WINNING AT DOMINOES--A youngster stopped for a spell during Floydada's Punkin Day to test his domino skills against the "pumpkin farmers" sitting on the Floyd County Museum's outside benches. The farmers show up every year and watch the Punkin Day crowds go by. This year the Museum won 1st place in the business category of the decorating contest. The Floydada Care Center won 2nd place. The home of Clar and Judy Schacht won 1st place in the residence division.

ENJOYING THE VIEW ON TOP OF THE PUNKIN DAY'S PUMPKIN TRAILER--The pumpkin trailer is a favorite spot for parents to bring their children for beautiful and colorful pictures every year. The pumpkins in the trailer are first used for a contest of "Guess the Weight" of the pumpkins and then the pumpkins are used for the pumpkin games. At the end of the day's activities visitors are allowed to take a free pumpkin home to help them remember Floydada's Punkin Day, and encourage them to come back. The first place winner of the Guess The Weight Contest was Brady Ragland. Ragland won \$50.00. The 2nd place winner, for \$25.00, was Susan Simpson.

Burglars caught inside Kirk & Sons

A burglar alarm sounding off at Kirk & Sons, in Floydada, led to the arrest of 2 men and put a stop to a string of week-end burglaries of downtown businesses.

"We have no idea exactly how many businesses were burglarized," said Police Chief Darrell Gooch. "We are still taking reports and processing paper work."

What is known at this time, according to Gooch, is that Azteca, Producers, Bibi's Dream Cuts, and a building attached to Payne Pharmacy were burglarized late Friday night and early Saturday morning.

The men hit again late Sunday, and early Monday with

burglaries of Caprock Motor Parts and Don Hardy Fuel Efficient Irrigation.

"After they burglarized Don Hardy's they took the stolen items home and returned again to burglarize Kirk & Sons," said Gooch. "They broke in the back door and were inside when the alarm went off at 1:30 a.m. A city officer was across the street at the county jail when the alarm sounded. He ran around the back of Kirk and Sons and secured the back door. Good citizens, who had been visiting with the officer (and were standing across the street), shined their flashlights through the front windows of

Kirk and Sons.

"The lights in front and the officer in back made the burglars think there were cops all over the place.

"When back-up arrived, police captured the burglars."

Arrested inside Kirk and Sons were: Rocky Terrell, 25, of Floydada, and Jimmy Holland, 19, of Floydada.

"A third suspect, a 21 year old man, has been identified and is cooperating with police," said Gooch. "He has not been arrested at this time."

Most of the property stolen during the burglaries has been recovered.

Escaped prisoner apprehended

A prisoner, Terry Lynn Williams, who escaped from the Floyd County Jail on October 4, was captured in Sierra Blanca, Texas, October 8. When apprehended he was driving a pickup stolen out of Floydada.

Williams, 40, of Floydada,

was originally arrested for domestic violence/assault, on October 4 and taken to the Floyd County Jail.

While being booked into jail Williams became aggressive and the booking office backed out of the room to wait for backup.

While the officer was outside the room and waiting for backup, Williams destroyed everything in the room (including the computer) and used a metal chair to break out a window.

New congressional districts will bring new faces to Floyd County

Six months of fighting over congressional redistricting ended Sunday, when the Senate passed a redistricting plan in their 3rd special legislative session. The new map moves Floyd County from Congressional District #13 to District #19.

The bill now goes to Gov. Rick Perry to sign into law. Democrats have pledged to take their fight to court.

Texas voters have elected Republicans to all 27 of the statewide offices, but Democrats still hold a majority in the state's 32-member congressional delegation. Republicans say that's because boundaries for congressional districts have been drawn to benefit Democrats.

The new map, approved in the Senate by a 17-14 vote, will likely give the Republicans the majority in the Texas Congressional delegation that is now ruled 17-15 by Democrats.

The new plan could give Republicans 21 or 22 seats in Congress.

Floyd County will now be a part of District 19. Incumbents Randy Neugebauer, R-Lubbock, and Charlie Stenholm, D-Abilene, will now have to face each other in the general election to decide who will represent the new district.

District #19 is made up of 27 counties with a Democrat/Republican split of 39.9/60.1. (This number is based on voting in the 2002 race for lieutenant governor).

Other counties in District #19 will be: Lubbock, Hockley, Cochran, Hale, Lamb, Bailey, Castro, Parmer, Deaf Smith, Yoakum, Terry Lynn, Garza, Kent, Gaines, Borden, Howard, Fisher, part of Nolan, Taylor, Callahan, Shackelford, Callahan, Eastland, Stephens, Young, and part of Archer.

Redistricting affects only Floyd County's congressional seat. The County will lose the representation by the current representative, Congressman Mac Thornberry. Thornberry's District

13 now includes 44 counties, with Potter, Randall, and Wichita counties part of the district.

Floyd County will continue to be represented in the Texas legislature by Texas Representative Pete Laney (D), and Texas Senator Robert Duncan (R).

Rogelio Villalon pled guilty to a July 3, 2003 charge of Theft. He was fined \$500 and court costs, and sentenced to 60 days in jail which was probated for 1 year.

Jerry Lynn Williams, 40, of Floydada, was charged with Criminal Mischief. There was no disposition on this case.

October 14, 2003, a theft (by check) charge against Alicia S. Castaneda was dismissed.

Lockney's "Stop Sticks" stop fleeing suspect

"Stop sticks" has once again come in handy for the Lockney Police Department in stopping fleeing suspects.

October 3rd at 9:23 pm Lockney Police were advised that Plainview Police Department Officers were in pursuit of a white four door vehicle heading east bound on Hwy. 70 from Plainview.

The vehicle was being pursued for traffic violations and failure to stop. The vehicle was also being driven with the headlights off.

Floyd County Deputy Sheriff Paul Raisse and Lockney Police Officer Casey Wallace drove to the Aiken Community to help stop the vehicle. Officer Wallace deployed "Stop Sticks" on Hwy.

70 and the suspect's vehicle hit one of the sticks with his front right tire. This caused the tire to go flat and the driver stopped the vehicle approximately one half mile down the road. The driver was arrested without further incident.

According to Lockney Police Chief Jerry Edwards "This is the second time we have used "Stop Sticks" to stop fleeing vehicles. The first time was on September 4th when we were able to stop a stolen vehicle. Two Lockney residents were arrested and charged with the theft of the vehicle". "We are very thankful to the First National Bank in Floydada for giving us the funds to purchase the "Stop Sticks" said Chief Edwards.

Lockney Council meets new city police officer

Lockney City Councilmen were introduced to the new city policeman, Michael Trey Dolloff, during Tuesday's regular city council meeting.

Dolloff, who goes by "Trey", is a former Lubbock police officer. He is married and has three children.

Preston Belt reported to the council on the \$42,000 FEMA grant received by the Fire Department. Part of the grant (\$17,000) will be used to by a training software program. The program is the same training program as used by the Floydada Fire Department.

The council approved the appointment of Heath Burleson on

the Lockney Economic Development Board.

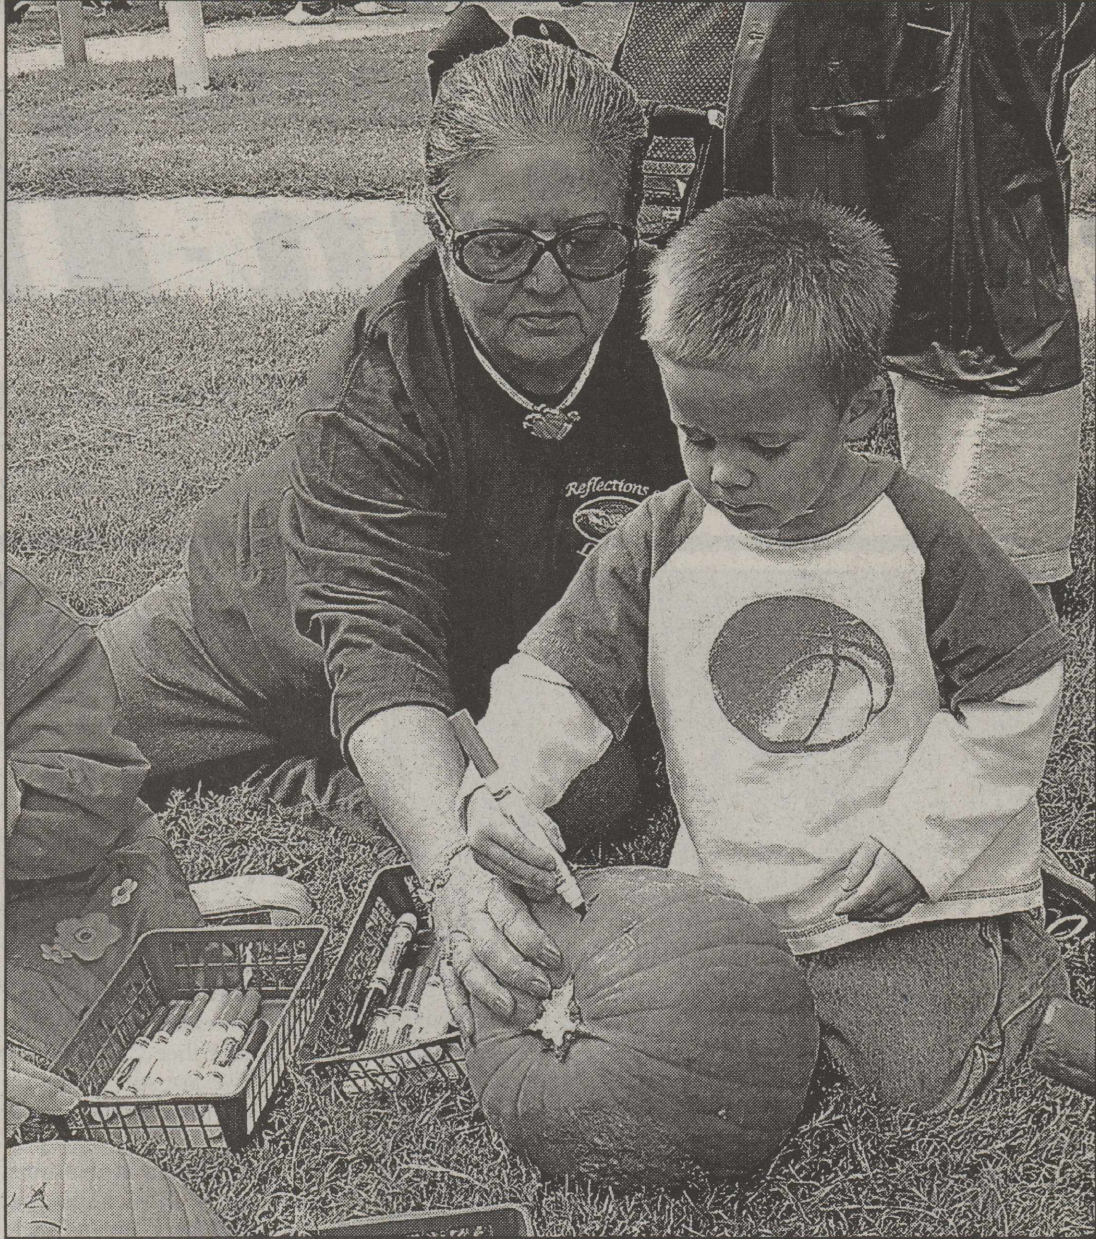

Also approved was a carport variance at 510 S.E. 1st, and raising door-to-door sales permits from \$1.00 to \$10.00.

The Council also reviewed and approved the Oct. 2003-September 2004 budget of Opportunity Lockney.

Income from sales tax revenue was estimated at \$22,306.92.

Administration expense was \$6,981.12; Marketing and promotion was \$2,230; for total expenses of \$9,211.12.

Net income would be: \$13,095.80

Cogdell Trust donations help with local emergency care

Connie Cogdell, chairman of the board of the Martha Ann Cogdell Trust, recently announced that donations of \$10,000 each have been made to W.J. Mangold Memorial Hospital, Caprock Hospital District, and to the City of Lockney Ambulance Fund.

Also receiving \$10,000 donations were: City of Turkey Ambulance Fund, City of Quitaque Ambulance Service, Silverton Voluntary Ambulance Service, and Hall County EMS Ambulance Service.

The Swisher Memorial Hos-

pital District-Tulia Rural Health Clinic was the recipient of a \$20,000 donation from the Martha Ann Cogdell Trust, and the City of Claude Volunteer Ambulance Service and The Wayside Emergency Team, Inc., both received \$5,000 from the Trust.

For many years the Martha Ann Cogdell Trust has purchased ambulances for various cities and hospital districts in this area, including the Caprock Hospital District Ambulance Fund, the City of Wayside Emergency Team, the City of Claude Volun-

teer Ambulance Service, the Silverton Voluntary Ambulance Service, the City of Lockney Ambulance Fund, and the Motley County Ambulance Service.

In addition, many thousands of dollars have been made in annual gifts to these various ambulance services to assist in operation expenses. The Trust also has built clinics in Floydada, Lockney, and Silverton.

The members of the board of directors of the Martha Ann Cogdell Trust are Connie Cogdell Clark, Gaylon Clark, Billy Rank Cogdell, Bette Cogdell, and Norma Birdwell.

Escaped prisoner caught

Continued From Page 1
When the officers reentered the room they found it empty. Williams had fled out of the open window.

The same night a pickup truck was stolen and police suspected that Williams had fled in the sto-

len truck.

"Williams was caught at a border patrol check point," said Sheriff Royce Gilmore. "When he returns he will face additional charges of escape, criminal mischief, and unauthorized use of a motor vehicle."

Sheriff gives report on seized property to Commissioners

Floyd County Commissioners met in regular session, October 18, and accepted an Asset Forfeiture report from the Sheriff's Department.

Floyd County Sheriff Royce Gilmore listed, in the report, \$834.00 received from a seized vehicle and \$992.00 cash recovered and seized in a drug case.

In other action Commissioner Graig Gilly accepted a position on a S.P.A.G. board. The position became open when Floydada City Councilman Clar Schacht term was completed. "I think it is in the best interest of Floyd County to have someone local to fill this position. Clar has represented our community well and I will be pleased to serve on this board," Gilly said.

Floyd County Attorney, Lex

Herrington presented the court with a resolution to destroy out dated law books. The resolution would authorize the County Attorney, County Judge, District Attorney and District Judge to destroy the law books that have been updated. The court voted unanimously to pass the resolution.

The City of Floydada presented the Commissioners Court

with a new contract to use the city landfill. The new contract raised the dumping fee from \$27.50 to \$30.00 per ton. The court authorized Judge Hardin to sign the new contract.

On an annual basis the Commissioners Court reviews and sets the daily reimbursement funds for Floyd County jurors. The court moved to keep the reimbursement rate at the previous amount of \$12.

Lockney Senior Citizen News

By Vera Jo Bybee

Flu shots will be given at the Senior Citizen's Center Thursday evening starting at 5:00. Seniors be sure and bring your Medicare and Supplement cards.

Fred Merrell is in Lockney this week visiting his Mother Dorothy Merrell. They stopped by Monday and visited with me. It was so good to see Freddie in person. We visit by email but I haven't seen him in years. I knew him right off too. He made such a nice looking young man.

He said he read in one of my articles that Eldon Fortenberry and his mother stopped by so he thought he would to. He and Eldon are cousins, he said. Thanks guys for stopping by.

The McDonald's, Robert, Marlon, Sherry and Britta visited Sherry's family in Stephenville recently. Robert's daughter Kathy Elam came over and took Robert home with her to Ft. Worth for a visit.

Monty and Cindy Bybee and youngest son Mark came through Lockney after picking up some show pigs. They visited the McDonalds and Bybees.

Vida Hrbacek's 13 year old grandson J.Paul had an accident on his 4 wheeler while bringing in the horses. He got off to open a gate and got back on but doesn't remember what happened next that caused the accident that broke his right arm and leg. J.Paul is the son of Rick and Renee Hrbacek and J.Paul's other grandparents are Jimmy and Mary K Cummings of Hale Center.

Vida Hrbacek and Molly Huffman recently attended their Plainview High School's 50th class reunion in Plainview.

Mary McAlister and her family of Abilene were recent guest of Mary's parents, Charles and Molly Huffman.

Bruce Baccus and family of Plano came last Thursday to visit his parents, Jody and Rusty Baccus. Saturday they went to Lubbock to visit his wife Mary's family and attended the Tech Homecoming football game.

Gene and Arvie Newton were in Lubbock last week seeing Arvie's Doctors and while there they visited with the Bobby "Little Rip" Griffiths.

Susie Frizzell is recuperating from back surgery in the Lubbock Covenant Hospital.

Our thoughts and prayers are with you Susie.

Bobby Carthel is now home recuperating from the quadruple bypass surgery he had in Amarillo. We wish Bobby a speedy recovery.

Sunday Donnie and I went to Plainview to help Jimmy Lee and Beverly McGowen celebrate their 50th wedding anniversary.

The 48ers recently had their monthly luncheon at Mr. Gatti's in Plainview.

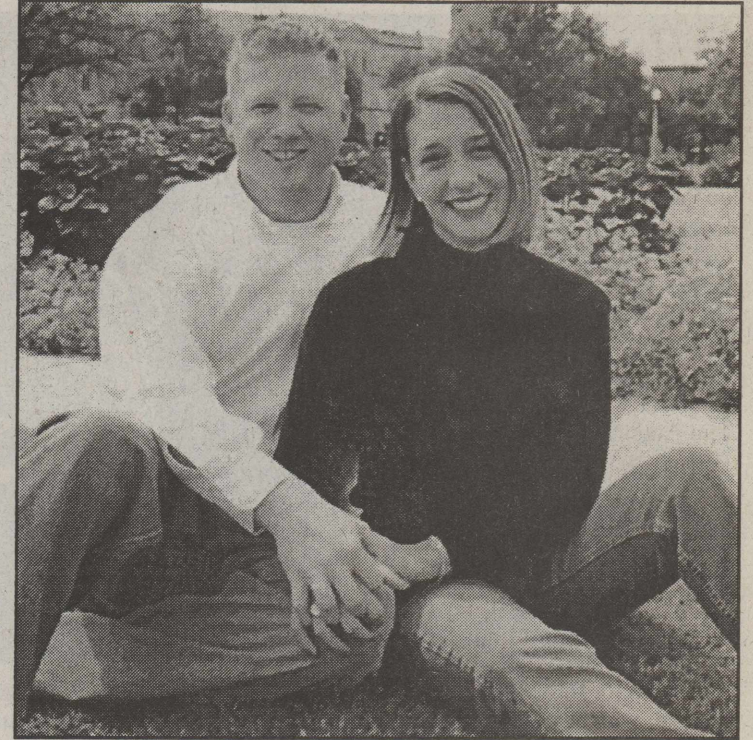

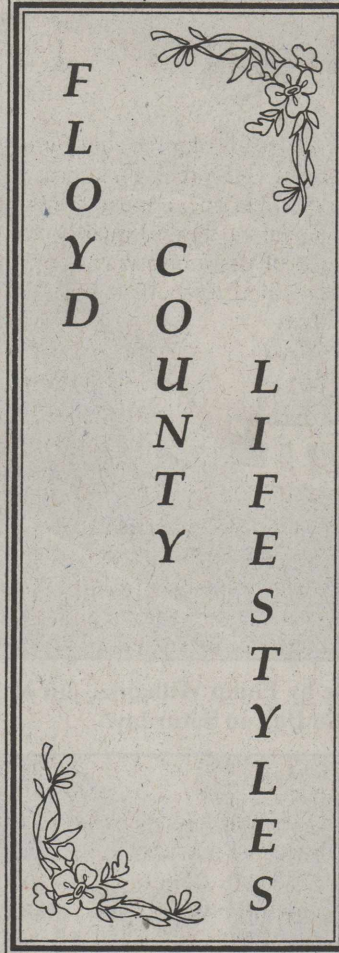

Attending were Erma Hall Mickey, Elna Sanderson Bloys, Inez Dunavant Mosley, Bobbye Lu Casey Bean, Gleyenn Earle Norman Cummings and Vera Jo Rogers Bybee. Guest was Gleyenn Earl's husband Sterling. I have started putting together

some of the data I have been collecting on the Movie Theatre here in Lockney. I went to the abstract office, county clerk's office in the Court House and then over to the Floyd County Museum. I visited there with Carolyn Jackson who had made copies of the Olympic Theatre ads in the Lockney Beacon for me.

With the help of Judy Thayer at the abstract office I found that C.W. Wilkinson (my Granddad Elbert Thomas' first cousin) bought the property from Geo T Meriwether and wife Marcia in 1920 for \$6,500.00. (Now in 1920 that was a lot of money. In this day and time it is still a lot of money). Quotes from the Beacon said he named the movie house "The Olympic Theatre". Curtis Wilkinson went to Dallas for the theatre equipment and the movie reels. He said "The Olympic has the strongest lineup in the way of programs of any playhouse in the Panhandle, Amarillo not excepted." Curtis said he is determined to give the Lockney people "the best that money can buy and rely upon their judgement as a reward for his efforts."

More about The Olympic in next week's article.

PAUL CODD, JR. AND BRITTA TYE

Tye and Codd

Mr. and Mrs. Jim Tye of Lubbock are proud to announce the engagement of their daughter Britta Lynnae Tye to Paul Raymond Codd, Jr., of Detroit, Michigan, son of Patricia Darin, Mr. and Mrs. Paul Codd, Sr., and Anthony Darin, All of Detroit, Michigan.

Britta is the granddaughter of Edna Beth Tye and the late Bill Tye of Floydada, and Walter and Marie Bednarz of Slaton. Britta holds her bachelor's degree in Public Relations from Texas Tech, is currently attending graduate school and is employed by Texas Tech University.

Paul is a veteran of the United States Coast Guard and is pursuing his degree in Exercise Sports Science at Texas Tech University.

The couple will be married at St. Elizabeth's Catholic Church in Lubbock, January 10, 2004.

Look who's new!

JIMENEZ

Aurelio and Sandra Jimenez are proud to announce the birth of their son, Joshua Dee Jimenez.

Floydada Senior Citizen News

By Margarette Word

The Center is open Monday through Friday. Lunch starts at 11:30 a.m. Come eat a hot lunch and visit your friends.

Visitors eating at the Center during the week of October 6-10, that I know about, were Bobby West of Lubbock (Irene King's grandson) and Clifton Jernigan of Lubbock.

On Wednesday, October 8, sixteen workers at Spirit of Sharing ate lunch with us. They were replacing summer clothes for winter clothing. We enjoyed visiting with them.

Wednesday, October 8, Mildred Wyle, formerly of Floydada but now lives in Lubbock brought members from her Sunday School Class at St. John's Methodist Church to Floydada to visit Assiter's Punkin Ranch. We hope they had a good time and will want to come back next year.

Martha Farris called me so I could let you know our next movie at Kid's Korner will be Friday, October 24, at 2:30 p.m. The movie, "Pay It Forward", is an award winning movie starring Keven Spacey, Helen Hunt and Haley Joel Osmet. Be sure to mark your calendar, because you will not want to miss seeing this movie.

Margrette Holmes' sister, Elaine Wilson from Lubbock; daughter Janet Chapman from Amarillo; granddaughter Denise Pearson and her daughter Rhiannon and son Garrett, and a friend, Dough, all from Wolf-

forth, were here over Punkin Day weekend. Margrette enjoyed having four generations of kin visiting her. They also went out to Assiter's Punkin Ranch and enjoyed seeing all the pumpkin and gourds.

Our sympathy to the family of Carl L. Minor, Jr.

Our sympathy to the family of Joe Cisneros, Jr.

Thank you for remembering the Center when you need to make a memorial donation.

In memory of Lon Davis - Harold and Carol Reese.

In memory of Velma Young McKee - Harold and Carol Reese.

In memory of Elvie Henderson - Roy and Neva Barber.

Thought for the week - The only disability in life is a bad attitude.

Menu

October 20 - October 24

Monday - Salisbury steak, baked potato, cauliflower, biscuit, cherry pie or cobbler

Tuesday - Roast turkey, sweet potatoes, green beans, tossed salad/1000, wheat roll, cranberry dessert or cranberry bread

Wednesday - Braised beef and brown gravy, rice, brussels sprouts, carrot sticks, cornbread, peach cobbler

First Baptist, Lockney honors special couples

The First Baptist Church in Lockney recognized some very special people Sunday, October 5, 2003. Twelve couples from within the church family, who had been married over fifty years, were recognized during the morning service by Pastor Phillip Golden. He then led them in renewing their wedding vows.

Following the morning service, the church treated the couples, and any of their family with them, to a lunch in the fellowship hall, where the tables had been decorated with lovely fall centerpieces.

The twelve couples recognized were: Sol and Geneva Barclay, Claude and Wilma Brown, Bryan and Helen Carr, W.O. and Edythe Clark, Kathryn Cooper, Newt and Sudie Gant, Aubria and Bernese Kent, L.A. and Clara McCain, Tom and Mary Jean Moore, Henry and Viola Rowell, Paul and Laura Teuton, and Rudy and Wanda Zachary.

Fawver to celebrate 90th birthday with family and friends

Gilbert L. Fawver will celebrate his 90th birthday on Sunday October 19, 2003 in the Parlor of the First Baptist Church, Floydada, from 2:00 to 4:00 p.m.

The family invites you to come and help them celebrate the wonderful occasion.

Gilbert is a life long resident of Floydada. He was born October 19, 1913 in the house where he now lives with his wife Thelma. He married Thelma Colston on October 19, 1933 in Floydada.

His daughter and son-in-law Edwin and Doris Wilcox of Floydada; grandchildren, Charles and Tammy Dunn of Lubbock, Terri Wilcox of Floydada; and great-grandchildren, Eddie and Katie Dunn of Lubbock will be hosting the celebration.

Whirlwinds blow by Friona 38-14

By Bill Gray
The Floydada Whirlwinds opened District 5-2A action last Friday with an impressive 38-14 victory over Friona.

Rebounding from a non-district loss to Crosbyton a week earlier, the Whirlwinds improved to 4-1 overall and set up a crucial battle this week at Abernathy. The Antelopes upset district favorite Lockney 25-19 in triple overtime last week and improved to 4-2 for the year. The Lopes have already won more games at this point of the season than they did in their entire 2002 campaign. Abernathy was winless in district play a year ago.

Friona dropped to 2-4 for the season and will host the surprising Olton Mustangs tomorrow night. Olton, lightly regarded by most pre-season pollsters, opened district play by blasting winless Hale Center 33-0 and is atop the district standings with a 5-1 overall record.

The Whirlwinds wasted little time getting on the board by scoring in the game's first 34 seconds. Following a Friona penalty to open the game, Luke Miller took the first snap from scrimmage, timed an option pitch perfectly to Gerald Henderson, who scampered 54 yards downfield into the visitors' end zone. Henderson hooked the point-after kick attempt, but the Whirlwinds were up 6-0 before a lot of spectators were settled in their seats.

Friona quickly responded with a scoring march of its own. Quarterback Brock Field's 20-yard pass to Steffan Busch, along with a couple of nifty runs, spearheaded the 10-play, 57-yard drive which ended with a 6-yard touchdown by Ruben Alvarado. Antonio Monreal's conversion kick gave the Chieftains their first, and only, lead of the game.

Luke Miller's 44-run off the option set up Floydada's next score - a precise, 12-yard touchdown toss to Jacob Reddy. The attempt for the 2-pointer failed, but Friona's lead lasted but two minutes as the Whirlwinds regained the upper hand at 12-7. The Winds capitalized on Friona's first turnover when Ross Bennett's 39-yard punt was

muffed by the Chieftain receiver. Justin Martinez's recovery (his first of two fumble recoveries in the game) led to Gerald Henderson's second rushing touchdown - a 26-yard jaunt in the first minute of the second quarter. Henderson would lead all rushers with 13 carries for 136 yards. Field led the visitor's rushers with 19 tries for 108 yards.

The second fumble recovery by Justin Martinez put an end to Friona's ensuring scoring threat, giving possession back to Floydada midway through the second period.

Once again the Whirlwinds took advantage of the Friona miscue. On second down from his own 36-yard line, Miller broke into the clear on an option and rambled 64-yards for another long-range touchdown. Miller also hit the 100-yard plateau by carrying 6 times for 124 yards. Henderson's first conversion kick extended Floydada's lead to 25-7, but it wasn't the final Whirlwind point of the first half.

After holding the Chieftain offense to 3-and-out, Floydada added to the runaway with a 9-play, 69-yard scoring drive in the final moments of the quarter. The drive started with a well-executed pitch from Miller to Ty Heflin, which picked up 16 yards and a first down near midfield. A 23-yard pass from Miller to Gerald Henderson, followed by a 21-yard romp by Henderson, moved the Winds to a first down at the visitors' 6-yard line. A holding penalty stalled the drive for a moment, setting up what appeared to be a field goal attempt. The Whirlwinds opted, instead, for a fake.

The gamble paid off as Angelo Williams carried on an end-around for the touchdown from the 6-yard line. Henderson's second conversion kick extended the Whirlwinds' lead to 32-7 at the halftime break.

Four minutes into the third quarter the Whirlwinds' big-play offense struck again.

Miller hit a wide-open Jacob Reddy and the 52-yard, pass-and-run play resulted in Floydada's final score. Reddy added to his

successes of the evening by intercepting a Brock Field pass to end Friona's next threat. The remainder of the 3rd quarter and most of the fourth period were controlled by both teams' defenses.

Brock Field led the way with a 12-yard rush and a 16-yard pass to Matt Gammon as the Chieftains mounted a 8-play, 57-yard scoring march late in the fourth period.

Jacob Hoon carried the final two yards with a little over two minutes remaining in the game. Following a Floydada punt, the Chieftains' last chance for another score was thwarted by another turnover. Whirlwind defender Luis Lopez picked off a Brock Field aerial, Ross Bennett ran out the clock on one knee, and the Whirlwinds were 1-0 in District 5-2A action.

Coach Lee Hurt commented, "Our kids came out and played hard...they executed the game plan pretty much the way we wanted them to and gave a great effort - that's what we were looking for. We knew they were very big and very explosive on offense...we had some big defensive plays at the right time to shut them down. We also had some big plays on offense...our offensive line did a great job of blocking and our backs ran hard and blocked well. Our offense executed the way we wanted them to, and when that is done...good things happen."

The coach added, "It's awfully good to get that first district win under our belts, but we know we are going to have to continue playing well. Abernathy has kind of turned things around and they are going to be tough over there. We've just got to prepare for their best effort and play as hard as we can...that's what our kids will try to do."

Kickoff is 7:30 P.M. tomorrow night at Antelope Stadium in Abernathy.

Longhorns fight hard battle in 3 OT game

By Coach Edwards

Deja vu was the scenario last Friday night at Antelope Stadium in Abernathy. The only difference between this year and last year's game was this year's district clash was a triple overtime game instead of a single overtime, and the Antelopes were victorious this time around 25-19.

Both team's defenses were the keys to an exciting finish for the District 5-2A opener. The Antelopes were able to slow down the Longhorns explosive ground game while Lockney was able to keep Abernathy's spread offense from exploding during the regulation time.

Abernathy got on the scoreboard first when Jared Brock broke through the Longhorn defense for a one-yard touchdown run. The point after was no good, but gave the Antelopes a 6-0 lead with seven seconds remaining in the first quarter.

The Longhorns answered back midway through the second quarter when Mark Ford scampered into the end zone for a 10-yard touchdown run. The point after was also no good knotting the score 6-6.

In the third quarter, the Antelopes drove the ball deep into Longhorn territory but turned it over to Lockney on a fumble recovered by Hagan Johnson.

Late in the fourth quarter, the

Longhorns had their chances as they drove the ball into Antelope territory but turned it over on downs. Abernathy had the last chance during regulation, but a field goal attempt fell short sending the game into overtime.

On Lockney's very first play of overtime, Cagan Cummings out ran the Antelopes for a 25-yard touchdown. Michael Rodriguez point after was good giving the 'Horns a 13-6 lead. Abernathy found themselves with a fourth and goal situation, but Derrick Brown escaped the pressure and connected with Isaac Ballejo in the back of the end zone for an 8-yard touchdown reception. Hugo Martinez' point after was good tying the score 13-13.

The second overtime was just as exciting. Lockney put together a drive that resulted in a three-yard touchdown by Mark Ford. The extra-point was no good making the score 19-13. After a crucial penalty for the Antelopes, they found themselves with a third and long situation. However, once again, Derrick Brown avoided the Longhorn rush and connected with Isaac Ballejo crowded by Longhorn defenders for an 11-yard touchdown pass. But, the point after was deflected by Lance Terrell keeping the score tied 19-19.

On Lockney's possession of the third overtime, the Antelopes swarmed to the ball causing the

'Horns to turn it over on downs. The Antelopes then took advantage of a tired Longhorn defense and powered their way into the end zone. Jared Brock broke several tackles as he dove in from five-yards out for the game ending touchdown.

"I guess if you were a spectator it was a heck of a game to watch," Coach Robertson exclaimed. "We are hurting a bit, but that is a sign of a team that cares. I know these young men will bounce back. We will just have to take one game at a time."

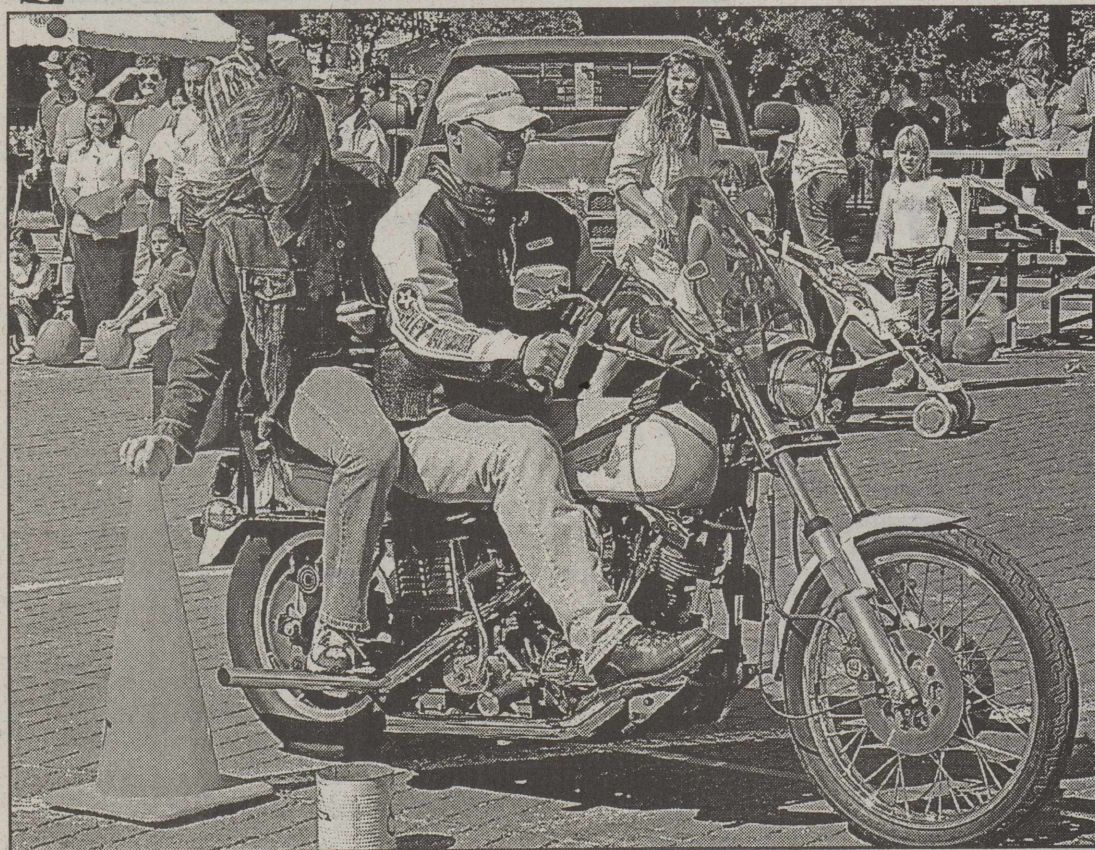

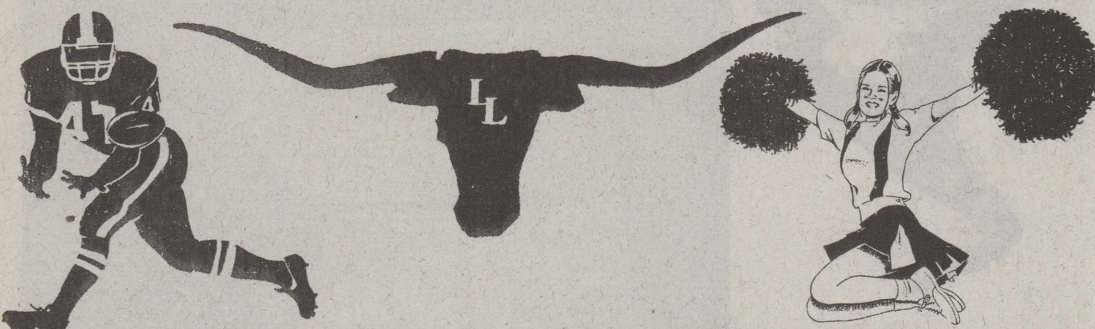

Jared Brock led all rushers with 130 yards and two touchdowns. Mark Ford finished with 116 yards and two touchdowns. Derrick Brown was 9 of 18 for 106 yards and two touchdowns.

Lockney (5-1)(0-1) will resume district play and will host the Hale Center Owls (0-6)(0-1) starting at 7:30 p.m. at Zimmermann-Mitchell Stadium in Lockney.

Lockney JV Football News

The Lockney Junior Varsity squad lost their first district game to the Abernathy Antelopes 28-6.

Lockney had a rough time staying close to the Antelopes turning the ball over five times.

"Turnovers will get you beat every time," Coach Young said. "I thought we were a better team and played better than them, but if you can't hang on to the pigskin it is a whole different ball game."

Lockney trailed 12-0 at the half, but struck back quickly in the third quarter when Blaine Hall connected with Brandon Hall on a 45-yard touchdown pass closing the score to 12-6. But the Antelopes scored twice more and converting both two-point conversions giving themselves a larger advantage.

Lockney is 4-2 on the season and 0-1 in district. The Longhorns will travel to Hale Center on Thursday to take on the Owls starting at 6:00 p.m.

Lockney 8th Grade Football News

The Abernathy Antelopes overpowered the Lockney Short-horn 8th grade squad last Thursday 28-0. The Antelopes scored 14 points in the second and third quarters to gain the advantage.

The Shorthorns, who were missing six starters on both sides of the ball due to injuries, struggled both offensively and defensively. Lockney could not find much consistency in their offense and were having to play players out of position to fill the holes for the injured.

"I was really proud how we kept battling even though people were having to play out of position," Coach Heard said. "We have to keep working hard and experiment with some position changes to help us become a little more solid on both sides of the ball."

The 8th Grade Shorthorns fall to 1-4 on the season and 0-1 in district. The Shorthorns will play the Hale Center Owls in Lockney at approximately 6:30 p.m.

Lockney 8th Grade Football News

The Lockney 7th Grade Junior High squad fell short to the Abernathy Antelopes 14-0 last Thursday in Abernathy.

The Antelopes got on the board first early in the first quarter taking a 8-0 lead. Midway through the second quarter, the Shorthorns drove the ball inside Abernathy's five-yard line. However, Lockney was denied and turned the ball over on downs. The Antelopes scored on their next possession which was all they needed for a 14-0 lead.

"We got down early, but we still fought until the end," Coach Edwards said. "We just need to cut down on mistakes early in the game. Once we get settled in we're a good team."

Lockney falls to 1-3-1 on the season. They will play host to the Hale Center Owls on Thursday starting at 5:00 p.m.

Hey Longhorn Fans!

The Horns play Hale Center at home Friday night
So come out and support our team. Game Time 7:30

Chadwick, Harris, Payne, Wright and Bybee are weekly football winners

The winners in our weekly football contest this week are Jackie Chadwick, Franklin Harris, Jenna Payne, Justin Wright and Bryan Bybee.

Jackie Chadwick of Floydada will be receiving the first place check of \$25 as she only missed 3 games.

We had four entries that missed 4 games each. They were Franklin Harris and Jenna Payne, both of Floydada and Justin Wright and Bryan Bybee, both of Lockney.

The first tie-breaker game between Floydada and Friona was used. The final total score of that game was 42 with Floydada as the winner. Harris was the only one out of these four entries that picked Floydada to win. He chose them to win by a total score of 40 (only 2 points off).

The other three entries picked Friona to win in the first tie-breaker, so the second tie-breaker game between Lockney and Abernathy was used. But all three

entries also incorrectly chose the winner of that game. They all chose Lockney to win.

So we determined these three entries (Payne, Wright and Bybee) to be the third place winners. Each will receive a check in the amount of \$3.33 each.

Honorable Mention goes to the entries that missed only five games. They were Guy Fowler, Max Yeary and Sheree Cannon, all of Floydada and Ricky Ascencio, Mark Ford and Jeran Butler, all of Lockney.

We had 50 entries turned in this week.

There were four missing 6 games; five entries missed 7 games; eleven entries missed 8 games; five missed 9 games; five missed 10 games; one missed 11 games; five missed 12 games; two missed 13 games and one missed 18 games.

Please be sure and mark your choice of the winner in each game. If it is left unmarked, it will be counted incorrect.

The recently announced results of Sign-up 26 of the Conservation Reserve Program left many Texas applicants with an uneasy feeling and a ton of questions.

For officials at Plains Cotton Growers, Inc. one of the most visible and surprising statistics of all was that less than 25 percent of the applications submitted from Texas were eventually approved.

For the other 75-plus percent, which included a significant number of applications on current CRP contract acreage, the obvious question is: "What can be done to keep currently enrolled CRP acreage in the program and maintain the conservation benefits that they provide?" What it really comes down to, however, is how can applicants improve their offer's Environmental Benefits Index (EBI) score and improve their chances of being accepted or, more importantly, reaccepted.

For several years EBI scores have been the basis for ranking and determining which applications will or will not be accepted.

It is understood that as years go by and conservation priorities change that different weight is placed on various portions of the EBI.

What Sign-up 26 brought to light was the fact that existing CRP contracts fail to receive any additional EBI credit when reapplying, even though the acreage was deemed worthy of conservation in the past.

The following EBI factors were used to assess and rank offers during Sign-up 26: Wildlife Habitat benefits; Water Quality benefits; On-farm benefits; Enduring benefits; Air Quality benefits; and Cost.

Subcategories identified specific conservation practices and the credit (score) received for

them. The average EBI score for accepted applications during the most recent sign-up was 269, although counties at or near the CRP cropland limitation could have had a higher EBI cut-off score.

Nationwide contracts were offered on some 4.0 million acres. Approximately 1.6 million of those acres were currently enrolled in the CRP. Only 700,000 acres of currently enrolled CRP acres were accepted and will remain in the program.

A strong argument can be made that much of this acreage needs to remain in the CRP instead of being reintroduced to crop production. Land in the CRP program was placed there for a reason and should have every opportunity to remain actively enrolled in order to extend the benefits the CRP provides.

It is also important that the procedures governing future CRP sign-ups give additional credit to existing CRP acreage and the conservation benefits that have already been accrued.

One idea that could keep thousands of acres of highly erodible land in the CRP would be to grant additional credit within the EBI framework for currently enrolled acres.

It seems only fair that landowners who are participating in

the program, at some point, be given extra credit for the conservation practices and benefits they have already realized through the program.

Another option to bridge the time it takes to implement such a revision would be contract extensions that allow landowners an opportunity to reapply for the program during the next sign-up period.

PCG officials say that efforts to seek these changes and investigate other areas where improvements in the CRP sign-up process can be made will be continued.

Nationwide the CRP has been an overwhelming success and has allowed millions of acres of highly erodible land to be retired from crop production.

One thing that must be remembered is that, even though the CRP remains a dynamic program that reflects the changing conservation priorities of the nation, the priorities that brought acreage into the program in the first place should not be ignored.

Doing so would quickly erase many of the positive benefits that are being realized through the program on a daily basis.

JOSE CISNEROS, JR.

Rosary for Jose Cisneros, Jr., 60, of Floydada was Friday, October 10, 2003 at Moore-Rose-White Memorial Chapel. Funeral Mass was celebrated Saturday, October 11, 2003 at St. Mary Magdalen Catholic Church in Floydada. Father Philip de Frietas officiated. Burial was in Floyd County Memorial Park under the direction of Moore-Rose-White Funeral Home of Floydada.

Mr. Cisneros passed away Wednesday, October 8, 2003 at his residence in Floydada.

He was born January 23, 1943 in La Villa to Jose Cisneros, Sr. and Maria Saenz Cisneros. He married Elvia Saenz on April 30, 1966 in La Villa. He moved from La Villa to Floydada where he lived for 37 years. He was a custodian at the Baptist Church until he retired in 1993 and was a member of the St. Mary Magdalen Catholic Church.

He is preceded in death by his parents, Manuel and Maria Garcia of Odem.

Survivors include one brother, Frank G. Garcia, of Odem; four sisters, Guadalupe G. Perez of Chillicothe, Evangelina G. Viafranco of Mathis; Carolina G. Garcia of Odem and Elida Ponce of Floydada; and numerous nieces and nephews.

Memorials may be made to the American Cancer Society or the Garland Street Church of Christ.

LUIS G. GARCIA

Rosary for Luis G. Garcia, 75, of Odem was recited at 7:00 p.m. Tuesday, October 7, 2003 at the Ritchea-Gonzales Funeral Home.

Garcia passed away Sunday, October 5, 2003 in the Sinton Care Center.

He attended Odem schools in his childhood years. He worked as a laborer before entering the Air Force on March 1947.

He became a Staff Sergeant in 1956. He served in the Korean War. He also served in Hawaii, Panama Canal Zone, Germany, Peru, Japan, England and many other places around the world.

He is preceded in death by his parents, Manuel and Maria Garcia of Odem.

Survivors include one brother, Frank G. Garcia, of Odem; four sisters, Guadalupe G. Perez of Chillicothe, Evangelina G. Viafranco of Mathis; Carolina G. Garcia of Odem and Elida Ponce of Floydada; and numerous nieces and nephews.

MELODY SWEARINGEN

Memorial services for Melody Ann Swearingen, 43, of Plainview will be held at 11:00 a.m. Thursday, October 16, 2003 at the Garland Street Church of Christ. Russell Harris of the Garland Street Church of Christ will officiate.

Mrs. Swearingen died Tuesday, October 14, 2003 at her residence.

She was born on October 3, 1960 in Floydada. She grew up in Floydada and graduated from Floydada High School.

She married Rick Swearingen on August 1, 1980 in Floydada. She moved to Plainview and worked as a Pharmacy Tech for Wal-Mart Pharmacy and also worked for Dr. Stephen Turner and as a secretary for Rick's Car Care.

She was preceded in death by her parents, Parnell and Frances Powell.

Survivors include her husband, Rick Swearingen of Plainview; one daughter, Ashley Swearingen of Plainview; one son, Weston Swearingen of Plainview; two brothers, Arlis Powell of Los Angeles, California and Jerry Powell of Houston; brother and sisters-in-law, Buster and Diane Jenkins of Plainview and Donna Barnett of Clovis, New Mexico; father and mother-in-law, Cled and Shirley Swearingen of Plainview.

Memorials may be made to the American Cancer Society or the Garland Street Church of Christ.

Pray for Our Troops

Dear Editor:

When my daughter fell asleep and rolled her vehicle several times just outside of Floydada on September 26th, two angels were there to help. **Melissa Workman** of Lubbock was traveling with her family and noticed a man by the side of the road waving his arms and talking on a cell phone. She saw the wrecked car and stopped to help. My daughter was still in her seat belt and barely able to tell Mrs. Workman my name and phone number. Mrs. Workman called me, described Lindsay's injuries, let me talk to my daughter and made sure the Floydada EMS had my phone number so that I would not lose touch as Lindsay was air-lifted to Lubbock.

Cleta Davis of the Floydada EMS was so kind and reassuring as she gave me the emergency room number and the time my daughter would arrive at the hospital. My husband and I were seven hours away in Tyler, but we were able to know exactly how our daughter was doing as we frantically packed and drove to Lubbock. We called the emergency room every hour for updates. Mrs. Davis has called several times to see how our daughter is recovering and Mrs. Workman even visited her in the hospital.

We are happy Lindsay will make a full recovery and we can't thank these two ladies enough for the comfort and reassurance they gave us during a terrifying time. We would also like to thank **Floydada Sheriff Royce Gilmore** for taking us to the wreck site on a Saturday morning to recover a cellphone and for his help in recovering Lindsay's business papers and items thrown from the car. We appreciate so much all the emergency personnel from Floydada, the Department of Public Safety trooper and others who helped and whose names we do not know.

We would also like to express our appreciation to the doctors, nurses and emergency personnel at Covenant Hospital who cared for Lindsay and kept us updated with information on her condition in the emergency room and in the surgical intensive care unit.

Our daughter has lived in Lubbock only two months and we now know everything she has told us about West Texas people is true. They are the friendliest, most helpful people we have ever met.

Gratefully,
Belinda and Roger Goodsell
Tyler

PUBLIC NOTICE

COMBINED NOTICE NOTICE OF FINDING OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Floydada Floyd County Hesperian-Beacon
P.O. Box 10 October 15, 2003
144 W. Virginia
Floydada, Texas 79235

TO: ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

Seventeen (17) days after this publication, the above named City of Floydada intends to request the Office of Rural Community Affairs (ORCA) to release Federal funds under Title I of the Housing and Community Development Act of 1974 (P.L. 93-383) for Contract No. 723289.

Exempt Activities

Grant Administration
Engineering Services

Environmental Assessment Activities

Installation of one lift station (to include grinder pumps, rails, and all equipment), removal and disposal of existing lift station equipment, demolition and replacement of lift station top slab, clean and waterproof wet-well wall, miscellaneous piping and appurtenances and installation of bypass pump at lift station.

Installation of one thousand one hundred seventy linear feet (1,170 l.f.) of four-inch (4") sanitary sewer lateral, fifty-eight (58) sewer service connections, four thousand eight hundred sixty linear feet (4,860 l.f.) of six-inch (6") PVC sanitary line and trench safety, manholes, cleanout bypass pumping and cut and repair two hundred sixteen square yards (216 s.y.) HMAC pavement.

Cost of the Project

\$275,000.00

Finding of No Significant Impact

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above named City of Floydada has decided not to prepare an Environmental Impact Statement under the National Environment Policy Act of 1969 (P.L. 91-190). The reason for such a decision not to prepare such a statement is based upon the fact that all environmental concerns could either be minimized or mitigated.

An Environmental Review Record for the proposed project has been made by City of Floydada, which documents the environmental review of the project, and more fully sets forth the reasons why such statement is not required. The Environmental Review Record is on file at City Hall, City of Floydada, 114 W. Virginia, Floydada, Texas 79235 and is available for public examination and copying, upon request between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Public Comments of Finding

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the address as set forth above. Such written comments must be received at the address specified within sixteen (16) days after this publication. All such comments so received will be considered and the City will not request the release of funds or take any administrative action on the project prior to date specified in the preceding sentence.

Release of Funds

The City of Floydada will undertake the activities described above with the Community Development Block Grant under Title I from its Program Year 2003 under grant numbered 723289 from the Housing and Community Development Act of 1974. The City of Floydada is certifying to ORCA that Bobby Gilliland in his official capacity as Mayor, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, City of Floydada may use the Block Grant funds, and it will have satisfied its responsibilities under the National Environmental Policy Act of 1969. ORCA will accept an object to its approval only on one or more of the bases and the procedures described in 24 CFR Part 58.75. Objections are to be addressed to the Office of Rural Community Affairs, P.O. Box 12877, Austin, Texas 78711-2877.

Objections to the release of funds on bases other than those stated above will not be considered by the ORCA. No objection received later than thirty-three (33) days after this publication will be considered by the ORCA.

Public Notice

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN AIR PERMIT.

PROPOSED AIR QUALITY PERMIT NO. 70025L001

APPLICATION: Bobby Thompson, has applied to the Texas Commission on Environmental Quality (TCEQ) for issuance of Air Quality Permit No. 70025L001 which would authorize the change of location of a Concrete Batch Plant to be located 4 miles north on FM 378 and then 1.5 miles west on CR 120, Lockney, Floyd County, Texas. The facility will emit the following air contaminants: particulate matter including particulate matter less than 10 microns in diameter.

This application was submitted to the TCEQ on August 27, 2003. The application is available for viewing and copying at the TCEQ central office, the TCEQ Lubbock regional office and the Lockney City Hall, 218 East Locust, Lockney, Floyd County, Texas. The facility's compliance file, if any exists, is available for public review in the Lubbock regional office of the TCEQ.

The TCEQ executive director has determined the application is administratively complete and will conduct a technical review of the application.

PUBLIC COMMENT/PUBLIC MEETING: You may submit public comments, a request for a public meeting, or request a contested case hearing to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. The deadline to submit public comments is 30 days after newspaper notice is published.

The purpose of a public meeting is to provide the opportunity to submit comments or ask questions about the application. A public meeting about the application may be held if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

If only comments are received on the application, the response to comments, along with notice of the executive director's action on the application, will be mailed to everyone who submitted comments or is on the mailing list for this application.

If a hearing request is timely filed, the executive director will complete the technical review, issue a preliminary decision on the application and a Notice of Application and Preliminary Decision will be published and mailed to those who are on the mailing list for this application. That notice will contain the final deadline for submitting public comments.

After the final deadline for public comments following any required Notice of Application and Preliminary Decision, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. If comments are received, the response to comments, along with with the executor's decisions on the application, will then be mailed to everyone who submitted public comments or is on a mailing list for this application.

OPPORTUNITY FOR A CONTESTED CASE HEARING: You may request a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court. Unless a written request for a contested case hearing is filed within 30 days from this notice, the executive director may approve the application. **If no hearing request is received within this 30 day period, no further opportunity for a hearing will be provided.** A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on those issues raised during the public comment period and not withdrawn.

A person who may be affected by emissions of air contaminants from the facility is entitled to request a hearing. If requesting a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "(I/we) request a contested case hearing; (4) a specific description of how you would be adversely affected by the application and air emissions from the facility is a way not common to the general public; (5) the location and distance of your property relative to the facility; and (6) a description of how you use the property which may be impacted by the facility. If the request is made by a group or an association, the one or more members who have standing to request a hearing, and the interests which the group or association seeks to protect, must also be identified. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing within 30 days following this notice to the Office of the Chief Clerk, at the address below.

If a hearing request is timely filed, additional notice may be provided. Following the close of all applicable comment and request periods, the executive director will forward the application and any requests for contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact relating to relevant and material air quality concerns raised during the comment period. Issues such as property values, noise, traffic safety and zoning are outside of the Commission's jurisdiction to address in this proceeding.

MAILING LIST: In addition to submitting public comments, you may ask to be placed on mailing list to receive future public notices for this specific application mailed by the Office of the Chief Clerk by sending a written request to the TCEQ Office of the Chief Clerk at the address below.

INFORMATION: Written public comments or requests for a public meeting or contested case hearing should be submitted to the Office of the Chief Clerk, MC-105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087. For more information about this permit application or the permitting process, please call the Office of Public Assistance, Toll Free at 1-800-687-4040. General information regarding the TCEQ can be found at www.iceq.state.tx.us.

Further information may also be obtained from Bobby Thompson, P.O. Box 825, Gruver, Texas 79040 or by calling Mr. Bobby Thompson, Owner at 806-733-2907.

Brightens rooms.

Brightens futures.

Give a Gift That Brightens More Than Just a Room.
 Think about it. Most gifts are pretty unimaginative. A lamp turns on. It turns off. Pretty exciting stuff. And there are some gifts that no one knows what they're supposed to do.
 But give Savings Bonds, and you'll be giving the gift of future possibilities-- from a down payment on a car to help with college tuition. With eight denominations to choose from, there's a size for every occasion. You can select the popular Series EE Bond or the inflation-protected I Bond. They're available through most banks, where you work, or automatically through the new Savings Bonds EasySaver™ Plan at www.easysaver.gov.

Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle the number of the teams you believe will win on the official entry form. To indicate a tie, circle the numbers of both teams playing the game. Also, write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker games.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5 p.m. on Friday will be accepted. Photocopies and mail entries will not be accepted.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games and equal scores on the tie breakers), prizes will be combined and shared equally by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at a Hesperian-Beacon office before 5 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
