## Local elected offices will be on the November ballot

Many of Floyd County's elected positions will be on the ballot November 2006.

Positions to be filled will be: Commissioner Pct. #2, currently held by Lennie Gilroy.

Commissioner Pct. #4, currently held by Jon Jones.

County Judge, currently held by Bill Hardin.

County Clerk, currently held by Marilyn Holcomb.

County Treasurer, currently held by Elva Martinez.

J.P. Pct. #2 & #3, currently held by Michelle Araujo.

J.P. Pct. #1 & #4, currently

held by Kirk Wyrick.

District Clerk, currently held by Barbara Edwards.

District Judge, currently held by Randy Hollums.

Tax Assessor Collector Penny Golightly will also have to run to fill her unexpired term. She had to vacate her current office when she announced her intention to seek the office of County Judge. She has since withdrawn consideration for that office, and was appointed by the Commissioners' Court to fill the position until the election. She wishes to

fill out her term in office.

Constable Ray Macha, of Pct. #2, will also have to run to fill out his unexpired term. He also had to resign his position to seek the office of Sheriff. After losing that election he was appointed to fill the Constable position until the next election.

None of the elected officials, except Golightly, have announced their intentions concerning the election.

The deadline to file for office is January 2.

### Citizens are neglecting cardboard recycling

By: City Manager Gary Brown

The City of Floydada recently sold 47 tons of recycled cardboard the citizens had brought to the cardboard recycling station at the old Coop Gin # 2. The City had baled the cardboard for shipping.

This amount of recycling of cardboard saved approximately; 804 trees; 193,979 kwh of electricity; 331,184 gallons of water; 142 cubic yards of landfill space and 2,839 pounds of air pollution.

"We do not have enough citizens or businesses participating in this program" stated Julian Alaniz, solid waste supervisor for the city.

The city has a trailer parked at the old gin and the citizens can put their cardboard in the trailer any time they want to. There are still some generators of large volumes of cardboard that need to participate in the program.

"Recycling does help," said Alaniz.

FLAG DONATION--Verna Lynn and L.B. Stewart donated a flag to 4-H'er Jordan Cornelius (right) to be flown at the Veteran's Memorial, beginning on Veteran's Day, November 11. The flag will be raised at the monument following a special Veteran's Day Assembly at 10:00 a.m. in the Whirlwind Gym. The ceremony is sponsored by the Floydada High School Student Council and the whole community is invited to attend. Immediately following the High School ceremony, at approximately 11:30 a.m., there will be a special wreath laying ceremony at the Veteran's Memorial. The wreath has been made by Rozanne Bishop's art class at Floydada High School. The wreath laying ceremony will be conducted by FJHS Student Council member Jordan Cornelius and the Floydada High school Student Council, FJHS Student Council, RCA GT Kids, Troop 357 Boy Scouts and 4-H'ers. The public is also encouraged to attend the wreath laying ceremony. The flags at the Veteran's Memorial are replaced every three months because of wear and tear from 24 hour use. Individuals wishing to donate a flag for replacement should contact Jordan or Julianne Cornelius in Floydada. The flags are returned to the previous donor when replaced. Staff Photo

## By The Way

By Alice Gilroy

email:floydada@amaonline.com

My husband and I recently ate at Furr's Cafeteria. When I got to the cashier I was asked if we were Senior Citizens.

I said, "No, we're not there yet".

When we got to the table my husband noticed we had both been charged the Senior Citizen's rate.

I said, "I told her we weren't Senior Citizens".

My husband said, "I guess she figured you were so old and senile you didn't know any better!"

Here at the newspaper we are constantly approached with requests for "free advertising" for various events. Sometimes people get very pushy with what they think are the most important things to our community as a whole, when it really is just the most important thing to their organization at that point in time--and they expect this newspaper to get on the band wagon and promote their stuff every week for free. I get annoyed when they want to use us to ask you for money (especially those in Lubbock and elsewhere)--but some of our local organizations really do need your support!

We see national advertising constantly asking for your donations to the Red Cross and the Salvation Army, and the Cancer Society, etc.

I would just like to remind people that there are plenty of local organizations that could really use your money when you are looking for tax write-offs, or want to give for no particular reason.

We have the Scouts, the Spirit of Sharing in Floydada, the Community Storehouse in Lockney, either Chamber of Commerces, the new Veteran's Memorial in Lockney that is trying to raise money for construction, the

Youth Center in Lockney, the Floydada Police Department for the Youth Skating Park they are trying to get built, the Senior Citizens groups in each town, the Lions Clubs and the Rotary Clubs, and of course your home church.

I know this is a short list, but they were the ones that came quickly to my mind. You know you're money is going to a good cause and no one is benefitting personally, from some kind of over inflated salary (if any at all), at any of your local organizations.

It's hard for us to remember them all and we sure don't publicize most of these every week because we don't have the room--so I hope this reminder helps you remember.

### COACH TO A PLAYER

At one point during a game, the coach called one of his 10-year-old football players aside and asked, "Do you understand what cooperation is? What a team is?"

The little boy nodded in the affirmative.

"Do you understand that what matters is not whether we win or lose, but how we play together as a team?"

The little boy nodded yes.

"So," the coach continued, "I'm sure you know, when a penalty is called you shouldn't argue, curse, attack the referee, or call him a \*&\$\$%#."

"Do you understand all that?"

Again the little boy nodded.

The coach continued, "And you understand that when I call you off the field so that another boy gets a chance to play, it's not good sportsmanship to call your coach "a dumb \*&\$\$%#," is it?"

Again the little boy nodded.

"Good," said the coach. "Now go over there and explain all that to your mother."

### Football prayers

By Greg Taylor  
(Reprinted with permission from the Texas Spur)

If you watch much football you'll see a good variety of celebration and prayer. Harking back to my high school days, I understand both. I regret that much of today's celebration seems a little "look at me" oriented, but, if I had scored more touchdowns maybe I would have been more inclined to appreciate efforts at drawing attention to one's self. It's the prayer, however that I can really identify with.

I hear folks, from time to time, doubting the sincerity of those praying, and the showy way some do it. I can see that, but I appreciate the athletes demonstrating that it's good to pray, and a man can be a Christian, and still be rough and tumble.

I don't know what other guys pray about on the football field. Like I mentioned earlier, I didn't spend much time in the end zone, unless some opposing ball carrier had dragged me in there, so my

prayers were usually geared more toward survival rather than celebration. Once, during a game, however, I prayed that God would strike me with lightning and put me out of my misery, right then and there.

I had just been beaten for a

touchdown on a pass play - one that we had practiced against all week. My coach, Bullet McDonald, had even called a time-out just before the play to warn me that the other team was probably going to run that very pass play. For a reason I've yet to figure out, I let the receiver get behind me in the end zone and catch the pass.

On the way back to the sideline, I asked God to kill me. But, he didn't. To my surprise, neither did Bullet. Not that he didn't want to, that much was obvious.

During another game, I prayed that I hadn't been killed.

We were playing a team that had this big muscled-up Polish brute of a fullback nicknamed "Cement Head." He was having great success running off-tackle

to my side, and in spite of my best efforts, I couldn't get out of his way. Consequently, I spent much of the game mashed across the front of Cement Head's helmet like a bug splattered on a windshield. Each time we collided I would eventually tackle him, seven or eight yards downfield, but only because the clumsy oaf tripped over my corpse after hammering the cookies out of me.

It was the result of one of these collisions that caused me to pray that I wasn't dead, be-

cause I could barely breathe, and I couldn't see. After what seemed an eternity, however, Bullet and one of the assistant coaches got my helmet twisted back around so that my facemask lined up, somewhat, with my face. Take it from me, it's hard to get much air when you're breathing out your ear-hole.

While my football prayers never came right out and asked God for my team to win and someone else to lose, I did drop some pretty good hints. I didn't

really figure He took sides in football, but I knew enough Nebraska fans and Notre Dame fans who seemed pretty sure, so I never completely disregarded the possibility.

We could argue all day

whether or not God involves himself in football, and probably never change His mind about it. Likewise, we could argue whether or not athletes on television who make praying so obvious are sincere. I'll admit, I prefer the praying over the too-common look-at-me strut.

Maybe this praying is another act to get more attention, but maybe not.

Maybe these players who pray after scoring touchdowns actually are giving thanks for being blessed with athletic ability, and maybe their demonstration is intended to give the credit to God. Or maybe they are just very grateful to have made it to the end zone without being splattered on the helmet of some bone-crusher named Cement Head.

## Beware of internet motorcycle shopping

By Penny Golightly

The Regional TXDOT Vehicle and Registration Manager, Bobby Meeks has notified us that people are purchasing motorcycles/mopeds/scooters on the internet due to higher fuel prices. In most cases, these vehicles are manufactured in either Mexico or China.

Customers are not receiving AAMVA approved manufacturer certificates (MCO). We have

been instructed by the state that the ownership document must be an MCO just like the ones we receive for new vehicles from our franchised dealers. The vehicles must meet US DOT and EPA standards. Please be aware of this when purchasing a vehicle over the internet.

Our regional manager has told us that he is working with five different customers and it appears they will not be able to register and title them in Texas.

## FUMC to hold Annual Harvest Festival

By Martha Farris

The annual Harvest Festival and Bazaar, an occasion which always promises a variety of activity and excitement, sponsored by Floydada's First United Methodist Church, will be held on Saturday, November 12, from 9:30 a.m. until 1:00 p.m. "In addition to the traditional offerings, we are adding things that will make the event more enjoyable," said Doris McLain, co-chair of the bazaar. Nikki Oakes is her

partner.

On the Saturday of the Festival, Sunday School rooms will be transformed into the Country Store filled with delicious baked goods, candies, crafts and household items. The Silent Auction room, always a "drawing card," will feature collector's treasures, holiday decorations, appliances and toys.

Visitors will be pleased by the newly renovated library with a variety of books to be checked

out; and, the beautiful quilt will be drawn for at 1:00 p.m. following Thanksgiving dinner.

Tickets for the quilt and the bountiful dinner are available now from church members, at the church office, and may be purchased at the door. The dinner will be served from 11:00 a.m. until 1:00 p.m. Take out meals are available by calling the church at 983-3706. Tickets for the meal are \$7.00 for adults and \$4.00 for children 12 and under.

Quilt tickets are \$5.00.

There will be a live auction this year at 12:30 p.m. Auction items will include a beautiful painting by Jill Warren. Also added to the Bazaar this year is valet parking available at the west church door for those who may need it.

"Mark your calendar for November 12th," said Doris and Nikki. "This event is something you don't want to miss!"

GETTING READY FOR THE ANNUAL HARVEST FESTIVAL AND BAZAAR at Floydada's First United Methodist Church, November 12. Everyone is excited-especially the boys and girls about the activities and bountiful turkey dinner. The festival is from 9:30 a.m. to 1:00 p.m.

## Daughters of the American Revolution

By Pricilla Minter

The Buffalo Grass Chapter of the NSDAR met on Tuesday, October 25, 2005 at 6:30 p.m. at the Floyd County Historical Museum in Floydada with 9 members and 2 guests present.

The meeting was opened in ritualistic form with Regent, Margaret Berry presiding. The President General's Message was read by Susan Dunavant. The National Defense Report was given by Sherry Colston. She talked about the closing of "Walter Reed Hospital". It is on the U.S. Department of Defense Base Closure List. The Constitutional Sidelight was also given by Sherry Colston. The Indian Highlight was given by Debby McCarty. The topic was "The Plains Indians".

June Sherman gave the program on "Conservation of Wedding Dresses". She read an article that was written in 1906 and titled, "The Bride Wore White or Did She"? The article spanned many generations describing the various types and colors of wed-

ding dresses and other appropriate attire. The last part of the program was a show and tell. Two members of our chapter, Debby McCarty and Susan Dunavant brought their beautiful white traditional wedding gowns for viewing along with a photograph. Several other members and the two guests brought photos of their wedding dresses and wedding pictures. The wedding photos spanned over 150 years in time. Thanks to everyone who helped make this program a very memorable one.

Minutes of the last meeting were read by Pricilla Minter and approved by the members. Susan Dunavant gave the Treasurer's Report.

Under New Business: Margaret Berry discussed the "Good Citizens" project. This is an annual event that is sponsored through the NSDAR and the local chapters. There are 4 area high schools that are involved in the project for the 2005-2006 school year. Counselors nominate a student to write an essay with a particular title on historical conservation. All essays will

be judged by our local chapter and the winning essay will be sent to the State Chairman for judging. The state winners will be sent in to the National Chairman for judging and to determine the overall winning essay. We thank all the students for their participation and to wish them the best of luck with their essays.

The members thanked the hostess, Margaret Berry for bringing the delicious food and beverages.

Members present were: Margaret Berry, June Sherman, Nancy Marble, Carolyn Cunningham, Grace Ashley, Susan Dunavant, Sherry Colston, Debby McCarty and Pricilla Minter and two guests; Elizabeth C. Carthel and Flora McNeil.

Next meeting will be Saturday, November 19. The members and their guests will travel to Lubbock to tour the Silent Wings Museum. The meeting topic will be a combination of Commerative/History. The group will meet for lunch after the tour. All members are invited to come join the tour of the World War II Gliders.

**THANK YOU to Mary Ann Reyes for coordinating the Trunk R Treat event and to all who volunteered to help. Thank you Floydada residents for the monetary contributions and the candy donations. This is one more example of Floydada working together for the good of the community. The event was very well attended, the children had a good time and were safe.**

Floydada Chamber of Commerce & Agriculture

I urge everyone who can vote to get out and vote "Yes" for the amendment to the Texas Constitution that prohibits homosexual marriage of a man to a man or a woman to a woman. Homosexuality is a sin that needs to be repented of. The Bible says, "Or do you not know that the unrighteous shall not inherit the kingdom of God? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals, nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers, shall inherit the kingdom of God." (1 Corinthians 6:9-10 NASB).

The Bible says, "Righteousness exalts a nation but sin is a disgrace to any people" (Proverbs 14:34). The cities of Sodom and Gomorrah lost their existence because of the grossest of immorality ultimately manifesting itself in homosexuality. The United States is running the risk of losing our existence as a nation because of 30 to 40 years of gross immorality which is now manifesting itself in increased homosexuality and its promotion and its approval. It is bad enough for men to be immoral with women and women with men. It is worse still for men and women to miss the point of their God-given sexuality, which simple personal observations should teach us (Romans 1:24-27). Two bolts together cannot accomplish their intended purpose. Two nuts together cannot accomplish their intended purpose. A bolt and a nut together can accomplish what they were designed for. The conclusions for which our sexual organs are designed ought to be that simple.

The Bible teaches that God brings rulers and nations to power and brings them to their knees when they get so evil He cannot stand them any more. Scriptures that teach that are Proverbs 14:34; Daniel 2:37; Daniel 4:24-25; Romans 13:1; and Deuteronomy 9:5. We are in danger of being brought down because of our toleration of gross immorality and lack of integrity.

The good news to homosexuals is that there is repentance, forgiveness and a new life in Jesus Christ the Son of God. I would be eager to visit with you about that if you will contact me. (Please see 1 Corinthians 6:11.)

I urge all voters to vote "Yes" to Proposition 2, which is a vote in favor of traditional marriage. Paid advertisement Sincerely, Francis Montandon, IV, Lockney, Texas

The attendants were friends of the couple, Amber Womack Robbins of Tulia and Skeeter Smith of Floydada.

## Lockney Senior Citizen News

**By Vera Jo Bybee**  
Well I did it. My new knee is now a week old. You have quite a bit of pain with this surgery and the follow up therapy. So much in fact that the doctor gives you pain medicine. I haven't taken any pain medicine in a long time so every time I took a pain pill I was so nauseous that I threw up all week. It has been bad but yesterday we changed the pain rx so now I feel some better. Maybe when I write the article next week I will be almost well.

The Lockney graduating classes of 1935 and 1936 met recently at the Cotton Patch Restaurant in Plainview for their 69th and 70th reunion.

Those present from the class of 1935 were Leighton Maggard, Delbur Rose, Thelma Williams, and Ruby Harris Wofford all of Plainview. Vada Shaddix Morrison of Clarendon, Oleta Thornton Smith of Dumas, Meda Ruth Thomas Watts, of Floydada, and Almeda Workman Phillips, of Lockney.

Those present from the class of 1936 were Hall Nall and Anna Dell Wharton Quebe, from Plainview, Catherine Davis Smith of Hale Center and Walter Reves, of Lockney.

Two cousins visited me today. They were Callie Holmes Jackson of Columbus, North Carolina, and Linda Roberson of Floydada. They had been to Lockney's cemetery and ate at the Senior Citizens. Then went shopping at Heart's Desire.

Callie told me all about the get together that family and friends had for her at the Massie Center Saturday Oct 28th. Over 45 attended to make the day a great one.

Callie and I are the same age. She was born in Oct. and I was

born in Nov, 1930. She married Troy Jackson and moved to North Carolina. Troy passed away July 31 this year. After seeing pictures of Callie's home and the country around which she lives I can see why she won't move back to Texas. It is so beautiful there. Also all of her five children and their families live there.

Callie will go to Amarillo to visit her sister Johnnie tomorrow and fly home from there. We are all looking forward to Callie's next visit to Texas.

Charlotte Brock, secretary to the Lockney High School Principle, received a call from a George Baca of Amarillo. George and a friend Jim Rainey find things with their geiger counters. They told Charlotte they had found a 1983 Lockney class ring with the initials RDH and the name Robin in it.

Charlotte contacted Robin Delise Hardy Daniels' grandmother Edith Cooper. Edith called Robin out in Arkansas and ask if she had lost her ring? She said Yes when she was a student at West Texas College in Canyon 1984. Now Robin will have her ring back after all these years.

Last week when I was in the hospital a dear friend of mine passed away.

Arvie Lloyd Newton died Thursday Oct 27. His services were held Saturday Oct 9. at the First Baptist Church. He is buried in the Lockney Cemetery. Arvie will surely be missed by all.

## Floydada Rehab and Care Center Birthday Party

**By Joyce Williams**  
Octoberfest celebration was reflected in the refreshments served at the Floydada Rehab and Care Center Birthday Party Thursday, October 20 at 3:30 p.m.

German chocolate cake and fruit punch was served to honorees, Amalia Ortiz, whose birthday was the 24th, and new resident Larry Murrell on October 3. Mrs. Amanda Hinsley pre-

sented birthday gifts from City Park Church of Christ. The Center was beautifully decorated with pumpkins and fall foliage. Cathy's Florist presented a corsage and boutonniere to the honorees. A group picture was taken by the Hesperian-Beacon photographer.

Visitors are invited to attend the next party on the third Thursday of each month at 3:30 p.m.

## Bailey family holds Reunion

The grandchildren of William Maston (Bill) Bailey and Viola Crawford Bailey held their fifth reunion at Lubbock, Texas October 8, 2005.

The Baileys were married September 2, 1906 in Lamar County, Texas. Their three children William Maston, Jr. (Willie), Mary Addie Bailey Cheshir and Gussie Lucille Bailey Pierce, are deceased.

The Bailey/Crawford cousins enjoyed viewing family photos and genealogy on the Bailey/Crawford family. Photos of the newest granddaughter of Leo and Wanda Wallace, Cleo Maeve Wallace born January 21, 2005 was shown and photos of the first great-grandchild of Freda and Bobby Cooper's great-grandson, Kade Ian Poke, born September 21, 2005.

Games were played and lots of family stories exchanged. Gospel music was sung by cousins as Wynnell Jones accompanied them on her Key Board.

Those attending the reunion were: Wynnell and Keith Jones of Deerfield, Kansas; Shirley and Pat Albers of Deerfield, Kansas; Richard and Veleta Bailey of Copperas Cove; Freda and Bobby Cooper of San Angelo; Wanda and Leo Wallace of Plainview; LaVern Cox of Lubbock; Steve Cox of Lubbock - great-grandson of the Baileys; and Laddie and Toy Pierce of Cut and Shoot, Texas.

Friday, November 11, from 11:00 a.m. to 1:00 p.m. the Center will have a nurse at the Center to give you a flu shot. The Center is located at 301 East Georgia. Please bring your Medicare Card. If you are not on Medicare, there will be a charge.

Friday, November 4, 1:00 p.m. to 5:00 p.m. and Saturday, November 5, 8:00 a.m. to 12:00 p.m. a Safety Driving Course will be taught by AARP representatives. The course is two days and the cost is \$10.00 per person. We need at least 15 people to attend or they will not come to teach

the course. Please call the Center 983-2032 for reservations. It does help to lower your insurance premium over a 3 year period. We have 9 people already signed up.

Jo Payne's first cousin, Juanita Beckett of Covington, Tennessee ate lunch at the Center on October 25. Jo and Juanita had attended a family wedding in Dallas and Juanita came home to spend a few days with Jo.

Sunday evening, October 30, Ila White was given a surprise 90th birthday party in the home of Donnell and Wilma Gowens. Everyone who attended brought

a covered dish and we had lots of good food to eat. Friends attending were Marie Warren, Frieda Simpson, Bill and Ardis Daniel, Bob and Charlene Alldredge, Joe and Jean Appling, Harold and Laurita Bertrand, J.R. and Wanda Turner, Roy and Neva Baxter, Margaret Word and hosts, Donnell and Wilma Gowen.

Our sympathy to the family of Ruthie Warren.

Thought for the week - Tact is the ability to make a point without making an enemy.

## Floyd County Historical Museum News

### By Carolyn Hardy

Visitors to the Floyd County Historical Museum within the last two weeks have been from the countries of England and Saudi Arabia, the states of Oregon, Illinois, Georgia, New Mexico and North Carolina. Out of county visitors from Texas were from Magnolia, Silverton, El Paso, Lubbock, Hale Center, Rockdale and Matador.

The children of John and Eula Hampton Holmes had a reunion in Floydada, Saturday, October 29. Their daughter, Callie Holmes Jackson, visited the Museum last Friday with her cousin Linda Crader. Glen Cannon, a grandson, and his wife Linda, from Magnolia, Texas, near Houston, also came in Fri-

day. John Holmes and Eula Hampton were married 02 June 1927 in Floyd County. They raised their family, Alma Lou, Johnnie, Callie, Son and Betty, in the Irick community Southwest of Lockney.

Bill and Mary Louise McCarter brought Dewanda Bennett Blendin's scrapbooks to the Museum last week. Dewanda was a devoted historian for Lockney and surrounding communities. She loved her classmates who attended school with her at Lockney and tied to keep in touch with all of them. The scrapbooks are on the shelves for those who want to look at them.

Thomas Musser is keeping the maps updated showing the loca-

tion of drilling rigs, permits issued and present producing wells. These are available for purchase at the Museum. Thomas also provides the Museum with the latest news from the different companies involved in the

exploration of oil and gas in the Palo Duro Basin.

Lookups in the Mary Lou Bollman History and Genealogy Center were for the family names of Farris, Rogers, Fitzgerald.

# Tulia defeats Floydada to earn postgame berth

By Bill Gray

Floydada's fading hopes for a playoff spot in 2005 were put to rest on the first play from scrimmage at Tulia's Younger Field last Friday night. It could be said that it was a "frightful" night, with the Halloween goblins coming early for the Whirlwinds in the form of a swarm of Tulia Hornets. The Whirlwinds had aspirations of turning around their disappointing season with at least a 9-point win over Tulia, which would have given them an opportunity for the playoffs. However, the determined Hornets were too much as they captured their second postseason appearance in as many years with the 32-7 victory over the injury-plagued Whirlwinds.

Tulia joins Lockney and Friona in the Class 2A state playoffs. A Lockney victory over Friona tomorrow night at Mitchell-Zimmerman Field, coupled with a Tulia win at Olton, will throw the district race into a tri-championship among the playoff teams. A Cheiftain victory at Lockney will give Friona an outright district title. Tulia will be the Division I (big school) representative in the playoffs.

Following a 22-yard return of the opening kickoff by Tulia's Kamron Lingor, Kevin Burrow faked a handoff to Lingor and raced 63 yards up the middle for a touchdown -- barely 23 seconds into the game. The senior quarterback had a big night, rushing 15 times for 143 yards and a couple of scores and passing for 101 yards and two touchdowns. After an exchange of punts, the Hornets again struck from long range. On second down from the Floydada 45-yard line, Burrow made the same fake to Lingor and ran the distance for his second score of the opening quarter.

The Whirlwinds' only score came three minutes into the second quarter on an 11-yard toss from Payte Beedy to Jacob Reddy. Brandon Rainwater connected on his only extra-point attempt of the game. The Whirlwind defense gave up its third rushing touchdown of the first half when Lingor capped an 11-play, 63-yard drive with a 20-yard scamper in the final three minutes of the second period. The Hornets took a 19-7 lead into the locker room at the intermission.

Floydada managed to shut down the Hornet running game in the second half, but Burrow found success with his arm. He connected on a third-quarter, 19-yard touchdown aerial to Tim Tolentino. Tulia opened the final period with Tolentino's interception of a Payte Beedy pass. On the next play, Burrow put the game out of reach with a 45-yard scoring bomb to Chris Hopper. The Whirlwinds kept the Hornet ground game under control during the second half, and Jacob Reddy's booming punts were a big factor in the battle for field position. Reddy's 64-yarder, late in the fourth period, was his longest punt of the year. He punted five times in the game for an average of almost 48 yards-per-attempt.

Floydada will host Dimmitt tomorrow night in the season finale. The Bobcats are winless in district action and have won only once overall. The Whirlwinds have suffered a number of injuries this year, with several key players having to miss action the past couple of weeks. Lance Terrell's hand injury ended his season early and Jason Nutt may still be out of the lineup this week. Blake Greer may be able to return to action, and Taylor Beedy is still a "day-to-day" question mark as to his being able to play. Tomorrow is also "Senior Night," a very special night of recognition for those who have meant so much to this program -- most for as long as six years.

**Individual Statistics:**

Rushing - Jacob Reddy 15-47, Aaron Flores 8-26, Payte Beedy 15-25, Paul Marmolejo 6-20.

Passing - Payte Beedy 6-12-1, 74 yds., 1 TD.

Receiving - Jacob Reddy 3-39, 1 TD, Aaron Flores 1-14, Titus Miller 1-11, Dustin Ochoa 1-10.

Leading Tacklers - Jacob Reddy 8, 2 assists; Tate Jones 7, 2 assists; Rudy Luna 5, 1 assist.

## Vasquez, Cannon & Tye win football contest

Winners in our weekly football contest were Lucio Vasquez, Sheree Cannon and Beth Tye.

All three winners missed 6 games this week. The first tie-breaker game between Floydada and Tulia was used to determine first place. Tulia won that game with a final total score of 39.

Lucio Vasquez, of Floydada chose Tulia to win by a total score of 48 (9 points off) and he will be receiving the first place check of \$25 for the second week in a row.

Sheree Cannon and Beth Tye, both of Floydada, chose Floydada to win over Tulia. So the second tie-breaker game between Lockney and Dimmitt was used. Lockney won that game with a final total score of 42.

Cannon chose Lockney to win by a total score of 50 (8 points off) while Tye also chose Lockney to win with a total score of 30 (12 points off). Cannon will receive the second place check of \$15 and Tye will receive the third place check of \$10.

Honorable Mention goes to the entries that missed 7 games. They were: Jane Pruitt, Franklin Harris, Glenn Bailey and Max Yeary, all of Floydada, Paul Koen of Amarillo and Keith Marricle, of Muncy. We had 48 entries this week.

Keep up the good work! Be sure and mark all the winners in each game and please put your address at the bottom of the entry form.

## District Cross Country Champions 3 years in a row

By Coach Prather

The Whirlwind boys cross country team competed in the District Meet held at the Mae Simmons Park in Lubbock on October 25, 2005. The varsity team brought home the district trophy as they captured first place.

**GOOD JOB!** The boys ran well at the District Meet in Lubbock! I can't say enough about their dedication and their hard work. I am very proud of the way they ran.

For Tony, Chris and Nick, it was the third time they have been a part of a District Championship Team. It will be four years in a row that Tony and Chris have competed at the Regional Cross Country Meet. Congratulations

to them!  
We not look forward to the Regional Meet on November 5th in Lubbock. The girls will run at 1:00 p.m. and the boys at 1:30 p.m.

District varsity track results are as follows:

Tony Perez - 1st place - 18:05; Nick Espinoza - 2nd place - 18:29; Chris Reyes - 3rd place - 18:32; Raymond Everett - 4th place - 18:35; Ruben Ortiz - 10th place - 19:23; Abel Cortinas - 17th place - 20:18; Robert Beuning - 24th place - 20:57.

District junior varsity track results are as follows:

Gabriel Mendoza - 1st place - 20:29; Mauro Ortiz - 2nd place - 21:13.

## Floydada Varsity Girls Cross Country Team captures Third Place at District Meet in Lubbock last Saturday

By Coach Angie Watson

The Floydada High School girls cross country team competed in the District Meet held at Mae Simmons Park in Lubbock on October 25, 2005.

It looks like we have another week to enjoy cross country! I am very proud of these girls. Marlen Carmona and Morgan Norrell ran their best times of the season and Jackee Wickware had one of the best and most exciting finishes I have ever seen.

Despite one of our top runners suffering a severely sprained ankle, Blanca Garza, the girls stepped up as a team and finished in the top three. This competition was extremely close. Friona came in 1st place with 53 points and Olton finished 2nd with 65 points. We tied with Tulia, both of us having 67 points. However,

our 6th runner, Blanca Garza, broke the tie for 3rd place.

I am very proud of the JV girls for their strong finish. Everyone on the bus came home with a medal.

We will be competing at the Regional Meet held at the Mae Simmons Park in Lubbock on Saturday, November 5th at 1:00 p.m. Our goal for the regional meet is to make a strong appearance with the best runners in the state, so we will continue to work hard in practice and get our best times of the season.

Fantastic job, Lady Winds!

Varsity:

Marlen Carmona, 4th place, 13:32 (medal); Morgan Norrell, 5th place, 13:33 (medal); Jackee Wickware, 15th place, 15:03; Jennifer Leatherman, 20th place, 15:17; Crystal Alvarez, 26th place, 16:02; Blanca Garza, 27th place, 16:46; LaToya Glenn, 28th place, 17:50;

Overall 3rd place Team (advancing to regional meet)

JV:

Jackie Gutierrez, 1st place (medal); Keyla Pesina, 2nd place (medal);

### Military News

#### Reyna completes basic training

Marine Corps Reserve Pvt. Edward G. Reyna, son of Maggie and Gilbert Reyna of Lockney, Texas, recently completed 12 weeks of basic training at Marine Corps Recruit Depot, San Diego, Calif. designed to challenge new Marine recruits both physically and mentally.

Reyna and fellow recruits began their training at 5 a. m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Reyna spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field training.

Reyna and other recruits also received instruction on the Marine Corps' core values--honor, courage and commitment, and what the core values mean in guiding personal and professional conduct.

Reyna and fellow recruits ended the training phase with The Crucible, a 54-hour, team evolution culminating in an emotional ceremony in which recruits are presented the Marine Corps Emblem, and addressed as "Marines" for the first time in their careers.

# Lockney rolls over Dimmitt 42-0

By: Brannon Rodgers

The Lockney Longhorns improved to 5-4 overall and 3-1 in District play with a 42-0 thumping of the Dimmitt Bobcats. The Longhorns clinched a playoff spot with the victory.

Tulia, Lockney, and Friona will be the District 6-2A representatives in the State Playoffs. Tulia is the large school representative with the largest enrollment. Lockney and Friona will battle for small school seeding on the field tomorrow night at Mitchell-Zimmerman Stadium.

Friona is 4-0 in District and looking to complete the sweep for a District Championship with a win over Lockney. If Lockney and Tulia win, there will be a three-way tie for the District Championship with all three teams at 4-1.

The Longhorns traveled to

Dimmitt this past week in order to take care of business against the Bobcats. The Horns quickly and efficiently put the game out of reach with 21 first quarter points. Dimmitt received the opening kickoff. Rion Aufill forced a fumble that was recovered by Jason Mondragon on the third play from scrimmage. Lockney's Wes Davis quickly scored after only three snaps to give the Horns a 7-0 advantage.

Dimmitt's next play was another fumble that was recovered by Dahlen McCarter. John Vasquez hit paydirt with a 25 yard touchdown run increasing the score to 14-0. Vasquez took advantage of his limited time with a 53 yard touchdown run on Lockney's next possession as well. The Horns were up 21-0 at the end of the first quarter. Dimmitt never really got any-

thing going on offense. They finished the night with only 108 rushing yards and 21 passing yards.

Dahlen McCarter scored on a 37 yard run up the middle with 8:17 remaining before half pushing the score to 28-0. Dimmitt and Lockney traded punts on their next two possessions.

To open the second half, Vasquez reeled off two more twenty yard runs. He finished the night with 160 yards on 13 carries. A 19 yard run by Brandon Hall capped the drive. Lockney was up 35-0 with 7:27 to go in the third quarter. A Dimmitt punt set up another Lockney possession. This time Brandon Hall ran for 79 yards to reach the endzone. Lockney led 42-0 to end the third quarter.

The fourth quarter came and went with the blink of an eye.

## 8th Grade Shorthorn Football

The Shorthorns stamped into Dimmitt and corralled the Bobcats 40-0.

The Horns fumbled on their first position, but the defense got the ball back a few plays later. On the next position the Horns marched down the field behind Walker Kemp and Dillon English. Jacob Luna plunged into end zone from 10 yards out. Brent Zambrano followed with 2 pts. Making the score 8-0.

Konner Ellison recovered a fumble on the kickoff. Three

plays later Angel Cortez hooked up with Ellison on a 30 yard touchdown pass. Luna made the scored 16-0 with the 2pt. conversion. The Horn defense stiffened with great effort from Hugo Martinez, Steven Gonzales, and Billy Lee, who helped cause a fumble that Kemp recovered. The Horns moved into scoring position with runs from Louie Peralez and Matthew Dunagan. Later Cortez scored from a great block by Josh Silva, Cody Patton, and Sid Prather. The 2pt. conversion was good making the

score 24-0.

The first half ended with the score 32-0. Both teams held each other scoreless in the 3rd quarter with a stingy effort from Oscar Gonzales and the rest of the Shorthorn defense. Dimmitt wanted to go to the air, but Joe Perez and Matthew Rendon broke up several pass plays.

Ellison opened up the 4th quarter with a 40 yard touchdown run which left the score 40-0. The Shorthorns will wrap up district next Thursday at home versus Friona at 6:30.

## Emergency Farm Loan applications being accepted

Applications for emergency farm loans for losses caused by excessive rain, flash flooding, hail, high winds, lightning, tornadoes that occurred on May 12, 2005 and May 13, 2005; for excessive rain, flooding, hail, high winds, lightning and tornadoes that occurred on June 9, 2005; excessive rain, flash flooding, flooding, hail, high winds, lightning and tornadoes that occurred on June 9, 2005 through June 10, 2005 are being accepted at the Farm Service Agency (FSA) in Floydada.

Floyd and/or Crosby Counties has been named as primary and/or contiguous counties recently named by Secretary of Agriculture Ann Veneman eligible for loans to cover part of actual production losses resulting from the above disasters.

Farm Loan Manager, Becky Rainer, said farmers may be eligible for loans of up to 100% of their actual losses or the operating loan needed to continue in the agricultural business, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 3.75 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FSA emergency loan," Rainer said. Farmers participating in the Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until March 27, 2006, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Rainer said.

FSA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FSA office in Floydada is open from 8:00 a.m. to 4:30 p.m. Monday through Friday.

## Hunter Education Course offered in Lockney

By Jerry Edwards  
Chief of Police, Lockney

The Lockney Police Department will be sponsoring a Hunter Education Class at the Lockney Youth Activity Center, to get those who have not taken the course certified prior to the opening of Pheasant Season.

This course is mandatory for anyone born on or after September 1, 1971. In order to legally hunt in the State of Texas anyone born in that time frame must have in their possession (along with a Texas hunting License) a certificate of completion of a Hunter Education Course. Failure to present both of these documents when checked by a game warden can result in a citation be-

ing issued for non compliance of the law.

The cost of the course is \$10.00 which is the state mandated minimum.

The course will be taught in a two day time frame. The classes will start on Saturday, November 19, and end Sunday, November 20. Starting time on Saturday will be 8:00 a.m. sharp and go through to 5:00 p.m., with an hour lunch break (on your own). Sunday, November 20, the class will start at 1:00 p.m. and go until approximately 5:30 p.m. Both days are required in order to certify.

Anyone may take the course. However, no one under the age of 12 (on the starting day of the course) can be certified. Those

under 12 will have to retake the course after reaching the age of 12 to certify.

This course also meets the requirements of other states that have Hunter Education laws. There are several states that require you to have taken a course no matter what your age before you can hunt in that state.

Preregistration is required. You may preregister by calling the Lockney Police Department (806) 652-3548. Information needed at the time of the call will be: your full name, date of birth, social security number, mailing address, city, state and zip code. If you possess a drivers license or ID card this information is also required and a phone number. The fees will be collected the

starting day of the class. Do not send it in prior to the start of the class. All youth under the age of 17 must have a parent or guardian come with them the starting morning and sign a permission slip for you to take the course and allow you to handle firearms in the class. **There is no exception to this rule.** You can not handle firearms without the permission slip being signed, and this must be done on Saturday morning at the start of the class.

Please bring a pencil or ink pen to class with you both days. If more information is needed, contact Jerry Edwards at 806-652-3548. We will endeavor to do our best to start and finish as close to on time as possible.

Concentrating on consistency, especially in the module construction phase of cotton harvest operations, is turning out to be one of the key areas for growers and ginners to keep costs down in 2005.

To help spread the word and focus grower attention on the importance of constructing uniformly sized modules, Plains Cotton Growers staff has helped develop and distribute a poster about the importance of uniform module size and encourages growers to construct modules that contain at least 10-12 bales.

The poster was sent to cotton gins throughout the High Plains region. Any gin that has not received a copy of the poster or who would like to obtain additional copies should contact Plains Cotton Growers.

Anyone who would like to download and print their own copies can find the poster on the PCG website ([www.plainscotton.org](http://www.plainscotton.org)). Just click the link on PCG's Home Page to find both Tabloid (11x7) and Legal (8.5x14) size versions of the poster in Portable Document File (PDF) format. The PDF files can be downloaded and printed out in either color or grayscale.

Following the 2004 ginning season many High Plains ginners realized that while a majority of growers do construct 10-12 bale modules, some consistently produce modules that hold only 8-9 bales.

Growers that make undersized 8-9 bale modules require significantly more trips to the field to transport the same amount of cotton to the gin as a producer that averages 10-12 bales per load.

With diesel prices still hovering above \$3 per gallon, cotton producers and their ginners are scrambling to find every possible way to increase efficiency and save money during the 2005 harvest season.

## Cotton News

Unfortunately for growers there's not much that can be done to reduce daily fuel consumption rates during harvesting operations. For ginners, the options aren't much better as their ability to achieve savings is also keyed on keeping vehicles and equipment moving as efficiently as possible.

Constructing and hauling uniformly sized modules that average at least 10-12 bales per load can significantly cut the amount gins have to spend on module hauling and will also prevent the need for having to charge extra to bring in undersized modules.

To illustrate just how much difference module size can make, an 80,000 bale gin whose customers averaged 11 bales per module would haul approximately 7,250 modules during the course of the ginning season.

If that average dropped to 9 bales per module the gin would increase the number of loads it must transfer by nearly 25 percent to just under 8,900.

It doesn't take a mathematician to see that any gin, regardless of size, whose customers take the time to construct uniform 10-12 bale modules can save a significant amount on their over-

all ginning costs and that the grower will ultimately see the benefit through a lower overall cost of ginning in 2005.

### Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle the number of the teams you believe will win on the official entry form. To indicate a tie, circle the numbers of both teams playing the game. Also, write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker games.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5 p.m. on Friday will be accepted. Photocopies and mail entries will not be accepted.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games and equal scores on the tie breakers), prizes will be combined and shared equally by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at a Hesperian-Beacon office before 5 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
