

THE FLOYD COUNTY HESPERIAN

New Precinct Chairmen Named By Conventions

L. M. Honea Democratic Chairman in East Lockney and E. P. Nelson in North Floydada

Democrats in at least three Floyd County precincts held conventions Saturday of last week, and possibly more of them also held conventions, the three precincts of which The Hesperian has learned being Numbers One and Nine in Floydada and Number Five at Lockney. In two of these new chairmen for the ensuing two years were named, E. P. Nelson being selected by the voters in North Floydada and L. M. Honea in East Lockney. L. G. Mathews was retained in South Floydada precinct.

No resolutions were adopted by those who attended the convention in North Floydada, held in the court house. W. A. Baker, W. D. Smith, E. T. Hanks, Mrs. Tom W. Deen and Mrs. Maud Merrick were the delegates selected at this convention for the county convention here Saturday.

Delegates to the democratic convention Saturday from Number 19 are Dr. W. H. Alexander, Judge L. G. Mathews, Jno. A. Hollums, Mrs. Chas. Newson, Mrs. L. G. Mathews and Judge Wm. McGehee. This convention adopted a resolution to vote as a unit on all matters at the county convention.

In east Lockney precinct convention delegates named were P. M. Smithman, J. J. Smalley and H. A. Brotherton.

The county convention will be called to order at 2 o'clock Saturday in the district court room by Judge J. N. Stalbird, County Chairman of the party.

Campbell Club Stages Play At Short Course

"Making Home Life More Attractive" was presented by the Campbell Home Demonstration club before the general assembly at Farmer's Short Course Tuesday evening. Miss Blanche Bass stated in a telegram received from her Wednesday.

The telegram read in part: "Campbell club staged play Tuesday night at general assembly. Crowded house. Made big hit for Floyd County. Everybody happy."

The play was composed by women of the club and Miss Bass. Those who presented it are: Mrs. W. H. Bethel, Mrs. George Stiles, Mrs. N. Williams and Misses Amelia and Arma Lee Fuqua.

Donley Co. Boy Burned To Death Near Claude

Raymond Bain, 24, of Hedley, Donley County, a nephew of Mrs. J. S. Solomon of this city, was burned to death in an accidental fire on his brother's farm near Claude Saturday morning last, sustaining burns which caused his death Sunday morning at 2 o'clock.

The young man, with two others, was keeping the farm of his brother George, and working, while the latter with his family was away on a visit. Gasoline, which splashed on his clothing as he was starting a fire about daylight Saturday morning, ignited and caused the burns. He was rushed to a Clarendon sanitarium for treatment.

Funeral services were held late Sunday afternoon. Mr. and Mrs. J. S. Solomon, and Mr. and Mrs. N. W. Williams attended the funeral services. The young man is a son of Mr. and Mrs. J. T. Bain. He is also survived by two sisters and seven brothers.

REPUBLICAN AND DEMOCRATIC CONVENTIONS ON SATURDAY

County conventions of the two major parties of the state will be held in Floydada Saturday, the date being set by the election law. Both the convention of the Democratic and the Republican parties will be held in the county court house at the same hour—2 o'clock.

Count of the returns in the first primary election of the Democratic Party will be made by Judge J. N. Stalbird and his executive committee beginning Saturday morning, and the results certified to the respective authorities.

E. E. Wells, county chairman of the Republican Party, called the convention of that party last week to be held Saturday.

REVIVAL MEETING AT DOUGHERTY WILL CLOSE SUNDAY, AUGUST 5

Day services were dismissed and a fairly large crowd is attending the night services. Rev. Webb has extended an invitation to everyone in that vicinity to attend.

Rev. Green B. Patterson, pastor of the church, assisted in the first part of the revival but left Monday for Fort Worth where he is attending a meeting pertaining to church work.

MOTHER OF F. C. HARMON IS HONORED ON 80TH BIRTHDAY

Mrs. J. G. Harmon, mother of F. C. Harmon of this city, recently celebrated her 80th birthday with a basket dinner at her home near Manchester, Tenn. More than 130 guests were present for the dinner, given on Sunday, July 22. Close friends and relatives from several states attended and honored Mrs. Harmon. Her birthday was on July 20.

The bountiful dinner was served in the yard of the Harmon home at the noon hour. In the afternoon music was rendered by the Blanton's Chapel Choir. Mrs. Harmon was the recipient of many valuable presents.

Rev. Vaughan Dies At Home In Cisco Tuesday

Rev. S. J. Vaughan, of Cisco, father of Mrs. H. N. Porterfield of this city, died at his home Tuesday afternoon. He had been ill since Saturday, taking quite suddenly. Rev. Vaughan was past seventy years old and had been a Methodist preacher for fifty years, having retired about six years ago. He has conducted several protracted meetings in Floydada and was quite well known here.

The deceased is survived by his wife and nine children all of whom were with him when death came, with the exception of one son, O. B., of California. Mrs. Porterfield had been at her father's bedside since Sunday.

The children are Mrs. H. N. Porterfield, city; Mrs. P. H. Flynn of Amarillo; Mrs. H. E. Grantland of Colorado City; Mrs. Y. J. Hunaecut of Waco; Mrs. R. C. Fain of Cisco; S. J. Jr., of Hillsboro; O. B. of California; Theo. C. of Amarillo, and Alpho of Cisco.

COTTON ASSOCIATION MEETING CALLED BY DISTRICT DIRECTOR

M. S. Hudson, of Hale Center, district director, has called a meeting of the Floyd County Farm Bureau Cotton Association for Wednesday, August 8, at 2 o'clock p. m. at the district court room. Ginning problems will be discussed and a report of the cotton situation during the past year will be given by Mr. Hudson, according to information given out by Arthur J. Beedy, secretary of the county organization.

J. Frank Triplett, field service man, is expected to attend. All members are urged to be in attendance.

Must Raise \$4,000 For Q. A. & P. Right-Of-Way

Work on Floyd County Fair Discontinued Until Required Funds are Raised by Citizens.

Until a debt of \$4000 for the right-of-way for the Q. A. & P. Railway has been cleared up, it will be practically impossible for this city to stage a Floyd County Fair, or for that matter, to carry out any public enterprise, it was declared by members of the right-of-way Finance Committee for the Q. A. & P. Railroad in a joint meeting with the officials of the Floyd County Fair Association last mid-week. Fair officials have discontinued their present efforts for the annual fair and are centering their efforts on raising the required right-of-way funds.

"There are about forty signatures on the right-of-way guarantee who have failed to contribute any amount, leaving a debt of about \$4,000 which must be paid at once" E. C. Nelson, chairman of the Finance Committee declared. "This is a public debt and should be paid off before any other accomplishment should be undertaken," he said.

One thousand buttons are being sold this week at one dollar each in an effort to lower the amount as much as possible. These buttons bear the wording "I helped to build Q. A. & P. Railroad" and the committee is encouraging the entire citizenship of this city to buy a button.

Beginning with the sale of these buttons, a campaign is being launched to raise the funds as quickly as possible. The old slogan "Give till it hurts" is being used to "Clear the way" for the fair.

Dry Goods And Apparel Shop Owners In Markets

Week Sees Exodus of Buyers for Eastern Centers to Buy Fall and Winter Needs.

Representatives from the dry goods stores and specialty shops of Floydada are leaving this week to visit eastern markets to buy fall and winter merchandise. St. Louis and Dallas share an almost equal popularity as market places while some buyers will go to Chicago and New York.

C. R. Houston left Monday morning for Dallas where he will spend a week buying merchandise for C. R. Houston Company. He was accompanied by Mrs. H. O. Pope who will buy ladies ready-to-wear and Mrs. Boone Hall who will purchase millinery for the Hat Shop. Mrs. Pope and Mrs. Hall will go to other markets in the east, and will probably be gone two weeks.

Glad Snodgrass left Monday on a buying trip to St. Louis and Chicago.

Mrs. A. J. Welch left Sunday morning with Mr. and Mrs. C. L. Cooper of Tullia for Dallas. They will visit Dallas markets and from there Mrs. Welch and Mrs. Cooper will probably go to St. Louis.

Robert McGuire will leave Saturday for a trip to St. Louis, to buy merchandise for McGuire & Weatherly's store for men.

J. G. Martin left Tuesday for New York to buy for Martin Dry Goods Co.

Mr. and Mrs. J. G. Wood and daughter, Jessie Mae, will leave Friday for Dallas where Mr. Wood will buy men's wear for Wood Bros.

B. L. Blacklock left Sunday morning for Dallas and St. Louis on a two weeks buying trip for Baker-Campbell Co.

Four Precinct Races In Majority Primary

Complete, unofficial returns in the Floyd County races for Democratic nomination for office last Saturday indicate that there will probably be four precinct run-offs and no run-off for any county office.

The four run-off races will be as follows:

Henry and Henderson for commissioner of Precinct One; Taylor and Wood for Commissioner of Precinct Three; Rainer and Payne for commissioner of Precinct Four; Covington and Pollan for public weigher Precincts One and Four.

The assessor's race was the only county contest, which Meredith, present incumbent, won by a majority vote in the first primary.

Practically complete tabulations by the Texas Election Bureau from 252 out of 253 counties of the state indicate the following run-off races in the state:

For U. S. Senator: Connally and Mayfield; for lieutenant governor, Miller and Love; for state superintendent, Marrs and Garner; for land commissioner, Robison and Terrill.

The complete unofficial figures for Floyd County appear in a tabulation in this issue of The Hesperian.

FRED BROWN MAY LOSE EYE

R. Fred Brown was injured Thursday when a piece of poultry wire he was cutting hit one of his eyes, entering the pupil. He went to Amarillo Sunday for treatment and reports received from there Wednesday were that the doctors were uncertain whether the eye sight would be saved but that the eye probably would be.

SIXTY PER CENT VOTE

Although a part of the light vote cast in Floyd County at the primary election on Saturday night may be ascribed to the scarcity of contests for county offices, a rather considerable portion of the voters who did not go to the polls, did not go because of the fact that they felt they wanted to be free for the November elections.

This considerable per cent who would not go into the primary plus the per cent who did go into the primary but feel that the pledge to support the nominees of the primary does not include a pledge to support the presidential electors who will cast their ballots for the democratic nominee for president, will make quite a dent in the democratic vote in the county this fall.

WAS YOUR VOTE COUNTED?

Men who help hold elections under the very simple plan of the Texas election laws tell us it is remarkable how many men and women there are who come in to vote and do not know how. Some who are going to fix things up to suit themselves will scratch off the statutory pledge, others will sign their names to the ballot, others simply put a check mark against the names of those for whom they want to vote, and so on.

Such votes as the above the election holders are required to throw out and do throw out as illegally cast or "mutilated" ballots.

To those who are not sure of themselves, we suggest that the presiding officer is named for the purpose of running the election, including the giving of information, showing voters how to cast their ballots, passing on the eligibility of voters, etc. Ask him, if you do not know. Among other things, it is not legal to have some friend or relative show you how to vote, nor is it permissible to carry a ballot outside of the voting place. People who hold elections tell us there are a lot of people who apparently do not know these things.

AN INDEPENDENT INCOME

During the year of 1927, eggs and cream, butter and poultry paid more grocery bills and bought more shoes for the children to wear to school than wheat did. They produced more net wealth for the people of the county than cotton did.

Wheat and cotton we would not have the people abandon, of course. They are valuable as surplus crops. They are essential. But they do not produce the year-around income that comes from the cow and the hen.

Figures compiled by Ed Bishop, secretary of the Floydada Chamber of Commerce, not for the purpose of making comparisons particularly, but simply for the information, show that during 1927 the income from butterfat, eggs, chickens and turkeys was \$475,000 in round figures, conservatively put. And the proceeds from these kinds of sales are going to be even greater for 1928. Floyd County people by the scores who a few years since bought their groceries and wearing apparel on credit and asked for full time to pay the bill, now pay cash over the counter to their own and everybody else's immensely greater satisfaction and profit. Independent living breeds enterprise, creates civic pride, makes better homes and schools, better citizens and creates wealth. More study of the year-round type of incomes for Floyd County homes will mean better conditions for us all.

INOCULATING AGAINST TYPHOID

Reports of several cases of typhoid in Floydada by the City Health Officer, and his reminder that "August and September days are typhoid days" should interest every resident in the suggestion that the best preventive is a visit to the family physician and an inoculation against this costly and sometimes fatal malady.

Screening for cleanliness is highly desirable, of course. Typhoid is a filth disease, carried principally by flies. But inoculation against it is so practicable, and so easily accomplished that the practice followed in the army of preventing deaths in the ranks of its men should also be followed in private life.

An epidemic of typhoid can only follow carelessness and indifference to the warning of the City Health Officer.

A NEW TICKET

August 25 Floyd County democratic voters will be called upon to do some more voting. In at least three precincts there will be local candidates to name and unless some of the state candidates withdraw there will be four state contests. These are for senator between Connally and Mayfield, for land commissioner between Robison and Terrell, between Garner and Marrs for state superintendent of public instruction, and between Miller and Love for lieutenant governor.

The Hesperian has often expressed its opposition to the election of Thos. B. Love to any office which is within the bestowal of the people of the state, and Miller's long and valuable record as a citizen and public servant would naturally cause us to favor him.

This newspaper espoused the cause of Mr. Connally in the first primary for U. S. Senator and we see no reason for changing. Mr. Mayfield is not our idea of the proper man for senator when such material as Connally is available;

Our knowledge of Mr. Garner's quali-

fications as state superintendent are somewhat limited. However, we do feel that Mr. Marrs is not the man to retain in that office. Mr. Garner's friends vouch for his capabilities, so we prefer him;

And as regarding Mr. Robison for land commissioner we feel that he has made the state such a valuable servant and has proven his capacity for the big job he has that it would be poor policy to make a change at this time merely for the opportunity to get to vote for somebody by the name of Terrell.

So our ticket in the state race will be Connally for senator, Miller for lieutenant governor, Garner for superintendent of public instruction, Robison for land commissioner. "You picks your horse and bets your money."

'Round The Square

By Old Battleaxe

Membership fees in the K. K. K. society (Kommunity Kicking Klub) have gone up since the election, according to latest reports. The fee is now a good chew of Brown Mule for each Post Office Pest and the requirements for membership are a stick of good soft pine wood and a sharp knife. And an exclusive right to kick paving, lighting, elections, and any other subject that is being discussed.

One fellow round the square said that a rolling stone gathers no moss, but who wants to go around all covered with moss, anyway?

The Memphis Gold Medal Band, official band of the Democratic Convention at Houston recently, is a municipal organization, supported by a city tax. Wonder if this idea could be used for the Floydada band?

Old Battleaxe didn't intend to say anything about this double parking as long as they only parked three deep. But, by heck, when they get to parking six deep, that's just too much. It's got to be stopped.

Hot dog! Notice where a local garage man will soon have some of those new rubber bumpers on hand. Bet you can have a lot of fun if you put them on your car. Hit a pedestrian and see how far he will bounce.

Twenty Floydada boys are encamped this week at the private Boy Scout camp near Post. These boys are having the time of their lives. They shall never forget this trip. Were they not qualified members of this scout area, they would not be allowed this privilege. They are affiliated in the B. S. A. because local business men have seen fit to make donations to pay the required funds. Every penny donated to this cause is being repaid this week. Floydada should be proud of its Boy Scouts.

O. B. is bothered quite often with his limited vocabulary. Guess it's because he eats too much. Anyway, what we want to know is this: Can you call a fellow whose hobby is electricity, an

electric fan? And too, if a Chinaman can't speak English well, does he speak broken China?

School opens next month, and with it comes the opening of the football season. Floydada's prospects are good this year. We've got a new coach, a six footer too, and lots of new material. Time will tell.

Say folks, hadn't you noticed something different? We have written this week's column and, by George, we have not said a single word about the lack of paving round the square.

14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF AUGUST 6, 1914.

The regular meeting of the Carnation Club was held at the residence of Mrs. Jas. K. Green Thursday, and the guests enjoyed several games of progressive Rook. After a close contest for high score between Mrs. Jenkins and Mrs. McKinnon, Mrs. Jenkins was winner by one game.

The hostess served punch to the guests during the games and at the close, a light course was served as follows: chicken sandwiches, tomato aspic jelly with mayonnaise dressing, stuffed olives, fruit salad with whipped cream, iced tea.

Frank C. Harmon is now residing in Thacker, Ariz. He is engaged in tailoring business in Thacker.

Bob Smith has the auto fever. It gets in the blood after one has once owned an auto, so they say. This time he has purchased a Maxwell—a 25 "Baby." His is the second car of this type in Floydada.

The summer of 1914 will probably go down in the history of Floyd County as the hottest in a decade. The hottest hour noted within the past week was at 2 p. m. Sunday when the thermometer registered 103 degrees.

C. C. Krause, of Allmon, was a business visitor in Floydada Wednesday.

Mr. and Mrs. W. B. Clark and son, Byron, returned Wednesday of last week from Fayetteville, Arkansas, where they visited with their son and brother, Wallis Clark and family. They were gone three weeks.

Mr. and Mrs. W. F. Willis returned Saturday from a months visit with relatives at Waco, West and Hillsboro. Mrs. M. F. Husky visited from Tuesday until Thursday of last week in Canyon with her son R. V. who is with the Harley Sadler show. While in Canyon Mrs. Husky also visited Mrs. F. E. Savage who accompanied her home for a visit until Monday.

C. P. Huckabay and family left this week for their farm near Lovington, New Mexico. Mr. Huckabay has three-quarters of a section of land in the newly developed oil field of that section.

Mr. and Mrs. G. L. Mealer and daughter have moved here from Fort Worth, planning to make Floydada their home. Mr. Mealer is a brother of Mrs. Ruel Fanning.

Mr. and Mrs. J. A. Arwine had as their guests Sunday afternoon Mr. and Mrs. C. H. Brazier and family of Crosbyton and Mrs. Brazier's father, Joe King of Fort Worth.

Mr. and Mrs. A. B. Keim and little daughter Frances and Mrs. Keims parents, Mr. and Mrs. J. E. Laughlin, spent last week end visiting with Harry Laughlin in Amarillo.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by

When It Comes To Carpenter Work--

When there's some repairing to do about the premises, father usually plans to be missing from the picture.

Carpenter work isn't in his line, anyway.

For that matter, there are many good carpenters in Floydada who can do the work much better than father, and in a fraction of the time.

The fall season usually exposes the need for some repair work about the house. It's much better as a rule to have this work done before cold weather sets in. A winter repair job usually means a cold house and accompanying discomforts.

Also it might be suggested that right now would be a good time to build that garage for the car, if you haven't already done so.

Whether it be carpenter work, masonry, or any other type of construction, it is always well to employ local tradesmen. They live here. They contribute to the community's welfare. And they are entitled to first chance, at least, on all forms of local building.

Top Petty Issues With Ballot Says Evangelist

"Never before has there been such a demand for real combined manly effort to stop petty issues and ideas that threaten to rule our government" Rev. C. M. Zwingle told the members of the Floydada Luncheon Club last Monday noon while in regular session at the Commercial Hotel.

"Despite the howl of the pessimist that we have little to do with the governing power, we cannot avoid the fact that our government is but an expression of the voice of the ballot box. Each individual should do his or her part to make this expression the kind that will conduct the right kind of government for this nation" he said. Rev. Zwingle, in his address of some twenty minutes, heartily endorsed the business men's luncheon club idea as well as the Boy Scout movement. He was high in his praise of each of these organizations. Rev. Zwingle is conducting the Union

Revival meeting at the tabernacle this week.

Mr. and Mrs. Tom Scott, choir leader and pianist at the revival, were also guests at the luncheon and entertained with several musical numbers that were heartily enjoyed.

Other visitors at the luncheon were Bob Medlin, agent for the Q. A. & P. Railway, Douglass Campbell, of Durant, Okla., Joe Breed, city, and Mrs. Lon M. Davis. Some twenty members were in attendance.

UNION PRAYER SERVICE HELD AT TABERNACLE MONDAY

Union prayer service, conducted by Mrs. George A. Lider, was held Monday afternoon at 4 o'clock at the City Tabernacle and took the place of a co-operative Missionary Society Meeting which was to have been held but was postponed on account of the Revival.

Baptist ladies will be hostesses at the Co-operative Missionary Society Meeting Monday, October 29.

HOMECOMING FOR WESLEYANS

The Wesley Girl's Sunday School class of the Methodist church will have a home coming day Sunday at the Sunday School hour, for old members and those who haven't been to the class for a long time.

MRS. DAVIS HAS OPERATION

Mrs. C. H. Davis underwent a major operation in a Lubbock sanitarium Saturday morning. She was resting well Wednesday according to reports received by friends here.

BAND CONCERTS DISCONTINUED

Floydada Band will have no more open air concerts until the close of the Union Revival, according to A. L. Lundgren, bandmaster.

W. H. Meacham left Saturday night for Dodge City to be with his father who is seriously ill.

NOTICE

I, Burl Bedford, City Secretary of the City of Floydada, Texas do hereby give notice of the things contained in the following Ordinance.

ORDINANCE NO. 116

ORDINANCE OF THE CITY OF FLOYDADA, TEXAS, DETERMINING THE NECESSITY OF LEVYING AN ASSESSMENT AGAINST THE PROPERTY AND THE OWNERS THEREOF ABUTTING UPON A PORTION OF CALIFORNIA STREET, IN THE CITY OF FLOYDADA, TEXAS, FOR A PART OF THE COST OF IMPROVING SAID STREETS AND FIXING A TIME FOR A HEARING OF THE OWNERS OR AGENTS OF SAID OWNERS OF SAID PROPERTY OR OF ANY PERSONS INTERESTED IN SAID IMPROVEMENTS, AS PROVIDED BY CHAPTER 106, TITLE STREET AND ALLEY IMPROVEMENTS, GENERAL AND SPECIAL LAWS OF TEXAS PASSED BY THE FORTIETH LEGISLATURE AT THE FIRST CALLED SESSION MAY 9TH TO JUNE 7TH 1927 AND THE ORDINANCE OF THE CITY OF FLOYDADA, AND DIRECTING THE CITY SECRETARY TO GIVE NOTICE OF SAID HEARING AND EXAMINING AND APPROVING THE STATEMENT OR REPORT OF THE CITY ENGINEER AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY OF FLOYDADA: That, whereas, the City Council of the City of Floydada, Texas, has heretofore by ordinance duly passed and approved ordered the improvements of the following streets and alleys to-wit:

California Street from the West property line of First Street to the West Property line of White Street;

AND WHEREAS: Plans and specifications for the improvements of said streets have been duly prepared and approved as required by Chapter 106, Title Street and alley Improvement, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinance of the City of Floydada; and

WHEREAS, as required by the said ordinance and Statutes, after advertising for bids, the work of improving said streets between the points above named has been let to the L. H. Lacy Co., to improve with a six inch reinforced concrete pavement, including excavating, grading and filling and concrete curbs and gutters and other necessary work in connection therewith, as provided by the said plans and specifications, and,

WHEREAS, a written contract has been entered into by and between the City of Floydada and L. H. Lacy Company on the 10th day of July, A. D. 1928, for the construction of said improvements;

WHEREAS, the said L. H. Lacy Company has duly given bond for the performance of said work, and the City Engineer of Floydada has, in accordance with the ordinance and statutes, filed his report with the City Council as to the cost of said improvements and as to all other matters required by ordinance and statute;

Now, Therefore, BE IT ORDAINED BY THE CITY OF FLOYDADA: that the report or statement of the City Engineer filed with the City Council, describing the abutting property and giving the names of property owners and number of front feet and the cost of improvement chargeable against each property and its owner, having been duly examined, is hereby approved.

BE IT FURTHER ORDAINED, that the City Council does hereby determine to assess part of the cost of said improvements, against the owners of the property abutting thereon, and against their property, and that the total cost of said improvements shall be paid and defrayed as follows:

(a) The total cost of curbs shall be assessed against the abutting property and the owners thereof.

(b) The City of Floydada shall pay an amount equal to the cost of improving all intersections of said streets with other streets and alleys, said amount being equal to or greater than one-tenth of the total cost of said improvements (except cost of curbs).

(c) After deducting the proportion of the cost provided for in sub-sections (a) and (b) above, the total remaining cost of such improvements shall be paid by the owners of property abutting on said streets named to be improved, and shall be assessed against them and their respective parcels of land abutting on said streets, and said assessments shall be made in accordance with the provisions of Chapter 106, Title Street and Alley Improvements, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinances of the City of Floydada. That the said assessment shall be made after the notice to such property owners and all interested persons and the hearing hereinafter mentioned, and that the said portion of the said cost of improvements to be assessed against such property owners and their property shall be in accordance with the Front Foot Rule or Plan in the proportion that the frontage of the property of each owner bears to the whole frontage of the property to be improved; provided, that after such hearing, if such plan of apportionment be found to be not just and equitable in particular instances, the City Council shall so apportion all said costs as to produce a substantial equality between all such property owners abutting on said portion of said streets having in view the enhanced value of that property and the benefits derived from such improvements, and the burdens imposed upon them by such assessments, and that in no event shall any assessment be made against any owner or his property in excess of the enhanced value of such property by reason of such improvement. That the proportionate cost of such improvements which is contemplated to be assessed against such owners and their properties shall become due and payable as follows:

One tenth payable within sixty (60) days after completion and acceptance of the work by the City of Floydada, Texas; one tenth payable one year after said date; one tenth payable two years after said date; one tenth payable three years after said date; one tenth payable four years after said date; one tenth payable five years after said date; one tenth payable six years after said date; one tenth payable seven years after said date; one tenth payable eight years after said date; one tenth payable nine years after said date, together with interest from said date at the rate of eight (8) per cent per annum, and reasonable attorney's fees and all costs of collection in case of default. That the total proportionate part of such improvement which is contemplated to be assessed against such owners and their respective properties and the names of the owners of property abutting upon said streets aforesaid, properties to be improved, and the description of that property and the several amounts proposed to be assessed against them respectively for paving and for curb and gutter and the grand total thereof, which said sum does not and shall not in any event exceed nine-tenths of the total cost of said improvements, except curbs is as follows:

That a hearing shall be given to said owners, their agents and attorneys, and any person or persons interested in said improvements, before the City Council of the City of Floydada as provided by the provisions of Chapter 106, Title Street and Alley Improvements, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinance of the City of Floydada, which said hearing shall be had on the 17th day of August 1928; at 9 o'clock a. m., in the City Hall in the City of Floydada, Texas, and which said hearing shall be continued from day to day and from time to time, as may be necessary to give all said property owners, their agents or attorneys, and any interested person or persons, the right to appear and be heard in any manner concerning the said improvements or said assessment, or the benefits thereof to their said property, or to any other matter of things in connection therewith, or to contest said assessment, and at such hearing a full and fair opportunity shall be extended to said property owners, their agents or attorneys, and to all interested persons, to be heard with respect to such improvements.

That after the conclusion of the hearing above mentioned such sum or sums as may be determined by the City Council to be payable by said property owners shall be assessed against them respectively, and against their respective properties, by ordinance or ordinances, in the manner prescribed by the provisions of Chapter 106, Title Streets and Alley Improvements, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinances of the City of Floydada.

That the City Secretary of the City of Floydada, is hereby directed to give notice to said property owners, their agents or attorneys, and to all interested persons, of said hearing, as prescribed by the provisions of Chapter 106, Title Street and Alley Improvements, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinance of the City of Floydada, by publishing said notice three times in a newspaper of general circulation in the City of Floydada, the first of said publications to be made at least ten days before the date set for said hearing. Said City Secretary may also mail a copy of said notice by registered letter to each of said property owners, if known, or their agents or attorneys, if known, said letters to be deposited in a post office in the City of Floydada, at least ten days before the date set for hearing. However, said notice by registered letter shall be cumulative only, and notice by publication shall be full, due and proper notice of said hearing. It shall not be necessary to the validity of said notice of hearing to name any property owner abutting on said street or alley and the fact that any such property owner or owners are incorrectly named or not named at all shall in no wise effect the validity of the assessment against said property nor the personal liability against the real and true owner or owners of said property. No errors or omissions in the descriptions of the properties abutting on said street or alley shall in any wise invalidate said assessment, but it shall be the duty of such property owner or owners whose property is incorrectly described to furnish a proper description at the hearing or hearings provided for. No error or omission of any character, in the proceedings shall invalidate any assessment or any certificate issued in evidence thereof.

BE IT FURTHER ORDAINED, BY THE CITY OF FLOYDADA: That the fact that the improvement of the streets herein named is being delayed pending the taking effect of this ordinance, and that the conditions of said portion of said streets and alleys endangers the public health, safety and property and create an urgent public necessity for the immediate preservation of the public peace, property, health and safety, requiring that the rules providing that no ordinance shall be passed on the day on which it shall be introduced, and providing that no ordinance shall become effective until ten days after the date of its last publication, and requiring that said ordinance be published once a week for two consecutive weeks in some newspaper published in the City of Floydada, be and the same are each hereby suspended, and that this ordinance shall be and is hereby passed as an emergency measure, and shall take effect and be in force from and after its passage.

PASSED AND APPROVED This 25th day of July 1928.

SILVER ANNIVERSARY BUICK, MODEL 27
Five-passenger Four-door Sedan

New Lines And More Power Are Among Buick Features

Hundreds of Floyd County people visited the showrooms of the Callaway Motor Company last Saturday and saw the Silver Anniversary Buick, with which Buick Motor Company is celebrating its twenty-fifth year. Comments on the distinctive lines, the great increase in power and the many refinements made in the trim and appointments and on the chassis were numerous. Open house is being held each day this week and many visitors are attracted by the new car.

Outstanding in the changes made are the new "swelling" body lines, unlike anything else in the automobile world, the new radiator, new one-piece front fenders and new and more powerful motors, which give the smaller Buick, now on 116-inch wheelbase, practically as much power as this year's largest car and which make the large Buick the most powerful car produced by General Motors. The swelling lines, originating at the radiator, are continued in the body panels to the back, marked by a new full-finished rear end. Curves have been used throughout in the design.

Wheels Are Smaller
The car's appearance factor is still further enhanced by smaller wheels and large section tires, which make the new Buick seem lower, though its road clearance is actually unchanged. Large new hubs, new easy-on radiator cap and relocation of the Buick trademark, in a new and distinctive monogram, on the radiator honey-combing instead of the shell, lend additional touches of beauty. The new head and parking lamps, on their chromium-plated brackets, also are noteworthy features.

Interior refinements making for beauty, as well as for riding and driving ease, are numerous. Not only the

steering column, but the entire front seat of closed models, is now adjustable to the requirements of any driver. Electric windshield wiper with double blades, which clear the entire width of the windshield are standard on all closed models.

The instrument panel is entirely new. Its ninety-mile speedometer is mounted directly before the driver and a new hydrostatic gasoline gauge is provided. Body hardware, including door handles of theft-resisting design, is entirely new. A thief may force a door handle, but this will neither open the door nor break the lock mechanism so that the owner can not operate it with his key.

Bigger Motors Now
The chassis improvements are sweeping, and represent, in the aggregate, a tremendous advance in power and in the factor of safety. Wheelbase lengths have all been extended, the 114½-inch wheelbase becoming 116-inch, the 120-inch becoming 121-inch, and the 128-inch, 129. Horse power of the two Buick engines has been stepped up from 63 to 74, and from 77 to 90½. Increased piston displacement accounts for only part of the power increase, the remainder being due to new design of camshaft, valve mechanism, carburetor, intake manifold and exhaust. The power increase is out of proportion to the increase in weight, a statement which new Buick's breath-taking performance verifies fully. So far as design goes, there is now no difference between the engine of the various models in the Buick line.

COOKIES BLAZE TRAIL FOR PRESIDENTIAL ASPIRANT

It's a long way from the pantry to the chanceries of Europe and the halls of Congress where Vice President Charles G. Dawes now long has occupied a place of prominence.

But in the progress of the vice president the cookies of Caro Dawes, otherwise Mrs. C. G. Dawes, have had a not unimportant part. Early in the general's married life, says the Woman's Home Companion, his friends were attracted by the now famous sugar cookies with raisins which were the product of Mrs. Dawes' culinary work.

While they were living in Nebraska Dawes and a lank cavalry officer whom he had met at an unsatisfactory lunch in a hot dog stand, tried out some of Mrs. Dawes' cookies and both found a common taste for these sweetmeats. The cavalry officer, then a lieutenant known by a very small section of the United States, was John J. Pershing.

Nearly twenty years later it was the one time lanky lieutenant, then leading American forces in the World War, who looked up his former cookie loving pal and appointed him chief purchasing agent of the A. E. F. Thus was Dawes started on a career of larger usefulness which caused him to make himself famous as an officer of the United States forces and as a financier who devised a now famous formula for settling German reparations—the Dawes Plan.

Suffering With SICK HEADACHES

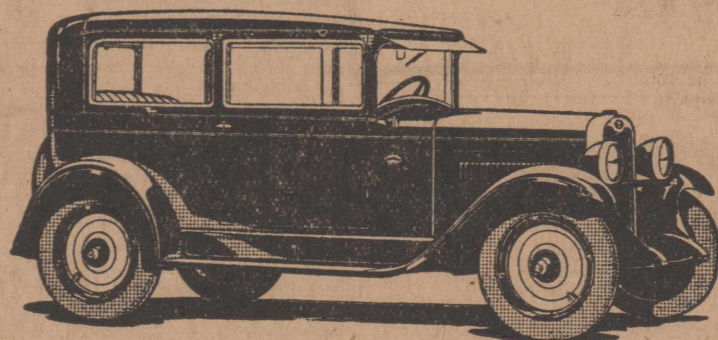

Mr. Charles F. Todd, of Estesburg near Waynesburg, Ky., says:
"I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear."
"A merchant at Estesburg told me to try taking Black-Draught, which I did."
"It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on."
"Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache."

Mrs. Miller Honored As Master Homemaker

Selected as One of Five Master Farm Home Makers in State; Speaks Over Radio at A. & M.

Mrs. W. E. Miller is one of five Texas women honored with the title of Master Farm Home Makers at A. & M. Short Course in recognition of work done in rural homemaking, according to a telegram received from Miss Blanche Bass. The contest was conducted by "The Farmer's Wife," a nationally known farm woman's magazine, cooperating with the Extension Service of A. & M. College. Mrs. Miller lives in the Sand Hill community and has been an outstanding worker for her community and club. In 1926 she was state winner of the Kitchen improvement contest and for the last two years was garden demonstrator for the Sand Hill club. Mrs. Miller's talk on the "Advantages of the Country Home" was broadcast over the radio Monday afternoon. Recognition services were held Monday morning with Miss Leonore Dunningan, field editor of "The Farmer's Wife" in charge. At noon a luncheon was given, honoring the five women. The five highest scoring women were selected from a list of twenty six which had previously been selected. The other four were from Hale, Mitchell, Brown and Kaufman counties.

BLANCO CLUB

The Blanco club met with Mrs. D. R. Badgett Thursday July 19. After attending to the business part of our program in which we voted to spend \$25 to put concrete walks at our school building, we had a very interesting lesson on canning. Mrs. Badgett is planning to move away soon and as she is one of the four charter members left in our club, we gave her a lovely set of table and tea spoons. She has always been loyal and faithful in the work and we shall greatly

miss her kindly help and sweet smile and we hope that she will find good friends and happiness wherever she goes.

After the program our hostess served delicious ice cream and caramel cake to eleven members and twelve children. The next meeting will be with Mrs. William Snell, August 2. This will be magazine day. Each member shall answer roll call by naming her favorite magazine. Mrs. Henderson will be leader and the program as follows: A story I have read this month—Mrs. F. W. Farley, Miss Naoma McPeak and Miss Johnnie Christian. How Farm papers help us—Mrs. W. F. Daniels. Household helps I have received from magazine—Mrs. McPeak. The value of good reading material for a family—Mrs. W. C. Cates. At what age should the reading habit be established—Mrs. L. C. Wheeler. This is the only meeting planned for in this month so let's all be there and bring a visitor.

APPRECIATES HIS FRIENDS

Mr. and Mrs. Geo. L. Fawver, of Baker Community, left the first part of this week for their former home in Missouri to spend ten days or two weeks visiting with relatives and friends. "I want The Hesperian to express my appreciation to my friends for their support in the primary for Commissioner of Precinct Four," Mr. Fawver said on the eve of his departure.

EARL RAINER EXPRESSES THANKS

Earl Rainer, candidate for commissioner of precinct four, asks The Hesperian to express his thanks to those who supported him in the first primary election, giving their vote and influence and further states that since he will be in the run-off primary he solicits their continued help, saying he will greatly appreciate anything his friends might do in his behalf.

Featherston Family Will Have Reunion

One hundred fifty relatives of the C. H. Featherston family are expected to attend a reunion at C. H. Featherston's ranch fourteen miles northeast of Floydada, August 11, 12 and 13. Texas, Oklahoma, Arkansas, Louisiana, Mississippi and Tennessee will be represented.

The feature of the reunion will be a rodeo the afternoon of the opening day to which the general public is invited. Cowboys from Floyd and adjoining counties have entered for the contests in calf roping, bronc riding, goat roping and other activities. Prizes will be given to the winner of each event, Mr. Featherston said. This is the eleventh annual reunion of the family, having been started by the children of C. H. Featherston now deceased grandfather of C. H. Featherston of this county and Wichita Falls. His three sons and three daughters are all living and each year the reunion has been held at one of their homes. They are: Mrs. Philip McBride, Blanchard; Mrs. Mattie Boatwright, Featherston, Okla.; Mrs. J. C. Hubert, Electra; W. B. Featherston, Blanchard; W. A. Featherston, Trickham; E. B. Featherston, Aspermont, all of whom are expected to be present, with their families. Only four of the family live in Floyd County. They are: Mrs. L. G. Mathews, C. H., E. B. and L. C. Featherston, cousins. Four cooks will be hired and all meals will be served cafeteria style, Mr. Featherston said. The visitors will bring tents and bedding. Cowboys who wish to enter the rodeo contests should notify Mr. Featherston.

Camp Post Is Scene Of Boy Scout Encampment

Twenty Local Boys and Scoutmasters Attending Ten-Day Outing at Private Camp.

Approximately 200 Boy Scouts of America, of the South Plains Area, twenty of which are from Floydada, are encamped this week at the Post Campsite for Boy Scouts. Troop 43, of this city, left Sunday afternoon, and members of Troop 44 left Monday morning. The camp is located two miles from Post City near Two-Draw lake and is a private Boy Scout camp.

The annual camp for the Boy Scouts of the South Plains is held on this 400 acre camp presented to the boys by the late C. W. Post. This camp is in probably the wildest and roughest country in the vicinity of the Plains. Is Ideal Camp Site

It is a natural home for birds and all kinds of wild animals. Trees and shrubs of many kinds give the Scout an opportunity for all kinds of nature study. There are a number of natural springs on the grounds around which the Indians of former days gathered.

Buffalo bones and arrow heads have been found on the camp site. The heavy rain last winter exposed many arrow heads, and the Scouts will probably make a nice collection this summer.

The camp has many interesting and romantic features that appeal of the imagination of the growing boy.

As the Indian hunted through these ravines with his bow and arrow so the modern boy will hunt with his bow and arrows.

As the Scout is interested in the conservation of wild animal life, artificial targets of natural size are being made by W. C. McMillan and Lennie Baker, who will have charge of the archery work in camp. Bow staves and doves for making archery tackle will be available at the Scout canteen.

Accompanied by their Scoutmaster, E. F. Eastridge, the following members of the local Troop 43 left Sunday: Kinder Farris, Vern Eastridge, John Farris Sam Rutledge, Herwin Strickland, Gains Grubbs, Charles Brown, Carl Marshall and Billie Joe Welch.

Scoutmaster W. A. Gound accompanied the following members of Troop 44 to the ten-day camp: Dock Massie, J. R. de Cordova, R. L. Stovall, Wymon Finley, Fred Porterfield, John Edwards, Smith, Arthur Earl Gamble, Reeves Scott, George Lee Henry, and Harold Porterfield.

TO VOTERS OF FLOYD COUNTY

I wish to thank each and everyone of you for the loyal support given me in the Democratic Primary held July 28. T. P. Guimarin, District Clerk.

TO THE VOTERS

Just a word of thanks to the voters of Floyd County for their kind consideration in the July Primary. Respectfully, J. Fae Moore.

Reservations were made for: Messrs and Mesdames C. H. Davis, T. P. Collins, J. H. Reagan, A. B. Keim, W. L. Fry, Roy Snodgrass, J. C. Gilliam, J. E. Dickey, L. T. Bishop and Robert McGuire; J. V. Daniel, J. C. Wester.

SADLER SHOW COMING UNDER AUSPICES OF MUNICIPAL BAND

The Harley Sadler Shows will be in Floydada for the week of August 27, appearing under the auspices of the Floydada Municipal Band, according to a recent announcement.

The creditable showing made by the band at the Fort Worth meeting of the West Texas Chamber of Commerce this spring, prompted Mr. Sadler to ask that the show be sponsored by the organization this year. Heretofore the show has been in Floydada under the auspices of the Chamber of Commerce and American Legion organizations.

CARD OF THANKS

We wish to thank our friends for the beautiful and useful gifts presented us since our home burned. Mr. and Mrs. E. C. McReynolds.

SINGING SUNDAY AFTERNOON

Singing at 2 o'clock Sunday afternoon is announced for Lakeview. Everyone is invited to be present.

Locals and Personals

Mr. and Mrs. Elza Gullion returned Saturday from a vacation trip to Hot Springs, Ark., and Memphis, Tenn., where they visited with relatives. They were gone two weeks. They were accompanied home by Miss Ella Watson, of Clarksville, who will visit here for some ten days.

Mrs. H. B. Moore, of Slaton, was here for a short time this week visiting relatives.

Dr. and Mrs. George Smith and daughters, Margaret, and Mr. and Mrs. A. P. Barker and children of Lockney, returned Monday from a vacation trip to Ruidoso, Carlsbad and Cloud Croft, New Mexico.

Mr. and Mrs. Jesse Seale and children of Abernathy left Tuesday for a month's visit with Mrs. Seale's mother, Mrs. J. D. Price at Anaheim, Calif., and her sister, Miss Margaret Viles, of Fullerton, Calif., and two of Mr. Seale's sisters, Mrs. Carter Andrews and family, of Pomona and Mrs. F. B. Poore and family of San Pedro.

Clarence Boothe returned home Monday from Spearman where he has been for the past five weeks working in the wheat harvest. He was in the employ of the McClellan Grain Company, of Spearman.

Mrs. W. H. Seale returned home Sunday from a week's visit at Abernathy, with her son, Jesse, and family. Mr. Seale joined her Sunday and they went to Lubbock where they were guests of Mr. Seale's brother, Joe Seale, and family. They were accompanied home by a niece, Miss Zora, who will be here for the remainder of the week.

Ball Bearings Make the Gold Medal Turn Still Easier

You've always known the Gold Medal as an easy-turning cream separator.

Now, with a new ball-bearing upper-neck bearing, it's still easier to turn—it's the lightest-running cream separator on the market. Bearing is enclosed and protected from dirt and moisture, insuring long life and minimum friction.

Another new feature you'll like about the Gold Medal is a new-type oil indicator. You can see at a glance if your machine is being properly oiled.

And, remember—

Gold Medal Curved Disks Skim Cleaner

That's because they provide a wide space at center of the bowl to take care of thick, sluggish cream that has a tendency to clog in the ordinary straight disk bowl. Two cream outlets—an exclusive Gold Medal feature—aid in handling thick cream and maintaining uniform test. Space between disks decreases to extreme narrowness toward outer edge, where the last particles of butter-fat are removed from the milk.

You'll get a lifetime of good service from the Gold Medal—it will save you money every time you use it.

We have a new ball-bearing Gold Medal for your inspection. Come in.

Green-Henson Wedding Solemnized.

The marriage of Miss Jessie Green, daughter of J. H. Green of this city, and Rev. Joseph L. Henson, pastor of the First Methodist Church of Abilene, was solemnized Monday at 7 a. m. at the parental home of the bride, only relatives and intimate friends attending. An improvised altar of fern and summer flowers formed an attractive setting for the wedding.

Mrs. G. R. May accompanied Mrs. A. W. Chowning, who sang "I Love You Truly," as the prenuptial solo. Miss Margaret Henson, of Abilene, daughter of Rev. Henson, played Mendelssohn's Wedding march as the bridal party entered. Miss Gwendolyn Green of Amarillo, sister of the bride, was maid of honor and came first. She wore a model of pink georgette, her large hat was of pink and she carried a bouquet of pink rosebuds.

Mrs. W. H. Nelson, sister of the bride, was matron of honor. She wore a beige crepe gown with accessories to match.

Lou Kathleen, daughter of Mr. and Mrs. W. H. Nelson, gown in a frock of blue taffeta preceded the bride, who entered with her father by whom she was given in marriage, and strewed rose petals in her path. The bridegroom and his best man, Herschel Green, brother of the bride, awaited them at the altar. Rev. Ben Hardy united the couple in marriage, using the ring ceremony. At the conclusion of the ceremony the bridal couple knelt on a white satin pillow for a prayer which was said by Rev. Hardy.

The bride wore a straight line model

of white crepe satin with bodice and skirt trimmed in silk fringe. Her veil of tulle was dropped the entire length, the rose point cap being held in place with clusters of orange blossoms. She wore slippers of ivory satin and carried a bride's bouquet of white roses.

Mrs. Henson is a former teacher in the Floydada Public Schools, having taught here for several years. She has spent four years in the Phillipine Islands as supervisor in the Bureau of Education. Before her return home about three weeks ago she made a three month's tour of Europe and Asia. Not every bride enjoys the distinction of having purchased her trousseau in the Phillipine Islands, China, Japan, Italy, France, England and New York, as did Mrs. Henson.

Rev. Henson was formerly pastor of the Floydada Church until two years ago for four years.

Out of town guests at the wedding included Samuel Green of Detroit, Michigan, Misses Florence and Gwendolyn Green of Amarillo and Miss Margaret Henson of Abilene.

After the wedding Rev. and Mrs. Henson left for their home at Abilene.

The bride's going away gown was a dark blue crepe which she purchased in Italy.

Elliott-Burleson Wedding.

Miss Eva Ofeta Elliott and Mr. R. C. Burleson were married at the home of Elder E. B. Mullins, Wednesday, July 25, Elder Mullins officiating. They were attended by Mr. and Mrs. Henry Cox and Miss Wodruff.

Mrs. Burleson is the daughter of Mr. and Mrs. G. W. Elliott of Floydada and has resided here for several years.

Mr. Burleson is the son of Mr. and Mrs. J. C. Burleson of Mickey.

Center News

Center, July 31.—Everybody surely is busy now since the fine rains; stubble to get ready for wheat, row crops to cultivate and the revival meeting in progress.

The Reverend McCarty is bringing us some great messages and we are having good crowds at all services.

Mesdames Conner and Fields took Sunday dinner with Mrs. Montgomery. Mr. Fields and sons returned from a trip to Oklahoma Sunday. His sister Mrs. Lovelance of Ponca City, Oklahoma came home with him for a visit.

Orval and Adrial Spence spent Sunday with Floyd Montgomery.

Mrs. E. C. Austin spent Monday with Mrs. Lightfoot.

A large crowd of Fairview people were out to church Sunday. We always welcome them, with us.

Miss Cecile Lightfoot and Rev. Merle Weathers were married by the Reverend Tubbs at his home Saturday afternoon.

Mrs. Weathers has grown from a small girl to young womanhood in our midst, having lived here since she was eight or nine years old. We have learned to love her so much that we all hate to have her leave us.

The bride wore a beautiful flesh pink georgette trimmed with lace with accessories to match.

A number of friends were entertained with a dinner at the home of the bride's parents Sunday. The couple left Tuesday for a day or two with his parents from where they will go to Vinson, Oklahoma, where he is pastor of a church. A short and very impressive farewell service was held at the church for them Tuesday morning.

We all wish them all that's good and beautiful in their new life and pray that God's richest blessings may attend them all through life.

NOTICE

I, Burl Bedford, City Secretary of the City of Floydada, Texas do hereby give notice of the things contained in the following Ordinance.

ORDINANCE NO. 115

ORDINANCE OF THE CITY OF FLOYDADA, TEXAS, DETERMINING THE NECESSITY OF LEVYING AN ASSESSMENT AGAINST THE PROPERTY AND THE OWNERS THEREOF ABUTTING UPON A PORTION OF VIRGINIA, FIFTH AND MISSISSIPPI STREETS, AND SOUTH ONE-HALF OF THE NORTH AND SOUTH ALLEY IN BLOCK 62 OF THE ORIGINAL TOWNSHIP OF FLOYDADA, IN THE CITY OF FLOYDADA, TEXAS, FOR A PART OF THE COST OF IMPROVING SAID STREETS AND ALLEYS AND FIXING A TIME FOR A HEARING OF THE OWNERS OR AGENTS OF SAID OWNERS OF SAID PROPERTY OR OF ANY PERSON INTERESTED IN SAID IMPROVEMENTS, AS PROVIDED BY CHAPTER 106, TITLE STREET AND ALLEY IMPROVEMENTS, GENERAL AND SPECIAL LAWS OF TEXAS PASSED BY THE FORTIETH LEGISLATURE AT THE FIRST CALLED SESSION MAY 9TH TO JUNE 7TH 1927, AND THE ORDINANCE OF THE CITY OF FLOYDADA, AND DIRECTING THE CITY SECRETARY TO GIVE NOTICE OF SAID HEARING AND EXAMINING AND APPROVING THE STATEMENT OR REPORT OF THE CITY ENGINEER, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY OF FLOYDADA: That, whereas, the City Council of the City of Floydada, Texas, has heretofore by ordinance duly passed and approved ordered the improvement of the following streets and alleys to-wit:

- Virginia Street from the East Line of Fifth Street to the East Line of Main Street;
- Fifth Street from the north line of Missouri Street to the north line of Virginia Street;
- Mississippi Street from the east line of Main Street to the west line of the Q. A. & P. Railway right-of-way;
- South one-half of north and south alley in Block 62; of the Original Township of Floydada;

AND WHEREAS: Plans and specifications for the improvements of said streets and alleys have been duly prepared and approved as required by Chapter 106, Title Street and Alley Improvement, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinance of the City of Floydada; and

WHEREAS, as required by the said ordinance and Statutes, after advertising for bids, the work of improving said streets and alleys between the points above named has been let to the L. H. Lacy Co. to improve with a six inch reinforced concrete pavement, including excavating, grading and filling and concrete curbs and gutters and other necessary work in connection therewith, as provided by the said plans and specifications, and,

WHEREAS, a written contract has been entered into by and between the City of Floydada and L. H. Lacy Company on the 10th day of July, A. D. 1928, for the construction of said improvements;

WHEREAS, the said L. H. Lacy Company has duly given bond for the performance of said work, and the City Engineer of Floydada has, in accordance with the ordinance and statutes, filed his report with the City Council as to the cost of said improvements and as to all other matters required by ordinance and statute;

Now, Therefore, **BE IT ORDAINED BY THE CITY OF FLOYDADA:** that the report or statement of the City Engineer filed with the City Council, describing the abutting property and giving the names of property owners and number of front feet and the cost of improvement chargeable against each property and its owner, having been duly examined, is hereby approved.

BE IT FURTHER ORDAINED, that the City Council does hereby determine to assess part of the cost of said improvements, against the owners of the property abutting thereon, and against their property, and that the total cost of said improvements shall be paid and defrayed as follows:

- (a) The total cost of curbs and walks shall be assessed against the abutting property and the owners thereof.
- (b) The City of Floydada shall pay an amount equal to the cost of improving all intersections of said streets and alleys with other streets and alleys, said amount being equal to or greater than one-tenth of the total cost of said improvements (except cost of curbs and walks).
- (c) After deducting the proportion of the cost provided for in sub-sections (a) and (b) above, the total remaining cost of such improvements shall be paid by the owners of property abutting on said streets and alleys named to be improved, and shall be assessed against them and their respective parcels of land abutting on said streets and alleys, and said assessment shall be made in accordance with the provisions of Chapter 106, Title Street and Alley Improvements, General and Special Laws of Texas passed by the Fortieth Legislature at the First Called Session May 9th to June 7th, 1927, and the Ordinances of the City of Floydada. That the said assessment shall be made after the notice to such property owners and all interested persons and the hearing hereinafter mentioned, and that the said portion of the said cost of improvements to be assessed against such property owners and their property shall be in accordance with the Front Foot Rule or Plan in the proportion that the frontage of the property of each owner bears to the whole frontage of the property to be improved; provided, that after such hearing, if such plan of apportionment be found to be not just and equitable in particular instances, the City Council shall so apportion all said cost as to produce a substantial equality between all such property owners abutting on said portion of said streets and alleys having in view the enhanced value of that property and the benefits derived from such improvements, and the burdens imposed upon them by such assessments, and that in no event shall any assessment be made against any owner or his property in excess of the enhanced value of such property by reason of such improvement. That the proportionate cost of such improvements which is contemplated to be assessed against such owners and their properties shall become due and payable as follows:

One tenth payable within sixty (60) days after completion and acceptance of the work by the City of Floydada, Texas; one tenth payable one year after said date; one tenth payable two years after said date; one tenth payable three years after said date; one tenth payable four years after said date; one tenth payable five years after said date; one tenth payable six years after said date; one tenth payable seven years after said date; one tenth payable eight years after said date; one tenth payable nine years after said date, together with interest from said date at the rate of eight (8) per cent per annum, and reasonable attorney's fees and all costs of collection in case of default. That the total proportionate part of such improvement which is contemplated to be assessed against such owners, and their respective properties and the names of the owners of property abutting upon said streets and alleys aforesaid, properties to be improved, and the description of that property and the several amounts proposed to be assessed against them respectively for paving and for curb and gutter and walks and the grand total thereof, which said sum does not and shall not in any event exceed nine-tenths of the total cost of said improvements, except curbs and walks is as follows:

With The Churches

METHODIST CHURCH

There were 257 in Sunday School last Sunday! Be out next Sunday and make it still more. We need you.

We sympathize with one of our faithful teachers, Mrs. H. N. Porterfield, in the death of her father, Rev. S. J. Vaughn of Cisco.

We go from Sunday School to the tabernacle again next Sunday as it is the closing day for the union revival. Let us make it a great day.

FIRST CHRISTIAN CHURCH

F. L. Davis, Minister

The Sunday School last Lord's day was interesting and well attended. The young married folk's class was the largest in the school. Had several new ones present. This is an interesting class and is for all young husbands and wives. If you are such and not attending Sunday School any place come and join us.

Next Lord's day the Sunday School will meet at 9:45 o'clock instead of 10 o'clock. After Sunday School and communion we will all go to the Tabernacle for morning worship. This is to be the last day of the meeting and should be largely attended. Many should give

LAND

We have land to Sell and to Lease for Farming, Stock-Farming and Grazing purposes, from about 80 acres up, in Floyd, Briscoe, Hall, Motley and other counties. Also large list of Lots in Floydada.

their hearts to Christ and begin to follow him on that day. Let each christian strive to lead at least one person to Christ before the last service of the meeting. What a joy there would be if we all did this. God will help you if brother if you will do your part. Let us make the closing days the greatest of all the meeting.

We will have a Sunday School worker's meeting next Wednesday night. All interested in the Sunday School are urged to attend.

Lowest Priced Sedans

2,000,000 WILLYS-OVERLAND CARS AND GOING STRONG!

WITH QUALITY, BEAUTY AND STYLE DOMINATING

In definite dollar-for-dollar value there are no 4-door enclosed cars on the market comparable to the Whippet Four and Whippet Six Sedans.

This is true not only because these smart Sedans are the lowest priced in the world, but because they represent the most advanced ideas in automotive engineering, both mechanically and artistically.

The perfected Whippet Four offers such desirable features as full force-feed lubrication, silent timing chain, extra leg room and powerful 4-wheel brakes. The new Whippet Six, in addition to these, provides a 7-bearing crankshaft, Invar-strut pistons, wheelbase of 109½ inches and many other advantages.

Such notable values as these Sedans are possible only because of the skill and experience gained in the production of more than 2,000,000 high quality motor cars.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:
YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, C. L. Newport, Eva Newport, J. N. Hairgrower, Eva Hairgrower, James B. Price, Caroline V. Price and J. K. Gwynn and the legal representatives and heirs of the above whose names and residences are unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada, Texas on the 24th day of September, A. D. 1928 then and there to answer a Petition filed in said Court, on the 31st day of July, A. D. 1928, in a suit numbered on the docket of said Court No. 2073, wherein J. E. Swinson is plaintiff and C. L. Newport, Eva Newport, J. N. Hairgrower, Eva Hairgrower, James B. Price, Caroline V. Price and J. K. Gwynn, whose names and residences are to plaintiff unknown, are de-

pendants. The nature of the plaintiffs demand being as follows, to-wit:

1. That on or about the 15th day of July A. D., 1928, the plaintiff was lawfully seized and possessed of the following described land and premises, situated in Floyd County, Texas, holding and claiming the same in fee simple to-wit: All of Lot Number Nine (9) in Block Number Eighty-Seven (87) of the town of Floydada (Floyd City) in Floyd County, Texas as shown by the plat of said town of record in the Deed Records of Floyd County, Texas, Volume 2-F, page 294.

2. That on the day and year aforesaid the defendants unlawfully entered upon said premises and ejected the plaintiff therefrom, and now unlawfully withhold from him the possession thereof, to his damage in the sum of One Thousand and no/100 (\$1,000.00) Dollars.

3. Plaintiff would further show to the court that he and those whose estate he has and under whom he claims, claiming the above land and premises under deeds duly registered in the Deed Records of Floyd County, Texas, has had peaceable continuous and adverse possession of the above described land and premises cultivating, using and enjoying the same, any paying all taxes due thereon for a period of more than five years next preceding and before the commencement of this suit, to-wit, July 31, 1928, and for a period of more than five years before

July 15th, A. D. 1928, and for a period of more than five years after defendants' cause of action accrued, if any, and this the plaintiff is ready to verify.

4. Plaintiff would further show to the court that he has had peaceable, continuous and adverse possession of the above described land and premises, cultivating, using and enjoying the same, having the same enclosed by fence, for a period of more than ten years next preceding and before the commencement of this suit, to-wit, July 31, 1923, and for a period of more than ten years before July 15th, A. D. 1928, and for a period of more than ten years after defendants' cause of action accrued, if any, and this the plaintiff is ready to verify.

Wherefore plaintiff prays the court that defendants be cited to appear and answer herein, and that plaintiff have judgment for the title and possession of the above described land and premises, and that writ of restitution issue, for damages and costs of this suit, and for such other and further relief, both general and special, as in law and equity he may be justly entitled.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Floydada, Texas, this, the 31st day of July A. D. 1928.

Fly Time Is Typhoid Fever Time, Warning

Appearance of Several Cases of Typhoid Occasion for Warning by City Health Officer.

The appearance of several cases of typhoid in Floydada the past week, some of them having all the earmarks of the malady, and others pronouncedly of that tendency, prompted a vigorous warning by the city health officer to residents of the city to inoculate against the malady to prevent its spread.

"August and September days are fly time and typhoid fever time," he said, "The time when the citizen and his family should go to their family physician and have him inoculate them against the disease." If you have not been inoculated against the disease within the past two years it will be a measure of safety to pay a visit to your doctor, he said, pointing out the relatively low cost of a sufficient dosage, usually about \$1.50.

The high cost to a family of having one or more patients with typhoid, and the chance every family takes, regardless of how carefully clean the family may be with the foods served in the home, furnish plenty of good argument for the inoculation. Not only is the treatment not painful, although it is

the source of inconvenience for a short time, but it is highly efficient as a preventative. The treatment is within the reach of every pocketbook, and for that matter, it is pointed out, the poorer the family the less able they are to stand the high cost of a case of typhoid and the possible loss of a member of the family, and the more desirable that the inoculation be obtained.

NEW MODEL TRUCK ADDED BY CHEVROLET TO LINE

The Chevrolet Motor Company, whose unprecedented sales and production record of placing on the road 750,000 "Bigger and Better" models since January 1, established a new mark for the sale of a new model, announces this week the addition to its line of a new utility truck. The new truck, which embodies several improvements, chief of them a four speeds forward transmission, four wheel brakes and channel steel bumper, went into production in the various Chevrolet plants July 2. It will be on view this week in dealers' showrooms throughout the country.

The four speeds forward transmission will insure a more efficient application of engine power. The extra low speed gear provides maximum pulling power on heavy roads and steep grades while normal driving requirements are met as usual with second, third and fourth speeds. A power take-off port, to which various power devices can be applied, is a further feature of the transmission.

THE STATE OF TEXAS

TO THE SHERIFF OR ANY CONSTABLE OF FLOYD COUNTY—GREETING: YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, W. D. QUILLIN and FRED WALCOTT, whose residence is unknown to be and appear before the Honorable District Court at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada, Texas, on the 24th day of September, A. D. 1928, then and there to answer a Petition filed in said Court on the 19th day of July, A. D. 1928, in a suit numbered on the docket of said Court No. 2060, wherein Guy Jacob and Mrs. Sallie B. Slaton are plaintiffs, and A. H. McGavock and Dimple McGavock, A. R. Meriwether, The First National Bank of Plainview, Texas, W. D. Quillin and Fred Walcott are defendants.

The nature of the plaintiffs' demand being as follows, to-wit: A suit upon ten promissory notes executed by A. H. McGavock and Dimple McGavock, dated September 26th, 1924, for the sum of \$650.00 each, payable to J. H. Slaton and Guy Jacob, or order, on or before January 1st, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934 and 1935, bearing interest from January 1st, 1925 until maturity, at the rate of 8% per annum, payable annually January 1st, as it accrues, and providing that past due principal and interest shall bear 10% interest, and providing that failure to pay principal or interest when due shall, at the election of the holder, mature all said notes, and providing for 10% attorneys fees, if placed in the hands of an attorney for collection, and given as part payment for all of the South one-half of Section No. 11 in Block B-2, Certificate 4/591, situated in Floyd County, Texas, conveyed to said defendants, A. H. McGavock and Dimple McGavock by J. H. Slaton and Guy Jacob by deed dated September 26th, 1924, and to foreclose an express and Vendor's Lien against said land securing said notes, and alleging that The First National Bank of Plainview, Texas holds a note for the sum of \$933.33 and that A. R. Meriwether holds a note for the sum of \$_____, and that Fred Walcott holds a note for the sum of \$933.33, given by W. D. Quillin to A. H. McGavock as part of the consideration for the conveyance made by said A. H. McGavock and Dimple McGavock for said land to said Quillin, which last mentioned notes are alleged to be secured by the Vendor's Lien against said land subsequent, subordinate and inferior to the plaintiff's Vendor's Lien, and praying for judgment in favor of plain-

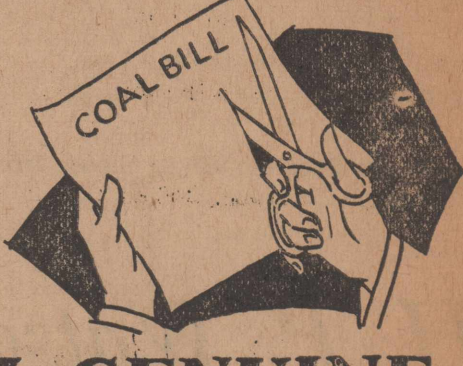

tiffs against the defendants, A. H. McGavock and Dimple McGavock, for the principal, interest and attorneys fees on said ten notes, for costs of suit, and for foreclosure of their Vendor's Lien, as same existed September 26th, 1924, and that the interest of the defendants be disposed of, that the Clerk be ordered to issue an order of sale and that it be ordered that the proceeds of such sale

be applied first to the payment of the plaintiffs' debt, interest, attorneys fees and costs of suit, and, second, to the payment of the said debts of The First National Bank of Plainview, Texas, A. R. Meriwether and Fred Walcott, and the balance, if any, paid over to the defendants, A. H. McGavock and Dimple McGavock.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

GIVEN under my hand and seal of said Court, at office in Floydada, Texas, this 19th day of July, A. D., 1928. (SEAL) T. P. GUIMARIN, District Clerk, Floyd County, Texas, 224tc.

Anyone, Anywhere, Anytime!

TWENTY years ago there were only 6,500,000 telephones in the United States. Long distance service was limited. Many communities were beyond its range.

Today you can reach any one of 18,500,000 telephones in the United States. Service is also available to Cuba, Mexico, Canada, Great Britain, Holland, Belgium, France, Germany, Sweden and Denmark.

From your telephone you can reach any one of 25,000,000 telephones, 80 per cent of all the telephones in the world!

Long distance service now makes it possible to reach practically anyone, almost anywhere any time, quickly and at a reasonable cost.

Hundreds Visit Bulletin Board Saturday Night

Hundreds of Floydada and Floyd County people attended the election party at the Hesperian Office Saturday night for the returns of the first primary, the bulletin board being surrounded by interested persons from the time the first partial report was put on until past twelve o'clock when the last figures for the night were made.

Record time was made in getting the first eighteen boxes tabulated and up for the public to see, and except for a mishap in Precinct 5 where the presiding officer named was compelled to be out of town and a crew of election holders gotten together late, the entire county vote would have been tabulated and on the board before 11 o'clock Saturday night.

Center, with E. C. Austin as presiding officer, was the first box in the county to report complete at 7:05. The two Floydada boxes with partial reports however, were second and third. Goodnight and Lakeview came in before 8 o'clock, and between 8:23 and 9:10 came in rapid succession Antelope, Fairmont, Starkey, Harmony, Allmon the two Floydada boxes complete and West Lockney complete, the others coming in before 10:30 to make the eighteen boxes complete.

The regular bulletin service given out by the Texas Election Bureau was put on the bulletin board, and kept the crowd well informed on the progress of the fortunes of the various state and district candidates.

SHIP SIX CARS OF HOGS FROM FLOYDADA DURING PAST WEEK

Six car loads of hogs were shipped out of Floydada during the past week by the Peyton Packing Company, of El Paso. The shipment contained approximately 400 hogs which had been bought by this company and stocked here. Two of the cars were shipped Saturday, two on Monday and two on Wednesday morning.

Grover Smith, local buyer for the packer, is in El Paso on business this week.

AUGUST 23 SET AS DATE FOR T-ANCHOR REUNION AT CANYON

August 23 has been set for the date of the annual T-Anchor reunion at Canyon, according to reports. Those eligible for admission to the big round-up must show evidence that they have been engaged in the cattle game, either puncher, owner or otherwise engaged in the business up to and including the year 1895.

Several old-timers and settlers from this section plan to attend the reunion.

Mrs. J. R. Archer returned home Wednesday from a visit in Amarillo, with her daughter, Mrs. J. R. Neece, and family.

JONES MARKET AND GROCERY TO OPEN SOON ON CALIFORNIA

The Jones Market & Grocery, with Edgar Jones well-known local market-man as proprietor, will open at an early date, possibly by Saturday in one of the Childers building, formerly occupied by Shaw, Felton & Collins, it is announced this week.

Fixtures for the new establishment, purchased sometime ago, had begun to arrive Tuesday of this week and their installation started at once. Shelving for the grocery stock has been in place for several days. "We can't say now just when we'll be open," Mr. Jones said in speaking of his plans Tuesday night. "However, we hope to be open by Saturday and will open on that date if possible."

Mr. Jones a few months ago disposed of his interest in the City Market. In point of service he is the oldest market man in Floydada and has served a large clientele here for years.

LEASE MECHANICAL DEPARTMENT OF CALLAWAY MOTOR COMPANY

J. D. Higgins has leased the mechanical department of the Callaway Motor Company and will have charge of the Buick Service department. He is associated with his brother, who is coming here from Snyder, after two years as service manager for the Dodge Bros. distributors there.

The Higgins brothers will install a first class battery station and will conduct an electrical repair business in connection with their Buick service work.

Mr. and Mrs. W. Edd Brown and family returned Monday from a ten weeks vacation trip. While gone they visited thirty states and Canada.

Miss Geneva Shipley visited from Tuesday until Saturday of last week with Mr. and Mrs. Wallace Covington of Lubbock.

EXTRA SERVICE Tires

Give More Tire Miles At A Lower Rate Per Mile

You get more trouble-free miles for every dollar you put in a Federal than from any other tire in the world. Buy the Double Blue Pennant Federal (the super tire of the line)—or one of the lower-priced Federals—either is a real investment in Tire Miles.

The "Equal Tension Cord Construction"—an exclusive Federal feature—makes it possible to build more Tire Miles into Federal Tires at no extra cost to you. This construction means freedom from weak spots that the road can pound through. It enables Federals to withstand the terrific heat and friction of today's high speed driving. It means that Federals wear down evenly and slowly. It enables Federals to give extra service—more Tire Miles.

We service every tire we sell. We not only mount the tire properly but check the wheels and rims to assure every Federal user that he will get all the extra Tire Miles that have been built into his tires.

Let us show you these great mileage tires—in your size—at your price.
