Let Us Give Thanks

"... That we may unite in most humbly offering our prayers and supplications to the great Lord and Ruler of Nations, and beseech Him to pardon our national and other transgressions; to enable us all, whether in public or private stations, to perform our several and relative duties proper and punctually; to render our National Government a blessing to all people by constantly being a Government of wise, just and constitutional laws, discreetly and faithfully executed and obeyed; to protect and guide all sovereigns and nations and to bless them with good governments, peace, and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and, generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best."—These words are from the Thanksgiving proclamation issued in 1789 by our nation's first president, George Washington.

Bobcats sink Valley View Warriors 6-0

The fighting little Newcastle Bobcats pushed over a touchdown in the third quarter to defeat Valley View on their home grounds Friday night to clinch second place in the conference race of District 7-B, by a score of 6-0.

It was a routine game until the third period when Newcastle's Aaron Hughes, end, intercepted a pass by quarterback Mike Birdwell on the Valley View 40 yard line and scampered to pay dirt. Quarterback John Tomlinson's pass for extra points to Hughes was no good.

Valley View fullback Doyle Fuller, sustained a head injury during the third quarter and was hospitalized. The extent of his injury was unknown late Friday night.

Light fog rolled over the field during the last period, but was not serious enough to hamper play.

Variety Store under new ownership

A deal was closed this week in which Misses Faye and Mary Lucy DeLong of Throckmorton purchased the W-W Variety Store.

The new owners are not strangers to this community, as they were reared here. They have assumed management of the store and invite all their friends and everybody in this area to come see them.

We are glad to have these good folk with us again and wish them much success.

Getting out a day early forced us to leave out several "newsy" news items. Thank you, and Happy Thanksgiving.

REMEMBRANCE

This memory of our mother stays with us

Throughout the years: the way she used to stand Framed in the door when any of her band

Of children left . . . as long as she could see Their forms, she gazed, as if she seemed to be Trying to guard—to meet some far demand;

And before she turned to tasks at hand, She breathed a little prayer inaudibly.

And now, I think, in some far heavenly place, She watches still, and yet is not distressed,

But rather as one who, after life's long race, Has found contentment in a well earned rest,

There, in a peaceful dream-like reverie, She waits, from earthly cares

COLD WEATHER DRIVING EXPERT PREPARES FOR WINTER

Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around—stalling at stoplights and coughing and chugging halfway into town. That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area—including a special

additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling.

You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new

cars and restore lost power and mileage to many older cars. Switch to the Tiger and get that nice feeling. **Happy Motoring!**

Thanksgiving

Let us pause on this day, as our Pilgrim fathers did so long ago . . . to give prayerful thanks, not only for the food on our table, but more importantly, for those freedoms we hold so dear . . . freedoms our forefathers sought and won in the new land America.

Our country has made great progress since the day of that first meager harvest in 1621 . . . to truly become the "Land of Plenty" and the "Home of the Free." Let us pray it will always be.
