Abilene Man Is The local Auxiliary will pay all Guest Speaker at expenses involved, including regstration and dormitory fees, etc. Girls State will be held at the Texas School for the Blind, in Austin. The dates are June 11 Rotary Meeting

Wm. L. Thomas, Abilene businessman, was guest speaker at the Rotary Club meeting and luncheon Thursday in the banquet room of the Texas Cafe.

The speaker, owner of a neon sign concern in Abilene, dwelt on he importance of mankind's utilization of time granted him by the Creator. "There are thousands of Bloomfield, New Mexico, visited things that are strange to us, the mystery of color, the mystery of life itself. Then there are many things we take for granted." the speaker said. "We cannot take time, nor life, for granted. Man's greatest challenge is to do something about fleeting time, to accomplish good works in the brief span given each of us," he ad-monished his hearers.

The speaker was introduced by Thos. B. Roberson, program chairman for the day.

Welcomed as an incoming member of Rotary was Haskell Stone, vocational agriculture teacher in Haskell High School, Other guests were Rotarians Bill Wilson of Snyder and K. K. Francis of Stamford, Sara Sue Roberson, pianist and club sweetheart, and Arthur M. Brown of the extension service staff of the University of Texas.

Rotary president Bob King commended members on the perfect attendance record for March, and advised that literature would soon be coming to each member con-cerning Rotary International Con-vention to be held in Dallas in June.

Order for the election was is-sued Friday by County Judge Alfred Turnbow.

plans for a Fish Derby at the lake. Attractive prizes will be offered in divisions for both men and women, and the event would be widely publicized. Date of May 18 to 30 has been suggested for the derby. However, Jaycees will with division heads and commitendeavor to enlist cooperation of other civic organizations and local business men before announcing a definite program.

# increased interest and enthusiasm in the Centennial is develop-

A preliminary report on the proposed Miller Creek reservoir project of the North Central Texas Municipal Water Authority was given at a meeting Wednesday night in Munday of representa-tives from six of the towns interested in the proposal.

The report was made by Freese & Nichols, Fort Worth consulting engineers, and included several tentative sites on which surveys and cost estimates had been made After discussion, a reservoir

site was approved which would impound approximately 52,000 acre feet of water, at a total estimated cost of \$6,550,000 for the completed project covering all phases of construction to serve the seven originally contemplated in the Authority, or water district.

Engineers were instructed to prepare a final report for submission at a meeting to be held early and Conservation service and re-in May. This report will consist lated agencies places more than of firm estimates of cost, together with a schedule for financing the project, including any ad valorem tax required to supplement revenue from the sale of water. Detailed information can then

be placed before the people in each town in the proposed district for study prior to a confirmation election which will likely be held on or about the first Tuesday in June. This election will determine the towns to be included in the

(Bud) Thompson for the period he served under appointment as Jus-tice of the Peace in Prec. 1. Action was deferred on signing a pending contract with a Deni-

son, Texas, firm for re-setting and cleaning 147 blocks of marble in the courthouse building at a cost of \$1,600. Commissioners expressed the opinion that the work was possibly needed in repairing the building, but that the expense was not justified at this time.

Permission was granted for re-moval of the Soil Conservation offices from the building southeast of the courthouse, to the frame building located on lots east of the County Hospital, and owned by the county.

A request presented by Allen Reeves and Carl Anderson for cooperation in loading and hauling clay for the Little League base-ball field was granted. Use of county loading equipment will on-ly be needed for several hours. it was explained.

brick and other material on hand. was given tacit approval. However, the improvement will not be made until a county employee duties, the Commissioners decided. Permission which has been ask-

ed by Park Caretaker Randy Ral-lard to place additional rental cabins in the park was not granted by the Court, until the proposal is referred to the Park Board for the board's recommendation.

Similar action was taken on the request of Albert Hall, local caterer, for permission to operate a barbecue concession in the coun-ty-owned park.

Final item of business on the Court's busy schedule for the day was to canvass returns of the re-cent school trustee elections. No changes were necessary from the unofficial reports of the balloting.

### Name 2 Directors In May 6 Election

An election has been called for Tuesday, May 6, in Weinert for the purpose of electing two di-rectors for the Haskell County Water Supply District No. 1. They will serve for two years as water district directors. Retiring directors are R .N. Mathison and Eddie Sanders.

The election will be held at the City Hall in Weinert Russell Rainey is president of the water district's board of directors.

### ASC Farm Program **Brings \$5 Million** To County Yearly

The Agricultural Stabilization and Conservation service and re-\$5 million in circulation in Haskell County annually, members of the Lions Club were told Tuesday by Loyd Feemster, secretary in the County ASC office who was guest speaker at the meeting and In his informative talk, Feem-

ster outlined the operation and scope of the ASC program and its financial status, also touching on the program Soil Conservation practices embodied in the farm program, commodity loans, etc. ASC payments to wheat growers

amounted to approximatey \$175,-000 last year, and to cotion producers around \$900,000 as one phase of the program. Through the commodity office, about \$4 million was guaranteed on cotton loans made by banks, and an es-timated \$1 million loaned on grain. Feemster told his audience. The ASC program for building tanks and terraces on Haskell farms brings about \$100,000 into the county each year, he added. The ASC will loan 80 per cent of the cost of building storage on farms cost of building storage on farms at 4 per cent interest, with the loan repayable in four equal payments, Feemster explained Guests at the meeting and lunch eon were Jean Elliott and R. C. Couch Jr., of Haskell, and Free Hinds and Ed Crouse, ASC and

#### Traffic Control Needed

The need for stome type of traffic control or regulation at highway and street crossings used by school children constitutes a problem which deserves utmost consideration by the City Council. A recent mishap in which two small boys were hit by a car, fortunately Eugene Rogers. Sam Henshaw, escaping serious injury, gives added emphasis to the problem.

Permanent patrolling of the several areas where hazards to the children are greatest would be an expensive matter. But cost is no consideration compared to the danger of crippling or killing a child.

However, other methods of traffic control aside from permanent patrolling can surely be devised if an all-out effort is made to that end. The city took a step in that direction in utilizing the drainage facilities under the highway on Avenue H as an underpass, but children can only use this route in dry weather.

Installation of traffic control lights at some of the busier crossings, regulating traffic only during school hours, might be the

The problem is one which can and should be met without delay. Its solution should be the No. 1 goal of city and school officials.

#### Clean-Up Week Needs Help of Every Citizen

Spring Clean-Up Week which has been officially proclaimed April 21-26 by Mayor Hester, is a project in which every citizen of Haskell can participate with profit to himself and the community.

Winter rains which have been a blessing and brought brighter prospects for the entire area, have also assured a bumper crop of weeds and other unwanted growth. In addition to the unsightly appearance, weeds also constitute a hazard to community health, harboring flies, mosquitoes and other insects.

By ridding their premises of weeds now, just as they are beginning to appear, homeowners not only add to the attractiveness of their property, but in addition they get rid of potential harboring places for disease-bearing insects. Also, less work is required now in getting weeds and other obnoxious growths under control than will be needed if they are allowed to go unchecked.

Clean-Up Week is also a good time to check and eliminate dense growths which create "blind corners" at several points in the city. Obstructions of this nature should be reported to city officials.

While homeowners are being urged to cooperate in making Haskell a cleaner and healthier community, steps should also be taken to see that vacant lots owned by non-residents are not allowed to grow up in weeds. If legally permissible, Costs of cleaning up such areas should be charged to owners, particularly where the unkept premises are an unsightly blot in an otherwise attractive neighborhood.

#### Three Years of Salk Vaccine

Just three years ago this April the Salk vaccine was officially pronounced safe and effective and licensed for use by the U. S.

Since then, the polio picture in this country has undergone a radical change. Before the Salk vaccine we struggled with an erratic but mounting series of polio epidemics that reached their peak her clothing. Mrs. Brewer leaves a in 1952 with 57,879 cases. Last year, owing to widespread vaccination, the number dropped to 5,894. By this time it is clear that the Salk vaccine, developed on grants from the National Foundation for Infantile Paralysis, is one of the triumphant milestones in the history of modern medical science.

What, in the meantime, has happened to vaccination?

The first year is was given mainly to grade school childrensome 10 million of them. The second year it was made available to gallon capacity at the Haskell Gayoung persons up to 20 and expectant mothers, and some 35 million were injected. Last year a crash vaccination program directed at all persons under 40 added 20 million more, making a total of 65 million. A big job done in a remarkably short time.

But not good enough. For Basil O'Connor, president of the National Foundation for Infantile Paralysis, warns us that, with 46 million Americans still unvanccinated, we may still have polio epidemics next summer.

The answer? There is enough vaccine for everybody now, regardless of age. It's painless. It's inexpensive. It's effective protection against a lifetime of paralysis.

### Haskell County History

20 Years Ago-April 12, 1938 A belated cold spell which hit this section last Wednesday night is believed to have doomed a major part of the fruit crop, as well as ruining spring gardens and early maize and damaging grain. Freezing temperatures came on the heels of a sandstorm and norther, sending the mercury tumbling from a high of 89 degrees to 27. The blast also brought a heavy snow, most of which melted as it fell, however enough remained to blanket the ground.

An increased interest in poultry production is reported by W. P. Trice, who says there is a heavy demand for baby and started chicks from his hatchery, which is now running at capacity.

Spring football training for the HHS Indians was started Monday by Coach Perry Marson and Assistant Coach Scott Whitaker, with about 40 prospective players re-porting. Lettermen returning this year include Curtis Ballard, Milon Wilfong. Fred Barnett, J. C. Scott, Otis Henshaw, Bob Cousins, Jack Simmons, Eulis Hays. Quinton Bailey, linemen; and for the backfield, Zeldon Thomason, Ray Buford, Wayne Laird, Bill Wiseman and Buster Gholson,

Haskell farmers and ranchers who complied with the government farm program requirements during the last year, have been paid more than \$100,000 within the ast two weeks for their part in compliance plan, Checks totalling this amount went to about 600 farmers.

John L. Guest, 16-year-old high school senior, has been selected as Haskell's representative in the 'My Home Town' speaking contest at the West Texas Chamber Commerce convention to be held in Wichita Falls this month. Lee Pierson of San Diego, Calif. arrived Friday for a several days visit here. Mr. Pierson owns considerable town and farm holdings

V. L. Alford, manager of the Brazos Valley Cheese Plant, and Ralph Duncan, C. of C. secretary, were business visitors in Wichita Falls Friday.

40 Years Ago-April 20, 1918 A cyclone formed east of Throckmorton Sunday evening and swept narrow path through North Texas, Six persons were klled and property damaged to the extent of several thousands dollars.

The Commissioners Court has appointed Clyde F. Elkins as County Attorney, filling the va-cancy created by the resignation of Tom Davis, who has enlisted in the Army

A total \$24,300 has been subscribed on the Third Liberty Loan through the two Haskell banks. Rev. John D. White, resident of Haskell for many years, has accepted the pastorate of the Christian Church in Electra, and expects to move his family to that city at an early date.

Good rains, accompanied by considerable hail in some sections. have fallen in Haskell County this

Last Thursday morning Mrs. J. B. Brewer, living west of Plainview school, was fatally burned when the kerosene lamp connected with an incubator exploded She had gone into the storm cellar to remove some chickens when the explosion occurred, setting fire to husband and ten children, the youngest being 18 months old.

The Haskell Roller Rink, under the management of Frank M. Dodson, has completed a new portable loor and tent for the rink.

J. F. Kennedy, local agent for the Texas Company, has installed a new Bowser oil pump of 65

The four candidates for the office of Tax Collector of Haskell County have signed an agreement with each other not to make a house to house canvass during the campaign for various reasons specified in the contract. This is a ittle out of the ordinary for canliates in a political campaign, but they have signed this contract, which makes it fair to all.

50 Years Ago-April 18, 1908 Postmaster John B. Baker atended a meeting of the Republican state committee at Dallas

Commencement exercises marking the close of the 1907-08 term of Haskell High School were observed this week in the Haskell Opera House. The graduating class was composed of three boys and eight girls: Graydon E. Nicholson, Walter Pylate Davis, Oral J. Jackson, Misses Dora Catherine Ballew, Annie Juanita Snow, Lela Addie Sprowls, Lela Rebecca Couch, Ruby Poole, Mattie Frier-son, Slydell Wyche and Mabel

### People, Places, and Things

Monday, April 21 marks the be-ginning of Haskell's annual Spring Clean-Up Week, and sponsors and city officials have mapped plans to make it one of the most intensive campaigns in years. Mayor Ira Hester has officially designated April 21-26 as Clean-Up Week. and the Chamber of Commerce and civic clubs have teamed up to put the campaign over in a bi way.

Here's hoping the community campaign is as successful as another momentous April 21 Clean-Up Campaign. History records that General Sam Houston's army of Texas cleaned up on Santa Ana's troops on that date in 1836, making it a turning point in the history of Texas.

Charles Swinson, banker, theare manager and civic worker. deserves a plug and pat on the back for his contribution to traffic safety in Haskell. When he learned of a recent accident in which wo youngsters were injured while crossing a highway on their way to school, Charles did more than the rest of us who held up our hands and deplored the mishap.

the dangerous highway crossing during the periods when pupils in elementary schools were going to and from school,

For his time and trouble, Charles will get a few words of praise from ing as the two senoritas ripped trip a small number of citizens inter- clothing from each other. No- hour a small number of citizens interested in the safety of little children. Then, if the usual pattern of and hostilities ended only when community lethargy prevails, we'll drift back into the same situation as before, leaving the youngsters to fend for themselves against traffic dangers.

While many farmers were getting along with plans for their Spring planting, an ad which appeared in the April 3 issue seemed completely out of place to us until we checked up. The particular ad, for Duncan Gin Co., stated for a record turnout of fans. their plant would gin on Friday, April 4. First time we saw Bill Duncan, veteran ginner, we asked about this business of ginning at cotton planting time. "Not too unusual, for a season such as last year's," he told us. Seems that the extremely wet winter delayed total harvesting way past normal, with many farmers only recently winding up harvest of the 1957 crop. Some 20-odd years ago, Duncan recalled, he operated his plant on and off during the entire summer in handling remnants of a bumper crop.

A recent baseball game between two Latin American teams at Fair Paint Creek, when it was not un-Park Field ended on a night club common to snag a 20 or 30-pound type of brawl in which the par- yellow cat, and no trouble to get ticipants were two young, fierytempered Latin women. fallen any better if we had orderspaced about two weeks apart, in the mile run. and West Texas will begin adding its contribution to the wheat and grain surplus. After all, the plains relatives. farmer with his irrigation raise on 15 acres what we dry lended the Silver anniversary of land farmers raise on 100. And the class of 1933 at College Station grain farmers are allowed 15 acres last weekend. There were about before allotments are made.

Some men who were bedding cotton land were beginning to wish for a rain, too because the winter weeds had sapped the ground, until it was getting too hard for the plow. Discs and harrows and one-ways were not getting half deep enough to plow up surplus grain. So everybody, no matter where they were in their spring farming, welcomed the rain. And it was like a bottle of Geritol for spring gardens. Too, most Paint Creekers were able to go to the lake and fish Monday while fields were still muddy. I overheard some of the men say this morning (Tuesday) that they might be able to get into some fields by this afternoon, and begin

The school board met Monday night in regular meeting, and the entire factulty, the lunchroom, supervisor, the custodian, and all the bus drivers were re-elected H. W. Wright will graduate, so will not drive a bus next year Joe Patterson, who lives near Scott's Crossing was elected to janitor duties. Mr. Patterson is custodian, at the Albany hospital now, and he wants to move back home and work here.

work again.

Supt. and Mrs. McRae served the board members ice cream and cookies after the meeting. and Mrs. Jesse Cook sent apple pie for refreshments.

Arnold Ivy had a sick calf last week. It wouldn't eat, and when he tried to feed it, it bit him. The veternarian came to see i and gave it a shot, and the calf died. They sent the head to Austin and the report came back that the calf had rabies. Now Mr. Ivy will have to take the antiwill have to take the antirabies shots. Too, he has another calf sick. It is supposed a rabid fox or some other animal infected the calves. But you people with stock down on those ranches in the southeast corner of Paint Creek had better be on the lookout for rabid wild animals or cattle. Pfc. Bobby Roberts from Fort Okla., was home this week end for a visit with his parents. Mr. and Mrs. G .W. Roberts and Albert. His sister and family Mr. and Mrs. Wayne Phemister and Mickie Wayne from Abilene were

also here. It was the first time the Roberts family had all been together in months . and daugh husband from Lubbock for a visit. They spent Sunday afternoon with

her, Willie Lee and Mr. and Mrs.

Arthur Moody. The newly organized Girl Scouts had a picnic supper at the lake on Monday night. They enjoyed weiner roast and then played games. When it began to get dark and cold, Randy Ballard who owns and operates The Anchor invited them to come in and finish their party in the store. Girl Scouts Dorothy Coleman, Vicki and Janay Morrison, Roberta and Belva Jones, Linda McRae, Jane and Margie Earles, Joyce and Rita Margaret and Paulette Fischer, Carolyn Livengood, Mary Evelyn Pustejovsky Wanda Medford and Willie Petrich. Boy Scouts were Mike Shaw, Jackie Daniels, Martindale Cole-man, William Haynes, Danny Simpson, Jerry Huges, Jeff Smith. Scoutmaster, Richard Sel-Girl Scout Counselor, Mrs. mon, Girl Scout Counselor, Mrs. Sonny Coleman, and parents, Mr.

Mr. and Mrs. E. G. Graham of Marion Josselet, Haskell; Donald Haskell had as their Easter guests Ray Moore, Seymour; H. R. Lieb. Abilene; E. S. Blair, Haskeil; Mrs. J. A. Mayfield, Weinert; Shirley Blair, Haskell; Mrs. Lennie Teague, Haskell; Mrs. Sterling Edwards, Haskell; Mrs. R. Brinlee, Haskell; Mrs. Samuel Paint Creek Group

### Cub Scouts of Pack 36 Win Top Place On Exhibit at District Exposition

36 for winning 45 points (10 points more than any other Pack), and blue ribbon on their exhibit "Exploring Alaska" in the Northern District Scout Exposition held in the National Guard Armory in Stamford last Saturady.

Cub Master Harold Hodge said he wanted to congratulate and thank each Den Mother and Cub Scout for the fine exhibit. He complimented the Cubs for selling \$51 worth of tickets. This entitled the majority of the Cubs an Indian neckerchief slide for selling at least five tickets each. The Alaskan scene which won

first place is on display this week in the window at the office of Jason Smith, abstractor, on the north side of the square. It is Mrs. M. L. Medford recently typical of life in Alaska. Even had her daughter, Mrs. Walter though the summer is very short, Nelson, Mr. Nelson and their five the Cubs learned that a few flowter, Mrs. Lloyd Daughtery and thaw, and the people move into tents of seal skins. This is the time of year when they can use their kayaks for hunting seals and walrus. The uniak is the boat the women use, carrying several persons. In winter the dogs and sleds are used to carry the people of their things. The airplane used for bringing supplies to

the trading post. Each Den took an hour's turn in working in the booth during the exhibit, and giving the things they were making to the visitors or viewers. Den 2 gave replicas of the Aaskan flag. Den 5 miniature canoes, Den 1, flowers, Den 4, snow glasses, and Den 3, mini-

ature penguins.

If you have a minute take time

it took time to make the trading post of pretzels and cake icing. the igloos made of corn starch into the right shape, the people made of pipe cleaners, some animals carved of soap, sleds of popsickle sticks and cardboard, kayaks of wax paper and toothpicks. Mrs. Albert Barnett painted the scenes of summer and winter in the background.

Cub Scouts and Den Mothers responsible for the exhibit are: Den 2, Mrs. Howard Perry Jr. Den Mother; David Follstaedt, Michael Felker, Steven Harper Gene Hester, Harold Hodge, Billy

Mother and Mrs. Bob Williams, assistant; Danny Atkinson, David Hairston, Thurman Howeth, Gary Lytle, Jack Muegge, Glenn Smart, Mike Williams.

Den 1, Mrs. W. P. Ratliff, Den Mother: Craig Correll, Cadenhead, Riley Couch, Walter Viars Felker, Marvin Gregory Ray Herren, Bill Ratliff, Steven Smith, James Wall.

Branch, Joe Cothron, Steve Cothron, Sammy Gardner, David Jacobs, Alan Rasco. Den 3, Mrs. Roy Wiseman, Den Mother, Mrs. A. E. Ivey, assist-

ant; Jimmy Atkinson, Phil Hen-shaw, Paul Hiebert, Harold Ivey, Johnny Love, Larry Sears, Randy Wiseman.

Monday night, April 28 at 7:30 in the Elementary auditorium will be the next Pack meeting. Den 4 has the opening, Den 3 will have

### Escapes Injury in 2-Car Mishap

A traffic mishap near Anson Thursday slightly injured one member of a church group from Paint Creek returning from Abi-lene, while others in the party were unhurt.

In the group were Mrs. M. M. Haynes, Mrs. Glen Walton and Terry, Mrs. M. L. Middlebrook, Mrs. Louie Kuenstler, Mrs. Dale Middlebrook, Mr. and Mrs. Bill Griffith and Mrs. Vernay Howard. They had attended the District Day program at the First Baptist

Church in Abilene. "Everyone was thinking what a good time they'd had and all the things they had learned that might help to carry on our work for the Lord," Mrs. Howard said.

Then, as the Howard car and occupants neared the outskirts of Anson a car came from a side street and struck the Howard's car on the left rear bumper and fender, throwing Mrs. Dale Mid-dlebrook's head and shoulder shoulder against the farme of the window, causing a big bump on her left temple. Others in the car were unhurt except for jangled nerves and some bruises. No one was hurt in the second car. "It's amazing what the Devil will do to try to discourage Baptists," Mrs. Howard commented.

What You Can Do for "Clean-Up Week"

### CITY-WIDE CAMPAIGN

- 1. Clean out basements, attics, garages, etc., of things that might be a fire hazard.
- Clear your yards or lots of all rubbish.
- 3. Trim shrubbery, hedges, etc. Repair and paint fences.
- 4. Clear off any vacant lots or space you are going to use for gardens. Plant a border of flowers next to the street.
- In business section, keep windows and sidewalks clean, rear entrances free from unsightly rubbish.

6. Don't throw garbage or refuse of any kind in back

yards, or vacant lots. Keep all garbage in closed metal containers.

### PLEASE HELP CLEAN UP YOUR CITY!

## Read this - please!

The most precious gift you can give a son

From that first wonderful day when he drops your guiding hand to walk alone-unsteady, unsure, but on his ownhis goal is independence.

And this is yours to give-even as he falters and clings, then manfully struggles on. You want so much to help him. And your heart nearly bursts with pride one day when you know he's now "his own man." How fervently you pray that no one-ever-will take away this hard-won freedom

There's one way you may not have thought of to help him continue to enjoy the independence he's achieved.

Be on the watch for ideas that could deprive him of itthe idea, for example, that "government should run such and such-a business, a service, an institution." You have only to remember the people in socialist nations to know that when government controls more and more things, there is less and less freedom and independence for the individual!

You can use your woman-power to discourage this idea that "the government should run it." When you hear people talk that way, point out that the loss of anybody's independence is a threat to everybody's freedom.

Very much aware of this danger are the independent electric light and power companies, because government already runs part of the electric business, and powerful people are pressing it to take over more.

### Four from Haskell Attend TCTA Meet In San Antonio

Four Haskell teachers attended he 30th annual convention of the Texas Classroom Teachers Association, held April 11 and 12 in San Antonio. Sessions were held

at the Hilton Hotel. Attending from this city were Mrs. K. H. Thornton, president of the local C.T.A., Mrs. F. W. Martin, local secretary, Mrs. Scott W. Greene and Miss Madalin

The convention opened at 4 p April 11 with registration in the hotel lobby. Then from 8:30 to 10:30 a reception was held on the roof garden of the Hilton.

First general meeting began at 8:45 Saturday morning. April 12 The outstanding feature of the morning session was the Progress Report on the work of the Hale-Aikin Committee given by Senator A. M. Aikin, NEA Salary Consultant Eric Rhodes discussed the all-important topic, Salaries and

Salary Scheduling.

The afternoon session at 2 p m, took care of business and re ports of officers, Election of new officers concluded this meeting. Mrs. Onita King of Lockhart was elected president for 1958-59. Durwood Grubb of Abilene elected first vice president. The area in which Haskell is located feel most fortunate to be so wel represented by Mr. Grubb.

The night meeting April 12 was the traditional banuet at 6:30 p m. in the ballroom of the Hills Hotel. This meeting was truly th 'dessert" of the entire convention. Guest speaker was Mrs Mildred B. Flagg, author and lec-

turer from Newton, Mass.

Her subject title was intriguing.

"The Place Where You Stand,"
and as she began to talk and illustrate her points she completely captivated her audience. a widely traveled person and having so many unusual personal experiences aided in making her talk interesting and inspiring. It has been her privilege to interview many of the world's outstanding people, such as Madame Chiang Kai-Shek, Dr. Albert Schweitzer, Sir Winston Churchill, the Queen of Greece, Grandma Moses, to mention a few. In a charming and convincing manner she made each person feel that he truly was important in the place where he

### News from the Congress

When directors of the Civic Music As-sociation, board member of the Industrial and Development Foun-organization of the military. At dation, vice president of United first we had only a War Depart-Fund and member of the Rotary ment and then shortly thereafter a Department of the Navy. The He was a member of the official Navy conducted war at sea, and This simple arrangement worked fine for 150 years until the Gleeson's family includes his advent of the airplane which class at Dartmouth College; Rainleen, 16, a high school sophomore;
and David, 14, now in his first
year in high school.

Charles Prothro, president of
Perkins-Timberlake, said in announcing Gleeson's arrival, "We
nouncing Gleeson's arrival, "We
Torre should be placed on equal footing with the Army and Navy, and World War II taught us that no longer are wars fought by a single branch of the service but no only be effectively carried on Bill can only be effectively carried on through close coordination of the forces on sea, land, and air. The necessary integration or coordination of the armed services was recognized in 1947 when the Department of Defense was given the task of bringing all the ser-vice forces together and unifying them. Again in 1949 and 1953 Con-gress made efforts to bring about greater unification. The lack of proper coordination was highlighted immediately following the launching of the first Russian sputnik last Fall, and there has been wide discussion of the substantial sums of money that could be saved if certain phases of our procurement were handled on a consolidated or unified basis.

> sent his plan of further reorganization of the Defense Department to the Congress. There are many good features about it, and its main purpose would be to increase the authority of the Secretary of Defense and the Joint Chiefs of Staff by clothing them with the power to bring real unification of our Armed Services. Of course, the plan is too involved to discuss in detail here. One phase of it that is ant to draw considerable opposition is that under the Presithat were appropriated to the military, which is roughly about twothirds of what our National Government spends each year, would be appropriated to the Secretary of Defense. This would give the Secretary unprecedented power over our economy, and many feel that this is entirely too much authority to be vested in one man. This week we were very pleased to have a group of high school seniors, parents and sponsors from Lewisville visit us in the

We want to thank all of our riends for their many kind deeds while I was in the hospital and since I've been home. Your kind-Elsie and Alvy Mitchell.

### Motorcycle Races Slated April 20

Motorcycle races will be held in Wichita Falls Sunday, April 20, on the new race track operated by he Time Motorcycle Club Wichita Falls. The track is cated at 4301 Iowa Park Highway, about four miles west of

Wichita Falls. The races to be held are of the 'scrambles" types. Riders do not race for money, but only for the sport, with the winners receiving rophies.

Starting time for the races is 2 p. m., with practice runs starting at 1 p. m.

#### Texas Tech-U of T Plans Geology Study In Davis Mountains

LUBBOCK Texas Tech and University of Texas geologists have joined forces to study 1000 square miles of strategic interest

to the petroleum industry. The area, cailed "Kent's Quadrangle of Trans-Pecos Texas," is located north of the Davis Mountains in West Texas.

A casual look at the rocky, broken terrain might cause a layman to wonder why the UT Bureau of Economic Geology is sponsoring

Obviously it isn't prolific oilproducing country.

"But it's a place where many of the geologic strata that are in oil-producing country crop out on the earth's surface," Tech geologist John Brand explained Studying these outcroppings allows us to identify details of strata

that extend into oil and gas producing areas," he added Purpose of the current project is to study details of the Cretaceous, a geologic period estmated to be thousand 70 to 90 million years old.

Terminology decided upon

used in the future by oilmen in communicating about the geologic

Dr. Brand is working with Prof. Ronald K. DeFord of the University of Texas on the study. Other staff members and graduate stu-dents of both institutions are helping on the project.

thrown out of the ground by the explosion. Someone then tests the rock, sand, and soil to see if oil

can be found." "The drillers move in," writes Patricia Medford, "a derrick is set up and drilling begins. When oil is found, pipes are put down in the hole and pumps take the oil out of the well to storage tanks. From these tanks the oil goes to the refinery by pipe lines and

From her "Story of Oil" Linda McRae says, "The refinery is the most important part of the story: First the crude oil is sent to the cracking towers where it is heated and broken into several different parts. The light is on top, which is mostly gas and the parts used in making gasoline for cars. The bottom is the thick lubricating oils and the fuel oil for heavy things such as ships-also there is asphalt."

Vicki Morrison relates, "Petroleum refining has two major branches-separation and conversion. The first step in refining is to separate the fractions from which commercially useful products can be made. This separation by distillation is called fraction separation by distillation is called fractionating. Separation is possible because the hydrocarbons that make up petroleumboil or vaporize at different temperatur-

Some of the petroleum products Vicki lists are: kerosene, diesel fuel, natural gas for heating purposes, wax paraffin, coke for grinding wheels and electrodes, asphalt, synthetic rubber, lubri-cating oil, fuel oil, and aviation in the United States. There gasoline and lubricants for cars and trucks are sold.'

### Cattle Prices Off 50c to \$1.00 at Combelt Points

BY TED COUEDY

Fort Worth-Increased offerings of livestock were reported around the major market circle Monday. despite sharply curtailed offer-ings at Fort Worth due to the rain ver the weekend.

Fed cattle prices dropped sharply at Cornbelt points as most points reported steers and heifers Shackelford County; T. L. Baker. 50c to \$1 lower, and Chicago re-ports indicated spots on steers \$2 Kent County; and Cecil Estep. points reported steers and heifers off, However, at Fort Worth prices on most cattle and calves were fully steady. Fed steers were scarce, and weak to 50c lower. Some strength on canners and cutters, as well as slaughter and stocker calves was noted here Joe O. Murff, Hamlin, compared with late last week.

Good and choice steers and yearlings drew \$26 to \$28.50, and medium and lower grades sold from \$17 to \$25. Fat cows bulked at \$17 to \$19, with canners and cutters at \$11 to \$17. Bulls were reported from \$16 to \$20.50, odd head higher. Good and choice fat calves drew \$25 to \$28, and good stocker caives sold at \$28 to \$30, with good grade yearlings \$28.50

PARENTS OF DAUGHTER

Mr. and Mrs. Henry Melton Wood of Farmington, N. M., formerly of Haskell, are announcing the arrival of a daughter, Rita Diane, weight five pounds, 15 ounces. She was born April 1 in San Juan Hospital, Farmington. Grand-

Among great nations of ancient imes the Romans were the last to learn the art of cookery, having neither cooks nor bakers as late as 174 B. C.

Stamford PCA A large gathering of more than 1200 persons, including 513 stockholders, was in attendance at the 24th annual Stockholder's Meeting of the Stamford PCA which was held in Stamford April 10.

C. G. Burson, Sr., Is

Re-Elected Head

C. G. Burson Sr., of Haskell and Mack T. Claburn of Anson were re-elected as directors for terms of three years. Other candidates were John P. Jones of Munday and Jack Morrow of Hawley.

Guest speaker was W. H. Calk-ins of Houston. Mr. Calkins is reasurer of the Federal Intermediate Credit Bank of Houston. He explained briefly how the Houston Bank is related to the Production Credit System and how funds are obtained for use in financing agriculture.

J. F. McCulloch of Stamford and a member of the Board of Directors, gave a report on the activities of the Board and the Asso-

ciation during the past year.

J. L. Hill Jr., secretary-treasurer, discussed the financial position of the Association and pointed out that the PCA system always has credit available for farmers and ranchers who operate on a

Entertainment was furnished by the "Joy Notes," a girls singing group from Rule high school. This group is composed of Audrey Smith, Jackic Estes, Fern Ross and Jan Ousley and was accompanied by Mr. and Mrs. Novis

The meeting was concluded with the election of a nominating com-mittee for 1959 composed of Jack Morrow, Jones County; Eddie Sanders, Haskell County; Leland Floyd, Knox County; King, King County; Alton Burton, Dickens County.

Attendance prizes were awarded the following: John B. Nanny Sr.. Haskell; J. M. Ashcroft, Stamford; Mrs. Delbert LeFevre, Sagerton W. C. Taylor, Truscott, and Mrs

At the organizational Board Meeting following the stockhold-ers meeting, C. G. Burson was named President; J. F. McCulloch, vice president; J. L. Hill Jr., secretary-treasurer and R. C. Cobb and J. R. Cleaton assistant secretary-treasurers,

### **Exams Slated for** Jobs with State **Highway Patrol**

thur Mason and Tommy Wood of Haskell announced today that ex-aminations will be given next month for positions with the Tex-as Department of Public Safety.

Young Texans interested in a career in law enforcement may compete in State-wide examinations for the positions of Highway Patrolman, Driver License Patrolman, License and Weight Patrolman and Motor Vehicle Inspection Patrolman. May 10th is the deadline for submitting applications to the Department Headquarters

'Job security, paid vacation, sick leave and retirement are only a few of the benefits you will enjoy as a State Law Enforcement Officer. Any young man between 21 and 35, a high school graduate and in good physical condition can contact us at the Highway Patrol Office in Haskell for an application." the Patrolmen said.

Marine Pfc. Jacklyn H. Lucas, at 17 was the youngest man ever to receive the Medal of Honor. At Iwo Jima he fell on two grenades to save his comrades and sur-

### FOR DISTRICT JUDGE, S9th JU. ASC Committee Cautions Farmers On Neglecting Acreage Reserve Provisions

The Haskell Agriculture Stabilization and Conservation Committee April 2 urged local farmers requirements on land placed in be careful about their responsibilities under the Acreage Re-serve of the Soil Bank during the coming crop season if they want to get the full benefit of that

In a planting season reminder to farmers, the committee pointed out that the signer of the Acreage Reserve agreement has undertaken a binding commitment to hold his reserve tract out of production during the 1958 growing Opens Doors Again

"It will be too bad," the com-mittee said, "if a farmer goes into the Acreage Reserve conscientimeans to comply, but fails to keep informed about requirements and deadlines and loses his payment through careless-

With regard to the Acreage Reserve tract (land on the farm diverted from allotment crops to the Reserve), the committee cited three main requirements as fol-

1. Planting. No crop may be planted on the Acreage Reserve before January 1, 1959, except with the approval of the State Committee certain crops may be planted in the fall of 1958 for harvest in 1959 or later, where that is the normal practice.

 Grazing. The Acreage Reserve may not be grazed before January 1, 1959, except under certain conditions and with a reduction of the farmer5s payment. Leasing of the land to others for grazing purposes is prohibited;

3. Harvesting. No crop may be harvested from the Acreage Reserve during he calendar year of

the Acreage Reserve, the committee said, the farmer must comply with any other acreage al-lotment on his farm and must keep within the farm's total perraitted acreage in the Soil Bank base—two-year average of grain and row crops—less land placed in the Soil Bank.

n her home at 706 N. 9th St. and Ave. H. The grand opening is slated for 8:30 a. m. Friday, April 18. The Fabric Shop is offering merchandise at reduced prices for the opening sale which is advertised in this issue of The Free Press.

### Winners in Dallas Ceramic Show Mrs. Thelma Adams, Mrs. Neil Royall and Curtis Pogue brought

Haskell Exhibitors

with their entries in the annual Southwest Ceramic and Hobby Show, held April 11, 12 and 13. There were over 250 entries in the show divided into three classes: Hobbyists, teachers or professionals, and children under 14 years old. Several entries were from out-of-state exhibitors.

Mrs. Adams entered four ceond place on a yellow-haired china doll, and a third place on a larger black-headed doll. These dolls were beautifuly dressed by Mrs. Hayden McDonald of Has-

Curtis Pogue entered a set of mugs with an original design, cookie jar to match done in matt glaze, and a covered dish done in colored glaze with a hand molded design. He won a blue ribbon (first place) on the mugs and cookie jar, and a second place on the hand molding.

Both Mrs. Adams and Mr. Po rue entered as hobbyists.

Mrs. Royall entered two china painted pieces and three pieces done in various underglazes and glazes. She won a Tri-Color Award and a blue ribbon on an original designed china painted bone dish. These are the highest awards given to entries in the show. She also won a second place on a china painted platter, a second place on a set consisting of sandwich tray and salad bowl, and a third place on a larger vase with original design. Mrs. Royall entered as a professional.

Mrs. Curtis Pogue also entered white and gold bon-bon dish which was beautiful but did not place. Mrs. Pogue also entered a hobbyist. The best-of-show award

given on a china painted portrait of an elderly woman done on a large china plate in brown tones. This was entered by Mrs. Clarice Johnson of Dallas.

#### Central Baptist Has Successful Revival

A successful revival was closed Sunday night at the Central Bap-tist Church, reports Rev. Sam

Montgomery, pastor.

The revival, with Rev. M. L.
Walker Jr., of Wynnewood, Okla.,
as evangelist, resulted in 10 adrecognition to the artistic talents as evangelist, resulted in 10 ad-of Haskell last weekend at Dallas ditions to the church, eight by baptism and two by letter, Rev.
Montgomery reported. Also, at a
special service at 2:30 p. m. Sunday, Hubert C. Johnson of Haskell was ordained as a deacon.
"As a result of the Spring re-

vival, our church has been greatly strengthened, both in member-ship and influence," Rev. Mont-Mrs. Adams entered four ce-ramic items. She received a sec-the interest and encouragement

#### Rule Senior Winner In FFA Tractor Operators Contest

Jack Holcomb, senior in Rule High School, was named county winner in the 1958 Texas FFA Tractor Operators Contest held here April 12 by Woodard Farm Sales. H. V. Woodard, manager of the

local concern, presented Holcomb with a tractor drivers trophy for his winning performance. Five Future Farmers from this area participated in the contest. Contest judges were Wm. E. Lawson, R. W. Herren, Hallie

Chapman. As county winner, Holcomb will compete in one of 11 district conests to be held this month. District winners will compete n a state contest to be held at

San Antonio by the Stewart Co., Texas distributor for Ford tract-ors and implements. That con-test will be held July 15, the day prior to the opening of the State FFA Convention in San Antonio. A new Ford row crop tractor will be awarded the state winner.
