

## GATHERING OF CLUB WOMEN ENTHUSIASTIC

307 Men and Women, Representing 15 Communities, Enjoy Cafeteria Lunch

Every Home Demonstration Club in Floyd County, fifteen in number, had representatives at the all-day gathering of the county's club women in Floydada last Saturday and had a part in one of the largest exhibits of home improvement articles in rugs and linens ever made in this county. Nearly two-thirds of the club women of the county were present a part on all of the day, and 307 club women and husbands partook of the cafeteria lunch of individual dishes brought by members spread at noon.

### Special Feature Stressed

Although the competition among club women for the many prizes offered was keen and much interest evinced in the discussions present on the merits of the various articles on display, the social feature of the assembly, which brought together women from all sections of the county to meet and know each other better, was stressed throughout. The response to the expressed desire of officials for better inter-community acquaintance and friendship was enthusiastic and gratifying. While it was planned that a portion of the program should be completed before noon, it was decided that all formalities would be dispensed until after that hour. Club women (in numerous instances, accompanied by their husbands) were present from Starkey, Pleasant Valley, Harmony, Sand Hill, Irick, Blanco, Mayview, Campbell, Pleasant Hill, Lakeview, Roseland, Sunset, Providence, Prairie Chapel and Antelope.

In the afternoon Miss Bess Edwards, Assistant State Home Demonstration Agent and Miss Minnie Mae Grubbs, District Agent for the Panhandle District, made talks following introduction to the assembly by Miss Blanche Bass. They discussed the merits of many of the various articles on display, and following their talks the winning articles on display, together with the member's name and club, were announced.

A count of the articles on display, showed 139 pieces displayed by the women, representing the fifteen clubs of the county.

### Pretty Prizes Given

Following are the winners announced:

Wool braided rug—first, Mrs. S. H. Horn; second, Mrs. R. H. Ashton; third, Mrs. S. E. Garner;

Punched yarn rug—first, Miss Mattie Thorp; second, Mrs. Mal Jarboe; third, Mrs. G. L. Snodgrass;

Cotton Braided rug—first, Mrs. George Stiles; second, Mrs. W. H. Bethel; third, Mrs. C. E. Bartlett;

Hooked string rug—first, Mrs. J. P. Officer; second, Mrs. C. F. Harris; third, Mrs. T. B. Mitchell;

Chenille punched rug—Mrs. R. J. McLaughlin;

Table cloth and napkin—first, Mrs. C. Parkey; second, Mrs. Joe H. Smith; third, Mrs. David Battey;

Lunch cloth and one napkin—first, Mrs. C. B. Jones; second, Mrs. Charles Eckels; third, Mrs. W. A. Whitlock;

Pillow case—first, Miss Edna Loe; second, Mrs. C. A. Caffee; third, Mrs. C. Harris; fourth, Mrs. W. A. Whitlock;

Dresser scarf—first, Miss Gertrude Davis; second, Mrs. C. A. Caffee; third, Mrs. Ogie West; fourth, Mrs. J. T. Cole;

Center piece—first, Mrs. Clay Johnson; second, Mrs. C. A. Caffee;

Best towel—first, Mrs. E. J. Womack; second, Mrs. C. A. Caffee; third, Mrs. C. Harris; fourth, Mrs. S. R. Wright.

The prizes awarded all were merchandized by mercantile establishments in Floydada and Lockney, all of them useful or some of them rather rare.

### Good Profit Shown

Good profit was shown, in the finding of the making of the many articles shown, according to figures computed at the meeting. These figures show the total cost of all articles entered was \$113.67. The quite conservative estimate placed on the completed articles entered was \$652.81, netting a profit of \$539.14.

At the closing of the afternoon a pretty way was taken to induct the club presidents and council members, when little Miss Edna Mae daughter of Mr. and Mrs. Joe H. Campbell, dressed as a fairy, the names of the various presidents and officials and presented each in a separate carnation. Through the lit- tle girl's aid, Miss Bass was also pre- sented with a handsome talking ma- doll. Mrs. Grace Bass a beautiful bouquet of flowers, in token of the re- ception of the club members for them.

## Massie Gaining Strength After Influenza Attack

Massie, who had been confined for several days with a rather bad case of influenza, is reported as gaining strength slowly. He is able to be out of the time now and will be able to resume his business attention in a short time, it is thought. He, who has also been ill, is as considerably improved.

## Superintendent And Members Of The Floyd County School Board.

## States Telephone Company Toll Line Will Be Constructed Into Floydada

### Exchanges at South Plains And Silverton To Be Tied In Here.

States Telephone Company, an organization with exchanges at a score or more of towns and cities of the plains and lower panhandle, and a rather extensive mileage of toll lines throughout this section, will construct a toll line into Floydada from Silverton by way of South Plains, it was announced out of Silverton and South Plains last week.

### Exchange at South Plains

These statements were confirmed by R. B. Fairly, of Lubbock, general manager of the company, Wednesday afternoon and the additional fact was made public that these towns would be connected with Floydada with a metallic circuit toll line that would be constructed on to this point as soon as materials now enroute can be unloaded and placed on the ground.

Mr. Fairly said over the telephone Wednesday afternoon that the line out of Silverton is already under construction, practically all the poles for the line being on the ground. Construction work has also been in progress between that place and South Plains according to reports, with several miles of the line of poles already in the ground. That this company will construct and put into operation a telephone exchange at South Plains was a report given out last week, which Mr. Fairly also confirmed. "The toll lines will be put into operation first, of course," he said, "so as to give the people of the new community outside connection," following which construction of the exchange would start, he said.

States Telephone Company owns and operates the exchanges at Clarendon and Memphis, Paducah, Roaring Springs, Matador, the towns on the Crosbyton Branch of the Santa Fe and towns north-west of Lubbock on the Santa Fe cut off, as well as other properties in this section. They own the toll line that now operates between Floydada and Ralls and which is used for telephone communication now from this point to Ralls, Crosbyton, McAdoo, Afton, Roaring Springs and Matador. They also own some properties on the new line of the Fort Worth & Denver.

The properties they own were first developed by E. H. Hendricks, now of Crosbyton. Later it is said they were acquired by a Chicago Syndicate, and the new owners, for whom Mr. Fairly and associates are operating the line, are said to be California interests who purchased the properties some ninety days ago, according to the reports reaching The Hesperian office.

That the new line will be of great value to Floydada in getting communications through to the northeast portion of Floyd County and to points in Briscoe and Hall Counties, is the immediate point of interest to local people in the development. Difficult telephone communication to points north, northeast and east have largely hampered business relations with those sections in the past, local business interests have said, and the new line, which will afford quick direct connection to Silverton, Quitaque and South Plains in particular, will be of incalculable mutual benefit, it was declared in responsible quarters here late Wednesday.

### FINED FOR SWINDLING

Johnny Johnson, of the northeast part of the county, was found guilty by a jury in county court this week of swindling by giving a worthless check, and was assessed a fine of \$25 and costs of court.

Mrs. R. O. Stark, of O'Donnell, arrived Wednesday to spend several days here visiting with her parents, Judge and Mrs. Wm. McGehee.

## Precinct Conventions To Be Held Saturday

Conventions for the selection of delegates to the county Presidential Convention Monday, May 8, will be held in the various voting precincts of Floyd County Saturday afternoon of this week, the hour being set for 2:30.

Representation in the county convention will be based on the vote for governor in the respective precincts in the preceding general election, one delegate being allowed for each twenty-five votes in the precinct for the democratic candidate.

The county convention will be held in Floydada Tuesday afternoon, May 8. It will be called to order at 2 o'clock by County Chairman J. N. Stalbird.

## April Building Permits For Floydada \$23,275

April building permits for Floydada during the month of April totalled \$23,275, according to the records of Burl Bedford, City Secretary, the month's total being looked upon as indicative of continued interest in building activity for the community during the spring months, nearly half of the permits having been issued during the last half of the month.

These figures for April bring the total of permits for the first four months of the year to \$113,000, a figure approximately early January estimates.

Following are the permits issued in the month:

Sam Berry, residence, Lot 9 in Block 65, \$4,000;

Mrs. C. Goep, apartment building, lots 6 and 7 in Block 128, \$4,000;

T. C. Russell, repairs and addition to residence, Lot 4 in Block 116, \$500;

Joe M. Day, residence, lots 4 and 5 in Block 138, \$2,500;

Floyd County National Bank, business structure 25 by 50 feet, lot 1 in Block 62, \$4,000;

Mrs. R. C. Andrews Estate, private garage, lot 9 in block 48, \$125;

M. L. House, residence on Lot 13 in Block 89, \$4,400;

C. H. Davis, residence on Lot 4 in block 67, \$2,900;

G. M. Bullard, frame building, lot 15 in Block 20, \$300;

V. L. Elliott, frame building, on Lot 5 in Block 8, Honerhea Addition, \$450.

## Organize Anti-Chicken Theft Association Today

Good attendance is expected this afternoon from all portions of the county at the organization meeting of the Floyd County Anti-Chicken Theft Association, a chairman for each school district having been named recently by Sheriff P. G. Stegall and the organization meeting called for 2 o'clock this afternoon at the Chamber of Commerce rooms.

By means of the organization, Sheriff Stegall hopes to reduce the theft of poultry in the county to the minimum. The plan formulated has proven highly successful in middle western states.

### MRS. J. R. BURRS HURT

Reports from Lubbock, received in Floydada the first of this week, are to the effect that Mrs. J. R. Burrs, former resident of Floydada, was seriously hurt one day last week when she was thrown from a car in which she was a passenger enroute to Lubbock from Abilene.

This report, not confirmed in all the details, said that the accident occurred when the car struck a very rough place in the road near Post. She was being treated Wednesday and is expected to be out of danger at that time.

## Through Passenger Service To Okla. City From Floydada Over Q. A. & P.

## McNary-Haugen Bill Due For Veto, Connally Says

Measure That Would Give Farm Relief Through Export Tariff Submitted by Him as Substitute.

In his address to nearly three hundred voters of Floyd County in the District Court Room in Floydada Tuesday afternoon at two-thirty, Tom Connally, congressman from the Waco District, and candidate for the United States Senate, declared that the McNary-Haugen Bill is due for another veto at the hands of President Coolidge, if it passes the two houses of congress. He also submitted a plan in his address, based on a bill he has introduced in Congress, by which the relief asked for would be obtained for the farmer through an expert duty on cotton and wheat in the same manner that the manufacturing interests are protected through an import duty.

Mr. Connally's talk here was a part of an early campaign tour of a week that carried him to more than a dozen counties of the plains and panhandle, his strenuous program calling for three speeches daily. He is accompanied by his wife on this tour, which will close at Throckmorton on tomorrow, after taking him on a swing through north, central and south plains counties. He seemed to be standing up under the strain of the campaign very well and apparently impressed his audience here and at Lockney.

His crowd at Lockney was equally as good for a forenoon crowd as was his audience here in the afternoon. The speech there was at the Isis Theatre, which was comfortably filled. His speeches at both places were along identical lines. Judge J. N. Stalbird, stalwart of Floyd County democracy for the past twenty years, introduced Mr. Connally in his first Floyd County speech as a Democrat who could be relied upon to represent the state faithfully and courageously in the senate.

In his speeches, both at Lockney and Floydada, Congressman Connally took issue with Senate Earle B. Mayfield, present incumbent, declaring the latter's "title to the office he holds is not a valid one," and that the present senator's plea to the people of the state to send him back to the senate on the second term precedent was not based on good logic.

One of the things with which the speaker charged the present senator was the fact that he voted with the republicans and against the democrats in more than one important party matter. He also played Mr. Mayfield for his part in the effort to get Cyrus E. Wood, of Pennsylvania, appointed as a member of the Interstate Commerce Commission. He also charged that Mr. Mayfield rode the Ku Klux Klan organization into office, while declaring himself not affiliated with that organization.

Prior to his talk Mr. Connally spent nearly an hour on the streets of Floydada meeting the voters, and Mrs. Connally was the guest, following lunch, of Mrs. Geo. A. Linder and T. P. Collins. Mrs. Connally is taking a keen interest in her husband's candidacy. She has been at the wheel of the car on every mile of their long tour through the panhandle, giving her candidate husband an opportunity to rest between speaking points.

A. J. Folly, local attorney, is taking the lead in pushing Mr. Connally's candidacy in this county, having been named campaign manager here. He was much gratified over the two good audiences his candidate had in this county.

## Floydada Gun Club Has Roster Of 35 Members

The recently organized gun club in Floydada, of which J. O. Dudley is president, now has a sizeable membership. Thirty-five members have signed the roster and have been issued membership cards.

The club's grounds are a mile northwest of the city limits where clay pigeon and skeet traps have been built. Bombardment of the elements in an effort to break the elusive pigeons released from the traps have been carried on regularly in an effort to acquire proficiency in the sport. The skeet game is one which requires great accuracy combined with fast shooting. Mr. Dudley the president, has the highest score of any of the members at this game to date.

Ben Roberts is vice president of the organization and Frank L. Moore is secretary-treasurer. It is affiliated with the National Gun Club.

## J. A. Burrus Will Move To Floydada This Month

Announcement was made this week at the office of W. M. Massie & Brother that J. A. Burrus, former resident of this city, and for the past few years of Lubbock, will return to Floydada this month to be associated with W. M. Massie & Brother in the real estate business.

The plan was for Mr. Burrus to begin work the first of the month, but he was detained in Lubbock by injuries sustained by his mother in a car accident. He will be in Floydada soon, and will be joined by his family, according to his plans, soon after the close of the school year.

## The Plainsman Will Make Overnight Run, Fast Connection East.

Information that the Quanah, Acme & Pacific Railway Company has definitely decided upon a through passenger service from Floydada to Oklahoma City, making an overnight run with a modern train from the South Plains to the Oklahoma metropolis, was contained in a dispatch from St. Louis Wednesday morning to The Hesperian.

### Named 'The Plainsman'

This dispatch, which may be thoroughly relied upon, quotes President Chas. H. Sommer, of the Quanah Route, to the effect that this modern train service operating between Floydada and Oklahoma City, will be established as soon as the line gets into Floydada and established on an operating basis. "The new train has been named 'The Plainsman,'" Mr. Sommer is quoted as saying, "And it will be everything that a modern, highclass passenger train should be, including a good schedule that will make good time to Oklahoma City and give connections at Quanah with the Denver for down-state points."

On Mr. Sommer's last visit to Floydada he told several local citizens, including members of the Railroad Committee of the Chamber of Commerce that plans for an arrangement with the Frisco for through passenger service to Oklahoma City were being worked out tentatively and that he hoped to be able to make definite announcement of the arrangement at an early date. The announcement made yesterday is the culmination of this effort and means that this section of the plains area will have quick, direct connection east and north for the first time in its history. Local business interests have been quick to sense the value to this section in prestige and convenience that the good passenger service will give and the news of the definite decision to establish the train will be received with more than ordinary gratification throughout the territory.

### Direct to St. Louis

While the exact schedule is yet to be worked out, the plan, as proposed is that the train, making up in Floydada, will leave about 7 o'clock in the evening arriving in Oklahoma City the following morning shortly after 7 o'clock and connecting with the Frisco's fast train "The Hot Shot," from Oklahoma City to St. Louis and Chicago, giving direct, fast service to two of the greatest manufacturing and distributing centers in America. This will mean a great saving in time on passenger, express and mail service to these centers, as well as to Oklahoma City, and will make Floydada as easily accessible from these centers of manufacturing and distribution as any city or town in the panhandle-plains area. The train from Oklahoma City will leave that city at a convenient hour to make connection enroute and arrive in Floydada sometime in the forenoon, probably around 11 o'clock. Both trains will carry complete equipment including Pullman coach.

It is also pointed out that, in addition to the good service east, the train will also make excellent connection at Quanah with the Fort Worth & Denver for an overnight trip to Fort Worth and Dallas, north Texas' largest distributing centers.

## Street Markers Ordered For 119 Intersections

Street markers for 119 street intersections in Floydada have been contracted for by the city council, which adopted a plan submitted by the street committee composed of Lon M. Davis and B. K. Barker, and probabilities are that delivery will be made during the month of May, as will also delivery of nine-foot two-inch black pipe on which they will be mounted. The posts will be painted with an aluminum paint and set in two feet of concrete according to the plan made.

Street markers to be used will be white raised letters on a blue enameled plate 22 inches in length by four inches wide. They will be mounted on an ornamental plate attachment.

If delivery of the new markers is made in this month, as anticipated, it is expected that they can be set up at the intersections by the middle or latter part of June.

### FAIRVIEW PLAY FRIDAY MARKS FIRST OF CLOSING EXERCISES

Friday night of this week marks the opening of the commencement week program of the Fairview school, when the school play "Nancy Anna Brown's Folks," is to be presented at the school auditorium. Friday, May 18, is the closing date of the school, and the commencement exercises will be held on that date.

"Nancy Anna Brown's Folks" is the final play of the year and the admission charges will help to defray the expenses of the closing exercises. The student cast has been at work for some time preparing for it.

Other entertainment and exercises for the closing of the school will be announced at an early date. Admission charges of 15c and 25c will be made for the school play Friday night.

**RURAL CARRIERS MEETING**

By good fortune Floydada people in general, the Chamber of Commerce, and the postal force in particular are to have as our guests on May 30 the rural carriers of the Eighteenth Congressional District. It is fitting that these excellent people should meet in Floydada and fitting that Floydada should not leave any stone unturned to make their stay pleasant and profitable.

It is fitting that the carriers meet in Floydada because of all the cities and towns in the Eighteenth District, Floydada Post Office is approached in number of miles of rural routes served by only one other office. Floydada might be said to be the papa of the rural route business in the district, the head man of the show. It is fitting that we make the visit of the carriers pleasant here, first for hospitality's sake, and second because rural carriers meet and talk to many people in their daily travels. Like the rest of us the things they talk about are the things that impress them. Proper personal contact with the rural carriers of the district will mean many thousand good words for Floydada in the next twelve months.

**HOW TO PAVE**

So much thinking and talking about paving has been done in Floydada in the past year that many have made up their minds as to the type of paving they would prefer to see done, the width of the paving on the various streets, whether it shall be the boulevard type in the residence section, and so forth.

All of which is very well and good. Fortunately, none, or few at least, have made up their minds that they will not work along with their neighbors however, unless the job is done their own way, and none other. The first thing to do is to make up our minds to the matter of a proper and adequate paving program. The details will likely suit none of us exactly in every particular. And the composite or compromise arrangement will likely be better than if some individual had had the job done his own way altogether. This is the usual rule in business. And paving the streets is strictly a matter of good business.

**THE COMMONPLACE MAN**

At least eighty out of a hundred adults returned in the last census are neither extraordinarily silly, nor extraordinarily wicked, nor extraordinarily wise; their eyes are neither deep and liquid with sentiment, nor sparkling with suppressed wit; their brains are certainly not pregnant with genius, and their passions have not manifested themselves at all after the fashion of a volcano. They are simply men of complexions more or less muddy, whose conversation is more or less bald and disjointed. Yet these commonplace people—many of them—bear a conscience, and have felt the sublime promptings to do the painful right; they have their unspoken sorrows and their sacred joys; their hearts have perhaps gone out towards their firstborn, and they mourned over the irremediable dead. Nay, is there not a pathos in their very insignificance. Is our comparison of their dim and narrow existence with the glorious possibilities of that human nature which they share? Depend upon it, you would gain unspeakably if you would learn with me to see some of the poetry and the pathos, the tragedy and comedy, lying in the experience of a human soul that looks out through dull, gray eyes, and that speaks in a voice of quite ordinary tones.—George Eliot.

**PROFITS REDUCE PRICES**

Profits breed profits and eventually reduce prices. Lack of profit brings on stagnation and lack of progress, raises prices or reduces living standards.

These statements are proven no better in any line, perhaps, than by the automobile industry. Probably no other industry has earned so great profits. Profits have been high enough to permit scrapping machinery as soon as it became out of date and take other means of obtaining the highest industrial efficiency. As a result the prices of automobiles have come down steadily from year to year. Despite the high cost of raw materials and the high wage scales, automobiles are cheaper today than ever before.

But one thing the automobile industry has not insisted upon like some of the others of us have. They find a bad practice and it is eliminated at once; automobile manufacturers have no "grandfather" practices to which they are wedded. Whatever, your line is, check up on yourself and see how many of the things you are doing that are not profitable, are things for which you can give no explanation except that that's the way you did them last year. If profits breed profits, it is also true that losses breed losses. Eliminate one loss and it eliminates others.

**SENTIMENT FAVORS PAVING**

No better proof of the fact that sentiment in Floydada is for an ambitious paving program than talking with the taxpayers and property owners. Most of these want a paving program that will give the town an equal "break" with competing communities, for communities compete in friendly fashion just as do individuals. Floydada is behind the procession now in paving more especially. It has been behind in the matter of an economic and adequate water supply. It has caught up, or will do so within the next sixty-days in the last-named respect. Paving is the next logical thing, as you will find the taxpayers believe, if you will take the trouble to see and talk to them.

**'Round The Square**

BY OLD BATTLEAXE

"Eureka! We have found it!" At last it has been found why the people of Floydada have been so slow to pave their streets. According to a Lubbock newspaper, a Massachusetts child run over by a wagon in the street in front of his home, was only slightly injured because the thick mud of the street's surface acted as a cushion for his little body.

Now, we knew it. We knew that there was some reason why the good people of this city would not pave. We knew it was not just because some of them were just so tight that they wouldn't invest some money in the streets. Oh no, we wouldn't accuse anyone of that!

And speaking about investing money reminds us of the following conversation overheard round the square this week:

"What was the old man worth when he died?"  
 "No man is worth much when he is dead."  
 "I know, but what did he leave?"  
 "Everything he had!"

The street situation is very much like the highway problem. It's up to the public to make the next move. The City Council has promised to pave some twenty-five blocks in this city—and the State Highway Department has promised state aid in paving the highway. It's up to the people of Floydada and Floyd County to make the next move.

Wonder what some of the Saliva Slingers round the square would get out of life if everything was so perfect they couldn't do any knocking?

Although the Floydada Base Ball team took a losing on their opener, they are greatly encouraged with the start they have made. Things look mighty good for some hot games this summer—if the town will back these boys up. How about it, fans?

Sow an act, you reap a habit,  
 Sow a habit, you reap a character,  
 Sow a character, you reap a destiny.

Nope,—old Battleaxe has not forgotten about those large electric lights that "We" were going to put on top of the court house. Have you, Mr. Councilmen?

Tuned in on the radio the other day and picked up a program given in honor of two more Atlantic flyers. It's about time for some one to offer a \$50,000 prize for the first set of twins who fly the Atlantic from opposite directions and exchange a baton in mid-ocean.

Tried to tune in on something else and got a station broadcasting a solo by a woman who was hittin' on one tonsil—and then decided to shut her down—just like we will do this column after the next spasm.

Keep your face with sunshine lit—  
 Laugh a little bit.  
 Gloomy shadows oft will fit,  
 If you have the wit and grit  
 Just to laugh a little bit. —Swiped.

**14 YEARS AGO IN FLOYD COUNTY**

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

**ISSUE OF MAY 7, 1914**

The Motley County Railroad Company has decided upon using a gasoline engine on their road which extends from Matador to a point of intersection on the Quannah, Acme & Pacific. The engine is to be of a large size and will handle all manner of railroad work. It will not be put into use until about July.

The estimated calf crop in Floyd County this year is about 20,000 according to conservative estimates of cattlemen.

A recital by the pupils of Misses Edith Edwards, expression teacher, and Miss Bell Hobbs, piano teacher, will be given on Wednesday evening of next week at the high school auditorium.

Small interest was manifested in the school trustee election held in Floydada last Saturday. Only forty nine votes were cast, and all out-going mem-

bers of the board were re-elected. The board is composed of the following: E. C. Nelson, V. Andrews, W. A. Robbins, A. L. Bishop, J. S. Pool and J. B. Bartley.

A grave has been recently discovered by R. A. McKee on White Creek, better known as Cat Fish creek, and on close observation a small rock used as a tombstone was unearthed bearing the name of W. M. Max, Company K, 4th Calvary, Died Sept. 4, 1874. This brave soldier's grave is probably not known to many.

Jim Shepherd of Lockney was in Floydada Monday on business.

M. A. Crum, of Friona, visited here Thursday afternoon of last week with his sisters, Misses Mollie and Lucy Crum.

**160-Acre Farm Near Aiken to be Managed by Wayne Thomas as Study in Best Agricultural Practices.**

Announcement was made this week of the consummation of plans by which the Lockney Cotton Oil Company and the Plainview Cotton Oil Company, will jointly operate a 160-acre farm three miles north of Aiken in Floyd County as a demonstration farm for the purpose of trying out practices in diversified agriculture by irrigation in this section.

The model farm, according to the information given Judge Wm. McGehee this week, will be operated on a business basis, careful accounting of costs made and equal shares of the expense borne by the two mills. This week E. W. Thomas, former Hale County Agent, took charge of the farm and has started up the irrigation well on the farm, a Texas Land & Development Company tract, for the purpose of irrigation to begin planting cotton. In addition to the time Mr. Thomas gives to the farming project, it is the plan that his services as a specialist in feeding and dairy farming will be available to farmers in this section, according to the reports received here.

Natural gas will be utilized for fuel for the irrigation project, it is said. This week the West Texas Gas Company was given a permit by the Commissioners' Court to lay gas mains for a distribution system in the streets and alleys of Aiken, and from Aiken the company will construct a line to the model farm, where the installation of power equipment to utilize gas as fuel will be made.

The entire 160 acres will be put under irrigation and will be planted in wheat, cotton, grain sorghums and alfalfa. Cows, chickens and brood sows will also be maintained, and during the winter months beef cattle or sheep will be fattened out when it appears profitable to the manager.

try involving the many other perplexing questions will be asked by those who see "Oh, Kay" presented at the High School auditorium on May 11, according to members of the Senior class who will present the play. "Oh, Kay" is a deep mystery play being given on Friday, May 11, as the annual Senior class play. Proceeds of this play will go to defray the expenses of the senior graduation exercises. The cast of characters is as follows: Edith Whitman—Lois Hill; Arthur Whitman—Truman Webb; Evelyn Whitman—Evelyn Maddox; Captain Whitman—U. S. Marshall; Gram Pembroke—Ollie Belle Collins; Grant Pembroke—Orville Moore; Alice Borden—Cecil Covington; The Black Terror—Harold Porterfield; Kay Millis—Ouida Bell; Fred Alden—Pike Hanna; Jim Hayes—Oran Mowery. The hour has been set at 8 o'clock.

**ANTIVENIN, AT CLUB GROUNDS, IS ANTIDOTE FOR SNAKEBITES**

Antivenin, an antidote for snakebites, put up in hypodermic form for immediate use, has been left with the keeper of the grounds at the Floydada Country Club, the decision to purchase the snake poison antidote being decided up recently by the board of directors of the Country club, on account of the increasing general use by the club members and their families of the playground on Blanco Canyon.

While the need for an antidote is rare, the positive result obtained from antivenin is such as to make it of great value in case it is needed.

Dr. Andrews Tuesday said the cost of the dose is \$25 and that when its use is made necessary, the person using the dose is expected to replace it with another dose, so as to have the precaution against rattlers ever present and quickly available.

Mrs. A. B. Keim left Friday for Waco, where she will visit for several days with her parents.

The Pleasant Valley Home Demonstration club met April 25 in an all-day meeting with Mrs. H. O. Shurbet. We quitted a quilt for the Home Demonstration Club and P. T. A. Miss Bass was with us and gave an interesting demonstration on Quick Breads in the afternoon, which was greatly enjoyed by all. Eight members were present. Mmes. Sams, Coleman, Collins, Griffith, Reeves, were our visitors. Mrs. Griffith joined our club.

Our next meeting will be held May 9. "Pictures" will be the subject. Mrs. W. C. Hubbard the hostess, and Mrs. Craft hostess. Following is the program:

- "The value of good pictures in the home,"—Mrs. Hubbard;
- "Classification of pictures,"—Mrs. Sammons;
- "Correct hanging of pictures,"—Mrs. Holmes;
- "Exhibit of pictures appropriate for the various rooms with stories,"—Mrs. Fry.

**NORTH SIDE SINGERS TO MEET SUNDAY, 1 P. M., AT SUNSET**

The North Side Singing Convention will be held with the Sunset Class at Sunset Sunday, May 6, beginning at 1 o'clock in the afternoon, it is announced by G. C. Hillburn, president of the Convention.

Everyone is invited to come and spend the afternoon in singing gospel songs.

**RECOVERING FROM OPERATION**

Little Nell Stevenson, daughter of Mr. and Mrs. T. S. Stevenson, of this city, is believed to be recovering satisfactorily from a mastoid operation performed Monday morning at a sanitarium in Lubbock.

Mr. and Mrs. Stevenson accompanied their daughter to Lubbock, Mrs. Stevenson remaining while Mr. Stevenson returned home last night.

**SOUTH HAS GREAT FORESTRY POSSIBILITIES**

Elimination of the huge losses from fire, which annually sweeps over a greater acreage in the South than in any other section of the country, is the biggest forestry problem now confronting the Southern States, says the Forest Service, United States Department of Agriculture.

This problem, involving the checking of deliberate woods-burning and the extension of organized fire protection, will be given special consideration in the South this week, in connection with the nation-wide observance of American Forest Week.

With conditions favoring the rapid growth of trees, and large woodland areas available, the South has great forestry possibilities and the development of its forest resources is closely linked with the future prosperity of the Southern region, in the opinion of the Forest Service. Considerable advances already have been made in the development of organized fire protection, and the owners of large timber land as well as the small woodland owners are taking up the rehabilitation of cut-over and burned-over lands in increasing numbers.

The practice of deliberate woods burning prevalent in the South, contributes in considerable measure to the annual loss from fire. This is done by farmers to "green up the grass," or with the mistaken idea that it destroys cattle ticks, or often from pure habit or tradition. The practice causes huge damage to young growth, slows down the rate of growth of older timber, and prevents the re-establishment of new growth on depleted woodlands.

The ideal which is looked forward to in the South by the "forest-minded" is the establishment and maintenance of growing timber crops on all lands which are not suited to or needed for agricultural use. On some areas this requires planting to restore the land to productive condition. On all areas it requires systematic fire protection and sound forest management.

A practice in good forest management which can easily be put into effect by all woodland owners, says the Forest Service, is the selection for fuelwood of inferior trees—those which are crooked, limby, or diseased—instead of taking the best trees—the tall, straight ones that will be most valuable for timber. This simple practice, universally applied, would, it is declared, go a long way toward the improvement of woodlands in the South.

**WEATHER FORECASTS**

Fame and fortune await the man who can discover some method of making accurate long-range weather forecasts. Such a weather prophet would be worth all the hire he asked if he could tell how much rain would fall here next August. He would save the farmers a great deal of money and worry.

The Chief of the United States Weather Bureau in Washington recently made himself the center of a word storm because he denied the ability of weather prophets to make such long-range forecasts with any degree of accuracy.

Official forecasters do not pretend to foretell the weather for more than a week or so ahead, and two or three days is nearer their normal prophecy. But at that there may be some method of telling, other than by mere conjecture, what the temperature and rainfall will be for months ahead. If there is any such method, its discovery would be a great relief to the best possible kind.

**Locals and Personals**

J. Evetts Haley, Field Secretary of the Panhandle-Plains Historical Society, visited in Floydada a short while Tuesday evening while enroute to Canyon after attending a convention of the Texas Folk-Lore Society last week in Austin. Mr. Haley gave an address at the meeting.

Ed Bishop spent last week-end and the first of this week in Fort Worth on business. He left last Wednesday evening. He was accompanied as far as Wichita Falls by Mrs. L. T. Bishop who is visiting with her mother and sister in Whitewright.

home of Mr. and Mrs. W. T. Hamilton renewing friendship of former days. Rev. Coffman just recently closed a meeting at the Roseland Baptist church. Mr. and Mrs. Tell Nix, of Plainview, were in Floydada Wednesday. Mrs. Nix visited Mrs. M. L. Probasco while Mr. Nix attended to business. Mr. and Mrs. P. S. Wolfe spent Sunday with Mrs. Wolfe's sister, Mrs. E. B. Massie and family while enroute to Dallas.

week with her parents, Mr. and Mrs. H. Hilton. Mrs. E. D. Avary, of Seymour, arrived Friday for a visit of several days with her daughter, Mrs. A. J. Brown. L. A. Marshall left Monday for a business trip to Dallas. He plans to fish near Wichita Falls enroute. Miss Laura Dunavant spent the week end in Portales, New Mexico visiting relatives.

night from Lubbock since the first of the daughter, Nell J. D. Starks read part of last week from as, where he attended the convention of Postmaster Misses Bonnie Mickey of Lockney, spent Tuesday as the guests of Miss O. Beavers.

(A) The Wind—Ming. (B) Sparkling Fireflies—Mattingly—Mary Anna Ross.

Bread and Jam—Thelma Joe Hamilton. Tomboy—Bert Ione Smith.

Star Dust—Lawless Jones. A Parent Reprimanded—Virginia Belle Gamble.

The Dance—Edelle King. Told at Twilight—Kern—Catherine Fitch.

Medals awarded by D. M. Hopper.

entertained his Sunday School class at the parsonage Thursday night with a party. Flinch and forty-two furnished diversion during the evening.

Refreshments of ice cream and cake were served to the following guests: Misses Ruth Enoch, Myrtice Meador, Blanche Enoch, Williams, Irene Probasco; Mmes. M. L. Probasco, L. H. Dorrell, Champ Walters; Messrs. Gordon Thomas, Gwilym Enoch, A. D. Summerville, J. W. Owings, Henning Carlison and Layton Dorrell.

**Hundred Eighty Characters in Cast "America's Child."**

East Ward School children will be presented in a pageant, "America's Child" at the East Ward School Friday night, May 4, at 8 o'clock. Approximately 180 children, in elaborate costumes, will compose the cast in the pageant which will be under the direction of Mrs. A. H. Thornton, Mrs. G. F. Klebold, Mrs. Hazel Hughes; Misses Lela Swain, Emma Lou McKinney and Vera Hamilton.

The three parts of the pageant will represent his heritage, his country and his nation. Various characters will represent Pilgrims, Irish People, soldiers, sailors, wood nymphs, water sprites, birds, flowers, butterflies and bugs.

**District W. M. U. Meeting Held At Lubbock.**

Baptist Women of the Plainview district met in Annual session at the Baptist church of Lubbock Thursday night and Friday, April 26 and 27 with 300 in attendance, 150 visitors and delegates and 150 of the local members in attendance, is the report given by Floydada visitors who were in attendance.

Those from the Baptist Missionary Society of Floydada who attended were: Mmes. Geo. A. Lider, I. W. Hicks, O. Stephens, B. L. Blacklock and Mrs. E. L. Norman.

Rev. W. R. Hill, city and L. L. Cooper, of Ft. Worth, who conducted a stewardship revival in Floydada last week were also in attendance.

Rev. Cooper appeared on the program giving a talk on "Stewardship" taking the place of Mrs. Lon V. Smith who was to have given the talk but was prevented on account of illness.

The meeting will be held at Plainview next year.

**Kindergarten Class Presents Delightful Program.**

The Kindergarten class of Mrs. Harper Scoggins gave a varied and unique program at the high school Thursday night, April 26. There was a large attendance and the generous and spontaneous applause which rewarded the efforts of the little tots testified to the success of the evening. The elaborate costumes worn by the little entertainers was a feature of the program and the splendid manner in which they presented each number was a reflection of the thorough training given them by their teacher.

The program follows: Fairy Song—six little girls in costume; "A secret," Leemah Norman; "What I Can Do," Janette Bratton; Orchestra Numbers, "Marching Through Georgia and "The March Song," by the class; "I Wouldn't Be A Girl," Harper Scoggins; "Don't You Think So," George Tyler; Group of Songs, by the class; "Naughty Rosabel," Vera Nell Marshall; "At Night Time," Thomas Buchanan; "How Johnny was Fooled," Winston Blacklock; Orchestra Number, tiny tots, Dale

### IT DRIVES OUT WORMS

The surest sign of worms in children is paleness, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by FLOYDADA DRUG CO.

city, Mr. Deakins said that in a way, this exceeded any of his past efforts in bringing high class entertainment to Floydada. Collegiate Film Company, he says, has been engaged in producing home-talent movies for several years, and the quality of their productions are of the highest calibre. People of this vicinity will be given an opportunity to see people they know making real movie scenes on the stage at the Royal tonight and Friday night, according to Mr. Deakins. At that time the interior scenes for the special comedy will be filmed on the stage. These scenes will be different each night, as it takes two nights to make the necessary number of scenes for the picture. The audience will have the pleasure of seeing the scenes in the making. On the following Friday and Saturday night, May 11 and 12, the completed and developed films will be shown at the same theatre.

In addition to the comedy Mr Deakins has made arrangements to have a number of scenes shot in and around the city, showing the points of civic and industrial interest, also street scenes. A number of these scenes will be made Saturday, May 5, so those who are on the streets Saturday will likely be filmed and get a big kick when they see themselves on the screen at the Royal. Pictures will also be made of the grammar and high school students. Those who desire to see themselves in the movies should register their names at the theatre box office, Manager Deakins said, and it is possible that some of those registering will be selected for parts in the film. Several kiddies will be used in the picture and it is suggested that parents having kiddies four or five years old, register them for possible use in parts.

### 124 GRADUATES IN SIMMONS SENIOR CLASS THIS SPRING

Abilene, April 30.—One hundred and twenty four seniors will be graduates from Simmons University this year. This largest class in the history of the school represents all parts of Texas, and the states of Louisiana, Oklahoma, and New Mexico.

Fifty towns are represented in the class. Joe Breed of Floydada is a member of the class. Breed has served this year as business manager of the Brand, college newspaper, and has been a prominent member of the class in all activities, besides being a member of the scholarship society, the highest honor to be attained in scholarship.

### COOLING SYSTEM AT LEWIS CAFE IS MADE MODERN ONE

By the installation of Frigidaire water and food cooling in both kitchen and dining room the Lewis Cafe has completely modernized its system for the preservation of foods and cooling the supply of water for drinking. Installation of the new system was completed last week.

By the use of the new cooling system the cafe is able to maintain a proper temperature in all its cooling boxes for the preservation of foods, and the matter of maintaining a constant supply of ice cold water is reduced from a problem to a matter of no trouble whatsoever. "We are constantly on the lookout for new and better means of serving our trade," Mr. Lewis, manager and proprietor said last week.

### J. H. HARRIS BUILDING BRICK IN TULIA FOR NEWSPAPER MEN

J. H. Harris, of this city, who has the contract for the construction of a \$14,600 business brick in Tulia for Englemann Brothers, newspaper men, publishers of the Tulia Herald, has completed the first unit of the building, a room fifty by fifty feet, which the publishers have occupied with their plant. This week he begins work on the remainder of the building, completing it into a building fifty by 150 feet, fifty by one hundred feet of which will be occupied by the Simms Oil Company as a distributing station.

## Second Big Gravel Concern Announced To Exploit Deposit In Floyd County

Quitauque Creek to be Scene of Ft. Worth Concern's Operations.

Information that a second big sand and gravel deposit in Floyd County will be exploited beginning in the near future, was learned by The Hesperian this week, when W. M. Massie & Bro., agents of the Howard Brothers in this section, let it be known that the Fort Worth Sand & Gravel Company, had taken a lease on land lying along Quitauque Creek in northeast Floyd County and expect to have a plant costing \$100,000, in operation by the time the Fort Worth & Denver line is ready to accept freight shipments.

**Deposit Is Enormous**  
The Fort Worth Sand & Gravel Company is one of the larger concerns operating in this kind of business in North Texas. Their lease on the land was taken only after extensive engineering and exploration of the ground. Negotiations have been under way for many weeks and the final draft of the contract was approved and signed by all parties only recently.

The general public had knowledge of the sand and gravel in this county late in the year of 1927, when it was learned that A. B. Brown had taken a lease on land belonging to the Tibbetts and began extensive excavation and tests of an immense deposit of gravel and sand, the extent of which was only guessed at. More recently, it is reported that this deposit will be exploited by the installation of a plant with a huge capacity. This plan has not been commended definitely by Mr. Brown but it is known that the deposit is of such proportions that a plant with an

unusually large capacity would operate for years and years without exhausting the supply of excellent aggregate material found.  
Similar development will be made by the Fort Worth firm, according to the contract signed with the Howard Brothers. According to the plan of the company, as understood by J. M. Massie, who has had charge of the details in connection with the lease, the installation of a plant costing \$100,000 is to be made on trackage leading off of the Denver line at the Goodnight School house, down Quitauque Creek. The sand and gravel to be taken out of the pits will come out of this creek. All final tests have been made, the engineers reports on the project have been completed and the company is ready to begin building its handling plant as soon as railroad facilities are available. This plant will be put into operation as soon as the Denver is ready to accept freight. It is located in a northwesterly direction from the deposit being put in readiness on the Tibbetts land, a part of which was formerly a part of the Howard lands and acquired by Mr. Tibbetts. The Brown plant is to be operated on a lease or royalty basis on the Tibbetts deposit.

The big deposits of gravel and sand in the northeast part of Floyd County are, in a sense, inexhaustible," J. M. Massie of the firm of W. M. Massie & Brother, said this week, "and with these big plants in operation it is certain that they will be exploited to the immense advantage of the plains area. Another fortunate fact about the situation is that the lessees who are putting in the plants are getting their leases on a basis by which these new Floyd County enterprises can operate to successfully meet any competition they are likely to have from any source." It is Mr. Massie's opinion that the opening up of these new enterprises in the county will mean much more to the county industrially, and that the extent of their operations will be on a greater scale than is really anticipated by the general public.

## Five F. H. S. Athletes Attending State Meet

Local Students Representing District In Interscholastic Track and Field In Austin.

Five Floydada High School athletes left Wednesday morning for Austin to represent District Two of the Panhandle section in the annual state Interscholastic League Track and Field meet this week-end. Those attending are U. S. Marshall, John Edwards, Harold Porterfield, Raymond Williams and Weldon Moore.

Marshall won the right to enter the state meet when he crashed the district record on discus throw recently at the district interscholastic meet in Lubbock. Marshall now holds the district record. This is his first year to attend the state meet in Austin.

John Edwards is attending the state meet this year for the third consecutive time. He is representing this district in two events—the shot put and the mile relay. Edwards won first place in the shot put in Lubbock recently and was a member of the F. H. S. mile relay team that won second place in the meet.

Other members of the relay team attending the meet are Porterfield Williams and Moore. Porterfield represented this district last year in the javelin throw and Moore went to the state meet last year as a member of the relay team. This is Williams' first trip to the state meet.

This year marks the fourth consecutive year the Floydada High mile relay team has been represented in the state meet at Austin. The boys are being accompanied to Austin by Supt. W. E. Patty.

## Victims Of Auto Wreck Buried At Fort Worth

Funeral services for Mrs. C. I. Miller, 46, and her daughter, Miss Winona, 22, were conducted at Boulevard Methodist Church in Fort Worth Thursday afternoon of last week. Rev. E. P. Williams officiating, and interment was in Mount Olivet Cemetery.

The women were killed on the highway toward Lockney four miles out of Floydada Tuesday night of last week about 8 o'clock when the car in which they were enroute to Lockney, overturned at a turn in the road at the Santa Fe crossing, killing the women almost instantly. C. I. Miller, husband and father, and Leo, son and brother, were in the car, the latter sustaining slight injuries and the former escaping injury. The family were to have made a surprise visit at Lockney with relatives, among whom are two sisters of Mrs. Miller, Mrs. E. M. Horton and Mrs. S. F. Byars, and a niece, Mrs. D. F. McDuffee. Mrs. Horton and the McDuffee's accompanied the remains of the deceased relatives back to Fort Worth for burial.

## Notice Of Appeal Given In One Of Jones Cases

Notice of appeal was given in county court by attorneys of Glenn Jones Friday of last week following his trial in county court on a charge of aggravated assault. The jury returned a verdict assessing a fine of \$150 and jail sentence of 120 days.

In a companion case tried immediately following the close of the first trial, Fred Jones was declared not guilty of aggravated assault, but guilty of simple assault and assessed a fine of \$25 and costs by a jury verdict returned early Saturday.

The cases were tried separately on a plea of severance, the two young men having been charged jointly with aggravated assault on W. D. Standifer. The latter was severely beaten late Monday evening, April 9.

The crowds which heard the trials taxed the capacity of the district court room, the widespread acquaintance of the parties creating much interest. Attorneys Ayres & Payne represented the defendants and Attorney G. E. Hamilton, of Matador, assisted County Attorney R. A. Sone in the prosecution.

## BASEBALL CLUB TAKES LOSING IN HOT OPENER WITH SNYDER

Although the Floydada Baseball Club came out with the little end of a 5-3 score in their opener last Sunday afternoon against Snyder, members of the newly organized nine are greatly encouraged with the start they have made. Every member of the club points with pride to the fact that they held the older and more experienced club to a 3-0 score for six innings. In the seventh period, however, the Snyder team ran in four scores and succeeded in bringing in one more man before the last inning.

The Floydada club was organized some two weeks ago among business men and fans of this city, with the purpose of matching several games with neighboring towns this season. Sunday's game marked the first clash of the season and members of the club are far from being in first class shape and in the peak of condition. With these facts in view, those sponsoring the new organization are pleased over the possibilities of the club, following the showing made in the opener Sunday.

Local batteries in the opening game were Palmer, Lively and Hanna. All three men showed good stuff and promise high class ball before the season closes.

Efforts are being made this week-end by Manager T. L. Callaway to match a game for next Sunday afternoon with a Lockney team.

Mr. and Mrs. E. C. McReynolds and children, of Wichita Falls, have moved to Floydada to make their home and Mr. McReynolds has taken employment with F. C. Harmon, as office man in the furniture and undertaking business. He began work May 1.

Mrs. W. H. Hilton and daughter, Laura Blanche, spent Sunday in Amarillo. Mrs. Hilton visited Miss Willie McSpadden and Laura Blanche visited Miss Dorothy Snodgrass.

## Campaigns Here

Tom Connally, ex-service man, congressman from the Waco District, and candidate for the United Senate, who addressed two audiences in Floyd County Tuesday in the interest of his candidacy.

## Old Settler Of County Killed In Auto Wreck

Mrs. B. F. Sanders, 60, Victim of Accident near Chowchilla, California.

Mrs. B. F. Sanders, 60, of Chowchilla, California, an old settler of Floyd County, was instantly killed on the afternoon of April 24, when she was thrown to the pavement as two cars crashed on the highway near Chowchilla according to a newspaper report out of California. In the same accident, her husband, B. F. Sanders, suffered possible internal injuries, and several other occupants of the two cars were seriously injured.

Among those injured in the accident were Margaret Clendennin, 11, and Edward Clendennin, 13, grandchildren of Mr. and Mrs. Sanders, and also grandchildren of Mr. and Mrs. J. A. Clendennin, of this city. The younger child suffered deep abrasions on both legs and cuts on the body, and the other suffered minor bruises.

According to the newspaper report, members of the Sanders party were on their way to dine with the parents of the injured children when the cars crashed. Both cars turned over. Mr. and Mrs. Sanders were old settlers in Floyd County having moved here back in the nineties. They resided at Lockney and were widely known in this county. Mr. Sanders was a county commissioner at the time the court house was built. The family moved to California in about 1920 and have been residing there since that time. Mr. Sanders is custodian of the Wilson grammar school in Chowchilla.

## DAIRY DEMONSTRATION DAY

"Dairy Day" and "Separator Demonstration Day" are features this week at Sansell & Collins Grocery, when special plans are being made to have demonstrations on Friday and Saturday. The two days have been set aside to feature their cream separators and to encourage the dairy industry in Floyd County.

The best reasons to feed dairy cows and the best methods to handle cream will be among the interesting topics discussed at the demonstrations Friday and Saturday.

Mmes. George Dickey and R. L. Henry, in company with Misses Regine Brown and Veda Wooten, spent Monday to Wednesday at Lake Kemp on a fishing trip.

B. M. Carter, and C. L. Smith, of Childress, spent Friday here visiting friends. Mr. Carter visited with his nephew, Jim Carter, also.

## Aiken News

Aiken, April 30.—We are all thankful for the light shower that fell last week. Do not give up; it is never darker than just before dawn. The farmers are all busy watering their land, preparing it for their crops.

Mr. and Mrs. Narion Allen and little son visited Mrs. Allen's parents, Mr. and Mrs. D. M. Marshall and other relatives the past week.

Miss Anna Maud Coffey, of Plainview, and Wayne Thurst, of Sudan, called on Miss Leta Mae Marshall Saturday.

Mr. and Mrs. G. W. Tate and family, C. H. Day and family, visited friends in Runningwater Sunday afternoon.

Robt. Jones and family visited in Floydada Sunday afternoon.

Miss Leta Mae Marshall spent the week-end with her sister, Mrs. Clayton Terrill, of the Providence Community.

Aiken school closed Friday, April 19. The different classes gave a short program Wednesday night, followed by graduation services Friday night for the pupils being promoted into high school work. We wish for those who are leaving Aiken school, a great success as they go into other schools to finish their high school work.

All the pupils enjoyed a picnic at the Plainview playgrounds Monday, April 23. Miss Kate Morrison, of this community, underwent a mastoid operation Sunday. She was doing nicely at the last report.

# The Icyball \$87.50

The Icyball is easily prepared to begin its work of keeping your milk, butter, cream, eggs, and all provisions. Ready, Making Its Own Ice

The Icyball makes its own ice and keeps a dry, low temperature at a cost not to exceed 3c per day. Nothing to wear out, nothing to replace, nothing to get out of order. Your first cost is your last cost. Never wears out.

Above picture shows the Icyball at work. The picture at left shows the lady preparing the ice making part of the Icyball. Nothing you can't understand. One ball (called the hot ball) is placed over a stove burner, while another ball connected with it (called the cold ball) is kept submerged in a tub (which comes with it) of cold water. This fire drives the liquid chemical from "hot ball" over into the "cold ball," the hot ball then is dipped for half minute in cold water, then place cold ball inside box, hot ball hanging outside. It begins freezing in 40 minutes and keeps it up 24 hours.

### Society & Clubs

**Tuesday Bridge Club With Mrs. W. H. Hilton.**

Mrs. W. H. Hilton was hostess to the Tuesday Bridge Club at the regular meeting Tuesday afternoon, May 1. In the games Mrs. W. R. Ivey got high score for the visitors and Mrs. A. N. Bratton received high score for the members.

Delicious refreshments were served by the hostess to the following: Mmes. Carr Surginer, Jno. Hammonds, A. N. Bratton, Fred Brown, W. R. Ivey, Blanche Holloway, Aubrey Bishop, Fred Jones, Walter Pennington of Lubbock, Misses Mary Lou Crain, Garnette White and Laura Blanche Hilton.

The club will meet next on Friday, May 11, instead of Tuesday, with Mrs. Carr Surginer as hostess.

**Six O'clock Dinner Honors Mrs. Carl Rhodes.**

Honoring her daughter, Mrs. Carl Rhodes, of Plainview, on the occasion of her birthday, Mrs. Marvin Shurbet entertained a group of girls with a six o'clock dinner at the Shurbet home in the Sand Hill community Tuesday evening. Friends of the honoree of Floydada, Lockney and Sand Hill attended the entertainment and dinner. They spent several hours visiting in Lockney following the dinner.

Among those attending were Misses Oma La Juana Beevers, Claudia Green, Rosa Tinnin and Ruby Tinnin, of Floydada; Misses Alice White, Ruth Stepleton, Beraldine Angel, Hazel Grover, and Pauline Stovall, of Lockney; and Miss Louise Hanna, of Sand Hill.

**Campfire Group Meets With Miss Hazel Probasco.**

Miss Avis Austin's group of the Campfire Girls met Friday afternoon at the home of their president, Miss Hazel Probasco. Although it was necessary for the girls to meet without either of their guardians they had a very interesting meeting with the able assistance of one of the mothers of the group, Mrs. M. L. Probasco.

The girls received their health charts. This group will have the privilege of selling and taking tickets at the Royal Theatre for two nights this week.

At the close of the meeting the girls were requested to follow directions, which were placed on trees and posts, on a treasure hunt. The search terminated at the City Park where a large box of candy was found.

**Two Floydada Ladies Attend District Club Meeting.**

Mrs. Luther Fry and Mrs. R. E. Fry returned home Friday from Dalhart where they attended the annual convention of the Seventh District Federated Women's club which met April 24, in three day session. Mrs. W. L. Fry went as a delegate from the 1922 Study Club and Mrs. R. E. Fry as chairman of scholarships and loans committee of the Seventh District.

The need of county library was especially stressed in an address given by the president of the district, Mrs. F. T. Collins, of Amarillo, is the report given by Mrs. R. E. Fry. Mrs. W. R. Potter, of Bowie, president of the State Federation of Women's Clubs was in attendance and talked on the Biennial meeting to be held at San Antonio May 24.

The guests were entertained with two lovely affairs, one a rainbow luncheon given by the Chamber of Commerce of Dalhart and the second a Dutch luncheon, given by two of the choral clubs of the city.

**Mary Anna Ross Celebrates Eleventh Birthday.**

Mary Anna Ross, daughter of Mr. and Mrs. S. W. Ross, was eleven years old Tuesday, May 1, and celebrated her birthday with a party at her home from 5 o'clock until 7. A color scheme of gold and pink was used very effectively in the decorations and refreshments and also the birthday cake which was gold with eleven pink candles.

Indoor and outdoor games were played by the children after which delightful refreshments were served to: Louise Conner, Dorothy Thurmon, Dorothy Brown, Edelle King, Ruth Key Green, Ruth Roddam, Mardell Mitchell, Gloria Hammonds, Gladys Ruth Brown, Folia Randerson and Junior Boerner.

**Twenty-Five Ladies Enlist For Study Course.**

Twenty-five members of the Woman's Missionary Society of the Methodist church have enlisted for the new study "Studying the Book of Genesis" which

they have just begun. The second lesson was had at the meeting Monday afternoon and the members are finding the study very interesting under the leadership of Mrs. W. W. Porter. The meeting Monday afternoon will be for a business session.

### Social Calendar

Floyd County Federation of Women's Clubs will meet in all-day session at Lockney Saturday, May 5. Mrs. F. T. Collins, district president, of Amarillo, is expected to be in attendance.

Piano pupils of Mmes. Ohmer W. Kirk and E. C. Thomas will present "Music of the Nations" Monday evening, May 7, at the High School Auditorium at 8:30 o'clock.

East Ward School children will be presented in a pageant, "America's Child" at the East Ward School, Friday evening, May 4, at 8 o'clock.

A joint piano and expression recital by pupils of Miss Ruth Collins and Mrs. A. N. Gamble will be given at the High School auditorium Tuesday evening, May 8, at 8:15 o'clock.

Mrs. Aubrey Bishop will entertain the ladies of the Friendship Bridge club at her home Friday evening, May 6, at 7:45 o'clock.

The Woman's Council of the First Christian Church will meet Monday afternoon with Mrs. Ed Brown.

Circles North and South of the Woman's Missionary Society of the Baptist Church will hold a joint meeting at the church Monday afternoon at 3:30 o'clock at the church in a business and social meeting.

The Woman's Missionary Society of the Methodist Church will meet in business session at the church Monday afternoon at 3 o'clock.

District Conference of the Plainview District of Women's Missionary Societies will meet in Floydada May 23 and 24.

Members of the Senior B. Y. P. U. will have their monthly social meeting Friday evening, May 4, at 8 o'clock at the home of Mr. and Mrs. L. A. Marshall.

The American Legion Auxiliary of McDermott Post, will meet Monday night at the Legion Hall, a full attendance of members being requested.

**Owls Forty-Two Club Announcement.**

The Owls Forty-two club will meet Friday night, May 11, instead of Thursday night, with Dr. and Mrs. V. Andrews at 8:30 o'clock.

**Kid Party Given Honoring Negro Minstrel Cast.**

Honoring those who assisted them in giving a negro minstrel recently the American Legion Auxiliary entertained Thursday night at the Legion home with a kid party with members of the Legion and associate members also as guests.

There was a large number present to enjoy the games appropriate for the occasion planned by the entertainment committee with Mrs. Jack Henry as chairman. Punch, ice cream cones and lollipops were served as refreshments.

**Pupils Receive Music Medals At Close of Recital.**

There was a large attendance at the recital Friday evening given at the High School auditorium when Mrs. V. Andrews presented her piano pupils in a program which was the closing of her year's work. Mrs. Ike Jay and Mrs. C. H. Davis contributed to the program by giving several very pleasing reading numbers.

The program closed with the awarding of medals to the honor pupils by Mrs. W. E. Patty. Jessie Bell Massie was awarded the medal for the best memory work. A medal was offered to the three schools and the following were winners: Mary Ann Kimble, Andrews Ward School; Miss Vera Hamilton, East Ward School and Ruth Rutledge, first place and Evelyn Maddox, second, from the high school.

**Federation of Women's Clubs Meets at Lockney Saturday.**

Floyd County Federation of Women's Clubs will meet in semi-annual session Saturday, May 5, at Lockney. Mrs. S. W. Meharg of Plainview and Mrs. F. P. Collins, district president, of Amarillo are expected to be in attendance and will both appear on the program.

The program for the meeting has been arranged as follows:  
Music—Lockney Artist.  
Solo—Mrs. Ed Bond.  
Play—Lockney Girls.  
Address—Mrs. F. T. Collins, district president, of Amarillo.  
Music—Lockney Orchestra.  
Noon.  
Reading—Mrs. Ike Jay.  
Piano Solo—Lockney Artist.  
Address—Mrs. S. W. Meharg of Plainview.  
Business Meeting.

**Miss Willis Hostess To San Souci Club.**

Miss Mabel Willis entertained the San Souci Bridge Club at her home Wednesday afternoon. Mrs. Dallas Husky was winner of high score in the games played during the afternoon.

Refreshments were served to the following: Mmes. Dallas Husky, Fred Wimberly, Terrell Loran, Rip Snodgrass, Fred Jones; Misses Tommie Merrick, Garnette White, Mary Lou Crain and the hostess.

Mrs. Dallas Husky will entertain the club Wednesday afternoon, May 16.

### Band Concert Feature Attraction Wednesday

**Mock Wedding and Floydada's "Salute to Fort Worth" Headliners for Musical Entertainment.**

Wednesday evening of next week, the Floydada Municipal Band will present a concert deluxe as a feature of the commencement week of the Floydada High school. The program will be given in the high school auditorium at 8 o'clock and an admission charge of 25c and 50c will be made.

As a special feature of the program, a mock wedding ceremony will be held. This wedding is sure to create quite a sensation, Prof. A. L. Lundgren, bandmaster, said in giving the details of the program. A special prize of ten dollars will be given to the first person naming correctly the bishop, the bride and the groom, he said. The wedding ceremony was written and prepared by Mrs. Lundgren. Mrs. Ted Chowning will render a vocal selection during the ceremony and various musical numbers will be rendered by the band. "The Runaways" is the title of the wedding feature of the program. Those taking part in the wedding ceremony are Jessie Bell Massie, Dorothy Thurmon, Marlyn Fry, Bettie Jane Rogers, Dorothy Louis Allen, Gladys Watson, Katie Lee Thurmon, Audrey Farris, Jessie Mae Wood, Ruth Jenkins, Virginia Meacham and Thelma Covington.

As other features of the evening's concert, the band will present Gwendolyn Snodgrass and Kinder Farris as saxophone soloists. The band will also render for the first time, its original "Salute to Fort Worth." A complete program for the evening is given elsewhere in this issue.

Proceeds of the entertainment will go towards defraying the expenses of the Floydada Municipal Band when they attend the Chamber of Commerce Convention in Fort Worth in June. Efforts are being made to raise \$500 to pay the expenses of the band, and at the present time, the band has a little over \$175 in the convention fund, according to Prof. Lundgren. "Although we are needing the money badly, we sincerely believe that all who attend this concert will get their money's worth" the director said.

#### NATIONAL EGG WEEK

May 1 to 7 has been designated as "National Egg Week" over the nation and all dealers in eggs, both wholesale and retail, are making special efforts this week to encourage the consumption and the daily use of eggs.

"Eggs for Vitamines" and "Eat 'em raw, boiled, fried or scrambled" are the slogans being used by the dealers in pushing the event and special efforts are being made to popularize these two slogans.

E. M. Deakins, of Snyder, had charge of the Floydada Theatres the first of this week during the absence of his son, J. G. Deakins, who has been ill at his father's home in Snyder. Manager Deakins was back on the job Wednesday evening, however.

"Where You Save The Difference"

### Attract Attention

Network of Long Pipe Lines in West Texas Basis of Discussion for Gas Convention.

Dallas, April 28.—Floydada and other Texas cities which have received natural gas in the last year are attracting attention of gas men throughout the country who will attend the convention of the Natural Gas Association of America here May 7 to 10.

More than 150 towns of Texas were added to the pipe lines which now form a network over the state and these pipe lines will form the basis of many discussions at the convention.

Gas experts of the North and East are looking to this state to solve many problems for them in long line construction and factories are enquiring about the gas development as a source of prospective cheap fuel.

Because of the prominence during the past year of this section of the country in gas expansion, it is expected that the convention in Dallas will be the largest ever held by the association. The exhibit of gas appliances and machinery will be held in the Manufacturers building Texas State Fair grounds, one of the largest exhibit buildings in the Southwest. The meetings of the convention will take place in the Fair Park auditorium. About 1,000 delegates are

from all parts of the United States and from Canada to the meeting. Henry C. Morris, president of the Dallas Gas Company and chairman of the committee on arrangements for the convention, in speaking of the more serious parts of the program said:

"Once it was only the large centers that had the benefits of the quick, clean fuel, gas. Now, especially in this part of the world, we are taking gas to all the smaller cities, the towns, even the little communities, so that with their cheaper taxes, their abundance of space, they can compete on more than equal terms with the cities for big industries of all kinds."

#### J. W. PERMENTER HERE

Mr. and Mrs. J. W. Permenter, of Lovington, New Mexico, are here on a visit with their sons, V. C. and H. P., of Starkey, having arrived some two weeks ago for a visit of four to six weeks.

The Permenter family were among the early settlers in this county. Eighteen years ago they moved to New Mexico and Mr. Permenter is here on his second visit since they moved away. His last visit was ten years ago when he accompanied his son, V. C., here to entrain for the mobilization camps during the war.

Mr. and Mrs. Mark Hanna, of Hereford, and Mr. and Mrs. Frank Jeanes, and children, of Childress, spent Sunday with Mrs. Hanna's sister, Mrs. Lillie Britton, and other relatives.

### Questions On Health With The Answers

#### What Does My Baby Need?

1. My little girl 18 months old has had an attack of diarrhea and her digestion is badly upset. Her bowels sometimes do not move for as many as three days. What can I do to relieve her by home treatment? (Mrs. J. D. A., Elgin.)

1. After even a slight attack of diarrhea or indigestion it takes some time for the digestion to become normal. The condition of the bowels is most important, and where there are irregularities, a mother should promptly send for a physician and not give the baby food until troubles are corrected. If your baby has a tendency to constipation, orange juice may be given her once a day or oatmeal gruel and fruit juices may be used together. Injections and enemas should not be used except on the doctor's order. A properly fed baby sleeps well, gains steadily in weight and should have normal bowel movements.

#### The Signs of Death

2. Please tell me some of the reliable tests of death, do not give those that are too complicated to apply. (John McB., Coleman.)

2. In determining whether death has taken place the condition of the circulation, respiration, the muscular system and the eye must be taken into consideration.

#### Could She Have Tuberculosis?

3. My young sister just out of high-school coughs all the time and I am seriously alarmed about her; will you give me some of the early signs of tuberculosis? (Worried sister, Smithville.)

3. Pain in the chest, and so-called pleurisy pains, are common early in the disease; shortness of breath, especially on slight exertion, may be an early symptom; loss of weight, as not otherwise accounted for, should always arouse suspicion; loss of appetite, often associated with a dislike for such foods as butter, meats and fats; weariness is one of the earliest and common signs of the disease, especially important when it follows measles, influenza or physical or mental strain; spitting blood, hemorrhage from the mouth, however slight, is rarely due to any other condition than tuberculosis. In case any of these symptoms persist, a physician should be consulted.

#### Fevers

4. Please tell me the difference between typhoid and paratyphoid fever? Also, please, how does typhus fever arise? (James O'B., Lockhart.)

4. Paratyphoid fever is distinct from typhoid, but very much like it. It is caused by a bacillus and its mode of propagation is like that of typhoid. It is distinct from typhoid because the germs differ, just as the seed of popcorn differs from that of field corn. Typhus fever is mostly a disease of camp life and is carried by the body louse.

#### JOE BREED POPULAR STUDENT AT SIMMONS, SAYS NEWSPAPER

Joe Breed, of the Lakeview Community in this county, who recently returned home from Simmons University after finishing his four year course, was very popular and highly honored at the school, according to the Simmons Brand, weekly University newspaper of which Breed was former business manager. The Brand has the following in a recent issue:

"Joe Breed, business manager of the Brand, left school last week, to take a position at his home in Floydada, Texas.

"Breed has sufficient credits to receive his A. B. degree in June, and decided to leave school before this term was out.

"Joe has been in Simmons for the past four years, coming here from Floydada High School in the Fall of '25. During his student career he has been very active in extra-curricula activities, and is one of the most popular men in the senior class.

"Besides serving as business manager of the Brand Breed has served as chairman of two important committees for his class this year—the invitation committee and the gift committee.

"Last year Breed was business manager of the Corral, and a member of the Bronco staff. He is a member of the scholarship society, and the B. S. U. Council.

"He will return the first of June to participate in commencement exercises and receive his degree.

"Bernard Buie will act as business manager of the Brand for the remainder of the school year."

Messrs J. E. Hill and E. H. Petty, of Amarillo, vice president and secretary respectively of the South Plains Lumber Company were in Floydada Wednesday and attended a directors meeting of the Company.

Dr. and Mrs. W. H. Alexander accompanied by J. P. Rhodes spent Sunday in Paducah visiting their daughter, Mrs. J. Ross Bell and family.

### Keen Competition Among A. & M. Judging Teams

836 boys and their coaches from every section of Texas registered for the annual judging tournament at A. & M. College last week in the Vocational Agricultural Department of high schools, there being forty-seven teams entered in the plant production division and forty-two teams in the farm shop division. O. T. Williams, coach of the local high school team said the first of this week.

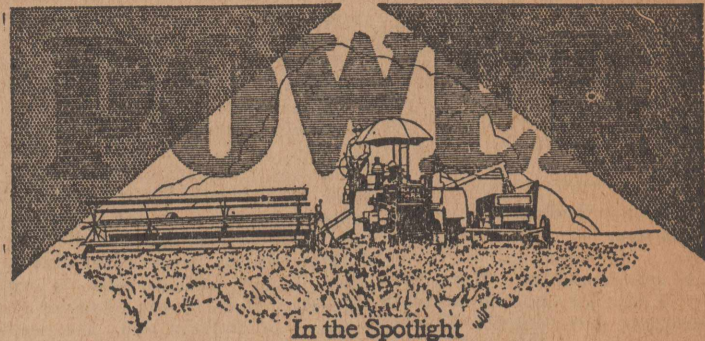

Mr. Williams and his teams reached home Wednesday night of last week. He did not anticipate that his first-year boys would make as good a showing as they did, and he was much pleased with the work the boys did at A. & M. The plant production team, with Orville Pore, Jewel Mara and Martin True, and Elmer Carathers, the latter as an alternate, won first place in the corn judging contest, second in plant propagation (budding and grafting) and second in cotton grading. The farm shop team won first place in the saw filing contest, as reported last week. This team was

composed of J. R. Borum, Orby Glenn, Marvin Williamson, with Raymond Nelson as alternate. In this last-named contest a Henry Dittson saw was the prize awarded the winners.

The boys were accompanied to A. & M. by David Carathers, who drove one of the cars that carried the teams to College Station. Mr. Williams' car was also used to help transport the teams to college and back. The trip was a pleasant, though uneventful one, except for the stay at A. & M., Mr. Williams said.

Fred P. Holt, subcontractor on the caprock climb of the Q. A. & P. Railway Company's roadbed into Floydada, who has been making his residence here for the past two or three months, following completion of his contract, left this week for Pyote, Texas, where he will do contract work. Mrs. Holt and the children will live at San Marcos, Texas, during his absence in the oil fields.

Transfer paper at The Hesperian Office 10c sheet.

## Service Must Go On

Lightning strikes and several telephone lines are out. Rain begins to fall and freeze on the wires, a heavy wind rises, and mile after mile of sleet-weighted telephone wires are torn down.

Or perhaps, just a few drops of water leak through some tiny hole in a telephone cable and several wires are shortcircuited and made useless.

When disaster or damage are reported, our every resource is concentrated on the restoration of service at the earliest possible moment.

Constant expense and increasing effort are required to provide satisfactory and uninterrupted telephone service.

Southwestern Bell Telephone Co.

### LOOSE WHEELS TIGHTENED

We have installed a new machine for tightening Steel rims on wooden auto wheels, which makes your wheel as tight as when new.

Remove your wheel and bring them to us or drive in at Motor Supply Co. Tourist Garage, or H. O. Pope and Son, and they will remove the wheels for you.

The wheel work is done mechanically and no washers to fall out, and our work is guaranteed to give satisfaction.

ENOCH & McCLUNG

grand style. Plainview District was entitled to eight delegates to our next Annual Conference at Lubbock. Six of the eight are Floyd County men and women, four of them of the Floydada church here, viz: W. A. Baker, J. M. Willson, W. A. Robbins and Mrs. H. N. Porterfield. Be on hand for Sunday School next Sunday at 9:45 o'clock. Be in our 11 o'clock worship and then again at 8 o'clock p. m.

#### CHURCH OF CHRIST

We had two good services again at the City Park Church last Lord's day. There were a number of new faces present. Our prayer meetings on Wednesday nights are very interesting, although there were only thirty-seven present last week. Regular services next Lord's day at 11 o'clock a. m.; Bible Study at 10 o'clock a. m. And do not forget that Bro. Wallace will be with us the third Lord's day in May. Ira L. Sanders, Minister.

#### BAPTIST CHURCH

Rev. W. R. Hill, Th. M., Pastor

Sunday School begins from now on at 9:45. Mr. Ozro Stevens will be the new general superintendent. There were 260 present last Sunday, and we should steadily increase attendance as our new building will care for 500 in a wonderful way. Mr. Cooper did a great work for us in the Stewardship Revival. The building will be ready shortly, and we want to be ready to match the equipment. Morning preaching at 11 o'clock on "Zion's Strength and Beauty." B. Y. P. U. meetings as usual, juniors at 3 o'clock, others at 7 o'clock. Night preaching service at 8 o'clock. There were 23 additions to the church during the Stewardship Revival and those who came by experience of conversion will be baptized at the night service. Visitors are cordially invited to worship with us in all these services. Come and welcome!

The morning worship with a vital and interesting message. The Endeavor will meet at 7 o'clock p. m. and night preaching at 8 o'clock p. m. Another vital and interesting message will be given at the night service. The men and women will meet at the parsonage Friday (tomorrow) to finish the work started. The men are to bring tools and appetites and the ladies are to bring the dinner. Then Friday night we will have Workers' Conference at the church at 8 o'clock p. m. All officers, teachers and all of those interested are urged to be present. Roads and weather permitting we will fill our appointment at Newland next Sunday at 3:30 o'clock p. m. Those living near there are urged to be present. We are preparing to have Mothers' Day a week from next Lord's day in a fitting way. We should make much of this day for it means much to the country and its future. Remember the little church with a big welcome is waiting to give you a cordial greeting and a glad welcome when you come. Why stay away as long as you have?

#### COKE-McCOY CHURCHES

A. J. Brown, Pastor

Services for Coke Sunday, May 8: Preaching 11 a. m. Workers' Council 3:30 p. m., Subject of the lesson "The Organized Class." Senior League 7:45 p. m. Evening Service 8:15 p. m. You will find a hearty welcome at all of our services. Come!

#### MEETING AT CHURCH OF CHRIST AT LOCKNEY CLOSING SUNDAY

The meeting which has been conducted during the past week at Lockney by Elder Cledie Wallace, of Temple, closed Sunday night with 51 additions to the church, 40 by baptism, it is reported by Ira L. Sanders, minister of the Church of Christ of this city. Elder Wallace left soon after the closing of the meeting for Clovis, New Mexico, where he begun a meeting which

sent to a fairly good audience last Friday night.

#### Revival Meeting

meeting will begin on the night of May 7 at the City Tabernacle in Floydada to be conducted by Rev. J. W. Isbell and Rev. Breeding, missionaries for the plains association. Everybody is invited to the services. "Our aim is to give you the truth, so come and hear for yourself," is the invitation extended.

#### INTERMEDIATE B. Y. P. U.

The Intermediate B. Y. P. U. will meet Sunday evening, May 6, at the First Baptist Church and the following program will be rendered: Subject—"Jesus at Home" Leader—Truett Boothe. Introduction—Leader. "Jesus Helped With the Work"—Thelma Crawford. "Jesus Was Obedient"—Mildred Evans. "Jesus Was a Good Student"—Milton Sims. "Jesus Attended Church"—Gene Smalley. "Jesus Made Others Happy"—Virdene Snodgrass. "Jesus in Other Homes"—Veva Swinson. "A Four Square Boy and Man"—Preston Bullard. A business meeting will be held after the program and plans for the social this quarter will be made. All of the members are requested to be present and bring a visitor.

#### Providence News

Providence, April 30.—A play entitled, "The Face at the Window," will be played here at the close of school, which will be the 18th of May. Quite a few from here attended the play, "Little Miss Jack," which was put on at Whitfield by the school there. Amos Ratjen, of Happy, visited his parents the past week here. A number from here took in the last day's program of the Prairie View closing of school last week. Wednesday night a play entitled "Little Miss Jack" was put on by outsiders and was well rendered and Thursday night the school had their program. Mr. and Mrs. D. J. Kennedy visited Sunday in the Snyder community at the Zimmerman home. Wheat sure is looking bad. If it does not rain soon the wheat here will be a thing of the past. Quite a lot will be put in row stuff. Mother's Day will soon be here. How many stop just a moment to think of the value of a mother, a question to be considered.

#### Blanco News

Blanco, May 1.—Our school closed Tuesday of last week with a real nice program, also, graduating exercises. There were two graduates from the tenth grade and six from the seventh. Miss Floy Alexander and Mr. Alva Smith were married last Thursday. We wish for this couple a long, happy and prosperous life. The baby of Mr. and Mrs. Horace Simpson was bitten by a dog Monday. It required eight stitches to sew up the wound, however, the child is doing nicely. Mr. and Mrs. Ham Smith and children spent Sunday with Mr. and Mrs. L. L. Floyd, of Floydada. Mr. and Mrs. Jim Gamblin had as their guests Sunday Mr. and Mrs. Gray, of McCoy, and Mr. and Mrs. Will Simpson, of Plainview. Mr. and Mrs. Harry Christian and children spent Sunday with her mother, Mrs. S. D. Greer, of Floydada.

#### Fairview News

Fairview, April 30.—"Looks Like Rain" was carried to Sand Hill and pre-

# Dairy Day

And Cream Separator Demonstration Day  
Friday and Saturday,  
May 4th and 5th

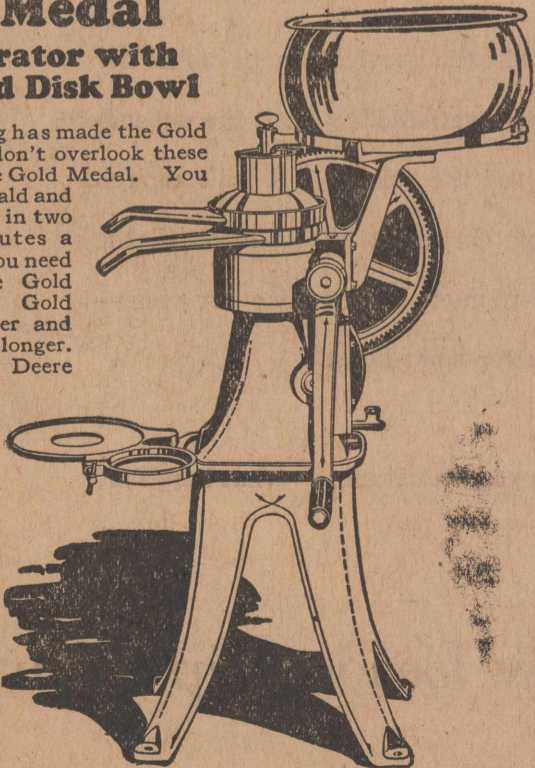

During the Demonstration we will sell one Separator to the Highest Bidder

## Curved Disks Mean Closer Skimming

Here's the reason why the curved disk bowl—the heart of the Gold Medal Cream Separator—gets all the butterfat; curved disks provide a wide space at the center of the bowl for heavy, thick cream, and a gradually narrowing space toward the edge of the bowl, which divides the milk into very thin layers, insuring maximum separation. Twice every day the patented curved disks save money for you.

### Gold Medal The Separator with The Curved Disk Bowl

Closer skimming has made the Gold Medal famous, but don't overlook these other features on the Gold Medal. You can remove, wash, scald and dry the curved disks in two minutes—four minutes a day is all the time you need spend to keep the Gold Medal clean. The Gold Medal runs smoother and turns easier and lasts longer. It's typical John Deere equipment, built and backed in the same way that has made John Deere farm implements leaders for nearly a century.

Come in and see the Gold Medal. Let us show you why CURVED disks get all the butterfat. The Gold Medal is built in several sizes for hand or power operation—there's a size and type to meet your requirements.

### Harmony News

Harmony, May 1.—Farmers are staying in very good humor over the dry weather and most of them keep busy at something.

We are sorry to report Mrs. H. M. Miller's condition. She was carried to the Lubbock Sanitarium Saturday where she underwent an operation at 8:30 o'clock Monday morning, for the fourth time. She is reported to be in a very serious condition. Mr. Miller and their son, Everett, Mrs. Gross, Mrs. Miller's mother and O. B. Gross accompanied Mrs. Miller to the sanitarium. Mr. and Mrs. R. B. Gary and Mr. and Mrs. G. L.

attended a splendid meeting and a bounteous dinner served each day. Mrs. O. M. Tinnin has returned home from the Lubbock Sanitarium and is doing very nicely.

The County Home Demonstration ladies had a very enjoyable day Saturday. Each carried a dish and a sumptuous dinner was served at the noon hour. Harmony ladies received several prizes in the sewing contest held during the meeting. Those receiving places were: Mmes. D. S. Battey, W. C. Parkey and G. L. Snodgrass.

### EXAMINING TRIALS HELD

An examining trial was held Saturday of last week for Shorty Bloxon, of Lockney, charged with transporting liquor, and the defendant bound over to the Floyd County Grand Jury in the sum of \$500. He was released following the making of the bond, after having been in custody for a few days.

Monday examining trial was held for Logan Kimble on a charge of forgery, and the defendant's bond set at \$750.

Mrs. J. J. Day left Thursday for Pueblo, Colo., to spend some time for the benefit of her health. She returned home some two weeks ago from Colorado, but found it necessary to return to a higher altitude.

# McCormick-Deering Triple Power Texas Farmall

PRACTICAL POWER FOR PLANTING AND CULTIVATING BOTH CORN AND COTTON

Although several hundred thousand farmers, doing all kinds of farming, having found the ordinary tractor profitable and practicable, there are many other farmers who have been waiting for a tractor that will do the work of the other type of tractors and in addition do the planting and cultivating. Should you be one of the latter class, you need not wait longer. The FARMALL is the tractor for you. It not only supplies an abundance of power, listing, disking, culti-packing, harrowing, harvesting, etc., the same as any other good tractor, but is so constructed that it supplies power for both planting and cultivating corn, cotton and row crops.

### A FEW OF THE JOBS THE FARMALL DOES

Planting, Middle Breaking or listing, Planting Corn or Cotton, Making Hay, Cutting Grain, Harvesting Corn, etc.

## District Convention Program Of W. T. C. C.

Tuesday, May 10, Date for Annual Gathering in South Plains District at Lamesa.

The program for the annual gathering of the South Plains District of the West Texas Chamber of Commerce has been announced from the office of the organization at Stamford, which convention is to be held at Lamesa this year on May 10.

In calling attention to the program, Homer D. Wade, general manager of the West Texas Chamber of Commerce, urges attendance at the convention, declaring that it "offers some stellar attractions in the way of speakers, chief of whom is Cone Johnson, member of the State Highway Commission."

"The object of these district meetings," he continues, "is to focus attention on the most important things in the locality in which they are held."

The program is as follows:

3:30 p. m. "The Business of Farming"—E. C. Nix, Lamesa.

Report of committees. Selection of next place of meeting.

Registration fee \$1.00 which entitles one to vote and attend lunch (The public, however, is invited to attend morning and afternoon sessions, regardless of registration.)

Misses Lucy and Mollie Crum had as guests Thursday evening of last week C. E. Baker and sister, Miss Edna, of Tolar, Texas, and A. A. Baker and family of Lorenzo. Mr. Baker of Tolar is a paving contractor and A. A. Baker was principal of the Lorenzo Public School the past school year.

Randell Alexander spent Sunday visiting in Lubbock.

## Pledged Delegations Of Uninstructed Drys Aim

Moody Group Wants Dry Plank, Dry Platform, But No Negative Instructions, is Claim.

Austin, Texas, April 30.—Despite a maze of conflicting and contradictory statements from various sources, the principal issue before the voters of Texas in the precinct primaries next Saturday, in the judgment of sound political observers, is whether the Texas democrats will send a pledged delegation of uninstructed drys to the Houston convention. Despite the various attitudes of various individuals and groups, the aims of the Democrats of Texas organization have never varied. They demand a dry plank in the national platform and demand that the Texas delegation shall support a dry candidate for the presidential nomination. They ask that no negative instructions be given the delegation, so that its members may have more freedom to use their judgment for the best interest of Texas. They also request that all democrats subscribe to the fealty pledge in good faith. These, in short, are the aims of the Democrats of Texas, under whose banner are now gathered virtually all the prohibitionists in the state.

Desperate efforts will be made in many precincts and county conventions to capture these conventions for the Smith forces. Detailed instructions as to procedure have been issued by the Smith leaders. However, the dry forces of the state are in a decided majority and there is little likelihood that they will lose control except in a few counties.

The series of conferences during the latter part of last week were highly significant, in that they brought a comparatively new element into control of the politics of Texas. Tom Love and his lieutenants, who have ruled the party for many years, were nearly all left out in the organization of the new controlling group, at the head of which is Don Moody, ably seconded by Lynch Davidson.

Neither Moody nor Davidson cared to be drawn into national issues and both were virtually drafted. Moody was brought into it when it seemed the bolting element under Tom Love would control the state and Davidson later became the active head of the opposition, at the Dallas meeting April 7. Moody is virtually certain to head the Texas delegation at Houston as a result of his activities, and one reason he would accept the honor would be the opportunity it would give him to demand and fight for a dry plank in the national platform.

## What's Doing in West Texas Today

LAKEVIEW—A Farmers Cooperative Gin Association has been organized here with a membership of 148.

KRESS—A grade cow belonging to J. J. Williams of this place won the 24 hour butter fat contest at the Plainview Dairy Show.

FABENS—A motorcade from this city was recently run to Carlsbad Caverns, with approximately twenty-cars.

BROWNFIELD—Brownfield, Tahoka, and Floydada are contenders for host-ship to the South Plains District Convention of the WTCC in 1929.

FOLLETT—The towns of Follett and Darrouzett will be visited by boosters from Enid, Oklahoma, the second week in May.

IRAAN—A new telephone exchange has been established here.

DENTON—Denton will be host to the annual convention of the League of Municipalities May 7 and 8.

GORMAN—Local service lines of the Texas Electric Service Company have been improved and poles reset here.

MASON—Mason County will ship out some \$450,000 worth of cattle during the month of May.

HICO—The Hico Dairy Plant was inspected by a group of Sweetwater citizens recently, with C. H. Clark, county agent, in charge.

STRAWN—Strawn had eight delegates on the Broadway of America tour to Memphis, Tennessee.

BRYSON—The Bryson Home Demonstration Club, with fourteen girl members, is doing excellent community work.

MINERAL WELLS—Mineral Wells opened its new \$300,000 sanitarium April 23.

SWENSON—Stockholders of the Farmer's Cooperative Gin Company of Swenson elected new officers May 1.

ROSCOE—Planting is underway here and indications are for a good crop.

TURKEY—Work is underway on Turkey's fourth gin.

LEVELLAND—Sixteen new business houses are under erection here.

AMHERST—A modern tourist camp is being constructed in Amherst.

FORT WORTH—Prominent statesmen are being lined up as principal speakers for the WTCC Tenth Annual convention.

COAHOMA—The town of Coahoma has recently renewed its affiliation with the West Texas Chamber of Commerce.

## Locals and Personals

Mr. and Mrs. S. D. Nelson, of Mt. Pleasant, Texas, visited here from Saturday to Wednesday, the guests of Mr. Nelson's brothers, E. C. and E. P. Nelson.

W. B. Mayhew, of Fort Worth, is here on a visit with his parents, Mr. and Mrs. E. B. Mayhew. Mr. Mayhew has been employed in the engineering department of the City of Fort Worth the past two years.

Rev. J. S. Hardy, pastor of the Methodist Church of Chillicothe, spent Sunday night here with her brother, Rev. Ben Hardy.

## FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by FLOYDADA DRUG CO.

P. Switzer last week received fifty baby chicks from a high-priced pen of the M. Johnston Poultry Farm at Bowie. He paid \$1 each for the baby chicks and is raising them on the Porter Poultry Farm, immediately east of Floydada, which he purchased recently.

Mr. and Mrs. T. C. Russell are in Temple, Texas, for which place they left the latter part of last week. Mrs. Russell will undergo a physical examination and take treatment at a sanitarium there.

Mrs. W. P. Daily is in Russellville, Ark., on a visit with relatives. She left several days ago, stopping over enroute at Vernon and Dallas for brief visits.

Mrs. J. L. Carthers returned home Sunday from Bridgeport, where she had been to visit with her father for a few days.

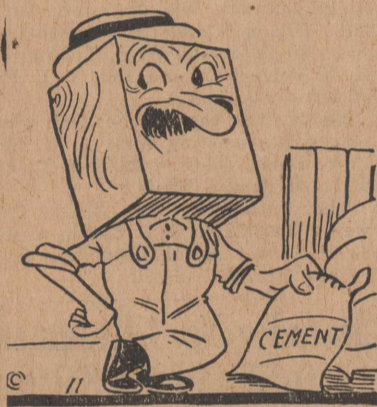

## DR. KIMBLE HOME FROM MEET OF OPTOMETRIC ASSOCIATION

Dr. Wilson Kimble reached home last midweek from Dallas, where he attended a three-day annual Optometric Convention, held on April 23, 24 and 25, at the Jefferson Hotel. The association had at the convention the largest attendance in history, Dr. Kimble said.

Among those who spoke at the convention were Lieutenant Governor Barry Miller, Dr. Wm. B. Needles of Chicago, Dr. E. A. Forshey, of New York City. The association voted unanimously to ask for the establishment of a Chair of Optometry in the Texas State University similar to those established at Columbia University and the University of California.

## Bill Der Says

There is a world of  
difference between  
coming back and  
going back.

## A Firm Foundation

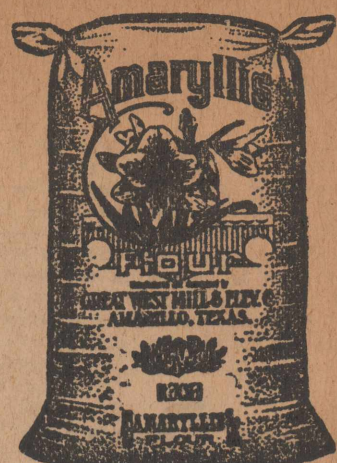

—one that will stand the test of time and be worthy of the structure it is to support, must consist of mortar made of a cement mixture that is not too rich or "set" too rapidly, yet will bear tremendous weight without cracking or crumbling.

LONE STAR CEMENT is recommended by contractors as having a reputation for satisfaction.

## FRIGIDAIRE

THIS IS A PRODUCT OF GENERAL MOTORS

In the Frigidaire cabinet everything is fully enclosed. There is no unsightly machinery sticking out like a sore thumb. Take a good long look at the Frigidaire Cabinet in close your eyes and your mental picture will be one of peace and harmony. There are no forgetful irregularities to mar the picture.

For a number of years a certain automobile manufacturer producing a good car tried to make the public appreciate a new design of the hood. But unfortunately the design was such that seeing it once you could never forget it looked. This always a mark of ugliness. You would not want anything like that in your home.

You will look at your Frigidaire many times every day many years. You have a right to demand the beauty of a Frigidaire cabinet.

## Opening of New Bakery Shop Saturday

"Elektrik Maid Bread" is New Floydada Product to be Placed on Market This Week.

"The Elektrik Maid comes to Floydada Saturday, May 5, to make this her home" is the message being broadcast this week by M. Easterling, manager of the new Elektrik Maid Bake Shop which holds its formal opening throughout Saturday. The shop is located in the First National Bank Building on California Street. A cordial invitations is being extended to the general public

management Saturday to visit and inspect the new bakery.

"Taste the Difference" is the slogan of the "Elektrik Maid Bread" being introduced to the Floyd County public for the first time Saturday. Elektrik Maid bread is made with the purest products, mixed by tried recipes and baked by sanitary methods and same idea is carried out in Elektrik Maid pastries, pies and cakes, Mr. Easterling said.

The entire shop is run by electricity. The electric oven was installed this week by factory experts and all other equipment in the shop has been wired with electricity and is ready for use this week-end. All machinery, furniture and fixtures are black and white enameled.

Fifteen percent of Saturday's proceeds will go to the Andrews Ward Parent-Teachers Association, it is announced. This same plan will probably be carried out each Saturday and Monday by some church or school organization for the next month, Mr. Easterling said.

### BAPTIST STEWARDSHIP REVIVAL CONDUCTED BY COOPER CLOSED

The Stewardship revival which was held for ten days at the Baptist church conducted by State Stewardship Evangelist, L. L. Cooper, of Ft. Worth closed Sunday night. The purpose of the meeting was to put the church activities on a business like basis or to enlist everybody connected with the various organizations of the church in a uniform method of contributing to the support of the church in its various departments.

"Very gratifying results were obtained from the meeting," said Rev. Hill, pastor of the church. A reorganization and enlargement of the Sunday School was had Sunday looking forward to going into the new building and the following officers were elected to take charge of the departments which were created in the Sunday School: Ozro Stevens, general superintendent; J. C. Gilham, classification superintendent; Dr. I. W. Hicks, Supt. of absentees and count; W. B. Hall, change and welcome supt.; O. T. Williams, general secretary; Mrs. Kight Dickey, associate secretary; Mrs. W. B. Hall, supt. of young people and the adult department; Elmer Wood, supt. of the junior department; Mrs. Ozro Stevens, supt. of the primary department; Mrs. Elmer Caudle, supt. of beginners; Mrs. L. B. Dawson, supt. of the cradle roll department; C. B. Sims, choirster.

There were twenty-three additions to the church during the meeting.

Rev. Cooper went from here to Temple and from there he will go to Lubbock to conduct a meeting.

Mrs. S. J. Hollums leaves this week for Cushing, Okla., for a brief visit and shortly thereafter will go on to Alabama and Georgia for a visit of two or three months with relatives and friends.

Mr. and Mrs. John Reagan spent the week end in Crosbyton with Mrs. Reagan's parents, Judge and Mrs. B. H. Howard.

## Damage Bill Above Three Thousand In Two Fires

Two early morning fires last Monday did damage in excess of \$3,000, according to estimates, the first alarm coming at about 3 o'clock, when a residence on Kentucky Street belonging to Miss Daltis Rea and occupied by O. M. Tinnin and wife, was found afire.

Damage to this building was probably \$1,500 or more and the contents were practically a total loss. Two adjoining dwellings were also damaged, the first on the east also belonging to Miss Rea and occupied by E. L. Angus and wife. This residence and the residence of H. D. Butler, on adjoining property on the west, were scorched and the windows broken out by the heat before the fire boys were able to bring the fire under control. The total damage will approximate \$3,000, part of which was covered by insurance.

The department had not finished rolling up the fire hose at this fire, when the alarm was sounded for a fire in a restaurant on the first floor of the Barrow Building, northwest corner of the square. The use of a chemical engine by the department kept this fire in check until the water hose department could get into action. The fire started in the front part of the building Joe Woolsey, proprietor of the cafe, estimates his damage at approximately \$500 and an equal amount would probably cover the damage to the building which belongs to the Barrow Estate.

Four other little blazes last week called the department into action, three of which were trash fires. A fire in lumber recently removed from the Surginer & Farris Building on West Side was one of these, and a fire in telephone poles belonging to Southwestern Bell Telephone Company, and stored near the Santa Fe right-of-way was another. Sunday morning a little storage house in the rear of the Lewis Cafe was burned.

### ATTENDS DISTRICT CONFERENCE

District Conference of the Methodist church was held at Matador Saturday night and Sunday. Those from Floydada who attended Sunday were: Mr. and Mrs. S. W. Ross and daughter, Mary Anna; Mr. and Mrs. N. W. Williams, Mr. and Mrs. R. A. Sone, A. J. Brown, Mr. and Mrs. A. N. Gamble and daughter; Judge and Mrs. Wm. McGehee; Mr. and Mrs. Wilson Kimble and daughter and son. W. A. Baker, W. A. Robbins, Mrs. H. N. Porterfield and Mrs. R. L. Henry attended Saturday.

Those from the Cone church who attended the meeting were J. W. Moore, C. C. Davis, Chester Parrish, T. J. Davis, and Bennie Davis.

Those attending from McCoy Church were: Wm. Snell, S. F. Smith, A. Curry, J. W. Dalton and children, Mrs. A. Curry and Mrs. Wm. Snell.

## Matador No. 1 Resumed Drilling Last Saturday

Drilling on the oil test of the Exploration Oil Company, known as Matador No. 1, Floyd County, sixteen miles northeast of Floydada, on Section 119, Block D3, was resumed last Saturday by the drilling contractors. Tuesday noon the drill was at 2940 feet still in a shale and anhydrite formation.

Eight and a quarter inch casing was set at about 2200 feet.

The same company's No. 1 Boone, on the C. H. Johnson Homestead Survey one and a half miles north of Sand Hill is also drilling, the test being reported at about 1,000 feet the first of this week.

The Hesperian \$1.50 per year.

## Baker News

Baker, May 1.—It is said that April showers bring May flowers, but it looks as though we will not have flowers this May as we have not had any showers yet.

The wheat sure looks bad in this community and the wind still blows. We sure have had some cold weather for this time of the year.

Mrs. J. L. Carathers has been visiting her father for a week. They returned last Saturday afternoon. Her father was greatly improved when she left him. David, Elmer and Gerald Carathers also returned home.

Mrs. S. T. Whitaker is visiting in the J. L. Carathers home this week.

G. R. May is improving. He is up today.

A. A. Peacock is painting our school house which will improve its looks very much.

Next Sunday is the first Sunday of the month, and is the afternoon for the singing at Baker. Everyone come and bring someone with you.

Mr. and Mrs. J. L. Carathers drove to the new town of Dougherty one afternoon and took supper. Everything looks fine in the new town and we believe it will be a nice little town soon.

W. M. Dunn is planning to visit his daughter, Mrs. J. L. Carathers, the first of July.

This community is quite proud of O. T. Williams and his boys who went to A. & M. College. They won three saws and one cup. We hope they get to go back next year and bring home more trophies.

Mrs. W. B. Jones' children and Mrs. R. P. Graves' children have the whooping cough but are doing fairly well.

Some of the farmers here have begun planting cotton and are ready to begin their row crops.

### "ONE ADVANTAGE"

Of choosing your spring wardrobe from this stock. The best of everything men wear is the pleasure you'll get in hearing your taste complimented by whoever it may be that you want to please. Men choose the motor they drive because certain characteristics of the car appeal to them. Men choose my clothes. Every feature of these clothes appeal to them from fabric style, price and genuine value.

STUDENTS are selecting their graduation apparel here.

### "GLAD SNODGRASS"

Smart Wear for Men Since 1900

## J. Ross Bell To Speak Here Saturday, May 12

J. Ross Bell, of Cottle County, candidate for Congress, will speak in Floydada and Lockney in the interest of his candidacy Saturday afternoon of next week, May 12, he announced this week.

The hour for the Floydada address is 2 o'clock and for the Lockney address 4 o'clock.

E. W. Turner, of the Starkey Community, spent Tuesday in Amarillo visiting with his brother, V. D. Turner who is in an Amarillo hospital. Mr. Turner has been in the hospital for some eight months following injuries sustained in the Patterson-McGehee Gin in this city last season. His condition is reported as improving and it is believed that he will be able to return home within the next month.

G. R. May, who has been ill for the past three weeks, is reported to be improving.

# Save The Second Flat!

THAT'S THE PLATFORM ON WHICH WE ARE MAKING OUR CAMPAIGN FOR YOUR SUPPORT AND INFLUENCE.

A lot of folks, when they discover a flat, just take it to the first gas pump station they come across and have it patched,—no matter how—most times just ordinary cold patching.

Then, when they get out on the hot roads, burning the breeze, off comes the patch, and "got a flat" they say again. Still, they don't know the "why" of the second patch—just anywhere again for another patching.

Give us your support and influence and we'll save you the second flat with our Steam Vulcanizing process. We also have all the other equipment to give real Tire Service including seven years of experience right here in Floydada.

## Gullion & Son TIRE SERVICE

PHONE 83

P. S. Federal Tires and Tubes are also a part of the platform we stand on. We've already got a lot of votes with them, and we need your support and influence, too.
