Citizens Will Start Signing Paving Contracts With City Friday Afternoon

Contracts which will enable citizens to authorize paving along their property lines will be available in the office of the City Clerk at 3:00 p. m. Friday, January 27, has been set as the last day the city will accept contracts for securing six feet of additional paving along the proposed 24-foot paving slab in the center of the street and concrete curbs and gutter installation. The city will not accept contracts for widened paving unless a curb and gutter is installed.

Citizens living along the streets designated to be paved with a 24-foot width of paving may have the paving extended to their property lines and a concrete curb and gutter installed for less than had been estimated when the original plans were drawn.

On streets where the concrete curb and gutter has already been installed, citizens may secure the additional six feet of paving from the center paving slab to their property line for a price of 75¢ per running foot.

On streets where curb and gutter as well as the extended six feet of paving must be installed, the cost will be \$2.40 a running foot. This is 10¢ a foot cheaper than the anticipated cost of installing the paving, curb and gutter at the time of the bond election to pave the streets and roads in the road district.

Citizens will deposit their money with the City Clerk. The City Council will deal with the contractors.

The 70-foot intersections, their curbs and gutters, will be paved by the bond issue. The cost of the paving, including gutters, for the connecting alleys, will be paid by the city.

Dan Foreman said Wednesday that he was being swamped with calls from citizens who wished to take advantage of securing paving for their complete half of the street along the proposed paving route.

Friday, January 20, at 3:00 p. m. has been the time set for delivery of the paving contracts, to be used by those desiring paving, to the city clerk.

Friday, January 27, is the last day city councilmen will be able to guarantee citizens the privilege of having an extension placed on the proposed paving to their property lines during the present paving program.

Cooper and Woodruff received the paving contract at 1:30 p. m. Monday of last week and moved their equipment on the Beaver road project at 3:00 p. m. The manner in which this firm operates will not make it possible for them to go back and widen a street for residents of the city. The full scale project must be drawn up and handed to the contractor before work on the city streets has started.

Assessed Fine For Shooting From Highway

Charles Melvin Pruett, charged with firing a pistol from a public highway, was fined \$25.00 and court costs in County Court Monday by Judge F. M. Keener. The fine and court costs amounted to \$51.10.

March Of Dimes Cage Games January 26

Practice for the participants will be held in the old gymnasium Wednesday, January 25, at 8:00 p. m.

Men who have volunteered to participate as players or in the cheering section include: Ross Wells, Sam Lasley, W. G. Hart, Charles Carter, Roy Harris, B. A. Donelson, Jimmy Jackson, C. C. Plunk, Floyd King, E. R. Bell, Bruce Bidy, Darrell Cotney, Rex Tillery, Lowell Armstrong, Ray Gore, Baskin Brown, Roscoe Dyess, Conrad Riffe, Dale Knight, Bill Riffe, Raymond Dyess, Don Riffe, Clyde Pittman, Harold Oquin, R. M. Buckles, Elmer Oquin, Grady Mullican, Paul Chesmer, George Jeffcoat, Chester Guthrie and R. J. Hill.

Pete Bateman and Doc Bates have volunteered to act as coaches.

Ladies who wish to volunteer to play in the womens game should phone Mrs. James Crawford at 396-5081.

Grass Fires Caused Alarm Wednesday

Stratford Volunteer Firemen extinguished four grass fires burning along the Rock Island right-of-way Wednesday afternoon. The blazes were burning at eight, nine, ten, and eleven mile intervals southwest of Stratford.

Firemen worked rapidly to put out the flames while others stood by, watching tumble weeds driven by a strong west wind, roll across the flames and lodge against the fence of the W. L. Pendleton pasture.

Apparently the weeds crossing the flames were too damp, or were blown across too rapidly to become ignited by the fire. The fire was confined to grass and weeds between the railroad track and U. S. highway 54.

Castor Oil Co. To Bid For Sherman County Bean Producers January 24

John C. Anderson, field man for the Baker Castor Oil Company, will be in Stratford Tuesday night, January 24, for the purpose of discussing the possibilities of producing castor beans in Sherman County. The meeting will be held in the County Exhibit Building in Stratford at 7:00 p. m.

Up until the present time, the Baker Oil Company has been importing up to 80% of the beans processed in their plants. New non-shattering varieties, along with the development of a new type harvester now makes it possible for these beans to be grown in the United States. It is the desire of this company to secure contracts in the United States for the beans needed by them. According to information received, the acreage contracted in Sherman County or any other area will not be a one year affair, but a continuing situation. The Sherman County Development Association has also been advised that if Sherman County should be interested in the production of castor beans, it would be necessary for producers to sign contracts this year.

Castor bean production costs are about the same as milo. The bean crop is planted about two weeks before the grain sorghum crop, and is not harvested until after frost. It has been estimated that Sherman County growers would produce from 1,600 to 1,700 pounds under irrigation the first year. In their second year, local producers should raise about 2,000 pounds of castor beans per acre. Contract prices which have been signed in other areas have ranged up to \$6.62 per hundred pounds.

Three Men Elected To Water Board

Arlyn Haile, Walter Lasley and H. H. Caraway were elected Sherman County directors of the North Plains Water District in an election held last week.

R. V. Converse, Dee Jackson and T. C. Harvey were elected to the Hansford County committee.

Buster Kirk, Noble Watson and Jim Womble were elected to the Hutchinson County committee.

Ochiltree County men elected were Dan Manning, Roy Stolling and A. L. Swink.

Moore County elected C. C. Burnett, B. C. Shaw and Herbert Clark as its board of directors.

Ray Cain, Jack Thompson and Gene Atkinson were elected in the Hartley County election.

Gaston Wells is the director from precinct four, and Robert Thompson is the director from precinct five.

Couple Wed In Amarillo

Miss Carol Adaline Stringfellow of Boise City and Donald Lee Stone, son of Mrs. Bess Stone, were married in Amarillo in the home of Mr. and Mrs. George Stone Monday night by Jack Cox, minister of the Washington Avenue Christian Church.

Mr. and Mrs. Stone planned to make their home in either Alice or Corpus Christi where the bridegroom is employed with a pipeline construction company.

The newly weds had been employed in Amarillo.

Young Farmers Organize

A group of young farmers met Thursday night of last week to form an organization to be known as the "Young Farmers," and elected officers for the coming year.

Walter Labay of Plainview was a guest speaker and helped to organize the group. Mr. Labay is with the Texas Education Agency of Austin.

The primary purpose of the organization is for an education in current farm problems. Its secondary purpose is to provide recreation and to encourage community service.

Officers elected to serve the organization are: Johnny Sumner, president; Joe Everett, vice president; Jack Vincent, secretary; Ed Smith, treasurer; and Don Ellison, reporter. Duard Lamb will serve the organization as an advisor.

Meetings of Young Farmers will be held on the second Thursdays of each month.

Refreshments of coffee and doughnuts were served to about 35 young farmers.

A meeting of interest to everyone in Sherman County will be held at 7:00 p. m. Friday, January 20, in the County Exhibit Building in Stratford. J. H. Sears, a Hereford banker, will be present to discuss the Texas Sugar Beet Growers Association. The association was formed for the purpose of assisting in securing legislative changes which will make it possible for a greater acreage of sugar beets to be grown and processed in the Texas Panhandle and South Plains. Several counties in this area have already joined in this effort. Moore County joined the organization last fall. It is felt by many, that Sherman County should offer some assistance to the program.

Sherman County was represented at a sugar beet meeting held in Denver earlier in the fall of 1960 by Paul Chesmer, C. W. Donelson and Duard Lamb. It was felt by these men that at that time there seemed to be no way to secure sugar beet contracts for this territory. Another meeting held in Dumas was attended by Paul Chesmer, R. M. Buckles, and Duard Lamb. At this time arrangements were made with Mr. Elliott of Dumas to come to Stratford for the purpose of discussing the Texas Sugar Beet Growers Association.

Soon after the arrangements were made, the Department of Agriculture removed all acreage allotments from sugar beets. Mr. Elliott felt that the meeting as planned, would be of little or no value, and it was called off.

The Sherman County Development Association's next move was that of contacting sugar companies in Colorado, asking for sugar beet contracts. The Development Association was advised that they were operating at capacity, and could not award any contracts in Sherman County. Again, the association felt that no other effort would present any results.

People of Hereford have continued their work on the problem. It is their opinion that there is still a chance of this area receiving a sizeable acreage of sugar beets, and possibly in the future, a processing plant. A joint meeting was held in Hereford recently of all the counties that have contributed to the effort. Sherman County was not invited, because it was not organized and had not made any contributions to the cause.

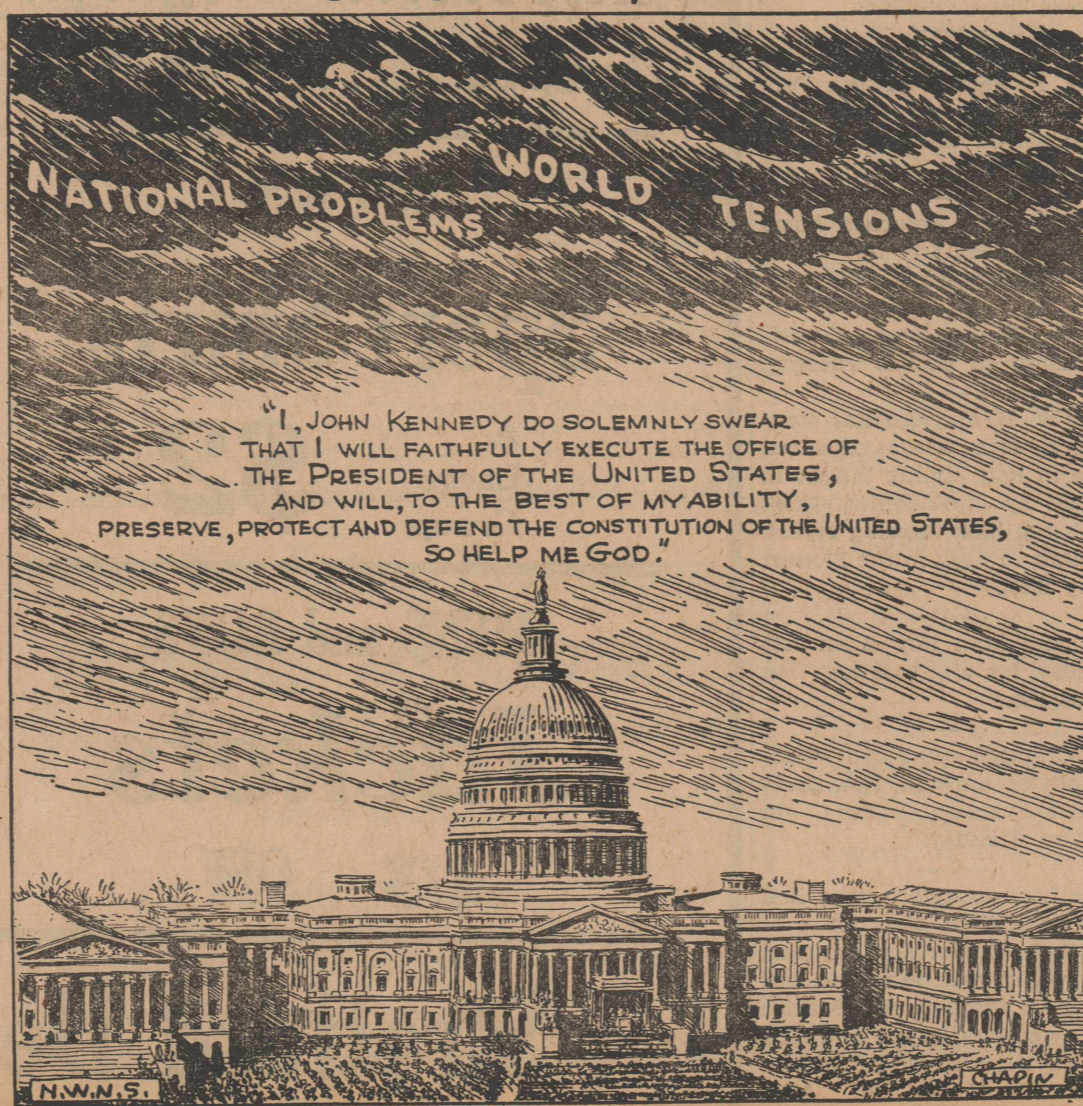

It is the opinion of many, that a county sugar beet growers association should be organized, so that it might assist the other counties in the fight, and be included in any future meetings. Citizens will have an opportunity to organize a Sherman County Sugar Beet Growers Association at the meeting Friday night.

The Friendship Club met Thursday of last week in the home of Mrs. Kenneth Borth to quilt. This was the first meeting of the year and only a few members were present. The next meeting will be held the afternoon of Thursday, January 26, in the home of Mrs. Arthur Lewis.

Death Claims Mrs. G. Riffe

Mrs. George D. Riffe, 65, a resident of Texhoma since 1917, died Sunday night in her sleep. Mrs. Riffe was feeling well Sunday and her husband and son went to work Monday morning thinking she was still asleep. Her son returned about 9:30 a. m. and went to wake his mother. She had been dead for several hours.

Mrs. Riffe was born Lucille Alice Martin on January 31, 1895, at Kansas City, Missouri. She was married on March 5, 1917 to George D. Riffe and they moved to Texhoma where he entered the grain business.

Mrs. Riffe had worked in all departments of the First Methodist Church and served for the last several years as a member of the church board. She has also served as an officer of district and state Methodist organizations. She has taken part in the Women's Society for Christian Service and has been active in civic clubs.

Survivors include her husband and three sons, Roger and George of Texhoma, and Rev. William W. Riffe of Seymour, Illinois, and six grandchildren. The family requested that memorials be in the form of gifts to the Lucille Riffe Memorial Fund of the First Methodist Church in Texhoma.

Mrs. Eric Kirkwood was admitted as a patient in the Underwood Clinic in Amarillo Monday.

January meeting.

Mrs. Frances Holden, program chairman, introduced the panel moderator, Miss Jewel Foster. Panel members were Mrs. Hazel Cameron and Mrs. Ola Frank Whittier.

In introducing the program subject, Miss Foster said, "Asia is the cradle of civilization, and today this country is the threat of modern civilization. Perhaps its greatest contribution has been in the area of religion. From there came different religions including christianity.

Mrs. Hazel Cameron discussed Buddhism, Confucianism, and Shintoism. Mrs. Whittier discussed Judaism, Communism, Christianity and Mohammedanism.

Mrs. Eula Vick, the president, presided during the business meeting which preceded the program.

The annual white elephant sale, held to raise money for the scholarship fund, will be held on February 4, when the Gamma Xi chapter meets in Sunray.

Mrs. Vick announced that the meeting scheduled for April 1 has been changed to April 8. At that time a tea honoring future teachers will be given.

Refreshments of baked Alaska and coffee were served from a table centered with an arrangement of flocked greenery and snowmen with the numbers 1961 in the foreground. About 40 members attended the meeting.

In 80 A.D. the man with "Pipeline Know-How" was Fabius S. Titus, Emperor of Rome!

The army engineers of Fabius Sabinus Titus, Emperor of Rome, knew their business when they put down the original aqueduct to serve the water needs of the conquered city of Cologne, Germany. Extending 56 miles underground, between Cologne and Eiffel, this rugged concrete conduit was built in 80 A.D. — served as the main artery for the Cologne water supply until 1928.

His concrete pipeline gave 1,848 years of... continuous, dependable service!

Today the folks with "Pipeline Know-How" are...

Den 3 Cub Scouts

Den One Cub Scouts met January 16 at 3:45 p. m. with Grant Keener.

Eddie Williams led the cubs in the pledge of allegiance, and the boys chose the song "Soap and Towel" for the January pack meeting.

Mrs. Ava Keener read several chapters of the book "South America", by Delta Goetz, and a round table discussion followed.

The demonstration was making an egg shell map. This proved to be very interesting.

Roger Moore furnished refreshments. Those present were Jerry Blazier, Dannie Brooks, Roger Moore, Grant Keener, John Lavake, Eddie Williams, Danny Brannan, Den Chief and Mrs. Ava Keener, den mother.

Cage Teams Win And Lose Ball Games

Stratford basketball teams have continued their pattern of winning and losing games in each of the matched contests.

The Elks were nosed out by Texhoma 58 to 49. Bobby Seaman was high point man for the Elks with 19 points.

Friday night the undefeated White Deer Bucks defeated the Elks 62 to 45. Doug McBryde and Willy Steinberger led the scoring for the Elks with 12 points each.

Stratford B team boys won over Texhoma 38 to 30. Gary Hudson paced the Stratford scoring with 15 points.

The B team boys fell short of the winning score in their game with White Deer, losing the

game by a score of 47 to 52. Dwayne Pittman was high point man for Stratford with 13 points.

The Elkettes turned the tide on Texhoma by defeating the team 27 to 25. Donna Boner was high point forward for the Elkettes with 15 points.

In their game with White Deer the Elkettes lost by a score of 34 to 42. Donna Boner was high point forward for the Elkettes with 19 points. Joyce Scott, Kay Spurlock and Shelia Donelson are the three guards doing outstanding defensive work for the Elkettes.

The Stratford B girls team lost to White Deer by a score of 20 to 34. Sue Plunk was high point forward for Stratford with 8 points.

Stratford B girls defeated Dalhart 40 to 11. Sue Plunk was high point forward for Stratford with 18 points. She was followed by Marie Moore who scored 16 points. Connie

County Youths Win Honors In Tri-County Show

Several Sherman County youths have won honors with their livestock entries in the Tri-County Livestock Show held in Dalhart.

Brannock Berry showed the reserve champion of the show and a first place winner in the light weight calves. Andy Berry placed seventh with his light weight calf.

In the medium weight calves, Sandy Tillery placed first, Cleo Aduddell second, Scott Whorton third and fourth, and Anne Pronger placed seventh.

With heavy weight calves, Scott Whorton placed third and Anne Pronger placed eighth.

Sandy Tillery, Scott Whorton, Andy Berry, Cleo Aduddell, and Brannock Berry combined their entries to show the best five calves appearing in a group at the livestock show. Tillery, Whorton, Berry, Aduddell and Berry will appear on an Amarillo television show Sunday.

Cleo Aduddell placed seventh and Delton Judd placed ninth with light weight swine.

Mark Lamb placed seventh with his entry of heavy weight swine.

Garrison, Judy Steinberger and Billie Robbins are the outstanding guards of the girls B team.

Undeclared Stratford Eighth grade girls won over Stinnett 27 to 9. Peggy Calcote paced the Stratford scoring with 18 points. The three outstanding guards of the Eighth grade girls team are Carolyn Wright, Judy Steinberger and Elaine Cummings. They range in height from five feet seven to five feet eight inches.

Stratford Eighth grade boys, with a record of only one defeat, won over Stinnett 29 to 8. Jimmy Hudson was high point man with 10 points.

To win the district championship the Eighth Grade boys must defeat Gruver in a game to be played in Stratford at some future date. The original arrangements for this game conflicted with a tournament in which both teams wanted to play.

Eighth Grade Boys And Girls Play At Stinnett

Stratford Eighth Grade boys and girls teams will play in the Stinnett grade school basketball tournament this week. Teams playing in the tournament will represent Stratford, Stinnett, Sunray, Sanford-Fritch, Stinnett B, Gruver, Spearman, and Armstrong schools.

Notes From The Principal's Office

(By H. T. Galloway)

The three-hour tests, to be given Saturday, February 25, in 48 states and the District of Columbia, are required or recommended for admission to more than 500 colleges and universities in 23 states.

These 23 states, which have ACT-affiliated college testing programs, are Alabama, Alaska, Arkansas, California, Colorado, Idaho, Illinois, Iowa, Kansas, Kentucky, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, North Dakota, Ohio, Oklahoma, South Dakota, Tennessee, Texas and Wisconsin.

Participating colleges use ACT results for student guidance and admissions and for awarding scholarship aid to applicants, as well as for placing freshmen in classes or programs suited to abilities.

The ACT test has four parts that yield five scores, a composite score indicating over-all college potential, and four separate scores indicating levels of general ability in English, mathematics, social studies and the natural sciences.

ACT scores and manuals explaining how results may be interpreted are furnished colleges indicated by students and are sent to the student's high school for his and the school's use in guidance.

Further information about ACT tests, taken by more than 125,000 high school seniors last year, may be obtained in the principals office.

Harnly Killed In Car Wreck Friday Night

John Andrew Harnly, 17-year old nephew of Kenneth Pickens, was found dead about 50 yards from his wrecked car one mile south of Miami early Saturday morning.

His automobile had apparently overturned about 12:30 a. m. Friday when the car swerved in an attempt to avoid colliding with livestock on the road. He was found about 8:00 a. m. by his parents, Mr. and Mrs. John H. Harnly. The wreck scene was about one half-mile from the Harnly home.

The youth was a senior in Pampa High School, and was a member of the Methodist Church in Pampa. He was born January 21, 1943, in Pampa.

Harnly is survived by his parents, Mr. and Mrs. John H. Harnly; a sister, Sarah Lou of Austin; a brother, Henry of McPherson, Kansas; and two uncles, Lawrence Pickens of Amarillo and Kenneth Pickens of Stratford.

Funeral services were held at 3:00 p. m. Monday in the First Methodist Church in Pampa. Rev. Carl Hudson, pastor of the First Methodist Church of Miami, officiated. He was assisted by Rev. Russell West, pastor of the Brethren Church in Pampa.

Burial was at the Fairview Cemetery in Pampa.

Mr. and Mrs. Kenneth Pickens and children attended the funeral. Pickens said his nephew would have been 18 years of age Saturday.

Mrs. Gilbert Buried Tuesday In Kentucky

Mrs. V. O. Gilbert, better known to her friends in this territory as "Aunt Esma", died at 10:00 a. m. Monday in Bowling Green, Kentucky, according to word received by Mrs. G. L. Taylor.

Funeral services were held at 2:00 p. m. Tuesday in Franklin, Kentucky where burial was made beside the remains of her husband who preceded her in death several years ago.

Mrs. Gilbert had been in failing health several months.

She was well known in this area, having lived in the home of Mrs. G. L. Taylor and the late Mr. Taylor in Stratford for about 15 years, before returning to Kentucky.

School Evaluation Program Near Completion

School was dismissed at 2:47 p. m. Wednesday of this week so that the faculties of both the primary and secondary schools could continue work on the self-evaluation program which is being conducted.

M. P. Bateman, chairman of the evaluation program, has also advised members of the committees, that the schools will again be dismissed at 2:47 p. m. Wednesday of next week for the same purpose.

The various committees evaluating the departments of the school will have finished their work following the meeting next week.

The next step in the evaluation program will be that of committee reports being made to the entire faculty. The first of these reports will be made February 1.

Producers Review Of Conservation Reserve Contracts Recommended

Farmers who have Conservation Reserve contracts covering part of their crop land should review their contracts before completing their 1961 cropping plans, according to R. C. Buckles, chairman of the Sherman County Agricultural Stabilization and Conservation Committee. A review of the contract is recommended as a means of being sure of the acreage of permitted crops that may be grown and harvested.

Each Conservation Reserve contract includes a limitation of the number of acres on the

farm that can be used for the growing and harvesting of crops. That acreage is called the permitted acreage of Soil Bank Base Crops. All the grains, oil seeds, and row crops are classified as Soil Bank Base Crops.

The permitted acreage of Soil Bank Base Crops is important because exceeding that acreage may result in violation of the contract and a reduction of the annual payment or possible loss of the entire payment.

In addition, Mr. Buckles reminded farmers that Reserve

contracts provide that cropland under contract is not to be grazed, cut for hay, or a crop harvested from it.

There are 31,763.1 acres of cropland on 109 farms under reserve contracts in Sherman County.
