THE NEWCASTLE (Texas) REGISTER THURSDAY, JANUARY 12, 1967

NO. 2

## Nell's Notes

We are well into January and if you have a favorite type of weather, be patient, for we've had sand storms, cold and almost spring-like days so far. This is the time for pruning your roses, planting bulbs, and studying the seed catalogues. This is March of Dimes Month, along with some birthdays of such famous people as: Benjamin Franklin, Franklin D. Roosevelt, Douglas McArthur, Edgar Allan Poe and Carl Sandburg.

The Remodeling Bug has bit ten the Earl Blankenships, C. N. Weems, and Mrs. Floy Dodson.

If you start a fire keep an eye on it. Fires left unattended can really spread and burn so much more than intended.

As an American we should vote in all elections so be sure and register to vote by Jan. 31.

You weren't dreaming when you saw the house going thru town Tuesday. It belongs to the Doyle Sloan's and was on the way to Belknap.

A number of people from here attended the Cedar Oaks Retirement Home's open house Sunday, it's so beautiful over there and is a real asset to Young County.

The new basketball score board has arrived and is being installed today. It is sure pretty and we would like to have everyone to come out to the basketball games and take a look at the fine teams we have and also the beautiful new score board.

As you drive down the street these new cars you will meet: Horace Pounds, J. O. Musgraves, and Bill Morgan, Pickups, too, will surprise you M. J. Phillips, Butch Myers, and Willie Wages.

We really have a great number of people in the hospitals. A visit or card would be nice. Some of these include: Mrs. H. D. Raney, Mrs. Ed Johnston, Perry Davis, Mr. Arch Woolfolk, Mrs. Emma Ward, Bill Williams, Mrs. Dora Dent, Jack Trimble, and Luther Loftis. Also Mrs. Gray Watson is in the hospital, but she has a fine little boy to keep her company. She and Gary will have him tending cattle when he gets home.

"Love is like a mushroom. You never know whether it's the real thing until it's too late."

In High School girls action the girls won two games taking the district lead. They defeated Woodson 39-19 and defeated Antelope 39-29. This Friday night the boys and girls take on Windthorst at Newcastle at 7:00. The girls game will match the two best teams in district who both have identical won-lost records. ## Mrs. Helm Chosen To Aid With State Program

Mrs. R. H. Helm, President of the '17 Club, has been designated as the local coordinator for a cultural resources inventory to be taken in Newcastle as a part of an official statewide survey now being conducted by the Texas Fine Arts Commission, according to Mrs. Lynn L. Williams, president of the Mesquite District of the Texas Federation of Women's Clubs.

John Ben Shepperd of Odessa, chairman of the newly created Fine Arts Commission, said, "We are indeed grateful to Mrs. Helm for undertaking the completion of our survey in Newcastle. This is a unique project in Texas; nothing of its kind has ever been attempted in the State of Texas before."

The purpose of the survey Shepperd explained, is to determine both the quantity and quality of cultural activity both by organizations and individuals now going on in the towns and communities in our state. "We plan not only to catalogue the various organizations active in the fine arts field in Texas, but to identify individual artists, authors and craftsmen, and the location and identification of local public works of art and collections," Shepperd said.
