

Old Whirlwind Victory Tulia to 6 - 0 Score Friday

Players Show Excellent Form

Quarter of Season at
Tulia out "Finer
of Crew."

Whirlwind playing against
Tulia's Whirlwind grid-
iron in crushing their
opponents of the season, the
Whirlwinds, under a 6 to 0 score,
which should have been
at least 18 to 0. Through-
out the encounter, the Whirl-
winds completely out-played their
opponents in every phase of the
game because of a fumbled
signal and the loss
of time, they emerged
from the touchdown, their first
score. Heald, left half, has
been tallying the first coun-
table battle was waged on the
iron.

Barksdale's eleven has
shown wonderful improvement over
the game of the season with
view squad. Able coaching
by the finer points of
play, and strengthening
weaknesses. On defensive
their line held almost to per-
son every man was on his
feet. On offensive plays,
plowed through making big
gains and the backfield made
big plays that netted large
gains. All in all, the entire team
made one hundred per cent im-
provement in the past week.

Floydada's lone score came in the
second quarter, after a series of three
downs that carried the ball to
within ten yards of the goal line.
Murray, quarterback, started
a long run, dropped
the ball, which was scooped up by
Carter, who crossed the chalk line
for the counter. Try for extra point
unsuccessful.

Tulia Locks Out

Captain de Cordova's Whirlwinds
started the game off with a terrific
offensive play, which netted three
downs before the ball changed
hands. In the latter phase of the
game, Heald made a beauti-
ful long end run that placed him
with a clear-away for the goal line,
distance of twenty-five or thirty
yards. And here Floydada received
its first break of bad luck when the
opportunity slipped from his
hands and rolled out of bounds.

The Whirlwind's second break of
bad luck came in the second quar-
ter, when they placed the ball with-
in one foot of the goal line and,
through a bungled signal, failed
to put on the finishing touches
for a counter. Tulia punted the
ball out of the danger zone.

Floydada's third streak of ill luck
came when "Bob" Carter, heavy full-
back, led the goal line on a beautiful
play at a split second after the
whistle had sounded for the end of
the half.

To pick outstanding players in
Friday's game with Tulia is not an
easy matter. Captain deCordova,
Stovall, and Little Murray made
some mighty good plays, but Big
Murray, Carter, Stevenson, Heald
and Welch also came in for a share
of the glory. For Tulia, Evans and
Neil, halves, Speer, right end and
Simpson, full, were easily the stel-
lar players.

For first downs, a summary of the
game shows that Floydada easily
out-played the Hornets, tallying
fourteen first downs against Tulia's
four. Each team had two disas-
trous fumbles marked against them.
Floydada drew three five yard pen-
alties and Tulia drew two five yard
penalties. Tulia attempted four

passes, and completed one. The
Whirlwinds punted five times for
an average of 28 yards, and Tulia
punted six times for an average of
30 yards.

Half-Minute Interviews

B. L. Blaklock: "It rained all the
way from Monday to Ralls, a fairly
good rain, Sunday."

F. A. Campbell: "They are in
about the same boat up in Iowa and
Missouri that we are here. Thou-
sands of poor people in the big cities
are sure to suffer terribly this win-
ter."

L. A. Marshall: "We'll be planting
beans instead of maize in this coun-
try within five years. A fellow
never appreciates the good things
in his own country that he takes for
granted until he gets away from
them."

Charles Merrick: "Right now we
are working along, trying to hold
things together on our farm until
things look different. I have been
growing sheep a good many years
and find them about the best kind
of property to have on a farm."

Mrs. Richard Starcke: "Bastrop
County has an over-abundant corn
crop and a good cotton crop, with
possibility of a top crop of cotton."

C. R. Houston: "Dry Goods on
an average is 13 per cent cheaper
this fall than at the same time
last fall. The decline ranges from
about 5 per cent in shoes to very
considerably more in staple goods."

Folks are just not buying staples in
volume any more."

PLENTY OF WORK

While there has been a marked lack of work during the summer months in Floydada and Floyd County, the past ten days or two weeks have seen a pronounced demand for people to handle jobs on Floyd County farms, especially cotton picking.

Alcino News

Alcino, Sept. 29.—Louis Randolph of Earth, was here the first of last week visiting home folks. Miss Virginia Massengale got something in her eye last week.

Center News

Center, Sept. 29.—We are having misty weather for three mornings in succession. Maybe it is going to rain by and by.

In last week's items we forgot a few things. We failed to mention Miss Lou Boothe visiting Mrs. Montgomery for Sunday dinner, and the Rev. Fitzgerald and Mr. and Mrs. L. J. Loyd were Sunday dinner guests of Mr. and Mrs. C. O. Spence.

Our former pastor, the Rev. I. D. Hull preached for us Sunday at 11 o'clock hour. Those attending the associational B. Y. P. U. from Center were Mr. and Mrs. Jordan, Ruth and Doris, Alice Fay Harber, Catherine Tubbs and Maxine Ross.

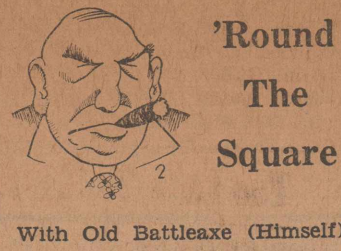

Lakeview News

Lakeview, Sept. 29.—Mrs. W. T. Hopper's condition remains about the same. Mr. and Mrs. S. M. Woolsey, Miss Jewel and Winston, visited over Sunday with G. M. Woolsey of Floydada.

Baker News

Baker, Sept. 30.—The cool weather the past few days has been enjoyed by the people of this community. Mr. and Mrs. A. H. Kreis and small daughter, Ruth, were visitors with Mrs. S. R. Colston and family Sunday evening.

Sunday is regular singing evening at Baker. New books have been supplied and a number of visiting singers are expected.

With Old Battleaxe (Himself)

Old Battleaxe is all mixed up this week, folks, between a good feeling and a bad feeling. By that I mean I am glad and I'm mad. It just seems like when a fellow finds something to make him feel bad, he can nearly always look around him and find something that will make him glad, and vice versa (whatever that is).

In the first place, I feel mighty bad about Floydada's pep squad not making a trip last Friday to Tullia to boost the Whirlwinds, and, incidentally, advertise Floydada and Floyd County.

Just look at Floyd County's Home Demonstration Clubs. No other county in the Panhandle can brag about better, more live, more active demonstration clubs than Floyd County.

And by-the-way (as the wimmen say), the Demonstration Clubs are having their regular fall club exhibit in Floydada this week-end and it will shore be interesting to go and take a look at what they have accomplished during the past year.

Blanco News

Blanco, Sept. 30.—Several from this community are attending the fair at Lubbock this week. Mr. and Mrs. L. C. Wheeler, Mr. and Mrs. P. E. McCarty spent Sunday at Roaring Springs on an outing.

Another thing that makes me feel good this week is the fact that Floydada's Whirlwind football team strutted some real stuff at the Tullia game last week. I believe that I can honestly say, without fear of treading on somebody's feet or hurting anybody's feelings, that Floydada has got the dog-gonest, fightingest team this year that she has had in years.

You know, Halitosis is an accommodating soul. She's so dog gone easy to get along with. Whenever she and I disagree over something, we always compromise—and she has her way about it.

ble time, and didn't folks say a lot-a mean things about her and especially about her dad? Well, that's just what's happening everyday with Floydada and her telephone system.

Here's a tip on how to have some fun. Ask somebody what an accordion is. They'll do it every time.

Old Battleaxe is going to close his column this week by quoting an article from some other publication with a few revisions of my own.

When the world looks like a pretty serious problem, say to yourself and mean it, "I don't give a damn!" When your liabilities are way above your assets, and the time to straighten them out is short, start out not with a feeling that you've just got to work it out today, but say to yourself, "I don't give a damn!"

When you are told that your job may not last more than a month if business don't pick up, say to yourself, "I don't give a damn!" and then work like all-get-out to sell more goods.

It may not be elegant language; the sentiment of valentine honeyings is lacking; your wife may disapprove it; there's no consistency in it; but it does the work!

ROTARIANS AND LIONS IN JOINT MEETING DISCUSS BOYS WORK AND SCOUTING

A joint meeting of the Lions Club and the Rotary Club of Floydada Wednesday noon was featured by a Boys' Program, prepared by the Boys' Work Committee of the Rotary Club, composed of Geo. A. Linder and Dick O'Brien.

Mr. and Mrs. P. M. Felton and daughters, Mrs. T. P. Collins and Mrs. Audrey de Cordova visited in Plainview Tuesday.

Associational Baptist Y. P. U. Held Sunday

Inspirational Program at Roaring Springs Enjoyed By Several Delegations.

The Associational B. Y. P. U. of the Floyd County Baptist Association, embracing Floyd, Motley, Crosby and Briscoe Counties, had an inspirational program at their monthly meeting in Roaring Springs Sunday afternoon last.

Following the program planned, Quitaque was selected as the place of the next meeting, which is to be the fourth Sunday in October. Joe Breed of Floydada is the associational director of B. Y. P. U. work.

Floyd County Clubs YEARLY CLUB EXHIBIT IS SUBJECT AT SOUTH PLAINS

Mesdames Weast, Wood and Simpson were hostesses at the meeting of the South Plains Home Demonstration Club held on September 23 at the club room at 2 o'clock, and the subject was the yearly club exhibit.

Today, Thursday, the club's program is to be on "Home Nursing," the following subjects having been assigned as indicated: "What the medicine chest should contain."—Mrs. Daniels.

LAKEVIEW CLUBS MEETS WITH MRS. S. V. ADAMS

The Lakeview Home Demonstration Club met with Mrs. S. V. Adams September 24 at 2:30 p. m. A demonstration was given by Mrs. J. M. Harrison on punched rugs.

STARKEY 4H CLUB

The Starkey 4H Club met Thursday, September 25, with all the membership present. Miss Strange instructed us on how to write our club history. We will hand in our canning next meeting date, which has been set for October 2. We hope everyone will be present.

strator" was the subject of Mrs. Gertrude Holmes. Mrs. Miller also spoke on results of fairs and contests.

A very instructive demonstration on labelling, pressing, and folding linens, polishing, labelling and packing canned goods was given by Miss Marie Strange.

There were 13 members and two visitors present. Plans for the club exhibit Oct. 11, 12 and 13 will be discussed and by all present.

Dougherty News

(By Mrs. W. D. Newell)

At Its Name
The first real norther of the sea-
come Thursday night. By Fri-
morning about 10 o'clock the
thermometer was registering lower
than it had any time the year be-
fore in September and up to the
middle of October. The weather has
been somewhat unsettled ever since
with an eighth inch rain Sunday
morning and heavy fog Tuesday
morning at this writing.

The first cotton to be shipped
from the cotton yard at Dougherty

was placed on the cotton dock Mon-
day, September 29th by the weigher
J. W. Graham. It consisted of two
shipments totaling 13 bales.

This is not the first cotton to be
shipped from here this season, how-
ever, as there has been 10 or 15
bales shipped by the farmers, and
did not go thru the yards.

The shower Sunday morning has
caused the cotton harvest to slow
up. Only 55 or 60 bales have ginned
at Dougherty up to Monday
night.

CHURCHES

THE CHURCH OF CHRIST

Elder J. Frank Copeland, of Crockney, Texas, will preach for the Church of Christ on South Wall Street, next Sunday morning, at 11 o'clock. Everybody cordially invited to attend.

FIRST METHODIST CHURCH

G. T. Palmer, Pastor
Our Sunday School attendance last Sunday was very fine, and we are indeed grateful for the splendid work of the school during the past year. As we stand at the beginning of the new year it is our desire and purpose to make it the best year in the history of the school. Let each member of the school be in their place the coming Sunday and make this a great day in attendance and interest. The Sunday School needs you and you need the Sunday School. Give of your best to making the school bigger and better.

Preaching by the pastor at 11:00 a. m. and 7:45 p. m.

The three Leagues will meet at 7:00 p. m.

We shall be glad to have you worship at the Methodist Church.

FIRST BAPTIST CHURCH

Dick O'Brien, Pastor
Schedule of services for next Sunday will be as follows:
Sunday school at 9:45 a. m.
Preaching service, 11:00 a. m.
B. Y. P. U. Training service, 6:30 p. m.

Baptismal service, 7:30 p. m.
At the Sunday school hour the annual promotion program will be observed. This should have been held last Sunday, but because of the revival meeting it was decided to postpone it until Oct. 5. The Sunday morning preaching hour will follow the usual schedule.

Brother G. N. Shirey has assumed direction of the Training service activities and will be in charge at the evening B. Y. P. U. hour. Mr. Shirey is delighted with the way the leaders, sponsors and members are co-operating with him in his new duties. We bespeak for him a pleasant year of work in this important department.

We are very happy over the results of our recent revival. The preaching was one hundred per cent satisfactory to the pastor and to the whole membership of the church, as far as we know. Brother Cole endeared himself to all of us by his earnest, sincere preaching and his fraternal attitude toward the community. We were highly pleased by the fine spirit of co-operation shown by the pastors and members of the other churches of the community and surrounding communities. We were a little uneasy about whether we had waited too late in the season for the folks to come, but overflow night crowds and fine day congregations from the beginning to the end of the meeting proved the date a popular one.

No one could compute the results of the meeting in good accomplishment, but the visible results were 62 additions, about 30 for baptism, and a number of other conversions who will doubtless join other churches. And now all together for the fall program! "Loyalty to the program" will win.

Sunday School Lesson

The International Uniform Sunday School Lesson for Oct. 5. What Makes a Home Really Christian? Luke 1:5, 6, 57-66, 76-80.

With this lesson we enter upon the second half of a six-month's course of study of representative men and women of the Bible. For this portion of the course we turn from the Old Testament to the New, and while the subject matter of this lesson comes from the New Testament it relates to that period of events between the Old Testament and the beginnings of Christianity.

The home to which we are introduced is really a Jewish rather than a Christian home, so that we are at once challenged with the question What do we mean by Christian? This home of Zacharias and Elizabeth, in which John the Baptist was born and grew up, had surely all the factors and elements of a Christian home.

One would not wish to make a technical distinction or cleavage between the home of Zacharias and Elizabeth and the home of Mary and Joseph in Nazareth. These homes had the common elements of honesty and piety, devotion to truth, and love of righteousness.

Great lives in the history of the world do not come by chance any more than great events or great movements. John the Baptist could not have been born in any home, nor could any woman have mothered the pure and perfect Christ.

Here in the backgrounds of early Christianity we see the roots and sources in all that was good in the life and religion of the day. We might say, in fact, all that was highest. Zacharias was a priest—a faithful priest whose religion was not in any sense formal, but who, with his wife, lived in relationship of holiness with such sincerity that we have accorded them the highest word of honor that they were "both righteous before God, walking in all the commandments and ordinances of the Lord blameless."

The circumstances of the birth of John need not be dwelt upon, nor the joy that the coming of the babe brought to the hearts of this couple long childless. What we should emphasize rather is the inner aspiration with which these faithful souls devoted their new-born babe to the Lord.

John, who was to prepare the way of the Lord, had his own way well prepared in the devotion of these earnest parents. They trained him for the work he had to do, and he comes to his task unspoiled and unpampered by a slack and easy-going father or mother. The whole situation was, in fact, very much in contrast with what often happens in the world. It has become almost a byword that childless homes into which a child comes late are often marked by tragedy.

Discipline Needed, Too
The parents in their joy are under great temptation to assume an indulgent attitude. The child is not subjected to the discipline necessary for his own good, and too often the child of hope and promise has brought his gray-haired parents in sorrow to the grave. Sincere religion is strong as well as kindly. It has regard for discipline as well as for gentleness. It considers the genuine welfare of the child and not merely his ease of his pleasure, and the child trained under such conditions develops the strength and ruggedness of his surroundings.

L. A. Marshall, who is operating a bean threshing and buying station at Roy, N. M., spent the first of the week here on business.

Mrs. J. N. Gullion and daughter, Eula Mae, returned Friday from Eastland and Cisco where they visited relatives and friends. At Eastland they visited Mrs. Gullion's sister, Mrs. Clara Guest and at Cisco they visited Mr. and Mrs. Bill Moorehead.

Over The Gridiron

Fort Worth, Sept. 30.—Texas Christian University's new stadium will be formally dedicated when the champion Frogs meet the Arkansas Razorbacks on the new field on Oct. 11. The stadium will be officially dedicated to the Southwest Conference Champions of 1929.

"The section now completed will seat approximately 20,000 persons," says L. C. Wright, T. C. U. athletic director. "When the complete stadium is built it will seat 60,000. The structure to date has cost about \$350,000, and when completed will represent an investment of a little more than \$1,000,000."

SOUTH PLAINS EMERGES TENTH-INNING WINNER

Pretty Pitchers Duel Between Holmes and Mathis Gets Wobbling Support.
(By Oliver Holmes)
Last Sunday South Plains and Sand Hill locked horns in their final game of the season and South Plains emerged victorious. It was a hot ball game that went ten innings.

South Plains went to the bat in the tenth and collected three scores on three hits and an error after Sand Hill had tied the score in the last of the ninth on a balk by Mathis. With one out in the tenth Mickey singled to right but the game was over when J. Garner hit into a double play. The score was 5 to 2. The game was a pitcher's duel except when errors interfered. Lefty Holmes and Mathis pitched good ball but did not get good support. Earned runs were one for each side.

"DESTRUCTION" RECOUNTS A. D. PAYNE'S LAST DAYS

"Destruction" is the title of the book that puts in bound form the story of the death of Mrs. A. D. Payne and that interval between the time of her death and the self-destruction of her husband in Amarillo in August, as recounted by Mr. Payne himself, the last two pages being actual photographic reproductions of the last written words of the man who conceived the destruction of his wife and his own life's snuffing out by means of high explosives.

A copy of the book received from the publishers, Russell Stationery Company, at the writer's desk, carries also the stories of the crime as printed in the newspapers, the confession of Payne and numerous other items in connection with the sordid affair that have already been printed.

Proceeds of the sale of the book are to be used for the upkeep and education of the three Payne children, who also are unwitting victims of their father's fantastic mental derangement. It makes an interesting night's reading, but will leave you in a depressed state of mind when you finish. If you like that kind of reading, by all means obtain a copy and peruse it. —H. S.

T. A. DILLARD GETS CAKE TODATE ON COINS OF AGE

For coins of old vintage, stories of which The Hesperian has been carrying along the last few weeks, we give this week's worthy mention to T. A. Dillard, who exhibited a coin of the Spanish exploration days dated in 1722. The coin, about the size of a dollar in weight but slightly larger in diameter, bears the inscription on one side, "CAROLUS III, DEI GRATIA." On the reverse it bears a coat of arms and the notation in Spanish "King of Spain and the Indies." Mr. Dillard has had the coin since 1901, obtaining it while a resident of Ellis County. It was dug up, along with some ten other pieces, in Mecklen County, Tennessee, according to the information he obtained at the time.

J. R. Borum, who has been at Sweetwater for the past several weeks has been spending a few days here with his parents, Mr. and Mrs. E. R. Borum. He left Tuesday for Lovis, N. M., where he will remain for a time.

Glad Snodgrass returned Sunday from Hobbs, N. M., where he spent the past week looking after his business interests.

Mr. and Mrs. Elza Gullion spent Sunday in Lubbock.

BOMB PROOF COD

The Canadian government has put a stop to raids upon cod fish by porpoises by dropping airplane bombs. The porpoises either leave or are killed. The cod are unharmed and stay.—The Country Home.

Who Was Socrates?

A school boy, writing an essay on Socrates, the Greek philosopher said: "Socrates was a sort of tramp. He went around telling people what to do and they poisoned him."—The Country Home.

Announcing An Important Change At HOUSTON'S

This week C. R. Houston Company is completing change that is in line with the present demands of public for better merchandising. We are vacating Boerner Building and moving our stock into the Sugginer & White Building. Both these buildings have been occupied by our business since 1925.

This change will make our stock more compact, will make it possible to render more personal service to our customers, and at the same time cut a big slice out of our overhead costs, and therefore make possible closer margins of profit for safe conduct of business

You will find our stock just as complete as ever, with even greater variety because modern methods of arrangement make complete stocks possible in less space than formerly.

We particularly invite the people of this section to come to see us as we complete re-arranging the stock this week.
