Legacy to host Painting Class in July

By Paula Nusz

Legacy Assisted Living in Dalhart, Texas, is hosting a one-stroke paint class in July. With this method of painting, one does the shading and painting at the same time. Simple painting techniques such as "made a comma" and "dab-pull" are a few of the simple strokes needed to paint. The class is being taught by Bobbie Strong of Stratford. She has been teaching this painting method for over 30 years. Everyone can be successful with this method.

Class size is a maximum of 10 students. Additional classes can be scheduled. The cost is \$25.00 per student. That includes all the materials and supplies. The classes will be every Thursday morning in July (5, 12, 19, and 26) at 10:00. Classes will be completed in time for lunch. The age group would be middle school students through adults. This class would be a good way to fill summertime schedules for school age youth, and they could learn a new skill as well.

Registration deadline is Thursday, June 28th. Each person must pay the entire fee directly to Ms. Strong at the first class. The completed art will be displayed. Bring your friends and come share mornings of fun in July. For more information, please contact Paula Nusz at Legacy (806-244-1450). Legacy Assisted Living is located at 301 Texas Boulevard in Dalhart, Texas.

HAPPY STATE BANK Announces New Bank President

AMARILLO, TX - June 5, 2018 - J. Pat Hickman, Chairman and CEO of Happy State Bank, is pleased to announce the promotion of Mikel Williamson to President of the bank.

Williamson has served Happy as Chief Operating Officer since 2015, responsible for the bank's overall operations. His title is now President and COO. Previously, he led Happy's DFW team as Market President.

Williamson will continue to oversee the banking operations, while assuming more of the day-to-day management and administrative duties of the overall bank. His focus will turn toward customer relations and satisfaction, overseeing the impact and development of new products for customers. This role will implement policies and procedures, as well as ensure the core values of Happy are being acted out in each branch.

His vast banking and leadership experience, as well as serving on the Board of Directors for the Independent Bankers Association of Texas (IBAT), will aid him in achieving the bank's financial goals and objectives, and keep Happy at the forefront of the banking industry.

Originally from Whitehouse, Texas, Williamson has twenty years of experience in the banking industry. He earned a Business Administration degree in Strategic Management from the University of North Texas. Currently, Williamson serves on the Board of Governors for Northwest Texas Healthcare System. He and Stephanie, his wife of 18 years, have two daughters: Kate (13) and Clair (9) and they attend Hillside Christian Church.

"We are quite proud to promote Mikel to President and Chief Operating Officer of the Happy State Bank. He is an outstanding leader, banker and family man. Working alongside the entire executive team, Mikel's charge is to further the legacy of Happy State Bank. He excels at his every endeavor, and is highly respected in our bank, our industry and our community," stated Hickman. "I look forward to his taking on this greater role in our bank, and I know he will lead with great character and excellence," Hickman added.

While considered to be a larger community bank with asset size of \$3.4 billion, Happy State Bank continues to offer the best high-touch customer service with superior banking products. Happy has been voted a "Best Bank to Work For" in the nation for the past four years by American Banker and Best Companies Group. Bauer Financial, Inc., the nation's leading bank rating firm, has awarded Happy the Highest Rating for Financial Strength, while Independent Banker Magazine has named Happy as one of the "Top 50 Fastest-Growing Community Banks in the United States," (specifically #14). Happy employees credit these accolades to the bank's unique culture. There are 20 core values in place that serve to inspire a work environment that people enjoy coming to each day. "Family First," "Laugh at Work," and "Attitude is Everything" are just a few of the values that keep employees happy, as well as engaged.

Stratford, Texas (5/14/18)- Stratford ISD is pleased to recognize 26 students who earned industry certifications this academic year. Through the intensive certification program, these students have gained essential career skills in various Career and Technical Education (CTE) subject areas that will promote a successful transition to postsecondary education and the workforce.

Students with these certifications have received the necessary background and knowledge in their respective fields of interest that will lead them to a valuable and meaningful career. To earn the certification, each student completed the required coursework and passed a rigorous final exam.

RED, WHITE & BLUE JAMBOREE BANNERS

The Stratford Volunteer Fire Dept will be taking care of the banners again during Jamboree Week, this is a fundraiser for the VOLUNTEER Fire Dept. Most people don't see the firemen doing these things for the community but that's how they get done. The banners go up Sunday before and come down the Sunday after the Jamboree. These people do this on their own time, no matter what the temperature outside; they make sure the banners are up. Early Saturday morning, they're out there putting the flags up on Main Street for the parade. We couldn't do it without them! New banners were bought last year and paid for by this fundraiser. Banners are \$50; you can mail a check to the SVFD @ Box 45, drop it by the SCDC office or give it to Fire Chief Danny Davis. We are so lucky that the SVFD supports Stratford & Sherman County!!

ALL proceeds go to the Fire Dept - Please support them!!

Deadline to reserve a banner is June 20, 2018.
