PUMPKIN PRODUCERS AND THEIR HELP ARE WORKING FAST AND FURIOUS TO MEET SCHEDULES AND THE FALL DEMAND FOR PUMPKINS, GOURDS, AND DECORATIVE CORN FROM THE PUMPKIN CAPITAL U.S.A. IN FLOYD COUNTY 33 ACRES HAVE BEEN PLANTED IN GOURDS AND 1,461 ACRES IN PUMPKINS.

BACK IN THE AIR--The Boll Weevil Eradication Program has experienced uncertain schedules since the World Trade Center attack, but the spray planes are now back in the air and working hard to stay on schedule. After the attack on September 13, crop dusters were grounded for two days and were back in the air on September 15 and 16, only to be grounded again on the 17th for a day. The planes were back in the air and grounded again on September 24th. Tuesday, September 25th, the planes are back to work.

FLOYDADA VOLUNTEERS RAISE MONEY FOR NEW YORK DISASTER FUND--About 30 Floydada volunteers and employees of the City EMS, Fire Department, Police Department, and the Floyd County Sheriff and Deputies raised \$3,410.00 last week by receiving donations at different intersections and businesses around town.

Council discusses economic development with new director

By Darwin Robinson

The Floydada City Council met Tuesday, September 18, and following a closed session discussion, the council unanimously voted in favor of purchasing Block 50, Original Town, (the old gin property), located north of City Hall for \$9,000. Councilmember Sheldon Sue made the motion and Councilmember Jon Nielson seconded it.

City Manager Gary Brown told the council at last month's August meeting that the property would be very beneficial to the city's maintenance department for storage and for the parking of their vehicles inside the large buildings located on the property.

Monte Williams, President of the Floydada Economic Development Corporation, introduced to the council the newly employed Executive Director of FEDC Dora Ross.

Williams said, concerning the hiring of Ross, "(Ross) is a person who I think will bring a lot of skills to this job. This job takes a creative person to be able to sort through the maze of all the different problems we have and find alternatives. I think we have found that person, Dora Ross."

Ross told the council, "I have a couple of little projects going right now. One of them is an incentive package, so when we do actively recruit businesses to come to our area, we will be able to offer something, whether it may be a tax abatement, actual cash, or locating the land."

"Another project is community networking. I am very committed to this

half a million dollar grant. We did get turned down, but we will reapply for this grant because we were just barely under the turn down (mark)," Ross said.

"This project will expand our wireless internet throughout our county. This will be a joint effort between Floydada and Lockney. It will give us high speed internet and a web page where anyone in the community can go and find out what is going on in the county, such as, a city council meeting or the county commissioners' court.

"This will let us know what is going on at each individual school, what is going on in Lockney or Floydada, or at the Massie Activity Center, or at the Unity Center, and even church activities can be put on this web page," Ross added.

Ross continued, "It will establish a computer lab that will be open to the public certain hours.

Ross concluded, "There is another project called "Beautification" sponsored by the Chamber (of Commerce). We are just getting started on this. We have talked to TxDot about doing the three medians on the highways out of town to Plainview, Ralls, and Matarador."

During the questions and answers following, Nielson stated, "We need to take care of our own. It seems like in the last few months we have had more businesses going out. That concerns me. I don't know if you have ever discussed that or not, and I can understand being out looking for (other) businesses."

Ross responded, "One of the first things I think we would like to work on is planning to take care of our own, if that is the way you want to put it, and try to teach our businesses to be better marketers."

Williams added, "One thing I would like to add is that in economical development, if we offer assistance to retail businesses, we may not generate that much from that. What we need to concentrate on businesses that will generate jobs. Dora is working on a dairy incentive package.

"We have met with a father and a son from the El Paso area that are looking to move into this area to start a dairy. They need approximately 640 to 1000 acres of land. Certainly we can get that much land out of crop production, but a dairy that size will employ 20 to 30 people," Williams said.

Williams continued, "From that, we start building back our population base, while our retail base will improve with our population base. We don't have enough jobs. I think many of the industries that we are going after will have entrepreneurs in their businesses to build up jobs.

"There are some direct grants that state, if you will make improvements to your business, then we will give you this grant. In talking to those people, they could not own their property as long as they were getting subsidies. So I think we want to avoid direct subsidies, but I do think we want to build our base largely through manufacturers, industrial, and Ag businesses,

DR. CHARLES CRAIG WITH PHOTOS AT FIRST NATIONAL BANK

Photos tell of years of travel

By Darwin Robinson

Dr. Charles Craig, DDS, retired dentist, of Floydada began flying in the United States Air Force in 1944 during World War II. He has been flying ever since for pleasure and on many one week medical trips to the needy Indian tribes in southern Mexico and Central America.

He has a very interesting selection of pictures taken on these trips on display through October at the First National Bank in Floydada. The public is invited to come by the bank and view these photos.

Dr. Craig said, "These (medical) trips began in 1967 with Dr. Jack Jordan, M.D. In the beginning, we had a missionary contact in Guatemala with the Wickliff Bible Translators named McIntosh. Most of our trips and work has been with WBT and Missionary Aviation Fellowship.

"We would fly from Floydada to an area close to the working place, then

we would be taken into the short mountain air strips by the MAF pilots," Dr. Craig added.

Dr. Craig said he went on 35 consecutive yearly medical trips and 41 total trips. His medical trips over these many years included Mexico, Belize, Guatemala, Honduras, and Panama.

"We've flown to all of those places and done mission work there. I did the dentistry work, while Dr. Jordan did the medical and medicine work. We took in all our own medical and dental supplies. In the 1975 Guatemalan earthquake, we carried in a lot of medical supplies in two airplanes."

Some of the Indian tribes that Dr. Craig has worked with in Chiapas, Mexico and Latin America are the Mayans, the Lacondons, the Chinontecs, the Chitanos, the Tzotzils, the Tzeltals, the San Blas Cunas, and many others.

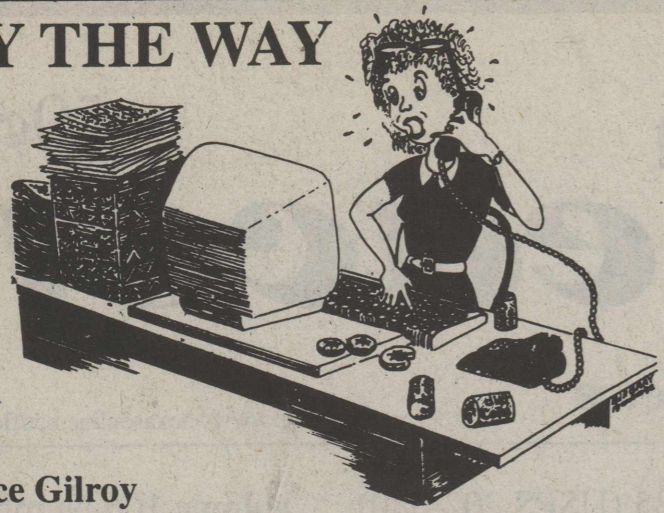

"Some of my favorite areas and trips were with the Lacondon Indians in Chiapas, Mexico," Dr. Craig said.

ATTENTION--DISCLAIMER

According to FHS Head Coach, Lee Hurt, the football schedule poster being sold and distributed around town does not have the authorization of the FHS Football Department, nor the FHS Athletic Boosters.

BY THE WAY

By
Alice Gilroy

I appreciate this e-mail. I am a big fan of Max Lucado's writings. He is a very "plain-spoken" man and can always express a thought very simply and profoundly. I think he did it again. By the way, if you are looking for a good book to bring you comfort, I recommend any of Max Lucado's books. You find them in the Christian book sections of the bookstore.

IS THIS NORMAL?

"Four thousand gathered for mid-day prayer in a downtown cathedral. A New York City church, filled and emptied six times last Tuesday. The owner of a Manhattan tennis shoe store threw open his doors and gave running shoes to those fleeing the towers. People stood in lines to give blood, in hospitals to treat the sick, in sanctuaries to pray for the wounded. "America was different this week. We wept for people we did not know. We sent money to families we've never seen. Talk-show hosts read Scriptures, journalists printed prayers. Our focus shifted from fashion hemlines and box scores to orphans and widows and the future of the world. "We were different this week. Republicans stood next to Democrats. Catholics prayed with Jews. Skin color was covered by the ash of burning towers. This is a different country than it was a week ago. "We're not as self-centered as we were. We're not as self-reliant as we were. Hands are out. Knees are bent. This is not normal. And I have to ask the question, "Do we want to go back to normal?"

"Are we being given a glimpse of a new way of life? Are we, as a nation, being reminded that the enemy is not each other and the power is not in ourselves and the future is not in our bank accounts? "Could this unselfish prayerfulness be the way God intended for us to live all along? Maybe this, in his eyes, is the way we are called to live. "And perhaps the best response to this tragedy is to refuse to go back to normal. "Perhaps the best response is to follow the example of Tom Burnett. He was a passenger of flight 93. Minutes before the plane crashed in the fields of Pennsylvania he reached his wife by cell phone. "We're all going to die," he told her, "but there are three of us

who are going to do something about it."

"We can do something about it as well. We can resolve to care more. We can resolve to pray more. And we can resolve that. God being our helper, we'll never go back to normal again. . .

Max Lucado

One of my favorite pastimes is criticizing television news personalities.

Peter Jennings is getting a lot of flak lately for his snide remarks about President Bush, immediately following the World Trade Tower attacks.

It seems Jennings didn't think Bush should have been ushered from place to place during the attacks. He seemed to think that terrorist's trying to kill the President was a stupid reason for the secret service to put Bush in a safe place out of harms way. I guess he felt like we needed to put Bush in a jacket with a giant target painted on the front, and then stand him out in front of the next terrorist plane.

Anyway--Jennings aside, I think the media did an excellent job of the coverage. I was proud of the way they handled the unbelievable amount of information that had to be pouring across their desks. I thought, by and large, that they were sensitive and not reckless with facts. I also appreciated their treatment of the President.

I've recently read about a Dan Rather appearance on the David Letterman show, in which he twice broke down into tears as he recalled the work of firefighters and others in New York City.

Rather also praised Bush and said, "I couldn't feel stronger--this is a time for us--and I'm not preaching about it--George Bush is the President. He makes the decisions, and, you know, it's just one American, wherever he wants me to line up, just tell me where. And he'll make the call."

When asked why he thought America hadn't struck back yet, Rather said, "There's a saying in the Far East. Revenge is best served cold. Which is to say, wait your time, take your time. Rudyard Kipling wrote, that the law of the jungle is, you never lost your temper. Well, we're past that. We've lost our temper. And I'm sorry I've shown (emotion) so clearly here tonight, but there's a rage within all of us that has to be tempered while we take care of business..."

A view from The Lamplighter

By Ken Towery
email: chowdipper@earthlink.net

The world of wonders never ceases, and in politics we never cease to be surprised, and often, amazed.

President George W. Bush's presentation to Congress on the terrorist thing was, in our view, a masterpiece. He said, given the times, what needed to be said, and he said it with a demeanor befitting the occasion.

In a speech interrupted time and again with applause, the President said what was needed, calling the nation together while pinpointing the dangers ahead. When he had finished, the nation beheld the astonishing sight of the Republican Bush being sincerely embraced by an emotional Tom Daschle, leader of Senate Democrats. A few short days ago Mr. Daschle went out

of his way to find something, anything, bad to say about Mr. Bush. Now the reverse is true.

It is premature, in our view, to say that the attack on the World Trade Center, and upon the Pentagon, transformed national politics. But it most assuredly set the stage for a more civil, more rational, discussion of national problems. Rather than seeking ways, and words, to fan our political differences, those in charge of things will be free to discuss ways, and words, that might unite the country. For that reason, if for no other, those who died in the tragedy may not have died in vain.

As a speaker, George W. Bush is no Winston Churchill. He is not even

a Douglas MacArthur. But Thursday night he rose to the occasion and made the nation proud. His words, his demeanor, were on target. The response he got not only did the nation good, it liberated Bush to be the President of all the people. No longer will it be necessary for him to pander to this group or that group, hoping to put together enough votes for the next election. In short he can be whatever kind of President he chooses to be.

We do not mean that our citizens should suspend their capacity to weigh issues coming before the body politic in the months and years ahead. We believe our citizens should express their views, or rather that they should continue to express their view. But it is comforting to know that our President, when faced with crisis situations, can and will rise to the occasion. That

Those who hijacked the planes seek also to hijack the Muslim religion and fashion it to their own ends. Bush's words will go a long way toward setting the record straight in that regard. Not all Christians are of one mind, not all Muslims are Arabs, not all Arabs are Afghans, and not all Afghans are followers of bin Laden. And, for that matter, not all Arabs are terrorists.

The days ahead will be fraught with danger. Not only danger to the physical well being of our nation, but the well being of those liberties that make America. It is our prayer that in the process we can separate the wheat from the chaff, that we can concentrate on the job ahead and avoid the flailing around that too often comes with any situation wherein the enemy is ill defined, or subject to so many different interpretations.

The problems of the middle east have now been imported into our own country. The animosity, the hatred, that marks that region have become, unfortunately, our own problems. The Jews insist they are a different people. They insist they are God's chosen people. The Muslims insist they are different from the Jews. They too insist they are chosen of God. Christians insist they are different from both, and they are, for they have Christ as their Savior. These are problems that, for good or ill, will have to be dealt with by America. How they are dealt with will determine how many more World Trade Centers we undergo.

Those of us who had a part in the wars against Hitler and Tojo may whence a little about Mr. Bush's choice of words. We may have a different interpretation of what the word "war" means. But we can all agree with what he is trying to do, and in that context the word "war" is not out of place. In truth there is always war between what we regard as good, and what we regard as evil. That war never ceases.

We wish him well, we wish our country well, and we wish the cause of freedom well.

Oh yes...and we are happy Bush recognized and paid tribute to Mayor Rudy Giuliani of New York City. That man has been a rock through all this. May his tribe increase.

Courtroom Activities

In County Court, September 20, 2001:

Robert Cuba, 23, of Floydada, pled guilty to a charge of Abuse of Volatile Chemical. He was fined \$500 and court costs and sentenced to 180 days in jail which was probated for 2 years.

Andrew Scott Mercado, 18, of Floydada, pled guilty to Possession of Marijuana Equal to or Less Than 2 ozs. He was fined \$600 and court costs and sentenced to 180 days in jail which was probated for 2 years.

Tony Zuniga, 30, pled guilty to a August 31, 2001 charge of Assault. He was sentenced to 10 days in jail and court costs.

September 21, Raul Casas, 24, of Lubbock, was charged with Possession of Marijuana, Less Than or Equal to 2 ozs. There was no disposition on this case.

Also on September 21: Robert Keene Jr., 36, of Plainview, was charged with Theft of Less than or Equal to \$500. There was no disposition on this case.

Adrain Lee Pleasant, 30, of Floydada, was charged with DWI-2nd. There was no disposition on this case.

Vernon Lee Wickware, 49, of Floydada was charged with DWI. There was no disposition on this case.

September 25: Gary Wayne Bennett, 49, of Floydada, was charged with DWI. There was no disposition on this case.

Gabriel Mendoza, 19, was charged with Assault. There was no disposition on this case.

Juan Martinez Rivera, 50, of

Plainview, was charged with DWI. There was no disposition on this case.

CLARIFICATION--The Danny Clark, of Lockney, who was mentioned in last week's Courtroom Activities, is not the Danny Clark who owns Clark Pharmacy in Lockney.

In Pct. 1&4 J.P. Court for the month of September, 83 citations were given. Of those: 9 were for no Driver's License; 27 were for no Seat Belt on the Driver's side; 2 were for no Seat Belt on the passenger side; 1 was for unsafe turn; 3 were for no insurance; 3 for unrestrained child; 1 for Record of Duty-status not current; 1 for hunting dove with unplugged gun; 2 for expired registration; 1 for disregarding a no passing zone; 1 for possession of drug paraphernalia; 11 for speeding 1-10 miles over the speed limit; 11 for speeding 11-15 miles over the speed limit; 5 for speeding 16-20 miles over the speed limit; 4 for speeding 21-30 miles over the speed limit; and 1 for speeding 31-50 miles over the speed limit.

Small claims were filed in the J.P. Court by Higginbotham Bartlett against: Hector Zavala, Alberto Marmalejo, Skipper Hicks, Rick Meyers, Juah DelaFuente, Tino Gomez, Paul Mendoza, Isidro Sanchez, Mark Snell, G.A. Van Hoose, Jessie Vela Jr., and Charlie Cabello.

R.P. Greenwade filed suit against: Wayne Edwards, Roger Hammonds, and George Quisenberry.

Floydada Ford Mercury filed suit against Joe Mark Cargile.

The Tax Assessor Collector's office will be sending out new voter cards in December 2001. Anyone that has moved and has not notified the voter registrar should do so.

Any children that have recently married or graduated from college please notify the Tax Assessor-Collector so she make the changes.

Letter To The Editor

Since the disaster in New York and Washington, D.C. and the plane crash in Pennsylvania, we all have been praying for the victims and their families. We have been praying for the firemen and policemen and others who are attempting to rescue victims risking their own lives.

Today, 9-19-01, it has been reported that a Naval Task Force and other military aircraft have now been deployed to areas unknown. Others will follow. As a veteran of the U.S. Navy I ask each of you to now pray for the men and women of the military forces of the United States. They are so young and are now going into harms way. They know not what to expect

and may not return. They are going to far away places to insure that you and I may never have to live through another disaster like September 11th again.

Probably one of the brightest moments in the life of a member of the military while away from home are letters from home. With a little effort on your part you can, through your Senator or Congressman, let someone out there know that you care and that you are, indeed, praying for them.

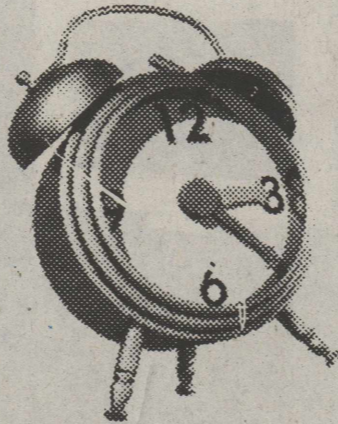

Our nation must be defended against all aggressors and that is what our young people are doing for you.
Philip Wilbanks

Punkin Days set for October 13th

Floydada Rehabilitation & Care Center
Employee and Resident of the Month

The Floydada Rehabilitation & Care Center is proud to announce the Resident of the month, Edgar Hammonds (not pictured) and Employee of the month, Tamisha Burks

TUNE UP. LIGHT UP. WARM UP.

The clock is ticking and winter is not that far away. If your gas service is inactive, now's the time to make arrangements to have your gas turned back on. That way you'll avoid the rush that always occurs at the first cold snap.

So, act now. Call Energas today at the number listed below to make arrangements to have your gas turned back on early. That way you don't have to wait to enjoy that warm, comfortable natural gas heat when winter arrives.

You should also consider calling a heating contractor to schedule a furnace inspection. A furnace inspection should include installing a clean filter, lubricating the blower and bearings if needed; making sure pilot and burners are clean and in proper adjustment; and checking the heat exchanger, safety controls and thermostat.

An annual inspection is important for your system to operate safely and efficiently. And, of course, an efficient system means you'll conserve energy and save money on your heating bills.

CALL A LICENSED HEATING CONTRACTOR FOR YOUR HEATING UNIT INSPECTION TODAY!!!!

1934 Study Club

By: Margarette Word

The 1934 Study Club met Tuesday evening September 18, 2001 at 6 p.m. at Pizza Gold for the first meeting of 2001-2002.

We all purchased our own meal. After eating, our president, Wanda Turner called the meeting to order by asking Nell McClung to say a prayer.

Recording Secretary Marie Warren was asked to call the roll with members telling interesting things that happened to them this past summer.

Mrs. Warren also read the minutes from our last meeting which took place May 18, 2001. The minutes were approved as read.

Treasurer Effie Foster read a letter from the American Cancer Society thanking us for the donation we made during the Relay for Life drive which took place last June.

Our president gave us a welcome and a president's message about this

next year's club work and programs. She then called on our Program Chairman Emogene Haenish to hand out the yearbooks and discuss the programs. We all paid our club dues.

The meeting ended with all of us holding hands while our president, Wanda Turner, voiced a prayer asking God to be with all those in our country who are hurting and to help us have a good club year.

Those club members present were Betsy Dempsey, Effie Foster, Wilma Gowens, Emogene Haenish, Queen Annie Lawson, Nell McClung, Flora McNeill, Frieda Simpson, Wanda Turner, Marie Warren, Ila White and Margarette Word.

Our next meeting will start at 6 p.m. Tuesday, October 16 in the home of Marie Warren with Ila White as co-hostess. The program will be "Makers Mansion" by Michelle Rudell.

Floyd County Lifestyles

Caregiver education series begins October 9

The first in an open series of caregiver education will be presented on October 9, 2001, from 6:30 p.m. - 7:30 p.m. at 1323 58th Street, Lubbock, Texas. The topic, "Caring for Older Loved Ones" will discuss the unique needs of caring for an elderly family member or friend in your home, in their home, or in a special facility.

The series, offered by the professionals of the Area Agency on Aging-

South Plains Association of Governments in conjunction with the Mildred and Shirley L. Garrison Geriatric Education and Care Center, will continue through the remainder of 2001. Features will include topics associated with healthy aging, chronic illness of the elderly, Alzheimer's Disease and related dementia as well as others as requested.

For reservations please contact the Garrison Center, 763-4455.

FLOYDADA REHAB AND CARE CENTER BIRTHDAYS- (l-r) Lillie Milton and Frances Shepperd celebrated birthdays this month. Staff Photo

Floydada Rehab and Care Center

By: Lorilla Bradley

A lovely month September... When we welcome "Indian Summer"

With changes in the color schemes

And from heat...that was a "bummer"!

***** We honor Mrs. Milton.Her years are 83.....

She always looks so "spic and span" And is as cheerful as can be!

***** We greet our Frances Shepperd... She can act like Phyllis Diller, And when she puts her show on stage

It really is a "thriller"!

***** Lets do the Birthday "ditty"... To cheer these two along So join us in the singing With voices good and strong!

Lockney Senior Citizen News

By: Gene Newton

Another beautiful week has passed. We had a wonderful pot luck supper Thursday night.

We would like to thank the girls from the hospital that come and check blood pressure for the senior citizens.

We would also like to thank Elsa Clark for cooking when Lupe needs off.

Pray for the sick in the community.

Menu for October 1-5:

Monday: Chicken strips

Tuesday: Beef tips and rice

Wednesday: Chicken fried steak

Thursday: Chicken casserole

Friday: Hamburger steak

SHAKLEE
983-5246

Thursday, September 13 was party time at the care center. The honorees were seated in the lobby and pictures were snapped. The poem was read and all joined in singing the Happy Birthday Song. Each lady wore a lovely corsage of cherry colored daisies compliments of DG Floral and Design Shop.

A most delicious birthday cake along with fruit punch, was served by the care center. Guests of Mrs. Milton were her daughters, Barbara Edwards and Darla Chappell. We are always glad to have guests and you are invited to be with us any time you can.

The next party will be October 13 at 3:00 p.m. Please come and help these special people celebrate their special time.

Look Who's New!

GOLDEN

Brenner Golden, 2 years old, is proud to announce the arrival of his sister, Brooklyn Kay, born September 16, 2001 at 7:43 a.m. at University Medical Center in Lubbock. She weighed 7 pounds, 3 ounces and was 18 1/2 inches long.

Parents are Clay and Heather Golden of Aiken.

Grandparents are Larry and Jill Golden of Aiken and Alan and Kathi Fondy of Lockney.

Great-grandparents are Leonard and Lahoma Matsler of Floydada; Gladys Golden of Plainview; Fred and Sara Koger of Dallas and Bob and Evelyn Fondy of Plainview.

REYES

Eric Reyes and Cristina Garcia of Plainview are proud to announce the birth of a daughter Aaliyah Nicole Reyes, born September 22, 2001 at 3:13 a.m. at Covenant Hospital. She weighed 8 pounds, 12 ounces and was 19 1/2 inches long.

Grandparents are Dimas and Ester Garcia of Plainview and David and Pat Reyes of Lockney.

Great-grandparents are Noe and Rachel Blanco of Lockney, Manuel Reyes of Plainview, Solia Reyes of Plainview, and Alex and Julia Vasquez of Tulia.

Whirlwind Sams

By: Darlynn Hambricht

September trail boss for the Whirlwind Sams was Dr. Keith and June Patzer. Rigs accompanying them were Bill and Norma Feuerbacher, Gordon and Darlynn Hambricht, Darrell and Nancy Mayo, Robert and Betty McPherson, and George and Betty Miller.

Our campsite was Thousand Trails Texoma.

One evening meal we ate at a favorite restaurant, Catfish Platter, north of Willis Bridge.

Friday the ladies went shopping in Gainesville at the discount mall. That evening the group ate at Catfish Haven.

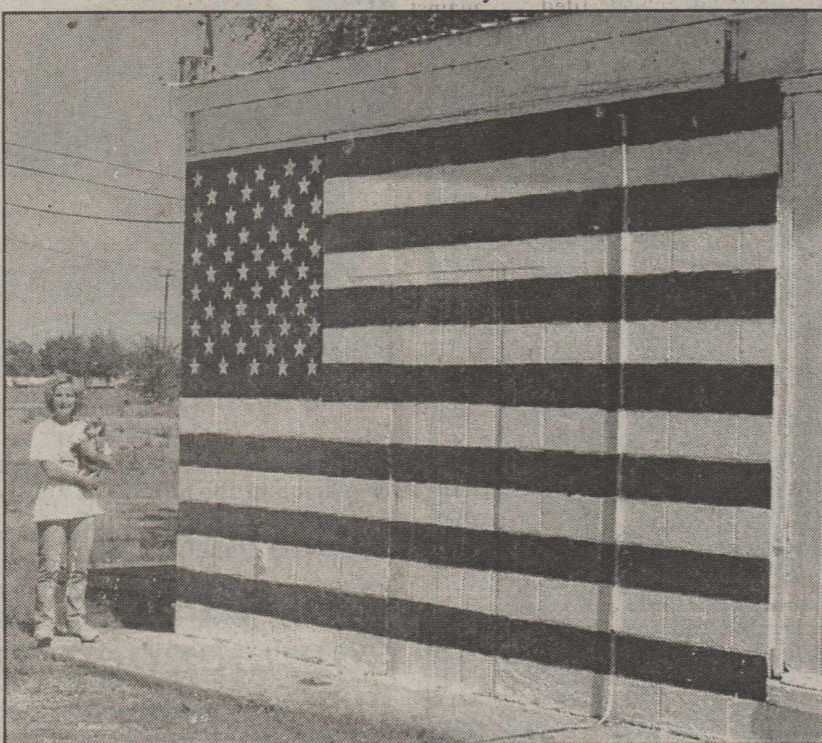

Lots of leisure time was spent playing table games and visiting.

Saturday morning the Patzers hosted a brunch at their rig. Fruit, muffins, doughnuts, cookies and coffee were served.

June Patzer conducted a time of devotion. Betty McPherson led group singing.

Sunday was departure time for some of the group to return home, while others left for an extended trip to other points of interest.

God Bless America!

PATRIOTIC FLAG MURAL-Oscar's Detail Shop on East Houston in Floydada now has a 12' X 20' American Flag painted on its West wall. Oscar, Elizabeth and Albert Garza painted the flag. Melody Wells is shown standing beside the red, white, and blue mural. Staff Photo

Lockney comes up short at New Deal

By Russell Harris

The Longhorns knew that they would have a test playing at New Deal last Friday. The New Deal Lions are a good team that is very tough to beat at home. The Longhorns controlled most of the game. However, mistakes cost them.

The gremlins came out early for the Longhorns. Lockney received the opening kick-off and returned it to the New Deal 48-yard line, where they fumbled the ball. New Deal recovered.

The Lions moved the ball forty-one yards on twelve plays, using over six minutes off of the game clock. It was there that the Longhorn defense forced them into a fourth and four situation. The Lions chose to try the fieldgoal. Levi Stephenson's kick was good for the 28-yarder.

Lockney then received the ball with 5:21 left in the first quarter. They took up shop at their own twelve-yard line. Lockney kept the ball on the ground for five plays and eighteen yards. On third and nine on the thirty-yard line, Ben Sherman found Matt McPherson for a nine-yard completion and a first down. Lockney then ran fifteen running plays, using five different ball carriers, to bring the ball to the New Deal four-yard line. On second and four yards to go, Mark Ford took the ball in for the touchdown. Jesus Rios' extra-point kick was good. Lockney took over the lead 7-3 after a drive that took 22 plays, ten minutes and 22 seconds off of the play clock and covered eighty-eight yards.

The defenses of both teams dominated the next 5:39 of the game clock.

Lockney started their last possession of the first half with 1:20 remaining. On first down, Ben Sherman scrambled for a 39-yard gain that was cut by ten yards on a holding penalty. Sherman then found Frankie Gonzales for a ten-yard completion and a first down. Jarred Lambert hauled in the next Sherman pass for a twenty-yard gain to the New Deal fifteen-yard line. Two plays later, Sherman found Lambert again. The pass play covered about ten yards when the ball was forced out and rolled into the endzone. There the Longhorns recovered it for the score. Rios' kick was good. Lockney led 14-3 at the half.

New Deal wasted no time in cutting into the Lockney lead. On their seventh play of the second half, Zack Stephenson got loose for a 36-yard touchdown carry. The two-point conversion attempt was no good. Lockney's lead was 14-9 with 8:15 remaining in the third quarter.

Lockney was unable to answer. Then, New Deal scored on a drive that began on their 42-yard line. On second down and five to go, Rodney Webster scored from the Lockney ten-yard line. The two-point conversion was good. New Deal led 17-14 with 12 seconds remaining in the third quarter.

Penalties and an interception kept the Longhorns out of New Deal's endzone for the next couple of offensive series. New Deal, taking over after the interception, started on their 37-yard line. They got as far as the Lockney fifteen-yard line. On fourth and eight, Levi Stephenson kicked a 32-yard fieldgoal to make the score 20-14 New Deal.

Lockney had one final chance with 4.4 seconds remaining in the game. Operating from New Deal's 39-yard line, Ben Sherman threw the ball into the endzone to his receiver. The ball was intercepted with no time on the clock. Pass interference was called on the play. The Longhorns were then to have the ball with no time on the clock on the New Deal 29-yard line. A personal foul penalty was called on the Lions before the next play giving the Longhorns first and ten on the twelve-yard line with no time on the clock. On the final play of the game, Ben Sherman found Mark Ford in the endzone but a New Deal defensive back broke up the pass. The 20-14 score became final, handing Lockney it's third loss on the season.

Though it seemed Lockney played good enough to win, turnovers and untimely penalties worked against them. For the third week, Lockney won most of the statistical categories while losing the game. The Longhorn's will have a bye week this week. They will begin district play against Morton on October 5.

Lockney 8th Grade Longhorns defeat New Deal Lions 22-16

By: Coach Hise

The Lockney 8th grade football team made a comeback in the second half and defeated New Deal by the score of 22-16 on September 20.

The game began on a sour note for the Longhorns as New Deal returned the opening kickoff 72-yards for a touchdown and added the two-point conversion to make the score New Deal 8, Lockney 0 just fifteen seconds into the game.

Lockney responded with an impressive opening drive. The Longhorns marched 75 yards on 8 plays and Lance Terrell finished the drive with a 3-yard TD run. The big play of the drive was a 36-yard scamper by John Vasquez down the right sideline. Terrell added the two-point conversion, and Lockney tied the score 8-8.

New Deal answered with its best drive of the game, and scored to make the score 16-8 at the half. The second half was dominated by Lockney. The Longhorns took the second half kickoff and drove 68 yards and scored. Fullback Lance Terrell did most of the damage, including a 20-yard run through the right side of the line, that put Lockney at the New Deal 3-yard line. Quarterback Dahlen McCarter took the snap and raced around the right side for the touchdown to pull the Longhorns within 16-14. The two-point conversion failed, however, and Lockney trailed by two going into the fourth quarter.

The Longhorn defense came up with the play of the game on New Deal's next possession. On second down, defensive tackle Trevor Morris slanted through the offensive line and hit the Lion quarterback as he tried to pitch the ball to the tailback. The football ended up on the ground, and defensive end Landon Cotham made the

recovery and Lockney took over at their own 43-yard line.

On the next series, the Lockney offensive line (James Jimenez, Jonathan Silva, Graden Long, Landon Cotham, Trevor Morris, and Brance Wilson) opened up the running lanes as they had all night. Lockney drove the ball to the New Deal 5-yard line, and John Vasquez pounded his way into the end zone to give Lockney a 20-16 lead with 1:45 left in the game.

The Lockney defense came up with another big play on the next drive to seal the victory for the Longhorns. Dahlen McCarter intercepted a long pass on second down, and returned it 19 yards to the Longhorn 40-yard line. The Longhorns ran out the clock and improved their record to 2-0 on the season.

There were some impressive performances by several Longhorns during this game. Fullback Lance Terrell rushed 18 times for 137 yards and a TD, tailback John Vasquez rushed 12 times for 86 yards and a TD, and quarterback Dahlen McCarter rushed 6 times for 40 yards and scored a TD. Lockney's defense only allowed 85 total yards during the game while the offense had 253 total yards.

Coach Hise's comments: "I am very proud of the way we played. We didn't get our heads down after the opening kickoff return. Our offensive line dominated the line of scrimmage, and we were able to control the ball for most of the game. The defense played very physical, and came up with some big turnovers when we needed them. This was one of the best overall games these young men have played in the last 2 years. It was a total team effort, and everyone contributed to this win."

This week the Longhorns have an Open Date

On Thursday Sept. 27 J.V. will travel to Slaton to defeat the Tigers - Game Time is at 6:00 -

Shorthorns will play the Slaton Tigers at home
7th Grade Game Time - 5:00
8th Grade Game Time - 6:30

Junior High Open House

Lockney Junior High will have an Open House for parents to meet teachers, Oct. 2, 2001, from 6:00 p.m. until 7:30 p.m.

Report cards will come out Oct. 3
No school Friday, September 28.

7th Grade Lockney Football Report

The Shorthorns traveled to New Deal last Thursday and came up short 24-8.

The Lions jumped out to a 16-0 lead at the half. The Shorthorns only score came in the fourth quarter on a 8-yard touchdown pass from Wes Davis to D.J. Rosales. Jon Sherman added the

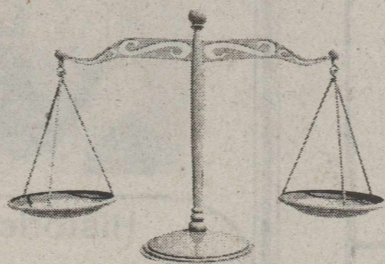

two-point conversion.

The leading rusher for the Shorthorns was Jon Sherman. Jon ran the ball tough and picked up a lot of hard earned yards.

The Shorthorns will play today at 5:00 in Lockney against the Slaton Tigers.

COMMENDED STUDENT--(left) Elizabeth O'Connell and Counselor Patsy Ulmer (right) look over a Letter of Commendation from the National Merit Scholarship Program in which Elizabeth is recognized for placing in the top 5% of more than 1 million students who entered the 2002 competition of the Preliminary SAT/National Merit Scholarship Qualifying Test.

O'Connell of Lockney named Commended student in 2002

Elizabeth O'Connell of Lockney, has been named a Commended Student in the 2002 National Merit Scholarship Program.

A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program was given to Elizabeth by Lockney High School Principal James Poole.

Being recognized for their exceptional academic promise are a total of about 34,000 Commended Students throughout the nation. Although they will not continue in the 2002 competition for Merit Scholarship awards, Commended Students placed among the top five percent of more than one million students who entered the 2002

competition by taking the 2000 Preliminary SAT/National Merit Scholarship Qualifying Test.

"The young men and women named Commended Students have demonstrated outstanding academic potential by their performance in our very competitive Merit Program," commented a spokesperson for National Merit Scholarship Corporation. "In a nation that values excellence, it is important to publicly honor scholastically talented youth and acknowledge the role schools play in nurturing their development. We hope this recognition will augment the educational opportunities of Commended Students and encourage all students to strive to realize their potential."

Floydada Whirlwinds edge Wolverines in 20-19 thriller

By: Bill Gray

After winning only once last year, the Floydada Whirlwinds continued their amazing turnaround by edging Springlake-Earth 20-19 at Wester Field last Friday night. It has been twelve years since the Whirlwinds have gone undefeated through their first four outings. However, extending their win streak wasn't easy. Several outstanding individual efforts figured in the nail-biting victory, but none had more impact on the final outcome than Brady Rainwater's interception of Wolverine quarterback Chance Furr's pass, in the final 11 seconds, or Tyler Helms' second of two field goals (which would provide the winning margin).

Once again, Floydada's storming defense produced the first score. On the Wolverines' fifth play from the Floydada 46-yard line, Morgan Tijerina led a fierce defensive charge - resulting in a 5-yard loss and a fumble. Anthony Suarez scooped up the loose pigskin at his own 49 and cruised all the way to the Springlake end zone. Helms added the all-important conversion - only 2:43 had elapsed off the first-quarter clock.

Following the ensuing kickoff, the Whirlwind defense held the visitors to 3-and-out, forcing a short punt. On Floydada's first offensive play of the game, Rainwater hauled in a Helms' aerial (after it was deflected off a Wolverine defender's outstretched hand). Brady broke into the clear and galloped for the 64-yard pass-and-run touchdown. The 'Winds seemed to be in total control at this point, but Wolverine quarterback Chance Furr quickly responded.

The talented Springlake senior directed a 9-play, 74-yard drive which was capped by Daniel Ibarra's 6-yard rush for a score. Ricky Ibarra booted the conversion and the Wolverines were right back in the thick of things. The Whirlwinds almost broke open the game on the kickoff. Andrew Arvizu fielded the ball at the 18-yard line and streaked to a would-be touchdown. However, an official's flag near mid-field (with Andrew already down field at the 25-yard line) signaled an illegal block, which nullified the score.

The Whirlwinds mounted a 73-yard drive, which took over 6 minutes off the clock, and culminated in a Tyler Helms field goal from 25 yards. However, once again Furr directed a long scoring drive just before halftime. Furr passed to Ricky Ibarra, from 7 yards out, to bring the Wolverines to within four. Springlake was penalized five

yards, while lining up for the conversion attempt, possibly leading to their missed extra point in the final 11 seconds of the first half.

Floydada coach Lee Hurt commented, "We jumped out to that quick 14-0 lead and I guess our kids thought it was going to be a cakewalk...and had a mental let-down. At halftime it was brought out that Springlake-Earth wasn't just going to roll over for us."

The Whirlwinds' opening drive of the third period resulted in their only turnover of the evening as Guthry Edwards recovered an errant pitch to give the Wolverines possession in Floydada territory. However, the visitors were again held to three-and-out. Following a Springlake punt, the Whirlwinds were pinned deep in their own territory at the 11. Good runs by Dustin Covington, T.J. Fuller and Andrew Arvizu, coupled with a 15-yard pass from Helms to Rainwater for a key first down, took over 5 1/2 minutes off the third-quarter clock.

Floydada's drive stalled at the Springlake 9-yard line, but the Whirlwind kicking game came to the forefront. A perfect snap by Chase Mitchell and an equally-perfect hold by Covington resulted in Helms booming a 30-yard field goal to cap the 11-play, 80-yard drive.

Trailing 20-13, the Wolverines opened the final period with a scoring drive, with Furr carrying the final 8 yards. Anthony Suarez crashed through to block the extra point and Floydada was still up 20-19 with over 8 minutes left to play. The 'Winds managed one first down in the following drive in an attempt to eat up some time, but were forced to punt. Helms' 47-yard punt pushed Springlake back to their own 12. Furr had runs of 14 and 11 yards, respectively, but a massive rush caused a fumble, with Chris Wickware recovering to give possession back to Floydada. The Whirlwinds failed to take advantage of the miscue and gave the ball up on downs at the Springlake-Earth 15-yard line.

With two minutes remaining and trailing by a single point, Chance Furr displayed why he is one of the better Class A quarterbacks in the state. He connected on passes of 14, 13, 11, 7 and 18 yards, hitting his receivers as they used the sidelines with no timeouts. The Springlake comeback attempt was stopped at the Floydada 19-yard line with Rainwater's interception. Helms went to one knee on the final play to preserve the hard-fought cliff-hanger.

7th Grade Breezers stomp the Abernathy Antelopes 28-0

Coach Ayala

The 7th Grade Breezers played host to the 7th Grade Abernathy Antelopes last Thursday, September 20th and came away with a huge win by a score of 28-0.

The Breezers started out kicking the ball off to the Antelopes. The defense held them to 4 downs and forced the ball over on downs.

On the first play from scrimmage, Paul Marmalejo ran the ball for a tough 14-yard gain and for the first of many first downs for the night. On the second play from scrimmage, Douglas Williams swept around the right end following a wall of Breezer blockers resulting in a 42-yard gain to the Antelopes 4 yard line. This set up a quarterback (Tate Jones) sneak for the first score of the night. The extra point failed.

The defense was tough all night with great swarm play inside by Raymond Gutierrez, Shannon Bolton, Ryan Monreal and Justin Chavarria. The Antelopes offense produced few positive yards from the middle.

The Antelopes tried to hit outside sweeps and counter sweeps with better results. But the Breezers gave up no scores. Great force play and containment from Brandon Rainwater, Tate Jones and Paul Marmalejo.

Floydada defensive coordinator David Kennedy said, "Winning the close ones is the sign of a champion. We couldn't be prouder of these kids...we really got a great effort. Once again we had a defensive touchdown...that's a credit to our kids and all their hard work."

Coach Hurt added, "We're awfully pleased to be 4-0! The non-district games are our first season...the district games are our second season. Our goal is to win the district championship, but we're still going to take it one game at a time."

Friona fell to highly-regarded and state-ranked Class 3A Muleshoe 42-24 last week. Springlake-Earth will close out its non-district portion of its schedule this week by hosting the Idalou Wildcats of District 4-2A. The Wildcats blanked Seagraves 12-0 a week ago.

Bill's Notes: The Whirlwind offensive line was bolstered this week with the addition of sophomore D.J. Summers at left tackle. D.J., Frank Hernandez, Chase Mitchell, Bryce Bowley and Jacob Morales all were big contributors this week, as most have been since the season-opener. An option offense like Floydada's requires a lot of discipline in the trenches...they are doing a good job of opening holes as well as providing good pass protection. Chase is also doing a great job on deep snaps for punts and conversions/field goals. Summers isn't the only sophomore performing well. Gerald Henderson, Chris Wickware, Ross Bennett and Morgan Tijerina are all getting quality playing time and making solid hands. Defensive plays of the game: Anthony's 51-yard fumble return for a TD, his block of the extra point and Brady's game-sealing interception (hard to pick which one was the most important). Offensive plays of the game: Brady's "immaculate reception" 64-yard TD toss from Helms; Tyler's 30-yard, 3rd quarter field goal (again, hard to pick which one was the most important...probably the FG because it proved to be the game-winner).

Floydada	14	3	3	0	- 20
Springlake-Earth	7	6	0	6	- 19

6-35	Penalties-Yards 4-2
133	Return Yards 83
22:43	Possession Time 25:17

The Antelopes then turned to the air, but found great coverage by the likes of Arthur Castillo, Raymond Everett and Douglas Williams. The defense really played as a unit and played good hard football.

The next score came from a 96-yard sprint from Paul Marmalejo. The 2 point conversion run by Shannon Bolton was good. The first half ended Breezers 14 - Antelopes 0.

The second half started out with the Antelopes kicking to the Breezers. On the first play from scrimmage, Shannon Bolton bolted for a 60-yard touchdown score. Tate Jones threw to Tell Fuller for the 2 point conversion. This resulted in the score being Breezers 22 - Antelopes 0.

The Breezers last score came on the last play in the game with a 12-yard dash by Paul Marmalejo. The game ended with the a score of Breezers - 28 and Antelopes - 0.

Coach Hurt, Coach Kennedy and Coach Stovall did a great job getting the Breezers ready to play. We are very proud of our 7th grade Breezers.

They travel to Friona on Thursday, September 27. Game starts at 5:00 p.m.

7th Grade Breezers Season Record: 3-0.

Make your way to Friona and cheer for our undefeated "WHIRLWINDS" as they beat the Chieftains Friday at 7:30 p.m. Wear your green and white!!!

An all-school pep rally will be held at Wester Field Friday at 2:00 p.m. GO MEAN GREEN!!!

Coronado, Fulton and Durrett win football contest

In the fourth week of our football contest, the game between Stamford and Southern California was not counted due to our error. The game was not to be played until September 29.

This week we had two entries that missed 7 games. They were Ricky Coronado, Jr. of Floydada, and Pam Fulton of Lockney. The first tie-breaker between Lockney and New Deal was used. Coronado chose New Deal to win, while Fulton chose Lockney to win.

Ricky Coronado will be receiving the first place check of \$25. Pam Fulton will be receiving the second place check of \$15.

For third place, there were three entries that missed 8 games. They were Mike Durrett of Lubbock, Kelly Dunbar and Joe Don Elam, both of Lockney. The first tie-breaker again came into play and Durrett chose New Deal to win over Lockney, so he garners the third place check of \$10. Dunbar and Elam both picked Lockney to win.

Honorable mention goes to Kelly Dunbar and Joe Don Elam for only missing 8 games and to Ofelia Pesina of Floydada for only missing 9 games.

We had 41 entries total. There were 5 entries missing 10 games; 6 missing 11 games; 11 missing 12 games; 6 missing 13; 3 missing 14; 3 missing 15; and 1 missing 16 games.

Please be sure and mark ALL games on the entry form and circle the winning team in the tie-breakers. Also, we DO NOT accept faxed entries, nor mailed entries, nor photocopied entries. They WILL BE DISQUALIFIED from the contest.

Breezers lose hard game to Wolverines 20-14

By Coach Ayala

The 8th Grade Breezers traveled to Springlake-Earth on September 20th to take on the 8th Grade Wolverines.

The Breezers started out driving the ball to mid field on the opening drive. We were faced with a 4th down and a long four when Trey Helms was hit from the blind side and coughed up the ball. Springlake picked the ball up and scampered to the 7-yard line.

The defense held them to 4th down and two and gave up a quarterback sneak. The Breezers stopped the extra point.

On the next possession the Breezers drove the ball down the field with a 17-play drive capping off a 69-yard drive with Lionell Garza taking it in for the score. The extra point was stopped.

The Wolverines started the second quarter with a big quarterback keep around the end for a 62-yard score. The extra point was good, making the score Springlake-Earth 14 - Floydada Breezers 6.

The Breezers were then stopped on a 11 play drive and turned the ball over

No drugs are good!

FJHS Cross Country team runs at Plainview

The Floydada Jr. High School Cross Country Team traveled to Plainview on Saturday, September 8 to compete in the annual meet held at Kidsville Park. Results are as follows:

8th Grade Girls: Jesalyn Bradley, 16:57; Christina Cervantes, 20:48; Kendra Covington, 18:39; Stacey Griggs, 22:13; Reagan Heflin, 15:46; Jenny Hernandez, 17:45; Lindsey Leatherman, 18:28; Cynthia Martinez, 16:22; Tania Pesina, 17:56; Marla Reeves, 20:53 and Jackee Wickware, 17:49.

7th Grade Girls: Britnee Brotherton, 16:28; Joann Caballero, 19:13; Katie Beth Crossland, 29:04; Adriana Delafuente, 28:02; Claudette Garcia, 25:32; Kimberly Garza, 27:39; Helen Gutierrez, 21:16; Alma Hernandez, 21:29; Kayla Kelley, 19:45; Janet Leal, 21:17; Tana Lloyd, 19:49; Kayla Luna, 22:09; Kimberly Luna, 25:32; Keyla Pesina, 18:28 and Kelsey Ross, 18:38.

Boys: Chris Reyes, 12:13; Nick Espinoza, 12:55; Raymond Everett,

FHS 9th Grade Whirlwinds blast Frenship Tigers 30-8

By Coach Trevino

The 9th Grade Whirlwinds hosted the 9th Grade Frenship Tigers last Thursday, September 20, 2001.

The first quarter involed a defensive effort by both teams resulting in a 0-0 tie. Frenship had the ball inside the Floydad 20 two times, but both times the Whirlwind defense held.

In the second quarter, the Frenship scored first on a safety to make the score 2-0 only minutes into the second quarter. Floydada got their offense rolling when Jerry Santos rumbled in from 43-yards out. Justin Martinez ran in the 2 point conversion to make the score 8-2. On the ensuing kickoff, Frenship ran the ball back 82-yards for a touchdown to make the score 8-8 at halftime.

The second half belonged to the Whirlwinds. Justin Martinez tackled the Frenship quarterback in the

FHS Cross-Country Teams run at Olton Cross County Meet

By Coach Brattain

The Floydada Varsity Cross-Country Varsity Girls, Varsity Boys and J.V. Girls traveled to Olton on Saturday, September 22, 2001 to compete in the Olton Cross-Country Meet.

Jenna Payne ran well and claimed first place with a time of 13:11. Tara Williams ran a 13:48 and garnered 14th place and Katy Gooch ran a time of 14:84 for 37th place.

Other team members running were Edna Oliveras with a time of 15:17; Jessica Castaneda with a time of 17:40 and Kayla Stovall with a time of 17:47.

Rocky Reyes ran well to claim second place with a time of 16:47. Johnny Ralph turned in time of 19:02 for 29th place with Anthony Alaniz running a time of 19:07 for 30th place. Other team members were Tyler Battey with a time of 20:36; Andrew Cavazos with a time of 24:38 and David Garcia with a time of 25:43.

Junior varsity girls competing were Dulce Foster - 16:52; Jessie Horn - 17:19; Anna Valadez - 17:37; Jessica Garza - 17:40.

On Saturday, September 15 the team traveled to Abernathy for the second meet of the year. Results are as follows:

8th Grade Girls: Jesalyn Bradley, 18:26; Christina Cervantes, 20:53; Kendra Covington, 19:07; Reagan Heflin, 15:36; Jenny Hernandez, 17:52; Lindsey Leatherman, 18:14; Tania Pesina, 17:58; Marla Reeves, 21:58 and Jackee Wickware, 20:05.

7th Grade Girls: Britnee Brotherton, time not available; Joann Caballero, time not available; Stephanie Carrasco, 25:04; Katie Beth Crossland, 26:43; Ana Maria Coss, 24:37; Helen Gutierrez, 19:33; Alma Hernandez, 20:55; Kayla Kelley, 21:49; Janet Leal, 20:20; Tana Lloyd, 20:31; Kayla Luna, 20:50; Kimberly Luna, 22:17; Morgan Marble, 22:36; Keyla Pesina, 17:54; Sandra Rendon, 17:21 and Kelsey Ross, 19:00.

Boys: Chris Reyes, 12:44; Nick Espinoza, 13:53; Justin Vargas, 14:04 and Douglas Williams, 15:05.

endzone in the 3rd quarter to make the score 10-8. Jerry Santos then returned the kickoff 63 yards for a touchdown to make the score 16-8.

In the fourth quarter, Luke Miller led the offense down the field and darted through the endzone from 10-yards out. On the two point conversion, Luke Miller found Ty Heflin open in the back of the endzone to make the score 24-8. Later in the quarter, Jerry Santos had a 22-yard touchdown run to seal the victory for the Winds. The final score was Floydada 30 - Frenship 8.

Several players stepped up their play to put forth a great defensive effort. The win improves the Floydada 9th to 3-1 on the season. We have an open week this week, but we will combine most of our players with the J.V. and will battle Friona's J.V. this week at home.

Floydada School Menu

October 1 - 5

Monday:

Breakfast - Cereal, graham crackers, cinnamon rolls, yogurt, milk, juice

FUNDRAISING FOR NEW YORK VICTIMS--The volunteers and employees of Floydada EMS, Floydada Fire Department, Floydada Police Department, and Floyd County Sheriff's Deputies hit the streets on foot last week to collect donations from citizens for the "fallen public servants of New York". Money was collected at intersections on Hwy. 70. The following people thank the citizens for their donations: Rhonda Guthrie, Quetha Graves, Paul Raisse, Janis McMurrian, Shane Derryberry, Earnest Back, Katrina Gooch, Mike Anderson, Corey Johnston, Chad Guthrie, Robby Green, Randell Sims, Gary Brown, Tali Green, Ricky Hughes, Ruben Ramon, Carroll Sims, Robert Angeloff, Craig DuBois, Jerry Galloway, Bryan Emert, Randa Roberson, Emily George, Billy Marquis, Chad Green. Total donations received were \$3,410. **Staff Photo**

Council discusses economic development

Continued From Page 1

more than just a service retail.

"Also, we need to increase tourism with our museum and the Coronado dig site. They say people who do heritage tourism are an educated group that plan to attend your events through the web sites," Williams concluded.

Abel Cortinas, the new Executive Director of the Floydada Housing Authority, gave a report to the council.

Cortinas said, "One of our accounts is the Duncan Apartments by the school. There are 18 units and 6 buildings. Right now we are in the process of taking ownership from Floydada Economic Development Corporation. Hopefully the remodeling will begin around February or March, 2002. It will cost about \$300,000 and will take 8 to 10 months.

"Another account is Public Housing. We have 6 different sites around town and 58 units. Right now we have two and three bedroom apartments available and accessible for the handicapped.

"Another one is Section 8, which the government allows us to have 140 vouchers. If you have an house and you want to put it into HUD, and if it passes all the specifications, then HUD pays half the rent and person renting pays the other half. This is all based on the person's income," Cortinas continued.

"The next account is the Farm Labor camp. We have 13 buildings with 6 rooms in each. Right now we have 5 of the buildings that are occupied, or about 25 to 30 rooms. Out of the 78 rooms, 45 need to be re-gutted and redone. Any remodeling is at least two to three years down the road before they will even start," Cortinas said.

Schacht asked, "Would it be possible to put a fence all the way around it (the camp) and close the whole camp, or do you have to leave it open?"

Cortinas replied, "One section of fence is knocked down and I don't know how badly it is damaged. Everything else is enclosed."

Cortinas said, "In 1998 the camp was fully occupied. In 1999, it was less than one-half occupied. In 2000, it was less, and in 2001 a few come and go, and they stay from three to five weeks for the pumpkin harvest. Our upkeep is better now, but it does take 2 to 5 days to clean up and rent it again. But we are operating in the red at the Farm Labor camp."

Nielson responded, "I took pictures of the labor camp today. I am not happy at the way it looked. There were windows broken, fences down, trash everywhere, and roofs that needed repairs. How can those people live in this? And how can they wait five years to fix this place up? What will it look like in five years?"

"I will admit, and give you credit, that the Labor Camp looked better today than I have ever seen it, but we have a long way to go. My question is, why spend five million dollars, or a million, or 100 dollars out there, put it somewhere in the rest of these," Nielson concluded.

Cortinas concluded, "I don't have an answer for you. The U.S.D.A. is over the Labor Camp and the Duncan Apartments, while HUD is over the others."

In another matter, Councilmember Bettye King made the motion to re-appoint the following citizens to continue serving on the different boards of the City of Floydada, with two citizens being newly appointed.

Those reappointed to two year terms were: Airport Board - Chairman Bill Harbin, Mark Lee, and newly appointed Kendis Julian; Planning and Zoning Commission - Glenda Wilson, Kyle Smith, and Mike Muniz; Floyd County Central Appraisal District - Sam Green; Housing Authority of Floydada - President Jimmy Cervantes and Langston Williams; and Floydada Economic Development Board - Hulon Carthel, Laura Farris, Shirley Jackson, and newly appointed Adolfo Garcia.

Without voting on the matter, the councilmembers were in agreement in their discussion not to respond to a request by Dale Goen to bulldoze and tear down a house located at 614 W. Kentucky.

Councilmember Ruben Barrientoz made a motion to accept the \$265 bid by Cruz H. Zavala, 311 W. Ross, to buy from the City Lot 9, Block 58, Original Town. It was seconded by Councilmember Clar Schacht. The motion passed 4 to 2. Those voting in favor of the motion were Barrientoz, Sue, Schacht, and Cornelius. Those against it were King and Nielson.

The council unanimously passed a motion made by Barrientoz to participate in the state's newly passed bill affecting those local and state members of the Texas Municipal Retirement System (TMRS) giving all employees full vesting after five years of service starting January, 2002. The motion was seconded by Nielson.

This new five year vesting provision will make City or State employees, participating in the TMRS, eligible to retire with TMRS benefits at the age of 60 after five years of service.

Dr. Craig shares travels with photographs

Continued From Page 1

"Several hundred people would be treated on each one of these trips."

"Just last year we were in Tuxtla Gutierrez, Chiapas. We went to the governor's office and tried to give one of my dental offices to the Locdons. We are still working on this."

Concerning the revolution going on in Chiapas today, Dr. Craig said, "They are going to have problems as long as those Indians are starving. And they will be starving as long as they are there."

"The missionary family, the Baers (of the WBT), sponsored us there. They went to the Lacondon Indians in 1943 and have been there with these Indians for 58 years. Fifty of those years they lived with these Indians and furnished them medicine in exchange for housing and food. They (the Baers) gave the Lacondons a written language, which they did not have prior to that time. Also, these Indians gave up their practice of polygamy as they were converted," Dr. Craig concluded. Some of the local people that have

gone on trips with Dr. Craig have been: Dr. Jack Jordan (35 trips), Louis Lloyd (27 trips), Jimmy Cervantes (8 trips), L.B. Stewart (5 trips), Bill Brown, Rick Jordan, and Dr. Tommy Bonds of Muleshoe. Others who traveled with Dr. Craig, but are now deceased, were: Doodle Milton, Jerry Thompson, Dr. Guthrie, Bob Copeland, Jack McIntosh (25 trips), Kender Farris (who helped retrieve a plane), Pastor Wright, Richard Thomas, and Randall Jones.

Lockney ISD Parent Advisory Council to meet Tuesday, October 2, 7:30 p.m.

The Lockney ISD Parent Advisory Council will be meeting on Tuesday, October 2, 2001 at 7:30 p.m. at the Lockney Elementary Cafetorium.

The Parent Advisory Council cordially invite all the parents of students that participate in the Title I Migrant Program, and Title I Reading to attend this very important meeting. All other parents are always welcome to attend.

One important item that will be discussed will be the Parent Conference,

founded by the Lubbock County Partners for Parenting Coalition, which will be held on Thursday, November 1, 2001 at the Armed Forces Guard Reserve Center at Lubbock from 8 a.m. to 4 p.m. Lockney ISD will provide transportation and pay for the cost of registration and meal for anyone interested in attending. Registration forms will be available at the meeting, but you may sign up any time before with Mr. Cotham at the elementary campus or with Mrs. Arellano at

the Jr. High campus. It is of great importance that parents become involved in their children's education, for research indicates that parental involvement leads to improved student achievement. Lockney ISD wants to ensure parent participation in the Title I federal programs and in the educational progress of their children. After the meeting refreshments will be served and door prizes will be given to the lucky winners.

Lockney Elementary kids' poems

Heroes
By Mason Elam
4th grade - Lockney Elementary
2001
When the heroes got there
They were scared but brave
For their families and friends
Lay in a huge grave
The rescuers rushed in
To do what they could
For in the rubble
Lay part of their brotherhood

The Devastating Crashes
By Katie Bice
4th grade - Lockney Elementary
2001
Families were torn apart,
Hearts are filled with ache,
Now a simple little tart
Could not fix a child's tummyache
People were injured,
Killed and suicidal,
Some gave up
Some turned to idols

With a little black box
As our only clue
Are we still in danger?
Will there be only two?
Rescue workers, fireman and
national guard,
Are working hard to clean up the
area, black and charred
This is a hard time for America,
freedom land
But our spirit is strong so we will
still stand.

FLOYD COUNTY AG TOUR HELD—Forty one Floyd County Producers attended the fourth annual Floyd County Ag Tour held September 19. Three stops were featured at this year's tour. Guar production, Mesquite Control and Cotton Varieties / harvest aides along with an insect update were topics presented on the tour stops. Pictured here is Dr. Calvin Trostle, TAEX Agronomist addressing the group on guar production and other alternative crops at the Steve Lloyd Farm. Staff Photo

TEXAS AGRICULTURAL EXTENSION SERVICE

IPM Update By Steve Davis, Extension Agent-IPM

It seems that the fall season is the worst time for house flies and other flying pests around the house and barn areas. Flies tend to congregate in areas of warmth to seek shelter for overwintering. The problem may be somewhat reduced this year with the inception of the Boll Weevil Eradication diapause treatment program. However, aerial applicators are aware of the sensitive nature of dwellings, whether they are houses or barns, and will not likely treat close enough to those areas to noticeably reduce pest populations. Therefore it becomes the homeowners/land owners responsibility to control these pests.

The house fly is suspected of reducing weight gains and feed efficiency in livestock. They can be a great nuisance to agricultural workers and domestic animals as well as surrounding neighborhoods, especially in areas where stable flies and blow flies are also common species. Pesticides alone will not control flies but certain cultural practices must be employed

in conjunction. Sanitary practices that eliminate breeding habitats such as the spreading of manure, regular cleaning and prevention of waste accumulation, and regular removal of spilled feed or rotting vegetation are necessary. Spreading manure thinly in fields will cause drying out of fly eggs and larvae thereby significantly reducing the overall population. Several labeled pesticides can be used on manure piles to prevent maggot development.

Pesticides in spray or bait forms may be used to control adult flies in livestock barns or poultry houses, however applicators must always read and follow label directions and must use extreme caution to prevent contamination of feed, utensils, drinking water or milking equipment with any and all pesticides. **ALWAYS READ AND FOLLOW LABEL DIRECTIONS!!!** Texas Cooperative Extension publication B-1306,4-00 (Managing External Parasites of Texas Livestock and Poultry) is helpful in description of pests, management

strategies and calibration schemes for differing types of pesticide application strategies. However, with new registrations and use/product cancellations, most pesticide recommendations are out of date.

Dr. Carl Patrick, Professor and Extension Entomologist, recommends the use of Ravap as a resting site treatment incorporating good knockdown with little residual. Sides of buildings, fences and tall weeds on the outside and inside ceilings and walls of barns and sheds are appropriate targets. Baits can also be helpful where house flies are the predominant species. Bait materials should be placed in shallow trays and placed where flies congregate, but being careful not to place baits in areas where children, birds and other non-target species may come in contact. Golden Malrin, Apache or Blue Streak are some suggested baits. "Sticky" tapes and various types of fly traps hung where flies rest will help reduce fly numbers.

USDA's vision for farm policy discussed

By: Shawn Wade

This week's release of USDA's vision for future U.S. farm policy overlooks the harsh reality facing a financially stressed industry.

The much-anticipated document does little but put forth policy generalizations that do little to ease the minds of a hurting U.S. Agriculture industry.

The reception of the USDA document among producers, commodity and allied industry organizations is best described as cool. USDA's only real support has come from environmental groups. These are the same groups who have long fought against direct agriculture support they feel takes money away from their own causes.

These groups no doubt feel the USDA paper gives them another shot at diverting money to fund their own causes.

How the process will play out remains unclear at this time. For Plains Cotton Growers, however, the path to follow is clearly marked and focused on the goal of providing broad protection for producers through a combination of program elements.

Fortunately, and unlike the USDA process, the House Agriculture Committee has taken the time to actually ask PCG and the rest of the agriculture industry what its needs are and what challenges must be conquered in order to maintain a viable, internationally competitive U.S. agriculture industry.

That work has been refined into the Food Security Act of 2001, HR 2646, and provides a broad ranging set of program elements and enhancements to current programs.

Current thinking is that, instead of being abandoned in lieu of emergency national security considerations, HR 2646 will indeed be acted on.

Those same observers also feel that there is still a good chance that Senate action could provide a new Farm program effective for the 2002 crop.

In the event that the Senate fails to provide its own Farm Bill in time to be implemented for the 2002 crop year, PCG has already noted the importance of protecting the additional \$7+ Billion earmarked for Agriculture in FY2002.

PCG has been communicating the serious nature of the current situation,

both in terms of needed 2002 economic assistance in light of ongoing market conditions worldwide, as well as the building need for a 2001 Crop Loss Assistance program identical to the program initiated for the 2000 crop.

Any 2001 CLA program must contain not only assistance for growers who suffered severe physical losses, but also includes the Quality loss component that is proving to be a lifesaver for growers who suffered significant quality losses in 2000.

The days ahead will no doubt provide a number of twists, turns and unexpected outcomes as the effort to plot a course for U.S. agriculture policy gets back on track.

Our challenge is to maintain a clear focus on the items that are most important to agriculture as a whole. That includes continued work to ensure passage of HR 2646 and a comparable Senate bill, development of a 2001 disaster assistance package and, if necessary, making sure that additional FY2002 funds earmarked for Agriculture is spent on 2002 supplemental economic assistance.

County 4-Hers top West Texas Fair

A total of 10 Floyd County 4-Hers exhibited steers, heifers and swine at the West Texas Fair, September 7-9 and 13-15 in Abilene. The heifer show was held September 9 with the following results.

Senee' Foster received 1st and Division Champion Chianina - Other Breeds along with a 2nd place win as well. Segayle Foster won a 1st with her Angus heifer. Addie Foster took home another class winning 1st place

honor. Will Foster received a 1st as his heifer went on and was named Reserve Breed Champion.

Steers and swine were held on September 15. Swine show results were: Brady Ragland who received Reserve Breed Champion Duroc, 4th Hvy York and 4th Hvy Cross.

Steer show results were: Mason Lipham 5th Hvy Wt. Shorthorn and 1st Md. Wt. Maine; Brady Ragland 3rd Lt. Wt. Hereford and 1st Lt. Wt.

Polled Hereford; Jurahee Jones 5th Hvy Wt. ABC; Tate Jones 3rd Lt. Wt. Maine; Taylor Beedy 3rd Hvy. Wt. Simmental; Scott Nixon took a 2nd place Lt. Md. Wt. Shorthorn and Reserve Breed Champion Simmental. Scott also was named showmanship winner and was awarded a showmanship belt buckle.

Once again, Floyd County was well represented and congratulations to all these exhibitors.

Beef producers comments requested

Texas Farmers Union (TFU) is encouraging agriculture producers and consumers to offer feedback to the U.S. Department of Agriculture Food Safety and Inspection Service (FSIS) on labeling of U.S. meat products.

Through October 9, FSIS is accepting public comments concerning the voluntary labeling of U.S. cattle and fresh beef products. TFU sent a letter earlier this month supporting mandatory labeling of beef born, raised, slaughtered and processed in the United States.

Current regulations allow voluntary labeling of fresh beef products using terms such as "USA" and "Fresh American Beef" on products derived from cattle born, raised, slaughtered

and processed in the United States. However, a petition has been filed to allow "Made in the USA" labeling on beef products from imported cattle that are then raised and fed a minimum of 100 days and processed in the United States.

We strongly support the current definition of U.S. beef coming from cattle born, raised, slaughtered and processed in the United States," said TFU President Wes Sims. "All other definitions of U.S. beef would be misleading to consumers and disingenuous to U.S. producers.

"We deserve the right to know where their food comes from," Sims continued. "We buy clothes, cars, toys and other manufactured goods that bear the country-of-origin label, and yet there is no requirement for coun-

try -of origin labels for the food we feed to our families. As a matter of choice, many consumers may wish to purchase meat from animals born and raised under strict U.S. standards."

According to Sims, food labeling can be a valuable marketing tool to help promote products and to allow producers to better compete in the marketplace.

"Our nation has an international reputation for growing and producing high quality beef," Sims said. "A definition other than 'born, raised, slaughtered and processed' diminishes the integrity of the U.S. livestock industry."

For more information, contact Sims at 254-776-4700, or visit www.texasfarmersunion.org for a sample letter.

Precipitation Enhancement program ended its 5th year

Area residents are reminded that the regional precipitation enhancement program ended its fifth operating season at 12:01 a.m. on September 15. Cloud seeding activities within the target area will not resume until the start of the 2002 program.

The 2001 precipitation enhancement program began April 1 within a multi-county target area which includes Bailey, Castro, Cochran, Gaines, Hale, Hockley, Lamb, Lubbock, Lynn, Parmer, Terry, and Yoakum Counties plus portions of Armstrong, Crosby, Deaf Smith, Floyd, Potter, and Randall Counties. In addition, precipitation enhancement operations were also conducted in Lea and Roosevelt Counties of New Mexico.

Precipitation enhancement, or cloud seeding, is an attempt to stimulate clouds to generate more rainfall than they would otherwise through the introduction of a seeding agent, such as silver iodide. The silver iodide provides clouds with additional condensation nuclei for moisture droplets inside the cloud.

From the radar site at Littlefield Municipal Airport, project meteorologist David Beer monitored weather conditions during the six-month project. When developing thunderstorms showed optimum conditions, Beer directed pilots stationed at Levelland, Lubbock, and Plains to conduct cloud seeding operations either at the top or base of the cloud. When top seeding, pilots fly their specially-equipped Cessna 340 aircraft above the cloud and eject burning silver iodide flares into the updraft. When base seeding, the pilots use burn-in-place flares on the trailing edge of the aircraft wings to distribute silver iodide smoke into the updraft.

"It is important to realize precipitation enhancement is not a magic pill," said Project Meteorologist David

Beer. "Normal climatic cycles of wet and dry periods will always prevail. As with the 'hit and miss' nature of convective thunderstorms, there will always be areas which will receive more or less rain than others. Cloud seeding does not 'change' the weather, but enhances the natural precipitation process and should be considered as a long term resource in an overall water management plan," he said.

Program sponsors include the High Plains Underground Water Conservation District, the Llano Estacado Underground Water Conservation District, the Sandy Land Underground Water Conservation District, the South Plains Underground Water Conservation District, and the Soil and Water Conservation Districts in Lea and Roosevelt Counties of New Mexico.

Each sponsor paid its pro-rata share of the fixed and reimbursable costs, based upon the total number of acres in the target area. Lea County was added late in the program and they were billed on a flight-hour basis. The State of Texas reimburses 50 percent of the operating costs within the Texas target area through the Texas Department of Agriculture and the Texas Department of Licensing and Regulations.

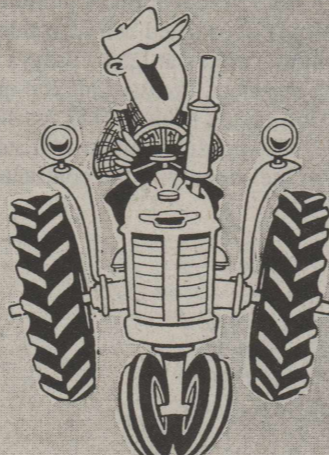

The precipitation enhancement program is one component of a total water management plan for the region. Increased precipitation has the potential of reducing irrigation pumpage; increasing crop yields; improving livestock grazing conditions; improving water quality; increasing runoff into reservoirs used for drinking water supplies, wildlife, and recreational purposes; and increasing natural recharge to the Ogallala Aquifer.

Data from the 2001 regional precipitation program and other related information is available online at www.hpwd.com.

You May Be A Cotton Farmer If:

- You convince your wife that an overnight, out-of-state, trip to pick up tractor parts is a vacation.
- You have a wardrobe of hats to wear to specific farm sales, auctions, field days and conventions.
- You've never thrown away a five gallon bucket.
- You can remember the fertilizer rate, seed population, herbicide rate and yields on a farm you leased more than 10 years ago, but cannot recall you wife's birthday.
- You've driven off the road while examining your neighbor's crop.

- Your dog rides in the truck more than your wife.
- Your family is quiet when the weather comes on.
- You've

had to wash off in the back yard with a garden hose before your wife would let you in.

- Over half your clothes are from seed and chem. dealers.
- You've used a tractor front-end loader as scaffolding to make roof repairs.

2000 QLP sign-up resumes

By: Shawn Wade

Sign-up for the 2000 CLA Quality Loss program, suspended earlier in the week due to a software glitch, has been restarted. Growers interested in participating should contact their County Farm Service Agency office to schedule an appointment.

The Quality Loss Program is designed to compensate growers for quality-induced losses that were incurred during the course of the 2000 growing season.

Obituaries

GENEVA ROSS

Services for Geneva Stovall Ross, 84, of Plainview were at 2 p.m. Friday, September 21, 2001 at First United Methodist Church Sanctuary with the Rev. Max Browning officiating.

Burial was in Plainview Cemetery under the direction of Lemons Funeral Home of Plainview.

She died Wednesday, September 19, 2001.

She was born June 4, 1917, in Cooke County. She married John Blanton Ross Sr. on September 26, 1936, in Amarillo. He died April 22, 1996. She graduated from Plainview High School in 1935. She and her husband farmed in the Happy Union, Irick and Bellview communities. She was a member of First United Methodist Church and the Hooten Dean Sunday School.

Survivors include four daughters, Carolyn Courtney of Plainview, Nancy Thompson of Winters, Linda Willmon of Perryton and Susan Dunavant of Floydada; a son, John M. of Plainview; three sisters, Ruth Dill of Rosston, and Lillie Plunk and Alma Miller, both of Amarillo; nine grandchildren; and 12 great-grandchildren.

WALTER TAYLOR

Funeral services for Walter Taylor, 81, of Quitaque will be held at 1:00 p.m. Thursday, September 27, 2001 at the First United Methodist Church in Quitaque. Reverend Jim Taylor of San Antonio will officiate and Reverend Don McMahan, pastor, will assist.

Burial will be in Gray Mule Cemetery under the direction of Myers-Long Funeral Directors of Quitaque. He was born on November 28, 1919 at home in Floyd County to the late James Walter and Fay Taylor. He graduated from Quitaque High School in 1938.

He married Coleen Rogers on June 8, 1947 in a ceremony at Palo Duro Canyon. He was a member of the Quitaque United Methodist Church. He served in the U.S. Navy during World War II as an Aviation Machinist Mate January 13, 1942 to December 11, 1945. The family bought a ranch in Floyd and Briscoe County in 1911 and he has ranched there all of his life. He has ranched in Motley County since 1959.

Survivors include his wife, Colleen Taylor; two sons and daughters-in-law, Walter Wayne and Kathy Taylor of Quitaque and Glen and Cissy Taylor of Tulia; two daughters and sons-in-law, Lynette and Phil Barefield of Quitaque and Jean and Fred Oglesby of Del Norte, Colorado; one brother, Ursel "Booger" Taylor of Floyd County; 8 grandchildren and 8 great-grandchildren.

Memorials may be made to the Memorial Fund at the Quitaque United Methodist Church.

LAURA WILKES

Services for Laura M. Wilkes, 94, of Austin were at 2 p.m. Monday, September 25, 2001 at Moore-Rose-White Memorial Chapel in Floydada with the Rev. Phillip Golden officiating.

Burial was in Floyd County Memorial Park under the direction of Moore-Rose-White Funeral Home of Floydada.

She died Wednesday, September 19, 2001.

She was born December 9, 1906, near Estacado and was a longtime resident of Floyd County until moving to Austin in 1990. She was a Christian and a member of First Baptist Church in Lockney.

Her husband, Barney B., preceded her in death.

Survivors include a daughter, Patty Jo of Austin; a son, Les of Austin; a brother, Jack Mayes of Crosbyton; a sister, Lilly Camden of Amarillo; two grandchildren; and one great-grandchild.

BETTY JEAN YEARY

Funeral services for Betty Jean Yeary, 74, of Floydada will be held at 10:00 a.m. Thursday, September 27, 2001 at the First Assembly of God in Floydada. Reverend Vance Mitchell, pastor, will officiate.

Burial will be in the Floyd County Memorial Park under the direction of Moore-Rose-White Funeral Home of Floydada.

Mrs. Yeary died Tuesday, September 25, 2001 at the Floydada Rehabilitation and Care Center.

She was born on March 19, 1927 in Floydada to the late Mr. Orb Beard and Mrs. Sarah Lackey Beard. She graduated from Floydada High School. She was a housewife, a lifetime resident of Floydada and a member of the First Assembly of God.

She was preceded in death by a daughter, Jacque Owen on May 4, 2000 and by two sisters.

Survivors include two sons, Max Yeary of Floydada and Rex Yeary of Quitaque; a daughter, Jennifer Yeary of Floydada; seven grandchildren and one great-grandchild.

The family suggests memorials to Hospice Hands of West Texas, Box 1118, Lockney, Texas 79241.

The Family of Virginia Martinez, wishes to express their thanks and appreciation for your prayers, calls, cards, food, floral arrangements, during the loss of our Mother. Words cannot express the kindness and thoughtfulness of our community.

A special thanks to the Floydada Rehabilitation Center Staff, Dr. Ahmad, the First Baptist Church and Reverend Lupe and Janie Rando for assisting us during this time.

God Bless You,

*Joe, Thelma, Lisa and Laci Martinez
Matty, Margie, Derek and Ashley Martinez
Sammy, Sandra, Josh and Jesalyn Bradley
Jesse, Janie, Justin, Jacob and Jodie Martinez
Edna Juarez and Andy Areballo
Sylvia and Amanda Arellano
Juan, Gloria, Letty, Rosa and Reyes Martinez
Mark and Stacy Arellano*

Many thanks for the assistance and prayers during my treatments. It made things much easier to do what I had to. Thanks again.

John & Louise Campbell

The Reflections of Love Organization (which is made up of community agencies, organizations, churches and individuals) would like to thank the following businesses, organizations, and individuals who assisted in donating for School Supplies Project 2001 for our schools. You can throughout the year contribute to our organization as we serve in different areas. Your donations are greatly appreciated.

First United Methodist Church*

Thank you,

The Reflections of Love Officers and Board Members

If you humble yourselves under the mighty hand of God, in his good time he will lift you up. Let him have all your worries and cares, for He is always thinking about you and watching everything that concerns you. Be careful-watch out for attacks from Satan, your great enemy. He prowls around like a hungry roaring lion, looking for some victim to tear apart. Stand firm when he attacks. Trust the Lord; and remember that other Christians all around the world are going through these sufferings too. After you have suffered a little while, our God, who is full of kindness through Christ, will give you his eternal glory. He personally will come and pick you up, and set you firmly in place, and make you stronger than ever.

1 Peter 5: 6-10

Please pray for those who those who have lost loved ones in the bombing and for the rescue and medical personnel.

PUBLIC NOTICE

NOTICE TO CONTRACTORS OF PROPOSED TEXAS HIGHWAY IMPROVEMENT CONTRACTS

Sealed proposals for highway improvement contracts will be received by the Texas Department of Transportation (TxDOT) until the date (s) shown below, and then publicly read.

CONSTRUCTION/MAINTENANCE CONTRACT (S)

District: Lubbock
Contract 6075-34-001 for INSTALL NEW DRAINAGE CULVERT in FLOYD County will be opened on October 17, 2001 at 10:00 a.m. at the District Office for an estimate of \$ 26,695.00.

Plans and specifications are available for inspection, along with bidding proposals, and applications for the TxDOT Prequalified Contractor's list, at the applicable State and/or District Offices listed below. Bidders must submit prequalification information to TxDOT at least 10 days prior to the bid date to be eligible to bid on a project. Prequalification materials may be requested from the State Office listed below. Plans for the above contract (s) are available from TxDOT's website at www.dot.state.tx.us and from reproduction companies at the expense of the contractor.

The Family Unity will hold a meeting on October 1, 2001 at 7:30 p.m. in the County Library.

LOCKNEY AA

Open meetings of Alcoholics Anonymous in Lockney will be Fridays, at 8 p.m., at Grace Fellowship Church, across from the hospital. If you are worried about your drinking, or someone else's, we understand, we care, and we want to help. Phone 652-3546 or 652-2280.

ALCOHOLICS ANONYMOUS

Alcoholics Anonymous and Al-Anons meet each Tuesday night in Floydada at 8:00 p.m. Anyone wanting the loving fellowship of men and women who can share their experience, strength and hope is welcome. Meetings are at 111 North Wall, a block north of the courthouse. Anyone interested can call 983-3635 or 652-3546.

LOCKNEY ATHLETIC BOOSTERS

Due to open date this weekend, there will be no Lockney Athletic Boosters next Monday. We will have our regularly scheduled meeting on Monday, October 8th. The Junior Class will be serving the meal prior to the meeting. The meal will be at 6:30 p.m. and the meeting will be at 7:00 p.m.

BLOOD PRESSURE CLINIC

A free blood pressure clinic is held in the community room of the First National Bank in Floydada every Tuesday from 9 a.m. to 11 a.m. Everyone is welcome.

Local Subscriptions \$18.00 per year

Punkin Days October 13th!

Our country and our leaders need your prayers.

PUBLIC NOTICE

NOTICE TO THE PUBLIC ON REDISTRICTING PROCESS AND PUBLIC HEARING

To: All Interested Parties and Citizens of Floyd County

The County of Floyd has contracted with South Plains Association of Governments (SPAG) to handle the Redistricting process in Floyd County. Redistricting involves the process of implementing a change in a voting standard, practice or procedure. As a result of the changes in population shifts and Census, the County is required to redraw their precinct boundaries to consider population shifts and most importantly to provide equal access to the electoral process to persons on account of race, color, language and minority status in accordance with the Voting Rights Act of 1965. The Floyd County Citizens Advisory Committee (CAC), a demographically representative committee tasked with providing community input on the redistricting process, met to discuss the boundaries developed by SPAG and to make their recommendations to the Commissioners' Court.

At this time, Floyd County invites citizens to view the proposed county precinct maps developed by SPAG and to provide any comments to Judge William D. Hardin or the County Commissioners of Floyd County. The maps will be available for review at the Floyd County Courthouse on workdays until Friday, October 5th from 8:00 a.m. until 5:00 p.m. **Further, a public hearing is scheduled on Friday, September 7th at 10:00 a.m. at the County Courthouse** to allow the public an opportunity to comment regarding the Redistricting process or the proposed boundaries. The proposed agenda for the meeting will include a general overview of SPAG, the role of SPAG, the role of the CAC, definition of preference, factors considered in developing precinct lines, and an overview of the proposed map.

All such comments will be considered by the Floyd County Commissioners' Court in a public meeting on October 8th at 10:00 a.m. at the County Courthouse. After the citizen participation process, the maps will be submitted to the Department of Justice (DOJ) for final approval.

9-27c

REQUESTS FOR PROPOSALS

The Commissioners' Court of Floyd County is requesting proposals for the following insurance coverage, which is scheduled to expire on October 15, 2001.

Property
General Liability
Auto Liability & Physical Damage
Public Officials Liability
Law Enforcement Liability
Workers Compensation

Underwriting data can be reviewed from existing files in the County Clerk's Office between the hours of 8:30 a.m. and 5:00 p.m., Monday through Friday.

Sealed proposals must be received in the County Judge's office, Floyd County Courthouse Room 105, Floydada, Texas 79235, by 10:00 a.m. on Monday, October 8, 2001. Proposals will be opened and considered at the regular meeting at 10:00 a.m. on October 8, 2001.

Proposers must use unit pricing for each type of coverage. Floyd County will pay annual premiums. No bid bond is required.

Floyd County reserves the right to accept or reject any or all proposals and/or negotiate items in proposals to best serve Floyd County's risk exposure needs and the right to waive all formalities.

**COMMISSIONERS' COURT, FLOYD COUNTY, TX.
BY: WILLIAM D. HARDIN, County Judge**

CONTEST RULES

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday will be accepted. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games equal scores on tie-breakers) prizes will be combined and shared by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at a Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries limited to one per person per week. Weekly winners are limited to one household.

Floyd County Hesperian-Beacon Football Contest Official Entry Form

Cut on the dotted line.

1	2	3	4	5	6	7	8	9	10	11	12	13	14
