

Jones, Baylor Graduate, Will Coach Whirlwinds

Teacher Assignments Announced for Three Floydada Schools for 1928-29 Term By Patty.

Troy H. Jones, a degree graduate and three-letter man of Baylor University will guide the Whirlwind athletes of Floydada High School through their 1928-29 season, according to an announcement made this week by the local school Board of Trustees. While in Baylor, Mr. Jones lettered in football, basketball, and track. As a Baylor student he set a new Conference record in high hurdles, and his work on the football and basketball teams was also outstanding. Jones is six feet one inch tall, and weighs 175 pounds.

Besides coaching of the Whirlwinds, Jones will be teacher of mathematics in the high school. He comes to this school highly recommended by the Committee from Baylor. He received his A. B. Degree from this University in 1926 and has been teaching and coaching for the past two years.

George Edwin McWhirter, has been elected teacher of History in the high school. He is a B. A. graduate of Trinity University, Waxahachie, and will probably spend the summer in the University of Texas. He is especially interested in Glee Club, Orchestra and Band work.

F. P. Boyer, who will teach commercial subjects in this city, is also a graduate of Baylor University. He was highly recommended by Baylor authorities.

Miss Lidac Louise Smith, another Baylor graduate, will be teacher of English in the Floydada High School. She is the holder of many honors received while in the university.

Miss Amba Elkins, teacher of English and Latin, is a B. A. degree graduate of the University of Texas. Miss Pauline Keeton, who is also a University of Texas graduate, will teach Spanish in the local high school, it was stated. Miss Keeton has been declared by the University authorities, as one of the best prepared teachers that school is sending out this year.

Domestic Arts in the local school will be under the instruction of Miss Alice Strawn this term. Miss Strawn is a B. A. degree graduate of the College of Industrial Arts, Denton. She is an experienced teacher and is unusually well prepared to teach foods and cooking, it is declared.

Make Teacher Assignments
Other members of the high school faculty will include the following teachers who taught in this school last term: W. H. Scoggins, Principal and Science; O. T. Williams, Vocational Agriculture; Miss Daltis Rea, History; Miss Dorothy Biebel, English; Mrs. J. G. Clements, Domestic Science; Miss Jewell Brock, Mathematics and Miss Lena Fennington, Librarian.

The assignments for the R. C. Andrews Ward school, as announced by Superintendent W. E. Patty, are as follows: A. D. Cummings, Principal; Dave Waldron, Geography; Miss Lula Belsher, English; Mrs. Violet West Sone, Reading; Miss Audie Miller History; Mrs. J. H. Green, Arithmetic; Miss Faola Warren, High fifth grade; Miss Ruby Norton, Low fifth grade; Mrs. O. T. Williams, Fourth grade; Mrs. A. D. Cummings, third grade Miss Eddyth Walker, second grade and Mrs. J. N. Johnston, first grade.

Mrs. A. H. Thornton will again be principal in the East Ward School, according to the assignment. Other teachers in this school are: Miss Fannie Bolding, low fifth grade; Miss Vera Hamilton, fourth grade; Miss Louise Wright third grade; Mrs. Ernest Hughes second grade and Miss Browneyes Hawkins first grade.

Following the teacher assignments by the board of trustees, and the closing of other matters, Superintendent Patty began arrangements for an extended tour of California. He left Wednesday morning, accompanied by Mrs. Patty and children, for Southern California. They plan to be gone from home several weeks.

SADLER-FLOYDADA BALL GAME IS POSTPONED INDEFINITELY

A baseball game matched last mid-week between Floyd County All-Stars and Harley Sadler's All-Stars for Sunday afternoon, June 10, has been indefinitely postponed, it was learned yesterday. Harley Sadler's company of comedians, who have gained a wide reputation over this section both as actors and ball players, have been playing this week in Amarillo. Sadler's plans were to bring his squad down Sunday and return Monday in time for the evening performance.

However, because of complications, Sadler left this week-end for Pampa. For this reason, it will be impossible to call Sunday's game, he said.

Sadler promises a game with the Floyd County aggregation later in the season and advises the local fans to watch for this game.

COUNTY SINGING CONVENTION DATES ARE JUNE 9 AND 10

Dates for the Floyd County Singing Convention are the coming Saturday and Sunday, and the place is Lone Star, R. G. Spence, secretary of the association, reminds members of the convention and others who are interested.

Saturday afternoon's session will be important, because at that time the officials will be elected and other business of the organization transacted. A session will be held Saturday night and again all day Sunday.

Expectations are that the convention will draw a large crowd of Floyd County singers as well as a number from other counties in the area.

Wheat Harvest To Open June 20 To July First

Wheat harvest in Floyd County will open sometime between June 20 and July 1, according to guesses made the past week by several Floyd County grain growers and grain dealers, who believe that the crop will begin moving sometime between these two dates. This is a week to two weeks later than the average year, and twenty to thirty days later than last year, when the first wheat to reach the market was on June 1.

With the rains of the past week providing practically all the moisture needed in any part of the county to carry the crop to maturity, the estimates vary rather considerably as to the probable production of the county. Those who put the figures as low as 800,000 to one million bushels admit the acreage is unusually large and the abandonment of acreage not more than ten per cent above the average, which may raise the total. On the other hand, the yield of the late crop will depend almost entirely on the weather during the remainder of the season and right up to maturity, and those who are predicting around 1,500,000 bushels admit that these figures may be reduced by unfavorable weather of most any kind. The highest estimate The Hesperian has received from any source is 1,600,000 bushels.

New Water Supply In Service By Next Week

Six Weeks Expected to be Required to Complete Water and Sewer Line Extensions.

Belief that the new water wells will be tied into the city's water system by the end of next week was expressed Saturday by City Water Superintendent G. R. Strickland, following the arrival of the crew of men of the Sherman Machine & Iron Works under the direction of T. M. Wheelen, and the arrival of the company's ditching machine this week. The line from the city's storage reservoir to the new wells is the first work to be undertaken. The new source of water supply and the eight-inch main which carries the supply to the storage tank is expected to care for the demand from all sources for a city of 7,500 to 8,000 population. Two wells are being provided, equipped with centrifugal pumps, and fireproof houses at a cost to the city of slightly more than \$20,000. In developing the wells the contractor, D. L. McDonald, has used more than a carload of gravel for each.

The city's new water and sewer lines, including the eight-inch water main from the new wells, will cost the taxpayers \$20,075. For their money they will receive 19,000 feet of water main extensions and 8,000 feet of sewer extensions and 12 new fire hydrants.

The new water lines to be provided are 4,400 feet of eight-inch mains, 6,100 feet of six-inch mains, 3,500 feet of four-inch mains and 5,500 feet of two-inch mains.

The present job will be the fourth in Floydada for the Sherman Machine & Iron Works. This company was the low bidder in 1915 when the first waterworks system was built, and again in 1921 and in 1924, when two additional contracts were let for improvements and additions.

Stakes Set For Station Of Q. A. & P. Ry. Co.

Stakes were set Tuesday afternoon for the station of the Quana, Acme & Pacific Railway Company, which will be constructed at once at a cost in excess of \$40,000 on East Mississippi Street at the intersection of Ninth Street.

Geo. P. Reintjes Company, a Kansas City construction firm, has the contract for this structure, as well as other structures the company will have built at Floydada and Dougherty.

Trackage has been completed to the Missouri Street boundary line for the company's main line and the exchange track up Eleventh Street for a connection with the Santa Fe's lines has been under construction also this week.

ON VACATION IN OZARKS

P. G. Stegall and family left Wednesday of this week for Hot Springs, Ark., planning to spend some two weeks in that state for the benefit of the health of his daughters, Ruth and Vivian.

During the absence of the family they will likely spend sometime in the Ozark Mountains.

LAWRENCE LEWIS, NEW OWNER OF CENTRAL FILLING STATION

Lawrence Lewis succeeds J. W. Haney as proprietor of the Central Filling Station, corner of Fifth and California, which changed hands last week. Mr. Lewis took charge of the station on the first of the month.

Mr. Haney, who has been owner of the station for the past three years, plans to spend his time on his farm five miles east of Petersburg. Mr. Lewis, up until recently, drove the wholesale oil truck for the Continental Oil Company.

THACKER'S ADOPT BABY GIRL

Dr. and Mrs. C. M. Thacker returned from Dallas Tuesday of last week and brought with them a baby girl, which they adopted during their stay in Dallas. The baby is five months old and weighs seventeen pounds. She is a beautiful little girl and has been named by her parents Mary Lee.

Fats, Leans Tangle In Postponed Game Friday

Fats Must Circle Bases Before Game to Qualify, Moore Announces on Eve of Battle.

In hopes that the "fats" would have a better chance to get in "shape" and as the baseball diamond was partly under water the game scheduled between the "fats and leans" of Floydada for the baseball supremacy of Floyd County was postponed from Tuesday until tomorrow evening.

Captains J. C. Wester and F. L. Moore have both announced a slight change in their official line-up. In order to determine his "fastest" men, Captain Moore has decided that just preceding the game every fat must circle the diamond and the first nine men who reach the home plate will be given first place on the line-up. At first Captain Wester protested this move on account of delaying the game two hours while the fats got around the bases but later gave up after it was agreed that each of the leans must catch one "fly ball" before they would qualify for the places on the lean line-up.

The special policemen for the game were notified of the postponement and did not arrive Tuesday. However they have guaranteed to arrive in time for the contest Friday to keep strict order during the entire game.

Everything will be special—policemen, umpires and substitutes included. Special music, featuring "After the Ball is Over," will be played by the Floydada Municipal Band. Special rules regarding extracting fines and assessments will be followed.

The game will be called at 5 o'clock. Proceeds will be used for the benefit of the West Texas Convention Fund of the band.

The lot at South Plains, property of the band, will also be given away at the park on the same afternoon.

Golf Club Organized By Floydada Enthusiasts

Name Officers and Set Date for Local Tournament to be Held at Floydada Country Club.

Local golf enthusiasts, at a meeting Tuesday evening of this week, organized a golf organization which they named the Floydada Golf Club, and elected as officers J. W. Clonts president, J. G. Wood vice-president, and G. C. Tubbs secretary-treasurer. Rules of the West Texas Golf Association were adopted.

It was decided by the association to hold a local tournament on June 27, 28 and 29, the championship to be decided at a later date suitable to the contestants. Suitable prizes are planned, and will be given to the winner of the first flight, runner up of first flight, winner of second flight, runner up of second flight, winner consolation second flight; medalist; winner long distance driving contest; winner putting contest.

Kight Dickey, C. H. Davis, B. K. Barker and G. Scott King were named as a committee to secure prizes.

RADIO ELECTRIC MOVES INTO ADDITION OF BANK BUILDING

Radio Electric Company this week moved into their new location on Missouri Street in the rear of the Floyd County National Bank building. The electric firm which was formerly located on West California Street, completed the removal of their stock the first of this week and are now open for business in their new quarters.

Following the completion of the extension of the Floyd County National Bank Building last week, the Western Union Telegraph Company moved their offices into the new section of the building. The portion formerly occupied by this office is being remodeled this week for a customer's vault and banking room for the Floyd County National Bank.

It will take some time to complete this work, contractors state.

INTERESTING DISTRICT MEETING OF M. E. SOCIETY BEING HELD

The District meeting of the Woman's Missionary Societies of the Plainview District convened at the Methodist Church in this city Wednesday morning at 11 o'clock with over one hundred delegates and visitors in attendance. Mrs. H. N. Porterfield, district secretary, presided at the opening of the meeting and introduced Mrs. J. Frank Potts, corresponding secretary, of Abilene, who addressed the convention yesterday.

The meeting opened this morning at 10 o'clock and a very interesting program is expected for the remainder of the session which will close tonight.

An elaborate rainbow luncheon will be served in the basement of the church at noon today for the visitors and delegates.

REV. W. R. HILL HOME

Rev. W. R. Hill returned Friday from Chattanooga, Tenn., where he attended the Southern Baptist Convention which was held in that city May 16-23. Rev. Hill reports an interesting meeting and weather conditions in the east favorable to great agricultural prosperity for this year.

Following the convention Rev. Hill visited in Kentucky and preached at Princeton, where he was formerly pastor. He also visited in West Tennessee and Oklahoma City.

Re-Building Plant Of S. W. Bell Telephone Co.

Crew of Nine Men Begin Work That Will Also Include Extensions of Exchange Service Radius.

Work of re-building the outside plant of the Floydada Exchange of Southwestern Bell Telephone Company, was begun this week by a crew of nine men under the supervision of C. N. Smith, construction superintendent. The improvements and additions to be made, when completed, will provide ample facilities for the present needs of Floydada and take care of the reasonable expectation of future demand, according to J. B. Patterson, commercial manager of the company at the district office in Amarillo.

The work that was begun this week will require the months of June and July to complete. It includes twenty-three blocks of cable on blocks not now built up and renewing the old cable with new and larger cables to accommodate the load now being carried in the downtown section. All defective poles will be replaced, and several blocks of the residence section not now served will come within the exchange radius when the work is completed. Residents of Floydada will have no difficulty in obtaining telephone service when the work is completed, Mr. Patterson said, an all-metallic service being planned for those portions of the city now unable to obtain this kind of service, eliminating ground circuits.

In answer to questions Mr. Patterson said that the common battery system would not be installed at this time, that no improvements or changes would be made in the switchboard now serving the community and that there is no likelihood of the expenditure here exceeding the \$11,000 appropriation set aside for the purpose last winter.

Materials for the job here have either arrived or are enroute and everything needed for the job will have reached Floydada by the fifteenth of this month, Mr. Patterson said.

Band To Broadcast Over WBAP During Convention

Floydada Municipal Organization One of Few to go on Air at Fort Worth During Meet.

Radio fans who plan to "listen-in" on the West Texas Chamber of Commerce Convention in Fort Worth on June 18, 19, and 20, will have the pleasure of hearing over the air, music produced by the Floydada Municipal Band. This announcement was made this mid-week by Bandmaster A. L. Lundgren when he received word from the Fort Worth Star Telegram that plans are being made for this band to broadcast over Radio Station WBAP.

"It is very fortunate that we have been chosen as one of the few bands who will have the opportunity of broadcasting," Prof. Lundgren declared. "The broadcasting hours over WBAP will be crowded every minute during the convention, and only a few of the many musical organizations in attendance at the meet will have the privilege of broadcasting."

WBAP is one of the strongest radio stations in the South and its listeners are numbered in the thousands. Floydada's forty piece Municipal Band will play for these listeners during the meet.

Definite date and hour for the program has not been announced at this time, the Bandmaster stated.

Fry Resigns Presidency Chamber Of Commerce

R. E. Fry, for the past eighteen months president of the Floydada Chamber of Commerce, recently resigned the position to give all his time to his personal affairs, and his resignation was accepted by the directors at a called meeting the latter part of last week. Frank L. Moore, vice president, succeeds to the place until a meeting of the organization is held and the members select a successor.

The duties of the president require much of the time of the incumbent and Mr. Fry felt that his inability to give as much time to the work as it demanded made it his duty to resign.

"I want you to call on me as a citizen of Floydada to assist in anything I can do to help carry on for the betterment of the town and community," he told the directors in submitting his resignation.

THEATRES WILL GIVE WEEK'S FREE PASSES TO TEN PEOPLE

A unique plan of creating interest in the week's theatre program, is being tried this week by the Floydada Theatres. The plan, as explained by Manager J. G. Deakins, is to give free passes for the week to ten people.

Ten people will be called over telephone Friday or Saturday, and the first ten giving, correctly the week's program at the Royal Theatre will be awarded the free passes to each show mentioned in the program.

The complete program is given in another section of this paper and Manager Deakins advises that everyone hang a copy of this program near your telephone.

Predicts Attendance Of 140,000 At Convention

B. F. Bennett, of Amarillo, field representative of the West Texas Chamber of Commerce, in Floydada Wednesday afternoon enroute to Stamford, where he is spending the last few days preceding the West Texas Chamber of Commerce Convention, predicted an attendance of people from outside of Fort Worth of 140,000, if pretty weather prevails for two or three days preceding and during the convention. This figure will be cut in half if the weather immediately preceding the convention is rainy and threatening, Mr. Bennett estimated.

Mr. Bennett, whose predictions on convention attendance each year, have become proverbially near-correct, says that thousands of people from Oklahoma, East Texas and states east of Texas, in addition to the West Texas people, will be at the convention. "It will be a wonderful opportunity for West Texas cities and towns to advertise themselves among the people who are naturally our most promising prospects for immigration," he said.

Miss Dorothy Greathouse, prima donna of American songs, known by the sobriquet of "The girl with the million dollar smile," will be Queen New Mexico at the convention. This information was made public for the first time yesterday afternoon. Miss Greathouse is the daughter of a Roosevelt County ranchman. She has a nation-wide reputation as a singer and entertainer.

Showers To Heavy Rain Reported Over County

Severe Hail Damage Limited to Area in Floydada, Where Much Damage is Done to Roofs.

Showers to heavy rains are reported since Saturday afternoon of last week from all sections of Floyd County, with indications that all portions of the county have ample moisture to carry row crops along for the next few weeks and put wheat on the safe side of the ledger, so far as need for moisture is concerned. According to these reports, the heaviest fall of rain was at Floydada and in this vicinity.

Saturday night in Floydada the rain was seventh-tenths of an inch with similar amounts reported from practically all points in the south and central part of the county. Portions of the north county communities reported light showers. Sunday afternoon 1.1 inches of rain, accompanied by a severe hail, visited Floydada, and all of the county had fair showers to good rains. Hail damage reports from over the county indicate that no other community was as severely hit as in this vicinity. The heaviest crop hail damage reported being around fifty per cent in a limited area southwest of Floydada. Little cotton replanting is reported.

Damage to more than a hundred residences in Floydada was reported to insurance agencies in the city, following the rain and hail, Monday morning. Probably 200 roofs were damaged, the most severe area being in the west side.

Shaping Organization For Street Paving Job

Preparations for the street paving contract in Floydada, let Monday morning of last week by the city council to L. H. Lacy Company, of Dallas and Amarillo, were begun this week by the contractors.

This mid-week Carl M. Anderson, construction superintendent for the company, is in Floydada, perfecting his organization, testing materials and arranging other details in advance of the actual work. Wednesday afternoon late he said all new equipment would be put to work here. Some \$15,000 worth of machinery will be used for the first time on this job.

J. B. Dunlap, of Dallas, will be the promotion man for the Floydada contract. Mr. Dunlap was here from Sunday to Wednesday acquainting himself with the situation and gathering information on which to base the data for the paving contracts to be submitted property holders.

DICKENS WINS IN WALK AWAY FROM LOCAL BASEBALL TEAM

The Floydada Baseball Club's team was an easy victim for the Dickens team on the Floydada diamond Thursday afternoon of last week, when the visitors walked away with a score of 17 to 5, after playing only five innings.

Hard hitting by the Dickens club and a plentiful sprinkling of errors in defensive play by the local team made the game altogether one-sided.

BILL ALLMON MARRIED TO MISS VIDA KARR, OF BROWNFIELD

W. W. (Bill) Allmon, Floyd County boy, who moved last year to Brownfield where he bought an interest in the Sanitary Barber Shop, was married Tuesday night of last week, May 29, in Lubbock to Miss Vida Karr, of Brownfield, and the young couple spent a brief honeymoon here as the guests of the groom's parents, Mr. and Mrs. Lee Allmon. The pastor of the Presbyterian church at Lubbock, officiated at the ceremony.

Mr. Allmon was reared in this county, and for some two years prior to his removal to Brownfield, was employed in local barber shops.

Allison At Floydada On Tour Of Division

Manager of Santa Fe's Western Lines Optimistic Over Prospects Over South Plains.

R. H. Allison, vice president and general manager of the Santa Fe's western lines, on a twenty-minute visit in Floydada Wednesday morning, expressed optimism over the prospect for the South Plains area in a brief and informal talk with local business men who visited with him at the Santa Fe Station, where he, in company with several of the officials of the company made a stop before hurriedly looking over the lay-out in the yards where the Santa Fe's new track is laid for the exchange with the Quana, Acme & Pacific's new line into Floydada.

In Mr. Allison's party were A. E. Meyer, auditor of the Western Lines, M. C. Blanchard, District Engineer, T. A. Blair, Division Engineer, Avery Turner, General Agent, J. N. Freeman, Treasurer and J. C. Barton, division superintendent; also M. E. Savage, Frank Davis and H. L. Sandlin of the general office, and R. McGee of the Slaton Division Office. The officials are on the division for the purpose of attending a stockholders meeting of the South Plains & Santa Fe Ry. Company at Lubbock today and took advantage of an opportunity to spend some twenty-four hours travelling over the Slaton Division. They expected to have practically the entire division covered by today.

Among the business men who met the party at the station were T. S. Stevenson, Geo. A. Linder, O. L. Stansell, E. C. Nelson, Ed Bishop, Mayor W. D. Smith, B. B. King and others.

Wonders About Station

A reporter for The Hesperian asked Mr. Allison if a station for Floydada was in the plans of the company for this year, a question which he parried by saying he wondered if Floydada wanted a station. In the same connection he said he planned to visit Floydada sometime soon in company with Division Superintendent J. C. Barton, when he would probably go over the situation and determine the best procedure after discussing the matter with local business men.

Gas Line To Matador To Be Laid This Summer

West Texas Gas Company Budget Includes Dougherty, Roaring Springs And Other Towns.

W. W. Graves, engineer of the West Texas Gas Company, of Amarillo, in Floydada for a brief stay one day last week, gave his consent to the announcement that the pipe lines and distribution systems for Matador, Roaring Springs and Dougherty will be laid sometime this fall, ready for winter users. Silverton, South Plains, Turkey and Quitaque are also in line to receive gas during the present year, Mr. Graves said.

At the present time all attention is being given to the completion of the company's line through the southwest plains area to Midland, serving a large number of south plains towns. The Midland extension is being run from the line constructed into Lubbock and Slaton last year and represents a huge outlay.

Mr. Graves said the outlay for the lines that will be constructed eastward from Floydada to Dougherty, Roaring Springs and Matador had already been put in the budget of the company, and specifications for the pipe and equipment necessary for the work had been made up. Approximately three miles of distribution lines will be laid in Dougherty, according to the plan.

It is probable that no "tie in" lines will be built from Turkey south to Roaring Springs this year. The company is known to have considered the proposal to run a north and south line from Quitaque through Flomot, Whiteflat, Matador, Roaring Springs and possibly on to Spur to make one of the most complete circuits possible for the distribution of gas.

The construction of the line to Midland will be completed sometime after the first of July, and no work will be done on the lines in this section until after that date, Mr. Graves said.

NOTICE, MEMBERS DEMOCRATIC COUNTY EXECUTIVE COMMITTEE

Members of the Democratic Executive Committee of Floyd County are notified that June 18 is the date fixed by the statutes for a meeting of the committee, when among other things, the committee will determine whether one or two primaries will be held in the county, and estimate and prorate the expenses of the primary.

Chairmen of the nineteen precincts in the county are asked to keep the date in mind and convene at 11 o'clock a. m., at the county court room in Floydada.

J. N. Stalbird, Chairman, Democratic Executive Committee, Floyd County.

WHEAT IN NORTHEAST FLOYD COUNTY EXECUTIVE COMMITTEE

Wheat in the northeast portion of Floyd County is reported as above average for the county by J. M. ... who has been spending some time past week in that section, and will be rather considerably better than the average for the territory south part of the county, it is reported.

Better seasons in the east of the growing season were reported by wheat growers in that section.

PESSIMIST OR OPTIMIST?

Do you know whether you are a pessimist or an optimist? A writer the other day, gave the definition of each in the form of an illustration. He said: "The difference between the pessimist and the optimist is that the former asks, 'Is there any milk in the pitcher?', while the latter says 'Hand me the cream.'"

PROVIDING MORE HOMES

It is well enough that Floydada people are providing more homes for the continually increasing population, the increase in new dwellings being generally satisfactory, and approximately meeting the demand.

However, there is one demand which is not being met. This is in furnished homes and apartments.

Whether an effort to provide furnished quarters of excellent taste and arrangement would prove profitable is the question, of course. Certainly the demand is ever present.

MENARY-HAUGEN BILL AGAIN

The McNary-Haugen Bill bobbed up again and the president's veto of the law put up to him by congress was even more prompt and emphatic than his veto at the previous session. The bill won't do, he says, and the arguments he makes against the most recent efforts of the congress are largely additional to those advanced against the first. It is a formidable array of reasons that he lists. It is said that a number of western congressmen and senators, who felt the bill was not good economics, supported the measure with the comforting assurance that the president would veto it, probably putting in enough provisions of the ultra type to make it doubly sure the president would use the axe. Thus, if this be true, they made sure of their jobs for another season, perhaps, and let the president take the blame for a thankless job. The present incumbent has used the axe with more vigor and less regard for his political future than any president since Cleveland, we are told.

HOME FROM SCHOOL

Those refreshing days are here again when the boys and girls are home from school and college, when father and mother are finding out some of the things that son and daughter found out while father and mother stayed at home and paid the bills.

A summer of mixed work and play and then school days again, until such advantages as are possible within the limits of the family check book and the curriculum offered, have been given. Then commencement. Commencement of the more serious realities.

THEY COME TO SEE US

Floyd County people for years have been almost like the man without a country, insofar as recognition and knowledge of their various prominent state officials are concerned. Many a boy or girl reared in Floyd County, until right recently has never seen a senator of Texas nor a governor unless by some good fortune he had a chance to visit the state or national capitol and made a call at the officials office.

But development has brought with it more voters, and that's what the candidates not only want to see but must see, with the result that Floyd County people are getting a chance to look their candidates over and visualize their choice in the seat of honor and power. Already three senatorial candidates have been to see us. Perhaps the others will be around before the campaign is over, or some of them. Texas is so large that if a state candidate sees as many as a third of the medium to large communities in the state he has made a strenuous campaign and some of them have to be overlooked more or less in every campaign.

It makes a community feel more its

importance in the scheme of things, and really broadens the political scope of the residents' outlook to have the candidates for the more important offices visit it, even though the visit is made before the lines are tightly drawn and the heat of the campaign is beginning to make itself apparent.

GIVING BETTER SERVICE

"Service," that overdone word in the mercantile line of endeavor, doesn't consist altogether of meeting the customer with a smile, nor should it mean giving something to the customer in addition to that for which he pays. Courtesy and promptness are two of the essential things that go to make up a good service for the public on the part of a mercantile establishment.

But a lot of the meaning in the word "Service" as applied to caring for the needs of one's clients or customers, is in the work done by the management before the customer walks into the store. In fact, some seventy-five per cent of it consists in anticipating and preparing to handle the demands of the public adequately. It is pleasing and interesting to note that Floydada merchants and professional men are studying more and preparing better and better to meet the demands of their ever-increasing public over a wider and wider range of territory. Holding the trade against the big city competitor is going to require this. The smaller cities are going to have a real fight for their right to exist and prosper under the rapidly changing conditions. Cities where this situation is sensed and met will survive. If they falter, the jig is up.

'Round The Square

By Old Battleaxe

Several wives round the square have been complaining that dad has been using the car too much and walking too little. But there is no reason to worry now. The kids will soon be home from school.

Two more new brick buildings nearing completion round the square this week. Just watch Floydada grow!

From the Plainsman in the Lubbock Journal comes this little gem on city building:

Count that day lost,
Whose low descending sun,
Finds the building permits,
Increased not even one.

One fellow round the square said that the trouble isn't too much power. The horses under the hood wouldn't matter if it wasn't for the asses under the wheel.

"On to Fort Worth."—Remember Floydada" is the battle cry round the square now. With its forty-five piece band and a delegation of real boosters, the Floydada caravan will leave the square Sunday morning, June 17. All off to tell the world about Floydada and Floyd County.

Great days for arguments—these. Members of "The Spit and Whittle Club" have got so they will argue either side of any question, or give you both sides and they will argue the middle.

"May I hold your Palm Olive?"
"Not on your Life Buoy."
"Then I'm out of Lux?"
"You sure are. Ivory Formed."

Say, folks, this paving proposition is not near put over yet. Just because the City has let a contract, there is no use to lay down on the job.

Speaking of paving and the 9 to 1 plan of financing: In many cities of Texas and other Southwestern states the property owner is paying all the bill except the engineering. They are finding it wise to conserve their cities' resources for public improvements no part of which can be borne except by taxation.

When a student first gets out of school with his diploma, he owns the world. After he has been out about a year, he owes the world.

Floydada not only welcomes your business, Mr. Farmer, but Floydada craves it!

Fat babies are out of style but they still look nice when they're plump, says a writer for the Woman's Home Companion.

A day is near when America, with its mighty resources and dormant brain and soul power, will actually be done with intellectual sleep walking.—The American Magazine.

14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF JUNE 11, 1914.

Claude V. Hall, who last year filled the position of principal in the Matador High School, has been selected by the trustees for superintendent for next year. Mr. Hall was formerly editor of the Hesperian.

The Mothers' Club met at the tabernacle Friday afternoon of last week for their first summer meeting. Following the business session and program, the ladies served refreshments of cake and ice tea. The members present were Mesdames Liston, Henry, Price, Nelson, Sawyer, Savage, Baker, Morris, Farris, Jenkins, Boerner, Rushing, Armstrong, Dawson and McKinnon. The visitors were Mesdames, McCleskey, Golden, Yearwood and Massie.

Monday Postmaster Henry received notification from the Post Office Department at Washington that the bids of W. R. Cope for carrying the mail on the new star route from Floydada to Roaring Springs, had been accepted. The route will begin about July first.

Mr. and Mrs. S. L. Rushing and daughter, Miss Lula, spent last week-end in Hale Center at the District Conference.

COL. ALVIN OWSLEY
Col. Alvin Owsley, of Dallas, who spoke here Friday afternoon in behalf of his candidacy for the seat in the United States Senate now occupied by Earl B. Mayfield. Approximately two hundred people heard the candidate's interesting address.

H. Grady Moore, senior student in Texas Technological College, was at home for a brief visit with his parents, Mr. and Mrs. Roman S. Moore, the latter part of last week and the first of this.

Rev. W. R. Hill returned home the latter part of last week from Nashville, Tenn., where he attended the sessions of the Southern Baptist Convention.

Mr. and Mrs. B. L. Blacklock and children left the latter part of last week for the Rio Grande Valley where they plan to spend a vacation. Part of the time they will visit at Brownsville with a sister of Mr. Blacklock.

Shaw-Walker files and supplies at The Hesperian Office.

SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

FRIGIDAIRE

THIS IS A PRODUCT OF GENERAL MOTORS

In the Frigidaire cabinet everything is fully enclosed. There is no unsightly machinery sticking out like a sore thumb. Take a good long look at the Frigidaire Cabinet then close your eyes and your mental picture will be one of grace and harmony. There are no forgetful irregularities to mar the picture.

For a number of years a certain automobile manufacturer producing a good car tried to make the public appreciate a new design of the hood. But unfortunately the design was such that seeing it once you could never forget how it looked. This always a mark of ugliness. You would not want anything like that in your home.

You will look at your Frigidaire many times every day for many years. You have a right to demand the beauty of a Frigidaire cabinet.

Broadway

PLAINVIEW, TEXAS

Starkey News

Starkey, June 6.—Another fine rain fell over this locality Sunday. Most of our farmers were through planting and the rain was appreciated by all.

Mr. and Mrs. J. W. Howard and children spent the week end with their daughter and sister, Mrs. Dora Tye and family, of White Deer.

Lowell Dalton, son of J. W. Dalton, returned home Friday from Austin, where he has been attending school.

Miss Opal Carter was the guest Sunday evening of Miss Lagatha Lakey.

Mr. and Mrs. Vergal Turner and children, of Floydada, spent from Saturday until Tuesday with his brother, E. W. Turner and family.

Mr. and Mrs. C. H. Griggs and little son, J. C. spent Tuesday and Tuesday night with her mother, Mrs. Julia Claterbough, of Roaring Springs.

Leland Dalton spent from Sunday until Tuesday evening visiting friends in the Blanco community.

The party given last Saturday night by Miss Wanda Howard was enjoyed very much by the young folk.

Miss Esther Howard spent the week end in Ralls with relatives and friends.

TO ATTEND COLUMBIA UNIVERSITY

Horace Grady Moore, a student of Tech College returned to Lubbock Tuesday after a three day's visit here with his parents, Mr. and Mrs. Roman S. Moore. He will have charge of the library at Tech for six weeks after which he will go to New York City to attend Columbia University, where he will study drama, literature and voice, during the summer months. His plans are to return in time to enter the opening term of Tech College this fall.

SINGLETARY-PRATT

Frank Pratt, son of Mr. and Mrs. A. T. Pratt, of Pleasant Hill, and Miss Agatha Singletary, daughter of Mr. and Mrs. C. P. Singletary, of Mt. Blanco, were married in Floydada Sunday afternoon, June 3, at the residence of Rev. G. W. Tubbs.

Rev. Tubbs said the ceremony at 3 o'clock that united the couple.

Mr. and Mrs. Pratt will make their

home at the O. F. Batten place near Lakeview, the latter planning to vacate soon to make his residence in Floydada.

MISS JOYCE HOPKINS AT SANATORIUM FOR TREATMENT

Miss Joyce Hopkins, of Miami, former Floydada High School girl, who for three years has been assistant postmaster at Miami post office, is resting well and is expected to recover satisfactorily, though necessarily slowly, at Sanatorium, Texas, where she is in the state sanatorium for the treatment of tubercular patients.

Learning that she had contracted tuberculosis, Miss Hopkins made application for admission into the sanatorium some weeks ago, and recently she was in Floydada overnight with her sister, Mrs. Jack Henry, who, with Maury Hopkins, of Plainview, a brother, accompanied Miss Joyce to the sanatorium.

Conditions are ideal and every facility is provided at the institution for the treatment of tuberculosis, it is declared.

NEW FEDERAL COURT DISTRICT ESTABLISHED IN PLAINS AREA

A new division of the United States District Court of the Northern District of Texas was established Friday of last week when the president signed a bill introduced by Senator Mayfield in the senate, creating a district that will embrace Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Gaines, Garza, Hale, Terry, Hockley, Kent, Lamb, Lynn, Lubbock, Motley, Floyd, Scurry and Yoakum.

The new district will be known as the Lubbock District, with Lubbock as the headquarters.

VICTOR TRAMMELL MARRIED

News that Victor Trammell, former resident of Floydada, and son of Rev. V. H. Trammell, was married in Yuma, Arizona, two weeks ago was received by friends here the first of last week.

The bride is a Los Angeles girl, and Victor also makes his home in that city, where he has lived the past five years. He last visited in Floydada three years ago.

WHAT IS FAIR WEATHER?

Front page news for a good many people begins with the little box in the upper corner of the paper that tells them whether or not to leave their umbrellas at home in the morning. A prophecy of "fair" is often disappointing, for the term may include a cloudy or threatening sky, or even a slight sprinkle, not quite enough to dampen the front lawn, but enough to spot a new spring hat. Is the weather man wrong, or merely misunderstood?

One difficulty is that "fair" as applied to weather is a meteorological term. Most dictionaries take note of this in defining the word, but the lay reader of the newspaper, hoping for a beautifully clear day, may expect too much. Official observers of weather conditions are told to use the word "fair" in rendering reports. The Weather Bureau of the United States Department of Agriculture on its forecast work considers a day as "fair" when not more than 0.001 inch of precipitation is expected to occur within the period covered by the forecast. By precipitation is meant rain, or snow reduced to its water equivalent. The term has in the past also been used, although not in forecasts, to denote a state of the sky between overcast and clear. The expressions "cloudy" or "partly cloudy" are modifications of a fair weather forecast, indicating that the weather is not expected to be clear.

Looking over various dictionary definitions and standards set for Weather Bureau observers, "fair" is generally found to embrace a certain degree of cloudiness and unsettled conditions. In forecasts it signifies absence of measurable precipitation.

DRUG TO MAKE CRIMINALS TELL

Will criminals of the near future confess their crimes while under the influence of a drug? This amazing possibility is suggested by a professor who states that peyote the mystic fruit of Mexico, may render unnecessary the attendance of juries at our courts.

This rare species of cacti, found on the Mexican heights and by the Rio Grande, is said to cause amazing visions and to possess remarkable psychological powers.

The ancient Aztecs were familiar with its dream producing qualities, and the South American Indians have been eating it for centuries.

When the fresh fruit is eaten a stimulating effect is produced, while the dried variety is said to create the visions, although the addict does not sleep.

Sworn affidavits of peyote-eaters tell of mysterious people, weird voices, flying colors and arrows, singing women and animals whose claws can be felt—all materialized in a dream!

Many quaint ceremonies are observed by the Indians who go in search of the fruit; they are forbidden to eat during the days of journeying until they approach the land where the peyote thrives and then they may take only pinole, a variety of maize. Arriving among the peyotes, a cross is erected and the raw fruit eaten. When intoxication has worn off, the crop is gathered and the party returns. Months are some times spent on the trail. Certain tribes send their hardest men, arrayed in strange costumes, a distance of four hundred miles to seek "hicouri," as they style the "divine" plant.

According to the professor, the drug aids the physical and enlivens the intellectual attainments of the user. We may soon see it employed in higher medical science; then it will be the turn to try it on criminal suspects.—London Tit-Bits.

CALCULAGRAPH CHECKS ERRORS IN TOLL CALLS

Toll telephone calls are accurately timed by an instrument known as the calculagraph, says the Texas Public Service Information Bureau. The instrument is much like a clock, with the exact time at the beginning and at the end of a telephone conversation is printed on the toll ticket. The clocks are tested at frequent intervals daily for time of day and legibility of printing.

When a subscriber places a toll call, the operator fills out what is known as a toll ticket. On the face of this ticket, in spaces allotted, she writes the calling and called numbers and the time the call is received. When connection is established the operator puts the toll ticket in the calculagraph and presses a lever. This stamps the exact time on the reverse side of the ticket. When the conversation is finished, the ticket is again inserted in the calculagraph, a different lever is pressed and this stamps also on the reverse side, the elapsed time which is the exact time in minutes and seconds of the conversation.

When person-to-person calls are made the toll tickets are not stamped with the time until the person calling is actually speaking.

Five colleges for the higher education of colored people are maintained in South Carolina. Four of these institutions are under denominational control and one is supported by the State. They have a total enrollment of 4,112 students under an instructional staff of 172 persons. The five colleges own property valued at \$2,402,413.66 and endowments aggregating \$313,000 are held by their of the institutions.

Locals and Personals

Miss Grace Cammack, of Matador, spent last week-end here as the guest of Miss Mildred Osburne.

Roy Holmes returned home Friday from Lubbock where he has been attending Texas Tech during the past school year.

Miss Hazel Jones returned Saturday from Austin where she has been attending Texas University.

Elmo Cummings a student at West Texas State Teachers' College at Canyon during the past year, returned Saturday to spend the summer here.

Sid Carter returned home last Saturday from Lubbock where he spent some ten days attending a school for the installation and care of the Kelvinator Electric Refrigerators. He is employed in this city by Stansell & Collins, and will have charge of the Kelvinator Sales Department.

Clarence Boothe, who has been attending McMurray College at Abilene and Clark Meador, who has been teaching school in Abilene, returned to Floydada Saturday to spend the summer. They were accompanied home by Z. R. Felton and Ernest Boothe, who went to Abilene after them.

Miss Miriam Olson, who has been teaching school in Abilene during the past school term, returned home Saturday. She was accompanied home by her mother, Mrs. O. B. Olson, who spent several days last week visiting in Abilene with a sister, Mrs. W. W. Middleton.

Miss Mildred Osburne returned home last Thursday from San Marcos, where she has been attending school during the past term.

Misses Wilma Deen, Inez Paschall and Georgia Lee Assiter returned home Friday from Denton where they have been attending colleges in that city. Misses Deen and Assiter attended C. I. A. and Miss Paschall attended Denton Teachers' College.

Mark Duncan returned Monday from Austin where he has been attending Texas University during the past term.

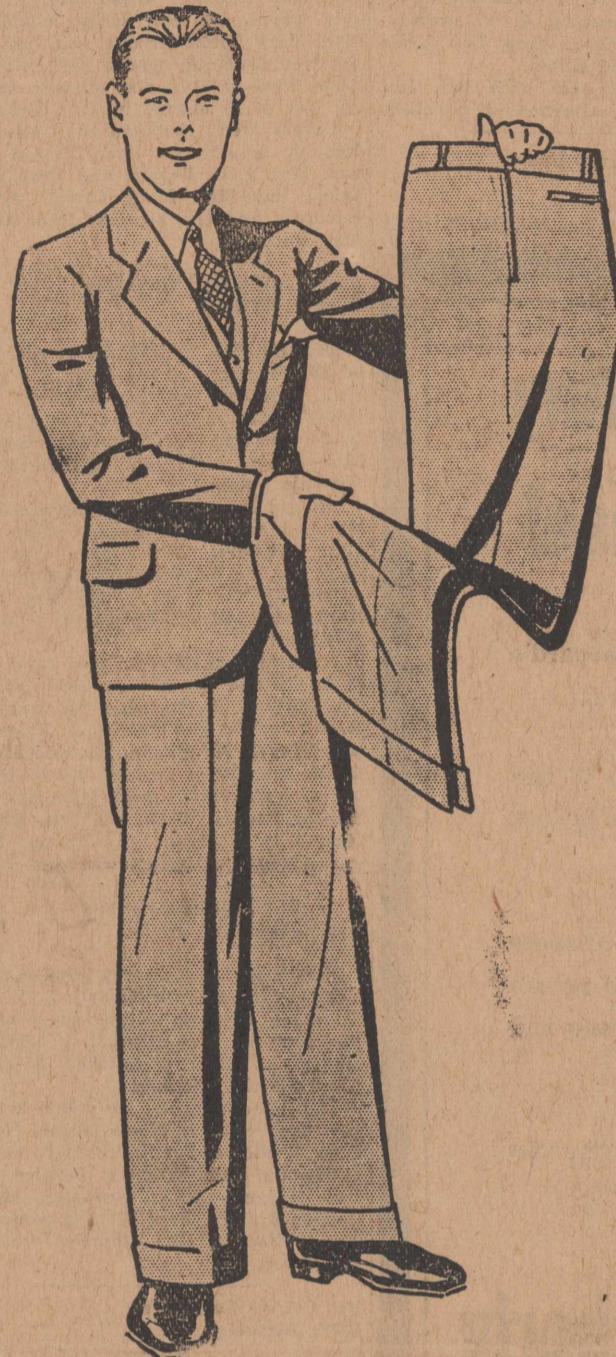

Richard Stovall, who has been attending Texas University during the past term returned home Saturday.

Will Boothe, a student at University during the past term, expected to return home today from there. Mrs. C. W. Boothe and children who are visiting in Abilene, will return home with them.

C. N. Smith and family moved to Floydada Wednesday of last week from Stinnett and Mr. Smith will supervise the rebuilding of the Southwestern Bell Telephone System, which began this week.

Guy Allen, for the past five years director of athletics in the Plainview High School, made the announcement recently of his resignation from that school. He has accepted a similar position at Clayton, New Mexico.

The 10-foot
Emerson-Brantingham
GREAT PLAINS
One-Way
DISC PLOW

Not an Experiment—This tool was developed from the famous Emerson-Brantingham tractor disc plow and disc harrow thereby insuring a substantial one-way disc that has proved to thousands of farmers by actual demonstration that it meets every requirement. Its 20-inch, heat-treated discs, spaced 6½ inches apart, pulverize all of the surface soil thoroughly to a uniform depth and leave the furrow bottom perfectly flat.

The Great Plains Plow is ideal for preparing the seed bed for small grains for summer fallow and wheatland, and for destroying Russian thistles and cutting up cornstalks. Don't buy until you see the superior features of the E-B Great Plains Plow demonstrated. There is nothing like it!

Society & Clubs

Mrs. Thagard Hostess To Friendship Club.

Mrs. Flynn Thagard was hostess to the members of the Friendship Bridge Club at her home Friday evening at 7:45 o'clock. Mrs. Jno. Hammonds was a guest of the club. In the games Mrs. A. B. Keim was winner of high score.

A delightful salad and ice course was served by the hostess to Meses. Kight Dickey, R. B. Rosson, C. H. Davis, A. P. Keim, Robert McGuire, Aubrey Bishop, and Mrs. Jno. Hammonds. Mrs. Kight Dickey will entertain the club next on Friday evening, June 15, at 8 o'clock.

Baptist Ladies Pack Box For Orphans Home.

Sixteen members of the Woman's Missionary Society of the Baptist church met Monday afternoon at the church at 4 o'clock in a business and social session. A box of thirty-two garments for girls in Buckner's Orphans Home was packed ready for shipment.

The members will meet in their respective circles Monday afternoon at 4 o'clock.

Business Session of Methodist Missionary Society Held.

The Woman's Missionary Society of the Methodist church met in a business

session at the church Monday afternoon at 4 o'clock. Mrs. C. R. Houston presided in the absence of the president, Mrs. J. M. Willson. Fifteen members were present and plans were made for the entertainment of the District Missionary Society Meeting which was opened yesterday and will be concluded today.

A very interesting Bible lesson was had with Mrs. Ben Hardy as leader. The next meeting will be held Monday afternoon at the church at 4 o'clock. At this time a lesson will be had from the study book.

Mrs. Fred Brown Hostess At Three Tables of Bridge.

Mrs. Fred Brown was hostess at three tables of bridge Friday afternoon with members of the Tuesday Bridge Club and several others, specially invited, as guests. Mrs. W. D. Johnson was winner of high score in the games of bridge played during the afternoon.

Refreshments were served by the hostess to Meses. W. H. Hilton, Otis Abston, Sam Abston, N. A. Armstrong, Wanda Banker, W. D. Johnson, Fred Jones, Jno. Hammonds, A. N. Bratton; Misses Mabel Willis, Mary Lou Crain and Laura Blanche Hilton.

The club meets next with Mrs. Jno. Hammonds Friday afternoon at 3 o'clock.

Loyal Friends Eighty-Four Club Entertained.

Mmes. J. T. Dawson and W. P. Daily

were joint hostesses to the Loyal Friends Eighty-Four Club Tuesday afternoon at the home of Mrs. Daily's daughter, Mrs. R. C. Henry. The usual number of games were played during the afternoon and Mrs. R. E. Fry, Mrs. Grace Bass, Mrs. J. T. Dawson and Mrs. W. P. Daily were winners of high score.

Guests of the club included Meses. Glad Snodgrass, R. E. Fry, E. L. Angus, J. G. Wood, S. D. Bishop, Wm. Colville, A. P. McKinnon, L. B. Dawson, E. L. Norman, W. I. Cannaday, N. A. Armstrong, R. C. Henry, M. P. Funk, of Duncan, Oklahoma and Miss Jennie Lewis.

Refreshments of ice cream and cake were to the guests of the club and the following members: Meses. W. L. Boerner, F. P. Henry, T. P. Guimarin, L. C. McDonald, W. M. Houghton, Wm. McGehee and Mrs. Grace Bass.

Honors Friends Leaving For College With Luncheon.

Miss Audrey Mae Borum entertained with a three course luncheon Friday, June 1, at noon honoring Miss Velma Deen, who is to leave soon for St. Louis, Missouri, to enter Washington University where she will study music, and Miss Mary Lottie Arwine, who left Monday for Lubbock, where she will complete work during the summer months for her A. B. degree in Tech college.

Covers were laid for the following: Mrs. J. A. Arwine, Mrs. Clinton Duncan, Mrs. J. U. Borum, and Miss Velma Deen and Miss Mary Lottie Arwine, honorees and the hostess, Miss Audrey Mae Borum.

Club Entertained Honoring Canyon Visitors.

Mr. and Mrs. Lon M. Davis entertained the members of the Owls Forty-Two club Tuesday evening honoring Mrs. Davis' sister and husband, Mr. and Mrs. Irby Carruth, of Canyon, who are house guests of Mr. and Mrs. Davis during this week.

Mr. and Mrs. Aubrey Bishop and W. M. Windsor were also guests other than club members. Mr. Bishop won high score for the visitors in the games played during the evening and Mrs. R. C. Henry was winner of high score for the members.

Refreshments of angel food cake, pineapple ice and punch were served to Mr. and Mrs. O. P. Rutledge, Mr. and Mrs. R. E. Fry, Mr. and Mrs. G. A. Lider, Mr. and Mrs. C. M. Wilson, Mr. and Mrs. E. B. Massie, Mr. and Mrs. R. C. Henry, Mr. and Mrs. E. L. Angus, Mr. and Mrs. Aubrey Bishop, W. M. Windsor, Mr. and Mrs. Irby Carruth, of Canyon, honor guests and the host and hostess.

B. Y. P. U. Members Given Party Thursday Night.

Miss Viva Swinson was hostess to the members of the Intermediate B. Y. P. U. Thursday evening at the home of her parents, Mr. and Mrs. J. E. Swinson. Music and games furnished entertainment for the evening.

The hostess served ice cream and angel food cake to Meses. Faye Newell, Etha Williams, Juanita Shirey, Verdine Snodgrass, Veda Wootton; Bernice Crabtree, Barnes; Robyn Swinson; Messrs. Gordon Bullard, Paul Wright, James and Truett Boethe, Olin Burrows and Percel Nance.

Pat Collins Celebrates Fifth Birthday.

Pat Collins, son of Mr. and Mrs. T. P. Collins, was given a party Monday afternoon at the home of his grandfather, D. H. Collins, in celebration of his fifth birthday. On account of the bad weather prevailing Monday afternoon many of the little guests who had been invited did not attend. Games of various kinds were played by those present.

Ice cream cones, lollypops, and cake were served to Billy Clyde Davis, Leeman Norman, Joe Arwine, Jr., J. T. Howard, Jr., and Pat Collins, the honoree.

Blanco News

Blanco, June 5.—There was a box supper at the school house Friday night, the proceeds of which were used to pay for the singing school. Everyone seemed to have had a splendid time and about \$28.00 were made. We surely were glad to have Mr. Lyles with us and hope that he can teach another school sometime.

Mr. and Mrs. Theodore Griffith, of Lockney, spent Sunday at the J. D. Christian home.

P. E. McCarty had the misfortune to be thrown from a bronc horse a few days ago. He was badly shaken up but doesn't seem to be seriously injured.

Mr. and Mrs. Geo. Smith and children attended the singing at Petersburg Sunday, May 27.

Miss Johnnie Christian, teacher of Home Economics in the Memphis High School, returned home Saturday. Miss Lauream, of Lockney, was at home over Sunday.

Mrs. Nora E. Jones and Roy and Nell, of Bledsoe visited with Mr. and Mrs. L. C. Wheeler Friday and Saturday.

Mr. and Mrs. W. C. Cates and children visited with D. R. Badgett's family Sunday.

Leland Dalton, of Starkey, spent Sunday night with Woodrow Badgett.

Our community has been blessed with another fine rain. There was some hail also but the rain was more than compensation for the damage done by the hail.

Mrs. Will Snell visited in the Berry home near McCoy Sunday afternoon.

Mrs. M. R. Grubbs was injured last week when she stepped on a nail. We haven't heard yet but we hope that she is recovering satisfactorily.

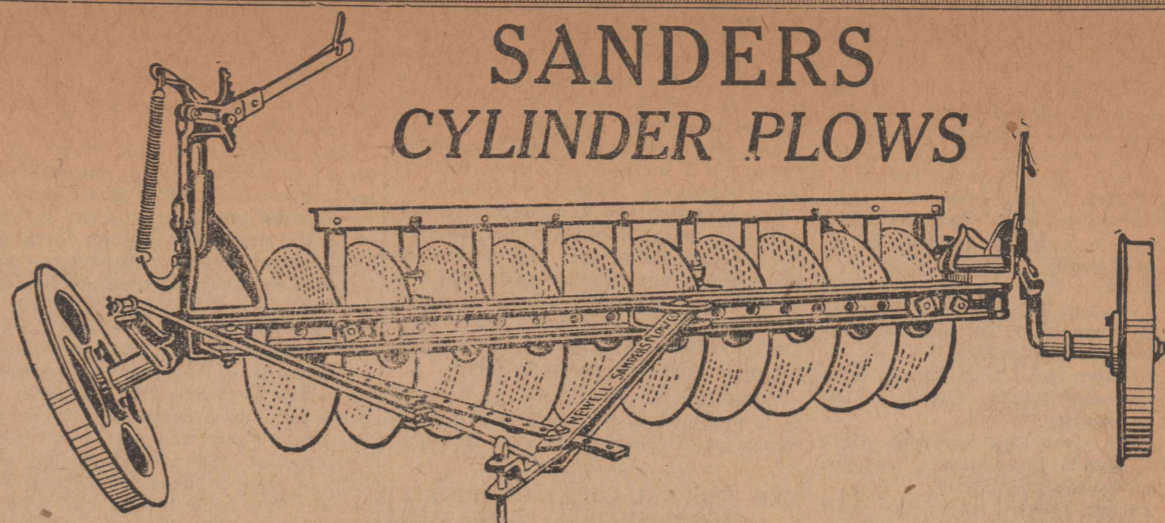

J. C. Jones and family of Stinnett moved to Floydada last week. Mr. Jones will take the place of C. R. Hutchins as plant man. Mr. Hutchins was injured in a fall from the Motor Supply building about two months ago and it will probably be sixty days before he is able to work again.

Joe Gamble, Ernest Carter and Miss Mary Gamble, returned home Saturday from Canyon where they have been attending West Texas State Teachers' College.

L. M. King, who has been spending the winter in Los Angeles, Calif., arrived Tuesday to spend the summer here visiting with his parents, Mr. and Mrs. J. L. King.

Willie B. May returned home Monday from McMurray College, Abilene, where he has been attending school the past term.

The Hesperian \$1.50 per year.

SANDERS CYLINDER PLOWS

Large Capacity. Light Draft. A general purpose plow. Ideal for Summer plowing but equally good in Cotton, Corn and Maize in the Fall. Plows 2 to 6 inches deep. Easily adjusted and operated. Turns the soil over. Leaves the surface thoroughly harrowed and without ridges.

Built in three, 10, 15 and 20 disk, sizes. Cuts 6, 9 and 12 feet wide. Adjustable to meet all soil conditions. Regularly equipped with wheel weights and fenders. Every plow has the famous original SANDERS disk blades now heat treated and extra hard.

Many other exclusive patented SANDERS features not found on any other Cylinder Plow.

Write for Catalog and Prices on SANDERS line Cylinder and Disk Plows.

STUDEBAKER

The Great Independent

wins

automobile dealers as well as public with

CHAMPION CARS

26% more Studebaker Dealers this year than ever before

President Eight

\$1985 to \$2485

100 horsepower 80-mile speed

131-inch wheelbase

Holds all official records for stock closed cars, regardless of power or price, from 5 to 2000 miles.

The Commander

\$1435 to \$1625

85 horsepower 72-mile speed

25,000 miles in less than 23,000 minutes. Nothing else on earth ever traveled so far so fast.

The Dictator

\$1195 to \$1395

70 horsepower 67-mile speed

5000 miles in less than 4800 consecutive minutes—a record for stock cars priced below \$1400.

The Erskine

\$795 to \$965

43 horsepower 62-mile speed

Thrilling six-cylinder performance. A thousand miles in less than a thousand consecutive minutes—a record for stock cars priced below \$1000.

All prices f. o. b. factory

TODAY 3864 dealers sell Studebaker's 4 great lines of championship cars, compared with 3054 dealers in 1927—an increase of 26%. In ten years Studebaker dealers have increased 114%.

For nine consecutive months retail deliveries of Studebaker-built automobiles have increased over those of the corresponding months of a year previous. This is in the face of a decrease in sales for the industry as a whole.

The swing toward Studebaker is the inevitable result of adding spectacular performance to One-Profit value—and then proving the stamina and speed of the cars by severe tests under American Automobile Association supervision.

All official records for fully equipped stock cars are now held by Studebaker. Never before has one manufacturer thus swept the boards.

Such performance can be bought at the dealer's remarkable One-Profit prices, be content with less than a champion? Studebaker's sensational proofs of speed and endurance come from engineering genius, quality materials, precision manufacture and rigid sections. Because of these, any Studebaker safely be driven 40 miles an hour the day you buy it. Motor oil need be changed but once in 2500 miles. The President, Commander Dictator require chassis lubrication only once each 2500 miles.

Today in Studebaker and in Studebaker alone, you can buy the utmost in every phase of motoring—and behind it a name that for 76 years has meant dependable transportation. Come in, and drive a champion!

T. M. Keelen, of Oklahoma City, is foreman in charge of construction work for Sherman Machine & Iron Works on the water and sewer extensions in Floydada. He arrived here last week to begin getting arrangements completed for the job.

Owsley Recommends New Farm Protection Bill

Alvin Owsley, Candidate for U. S. Senate, Addresses Large Crowd Here Friday Afternoon.

In his address before more than two hundred Floyd County voters last Friday afternoon, Col. Alvin Owsley, candidate for U. S. Senate, declared that some measure besides the McNary-Haugen Bill will have to be introduced to furnish relief for the farmers. "Since this bill has again been vetoed, it is an acknowledged fact that it is dead, and will not be attempted again. Yet, there must be some relief measure taken for the protection of the producer" he said. A protection plan whereby the farmer is given immediate relief from the low marks, was outlined by the speaker. "My Plan," he said, "is to make use of the Federal Banks that are established for the public's use. Take cotton for instance. The producer is offered a very low price. The raisers get together and pool their cotton, and call on the Federal Bank agent to appraise its value. They may then draw a draft for three-fourths of the value of the product and retain the product until the market prices are higher. This will furnish immediate relief in extreme cases. Millions of dollars from the Federal Banks

A SPLENDID FEELING
That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using Herbine. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by FLOYDADA DRUG CO.

are being used by the larger capitalists. Why not use the same principle for the farmer?" he said. Among other points brought out by the candidate was the statement that "I drink nothing but water and will always stand my own ground for prohibition."

He favors more Federal and State aid for the building of good roads and does not favor the cancellation of any foreign debts.

Col. Owsley declared himself a strong believer in "States Rights." He is an ex-service man, having served in France, and was formerly National Commander of the American Legion. He has been practicing law in Texas for sixteen years. The candidate was to have spoken in this city at eleven o'clock Friday morning, but a late schedule delayed his address until 1:30 in the afternoon. County Attorney R. A. Sone introduced the speaker.

THIRTY-SIXTH COMMENCEMENT CLOSSES AT SIMMONS JUNE 8

ABILENE, June 2.—Governor Dan Moody will deliver the address at the 36th annual commencement of Simmons University on June 8 at the university auditorium, it has been announced. One hundred and twenty-three will receive degrees with this class.

Mrs. Dan Moody, former Abilene girl and a graduate of Simmons, will accompany her husband on the visit here. Commencement exercises will begin Sunday, June 3 with the baccalaureate sermon by Rev. B. M. Jackson, and end with Governor Moody's address on Friday.

Joe Breed of Floydada is a member of the graduating class.

NORTH PLAINS WHEAT CROP FINE, JUDGE HOWARD SAYS

Judge J. W. Howard and family returned home the latter part of last week from a visit on the north plains. They were guests of Mr. and Mrs. Frank Tye, of White Deer while they were in that section, and visited at Pampa, LeFors and in Hutchinson and Hansford Counties.

Wheat in that section is fine this year, Judge Howard said, with a heavy yield in sight per acre, and wheat is practically the only crop planted there this season.

IN RE GUARDIANSHIP OF ESTATE OF ORLAND L. CATES.

WHO Takes Care of YOUR TIRES?

It happens every day, and sometimes several times a day, that regular customers of ours drive in for a little air, or to buy an accessory, or maybe just to chin with us for a while.

You ought to see how our service men look over their tires—check up on the inflation, inspect them for tread cuts or stone bruises or some other sign of road mishap.

Anything needing attention is fixed up right away. Lots of repair bills are saved, and thousands of good tire miles are kept right where they belong—in the customer's tires. Along with this service, we carry a complete stock of Goodyears—the All-Weather Tread Balloon—"The World's Greatest Tire"—and the husky, good-looking Pathfinder, with its high quality at lowest price.

Suffering With SICK HEADACHES

Mr. Charles F. Todd, of Estesburg near Waynesburg, Ky., says: "I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear. "A merchant at Estesburg told me to try taking Black-Draught, which I did. "It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on. "Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache." Get a package today.

MOBILES NEEDED FOR 30 BAND BOYS

on Leaving Floydada on 17th Will Make Two Stops.

Floydada is properly represented at the West Texas Chamber of Commerce Convention at Lubbock this week when final details of the convention plans were worked out.

Final details for the largest delegation ever to leave Floydada for a West Texas Chamber of Commerce convention are rapidly being worked out by the local chamber of commerce, and from the interest manifested Floydada is to be well represented at the meeting.

Miss Floydada Chosen
"We are determined to bring first honors to Floydada and we are not overlooking anything," Director A. L. Lundgren said in commenting on the Floydada Municipal Band.

Present plans are that the delegation will leave Floydada early morning, making stops at Vernon and Wichita Falls. The stop at Wichita Falls will be long enough for the band to play one set.

Other stops probably will be at Amarillo and other amusements in order not to make the trip too long.

The time for the convention is being close those who will take band with them are asked to notify the secretary of the chamber of commerce at members can be assigned places.

Thirteen South Plains towns will have combined representation at the West Texas Chamber of Commerce Convention.

Ellison's Hardware store has been selected as the official headquarters for the South Plains towns and a large sign will be stretched across the street leading to the headquarters.

One of the elaborate floats to be seen in the parade on the second day of the convention will be the one representing the South Plains of Texas on which will be the thirteen sponsors of the towns in this section and Miss South Plains.

Immediately following the float will be the famous Post Junior Cowboy Band, Floydada Municipal Band, the Lubbock band, the Plainview band, the Slaton band and the Texas Tech band.

The thirteen towns who have announced their intention of attending the convention as a group are: Plainview, Honey, Floydada, Lubbock, Slaton, Tahoka, Olton, Ralls, Littlefield, Post, O'Neil, Lamesa and Levelland. Texas also has been invited to take part in the South Plains activities.

Miss South Plains is Mrs. Paul T. Miller, of Tahoka, who is secretary of the Tahoka chamber of commerce and president of the South Plains Executives Association.

A meeting of representatives of the towns who will take part in the convention at the South Plains of Texas was held at Lubbock this week when final details of the convention plans were worked out.

window space the idea has been given up. The committee is composed of J. G. Wood, chairman, A. J. Folley, T. P. Collins, E. L. Norman, W. H. Hilton and O. L. Stansell.

Leaving Floydada Sunday morning at five o'clock the delegation plans on making only the two stops, at Wichita Falls and Vernon. Immediately upon the arrival of the delegation in Fort Worth the band will play concerts in the leading hotels and on the main streets.

The Floydada delegation will be housed at the Westbrook Hotel.

Prairieview News

Prairieview, June 5.—Miss Mary Shelton and Elmer White, of this community were quietly married last Saturday afternoon, May 26, at Plainview. These young people are a popular young couple in this section.

Sunday school and church were well attended Sunday morning.

Mr. and Mrs. Grover Lemaster, Mr. and Mrs. F. S. Shearer and Mr. and Mrs. Perry Wood and children, were the Sunday guests of Mr. and Mrs. Hoyle.

Mrs. Riger and daughters, were pleasant callers Wednesday afternoon in the May home.

Miss Pauline Gibbs and Miss Olmae visited with Miss Leola Hudgins Friday evening.

Claude Taylor spent Sunday with Alvis Wood.

Blanco News

Blanco, June 5.—This community received another good rain this week. In some parts there was considerable hail damage. Especially to the wheat and row crops.

We are sorry to report Mrs. Bob Gollyhon as being quite ill again.

Mr. and Mrs. Jim Gamblin had as their guests Sunday, Rev. and Mrs. Lollar of Plainview.

Mr. and Mrs. Harry Christian had as their guests Sunday, his parents, Mr. and Mrs. W. N. Christian. Other visitors in the Christian home were Mr. and Mrs. Earl Henry, of Wellington, Mrs. S. D. Greer and Mrs. Flynn Thargard of Floydada.

P. E. McCarty was painfully injured last week when thrown from a horse. His injuries were not thought to be serious.

Relatives who visited with Ham Smith and family Monday were: Mrs. Allie Collins and children, of Ringgold, Mrs. J. C. Fuller and daughter, Louise, of Plainview.

Mr. and Mrs. Cloe Cates spent Sunday as the guests of Mr. and Mrs. D. R. Badgett.

Mr. Howell and family visited his son Moss Howell and family last week-end.

Baker News

Baker, June 5.—Farmers are almost through planting in this community. We sure received a nice rain Saturday night and Sunday afternoon. Just what the farmers were wishing for.

Hillery Palvadore spent Sunday in the Carathers home.

Miss Annie Graves spent Saturday night and Sunday with Miss Annie Jewell Fawver.

Mr. and Mrs. R. F. Finley attended church in town Sunday to hear Bro. Wallace preach.

Perry Haney and Mr. Murry, of Campbell, called at the Carathers home Sunday.

Mr. and Mrs. J. A. Palvadore and children have all been sick with the flu. All are reported better at the time of this report.

Mr. and Mrs. R. F. Hall, of Lakeview spent Sunday with R. P. Graves and family.

Dick Graves spent Saturday and Sunday with Ruben Fawver.

Joe and Woodrow Carleton visited with Elmer Carathers Monday.

J. L. Carathers and sons, David and Elmer, are working on their combine this week.

Grandma Fawver is still visiting with her son, G. L. Fawver and family.

ROBERTS TO LUBBOCK

Ben Roberts, veteran boot and shoe maker of this city, is moving his shop this week to Lubbock where he will re-establish his shoe shop. Roberts has been in the shoe business in Floydada for a number of years and has gained quite a reputation in this section.

The repair department of the Roberts shop which was purchased the first of this year by Earl Rainer, will continue business in the same location on the south side of the square.

"LAW OF THE RANGE" IS NEW PICTURESQUE TALE OF TEXAS

One of the most colorful Texan stories of the last decade is Tim McCoy's starring picture, "The Law of the Range" which comes to the Royal Theatre Saturday. This Metro-Goldwyn-Mayer picture shows McCoy in the role of the Texas Ranger who so often played a lone hand successfully against the desperadoes who thronged the plains of the Lone Star State in the bold bad days of the 80's.

NAZARENE REVIVAL BEGINS

A series of revival meetings of the Nazarene church will begin Friday night of this week at the City Tabernacle. Rev. N. E. Tyler, of Rogers, Texas, is the evangelist and James G. Atkinson, assistant evangelist. Miss Hattie Bingham will be the pianist at the meeting.

"This is not the Apostolic faith," Rev. Tyler stated. A cordial invitation is extended to the public to attend.

C. Surginer & Son

Time—the most precious thing—calls for more speed in transportation and industry and greater speeds demand a greater margin of safety—each contributing to progress in every phase of human activity.

Electricity has contributed more to greater speed and safety in industry than any other factor. Its reliability is unexcelled for power, heat or light. It brightens the way for traffic, lightens burdens of housekeeping, and leads the way to progress.

A thousand indispensable uses for a product with a growing demand and a lowering cost.

The Tuesday Afternoon Bridge Club will meet Friday afternoon at 3 o'clock with Mrs. Jno. Hammonds as hostess.

The Woman's Missionary Society of the Methodist church will meet Monday afternoon at 4 o'clock at the church for a lesson from their study book.

San Souci Bridge Club will be entertained Wednesday night at the home of Mr. and Mrs. O. W. Fry, six miles north of Floydada, with Miss Mary Lou Crain as hostess.

Mrs. Frank Moore is entertaining today with a luncheon honoring her sister, Mrs. Arthur Savage, of Amarillo, who has been a guest of her sister and other relatives during the past week.

On account of the inclement weather the Woman's Missionary Society of the Presbyterian church postponed their meeting which was to have been held Monday afternoon to Monday week, June 11.

gette and carried a bouquet of pink roses.

Both the bride and groom attended public school at Floydada and were graduates of the class of 24 of the Floydada High School. After completing school here the bride attended West Texas State Teachers College at Canyon and for the past two years has been teaching school near Abernathy. During the past two years the groom has been employed with the J. C. Penny Co., of Lubbock.

Those attending the wedding were: Mrs. Josie Moore, mother of the groom, Mr. and Mrs. Frank Moore and son, Joe Dick, Mr. and Mrs. C. R. Houston and daughter, Mildred, Mr. and Mrs. Jim Houston, Miss Anna Marie Moore and Orville Moore, all of Floydada; Mr. and Mrs. J. M. Denman and two sons, Billy and Marion, of Lubbock; Mrs. Hoyt Curry and little son, Hoyt, Jr., of Plainview; Mr. and Mrs. I. C. Houston and daughters, Misses Margaret, Gladys, and sons, Claude, Jr., and Billy, of Abernathy.

After the wedding an informal reception was held and punch and cake were served.

The bride and groom left soon after the wedding for a wedding trip to New Mexico. After June 20 they plan to be at home to their friends at Lubbock.

Campbell News

Campbell, June 4.—Roy and Ray Horn were enroute to Amarillo Monday when a loaded truck ran into their car. The car was badly damaged in the accident. Ray Horn was on his way to Amarillo to accept a position with the International Harvester Company.

Mrs. Barker Chestnutt is on the sick list this week.

Mr. and Mrs. W. A. Amburn and son W. A. J., Mr. and Mrs. Roy Horn and Mr. and Mrs. Gerald Cardinal and baby and Mr. and Mrs. Felix Ross were visitors to the Owens home Sunday.

A shower party was given for Mr. and Mrs. Henry Burgett Saturday night at the home of Mr. and Mrs. Bethel.

Buck Jackson, of Fairview, spent Saturday with Johnnie Baxter.

Miss Lillie D. Robertson spent Saturday with Mary Grace Amburn.

Mr. and Mrs. W. H. Owens spent Tuesday with their son, J. H. Owens, of Dougherty.

CHEVROLET AND GARAGE BURN AT JOHNSON HOME WEDNESDAY

A Chevrolet coupe belonging to W. D. Johnson, and a large garage building at the N. A. Armstrong residence in Southeast Floydada, were completely destroyed by fire at a late hour Wednesday evening. The fire was of unknown origin and was discovered by Mr. Johnson at about 11 o'clock. Efforts by the Floydada Fire Department to save the building and car were futile.

The automobile and building were a complete loss. The damage was estimated as \$1000, a small part of which was covered by insurance.

Locals and Personals

Miss Adelaide Scott, daughter of Mr. and Mrs. R. C. Scott, returned home Saturday from Canyon, where she has been attending West Texas State Teachers' College.

Mrs. W. H. Seale spent Saturday in Petersburg visiting Mr. Seale, who has a store at that place. They spent Sunday with their son, Jesse Seale and family, of Abernathy.

Mr. and Mrs. W. H. Seale and Mrs. Champ Walters made a business trip to Afton Tuesday.

Mrs. P. M. Felton and daughters Miss Winona, Miss Audrey, Mrs. Terrell Loran Mrs. T. P. Collins and Mrs. Loran's little son, Gene, returned home Wednesday afternoon from a visit with relatives and friends at Dallas and Fort Worth. Miss Audrey has been attending College at C. I. A. Denton, and returned with her mother to spend the summer.

Miss Emma Lou McKinney, delegate from the local Epworth League Society, is in Abilene this week attending the West Texas Epworth League Conference which met in that city June 4-8. Miss McKinney is also treasurer of the West Texas League.

Miss Helen McKinney left Tuesday for Canyon, where she will attend the summer session of West Texas State Teachers College.

Mrs. Homer Steen and daughter, Golden Louise, and sons, Maurice and Phil and Mrs. Jack Henry returned Tuesday afternoon from Dallas and Sherman. Golden Louise has been attending school at Saint Joseph's Academy Sherman and her mother went down after her last week. Mrs. Steen and children and also Mrs. Henry visited at Dallas before their return home.

Mrs. W. R. Ivey and son, Denny C., left Saturday for their home at Big Spring, after a visit here with her parents, Mr. and Mrs. C. Surginer.

Mr. Tom Shaw, of Quitaque, came over Tuesday for a visit with her parents, Mr. and Mrs. P. M. Felton. Mr. and Mrs. Shaw moved to Quitaque about two weeks ago and plan to make their home there for the remainder of the summer. Mr. Shaw is in charge of the meat market at the Hokus Pokus Grocery.

Mr. and Mrs. O. B. Tinnin left Wednesday of last week for Glen Rose where they plan to make their home. Mrs. Tinnin stopped at Hermleigh for a visit with her parents and will join her husband later.

Dr. D. M. Stewart, of Canyon, spent Sunday here visiting with his daughter, Mrs. A. D. Cummings. He was accompanied by his son, Dr. Paul Stewart, a recent graduate of Baylor University school of Medicine.

Miss Dannie Mac Stewart, of Canyon, is attending summer school in this city, while spending the summer with her sister Mrs. A. D. Cummings.

John Harvey Brownlee arrived Monday from Columbus, Miss., to spend the summer with Mr. and Mrs. J. B. Turner. He is a brother of Mrs. Turner.

Mrs. W. A. Shipley and Mrs. Roy Curry, returned home Wednesday from a three week's visit in Chattanooga, Tenn., with Mrs. Shipley's sister, Mrs. Albert Wilson. Mrs. Shipley reported a wonderful trip.

Mrs. S. Y. Carter and daughters, Oneta and Carrie Belle, of Abilene, arrived Monday to visit friends and relatives here this week. They were accompanied by Mr. and Mrs. C. Y. Carter and baby of Plainview, who were visiting in Abilene. Mrs. C. Y. Carter remained here and is spending the week with her parents, Mr. and Mrs. J. E. Eubank.

Misses Ollie Belle and Gladys Collins left Sunday for Norman, Oklahoma, where they will attend Oklahoma University this summer. They were accompanied by Rev. and Mrs. A. A. Collins who spent the first of this week visiting relatives in that city.

Roy Eubank returned Sunday from a two week's vacation trip to Waco, Corpus Christi and other South Texas points. He was accompanied as far as Waco by John Edwards, who is entering Baylor University.

Misses Mary Lee and Mattie Jo Gracey, of Brownfield, are visiting here with their grandparents, Mr. and Mrs. Lee Allmon. Their mother, Mrs. Walter Gracey, who was the guest of the Allmon's here for several days, returned home Sunday.

Mr. and Mrs. A. H. Manning and Miss Daltis Rea visited B. C. Barnett and family, of Jayton, Saturday. Mr. Barnett is a nephew of Mrs. Manning.

Mr. and Mrs. W. T. Brown accompanied by Mrs. Robert Jones, of Aiken, left this Thursday morning for Dallas where they will spend some two weeks visiting with relatives.

BORN—to Mr. and Mrs. W. N. West, South Plains a son, May 19.

BORN—to Mr. and Mrs. Clarence Gamble, of Petersburg, a daughter, May 28.

BORN—to Mr. and Mrs. Milt Covington, a daughter, May 8.

BAND RECEIPTS GROW

More than sixteen dollars in door receipts were realized by the Floydada band last Friday night when the Sand Hill P. T. C. Society presented "My Dixie Rose" in their own auditorium. The band orchestra presented the musical entertainment for the play and the full proceeds of the play were given to the band. This money will be used to help defray the expenses of the band to Fort Worth to attend the convention. A large percentage of those in attendance at the play were holders of P. T. C. season tickets, it was declared.

A fairly large crowd was in attendance at the play and were well pleased with the Sand Hill presentation.

Transfer paper at The Hesperian Office 10c sheet

ATTENDS BIENNIAL MEETING

Mrs. E. B. Massie attended the Biennial Meeting of the General Federation of Women's clubs last week which is being held at San Antonio. While there she was a guest of relatives and friends. Among the many social affairs which Mrs. Massie attended during her absence was a tea given at the Governor's mansion.

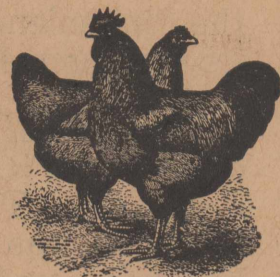

Mrs. Massie was accompanied on her trip by her sons, E. B. and Dock, and Chester deCordova. They returned by Austin for her daughter, Miss Hazel, who has been attending State University. They also came by Mineral Wells for little Jessie Bell Massie who visited with her aunt, Mrs. Minnie Bell Smith, during her mother's visit at San Antonio and Austin.

COLLEEN MOORE, STAR "HER WILD OAT" MAKES HERO

Everyone who has walked up to cashier's desk in a restaurant, only to discover the ever needed pocketbook has been left at home, will sympathize with Larry Kent, in Colleen Moore's new First National feature, "Her Wild Oat" coming Thursday and Friday to the Royal theatre.

As the hero of this story, Kent, finds himself at the lunch-wagon operated by the heroine, Miss Moore, without cent with which to pay for his cup of coffee. The skeptical little proprietress forces him to wash dishes in payment—but it is a more or less unsuccessful compromise for Kent breaks nearly as many as he washes.

The Hesperian \$1.50 per Year.

IMPLEMENTS CHEAP

We have on hand a number of implements which we are selling cheap. Some of these tools we are not handling and are closing them out at less than cost. If you need anything in tillage tools, it will pay you to see us at once.

Shelf, hardware, furniture, well supplies, plumbing goods, implements, we have them at the right price.

KIRK & SONS

Loans Insurance Loans

Floydada seems to be a very popular spot for Hailstorms. If you do not have your property protected by Hail Insurance you should take this precaution at once. We write all kinds of Insurance and will be glad to have your business.

Also if you contemplate building a new home or remodeling your present home we would be glad to talk to you about financing the job through our Loan Company, if you need any help along this line.

Losses as a result of Sunday's Hailstorm are requiring all of our time just now and we haven't had an opportunity to talk to you about The Floyd County Building & Loan Association just organized here. We will appreciate your inquiries with reference to this Association and as soon as we catch up with our work a little we expect to call on each and every one of you to help us make this Association a success.

A. A. (Griggs) BISHOP

Floydada now can boast of one of the most modern and most conveniently arranged store and office buildings to be found in the plains territory. In its construction the builder has put only the best of materials and a visit to it will be proof to the eye of the convenience and completeness of its arrangement and accommodations.

The idea of the building was conceived by J. R. Readhimer more than a year ago. The contract for its construction was let in January and it has been under construction since February 1.

The building represents an investment of \$30,000 or more. It is an investment in the future of Floydada as well as the present.

If you have not visited and inspected the building you should do so and see for yourself the modern quarters now occupied by some of the leading professional and business firms of the city.

Special Electro-Therapy equipment for the treatment of Hemorrhoids, Tonsils and skin cancers. Treatment without pain or inconvenience.

Our Business Has Outgrown Its Old Quarters

—And we are now located on the ground floor of the Readhimer Building on West California Street.

—While we have not completed all re-arrangement of the stock so as to fit the enlarged size of our quarters, we are prepared to serve our stockholders and the public.

—We are constantly adding new lines and enlarging our stock and invite our stockholders and friends to make the store your headquarters as in the past.

Community Supply Company

Floydada, Texas

Announcement And Appreciation

In announcing the completion and the occupancy of the New Readhimer Building on West California Street, it affords me a great deal of pleasure first to acknowledge the kindly manner in which the enterprise has been received by the business interests and the public in general. Especially do I appreciate the courtesy shown by the carpenters and builders.

In the construction of this modern store and office building, in which has been incorporated every good modern idea of construction available, has been put several thousand dollars that might have been left out had we felt it good business to build anything but the best. Our faith in the future of the town and in the great country which surrounds it, prompted us to make the investment and the same reasons caused us to build it as good and as completely as money could build.

Most desirable office rooms are still available in the building, and if you are interested in comfortable quarters in a well-lighted, well located building, you are invited to see them.

J. R. Readhimer, Owner

With The Churches

METHODIST CHURCH

Ben Hardy, Pastor

On next Sunday morning the young people will present their pageant which was to have been last Sunday night, but was rained out. Be sure and hear them. At 3 o'clock in the afternoon our quarterly conference will be held. Bro. Beavers will preach at the evening hour 8:15.

FIRST CHRISTIAN CHURCH

F. L. Davis, Minister.

The Lord willing, the pastor will be home and we will have services as usual on the Lord's Day. Sunday School at 10 o'clock and preaching at 11 a. m. and at night. Endeavor at 7 o'clock and preaching services at 8 o'clock.

Roads and weather permitting, we will fill our appointment at Mayview at 3:30 p. m. Those living near there are invited and urged to be present.

You are invited to worship with us at the "Little Church with a big welcome" Come next Lord's Day.

BABY DAYS
are soon gone

The photographs of baby we make now will be treasured through the coming years.

Wilson Studio

PHOTOGRAPHS
Live Forever

CHURCH OF CHRIST

The meeting at the City Park Church closed last Lord's day night. The rain hindered the last two services. The interest and attendance was good throughout the meeting. Bro. Wallace did some fine preaching. While there were only ten additions to the congregation, yet we feel that there was much more good done. Many heard the preaching and we feel that the church was greatly strengthened.

There will be preaching next Lord's day, both morning and night. A special invitation is extended to all to come and be with us.

Lra L. Sanders, Minister.

THE CHURCH OF CHRIST

Worshipping on Wall Street will meet next Sunday at 11 o'clock a. m. Will study the 7th Chapter of St. Luke. Communion services after Scripture and study. No modern Sunday School, no salaried pastor, no women teaching and no musical instruments.

Come, worship with us. If you desire to study God's Word, come visit us. Everybody invited to attend these services.

By the Elders.

LADIES BIBLE STUDY

The Ladies of the City Park Church met and had a good lesson again last Monday. They will meet again next Monday at the City Park Church at 8 o'clock p. m. They will continue the study of "The Deliverance of the Children of Israel."

A special invitation is extended to other ladies to come and study with us.

REV. W. R. HILL LEAVING

After a pastorate of two years for the First Baptist Church in Floydada, Rev. W. R. Hill and family will leave soon for the State of Tennessee to make their home.

Rev. Hill and family came to Floydada from Hereford about two years ago, where he had been pastor of the Baptist Church for five years. Since coming to Floydada Rev. Hill, in addition to his duties as pastor, has been active in civic affairs as a member of the Luncheon Club, Boy Scout organization and member of local charity committee. During his pastorate more than 100 new members have come into the church. A new building for the church has been started and the first unit completed at a cost of \$23,000.

As soon as Rev. Hill can dispose of his household goods, which is being done at private sale at the parsonage, the family will leave the city. After a brief visit with his daughter at McLean the family will make their home in Tennessee, whence they came to the southwest some ten years ago.

QUARTERLY CONFERENCE WILL BE HELD AT CAMPBELL SATURDAY

Preaching services will be held at Campbell Saturday morning at 11 o'clock.

DO YOU FEEL BAD?

clock by Rev. M. M. Beavers, of the Plainview District. Lunch will be served, after which Bro. Beavers will hold the third quarterly conference for Floydada charge.

Bro. Beavers will also preach at 9:30 Saturday evening and at 11 o'clock Sunday morning.

Harmony News

Harmony, June 5.—We had about 1 1/2 inches of rainfall Sunday afternoon which came in due time and the farmers are very grateful that they were missed by the hail.

Mr. and Mrs. D. S. Battey visited her mother, Mrs. Pitts, of Matador, Sunday. Mr. and Mrs. Albert Clubb left Thursday for Hreeford, where they visited until Saturday with her sister, Mrs. Henry Allmon. From there they went to Amarillo, where they visited until Sunday with his sister, Mrs. Floyd Trowbridge.

Mrs. D. T. Scott left Tuesday afternoon for Plainview where she will spend the remainder of the week under the care of a physician.

Harmony club ladies had charge of the County Market held at the store of Rutledge & Co., Saturday and were well pleased with the results of the sale. They wish to express their thanks to F. C. Harmon, Floydada Hardware and Grocery, Stansell & Collins and Radio Electric Shop for the things they loaned to them which helped to make the sale a success.

The Methodist Woman's Missionary Society met in a called session at Carr's Chapel Tuesday afternoon and completed their study book.

Mr. and Mrs. M. D. Ramsey returned Tuesday from Amarillo where they spent a few days getting some things ready to be moved to the farm in this community, where they will spend the summer.

R. B. Gary made a business trip to Plainview Saturday.

Center News

Center, June 5.—We had another rain Saturday night and Sunday afternoon but no hail as was had by other places near by.

Miss Thelma Jackson is at home for a week's visit with her parents, after which she will resume her school work at Abilene.

Remember next Sunday is our regular preaching day here.

Friday is bond voting day. There has been considerable agitation about the location of the school house.

Mr. and Mrs. C. O. Spence took Sunday dinner at the Jordan home.

A goodly number of the Center folks attended the Worker's meeting last Tuesday at Cone and brought home the attendance banner. The next meeting will be held at Fairview, July 3.

Mrs. Ross and children spent the week end with her brother at Hale Center.

Mrs. Gill has a nephew and his wife here visiting and prospecting.

Misses Catherine and Clara Tubbs are spending a week with their grandmother Calahan at Floydada.

Mr. and Mrs. Fields have a married son and his wife visiting them.

Mrs. Kirk and children and Miss Welborn visited Mrs. Montgomery and Miss Alma one afternoon last week.

W. B. Jordan is stuccoing his house. Mrs. Gill has been on the sick list for several days but is improving at this writing.

There was a party at Mr. Jackson's home Saturday night, given in honor of Miss Thelma.

The attendance was not so good at our club meeting Friday night. Guess a lot of folks were too tired to attend.

Mr. and Mrs. McAda and son, Hansel, and Donovan Spence took dinner at the Montgomery home Sunday.

Bro. C. E. Meredith is to preach for us the third Sunday of this month at 11 o'clock a. m.

Miss Doris Spence took Sunday dinner with Mr. and Mrs. Tom Noland.

Fairview News

Fairview, June 4.—We were blessed with another fine rain Saturday night and Sunday. So far we have not had enough hail to damage our crops any. Most of the farmers are through with their planting.

A good crowd attended both the Methodist and Baptist Sunday Schools Sunday morning.

Miss Mary Fields is visiting with Misses Iris Horton and Edna Beth Wilson.

Joe Earl Wilson, of Idalou, is visiting with his aunt, Mrs. W. B. Wilson.

Sim Reeves, who is in a Lubbock sanitarium is rapidly recovering from a serious operation.

Sherman Stuart, a student of Tech College, is at home for the summer.

Miss Thelma Kinnard and Ora Seogin, two of our former teachers, leave for summer school Tuesday morning.

A large crowd of young folk were entertained Friday night at the basement of the Baptist church for the Fidelis and Berean Sunday School classes. Everyone had an enjoyable social hour after which cream and cake were served.

Rev. L. R. Burnham will fill his appointment Sunday, June 10.

CRYSTAL READING PALMISTRY

CONSULT Madame C. Le Honda at the Tourist Inn, ladies sitting room private entrance, hours 10 to 8 daily, fees \$1.00 Adv. pd.

Mr. and Mrs. G. W. Brownell, of Amarillo, are the houseguests this week of Mr. and Mrs. R. H. Willis.

Locals and Personals

Mr. and Mrs. Elza Gullion spent Tuesday and Wednesday in Amarillo.

Mr. and Mrs. Glad Snodgrass and daughter, Gwendolyn accompanied by C. Snodgrass, returned home Saturday of last week from Temple, where they spent some two weeks. They were there for treatment and examination at a Temple Sanitarium.

Pool Hodge, who was reared in Floydada, but of recent years has been with Sherman Machine & Iron Works working out of Oklahoma City, is here for the duration of the local sewer and water extension contract of his company. He has charge of the ditching machine.

Miss Fannie Bolding returned home Friday of last week from Waco, where she had been attending Baylor College. She was in the graduating class from the college, receiving her A. B. degree.

Jack Sims is among the Floydada boys who are home from the school. He has been attending Baylor College during the past year, and reached here last Friday.

Mr. and Irby Carruth, of Canyon, were here several days last week and this on a visit with Mr. and Mrs. Lon M. Davis. Mmes. Carruth and Davis are sisters.

Dan Jenkins, a student in the engineering department of Tech College, returned home for the vacation period the latter part of last week, after completing his second year in that school.

Judge J. N. Stalbird, of Lockney is spending much of his time this week and for the remainder of this month in Floydada, checking up on titles for the Fort Worth & Denver South Plains lines in Floyd County.

Mr. and Mrs. S. A. Norris and daughter, Geraldine, of Rochester, were guests of Mr. and Mrs. S. W. Ross and daughter, Mary Anna, from Friday until Monday.

Vera Nell Marshall, daughter of Mr. and Mrs. L. A. Marshall suffered a very painful accident Monday when she stuck a needle in her foot. It was necessary to make an x-ray picture of her foot before the needle could be removed.

Mrs. Joe Montgomery returned home Saturday after a two week's visit with her sister, Mrs. Clarence Gamble, of Petersburg. Mr. and Mrs. Gamble have a baby girl, born May 23. She has been named Margaret Mae.

Miss Tommie Merrick, of Lockney, was a guest of Miss Mabel Willis Sunday night.

Dr. and Mrs. W. P. Bolding and daughter, Martha Gene, of Wichita Falls spent the week end here with Mrs. Bolding's cousin, Mrs. Joe Montgomery and with Dr. Bolding's brother, D. I. Bolding. They left Tuesday morning for El Paso where Dr. Bolding will attend a Dental Association meeting.

Dave Standefor returned home Saturday from Midland where he spent several days last week with his brother, Byron.

Hermalea Norman returned Tuesday from a visit at Abilene, with two of her brothers, Audrice and Olin.

T. C. Russell, who has been at Temple with Mrs. Russell who is undergoing treatment in the Scott & White Sanitarium, returned to Floydada, Thursday to look after business interests here. He reports that Mrs. Russell is improving but will have to remain at Temple for sometime yet. Mr. Russell plans to return to Temple tomorrow.

Federal Builds the Extra Service Into Tires

Look at the high crown tread of Federal Double Blue Pennant Tires and learn how additional mileage and easy steering are made available for every motorist.

In the thicker, tougher tread, designed in large, deep cut blocks, Federal builds sure traction—puncture and skid resistance—throughout continuous mileage... You get "Extra Service" mileage out of them because, in addition to the above features, Federal Double Blue Pennants provide the cushioned comforts of a full over-size balloon.

All Federal Tires are made of "Equal Tension Cord," which means that every buyer of a Federal Tire is sure to enjoy a high standard of service.

A number of year of tire sales and service in Floydada convinces us that we know what we say when we declare that Federals are today the class of the tire field.

"Yes, Mr. Jones, we have your reservation"

Hot, dusty, tired after a long day at the wheel, it's a grand and glorious feeling to be thus greeted by the hotel clerk in the town at the end of the day's run.

Vacation tours are lots of fun. Good roads, good weather, and the constant urge to keep going on and on.

But good hotel accommodations are also necessary if you want to get the full pleasure out of your tour.

You can easily make sure of these by a long distance telephone call to the hotel in the town where you plan to spend the night. Use station-to-station service. Rates are reasonable.

Floydada, Texas

May Sales SET NEW HIGH MARK

With May reaching a new high peak—Whippet and Willys-Knight sales continue to mount, month after month, week after week, day after day.

The five months just completed were by far the greatest in all Willys-Overland history. In spite of the fact that April had produced the greatest sales on record, May established a new mark with an increase of 14% above the previous record-breaking month.

The perfected Whippet Four, at greatly reduced prices, is a tremendous national suc-

cess. The new Whippet Six—the world's lowest price six-cylinder motor car—is paralleling the Whippet Four in popular acceptance.

The recently announced low price of the Willis-Knight Standard Six has resulted in greatly increased demand for this splendid car. Sales of the Special Six and the Great Six continue in unabated volume. Come in and see the Willys-Knight and the Whippet Four and Six lines. And for early delivery it will pay you to place your order now.

USED CARS—We have on hand, several used cars, all in good shape, mechanically; and all with good rubber. If you want a real Value in Used Cars, be sure to see us.

\$30,000 Readhimer Building Now Completed

Public Invited To See And Inspect Structure

Business And Professional Firms Moving Into The New Quarters.

With the completion this week of the J. R. Readhimer building on West California Street, comes the further advancement of the present day tendency towards bigger and more convenient office and store buildings for Floydada. The splendid two-story brick which is being occupied this week, represents an expenditure of more than \$30,000.

J. R. Readhimer, Builder

This magnificent structure was first visualized during the latter part of 1927 by J. R. Readhimer, owner and builder. Mr. Readhimer has been a resident of this county for several years. He has become widely known for his farming interests, as well as his interest in building. He acquired the lots for the building in the late winter and immediately begin plans for a modern business house.

Contract was let early in January to H. E. Cannaday for the construction of the building and construction was begun by February 10. After overcoming several difficulties, including the removal of two frame buildings, work proceeded on the building and was practically complete by June 1.

Dimensions of the building are 100 feet by 50 feet. The front fifty feet face south on California Street and the length of the building is bounded on the east by an alley.

"The most beautiful set of show windows in Floydada" may easily be said of those in the new Readhimer building. Eighteen large plate glass windows, bound by metal strips, form the spacious display. Beneath the windows are ray marble slabs that add to their attractiveness. The interior of the win-

dows is made of white oak, with natural finish.

Blue and white marble tile floor leads to the two entrances to the lower story. The entire lower story is being occupied by the Community Supply Company.

Large Office Lobby

The office entrance is on the west side of the building. A straight flight of stairs leads into a well-lighted, spacious lobby. Upon sight of this lobby, one is immediately impressed with two things. First, the flood of light that shows the entire floor to an advantage and second, the generous size of the lobby. The lobby measures 32 by 25 feet and is fed with light from numerous windows and three large skylights. A sanitary drinking fountain is conveniently located in the center of the lobby.

A hall-way leads to the rear of the building, giving easy admittance to all office suites. There are twelve suites in the building, each consisting of from two to four rooms. Each suite is completely equipped with electric lights, electrical outlets, gas hot and cold water. Concealed telephone wires are also run into each suite.

More than 4500 feet of electrical wiring was used in the construction of the building. Several hundred feet of piping was also used. Only the best and most convenient hardware was put into the structure.

Mr. Readhimer, in speaking of the substantiality of the building, said "I have been on the job myself every day during the construction I know that only the best of material and workmanship has gone into it. I have tried to build a business house that Floydada and Floyd County will be proud of, and I believe, to the best of my knowledge, that I have reached this goal" he said.

A cordial invitation is being extended the public by Mr. Readhimer to visit the new store and office building.

Business and professional firms which had moved into the new building this week include Community Supply Company, Dr. W. H. Alexander, Mathews & Folley attorneys, Dr. C. M. Thacker, Dr. W. M. Houghton, Fry-Bishop Insurance Agency.

Remington Portable, the student's friend, at The Hesperian Office.

What's Doing in West Texas Today

FORT WORTH—More than one hundred airplanes are expected here June 18, 19 and 20, for an Airplane Convention of the West Texas Chamber of Commerce in Fort Worth. B. B. Buckridge Industrial Commissioner of the Fort Worth Association of Commerce, is in charge of plans for this event.

The program is incomplete but will include a grand parade at 1 o'clock each morning. The planes will take off at 10:01 each day and will fly over the city. In the afternoon there will be stunt flying, parachute jumping and other features.

One of the oldest planes in use will be here, as will the very latest models. It promises to be one of the biggest air plane reviews ever staged in the United States. Still another feature will be a barbecue for the aviators. Already returns indicate at least one hundred planes.

MILES—The Runnels County Bankers Association will meet here in July.

BIG SPRING—Final plans have been made for the West Texas Press Association meet in this city June 13 and 14.

TULLA—Through efforts of the chamber of commerce, postcards showing Tulla scenes will be available here soon.

PORTALES, N. M.—Capacity of the local cheese factory is to be doubled upon arrival of new equipment.

MINERAL WELLS—Sam Miller is new president of the Texas Press Association and his city is host to the 1929 State convention.

MOBETT—The annual celebration at Old Fort Elliott is scheduled for June 6 and 7.

PERRYTON—The insurance key rate of Perryton has been reduced from 56 cents to 47 cents.

WINK—The oil town of Wink has incorporated with J. R. Ostrum as first mayor.

TURKEY—A mammoth rail celebration is planned for opening of the South Plains railway extension.

MIDLAND—A beautiful site for Midland's new grade school building has been donated as a memorial to the late John M. Cowden.

are three very common ways in which disease germs are carried from person to person and introduced into the system by fingers, food and insects, raw foods and milk and water are most likely to transmit infection. Thorough cooking destroys bacteria found here. Hands must always be kept scrupulously clean.

Many epidemics of typhoid fever have been traced to instances where the housewife acted as sick-nurse and milkmaid. Banish, destroy, kill all disease bearing insects and vermin.

A Charted Course
"Anyone can see," said the waggish glazier as his assistant handed him a piece of glass he'd just rimmed, "that I've got my work cut out for me."—Farm and Fireside.

Cannaday & Stark

Contractors And Builders

We constructed the New Readhimer Office and Store Building in Floydada, and offer a Building Service to prospective builders which we believe will be worth while.

Congratulations to Mr. Readhimer and to Floydada on the completion of this modern building.

CONOCO + ETHYL — Knockless Miles

CONOCO ETHYL

The YARDSTICK for COMPARING MOTOR FUELS

THE quickest way to appreciate the superiority of Conoco Ethyl Gasoline is by direct comparison. You know the results you get from ordinary gasoline. So the next time the tank is empty fill up with Conoco Ethyl and note particularly these outstanding points of superiority:

1. No knocks.
2. Smooth, even flow of power.
3. Quicker acceleration.
4. Greater speed and pulling power on the long, hard hills.
5. Practically no vibration and no overheating of the motor.

Conoco Ethyl Gasoline is a combination of Conoco, the extra miles gasoline, and Ethyl brand of Anti-Knock compound—developed by General Motors. It is the standard—the yardstick for comparing motor fuels. A gasoline better than Conoco Ethyl has yet to be made.

Fill at the Conoco Ethyl pump.

Questions On Health With The Answers

Scabies

1. Please define for me and tell me how to get rid of an "itch" which I am told is properly termed "Scabies" (J. W. F., Roundrock).

1. Scabies which is commonly called "itch" is caused by very small animals or parasites which may be seen by a good ordinary lense. The eggs of this parasite hatch in 7 days and the animal is full size in a month's time. It then lives on the surface of the skin and later burrows under it to lay eggs. The parasite of scabies may pass from one person to another in several ways. They crawl slowly and do not jump like fleas. Sores and pimples seen on children at school are very often due to scabies. The following treatment has been found successful.

The burrows must be opened and the animals and eggs destroyed by a good cleansing of the skin with soap, after which an antiseptic ointment or lotion should be used. All clothing must be heated to 120 degrees, the bed linen and under clothing laundered separately. Sulphur ointment is a useful remedy.

Ankle Agony

2. I hear there is a new disease in "London town" called "Ankle Agony." Mine have been paining me so recently that I wonder if I have it. Can you give me any causes for this trouble? (Miss A. M. N., Cisco.)

2. The medical journals state that the London physicians designate a new complaint among women as "Ankle Agony." It is said to be due to the damp and cold weather, fancy footwear (Astmosphere stockings), and short skirts. The disease is characterized by a sometime considerable swelling of the ankles and excruciating pain.

Head Lice

3. It is almost too mortifying to write about, the fact that four of my young children have head lice. Will you please right away send me something to destroy lice and eggs. (Mrs. E. F. J., Lockhart.)

3. Head lice may easily be destroyed by applying equal parts of olive oil and kerosene to the hair, wrapping at once with towel or cloth for 12 hours and then washing the hair in soap and water, great care being taken in the case of children to prevent contact with fire. This plan will kill the insects, but does not do away with the eggs or nits, which must also be removed or they will hatch into living lice. This can be done with a fine toothed comb. It is no disgrace to acquire lice, but it is a disgrace not to get rid of them speedily.

Disease Germs

4. Please tell me something to talk to my classes about germs. (Young teacher, Buda.)

4. Some of the deadliest enemies of mankind are invisible to the naked eye. Tuberculosis, cholera, typhoid fever, yellow fever, plagues and many other diseases which claim a greater number of lives than have ever been sacrificed in war are caused by those invisible enemies which scientists call "bacteria" or "micro-organisms." Commonly, these are referred to as "disease germs." Millions of these organisms may be contained in a single drop of water. There

PREVENTS INFECTION

The greatest discovery in flesh healing is the marvelous Borozone, a preparation that comes in liquid and powder form. It is a combination treatment that not only purifies the wound of germs that cause infection but it heals the flesh with extraordinary speed. Bad wounds or cuts which take weeks to heal with the ordinary liniments mend quickly under the powerful influence of this wonderful remedy. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Car Inspection Should Precede Long Auto Tour

Service Station Visit Good Precaution Before Starting of Vacation Trips.

A service station inspection of the car before starting off on a vacation tour constitutes the best assurance of a pleasant and untroubled trip, it is pointed out by R. A. Armstrong, service manager of the Oakland Motor Car Company.

"Of course it is very probable that any Oakland or Pontiac Six or any other car for that matter which has received fairly regular attention will serve perfectly during the vacation journey," said Mr. Armstrong. "Cars are built today so that they give more consistent service with less attention than formerly was necessary.

"But, just as a matter of precaution, it is well to visit your service station before a prolonged tour. If nothing else have the car tightened-up, thoroughly oiled and greased. Fill the crank case with fresh oil, check the lubricant in the transmission and differential. Sustained driving during warm weather is the most severe test of lubrication and this detail above all should not be neglected. "If the motorist has not already done so, he should have the generator charging rate reduced lest the preponderance of day driving overcharge and damage the battery. It is well, too, to have the battery tested occasionally enroute.

"Another good tour precaution is to have the valves ground and carbon cleaned. This will assure maximum performance.

"And above all, be sure of your tires. Don't start away merely hoping that your tires will stand up during the tour. The growing practice of carrying two spares is most excellent insurance. Then, if one tire fails the second spare enables the tourist to continue on with a margin of safety until such time as he conveniently can have the flat repaired."

ATTEND GRADUATION

Mr. and Mrs. Carr Surginer left Saturday for Austin where they attended the commencement exercises at Texas University, Monday night, their son, Leslie having been a student in the university and received his degree in electrical engineering at that time.

Leslie is a graduate of Floydada High School of the class of 1922. He was assistant cashier of the Floyd County National Bank for about a year before he left for school in September and will resume his position as such upon his return home, which will probably be today or tomorrow.

Flora Mae Cook, of Slaton, daughter of G. A. Cook, formerly of Floydada, has returned to her home after a visit with her Grandfather, A. H. Manning and Mrs. Manning.

Shaw-Walker files and supplies at The Hesperian Office.

SUITS FOR MEN

SUITS for young men, for men of mature years, for men of advanced years; Suits for men who like smartness, dash and individuality. Suits for men who make conversation the key note of their apparel. Correctly styled, well tailored, nicely finished: Suits that show quality in every detail—

From \$15.00 to \$45.00

Shoes, Shirts, Neckwear, Straws hose, running suits, golf trousers and Stetsons in the kind you'd select at—

"GLADS"

Work Clothes—as Cowharts and Levi Strauss for the same money as ordinary work clothes.

BOYS' WEEK IN JULY PLAN OF FLOYDADA LUNCHEON CLUB

Boys' Week in Floydada will be the first week in July, it was decided by the Floydada Luncheon Club, which will sponsor the movement again this year, the same as last. S. N. Tawwater and Ed Bishop were added to the committee of which Ben Hardy is chairman, and suitable plans will be worked out.

Two visitors at the bi-weekly meeting held at the Commercial Hotel were Irby Carruth of Canyon, and J. H. Dunlap, of Dallas, who acknowledged introduction with brief talks.

Geo. A. Linder and J. C. Wester, members of the Boy Scout Committee made a report on the formation of the Central Plains Area Council, which includes some seven counties. Belief was expressed by them that the new arrangement would prove highly satisfactory to Boy Scout activities in this section.

Robt. McGuire presided at the meeting, which was attended by nineteen members.

NEW EASTERN STAR OFFICERS INSTALLED THURSDAY NIGHT

Mrs. Gladys Howard, retiring worthy matron, conducted the installation service when new officers for the Eastern Star Chapter were inducted into office Thursday night, June 7. Mrs. Eula Thurmon was installed as worthy matron and E. S. Randerson, worthy patron. Mrs. Josie Eubank acted as installing marshal.

Other officers who were installed are Alta Probasco, associate matron; Ruby Boteler, secretary; Mary Surginer, treasurer; Lucy Clements, conductress; Jewell Thagard, associate conductress; Minnie Howard, chaplain; Gladys Howard, Marshal and Lillie Henry, organist. The following will represent the points of the star: Fay Smith, Adah; Rose Williams, Ruth; Myrtle Randerson, Esther; Kate Johnston, Martha; Brownie Tubbs, Electra; Ella Lemons, Warder and Lee Howard, sentinel.

Following the business meeting a social hour was had and refreshments were served.

The new officers will assume their duties at the regular meeting which will be held tonight at the Masonic Hall at 8 o'clock.

Locals and Personals

Mrs. Gillie Cass, of Medford, Oregon, was a visitor for a short time in Floydada with Mrs. A. C. Goen last week. She is on a two-months visit in the South Plains with her parents, Mr. and Mrs. J. R. Burrus, of Lubbock, and other relatives. Mrs. Cass was reared in Floyd County and will be remembered as Miss Gillie Burrus. She has made her home in Oregon for the past fifteen years.

Miss Daltis Rea, accompanied by Misses Ruby Norton and Sudie Miller, left this Thursday morning for Boulder, Colo., where they will attend school for the next five weeks. Following the school term, they plan to visit in California before returning home.

BLAMES BIRTH CONTROL FOR WORSE CHILDREN

Child life reduction in the United States has failed to cause an increase in children's good manners, according to an investigator writing for The American Magazine for May.

Concentration of attention on one child—the one child—whereas three children shared attention in the past, has caused that one child to be talked about more, and has caused him to talk more himself, the writer finds.

"Perhaps the fact that children are more of a rarity than they used to be accounts for the omnipresent propensities of those that now exist," says the writer.

"The fewer the children are the more they are talked about. And I have noticed that their bad manners increase as their numbers decrease. Children now are allowed to develop their own individuality at the expense of other people's comfort."

Parents are blamed for the development of annoying characteristics in their child. "They don't say a word against many things now. If they do express an opinion the children ask how they get that way. If the child is father of the man there are signs that the coming man is going to be a very disagreeable person."
