# Veterans honored at dedication

The crowd filling Floydada's Missouri Street for the Veteran's Memorial dedication, November 11, was estimated at 3,000. The large crowd did not seem to

ruffle the calm exterior of Skyler Cornelius, the 17 year old youth who spearheaded the memorial project and emceed the ceremony. Registration for veterans was sched-

uled to begin at 12:00 noon, however eager visitors, arriving early, were signing in by 11:00 a.m.

Floydada and Lockney schools were dismissed and students were bussed to the dedication. Students numbered over 1,600 in the audience. Veterans had reserved seating, front and center. Visitors quickly filled the portable stands and then lined the street.

An Honor Guard from Altus Air Force Base opened the dedication with the Presentation of the Colors, and Lubbock Commissioner, and entertainer, Kenny Maines, led the crowd in "God Bless America".

Skyler Cornelius recapped how "it all began". He told of a local man, Jack Osborn, who is among 74 men listed on the monument who were killed in action. "I think about him because he was my age when he went to war," said Skyler. "What if half of us (high school students) were leaving on a plane in the morning to Iraq?"

"I think about Jack's emotions and thoughts when he left, they would probably be no different than ours--emotions of patriotism, of fear, of anxiety, thoughts about leaving your family, putting college on hold, and the unthinkable, what if I don't come back?"

Skyler challenged the audience to think about what freedom means to each individual. "Freedom is not free," said Skyler. "We must fight to preserve these freedoms at all costs. We all have a duty as Americans to preserve our freedoms. Whether praying for our government, or by exercising our voting power, or serving our nation in the armed forces....Four thousand and thirty-six men and women

from Floyd County have served you and their country."

Kenny Maines followed Skyler by singing "God Bless America". A spectacular flyover of T-38's from Sheppard Air Base followed remarks by Major General USAF (Ret) Robert Dempsey.

Texas Speaker of the House Pete Laney was the keynote speaker. "The spirit and cooperation that made this memorial possible serves as an example to all Americans and communities throughout our nation that amid our busy lives and our daily concerns we all can and should find the time and make the effort to honor our country's real heroes," said Laney.

"In a time when it seems that much of our culture is dominated by attention to celebrities like professional athletes, movie stars, and TV actors, today is a day that reminds us who the true heroes are. They were men and women just like us here....They recognized their duties to their country and their duty to those who had fought and died before them. A duty to protect our nation, protect our freedom, protect our way of life."

The Floydada and Lockney bands joined together to play a patriotic tribute to the veterans in attendance. When each military branch theme song was played, veterans who served in those branches stood in the audience.

The ribbon cutting and unveiling was performed by Floyd County veterans representing different branches and different conflicts.

A beautiful flag folding was then performed by the Altus AFB Color Guard and the flag was presented to

## Thank-You Veterans!

## BY THE WAY

By  
Alice Gilroy

I've lived in Floyd County now for almost 18 years and I've never covered an event that was so emotional, or special, for me as the unveiling of the Veteran's Memorial.

If you weren't moved by the ceremony then you have ice in your veins.

The committee for this ceremony had every "i" dotted, and every "t" crossed. It was perfect. That ceremony would easily measure up next to any Washington D.C. pageantry.

The presentation of the colors, the songs by Kenny Maines, the speeches, the unbelievable "flyover", the emotional "folding of the flag", and the moving echo of "Taps", will never be forgotten by anyone who attended the ceremony.

The weather started off cold and windy but warmed up and calmed down for the ceremony.

Julianne Cornelius said a friend had told her the weather forecast was 55 and windy. She said, "No, it is going to be 70 and calm". She prayed for it.

In fact, Julianne prayed continuously for the project. I saw her during the morning of the project, stopped with committee members, with heads bowed in prayer.

She said the morning of the dedication her husband woke up, rolled over, and said "the sweetest prayer over me". Before they left the house, the family joined together in prayer.

Sure enough the weather was cold and windy for setting up and registration. About 10-15 minutes before the ceremony, the sun came out and warmed up the audience. The wind blew just enough for a gentle waving of the flags. As soon as the hour long ceremony was over, the cold wind returned. If you don't think God had something to do with making the weather perfect then you're just missing out on the blessings around you.

The last minute preparations and

hard work by volunteers earned Julianne a new name--"Commander Cornelius". "They dubbed me Commander Cornelius," Julianne told me with a laugh. "I don't know if that is a good thing or a bad thing--at least they said it with a smile."

The project head, 17 year old Skyler Cornelius, conducted himself with maturity and grace. What a wonderful representation he is for the youth of this County. He acted like he had done a hundred of these dedications. I heard a few jokes about how he should be running for Senator or Representative. My own son said Skyler ought to run for Governor.

I feel inadequate trying to explain what happened at the dedication. There are no words to express the gratitude I feel toward the veterans, their families, and to the volunteers that made this possible. The tears flowing from family members and veterans best expressed the feelings of those who attended.

From our office we have a great view of the new memorial. Since the crowds cleared on Monday there has been a steady stream of visitors to the monument. There has not been a time that I have looked up and not seen someone reflecting on the names.

Thank-you veterans and volunteers for this wonderful memory.

The Floyd County 4-H has decided

to make a special video presentation of the event. The videos will be on sale soon and be a fund raiser for the local 4-H. If you filmed a video you could be a help to the project if you gave the 4-H a copy of your video. The best of all the videos will be put together into one. We will let everyone know as soon as they are available, and then you can have a historical keepsake of the event. Please get your videos to Melissa Long at 4-H as quickly as possible so the project can be completed quickly.

We had not planned to write anything about the memorial services on the Court House lawn, figuring others could, and would, do a much better job, but how often do we get to say anything about an event so moving?

And, moving it was. We chatted briefly with Rep. Pete Laney after the services were over, and he summed it up well. "If one was not moved by that event," Laney said, "He's not capable of being moved." Laney, who served as Keynote speaker for the affair, brought applause from the audience of some 3,000 when he paid tribute to the youngster who put it all together.

"The future of our country is in good hands," Laney noted. And indeed it is. His own remarks followed a flyover by jet planes from Oklahoma, arranged for the occasion by our own Rep. Mac Thornberry. The jets, arriving on cue, brought a roar from the crowd as they flew down Missouri Street, from East to West, barely over the heads of onlookers.

And the monuments themselves. There were the names of those Floyd County youngsters who had served their country in various wars, and peacetime as well. There, carved in granite, were the names of those who

had fallen in battle. There, carved in granite, were the names for this generation, and all future generations, to view and revere.

For our part, about all we can say is "Thank you." Thank you to those who served. Thank you for your sacrifices. Thank you to all who made the memorial possible, by giving of your time and resources. And thank you to all who attended this impressive event. It was truly wonderful.

\*\*\*\*\*

"Were there any surprises in the elections for you?" How many times have we all been asked that question? You, I, all of us. And I must confess there were surprises galore.

First off, I didn't expect Walter Mondale to lose his race in Minnesota. I didn't expect the Governorship of Maryland to go to the Republicans...for the first time since Spiro Agnew. I didn't expect the U.S. House of Representatives to end up with more Republicans than it had when elections began, or the U.S. Senate to go Republican. I didn't expect the Texas elections to turn out the way they did. Republicans ended up with more seats in both the Senate and the House than I expected.

I didn't expect Tony Sanchez to run such a losing race. I thought surely he would do better than he did. After all, \$70 million ought to count for more than 40% of the vote, no matter who is spending it. We even got a call from Ann Richards, urging us to vote for Sanchez, a call, we suspect, that was paid for by Sanchez. Evidently, many Hispanics, perhaps fearing a turn toward Old Mexico politics, resented his approach, as did many others.

I didn't expect David Dewhurst to win his race for Lt. Governor, or, put another way, I expected John Sharp to win that race. In that particular race, I was just flat wrong in my expectations. In that race, as in some others, I was influenced by media hype and special interest endorsements.

But not everything was unexpected. The tremendous vote of approval for Mac Thornberry was expected, and we thank Floyd County voters for doing their bit in that regard. We did expect Republicans to take over the Texas House of Representatives, and perhaps expand their role in the State Senate, despite, the very best efforts

of Molly Ivens and Dave McNeely. I did expect Pete Laney to win his House seat and lose the Speakership. The Speaker thing was almost a foregone conclusion. Pete has been a good Speaker for a long time, in our opinion, but Tom Craddick, of Midland, has been in the wings, also a long time, waiting this moment. A majority of Texans have been voting Republican for a long time, but gerrymandered districts presented a different picture. It just took a while for voting patterns to reflect reality. In politics, time and tide means everything.

Pete will now go back to being an ordinary member of the House, looking after the interests of his constituents, rather than looking after the interests of Legislators from everywhere in the State.

Or will He? Well, yes, if he wants to. But we expect the President will ask him to come to Washington, fairly soon, and help out somewhere. Pete helped Bush a great deal while he was Speaker, and the President has a long memory. We hope so, because things could get pretty lonesome for Laney in Austin. It would seem to us that going from Speaker to ordinary member would be a bitter pill to swallow, especially when the guy who will now assign committee seats is the same guy you striped of committee assignments some years ago. All the nice talk by Laney and Craddick about each other is fine, and that's the way it should be. But politicians are noted for their memory, even while they are talking nice.

Still, should Laney choose to stay in the House, we would expect him to fare much better at the hands of Craddick than Delwin Jones over in Lubbock. Jones, for whatever reason, has never been completely trusted by his fellow Republicans. Jones has been looked upon, by some party stalwarts, as what they call a RINO (Republican in name only), and it's not likely he will fare well from someone who has fought the lonely Party fight for many years, as has Craddick. Craddick can understand Laney, and the pressures Laney has been under as a leader in his Party, but Jones is likely to be another story.

But even with the decisive nature of the elections, there are many questions left, and many answers expected. The newly elected Texas Governor, Rick Perry, will have his plate full, as will Craddick and Dewhurst, and all the rest. We can only wish them well and hope for the best.

And another question will be a little more simple, but no less important to the people of Texas. To wit: Whither goest the Democrats now? In Texas, who will be looked upon as the Party Chieftain? Will it be Sharp, who is credited with devising the "dream ticket" that lost so decisively, or Sanchez, who spent a ton of his own money only to be rejected by the voters, or Ron Kirk, whose job it was to energize the Democratic "core constituency" of black voters?

And nationally, will it be Daschle, Gebhardt, Gore, Kerry, or, perish the thought, Hillary?

# Thank You

Dear Friends,

I am grateful that you have given me the opportunity to serve you in the Texas House of Representatives. I take this job and the responsibilities that accompany it very seriously.

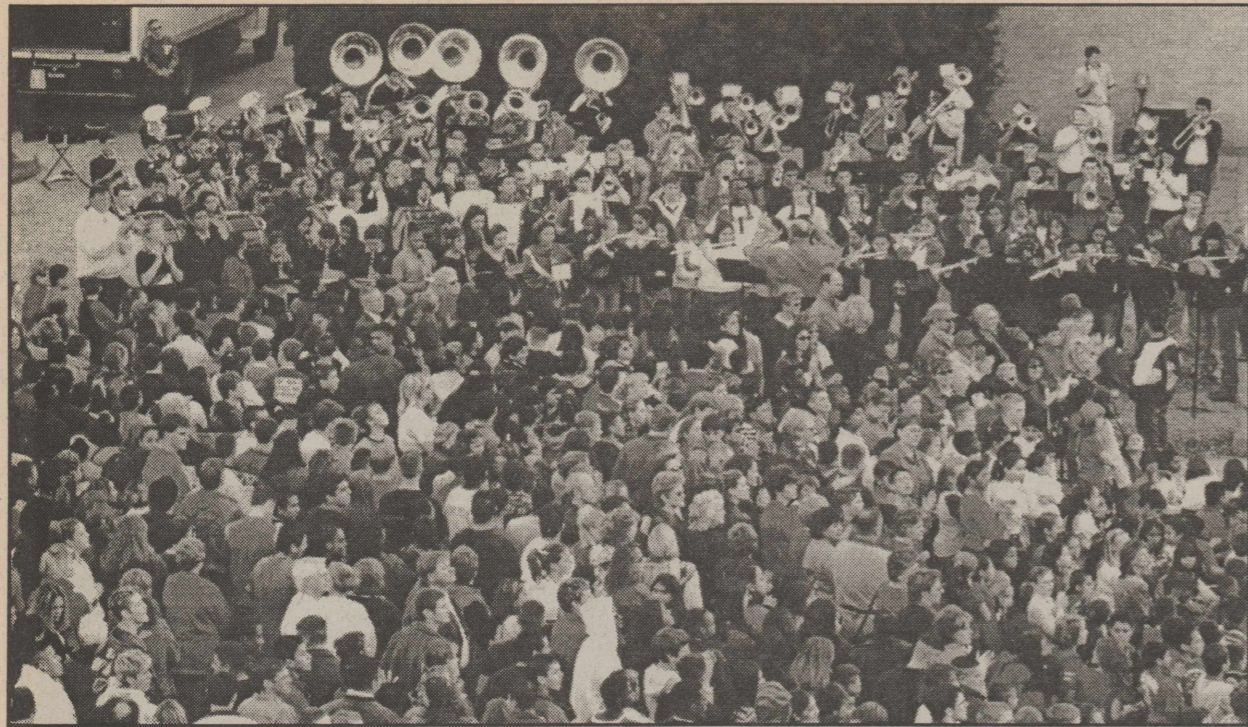

Nelda and I want to thank everyone who did so much to make it possible for us to continue working for House District 85. I am proud of the positive work that we have done in this campaign. Your friendship and your support mean more to us than we will ever be able to express.

I look forward to representing the interests and rural values of our area in a way that demonstrates the faith and confidence you have entrusted in me. I will continue to put partisan politics aside in order to move Texas forward.

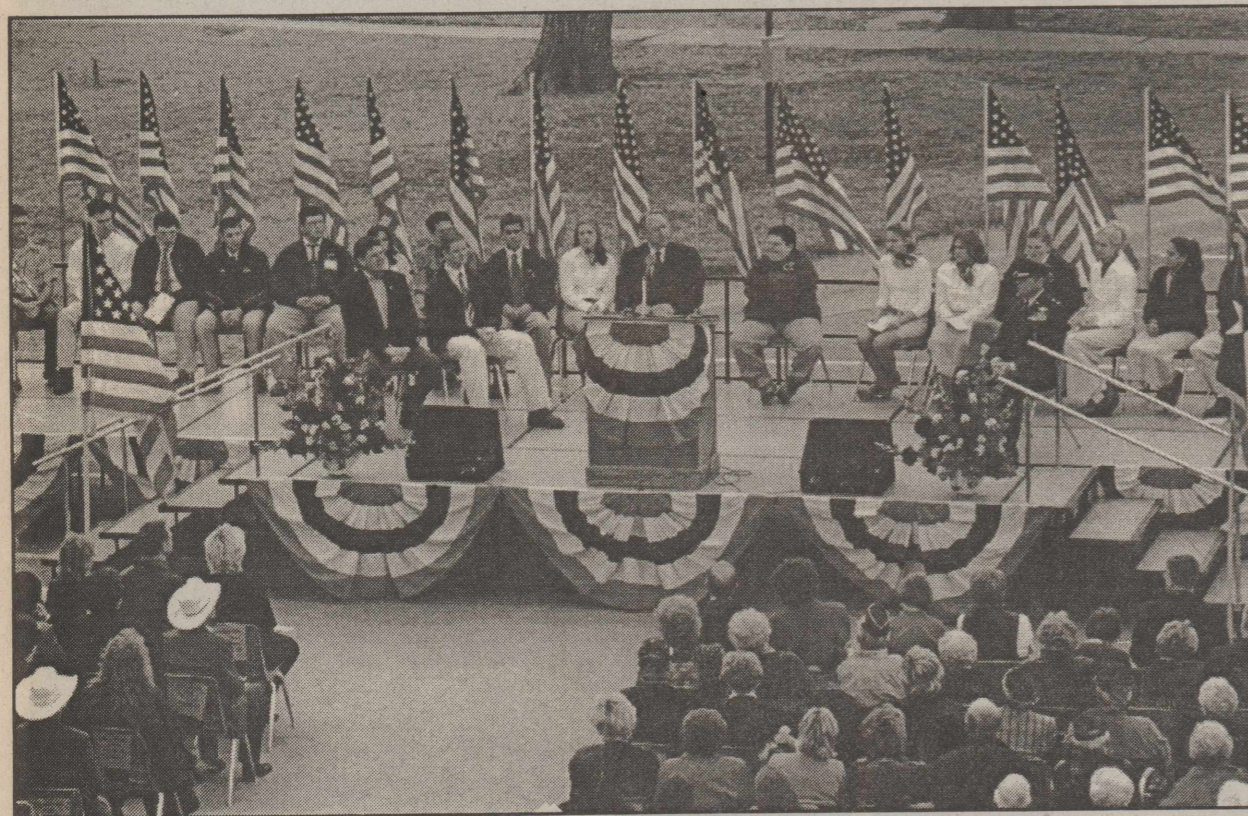

Sincerely,

## Letters to the Editor

**Dear Editor,**  
I've grown up in a very loving and caring family. I am a Christian, and while I am only a teenager, I feel that I have enough sense to know what is and is not a good influence on my life and spiritual health.

My reaction to the letter to the editor posted on October 31, by Ann Ford, was one of disbelief. In my AP English III class we are studying Puritanism, and for a moment I could have sworn I was reading an invective sermon by Jonathan Edwards. Of all the books in the world, people must turn to the "Harry Potter" series to fear? Some schools ban the collections, but do they ban other fantasy novels and movies such as "The Wizard of Oz?" I think not.

Yes, I am a fan of all things "Harry Potter", but it has not, in any form or fashion, changed my perspective on my faith or beliefs. Yes, I am only a teenager--so you might think that I cannot rightfully say that it wouldn't influence me as a child. The "Harry Potter" series is a metaphor for the adventure of growing up. Most kids can read the books, go to Wal-Mart and buy "Potter" brand magic wands, and they can use their imagination. They need to be able to think for themselves. J.K Rowling's use of "Witch-

craft and Wizardry" is far from what Ms. Ford seems to think Wicca really is. Wiccans believe in a goddess, and they worship the earth, the goddess, and the moon, and several other odd things. In "Harry Potter" there is no worship of any kind taking place, and the characters acknowledge Christmas, a Christian holiday, and they celebrate it.

My mother tries not to censor me from the world I am about to walk into, and every minute of my life I am thanking her for that. Why? Because she doesn't want me to blindly embark on the adventure that is life. Why do people feel they must "speak up"

about certain issues so minor as this facing the public today? Why aren't you worrying about the reality of children's future's instead? Parents should prepare their children for the real world, and they should allow their children to experience literature and other forms of media so that they can guide them through those issues rather than slap their hands.

One more thing that concerns me about Ann Ford's letter to the editor is that she implies that "Islamic people believe and live to destroy all who believe in Jesus." These are not the teachings of Islam. The people she

refers to are Islamic extremists, such as the Al-Qaeda. There are Islamic people in our community that would rightfully take offense to this statement. If in America we lose our freedom of religion, are we any better off than those terrorized by extremist groups? We are fortunate, Ms. Ford and myself, to live in a land where we are each free to speak our minds...and disagree.

When I am grown, married with children, and so on, I want my children to read the news and to "witness" the world around them. Sure, there will be conflicts along the way, but that's why we have good parenting to "explain" what is real and what is not. Perhaps instead of censoring truth or fantasy, we should use literature and media as tools to learn right from wrong. Censoring your children from everything that is real and unreal is the lazy way out, and it nullifies their imaginations. After all, today's youngsters are the seeds that will bloom in the fertile soil that is the rest of the world.

**Dear Editor,**  
Thank-you I have been watching out of the window for some time, at the city employees that have been working on the veterans memorial--an idea, a dream of Skyler Cornelius. There are others who have worked and many, many donations that have brought Skyler's dream to fruition. As a Vietnam veteran I would ask of everyone who views this memorial to especially remember those who did not come home. Their sacrifices for our freedom stands out at this memorial. I can remember sailing into Manila Bay in the Philippines. The ships company was called to attention as we passed the Island of Corregidor where so many made the ultimate sacrifice at the outset of World War II. As we stood at attention, passing that island, each of us gave a hand salute to those brave individuals.

Again I want to say thank you to all those involved that made Skyler's dream come true.

Sincerely,  
Philip Wilbanks

The flag folding was followed by two buglers playing "Taps", and the Color Guard then retired the flag.

The stage cleared after prayer and the crowds quickly moved to the memorial to find names of loved ones.

A red, white, and blue flag cake was served to visitors under the pavilion after the ceremony. The 8 foot by 4 foot cake had been prepared by the local 4-H youth and adults. Twenty extra large cakes, prepared with 60 cake mixes, made up the flag.

## District settles championship controversy

Controversy between Whirlwind and Longhorn fans over whether the district championship title will be shared was settled by a District 5-AA Executive Committee, Tuesday.

Both teams had won the same number of district games, and as had been done with district basketball titles, some believed the teams would be "co-champions" of the District title.

However, in a 4-0 vote the District Executive Committee declared the Lockney Longhorns the official District Champions and the Floydada Whirlwinds as runners-up.

The committee based their ruling on District 5-AA Football Rules which state: "Determining the District Champion or Playoff Representatives When Two or More Teams are Tied: At the end of the season if two teams are tied in percentage of wins for the championship, the team that beat the other will be declared the champion."

The teams that will represent the District in the state playoffs shall be the champion, runner-up, and 2nd runner-up (3rd place)."

The U.I.L. Athletic handbook states "Two teams tied in percentage for first place: The team that defeated the other in head-to-head competition will be the winner. The other team will be the runner-up."

MRS. ROBBY GREEN  
(Nee Sherry Kay Kinard)

## Kinard and Green recite wedding vows

Sherry Kay Kinard and Robby Lee Green exchanged wedding vows November 1, 2002 at 7:00 p.m. in the Southcrest Baptist Church in Lubbock. Rev. Jerry Newton officiated.

The bride is the daughter of Ronnie and Sharon Stanton of Elephant Butte, New Mexico, and the granddaughter of Jo V. Bingham, also of Elephant Butte.

Green is the son of Don and Carolyn Green of Floydada, and the grandson of Dolly Emert, also of Floydada.

Given in marriage by her father, the Bride wore a white satin, strapless, full-length gown with detachable train and shawl. The gown, shawl, and train were embroidered with seed pearls. Her bouquet was a clutch of white roses and freesia, tied with a white, sheer ribbon.

Something old was the bride's great-grandmother's handkerchief. Something new was her dress. Something borrowed was the earrings and necklace she wore from the groom's mother. Something blue was the garter she wore. In her shoes were two pennies; one bore her birthday, the other the groom's birthday.

Sheila Thrasher, of Plainview, and best friend of the bride, was her Matron of Honor.

Terri Frazier, of Lubbock, and sister of the bride served as Bridesmaid. The bridesmaids wore navy blue, empire waist, georgette, tie back, full length dresses and matching navy blue, sling-back heels.

The groom wore black wrangler Riata pants, white shirt, black tuxedo jacket, and a white vest.

Serving as best man was Chad Green, the groom's brother of Floydada. Tory Thrasher, of Plainview, and

friend of the groom served as Groomsman.

The groomsmen wore black wrangler Riata pants, white shirts, navy blue vests, and black tuxedo jackets.

Ushers were Tory Thrasher and Chad Green.

The altar of the church was adorned by two spiral and one arched candlelabras. There were two white silk rose flower arrangements with greenery. The unity candle was to the left of the preacher. Tapers for the unity candle were lit by the bride's mother and groom's mother.

Musical selections included "Whatever It Takes" and "From This Moment On".

The bride is employed by RDA ProMart. She graduated Lockney

High School, and is currently a student at Lubbock Christian University.

The groom is a graduate of Floydada High School and Texas State Technical College. He is employed by the Texas Department of Transportation.

The wedding reception was held in the Southcrest Baptist Church parlor.

Serving as hosts at the Bride's table were Christina Huff of Wolforth, friend, and Lisa Baker of Lubbock, also a friend.

Serving at the groom's table as Jennifer Reid of Lubbock, friend.

A rehearsal Dinner hosted by Don and Carolyn Green was held at Abuelo's, 10-29-02 at 8:00.

The bride was given a Lingerie shower on October 19, 2002 by Terri Frazier and Sheila Thrasher.

Following a wedding trip to Las Vegas, Nevada, the couple will make their home in Floydada.

## Floydada Senior Citizens News

By Margarette Word

The center is open Monday through Friday. If you are 60 years or older come join us. If you plan on eating lunch, call 983-2032 by 10:00 a.m.

Congratulations to Mr. and Mrs. Millard Watson who celebrated their 60th wedding anniversary, November 6, 2002.

Doug Cannon of San Antonio recently was here to visit his parents J.W. and Dolores Cannon.

William and Faye Bertrand and Lorene Newberry spent a few days last week at Possum Kingdom and Weatherford visiting Lorene's daughter DeAnn Newberry.

John and Geneva Cockrell had lots of company here for the November 11 memorial dedication. They were: a niece Glea Adams of San Antonio, a son Kenneth Cockrell and family of Irving; a daughter Janice Presson and family of Lubbock.

Thanks to the Eric Cornelius family, especially Skyler and his mother Julianne for a job well done on the Floyd County Memorial dedication.

The weather was great as well as the program. It was very impressive. The flyover was spine tingling.

Our sympathy to the family of C.A. Ruddick.

Our sympathy to Vic Sedinger on the loss of his niece.

Thank you for remembering the center when you need to make a memorial donation.

In memory of **Marjorie McElyea** -Louis and Ferne Anderson, Whirlwind Good Sams Club, Marvin and Iva Mae Lyles, Michael and Deborah Acridge.

In memory of **Betty Shaddo** - Jerry Bradford, Connie and Lori Bradford, David and Connie Lee.

In memory of **Edward Moore** - Margarette Word.

Thought for the week - Listen for God's word and instruction. Do not listen to the world's way.

## Bueno inducted into SPC's international honor society

Jody Bueno from Floydada is among 86 students inducted this fall into South Plains College's Kappa Mu chapter of Phi Theta Kappa, international honor society for students in two-year colleges.

Students must be full-time, have maintained a minimum 3.25 grade point average and have completed at least 15 semester hours at the college to be considered for induction.

"This is a tremendous honor for these students, and we commend them for their selection to Phi Theta Kappa," said Dr. Gary McDaniel, SPC president.

Erin Flanagan, PTK chapter president, and Dr. Kelvin Sharp, vice president for academic affairs, gave the welcome and introductions during a recent induction ceremony.

Warren Jackson, 2001-2002 international PTK president and a junior at Texas Tech University, served as

keynote speaker and spoke on the importance of PTK membership. He received his associate of arts degree from Shawnee Community College and is pursuing a bachelor's degree in political science with minors in speech communications and history.

"These students have been inducted into a chapter that has been recognized both statewide and internationally," said Gary Poffenbarger, associate professor of English and chapter sponsor. "SPC's PTK chapter has received the Five-Star Program Award at the state and international PTK conventions for chapter activities and service to the campus and community for the past six years."

SPC's PTK chapter is among 82 chapters in Texas and more than 1100 chapters nationwide. PTK's membership numbers approximately 88,000 members.

## Santa's Secret Shop Returns

You and your child are invited to participate in the upcoming Santa's Secret Shop program at Lockney Elementary 8:30 to 2:30, November 18 - 22. This valuable program makes it possible for the children to experience the excitement of choosing their own special holiday gifts for family and friends.

The Santa's Secret Shop program will be set up at school and supervised by parent volunteers, who will help the children pick out their gifts in a familiar, comfortable atmosphere.

This program will create wonderful memories for the children, while teaching them to budget their money, make decisions and appreciate the value of different items. At the same time, they will have the fun of surprising a loved one with a "secret" gift they bought all by themselves.

As parents, you can be a part of this learning experience by suggesting ways your child can earn extra money. A money control envelope is provided for convenience.

**PAPER QUILT--**Lockney Elementary's 3rd grade teachers had their students create this unique "Paper Quilt" as a means of making them aware of the tragedy of September 11, 2001. The "Quilt" was started on 9-11 and consists of "blocks" which are the artwork of each child representing what stood out most to them about that fateful day. The students were allowed to discuss and remember the victims, veterans, and heroes of 9-11. The children all agreed, "We're fortunate to live in Lockney where we feel safe." It is on display at the Elementary School and the public is invited to come and view it.

## Rosencranz enters UTA nursing school

Tobi Rosencranz, daughter of Dart and Joann Carthel of Lockney, has been accepted to attend the University of Texas in Arlington School of Nursing.

This school is the #2 nursing school in the state of Texas.

For the spring semester of 2003, there were 370 applicants and only 70 positions available. The school has a point system to determine who is chosen to join the program.

Completed prerequisite courses, GPA, hours of college attended at UTA, are just a few of the ways to earn points.

By October 10, 200 were chosen to be interviewed, eliminating 170 of the applicants.

The interview and the required written paper are also worth points in the selection process.

On November 1, Tobi received her letter of acceptance. Upon completion of the program, Tobi will have a Bachelor of Science degree in nursing.

# Longhorns fall short of District sweep

By Coach Edwards

The Lockney Longhorns hopes for an undefeated run in district play came to an abrupt halt last Friday night as a very talented Olton Mustang team outlasted the Longhorns 14-7.

The Longhorns will still represent District 5-2A as the number one seed in the Division II State Playoffs beginning this week. Floydada will be the number two seed in the Division II playoffs and Friona will represent District 5-2A in the Division I playoffs.

The Longhorns have used the philosophy "the best defense is your offense" all year long which they used a ball control offense not allowing the opponents a chance to get their hands on the ball. However, Olton took the same philosophy and used it against the Longhorns not allowing them to get in a rhythm that has been comfortable to them all year.

Lockney only had the ball in their hands for two possessions in the second half. One possession in the third quarter and only one in the fourth quarter. Neither were successful possessions.

"We just never had the ball long enough to get anything going," Coach Joe Robertson said. "Olton did an outstanding job moving the ball down field without making any mistakes and chewing up the clock."

The Mustangs got on the scoreboard first late in the first quarter. Olton used 15 plays to go 84 yards to get into the end zone on their first possession. Michael Villanueva broke through for a nine yard touchdown run. The point after was no good giving the Mustangs an early 6-0 lead.

On the very next drive, the Longhorns marched down field and Mark Ford plunged his way across the goal line from five yards out for the score. Jesus Rios point after was good giving the Longhorns a 7-6 advantage with 9:26 remaining in the second quarter.

Both teams traded a couple of punts and an interception a piece to end the first half of play with Lockney still leading 7-6.

It did not take the Mustangs long to get things rolling in the second half. On the third play from scrimmage after the second half kick-off, Villanueva scampered through the Longhorn defense for a 53 yard touchdown run. Dustin Synatsch found Justin Bunce in the corner of the end zone to complete the two-point conversion giving the lead back to the Mustangs 14-7 with 11:15 remaining in the third quarter.

The only possession Lockney had in the third quarter ended at the Mustangs 30 yard line after Olton's defense sacked the Longhorns on a fourth down play turning the ball over on downs. Even though the Mustangs did not score on their next drive, it was a key point in the game. Olton held on to the ball just over nine minutes which included two, fourth down conversions. The Mustangs were about to put the game out of reach, but a fumble that the Longhorns recovered at their own four yard line gave Lockney new life.

With 9:21 remaining in the game and 96 yards of playing field ahead of them, the Longhorns had to put together an errorless drive. Lockney was able to drive the ball all the way

down to the Mustangs 14 yard line, but faced a critical fourth and long situation. The Mustang defense came up big causing the Longhorns to turn the ball over on downs which was the only possession they had in the fourth quarter.

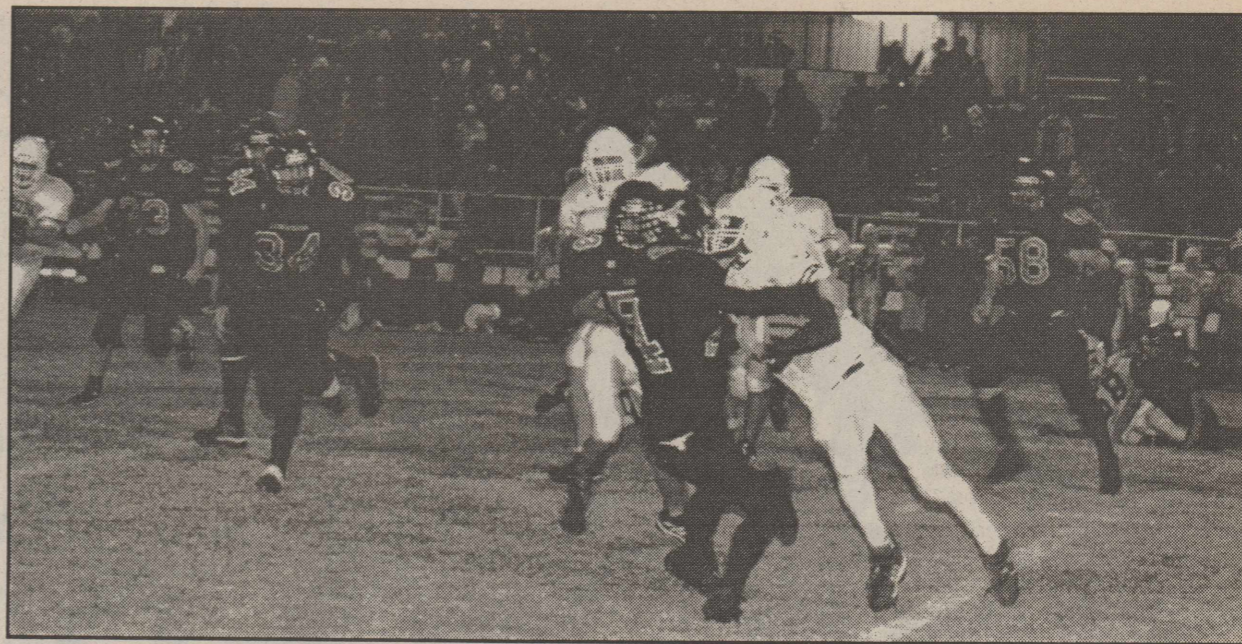

Olton eventually ran the clock out ending a six game win streak and an undefeated district season for the Longhorns.

"Our boys were devastated by the outcome of the game," Robertson said. "They have been on an emotional high for quite sometime and now they hurt. But that is a sign of a champion."

The Mustangs were the first team this year to hold Mark Ford under a 100 yards rushing. Ford finished the night with 19 carries and 84 yards. Michael Rodriguez had a good night with 13 rushes and 82 yards. Olton's Michael Villanueva led all rushers with 196 yards on 24 carries and two touchdowns.

Lockney (8-2) will travel to Canyon on Friday night for their Bi-District game against the West Texas Comanches (7-3). The match-up will be at Kimbrough Stadium starting at 7:30 p.m. The cost will be \$4 for adults and \$2 for children.

LOCKNEY LONGHORNS TAKE ON OLTON MUSTANGS--Lockney played a tough game Friday night against the Olton Mustangs. This Longhorn defender takes down a Mustang as he tries to add points to the scoreboard.

## Lockney J.V. Football Report

By Coach Edwards

The Lockney Longhorn Junior Varsity Squad wrapped up second place in district beating the Olton Mustangs 22-0.

The Longhorns defense was solid keeping the Mustangs from getting a sniff at the end zone. The defense recorded three interceptions on the night. John Vasquez had two of those and A.J. Rosales had the other "Oskie".

Edward Reyna scored the one of the Longhorns touchdowns in the first half. John Vasquez followed up with one touchdown in the first half and the other in the second half behind an explosive offensive line.

"Our defense stepped up big and made the big plays to stall out any of Olton's drives," Coach Young said. "Our defense gave our offense the confidence they needed to execute. It was a total team effort."

The Junior Varsity finished the season 7-3 overall and 4-1 in district.

## Quebe, Tye and Hambright winners in football contest

In the final week of our football contest Karen Quebe, Beth Tye and Gordon Hambright were our winners.

The first place check of \$25 will go to Karen Quebe of Lockney. She only missed 3 games.

We had two entries that missed 6 games, so the first tie-breaker was used to determine the second and third place winners.

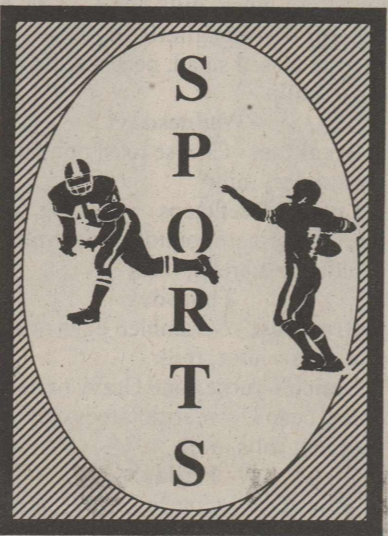

Beth Tye and Gordon Hambright of Floydada and Pam Fulton of Lockney all missed 6 games each. And all three chose Floydada to win over Hale Center in the first tie-breaker. The final total score in the first tie-breaker game was 31. Tye missed that by only 4 points while Hambright missed it by 6 points. Fulton missed it by 23 points.

Beth Tye will be receiving the second place check of \$15 and Gordon Hambright will receive the third place check of \$10.

Honorable mention goes to Pam Fulton for missing only 6 games. Also to those that missed 7 games. They were Gilbert Trevino, Melanie Beedy, Moses Reyes, Brent Sanders, Max Yeary, all of Floydada and Michael Cuellar, Shirly Hayes and Bryan Bybee, both of Lockney.

Missing 8 games were Zahn Turner of Floydada and Danny Huggins of Lockney. Missing 9 were Gene Lowrance, Sheree Cannon, Guy Fowler, Bryce Bowley, Franklin Harris, Michael Wickware, all of Floydada and Mark Ford, Richard Cuellar and Todd Cotham, both of Lockney.

We had 43 entries this week. There were seven entries missing 10 games; seven entries missed 11 games; two entries missed 12 games; three entries missed 13 games and one entry missed 15 games.

## Lockney 8th Grade Football Report

By Coach Edwards

The Lockney Shorthorn 8th grade team ended their season on a positive note by defeating the Olton Mustangs 28-6.

The Shorthorn defense stifled the Mustangs and their offense churned with an impressive running attack.

Adrian Luna scored the game's first two touchdowns with runs of 52 and 3 yards. Brittan Golden scored on a 25 yard touchdown run just before half. Wes Davis connected with Ethan Gonzales to complete the two-point conversion giving the Shorthorns a 20-0 lead at the half.

Jon Sherman opened up the second half with a 65 yard touchdown run with Luna converting the two-point attempt. Olton finally got on the board late in the fourth quarter.

"Our defense played really well which gave us good opportunities on the offensive side of the ball," Coach Heard said. "We did a great job blocking up front and our backs did a good job running through the holes."

The 8th grade team finished the season with a record of 3-6.

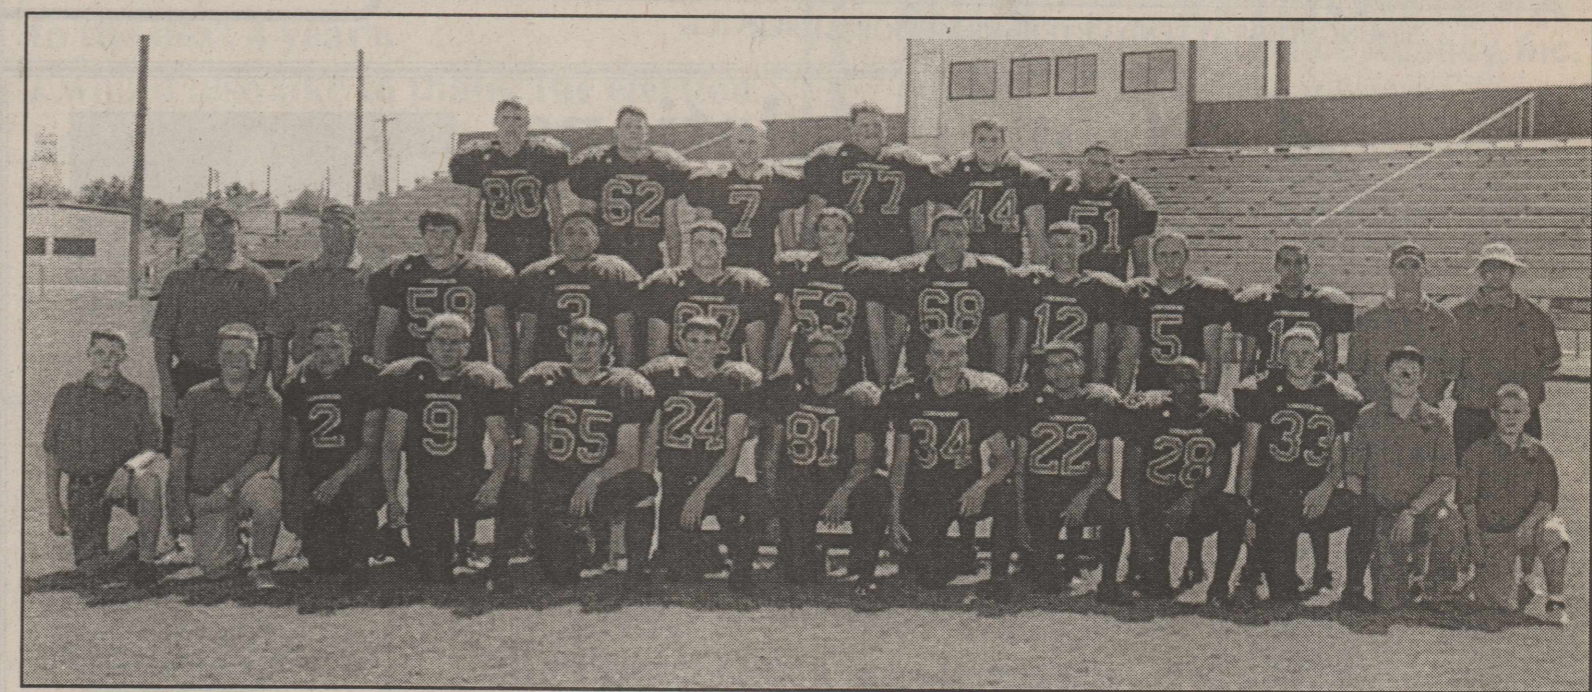

"It was good for us to finish our season with a win," Heard said. "This team has great potential for the future and will do nothing but get better."

# 'Winds advance to playoffs with 24-7 win

By Bill Gray

The Floydada Whirlwinds closed their regular season with a 24-7 victory over the Hale Center Owls last Friday. Floydada's come-from-behind win at Wester Field, coupled with Olton's 14-7 verdict over Lockney, earned the Whirlwinds a Co-Championship of District 5-2A with the Longhorns. Lockney, by virtue of its earlier victory over Floydada, will enter the Bi-District round of the playoffs as the number one seed out of the district and will face Stinnett West Texas at Canyon's Kimbrough Stadium tomorrow night. Kickoff is slated at 7:30 P.M.

The Whirlwinds (8-2 overall and 4-1 in District 5-2A action) will host the Panhandle Panthers at Wester Field this Friday, with a 7:00 P.M. kickoff. This is the first playoff appearance for Floydada since 1998 and the first time the Whirlwinds have won or shared a district title since 1989's fine 10-1 season.

Panhandle brings a lot of tradition into the Class 2A playoffs. At one point in the late 1980s and into the 1990s, the Panthers made 13 consecutive appearances in the post-season party, but, like Floydada, had fallen on leaner times the past several years.

In a winner-take-all situation last week, Panhandle scored 21 fourth-quarter points to overtake Sanford-Fritch 28-14.

After falling behind 14-0 and being held to two first downs in the first half, Panhandle exploded for 28 second-half points. The comeback gave the Panthers (8-2 overall and 5-1 in district play) a co-championship with Canadian. It was the Panthers' first district title since 1995 and their first playoff berth since 1996.

Hale Center gave the Whirlwinds all they could handle - at least in the first 12 minutes. After being held to three-and-out in their first possession, the Owls capitalized on a Floydada fumble on a punt return and scored three plays later on.

Willie Joe Johnson's 2-yard run. Danny Ortiz kicked the point-after and the Owls started to smell an upset - but not for long.

Floydada's defense stuffed a fourth-down fake punt by Johnson to take possession at the visitors' 19-yard line to open the second period. The Whirlwinds struck quickly with Tyler Helms' 19-yard touchdown toss to Brady Rainwater. Helms added the point-after and Floydada was on its way.

"We knew going into the game that they (Hale Center) was really a good team on offense and their defense is designed to stop the run and a lot of the things that we do," commented Floydada coach Lee Hurt. "Our kids did a super job...we had to change blocking assignments and our kids adjusted well. I'm just so proud of the way our guys stepped up and played good defense...they've got some explosive backs and our defense held them in check for most of the night."

Following an exchange of possessions, Dustin Covington broke free for a 77-yard touchdown romp late in the second quarter. Coach Hurt said, "We had been so close to busting that thing a couple of times. That's a trap play we had set up just for them...we hit it perfect! The line did a great job of blocking and the other backs carried out their fakes and everything just clicked...it was a great job by our lead blockers and Dustin ran the play well." Covington led all rushers with 141 yards in 17 carries.

Chris Wickware gained 42 yards on 8 attempts and Tyler Helms carried 9 times for 39 yards. Andrew Arvizu added 30 yards in 7 carries, and Gerald Henderson carried 6 times for 24 yards and a touchdown. Brady Rainwater's interception of an Andrew West aerial, late in the second period, thwarted any scoring threat by the Owls before halftime.

Floydada nursed the 14-7 lead into the locker room at intermission and played its ball-control offense to perfection in the third quarter. The Whirlwinds opened the second half with a time-consuming scoring drive, capped by Gerald Henderson's 4-yard blast. Floydada maintained possession for almost 10 minutes of the third period.

Coach Hurt commented, "Our lines on both sides of the ball completely dominated the third quarter and a good portion of the fourth...that was really our game plan...to keep their speedy backs off the field. To eat up the clock and move the chains...that was our goal and we accomplished it."

The Whirlwinds mounted a 74-yard drive, with three minutes remaining in the third quarter, that carried into the first five minutes of the final stanza. When the drive stalled at Hale Center's 13-yard line, Helms was called on to attempt a 35-yard field goal. Floydada's all-district kicker connected with his second 3-pointer of the year for the final winning margin of 24-7.

"We are proud of that first gold ball (for co-championship of the district), but we're not satisfied with just that...we want some more gold balls and go a while in the playoffs," Coach Hurt said. "We are going to work hard this week to get past this bi-district game." Although the Whirlwinds have reached the playoffs several times, they have not won a bi-district contest since defeating Tahoka in 1981. That year the Whirlwinds (playing in Class 3A) won their first playoff game, but were defeated the next week by Littlefield at Lubbock's Lowery Field.

"We are going to work hard this week preparing for them (Panhandle)," said Hurt. "They will run a no-back or one-back look, with receivers spread out all over the field. They'll run out of the shotgun a lot, and come at you with a fullback trap play." They'll pass or run out of the formation and have a talented junior quarterback (Brock Sherwood) along with 19 other juniors on the squad.

Sherwood (6-2, 200) returned from a first-half hand injury to complete nine of 11 passes for over 150 yards and a pair of touchdowns to lead the 28-point second half last week against Sanford-Fritch. He also rushed for 56 yards against the Eagles.

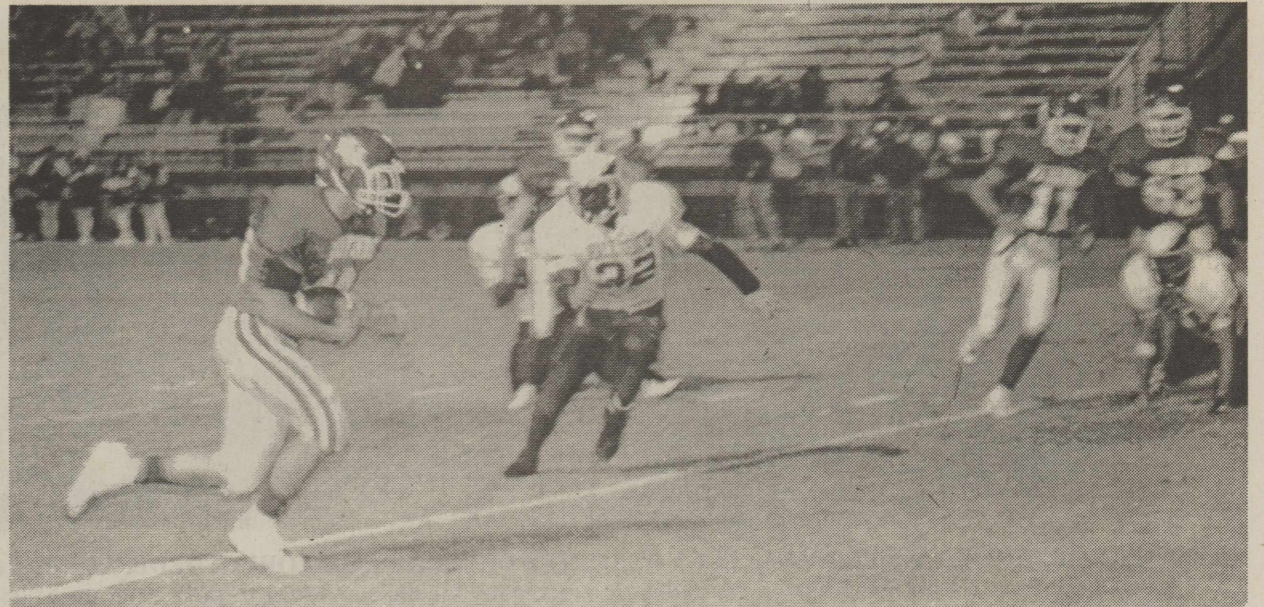

Jayson Walser led Panhandle's defensive troops and registered 20 tackles against Sanford-Fritch. Victor Perez logged 14 tackles and a pass interception last week to help the Panthers secure the Co-Championship of District 6-2A.

While compiling an overall 8-2 record the Panthers scored 353 points this season, and limited their opponents to 162 points. By comparison the Whirlwinds scored 252 points in 10 games and gave up 139 points. It should be an interesting and exciting matchup with Panhandle's wide-open attack against Floydada's solid option offense, which is producing close to 300 yards per game.

## PCG discusses disaster assistance

By Shawn Wade

With Congress close to returning to work following the November 5 elections, PCG continues its work to secure a critical 2001 and 2002 Disaster Assistance program.

Taking center stage in this regard were leaders from over a dozen High Plains agricultural lending institutions who met November 8 with leaders from Plains Cotton Growers to discuss strategy and determine the best way to communicate the need for disaster

assistance to Congressional leaders.

The thrust of the meeting was getting the word out to agricultural lending institutions that they are the best equipped to effectively communicate both the need for a crop loss assistance program and the ramifications for producers if they do not receive it.

Probably the most unsettling prospect is that producers who successfully produced a 2002 crop and made enough to "pay-out" their 2002 operating notes, could still be dropped

from the lending rolls due to an inability to service debt carried over from the 2001 crop year.

Noting the results of the recent election and the eventual shift in control that will take place in the Senate, PCG representatives noted that it was important that financial institutions communicate with Congressional and Administration leadership and encourage them to move forward with disaster assistance commensurate to the needs that exist.

## FSA accepts farm loan applications

By Becky V. Rainer

Applications for emergency farm loans for losses caused by drought and excessive heat that occurred from January 1, 2002 and continuing are being accepted at the Farm Service Agency (FSA) office located in Floydada.

Floyd & Crosby Counties have been named as primary counties recently named by Secretary of Agriculture Ann Veneman eligible for loans to cover production.

Farmers may be eligible for loans of up to 80 percent of the actual losses or the operating loan needed to continue in business, whichever is less.

For farmers unable to obtain credit from private commercial lenders, the interest is 3.75 percent.

As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FSA emergency loan. Farmers participating in the Federal Crop Insurance program will have to figure in proceeds from these programs in determining their loss.

Applications for loans under this emergency designation will be accepted until June 23, 2003, but farmers should apply as soon as possible. Delays in applying could create back-

logs in processing and possibly over into the new farming season.

FSA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or co-operatives in which U.S. citizens hold a majority interest.

The FSA office in Floydada is open from 8:00 a.m. to 4:30 p.m., Monday through Friday.

### Statement on Combest Resignation

Donald Patman, President  
Texas Farm Bureau

Larry Combest has been a statesman and a tireless advocate for agriculture during his service in Congress. He will be missed by his constituents in the 19th District and by farmers and ranchers all over the state. Larry's leadership in agriculture reached far beyond his own district, touching the lives of farm and ranch families everywhere. His leadership during the debate on the 2002 Farm Bill was indispensable, and he deserves much credit for its eventual passage. This legislation, so important for the economically depressed agricultural industry, will stand as a large part of his legacy.

Texas Farm Bureau members are grateful that Larry Combest gave two decades of his life in service to his country. We wish him the best.

### AVISO DE RECIBO DE SOLICITUD E INTENTO DE OBTENER UNA RENOVACION DE PERMISO DE CALIDAD ED AIRE

PERMISO NUM. 21353

**SOLICITUD.** Floydada Cooperativa Ginebras, Inc., P.O. Box 428, Floydada, Texas, 79235-0428, se ha registrado con la Comisión de Conservación de Recursos Naturales de Texas (TNRCC o Comisión De Conservación De Recursos Naturales De Texas) para la renovación de un Permiso Calidad de Aire Núm. 21353 el cual autorizará continuar el funcionamiento de un(a) Algodón Ginebra en 319 Norte 5<sup>th</sup> Calle, Floydada, Condado de Floyd, Texas. La instalación existente va a emitir los siguientes contaminantes atmosféricos: organico compuestos, nitrógeno oxides, carbón monoxide, sulfur dioxide, particulate menos, incluso (pero no limitado a) particulate materia menos que 10 microns en diámetro.

Esta solicitud fue sometida al TNRCC en Junio 26, 2002. La solicitud está disponible para revisarse y copiarse en la Oficina Central del TNRCC, en la Oficina Regional del TNRCC en Lubbock, y en Floyd Comaria Juzgado - Primero Piso, 100 Sur Principal Calle, Floydada, Floyd Comarca, Texas.

El director ejecutivo del TNRCC ha determinado que la solicitud se halla administrativamente completa y conducirá un análisis técnico de la solicitud.

**LISTA DE CORREO** Usted puede solicitar que se le ponga en una lista de correo para recibir información adicional de esta solicitud solicitando a la Oficina del Chief Clerk en la dirección a continuación.

**COMENTARIOS PUBLICOS/ JUNTA PUBLICA** Usted puede someter comentarios públicos, solicitar una junta pública sobre esta solicitud, o solicitar una audiencia en controversia a la Oficina del Chief Clerk en la dirección a continuación. El TNRCC considerará todos los comentarios públicos en el desarrollo de una decisión final en esta solicitud. El plazo límite para someter sus comentarios es 15 días después de la publicación de este aviso. Después del plazo límite para los comentarios públicos, el director ejecutivo preparará una respuesta a todos los comentarios públicos relevantes y materiales o de otro modo significativos.

El propósito de una junta pública es para proveer la oportunidad de someter comentarios, o para preguntar sobre la solicitud. Una junta pública sobre la solicitud se llevará a cabo si el director ejecutivo determina que existe un grado significativo de interés público en la solicitud o si la solicita un legislador local. Una junta pública no es considerada una audiencia en controversia.

Si sólo se reciben comentarios sobre esta solicitud, la respuesta a los comentarios, junto con aviso de la decisión del director ejecutivo sobre la solicitud, será enviada por correo a todos aquellos que hallan sometido sus comentarios o solicitado que se les incluyera en la lista de correo para esta solicitud.

Si la petición para una audiencia a tiempo, el director ejecutivo emitirá una decisión preliminar después del análisis técnico. El Aviso de la Solicitud y de la Decisión Preliminar serán entonces publicados y enviados por correo a todos los que estén en la lista de correo de esta solicitud. Ese aviso contendrá el plazo final para someter comentarios públicos y peticiones para una junta pública.

**Después del plazo final para someter comentarios públicos subsecuentes a cualquier Aviso de la Solicitud y de la Decisión Preliminar,** el director ejecutivo considerará los comentarios y preparará una respuesta a todos los comentarios públicos relevantes y materiales, o significativos. La respuesta a los comentarios, junto con la decisión del director ejecutivo sobre la solicitud, serán entonces enviadas por correo a todos aquellos que hallan sometido comentarios públicos o que hallan petitionado para estar en la lista de correo sobre esta solicitud.

**OPORTUNIDAD PARA UNA AUDIENCIA EN CONTROVERSIDAD** Usted puede peticionar una audiencia en controversia. Una audiencia en controversia es un proceso legal semejante a un a juicio civil en una corte de distrito estatal. A no ser que una petición por escrito para una audiencia en controversia se halla sometido dentro de 15 días después de la publicación de este aviso, el director ejecutivo puede que apruebe la solicitud. Si no se reciben peticiones para una audiencia en controversia dentro de este periodo de 15 días, no habrá mas oportunidad para peticionar una audiencia en controversia. Una audiencia en controversia sólo se otorgará basada en asuntos en controversia que sean relevantes y materiales a la decisión de los Comisionados sobre la solicitud. Además, la Comisión sólo concederá una audiencia en controversia en esos asuntos que fueron presentados durante el periodo de los comentarios públicos y que no se retiraron.

Una persona que pueda ser afectada por las emisiones de contaminantes atmosféricos de la instalación tiene derecho a peticionar una audiencia en controversia. Para solicitar una audiencia en controversia, usted deberá proporcionar lo siguiente: (1) su nombre (o, para un grupo o asociación, un representante oficial), dirección postal, número de teléfono durante el día, y número de fax, si hay; (2) el nombre del solicitante y el número de permiso; (3) la oración en inglés "I/we request a contested case hearing;" (4) una descripción específica de cómo le perjudicaría la solicitud y las emisiones atmosféricas de una manera que no es común con los miembros del público en general; (5) la localización y distancia de su propiedad en relación a la instalación; y (6) una descripción de cómo usted usa la propiedad que pudiera ser afectada por la instalación. Si la petición es hecha por un grupo o asociaciones, el o la miembro o miembros que tienen derecho a pedir una audiencia en controversia y los intereses que el grupo o asociación quieran proteger deberán también ser identificados. Usted también podrá someter sus propuestas de ajustes a la solicitud o permiso que puedan satisfacer sus preocupaciones. Peticiones para una audiencia en controversia deberán someterse por escrito dentro de 15 días después de la publicación de este aviso a la Oficina del Chief Clerk, en la dirección a continuación.

Si una petición para una audiencia en controversia se recibe a tiempo, aviso adicional será dado. Después de que se cierren todos los periodos aplicables de comentarios y peticiones, el director ejecutivo mandará la solicitud y todas las peticiones de audiencia en controversia a los Comisionados del TNRCC para su consideración en una junta de Comisionados en su itinerario. Si se concede una audiencia en controversia se, el objeto de la audiencia en

controversia será limitado a los asuntos de hecho en disputa relevantes y materiales a la calidad del aire, que hayan surgido durante el periodo de comentarios. Asuntos como el valor de la propiedad, ruido, seguridad de tráfico, y zonas municipales están fuera de lo que la Comisión tiene la jurisdicción de considerar en este proceso.

**INFORMACION** Comentarios públicos por escrito, peticiones para una junta pública, o peticiones para una audiencia en controversia deberán someterse a la Oficina del Chief Clerk, MC-105, TNRCC, P.O. Box 13087, Austin, Texas 78711-3087. Para más información sobre esta solicitud o el proceso de permisos, por favor llame a la Oficina de Asistencia Pública, gratis, al 1-800-687-4040. Información general sobre el TNRCC se puede encontrar en el [www.tnrcc.state.tx.us](http://www.tnrcc.state.tx.us).

## PUBLIC NOTICE

### NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN AIR PERMIT RENEWAL

AIR QUALITY PERMIT NO. 21353

**APPLICATION AND PRELIMINARY DECISION:** Floydada Cooperative Gins, Inc., P.O. Box 428, Floydada, Texas, 79235-0428, has applied to the Texas Commission on Environmental Quality (TCEQ) for renewal of Air Quality Permit No. 21353 which would authorize continued operation of a Cotton Gin located at 319 North 5th Street, Floydada, Floyd County, Texas. The following air contaminants will be evaluated for authorization: organic compounds, nitrogen oxides, carbon monoxide, sulfur dioxide, particulate matter including (but not limited to) particulate matter less than 10 microns in diameter.

This application was submitted to TCEQ on June 26, 2002. The application is available for viewing and copying at the TCEQ central office, the TCEQ Lubbock regional office, and the Floyd County Courthouse-First Floor, 100 South Main Street, Floydada, Floyd County, Texas. The facility's compliance file, if any exists, is available for public review in the Lubbock Regional office of the TCEQ.

The TCEQ executive director has determined the application is administratively complete and will conduct a technical review of the application.

**PUBLIC COMMENT/PUBLIC MEETING-** You may submit public comments, a request for a public meeting, or request a contested case hearing to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. **The deadline to submit public comments is 15 days after newspaper notice is received.** After the deadline for public comments, the executive director will prepare a response to all relevant and material or significant public comments.

The purpose of a public meeting is to provide the opportunity to submit comments or ask questions about the application. A public meeting about the application may be held if the executive director determines that there is a significant degree of interest in the application of if requested by a local legislator. A public meeting is not a contested case hearing.

If only comments are received on the application, the response to comments, along with notice of the executive director's action on the application, will be mailed to everyone who submitted comments or is on the mailing list for this application.

If a hearing request is timely filed, the executive director will complete the technical review, may issue a preliminary decision on the application, and a Notice of Application and Preliminary Decision may be published and mailed to those who are on the mailing list for this application. That notice will contain the final deadline for submitting public comments.

After the final deadline for public comments following any required Notice of Application and Preliminary Decision, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. If comments are received, the response to comments, along with the executive director's decision on the application, will them be mailed to everyone who submitted public comments or is on a mailing list for this application.

**OPPORTUNITY FOR A CONTESTED CASE HEARING -** You may request a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court. Unless a written request for a contested case is filed within 15 days from this notice, the executive director may approve the application. **If no hearing request is received within this 15-day period, no further opportunity for hearing will be provided.** A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on those issues raised during the public comment period and not withdrawn.

A person who may be affected by emissions of air contaminants from the facility is entitled to request a hearing. If requesting a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "I/we request a contested case hearing;" (4) a specific description of how you would be adversely affected by the application and air emissions from the facility in a way not common to the general public; (5) the location and distance of your property relative to the facility; and (6) a description of how you use the property which may be impacted by the facility. If the request is made by a group or an association, the one or more members who have standing to request a hearing, and the interests which the group or association seeks to protect, must also be identified. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing within 15 days following this notice to the Office of the Chief Clerk, at the address below.

If a hearing request is timely filed, additional notice may be provided. Following the close of all applicable comment and request periods, the executive director will forward the application and any requests for contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact relating to relevant and material air quality concerns raised during the comment period. Issues such as property values, noise, traffic safety and zoning are outside of the Commission's jurisdiction to address in this proceeding.

**MAILING LIST:** In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices for this specific application mailed by the Office of the Chief Clerk by sending a written request to the TCEQ Office of the Chief Clerk at the address below.

**INFORMATION:** Written public comments or requests for a public meeting or contested case hearing should be submitted to the Office of the Chief Clerk, MC-105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087. For more information about this permit application or the permitting process, please call the Office of Public Assistance, Toll Free, at 1-800-687-4040. General information regarding the TCEQ can be found at [www.tceq.state.tx.us](http://www.tceq.state.tx.us).

Further information may also be obtained from Floydada Cooperative Gins, Inc. at the address stated above or by calling Mr. J. Kelley Green, Texas Cotton Ginners' Association at (512) 476-8388.

## Words To Taps

Day is done  
Gone the sun  
From the lakes  
From the hills  
From the sky  
All is well,  
Safely rest,  
God is nigh.  
Fading light  
Dims the sight  
And a star  
Gems the sky,  
Gleaming bright  
From afar,  
Drawing nigh,  
Falls the night.  
Thanks and praise,  
For our days,  
Neath the sun,  
Neath the stars,  
Neath the sky,  
As we go,  
This we know,  
God is nigh.
