C. S. Lowry Succumbs To Pneumonia Sunday Night; Funeral Monday

Remains of Pioneer Texan Interred by Side of Wife In Floydada Cemetery.

C. S. Lowry, 85, pioneer Texan and resident of Floyd County for the past twenty-five years, succumbed Sunday night of this week to an attack of pneumonia following an illness of a few days. Death came while he was visiting at the home of his daughter, Mrs. J. A. Grigsby at 615 South Main Street, and funeral services were held from the Grigsby home Monday afternoon at 2 o'clock. Rev. P. D. O'Brien, assisted by Rev. G. W. Tubbs, conducted the funeral service. F. C. Harmon had charge of funeral arrangements.

Interment was made in Floydada Cemetery, the body being laid to rest beside that of his wife.

Mr. Lowry became ill with a heavy cold one week prior to his death. About mid-week the illness developed into pneumonia and Friday night he became unconscious. Deceased had been very active throughout his career, and gave his business affairs his personal attention until the time of his last illness. Following the death of his wife on January 13 of this year, however, he apparently lost interest in life and when his last illness came put up little resistance to the ravages of disease.

Mr. Lowry was born in Warren County, Tennessee, on August 14, 1846, his wife also being a native of the same county. They had been married for sixty-three years at the time of her death. They moved to Texas in 1877, settling in Bell County. They also resided in Coryell, Johnson, Swisher and Martin Counties, this state, before removing to Floyd County twenty-five years ago. For the past eleven years Mr. Lowry had lived in Floydada.

The surviving children are Mrs. J. A. Grigsby of this city, and J. A. Lowry, near Sand Hill.

Surviving grandchildren here for the funeral from out-of-town included Albert Grigsby and wife, of Lubbock, R. O. Lowry and family, of Slaton, Mrs. Frank Bishop and family of Tucco, Mrs. Alice Hartung of Anaheim, California, Warren Lowry, Chas. Lowry and family, and E. A. Grigsby and family of this county, are grandchildren and were also present for the funeral. Three grandchildren were unable to be present for the funeral. They are Mrs. Margaret Davis of Fort Worth, Charlie Grigsby of Greeley, Colorado, and Frances Lowry of Anaheim, California.

WARMER NOVEMBER 1931 THAN NOVEMBER LAST YEAR

November and the first days of December have been warmer this year than for the same period last year, according to comparative figures for temperature readings obtained at the office of West Texas Gas Company, the average high temperature last year being 63 degrees as compared with 71 degrees this year. The average low last year was 40 and 46 this year. This mean temperature last year was 51 degrees as compared with 59 degrees this year.

Thermometer readings have barely dipped to the freezing point twice during the past week.

BOY SCOUTS TO COLLECT REPAIR TOYS FOR NEEDY

Boy Scout Troop Number 20 met December 7 with eight members present. At this meeting the boys voted to collect old toys over town and repair them for the needy children. They will co-operate with the Associated Charities in this work.

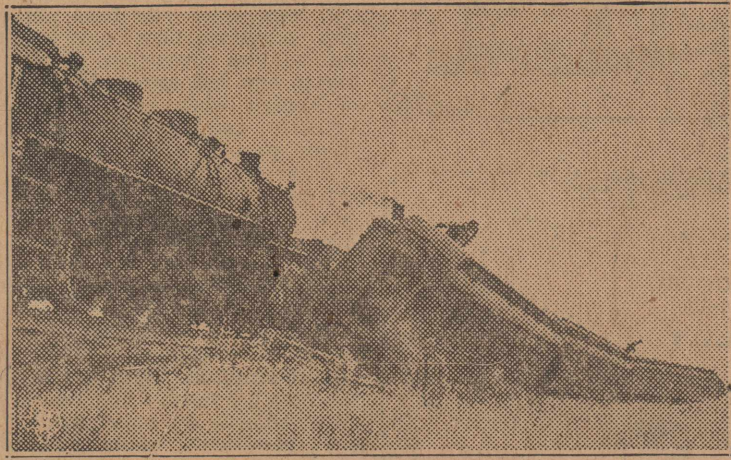

This troop is getting back to normal in attendance and plans to do some interesting work now.

CECIL GIBBS IS MADE NEW MANAGER CITIES SERVICE STATION NO. 1

Cecil D. Gibbs, of this city, Monday assumed the management of the Cities Service Station No. 1 at the corner of South Main and West Mississippi streets.

Mr. Gibbs succeeds Tip Kendrick, who has been operating the station for the past several months. He has had years of business experience here and is well known in this section.

No Injuries in Train Wreck

Due probably to stull equipment, passengers sustained only minor injuries when seven cars of a fast Rock Island train left the track west of Dalhart, Texas, last week. Only one car overturned, the others remaining upright in soft earth.

PLAN CHRISTMAS CHEER FOR KIDDIES OF POOR

*Plans of the Nazarene Church of Floydada for the Christmas season include arrangement to bring as much as possible of Christmas cheer to the poor and destitute children of the community. Rev. N. E. Tyler, pastor of the church, said this week, their plans including an invitation to all the poor children to be present for the Christmas tree on Christmas Eve night at the church, and the membership would appreciate information that would lead them to find homes where their activities in this connection would be not only helpful and cheerful but welcomed. "It will not be necessary for needy boys or girls to be worried about having fine clothes to wear to the Christmas Tree, as we will attempt to make them feel at home with us," Mr. Tyler said.

The congregation also plans to do what it can for the destitute, and will appreciate any information that will be helpful. Reports may be made to Price Scott, Tom McLain, Mrs. B. Martin or Mrs. Esther Heringer Tyler.

O'BRIEN MAKES ADDRESS AT PLAINVIEW MISSION RALLY

Rev. P. D. O'Brien, pastor of the First Baptist Church of this city, delivered an address this Thursday morning before the delegates to the all-day Mission Rally being held at Plainview today. The meeting is being held at the First Baptist Church.

"Putting Action into Our Mission Boast" was the subject of the talk by Rev. O'Brien. Mrs. O'Brien and sons accompanied Rev. O'Brien.

OFFICIAL REPORT INDICATES 15,023,451 BALES GINNED

Report from ginner of the United States as issued by the Government Tuesday indicated a total of 15,023,451 bales of cotton of the 1931 crop had been ginned up to that time. The government estimate for this year's crop when complete is 16,918,000 bales.

Ginning operations in Floyd County have been at a standstill virtually since Thanksgiving due to rain, fogs, and snow. Most of the fields in this section have been plowed but it is estimated that several hundred bales yet remain in Floyd County to be gathered.

Weather during the past week has brought considerable moisture that has penetrated the soil more than ordinary due to the prevailing cloudiness and heavy atmosphere.

WIMBERLY CAR BURNED

Members of the sheriff's department Thursday of last week located the stolen coupe owned by Fred Wimberly about four miles south-west of town on the Petersburg road. The car had been burned. No clues have been found as to the identity of the thief. The car was taken from in front of the Wimberly residence on South Main Street Wednesday night of last week.

Teachers Will Elect League Directors At Meeting December 19

Dr. J. A. Hill Invited to Deliver Main Address At Floydada High School.

Teachers of all the schools in Floyd County will meet at 2 o'clock Saturday afternoon, December 19, in the high school auditorium at Floydada to perfect plans for the Interscholastic League meet to be held in the spring and to elect officers of the county organization. It was announced Wednesday afternoon by Superintendent W. E. Patty director general.

Dr. J. A. Hill, president of W. T. S. T. C. at Canyon and newly elected president of the State Teachers' Association, has been invited to deliver the main address for the session.

County Superintendent Price Scott, newly elected president of the county superintendents of Texas, stated that he was anxious that all teachers in the rural schools plan to attend the meeting.

Further discussion and possible organization of a Floyd County Teachers' Association possibly will be one of the matters considered by the assembly. Plans for such an organization were formulated some two years ago and a meeting held last year at Lockney did not take final steps on a constitution due to the fact that attendance was low on account of inclement weather.

Teachers in Floydada and Lockney schools are expected to attend the session here Saturday of next week.

Floydada Schools To Close For Christmas Season December 23

Floydada Public Schools will close Wednesday afternoon, December 23, for the Christmas and New Year holidays and will re-open for class work Monday, January 4, as was announced Wednesday by Superintendent W. E. Patty.

High School students will have their first semester examinations in January.

Many of the teachers are planning to visit at various points over the state with relatives and friends during the vacation period of eleven days.

Classes will be resumed in Andrews Ward, East Ward and the High School on the fourth day of the new year.

Closing dates for the rural schools for the holiday period have not been set definitely, it was stated by Price Scott, county superintendent.

A. J. Folley Is Made District Deputy G. M. At Waco Grand Lodge

A. J. Folley of this city was appointed District Deputy Grand Master of the 96th Masonic District of Texas at the annual state Grand Lodge held last week in Waco.

E. W. Henderson and Hal Scott, representing the R. A. M. and A. F. & A. M., respectively of the Floyd City Lodge, attended and put in the nomination for Mr. Folley, who is district attorney. They returned home Sunday.

EARL CROW SUFFERS SPRAINED LEG WHEN FALLS UNDER PLOW

Earl Crow, 21, is convalescing at the home of his parents, Mr. and Mrs. H. L. Crow east of Floydada from a badly sprained right ankle suffered some two weeks ago when he fell under a disc plow while at work in the field.

His legs caught between the discs and he was unable to free himself and had to remain several hours in a painful position before members of the family came to his rescue.

He had fallen forward when he became overbalanced while trying to get weeds from in front of the plow. He unhitched the trace chains so that the horses could not pull the sharp discs over him and then waited for aid.

Medical examination did not reveal any broken bones, only a severe sprain and no severe cuts, it was stated.

HOUSEHOLD GOODS, RESIDENCE DESTROYED BY FIRE

A four room residence occupied by Will Stewart on Mrs. Eva Wagner's place ten miles northeast of town was destroyed by fire of undetermined origin last Thursday evening.

Mr. Stewart was away from home at the time of the fire and lost all his household goods which were not covered by insurance. Insurance amounting to \$600.00 was carried on the house. Mrs. Wagner plans to rebuild in the spring.

Benedict Honored

Dr. H. Y. Benedict, president of the University of Texas, and one of the founders, in 1892, of the Texas Academy of Science, was elected president of the academy Saturday. He succeeds Dr. John K. Strecker of Baylor University.

Poultry Show Is Postponed; Date Set For January

Postponement of the Floyd County Poultry Show until January, possibly about the tenth, was announced Tuesday by S. W. Ross, secretary of the Chamber of Commerce, who has been making plans for the event.

It was stated that the show will be held at the Floydada Hatchery and Edwin Heald, manager of the plant, will be director.

The tentative dates announced recently were for December 17, 18, 19. Difficulty in obtaining a building and failure in completion of other necessary arrangements made the change necessary. Mr. Ross said.

"We can accommodate about five hundred birds in the hatchery building on East California Street, it will be conveniently located, and we feel that we can have a dandy little show there without much expense to anybody and at the same time have something worthwhile for the folks," Mr. Ross commented.

19c Price Yesterday Brings 2,000 Turkeys To Floydada Market

A bulge from 16 to 19 cents in the local turkey market, yesterday when two firms went three cents above other dealers in the area, brought in 2,000 head of turkeys or better, for which raisers received checks totaling approximately \$5,000.

A check-up on the price indicated it was higher than that being paid anywhere else in the state, with only one or two exceptions, and the news of the price was broadcast as far as possible over the territory to give every raiser an opportunity to take advantage of it.

This morning the local price is 16 cents for top birds. Floydada Poultry & Egg Company during the rush of Wednesday and Wednesday night had nearly 100 persons on the payroll, handling the turkeys, picking and dressing out for shipment.

Dealers said the quality of the birds has improved wonderfully since Thanksgiving and practically everything offered was in fine condition and classed excellent in quality.

ROBERT SMITH, JR. IS ENTRY AGAIN THIS YEAR IN MASTER DAIRY EVENT

Robert Smith, Jr., of Sterley, who this year placed eighth in the Master Dairy contest of the Panhandle, has entered the contest again for next year. He received a silver medal as an award for placing among the highest ten in the contest.

Mr. Smith was enthusiastic over the valuable information obtained in meeting the requirements on the score card.

ENTRY BLANKS RECEIVED IN PORK PRODUCTION CONTEST

Entry blanks have been received by O. T. Williams, vocational agriculture teacher in Floydada High School, and S. W. Ross, secretary of the Chamber of Commerce, for participants in the Panhandle Pork Production Contest sponsored jointly by the Pinkney Packing Company of Amarillo, the Amarillo News-Globe and the Agriculture Department of the Amarillo Chamber of Commerce.

The contest opened December 1 and Mr. Williams and Mr. Ross are seeking Floyd County entrants. Prizes totalling \$500 in medals and premiums will be awarded.

Council Passes New Electric Rate Law; Has Penalty Clause

Recent Ordinance Is Repealed And Violation of No. 151 Will Be Misdemeanor.

Passage of a new city ordinance incorporating the penalty clause for failure of utility companies to comply with provisions setting forth rates not to be exceeded for electrical light, power and heating, was effected Tuesday night at the regular meeting of the City Council.

The new ordinance No. 151 contains the same provisions as No. 150, which was revoked Tuesday night, the rates remaining the same but the new feature being the enforcing clause. The original ordinance voted several months ago and the enforcing ordinance were separate but court rulings indicated that such an arrangement was legal only for cities with populations exceeding 5,000 people, it was stated.

Fayne Prepares Ordinance

Drafting of a combined ordinance and enforcing clause by Special Attorney H. D. Payne followed and it was this new document that was approved by the council Tuesday night. The ordinance becomes effective December 20, 1931.

Following is the clause containing the "teeth" for the enforcement: "Any person, firm or corporation, their agents, servants or employees, violating any part of this ordinance or any provision thereof, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined not less than five nor more than twenty-five dollars, for each offense and each charge in excess of the amount allowed by this ordinance, shall constitute a separate offense."

Provides New Rate

Maximum monthly residential rates chargeable by Texas Utilities Company or other company offering electric energy under the new schedule would be 9 cents for the first 25 kilowatt hours, 9 cents for first 50 KWH in business combination rate, 4 cents for first 60 KWH in power rate, 4 cents for first 50 KWH in heating, cooking, and refrigeration, and 5 cents per KWH on signs and window lighting, per month basis. Other rates are determined on a sliding scale in proportion.

Residential rates of the company at the present time are 11 cents for the first KWH per month. Reductions would also be made under the ordinance in minimum charges, for example reducing the present of \$1.50 in residential combination to \$1 per month.

In the disposal of business matters, the Council voted approval for the payment of \$200 by check some two weeks ago to Attorney Payne for services rendered the council, and approved payment of 10 fees to the district clerk in connection with a suit filed against Texas Utilities Company by the City in which it was charged the company had failed to file annual financial statements as provided in a city ordinance.

It was voted to pay out of the general fund an amount of \$1,360 for payment of one \$1,000 bond and \$60 interest on waterworks improvement and extension bonds, and to pay \$500 on an outstanding account with a meter company.

W. P. Daily and J. G. Martin appeared before the council on tax matters.

Baptist Workers Meet Friday At Crosbyton

Crosbyton will be the meeting point for the Floyd County Missionary Baptist Association Friday, December 11.

Following is the program to be given:

10 o'clock—devotional, Rev. G. W. Tubbs, Floydada.

10:15—Definition of Missions—Rev. H. L. Burnam, Whiteflat.

10:30—The Bible and Missions—Rev. J. M. Harder, Rails.

10:45—Some of our Missionaries—Rev. W. M. Lawrence, Silvertown.

11—address by—Rev. R. S. Jones, missionary from Brazil.

12—Lunch (According to an action of the last workers' meeting all visitors to furnish their own lunch). The afternoon's program will be as follows:

1:30—Women's session and Executive Board meeting.

2—Address by Rev. P. D. O'Brien, Floydada.

2:30—Address by returned missionary, Rev. R. S. Jones from Brazil.

3—Adjourn.

South Plains Teams Will Compete In Games at Andrews Ward Gymnasium.

Cage teams throughout this section will be urged to participate in the annual South Plains Invitation Basketball Tournament which will be held in Floydada Friday and Saturday, January 8 and 9. Invitations to approximately forty coaches are being mailed out today by Superintendent W. E. Patty and Coach L. T. Barksdale.

Earlier This Year

This year's contests will be staged a month earlier than last year, the Athletic Council deciding that in view of the fact that many other surrounding towns had planned similar events, it would be better to use early dates than later in the season. Rails, Matador and Dimmitt have planned tournaments.

Gold and silver basketball trophies will be awarded again this year to individual members and coaches of the first place team and the runners up, respectively. Mr. Patty said. The same general plan of pairings and play as used last year has been adopted, it was explained.

The contest, staged February 6 and 7 last year, drew 12 entries and the little team of Meadow defeated Lubbock High School, 29-27, for the championship of the tournament.

Expect Greater Interest

Due to the fact that the meet is being staged early, it is expected that coaches will take more than ordinary interest because the close competition that is sure to develop will give their squads experience that will prove valuable later in the season in official play.

The game will have no bearing on the standing of teams in the Interscholastic League race, it was pointed out.

Even greater interest and larger crowds than last year are expected this year.

Members of the Athletic Council who are making arrangements for the invitation tournament are Superintendent Patty, Coach Barksdale, and assistant coach, J. M. Teague.

Efforts will be made to obtain sleeping quarters in the homes of citizens for the boys who come from some distance to participate. "We will need the cooperation of everyone to make this year's tournament the biggest success of all," Mr. Patty declared.

Assessor To Take Farm Census Floyd County

Facts of Agricultural Resources of State to be Assembled for Year 1931.

The Agriculture Departments of the State of Texas and of the United States will collaborate in assembling the facts regarding the agricultural resources of the State of Texas next year, following the completion of the agricultural census of the state, which will be taken by the assessors of the various counties.

Supplies for the tremendous job of taking the agriculture census of Floyd County were received this week by County Tax Assessor Roe McCleskey, who will be requested to handle the job in this county under the provisions of a law passed by the legislature this year. The facts will be assembled in such a manner to give figures for all farm activities in the county, and will be gathered at the same time that the regular renditions are taken for tax purposes.

"The assessments usually begin sometime in February," Mr. McCleskey said Wednesday. "And that will be the plan followed this year, so far as I know at present. However, the additional work required by the census law will make the job several times bigger than usual."

Figures and facts furnished the assessor are required to be kept as confidential, so far as the individual farmer's business is concerned, Mr. McCleskey pointed out. It is going to be a big job, he said, and expressed the hope that, since the job is one set up for him by the legislature, the requirements would become generally understood by the taxpayers before time for assessments begin.

WHATSOEVER YE WOULD—

Dec. 13 will be Golden Rule Sunday—the beginning of Golden Rule Week, to be observed throughout the world for the benefit of neglected and under-privileged children.

The Golden Rule Foundation of New York, which sponsors the movement, asks that families observe the day by eating a simple meal, not merely that there may be a saving of a few dollars or cents, but that it may symbolize, particularly to the children of the family, the world's need and our obligation to meet that need.

Contributions made on Golden Rule Sunday or during Golden Rule Week, Dec. 13-20, and sent to The Foundation at 60 East 42nd Street, New York, may be designated for any worthy cause in which the donor is interested, either local or in distant parts of the world. The contribution will be transmitted in full as designated, or, if not designated, will be allocated by The Foundation's Survey committee, to meet the most pressing appeals.

GOOD HOLIDAY STOCKS

Floydada merchants, an up-and-at-them lot, have merchandise and in great plenty for all the practical needs, and practical or impractical desires, of the people of this area during this Christmas shopping period. They are prepared to care for a wide area.

Not with shop-worn items either but up-to-the-minute merchandise that you'll like and want to take home or give to some one you hold in regard.

Shop early for Christmas and shop in Floydada. You don't have to go somewhere else with your cash. And if you live in the vicinity of Floydada you oughtn't to go anywhere else with it. Really, you ought not.

NOBODY HAS HOLLERED

The November weather that brought much moisture to the farms of Floyd County and kept people out of the fields for weeks failed to get a rise out of anybody so far as complaining of continued wetness. In fact, the farmers all agreed that a good soaking would do the wheat good.

Good winter moisture conditions, with the subsoil getting a plentiful supply means a lot less trouble with wheat during the winter and a lot better planting condition when time to put row crops in the ground rolls around. Incidentally wheat has not put a lot of growth on top the ground due to the cold, which means it is putting down a fine root system against spring time.

Good crops mean better times, depression or no depression. It appears Floyd County is going to come out of the slump with a bang in a mighty few months. Meanwhile, the man who continually beats against this good country and this good town will be the eventual loser.

CHRISTMAS TURKEYS

Floyd County people are going to have several thousand dollars to spend for their various desires during the holiday period out of the proceeds of their turkey crop. Floyd County people have become a people of widely diversified farming interests. No marketing time comes but that a considerable proportion of the residents here has a lot of something to sell.

This week-end will see the close of the sales so far as the Christmas demands is concerned, but there are many undeveloped turkeys that will hit the January and February markets. Turkey raisers have learned it is unprofitable to offer anything but the best grade and best-conditioned turkey to the trade. Next year they are going to hatch earlier, feed better and "point" their fowls for the market they want to hit.

Meanwhile turkeys will pay a considerable bit of interest and taxes as well as help Santa fill the Christmas stocking. This seems to be an ideal turkey country.

DON'T DELAY BUYING

Don't put off your Christmas shopping. Do not be the harried individual, who on the last day, wishes he knew the nice thing that this and that one would like—who, in other words, wishes he had shopped early and thoughtfully. The late shopper does himself an injustice. The early shopper is the wise one.

THE CITY'S LAW SUIT

Evidently the city council has done the thing that lays on their conscience as representatives of the citizens of the community in filing last week the suit against Texas Util-

ties Company. Should they be successful in their contentions in the court that \$48,700 will be a sizeable sum to have and to hold. On the other hand it will be sizeable sum for the utility company to be out in this community for penalties. Multiply what they may lose here by thirty or forty and you have enough to break them, of course. This is a candid and, possibly, unkind thing to say when utilities companies all over the country are going into receiverships for lack of income to pay their preferred creditors and their bondholders. But it is as well to call a spade a spade, because the people who have money to spend for securities know it already, anyhow.

The utilities company says frankly it cannot make the kind of report the city requires. Their position is that the law which sets up this requirement is made for conditions far different from those that now prevail. On the other hand the governing body of the city feels itself obliged to have the information in order to fulfill their sworn duty to set rates. The outcome will be watched with keen interest here and elsewhere.

CHOOSE YOUR HORSE

Pick your horse and bet your money but don't get mad.

Whatever may be the relative merits of the two sets of opinion—on the one hand that the law is antiquated and on the other that the law is a necessary and desirable one requiring detailed reports from the light company—citizens will make up their minds one way or the other. Either that the city is right in its contentions or that the Texas Utilities Company is right.

In this connection The Hesperian reminds its readers, who are interested enough to pay any attention to what we may suggest, that only considerations of fairness and justice should have any part in molding their opinions in the matter. Hate or the desire to "pour it on" the wealthy ought not to enter into it. The Texas Utilities Company, a corporation, is entitled to all fairness of consideration. Like the rest of us they have been "taking it on the chin," although they refuse to complain. On the other hand the members of the city council are only doing their duty as they see it and are taking plenty of criticism, some of it probably rightly, some of it undoubtedly without full knowledge on the part of their critics of the conditions under which they labor.

In other words, no town gets big enough where it can allow itself to be torn up into factions, although disagreements as to policy may be ever so sharply drawn. There'll be ample of forward-looking things to do long after this particular controversy is laid on the shelf, and these things for the development of Floydada and Floyd County will need an undivided citizenship for their accomplishment.

GAS AND GAS STOVES

The great convenience of gas for heating in the homes may be the cause of some forgetting that the nature of gas must be kept in mind and that there are liberties which should not be taken with gas fires.

Carelessness in standing too close to an unguarded gas fire is quite dangerous; open flame heaters of any kind burned in an unventilated room soon use up the oxygen content of the air with consequent ill effect on health—fresh air should be permitted to come into the room through door or window; gas stoves left burning when leaving the house are dangerous—stoves have gone out time and again and the escaped gas resulting in an explosion when the occupant returned and struck a match to light the stove, forgetting meanwhile that he had left it burning. These and other reasons are sufficient to demand great care on the part of a home-owner, especially if there be children in the home.

Carelessness with gas stoves caused 183 fires last year, and many deaths from asphyxiation have also resulted from carelessness. In other words gas is just as safe as the person who handles it, no more, no less.

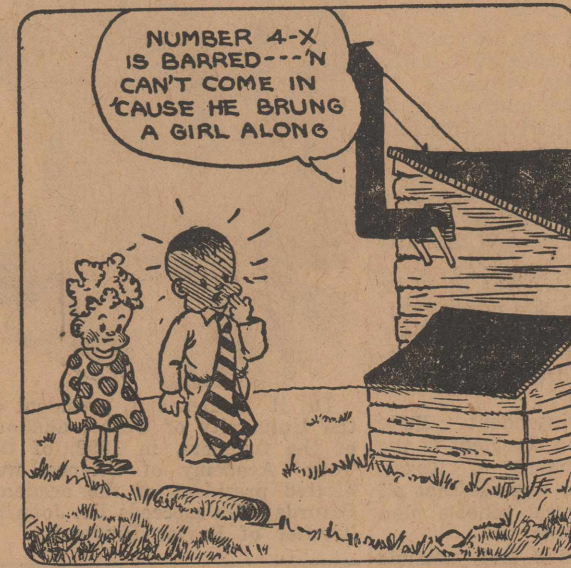

Nothing but harmony, honesty, industry and frugality are necessary to make us a great and happy people.

Contemporary Thought

THE JOYOUSNESS OF LIVING

Plainview Herald: Somehow when one sees people who have physical and other handicaps and yet are full of the joyousness of life, it makes him feel somewhat ashamed of himself when he finds himself whining and complaining when things go a little bit against him.

There are a lot of people who do not have an even break in life, yet who manage to sail through it in good spirits, filling others with a spirit of optimism and joy, while others shuffle along through a weary life, to a dreary death.

There's a fellow in this town who is unable to walk without the artifice of crutches. Wherever he goes he must use them. You seldom see him without a cherry smile. He gets there slowly, but he gets there! His cheery spirit is radiant.

There's a man in this town who must be carried every where he goes in an invalid's chair. Ever find him despondent and blue? Members of The Herald staff have seen him often, but have never seen him when he was not cheerful and full of the joy of living, even if living is circumscribed physically for him. He's a successful business man, too.

There's a young lady in this town who never sees the face of her dear and attentive sister. She never sees the face of her friends. Yet she is cheerful in her living and has improved her talents. She is most generous in using her talents for the treatment of others.

There's a man in this town whose children are motherless. Many of the pleasures this man might enjoy as he might associate, in his hours off from earning a livelihood, with other men—in various forms of diversion or in the social life of the town—the foregoes. He is taking the place of a mother for his motherless brood, as far as he can. He radiates good cheer, not only in his household but in his association with the business world.

It's mighty easy to get so self-centered, so "business bitten," or so pressed down with the cares of everyday life to magnify things that are of no significance. A lot of people are like a boy who has to cut wood. Until he is through with the irksome task he is the worst abused individual in the world. His side aches, his back aches, his hands hurt. The whole procedure makes him ill in spirit long after the task has been grudgingly performed. And girls who have to make beds and sweep floors sometimes are just as cheerful about it.

A lot of the grown-ups live in about the same frame of mind as the unwilling and complaining boy and girl, whose assigned tasks are trivial in themselves, but depressing to the performer.

When we see these physically handicapped people using artifices to overcome the handicaps nature or disaster or accident have afflicted them with, it certainly should be an incentive to us to cultivate and to seek for the joyousness of life. It has been so often said that one gets out of life what he puts into it and that the world is a mirror reflecting one's self back, that these sayings are true. But the spirit of joyful living can never be trite as long as people live and associate with each other.

SOCIAL GRACE

Dally Kansan: One of the things the curriculum of the University needs is a course in etiquette. The students are turned out with the technical knowledge requisite for success in their professions, but lacking in the qualities that make for social grace.

What chance would you have of being a success if you used the wrong knife for dinner at the boss' house? Even the daughter wouldn't find you interesting, and your career would be ruined. Can you imagine the horror of a successful young business woman appearing at a formal dance wearing a wrist watch? It has been done, and the victim thoroughly criticized without being aware of it. How much embarrassment would be saved us if we only knew the correct thing to do. The only instruction some stu-

dents have in etiquette is through advertisements which tell them what is proper and what isn't.

Many people are successful not because they are brilliant or because they study constantly, but because they have personality and know how to meet people. All this might be cultivated through a knowledge of etiquette. We should have such a course in social grace, and Emily Post might well be used as a text.

EASTERN RECOGNITION

Southwest Plainsman, Lubbock: Plains folks are glad to know that one whom they, themselves, delight to honor, has been accorded unusual distinction in so rockribbed a center of high-brow culture as Massachusetts. Our own Phebe K. Warner, who journeyed to Washington to attend a meeting of the department of rural cooperation and federation expansion of the General Federation of Women's Clubs, of which she is chairman, took the New Englanders by storm and in Boston she was present with a hammered silver pin, in recognition of her outstanding work. She was spoken of as being "different" from the New England club women in that she "does not talk of art with a capital 'A', nor of literature, nor of music. She talks of the home and neighbors and work." Undoubtedly, the women of that section who were privileged to hear Mrs. Warner, were surprised at the doctrine in the homely everyday things of life, in which she so thoroughly believes—and practices. Being wholly and entirely sincere and being steadfast in the opinion that the Federation could and should so as much for the rural women as for the city dwellers, Mrs. Warner's practical talk should have opened the eyes of those eastern women to a neglected field. And they liked her, did those blueblooded Bostonians! That folks should like our well-beloved Phebe K. is not surprising, of course. They just can't help it. Those Massachusetts women entertained her with a beautiful pin, significant of all that Bostonians hold dear. Evidently those dear old ancestral dames can still detect genuine worth and there is still hope for 'em.

Recipes for any or all of these menus will be supplied on request by The Golden Rule Foundation, 60 East 42nd Street, New York City.

Ten Ways To Use

- In the home: for Sunday dinner, or all dinners during the week. Children to help market, to cook and plan the service.

- In the school: cooking class—to market for the foods, cook the meal, calculate cost, time, etc.; dietetics class—to work out nutritive value and then work up one that would be balanced.

- In girls clubs such as Girl Scouts, Campfire Girls, etc.

- In Church Societies, such as Missionary, Ladies' Aid, Guilds, etc.—to use for money-making dinners. Appropriate decorations and costumes add to interest.

- For Bazaars or Church Fairs—different booths serving different menus.

- In Woman's Clubs—as luncheon; it could be the basis of an afternoon on cooking, nutrition, etc.

Golden Rule Menus

These menus offer various possibilities to those observing Golden Rule Week and are international in character. The American ones are simple and inexpensive but appropriate for this use. The foreign ones will make the link between the needs of the different countries and the actual dinner eaten. They are not planned to represent the menus actually used by the needy of the countries but are combinations of their type of foods, adapted to the conditions for carrying out the Golden Rule Dinner in this country.

All the menus must be low in cost, not difficult to prepare and not requiring unusual foods. On the other hand, they are sufficient to make a meal and are good to eat, although simple in character.

As to the actual menus, unless a special bread is listed, any whole cereal bread may be used—cut in chunks or thick slices—the coarser it is the more representative of the cheaper meal.

Estimated Cost Per Person

The menus listed will cost from six to ten cents per person, depending upon local market conditions. The recipes are planned to serve six persons, except where otherwise noted.

Christmas in Other Lands

(Mrs. Paul Jacobson was asked last week by the 1922 Study Club to give a talk on "Christmas in other Lands" before the joint meeting of this club and the 1929 Study Club. The talk, re-printed below at the suggestion of the club ladies, will be found very interesting and informative.—Ed.)

I will try to give you some idea of the little individual things that go to make up Christmas in some of the countries of Europe.

In the Scandinavian countries, Denmark, Norway and Sweden Christmas is celebrated for three days, beginning with Christmas Eve. During the day before Christmas there is a great deal of excitement incidental to the preparing of huge quantities of food and the dressing of the Christmas tree.

The Christmas dinner itself takes place on Christmas eve about five o'clock and only the direct members of the family are present. It is strictly a family affair. Instead of the proverbial turkey a big fat goose stuffed with juicy prunes is served with all the accessories. There is a great deal of merriment and fun during the dinner which ends with each one drinking a glass of port wine and a liquor glass of cognac after the coffee. After dinner the family joins hands and dances slowly around the lighted tree singing the beautiful carol, "Silent Night," in their own language, of course. Then the presents are handed around. In these countries only the members of the family exchange gifts.

On Christmas day itself church bells ring all over the city and the streets are filled with snow and the houses look like huge candy houses thickly iced. The people go to church or not just as they wish and the day ends with a large dinner given to the friends of the family. At this dinner large boiled hams, cold pigs heads and huge roasts grace the table. The people call this the "First Christmas Day." The day after Christmas called by them the "second Christmas Day" the people are all out in the streets rejoicing and end with dinner parties at the hotel and restaurants.

In Germany also the festivities cover three days and the Christmas dinner with the roast goose takes the place on Christmas eve. These geese are huge birds and rather oily with fat. I remember one time smelling a goose cooking and the oily odor was so strong that when it was time to attack Mr. Goose I had had enough of the smell.

In Germany there is a special kind of cake baked for the Christmas season, and I was told that it was never baked at any other time. It is called the "Tower Cake" and is in the form of a tower rising tier upon tier to the height of three or four feet. Each tier smaller than the other and the whole finely iced to represent a thin sheet of ice. The inside of the cake resembles the whitish part of a marble cake but has this advantage that it never seems to get dry. You start at the top of the tower and gradually eat your way down during the weeks that follow Christmas.

When I was little we had one of these cakes sent to us from Germany one Christmas and I was charmed with it. It was very interesting to see them so long afterwards in the shop windows. Another "Goodie" that the Germans make only at the Christmas season is the Marsipan cake. These are really candy made of almond paste and are very expensive to buy. Some of them are made in the form of a plaque all beautifully decorated in colors. I had one with little girls in gaily colored dresses dancing in a field of daisies. It was quite a work of art and I kept it for months until I decided it was getting rather

dry so I ate it. In England the home preparations for Christmas begin in October when the plum puddings, mince meat and fruit cakes are made. When they are being prepared it is a question of all hands on the deck to wash and cut the fruit. When all the ingredients are in the bowl the next thing is to stir them thoroughly with a wooden spoon, each round you make giving you an extra year of happy life. As a child I used to stir sixty or seventy times doing it on the relay system, until I found out that the promise of hap-

py years was just a means to get the pudding properly stirred. Usually ten or twelve puddings are made at this time to be brought out in state or at birthdays or things.

On the day before Christmas the mince meat is brought out and some of it made into dozens and dozens of little individual pies. You are lucky if you get any thing to eat at all that night as the whole kitchen routine is disorganized. Then there is the tree to decorate and the rooms to be made festive with holly and mistletoe and the stockings hung on the chimney piece to be filled. The English children have no difficulty in believing in Santa Claus as he can easily get down the chimneys, he may get stuck a bit at the top but safely past that all is well. Then about ten o'clock there will be heard the carol singers in the streets, singing the Christmas hymns, such as "Hark the Herald Angels Sing," "Glory to the New Born King," "While Shepherds watch their flock by night," and also that beautiful one, one hears in every Christian country "Silent Night." If the singers sing at your gate they expect to be invited in and regaled with mince pies, port wine and hot coffee.

On Christmas morning there is the usual scramble to empty the individual stockings and to receive the presents from the tree. All this time the church bells are peeling forth the carols played on the chimes of bells. It is all very wonderful and exciting and through this music filled air they all pass to church, calling greetings to all their friends. After church there is the Christmas dinner at which the turkey is the guest of honor on the table. The best of all is when the steaming plum pudding is brought in accompanied by a small jar of brandy and a box of matches. The brandy is then poured over the pudding and a light applied. Every one watches open eyed, the burning of the brandy in a blue flame over the pudding. When the flame subsides the pudding is ready to be eaten, then there are the colored crackers to be pulled and the paper caps contained in them put on the head. All is fun with the daily cares forgotten.

The day after Christmas is called boxing day, it is then that the pantomimes, for which we have had tickets for weeks, begin their runs at the theatre. They are gorgeous versions of Jack the Giant Killer, Cinderella or other fairy stories and appeal to both young and old. And so end the Christmas celebration in England.

Peculiar Bank Holdup Fails

Charles H. Reagan, automobile dealer of Cotulla, Texas, was thwarted in his attempt to rob the Groos National Bank of San Antonio last week, when the firing pin of his gun caught in his coat pocket. This saved the life of Adolph Groos, president of the bank, to whom Reagan had just handed the note pictured above, and who arose to resist Reagan.

Dear Santa Claus:
I don't want much this time. My teacher said that I was making A in my books. My teacher's name is Miss Raley. I like my teacher and she is a little bigger than I am. All the children like her.
I would like to have some apples, oranges, nuts and candy and something else that is nice.
Love, your little friend,
Vida Lou Hays.

McCoy School, Dec. 8, 1931.
Dear Santa:
Santa I am writing you a letter of what I want for Christmas. I want a fountain pen a pencil box with two drawers in it and I want some little pans. Don't forget my teacher, Miss Raley, bring her a rattler if you can and oranges, nuts and candy.
Your friend,
Frances Terrell, Rt. 1.

Floydada, Texas, Dec. 4, 1931.
Dear Santa:
I am a little girl six years old and I go to school at Antelope. This is my first year in school and I want you to bring me a new tablet and crayolas also a sleepy doll with curly hair and my doll Dimples a new dress.
Don't forget my little brother Kenneth Harold, who is almost two years old he wants a tractor, a farmall and if you have one a milk wagon. Don't forget all the other little boys and girls for I am sure they would be disappointed and don't pass us by.
Your little friends,
Helen and Kenneth Harold Ring, Rt. 5, Floydada, Texas.

Floydada, Texas, Dec. 6, 1931.
Dear Santa Claus:
I am a little boy five years old and Mary Edna is two years old. I want a new tricycle seat and a saw like they have in Borum's store. Mary Edna wants a dollie and some dresses for it. Peggy Ann, our baby wants some rattlers.
We will leave a pop-corn ball on the desk for you. Bring all the other little boys and girls some toys too.
Your friend,
Donald Finkner.

315 W. Mississippi St., Floydada, Texas, Dec. 7, 1931.
Dear Santa:
I have been a nice little boy this year. I want you to bring me a football and a pocket watch, and if it isn't asking to much I would like you to bring me a 'pump' air gun which holds 50 bebes. And lots of fruit nuts and candy.
Yours truly,
James Roy Heald.

Floydada, Texas, Dec. 4, 1931.
Dear Santa:
I am writing you as I want a drum, a pastry set, an airplane and also a real music box.
Love,
Peggy Ann Trice.
P. S. Also bring me a coat and cap to match.

Floydada, Texas, Dec. 7, 1931.
Dear Santa:
I am a little girl eight years old and I am looking forward to seeing you this Christmas. I want you to bring me a doll mattress, electric iron and a pair of skates and some doll clothes for my dolls, nuts and candy.
Minnie Lou Heald.

Floydada, Texas, December 7, 1931.
Dear Santa:
This is my first Christmas and I am real anxious to see you. I'd like a cute little doll, a toy duck and dog.
Your little friend,
Melba Dean Travis.

Associated Charity Group Starts Plans For Obtaining Funds

Three Members of Former Committee Re-Appointed To Serve This Year.

Re-appointment of three members of the executive committee, who in turn will make two other individuals, was made as a preliminary step in the organization and operation of the Floydada Associated Charities this year at a meeting of civic, religious and social representatives Monday afternoon in the Chamber of Commerce office. Plans were made for a drive for funds.

Two to be Named

Members of the committee who served during the past biennium and unanimously re-elected Monday to continue as directors of the relief organization were R. E. Fry, W. Edd Brown, and E. P. Nelson. These committeemen will select two other members to serve in vacancies created by the absence of T. P. Guimarin and Rev. G. T. Palmer.

Rev. Claude Wingo, pastor of the First Christian Church, presided at the session. It was voted that the group of five, when completed, will be empowered to set the date and cooperate in making the drive for funds with which to carry on the

work this winter among needy families in Floydada and Floyd County.

To Need \$500

Speakers were of the opinion that a total pledge of \$1,000 be sought and expressed the belief that \$500 cash would meet the needs this year. It was pointed out that only one-fourth the amount of the pledge made would be collected this year and that possibly no other payments would have to be made. The pledges are to be paid quarterly if needed.

W. Edd Brown, secretary-treasurer of the executive group for the past two years, explained that only one assessment on the pledges had been made over the two-year period.

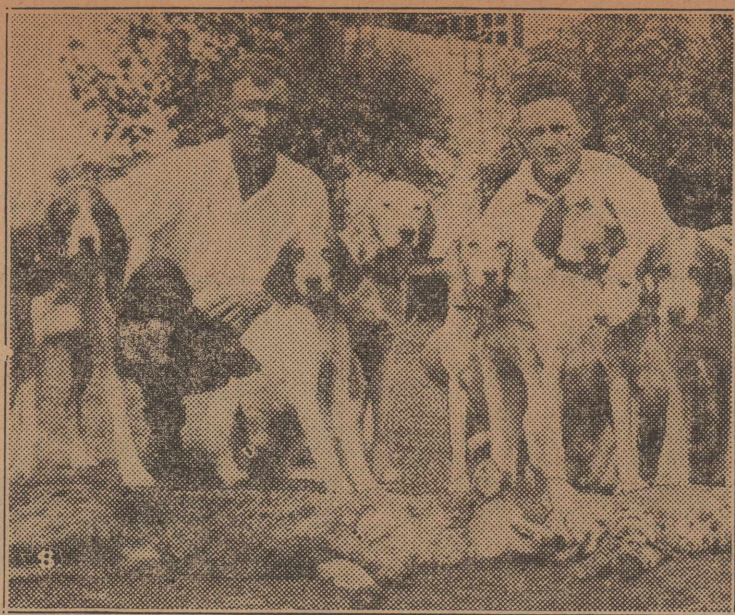

From December, 1929, to December 1931, the Associated Charities spent a sum of \$329.26. Mr. Brown reported. A total of \$538.50 had been collected and a deposit of \$209.24 was on record at the Floyd County National Bank when it closed its doors. A claim for the money has been filed, Mr. Brown said.

A sum of \$6.28 was received at the Thanksgiving Day service for the relief fund.

Members of the working committee who will have charge of the solicitations for funds and named at the meeting Monday were as follows: Mrs. Lon Davis, Mrs. Geo. Lider, O. P. Rutledge, and Virgil Williams.

"The Red Cross will not be in a position to contribute to charity

Kill Fifty Wolves with Hound Pack

funds and will not extend the aid given last year," said Lon Davis, representing the organization. "I feel like we will need not more than \$500 here in Floydada unless an epidemic of something breaks out. The people as a whole are in much better condition than they were last year and those who are going to need help are the ones who are dependent on labor jobs on farms and did not get to work this year."

"I have studied the situation closely here for the past two years and assisted at Denton in the United Charities and it has been my experience that about fifty per cent of the time help is given people who are not worthy. We have done our best to see that no case of merit was overlooked and at the same time have been careful in giving aid when it was not deserved," Mr. Brown declared.

"We may have turned some down who were worthy of help but such cases were few."

Rev. Wingo suggested a plan to have those able to work receive their remuneration directly from the individual making the pledge after the recipient of the aid had done a specified amount of labor.

John Reagan, representing the American Legion, made a brief talk and pledged the support of the Legionnaires in the worthy cause. Mrs. L. G. Mathews, from the Legion Auxiliary, endorsed the remarks made by Mr. Reagan and promised assistance from her organization.

V. Williams of the Rotary Club stated that the club would assist through the efforts of the members working individually. At the suggestion of Mr. Williams a unanimous vote of appreciation was extended the committee members who have served in the Associated Charities during the past two years. A resolution of thanks will be drawn up by J. H. Myers, acting secretary of the meeting.

It was stated that over 100 bushels of wheat had been contributed to the cause of charity here by C. W. Mitchell of Big Spring and L. G. Mathews of this city.

The meeting was dismissed with prayer by Rev. I. A. Smith, pastor of the First Methodist Church. Representatives of the city and county official family, Parent-Teachers Association, study clubs, schools, American Legion, Auxiliary, churches, and Chamber of Commerce were in attendance.

Among those present were the following: Mrs. Geo. Lider, Mrs. L. G. Mathews, Mrs. J. N. Johnston, Miss Daltis Rea, Mrs. J. H. Myers, Mrs. E. L. Norman; Rev. Claude Wingo, Rev. N. E. Tyler, Rev. I. A. Smith, Bob Smith, Mayor W. C. Hanna, Sheriff J. M. Wright, G. R. Strickland, John Reagan, V. Williams, Price Scott, S. W. Ross, J. B.

Sunday School Lesson

JOHN'S VISION ON PATMOS

International Sunday School lesson for Sunday, December 13, 1931. John's Vision of Patmos. Lesson text Revelation 1:1-3:22.

Golden text: Fear not; I am the first and the last; I am he that liveth. Revelation 1:17-18.

Of the lesson text here given are verses 4 to 18 of Revelation 1.

4 John to the seven churches which are in Asia: Grace be unto you, and peace, from him which is, and which was, and which is to come; and from the seven Spirits which are before his throne;

5 And from Jesus Christ, who is the faithful witness, and the first-begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,

6 And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.

7 Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wall because of him. Even so. Amen.

8 I am Alpha and Omega, the beginning and the ending, said the Lord, which is, and which was, and which is to come, the Almighty.

9 I John, who also am your brother, and companion in tribulation, and in the kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ.

10 I was in the Spirit on the Lord's day, and heard behind me a great voice, as a trumpet,

11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.

12 And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks;

13 And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.

14 His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;

15 And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.

16 And he had in his right hand seven stars; and out of his mouth went a sharp two edged sword: and his countenance was as the sun shineth in his strength.

17 And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:

18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.

Time.—John was exiled about A. D. 95, under the Emperor Domitian. Place.—The island of Patmos, southwest of Ephesus and west of Miletus, in the Aegean Sea.

The Lesson Comment

It was perhaps, thirty-three years after our lesson, that John wrote the book of Revelation. We know almost nothing of the work and life of this beloved disciple from the time he is mentioned in Galatians 2:9, when Paul visited the city of Jerusalem after his first missionary journey, till we find him a prisoner on the Isle of Patmos. Tradition has it that John ministered to the church of Ephesus, and it is possible that the seven churches mentioned in Revelation enjoyed his care. However this may have been, we may know that John was busy about his Master's business in some field, and that he did not escape persecution. Tradition says he suffered many things for the gospel, and at one time was dipped in a cauldron of boiling oil, yet refused to forsake the Lord. Perhaps we should never have known that he was imprisoned on the Isle of Patmos, but for

the fact that he had this wonderful vision and wrote this New Testament book of prophecy.

It is often said by Christians, that they do not read Revelation; that it cannot be understood and frightens them. But considered in the light of prophecy, and studied as such, Revelation becomes a beautiful book.

It was one Lord's Day while on Patmos, that John, being in the spirit of worship, heard the Lord's voice, clear and distinct as a trumpet, saying, "I am Alpha and Omega, the first and the last." Alpha and Omega being the first and the last letters of the Greek alphabet. Paul understood that Jesus was telling him that he was all in all, the beginning and the end of all things, and was eternal.

Turning to see whence the voice came, John beheld the glorified Son of God, standing in the midst of seven golden candlesticks, which represented the seven churches to which John wrote.

By keeping in mind the fact that seven is a sacred and complete number in Bible lore, we catch more clearly the significance of this vision, and why Jesus stood in the midst of these churches.

The garment of the Son of man represented purity and royalty, while the witness of his hair was a symbol of eternal existence.

His eyes were bright and piercing, searching out the hidden things of all hearts, and out of his mouth came the sword of the Spirit, cutting asunder and conquering sin.

In his hand were seven stars—ministers of the seven churches—and when he spoke his voice was musical, deep, grand majestic.

On beholding this vision, John was overcome with awe and a holy fear, so that he fell to the ground. But the hand of the Savior was laid upon him in its old-time love and gentleness, and his voice spoke the words God has so often had to speak to his people: "Fear not! Nothing to fear, John, the same Savior who walked with you in Galilee and on whose breast you leaned so long ago. I was dead but am alive forever more, and to me has been committed the keys of death and hell." He then told John to write, and John, like Paul, was obedient to the heavenly vision.

Verses 4, 5, 6 are John's benediction on the churches, and verse 7, is a repetition of many promises and prophecies that Jesus is returning to this earth in glory. He will not return lowly, to be beaten with stripes and crucified, but in triumph and in glory and his faithful followers shall reign with him forever.

Owl's Club Enjoy 42 Games.

Members of the Owl's club met last Friday evening at the home of Dr. and Mrs. George Smith where they played 42. Four tables were at play with Mrs. Lon M. Davis and R. E. Fry winning high score. Mr. and Mrs. E. S. Randerson and Mr. and Mrs. Lorin Leibfried were guests at the meeting.

A lovely salad course was served to the guest and the following members Mr. and Mrs. Lon M. Davis, Mr. and Mrs. E. L. Angus, Mr. and Mrs. A. J. Folley, Mr. and Mrs. R. E. Fry, Mr. and Mrs. O. P. Rutledge and Mrs. G. A. Linder.

Mrs. Linder will be hostess Tuesday evening December 15 at 7:30 when she will have the clubs regular Christmas party.

THE GOLDEN RULE

By LeRoy Huron Kelsey
Fewer heartaches, fewer tears,
Less of need for anxious fears,
Less of sorrow, less distress,
Less discouraged restlessness;

Not so much of crime and vice,
Fewer tempting to entice,
Not so many courts and jails,
When the Golden Rule prevails.

Smaller worries, lighter loads,
Greater vigor, smoother roads,
Less oppression, less of grief,
More joy and sweet relief;

Not so much of pain or strife,
More of worthy things in life,
Less of weeping, fewer walls,
When the Golden Rule Prevails.

Less of seeking power and pelf,
More of service, less of self,
More of kindness less of greed,
More of comfort, less of need;

More of words that bring a smile,
More of doing deeds worth-while,
More of pluck that never quails,
When the Golden Rule prevails.

Less of readiness to sneer,
More of gratitude sincere,
Fewer things impure, uncouth,
More of chastity and truth;

Less unrighteousness and sin,
Less remorse and keen chagrin,
Less of all that mars or fells,
When the Golden Rule prevails.

F. H. S. QUINTET DROPS SCRIMMAGE GAME 18-12 WITH DICKENS CAGERS

Dickens City defeated the Floydada High School Whirlwind quintet 18-12 Monday night at the Andrews Ward Gymnasium in a preliminary scrimmage game prior to the opening of the season in a short time.

Anderson and Nelson did outstanding work for Coach L. T. Barksdale's crew. Several combinations were used by the coach during the play in an effort to determine just what calibre of material would be available this year.

The starting line-up for F. H. S. was as follows: Johnnie Horn and Lowell Gambin, forwards; Roy Anderson and Herman Nelson, guards; John Edward Smith, center. Substitutes were: Samuel Rutledge, Culpepper, Lloyd and Floyd Murray, Leo Jackson, Malcolm Bridges, and Roger Hartzell.

Organization Plans Outlined For George Washington Program

Suggestion in outline form of the plan of organization of the George Washington Bicentennial Celebration for Floyd County was made this week by J. N. Johnston, committee-man, and who is taking an active lead in the patriotic and educational movement.

Mr. Johnston's plan is as follows: Every organization should be separated in the celebration and should have part in each program during the year as far as workable.

The program committee should be composed of persons interested in the subject matter in the programs. The teacher of history and civics classes in the two town high schools, at Floydada and Lockney, should serve because of the contact with the student body of the two school systems.

The county superintendent would render a great service as a committeeman for the rural schools of Floyd County.

The American Legion is interested in the promotion of history and government of the United States, and should furnish a member of the program committee.

The fraternal organization would be specially interested in sponsoring the celebration.

The duties of the committee will be to prepare programs for each occasion, and assemble literature for use in each program, and select persons to present the program at each entertainment or celebration.

All persons should assist in the collection of literature, including history, civics, and patriotic selections locally for use in the celebration.

Medals and a few prizes will be awarded to persons under 21 years of age for the best orations, declamations and essays on subjects to be selected by the committee or supplied by the national commission.

Programs should be given February 22, March 2, May 30, July 4, September 17, November 11, Thanksgiving Day and other days or occasions if advisable.

Committee. Mr. Johnston stated that he had written for literature and data for use by organizations, clubs, schools and groups planning to take part in the nation-wide event.

He made an inspirational address Monday night before the American Legion on the plans for the celebration. Post Commander R. A. Garrett stated that he would name a committee to begin work at an early date on plans for the Legion's part in the local observance.

CHURCHES

FIRST BAPTIST CHURCH

Dick O'Brien, Pastor
We had a very full day at our church last Sunday. The Sunday school attendance approached normal with 389 present in time to be counted. This was exactly the number present a year ago. There were 164 present at the Training service. There were several of our old members back with us for the Sunday service. Mr. Ozo Stephens, who was one time superintendent of our Sunday school, now living at Dimmitt, was present, also Mr. and Mrs. Frank Bass of Tulsa, together with a number of other visitors. It was a pleasure to have these friends with us again.

A number of our folks expect to attend the Workers' meeting at Crosbyton on Friday of this week. The program is on missions, and we are to hear a returned missionary from Brazil. We hope a great number of our church will make it possible to be there.

All regular services will be held at the church next Sunday.

MT. BLANCO BAPTIST CHURCH

Rev. G. W. Tubbs, pastor
Preaching at 7:30 o'clock Saturday night. Sunday morning we will have Sunday school at 10 o'clock. Preaching at 11 o'clock, B. Y. P. U. at 6:30, and preaching at 7:30 o'clock. Everybody invited to worship with us.

CHURCH OF THE NAZARENE

N. E. Tyler, pastor
The usual services will be held at the Church of the Nazarene at the usual hours next Sunday.
Everybody invited to attend any or all services.

FIRST CHRISTIAN CHURCH

C. Wingo, Pastor
Good day last Sunday. Did you get your "activities list?" Have you signed up and sent in the list? Every member a working, praying, paying christian is to be more than just a slogan for the year. We are beginning to get it into operation.

135 on Bible school roll. Let's have 100 per cent signed up for active service. 153 on active church roll. Let's make it 100 per cent for the entire church. What are you willing to do in service to help the church put on an aggressive program?

We are studying Revelation. Let every person bring his or her Bible or New Testament. "The Bible and Bible only our guide in faith and practice," make it real. Bible school 9:45 a. m. Be on time. Adults need scotch. Morning sermon, Revelation 2:12.
Christian Endeavors 6 p. m., junior, intermediate, senior.
Evening preaching 7 p. m. Woman's Day message. Subject, "The hand that rocks the cradle rules the world." You are invited.

PETERSBURG CHARGE

I will preach at Carr's Chapel next Sunday morning and night, and at Sand Hill at three p. m.
Please let all our people in these churches take notice and govern yourselves accordingly.

I guess we are starting off in an orthodox way. The people of Petersburg and Carr's Chapel have received us in a most cordial way, making us feel welcome and at home with them. They have brought in a most bountiful pounding from each place which we accepted as an expression of their kindness toward us.

We want to serve you acceptably to you and to the Lord. We are laborers together with God.
W. H. Strong, Pastor.

PASTOR'S PARTNERS B. Y. P. U.

METHODIST W. M. S. HOLD MONTHLY BUSINESS MEETING

The regular monthly business meeting for the Woman's Missionary Society of the Methodist church was held at the church Monday afternoon.

The meeting was opened with a song, prayer by Mrs. G. F. Klebold, devotional by Mrs. J. S. Rinehart, report from officers, business meeting with Mrs. Wilson Kimble, presiding and dismissed in prayer by Mrs. I. A. Smith.

The meeting for December 14 will be at the church at 2 o'clock the lesson being from the home mission book, "Challenge of Change."

MRS. JENKINS HOSTESS TO WOMAN'S COUNCIL MONDAY

Mrs. J. B. Jenkins entertained the Woman's Council of the First Christian church in a Christmas program in addition to the regular program, at her home Monday afternoon.

"If Jesus Goes with Me I'll Go," was the opening song followed in prayer by Miss Daily Lee Gresham. Mrs. Lon M. Davis had charge of the lesson from "Hidden Answers" and read the scripture. Four special numbers were given on the Christmas program as follows:

Duet—Silent Night, Holy Night—Mrs. Claude Wingo and Mrs. John Reagan.

Reading—Mary Louise Carruth. Solo—Hark the Herald Angels Sing—Mrs. J. A. Enoch.

Reading—Mrs. V. Williams.
Mrs. Claude Wingo will be leader of the regular Missionary program for Monday, December 14 at the church at 2:30. At this meeting the Council will also pack a Christmas box for Juliette Fowler's Orphans home at Dallas.

BLANCHE GROVES CIRCLE GIVES PROGRAM MONDAY

Blanche Groves Circle of the Baptist Woman's Missionary Society gave a very interesting program on prayer at the joint meeting held at the church Monday afternoon.

During the monthly business session it was voted to pack the Christmas box for Buckner's orphans home December 15. This box is being supplied through the Sunday school and all children wishing to contribute are asked to bring their gifts to Sunday School December 13.

A social hour followed the business and program when refreshments were served.

The society will meet December 14 in circle meetings.

STARKEY HOME D. CLUB DISCUSS CHRISTMAS SPIRIT

Starkey Home Demonstration Club met December 3 at the home of Mrs. Bob Kropp to discuss Christmas Spirit.

Twenty one members and three visitors enjoyed the discussion and also the candy making demonstration which was given by several of the members. Eight different kinds of candy were made.

This was the last regular meeting for the year but as Miss Wentland can be present there will be a meeting December 16 with Mrs. Bill Days.

MRS. ANGUS' FATHER SERIOUSLY ILL

Mrs. E. L. Angus left Tuesday evening for Bonham where she was called to the bedside of her father, Jeff Hardin, who is seriously ill.

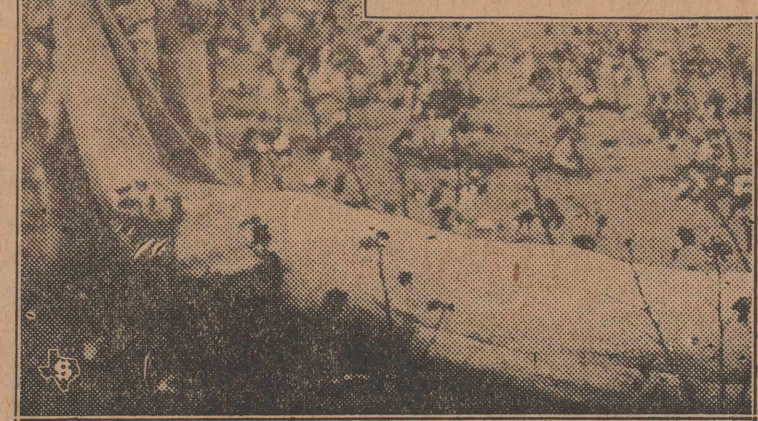

Mr. Hardin had been ill for a week, the message Tuesday afternoon stating that his condition was considered serious.

Kenneth Umberson of Hot Springs, N. M., is spending several days here visiting with Mr. and Mrs. Henry Edwards.

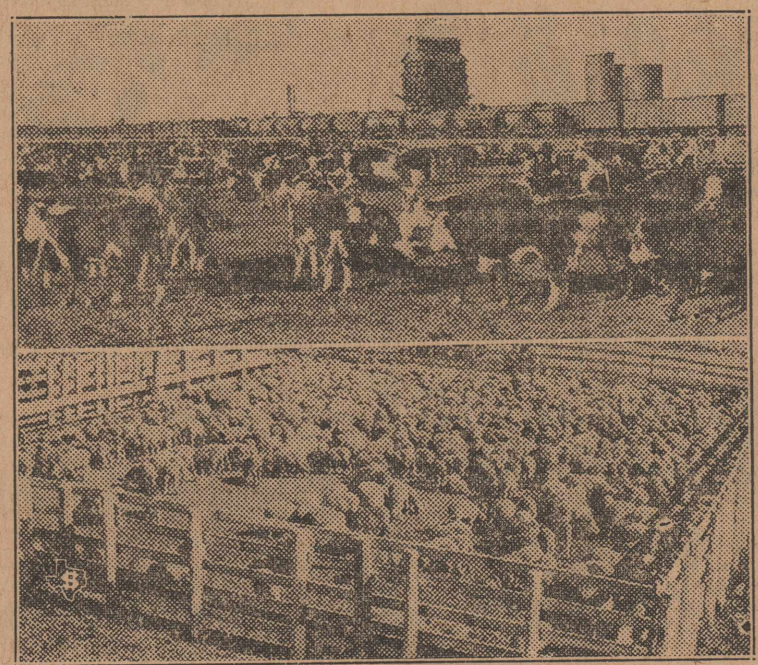

This Young Man Can Really Snatch Cotton

The smiling lad pictured above spent last week picking more than 6,000 pounds of cotton for his dad. He is James Dulin, 15-year-old son of T. G. Dulin, of near Tahoka, Texas. On consecutive days, James picked 1,005, 1,010, 1,005, 1,015, 1,025, and 1,006 pounds of cotton. Figure out how many bales that is! James says he doesn't know how he does it, he just picks along and soon his bag is filled.

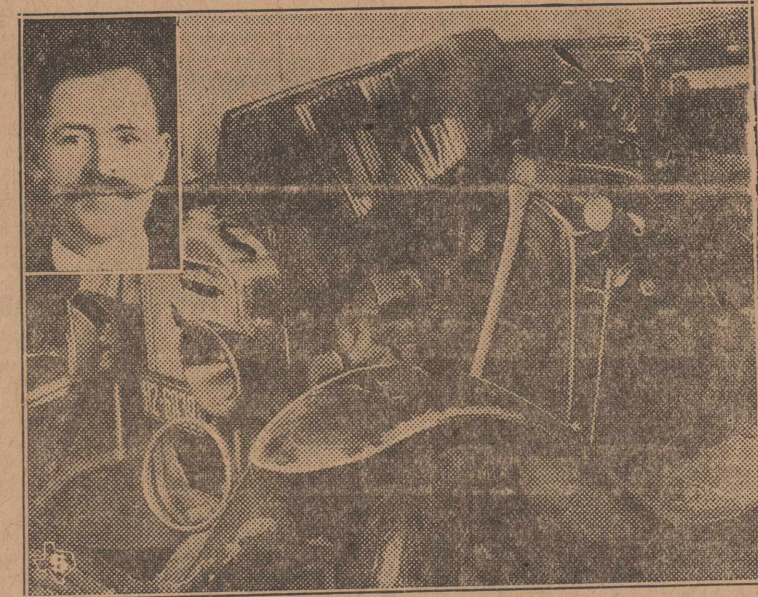

Feeding Out Stock Grows at Dalhart

Dalhart is rapidly gaining prominence as a stock feeding center, and fresh impetus was gained this year as a result of low grain prices and high freight rates. Pictures above show extensive cattle and sheep pens recently erected there to hold stock. Nearly 100,000 head of stock are now being fed around Dalhart.

Ax Used to Wreck Sequestered Car

Shortly after Constable Milt Jennings of Gonzales, Texas, served sequestration papers on the car picture above, to its owner, Aref Droupy, upper left, he went after the car in Droupy's yard and found it in wrecked condition. An ax had been used to smash all windows, the lights and motor, and tear gaping holes in the body. Droupy, a Gonzales tailor and hotel owner, neither admits or denies having chopped up the car.

Formulas Given For Curing, Smoking Of Home Supply Of Meat

With cold weather have come big events on many farms in the form of hog killings and good old homemade sausage, fresh pork and spareribs furnish the main bill of fare for numerous tables.

O. T. Williams, vocational agriculture teacher in Floydada High School, has given suggestions for curing and smoking of pork that may prove of interest to those putting up their meat for winter use at home or for sale.

Curing Pork on The Farm

The first essential in curing pork is to make sure that the carcass is thoroughly cooled. It is best that the meat not allowed to freeze during the cooling period.

The proper time to begin curing is when the meat is cool, and still fresh, or about 24 to 36 hours after killing.

Vessels for Curing

A clean, hardwood, molasses barrel is a suitable vessel in which to cure pork. The barrel should be clean, and light so as to prevent leakage. A large stone jar is the best container, but the initial cost is high. If either container has been used before, it should be cleaned with boiling water.

Dry-Cure Pork

Formula—for 100 lbs. of meat use 8 lbs. salt. 2½ lbs. molasses or sprup made from sugar. 2 oz. salt peter. 3 oz. black pepper. 2 oz. red pepper.

Heat the molasses and add the other ingredients and mix well. Rub the mixture over the meat thoroughly and pack it away in a barrel or box.

About the third day break the pack and repack in to insure thorough contact with the curing mixture, then allow the meat to remain until the cure is completed. This will take two days for each one pound of pork. For example if a ham weighs 20 lbs it will take 40 days for the ham to cure and then it will be ready to smoke and hang.

Smoking the Meat

If a small amount of meat is to be smoked, a salt barrel may be used. Holes must be cut in the bottom to admit the smoke. Dig a tunnel some five or six feet out from the barrel and cover over with sheet iron. The draft can be regulated by closing up the opening. A good smoke house is much better. Here the meat can be hung and an even color can be obtained. Do not let the temperature go higher than 120 degrees F.

Use for Fuel

Hard wood is best used for smoking, such as oak or mesquite. Do not use hard pine as this will give a bad flavor to the meat.

Time Required

It will take from 36 to 48 hours for the meat to have a good color.

Mr. and Mrs. Henry Edwards spent last Sunday at Hereford visiting with Mr. and Mrs. Bob Wilson. Mr. Wilson has been seriously ill in a sanitarium there but was somewhat improved at the last report. Miss Vera Hamilton accompanied them as far as Dimmitt where she visited her sister, Mrs. Elmer Caudle.

Mrs. Mattie Umberson and son, Kenneth, of Hot Springs, N. M., have been visiting friends and relatives in the county since last week-end.

Letters To Santa

December 2, 1931.

Floydada, Texas.

Dear Santa Claus:
I am a little red-headed boy three years old, and am a real good little boy. I would like for you to bring me a big air plane. Mary wants a fountain pen and doll clothes. Please don't forget the fruit, nuts, and candy. I especially like all-day suckers.

A heap of love,
Wendell Butler Daniel,
P. S. Don't forget, I live at 425 West Missouri Street.

Floydada, Texas,
December 5, 1931.

Dear Santa:
I am a little girl eight years old and attend school at East Ward school. I am in the high second grade.

I want you to bring me a new pair of shoes, a paint book and also some fruit, candy and nuts. Do not forget my mother and father, brother and sister. I think they would be pleased to have some fruit, candy and nuts.

Yours for a Merry Christmas,
Dorthea Ellen Smith.

Hale Center, Texas,
Dec. 4, 1931.

Dear Santa Claus:
As it is getting close to Christmas I had better write and tell you what my little brother and I want for Christmas.

Please bring me a football, big fire truck and a big wagon for Gene and myself also a dump truck and a kiddie car for Gene. Lots of oranges, apples and nuts.

I think I will be at my grandmothers but she will not be ugly to you this Christmas.
Billy and Gene Colville.

Floydada, Texas
Dec. 7, 1931.

Dear Santa:
I am a little girl six years old. I go to school and have been on the honor roll every month. Santa please bring me a doll with sleepy eyes, a suit case for its clothes a little lamp and a story book. I'll be asleep when you come but just leave my things and I'll find them the next morning. I sure will thank you.

With lots of love,
Mary Jo Osburn.

Floydada, Texas,
Dec. 8, 1931.

Dear Santa Claus:
I am a little girl just seven years of age. I go to school at Lakeview. I want you to bring me some clothes for my doll, a cabinet, and a set of knives, forks and spoons. Don't forget the candy and fruit. Remember all the other little boys and girls.

Lovingly yours,
Vera Paye Battey.

Floydada, Texas,
Dec. 8, 1931.

Dear Santa Claus:
I am a little boy seven years old, going to Lakeview school. I am not going to ask you for much this year because I know you are having such a hard time too. But please bring me some tinker toys, nuts, candy and a few five works. And be sure and remember by teacher, Mrs. Ross.

Lots of love,
John Jr., Conway.

MORE HEAT and LESS GAS

There is only one suggestion for the better use of a radiant type Gas Heater, beyond having a good flame, proper connections, keeping burners and heating elements clean and general care in not burning gas needlessly.

This suggestion is to watch the flame so that it does not go OVER THE TOP of the radiant grid which throws out the heat. This wastes heat and gas, besides not giving you all the heat there is in the gas that is burned. The flames should be just high enough to heat the grid or other radiating material and no higher.

The principle of this radiant type heater is incandescence, the use of a small amount of gas to produce a great deal of heat, practically all of which is utilized.

Simply turn on enough gas to make the entire grid glow—and no more.

Coach Horton Grooms Quintet For Another County Championship

Coach Henry Horton down at Lakeview is grooming his basketball charges in preparation for the opening of the season in a short time and reports from his camp indicate that his cagers will make a strong bid for another county championship this year.

Lakeview carried off the honors last year and made a fine showing in the district tournament at Lubbock losing by a close score to the strong Plainview Bulldogs.

Weather Interferes
Coach Horton developed one of the best scoring machines in this section last year and he is daily sending his men through a thorough drill in fundamentals. He has been holding extra sessions Tuesdays and Thursdays but weather conditions have made it almost impossible for regular workouts.

Three regulars of last year's team are in school again this year. Willie Bunch, captain again this year, who received much favorable comment for his style of play and sportsmanship last year, will lead the quint. He is a veteran and shows it in his play. He is a three-year man and can handle any position but shines best at center or forward.

"Chunky" Leonard is a two-letter man and did some real guarding last year. "We are expecting more of him this year," Coach Horton declared.

Smith Is Back
G. W. Smith, the flashy little forward of last year's championship aggregation, is being conditioned for another banner year.

Wayne Battey, a sub last year, is showing some real class work and promises to make somebody work for a forward position.

The Nelson brothers, Dean and Lloyd, are showing up well in practice. Dean handles the ball like an old experienced player and shoots rings from all angles. Floyd is showing possibilities of developing into a real guard.

Ethrage Gilbreath, Floyd Willis, and Earl Sparks, not regulars of any year, are working hard for a regular berth on the team—and all in all, things look mighty business-like in Coach Horton's camp as he prepares his warriors for the coming battle of the courts.

McCoy News

McCoy, December 8.—After our second attempt we had our pie supper at McCoy and to we reached our aim. We were working for enough to buy a basket ball.

We wish to express our thanks to those who attended and helped in every way possible. The proceeds were all used for school purposes and we have a few dollars left after buying the basket ball and play ground ball. We are seeking a method to improve our schools.

We had two rather interesting contests, first was for the ugliest man with the prize of a bar of soap. Jewel Mara was declared ugliest. K. Terrell only a few votes behind. Several others were in the race. The second contest was for the prettiest girl. It was a tight contest between Flora Day and Clareet Tardy. Clareet winning by five votes. The pie which was given to her was auctioned to see who should eat with the prettiest girl.

We wish to thank every one again for their presence and attention.

Muncy News

(Crowded out last week)

Muncy, Dec. 1.—The honor roll for Mr. Everett Wallace's room this month is: Fifth grade Annie Bailey and Bobby Muncy; Ninth grade, Zelma Palmer.

Mrs. W. G. Ferguson became seriously ill Saturday but we are glad to report her some better now. Jim Dunlop was in our community Monday afternoon.

Mr. and Mrs. Everett Wallace left Thursday morning for Plainview. There they met Mr. Wallace's brother and they two attended the Teachers Convention at Amarillo. Mrs. Wallace her sister and small son left for Lubbock at the same time to visit their parents. About three miles from Plainview a car they met hit them. Mrs. Wallace and the child suffered painful injuries and their car almost completely wrecked.

Mrs. J. A. Smalley visited Mrs. W. G. Ferguson Sunday afternoon. Mrs. Edd Muncy was very ill Saturday but is improving some now.

J. A. Smalley is able to be up again after being confined to his bed for several weeks.

Roy Muncy left last week for Waco.

Mrs. Blanche Mickey, of Lubbock, visited last week-end at Brookfield Farm southwest of Floydada, with her parents, Mr. and Mrs. S. D. Greer.

From the Saddle to the Capitol

Richard Kleburg, Texas' newest congressman, who took the place of Harry M. Wurzbach, to give Democrats a definite control of the House, leaves his big ranch and his cattle in Kleburg county to go to Washington. Kleburg is pictured above as he may be often seen riding around his 1,250,000-acre pasture, founded by his grandfather, the late Richard King. Although he studied law, Kleburg preferred to own the mesquite and help brand the cattle at King ranch.

Investigate All Fires Instructions To City Fire Marshals Of Texas

Fire marshals of every city and town in Texas have received instructions from the Texas Fire Insurance Department to investigate all fires for the purpose of determining their origin, a letter dated December 2 and received by Fire Marshal G. R. Strickland from J. W. DeWeese, fire insurance commissioner, pointing out that the "profit" must be taken out of the business of burning property so as to afford greater protection for those honest citizens who buy fire insurance for protection only and to hold down the cost of fire insurance.

The insurance commissioner in his letter insists that the marshal make his reports complete, impartial and promptly, giving the estimated value of the building and contents, the amount of insurance carried and the estimated loss, the cause of the fire and the date and hour of its occurrence. If there is any evidence that the fire may be of incendiary origin the commissioner points out the demand of the department that this evidence be given to the authorities.

Mr. DeWeese declares that many of the fires occurring in Texas this

year are of incendiary origin and says the faithful performance of duty on the part of fire marshals is the principal means of combating this evil.

New County Council Officers Installed At Meeting Saturday

Christmas Theme is Featured At All-Day Session At Court House.

Officers for the new year were installed at an all-day meeting of the County Council held Saturday in the county court room during a program which featured the Christmas theme.

Mrs. C. A. Caffee was installed as chairman. She is a member of the Antelope Home Demonstration Club. Other officers taking new posts were as follows: Mrs. Webb Taylor, Fairmount-Edgin club, vice-chairman; Mrs. W. M. Knight, Sand Hill club, secretary-treasurer; Mrs. A. R. Hanna, Sand Hill club, parliamentarian.

A total of 31 members were present at the enthusiastic meeting, representing 12 clubs. Following the business session held Saturday morning, Miss Dorothy Wentland, district health nurse, gave a resume of her work in Floyd County during the past six months.

The session adjourned at 12:30 for lunch prepared from dishes brought by the individuals. Mrs. Maud Merrick furnished the hot coffee.

Officers were installed at the opening of the afternoon program. Mrs. Carl McPherson, Prairie Chapel Club, was the retiring chairman of the council.

Mrs. Caffee took the chair and the secretary read the roll, each woman present answered with a suggestion of "A gift I would like to receive for Christmas."

Mrs. Will Snell of Blanco read a chapter in the Bible relating the birth of Christ. Mrs. S. J. Latta of Campbell discussed "The Season of Yule."

Mrs. Ed Holmes of Sand Hill gave a number of worthwhile ideas on "Suggestions for Christmas Entertainment." Mrs. A. J. Folley, former home demonstration agent, was present for the meeting and made a very interesting talk on "Christmas Suggestions." She exhibited a number of dainty and inexpensive articles she had made that were ideal gifts.

MRS. W. T. HOPPER BURIAL SERVICE HELD SATURDAY

(By Mrs. I. I. Isbell)

Brother J. L. Collings, of Glenrose, Texas, assisted by Reverend W. L. Barrett, of Arlington, conducted the funeral service for Mrs. W. T. Hopper of Lakeview community Saturday afternoon at 2 o'clock. The service was held at Rehoboth Baptist Church, Tarrant County. Burial in Rehoboth Cemetery beside her father and mother, Mr. W. M. and Mrs. M. E. Bardin.

The beautiful floral offering was a tribute of the love and esteem of her friends and former pupils, whose lives were enriched by knowing her.

J. D. Porterfield, of Lubbock, was visiting friends here Saturday and Sunday.

A Farmer's Life

"As He Lives It"
BY ED HOLMES

If "Ignorance was bliss," I would be happy. I am a little worse than an average farmer when it comes running around trying to attend other people's business and let my own go to the bad.

Yesterday I intended to get one of my farrowing houses ready for a rain good-looking gilt but I didn't get the other people's business tended—until after dark, so I decided to wait another day. Well, it is cold so I locked her along with her gilt, together with a cow in a cow stall which happens to be 9 feet.

This morning when I opened the door I found that the gilt had growed at least 12 pigs and only seven had managed to live through the night. Boy I got that house ready in short order, but that didn't help the unlucky five. "It is better to be safe than sorry" but there is no use crying over spilled milk.

Ninety per cent of all hog farmers have pulled this same stunt sometime or other. Be careful that it does not happen to you.

Try sprinkling faultless starch on your razor strap before your next shave. The strap will be twice as smooth and you can sharpen the razor much quicker and it will be sharper.

Johnnie Cates stayed at our house and did the chores while we were at Post. He said he did not mind the work if it was not for the gates. He said he wouldn't mind the gates if he could find the fasteners.

"Every farmer knows his own gates." Sand Hill Dem. Club will give a free for all program consisting of songs, short plays and stunts on December 15th. This program is for the entertainment of their husbands and families but everybody is invited.

One of Alma's little nephews, Roy Lee Small, came to see us the other day. He was just beginning to talk and knew just about what he wanted. Alma put some ground meat in a fruit jar lid and set it under the table for the cat to eat. Alma and Mrs. Small were very busy talking and getting supper when directly they heard Roy Lee saying: "I like it! I like it! He had chased the cat away and was down on his knees under the table dipping out the cat's supper with one of his fore-fingers. He just kept saying: "I like it! I like it! He cried when they dragged him from under the table and refused to eat any of the meat when they offered him some in a plate.

Nearly every body knows that a watermelon will taste a little better if you pull it after dark, so you can't tell for sure whose patch it came from. I'm not speaking for myself.

Kenneth Mickey, young four year old of Elmer Mickey was in a hot argument with a Traveling Salesman. Kenneth wanted \$5.00 for his little wagon but the salesman only offered him \$3.00. Kenneth was in a bad earnest and wouldn't budge an inch. Finally the salesman said: "You are no Jew, are you?"

Kenneth: "No sir! I don't belong to the church." The other day I saw a farmer drain the oil from his car and let it waste on the ground. I happened to know that he had a bunch of pigs in his barn that were getting slightly mangy and their hair looked dead. The oil that he wasted would have been worth money to him if he had saved it and rubbed it on those pigs. Boys listen! Oil that you drain from the crankcase of your car, known as second run oil, is worth money to any farmer that will take an old broom get his pigs in a close place and give them a good soaking. It will cure the mange, make the hair look slick and fine, help keep the dust down in his pen and when he lays down to rest, he will be comfortable and will grow better. Otherwise he will have to get up and scratch. Rub your fences down.

It is the little things that keep you on top. Every year we turn loose about 15 school boys and girls on the community to sell season tickets. If they sell so many dollars worth, they get their own free! Do they work? Yes! Every year I tell them when they are turned loose that the one that sees me first the next day can sell me two tickets. Last year J. W. Huey woke me up at 4 o'clock to sell me tickets. This year Woodrow Cates woke me up at 5 o'clock and sold me two. Just at sun-up Cecil Hobby came along. A little later Elizabeth Goodman came by for the same purpose. She said: "That is one time the early bird got the worm." If they would wait until about 8 o'clock I might have my nap out.

However if that is what it takes to get them out early, they can wake me up at anytime in the morning.

Lowell Preston told me that McCoy would be represented at the short course Saturday, December 12. That is fine.

All the communities are asked to come and if your plans are not made to be there—get going. It will not be long.

Roy Holmes will be there with his picture machine, smoke screen and everything. If there is anybody in your community that has never had their picture struck, get them into this school.

Eastland Women Have Own Club House

Canning together in neighborly fashion in their own community club house near Rising Star in Eastland county, the 16 members of the North Star Home Demonstration Club have put up an average of 416 quarts of food for their own families this year, canned 607 containers for town folks, and thus far 100 No. 3 cans for charity. Besides this they are canning eight beets that average 100 cans per animal, and 12 of the member families plan to kill and cure two hogs each the Extension Service way before January 1st.

The club house is used almost as the school house, according to Mrs. Lee Burkhead, president. It is the center for club meetings, for can-

ning with community-owned canning equipment, for quilting parties and for all kinds of social affairs. It was built by the men folks in 1926 out of \$121 obtained by giving a community banquet in a newly constructed poultry house, from prizes won by the members at fairs, and from butter and egg money.

Looking at the top picture from left to right is Mrs. D. M. Jacobs labelling cans with the "Texas Better 4-H Products" label; Mrs. Lee Burkhead, sealing; Mrs. J. T. Coursey packing tomatoes in cans ready for processing; and Mrs. J. E. Boling taking cans out of the canner.

Providence News

Providence, December 7.—Among the social events of the Christmas season was the marriage of Ted Boedecker, only son of Mr. and Mrs. Chas. Boedecker, and Miss Freda Sammann which was solemnized at the Lutheran church here Sunday afternoon at 3 o'clock. To the strains of the wedding march Lohengrin, played by Mrs. W. H. Rewe of Aiken the young couple marched down the aisle to the altar where the ceremony was conducted by their pastor, Rev. E. Herber.

The couple needs no introduction here as they grew to womanhood and manhood here in our midst and both have taken active part in church work and the Lutheran League and all other social gatherings.

The county wishes for them a long life of wedded bliss. A reception was held at the beautiful home of Henry Sammann Sunday evening for them.

The little church was crowded to the full extent with relatives and close friends of the young couple. Many out of town friends were there. Those who attended were:

Mr. and Mrs. Chas. Boedecker, parents of the groom, Mr. and Mrs. Henry Sammann, parents of the bride, Mr. and Mrs. Klem of Lone Star, Mr. and Mrs. Fred Sammann, Lone Star, Mr. and Mrs. Theo Boedecker, Prairie Chapel, Mr. and Mrs. W. M. Schmitz and mother, Prairie Chapel, Mr. and Mrs. Reichenbough of Lone Star, Mr. and Mrs. Wm. Sammann of Irick Mr. and Mrs. Otto Sammann of Liberty, Mr. and Mrs. Walter Lowe of Taylor, Mr. and Mrs. W. H. Rewe and family of Sweetwater, Mrs. Ida Mack of Wisconsin, Mr. and Mrs. W. A. Last-Minute Preparations

If one should tune in on some of the conversations being carried on in the halls of F. H. S. much would be heard about grades. Many times a student will say, "Now, if that teacher will give me so much this next month I'll get over the line." Such a student as this is the one who blames the teacher for his failing grades. Many students at the beginning of each school term set their aim at 70 or "get by" line, and after setting their goal at this low level, they fail to qualify themselves for what they propose to do. They make a kind of half preparation, hoping to be able to "get by" without too much effort. If a person has no higher aim than just to "get by" he might just as well stay where he is. He does not have to drink dry the Pierian Spring to make his grades. It is not necessary that you be born and reared on mount Olympus to be able to gain knowledge and use it.

The only thing needed to make the grades is determination, courage and a little work. The latter part, work, is the one thing which many students try to avoid. They want to tread their way down Easy Street. But please remember this: The so-called, Easy Street is a

smooth road which leads to destruction. Some students try to tread "Easy Street" and as a result, many fail in their school work, and instead of blaming themselves they blame the teachers.

"He blamed life, when he should have blamed himself," says a certain novelist. This is true with many students. They blame others for their failures when they, themselves, are to blame.

Now come on students of F. H. S. we have one more month of this semester, and then the mid-term exams start. Don't be afraid to study a little. Just set your determination to do your best and surely you'll succeed. If you fail this semester's work, take it like a sport, but seriously, and don't blame the teachers because they are not to blame. Please remember that success belongs to him who earns it. Real men attain their goods, not because of circumstances, but in spite of them.

There is no elevator to lift you to the top of the hill; you have to climb and sometimes the ascent is both steep and painful.

We're Cheering for the Whirlwinds The Green Peppers met Friday morning and decided that all the pep girls would attend the Plainview game that afternoon with the Plainview Bulldogs if possible. Thursday night the Green Peppers had a pep rally announcing the game Friday.

The girls had lots of pep although on account of the cold, they did not yell very long. To their sorrow they attended the last show free, this year, for football season is over. The pep squad has certainly enjoyed their privilege given to them by Mr. Boothe of attending the show free on rally nights and hopes that he will always be behind the team and show the pep every year that he has this year. The pep squad is taking the opportunity to thank the citizens of Floydada for the spirit which has been shown toward the Whirlwind team and also want to thank them for the many favors they have given the team and pep squad.

The pep squad went to Plainview with lots of pep and although they didn't bring back the victory, they are still behind the Whirlwinds and intend to boost the basketball team through the basketball season. The first game is scheduled for Monday night with Dickens City and we hope to win.

Girl Reserve Meeting The Girl Reserves of Floydada High School met Monday and entertained the girls of the whole school. The program was as follows: Girl Reserve song by all the girl reserves; Scripture reading by Hazel Borum; The Waltz you Saved for me, beautiful, by girls quartet Hazel Williamson, Nannie Lou Williamson, Norine Spence and Madge Dorsey; Reading by Wanda Temple;

Explanation of The Girl Reserves by Venita Borum; The Girl Reserves' aim by Latane Hale. New members of the Girl Reserve organization were welcomed into the group. The meeting adjourned at the end of the activities period. The group of Girl Reserves are endeavoring to do their best toward carrying out their motto: "To face life squarely" and their purpose "To find and give the Best." They also intend to co-operate with the Chamber of Commerce and give toys to the children of this community who expect no Christmas gifts.

Parliamentary Law Class Meets The First Period English Club met December 4. There was a debate and the proposition was "Resolved: that the U. S. should adopt the thirteen month calendar. The ones on the affirmative side were: Joseph Booth, Venita Borum, and Selma Lider. Those on the negative were: J. D. Moore, Tom Deen and Genell Stovall. There was an excellent discussion of the question on both sides; also there was a heated argument in the rebuttals which made the debate very interesting. The offensive side won the debate.

Latinus Nuntius Latin Club Meets Latin Club met Wednesday, December 3. We sang several songs after which Carl Young gave an interesting talk on "How the well-to-do Roman spent his day." We played games and then adjourned. (Scriptor) Hugh Ayres

Spanish Club Meets The Spanish Club met December 2 for its regular meeting. The first period club had charge of the program. The second period Spanish Club will be responsible for the program at the next meeting. The program rendered by the following was very interesting: Los Primeros Lecos, Folia Randerson, Angeline Patterson and Audrey McClain; "Under a Texas Moon," Madge Dorsey and Norine Spence, accompanied by Selma Lider; Selections on the piano, Lois Newsom, and Opal McNeil; Duet Nannie Lou Williamson, and Hazel Williamson, accompanied by Norine Spence.

Current Event Club Meeting The Third Period Current Event Club met November 13, and the club was called to order by the president, Cleo Birch. J. R. Dooley was elected critic. Pearl Ivy spent the week-end with Annie Opal Sparks at Dougherty. Reva Handley spent the week-end in Petersburg. Mr. and Mrs. Virgil Spence visited Mary Smith Sunday. Mildred Houston spent Sunday in Abernathy and Plainview. Nell Howard spent Saturday in Starkey. Bert One Smith, Mildred Houston Ruth Key Green, and Virginia Stovall went to Plainview Friday to attend the ball game.

Jokes A little girl was looking at a picture of the early Christian attacked by lions in the arena. Her mother saw she was crying and was pleading with the little girl's sympathy. "It is sad, isn't it?" she said. "Yes," sobbed the child, "look at this poor, thin little lion that hasn't any Christian."

Scotchman: "There's a fine building for ye. What dae ye think of it?" American: "Say, that's nothing. We've got hundreds of buildings like that." Scotchman: "I expect ye have. 'Tis an asylum."

Coach: If you subtract 14 from 116, what's the difference?" Milton: Yeah, I think it's a lot of foolishness, too.

Mrs. Smith: I take great pleasure in giving you 90 in English. Carl Young: Aw, make it a 100 and enjoy yourself.

Motor Cop (to professor of mathematics): So you saw the accident, sir. What was the number of the car that knocked this man down? Coach Barksdale: I am afraid I've forgotten it. But I remember noticing that if it were multiplied by fifty, the cube root of the product would be equal to the sum of the digits reversed.

P. W. Bell: Say, I can twist this little disc and get New York. Carrick: That's nothing. I twisted a little dial and got Sing Sing.

A Durham traffic cop at a busy corner saw an old lady beckon to him one afternoon. He held up a dozen autos, a truck and two taxis to get to her side. "What is it, lady?" he asked rather impatiently. The old lady smiled and put her hand on his arm. "Officer," she said in a soft voice. "I just wanted to tell you that your number is the number of my favorite hymn."

Little brother to big sis: Where are you going? Bennie Lester: To the Pep Rally. (Ten minutes later) Little brother: Mother, let's go to the pep racket.

Observance of Golden Rule Week, Dec. 13-20, Is Urged

Regarded As Unique Among Benevolence Campaigns; Eat One Golden Rule Meal.

The week of December 13th to 20th has been selected as International Golden Rule Week for 1931, according to information reaching here today. During this period the public, through the medium of churches, Sunday schools and communities, will be asked to subscribe funds for undernourished children of unemployed miners, migrant field laborers, destitute mountaineers, and for other child relief operations at home and abroad. These philanthropies are outside the budget of the local community chests.

A total of 89 investigated and approved relief agencies shared last year in the Golden Rule funds. The Golden Rule movement is non-sectarian and world-wide in scope, although the majority of its activities at this time are in this country and its possessions. In addition to the unfortunates mentioned, the Golden Rule appeal will stress the plight of the children of the Virgin Islands. The chronic poverty mentioned last year by President Hoover when he visited there, has deepened into destitution and hunger, especially among the children. Governor Pearson, of the Islands reports: "Many school children come to school without any breakfast and bring only a piece of sugar cane or a bit of dried fish for their lunches."

The observance of Golden Rule Week is regarded as unique among benevolent campaigns, as it offers an opportunity for anyone to subscribe without diverting money from other worthy enterprises or reducing his bank balance. The Foundation and its collaborating local groups are asking their members to eat at least one Golden Rule Dinner. This is a frugal meal of such food as is used by field kitchens of relief agencies to feed stricken multitudes.

Having thus experienced to a slight degree the privations which millions now endure, those who wish to practice the Golden Rule are asked to do for the unfortunate as they would wish them to do were the conditions reversed and to contribute at least the difference in the cost of the two meals—more if practicable. Some leading churches are planning at the close of the morning service on Golden Rule Sunday, which is set for December 13, to serve in their social rooms or elsewhere a simple meal consisting largely of bread and milk, apples and coffee, or similar menus. Luncheon clubs and other social organizations will serve similar meals on one or more days during the week, providing an educational program therewith.

All Can Subscribe

This frugal menu thus provides the method by which everyone, even those of limited financial resources can subscribe without taking anything from other subscriptions or decreasing in any way his financial reserve. This novel method of subscription was adopted in accordance with the established policy of the Golden Rule movement which seeks to supplement and strengthen rather than interfere with the appeals of existing worthy organizations. The Foundation organizes no new administrative agencies itself.

Emphasis during the observance of Golden Rule Week is placed on the spirit of sharing with others rather than on the treasury through which the gift is made. It is this latitude of the Golden Rule movement together with the non-sectarian nature of its operations which has caused spiritual leaders and local units of all faiths and sects to observe the Week as a wholesome fast between the two great feasts of Thanksgiving and Christmas or the New Year.

New Chevrolet Model On Display This Week

Improvements and Refinements As Most Extensive Since Change To Six in 1928.

Chevrolet's new car for 1932 goes on display today at dealer showrooms throughout the nation.

Embodying silent syncro-mesh transmission in combination with selective free-wheeling, a twenty percent increase in power, top speed of 65 to 70 miles an hour, streamline bodies and a wealth of other new features, the new car remains in the price range of the current series, the lowest at which a Chevrolet has ever sold.

Headed as "The Great American Value for 1932," the car boasts more extensive changes than any annual Chevrolet model since the change-over to a six in 1928. Yet changes are mostly refinements over the basic design of the 1931 car which, from the standpoint of public acceptance, was the most successful in the history of the company, and brought Chevrolet first in the industry during the highly competitive market of the past twelve months.

Practically every proven automotive feature of recent years is incorporated in the new 1932 Chevrolet, as well as a new "stabilized" front end construction embodied for the first time on any car. Outstanding improvements in the '32 line over last year's models are down-draft carburetion, counter balanced crankshaft, smaller wheels and larger tires, radically changed front end appearance, "finger touch" front seat adjustment, cowl ventilator on all models, hood doors instead of louvers, improved clutch and an addition cross member in the frame.

The 21 domestic plants are now busy producing the new line. The stimulus to employment in the Chevrolet organization, in affiliated Fisher Body plants and among independent supplies made possible by the introduction of the car, it is conservatively estimated, will add to the earnings of 200,000 people.

Twelve standard body styles are in the line this year—three open and nine closed Fisher bodies—all in new Duco color combinations and all with smart new features. In addition, eight models also are available with deluxe equipment, making possible individuality of ownership and providing selection from twenty different types.

Of the mechanical changes, the outstanding one is the new transmission unit, which is entirely Chevrolet-built and is said to combine for the first time in any car the combination of syncro-mesh with simplified free wheeling as standard equipment at no extra cost. Free wheeling is provided by an over-

running clutch, engaged at the discretion of the driver by a control button on the instrument panel. This optional feature enables the driver to utilize the full breaking power of the engine if he desires, and use the free wheeling feature only when traffic conditions make it desirable.

While the wheelbase remains at 109-inches, the car looks longer than last year, lower, speedier and more powerful—promises borne out by the greatly improved power plant.

The most striking change in exterior appearance is the new front end, which has been completely redesigned this year.

The new "stabilized" front end mounting is an important feature of the new car. In conventional mounting the radiator, fenders and headlamps are supported from the sides of the frame, and in driving over rough roads the front end weaves and vibrates. This is annoying to occupants of the car and frequently results in the origin of squeaks and rattles at points of stress.

In the new Chevrolet, the fenders, radiator and headlamps are carried on a single fender support unit, which is anchored to the center of the front cross-member of the frame. This pivotal anchorage enables the front end to sway with the body as a unit, thus reducing the annoying weaves as well as the possibility of squeaks and rattles developing at points of stress.

F. H. S. Eleven Loses Last Game Of Season To Plainview, 13-6

Marion Heald's Return of Punts Feature of Whirlwind Play Friday.

Displaying with occasional flashes the power that carried them to a championship in the north half of District 2 in Class B football, the Floydada Whirlwinds closed their 1931 season with a well-played game, losing to a big Plainview Bulldog eleven 13-6 Friday on Wayland Field at Plainview. A delegation of some seventy-five fans and the Green Peppers of F. H. S. were present for the game from Floydada.

With nothing at stake and only inspired to close the year with a victory, the Whirlwinds fought a good fight and let it go at that, and very nearly getting a 6-6 tie with the school which they held 0-0 at the opening of the season.

Almost Get Tie Exhibiting a stone wall defense, the lads in Green and White failed by a matter of inches in stopping a sustained drive by the Bulldogs in the last quarter that netted them the winning touchdown.

Proceeds of the tilt, attended by a crowd of 1,000 fans, went to Plainview welfare groups. Little Marion Heald's sensational

return of punts featured the play in the first half which ended 6 to 0 for the Bulldogs. Jackson did outstanding work for the F. H. S. line.

Wester, big right half for the Bulldogs, grabbed a Whirlwind pass in the first quarter and ran to the F. H. S. 10-yard line before he was downed to place the ball in scoring position. It was Heald who brought him down. Wester and Witkowski did outstanding work for the Plainview eleven throughout the game.

After Wester had taken the ball to the 10-yard stripe, Witkowski swept around left end for eight yards.

Coach Barksdale's Whirlwind defense rallied and it was only on the fourth down that Hamilton carried it over right tackle for the first score. Try from placement for extra point went wild.

Score In Third

Coming back at the half, the Whirlwinds took the ball on their own 20-yard line and marched straight down the field to the Bulldog 4-yard line on a series of line plays with Heald, Bridges, Welch and Murray gaining most of the yardage. The quarter ended and the ball was taken to the other end of the field where the Whirlwinds had to take to the air on the fourth down and a pass from Bridges to Heald over the goal line netted the necessary four yards and a touchdown. A perfect pass to deCordova was stopped in attempt for extra point.

Following the kick-off in the last frame, the Bulldogs repeated the act of the Whirlwinds and marched from their 20-yard line straight down for a touchdown. Wester carrying the ball over by just a matter of inches on the fourth try after they got within the 5-yard zone. Wester made extra point on an end run, making the score 13-6 for Plainview.

Coach Froggy Lovvorn sent a big team against the Whirlwinds, outweighing the Green and White eleven, man for man. It appeared to be a much heavier aggregation than the eleven that started the season but they were matched for fight by the lighter Whirlwinds.

Taken all in all, the team battled on pretty even terms throughout the afternoon.

The starting line-ups were as follows:

Floydada	Pos.	Plainview
deCordova		Shirley
Johnston	R. E.	Pippin
Murray	R. T.	Graves
Dorrell	R. G.	Goodwin
Jackson	C.	Tillson
McLaughlin	L. G.	England
Golightly	L. T.	Thacher
Heald	L. E.	Walker

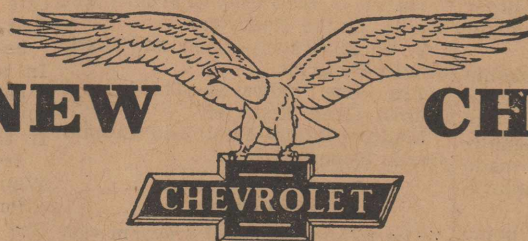

Substitutions: Floydada: F. Murray for Houghton, Sims for Jackson, Young for deCordova, Ginn for Dorrell, Houghton for Bridges, Mooney for L. Murray, Hoffman for deCordova.

Mooney for Sims; Plainview: Mabrey for Thacker, Seales for England, Thomas for Pippin, Smith for Shirley, Fannin for Wester, Zeigler for Witkowski, Hamilton for Crossland.

Officials: Woodward, referee; Wall, headlinesman; Wester, umpire; McClure and Deakins, timekeepers. Game summary: First downs—Floydada 8, Plainview 7; yardage gained from scrimmage—Floydada 93, Plainview 156; Passes F. H. S. attempted 11, completed 5, two were intercepted, 4 incomplete; Plainview attempted 5, completed 2; punts—F. H. S. 10 times for average of 25 yards, P. H. S. 7 times for average of 29 yards; penalties—F. H. S. one for total of 5 yards, P. H. S. 6 times for total of 30 yards; touchdowns, Heald for F. H. S., Wester and Hamilton for P. H. S.; extra points, Wester, P. H. S.

Dougherty News

(By Mrs. W. D. Newell)

The first snow of winter came Monday night of last week accompanied by a high north-east wind causing drifts in ditches and against buildings. No correct report has been given on the snow but indications are about one inch of snow-fall in this locality.

Monday, November 30 was reported the coldest day of the season so far, the temperature dropping decidedly about ten o'clock Monday morning.

This first snow came twenty-one days earlier than last year's first snow which measured from two to four inches.

The snow will be of great benefit to the winter wheat in preserving also adding to, the moisture that has fallen the past two weeks.

The fog, sleet and rainfall the past few days measured one-fourth inch of moisture before the snow of Monday night.

Mr. and Mrs. J. E. Newton visited in Ralls Sunday with his parents, Mr. Newton's father is in very feeble health.

Miss Gertrude Colston of Baker community visited the school here last Monday and Tuesday.

Evlys Russell received a very painful burn late Friday afternoon, at his home, when he accidentally slipped and his foot went into a vat of hot water where a hog was being scalded. The burn was worse just above his shoe. He has been having to walk with a crutch since the accident.

Mr. and Mrs. C. S. Ray and others who were in the Ray Grocery store were badly frightened Sunday evening about seven o'clock when a negro who was apparently crazy entered the store. The negro was making muttered sounds and gestures that they could not understand and when they offered him water, he grabbed the dipper with such force that he spilled most all the water but kept filling the vessel

and drinking for several minutes. Mr. Ray immediately called sheriff Wright at Floydada who came with his deputy in a very short while and took the negro to the jail at Floydada.

The negro had three dogs with him and evidently walked into town. No other news of him has been heard of at this time and he is still in the Floydada jail.

The Floyd County Singing class will meet at Dougherty in an all day gathering Sunday, December 27 at the High School auditorium. Everybody is requested to bring your dinner and spread picnic style at the noon hour.

"What Do You Think"

By 11th Grade
Out where the sky is pretty and blue,
There stands a school house called Lakeview,
In front of this house is many Locust trees,
That are now shedding beautiful golden leaves.
The school house is huge and tall,
Composed of five rooms, auditorium and a hall.
Mr. Cass is the principle's name,
Who is very fond of basketball games.
The basketball coach is Mr. Horton,
Who tells the boys to be active,
Which is very important.
Miss Dixon the coach of playground ball.
Never wastes her time by standing in the hall,
Miss Woolsey the coach of the girls basketball team;
Never says anything that she doesn't mean.
The primary teacher is Mrs. Ross,
None of the other pupils does she try to boss.
Some clubs were added to our school
And everyone strives to obey the rules.
The Locust Grove Civics club stands up with worthwhile praise,
Each meeting we discuss some important phase.
The Four "H" Club is progressing fine.
With every member right in line.
Miss Faulkner, the county H. D. agent, teaches us to sing songs,
To cook and keep our body strong
The Good English Club was organized in Mr. Hortons room.
It will help them to speak correctly until the day of doom.
The uncle Remus club help the pupils to get over stage fright,

And teaches them to think, talk, read and write.
In story telling the 3rd and 4th grades lead,
As for this, they did not fail to succeed.
Mr. Williams' Agricultural boys we must not forget,
They may win out in raising maize and cotton yet.
Our clubs all maintain success,
And each member strives to do their best.
In basketball she's hard to be surpassed
She'll stay right in to the very last.
In this community we have a hundred fans,
Who for the basket all right we'll forever stand.
She won the 30-31 county meet,
Without taking a defeat.
Roy and Leneard were basketball guards,
If you won over them you would have to play hard,
The forwards were Bunch and Smith
They could make a goal without a miss
Herman Nelson who jumped center was not very tall,
But when he jumped he hit the ball.
We had four subs that were full of fun,
When it was necessary they sure could run.
The girls team we must not forget
They may go as far as the boys yet,
Lakeview has a good team in tennis and track
We're going to Floydada to bring the cup back.
Ethel Warren and Alta Lloyd
Were tennis champs in the county of Floyd,
Willie Bunch was high point man in track
There were no qualifications that he lacked.
This community is full of enthusiasm and pep
With everyone in harmony and step
This year 1931 and 32,
As for athletics and literary events
We're coming through
We have a blacksmith who is not very old,
But he made the boys a good basketball goal.
We also have a Lakeview store
When you buy something you'll want some more,
In this district we have a gin that never stops
Until they have ginned everyone's cotton crop.
Now that my poem is ended
May the mentioned not be offended.

As for this, they did not fail to succeed.

PIONEERS PLANTED MANY TREES

Pioneer farmers who settled the prairies of the Middle West were great tree planters, according to the United States Forest Service. Most of them came from districts in the East where they had been clearing lands for agriculture, but in the new environment of the plains they quickly saw the need of planting trees for shelter against winter cold and summer heat. The plantings also supplied fuel wood, poles, posts and rough timbers.

It is estimated that farmers planted about 240,000 acres of trees in Iowa, 40,000 in Illinois, 14,000 in Ohio, 10,000 in Missouri, and lesser acreages in other central States where there were more native forests.

Lamesa Compliments F. H. S. Coach, Team, And Fans In Letter

Complimenting the Whirlwind football boys and expressing pleasure for having had the Floydada fans as guests, Wm. A. Wilson, manager of the Lamesa Chamber of Commerce, last week sent a special letter to S. W. Ross, secretary of the local Chamber of Commerce. The letter was as follows:

Lamesa, Texas,
November 27, 1931.
Mr. S. W. Ross, Secretary, Chamber of Commerce, Floydada, Texas,
Dear Mr. Ross:

Sorry we did not get to see you before you left. Just so busy attending to details following the game that we missed you. Did want you in our home last night.

Sorry we had to beat you yesterday but of course glad to represent our district. We get to play Clarendon we understand today. We surely will do a good job to win that game, I am sure.

Tell all your people that we were indeed glad to have them down and hope everything was pleasant for them. That is what we wanted. Tell them the extra expense in making the extension for telephone connection for the broadcast as well as the preparation of the booth was made gladly by our Chamber of Commerce and we were happy to be able to make this service for them. I hope the folks at home who did not get to make the trip got the reports O. K.

The hotel people here report that your boys were the very best and they were glad to have them with them. Tell your coach and the boys they made a fine impression on our people, as real sports and the sort of people we like.

We hope you come again our way sometime.
Sincerely,
Wm. A. Wilson, Manager.
