

HERMLEIGH HERALD

VOLUME 1

FRIDAY FEBRUARY THE 17th. 1928

NO. 22

Water Tower Now Going Up Rapidly

By the time the Herald reaches its readers this week, the water tower will be up within sight of nearly all who read the paper. Under the supervision of Mr. Carpenter, the work is going forward rapidly. It will be a few days now until Hermleigh will be blessed with water.

At the completion of the work comes the "big jubilee day" in Hermleigh. It is to be a community affair. The clean-up day this week are clearing away the rubbish and getting ready for the great occasion in this end of good-old Scurry County.

The big basket lunch, which has been decided upon by the committee, is something for the good women to be considering.

The "Mile-high bonfire and the sky-high water-spout" is holding greatest interest to some. This is want to be made a "Memorial occasion," because Hermleigh has been without water so long, and because it is thought that it means the beginning of a new day for the town.

Scurry County was the 2nd. best agriculture county in the state last year and the Hermleigh territory is in the very heart of agricultural Scurry County. Hermleigh is also the county's 2nd. best town. Being the 2nd. best town in the 2nd. best agricultural county in the state, gives us an occasion to see our opportunity for development. This, too, is worthy of celebration at this time.

Raymond and Mrs. Seale of Ft. Wavanna, visited with Mrs. L. L. Seale, the former's mother, here Sunday. They were sporting a new Chevrolet car.

Baptist W. M. U. Ladies Have Interesting Meeting

The W. M. U. met with Mrs. W. E. Hassell Monday evening at three o'clock.

In the absence of the president Mrs. E. J. Ely took charge of the meeting. After the devotional a business session was held in which Mrs. W. R. Terry was unanimously elected Secretary and Treasurer of the W. M. U. to fill the place vacated by Mrs. Kinney's moving away.

A part of the hour was spent discussing "The Sweet Family" which is to be staged Friday night February 17th. by the W. M. U.

Our next meeting will be held in the home of Mrs. Shed Ragsdale, February 20th. at three P. M.—Reporter.

League Program

Adventure in the Christian Living—February 19; "The Splinter and the Plank."

Glorianna Gadabout Sweet - the baby - Mrs. Terry

REMEMBER THE HOUR

Community Notes German School By Rufus Mize

Progress in school will be slow for the next few weeks on account of whooping cough in the community.

The first regular meeting of the P. T. A. Association was decidedly a success, even if the night was threatening rain. Superintendent Bullock, Editor Norman and Secretary Evans all made splendid addresses, which were highly appreciated by the community as a whole. Mr. Evens suggested that the community organize a kind of community Chamber of Commerce and elect a chairman who will correspond and meet with the Snyder and Hermleigh C. of C. so that the business may be carried on more efficiently. Our farmers were glad to organize and elected Rufus Mize as chairman. All who need laborers or any other help from the C. of C. will please call on him.

Mrs. W. Kubena of this community has been very sick, but she is able to be up now. She is taking treatment of the Chiropractor doctor Miss Thompson of Hermleigh.

Mr. and Mrs. A. B. Lonpar spent Saturday night and Sun. with the former brother Mr. Emil Lonpar and family.

Mr. E. M. Mahoney made a business trip to town Saturday.

Mrs. E. M. Mahoney has been sick for quite a while.

Mr. and Mrs. Rufus Mize visited in the F. J. Kasper home at Hermleigh Sunday.

Mr. and Mrs. F. J. Kuss entertained quite a crowd of relatives Sunday.

Don't forget the next meeting of the P. T. A. on Friday night March 4th.

Mr. R. F. Brasch and son were visitors at J. M. Pagan Sunday evening.

Emil, Herman, and Frank, were in Snyder Saturday.

Supt. A. A. Bullock and Uncle Charlie Dodson visited the school Wednesday. Mr. Bullock was filling out the Score Card of the schools and Uncle Charlie was trying to encourage the children to read the Bible. He distributed little booklets, containing the book of St. John, to all the pupils. He offered one dime to each pupil who will read the book through. Uncle Charlie says he expects to give away more than a hundred dollars to school children in this manner. We need many more religious workers like Mr. Dodson in the world.

Annie Kubena, and Annie and Clara Watzel were in Hermleigh Saturday afternoon.

Marvin W. J. West and Vernon Pagan went to Sweetwater Sunday on special business.

Mr. Walter Goebel and family were visiting in the Frank Watzel home Sunday afternoon.

Mr. and Mrs. Frank Watzel and family were visiting Mrs. Watzel's parents, Mr. and Mrs. Herman Schulze Sunday night.

Mr. and Mrs. H. A. Wimmer visited in the Emil Schulze home Sunday afternoon.

Vernon Pagan also went to see the train. All say they would have enjoyed it much better if so many people hadn't been there.

Mr. H. A. Wimmer, with his children, and Corabeth and Gladys Mahoney went to Snyder Friday to see the Santa Fe agricultural train.

Mr. and Mrs. Atchley and Ray Sturdivant motored to Lubbock last week end to visit with sick friends in the Sanitarium.

A True Test

The merit of many a proposition may be accurately judged from the character of those who oppose it.—Ex.

Shell Pipe Line Now going Down Near Here.

An underground pipe line leading from McCouvers, Texas to Haldton, Okla. is now being laid through Scurry County near Hermleigh. Crews are on the ground both here and at Colorado. The telephone and telegraph department stretched their tents here Monday. The crews are working out of Hermleigh as a center.

The approximate length of this line will be 500 miles, and cost of construction will be near \$30,000,000.00, it is estimated.

In keeping with a cleanup day which was staged in Hermleigh the day these tents were stretched, these splendid men perfected a clean up around their tents. The Herald commends these gentlemen for this action, and welcomes them to the town.

M. E. Conference

Our Second Quarterly Conference will commence at Inadale March 3rd. and 4th. Preaching by the Presiding Elder Saturday 11, a. m., and Sunday 11, a. m. Business session Saturday at 2, p. m., after dinner on the ground.

Next Sunday the 19th at 7:30 p. m., at the Hermleigh church Rev. O. P. Clark of the First church at Sweetwater will preach.

The 4th Sunday, 26 inst. Judge A. S. Mouzey of Sweetwater will fill our pulpit at Hermleigh at 11, a. m.

M. H. Hudson.

Miss Bobbie Lue Johnson of Breckenridge, spent Thursday afternoon with Mrs. Gladys Newby.

Pyron School Doing Creditable Work.

The Pyron school is a credit to the public school system of Scurry County. Its progress is phenomenal. Its possibilities are unlimited. The grounds around the school are equipped with all modern school ground equipment and is fenced in by the most timely curb which might be found anywhere. The curb stones each bears a letter which in their order spells the name of the school. The location is the very best, and the school spirit has no superior.

Among the outstanding things in connection with the school is its literary activities. The literary society, which is only in its infancy, is attracting much attention. It is setting pace for much larger school communities.

The school evidently has a staff and faculty which are worthy of their place in the community.

Pyron Community Notes and School News

Bessie Hoskinson, Reporter

(Delayed from last week)

Mr. Ike Glass of Loraine visited the home of his brother, Mr. A. Glass Sunday.

L. D. Allison left Sunday for Brownwood where he has been working.

Jack Garner of Stamford visited his Aunt, Miss McKeown Sunday.

H. E. Brock and family visited relatives in Loraine Sunday.

Dr. B. T. Bryant and family Tyler are spending several days with their children T. J. and J. Bryant.

Mr. and Mrs. Emery Vernon and Mr. and Mrs. Tony Vernon spent last Sunday with their mother, Mrs. W. H. Vernon.

Roy Schattles was a Roscoe visitor Monday.

Mr. and Mrs. B. A. Vick visited in San Angelo last week.

Mr. and Mrs. Schattles visited in Hermleigh last week-end.

Mr. Walter Warenkin and Miss Gladys McVein were married last Saturday night. Their many friends extends best wishes.

Miss Eulilia Schattles visited in Hermleigh last week-end.

Miss Martha Vick spent Sunday with Miss Ethal Vernon.

Zena Hargroves spent last Sunday with Miss Lois Curry of Lone Wolf.

SCHOOL

The lecture, "See the Philippines", given in the School auditorium last Wednesday night was well attended.

Our school is making wonderful strides toward perfection. In the last week we have made a

curb about the ground to keep cars off, and have made walks all of which are painted white. These things in addition to the work inside gives us not only one of the best appearing schools but one of the best equipped school to be found in west Texas. Watch Pyron grow.

J. A. Starnes, in-law relative to the Fargason family, with his family is visiting relatives here this week.

J. T. Miller of Sweetwater was in Hermleigh last week looking after some farm interests here.

Improved Uniform International Sunday School Lesson

By REV. F. H. FITZWATER, D.D., Dean Moody Bible Institute of Chicago. (© 1924. Western Newspaper Union.)

Lesson for February 19

TWO MIRACLES OF POWER

LESSON TEXT—Mark 4:35-41.
GOLDEN TEXT—What manner of man is this that even the wind and the sea obey him?
PRIMARY TOPIC—Jesus Still the Storm.
JUNIOR TOPIC—Jesus Rules the Storm.
INTERMEDIATE AND SENIOR TOPIC—The Universal Power of Jesus.
YOUNG PEOPLE AND ADULT TOPIC—Jesus' Power over Nature and Human Life.

1. Jesus Calms the Sea (vv. 35-41).
1. Crossing the sea (vv. 35, 36).
Wearied by teaching the multitude, He proposed that they take ship at evening time to the other side of the sea, doubtless to escape from the throngs of people.
2. Overtaken by a storm (v. 37).
Even though Jesus was in the boat with the disciples they were overtaken by a storm. It is not God's will that we should escape the storms, but those who have Christ on their boat are safe because that boat cannot go down.
3. Jesus asleep in the storm-tossed boat (v. 38).
In the midst of the turbulent elements He was resting in sleep. The day had been a very strenuous one and He was weary. He who made the sea could well lie down and sleep, though the storm violently raged.
4. The terrified disciples (v. 38).
In their minds nothing but disaster and death awaited them. They were not only terrified, but they chided Jesus for sleeping while they were in such great danger.
5. Christ's rebuke (vv. 39, 40).
(1) The wind (v. 39).
This showed the Lord's mighty power to control the forces of nature.
(2) The disciples (v. 40).
He rebuked them for their lack of faith. He showed that they were looking upon their circumstances instead of upon their Lord.
6. The effect upon the disciples (v. 41).

They were filled with great fear. A little while ago they were afraid in the face of the storm; now they are afraid in the presence of the Lord.

II Jesus Heals the Gadarene Demoniac (5:1-20.)

After the stilling of the tempest, Jesus crossed to the other side of the sea into heathen territory.

1. Met by a demon possessed man (vv. 1-6).
This man was in a desperate condition. He was so fierce that no one could safely pass that way. He wore no clothes (Luke 8:27). No chains were strong enough to hold him and no one was able to tame him. In the night time his hideous cries could be heard while he vented his rage by cutting himself with stones. Many today are demon possessed. Much of the insanity of the age is traceable to this cause. As the coming of the Lord draweth nigh these things will increase (1 Tim. 4:1).

2. What the demons knew about Christ (vv. 7-9).

They knew that He was the Son of God and that He had come to destroy the devil and his works. Among the demons there is no doubt as to the deity of Christ and the judgment to come, though we have many theologians and preachers who say they do not believe it. The devil blinds their eyes so they cannot understand (II Cor. 4:4).

3. Christ's power to deliver from the devil (vv. 10-13).

He cast out the demons from the man (v. 8). The demons quail before Christ, not daring to dispute His power, so they begged to be permitted to enter the swine. As soon as the Lord issued the permit, they hastened away to hurl the swine to destruction.

4. The effect upon the people of the city (vv. 14-17).

The keepers of the swine fled to the city and made report of what had occurred. This miracle brought the people out, but when they realized the loss of their hogs they sought Him to leave their coasts. They cared more for their hogs than for Christ, and the cure of this man. These Gadarenes have many successors today.

The man who was healed sent home to testify (vv. 18-20).

No doubt it would have been safe and pleasant to abide with Jesus, but his friends needed his testimony. The best witness for Christ is one who has been saved by Him. The best place to begin that testimony is at some where one is known best.

Let Christ Do It

Christ can develop us far better than we can develop ourselves. Suppose we let Him do it.—F. B. Meyer.

Holy Spirit Must Lead

If God is going to have control of your life, then the Holy Spirit must be able to lead you.—Wm. C. C.

Friday Feb., 17th, 1928

Raising a Standard

With an enthusiastic Chamber of Commerce lunging forward; with a City Council "setting rat" on the principles of "progress;" with a victory half won when our water system is completed; with a large territory of the very best agriculture country settled by the thriftiest farmers available for any country; with the coming of the very best marketing system for everything we can produce, what is in the way of our town, Hermleigh? If an inactive citizenship does not get in our road, and check

our progress, the eyes of Scurry County will soon be upon Hermleigh, the second town in the county.

Our new water system, when completed now with in a very short time, is going to be a big thing in the life of Hermleigh. We shall all pride ourselves in it. It will set pace for the ongoing of every thing in connection with the community's activity. It will be a great victory for Hermleigh if every citizen will endeavor to keep everything in good comparison with it.

Our adequate water system will afford every home in town an opportunity to have every modern convenience. By use of a cesspool any home can have a modern toilet room with commode lavatories, and bath tubs with hot and cold water connection. This is very practical.

Small towns which are clean and afford good schools, churches, other physical conveniences are desirable places to live. Many good families would prefer them to larger places. In this respect Hermleigh has challenging opportunity since the coming of our water.

The Texas Electric Co. is planning to run a direct highpower line into Hermleigh from Snyder. Our power is insufficient at the present, and this will mean a great deal to the development of the town.
