Freight Service Over Quanah Route By June 15, Belief of C. H. Sommer

Reintjes Company Starts Work Twelve Half-Gallons on Housing Facilities

Contract for the construction of the new freight and passen- two negroes were taken in tow by Depuger station of the Quanah, Acme ty Sheriff E. Ray Smith near the camp & Pacific Railway Company in Floydada, was let in St. Louis early last week, and the company which also has a crew of men at which also has a crew of men at goods and not hoth pegroes and their wet. It is shiften the tall of the Lone Star Construction Company late Saturday afternoon, the deputy driving up on the scene as the two negroes, Sam Allen and R. W. Appling, arrived. He relieved them of their wet work at Dougherty, put men on goods and put both negroes and their the job here the latter part of liquor in storage.

Sunday morning a Mexican named last week, doing the preliminary work in connection with the ing the peace. He broke a half gallon building of these and several of liquor and spilled it out as Mr. Smith other improvements that will be made here by the railway was making the arrest, leaving no "evidence" on which to base a liquor charge. company.

dock, section house, cattle pens and other needed housing facilities are to be constructed by the Reintjes concern.

was begun last week.

An important change in the plans of the company for its station here was announced here Sunday by Chas. H. Sommer, president of the line, on the occasion of his visit to Floydada on the first passenger to run over the line. This is that the station will be constructed of brick rather than of stucco construction.

finish, and that the size has been Todate Fe

"We've got to have a lot of business to make our extension into Floyd County pay us, and we're not overlooking ty pay us, and we're not overlooking with the control of the ty pay us, and we're not overlooking anything, if we know about it, that will make it easy for the people of Floydada and this section to do business with Lots Place 1.5 The section to do business with Lots Place ada and this section to do business with us," he said, in connection with a talk relative to the continually mounting to the contest their personal supervision. It is reported that the "squad" will be on the scene prepared to extract find the continually mounting to the continually mounting to the contest their personal supervision. It is reported that the "squad" will be on the scene prepared to extract find the contest their personal supervision. It is reported that the "squad" will be on the scene prerelative to the continually mounting figures for facilities in Floydada.

Freight Service June 15

Freight schedules on the extension L. J. Welborne, 5-room resider Lots 11 and 12, Block 45, \$3,000; and Mr. Sommer said that freight serthan June 15, assuring service over the line would begin not later than June 15, assuring service over the line for the wheat hauling period. Passenger service will be inaugurated sometime after July 1. On account of the A. A. Bishop, 5. fact that the company will establish a fast service from the beginning, making 139, \$2,200; the run to Quanah from this point in something over three hours, it is necessary that the roadbed ballasting be completed and the road be well settled and in good condition before this service is begun, Mr. Sommer pointed out. The passenger to be established will be known as "The Plainsman." It will make an overnight through run to Oklahoma City, connecting with the Frisco's fast early morning train to St. Louis and Chicago. It will also connect at Quanah with the Denver's night train into Fort

Baseball Supremacy To Be Determined June 5

'Fats' and 'Leans' Will Clash in Benefit Game at City Ball Park Next Tuesday Evening.

Liquor Taken In Car

The annual clash between and 'leans' for the baseball supremacy of Floydada will be held at the Floydada baseball park Tuesday evening June 5th. Mayor W. D. Smith will toss the first ball promptly at 4 o'clock while the Floydada Municipal Band demonstrates its ability by playing "After the Ball is Over."

Frank L. Moore, bank cashier, weighing two hundred or more, will captain and pitch the first thirty minutes of the first inning for the fats, while the leans, captained by Jimmie Wester, will bat the first hour. Moore has announced one of the largest line-ups ever seen in action in Floydada with his clean-up man, E. C. Nelson, in perfect batting condition. Although "Slats" Arwine, well known pitcher, is still recovering from the contest held last May, Captain Wester believes that with the aid of his reliable pitcher, Fred Brown, the

The line-up for the fats is as follows: Frank L. Moore, p, captain; Walter Birch, c; J. C. Newsome, 2b; E. C. Nelson, ss, clean-up batter; Joubert Clements, 3b; O. P. Paving Contract Signed By Council Monday Morning With Amarillo Firm

Reinforced Six-Inch Concrete Contract For New City
Type Selected For Improvement.

L. H. Lacy Company, a Dallas and Amarillo firm of concity, was awarded the contract for the week, following a two-day dead-lock in the council, during which the members of the board at-tempted to arrive at a unani-mous decision as to the type of paving to be selected.

His offer was offer was \$11,918.28, and was the lowest of three submitted. J. H. Harris and Stephenson & Thurmon were the two unsuccessful firms mak-ing an offer for the construction.

The new city office and fire station will be built on plans and specifications paving to be selected.

Favorable Bids Received While only four bids were received by the council; calling for a structure one story, with walls constructed day afternoon, every bid received was a H. Lacy Company of Dallas and Amarillo, successful in obtaining the contract at \$2.37 for six-inch reinforced concrete; Fuller Construction Company of Dallas; El Paso Bitulithic Company of El Paso and Amarillo; and Thurber Construction Company, of Thurber. Types of paving included in the letting were brick on concrete, concrete, Vibro-400, making a total for the first five lins, Clarence Foster, O. E. Murray, L. were brick on concrete, concrete, Vibromonths of the year \$136,300, and adding E. Fagan, Dave Standifer, Lon M. Davis, lithic concrete, asphaltic, and Bitulithic. The Lacy Company's figures on reinforced concrete were the lowest offered on any type. Several bidders expected to be present at the letting were not

represented. Other figures in the Lacy contract included excavations at 35 cents per cubic yard; curb and gutter at 87 cents per lineal foot; 18 inch gutter at 55 cents per lineal foot; concrete headers at 35 cents per lineal foot and concrete walk for alleys 27 cents per square foot. In the financing arrangement the contract calls for payment by the property owner of 10 per cent of the assessment in sixty days after the paving is accepted by the city, and the balance in nine angiven.

Investigations of the council and engineers, they said indicate the firm at Floydada. ada Municipal Band to the West Texas awarded the contract is a first class or-

RECORD ATTENDANCE AT CARRIERS MEETING

District Gathering Here Termed "Most Beneficial in History."

With more than seventy-five rural letter carriers of the 18th Congressional District, together with their wives and families, in attendance at their annual District Convention in this city Wednesday, a high mark for attendance was reached and a new record established for enthusiasm shown in the meetings. Hon. Marvin Jones, Congressman of the 18th District, was the principal speaker at the meeting which has been termed the most interesting and most educational since the district organization

Brownfield Gets Meet Brownfield was chosen by the representatives as the 1929 meeting place of the District Rural Letter Carriers. Brownfield was selected over Amarillo by a vote of 13 to 15, the determination the meeting place this year being more closely contested than ever before

in the organization's history.

Principal speakers other than Mr. Jones who addressed the meeting were W. W. Marshall, of Beaumont, State Post Office Inspector, W. L. Fletcher, Hamlin, State Secretary Rural Letter Carriers' Association and D. D. Langford, County president.

In his interesting address, Congress man Jones spoke on the Fundamentals of the U.S. Government. He outlined briefly the history of the Constitution, long as we remain true to these fundamentals, the sun that falls in its western abode shall never shine on a fairer land," he concluded.

Congressman Jones was the first fice. The first delegates to register for the meet were from Pampa. The regis-

14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF JUNE 4, 1914.

Last Thursday Mrs. M. F. Husky and ner Sunday School Class spent the day in the country with Mrs. Husky's siswell, folks, it has done, gone, went in the country with Mrs. Husky's sis-and happened. Yep, might as well get out your old rusty pencil and mark across the date, May 26, the following:

a shower that poured down to hamper "Victory No. 1-city paving." And right their progress. The heavy load was too Louise Colville, Marie Henry, Bettie Shurbet, Marie Hughes, Mrs. Lem Flan-

> Thos. Montgomery, of the T M Bar Ranch returned the latter part of last week from a visit to the trans-Mississippi states with friends and relatives, visiting Florida among other states.

> The will of Charles W. Post, of Battle Creek, Michigan, who died May 9, leaves the bulk of an estate of \$20,000,000 to his widow, and daughter. One half of Post City, Texas, various parcels of other property, 25 per cent of all the personal property, aside from his Battle Creek Cereal companies, and one-half the latter, were left to the daughter. His other land holdings at Post, Texas, were left to his widow.

> Mrs. Glad Snodgrass and Miss Julia Adams left Tuesday for Meridian and Valley Mills where they will spend some time visiting relatives.

> Mrs. O. L. Stansell and Mrs. Aubrey Bishop visited in Plainview, Friday with Mrs. Stansell's sister-in-law, Mrs. J. C.

Dr. W. M. Houghton, who was confined to his bed for about a week with the flu, was able to return to his office

Mrs. T. A. Caudle returned home Mor-

W. C. Nichols and Mrs. Nichols, of Lockney, are spending the week with his daughter, Mrs. Wm. McGehee, and attending the meeting of the City Park Church of Christ being conducted by been treating. Dr. Dunn is a cousin of Cleddie E. Wallace of Temple.

Ode Fanning, with the Hokus Pokus Co., of Plainview, returned to Plainview Wednesday morning after having spent a week's vacation with his parents, Mr. and Mrs. A. J. Fanning.

THERE IS ONLY ONE

FRIGIDAIRE

THIS IS A PRODUCT OF GENERAL MOTORS

In the Frigidaire cabinet everything is fully enclosed. There is no unsightly machinery sticking out like a sore thumb. Take a good long look at the Frigidaire Cabinet then close your eyes and your mental picture will be one of grace and harmony. There are no unforgetful irregularities to mar the picture.

For a number of years a certain automobile manufacturer producing a good car tried to make the public appreciate a new design of the hood. But unfortunately the design was such that seeing it once you could never forget how it looked. This always a mark of ugliness. You would not want anything like that in your home.

You will look at your Frigidaire many times every day for many years. You have a right to demand the beauty of a Frigidaire cabinet.

E. W. KINNEY

PLAINVIEW, TEXAS 704 Broadway

General Electric Refrigerators

ARE SOLD ON THEIR OWN MERITS, AND NOT THE DEMERITS OF OTHER MACHINES

Is a sore thumb machine worse than a machine that makes a noise like a threshing machine? You may shut your eyes and not see a machine, but if it is not noiseless it is not satisfactory.

Where does your beauty get to if you have an awful noise to listen to? Our machines are noiseless.

We will test our machine with any Electric Machine on the Market.

Eight Firms Now Doing Business in Dougherty .-- Water System Building

With the town less than sixty days old, Dougherty now boasts of nine firms pany's improvements there will have housed and doing business regularly, charge of the water works system. This Sat

sometime in this month. Newell High Factorum

W. D. Newell, in the employ of Engineer Geo. A. Lider, has moved to While construction work generally at Dougherty and in addition to his duties the new town has been very slow on ac-

housed and doing business regularly, with the prospect that building activity will begin in earnest with the promised the promised the profit of the water works system to the point where the supply can be made available for construction, domestic and commercial purposes.

The nine firms now established at the promised the city's 55,000 gallon tank is under construction. new city are The Quality Service States of the city's 55,000 gallon water standpipe while new city are The Quality Service States of the city's 55,000 gallon water standpipe while the city's 55,000 gallon water standpipe while new city are The Quality Service States of the city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The Company of the city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon water standpipe while new city are The city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon tank is under control of the city's 55,000 gallon water standpipe while the city's 55,000 gallon water standpi ager; J. C. Wooldridge Lumber Co., with syste mat Dougherty, has practically Martin Duvall, formerly of Big Spring, completed digging ditches and laying as manager; the Dougherty Elevator Company; Edwards Grain & Elevator Company; W. R. Benningfield, garage of two-inch mains being laid for the fiveman and S. J. Tapper, produce house.

L. L. Collins & Company, who have a brick business house under construction will have 2,200 feet of eight-inch mains, tion, will begin doing business there 700 feet of six-inch mains, 4,600 feet of four-inch mains and 1,600 feet of two inch mains when the present contract

count of the lack of water easily available this situation is now practically past. Foundation for the building of west side of Austin Circle is laid and construction will go ahead when the water supply is turned into the new mains. This building will be 30 by 70 feet, one story and possibly two stories

Saturday L. I. Reeves, of Post, bought a site for a new garage and acetylene welding plant he will open at Dougher- day studying the situation. ty. He will move to that place with his family when housing facilities become in the bridge and the abutments to it, more plentiful. S. J. Papper, the promanage the South Plains Lumber Company, is fitting up the second story of the company's store building for one of the nicest of residences in anticipation of his wife joining him within a few days. The company's store is also being fitted up into a modern building materials store. The plan of the yard is different from the ordinary and apparently is a very handy arrangement. Wooldridge's new yard is nearing completion. It is completely enclosed and a large store for merchandise and office large store for merchandise and office

Sunset News

Sunset, May 28.—Sunday School was

well attended Sunday. Bro. Webb filled his regular appointment at South Plains Sunday afternoon and also Sunday night.

Quite a crowd of the young folk enoyed a weiner and marshmallow roast in the Canyon Sunday afternoon. Mrs. Johnson and family were shop-

ping in Silverton Saturday. G. Shearer returned to Tulia Sun-

day to be at the bedside of his father, who is very ill. Otis and Armon Milton and Miss Ethel and Elsie Myers visited with Bessie and

Orvus Shearer Saturday.

Marvin and Robert Stephenson spent Wednesday at Linguish Falls. Little Marguerite Wilkinson, daugh-

ter of Mr. and Mrs. John Wilkinson, is on the sick list this week. Mr. and Mrs. G. D. Hawkins spent Saturday and Sunday in Quitaque.

The young folk greatly enjoyed the tacky party at the home of Mr. and Mrs. J. C. Simpson last Tuesday night. Most everyone came dressed in tacky costumes and the prize for the tackiest couple was given to Miss Bessie Shearer and Mr. Armon Milton Bro. Walker will preach here next

RAIN GENERAL TO LOUISIANA LINE, W. T. GRAY REPORTS

W. T. Gray and wife and Mrs. Roy Brewer and two children reached home Monday afternoon after a vacation trip northeast Texas and Northwest Louisiana, visiting at Bloomburg, Texas and Shrevesport, La., among other places in their absence.

Mr. Gray reports good weather conditions throughout the territory he visited. In northeast Texas the first planting of cotton was lost from cold weather but the second planting is in good condition. There is little or no corn in the territory he travelled through and visited in, he said, indicating a short feed crop in those sections of Texas and

WITHDRAWS FROM RACE

Lee Rushing this week announced his withdrawal from the race for Commissioner of Precinct 4.

"Farm conditions are not what I expected them to be when I announced, and my business arrangements at this time are such that I can't get out and see the voters like I intended. So, since can't give the campaign proper reasons, to give the office the attention it deserves, it would be better for

me to withdraw from the race," he said. He explained there is no political significance to his withdrawal, simply a matter of business necessity. At the same time Mr. Rushing said he wanted to express his appreciation for any consideration that had been given his candidacy, and for the favors shown him. (Political Advertisement)

Miss Ora Mae Robbins returned home Sunday from Canyon where she has been attending West Texas State Teachers College during the past term.

Mr. and Mrs. Verne Nelson and baby, of Amarillo, spent last week-end here visiting with Mrs. Nelson's parents, Mr. and Mrs. R. I. Teeple, and other rela-

HOW TO TURN IN A FIRE ALARM:

Phone the Fire Department, No. 258, or if down-town, the alarm can be turned on at the entrance of the Western Union office in the Floyd County National Bank or on the south side of the Day & Night Ga-

What to Do After the Alarm is Turned in:

If in a car pull to the curb and give the street to the fire truck. This will avoid the possiblity of damage or injury and also save delay of the department in reaching a

Don't crowd the fireboys at the scene of a fire. It is dangérous and causes delays.

Don't drive over the fire hose. A burst hose may cause the loss of thousands of dollars worth of property.

These suggestions are offered in order to help reduce the loss by fire in Floydada. If you will keep them in mind you will be aiding in reducing these losses. Rules governing the handling of fires are a part of an effort to protect the whole community and the hearty compliance of every

citizen is requested.

a morning shower -

Leaves you full of pep and power - And at night a tinkling drink is very nice - But the thing that mostly pleases - When you feel the need of breezes -Is a Westinghouse to put your air on ice.

* * *

YOU CAN BUY larger Westinghouse fans than this Home Fan - but no finer ones. This roomsize oscillator is the last word from the laboratories of the largest manufacturer.

It will keep a whole room cool - and by room we don't mean kitchenette. It is fulloscillating, which means it turns through a 90 degree arc. The oscillatingmechanism is entirely enclosed. The fan has three speeds. It doesn't sound like a swarm of bees when it runs.

At the job of keeping you cool, the Home Fan, like all fans made by Westinghouse, moves a greater volume of air per unit of current.

You'll find a Westinghouse dealer nearby.

GET A Westinghouse Fan

STREET SALE-In Floydada Saturday, June 2. Bring in what you want sold.

Seven hundred poppies were sold Saturday by the American Legion Auxiliary and several others who assisted the Auxiliary members, according to Mrs. John Reagan, president. The gross proceeds from the sale amounted to \$90.21. Half of this amount will remain in the local treasury to be used as a rehabilitation fund and the remainder will be sent to State headquarters at Austin to be used for the same purpose.

Harmony News

Harmony, May 29.—We have had a beautiful week for planting and the farmers of this community have sure taken advantage of the opportunity. The wheat seems to be coming out nicely. Mrs. D. T. Scott has been back to Plainview for treatment, having spent part of last week there. Upon her return home her sons had a nice surprise

awaiting her. They had installed a Delco Light Plant during her absence.

Mrs. V. W. Hennessee is improving slowly from an injury received in an accident. She is not able to walk yet.

The Carr's Chapel Epworth League had a very nice entertainment last Friday night. There was a large crowd and good time was had by all. The League cleared \$10.75 from the sale of ice cream, soda pop and candy.

Marie Parkey is at home from Way-

and College. Mr. and Mrs. J. S. Hale went to Lubbock Saturday, where Mrs. Hale underwent treatment, having had her ton-

sils removed a few days before. Rev. M. P. Hines, pastor of Carr's Chapel, filled his regular appointment here Sunday at 11 o'clock in the morning and also preached at night. There was one addition to the church. Rev Hines and Tamily were guests of Mr.

and Mrs. R. B. Gary for dinner. Wade Owens, of Kress, is visiting in the home of R. B. Gary for a few days and also looking out a location for an-

Years of Service

Model T Fords

Expenditure of few dollars may enable you to get thousands of miles from your old car

THE Model T Ford is still a great car. It led the motor industry for twenty years and it is used today by more people than any other automobile. More than eight million Model T Fords are in active service in city, town and country, and many of them can be driven for two, three and five years and even longer at very small up-keep expense.

The cost of Model T parts and of necessary labor is unusually low because of established Ford policies.

New fenders, for instance, cost from \$3.50 to \$5 each, with a labor charge of \$1 to \$2.50. Tuning up the motor and replacing commutator case, brush and vibrator points costs only \$1, with a small charge for material. Brake shoes can be installed and emergency brakes equalized for a labor charge of only \$1.25. A labor charge of \$4 to \$5 will cover the overhauling of the front axle, rebushing springs and spring perches, and straightening, aligning and adjusting wheels.

The labor charge for overhauling the average rear axle runs from \$5.75 to \$7. Grinding valves and cleaning carbon can be done for \$3 to \$4.

A set of four new pistons costs only \$7. For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. Parts are extra.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

See the nearest Ford dealer, therefore, and have him estimate on the cost of re-conditioning your Model T Ford. He will tell you, in advance, exactly how much the complete job will cost.

Mr. and Mrs. Allen Peacock and family spent Sunday with Loran Peacock of McAdoo

Allen Peacock was injured Monday when he fell from a ladder while painting the school house. His leg was pretty badly hurt. Mr. and Mrs. R. P. Graves and chil-

dren, Mr. and Mrs. Tate Jones, Miss Annie Jewel Fawver, Miss Linnie Palvadore and Miss Lela Jones went to Silverfalls last Sunday. Elmer Carathers was taken real sick

with appendicities last Wednesday morning. His condition is reported better this week. Mrs. W. C. Hanna and daughter, Miss

Neta Merl and Miss Ima Johnston, of Floydada, spent Friday evening in the Carathers home.

Linnie Palvadore is leaving this Wednesday afternoon for Commerce where she will visit relatives while attending school.

Duncan Hollums, of Floydada spent Sunday with Elmer Carathers. Mrs. Muhly gave the young people of

this community a party last Saturday night. All report a nice time. Grandma Fawver is visiting her son G. L. Fawver this week.

Mr. and Mrs. H. D. Meredith are the proud parents of a fine baby girl. She

arrived last Friday, May 25. Mrs. Addie Lloyd is sick this week.

Prairieview News

Prairieview, May 29.—Sunday School and church was well attended Sunday.

Mr. and Mrs. Grover Lamaster attended the singing convention at Petersburg

Mr. and Mrs. J. N. Edelman were callers in the Hoover Home Sunday. Mr. and Mrs. Hoyle and children were he Sunday guests of Mrs. Hudgin. Lolomae Taylor has been on the sick

list the past few days.

We surely have all the rain that is needed at the present time. Most everyone is busy planting row crops.

A few from here attended the party at the West home in the Eastmound comnunity Friday night.

Willie Oean Ellrod spent Thursday

with Olamae Gamble.

Mr. and Mrs. Henry Sammann and children were the Sunday guests of Mr. and Mrs. Willie Sammann. Mr. and Mrs. Ellrod visited relatives

near Tulia Thursday. Several from here attended the play 'Little Clod Hopper" at Liberty Thursday night.

All the teachers have been employed for the coming year. Fred Crossland, of Lubbock, is principal. Miss Thelma Cross, of Dallas is in charge of the intermediates and Miss Viola Williams, of Prairieview, in charge of the primary

Providence News

Providence, May 28 .- C. M. Meredith, seeing his many friends.

After the bountiful rains of the last two weeks, the farmers are busy as bees in the fields getting their row crops of cotton, maize, kaffir and other crops in the ground.

Gardens are growing fine now. Many have had to replant again. John McCarty and father and Mr. Gamble, of Prairieview were in our midst looking after Mr. McCarty's wheat crop here. He says his wheat will make

good since the fine rains.

shopping Saturday.

THOUSAND LEGHORN CHICKS IS RECORD OF MRS. O. S. MILLER

Mrs. Olin S. Miller has gone into the chicken raising business rather extensively this year and early in the spring set as her goal to raise 1000 birds. She reached that mark Monday when the last two hundred baby chicks were hatched. The other 800 are four and eight

Her record is rather remarkable, having started last year with twenty-four pedigreed White Leghorn hens and two cockerels with records of 300 eggs per year on both sides of their pedigree for three generations. From those twenty-four she raised and kept 100 hens and this year has already 1000.

Mrs. Miller's cockerels are from the Texas A. & M. flock which is headed by Beall No. 1 purchased from L. C. Beall, of Vashon, Washington for \$100.00. His flock won the National egg laying con-

tenst for four consecutive years.

Mrs. Miller gets one case of eggs every five days from her 100 hens.

AUXILIARY EXPRESSES THANKS

The American Legion Auxiliary wish thank everyone who took part in giving the Memorial services at the Baptist Church Sunday. Especially do we wish to thank the 1922 Study Club for

Mrs. W. I. Cannaday and daughter, Mr. and Mrs. J. M. Hughes, of Vernon, Mrs. L. A. Marshall visited in Plain-Baker, May 28.—The people in our community are very busy planting this week.

Miss Belle, returned Tuesday afternoon from Wichita Falls, where they have been visiting another daughter, Mrs. L. G. Stewart, and family during the past week.

Mrs. and Mrs. J. M. Hughes, of Verlon, formerly of Floydada, spent Sunday here as the guests of Mr. and Mrs. J. T. J. Dawson returned home where the guests of Mr. and Mrs. J. T. J. Dawson. Mrs. Dawson returned home with the remainder of the week the remainder of the week.

the remainder of the week.

Cut Costs with this Combine

If you farm the prairies, an Advance-Rumely "Combine" Prairie Type will harvest your grain at an amazingly low cost! And here is why:

Saves labor cost—Only three men to pay and feed—instead of a crew.

Saves time—Two operations in one. The job done in a few days instead of several weeks. No delays, because this "Combine" keeps

Saves grain—By harvesting skimpy crops at a profit—by saving one to three bushels an acre.

Saves harvest cost—Reduces cost of harvesting by 15c to 20c per bushel, according to owners' reports.

Never in the history of farming have men been able to harvest prairie crops so easily, so quickly, and at such an amazingly low cost per bushel. Thousands of users testify to the practicability of this Advance-Rumely "Com-

C. Surginer & Son

Although the Southwestern Bell serves a widespread territory it is really a local institution in each of the 696 towns and cities where it operates. The 27,000 men and women in the telephone organization, work and live in these communities. They are as interested in the progress of their home town as you are.

The greater portion of the Company's expenditures is disbursed locally. On the average, out of each dollar of operating expenses, more than 60 cents is spent locally for taxes, rents, and wages. And, of course, in practically every community there are Bell System stockholders who receive telephone dividends.

Southwestern Bell Telephone Co.

Lee Rushing drew out of the contest committee of the party will be regard-this week. There are three candidates ing the second primary when the time

can be divided, according to the primary based on "the emoluments of the of- law, the cost of conducting the primar- fice," in the discretion of the county e.duce the burden placed on the election officials in these two precincts, and where it has been known to require as

primaries were divided evenly among the twenty-five candidates, county and precinct, the bill would be approximatey \$50 each. However, since some of the offices carry with them much more emoluments than others, the division is

The Commander \$1435 to \$1625

F. O. B. FACTORY 85 horsepower 72 miles per hour 25,000 miles in less than 23,000 minutes. Nothing else on earth ever traveled so far so fast.

The Dictator \$1195 to \$1395

F. O. B. FACTORY
70 horsepower 65 miles per hour
5000 miles in less than 4800 consecutive minutes - a record for stock cars priced below \$1400.

The Erskine \$795 to \$965 F. O. B. FACTORY

43 horsepower 62 miles per hour Thrilling six-cylinder performance. A thousand miles in less than a thousand consecutive minutes—a record for stock cars priced below \$1000.

STUDEBAKER has swept the boards! Every official speed and stamina record for fully equipped stock cars is held by Studebaker. Every Studebaker is a champion! Never before has one manufacturer held all these records! These remarkable records (listed at the left) offer unmis-

takable proof of speed, of stamina, of durability-certified officially by the American Automobile Association. To you they are conclusive assurance of Studebaker's fitness to meet every demand of everyday motoring.

Championship beyond dispute

Studebaker cars have proved beyond question their ability to travel great distances at sustained high speeds. No car ever came within 10,000 miles of The Commander's great record of 25,000 miles in less than 23,000 minutes! No fully equipped closed car ever equalled The President Straight Eight's official records. No cars of their price classes ever traveled so far so fast as did The Dictator and The Erskine Six. When such performance can be bought at Studebaker's remarkable One-Profit prices, why be content with less than a champion?

Studebaker's sensational proofs of speed and endurance come from engineering genius, quality materials, precision manufacture and rigid inspections. Because of these, any Studebaker may safely be driven 40 miles an hour the day you buy it. Motor oil need be changed but once in 2500 miles. The President, Commander and Dictator require chassis lubrication only after each 2500 miles.

Today in Studebaker and in Studebaker alone, you can buy the utmost in every phase of motoring—and behind it a name that for 76 years has meant dependable transportation. Come in, and drive a champion!

What has been spoken of as the "most interesting and amusing part of the convention" was the cleverly prepared his home at Breckerridge for the past talk by G. W. Burkett, of Silverton, on 'The Life of a Rural Carrier." His talk was given partly in prose and verse. It was given partly in prose and verse. It suffering with an infected foot caused outlined the hardships, the tragedies, and the amusing events that happen from a splinter for the past six weeks, and the amusing events that happen everyday during the life of a rural carrier. He received hearty applause.

The Question Box, in charge of M. B.

Round Table Discussion led by W. O. riers were threshed out in these discus-

A report of the resolutions committee brought out several important resolutions made by the District organization. Among these was the indorsement of co-operative buying of carrier supplies and indorsement of the Department's Policy of rural route consolidations. Resolutions of thanks were adopted, voting appreciation to the Floyd County organization, to the Floydada citizenship and to Hon. Marvin Jones, for their help in making this convention a success. The resolutions Committee was composed of C. E. Martin, G. B. Hardin, G. H. Wilbank, L. D. Powell and H. N. Garrett.

The Finance Committee presented a resolution that was unanimously adopted by the organization, providing for 10 per cent of the county organization dues to be paid into the District office to care for the expenses of the District meetings. This resolution was adopted after favorable comment. The committee was composed of D. D. Langford, A. B. Clements, of Kirkland, G. N. Shirly, Floydada, G. W. Burkett, Silverton

And we ain't got much sense; We do everything different That we ever commence.

While the rest sell their stuff high

We sell ours way down low; To learn you where to go.

We buy groceries to sell Some buy theirs to keep; Of course we ought not to tell But we think they sell steep.
