

Ft. Worth Convention Set For June 18-19-20

Eyes of West Texas Turned Toward City That Will be Mecca of Thousands Soon.

Plans of Floydada civic and business organizations began to be focused this week on the forthcoming trip to the annual convention of the West Texas Chamber of Commerce, which will be held on June 18, 19 and 20, and all eyes began to turn toward Fort Worth, which will be the mecca of tens of thousands of West Texans journeying there to have a part in the exemplification of the jubilant West Texas spirit depicted in pageantry, the blare of bands and the hilarity of good fellowship.

Expectations are now that the Floydada delegation will number some seventy-five persons, of which number the Municipal Band of forty-five pieces will be included. Final efforts of the band to prepare itself thoroughly for the events that will mark the big parade and contests, including the financial arrangements, are being made. Ed Bishop secretary of the Chamber of Commerce, said Tuesday that every effort was being made by the band and the directors to avoid the necessity of a public donation for the purpose.

A large number of details in connection with arrangements for the convention are to be worked out and the appointment of a committee to have charge of these arrangements was announced Wednesday morning by the directors of the Chamber of Commerce. This committee is composed of T. P. Collins, W. H. Hilton, O. L. Stansell, J. G. Wood, E. L. Norman and P. G. Stagg, who will work out the problems that have come up for solution in arranging for the trip.

Paving, City Hall Bids To Be Received Friday

Tomorrow is the date set for receiving bids for the laying of 60,000 yards of paving on streets of Floydada and at the same time bids from building contractors will be received for the construction of the city hall, plans for which have been adopted by the council. The city's office is expected to cost about \$7,000.

Indications are that several bids will be submitted on both proposals, it was said at the city office this week.

WAYLAND EX-STUDENTS NAME LOUISE WRIGHT ON COMMITTEE

Miss Louise Wright, of this city, was appointed as one of three members of a committee to draw up by-laws and a constitution for the Wayland College Alumni Club which held its second annual banquet last Saturday night at the Hotel Ware in Plainview. Miss Wright was a member of the 1927 graduation class of Wayland College. During the past year, she taught school at Lakeview.

Files 95 Right-Of-Way Deeds For Denver Lines

Ninety-five deeds covering practically all the right-of-way of the Fort Worth & Denver South Plains lines in Floyd County from the Stringer land lines southwest of Lockney to the east boundary line of the county, were filed with County Clerk Tom W. Deen for record Saturday by Judge J. N. Stalbird of Lockney. The deeds covering the entire right-of-way between the Stringer land and the east boundary line of the county will number about 130 when all have been filed.

In addition to these deeds the right-of-way deed from the junction eight miles northeast of Lockney toward Silverton, including several in Floyd County, are yet to be filed, and from the junction west toward Plainview.

FISHING AT LAKE KEMP

W. C. Grigsby, Harper Scoggins, L. A. Marshall, U. S. Marshall and Fred Bell left Wednesday morning for a short fishing trip to Lake Kemp in Wichita County.

The party plans to return home Saturday or Sunday of this week.

A party of fishermen, composed of O. P. Rutledge, Kight Dickey, A. N. Bratton and T. P. Collins, returned from an expedition to Lake Kemp this mid-week.

Building And Loan Assn. Organized By Citizens At Meeting Held Monday

Organization Expected to Aid in Building and Savings Investments.

Organization of The Floyd County Building and Loan Association

The Floyd County Building and Loan Association was formally organized at an enthusiastic meeting of citizens held at the Commercial Hotel at noon Wednesday, and application for charter was prepared and ordered mailed to Austin, calling for an authorized capital of \$3,000,000, following the election of officers and directors.

Need Is Recognized

The following officers and directors were selected for the first year: O. P. Rutledge, chairman of the board; Mrs. Lora R. Farris, president; C. R. Houston, vice president; W. H. Henderson, secretary; G. C. Tubbs, treasurer; Jeff D. Ayres, general attorney; and these with J. V. Daniel, Jas. K. Green, H. E. Cannaday compose the board of directors.

Pending receipt of the charter, which is applied for under the provisions of the legislative enactments placing such organizations under the direction of the State Department of Insurance, applications for stock are being received, with a large number of shares already subscribed. Need of a building and loan association in Floydada has long been recognized, it was pointed out by W. H. Henderson, secretary of the new organization Wednesday afternoon, to care for the demand for loans to assist our citizens to buy, build or improve homes on convenient monthly payments, as well as provide a safe, profitable and convenient investment in which to place savings. Henderson is a member of the Floydada Insurance Agency, and with G. C. Tubbs, the other member of the firm, will have the active management of the organization, under the direction of their board of directors and the supervision of the Department of Insurance of the state.

Assisting them in the preparation of the plans for the organization this week have been Durward McDonald and Jno. E. Haynes, of Wichita Falls. McDonald is the secretary of North Texas Building and Loan Association of Wichita Falls an organization after which the Floydada organization is patterned largely, and which has met with more than ordinary success.

One of the benefits that the new institution is expected to furnish locally is that of helping to keep a large amount of interest money in the county that heretofore has been leaving the county. An estimate of the monthly loans obtained for building purposes here places the figures at \$20,000 monthly. Some expense is expected to be saved in making loans available locally in addition to the establishment of the home lending association that will aid in keeping Floyd County money paid out for interest in Floyd County. Much money has been going out of town, to associations similar to the one formed here, at Abilene, Lubbock, Dallas and other places.

The rapid growth of the home building and loan association plan in Texas is indicated by the fact that in Texas there are 144 such institutions with reported assets on January 1, 1928, of \$92,000,000, as compared with 11 associations in 1921 with only \$1,800,000 assets. The associations operate under the supervision of the Department of Insurance and are regularly examined by examiners of the department. So sound has the plan of operation of these associations proven that no failures have occurred in Texas, and out of more than 12,000 such associations with over seven billions in assets in the United States only twenty-one failures have occurred since 1838, when the first association was formed in Philadelphia. John E. Owens, vice-president of the Republic National Bank of Dallas in a recent address before the Texas Bankers' Association, said, "It must, in all fairness, be stated that history has no record of financial integrity so outstanding as this."

Expects Twenty Bushels On 125 Acres of Wheat

Charles N. Battey, five miles southeast of Floydada, is expecting an average yield this year on at least a part of his wheat crop. He was showing some samples of his wheat in Floydada Saturday, from 125 acres of which he confidently expects a yield of twenty bushels per acre.

On the remainder of his crop he anticipates a yield of about ten bushels. The sample he was showing had heads of good length and appearance.

PARTY AT CARR'S CHAPEL

A lawn party, sponsored by the Carr's Chapel Epworth League will be given at the home of Mr. and Mrs. L. A. Williams on Friday night of this week, it was announced Wednesday.

Ice cream will be sold and the proceeds will go to the Epworth League of the community. Everyone is cordially invited to attend, and all are assured of a good time, for entertainment is being planned for both young and old, it was said.

Well-Filled Auditorium Hears Blanton Speech

Senatorial Candidate Tells Audience His "Points of Order" Have Saved Taxpayers Millions.

Thos. L. Blanton, Congressman from the Abilene District, and fiery aspirant for the senatorial toga now worn by Earle B. Mayfield, held closely the attention of a well-filled auditorium at the District Court Room here Tuesday afternoon while he told them of the many millions of dollars he had saved the taxpayers by his well-timed "points of order, and of how he had caused political demise and disgrace for many of the "scoundrels" infesting the national capitol.

The senatorial aspirant clearly won his audience from the first and played on their emotions for more than an hour and a half, as he told them of his record, of the infamy found in high places when he reached Congress, of his untiring labors to save the taxpayers' money, and of his single-handed fights to rid the bureau, commissions and departments of dead weight, graft and waste. He gave many instances from the records showing how he had accomplished these things and was warmly applauded when he told the incident of the Virginia widow who appealed to him for aid to get her shell-shocked son out of the hands of a bureaucrat in one of the departments for the rehabilitation of the veterans of the world war.

Harmony Democrats Win In Beaumont Convention

Sixty Men and Women in Delegation That Will Vote for Dry Platform And Dry Candidates.

Governor Dan Moody's Harmony Program prevailed at the State Democratic Convention in Beaumont, when last night a delegation of sixty men and women were elected to vote Texas' forty votes in the national convention at Houston in June for a dry platform and dry candidates, after the convention had voted down first one extreme and then another, represented in the Smith and anti-Smith factions in the convention.

Two Floyd County delegates were present and voted with the harmony program, according to the instructions of the county convention here two weeks ago. They were Mrs. Kenneth Bain and Lon M. Davis. Davis went to the convention from Houston, where he had been for several days on business, and Mrs. Bain left Saturday morning for the convention city. Mr. and Mrs. Bain, their son and daughter, made the trip by auto and will spend several days on the coast on a vacation trip after leaving Beaumont. In the caucuses that preceded the actual vote on the selection of delegates to the national convention, it was decided that twenty-four delegates-at-large would be selected with a voting strength of six, leaving each congressional district with its two votes to cast in the convention. However, the delegates from the districts were selected by a committee appointed by the chairman of the convention, the point on which the Harmony delegates broke with the Smith forces, after having steam-rollered the ultra-dryers in the earlier proceedings of the convention.

Santa Fe Application For New Line Is Argued

Application of the Santa Fe Railway Company for the construction of their proposed cut-off, sixty-six miles in length from Farmington to Hale Center by way of Olton, was heard before an examiner of the Interstate Commerce Commission at Lubbock Monday, Tuesday and Wednesday of this week, witnesses and spectators representing practically every town in the south plains area attending a part of the proceedings, and representatives of the Santa Fe and the Fort Worth & Denver, the latter as protestants, putting many witnesses on the stand.

That the rich area to be traversed is in great need of railway facilities before it can hope to develop properly was the burden of the testimony for the proposal from people along the route.

Floydada had a delegation at the hearing a part of the time. L. G. Mathews, A. N. Gamble and Judge Wm. McGehee attending the Monday session. Floydada people were not asked for testimony in the case. C. H. Sommer, president of the Quanah, Acme & Pacific Railway Co., was among the interested spectators at the hearing. Officials of this line have repeatedly indicated their intention of asking for a permit to extend their road to El Paso and Mr. Sommer's position in the Santa Fe application was largely one of determining what effect the new line would have on his company's plans.

RAYMOND TEEPLE AND SYBLE COVINGTON MARRIED SUNDAY

A marriage of considerable interest in this section was solemnized last Sunday afternoon when Miss Syble Covington and Raymond Teeple both well known young people of this city, were united in marriage in Plainview. The ceremony was performed at the residence of Rev. J. Pat Horton, pastor of the First Baptist Church of that city at about five o'clock Sunday afternoon. The bride is the daughter of Mr. and Mrs. R. C. Covington, long time residents of this city. She was reared here and is a graduate of the Floydada high school. At the present time, she is an operator for the Southwestern Bell Telephone Company.

The groom is the son of R. I. Teeple, also of this county. He was reared here and attended the Floydada high school. He is employed with W. M. Colville and son, contractors.

Mr. and Mrs. Teeple have returned to this city and plan to make their home here.

More Than 50 Per Cent of Carriers In 18th District Expected May 30

Of the two hundred rural letter carriers in the Eighteenth Congressional District, more than fifty per cent will be in attendance at the annual meeting to be held here on May 30.

This information was secured by the Chamber of Commerce through a questionnaire sent out to the carriers in the district.

Convenes at 10 a. m.

A program that will be educational as well as entertaining has been arranged by the president of the organization, Foster Carroll, of Slaton.

The meeting will convene in the District Court room at 10 a. m. following the registration at the chamber of commerce office. D. D. Langford, president of the County Rural Letter Carriers Association will open the meeting and the welcome address will be made by R. E. Fry, president of the Floydada Chamber of Commerce. Response to the address will be made by the President of the District Association who will then take charge of the meeting.

Model Home Favorably Received By The Public

Nearly 700 Register in Two Days and Inspect Model Furnishings Provided by Dealers.

The Model Home Beautiful, promoted by local business interests last week-end when the pretty Spanish type home belonging to L. B. Maxey & Son at 811 South Main Street was fitted out completely and thrown open to the public, was well-received, an estimated 800 to 1,000 persons visiting the residence, and nearly 700 of them registering in the guest book.

Mesdames Fred Bell and Jack Henry presided as hostesses and made visitors welcome at the completely furnished house, which gave an oral demonstration of the many beautiful and utility furnishings which go to make up at reasonable cost the modern home. Visitors began arriving early Saturday morning and a steady stream entered the house until the close Saturday night. Sunday afternoon the crowds were equally as great although the local showers kept the numbers from being so large as had been expected.

The residence and its contents were presented as a study in modern home building and furnishing. Reception of the plan of demonstration on the part of the public is indicative of the outstanding interest being taken by the residents of this section in home-planning and furnishing. One of the things that particularly pleased the promoters was the number of people not residing within the city limits who visited the place and made a study of the furnishings and arrangement.

Business and professional establishments which had a part in the plan were:

- F. C. Harmon—represented with a display of bedroom, dining room and living room furniture.
- Radio Electric Co.—lighting fixtures and electric appliances.
- Stansell & Collins—gas range, groceries and kitchenware.
- Floydada Hardware and Grocery—electric washing machine, newest model Frigidaire.
- Martin Dry Goods Company—bed spreads and bedroom and dining room draperies.
- Electric-Maid Bake Shop—pastries.
- Wilson Studio—framed pictures.
- C. R. Houston Company—gift articles and living room draperies.
- Arwine Drug Company—medicine case and bath room supplies.
- Willson & Son Lumber Company—complete bill of building materials.
- West Texas Gas Company—natural gas for heating and cooking.
- B. F. Manasco—wall paper.
- Hollums, Floydada Florists—cut and pot flowers from greenhouse.
- Floydada Insurance Agency—plan for building loans; fire and tornado insurance.
- First National Bank—home building loan plan.
- Higginbotham-Bartlett Company—Building materials and plans.
- Fry-Bishop Insurance Agency—Fire and Tornado insurance; loans.
- South Plains Lumber Company—Builders' Service.
- Floyd County National Bank—Savings plan for Home Builders.
- J. C. Woodriddle Lumber Company—building material and plans.
- Barker Bros.—New Model A Ford car.

Fair Dates Here Set For Sept. 27, 28, 29

Thursday, Friday and Saturday September 27-28-29 are the dates of the Floyd County Fair as named by the fair committee recently. The dates were selected after careful consideration of the dates of neighboring fairs and although it was impossible to name a date that was not already taken by other fairs in this section the dates will not conflict with any exposition within one hundred miles of Floydada.

Present plans of the permanent county fair home committee which is composed of O. P. Rutledge, chairman, and J. V. Daniel and J. G. Martin are the erection of a large exhibit auditorium on ground near the present site of the Floydada baseball park. It is hoped that sufficient stock will be subscribed to successfully conduct an admission fair and one that will also include livestock.

Old Settlers To Meet Aug. 15-16 This Year

The West Texas Old Settlers' Association will have their annual gathering this year on August 15 and 16, it was decided at a meeting of old settlers held in Crosbyton Tuesday noon, when twelve members of the association, including R. B. Smith, president, had luncheon together at the Smith House in Crosbyton, set the date and began making tentative plans for the meeting.

Last year the meeting of the old settlers was one of the greatest meetings of its kind ever held in this section. Old settlers from all over this portion of Texas and eastern New Mexico were present at the meeting, which was held at the Uncle Hank Smith rock house, built in 1879 and dedicated as a state park by R. B. Smith, his son, something more than a year ago.

Model Home Favorably Received By The Public

Nearly 700 Register in Two Days and Inspect Model Furnishings Provided by Dealers.

The Model Home Beautiful, promoted by local business interests last week-end when the pretty Spanish type home belonging to L. B. Maxey & Son at 811 South Main Street was fitted out completely and thrown open to the public, was well-received, an estimated 800 to 1,000 persons visiting the residence, and nearly 700 of them registering in the guest book.

Mesdames Fred Bell and Jack Henry presided as hostesses and made visitors welcome at the completely furnished house, which gave an oral demonstration of the many beautiful and utility furnishings which go to make up at reasonable cost the modern home. Visitors began arriving early Saturday morning and a steady stream entered the house until the close Saturday night. Sunday afternoon the crowds were equally as great although the local showers kept the numbers from being so large as had been expected.

The residence and its contents were presented as a study in modern home building and furnishing. Reception of the plan of demonstration on the part of the public is indicative of the outstanding interest being taken by the residents of this section in home-planning and furnishing. One of the things that particularly pleased the promoters was the number of people not residing within the city limits who visited the place and made a study of the furnishings and arrangement.

O. W. Fry Entered In Master Farmer Contest

O. W. Fry, farmer of Pleasant Valley six miles northwest of Floydada, has been entered in the Master Farmer contest sponsored by the Progressive Farmer, a farm magazine of Dallas, and the A. & M. College extension service. Scoring of the Fry farm was completed this week by the Floyd County committee composed of O. P. Rutledge, W. G. Collins, Mrs. E. L. Angus, Miss Blanche Bass and J. G. Wood.

A score card based on farming methods, farm home and citizenship with a total of 1000 points is used in determining the ten best farmers in the state. Mr. Fry's score was very satisfactory to the committee and it is believed that the County will again be represented in this contest. A very attractive feature of the Fry Farm is the modern conveniences found in the home. Even natural gas from the Amarillo gas fields is used for cooking and heating purposes, besides running water, bath fixtures, music and various other features that are not found in the ordinary home.

WILSON ATTENDING MEETING OF PHOTOGRAPHERS THIS WEEK

Mr. and Mrs. C. M. Wilson left Sunday morning for Houston where Mr. Wilson will attend the Southwestern Professional Photographers' Convention this week. Photographers from four states will be in attendance at the annual meeting in Houston. Mr. Wilson is proprietor of the Wilson Studio, of this city. During his absence, G. V. Slaughter will be in charge of the studio.

Mr. and Mrs. Wilson were accompanied to Houston by Miss Mae Colvin. They plan to return home Sunday.

\$17,100 Building Permits In April

Permits for building in Floydada, issued since the first day of April, passed the \$17,000 mark Tuesday night of this week, when City Secretary Bedford's records showed a total of \$17,100 in permits issued for the month.

All permits issued were for residence construction. More than a dozen residences are in various processes of construction here at this time.

### COMBINES SUPERCEDE LABORERS

A newspaper report that the other day reflects a condition that has come about in the wheat belts almost overnight. It tells of the fact that in a certain famous wheat growing section few if any additional laborers than are available in the immediate section will be needed for the wheat harvest. Machinery methods of harvesting the crop are given credit for taking the place of the need, heretofore existing, of four or five thousand harvest hands annually.

In Floyd County the situation is largely similar. Last year the county harvested in thirty or forty days a crop that was the second largest in the history of the county, and the influx of laborers to help do the job was hardly noticeable. This contrasts with 1919 when the demand for labor was so great and the number of harvest hands so large as to make the harvest labor population almost equal to that of the harvesters who made their homes here. The machinery route of saving a wheat crop at least has one tremendous advantage over the old way. It reduces the speculative end of the harvesting to a science and makes the producer of the crop practically independent of the labor market. And the harvesting of the cotton crop is going to come, in a large measure, to the same level.

### MILK FOR CHILDREN

Speaking of protein, lime and vitamins needed for growing children, of which we hear so much; milk contains all of these, and it is the most easily obtained and served of any of the various suggested diets for children.

Milk is an "essential" food. The white race cannot survive without dairy products. Other diets have their value, of course. Milk will not take the place of all other forms of corrective and health-giving diet. But consider it as a basic food, then use the others as well.

### SWIMMING SEASON HERE

With the swimming season nearly here, features which add to the health of the bathers should be watched after by operators of swimming pools and insisted upon by those who use them.

Swimming is healthful as a diversion and exercise. Since most of the swimming done in this section is in the built pool, provided by a man who operates it for a profit, this healthful sport should be protected in every reasonable manner.

### THE WHEAT PROSPECT

Now that ten days or two weeks have elapsed since the first rains of the spring began to make an appreciable difference in the condition of the wheat crop, guess-timates of the probable outcome of the crops are more favorable among the men who are keeping closest touch with the situation.

That the crop this year will pay its expenses, the county over, and provide seed wheat for another crop is the least optimistic belief expressed and the guesses run from that up to a crop that will provide quite a bit of surplus in addition. With the tremendous acreage in wheat indications are that the total volume will be high, and present market trends point to a profitable market.

### COUNTY AGENT'S VALUE

The fact that Swisher County people have found it advisable to employ a good, sound county agent to aid in pointing their farming program to a sane practice has been of untold value already and will be of value increasingly during the years to come.

It is an instance in proof of the claim that a county agent who really county agents is worth the money, all anti-claims to the contrary notwithstanding.

THERE IS ONLY ONE

# FRIGIDAIRE

THIS IS A PRODUCT OF GENERAL MOTORS

In the Frigidaire cabinet everything is fully enclosed. There is no unsightly machinery sticking out like a sore thumb. Take a good long look at the Frigidaire Cabinet then close your eyes and your mental picture will be one of grace and harmony. There are no forgetful irregularities to mar the picture.

For a number of years a certain automobile manufacturer producing a good car tried to make the public appreciate a new design of the hood. But unfortunately the design was such that seeing it once you could never forget how it looked. This always a mark of ugliness. You would not want anything like that in your home.

You will look at your Frigidaire many times every day for many years. You have a right to demand the beauty of a Frigidaire cabinet.

**E. W. KINNEY**

FRIGIDAIRE DEALER

704 Broadway

PLAINVIEW, TEXAS

### PERSONAL RESPONSIBILITY

President Calvin Coolidge is well-grounded in the fundamentals of American citizenship, and his advice along the line of "passing a law" to "fix up" everything somebody sees wrong about the way society conducts itself is good. He was speaking to the Daughters of the American Revolution Congress in Washington recently when he said:

"The average run of the people must be personally responsible for their own success. Under our institutions they cannot evade this responsibility by attempting to shift it upon the government. Unless they discharge this obligation themselves there is no one that can discharge it for them. To attempt any other method is to deny that the principle of freedom, equality, and self-government is sound."

Shifting responsibility to the government has become one of the favorite pastimes that will eventually undermine our form of government if not curbed.

### DAIRYING IN SWISHER

A news item the other day told of the fact that Swisher County now has a total of eighty-four accredited dairy herds, indicating the lead that section is taking in the dairy business since the leading farmers of that area began to realize the futility of trying to develop a country of this type by straight farming, when the country naturally lends itself to dairying and poultry raising, and a balanced farming program.

It is noticeable that Swisher County has done a great deal toward developing the past two or three years, really more in that period than it had done before in a number of years; and dairying and the foundation for good farming practices which the dairying industry requires, may be given much credit for the great showing made.

### 'Round The Square

By Old Battleaxe

Well, school is out, it has rained, Floydada's Model Home Beautiful was a success—and now everything is beginning to settle down to await more excitement. Guess the next thing will be the West Texas Chamber of Commerce Convention in Fort Worth. Floydada will send her crack forty-five piece band and a large delegation of boosters. Are you going?

A young lady round the square called Old Battleaxe's attention to a most ridiculous typographical error in a newspaper recently. It referred to a book by a writer named Victor Hugo and gave the title as "The Hunch Back of Norte Dame." Of course they meant "The Half-Back of Norte Dame," she insisted.

Chewing tobacco has always impressed Old Battleaxe as a manly habit. Especially if the man who chews is one who keeps his teeth white and clean. It is bad enough to see the regular force of Saliva Slingers round the square,—but when you see a school student walking down the street squirting Brown Mule between his teeth—that is just too much.

How about a real, honest to goodness clean up in Floydada?

And speaking of clean-ups—if the city council will promise not to move the dirt on the paving on South Main street, Old Battleaxe will sponsor a move to have the residents on that street to plant grass there this spring. Enough dirt has collected there to make a good sub-soil and, if it is not moved, will make an excellent place for a lawn.

Competition for the Liar's Trophy offered by the spit and whittle club will get pretty keen soon. These sure are good days for fishing.

Congratulations—to the members of the F. H. S. senior class upon the completion of their 1928 annuals. They are piece of splendid work and truly illustrate the kind of work done in the Floydada schools.

Remington Portable, the student's friend, at The Hesperian Office.

## 14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF MAY 28, 1914

A terrific rain did some damage in portions of Floyd County last Sunday afternoon and evening. Northwest of Floydada a few miles an estimated rain of four inches or more fell in a period of three hours. Some hail accompanied the rain in parts of the county.

H. R. Black, manager of the Roaring Springs Townsite Co., was in Floydada Tuesday in the interest of the proposed auto road from Roaring Springs to Floydada.

Campbell School District is to have a frame school building to cost not exceeding fifteen hundred dollars, following a bond election Saturday. The bonds carried by a vote of 12 to 3.

Scholastic Census of the Floydada School District shows a total enumeration to date of 283 scholastics, according to the figures of W. I. Allen. This is an increase of 28 over last year.

Oliver Allen returned home last Friday from six months selling trip over the western portion of the state.

The Hesperian \$1.50 per year.

### NOTHING LIKE IT ON EARTH

The new treatment for torn flesh, cuts, wounds, sores or lacerations that is doing such wonderful work in flesh healing is the Borozone liquid and powder combination treatment. The liquid Borozone is a powerful antiseptic that purifies the wound of all poisons and infectious germs, while the Borozone powder is the great healer. There is nothing like it on earth for speed, safety and efficiency. Price (liquid) 80c, 60c and \$1.20. Powder 80c and 60c. Sold by

### WORLD'S LOWEST PRICED SIX

with 7 Bearing Crankshaft and many Quality Features

The new Whippet Six is the lowest priced six-cylinder car on the market. And no less important is its array of mechanical superiorities—7-bearing crankshaft, full force-feed lubrication, silent timing chain, invar-strut pistons, 109½-inch wheelbase, 4-wheel brakes and many other features never before offered at this price.

It has demonstrated its performance qualities in many tests. Its speed, fast pickup, endurance, stamina and extreme ease of control make it a most satisfactory car to drive. Its smart lines and colorful appearance appeal particularly to women.

### THE PERFECTED WHIPPET

Full Force-Feed Lubrication—Silent Timing Chain—Remarkable Economy

The Whippet, sweeping on to greater popularity every month, offers features and advantages no less amazing at such low cost than those of the Whippet Six. Among these are full force-feed lubrication, silent timing chain, big 4-wheel brakes, unsurpassed economy, remarkable speed and pickup.

Whippet bodies are stylish, colorful, modern. They are unusually comfortable to ride in, with deeply upholstered seats and plenty of leg room, head room and elbow room due to skillful designing.

May 15, Willys-Knight Co., produced 2030 cars—this enormous production to meet public demand.

Where can you meet better cars, at lower prices, meeting stiffer requirements, than these?

Visit our sales rooms today and see for yourself what these two wonder cars will do.

### What's Doing in West Texas Today

(By West Texas Chamber of Commerce)  
**COLEMAN**—Coleman territory is being advised as to WTCC convention rates in a letter from Sim O'Neal, Coleman secretary.  
**GUSTINE**—Several structures are being erected here in the reconstruction program following fire in the business section.  
**FLOYDADA**—Floydada's municipal band will enter the annual band contest in connection with the Fort Worth convention of the WTCC.  
**ROBERT LEE**—Old walnut stumps buried in the ground here are being sold at a good price, ranging from \$15 up.  
**SEYMOUR**—Seymour will be 1929 host to the Green Belt District of the West Texas Chamber of Commerce, the 1928 Quannah session voted.  
**CLYDE**—Grape growers of this section have perfected an organization to develop their industry.  
**Hale Center**—A poultry anti-theft association has been formed here.  
**SWEETWATER**—C. S. Boyles is the first man in this city to register for the WTCC convention; it will be his eighth time to attend.  
**QUITAQUE**—Membership in the newly organized Quitaque Business Men's Luncheon Club is now over 30.  
**ALPINE**—Alpine will be host to the 1929 meeting of the Texas Woman's Press Association.  
**SPEARMAN**—Spring Park, Spearman's new recreation center, will be opened June 5 and 6.  
**COLORADO**—After being featured on a WTCC district meet banquet menu capons in this section have been sold out at a record price.  
**HAMILTON**—A new \$45,000 high school auditorium is to be built here at once.

Brighten up your home— with DUCO

Let us show you how

YOU can use Duco in your own home on dozens of household furnishings—chairs, tables, beds and dressers, and on those small things which have always needed color. It doesn't take experience. We will be glad to show you how easy it is to apply Duco.

We carry a complete line; twenty-two beautiful colors, four rich stains, and the transparent Clear Duco. Nothing else can give you Duco results. Come in and ask for a color card—today.

DUCO—Made only by du Pont

KIRK & SONS  
 Floydada, Texas

**GOREE**—The local grain elevator will soon be housed in a new building of enlarged capacity.  
**Canadian**—Secretary, W. A. Miller is seeing fruition of many months' work in letting of a contract for the Washita Bridge on Highway 4 near here.  
**CLIFTON**—Clifton's new and modern sewerage system is now in successful operation.  
**SNYDER**—Two beehives are already donated for the 1929 celebration to be held on the Cap Rock scenic Highway.  
**FREDERICKSBURG**—After 60 years, Fredericksburg has become an incorporated city.  
**ALBANY**—Albany's water improvement program has been completed.  
**DE LEON**—The DeLeon iceplant is now operated by the Texas Water Utilities Company.

### Questions On Health With The Answers

#### Whose Baby Is He?

1. My children are worrying me to death about their birth certificates, ever since the Parent-Teacher Association took up the work in our schools. Please tell me why it is so important for a baby's birth to be reported? (Mrs. L. M. D. Burnet.)  
 1. To prove his age and citizenship, his right to go to school, his right to work, his right to an inheritance, his right to marry, his right to hold office, his right to secure passports for foreign travel, his mother's right to a widow's pension.

#### Rickets

2. I'm the mother of five children and most of them we have had to have treated for rickets. Does rickets occur more frequently during certain seasons of the year? (Lucy Lee M. Kyle.)  
 2. Rickets is not only more prevalent at certain times of the year but in certain climates. It occurs most frequently in the winter and spring. While a very common disease of the temperate zone, it is almost unknown in the tropics. This is probably due to the very important influence of sunlight in the prevention of this condition.

#### What Are Symptoms of Paratyphoid?

3. Our family are all ailing and one of my neighbors thinks we have paratyphoid fever; will you kindly tell me how I can know what are some symptoms? (Mrs. James O'R., Alvin.)  
 3. "Paratyphoid bacilli are associated with a train of symptoms of a kind usually understood to be highly characteristic of food poisoning; nausea, abdominal pains and diarrhea following a few hours after the meal at which bad or infected food was eaten. The short period elapsing in certain paratyphoid food poisoning outbreaks between the ingestion of the food and the appearance of symptoms, has lent color to the belief that poisons already found in the food, or arising from the disintegrated bacterial cells, were the cause of illness rather than the growth of the bacilli in the human body.

Prevention of paratyphoid food poisoning may be effected in various ways. The two human types of paratyphoid fever, which in some of their manifestations are closely related to food poisoning, can probably be best combated by avoiding contact with the sick by guarding food supplies, especially milk, against contamination by carriers or convalescents and by eliminating polluted drinking water. Protective inoculation against the two paratyphoid fevers has been largely practiced in recent years in the use of the so-called triple-vaccine, but there is no absolute statistical evidence that their prevalence has been lessened by this procedure. Foodstuffs that are thoroughly cooked are in a measure a safeguard against the noxious germs, and also there must be protection from vermin.

The Hesperian \$1.50 per year.

### 600 Kids See And Hear Buster Brown And Tige

Buster Brown and Tige visited Floydada last Friday and in the afternoon 600 kids saw and heard them at the Royal Theatre, compliments of the Martin Dry Goods Company.

The principal job of the distinguished visitors was to tell the boys and girls about Buster Brown shoes, however they furnished the kiddies much enjoyment, too. One feature that made the show go big with the kids was that the grown-ups, who usually capture all the standing room down front when the show is put on on the streets, didn't get a look-in until all the kids had good seats and assurance of seeing all the fun.

### Locals and Personals

Bill Allmon, of Brownfield, has been here for several days on a visit with his parents, Mr. and Mrs. Lee Allmon. He is in the barber business at Brownfield, where he owns a shop.

Mrs. R. M. Morgan and daughters left this week for Commerce, Texas, where Mrs. Morgan will spend the summer in school. Mr. Morgan and the boy will "batch" this summer while the women members of the family are gone.

J. D. Farmer, of Copperas Cove, Texas, was here a short time this week looking after his farm and business interests. Mrs. Farmer accompanied him as far as Scurry County, stopping there to visit with her son, Frank.

Ed Bishop, secretary of the Chamber of Commerce, reached home Sunday from Corpus Christi, where he attended the annual meeting of the Texas Commercial Executives' Association.

Mr. and Mrs. J. D. Weatherly have as their guests Mr. Weatherly's parents, Mr. and Mrs. W. R. Weatherly, of Paragould, Ark. They arrived Thursday of last week and plan to be here about three weeks.

Lorraine Nelson returned home Saturday from Ft. Worth, where he has been attending Danforth's School of Pharmacy. He was accompanied by a classmate, Raymond Davidson, who left Monday morning for his home at Gynnon, Oklahoma.

Rev. A. A. Collins filled his regular monthly appointment at the Presbyterian church at Eldorado, Oklahoma, Sunday, returning home Monday afternoon. Rev. Collins reports that the roads are very muddy the entire distance of 140 miles.

Mrs. A. D. Summerville and sons, A. D. and Theron and daughter, Mary Alice, left Saturday for Hot Springs, New Mexico, where Mrs. Summerville will take the hot baths for the benefit of her health.

#### SHERIFF'S SALE

STATE OF TEXAS,  
 County of Floyd.  
 By virtue of an order issued out of the Honorable District Court of Dallas County, on the 30th day of January, 1928, by the Clerk thereof, in the case of Advance-Rumley Thresher Co. Inc. a corporation, plaintiff versus D. C. Day, defendant No. 72326 A, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the LAST TUESDAY in May A. D. 1928, it being the 29th day of said month, before the Court House door of said Floyd County, in the town of Floydada, the following described property, to-wit:  
 One oil pull tractor, type "M," No. 149, complete with all parts and attachments; Levied on as the property of D. C. Day to satisfy a Judgment amounting to \$1614.37 in favor of Advance Rumley Threshing Machine Co. and cost of suit.  
 Given under my hand, this 11th day of May 1928.  
 122c. P. G. STEGALL, Sheriff.

#### Vegetably Speaking

"Life's a game of shellin' peas," says Bill Benz, the neighborhood philosopher, "and the good sports are willin' to take podluck."—Farm & Fireside.

#### CELESTIAL BAIT

What a wonderful time a mouse could have on his way to heaven if the moon really was made of green cheese.—Farm & Fireside.

The business man's department store. Hesperian Publishing Co.

#### WOMEN WHO SUFFER

With headaches, dizziness, pains in the back and other ailments from an inactive liver will find Lane's pills just the thing for relief.

ARWINE DRUG CO., Sells  
**LANE'S PILLS**

#### FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by  
 FLOYDADA DRUG CO.

#### A Real Needy Tourist

No one, said an American observer in Paris, needs an aunt so much as an American child being given his first personally conducted tour of Europe.—Woman's Home Companion.

#### Throwing The Bill

A Cleveland, enraged by a monthly statement submitted by his doctor, wrecked the medico's office. That's taking the bill by the horns.—Farm & Fireside.

S. W. Ross made a business trip to Plainview, Wednesday of last week.

**Baker News**

Baker, May 21.—We sure have had lots of rain during the past weeks and some hail which did considerable damage to the early gardens, however, the damage to the wheat in our community has been slight. The wheat looks fine since the rain and the grass is growing fast.

Mrs. Tate Jones spent Saturday afternoon with her mother, Mrs. R. P. Graves.

Mrs. J. L. Carathers was a guest of Mrs. Joe Hart Monday afternoon.

Miss Dora May Glenn spent Saturday night and Sunday with Miss Annie Eves.

Mr. and Mrs. Tate Jones visited Roe and family last Saturday night.

Mr. and Mrs. Jeff Hart spent Sunday with Mr. and Mrs. R. F. Finley.

Mrs. J. L. Carathers visited Mrs. I. Surginer last Friday afternoon while her little boy went to see the Buster Brown show. The children greatly enjoyed the show.

Elmer Carathers is at home with his parents, Mr. and Mrs. J. L. Carathers since school closed last Friday night.

Mr. and Mrs. G. R. May and children visited awhile Sunday afternoon at the Carathers home.

B. A. Colston visited at the home of Mr. and Mrs. J. L. Carathers Monday afternoon.

There was no preaching at Baker last Sunday on account of the rain and hail.

"The Flying U Ranch"  
Also Trail of a Tiger and good comedy.

COMING  
Clara Bow in "RED HAIR"  
Watch for Date.

We heard this afternoon that Miss Alice Smith, of Sand Hill recently underwent an operation at the Plainview hospital. Her brother also underwent an operation at the sanitarium recently. We sure sympathize with the family and trust they get along fine and will soon be home.

Miss Annie Jewel Fawver spent last Saturday night and Sunday with Miss Anne Graves.

Mr. and Mrs. G. L. Fawver are expecting his mother this week to visit for a few days.

**Sunset News**

Sunset, May 22.—Bro. Evans preached for us Sunday. We are always glad to have Bro. Evans with us and hope he will come back soon.

Mr. and Mrs. Quay Cypert and Mrs. Wilbur Nelson spent Sunday with Mrs. Claude Leach.

Quite a few enjoyed the party at the home of Mr. McCloud Wednesday night. A number of the Sunset young people visited in Lockney last week.

Several from our community attended the picnic at Wallace last Friday.

Mr. and Mrs. J. G. Shearer and family, accompanied by Mr. and Mrs. G. D. Hawkins spent Thursday in the Blanco Canyon on a fishing trip.

J. G. Shearer and daughter, Maurine, returned last week from Tulia where they had been visiting with Mr. and Mrs. C. E. Shearer.

Miss Ruth Childress and Vera Wilson spent Friday night at South Plains.

Clarence Lyles spent Sunday with Johnnie Wilson.

Miss Bessie Shearer spent Monday with Ruth Childress.

**Pleasant Hill News**

Pleasant Hill, May 22.—Mrs. J. R. Evers and daughters Adell and Myranell and Mrs. Fred Battey spent Sunday with Mr. and Mrs. R. C. Watson of Floydada.

Mr. and Mrs. M. B. Brown, of Dimmitt, spent Saturday and Sunday with Mr. and Mrs. Dan Day.

The ice cream supper given at the P. J. Wilkes home was greatly enjoyed by the people of Pleasant Hill.

Miss Lucille Evers and Myrtle Day spent Sunday in the Woolsey home.

Mrs. J. R. Evers and children and Mrs. Dan Day and daughter, Myrtle spent Saturday in the R. M. Battey home.

Mrs. Dan Day and daughter spent Monday with Mrs. A. E. Shelton.

Clyde Day spent Saturday night with J. R. and Ogie Evers.

The home demonstration club will meet Thursday afternoon at the home of Mrs. S. D. Scott. Miss Bass will demonstrate how to make light bread.

**Fairview News**

Fairview, May 22.—Our school closed Friday. A mixed program consisting of a May Pole Dance by the primary room, a pageant "America in the Making" by the lower intermediate room, and a one-act comedy, "Quack, Quack" by the higher intermediate room, with readings by Naomi Hodge and Clarabelle Carter between numbers was presented last Thursday night to a good audience. The report and book cards were issued to the students at noon Friday.

The following students were on the honor roll for May: First grade—Juanita Rushing, Captola Baskin, Billie Crabtree, Dorothy Hodge, Grady Reeves Irene Reeves, Ibbie Lou McCutcheon; Second grade—Elizabeth Beedy; Third grade—Louise Brown, Maurice Burton Kenneth Rimmer, Erwin Laminack; Fourth grade—Lorene Brown, Claudie Faye Teal, Iris Horton Edna Beth Wilson, Mary Francis Clark; Fifth grade—Naomi Lee Hodge, La Verne Rimmer, Clarabelle Carter; Sixth grade—Truett Austin, Vera Laminack; Seventh grade—Cleo Cozby and Bernice Crabtree.

Mr. and Mrs. W. C. McClellan left Friday at noon for their home in Taft, Texas.

L. D. Horton was on the sick list last week.

Mr. and Mrs. S. L. Rushing spent Saturday and Sunday with their daughters, Misses Lula Belle and Pauline Rushing in Lubbock.

Miss Iris Crawford left Friday afternoon for her home in Silverton to spend her vacation.

Mrs. Fannie Montague and granddaughter, little Miss Francis Ruth Gar-

rett, visited with Mrs. W. B. Wilson and children last week-end.

Fairview was represented in the Floydada high school graduating class this year by Misses Ouida Crabtree, Opal Horton and Sidney Carter.

**Campbell News**

Campbell, May 22.—Farmers are very busy in this section planting cotton.

Miss Bernice Murrey spent Tuesday night with Louana Garner.

Mr. and Mrs. Garland Glover, of Floydada, are visiting his parents, Mr. and Mrs. J. M. Glover.

Grandmother Chestnutt, of South Plains, is visiting with her son, E. B. Chestnutt, this week.

Mr. and Mrs. R. N. Burgett, of Floydada, visited his brother, L. J. Burgett Friday.

Mr. and Mrs. Foster Amburn and children and Mr. and Mrs. Bob Rogers and children, of Floydada, visited with Mrs. Tom Warren this week.

Mrs. W. A. Amburn and daughter, Mary Grace visited with Bill Jackson, of Fairview, who is ill with pneumonia.

Miss Ethel Owens spent Friday night with Dorothy Burgett.

Mrs. P. M. Smith and grand-daughter, Dean Smith, of Floydada, spent the week-end with relatives in this community.

Mr. and Mrs. Owens had as their guests Saturday, Mr. and Mrs. Felix Ross, Mr. and Mrs. Sam Glenn and Dorothy Burgett.

Henry Burgett is spending a few days in Pampa this week.

Mr. and Mrs. Paul Farley and sister, of Floydada, visited with W. H. Owens and family Monday.

**Prairieview News**

Prairieview, May 22.—The Association was well attended at this place Tuesday.

Perry Wood and family were visiting in the H. O. Davis home last Monday.

Mrs. Huddins and children spent the day visiting with relatives at Plainview, Thursday.

Mr. and Mrs. B. A. McCarty and son, Josh, visited in the Gamble home Thursday.

Mr. and Mrs. H. O. Davis were shopping in Plainview Friday.

Mr. and Mrs. F. S. Shearer and children were pleasant callers in the Wood home Tuesday.

Nath Burkett, candidate for sheriff of Hale County, was in our midst the past week.

Mrs. Percy Wood and daughters and Mr. and Mrs. W. L. Hurt and children left Sunday morning for Orasco, where they will visit friends and relatives.

Mr. and Mrs. Ellrod and children took Sunday dinner with Mr. and Mrs. H. O. Davis.

Mrs. L. V. Brittain and family visited with relatives in the East Mound community Sunday.

Margaret Hoyle spent Sunday with Juanita Davis.

The entertainment given by Mr. and Mrs. Paul Williams Friday night was greatly enjoyed by all present.

Several from this community are planning to attend the singing convention at Petersburg Sunday.

Mr. and Mrs. Leonard Hoyle and Mr. and Mrs. Willie Sammann were guests of Mr. and Mrs. J. W. Gamble Sunday.

Mr. and Mrs. Cox of the East Mound community visited in the Tolliver home Sunday.

Mr. and Mrs. Mark Williams were visiting in Canyon the past week.

**Center News**

Center, May 22.—Rain, rain and more rain, has been the program the past week. We have a fine season in the ground now and so much to be thankful for.

Sunday School was very well attended Sunday considering we had a hard rain just before daylight.

The threatening weather of Sunday caused our convention crowd to be rather small.

Mrs. Marion Carpenter is a patient at the Smith and Smith Sanitarium since undergoing an operation for appendicitis early Saturday morning. She was doing fine this morning.

Marvin Williamson of near Lakeview, spent Sunday and Sunday night with Rayford Austin.

Mr. and Mrs. C. O. Spence visited her two sisters near Lubbock Saturday and Sunday. Her mother, Mrs. Lollar, of Runnels County was there and returned home with them.

Those from other places to attend the singing convention Sunday were: Mr. and Mrs. Bob Spence and children, Roy O'Brien, Price Scott, Mr. and Mrs. Bee Nichols and Mr. Nichol's mother of Floydada, Mr. and Mrs. I. J. Loyd, of Blanco, Mr. and Mrs. Flippin and children, of Campbell.

Mr. Guffee of east of Fairview visited his daughter, Mrs. Ross, Monday afternoon.

Misses Alma Montgomery and Doris Spence spent Sunday night with Miss Effie Noland.

Mr. and Mrs. John Sanders attended Sunday School here Sunday and were guests of Mr. and Mrs. Huckabee at dinner.

**Verlon Harmon Receives License For Embalming**

Verlon Harmon, nephew of F. C. Harmon, this week received his certificate as a licensed embalmer and is now authorized to practice undertaking and embalming in the state of Texas. He returned home Saturday from Dallas where he took the state board examination.

Preceding the examination, Harmon completed a six-weeks course in embalming and demi-surgery at the Dallas School of Embalming. He was absent from home nearly seven weeks.

Harmon has been connected with the F. C. Harmon Undertaking Establishment of this city for the past two years. Three licensed embalmers are now connected with this firm. The other two are F. C. Harmon and T. G. Hall.

Mr. and Mrs. Phil Johnson, of Fort Worth, spent Wednesday here visiting with friends and relatives. Mrs. Johnson was formerly Miss Mildred Flynn, of Amarillo.

**Floyd County Clubs**

**SAND HILL CLUB**

Sand Hill Home Demonstration Club met Wednesday May 16, at our club room. We had seven members present and two visitors. We were to have had a demonstration on Cottage Cheese, but Miss Bass couldn't get to it, so we will have that demonstration at a later date.

We discussed means of raising money for our club and decided on making a quilt. We also discussed the club picnic which is being planned for some date in June.

Our next meeting will be on June 6. We sure would be glad to have more of our members present and also welcome any visitors.

**BLANCO CLUB MAKES PLANS FOR MARKET EVERY SATURDAY**

Blanco Home Demonstration Club met at 2:30 o'clock Thursday, May 17, with Mrs. George Smith as hostess. All of the members were present except one and the club hopes to have one hundred percent attendance at the next meeting. The program planned for this meeting

was postponed and the entire time was given over to a business meeting. Each one was assigned her part to prepare for the fair this fall. Plans for a weekly market to be held in Floydada on Saturday's was made and discussed. Nearly all of the members contributed to the market last Saturday.

The next meeting date of the club will be held June 7 with Mrs. Will Snell. Simple desserts will be the subject of the lesson for this meeting. Members will answer to roll call with the "desert I serve most often." Mrs. J. D. Christian will be leader. The remainder of the program will be carried out as follows: "The Place of Desserts in the Menu," Mrs. L. C. Wheeler; "Danger in Desserts," Mrs. W. C. Cates. A demonstration of simple desserts will be given by Miss Bass.

The club women are planning to meet Tuesday at the school house and set flowers and vines. They hope to make great improvement in the appearance of the school ground this year.

Mr. and Mrs. A. E. Tinnin accompanied by Skeet Thornton left Friday on a vacation trip to Galveston. They plan to be gone about two weeks.

**WALDO HOUGHTON HONOR STUDENT**

Waldo Houghton, son of Dr. and Mrs. W. M. Houghton, made the highest grade of any child in either of the sixth grade classes of the Andrews Ward School during the past term, according to an announcement made by his teacher, Miss Lula Belcher. Waldo's average for the year was 93.4, the highest average made by any pupil in the Sixth grade in Floydada Public Schools for several years, it was stated.

Miss Vivian Stegall, who recently underwent an operation in a Lubbock Sanitarium, was able to be brought home Sunday.

**Society & Clubs**

**Miss Little Given Shower Prior to Leaving.**

Miss Elizabeth Little, who has been a teacher in the High School during the past year, was given a shower Saturday evening at the home of Miss Jessie Mae Wood by the Willing Worker's Sunday School class, of which she was teacher, prior to her departure for her home at San Angelo.

The shower which was a surprise included many pretty little remembrances from the pupils to their teacher.

Refreshments of punch and cake were served to the following: Patty Looper, Wana Tawwater, Willamina Salisbury, Lanell Thomas, Ruth Baker, Katie Lee Thurmon, Bessie Clare Smith, Hazel Parker and Jessie Mae Wood, the hostess. U. S. Marshall, Truman Webb, Jessie Merle Scoggin, Regene Brown, members of the High School quartette, who had been on a picnic with Miss Little and Miss Dorothy Biebel and returned home with Miss Little were also guests at the party as was Miss Biebel.

**District President Visits Local Auxiliary.**

The American Legion members of McDermott Post and Auxiliary held a joint meeting at the Legion home Monday night to take advantage of the opportunity to hear Mrs. Will Benton, of

Amarillo, chairman of the Eighteenth District of American Legion Auxiliaries, give a very interesting talk on her trip to France with the Legionnaires to the International Convention. Mrs. Bennet is making a tour of all of the units of the district. There were about thirty-five or forty present.

After the lecture refreshments of sandwiches, cake and tea were served by Mrs. J. A. Arwine, Mrs. J. C. Gilliam and Mrs. E. L. Angus.

Mrs. Benton was a guest of Mrs. Jno. Reagan, president of the local auxiliary during her stay in the city.

**Chairman Names Helpers For Poppy Sale.**

Mrs. Jack Henry, who was named by the president of the American Legion Auxiliary, Mrs. Jno. Reagan, as general chairman of the poppy sale to be held Saturday, has appointed the following to assist in the sale Saturday morning: Mrs. Jno. Lewis, Miss Ruth Collins, Mrs. E. L. Angus and Mrs. C. M. Thacker. All of the workers are requested to meet promptly at 8:30 o'clock at the Floydada Drug Store.

Mrs. A. W. Chowning will have charge of the sale Saturday afternoon and will be assisted by Miss Jennie Lewis, Mrs. Calvin Steen, Mrs. J. A. Arwine, Mrs. Rip Snodgrass, Mrs. C. H. Davis, Miss Sallie Hill, Miss Mary Helen Johnson and Mrs. E. C. Thomas.

**M. E. Society Entertained Monday Afternoon.**

Mrs. A. N. Gamble assisted by Mrs. Wilson Kimble entertained the Woman's Missionary Society of the Methodist church at her home Monday afternoon in regular monthly social session.

A program from "The Missionary Voice" was carried out with Mrs. L. C. McDonald as leader. Mrs. Ben Hardy led the devotional. Mrs. Wm. McGehee, Mrs. Geo. Smith, Mrs. R. L. Henry and Mrs. J. M. Willson each discussed topics of the program.

Apricot Sherbet and cake were served by the hostesses to: Meses. Ben Hardy, Wm. McGehee, Geo. Smith, L. C. McDonald, H. M. McDonald, Ona Mitchell, Wm. Colville, M. F. Husky, Jno. L. West, W. A. Robbins, J. M. Willson, R. L. Henry, Dick Robertson, Ella Johnson, Mrs. Fannie Power, of Rule and Mrs. Dave Allman.

The society will meet Monday afternoon at 4 o'clock at the parsonage.

**Mrs. Bratton Hostess To Bridge Club.**

The Tuesday afternoon Bridge Club met Friday afternoon at 3 o'clock with Mrs. A. N. Bratton as hostess. Mrs. Fred Brown received high score in the games played during the afternoon. Mrs. Otis Abston was received as a new member.

Refreshments were served by the hostess to the following: Mrs. W. L. Fry, Mrs. Jno. Hammonds, Mrs. Fred Brown, Mrs. Carr Sarginer, Mrs. Sam Abston, Mrs. Otis Abston and Miss Jennie Lewis.

Mrs. J. K. Green will entertain the club next Friday afternoon, May 25, at 3 o'clock.

**Specializing**

**J. U. Borum**

**Social Calendar**

The Woman's Missionary Society of the Methodist Church will meet at the parsonage Monday afternoon at 4 o'clock for their Bible study conducted by Mrs. W. W. Porter.

Mrs. J. K. Green will be hostess to the Tuesday Bridge Club at her home Friday afternoon, May 25, at 3 o'clock.

Mrs. W. L. Fry will be hostess to the Wednesday Bridge Club at her home Wednesday afternoon, May 30.

Mrs. Aubrey Bishop will entertain with a slumber party for several of her friends at her home tonight.

North Circle of the Baptist Missionary Society will meet Monday afternoon at 3 o'clock with Mrs. Clarence Foster as hostess.

South Circle of the Baptist Missionary Society will meet Monday afternoon at 3 o'clock with Mrs. S. G. Bishop as hostess.

Memorial Day Services Sunday afternoon at 3 o'clock at the Baptist Church under auspices of American Legion Auxiliary and 1922 Study Club.

**District Missionary Society Meeting Postponed.**

District secretary, Mrs. H. N. Porterfield, has postponed the meeting of the Woman's Missionary Society of the Plainview District from Wednesday and Thursday of this week to June 6-7. The meeting has been postponed on account of the bad condition of the roads following the heavy rains over the entire district.

The program will be carried out as was originally planned and the same committees have been asked to serve when the meeting is held next month.

**Baptist Circles Hold Meetings Monday.**

South Circles of the Baptist church met Monday afternoon at the home of Mrs. Jno. Horton. A lesson was had from the book "Plan of Salvation." The remainder of the afternoon was spent in discussing plans for making undergarments for girls in the Buckner's Orphans home. About eighty garments will be made and sent to the home at an early date.

North Circle of the Baptist church met Monday afternoon at the home of Mrs. O. T. Williams. There were nine members present. The circle completed their study book "Glimpses of Missionary Life" at this meeting and will take an examination on the study this weekend.

**Reunion of Archer Family First in Eight Years.**

Mr. and Mrs. J. R. Archer had as their guests during the week end their eight children, seven daughters, and one son, all together for the first time in eight years. A dinner at the family home Sunday was the principal feature of the gathering. Their son-in-laws, daughter-in-law and grandchildren were all present with the exception of J. R. Neece and son, of Amarillo and R. J. Christian and two daughters, of Duncan, Oklahoma.

Those present were: Mrs. J. R. Neece and son, Eugene and daughter, Floy Archer, of Amarillo; Mr. and Mrs. M. P. Funk and daughter, Laferne and son, Raymond, of Duncan, Okla.; Mrs. R. J. Christian and daughter, Betty Jane, of Duncan, Oklahoma; Mr. and Mrs. L. T. Archer, of Grand Canyon, Arizona; Mr. and Mrs. S. G. Appling and son, Wayne, of Floydada; Mr. and Mrs. E. L. Norman and children, of Floydada, Mr. and Mrs. S. J. Latta, of Floydada and Miss Robbie Archer, Floydada.

All have returned to their homes with the exception of Mr. and Mrs. L. T. Archer and Mrs. M. P. Funk and children.

**Sunday School Class Go On Picnic To Canyon.**

Alpha King's class of Sunday School pupils accompanied by him and Mrs. King spent Tuesday evening on an outing and picnic at the Falls crossing in the Canyon.

Those enjoying the party were: Misses Robbie Archer, Mildred Teple, Mildred Strickland, Maxine Norris, Ruth Sparks, Lena Sparks, Kate Stiles, La Ferne Funk, of Duncan, Oklahoma, Ollie Belle Collins; Mrs. A. A. Collins and Messrs. Bill Norris, Earl Crow, Russell King and Carder Collins.

**COUNTY SINGING CONVENTION AT LONE STAR JUNE 16 AND 17**

The Floyd County Singing Convention will be held at Lone Star on the third Sunday in June and the Saturday afternoon before.

The business session of the convention will be held on Saturday afternoon and everyone is urged to attend that meeting as well as the Sunday gathering.

C. M. Lyles is president of the county organization and R. G. Spence is secretary.

Mr. and Mrs. Calvin Steen returned home this morning from Plainview, where Mr. Steen had been since Sunday and his wife since Tuesday, with his mother, Mrs. John Steen, who has been seriously ill. Her condition was improved when they left Plainview this morning.

Mrs. E. P. Nelson is in Long Beach, California, where she went several days ago to be with her daughter, Mrs. Otto Faulkner, who recently underwent an operation. A letter from Mrs. Nelson states that Mrs. Faulkner is rapidly improving.

Mr. and Mrs. O. T. Williams and children left Tuesday for Olney, where they will spend a week visiting with relatives.

Dr. W. M. Houghton has been confined to his bed with the flu since Sunday.

"Where Most People Trade"

West Side Square, Floydada

### Saturday Will Be Poppy Sale Day in Floydada

Blood Red Poppies Have Three-fold Significance in Plains of American Legion Auxiliary.

Members of the American Legion Auxiliary in Floydada are completing their plans for the National Poppy Day campaign which is to be held Saturday of this week. Mmes. Jack Henry, A. W. Chowning and Miss Virginia Lewis are in charge of the local sales and a most intensive campaign is planned.

Many people buy the small red flower without giving serious thought to just what their dime means, and the following information received from the Legion auxiliary explains the great amount of good these stray dimes are doing:

"With Memorial day a few short days away it is well to bring our minds to the three-fold significance of the Poppy. Why do we have Poppy day?"

"First, because of the great amount of good which is accomplished by giving the disabled veterans the chance to make them. If poppies are not being made in your own hospitals or you have never visited the men making them, it will be hard for you to believe that having poppies made by disabled men is one of the largest pieces of welfare work done by the auxiliary. What could be better than helping a man to keep his self-respect by earning a little money in this way?"

"Second, the money derived from the sale of poppies is the greatest means of revenue by which the rehabilitation and child welfare programs are carried on. Poppy day is the one day the public is privileged to contribute toward this worthy cause.

"Third, always in our hearts is a feeling of reverence for those who did not come back and on Memorial day we demonstrate this feeling by wearing the blood red poppy. Never forget the sentiment of this flower.

"Efforts have been directed toward spreading the manufacture of the poppy throughout the entire year, thus affording continuous employment. This pro-

gram has been partly accomplished but much remains to be done to make it a realization. While there are many uncompensated men in the hospitals the greater need for money lies with the men who have been discharged from the hospitals and are going through a convalescent period, not able to do heavy work but of necessity searching for some means of livelihood."

### Fawver Making 'Warm' Race For Commissioner

Geo. L. Fawver is making such a warm race for Commissioner in Precinct Four that he is attracting notice right along, as Joe Smith, of Campbell, can testify.

Saturday Mr. Fawver was electioneering with Mr. Smith and got so heated up he set an automobile curtain on Smith's car afire and before the blaze could be extinguished, it had burnt a hole in the top of the automobile, as big as a hat. All of which is confirmed by Mr. Fawver himself.

Perhaps the most unfortunate feature of the matter was that Mr. Smith's hand got burnt so badly that he can't shake hands with any more of the candidates this season, Mr. Fawver and other witnesses report. Mr. Smith has not been seen but it appears, without doubt, that Mr. Fawver had such a "warm" line that he set the car afire.

### STATE UNIVERSITY ESTABLISHES SCHOOL OF RELIGION

A school of religion in the Sate University of Iowa was inaugurated in 1927. It is a regular department in the college of liberal arts. Control is vested in a board of trustees on which Catholics, Jews, Protestants and the university are represented. Registration in the new school was slightly less than 100 students. Courses are elective. Undergraduate studies include the Old and the New Testament, ethics, and educational use of the Bible. In the graduate field courses are given in comparative religion and the history of religion.—School Life.

## Every Car a Champion!

### The President

\$1985 to \$2485  
F. O. B. FACTORY  
100 horsepower 80 miles an hour  
131-inch wheelbase  
Holds all official records for stock closed cars, regardless of power or price, from 5 to 2000 miles and from 1 to 24 hours.

### The Commander

\$1435 to \$1625  
F. O. B. FACTORY  
85 horsepower 72 miles per hour  
World's Champion car—25,000 miles in less than 23,000 consecutive minutes. Nothing else on earth ever traveled so far so fast.

### The Dictator

\$1195 to \$1395  
F. O. B. FACTORY  
70 horsepower 65 miles per hour  
5000 miles in less than 4800 consecutive minutes—a record for stock cars priced below \$1400.

### The Erskine Six

\$795 to \$965  
F. O. B. FACTORY  
43 horsepower 62 miles per hour  
A thousand miles in less than a thousand consecutive minutes—a record for stock cars priced below \$1000.

ERSKINE Six, Dictator, Commander or President Eight—they're champions all! Read their separate, sweeping records—officially certified by the American Automobile Association. Champions in performance! Champions in stamina! Champions in durability! Studebaker has taken these three vital tests of value and proved them in the only way they can be proved—by heroic tests of strictly stock cars under official sanction.

Think what this means to you in terms of everyday service—in terms of getting the most for every dollar you invest in a motor car!

### Studebaker Stands Supreme

These marvelous records made by Studebaker and Erskine cars are positive proof that they stand supreme and alone in their ability to travel thousands of miles at high speeds without mechanical trouble. These sensational proofs of inbuilt speed and endurance are direct results of Studebaker engineering genius, quality materials, precision manufacture and rigid inspections. For these reasons Studebaker and Erskine cars may safely be driven forty miles an hour the minute they leave the assembly line. Engine oil need be changed only at 2500-mile intervals.

When championship performance and championship stamina can be bought in Studebaker-built cars at One-Price prices (that in themselves set records of value), why be content with less than a champion?

Today Studebaker alone can offer you a champion in every price class. Come in today—drive a Studebaker champion! Let the car speak for itself.

### Years Of School Life

School eleven years and tardy only one time in that period, and absent from school only seven days, is the record of Aubrey Fawver, a son of Mr. and Mrs. B. Fawver, who was in the graduating class of F. H. S. 1928. In his senior year he did not miss a day from school, and his tardiness on the one day was during his grammar school years.

Aubrey began attending school as a member of the primary class in the public schools of Floydada, when the building now used to house the East Ward pupils, was used to house the entire school student body. During four years of his early school life he came to school on horseback from the farm home of his parents north of town.

### NOTICE

My attention has been called to the fact that a number of people are using the low ground in north Floydada, around the lake, for dumping, within the city limits, also that carcasses are being deposited there in some cases instead of the proper disposition being made of them according to city ordinance.

These are finable offenses and carry heavy penalties, and the practices should be discontinued at once to avoid prosecution.

W. D. SMITH, Mayor,  
City of Floydada.

Floydada, Texas

### COMMITTEE REPORTS HEARD BY MEMBERS LUNCHEON CLUB

Floydada Luncheon Club at its Monday meeting heard brief outline of the problems in connection with the plans of the band and delegation to attend the Fort Worth Convention of the West Texas Chamber of Commerce from Ed Bishop and committee reports and discussion took up the remainder of the session. Among those reporting were G. C. Tabbs, of the inter-community relations committee, and J. C. Gilliam of the Beautiful Homes Contest committee. Probability that an announcement in connection with the last-named activity will be made soon, was indicated by Mr. Gilliam.

Very likely no effort will be made to run a special train from Floydada to Fort Worth for the convention, and transportation for the band will be one of the problems in connection with that event that will present itself, Ed Bishop said. Details of the plan after the arrival of the Floydada delegation in Fort Worth have already been worked out largely, he said.

Robert McGuire presided at the meeting, with more than twenty present, and F. L. Davis was acting secretary in the absence of Lon M. Davis.

### 'THE SMALL BACHELOR' MAIN OLYMPIC THEATRE ATTRACTION

What is universally acclaimed to be the wildest side-splitting farce comedy of the year is scheduled for Floydada when the Universal-Jewel picture "The Small Bachelor" comes to the Olympic Theatre on Friday of this week.

"The Small Bachelor" is a screen version of the short story of the same name by P. G. Wodehouse which appeared recently in Liberty Magazine. The story created a bombshell of laughter throughout the country and the picture is said to be even more laughable than the written version.

Universal spared no expense in gathering together a long list of known players for the leading roles and the direction was given to William A. Seiter, recognized as one of the leading farce comedy directors in the field today.

### 'THE HESPER', HIGH SCHOOL ANNUAL, BEING DISTRIBUTED

Fifteen copies of "The Hesper," Floydada High School annual, will be distributed among as many rural schools in the Floydada trade territory by the Floydada Chamber of Commerce. John H. Edwards, business manager of the year book, delivered them to the Chamber of Commerce last week and distribution will be made among those schools still in session at once. Others will be delivered with the beginning of the 1928-29 session.

This is the third time the year books have been presented to the rural schools by the Chamber of Commerce, the first being in 1925-26. A large per cent of the scholastic enrollment at Floydada is made up of students from rural schools.

### Blanco News

Blanco, May 22.—Everyone was very glad to see the good rains we have been having. We hope it hasn't come too late to benefit the wheat crop. A number have reported a considerable damage by hail.

Miss Edwina Christian had as her week end guest Miss Lila Finley, of Floydada.

Miss Irene Cates is at home now after attending the last month of school in Floydada.

Mrs. P. El. McCarty spent Wednesday of last week visiting Mrs. Will Massie of Floydada.

Mr. and Mrs. Reece Grubbs had as their guest Sunday her parents, Mr. and Mrs. Summers, and daughter, Miss Florence.

Harry Greer Christian graduated from Grammar school in Floydada this term.

Mrs. Harry Christian was carried to the Sanitarium Monday, suffering from a nervous breakdown. Mrs. Ham Smith is staying with her.

Mr. and Mrs. Ham Smith and children spent Sunday in Floydada with Mr. and Mrs. Bob Smith.

Mrs. Jim Gamblin and children went to Electra last Thursday. She is expected to return Tuesday or Wednesday of this week.

Mr. and Mrs. Williams have been employed as our teachers for the coming school term.

Remember the singing every fourth Sunday. Everyone is invited to come.

### CARD OF THANKS

We wish to thank our many friends and neighbors and Dr. Houghton for the kindness shown us during the illness of our son and brother, Billy.

The patient devotion and faithfulness of such friends has left with us a memory more precious than gold and such deeds of kindness shall be the lure that leads us ever onward and upward to that land where there is no pain. May God bless you all is our prayer.

Mr. and Mrs. A. C. Jackson and boys.

### Locals and Personals

Mrs. Fannie Power, of Rule, is a guest of her brother, Jno. L. West and family and will spend the summer here.

Mrs. Ruel Fanning who has been ill for several days, is reported to be improved.

Jno. Edwards and Roy Eubank left Saturday for Waco, where Mr. Edwards will probably spend the summer. Mr. Eubank will go from Waco to San Antonio, where he will spend two weeks.

J. P. Officer returned some ten days ago from California, where he had been to spend the winter at Santa Ana.

### Club Women's Market

At Rutledge & Co.

Saturday, May 26

Cakes, pies, milk, fresh eggs and all kinds of fresh vegetables will be for sale.

## With The Churches

### MEETING AT CITY PARK CHURCH

The interest in the meeting of the Church of Christ is growing. The audience is growing larger with each service and Bro. Wallace is preaching some fine sermons. The singing is also good with Bro. Dennis leading, to the delight of all. If you have not been out to these services you are missing a feast of good things.

The meeting will continue all next week with the morning services at 10:30 and the evening services at 8:15. Services are being held in the house until the weather fairs up.

Ira L. Sanders, Minister.

### METHODIST CHURCH

Ben Hardy, Pastor  
A good Sunday School last Sunday, 245 present. We are losing some teachers since school is out and some are leaving town, the more reason for our renewed effort to be on hand and ready for work. A fine crowd at the preaching hour and good interest in the Mother's Day service, which was postponed from the Sunday before.

Be sure and be on hand next Sunday.

### WALL STREET CHURCH OF CHRIST

Elder C. W. Smith will preach at the Church of Christ on Wall Street Sunday morning at 11 o'clock. Everybody cordially invited to attend. The brethren of the church have arranged with Elder Van Bonneau, of Gunter, to hold the annual meeting beginning the first Sunday in July at the City Tabernacle.

### LOCKNEY CIRCUIT SERVICES

J. N. S. Webb, Pastor  
Services for next Sunday, on the Lockney Circuit have been announced as follows:

At Whitfield: Preaching next Saturday night, Sunday School, at ten o'clock Sunday a. m.—Preaching at eleven o'clock a. m.

At South Plains: Preaching at three-thirty p. m.

At Sunset: Preaching after the B. Y. P. U. Services.

All are cordially invited to attend all these services.

### LOCAL SURGEON MAKING POST GRADUATE STUDY AT TEMPLE

Dr. Lon V. Smith, of this city, is in Temple for a stay of some fifteen days, during which time he will make a post-graduate study of surgery in one of the large sanitariums of that city.

He left in company with Mrs. Smith, the latter going on to San Antonio to attend the Biennial Convention of Women's Federated Clubs.

### GRADUATE OF TECH

Douglas McGehee, son of Mr. and Mrs. T. S. McGehee, of Lone Star, will be a member of the graduating class of Texas Technological College at Lubbock this year, his name being included in the list of graduates announced recently.

Judge G. E. Hamilton, of Matador, was in Floydada Saturday last enroute to the State Democratic Convention as a delegate from Motley County.

Mr. and Mrs. E. B. Massie, and family, view, were guests of her sister's little daughter, Jessie, turned home with Mr. and Mrs. to spend a few days.

Mrs. L. H. Newell, who has been spending the winter and spring at Hot Springs, New Mexico, returned home Monday. She was accompanied by her son, Louis, who made the trip over to Hot Springs the latter part of last week.

"The Store With The Goods"

## FOR BETTER BAKING

# Never before such a perfect range at such a little cost!

A beautiful enameled range—up to the minute in every detail of construction and design—ultra-modern, in fact, for it has many features you won't find in any other range!

There's the exclusive Estate Fresh-Air Oven that is built like a double boiler and bakes everything evenly, uniformly. There's the removable enameled oven bot-

tom—the smooth, one-piece side linings—the handy utensil drawer—the complete concealment of all hinges, bolts and nuts—and, of course, the Therm-Estate Oven Heat Control that does away with guesswork, insures perfect results every time, without shifting of pans.

Come in and compare these ranges with others in quality, in beauty, in price.

# C. Surginer & Son

FLOYDADA, TEXAS

**Society & Clubs**

**Mrs. Rosson Bridge Club Hostess.**

The Friendship Bridge Club was very delightfully entertained Friday evening with Mrs. R. B. Rosson as hostess at the home of her mother, Mrs. A. D. White. In the games of bridge played during the evening Mrs. Flynn Thagard received high score for the ladies and Kight Dickey high score for the gentlemen.

Those at play were: Mr. and Mrs. Kight Dickey, Mr. and Mrs. Aubrey Bishop, Mr. and Mrs. J. C. Gilliam, Mr. and Mrs. C. H. Davis, Mr. and Mrs. Robert McGuire, Miss Garnette White and Polk Goen.

The club will meet next with Mrs. C. H. Davis Friday evening June 1, at 7:45 o'clock.

**Informal Reception Given Graduates and Faculty.**

After the commencement exercises at the High School Friday night the graduates and members of the faculty were given an informal reception by the mothers of the class at the home of Mr. and Mrs. A. N. Gamble. Acting as host and hostess with Mr. and Mrs. Gamble were Rev. and Mrs. A. A. Collins. The home was made lovely for the occasion being decorated in the class colors of red and white. A profusion of summer flowers were used, the color motif also predominated in these.

Dr. Warren J. Clement of Lubbock, who delivered the commencement address, was a guest at the reception.

Members of the faculty present were: Supt. W. E. Patty, Harper Scoggins, A. D. Cummings, Misses Elizabeth Little, Dorothy Biebel and Gladys Collins. Other guests besides the class were Mrs. W. E. Patty, Mrs. Harper Scoggins and Mrs. A. D. Cummings. The class of forty with the exception of two or three were all present.

The hostess served red and white brick ice cream with individual white cakes. On each cake were the figures 1928. Mrs. W. L. Holloman, of Lamesa, assisted the hostesses in serving.

After the reception the class was called to order and a chapter of the High School alumni was organized with Truman Webb as president. An entertainment committee composed of the following members was appointed: Evelyn Maddox, U. S. Marshall and Ollie Belle Collins.

**Delegates to Biennial Will Leave This Week.**

The biennial convention proper of the General Federation of Women's Clubs which convenes at San Antonio will open May 29. Many pre-convention social features will be given, however, before that time for officials and delegates who arrive early, according to Mrs. Lon V. Smith, biennial chairman of the Seventh District. Mrs. Smith accompanied by Dr. Smith their little daughter, Emma Louise, left Wednesday morning for San Antonio by way of Chico, where Emma Louise will stay with her grandmother, Mrs. B. F. Hawkins, while Dr. and Mrs. Smith go on to the San Antonio, where Mrs. Smith will attend the Convention.

Mrs. J. B. Jenkins, who will go as hostess for the 1922 Study Club, will leave Saturday accompanied by her

daughter, Miss Ruth Jenkins, selected as a page from the Seventh District, Miss Blanche Bass, delegate from the County Federation, and Miss Audrey Farris.

Mrs. Jenkins and her party and also Mrs. Smith plan to reach Austin by Sunday where all delegates and club women enroute to San Antonio will be entertained at an open house meeting at the Governor's mansion.

Mrs. Smith will also be in attendance at the dinner Monday evening when the biennial board will entertain honoring Mrs. John B. Sherman, president of the General Federation.

All pages of the convention will wear Aztec Indian costumes and Miss Jenkins will wear a model which was made and designed by a costume specialty house in San Antonio.

The parties leaving Floydada are very enthusiastic over their trip to the Convention as they will have a part in a meeting, the largest of which Texas women have ever had the pleasure of entertaining.

**East Ward School Faculty Honorees at Luncheon.**

Teachers of the East Ward School faculty were honorees at a luncheon given for them Thursday, May 17, at the East Ward School with Mrs. C. E. Houston, Mrs. Geo. Smith, Mrs. S. W. Rousst and Mrs. Geo. A. Lider as hostesses.

The teachers were spending the day at the school making out report cards for the close of school and the hostesses surprised them with the luncheon.

Mrs. A. H. Thornton principal, and her corps of teachers, Mrs. G. F. Klebold, Mrs. Hazel Hughes; Misses Emma Lou McKinney, Lela Swain and Vera Hamilton, were the honorees.

**DOOR HANDLES FOIL THIEVES**

A still higher margin of protection against car theft is now provided buyers of Oakland and Pontiac Sixes through a new type of outside door handle which cannot be forced by the cleverest thief.

The new door handle is so designed that the customary method of forcing with a wrench or a section of iron pipe will not give the thief entrance to the car. When such extreme pressure is applied to the handle it merely turns without releasing the door catch. A few seconds of attention at any Oakland-Pontiac service station will restore the handle uninjured to its original position.

Thus the Oakland Motor Car company and the Fisher Body Corporation which builds the Oakland-Pontiac bodies, have raised an almost impregnable first line of defense.

Should a thief effect entrance by breaking a window or because the owner forgot to lock the car, he still would be confronted by equally secure second and third lines of defense. These are provided by the semi-coincidental lock which locks both the ignition and the transmission with a turn of the ignition key. The transmission is locked from the dash by an ingenious sliding plunger which moves inside an armored cable extending from the ignition key down into the transmission.

The Oakland and Pontiac Sixes, with their three effective lines of defense, are said to be as nearly theft-proof as any car in America.

**Harmony News**

Harmony, May 21.—The continued rains are keeping the farmers from planting their crops, however, a considerable part of them were planted before and between the rains.

Mrs. J. W. M. Carr has been confined to her bed for several days with a severe case of tonsillitis.

Mrs. V. W. Hennessee was quite painfully and severely bruised Saturday when she became overbalanced and fell from a drag which she was running that afternoon for her husband.

Mrs. J. S. Hale had a tonsil operation at Lubbock, Saturday. Mr. Hale accompanied her and they returned home Sunday by way of Ralls and ate dinner with Mr. Hale's brother, Rev. Mat Hale.

W. C. Parkey returned home Friday from his farm in Lamb County where he has been the greater part of the Spring planting a crop.

Mr. and Mrs. M. Carr and children, who have been in Floydada during the school term sending the children to school, returned to their farm Saturday.

Mrs. L. E. Williams returned Saturday from Plainview, where she has been taking treatment.

Mrs. D. T. Scott returned Sunday from Plainview, where she has been for about two weeks under the care of a physician. She is greatly improved and her neighbors are glad to see her able to be up again.

Mr. and Mrs. G. L. Snodgrass and Mr. and Mrs. L. E. Williams were visitors in Plainview Sunday and got caught in the rain and were not able to return until Monday.

**BUYS SEWELL STOCK HARDWARE AND FURNITURE AT LOCKNEY**

J. R. Maddox last week bought the J. F. Sewell & Company stock of furniture and hardware at Lockney, and completed invoicing the stock and fixtures Saturday.

Mr. Maddox will close out the stock during the next few weeks, according to his plans.

**E. C. NELSON, JR., IN RACE FOR JUDGE OF POTTER COUNTY**

E. C. Nelson, Jr., of Amarillo, son of Mr. and Mrs. E. C. Nelson of this city, and former county judge of Floyd County, has announced as a candidate for county judge of Potter County, Amarillo newspapers the first of the week containing announcements of his candidacy.

Mr. Nelson was judge of Floyd County for four years. He moved to Amarillo eighteen months ago and has engaged in the practice of law there since leaving Floydada.

Dr. and Mrs. V. Andrews left Thursday morning of last week for Sherman where they will visit relatives. They plan to be gone several weeks and before their return they will visit relatives at San Antonio, and Ardmore, Oklahoma.

**LESLIE SURGINER GRADUATE IN 1928 CLASS U. OF TEXAS**

Among the graduates listed from the University of Texas this year is Leslie Surginer of this city, who will graduate with the degree of Bachelor of Science in Electrical Engineering.

Leslie is a son of Mr. and Mrs. I. C. Surginer and is an assistant cashier at the Floyd County National Bank.

Mrs. and Mrs. C. P. Looper spent Friday in Plainview, visiting with Mr. Looper's brothers, R. D. and Homer, and their families.

Mrs. Mal Jarboe and Mrs. A. W. Chowning were visitors in Plainview Saturday.

**UPSET**

**With Stomach Spells**

"I have taken Black-Draught ever since I was a child, and can recommend it as a splendid medicine for family use," says Mrs. Cora Maberry, of Sageeay, Okla. "My mother used it, in bringing up her family, and after I had a home of my own, I continued to use it, as I thought it was good to give the children."

"My children did not mind taking Black-Draught, and so when they got upset with stomach spells, or were constipated, I gave them Black-Draught tea."

"They are all grown now and have homes of their own, but I still keep Black-Draught in the house and use it myself when I wake up in the morning feeling dull and 'headachey', and have a bad taste in my mouth."

In use over 87 years. Price 25c.

**Painless**  
Parasitic growths of a high powered civilization, one cynic has declared, remove the surplus income of inflated travelers painlessly but with unerring skill.—Woman's Home Companion.

**Wild Oat Meal**  
Wild oat meal must make a terrible noise when it cooks in the double boiler. Instead of saying "plop plop" it probably roars "whoop, whoop."—Woman's Home Companion.

**200,000 Buyers Can't Be Wrong**

When the Pontiac Six was first introduced less than two and a half years ago, immediate buying enthusiasm was aroused. The public accepted the statement of General Motors and Oakland that here was a new car offering six-cylinder value never before enjoyed at such low price. 75,000 Pontiac Sixes sold in 1926 established a world's record for a new make of car. Sales for 1927 carried the total of satisfied Pontiac owners beyond the 200,000 mark.

And now, even if its unrivaled value could not be proved by comparison with other cars in its field—even if its superiority could not be demonstrated by scores of advanced features combined in no other low-priced six—even if all its claims to leadership were based on generalities—you could still buy the Pontiac Six with confidence... for 200,000 buyers can't be wrong!

If you want to know the truth about the Pontiac Six, go to any owner in town. And if you hear praise almost too enthusiastic to believe, remember that 200,000 owners will tell you substantially the same story!

2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$795; 4-Door Sedan, \$825; Sport Landau Sedan, \$875; Oakland All-American Six, \$1045 to \$1265. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

**RE-ROOF WITH Barnett's Slate Surfaced Shingles**

They are not only Weather-tight and water-proof, but also absolutely rot-and Rust proof. Since Sparks and burning embers cannot ignite them, they are approved by the Underwriters Laboratories.

This kind of roof will REDUCE your insurance rate.

**Higginbotham-Bartlett Company**

"Everything to Build Anything"

**All These—and "Honest-to-Goodness" Biscuit, Too!**

It's so easy to bake perfectly delicious cakes—cookies—pies—as well as breads of all kinds—provided, of course, you use the right flour! And the right flour is made right here in the Southwest from our own Southwestern wheat—as fine grain as can be found in the world. The flour your grocer recommends because he knows it's always fresh and good—always uniform in texture!

"A few cents more in the price of the flour—makes dollars of difference in the baking results."

Star Cash Grocery Stansell & Collins

**FEDERAL Double Blue Pennant Balloon**

**The De Luxe Tire of the Year**

Federal engineers have unceasingly labored to produce the best wear resisting tire of the age, each year adding improvements, the latest of which is the parallel cord construction, which eliminates the fine cross threads used in most cord tires. These cross threads always have a tendency to chaff and snap and thus cause the separation of the plies with resulting blowouts.

Parallel cords are thoroughly impregnated with pure rubber, thereby giving each cord a perfect insulation. The extra heavy tread gives effective traction and minimizes skidding.

To see this tire is to appreciate it.

To use it is conclusive evidence of its SUPERIORITY.

### North And South Copper Circuit Being Built

States Telephone Company Will Re-Construct Line From Floydada To Ralls Soon.

The States Telephone Company, new owners of the telephone line from Floydada to Ralls, will re-construct this line with copper circuit and put in new poles between the two points to facilitate communication between the two points, it was stated by H. B. Phillips, commercial manager of the company this week, in response to a request by a reporter for The Hesperian as to the progress on the work of putting in their new lines in this territory.

Work was begun early this month on the construction of a copper circuit from Silverton to South Plains and it was announced at that time that an exchange would be built at South Plains as soon as toll circuits had been provided to give that little Floyd County city communication to the outside. The work of bringing the toll circuit into Floydada has been held up by the recent heavy rains. Materials for the line and for the South Plains exchange are already either in transit or being unloaded at points for overland hauling to destination, Mr. Phillips said. The line leading from Silverton to Quitaque, Turkey and to Memphis will also be re-constructed likely, although it was intimated by Mr. Phillips that the work in this immediate vicinity would first be carried to completion.

### GUN CLUB MEETING TONIGHT TO MAKE PLANS FOR SHOOT

Members of the Floydada Gun Club will meet tonight at the Barker Bros. Garage to make plans for a club tournament that will be held at a date to be set in the near future. Notice of the meeting was mailed out to club members by Frank L. Moore, secretary, yesterday.

A team to represent the club at various shoots over this section within the next few months, will likely be chosen from the high men in the local competition.

Mr. and Mrs. Carter C. Andrews left Tuesday for Long Beach and other points in California, where they plan to spend a month's vacation. They will visit Mrs. Andrews' sister, Mrs. F. B. Poore and family at San Pedro.

### HOME DEMONSTRATION MARKET DAY SATURDAY IS SUCCESS

Market Day for the Home Demonstration Clubs of Floyd County last Saturday was a marked success, considering the weather conditions and the fact that this was the first attempted by the local clubs. Miss Blanche Bass, county Demonstration Agent, supervised the sale held Saturday in the O. P. Rutledge building on South Main Street. Practically every club in the county was represented in the sales last week.

A similar market day sale will be held on Saturday of this week, in the O. P. Rutledge building, Miss Bass announced.

### MARRIAGE RECORD

License to marry have been issued to seven Floyd County couples since the first of May, according to the County records. Those granted license to marry by Tom W. Deen, County Clerk, during the past three weeks were:

- J. H. Mears and Miss Opal Fay Hand, May 3;
- B. L. McGee and Miss Lou Allen Dale, May 5;
- Jessie Bartlett and Miss Oda Meek, May 5;
- Lawrence Quisenberry and Miss Margaret Jones, May 17;
- W. F. DeJarnatt and Miss Fay Burk, May 17;
- Hugh Carter and Miss Hazel Orr, May 19;
- James Duncan and Miss Irene Pittman, May 23.

### Rains Slow Up Railroad Work In Floyd County

Rains have slowed up work of finishing the railways under construction in Floyd County, such work as tamping ballast, straightening and leveling the steel being about the only work that could proceed very satisfactorily on either the Denver or the Quanah lines.

This week a gang of fifty or more men were moved from McBain up to Dougherty to carry on construction work that has been completed further down the line of the Quanah Route. The construction gang on the outskirts of Floydada has been working between rains, although little ballast has moved near this point.

### STRAWBERRIES WERE VERY FINE

Miss Veda Wooten brought a basket of very fine strawberries to the Hesperian office Wednesday but the sad part of the story is the official taster was out and was out so long that his bunch of assistants lent their special assistance in this one particular job and in fact were so thorough there were no berries left for the official taster to taste. Assistants may not be so good when it comes to some jobs but they might have just as good a taster as the official taster. Any way the berries were delicious and they were grown in the garden of Mrs. R. L. Henry.

### HOW TO TURN IN A FIRE ALARM:

Phone the Fire Department, No. 258, or if down-town, the alarm can be turned on at the entrance of the Western Union office in the Floyd County National Bank or on the south side of the Day & Night Garage.

### What to Do After the Alarm is Turned in:

If in a car pull to the curb and give the street to the fire truck. This will avoid the possibility of damage or injury and also save delay of the department in reaching a fire.

Don't crowd the fireboys at the scene of a fire. It is dangerous and causes delays. Don't drive over the fire hose. A burst hose may cause the loss of thousands of dollars worth of property.

These suggestions are offered in order to help reduce the loss by fire in Floydada. If you will keep them in mind you will be aiding in reducing these losses. Rules governing the handling of fires are a part of an effort to protect the whole community and the hearty compliance of every citizen is requested.

G. R. STRICKLAND, Marshal.

### PRESS RUN 2,600

Press run of The Hesperian this week is 2,600, of which approximately 2,500 are actual, bona fide subscribers.

This issue of the paper will go into approximately 2,000 homes in Floyd County or the immediately adjacent territory and will be read by 8,000 people in this vicinity. The out-of-county readers will bring the total number of readers close to 10,000.

### Commencement Address Delivered By Clement

Class of Twenty Boys and Nineteen Girls Receive Diplomas at Commencement Friday Evening.

A large and appreciative audience gathered at the high school auditorium Friday evening, May 18, to honor the thirty-nine graduates, comprising the 1928 Senior Class of the Floydada High School. Warren P. Clement, professor of the English department of Texas Tech College of Lubbock, delivered an inspiring address on the advantages of an education.

As the professional was played by Miss Elizabeth Little the class of twenty boys and nineteen girls marched in and were seated on the stage. The invocation was given by Rev. A. A. Collins followed by the salutatory address given by Rev. Collins' daughter, Miss Ollie Bell. Two vocal selections were rendered by the High School Octette, "I Love a Little College" by Geoffrey O'Hara and "The Old Road" by John Prindle Scott. Miss Ruth Stegall, who had the highest average of the entire class for the year, delivered the valedictory address.

W. H. Scoggins, principal of the High School, delivered scholarships from a number of leading colleges of the State to Miss Ruth Stegall and Orby Wilkes, the honor boy graduate.

Diplomas were presented by W. E. Patty to: Misses Ouida Bell, Inez Bolding, Odessa Clendennen, Ollie Belle Collins, Cecile M. Covington, Winnie Coward, Ouida Crabtree, Edna Edwards, Roberta Ferguson, Lois Hill, Opal M. Horton, Peggy McKinney, Violet Estelle Pittman, Rosa Lee Rush, Dorothy Marie Smith, Ola Ruth Stegall, Robyn Swinson, Vera Pearle Thacker, Evelyn Maddox; Messrs Sidney H. Carter, Beauford Eaves, John H. Edwards, J. R. Evers, Aubrey Glenn Fawver, E. Ray Horn, Seaton Howard, U. S. Marshall, Will M. Martin, Orville Moore, Weldon T. Moore, Oran Mowrey, Homer Palmer, Wallace Robbins, Aubrey Stiles, Truman Webb, Ted Wilkinson, Orby Wilkes, Raymond A. Williams, and Ray H. Smith.

### MRS. A. L. LUNDGREN IS FIRST LADY MINSTREL WRITER KNOWN

"The Runaways," a mock wedding ceremony given in patomime recently by members of the Floydada Municipal Band, is the most recent artistic accomplishment of Mrs. A. L. Lundgren, wife of Bandmaster Lundgren. Mrs. Lundgren is the author of "The Runaways" and gave the presentation her personal direction. She is also the author of solo rendered by Mrs. Ted Chowning during the ceremony at the high school recently.

Mrs. Lundgren has the distinction of being the first lady minstrel author known. In addition to "The Runaways," she has written and directed several other minstrels that have gained for her a reputation as a minstrel writer. She writes both the musical and speaking parts in her minstrels.

### SCOTT RE-ELECTED PRESIDENT SO. SIDE SINGING CONVENTION

Price Scott, of Floydada, was re-elected president of the South Side Singing Convention at the spring gathering of the convention held at Center Sunday afternoon. J. V. Flippin was elected vice president and Miss Doris Spence secretary.

Good attendance marked the convention and enjoyed the singing, however, on account of inclement weather not as many communities were represented as usual. Baker, Campbell, Blanco and Floydada were represented besides Center.

The next regular meeting of the South Side will be at Campbell the second Sunday in October.

### SIX FOOT RATTLER KILLED ON MATADOR HIGHWAY LAST WEEK

Spring showers are not the only things in West Texas that grow to enormous size, it was pointed out last week by J. L. Carathers, who was exhibiting a six-foot rattler snake in Floydada Saturday.

Rattlers are not uncommon in this section, especially in the brakes country. But a six-foot snake, measuring eight to ten inches around the body, is an unusual sight for this time of year. The snake had seven rattlers and a button. When stuffed, the reptile presented a very life-like and creepy sight.

Mr. Carathers and a brother, W. D. Carathers, killed the rattler on the Floydada-Matador Highway some three miles west of Matador Wednesday afternoon of last week. The snake was killed with rocks and a stick.

### J. W. MOODY HOME BURNS WHEN LIGHTNING STRIKES SATURDAY

Lightning set fire to the J. W. Moody five room residence in northwest Floydada Saturday night causing complete loss of the house and furnishings. The total estimated loss was \$3000, partly covered by insurance amounting to about \$2000.

The lightning struck the house at 5 o'clock Sunday morning during a hail and electrical storm. No other serious damage was reported in the city.

### MISS LILLIE SOLOMON ILL

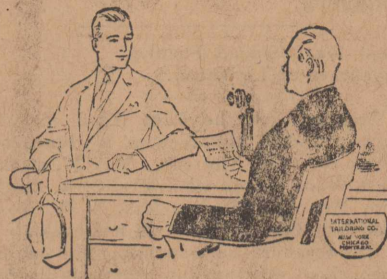

A report from the bedside of Miss Lillie Solomon, who has been seriously ill with pneumonia during the past seven days, is to the effect that, she rested better last night and seemed slightly improved at 10 o'clock this morning.

### Dallas Paving Engineer Will Aid In Work Here

A. F. Daniel, consulting engineer, of Dallas, arrived in Floydada last week to be associated with City Engineer Geo. A. Linder in the supervision of the paving for which plans are being made and for which bids are to be received tomorrow.

For eight years Mr. Daniel was with the City of Dallas as an engineer, assigned principally to paving engineering. He comes to Floydada well recommended as a specialist in this line.

Joe Seale, of Lubbock, was in Floydada Monday on business and visited his brother, W. H. Seale.

- "Linen Suits"
- "Light Weight Spring Suits"
- "Staple Blue Pencil Stripe Suits"
- "Worsted Suits"
- "Made to Measure Suits"

When we say that "these" suits are priced at \$5 to \$10 less than suits of comparable quality, we are proving the point to men who wear good clothes—year in and year out—stitch for stitch and seam for seam. Imported fabrics, domestic fabrics, all made to our rigid requirements—\$13.50 to \$35.00.

It's just up to you the quality you prefer and the price you choose to pay.

Smart Wear for Men Since 1900

### Revival Meeting Gains In Interest Each Day

Interest in the revival meeting being conducted at the City Park Church of Christ by Elder Cleddie E. Wallace, of Temple, is growing with each service and larger crowds are in attendance each day. The meeting began Sunday of this week and will continue through two more weeks.

Because of the cool and damp weather services are being held this week in the church building. As soon as weather permits, plans are to hold the remainder of the revival meetings in the City Park Tabernacle.

Services are being held each morning at 10:30 o'clock and each evening at 8:15. Special song services are being held at each service. Dinner will be served on the ground Sunday noon, it was announced Wednesday, and three services held that day.

## This Week Is Set Aside As National "Save-a-Life" Week

And this Agency is wholeheartedly in sympathy with this movement. Statistics compiled by Charles M. Upham, Managing Director of the American Road Builders' Association, show that in the five year period ending with 1927 the staggering total of 3,561,249 persons in the United States were killed or injured in traffic accidents. A total of 144,879 were killed outright.

As a safeguard against your liability in case you were to have one of these serious accidents you should be protected by a Public Liability and Property Damage Policy of liberal limits in a strong stock insurance Company.

We write all kinds of Insurance and are in position to help you finance that new home you are contemplating.

The Floyd County Building & Loan Association is just being organized, a local institution, which we hope will be in position within the very near future to take its place in the development of this community. We would be glad to have your inquiries with reference to this organization. If you have a little idle money that you wish to yield you a nice return we would be glad to explain this end of the proposition to you.
