OLD WEST DAY--R.C. Andrews Elementary hosted an Old West Day on Friday, October 14. Kids were treated to demonstrations of Folklorica singers, horse shoeing, trick roping (below), a chuck wagon, Indian Dancing, Buffalo Calves mascot from West Texas A & M, and demonstrations from Quitaque Park of buffalo usage by the Indians. The students went from one station to the next and at the end were treated to Country Western dancing in the gymnasium. Youngsters dressed in beautiful bright colors demonstrated native dancing on the R.C. Andrews stage (above) to kick off Old West Day. Photos Courtesy of Darla Chappell

## Special election includes a local issue on County office

By Aliee Gilroy

Constitutional Amendment elections are not known for high voter turnout in Floyd County or elsewhere in the State. However, the amendments included in the November 8 election may bring out more County voters to the polls.

Floyd County residents will be voting on an amendment that applies only to this County and also on the much publicized "Traditional Marriage Amendment."

At the bottom of the election ballot voters will either vote for, or against, "Keeping the office of the County Clerk of Floyd County, and the office of the District Clerk, of Floyd County, as two separate offices."

The amendment had to be included in this election after the State Legislature mandated that all counties whose population falls below 10,000 must have an election to vote on whether or not

they want to combine the offices of District Clerk and County Clerk or leave them as two separate offices.

"I believe the offices should stay separate," said Judge Hardin. "Combining the offices will not save the County any money. We will still need the same amount of people to run the offices and it would also prove to be an inconvenience."

County Clerk Marilyn Holcomb agreed. "I think it should definitely stay separated. It makes more sense."

District Clerk Barbara Edwards also felt the offices should stay separated. "It might end up costing the county more in the beginning if they combined the offices."

Also included on the ballot will be Amendment #2 which "provides that marriage in this state consists only of the union of one man and one woman and

prohibits this state or a political subdivision of this state from creating or recognizing any legal status identical or similar to marriage."

A vote "for" is in favor of the traditional view of marriage. A vote "against" would allow the state to recognize marriages other than marriages between one man and one woman.

### Voting Booths

Polling places have been consolidated for the November 8 election.

County Commissioner Pct. #1 will vote at the Massie Activity Center.

County Commissioner Pct. #2 will vote at the Methodist Church in Lockney.

County Commissioner Pct. #3 will vote at East Lockney, N.E. Floydada, and Fairmont.

County Commissioner Pct. #4 will vote at the Floyd County Courthouse.

## FISD superintendent looks at revising building master plan

By Darwin Robinson

The Floydada ISD Board met Tuesday, October 11, and again discussed a bond election timeline, a facilities tour and a shuttle bus for out-of-town teachers.

Superintendent Jerry Vaughn reminded the board, "February 13, 2006 is the first day to call for a May bond election and March 13, 2006 is the last day to call for the bond election, in order to beat the November General Election in 2006. These target dates will give us EDA funding in 2007, otherwise it would be 2011."

"It has been 18 months since our first Master Plan (for the failed bond election to renovate major facilities and consolidate campuses). We are now going to Plan B. We need to revise our Master Plan, which Grimes and Associates will do for \$7,500,"

said Vaughn.

In a letter from Grimes & Associates handed out to the board, Joe B. Grimes stated, "There have been a number of new developments since we first released our Master Plan, almost a year ago. There have been significant increases in the cost of everything construction related. Rather than performing a comprehensive renovation of the high school, we discussed constructing just a science wing and leaving intact as much as possible of the existing facility. It would be best if we updated our Master Plan and set a max-cost of \$7,500."

Board President Bill Dean said, "We need further study. We first need to see what we want to do, what our options are and whether we want major renovations or just renovate one facility at a time. We need to do a facili-

ties' tour, a work session and decide what our 20 year game plan is."

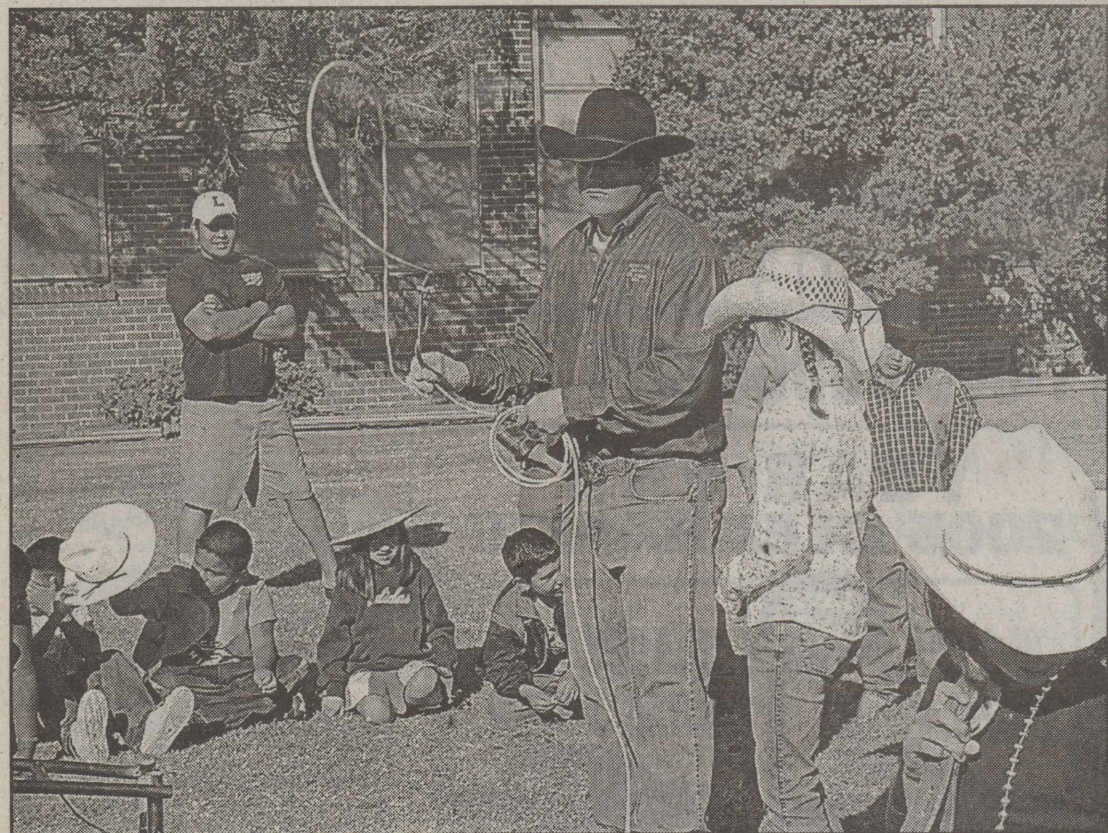

The board agreed to participate in a facilities' tour on Monday, October 17, at 4 p.m., followed by a work session later.

Concerning the need for a shuttle bus for several out-of-town teachers, Vaughn said, "I have talked with some of the teachers involved and I recommend we not do this right now." The proposal died for lack of a motion.

In other matters, the board unanimously approved a \$30,275 mandatory purchase of an electric handicap chair lift for the gym stairs at R.C. Andrews Elementary.

According to Superintendent Vaughn, "This is an emergency purchase for three Special Ed students now enrolled at Andrews

## Lockney Longhorns retain the County Trophy

By Brannon Rodgers

There were several speeches given to the Lockney players this week in order to prepare them for their annual battle with their Floyd County neighbors. One speech talked about memorable games, one was about the game that got away, one talked about this game as the greatest football experience you could have, and the last speaker talked about banding together to reach one common goal. Each speech shared one common theme: memories. Well, Dahlen McCarter and Blaine Hall will always remember the pass and catch on fourth and goal from the five yard line that won the game for their team.

Here is how the story goes. After an epic defensive battle all night long, the Longhorns found themselves down 7 - 3 in the fourth quarter with only 3:15 remaining and a fourth and goal from the five yard line. Blaine Hall rolls to the right. Dahlen McCarter slashes his way across the back of the endzone with a defender running stride for stride beside him. Hall zips the pass to McCarter. McCarter pulls the pass away from the defender at the back of the endzone. The referee raises his hands: touchdown Longhorns!

This is not McCarter's first game winning catch of the year. He intercepted a last second pass against Slaton to ice that game for the Horns.

Approximately 3,000 fans

packed into Mitchell-Zimmerman Stadium Friday night to cheer on their teams. Both teams proved to be up to the task at hand. Floydada took their opening drive deep into Lockney territory before a penalty stalled the possession. Floydada ate up at least half of the first quarter with the 14 play drive. Lockney took possession at their 24 yard line and drove the ball down to Floydada's four yard line. The Horns converted three third downs and one fourth down along the way. The Floydada defense stiffened and caused a fumble ending Lockney's hope of scoring.

Each team had one possession and the first quarter was history. After stopping Floydada's next three attempts for a first down, Lockney forced the Winds to punt. A deep punt set up a Lockney return to the eleven yard line. A monstrous hit by Taylor Brock sprung the return. Unfortunately, a penalty on Lockney's Jason Mondragon brought the return back to the Horn's 43 yard line.

Lockney took ten plays to move into scoring position on their next drive. Key plays on the drive were a 19 yard completion to J.W. McPherson and a 16 yard completion to Brandon Hall. Lockney was held on third down and forced to try a field goal. The try by McCarter was good making the score 3 - 0 Lockney as halftime approached.

The third quarter started with Lockney moving the ball to

midfield before being forced to punt. A deep punt by Tyler Kidd set Floydada up on their own 15 yard line to start their first drive of the second half. The next play flip-flopped the field position game as Floydada's Payte Beedy ran the ball to the fifty yard line. The Horns forced a punt after the next three plays, but the damage had been done.

Lockney started on their own 15 yard line. Unlike Floydada, the Horns could not get themselves out of the hole. A two yard punt gave Floydada possession at the twenty yard line. Floydada quickly moved into scoring po-

sition, but Lockney's middle line-backer Jason Mondragon made three of his game high fifteen tackles inside the four yard line. Floydada turned the ball over on downs on the one yard line. Lockney attempted to move the ball away from the endzone to protect a 3 - 0 lead. Another shaky punt gave the Whirlwinds the ball at the twenty one more time. The Horns put up a fight to keep Floydada out of the endzone and to keep the lead. But, on Fourth and five, Blake Greer came up big with a strong run taking the ball to the two yard line before being tackled. Floydada's

Payte Beedy punched it in on the next play to give the Winds a 7 - 3 lead with 9:31 to go in the game.

The Longhorns put together a season defining drive on the next possession. The drive consisted of thirteen plays, three fourth down conversions, and took 6:20 off the clock. Adrian Luna and John Vasquez did all of the leg work on the drive behind the power of the Lockney offensive line. The drive was capped by "the catch" on fourth and goal from the five. Lockney led 10 - 7 with 3:11 remaining in the game.

Floydada's hope of a comeback faded quickly on the next possession as Beedy was sacked by Mondragon and intercepted by Wes Davis. Lockney's John Vasquez scored on the next play following the interception from thirty yards out to finalize all scoring at 17 - 7 with 2:36 to go in the game.

The win improves the Longhorns to 3 - 4 overall and more importantly 1 - 1 in district. The Whirlwinds are 2 - 5 and 1 - 1 in district as well. Tulia and Olton are both 1 - 1, while Dimmitt is 0 - 2. Friona is undefeated and all alone at 2 - 0.

Sometimes, it seems like it just never ends. The word out of Lubbock now is that Jane Anne Stennett left us for a better place, although I will have to admit, Jane Anne would have a hard time finding any place better than West Texas to spend eternity. Jane Anne has been ill with a horrible cancer for months. Throughout the ordeal she kept her spirits high, even indicating a degree of optimism seldom found among humans.

In passing, Jane Anne joined a host of friends who have called it quits, with a little help from visiting angels. Within the past few days we have lost Al Leary, who most of our readers did not know, but who was a good man and a good neighbor, nevertheless. And Hugo Schweers, also a good man and a good neighbor. He fell, injured himself internally, and gave up the ghost. Both Leary and Schweers were veterans of much warfare in the Pacific, and both were not ashamed to display the American flag when they felt like it. The fact that many others in this town of Austin did not feel that way was no barrier to their own actions.

Our own association with

Jane goes back many years. When it came to helping Lubbock and the South Plains, she was always up front. The same could be said of her politics. In fact, our first association with her came about because of politics. Raymond Tapp, a cotton merchant for whom Jane worked for many years, was a strong supporter of Senator John Tower, for whom I worked at the time. It was natural, I suppose, that we should become acquainted. She, for many years, was Raymond's girl Friday. Then, when he went to the Great Beyond, she took over the shop, and for many years thereafter was the person to see for cotton farmers throughout the South Plains. I'm not saying she paid the highest prices, I don't know. But I do know she did the best she could, considering whatever government policies were in place at the time, and wherever she had markets in the world in which to sell. She, like Raymond, was a Republican, as was Joe Boerner of recent wonderful memory, although she and Joe sometimes differed on who would make the best candidate. Between the two of them, they

helped change the politics of the South Plains.

Now it is time for someone else to take over and make their own mark in terms of leadership on the South Plains. Jane left some awfully big shoes for someone to fill. It is not impossible that someone will step forward and fill those shoes, but they will have to do more than yak, yak, yak. At the moment, we don't see that replacement.

We are told that the eulogy was delivered by Congressman Mac Thornberry, of Cleburne, a good friend of both of us for many years. Mac was always regarded by Jane Anne as one of the prizes among those she had helped over the years. (Anybody who has ever dabbled in politics knows that once in a while some guy gets elected who is an embarrassment to his supporters, and sometimes the opposite happens...a man, or woman, is elected who makes supporters exceedingly proud. Mac Thornberry is that kind of man, and a better man could not be picked to deliver the eulogy.)

Too, down in South Texas,

Tobin Armstrong was memorialized at the Armstrong Ranch south of Kingsville. Tobin was also a friend of Jane Anne's, and the husband of Anne Armstrong, our former Ambassador to Great Britain. Tobin ran the vast Armstrong Ranch, some 25,000 acres that was somehow connected to the still larger King Ranch. Tobin, for a while, was on the staff of former Governor Bill Clements as a dollar-a-year man. He finally gave it up, I was told, because Clements would not follow his own protocol. Tobin complained to me that once in a great while he would work for days to get the right man in the right position, only to be reminded by Clements, the Governor, that "oh, yes, I been meaning to talk to you about that spot. I ran into so and so the other day going down to get a hamburger and told him he could have that spot." Needless to say, Tobin would get upset.

Anyhow, it's been a hurtful week. Many good people have left us. About all the rest of us can do is carry on the fight. Some day it will be our turn. We can only hope somebody says nice things about us.

## Cotton Kings open with "Floydada Night"

By Beth Eckert

The Chamber of Commerce encourages its' citizens to enjoy a family night at the season opener game of the Lubbock Cotton Kings Hockey Team on Sat., Oct 29th.

Due to Floydada's great participation at "Floydada Night" last year, the Cotton Kings invited our community back for opening night.

Pregame activities will include members of the Tech Band and Tech Cheer Squad, a petting zoo, jumper, and rock wall climb.

Iantha Smith of the Kings states that several Floydada residents will have a chance to participate in the "Pumpkin Bowl" during intermission activities.

The game begins at 7:05 p.m. at the Lubbock Municipal Coliseum. Ticket prices are \$10.00 and are available from Chamber Manager Rachael Castillo at the Chamber Office (983-3434, Hours 8:30 to 3:30, Box 147, Floydada) the Floyd County Hesperian, FNB, and Script Printing.

## Courtroom Activities

In County Court, October 18, 2005:

Ricky Derryberry, 27, of Floydada, pled guilty to Reckless Driving in exchange for a September 24, 2002 DWI being dismissed.

Derryberry was fined \$200 plus court costs for the Reckless Driving.

Elementary. It is mandatory by the state that we provide them access to the gym for Physical Education classes."  
The board also approved the purchase of a new \$13,019 wireless score board for the football field at the Junior High School. Superintendent Vaughn recommended the purchase to the board because "the old score board is beyond repair and our loaner score board can only be used for one more week."

In a related matter, the board approved the purchase of a used 1998 Ford F-800 automatic truck, from Tommy's Truck Sales, Inc. of Lubbock, for \$13,500 with trade-in.  
This truck is to be used for transporting band equipment, according to Vaughn. "We have budgeted \$25,000 for this purchase. Therefore we will change the designation of the remainder of this money to used to help pay for the new score board," said Vaughn.

The board also ratified a Carprock Shared Co-op Arrangement with Petersburg, Lockney and Floydada involving the Special Ed Department. "There are no deeds exchanged and all the buildings belong to FISSD, if the co-op disbands," said Vaughn.  
Floyd County Extension Agents J.D. Ragland and Melissa Long, along with Pam Foster, were approved by the board to be adjunct FISSD faculty members during this school year. This will allow the students traveling to stock shows to be counted as "in class" during these trips, according to Vaughn.  
Eric Cornelius's bid of \$500 for two City lots was approved by the board. The bid was for Lots 15 & 16, Block 13, Original Town, 515 E. Grover.

## LISD trustees review TAKS scores and enrollment

LISD trustees met for their monthly meeting October 11 and heard campus reports from principals and the Superintendent's report.

Each principal gave a report on enrollment figures. In High School the enrollment is 196. Junior High enrollment is 134, and Elementary enrollment is 285.

Superintendent Phil Cotham recognized PEIMS Coordinator Donna McCarter for her work. "PEIMS has a system that tells how many errors the PEIMS coordinator makes in entering the PEIMS information. Donna's error rate is zero."

A TAKS math comparison was presented to the board comparing LISD math TAKS scores to other districts in the area with the same demographics as Lockney.

"We had excellent scores when compared to other districts," said Cotham. "The criteria has risen and we were a little disappointed with our state scores, but looking at it in comparison we did very well."

The LISD faculty handbook was reviewed and changes were made. "The old dress code since the 1980's was revised," said Cotham. "Female faculty can no longer wear 'walking shorts' - or any other kind of shorts in regular class. Male faculty can now wear facial hair if it is properly groomed."

The financial report showed a bank balance of \$3,100,672.72. Total taxes collected for 2004-05 is \$1,287,822.

The Chamber would like to keep this event going every year,

## Lockney opposes ATMOS proposed rate increase

**By Judy Macha**  
The Lockney City Council met Thursday morning, October 13, 2005. They discussed having opted into the consortium of cities that are opposing the ATMOS Energy rate increase proposal.

The Council heard department reports and passed unanimously the following items on the agenda: adopted the 2003 International Building Code; adopted the 2003 International Plumbing Code; and designated signatures for applying for the T.C.C. D. grant.

The Council tabled a vote on the "sale of City Property to Adjoining Property Owners without a public notice, for a set fee of \$225 minimum per lot 30 X 150 (4,500 ft.), or \$0.05 ft., or whatever is greater."

The item was tabled on a

suggestion by Lanny Voss, City Attorney, for purposes of further research.

There was also discussion involving two items to be added to the next City Council meeting.

All routine agenda items were passed unanimously.  
Council members present at the meeting were: Junior Brotherton, J.D. Copeland, Ham Gammage and Tina Graves.

Also present were Mayor Rodger Stapp, City Administrator Ron Hall, City Attorney Lanny Voss, City Judge Michelle Araujo and Police Chief Jerry Edwards. Others present included Joe Marks and Preston Belt, representing the Lockney Volunteer Fire Department, and Dickie McCarty representing the City Water Department.

A Defensive Driving Course will take place at the Center, 301 E. Georgia, November 4, 1:00 p.m. till 5:00 p.m. and November 5, 8:00 a.m. till 12:00 noon. It is a two day course and the instructor is sponsored by AARP. The cost is \$10.00 per person. You must make reservations. Call Irene King at the Center, 983-2032 for more information. If you take this course it helps lower your car insurance over three years.

Also, mark your calendar - "Flu Shots" will be given Friday, October 28, 9:00 a.m. to 12:00 noon. Bring your Medicare card.

Marie Warren had several family members visiting over this past weekend. They were Ed and Dona Warren of Levelland; her daughter Charice and her husband Heath Broadway and baby of Lubbock; Don Warren and daughter Mary; and Joyce Owens of Floydada.

Alton and Sue Higginbotham of Burleson spent last weekend with her mother Nell McClung and other relatives.

Diana Glover is home after being gone for a few weeks.

Thank you for remembering the Center when you need to make a memorial donation.

### ADOPTION

#### ARCHER

Janie Archer of Lockney is proud to announce the adoption of her daughter, Kayla Renee Rodriguez Archer. Kayla was born May 30, 2002 and her adoption was official September 30, 2005.

Grandparents are Red and Alane Archer of Lockney.

Her aunt and cousin are Kathy Archer and her daughter Cinnamon Dinkens of Plainview.

"Kayla, you've been mine to love since birth, now its official and we are forever family," love mom.

and Austin and Dovie Holmes, all of Floydada, Roger and Kaye Phillips of Plainview and Grady and Nina Borum of Kress.

Great-great-grandmother is Willie Mae Thomas of Plainview,

Longhorn Grandson. So sad. I may have to adopt me one for the next few years cause I do bleed "Red".

Saturday night Tyler's Mom and Dad, Cynthia and Louie Bybee, honored Tyler with a 23rd birthday party at Leal's. with 16 friends and family attending.

Dorothy Stapp and Annabelle Bramlet have just returned from a 17 day bus and ship tour. They traveled through 18 states and Canada. They got to see the Empire State Building, The Statue of Liberty, Niagra Falls and the Rathers Museum. Dorothy said the Fall Foliage hadn't turned on their way up there but on their way back it was really pretty.

To tell you what a small world this is on this huge ship, Golden Queen, who should they run into but Ebie Parker's son Alfred James Smith and wife Pat. They were on a tour out of Amarillo.

Our neighbor across the street north, Homer Cypert, attended the South Plains Antique Tractor Show at the American Agriculture Farm Museum in Lubbock over the weekend.

He saw Charles and Mollie Huffman there. Charles took two of his antique tractors to the show. A John Deere 317 and his Farmall C. He won a Medallion

Wow!! What a ballgame the Floyd County Championship was. The Longhorns and Whirlwinds are so evenly matched it could have been anyone's ballgame. However the Longhorns came out on top and get to keep the Championship Trophy again this year. The score was 17-7 in Lockney's favor.

These senior Longhorns have been playing the Whirlwinds ever since they played them in little "Tiger League" and they have the honor of having NEVER been beat by the Whirlwinds. That's not to say they haven't been beat before just NOT by the Winds.

Also what was so good about Friday night was seeing my other grandsons home from college to see J.W. play. Tyler Bybee home from San Angelo and Matt McPherson, J.W.'s brother, from Tech.

Another surprise at the ballgame was seeing a former Longhorn David "Ben" Widener from Florida who flew in just for the ballgame and of course to see friends and relatives. Thank you Ben for my chocolates.

# Lockney retains county Championship with victory

By Bill Gray

The Lockney Longhorns successfully defended their Floyd County Championship with a come-from-behind, 17-7 decision over Floydada at Lockney's Mitchell-Zimmerman field last week.

The Longhorns scored twice in a fourth-quarter rally to defeat the Whirlwinds for the second consecutive year, and improved to 3-4 for the year. More importantly, the win positions the 'Horns in a four-way logjam with Floydada, Tulia and Olton (all with 1-1 district marks) for second place in the District 6-2A race. Friona moved into sole possession of first place by virtue of its 28-13 victory over Tulia last Friday. The Dimmitt Bobcats are still winless in district action, while Floydada dropped to 2-5 for the season.

The Whirlwinds opened the game with a 12-play, 45-yard drive, with Jacob Reddy and Payte Beedy carrying most of the load. Good blocking, led by Jason Nutt and the interior offensive line, gave Floydada ball carriers plenty of running space. Lockney's defense stiffened and the Longhorns took over on downs at their own 23-yard line. John Vasquez, who led all rushers with 106 yards on 22 attempts, was the go-to man in this march - which consumed the remainder of the first quarter. Taking up where they left off, the Longhorns moved deep into Whirlwind territory.

On third down, goal-to-go from the Floydada 1-yard line, Whirlwind defender Lance Terrell jarred loose the ball from Vasquez and recovered the fumble to stop the Lockney scoring threat.

Floydada was held to 3-and-out, forcing Jacob Reddy's 39-yard punt. Lockney moved 52 yards in 10 plays, on the strength of Blain Hall's passes of 20 yards to J.W. McPherson and 16-yarder to Brandon Hall. The Whirlwind defense held Lockney to a field goal attempt on fourth down. Dahlen McCarter connected from 22 yards to put the Longhorns on top 3-0 at intermission.

Both teams' offensive threats were pretty limited by a tight, defensive battle after the halftime break. The Longhorns were held to three straight 3-and-outs during their third-quarter possessions, and the Whirlwind output was not much better, with one drive of 4 plays for 36 yards and a 7-play, 20-yard thrust - which ended with a turnover on downs.

A 14-yard punt by Lockney's Tyler Kidd, on the next-to-last play of the third period, gave Floydada good field position at the Longhorn 19-yard line to start a short-field scoring drive to open the final quarter. Blake Greer's 9-yard carry from the Lockney 11 gave the 'Winds a first-and-goal at the 2-yard line. Two plays later, Payte Beedy cashed in, capping the 6-play march for the score. Brandon Rainwater's point-after put the Whirlwinds on top 7-3 with a little less than 10 minutes remaining in the contest.

The Longhorns responded with a 14-play, 60-yard drive to pull out the victory. The scoring drive was aided by an official's ruling of a Lockney fumble on a third-down play deep in Floydada territory. The loose ball, recovered by the Whirlwinds, was judged to remain in Lockney's possession. On the following play, Blaine Hall hit McCarter with a 4-yard touchdown aerial, McCarter kicked the conversion and the Longhorns prevailed 10-7. For Floydada it was deja vu. It was a play reminiscent of several years ago (again, at Mitchell-

Zimmerman Field) in which an obvious fumble by Lockney was not judged as such. Then, as last Friday, the Longhorns retained possession and maintained the momentum which carried them on to victory over the Whirlwinds.

On second down, following the ensuing kickoff and in a frantic attempt to pull out the game, Floydada's Payte Beedy was intercepted by Wes Davis, and John Vasquez scored from 30 yards out on the following play to seal the win for the Longhorns. The outcome of a close game is often determined by one or two plays or one or two calls by game officials. This was certainly the case at Lockney last Friday night. If a sideline flag could have been tossed to indicate a request for a review of the play (as is provided for in a number of college conferences and by the NFL on Sundays), it is likely the call on the field would have been reversed. That is not the case in high school football -- what is (thought to be or not to be) seen is what you get.

In the competitive and challenging world of football coaches (whether it is in the Pop Warner and junior high leagues, high school, college or those who play on Sundays), a win-loss record quite often determines the job security. The game officials, at all levels, can walk away after blowing calls - but a lot of coaches' careers hinge on some of those calls. These comments are not to take away from the efforts of Lockney ball players the other night.

They pulled the game out, and that's the way it goes down in the record books. However, it would be nice to know the outcome of this crucial game had the fourth-quarter fumble recovery by Floydada been allowed to stand!

The Whirlwinds will host district-leading Friona tomorrow night at Wester Field. Floydada can really put the district race into a frenzy with a win over the Chieftains. If readers will recall, in my pre-season Football

Forecast, I predicted a possible 3-way tie for the league title. It's still out there on the field (that is, if the games can be decided on the fields).

## Floydada Cross Country Report

By Coach Prather

The Floydada boys cross country team competed in the Hale Center meet on October 1, 2005. This course is a 3 mile course.

Since the band was participating in the Marching Festival in Denver City at the same time, we only had three that were able to run in this meet.

They competed well and we are still preparing for the District Meet, which will be held on Tuesday, October 25th in Lubbock at Mae Simmons Park starting at 11:00 a.m.

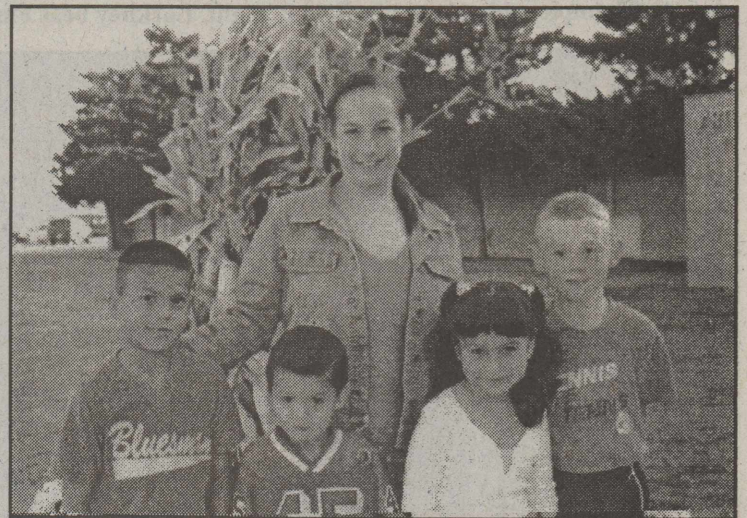

Meet results are as follows:  
 Tony Perez - 1st place - 17:30;  
 James Espinoza - 9th place - 19:13; Robert Beuning - 14th place - 21:21.

By Coach Prather

The Floydada Junior High boys cross country team competed at the Hale Center Meet on October 1, 2005. The course is a 2 mile course.

The Junior High boys continued to run well at this meet. All of them improved on their times and finished first as a team once again!

Meet results are as follows:  
 Ryan Pesina - 2nd place - 13:19; David Suarez - 4th - 13:31; Eddie Rodriguez - 5th place - 13:31; Jordan Pinon - 6th place - 13:32; Greg Aleman - 9th place - 14:34; Troy Moralez - 14th place - 15:43.

## FHS Girls Cross Country Report

Marlen Carmona, 13:38, 19th place (medal); Morgan Norrell, 13:40, 21st place; Jackee Wickware, 15:04, 55th place; Jennifer Leatherman, 15:10, 61st place; Blanca Garza, 15:13, 63rd place; Crystal Alvarez, 15:38, 81st place; Jackie Gutierrez, 16:44; LaToya Glenn, 17:35; and Keyla Pesina, 18:21.

This was our last meet of the season before district, which is in Lubbock on Tuesday, October 25. We have made great progress up to this point.

Last week in practice, we really worked on speed and finishing well. It showed in this meet. Three of the girls have already met their target times set for them

for district and the others are getting close to it.

We know that how hard we work this week in practice will determine if we make it as a team to the regional meet on November 5, which has been our goal this season.

I am very proud of the girls and what they have accomplished. Cross Country is an extremely hard sport where an individual must be self-disciplined and mentally tough. The girls have shown a lot of maturity and desire to win. I think we will do great at the district meet.

Thank you to the community for your support!

**Lockney Girl Scouts sponsor Fall Festival**

By Carol Huggins  
Lockney Girl Scouts are sponsoring the Fall Festival (Halloween Carnival) on Saturday, October 22. This is a week earlier than in previous years, but all your fun favorites will still be there. Some of the booths will include face painting, coke bottle ring toss, a jail, spin art, a jumping house, basketball toss, the great cake walk, decorating pumpkin cookies, and several others. There will also be a concession stand.

The activities will start at 6:00 p.m. and go until 9:00 p.m. Everything will happen at the Elementary school.

There is no admission charge; however, the Girl Scouts are asking each person to bring at least one canned food item to help replenish our local food bank.

Hope everyone will come join the fun!

**LONGHORN AWARD WINNING BAND**

**Longhorn Band sweeps contest**

On Saturday, October 15th, the Lockney Longhorn Band traveled to Albuquerque, New Mexico, to participate in the 28th Annual Zia Marching Fiesta. The Longhorn Band participated in Class A which included schools with a student population of 500 or less.

The band's performance took place during the arrival of a cold front and a steady rainfall. The band members gave a splendid performance during less than perfect circumstances.

Judges Glen Adsit (University of Connecticut), Michael Cesario (New York City), Kevin Sedatole (Baylor University), George Oliviero (Boston, Massachusetts), Isaiah Odajima (Michigan State University), Steve Suslik (San Diego, California) and Jeff Grogan (Ithaca College-New York) awarded the Longhorn Band first place in Class A. In addition, the band won awards for Outstanding Musical Performance, Outstanding Marching Performance, and Outstanding General Effect. The Longhorn Band swept all captions for Class A.

First Place in Class AA went to Conifer High School from Conifer, Colorado. First Place in Class AAA went to Rampart High School from Colorado Springs, Colorado, and First Place in Class AAAA went to Rio Rancho High School from Rio Rancho, New Mexico.

Longhorn Band members got to see many of the sights around Albuquerque while on this trip. The students got to spend time in "Old Town" Albuquerque and also visit the Museum of Science and Natural History. The students and sponsors arrived back in Lockney Sunday night.

Sponsors on the trip were: Charles Keaton, Donna Keaton, Sandra Cavazos, Debbie Montandon, Chuck Martin, Susan Martin, Renee Armstrong, Kay Wilson, Rosa Gonzales, Kelly Prayor, Danny Huggins and Rob Lovett.

Longhorn Band members who participated were: Windy Adams, Nolan Armstrong, Rion Afill, Dru Carthel, Tyson Carthel, Jonathan Coleman, Audrey Collins, Bryan Cooper, Adrian Cortez, Landon Cotham, Desiree DeLeon, Patrick Doucette, Saray Flores, Segayle Foster, Laura Fulton, Greg Gonzales, D.J. **LOCKNEY JV FOOTBALL REPORT**

The Lockney JV improved to 5-2 on the season and 2-0 in district play with a win against county rival Floydada.

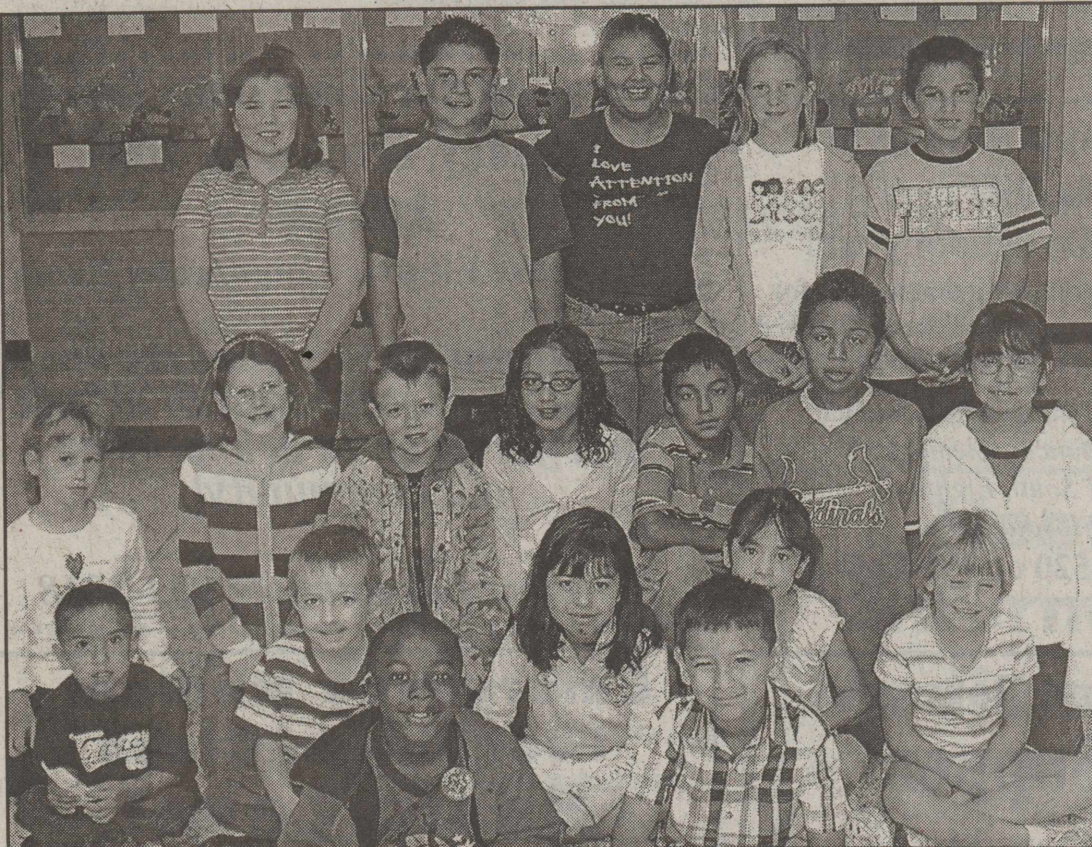

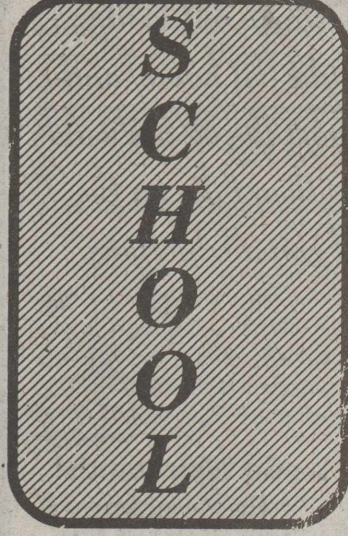

The victory was a total team effort with great all around play by the Horns. Lockney's defense was solid stopping the Whirlwinds on fourth down on two occasions.

DJ Hernandez came up with one of the stops with a strong tackle to end a Floydada drive. The offensive line controlled the line of scrimmage which allowed Lockney running backs Jonathan Coleman, Asa Cole, Zachary Gonzales, and Bryan Cooper to run freely into the secondary.

Lucas Hall provided the big hit of the night when he clobberknocked a Floydada player on a punt return. That play excited the Longhorn defense as they came away with a three and out defensive stand.

The Horns executed "Joe" ball to perfection playing keep away from the Floydada offense with long time-consuming touch-down drives.

The JV Horns host Olton Thursday at 6:00 p.m. at Mitchell-Zimmerman Stadium. Come out and support your future Friday night Horns.

**Bailey, Lee & Harris win football contest**

The winners in our weekly football contest were Glenn Bailey of Floydada, Boyd Lee of Lockney and Frankin Harris of Floydada.

Each of the above winners missed seven games. The first tie-breaker game between Floydada and Lockney was used to determine first, second and third place this week.

Lockney won the game over Floydada with a final total score of 24. Bailey picked Lockney to win with a total score of 28 (only 4 points off). Boyd Lee picked Lockney to win also with a total score of 45 (21 points off). Harris chose Floydada to win over Lockney with a total score of 49.

Bailey will receive the first place check of \$25 while Lee will be receiving the second place check of \$15. Harris garnered the third place check of \$10.

Honorable mention goes to the seven entries that missed 8 games. They were: Danny Ortiz, Frank Mendez, Max Yeary and Maria Martinez, all of Floydada, Ricky Ascencio and Vera Jo Bybee, both of Lockney and Lanny Barnett of Silverton.

## County Extension Service offers Wildlife Management program

The Floyd County Cooperative Extension Service is sponsoring a Wildlife Management and Habitat Establishment Program on Tuesday, October 25, 6:00 p.m. to 7:30 p.m. at the Floyd County Extension Office Meeting Room.

This program is open to local producers or anyone interested in wildlife for potential hunting at no cost. The purpose is to provide those interested with helpful information on "Managing Playa Lakes for Wildlife", "Establishing Pheasants" and "Creating an Ideal Habitat On Your Farm or Ranch". Another portion of the program will include "The Culture of Feral Hogs".

Program presenters will include Ken Cearly, Texas Cooperative Extension Wildlife Specialist from Canyon, Texas and Jason Brooks, Texas Parks & Wildlife Biologist from Kress, Texas.

Two CEU's will be provided to all private applicators. This will also be an excellent opportunity for producers to learn helpful tips on how to establish various types of hunts on your farm or ranch as a means of providing supplemental income.

Please RSVP your attendance through the Floyd County Extension Office before noon on Monday, October 24 at (806) 983-4912.

**BUSINESS OF THE MONTH-Darty Gin** was selected as "Business of the Month" by the Floydada Chamber of Commerce. Shown are: (l-r) Darty Gin Inc Partners, Randy Pernell, Denise Pernell and Rance Pernell. (not pictured is Rick Pernell) "We are beginning the season and producers are welcome to bring us your cotton, or just come by for a cup of coffee," said Randy. "We appreciate your friendship and your business. Call us at 983-2956, if we can help you." Staff Photo

## Cotton Market Weekly

A service provided by Plains Cotton Cooperative Association

Cotton futures on the New York Board of Trade closed Thursday at their highest level in more than three months. The market hit the ground running this week as cotton futures prices rose Monday sparked by fund and speculative buying.

Traders were focused on reports of significant yield and quality losses in China due to heavy rains, potential quality issues for the West Texas crop following weekend rains and uncertainty about Pakistan's cotton crop in the aftermath of a massive earthquake. Some analysts noted reports that indicated between 30 and 50 percent of the cotton crop in as many as four different Chinese provinces has been lost due to the inclement weather.

A magnitude 7.6 earthquake, the strongest to hit South Asia in 100 years, struck Pakistan and parts of India and Afghanistan on Oct. 8. In addition to the tragic loss of life, the Pakistani cotton crop is expected to be reduced.

"Pakistan is the fourth-largest cotton producer in the world, and neighboring India is the third-largest," one market observer explained. "In the near term, any cotton imports into and/or textile exports out of Pakistan will be disrupted indefinitely as priority is given to earthquake victim relief efforts," he concluded.

In other news, estimated 2005-06 U.S. cotton production contained in USDA's October supply/demand report increased more than traders had expected. The U.S. production estimate rose 440,000 bales to 22.72 million compared to the department's September estimate of 22.28 million bales. Projected domestic usage rose to 6.0 mil-

lion bales from last month's 5.8 million, and projected U.S. exports jumped 700,000 bales to 16 million. As a result, estimated ending stocks dropped to 6.4 million bales from September's 7-million-bale figure.

Estimated world production decreased slightly to 111.44 million bales, down from 111.53 million in the department's last report, and world consumption was boosted to 112.93 million bales from 112.20 million in September, USDA said. Consequently, the world 2005-06 ending stocks estimate dropped to 50.98 million bales from 51.20 million.

India's estimated production rose to 19 million bales from 18.40 million in September while China's production estimate decreased a million bales to 24.50 million. However, some analysts believe China's production number will fall further.

USDA also reported net export sales of U.S. cotton totaled 30,600 bales for the week ended Oct. 6, a 90 percent decline from the previous week. China and Turkey were the featured buyers. Export shipments for the week, according to USDA, totaled 145,400 bales, down 9 percent from the previous week. Primary destinations were China, Turkey and Mexico.

In the spot cotton market, online trading by producers in Texas, Oklahoma and Kansas in the week ended Oct. 13 totaled 8,256 bales compared to the previous week when 2,733 bales were traded. Average prices received by producers in the most recent week ranged from 50.66 to 43.25 cents per pound compared to 46.37 to 43.43 cents per pound the previous week.

## Floyd County to host cotton profitability workshop Nov. 3

By: Tim W. McAlavy,

Cotton producers can get a leg up on planning their management strategies for 2006 at the cotton profitability workshop sponsored by Texas Cooperative Extension.

"We will take a long, hard look at higher production expenses, and how that may affect your operating strategy," said Dr. Jackie Smith, Extension economist based at Lubbock. "We know producers will face higher energy costs for irrigation, fertilizer, fuel and ginning."

"We will also examine rental arrangements, how energy prices have affected them and how they might need to be adjusted."

The workshop is slated for November 3, from 7 to 10 a.m. at the Floyd County Unity Cen-

ter at Muncy. The center is 6 miles west of Floydada or 4 miles east of Lockney on US Hwy 70.

Jeff Pate and Jay Yates, Extension risk management specialists based at Lubbock, will provide an outlook for fuel, fertilizer, other farm inputs, and crop prices for 2006. They will also discuss farm program payments and possible production budgets for irrigated cotton.

Smith will examine crop share rental arrangements, focusing on how tenants and landlords can share the risk and total investment in an equitable agreement. He will also discuss cash leases.

There is no charge to attend. For more information contact Smith at (806) 746-6101, or the Extension office in Floyd County at (806) 983-4912.

## Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle the number of the teams you believe will win on the official entry form. To indicate a tie, circle the numbers of both teams playing the game. Also, write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker games.

**Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5 p.m. on Friday will be accepted. Photocopies and mail entries will not be accepted.**

Three cash prizes are awarded each week. In the event of ties (the same number of correct games and equal scores on the tie breakers), prizes will be combined and shared equally by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

**Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at a Hesperian-Beacon office before 5 p.m. on Friday.**

Entries are limited to one per person per week. Weekly winners are limited to one per household.
