> **Funeral Rites for** Mrs. Williams, 68, Held Wednesday

Mrs. Pauline Williams, 68, resident of Haskell County since 1902, died at 6:30 a. m. Tuesday in the Haskell Hospital. Mrs. Williams entered the hospital Monday, Dec. 9, for treatment for a heart condition.

Funeral service for Mrs. Williams was held at 3:00 p. m. Wednesday in the First Baptist Church, with the Rev. M. D. Rexrode, pastor, officiating.

Burial was in Willow Cemetery
under direction of Holden Funeral

Mrs. Williams was the daughter of the late Mr. and Mrs. J. D. Stodghill. She was born Nov. 14, 1889, in Alabama. She came with her parents to Haskell County in 1902 from McLennan County. ty: Her first marriage was to Bob Males on Dec. 26, 1903. Her sec-one marriage was to the late C. A. Williams, Haskell barber, on July 14, 1945. He preceded her in

death several years ago. Mrs. Williams was a member of the First Baptist Church and hans scored a of the Rebekah Lodge of Has-r Kaox City here kell.

She is survived by two children, a daughter, Mrs. Agatha Mitchell of Galena Park, Texas, and a son, Robert E. Malone of Los Angeles, Calif.; three grandchildren; two brothers, E. L. Stodghill of Rising Star, Texas, and W. M. Stodghill of Los Angeles, Calif., and a sister, Mrs. Carrie Brown of De

Pallbearers were Buster Shelton, Clifford Thomas, Virgil Brewn, Harold Spain, Bill Pogue and Howard Montgomery.

# nal Prizes Announced tmas Lighting Contest

and Yard light-cial entry blank is printed on less indicated by another page in this issue and homeowners are urged to clip and fill in the blank today, mailing it to Mrs. Ramia Lee Frazier or leaving it at Frazier's Radio & Record Shop. There is no fee for entering, and homeowners may enter as many divisions of the contest as they desire.

First, second, and third prizes will be awarded in four divisions: Best Lighted Willow, Best Lighted Doorway, Best Lighted Outdoor Tree, and Best Decorated Yard.
All entrants will be required to keep their Christmas lights on from 6 to 9 p. m. each evening beginning Dec. 16 and continuing through Dec. 25. Judging will take place during that period.

Prizes in the contest are being furnished by West Texas Utilities Company, Conner Nursery & Flo-ral Co., and the B&PW Club. Entries

Among the first entries listed in the contest are the following: Mrs. Troy Ash, doorway and

Mrs. Dray Lowe, doorway. Mrs. Stanley Furth, doorway. Mrs. Woodley Davis, outside Mrs. Monte Frierson, doorway. Mrs. Myron Biard, doorway. Mrs. Wilda Medford, doorway.

The first general meeting of the Haskell County Committee on Edwards of Rochester.

Weinert Community Center, and this year's event is being sponday night, Dale Graham, editor of the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Rochester Reporter, was elected by the Weinert Lions of the Rochester Reporter, was elected by the Rochester Reporter, with the state of Rochester Reporter High School on the Rochester Reporter Reporter High School on the Rochester Reporter Repor club room of the Texas Cafe. lace Cox, Jr., was in charge of the program and introduced Wilson, who is assigned to general

offices of WTU in Abilene. Accidents are America's greatest killer, Wilson pointed out. During the life span between two and 44 years of age, the average person is more likely to lose his life through accident than from any natural cause, the speaker de-

Wilson said highway accidents cause by far the largest number of fatalities, while the next largest number of deaths result from falls. Since 1935, educational cam-paigns stressing safety have re-sulted in a decrease in deaths from accidents, the speaker said. Carelessness is a heavy con-

tributor to accidents, Wilson stated, pointing out that more accidents occur off the job than when the victims are working.

In citing the tremendous financial loss resulting from accidents, Wilson explained the five divisions as cost to the employer, cost to the working crew, cost to friends, cost to the community. and cost to the family of the ac-cident victim. The latter cost, he declared, outweighed all other

In conclusion, the speaker emphasized the importance of observing safety practices in all of Education, which would have phases of daily life as a means of brought about some very radical serving safety practices in all reducing the accident toll.

11 at Lackland AFB and will receive 11 weeks instruction in this branch of Air Force service. Visiting the young Haskell airman last weekend were his aunts, Mrs. Ray Merchant of Haskell, Mrs. Joe Kloiber and Mrs. J. C.

Dean and Tragene of Littlefield, For the information of friends who might want to write him, Jerry's address is: A/B Jerry W. Zahn, AFI8533507, Class 11127, Box 1541, Lackland AFB, Texas.

# Rochester Editor

A guest at the meeting was Robert R. King, Haskell superin-Trav.s Horton of Stamford. Wal- tendent, vice chairman. Secretary is Miss Jessie Vick, county superintendent.

Sub-committees were to have been appointed to make studies in the areas of school finance, teacher supply, school construction, and the school program. But it was decided by those present that each superintendent should desigate the committee members from his district for membership n the various sub-committees, thereby insuring county-wide nembership in each sub-committee. This will be done, and in the next general meeting of the commitee each group forming a subcommittee will elect its own

A study-guide will be provided each group, and it is expected to be available by late January. Pending the receipt of this study material, a tentative date for the next general meeting of the committee was set for the evening of Feb. 17—the third Monday evening—at 7 o'clock in the Visual Aid room of Haskell High School.

The organization and work of the county committee is being done in compliance with a resolution passed in the last regular session of the state legislature. At this time the legislature took no action on certain recommendations made by the State Board changes in the state system of education. Unwilling to go so far, they did consider, however, that it would be well for the people Miss Wynelle Hellums of Dallas spent the weekend in the home of her mother, Mrs. W. D. Hellums with the purpose of discovering and bringing before the public whatever weaknesses the present system has, and of proposing methods of improvement where needed.

## HHS Juniors Dismiss Superstitious Ideas, To Present Class Play Friday the 13th

to present the annual class play.

All other dates on the calendar were passed up in order to schethe class selection, "Susan Steps Out" on one of the year's

most superstitious days. Joining with the Juniors in defying the traditional unlucky date the play's directors, R. C. Couch Jr., and Richard Gaines, assistant football coach. Final rehearsals were held this week, and all preparations have been made for presenting the three-act comedy starting prompt-

The weak-hearted may tremble at the thought, but Friday the 13th means nothing to the spian-minded members of the HHS Junior Class—except an ideal date Junior Class—except an ideal date Samuel Place Parker, John Sammy Rike; Miss Hardy, Judy Ivy: Jerry Conrad, Jerry Collins; Helen Tremont, Robbie Mullins Agnes, Janet Pennington; Orlando, Sam Pace.

The class members in charge of preparations for the play and their assignments: Costumes, Janice Thompson; stage properties, Tommy Cathey, John Gannaway, Joe Bruce; make-up, Beulah Wallace, Shelly Pennington; tickets, Kay Strickland, Judy Atkeison, Sylvia Overcash, Betty Mansker; Mr. and Mrs. Tom Bevil and son. Josi, spent several days last between 75 and H. Bevil.

and other buildings.

tamage from the fires.

Constant Alert

in approved expenditures for the calendar year 1958 was approved Monday by the Commissioners

Court in regular meeting. Hearing on the budget had been scheduled at 10 a. m. Monday. and discussion and study of the budget comprised the major por-

tion of the Court session.

Commissioners also approved for payment bills against the county for the month of November, and set time for the next meeting this month as Dec. 23 instead of the usual fourth Tuesday, which comes on Christmas Eve.

Permission was granted the Permission was granted the Haskell Branch of A. A. U. W. to have signs painted on benches on the court house lawn, advertising the County Library which is maintained in the courthouse.

Valuations Up

The budget lists total asses ed valuations in the county for the current year of \$19,723,740.00, an increase of \$460,890.00 over the previous year. Most of this increase resulted from oil development in the O'Brien-Rochester

County taxes levied total \$238,— 229.40, of which amount it is es-timated that \$190,583.52 will be collected.

The budget lists the total net outstanding bond and time warrant indebtedness at the beginning of 1957 as \$836,000, on which \$63,000 principal and \$27,180 interest will be paid during the current year.

The county's total outstanding debt at the beginning of 1968 in estimated in the budget at \$773,000. Total estimated revenue for the county, from all sources, for the year covered by the budget is listed at \$461,635.68, of which \$190,683.52 will come from county taxes. The remainder will come from automobile registration fees, fines, surplus gasoline tax re-fred, fees, interest, and State bond assumption payments.

Budgeted expenses for 1958 are hated for the various funds as follows: Jury fund, \$6,637.05; Road and Bridge fund, \$201,473.11; General fund, \$72,058.54; Court House and Jail fund, \$750.00; Officers Salary fund, \$67,459.00; Interest and Sinking fund, \$90,191.00. Anticipated balance in all funds at the end of 1957 is figured in the budget at \$162,690.80, and at

the end of 1958 it is estimated that

total balance will be \$125,757.75.

## when the burrs accumulate faster than they can be hauled away. Send Donation for Christmas Seals Todav Is Plea

Monday evening, about 6:45, firemen and a truck answered a call to Co-Op Gin No. 2 to extinguish a small blaze starting in Response to the Christmas Seal letters is about 15 per cent behand the replies last year at this time, reports Miss Nettie McCol-Fire which broke out in a large lum, secretary of the Haskell County TB Association, which Gin resulted in firemen being sponsors the annual sale.

"But," she declared, heartening to see the people return the stamps or at least try to purchase a few. Their honesty and sincere desire to help the tuberculosis society program is evident in the letters we have received since the drive started." Many people who received the Christmas Seals have possibly laid them aside, intending to send in their check later. For that reason, local workers are anxious to remind everyone to answer their letters immediately, in order that the campaign may be completed before Christmas.

Proceeds from the Christmas Seals will support free chest Xrays, health education, rehabili-tation, and medical research, Miss McCollum explained. If you've lost the envelope sent

with your Christmas Seals, address any envelope to Haskell County Tuberculosis Association, Haskell, Texas, and enclose your donation, large or small, along with your name and address. But do it today, please . . and insure yourself the kind of protection Christmas Seals provide safety from TB, still the nation's number one health problem.

## Courthouse Offices Will Close 3 Days For Christmas

County officials and employees in courthouse offices will have a three-day holiday for Christ-mas as a result of action taken by the Commissioners Court Mon-

All offices, with the exception of the sheriff's department and High-way Patrol, will be closed Tues-day, Wednesday and Thursday, Dec. 24, 25 and 26, it was an-nounced.

For years, it has been custom-ary for offices in the courthouse to observe a holiday on Christ-mas Eve. The additional two days, Dec. 25 and 26, will be observed as holidays by all Haskell busi-

W. O. Holden New President Haskell Lions Club

## Rush of Christmas Buying Likely

A slight, but noticeable pickup in retail business is reported by local merchants, with holiday buying mounting steadily during the past week. However, with Christmas less than two weeks away, the spurt in buying is long overdue and the likely result is a heavy rush of buying which will hit its peak during the coming week.

One fortunate circumstance late shoppers can appreciate is the fact that Haskell stores are adequately prepared to meet every demand of holiday buyers. In every phase of retail merchandising, Haskell merchants stocked their stores heavily in anticipation of the first normal fall and winter business seasons in several years. As a result, the offerings in local stores are on a par with those of the large city stores, and at prices that are competitive in every instance. lower in many cases than the big city stores.

So, if you are among the many of us who have yet to complete your Christmas buying, we suggest a tour of Haskell stores before you plan a trip to Abilene or Wichita Falls, or some other larger city. You 12 days. A light rain halted gathwill be agreeably surprised with the variety and wide range of selections in quality merchandise available in Haskell stores.

## A Major Goal for 1958

The completion of a hard-surfaced or all-weather road to Scott Memorial Park and the Paint Creek power plant of West Texas Utilities Company should be one of our major civic improvement goals for the coming year.

Scott Memorial Park, an outright gift to the people of Haskell County, is recognized as one of the foremost recreation spots in this area and regularly attracts people from as far away as New Mexico. The park and its facilities is a drawing card which brings a steady flow of visitors during the spring and summer months who spend thousands of dollars in Haskell weekly during the vacation and fishing

WTU's power plant, whih has added millions to county tax rolls and has provided one of the county's largest payrolls, might also be termed an outright gift to the county, since no local effort or investment was involved in its location. Plant employees, numbering between twenty-five and thirty, represent that many Haskell families who in turn contribute their share in civic activities, as taxpayers and

Building a hard-surfaced road to the plant and park, it seems to us, is just a matter of good business, an investment that will pay for itself in the long run. Maintenance of the present makeshift road is a continued drain on the county-the equivalent of pouring water

The few miles of hard-surfaced road needed would require a sizeable outlay, but its financing should be no obsticle at all. The savings in maintenance alone would pay for the road over a period of

To advance the argument that the county is not able to build the road doesn't make sense to us, especially when it is considered that the two principal beneficiaries, the Park and the WTU plant, bring thousands of dollars into Haskell each week.

Also. Haskell County has invested upward of \$30,000 in Park facilities. What would be wrong with an additional investment to make the Park and its facilities more accessible?

## Christmas Sorrow

Each year highway accidents and deaths reach their peak at Christmas time

Ice, sleet and snow, early darkness, drinking, the holiday rush and festivity, and carelessness combine to make December the bugaboo month for traffic. In thousands of homes last Christmas, joy was shattered by the tragedy of a traffic accident.

But the National Safety Council, with the cooperation of 160 other national organizations, again is seeking to prevent such tragedies. And the Council reports that the outlook is bright for a safer, happier Christmas this year.

The traffic trend is encouraging. During the first nine months of the year, the death toll dropped 3 per cent from the same period for the previous year a saving of 800 lives.

If this rate of improvement can be maintained the rest of the year, the Council said, more than 1,000 lives can be saved on the highway in 1957.

Instrumental in the improvement has been an intensive traffic safety campaign, "Back the Attack on Traffic Accidents," which was launched last December to encourage public officials to step up the attack on traffic accidents and to stimulate acceptance of personal responsibility for safety.

If citizens will continue to support the campaign during the coming weeks not with money or time, but with just more care in driving and walking-all of us may have a really merry Christmas in

# Haskell County History

An Army purchasing board will kell. be in Haskell Wednesday, Dec. 8 to buy remount horses for the United States Cavalry, announces Major Marion I. Vorhees, officer n charge.

A Negro man, employed on a farm west of Weinert, was shot and instantly killed Saturday night. Another Negro man, chargand is in jail here.

Three persons were killed in two separate automobile accidents on the Haskell-Stamford highway during an 18-hour period Monday night and Tuesday. In the first accident, C. S. Howell, Rule produce dealer, and G. W. Harper of Wichita Falls were victims in a two-car smashup. Tuesday, O. M. McClain, Haskell car salesman, was killed when his car went out of control and overturned.

The paving of the remaining 5.2 mile strip in the Hasken-Throckmorton highway will be completed within the next few days. Contractor Ted Smith said today. Cold weather has delayed the project, making it impossible to place the asphalt topping on the road, the contractor explain-

Drug Store sometime Monday town. night took a quantity of morphine tablets as their only loot. No money was taken from the store's the departments of the public cash registers, and nothing else was missing, investigating offi-

Freezing weather which has prevailed most of this week brought he winter's coldest temperature Wednesday night, when a low of 18 degrees was recorded here.

Cotton ginnings in Haskell totalled 11.493 bales Monday night, an increase locally of approximately 1,500 bales during the past ering and ginning of the crop.

Mrs. Hallie Chapman, a sur-gery patient in Wichita Falls Clinc. has recovered to the extent that she could be returned to her home here.

30 Years Ago-Dec. 15, 1927 Natural gas will be available in Haskell within six months, one of the engineers on the pipe line being built in this section from Chillicothe, reported. County Agent W. P. Trice is

being kept busy running lines and helping build terraces for Haskell County farmers. Last week he terraced the farm of H. J. Cloer in the Rose community, and for Henry Nauert near Sagerton. At a recent meeting of the Commissioners Court,, an order was approved setting up a bounty of 5c on jackrabbits killed in Haskell County. Rabbits have been causing heavy loss to farmers this year and it is hoped the bounty will help eradicate the pests.

W. P. Whitman of Abilene, for-

mer resident who still owns extensive property holdings here. spent several days here this week

The business section of Seymour suffered a destructive fire Wednesday night. Four business houses on the west side of the

Will Harrell of Foster was in own Friday on business. He says the farmers in his section have gathered most of their crops. Mr. and Mrs. Anderson Landess

of Howard were shooping in town Saturday. He says there is still some cotton to be gathered in his part of the county, and that the big majority of farmers have had a successful year.

Mr. and Mrs. C. D. Grissom had a reunion dinner in their home with all their children They were Mr. and Mrs. Grissom and daughters, Anita and Frances of Abilene: Mr. and Mrs. Earnest Grissom and children, Nancy Flo. Fav. and Jack Hardy, of Abilene; Mr. and Mrs. Clyde Grissom and Mr.

# **JOHN DEERE TOYS**

Tractors, combines, plows, wagens, balers-a complete line of toyland farm equipment—and what excitement they bring! John Deere toys are the favorites of all the kids. They are durable toys . . . toys that last a long time and bring joy each and every day. They are toys that look just like Daddy's real John Deere Equipment.

Yes, dreams do come true. Make sure your children's Christmas dreams come true give them John

> GILMORE IMPLEMENT COMPANY

50 Years Ago-Dec. 7, 1907

B. Pounds called in the other day and collected his premiums awarded at the recent Haskell Fair on his watermelons. He says he had been so busy harvesting his crops that he had not ed with the slaying, was taken in had time to come until now for custody by Sheriff Giles Kemp the premiums. Among the watermelons he displayed at the Fair was one weighing 72 pounds. He stated he had his cribs and barns well stocked with corn, maize and

J. Lovett of Carbon was a visitor in Haskell this week. He is thinking of locating somewhere in this section.

J. S. Menefee of the Rochester community was in town Monday. He says Rochester is building up fast and that the surrounding country is being rapidly settled. J. D. Curd of Dallas arrived in

understand there is a probability that he will locate here permanently. M. S. Baggett of Temple has moved his family to the farm he purchased last summer on Wild

Haskell a few days ago and we

Horse Prairie. J. J. Stein has purchased G. Burglars who broke into Reids B. Hooper's place southwest of

> A portion of the South Side school building is completed and school which have been conducted in the old courthouse will be moved to the new building Monday

Will Weaver, who bought 735 acres of good land near Weinert. has moved with his family to the place and will open up a firstclass farm.

J. M. Gaines of Texarkana, who was here several months ago prospecting, has returned to Haskell for good. He plans to open a mercantile business here.

Hugh Rogers was up from Fort his sister, Mrs. W. L. Whitman. Mr. and Mrs. Gus Grussendorf of the east side were trading in town Wednesday

T. C. Cahill of the Haskell Real Estate Company says the land or, with the bland statement that business is picking up again. He believes the panic has just about ran its course.

# PEOPLE, PLACES, AND THINGS

Hall meetings to discuss community projects and problems would be profitable to our town.

We'd like for some of our civic organizations to explore the idea as to its feasibility.

A list of topics to discuss would almost be andless and applied.

almost be endless and could include both current and long-range plans for community improvement and development. As a starter, the views of the

citizens of Haskell could be sought on the following subjects! Municipal Water Program, Park and Power Plant Highway, Retail Trade Extension, Pavement of Alleys, Negro School Building, City Traffic Court. These projects and many more could discussed to the benefit of the community;

When Uncle Sam slowed down on coining silver dollars a number of years ago, one reason given was that people disliked the inconvenience of handling the heavy coins.

Nowadays, a lot of people would enjoy that "inconvenience" judging from the large crowd present for the drawing Saturday on the courthouse lawn when names were drawn for four awards amounting to \$100 in silver dollars.

Three awards were claimed, while the jackpot award of \$50 goes over to this week, since the person whose name was called vas not present. If you think anyone objects to

carrying off \$100 in silver, be here Saturday. You'll see a lot of people (including us) eager, willing and anxious to claim any of the awards!

Almost everyone is familiar with the embarrassing and discomforting consequences involved in an encounter with one of those Worth this week visiting his black and white varmints better mother, Mrs. W. F. Rupe, and known as skunks, polecats, etc. Most people have an inherent dread of the little beasts and willingly give them a wide berth. comes James C. (Sonny) Reynolds, house moving contract-

"there's not a bit of danger in

being around one of them, if you know how to act." Yeah, claims

After the rush of the Christmas | he's had the stinkers brush against his leg coming out from under a house, without the varmints pulling the trigger. "Just keep still, don't excite 'em and they won't bother you." That's his formula.

Just recently, he claims, seven grown skunks came out from under a barn he was preparing to move. They were all around him for a minute or two, and nothing happened. Sonny says he'll let us know if his method ever fails to work. We have a feeling no explanation will be necessary. The

You can count on sharp-eyed Brooks Middleton never overlooking an opportunity to cause discomforture for someone, a stranger preferably. And if it's a profitable prank, so much the better.

news won't be classified.

Brooks and a group of other Haskell firemen were manning hose lines in the back of a burning building in Throckmorton last week. A lanky onlooker, intently watching the firemen, edged up close enough for Brooks to see a bottle in the man's belt, partially covered by a jacket, "Here, feller, gimme a taste of that," Brooks said as he quickly snitched the bottle. The stranger, dumbfounded, remonstrated "Say, now Brooks shut him off with

"Pretty fair stuff, let's give these other boys a snort," and he passed the bottle on to another eager smokeeater. Six firemen later Brooks handed the near emptybottle to the still-speechless stranger, saying "Thanks, mister, you're shore generous." Tucking the bottle quickly into his bedt, the unfortunate fellow left the scene hurriedly with an occasion-

al glace over his shoulder to make sure Brooks wasn't following to finish off the fluid.

Bernard Buie, personable Stamford business man whose hobby is to preserve a portion of the of the Old West, particularly in this section, is to be commended for a project he has in-augurated to mark the route of the Old McKenzie Trail through

The McKenzie Trail crossed the south part of Haskell County, and the first marker is to be installed near the "Y" north of Stamford where two highways intersect.

Another historic pioneer travel route, the Marcy Trail, also traversed Haskell County. In 1936, the State Centennial Commission erected a marker about midway between Haskell and Stamford, at the point where the route of he Marcy Trail crossed what is now Highway 277.

# It begins with a greater use of aluminum -and takes off from there

ONE IDEA sparked the creation of this B-58 Buick —and that was to build it with more aviation principles than ever before.

So this one starts with a greater use of airweight aluminum - inside where its special cooling properties can be used - outside where its beauty and protection are needed.

But wait till you see what else is here to make land travel as modern as air travel.

The first automatic transmission to use the infinitely variable pitch stator principle of today's stratocruisers.

The most modern engine it is possible to build for today's fuels.

A Buick-engineered air-suspension ride that literally floats you on four columns of air. Want to know more? See more? Do more? Drop in

Elementary P-TA Program Dedicated To Scouting

人名英西 雅州等

The Elementary Parent-Teacher Association met Wednesday. Nov. 4, with Harold Spain directing the program, "Youth Tells Its

Mrs. Ira Hester, president, gave a report on her trip to the State ast month.

Guests at the meeting were 30 Haskell Cub Scouts, who sang for the group, and Mrs. Gene Overton and son Mike of Paint reek. The program was dedicated to

scouting and the many advanages it offers our boys and girls. Mike Overton showed a colored film of the trip to the Scout lamboree in Valley Forge, Pennsylvania, last July and did the narrating in a very clever way. About 40 Boy Scouts from the Abilene area left by train on July and the film was so beautiful hat all present at the meeting felt they had had a very fine tour of our Northwestern states. The next Jamboree will be held in four years at Valley Forge, and many of the Cub Scouts are lookng forward to becoming Boy Scouts and hoping they can attend. It was interesting to learn the Scouts who attend the Jamboree must earn their money to The P-TA finance committee

reported a very successful Fall Festival, and a committee will be named to discuss a fitting gift to he school.

The very large crowd caused he room count to be a three-way ie between Mrs. Harold Spain's 4th Grade room, Mrs. Bill Richey's 1st grade, and Mrs. Robt King's 2nd grade. Hostesses were the 2nd Grade room mothers.

The next meeting will be Wednesday, Jan. 8 at 3 p. m. with Mrs. Howard Perry Jr., directing. The topic will be "Taking a New Look-As Families." Hostesses will be the 3rd Grade room moth-

Sue Rhodes Named Attendant at H-SU Banquet for ROTC

Condition of Gin Fire Victims Is Improved

Two Haskell men, Robert L. White and Roy Reynolds, both severely burned last week in a flash fire at Haskell Co-Op Gin No. 1, are improving satisfactoriiy, attendants at the Haskell Hos-pital said Wednesday. Neither of the men suffered permanent injuries.

The fire occurred as the men were attempting to clear a clogged flue, or conveyor. An electric light bulb exploded, setting fire to loose cotton and lint.

HASKELL VISITORS Mr. and Mrs. Thurman Lusk of Plainview were weekend visitors in Haskell in the home of his mother, Mrs. L. N. Lusk.

## Leave Crop Stubble To Provide Cover. rood for Wildlife

College Station—Game birds such qualis, doves, ducks, geese and wild turkeys often have a difficult time during the winter season finding food. Ed Cooper, extension wildlife conservation specialist suggests leaving crop stubble as long as possible after harvest as a food source for our feathered friends.

Cooper points out that crop residues plus the seed of native weeds that are available in harvested fields make one of the best food sources for game birds. But. he adds, some birds, particularly quail, will not utilize food in a field unless there is some cover to protect them from natural enemies. Plant stubble left in the field will give this needed protection, he says.

Rice, corn, grain sorghum and some other crop fields are es-pecially good feeding areas fol-lowing harvest if left undisturbed for as long as possible. Native weeds and woody vegetation along field borders serve as natural travel lanes for the birds attempting to feed in a field.

# No Baking TESTIVE FRUIT CAKE!

## FESTIVE FRUIT CAKE

3/4 cup PET Evaporated MILK

24 large marshmallows,

finely cut (or 3 cups of the midgets) 1/3 cup orange juice or alcoholic flavoring

6 cups graham cracker

crumbs (about 6 doz. 2½-in. crackers, crushed) 1/2 teaspoon cinnamon

1/2 teaspoon nutmeg 1/4 teaspoon cloves 11/2 cups seedless raisins (1/2 golden and 1/2 dark are best)
% cup finely cut dates
1 cup broken walnuts

11/4 cups cut-up candied fruit, bulk or canned ready-mixed

Line with waxed paper bottom and sides of 9-in. tube pan or loaf pan holding about 6 cups. Put into 2-qt. bowl the milk, marshmallows and orange juice. Let stand. Put crumbs into a large bowl with the cinnamon, nutmeg. cloves, raisins, dates and walnuts. Add candied fruit. Mix in milk mixture with a spoon, then with hands until crumbs are moistened. Press firmly into pan. If desired, top with additional nuts and candied fruit. Cover tightly. Chill 2 days before slicing. Keep in refrigerator. Makes

Game Wardens Ask for Bands On Quail Kill

Quail hunters are urged again this year to send in bands from McQuinn, Lynn Beard. Eighth birds killed in their hunts. The Grade, Molly Wilcox, Barbara request comes from the director of Law Enforcement of the Game and Fish Commission.

Freshmen, Barbara Thousands of hatchery quail S.ryker. Sophomore, Johnny Es-tes. Junior, Jan Ousley. Senior, Larry Horton, Jimmy Hamilton, were released in the state this year. Each was banded. When hunters kill these birds, they should either turn the bands over to their local warden or mail them to the Game and Fish Commission with the information about where they were killed and the date.

Through studies of these reports it is possible for the Department to study its quail production program, and the areas

which the birds are released. Through records of the depart-ment, migration of the birds also

estrian part of Safely Both bobwhite and Coturnix quail were released by the departoxide gas. All states now ment during the year.

rate of 40,000 a year and one out of every five deaths is in Tex-

Speaking at the Saturday meeting, Senator Lyndon Johnson traced the recent history of failing farm income and said it was caus-

ed by:

1. The rising cost of living.

2. Surpluses which have depressed farm prices.

3. A Department of Agriculture which has little sympathy for

farmers. He urged delegates to consider promoting understanding of farm problems among the general pop-ulation as a possible method of correction for falling farm in-

Turning to international rela-tions, Johnson called the Sputnik emergency "extremely grave," and likened it to the domestic

crisis in 1932. At the Saturday meeting delegates adopted a six-point program for the preservation of the

family farm. The program in-1. Stronger bargaining power for farmers

6. A recommendation for "im-

mediate dismissal of the present Secretary of Agriculture and his replacement with a competent and friendly Secretary."

## Cattle and Calves Open Strong at Fort Worth

By TED GOULDY
Fort Worth—Stocker and feeder trade was again very active and strong in the cattle divisions of the Fort Worth livestock market Monday, and the impetus gained from this developments resulted in a good market on nearly all classes as the second week of

December got underway.
Good stocker steer calves sold readily around \$23 to \$25, and bull calves reached \$24 Heifer calves bulked at \$23 downward. High grade offerings were extremely scarce. Stocker steet yearlings of just good grade, and horned, sold for \$22, and their heifer mates sold for \$20, Fleshy feeder cattle were very source and a few stocker cows appeared and sold from \$12 to \$16.

Slaughter steers and yearlings were acarce, some good to choice kinds at \$21 to \$24, and medium and low grade cattle sold from \$14 to \$20. Fat cows drew \$13.50 to \$15.50, and canners and cut-ters cashed at \$8 to \$13.50. Bulls cashed at \$12 to \$17.

Butcher hogs opened 50c to 75c with choice hogs selling from '9 50. with the higher figure limited to the better bacon type Ts. Prime reason for the strong opening here and at other markets was the curtailment of offerngs at all points. The 12 major markets across the nation re-ported close to 20,000 fewer hogs Monday than a week earlier. Sows drew \$16 to \$17.25, and medium to good butcher hogs sold from \$17 to \$18.25. A few stags sold from \$8 to \$12.

First education of women in the U. S. was in the "Dames Schools" where they were taught to read and sew, but not always Byron W. Frierson Is Given Recognition For Outstanding Work in Agriculture

Byron W. Frierson of Fort Bend as president of the Plains Cotton County and W. O. Fortenberry, Growers, Inc., an organization Lubbock County, were named "Men of the Year in Texas Agriculture in 1957" this week by The Progressive Farmer maga-

Frierson, a Haskell man, has been farm manager for the State Prison System for eight years. Frierson's citation reads, "For

exceptional services to Texas in developing the agricultural op-erations of Texas Prison System and for agricultural leadership in Gulf Coast Area of Texas." When Frierson was hired to

manage the agricultural operaions of Texas Prison System in 1949, the System was known as one of the worst in the nation. In pite of 73,000 acres of potentially valuable land, the System was naving to buy tremendous amounts f food. Now, the Prison System, or all practical purposes, feeds itself. Cotton production has jumped from 1-3 bale per acre to an average of 11/2 bales per acre

as compared to an average of \$2.83 in other states. Fortenberry was cited for his outstanding agricultural leader-ship in the irrigated High Plains and in cotton affairs in Texas and

he Unted States. Fortenberry has been a cotton producer and ginner for more han 30 years. During that time he has held virtually every office in ginning and farming organizaGrowers, Inc., an organization composed of more than 20,000 Texas High Plains cotton producers and allied businessmen.

## Ralph Yarborough's Report

By RALPH YARBOROUGH

Many Texans I have talked with in the past few days have expressed deep concern about America's failure in its first attempt o launch an earth satellite. As I wrote in a recent report,

I am among those who make no bones about the Russian's Sputnil as being one of the greatest app...ed science accomplishments of all history. But I feel that none of us should

be disheartened at the Vanguard rocket test failure. Competent scientists have explained to me that the misfires should be expected in such complicated experiments. Work of this kind demand pinpoint precision and accuracy which almost defies description.

success with Sputnik.

from the Vanguard Dudnik, as

from a scientific standpoint, not from a Madison Avenue publicity standpoint. The administration is publicising our lack of scientific knowledge to the world.

Big money interests are as much to blame for the lag in the mis-siles program as the wrangling ween the military services, the way it looks to me. The economic rivalry between major industries ers during our e rivalry between major industries rivalry between major industries for enissile contracts is every bit pital. May God by for enissile contracts is every bit pital. May God by for enissile competition be- Mr. and Mrs. J. 8 as serious as competition be-tween the military services, may

be more so.

But this is no time to become discouraged by experimental mis-firings. We need more concentration on scientific development and less on publicity. We need a do-it administration, instead of a mis-fire administration.

A new publication, "Alfaifa for Forage and Seed," has recently been released by the Extension Service. It is available from the offices of local county agents or from the Agricultural Information Office, College Station, Texas.

Navy ships in Operation Deep-freeze have made the deepest penetration into Antartica's ice-clogged seas of any ships in history. On Dec. 5, 1929, a Marine aviator, Capt. A. N. Parker, became the first pilot to fly over the Antarctic Continent.

Reports of trouble in the oat fields of Texas are coming to Extension Plant Pathologist Har-There is no telling how many lan Smith from all sections of the technical and mechanical failures state. Many of the reports indior setbacks the Russian scientists cate that oats are deteriorating experienced before they found as a result of the heavy rains, but Smith points out there may The only real damage resulting be other causes. A chief culprit may be Helminthosporium blight, tions on community, state, and someone has called it, was the a seed borne fungus disease national levels. At present Fortadministration's classic publicity which attacks oats from the seed-enberry is serving his second term fizzle. We must develop missles ling stage to maturity.

"ALMOST, BUT NOT ENOUGH" is our verdict on how close competitive cars have come to matching the Swept-Wing 58. Take style. Other new cars are "almost" as low in inches, but still seem high and boxy in looks. Some of them are "almost" going to fins, but not enough to really make a difference. Then take performance. None of the

other 1958 cars have anything to match the sway free, dip-free, vibration-free ride of Torsion-Aire. (It's standard equipment.) Most of them still don't even have pushbutton driving! So after you've seen the "almost" cars, come in and drive a Swept-Wing 58. You'll see why we say: They're catching on, but they can't catch up.

See Swept-Wing by Dedge at Medford Motor Company, 200 Ave. E, Haskell, Texas
