiddick and all the rest.) George Bush's reasons are much more obscure. He has danced around the Mexico angle ever since he came into office. He refused to lean on Mexico for the enforcement of

solemn water agreements entered into between Mexico and the US many years ago. He has refused to lean on Mexico to help with the tremendous problem caused by illegal immigrants. He has made speech after speech lecturing Americans that we are all a nation of immigrants. In short, Bush turned a blind eye to the immigration issue until it was forced upon him by public opinion. Now, he poses as one of the champions of "reform."

One is left with the feeling that the issues that really move George W. Bush is money and politics, and since Bush gave up on politics years ago, the only reason left is money. (He must have given up on politics, for has turned our Secretary of State's office over to the Israeli government, and since a majority of America's "Hispanics" consistently vote Democratic, despite Bush's best efforts to woo them.)

What then is the root of Bush's worry. He went into Iraq, in our view, because Cheney and the

Israeli government wanted him too. (Bush, again in our view, wants whatever Cheney wants, and Cheney wants whatever Israel wants.) Israel wields a tremendous influence over American political parties, primarily because of the money factor. Anyone who has ever been in politics knows this, and must make amends for it. They know, or soon learn, that money translates into votes. One of the principal reasons for America's \$Billions of foreign aid to Israel annually is the Israeli lobby in the United States. One would think that after a country is able to stand on its own two feet, the American largess would slack off. But not with Israel. They get as much today as ever, despite the fact that they have one of the world's highest standards of living. It is not for nothing that the Jewish word "chutzpah" translates so easily into American politics.

On top of all the controversy surrounding the upcoming debate on immigration, Texas' own Republican Senator, John Cornyn got in a shouting match with Arizona's Senator John McCain, a Presidential aspirant. McCain is alleged to have said loudly, in a Republican caucus, that he knew "more about" the immigration issue than anybody

in the room. He is also alleged to have "sworn" at Cornyn. Cornyn, who has generally supported the president, had voiced some worries about the bill's judicial aspects, indicating that, as written, the bill could allow endless court appeals, amounting to little more than an outright amnesty. The Texas senator is this state's former Attorney General, sits as a member of the Senate's Judiciary Committee, and ought to know something about the law. In our opinion, McCain did not help himself in Texas.

I know. I know. The usual question is: What are we going to do about it? They are here and they're not going to leave. Voluntarily, at least. They are not going back to the country of origin and go back into the kind of life they had.

It's much better here, despite what the militants say about this country, and the ready acceptance of those comments by the Left in America. On the surface, the bill finally crafted in Congress makes sense. It has the requisite sections dealing with the requisite problems. But the devil is always in the details in any legislation crafted by Congress. It was those details that obviously worried Cornyn. And it is those details that worry us.

TO OUR FRIENDS AND FAMILIES WE HAVE SERVED

As of May 14, 2007, Moore-Rose-White Funeral Home has been sold to James "Chip" and Amanda Summers who will be making Floydada their new home. We want to take this opportunity to wish them well and to also say thank you to our many friends and families we have had the privilege to serve over the past 19 years. When we assumed ownership from Alton and Edell, our goal was to continue the tradition of quality service to the families of Floyd County. It was a difficult decision to sell, but at this time in my life and in the life of my family, we felt that for the sake of the citizens of Floyd County, you would be better served by a young couple that will be a part of these two fine communities. The current employees, John Seright, Funeral Director, Rosa Castro, secretary and Andrew Cavazos, assistant, will remain with the firm. We thank them for their loyalty and hard work during our ownership. Also thanks to our part time employees, Walter Reeves, Sandy and Roy Forehand, Judy Stanley and Mary Suarez.

Again, thank you and God Bless all of you for supporting our efforts and we trust that you will show Chip and Amanda the same love and kindness that you have shown to me and my family and our employees over the years.

In gratitude and love,

LISD votes to change policy for graduation

Lockney Trustees met May 15 for their regular meeting and voted to change the graduation ceremony policy.

The policy read that if a student had not met all the criteria for graduation, the student would not be allowed to go through the graduation ceremony.

According to Superintendent Phil Cotham, "The criteria are attendance, proper number of credits, and must pass all state mandated tests."

There were some students in question on the criteria of passing mandated tests.

"The students in question had met the first two criteria," said Cotham, "but they haven't passed the state mandated TAKS tests."

"The board wanted to make this about effort. They voted to convene a committee comprised of each student's teachers, counselors, tutors, parents, and principal. The committee will decide

Lockney Senior Citizen News

By Vera Jo Bybee

Last weekend May 19th was Grandson Tyler Bybee and Amy Flaten's wedding in Kerrville. Of course in my eyes it was the most beautiful and sentimental wedding I have seen since last Nov. when other grandson Matt McPherson and his wife Megan said their vows. That was a really special wedding too, cause Judge Bill Hardin married them.

At the wedding in Kerrville I got to see my new 5 week old great-granddaughter, Irelyn Faries. She is so dainty and the prettiest little doll you ever did see. She looked so dainty cause I have had all boys for 30 years. Her dad is my grandson Clint Faries of Frisco.

We also got to see a lot of our nieces and nephews and their families at the wedding. It was so great to see everyone of them.

And my goodness, so many of the Lockney friends made the trip to Kerrville and that meant so much to Tyler, Louie, Cynthia and us. All the girls in the wedding also had their hair done by the infamous Kay Brock of Kay's Cuts in Lockney. I bet their hair had never looked so pretty.

That Kay has a touch for the hair that no one else has. Isn't that right, Kay?

Our number one son (our only son) Louie and grandson Bryan drove us down to Kerrville last Friday for the Wedding on Sat. Cynthia and Tyler drove down Thursday. The ride was real enjoyable cause the wild flowers were still real pretty. I think we ought to throw some wild flower seeds along the bar ditches in Floyd County. They don't get mowed very often so I think wild flowers would make Floyd County have more scenic highways. What do you all think? That would be a good project for some organization to take on. Right?

Daughter Becky and husband

Steve McPherson came down to Kerrville on Friday, too. I know you are wondering who kept their dog Max and our Susie. Dale Ross came by and took care of Susie several times a day so she probably never knew we were gone and Max got to stay with Alice and Lennie Gilroy. He got to go to work with them on Friday and at night slept right there on Alice's pillow. That's where he sleeps with me when I keep him overnight. Susie always sleeps with Donnie but I don't think Dale came over and slept with her.

Jimmy and Theresa Stennett celebrated their 61st wedding anniversary last weekend. They started celebrating Saturday night by having dinner at Furrs and then on Sunday, son Gary Stennett and wife Debbie and family had them over for lunch along with son Dr. Kevin Stennett and wife Michealle and family.

I hear tell that for a while the Center will be serving quite a bit of Chicken cooked several different ways. When we do have beef it will be hamburger meat. Can you believe how high beef is now a days? But you know our cook Wanda Barber can fix any kind of meat to taste great. Now I don't know about liver cause I don't even taste hers. Ha!! Always check the menu and come on down and enjoy these \$3.50 and \$4.00 meals.

And if you don't want to eat with us old folks get you a take out lunch.

Thanks for all your support. Blessed is the man who is too busy to worry in the daytime and too sleepy to worry at night!

Floydada Rehab Birthdays

By Joyce Williams

Seven birthdays were celebrated at the May 17 birthday party in the dining room of the Floydada Rehabilitation and Care Center. Mrs. Donna Pernell and Mrs. Denise Pernell of the City Park Church of Christ presented gift bags to honorees after the birthday song was sung by all.

Sylvia Meza, Community Life Coordinator for the Center read a poem "Love Never Fails" describing the great peace that can come by giving and receiving love. Honorees included three ladies, Thelma Fawver (May 2), Willie Copper (May 10) and Lois Jones (May 19); also four men including Jack Moreman (May 4), Jessie Milton Harrison (May 5), Pedro Reyes (May 13) and Barry Jones (May 17).

Employees with birthdays in May were Josephine Alonso (May 2), Lupe Dettoyos (May 8) and Dietary Manager Mary de Ochoa (May 16).

Our resident author, Mrs.

Doris Snodgrass, wrote individual birthday cards to each honoree. Refreshments of fruit punch and ice cream sundaes with butterscotch or chocolate toppings were served to residents and guests.

Family members from four generations were present to honor Mrs. Thelma fawver. These included her sister-in-law, Wilma Colston; daughter Doris Wilcox, granddaughters Terri Davis and Tammy Dunn and husband Charles; great-grandchildren Milisce and Emma Davis, Eddie, Katie and Samuel Dunn also attended. The generations gathered around Mrs. Fawver for family group pictures.

Beautiful corsages and bou-tonnieres of red and white carnations were given to honorees by Cathy's Floral.

Friends and relatives are always welcome to attend the monthly birthday parties held on the third Thursday of each month at 3:30 p.m., at the Rehab and Care Center.

Fort displays Bronze Sculpture at historic Commercial Hotel

Western Artist, Curtis Fort, will have a bronze sculpture on display in the Commercial Hotel all day Saturday, May 26 for Old Settlers Day.

Fort began sculpting in the mid-1960's, but it wasn't until 1973 when he had his first sculptures cast in bronze that Fort's career and passion as an authentic Western Artist came to life. It was at this time that Fort discovered his two passions, the American West and sculpting, were deeply rooted.

Fort has dedicated his life to depicting the American West with a startling authenticity. He studies his subjects with a great

fervor that ensures the stories that his art tells are authentic and true to life. All of his sculpture is limited edition, cast by Hoka Hey Fine Arts Foundry in Texas. He has managed the marketing and sale of his art for over 25 years, through various museum exhibits, juried art shows and with private shows in major cities in the southwest. His work has recently been featured in galleries including Editions Gallery in Santa Fe, Sanders Gallery in Tucson and Investments Out West in Portales.

Fort and his wife Carol live in Tatum, New Mexico.

Remember to pray for our soldiers

Thanks to all the good rain Floyd and surrounding counties received, the wild flowers out in the countryside are fantastic this year. Take time to drive out and enjoy a truly georgous view. Should make for a wonderful Old Settlers Wild-flower Show!

We are proud to offer Circle Candles.

Come see Stacie 983-2220
at Scott Gin 2 miles south on the Ralls Hwy.

Have a Happy Old Settlers Day

Zarate nominated Rural Nurse of the Year

AHEC of the Plains created the Rural Nurse of the Year Award to recognize health professionals, medical facilities, and communities on the South Plains who are providing excellent health care.

The program was open to all licensed nurses who are currently practicing in the rural medical facility in the 24 county service

area of AHEC of the Plains (excluding Lubbock County).

AHEC of the Plains recognized those nurses and facilities who were nominated for this year's award that made it to our Selection Committee. Sherri Zarate, of Floydada, was recognized with a certificate of appreciation and a small gift from

AHEC of the Plains.

Patti Sanchez of the Floydada Chamber of Commerce sat on the 2007 AHEC Rural Nurse of

the Year selection committee. Both of these women should be recognized for their commitment to bringing quality healthcare to the community.

Hill to hold Book Signing

RON HILL

Ron Hill, a former resident and student in Floydada schools, will be back in Floydada, Saturday, autographing his book "Kicking Butts Not Butts".

The Book Signing will be in Payne Pharmacy, from 10:00 a.m. - 11:00 a.m.

Hill moved to Floydada, from Wichita Falls, in the 2nd grade. He graduated FHS in 1968 in spite of many personal "handicaps" that might have kept many others from achieving their goals.

His motivational book is about his life in Floydada and the people who influenced him for the better. "It's about kicking the mental 'But'," said Hill. "You know, the one that says 'I could have been somebody-BUT'".

The first page of Chapter One

lays out one of the biggest challenges the young Ron Hill faced.

"At four years of age," wrote Hill, "I lost my mother, father, and brother. My father was murdered by his best friend; my mother abandoned my brother and me and moved from Wichita Falls, Texas, to San Francisco, California. My brother was sent to live with our aunt and uncle, and I was passed around various foster homes until I had the good fortune to land with Granny, Grand-dad, Ruth, and my dog Susie."

Taken by his mother from the home he loved, Hill moved to Floydada with his alcoholic mother and abusive step-father. The family lived in a motel and Hill often found sanctuary by sleeping in church pews.

His story is full of stories about Floydada residents, teachers, and coaches who had a positive and powerful impact on his life.

Each chapter is lessons learned. The chapters carry titles such as: "I Could Have Been Somebody But..."; "I Could Be Somebody, But I Live in the Wrong Neighborhood"; "I Could Be Somebody, But I'm Ugly"; "I Could Be Somebody, But I'm a Nerd"; "But I'm a Wimp"; "But I'm Stupid"; "But I'm Not An Athlete"; "But I'm Not An Athlete"; "But I'm an Addict", etc.

After graduation Hill went on to earn a B.S. in Physical Education from California Baptist College and a Master in Religious Education from Golden Gate Baptist Theological Seminary. He has pastored churches in California and Texas, and was a prison chaplain for 10 years in TDC.

Hill is also a motivational speaker who has spoken at international levels as well as at more than 300 public school assemblies, teacher in-service meetings, and hundreds of business and community summits.

FISD reviews building costs

Continued From Page 3

Morales. Castillo, Morales and Dean voted in favor of the nomination, while Miller, Pratt and Greer voted against it, causing a tie vote of 3 to 3.

Greer then nominated Pratt to be the new Board President. It was seconded by Miller. Greer, Miller and Pratt voted in favor of the nomination and Castillo, Morales and Dean voted against it, thus causing another tie vote of 3 to 3.

The board meeting was halted for about 20 minutes until legal council could be consulted by phone by Superintendent Jerry Vaughn. It was finally determined that the new Board Officers' election could be delayed "until another time", or until the next regular board meeting, when hopefully all the trustees will be present to vote and break the tie. The meeting continued with Dean presiding as president.

Superintendent Vaughn discussed with the board the several possible locations for the five new portable buildings coming to the R.C. Andrews Elementary campus beginning on June 4th.

The five 32' X 64' buildings, with one bathroom each, will be placed on the south side of the existing R.C. Andrews Elementary School. "Sewer drainage will determine exactly where the buildings will be placed," said Vaughn.

The five portable buildings will be rented for 18 months at \$750 per month per building for a total 18 month rental cost of \$67,500. It will cost \$25,000 for delivery and setup of all five buildings when they arrive and another \$25,000 at the end of the 18 months for disassembly and transportation back, according to Vaughn.

The board unanimously approved and authorized Superintendent Vaughn to continue the

installation of the portable buildings at R.C. Andrews Elementary.

In a related matter, the board approved a \$48,000 amendment to the budget in order to cover some of the cost of the portable buildings' rental expenses.

The board unanimously approved First National Bank of Floydada as their Bank Depository for 2008-2010 and the board approved the Floyd County CAD (appraisal district) 2007-2008 Budget of \$241,660.

The sale of a lot located at 607 E. Lee, Original Town, Floydada and the demolition of a house at 523 E. Missouri were both approved by the board.

The board also approved seeking bids on selling three used backup school buses. "The oldest bus is a 1991 model and we will still have two backup buses left. We will start now to add a new bus to our fleet after September for next year," said Vaughn.

Business Manager Sharon Rainwater presented an April, 2007 Tax Statement and a Cash Flow Report. The Tax Statement showed \$1,855,799.63 Taxes Collected, which is 94.27 percent. The Cash Flow Report showed a Current Cash Balance of \$7,956,656.17 and a Fund Balance of \$5,683,880.17.

The board accepted the resignations of Bianey Saucedo, Karen Quebe, Susan Kirk and Doris Wilcox. The board hired:

Tyler Helms, coach/social studies FHS; Shelly Miller, coach/science, FJHS; James K. Hester, coach/history, FHS; and Katherine Hester, teacher.

In Future Items For Discussion, Morales asked Superintendent Vaughn to "look into drug testing for teachers. There may be a problem with this."

Vaughn said, "We already do drug testing on our bus drivers.

We have a random drug test with a 30 minute time limit."

Greer asked about BlueMoon Solutions and their partnership with Reese Technology Center.

Vaughn said, "Everything is shut down for now. However, it is going to happen. Bank accounts, credit card numbers and routing numbers are being held in confidentiality. BlueMoon has vacated its offices at Reese, but it has not folded up. This is not a binding contract. If anyone wants to go with someone else, they can."

Castillo asked, "What if we do want out?"

Dean commented, "They will call you first before they hook you up."

In Vaughn's Superintendent's Report, he commented on the recent 2006-2007 Preliminary TAKS Scores. "This has been a good year for FISD's 06-07 year. Our tests scores showed 'commended performance'. We are moving up fast with double digits."

The 2006-2007 preliminary TAKS scores, in 3rd grade through 11th grade, in Reading, Math, Writing, Science and Social Studies, showed an increase of 164.5 percentage points over last year for the district.

The FISD history reports from 2003-2007 showed a total increase of 427 percentage points.

"We appreciate your support for our district, students and teachers and we will continue to provide the best possible education for all our students," concluded Vaughn.

on a case by case basis if the student did everything they could do to pass the TAKS. If it is decided that they passed all their courses and met all the other criteria, and put forth effort on the TAKS, then that student will be allowed to go through the graduation ceremony, but will not get a diploma. They will get a certificate of attendance instead.

"Most of the students in question only have to pass one TAKS test. One student has 2 TAKS to pass.

"They can take the TAKS again in July, October, February and April. They can take it as many times as they want, but they won't be considered again for

graduation ceremonies."

The Board also accepted the resignation of English teacher, Desi Pharis, and Martha Sue Lusk who is retiring.

They hired Monty Teeter as the High School Math teacher, and Art Woolever as the High School English teacher.

The board approved the restructuring of a bus route. "We will close one bus route because it only has 4 students," said Cotham. "They will be rerouted to an existing bus route."

Cotham stated the district has not hired a softball coach and that they intend to find somebody already working with the district to take on that responsibility.

"It would not be good business

sense to create a new position at this time," said Cotham.

Officers were elected on the board for the new term. All the current officers were re-elected.

John Quebe will continue to serve as president of the board. Boyd Jackson will be vice-president and Aaron Wilson will again serve as secretary.

The board tabled any vote on bids for a wind turbine for the elementary school.

"We had two bids," said Cotham. "We will consider it next month."

The board also approved audit agreement with Bolinger, Segars, Gilbert and Moss, CPAs; accident insurance, and property casualty insurance.

The Tour de Nine Zero would like to say a very special THANK YOU to the wonderful Floydada Lions and Floydada Rotary. The Lions and the Rotarians made the cyclists feel very special as they welcomed them to their rest stops on Saturday, May 5th. Texas Crusher Systems and the City of Floydada deserve special thanks for the contributions also. The 2nd Annual Tour de Nine Zero-Riding to Raise Awareness of Fetal Alcohol Spectrum Disorders was a great success. The riders came from as far away as Dallas and Midland and all complimented the communities on the great rest stops and the courteous drivers.

I would like to thank First National Bank of Floydada for sponsoring me to play in the Greenbelt Bowl this summer. I am happy to have the opportunity to get to kick at the Greenbelt Bowl and I really appreciate FNB for helping to make it possible. Thank you for your support.

Brandon Rainwater
