

## Adults Boost Fair Entries

Entries of adults in the Sherman County Fair continued to increase this year. Part of the growth was attributed to the opening of new divisions for exhibits and the growing cooperation of the public.

The record sheets of adult entries reveals the following winners:

### Good Variety Wheat

Dale Knight, first with Concho; Anna Knight, second with Concho; H. M. Flores, third with Wichita; E. W. Carter and son, fourth with Tascosa; R. C. Buckles, fifth with Bison; E. W. Carter and son, sixth with Concho; Robert Bolster, seventh with Kiowa; R. C. Buckles, eighth with Tascosa; W. O. Bryant, ninth with Concho; and Sam Wohlford, tenth.

### Dryland Maize

R. M. Buckles, first; John Lavake, second and third.

### Dryland Kafir

P. J. Pronger Jr., first; Alfred Pronger Jr., second.

### Dryland Hegari

Alfred Pronger Jr., first; P. J. Pronger Jr., second; Paul Adudell, third.

### Irrigated Maize

E. W. Carter and son, first; Bob Wegner, second and third.

### Dryland Bundles

Paul Leroy Adudell, first; Bill Ross, second.

### Hereford Heifers

Pronger Ranch, first and second.

### Hereford Bulls

Pronger Ranch, first, second, third and fourth.

### Antique China

Mrs. Harold Gray, first; Mrs. Marguerite Terrell, second and third.

### Antique Glassware

Mrs. Harold Bennett, first; Mrs. Marguerite Terrell, second; Mrs. Harold Bennett, third.

### Silver Antiques

Mrs. B. G. Borth, first; Mrs. John McDaniel, second; Mrs. Don Riffe, third.

### Antique Needlework

Mrs. W. D. Ehis first; Mrs. W. J. Lowe, second; Mrs. Rex Tillery, third.

### Antique Clothing

Mrs. Marguerite Terrell, first; Mrs. R. C. Buckles, second; Mrs. Rex Tillery, third.

### Miscellaneous Antiques

Mrs. Lyall Murdock, first, second and third.

### Flowers

Mrs. Wendell Flores, two firsts; Mrs. Al Hacker, two firsts; Mrs. Earl Riffe, first; Mrs. Chester Guthrie, first; Mrs. Al Hacker, second.

Mrs. Donald Moon, first; Mrs. F. L. Yates, first; Mrs. Rex Tillery, two firsts; Mrs. Merritt Sweny, first; Mrs. A. E. Pronger, second; Mrs. Chester Guthrie, two seconds; Mrs. C. E. Willmon, two thirds.

Mrs. Wendell Flores, Mrs. Wes Hodges, Mrs. Webb Whorton, first; Mrs. J. L. Naylor, Mrs. Wendell Flores, Mrs. Wes Hodges, second; J. M. Bowling, Mrs. J. L. Naylor, third.

Mrs. Chester Guthrie, two firsts; Mrs. Ed Smith, first; Mrs. Alice Ellison, second; Mrs. Chester Guthrie, second; Mrs. W. T. Martin, second; Mrs. Wendell Flores, second; Harryingham, second; Mrs. Art Ross, third; Mrs. Earl Riffe, two thirds.

Mrs. Opal Bryant, first; Mrs. Harold Gray, three thirds; Mrs. Opal Bryant, two thirds.

Mrs. Cone Donelson, first.

### Educational Exhibits

Southside Home Demonstration Club, first; Lone Star Home Demonstration Club, second; Better Himes Home Demonstration Club, third.

### Clothing

Mrs. Kenneth Pickens, two firsts; Mrs. Roscoe Dyess, Mrs. R. E. Florida, first; Mrs. Roscoe Dyess, two seconds; Mrs. R. E. Florida, three seconds; Mrs. Don Ellison, second; Mrs. R. E. Florida, Mrs. Don Ellison, third.

(Continued on Page 3)

## Shelia Donelson Will Compete In 4-H Dress Revue

Shelia Donelson

Shelia Donelson will compete in the State 4-H Dress Revue to be held in Dallas October 6 and 7. She will model a one-piece tailed dress of spice brown, homespun material. Her accessories include a black velvet hat, black leather bag and pumps, and spice brown suede-cloth gloves complete her costume.

The First State Bank and Consumers Co., Inc. are sponsoring Shelia's trip to Dallas.

Her mother, Mrs. Shuler Donelson, and the home demonstration agent, Mrs. Ruby Campbell, will accompany Shelia to Dallas.

## F.F.A. Boys Plant Certified Wheat Seed

With the cooperation of Horace Sneed, four F.F.A. boys have secured certified wheat seed to plant for the 1961-62 crop year. They are Johnny Crownover, Doug McBryde, Boyd Spurlock and Billy Meek. Charley Crabtree had already purchased certified seed.

The purpose of this program is two-fold. Duard Lamb believes it next to impossible for the boys to win prizes in the Amarillo wheat show with uncertified seed because the certification tag awards extra points to the sample which is extremely hard to overcome.

Secondly, the program will introduce the boys and their dads to the advantage of planting good, clean seed. Samples from these plots will be entered in the Tri-State Fair in 1962.

Varieties planted by the boys were Tascosa and Improved Triumph. The acreage planted by each boy is large enough to produce a sizeable amount of seed for the 1962-63 crop year.

Buttons were first put on men's coat sleeves by Frederick the Great, to keep his soldiers from wiping their noses on their sleeves.

## Second Blood Typing Set For September 27

A blood typing laboratory will be available to the people of this territory in the American Legion Hall from 3:00 to 7:00 p. m. Wednesday, September 27.

Serum was exhausted Tuesday before all the people needing their blood typed could be served. The second blood typing is being made available in order that these citizens may enjoy the privilege of gaining the knowledge of their blood type.

The blood typing laboratory is being made available through the courtesy of the Sherman County Home Demonstration Council.

## County Average Rate For Wheat Is Announced

The average county rates per acre for wheat acreage diverted to conservation uses under the 1962 wheat program are \$16.60 and \$22.20, according to R. C. Buckles, chairman of the Agricultural Stabilization and Conservation Committee.

Individual farm rates are based on these county rates, depending on the farm's productivity in relation to the county average, the chairman said. He also pointed out that each wheat producer in the county with a 1962 wheat allotment, and also each producer without allotments who have grown wheat in at least one of the years 1959, 1960, or 1961, has received information on the 1962 wheat program, including two rates for his farm.

For the minimum payment, the rate is 45 per cent of the adjusted basic county support rate, multiplied first by the number of diverted acres, and then by the individual farm yield or productivity index.

The maximum payment rate is computed in the same way using 60 per cent of the adjusted basic county support rate.

Producers must use an acreage at least equal to 11.1 per cent of their 1962 farm wheat allotment for conservation in order to be eligible for price support under the 1962 program and be in compliance with their 1962 allotment.

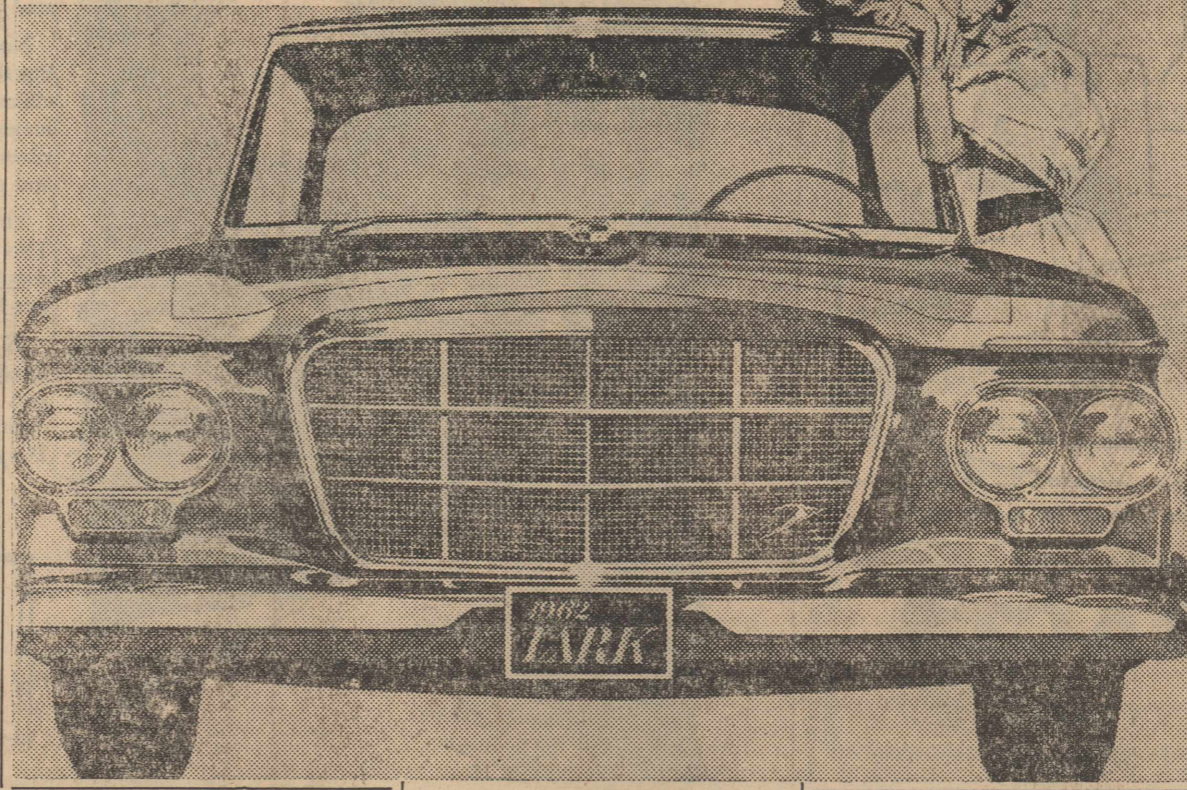

In addition, farmers may voluntarily divert an additional one-third of their 1962 allotment. The payment earned for this additional diversion is made at the maximum farm payment rate.

The diverted acreage must represent an additional amount over the normal conservation acreage and any acreage diverted to conservation uses for which payment is made under other Federal program, such as the feed grain program. However, cost-sharing under the Agricultural Conservation Program (ACP) or the Great Plains Conservation Program (GPCP), may be used to carry out conservation practices on diverted acres.

## Young People Plan September 30 Work Day

Young people of the Assembly of God Church plan to have a work day September 30. They will do house work, wash cars, or clean yards to raise funds. Arrangements for the workers may be made by dialing 396-4351, it was announced this week.

## T. O. C. MOTOR CO. HAS THE NEW 1962 LARKS ON DISPLAY

## Lorelei Harding Is Re-Elected FHA President

Lorelei Harding

Lorelei Harding, daughter of Mr. and Mrs. Wayne Harding, has been elected president of the Future Homemakers of America for the 1961-62 term of school. She served as president of the organization during the last term of school.

Lorelei Harding is a popular member of the junior class. She has played in the Stratford Elk Band for two years, and has been a member of the F. H. A. for three years. During her freshman year she represented her class on the student council.

Other F. H. A. officers for the 1961-62 term of school are: Louise Stone, vice-president; Lanita Judd, secretary; Billie Robbins, treasurer; Kathy Sneed, reporter, and Judy Steinberger, parliamentarian.

The goals of the organization for the coming year will be to improve the club over last year; to have a greater understanding of people; and to work toward new horizons.

At its meeting Tuesday the club discussed the initiation of new members and the installation of new officers. The initiation and installation programs will be held together in a party from 2:00 to 5:00 p. m. Saturday. Games will be played and refreshments will be served.

F. H. A. members are: Sue Plunk, Beverly Bolster, Carol Reeder, Mary Worley, Orianda Lasley, Mary Sanders, Karen Woolsey, Teri Ellison, Charlotte Guthrie, Donna Moon, Senora Mullican, Missie Keener, Beth Roberts, Eloise Adkins, Elaine Cummings, Donna Ford, Teri Wilson, Kaye Roberson, Judy Standefer, Judy Mitts, Judy Steinberger, Lola Sanders, Linda Elms, Cheryl Judd, Charlotte Eller, Barbara Stublefield, Marie Moore, Karen Keener, Billy Robbins, Sheri Hudson, Caro-

T. O. C. Motor Co. has new 1962 model Lark Cruisers and Station Wagons on display in their showroom. During Friday they will favor adult visitors at the new showing with free coffee and doughnuts. Special gifts will be presented to the children.

The new 1962 Lark Cruiser is described as a new spacious Lark with big car comfort at compact prices. It is said to have luxury with custom appointments that can be found only in an expensive limousine.

New features include: new higher, wider doors, pleated door pockets, contoured foam-padded seats covered with the richest, recoloratively-designed materials, thick wall to wall carpeting and flat flush floors.

Two engines are available in this model, the 259 and 289, with up to 225 horsepower, giving power-packed performance with compact maneuverability and compact economy.

The new Lark station wagon is claimed by the builder to be the handiest, the hardest and the sturdiest. It is built with the power to pull a boat or a house trailer, and has more cargo space than previous models.

The Studebaker Hawk and Champ Pickups are scheduled to be displayed by the T. O. C. Motor Co. in October.

## Pvt. Hudson Graduates From Teletype School

FORT GORDAN, GA. — Pvt. Lynn L. Hudson, son of Mr. and Mrs. Elmer F. Hudson, has completed the eight-week teletype operation course at the U. S. Army Signal Training Center at Fort Gordon, Georgia.

Hudson was trained to type on the military keyboard and to operate teletype sets. He also received instruction in tape relay operations and communication center procedures.

The 23-year old soldier entered the Army last March and completed basic training at Fort Hood, Texas.

He is a 1956 graduate of Stratford High School and attended Texas Technological College in Lubbock.

Wedding rings are placed on the third finger of the left hand because of an Old Egyptian belief that a nerve ran from that finger to the heart.

Lyn Wright, Julia Gray, Rosann Laird, Donna Boner, Cindy Heil, Beth Naylor, Linda Reesing, Lorelei Harding, Judy Williams, Louise Stone, Donna Harbour, Lanita Judd, Ellen Dyess, Kathy Sneed, June Huggins, Bonnie Combs and Judy Hudson.

## Brewster-Naugle Wedding Vows Read August 25

Mrs. Glen Ray Naugle

Wedding vows were solemnized August 25 at 2:00 p. m. for Miss Lynda Carol Brewster, daughter of Mr. and Mrs. Alton Brewster of Kerrick, and Glen Ray Naugle, son of Mr. and Mrs. Willis Naugle.

The double ring ceremony was performed in the First Baptist Church parsonage by Rev. M. E. Upchurch, local pastor, in the presence of the parents of the couple and other members of the family.

Miss Peggy Taylor of Kerrick was maid of honor and Edward (Buzz) Summerour served as best man.

The bride wore a waltz length dress of beige lace over taffeta, styled with a fitted bodice, three quarter length sleeves and a full skirt. Her corsage was of tiny white rosebuds. For something old, she wore a pearl necklace belonging to her mother; for something blue and something borrowed, she wore a blue garter belonging to Mrs. Charles Durr and worn at her own wedding; her wedding apparel was something new.

The bride's mother, Mrs. Alton Brewster, wore a beige dress with beige accessories. Mrs. Willis Naugle, mother of the bridegroom, wore a pink dress with white accessories. Blue carnation corsages complimented their ensembles.

Following a short wedding trip to Raton, New Mexico, the couple is at home in Stratford.

Mrs. Naugle was a 1961 graduate of Stratford High School. Her husband was graduated from Stratford High School in 1958. He is employed with the Stratford Grain Company.

The word "spud" for potatoes comes from an old organization called "Society for the Prevention of Unwholesome Diet."

# Plan 1962 Fair

The Jamboree Committee met in the County Exhibit Building September 12 to discuss the fair and jamboree and to make suggestions for changes which will improve the celebration for 1962.

Many suggestions were made to the various committees. It seems that the event which stirred the most interest was the turtle race. Plans are being made to set some rules and it is hoped that these events will be a highlight of the celebration.

A new by-law was added to the rules and regulations of the Jamboree Committee. "All organizations or committees desiring a change in events handled by such organization or committee must contact the Jamboree Committee for approval."

Following the business meeting, an election of officers for 1962 was held. Officers returned to office were: Conrad Riffe, Jamboree chairman; Mrs. Don Riffe, secretary; Harold Oquin, treasurer; and Floyd Brannan, fair chairman.

Persons having suggestions for making a better celebration may contact Mrs. Don Riffe, secretary.

## Legion And Auxiliary To Meet September 28

Members of the American Legion and the American Legion Auxiliary will meet Thursday, September 28, for a covered dish luncheon in the American Legion Hall.

This will be the first meeting of the year for the organizations. Elections of officers will be held and committees named to collect membership dues for the coming year.

## FFA Boys Compete In Wheat Contest

Eleven members of the Stratford FFA entered wheat samples in the Tri-State Fair wheat contest this week in Amarillo. The wheat, entered last Saturday, was judged on kernel characteristics that same day.

Herman Borth, son of Mr. and Mrs. Donald Borth, placed second with his entry of Kiowa. Other placings made by the local FFA boys were: Lynn Allen son of Mr. and Mrs. George Allen, ninth; and Keith Borth, son of Mr. and Mrs. Kenneth Borth, tenth.

The top five samples resulting from the judging of the kernel characteristics have been milled and baked this week. They will be judged on their milling and baking characteristics.

Herman Borth's Kiowa stands a chance to move up to first place, but by the same token, may move into fifth place, following the final judging.

The fair wheat awards will be presented on a special Cotton John TV show at 9:45 a. m. Saturday.

*The Glory and the Faith*

"The heavens declare the glory of God; and the firmament sheweth his handywork." Psalm 19:1

WHAT would David, the greatest poet of them all, say today if he looked up into the heavens and saw the vehicles that science has thrown out into space?

Would he be frightened as we are?

No one, of course, will ever know. But the poet in him would ever proclaim the wondrous beauty and majesty and peace that one feels when he stands alone in the night and gazes out into infinite space.

This is indeed the work of God. This realization alone should be enough to renew our faith and calm our fears.

When you enter God's house on Sunday morning there, too, you will feel that everlasting peace and security that comes to one only in a Holy place.

## New Arrivals

Mr. and Mrs. Marvin Cotton announce the arrival of a seven pound one-half ounce daughter, Jimmie Sue, who was born in the Moore County Memorial Hospital Tuesday, September 12. Maternal grandparents of the little lady are Mr. and Mrs. Jim Taylor, and the paternal grandmother is Mrs. Marie Gillis of Lubbock. Maternal great grandparents are Mr. and Mrs. Joe W. Taylor of Kerrick and Mr. and Mrs. Dwight Phillips of Boise City, Oklahoma. Mrs. Cotton and Jimmie Sue are presently with Mrs. Cotton's parents, but Mr. Cotton will return this week end to move his wife and baby to Canyon, where he is attending West Texas State College.

Mark Todd, second son of Mr. and Mrs. Max Johnson of Amarillo, with assistance from Dr. Leta Boswell, made his arrival at Neblett Hospital in Canyon at 4:12 a. m. Tuesday, September 19. Mark Todd is the grandson of Mr. and Mrs. George J. Cannon of Amarillo and Mr. and Mrs. O. H. Johnson of Amarillo. Mrs. Tim Flores is his great grandmother.

### CARD OF THANKS

### Embroidery Club Has Meetings

Mrs. Frank Judd entertained the Embroidery Club August 10. Guests present were Mrs. Hattie Flores, Mrs. E. W. Butler, Mrs. Bess Mitchell, Mrs. A. E. Pronger, Mrs. Grover Keown, Mrs. R. C. Buckles, Mrs. Frank J. Patterson, Mrs. Ann Williams, Mrs. Earl Shirk and a guest, Mrs. Paul Aduddell.

cake and punch were served. Mrs. Sam Wohlford entertained the Embroidery Club Thursday of last week. Members present were Mrs. Sam Calvird, Mrs. M. Dortch, Mrs. H. L. Vincent, Mrs. Roy Allen, Mrs. R. C. Buckles, Mrs. J. P. Cameron, Mrs. Ann Williams, Mrs. E. W. Butler, Mrs. Hattie Flores, Mrs. G. L. Taylor, Mrs. J. C. O'Brien, Mrs. Bess Mitchell, Mrs. Frank Judd and Mrs. A. E. Pronger. Refreshments of ice cream, cake and coffee were served. The next meeting of the club will be held in the home of Mrs. A. E. Pronger.

### Mrs. Carter Is Hostess To Sorority

The Nu Beta chapter of Beta Sigma Phi held its first regular meeting of the year Thursday evening in the home of Gail Carter. It was voted to have the necessary wiring installed at the Rock Island Park so the sorority Christmas scene can be properly lighted this year.

Elaine Gurley reported the balloon and bake sale during the Jamboree was a success and approximately \$120.00 was made.

Theresa Jackson announced the money awarded the Bammes twins to assist in their education had been sent to Amarillo College.

Lore Dietrich was selected as the chapter's Valentine Sweetheart.

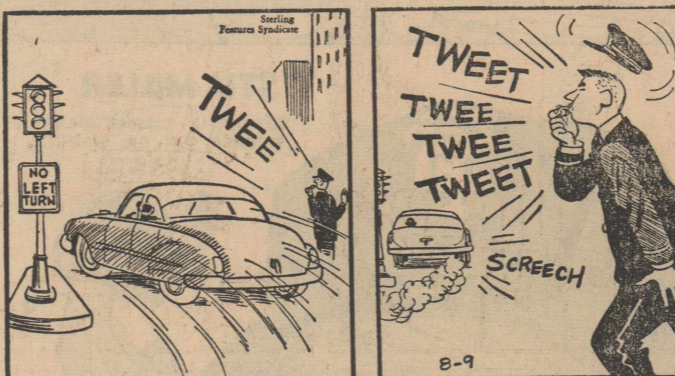

The float committee was congratulated on winning first prize in the parade.

The social hour featured the exchange of gifts and names of secret pals were revealed. Names of new secret pals were drawn.

The hostess and the co-hostess, Elizabeth Zimmer, served refreshments of cake, whipped cream and coffee.

Khaki is a Hindustan word meaning "dust colored."

### Cactus Church Wins Top Award For Stewardship

Building better church and community relations and keeping up its stewardship program in the face of a 104-day strike

that left most of its members jobless helped the First Baptist Church of Cactus earn the top district award in the 1961 Texas Baptist Church Achievement Program. Although some families moved from the community, average church attendance dropped 30 to 40 people and tension developed in the community, members decided to hold a spring revival. The result was 17

candidates for baptism. The 515-member church met the problems created by the strike through community and individual prayer meetings, a series of messages by the pastor on the Sermon on the Mount and the pastor-led revival.

## Wheat Baking Quality Premiums Part Of 1962 Loan Program

There is a new feature in the 1962 wheat price support program that farmers and elevator operators will want to consider.

The government has just announced that premiums for gluten "strength" quality in hard winter and hard spring wheats will be used for loans on 1962 wheat. This is to encourage farmers to raise more of the kind of wheat in demand by commercial bread bakers and to cut down on those varieties of "weaker" baking quality which are usually in plentiful supply on the market.

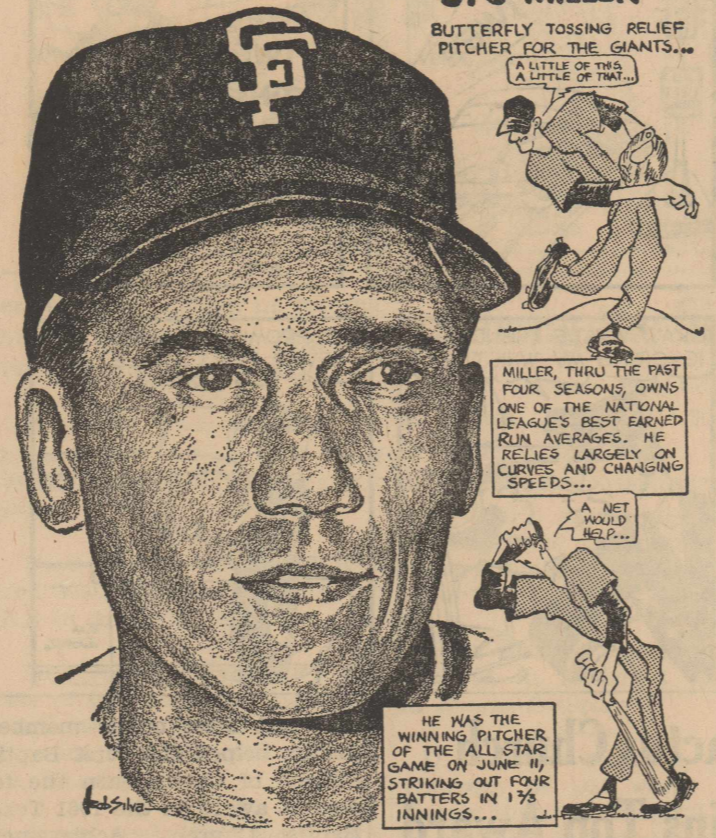

Ben Spears, extension agronomist, says that although weather, soil and moisture factors affect the baking quality of wheat, the variety planted is most important.

For Texas, Spears suggests that local county agents be consulted about the best varieties to give the premium-earning quality. This addition to the price support program is announced now so that growers can decide on varieties before fall planting is completed.

A "bread-baking quality" test measures the combined quality and quantity of protein. It will replace the protein percentage tests now included in the price support schedule. The new sedimentation test is available now in some areas, and facilities will be expanded in the next few months to meet the needs of the 1962 price support program, Spears explains.

With the new test, he adds, both the farmer and the buyer will have a better measure of the value of the wheat being offered for sale. The premium schedule for the 1962 wheat crop will be announced soon. Discounts for undesirable varieties will continue. Spears says local coun-

ed into the matter and considered an investigation of the horrible (potential) subversives.

Now, what had caused the ire and righteous anger of our hidden political persuaders? Were they alarmed at the shocking handling of the Laos situation? Were they shocked at the USSR launching a man into space before us? Were they shocked at the way we, with an incredible lack of responsibility, are fostering the movement for "independence" of new nations, totally unaware of the Communist machinations behind it which are making those movements tools for the spread of Communism? Were they shocked by the abortive revolt in Cuba?

Are the Liberals worried because recent events have filled the American cup of bitter disappointment, humiliation, appeasement, containment, surrender, and shame to the brim?

Have the lofty Liberals suddenly had enough of all the policy of weakness, retreat, and disaster of the last eight years when

— the Vice-President of the United States was insulted, spat upon and stoned during his trip through Latin America, while the Central Intelligence Agency and the State Department were blissfully ignorant of the conditions there;

— President Eisenhower was unable to defend the American way of life from the attacks of the Soviet Marshal Zhukov, who "left me breathless" arguing that communism was better;

— the Pentagon organized a "scientific study" or surrender of the United States in case of war;

— our Government handed on a platter the greatest possible

# NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

## '62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8\*, with 16 1/2 percent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six\* adds new sock, new savings in extra-tough applications. You can pick from nine rar-in-to-work, ready-to-save engines.

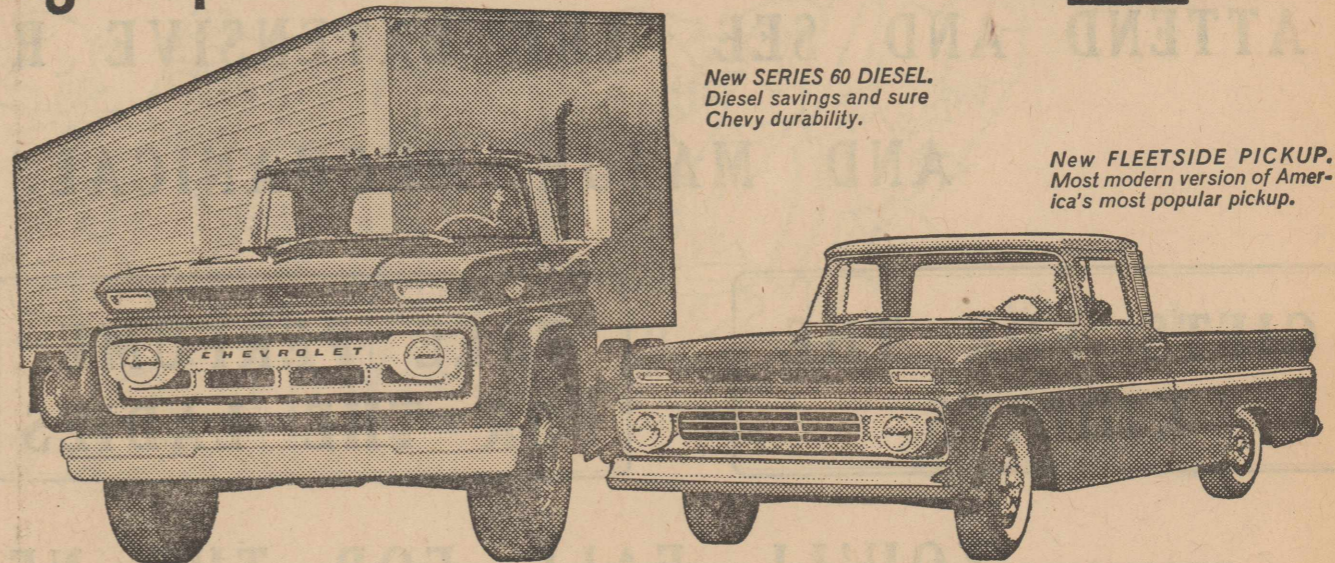

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10 1/2 feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles\* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! \*Optional at extra cost

New SERIES 60 DIESEL Diesel savings and sure Chevy durability.

New FLEETSIDE PICKUP. Most modern version of America's most popular pickup.

### Fall Shower Fell In Area Tuesday Night

Rain varying in quantities fell over the territory Tuesday night. In Stratford, Horace Sneed reported the official reading as .43 of an inch.

Farmers agree that the maize crop is not suffering, but more rain would be beneficial.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

It Pays to read Star ads.

### The WORLD OUTDOORS

SOMETIMES, in the glow of an evening campfire, some "old-timer" will delight youngsters with tales of how it was in the "gude old days."

Those were the times, we're told, when the forests were busting at the seams with wildlife. Why, on a day in the woods a fellow was likely to see a bear or two, deer and antelope in great numbers, a giant Canada goose, trumpeter swan or a flock of whooping cranes.

Bag limits? No such thing in those days. A fellow could take all the ducks he could carry; he could blast away at passenger pigeons until his gun became so hot he couldn't touch the barrel. Yep, those were the days—before "too many people" appeared on the scene, to spoil things. Civilization did away with the "gude old days."

It must be true that civilization—an expanding population that constantly needs more and more living space—has helped reduce wildlife numbers. But more serious damage was inflicted by the oldtimer, who took more birds and animals than he needed, just because they were plentiful. The oldtimer was himself greatly responsible for the passing of the "gude old days." He wasn't willing to share the wealth, to leave something for the next generation. As far back as he could remember, there had always been plenty of wildlife and, for some reason, he seemed to believe the supply was inexhaustible.

Corrective laws and modern game management principles have done much to offset the damage to wildlife resources in recent years. It will be impossible, of course, to bring back the days of "surplus" wildlife populations. Those times are gone forever.

### are you FARSIGHTED?

Being farsighted has advantages—if we must see something down the road or upon the next hill.

Sometimes, however, we get so occupied looking "over yonder" that we don't see interesting and valuable events that take place right under our nose.

For instance, some folks get into the habit of shopping "out of town" missing

out on many values offered by our local merchants.

These folks say "You can't find it in town"—when the truth is they haven't really looked.

And it's easy. They don't need binoculars or a bicycle. The local merchant is as near as your telephone—and he's anxious to serve you.

Give him first chance—you'll be glad you did!

Trade at Home for Your own sake! and community progress

Sweet potatoes, green beans.

### Garden Club Beauty Spots

Several beauty spots of the week as chosen are: the Earl Shirk home with tube roses, geraniums and lovely foliage plants; the Odis Bryant yard with heavenly blue morning glories and a hint of other lovely foliage plants peeping over the fence; the Dale Knight home with a lovely door yard planting of verbena, marigolds and foliage plants; and the Cone Donelson home with a gorgeous array of pyracantha berries. In picking these beauty spots of the week, representatives of the Garden Club suggest that you, too, will be rewarded if you will take the time to drive slowly around your town, with an eye out for beauty. You might even see some we have missed.

Hamburger is so called because it originated in Hamburg, Germany.

## HALF-PAST TEEN

LOOK WHAT GAS IS DOING NOW!

A new GAS furnace gives you house heat as

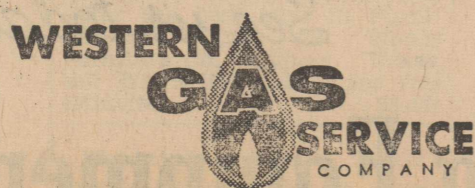

CLEAN QUIET EASY

as warmth from the sun!

CLEAN... no smoke, no soot, no oily film... a gas heated house is easy to keep spotless!

QUIET... not a sound! No moving parts in the heating unit to make noise or wear out. EASY... just set the thermostat and enjoy the warmth. You don't ever worry about furnace tending, with automatic Gas. You don't even worry about late fuel deliveries. Gas is piped right into your home—automatically. AND MONEY SAVING! Gas is your thriftiest choice, because it's nature's most efficient fuel. No waste, ever. And a Gas furnace costs you less to buy, less to install, less to maintain, less to use. How can you beat that?
