L. and Mrs. Jon Hagler and Ann are visiting her parents, Mr. and Mrs. W. C. Winchester.

Pfc. Edd Bowman With 7th Infantry In Korea

7th Inf. Div., Korea (AHTNC) — Army Pfc. Edd M. Bowman, whose wife, Barbara, lives in Silver, Texas, is a member of the 7th Infantry Division in Korea.

The 7th is one of the two U. S. combat divisions which have remained in Korea since the Korean War.

Bowman, son of Mr. and Mrs. Floyd Bowman, Route 1, of Weinert, entered the Army in September 1959 and received basic training at Fort Carson, Colo.

The 23 year old soldier is a 1954 graduate of Goree High School and attended Texas Tech College in Lubbock.

Pasture Weed Control Pays Dividends

Weed growth in Texas pastures is heavy this fall. G. O. Hoffman, extension range specialist, says these uncontrolled weeds use from four to eleven times more water for growth than grasses. They rob your livestock of good grazing since weedy pastures produce very little forage for winter use.

To have more grass for next year's grazing, control of weeds by spraying with one pound of 2,4-D per acre. Usually one application will give good weed control throughout the growing season. Weeds must be sprayed in early spring when they are about six inches tall and growing rapidly. Pasture weed control using 2,4-D costs about \$2 per acre.

Many demonstrations have indicated that grass production is from two to ten times more on sprayed pastures as com-

pared to unsprayed ones. To cite an example, says Hoffman, a demonstrator who spent \$2 per acre for weed control and practiced deferred grazing during the summer obtained a \$25 return per acre from increased grass. This amounts to growing over a ton of forage per acre for a cost of \$2. When has the price of grass hay been \$2 per ton? asks Hoffman.

Have more grass for grazing next year and less weedy pasture by planning a range control program followed by good grazing management. See your county agent for information about chemical weed control and pick up a blueprint on how to make a pasture weed spray. Your county agent also has information about other range management practices which will pay big dividends, advises Hoffman.

Keeping the son's picture on your office desk will help you along the ladder to success—especially if it's the boss' son.

September Bond Sales In County Total \$4,447

J. M. Crawford, chairman of the Haskell County Savings Bonds Committee announced today that Savings Bonds sales for September totaled \$4,447. "Sales for the first nine months of 1959 were \$179,982 or 56.1 per cent of the yearly goal," Chairman Crawford said.

Sales of E and H Bonds in Texas amounted to \$115,170,663 during the first nine months of this year. This figure represents 63 per cent of the yearly sales goal.

Paint Creek FHA Hear Talks On United Nations

The Paint Creek FHA chapter held its regular meeting on October 27. JoAnn Griffith gave a brief

talk on the United Nation's Children's Fund, the UNICEF. Special guest, Kenneth Sanders of Weinert gave an interesting talk of his trip to the United Nations headquarters, and also on the UNICEF. He also showed beautiful slides of the trip which were enjoyed very much.

Belva Jones, a sophomore, was chosen as the girl of the month. She was presented with a red rose and vase, a symbol of FHA.

President Margaret Fischer adjourned the meeting, and refreshments of fritos, frito dip and cakes were served immediately afterwards.

Truckers Warned Against Hauling Mixed Seeds

Grain sorghum producers and shippers in the Texas Plains are cautioned by the Texas Agricultural Extension Service to be sure vehicles

hauling grain are free of any seed other than grain sorghum. A number of truckloads and carlots being shipped from Texas to Western states have been denied entry after a few cotton seed were found mixed with the grain.

Shippers are being required to fumigate these contaminated shipments—at a cost varying from \$50 to \$100 a load—before crossing the state line reports D. M. McEachern of the Bureau of Plant Pest Control at San Antonio.

The states have regulations affecting import of cotton seed and other agricultural products.

Indications are that the grain sorghum possibly was contaminated while still on the farm due mainly to use of the same vehicles for hauling both cotton and grain sorghum.

About the only thing on TV nowadays, that hasn't been played before, is a football game. And a good many of them are replays.

Methodist Institution Is Dedicated Helping State's Unfortunate Girls

EDITOR'S NOTE: This is the first of two articles appearing in this issue with one of the major social problems of the state appearing in the second article next week.

... of Texas in 1949 there 6,585 unwed mothers. The appalling figure has since risen to 11,184. The Texas Mission Home and Training School, a Methodist institution, located in San Angelo, has for many years been helping the need and

ness, stupidity and neglect. These young women deserve, need and get both sympathy and professional help on their medical and emotional problems.

The great majority of them, when given the right kind of Christian care and understanding, come to a new understanding of themselves as worthy, self-respecting persons and go on to make happy marriages and become responsible citizens.

One who feels that the church should not be in the business of helping unwed mothers must necessarily be a person who has never experienced the compassionate forgiveness of Christ or one who is a non-Christian.

When Jesus was among us He very clearly stated that the sins of pride, careless criticism, hypocrisy and malicious gossip are more serious in their final destruction of life's values than a moral offense.

We dare not condone a moral mistake but an even greater danger is that we who claim for ourselves the forgiveness of Christ may equate the sinner with her sin and by our ungodly pride deny to an unwed mother the kind of understanding, love and forgiveness which will enable her to find a new life.

This young woman is a troubled person, frightened, uncertain of herself and keenly aware of society's condemnation. She needs non-censored love and Christian understanding, the assurance of competent medical care, and a chance — under professional guidance

J. Z. Williams, Long-Time Area Resident, Dies

J. Z. Williams, 81, retired farmer and long-time resident of this area, died at 4 a. m. Thursday, Oct. 29 at the home of his daughter, Mrs. R. D. King, in the Rockdale community.

Funeral for Mr. Williams was held at 4 p. m. Friday at the Orient Street Church of Christ in Stamford with Paul Forshey and Paul Watson, Church of Christ ministers from Abilene officiating.

Burial was in Rockdale Cemetery with Holden's Funeral Home in charge.

Mr. Williams had been ill for about two months.

He was born Feb. 8, 1878, in Kentucky, and was married Dec. 19, 1896 to Daisy Jane Johnson of near McMinnville, Tenn.

The couple came to Haskell County in 1904 from Tennessee and settled in the Rockdale community southeast of Haskell. In 1915 they moved a few miles into Jones County and lived there since. Mrs.

—to re-think her life situation. This type of help is offered at the Texas Mission Home and Training School in a group-living situation permeated by the forgiving spirit of Christ, with good medical care, professional counseling services and a practical training.

During the Conference Year 1958-59, 160 unwed mothers were admitted. 133 girls remained to deliver. 19 mothers kept their babies, 105 were released for adoption, 2 put in boarding homes, 5 did not live and final decision on 1 child is pending.

Big 'D' Jamboree Booked Here for One Performance

Big "D" Jamboree, famed show of the Southwest, will be at the Texas Theatre Thursday, Nov. 19 for one performance beginning at 7:30 p. m., with the show lasting until 9:30 p. m.

The show is being sponsored by the Junior Class of Paint Creek Rural High School, with W. L. Medford supervising.

Outstanding stars appearing with the show will include Eddy McDuff of Argo Records and member of the Big "D" for the past six years. Eddy's big recent hit tune was "Car Trouble," and besides being a fine singer, he also plays the guitar and fiddle.

Lonnie Smithson of Starday Records. A member of Big "D" four years. Lonnie has his own TV show in Dallas on KRLD-TV sponsored by Montgomery-Ward.

Orville Couch, Big "D" member for seven years and one of the most popular of the cast appearing on the show.

The Belew Twins who recorded for Checker Records as "The Youngsters" and whose best selling tune was "Lucky Sixteen."

Ronnie Dawson, formerly of Back-Beat and Rockin' Records who has just finished a new recording session in New York. He is acclaimed by one country and pop fans as one of the country's future stars.

Completing the aggregation of stars is the Country Gentleman Band, consisting of Marvin Montgomery, banjo and band leader; Paul Blunt on the steel guitar who also does comedy; Johnny Strawn on the fiddle, and Ken Cobb on stand-up bass. This unit is known throughout the Southwest under another name, The Light Crust Doughboys, having played every fair and store opening of any importance during the past 15 years, truly one of

(Although this is addressed to Chevrolet owners, we'd be glad to have you read it, no matter what make you now own or plan to buy. It might well be as interesting and significant to you as to the Chevrolet owner.)

TO THE MORE THAN 16 MILLION PEOPLE WHO OWN CHEVROLETS

The first and the latest—the 1912 and the 1960 Chevrolet. The progress represented here is the result of continuing efforts to make your new Chevrolet always more beautiful, more useful and more valuable in every respect.

You belong to the largest family of owners in the automotive world. We hope you're proud of that. It must give you great satisfaction to know that your judgment in choosing Chevrolet has been confirmed by so many other people.

We know that we can hold your preference and your loyalty only by meeting our responsibilities to you fully and completely from the day you buy your Chevrolet to the day you trade it in. And so we'd like to talk with you about our responsibilities as we see them, and what we are doing to meet them.

Our first responsibility, we think, is clear: To design and build products that satisfy your needs and your wants to the highest possible degree. To that end, we have done these things for 1960:

Made the 1960 Chevrolet more economical, roomier, more quiet and comfortable, easier to handle and maneuver. Introduced the compact and revolutionary Corvair. Produced a new line of Chevrolet trucks with unprecedented advances in efficiency, cargo handling, driver comfort and ability to get a job done.

But it isn't enough to design and build the kinds of products you want. They must be built right. Solidly. Carefully.

Let us assure you of this: Chevrolet's fine reputation as a solid, well-built, dependable product is being safeguarded by more checks and inspections and tests, than ever before.

Along with your Chevrolet dealer, we want you to have available the finest and most complete service facilities. That is why we: Conduct training schools for Chevrolet dealer mechanics. Study and recommend im-

proved service equipment and techniques. Maintain the industry's most complete parts warehouse system.

Finally, neither Chevrolet nor your Chevrolet dealer has any intention of forgetting you after you buy. To help keep you happy with your Chevrolet, we have established a department new to us, and so far as we know, new to the automobile industry. This is the Chevrolet Department of Owner Relations, whose only job is the coordination of Chevrolet and Chevrolet dealer activities so that you enjoy utmost satisfaction during your entire period of ownership. Through this department, and through all the other extraordinary steps we are taking, Chevrolet and your Chevrolet dealer hope to keep you a happy member of the Chevrolet owner family.

WEINERT NEWS

BY MILDRED GUESS
 Baptist Young People Entertained
 A crazy party was given the Intermediate and Young People of Weinert Baptist Church on Monday evening at the parsonage, nicknamed the "Bug House."
 The party sponsored by the Faith Followers S. S. Class, followed a "crazy" theme throughout the evening. Every guest was given an appropriate name. A nut hunt was held. Refreshments of nuts and cold drinks were served.
 Mary Alice Davis, Annette Swaner and Lois Davis were in charge of decorations. Wanda Miller and Shirley Sanders served refreshments. Patsy Raynes did the invitations. Guests were Mr. and Mrs. Eddie Sanders, Kenneth and Shirley, Gary and Mike Rainey, Joe Williamson, Lois Davis, Wanda Miller, Annette Swaner, Mary Alice Davis, Butch Davis and Mrs. Carter Tucker.

Hallowe'en Party
 A Hallowe'en party was given by Mr. and Mrs. Raymond Matthews Saturday evening at the Community Center for the 5th and 6th grades.
 Centerpiece was a lighted pumpkin. Hallowe'en decorations were used in the entire building. Punch and hot chocolate with pumpkin faced cookies was served. Plate favors were tiny Hallowe'en hats filled with candies.
 The rain cut the guest list and only eight were able to attend. They were Anita Edwards, Bettie Edwards, Bennie Maples, Arch Mayfield, Nan Reeves, Evelyn Mayfield, Cecil Davis and Sandra Mathison.

WEEKEND GUESTS IN HOME OF PARENTS
 Visiting in the home of Mr. and Mrs. Tom Clark last week end were their eldest son, Richard and wife of California. They had been to Utah on a deer hunt and came by Carlsbad, N. M., where they were joined by Mr. and Mrs. Watson Hayes who accompanied them to Haskell. Mrs. Hayes is a daughter of Mr. and Mrs. Tom Clark.

Workers Prepare Christmas Seals For Mailing

Members of the executive board of the Haskell County Tuberculosis Association and volunteer workers from Rochester, Weinert, Paint Creek and Haskell worked several hours Tuesday night preparing mailings for the annual Christmas Seal sales campaign sponsored by the association.
 Approximately 2,500 letters, each containing blocks of Christmas Seals, were prepared for mailing and will go out next week to people throughout the county.
 Mrs. M. H. Hicks of Rochester is president of the county association and Mrs. Fred Monke of Weinert is chairman of Christmas Seals sale.
 Helping in the "letter stuffing" project Tuesday night were Boy Scouts Danny Isbell,

Mike Overton and Danny Ivy of Paint Creek; Dorothy Coleman, Paulette Fischer, Carolyn Livengood and Margaret Fischer, Paint Creek; FFA members; and Mrs. Gene Overton and Mrs. Paul Fischer from Paint Creek.
 From Weinert: Mrs. Fred Monke, Mrs. Marvin Pheemister, Mrs. P. F. Weinert.
 From Rochester: Mrs. M. H. Hicks, Mrs. Dan Wadzek, Mrs. Manford Reid.
 From Haskell: Mrs. Jetty V. Clare, Mr. and Mrs. R. C. Couch Sr., Mrs. C. O. Holt, Miss Nettie McCollum, Mrs. W. P. Trice.

Paul Fischers Host Supper for Kin From Alaska

Mr. and Mrs. Fred Fischer of Anchorage, Alaska, Mrs. Rose Dyer and Mrs. Ernestine Dupree of Corpus Christi visited this past week with their aunt, Mrs. Carl Fischer and her children. Also while here they visited a

cousin, Mrs. August Buske of Anson.
 Mr. and Mrs. Paul Fischer were host and hostess for a buffet supper for the visitors. Those attending were Mr. and Mrs. Eddie Kainer and Mr. and Mrs. Walter Fischer and daughter Sharon of Sagerton, Mr. and Mrs. Will Marugg and son Carl William and Mrs. Carl Fischer of Stamford, Mr. and Mrs. Buford Gholson and daughters Betty and Susan of Rochester, Mr. and Mrs. Herbert Fischer and children Carolyn, David and Marilyn, Mr. and Mrs. Wayne Wells, Albert Thane and Carl Fischer of Haskell, and daughters of the host and hostess, Clara Ann, Margaret and Paulette.
 The Fred Fischers are spending the winter in the states and are planning on returning to Alaska in June.

OUTDOORS IN TEXAS

BY L. A. WILKE
During the dove hunting season a great many shooters lamented what seems to be the passing of the double barrel shotgun.

For a hundred years the double barrel shotgun was a favorite of shooters, both upland and for waterfowl. Perhaps the appearance of the double gun had much to do with this. It looked good and handled easily.

A Look At the Hog Market

The repeating shotgun already had come along. First there was the old lever action Winchester. Following that was the still famous 97 model Winchester.

THE BIG CHANGE

TO an ELECTRIC RANGE!

It's so inexpensive to cook the modern electric way. The average family served by WTU can cook a complete meal the easy, fast electric way for less than three cents (3¢).

most homemakers, you'll agree to this: seeing your family sit down to a meal is one of the biggest thrills any woman can have. But—how often can you enjoy it, when you're tired out, exhausted, after hours of battling with a balky stove. Well, if that's your situation, get ready for something wonderful to happen. Just start cooking with a modern, automatic electric range. Here's cooking that's easier, cleaner—a range that does the work for you, turns itself on and off so you don't even have to watch the oven. You'll find that you'll enjoy cooking along with the rest of the family. It's really living better—and better—electrically. See the new electric ranges on display at your electric appliance dealer.

WIRING CONNECTION FOR WATER HEATERS, DRYERS, STOVES, OR WTU.

The ovens on electric ranges are easy to clean. The units are easily removed and the porcelain cleans so very, very easily.

OUR ELECTRIC RANGE DEALER

This really pushed the double gun back.
One of the greatest early-day double gun manufacturers was Ithaca. A few years ago, however, this double gun disappeared from the market. Naturally a gun isn't dropped so long as there is a sufficient demand for it to be profitable.
There were many other fine old shotguns, too. Any outdoorsman 50 years old or over, has fond memories of the deluxe value of the old L. C. Smith and the Fox. The Fox remains today, produced by Savage.
Among other double guns still on the market are the Browning Superimposed, Marlin over-under, Winchester 21, J. C. Higgins, Stevens and Noble. The prices range from \$66.50 to \$250 each for these doubles.
The doubles I have just listed include only American made. There are many imports, however. Some are good guns with unexcelled workmanship. Others are not worth the metal in them. Unless you know your guns and know the maker behind them, it is best to leave foreign imports alone, shotgun, rifle or pistol.
A man can be proud of owning any one of the American made double barrel shotguns. They are safe, with reputable service behind them.
A great deal can be said on behalf of the double gun, whether the tubes are side by side, or over-under. They have accounted for a considerable game in their time, with a minimum of ammunition, by comparison. Most persons using a three-shot gun will spend that third shot on empty air.
Many shooters will insist they can sight better down the rib of a double than on a single. I always have had my doubts about this, because usually in shotgun shooting, it is necessary to lead a bird a long way. There is much more in your swing of a shotgun than in sighting. If you doubt this, try shooting at the lead goose in a formation sometimes. Chances are good you'll drop about the fourth or fifth one back.
All double guns today are hammerless. The old hammer gun now is a relic. In fact it was discontinued so long ago many of today's shooters never have had one in their hands. Unfortunately most of the single barrel (one shot) guns are hammer guns. However, if you do want a single barrel hammerless there is one trap edition that sells for from \$450 to \$2500.
Most of the manufacturers provide these single barrel guns which are usually bought for boys just beginning their shooting. Many men today fondly remember a single barrel as the first gun they ever shot.
I can't keep from shedding a tear, however, for the double gun. I still have in my cabinet a very fine one, made more than half-century ago.
I've owned numerous others. For the sake of old times I wish I had never parted with them. A double is indeed a good gun. They'll be made for many years because a lot of people still like them.
They are exceptionally good in resort shooting, especially in the O-U models, which are both attractive and effective.
They are fine for blind and field shooting. You don't waste as much ammunition and there is little that can go wrong with the gun.
My advice is if you have a good double, hold onto it. If you have an opportunity to get one, latch onto it.

Egg producers—don't pass up this unusual opportunity...

How to be absolutely sure of **income equal to 10% more eggs** for the first 30 days after switching to Nutrena

Run this 30-day performance test with your own flock

Here's our cash-on-the-line offer: Switch from whatever ration you're presently feeding to any Nutrena egg feed. If you do not get at least 10% more eggs during the first 30 days on Nutrena than you got during the previous 30 days, Nutrena will pay you the difference in cash!

For example, let's say you got 500 dozen eggs from your flock last month. You must either get 550 dozen eggs in the next 30 days or Nutrena will pay you the difference between your actual production and 550 dozen eggs at the current market price.

No one, not even Nutrena, can guarantee that you will get 10% more eggs under all circumstances. But by signing up for Nutrena's 30-day performance test, you're absolutely sure of either 10% more eggs or the equivalent income in cash.

There are no catches, no strings, no unreasonable conditions. If your flock is not obviously diseased or molting, this performance test is offered to you in all good faith when you switch to Nutrena from any other brand of egg feed.

So don't miss out on this unusual opportunity. You must sign up and start Nutrena's 30-day performance test before December 31. Don't wait. See us for the details today. Start now enjoying the benefits of a Nutrena egg feed program.

New Ordinance Cuts Fishing Camp Business In Half, Owners Declare

Fishing camp operators at Lake Stamford are doing "less than half as much business" as they did at this time last year, as a result of a "boat inspection ordinance" passed by the City of Stamford, three of the operators stated before Judge B. C. Chapman in 39th District Court here Friday.

Four fishing camp operators testified in the hearing on a plea of privilege filed by City Attorney Jack Watson of Stamford seeking to transfer to Jones County the trial of a suit filed in 39th District Court challenging the validity of a boat inspection ordinance passed early in September by the Stamford City Council.

Plaintiffs in the case are J. R. (Randy) Ballard, operator of The Anchor in Scott Memorial Park; Veda Griffin Ballard, operator of Veda's Camp; R. V. Earles, operator of Earle's Camp; and Glenn Cobb, operator of Cobb's Camp. Representing them are Curtis Pogue, Dennis P. Ratliff and Wm. P. Ratliff, all of Haskell.

Pending trial of the case on its merits, Judge Chapman on Sept. 17 granted a temporary restraining order prohibiting the City of Stamford from col-

Our Christmas Parade

The fourth day of December is the appointed time for our annual Christmas parade.

It cannot be greater or less than the desires of our "Citizenship," for we know that, "HE WHO SOWETH ABUNDANTLY SHALL REAP ABUNDANTLY."

Your Parade Committee are anxious that we make it better than ever before.

We solicit and we urge all Churches, Schools, Youth organizations, Civic Clubs, Comets and Clowns to join with business and professional people on that day to emphasize the merits and opportunities of our town and make it a glad day for every citizen of our community.

lecting boat inspection fees from the plaintiffs.

Each of the plaintiffs, testifying briefly Friday, related they had paid the "inspection fee" on several rent boats they had rented to customers on the day Lake Officer J. R. McDaniel told them the ordinance was in effect.

Mrs. Ballard and G. H. Cobb, in their testimony, declared that no inspection was made of their boats by the lake officer when he collected the fees. Each plaintiff also said that since enforcement of the ordinance was started their business has dropped off substantially. "We're not doing half as much as we did last year," Mrs. Ballard testified.

Ruling on the plea of privilege will be announced by Judge Chapman after he has studied written briefs that were filed following Friday's hearing. This procedure would probably require several days, with the Court's decision not likely to be rendered before this week end or later.

Sheriff's Posse Plans Christmas Party Dec. 7th

Members of the Haskell County Sheriff's Posse and their wives were guests at a supper meeting of the organization held Monday night at the Highway Drive Inn.

A membership committee was named and plans were made for the next meeting, which will be in the form of a Christmas Party on the evening of Monday, Dec. 7.

The affair will be held in the Corral Building, and the following committee was appointed to arrange and supervise decorations for the party: Nell Royall, chairman; Gladys Webb, Jerry Cox, Mammie Winchester, Ermine Williams, Opal Gilliam.

Named on the membership committee of the Posse were: Sidney Winchester, Shelly Royall, B. R. Webb, Fred Gilliam, Roy Cook.

Beef cattle in shaded feed lots gained faster and made more economical gains than those in unshaded lots according to tests conducted in California's Imperial Valley.

Democratic Party Chairman Speaks At Rotary Club

The mechanics of political parties, and the functions of party organizations including precinct, county and state conventions was the subject for an informative talk by Chas. M. Conner, chairman of the Haskell County Democratic Executive Committee, at the weekly meeting and luncheon of the Rotary Club last Thursday.

Ferrell Coston, program chairman, introduced Mr. Conner, a former State Representative and who also served several terms as county judge and tax collector.

In his talk, Mr. Conner touched on several changes made in the election laws by the last Legislature. Primaries will be held earlier, the first primary coming on May 7 and the second or "run-off" primary on June 4. This has necessitated moving filing deadline for candidates to Feb. 1, and candidates will have to pay the ballot assessment by Feb. 13, he explained.

The speaker pointed out that for the first time this year, each voter's poll tax receipt will be stamped with his party affiliation when he votes in a primary. Thereafter during the valid period of the poll tax, the voter can participate only in primaries of his designated party as indicated on his poll tax receipt. The stamped tax receipt will also be the voter's credentials for taking part in the precinct conventions of his party.

Mr. Conner stressed the importance of voter's attendance at precinct conventions. "These are the foundations of our political system, the grass roots of the American form of government," he said. "The precinct convention is the only time when the individual voter can have an active role in shaping the policies and platform of his political party."

Out-of-town guests at the meeting and luncheon were Bob Prichard and Pat Roberts, both of Stamford.

Payment of Poll Tax Shows Gain Over Last Year

Advance interest in next year's political campaigns is indicated in the fact that poll tax payments are running ahead of previous years at this time.

Through Saturday, Oct. 31, clerks in the County Tax Assessor-Collector's office had issued 760 poll tax receipts, a requisite for voting in all 1960 elections.

Voters have three months more in which to pay the current poll tax, deadline for payment being Jan. 31, 1960.

Lions Designate Dec. 1 Annual "Toy Day"

At their regular luncheon meeting Tuesday, Haskell Lions designated Dec. 1 as annual Toy Day, when each member is to bring a toy to be included in Goodfellow Christmas baskets.

This custom has been followed for years as one of the ways in which Lions help to bring cheer to needy families at Christmas time.

Musical program was presented by the Nine-Teens, a talented choral group from Haskell High School, under the direction of Mr. and Mrs. Hubert Bell, with Linda Speer as pianist. Composing the group are Jane Bynum, Carol Jircik, Suzanne Lane, Dorothea Rueffer, Jan Herren, June Bell, Jane Bell, Twyla Hipp, Janice Hattox.

During the business session, Lions heard a report on a Lion sponsored carnival held in Knox City, with the idea of possibly sponsoring a similar event here.

Lions voted unanimously to pay \$40 on expenses of the Halloween carnival for Haskell school children. This contribution was later reduced to \$20 after it was learned this amount would be sufficient.

A report on the Lions Camp for Crippled Children at Kerrville was given by Dr. T. W. Williams.

Program for the next meeting will be brought by Lion Theron Cahill.

Guest at the meeting and luncheon was O. R. Bruner of Seymour, area supervisor for the Farmers Home Administration.

Jack Harvey, Ruf Yarborough Buy Fina Station

New owners of the Fina Service Station in this city are Jack Harvey and Ruf Yarborough, who purchased the business last week from G. T. (Garth) Garrett, who opened the station last June and has operated it since that time.

The station will be under the management of Ruf Yarborough, and the same high standard of service will be maintained. A complete line of Fina Products will be handled, and station service will include washing and greasing and tire repair.

According to the latest figures, last year's 100 top national newspaper advertisers invested over \$300,000,000.

'Courteous Sales Person' Contest Gains In Interest

Much interest is being shown in the Rotary Club's plan to select Haskell's "Most Courteous Sales Person," sponsors said this week.

A number of ballots have been received. Award Chairman Jim Byrd said Wednesday, indicating wide interest in the plan.

Any employee of a Haskell retail business establishment is eligible for the award, which will be presented Christmas week. A ballot to be used in nominating someone for the award appears on Page 12 in this issue of The Free Press.

County Singers To Meet Sunday At Rule Church

The monthly program of the Haskell County Singing Convention will be held Sunday, Nov. 8, at the Sweet Home Baptist Church in Rule, Convention President Truett Cobb has announced.

The program will be an afternoon affair, beginning at 2:30 o'clock. All singers and music lovers are invited to attend and take part.

'Garth' Garrett Enters Race for Sheriff

G. T. (Garth) Garrett, well known Haskell man and resident of the county practically his entire lifetime, authorizes the announcement this week of his candidacy for the office of Sheriff of Haskell County, subject to action of the Democratic primaries in 1960.

Mr. Garrett needs no introduction to a majority of the people of Haskell County, since he enjoys the acquaintance and friendship of people throughout this area as a result of his long residence and his business connections during that time.

He is thoroughly acquainted with the duties and responsibilities of the office of Sheriff, having served as a Deputy Sheriff for three years and nine months. He resigned last spring, and in June opened the Fina Service Station here which he operated until recently, when he sold the business to Jack Harvey and Ruf Yarborough of this city.

His service as deputy sheriff enabled him to become acquainted with the varied duties of a law enforcement officer, and also gave him valuable experience in court procedures and their relation to the sheriff's department.

In making his announcement, Mr. Garrett stated he realized he was asking the people of Haskell County for a very responsible office. However, on the basis of his past experience, and with the cooperation of the citizens of the county he believes that he can qualify in every respect for the responsible position he seeks.

Mr. Garrett stated that first of all he desires to thank the good citizens of Haskell County for the cooperation and valuable help given him while he was a deputy. Also, for the business given him while he was in business here.

Spanish I Club Organizes and Elects Officers

The Spanish I Club of Haskell High School was organized and had its first meeting Friday, Oct. 30.

Officers for the 1959-60 term were elected as follows: President, Tommy Hester; vice president, Carol Jircik; secretary and treasurer, Linda Speer; reporter, Jodie Kennedy; chairman of yearbook committee, James Underwood; chairman of social committee, Benny Roberts.

The class is small this year, having only seven members. The seventh, Tommy Coston, who will quit Spanish at mid-term, was given the position of assistant to everyone.

Carol Jircik, program chairman, has already begun work on the programs for the remainder of the school year. Although the class is small, members plan to do much to further their knowledge of Spanish and of the Spanish speaking people.

VISITORS FROM IOWA

Mr. and Mrs. John Sidesy of Greenfield, Iowa, were visitors in Haskell Monday. They had been in the Panhandle, where Mr. Sidesy has farming interests, and were on a leisurely trip through this section before returning home. Mr. Sidesy, co-owner of the Adair County Free Press in Greenfield, spent about six weeks in Haskell in the early part of 1953 and worked in the mechanical department of this newspaper during that time.

of Haskell County while serving you as deputy sheriff." Mr. Garrett stated. He added that it was his intention to see every citizen in the county before the primary is held next year, in order to discuss his candidacy with them personally.

In the meantime he solicits and will appreciate your consideration of his candidacy.
