

Sheriff Host To Many Transients This Week

Sheriff P. G. Stegall has been playing host to fifty or seventy transients in Floydada during this week, his guests including a number of families, who reached Floydada Saturday and Sunday in search of cotton picking or other harvesting jobs and could not find a lodging place when the rains began to fall.

His biggest "run" to date was Tuesday night when he found sleeping places for seventy-five persons in various parts of the court house. Wednesday night he had nearly as many.

The jail is also well-filled now for the first time since he has been in office, Mr. Stegall said. Those being held are locked up on various sundry charges.

Election Of Cemetery Ass'n. Officers Friday

New officers will be elected and plans made for the annual finance for the Floydada Cemetery tomorrow afternoon when a special meeting of the Floydada Cemetery Association will be held at the home of Mrs. S. D. Bishop at 225 1/2 Kentucky street. The meeting will be called for 3:30 o'clock Friday afternoon.

Reports of officials on the work done in the Cemetery during the past year and the naming of special committees to supervise the work of the coming year, are among the things to be discussed at the meeting. All members of the association, and anyone interested in the cemetery work are especially invited to attend the meeting, Mrs. Bishop, president of the association, said.

Slight Decrease Shown In 1928 State, County Taxes

An increase of \$97,244 in valuations in Floyd County for the current year's taxes, shows a net loss of \$4,505.57 in taxes that will be collected for state, county and common school district purposes in this county this year. According to the approved rolls of County Tax Assessor C. M. Meredith the total valuations this year are \$11,439,764.

County Levy 3c Less

The total of state, county and common school district taxes to be collected in the county for 1928 is assessor \$217,729.50, against \$222,235.07, for last year, a decrease of \$4,505.57. The state tax to be collected in the county for 1928 are \$73,214.86 against \$75,994.67 levied last year; county, \$57,198.83 this year against \$56,712.60 last year and special road district this year \$17,005.63 against \$16,850.47 last year. Common school district totals this season are \$70,310.18 against \$72,668.73 last year.

The county and state levy are lower this year than last, the county levy by three cents. Total valuations run some lower than they were expected to run, County Assessor Meredith said, some of the loss being occasioned by the personal property renditions.

The influx of new rail lines, new telephone lines, new gas lines and distribution systems are not largely felt in this year's grand total of property renditions, a material percentage of the improvements having not been completed on January 1. Next year the increase of tax revenue from this source will be felt to a greater extent. The practice of holding down state and county valuations in this county in order to avoid an over-payment to the state funds is still being followed, and as a result of the practice started a decade ago valuations of this county have barely reached figures for a year or years prior to 1920.

Valuations by rolls in Floyd County, as shown by Assessor Meredith's books are as follows:

Resident roll: 347,192 acres of land at a value of \$4,604,070; city property \$1,174,055; personal property \$1,514,075; total resident, \$7,292,200.

Non-resident roll: 284,982 acres of land at \$3,377,250; city property, \$201,240; personal \$131,605; total non-resident, \$3,710,095.

Un-rendered roll: 437 acres of land at \$10,160; city property \$34,140; total un-rendered \$44,300.

Railroad, telephone and telegraph lines: Railroad mileage 104.4 at \$151,080; rolling stock \$27,265; intangible assets \$75,424; telephone and telegraph lines 59.45 miles at \$18,200. Total \$271,969.

Banks: 653 acres of land \$9,900; city property \$23,100; bank values \$7,900; total of banks \$120,900.

Rolls Are Approved

The rolls of the tax assessor were approved by the Commissioners' court on September 26, and by the State Comptroller's Department at Austin last week. Advances from the department said the rolls were approved without correction. With the approval by the county and state authorities the rolls are now to go into the hands of the county tax collector.

An abstract of the valuations and taxes for all common school districts in Floyd County for the year of 1928 has been prepared by Assessor Meredith and appears in another column in this newspaper this week.

Poultry Raisers Set Dates For Show Today

Dates will be set and plans perfected this Thursday evening for the 1928 Floyd County Poultry Show, when the Floyd County Poultry Association holds its regular annual meeting in Lockney. The annual poultry show will be held this year in Lockney and is sponsored by the Lockney Chamber of Commerce.

President A. B. Muncy has called the meeting for 7:30 o'clock in the office of the Chamber of Commerce in Lockney.

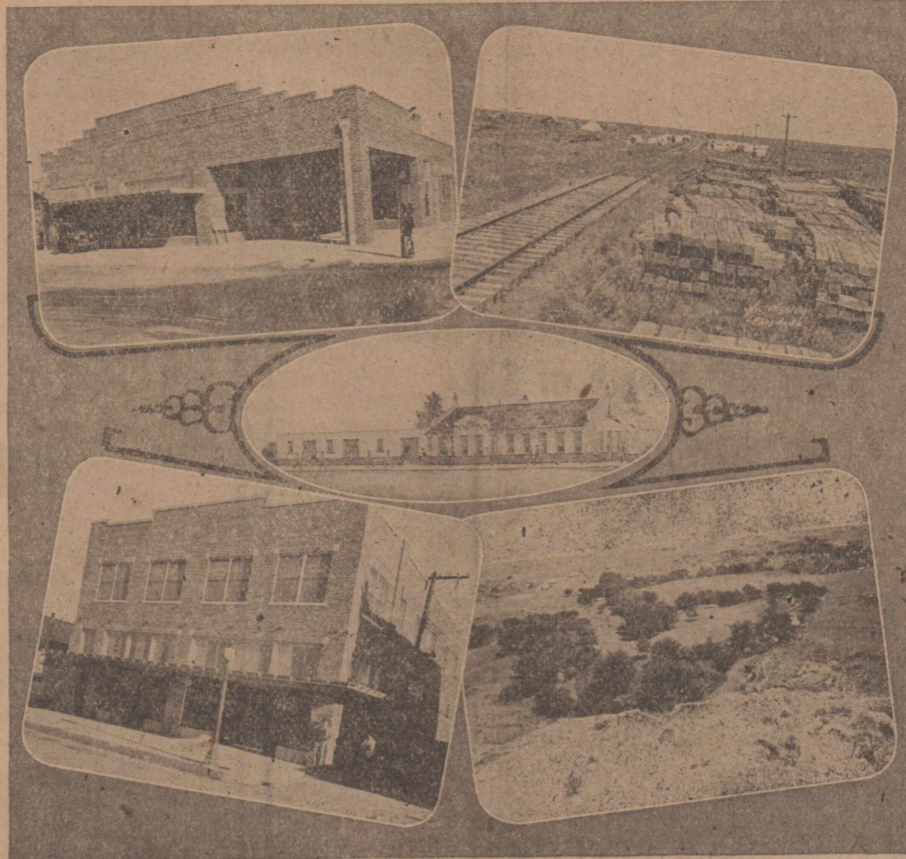

More than 500 fowls were shown in Floydada last year when the poultry show was held in this city. Last year marked the biggest show in the history of the county, and, according to poultry raisers, this year's show bids fair to surpass any previous show. The date for the 1928 attraction will probably be set for some date in December, it is stated by officials.

Hallowe'en Carnival Postponed To Saturday

The Hallowe'en Carnival sponsored by the East Ward Parent-Teachers' Association which was to have been held last night at the Montgomery building on the south side of the square was postponed, on account of the muddy streets and roads to Saturday night and will begin at 7:30 o'clock, according to announcement made Wednesday afternoon by Mrs. C. R. Houston, president of the association.

The original plans will be carried out with booths for fortune telling and various other kinds of amusements. Candy, pop corn and peanuts will be for sale. A small admission fee of ten cents will be charged each one upon entering the building.

Some Recent Developments In Floydada As Told By Pictures

Here are shown some of the things that have been in the development news of Floydada in the past year, taken from a recent issue of West Texas Today. Top left is shown the home of the Motor Supply Company, completed early in the year; Top right, material yards of the Q. A. & P. Ry. Company at McBain when work on the Floydada Extension was begun; center, the new station of the Quannah, Acme & Pacific Railway Company in Floydada, now nearing completion. Bottom left is the Readhimer office building completed this spring, and bottom right a view of Floydada County Club from a plains-high "island" in the approximate center of the grounds on Blanco Canyon. The three buildings shown above represent a combined cost in excess of \$100,000.

1.56 Inches Rainfall In Three-Day Period

Wide Area Covered by Slow Downpour That Stops Crop-Gathering But Gives Good Season.

1.56 inches of rain that fell in Floydada in the period of Sunday night to Wednesday afternoon is probably about the average that fell over Floyd County in the three days of a rain that, according to reports, covered a large part of Texas, Oklahoma and New Mexico. Effectually stopping crop-gathering for a full week and thus probably causing some delay and loss, the rain on the other hand, gave good seasons for fall and winter work and gives the wheat a flying start for good winter pasture.

Every section of the plains and panhandle area reports plenty of rain and the area extended into the mountains of New Mexico, and far into north Texas. A heavy acreage in wheat is already in the ground over Floyd County and while some of it is not a good stand, all of it is expected to come out in good shape. Probabilities are that additional acreage will be planted in portions of the county, where gathering cotton or harvesting feed will not keep crews too busy.

The damage, if it may be looked upon as such, to the cotton crop is principally in the delay of a week in gathering and the expense of the large number of cotton pickers scattered over the county. Large numbers of families and parties of pickers are here and some of them who arrived at the beginning of the rain period have been having difficulty finding places to sleep. Temperatures have ranged from 37 degrees, the low point, to near 60 degrees, and no frost or freeze came in on the cold wave. Reports indicate that the coldest portion of the state was north and east of Dallas, where the thermometer registered lower than in this section.

F. M. Dougherty Named Director Q. A. & P. Ry.

F. M. Dougherty, of Fort Worth and Dougherty, last week was named as a director of the Quannah, Acme & Pacific Railway Company, at the annual meeting of the stockholders of the company, held in Quannah.

President C. H. Sommer and Secretary-treasurer C. B. Dorchester, of Sherman, were present for the meeting.

Aside from receiving the resignations of two directors and the selection of two new directors to take their places, only routine business was transacted. The retiring directors are J. M. Jackson of Roaring Springs, and Harry Koch, of Quannah. A. B. Wey, of Quannah and Mr. Dougherty were the two new directors named.

MRS. E. C. HENRY ILL

Mrs. E. C. Henry is in the local sanitarium recovering from an appendicitis operation performed Saturday. She was doing fine Wednesday.

Kenneth Henry who came to be with his mother, returned to Lubbock Wednesday where he is attending school. Mrs. Henry's daughter, Mrs. Pitzer Baker of Weinert, also came and will remain until her mother recovers.

Election Holders For Floyd County Named

Republican And Democrats Do Not Name Representatives For Challenging Votes at Polls.

No special representatives of either the Republican or Democratic Parties have been named by the respective county chairmen of the two parties, a custom which has prevailed here for a number of years, for the general election Tuesday of next week.

With the possibility in mind that it would be desirable for his party's interest to name a special representative from his party to "sit in" on the election, T. C. Russell, County Chairman of the Republican party, recently checked over the list of officials named by the Commissioners' Court at the February term of this year to hold the elections in the various precincts. However, he found that in a large number of the boxes the Republican party is already represented in the list of election holders, and decided that additional members of the party would not be needed.

Following are the election holders for the various precincts, as taken from the minutes of the Commissioners' Court, February term:

Precinct No. 1, Floydada—J. R. Maddox, presiding judge; Ohmer Kirk, Carr Surginer, Edd Brown.

Precinct No. 2, Starkey—J. W. Howard, presiding judge, Ed Kelley, William Snell, E. W. Holmes.

Precinct No. 3, Allmon—H. A. Krause, presiding judge, A. S. Green, R. E. L. Muncy, Lester Honea.

Precinct No. 4, Sand Hill—O. B. Gross, presiding judge, E. C. Holmes Arthur Womack, Mason Riley.

Precinct No. 5, Lockney—Z. T. Riley, presiding judge, E. E. Wells, R. E. L. Muncy, Lester Honea.

Precinct No. 6, Aiken—G. M. Tate presiding judge, J. E. McAvoy.

Precinct No. 7, Providence—Henry Ratjen, presiding judge, R. J. McLaughlin.

Precinct No. 8, Lone Star—T. S. McGehee, presiding judge, W. R. Rexrode.

Precinct No. 9, Sunset—R. L. Orman, presiding judge, H. B. Bradshaw.

Precinct No. 10, Fairmont—Z. Hawkins, presiding judge, George Tibbets.

Precinct No. 11, Cedar—D. B. Brown presiding judge, Roy Clendenen, B. Yearly, J. V. Gilley.

Precinct No. 12, Cedar—W. B. Jordan, presiding judge, Lee Rushing, E. C. Austin, A. A. Beedy.

Precinct No. 13, Baker—W. H. Nelson, presiding judge, J. N. Bartlett, Ross Colson, L. J. Davis.

Precinct No. 14, Antelope—Will Graham, presiding judge, Henry Bloodworth.

Precinct No. 15, Lakeview—Wayne Wright, presiding judge, Deck Adams Elmer Roy, Clark Bolding.

Precinct No. 16, Harmony—M. W. Heard, presiding judge, Dave Battey.

Precinct No. 17, Goodnight—J. W. Taylor, presiding judge, R. J. Edwards.

Precinct No. 18, Lockney—A. J. White, presiding judge, G. B. Harris W. C. Watson, Ed Tuton.

Hesperian To Bulletin Vote Next Tues. Night

Reports by Western Union And by Radio Will be Received Until Late Hour.

Returns on both the state and national vote in the General Election Tuesday night of next week, when more than thirty five million votes are expected to be cast in the selection of electors for the naming of a president and vice president, as well as congressman and senators from all over the union, will be received at The Hesperian office both by telegraph and by radio.

Arrangements for the telegraphic service through the Floydada office of Western Union Telegraph Company were completed this week. The service will begin within a few minutes after the polls close and will continue until 12:30 Wednesday morning. Expectation is that within that time the definite trend of the vote will be learned and that an accurate forecast of the winning ticket for president and vice president can be named. Radio reports will also be received at this office from the state and national campaign.

Almost as much interest in the Texas vote as in that of the whole country, will be evinced Tuesday, it seems. Although in previous years little interest has attached to the Texas vote, the possibility that this state will send Republican electors to the electoral college has whipped interest up to the highest pitch.

Plans are also being made to get the complete vote on the national ticket in Floyd County. While this county has had fewer general public demonstrations and rallies than most any county in the state, the workers on both sides, though more or less quiet, are intensely interested and making every effort to carry the county, scores of democrats heretofore supporting the democratic national ticket since the beginning of their voting days, having announced their intention of supporting the Hoover electors.

Expect Recovery Of Williams To Be Slow

Although reports from the hospital at Amarillo are re-assuring as regards the recovery shown by Marvin Stiles, of this city, and Lee Ponder, of Hale Center, the recovery of W. J. Williams, Hale County surveyor and widely known engineer, is not so pronounced, according to the information gained by Geo. A. Lider and Ed and Tom Stiles of this city.

W. J. Williams, Lee Ponder and Marvin Stiles were injured in an automobile accident out of Amarillo a short distance last week when their car overturned. They were returning from the field where they had been running some lines. Marvin Stiles is a younger brother of Tom and Ed Stiles and these left for Amarillo shortly after learning of their brother's injuries, but have since returned. He has a broken arm, a badly lacerated hand and other injuries and was unconscious for a time. He is expected to be able to leave the hospital soon, as will Lee Ponder.

Mr. Williams sustained injuries about the neck and shoulders and has been slower in regaining normalcy. Ed Stiles talked over the telephone to hospital attendants Wednesday morning.

Remedy 'Lakes' Soon Is Plan Of Engineers

Prompt measures, as soon as manpower is available to remedy 'lakes' in Floydada streets occasioned by unfinished work on the paving program, is promised by the city engineers, who said that drainage troubles at Wall and Tennessee, Second and California and on East Mississippi Street were due to the fact that the heavy rains of this week caught the grading crews with their work unfinished.

"The condition is not a permanent one at all," it was said last evening at Engineer Lider's office. "Taking care of these drainage situations is in the plans and we hope the citizens of the community will bear with the conditions until we can get to them."

Plans that will take care of the drainage in an efficient manner were worked out in connection with the improvement of the streets as the streets were ordered in by the city council. On account of the demand for labor it has been difficult to carry out these plans as fast as expected and desired.

REGULAR FREIGHT SERVICE PROMISED PETERSBURG SOON

Petersburg is soon to enjoy the convenience of regular freight service—local as well as carload—over the new line of the Fort Worth & Denver Railway Company. November 10 is the probable date for the beginning of regular local freight service, the Petersburg Journal says, and soon after that passenger service over the line will be established. J. M. Erwin has been stationed at Petersburg as agent of the railway company. Mr. Erwin is from Chillicothe where he has been the past year. For four years he served as agent of the Denver at Esteline. He will move his family to Petersburg soon.

Mrs. Lee Howard Named Assistant Dist. Deputy

Mrs. Lee Howard of this city last week was honored by being named as Assistant District Deputy Grand Matron of the Eastern Star, her selection as an aide of the Grand Matron in this section having been announced at the annual convention of the Grand Chapter of the order at El Paso last week.

Mrs. Howard will have seventeen counties in her jurisdiction, comprising what is known in the order as District Two of Section Two. She has been active in Eastern Star circles for a number of years. She will assume her new duties soon.

NEW LOCKNEY BEACON HOME NOW READY FOR OCCUPANCY

The new home of The Lockney Beacon on South Main Street of Lockney was completed ready for occupancy by Stephenson & Thurmon, contractors, this week, and turned over to the owner, Harry B. Adams.

Mr. Adams said the latter part of last week that it was his plan to move into the new office at an early date, and next week's edition of The Beacon will likely be published from the new office.

The building is 27 by 100 feet, and will be one of the most modern and up-to-date newspaper offices in this section.

HALE CENTER AND TURKEY SCHOOL BUILDINGS GOING UP

The new school buildings at Hale Center and Turkey, each representing an outlay of approximately \$40,000, are well under way.

Cannaday & Stark are contractors on both the buildings. Growth of the two little cities have made the new school houses a necessity, and they will be occupied as soon as completed.

Improved Living Quarters To Be Study of Co. Clubs

Study of the living rooms in the homes of the members of the Home Demonstration Clubs of Floyd County is one of the leading thoughts in county club work at this season, this being the period for registration of members who desire to enter a state-wide contest in living room improvement.

Dedication Banquet At Allmon Set For Nov. 9

Announcement was made yesterday afternoon that Judge Clark M. Mullican, of Lubbock, will make the principal address at the Banquet at Allmon, when the new school building dedication exercises are held on Friday, November 9.

To dedicate their recently completed brick school building, the people of the Allmon community will give a banquet Friday evening, Nov. 9, it was decided at a mass meeting held last Friday evening at the school house at which Price Scott, county superintendent, presided.

More than one hundred patrons and officials of the school and representatives from Floydada attended the meeting and initial plans were made for the banquet. Miss Lou Featherston, principal of the school, was selected to have charge of general arrangements, with H. A. Krause as leading committeeman. Miss Featherston, J. S. Jones, and Ed Bishop will have charge of program arrangements and are making efforts to secure a principal speaker who has not been heard in this county. L. G. Mathews, local attorney, will be toastmaster. The Floydada Band will furnish music.

Ticket sales in Floydada will be in charge of the Chamber of Commerce and will sell for one dollar each. Money received will be used to buy seats for the school auditorium. Floydada is pledged to buy as many tickets as the Allmon community and twice as many as any other community with a limit of fifty.

SISTER OF MRS. RANDERSON DIES AT GUSTINE, OCT. 22

Mrs. W. A. Johnston, of Gustine, sister of Mrs. E. S. Randerson of this city, died Monday, October 22, in a hospital at Brownwood, following an operation on Wednesday. She had been ill for about a year. The deceased has visited here with her sister a number of times and will be remembered by friends in this city.

Mr. and Mrs. Randerson and daughter, Folia, were returning home from Dallas, where they attended the State Fair, when they received the word of Mrs. Johnston's death. They left at once for Gustine, to attend the funeral which was held Tuesday, October 23.

The deceased leaves her husband and two small children, Geraldine and Freddie Mack; her parents, Mr. and Mrs. W. W. Wilson, of Gustine; three sisters, Mrs. H. A. Wyche, of Comanche, Mrs. W. Y. Butler, Graham, Mrs. E. S. Randerson, Floydada and three brothers, Roy, Leslie and Cloe, all of Gustine.

Mr. and Mrs. Randerson and daughter returned home Thursday of last week.

Names of all contestants enrolled in the contest must be in the hands of the Extension Service of A. & M. College by December 1.

"Several entries have already been made by women in Floyd County," Miss Blanche Bass, Home Demonstrator for the county, said this week, "and the work these contestants do toward making their homes more livable will have considerable attention. The contest will be won by proportion to the expenditure made." improvement in her living room in the woman who makes the greatest

The contest will come under two heads, in each division of which first, second, third and fourth prizes will be awarded. In the first division comes those who make their improvements at a cost not exceeding \$25 and in the second will be those making the greatest improvement at a cost exceeding \$25. The winners will be those who make the greatest improvement at the least expense in the opinion of the judges.

A score card on which the perfect score would be 1000 points is made up under eight classifications to govern the judging.

Following are the points on which scoring will be done, together with the perfect score possible under each:

Sanitation, 135 points:	
Ventilation, _____	30
Screening, _____	75
Cleanliness and east of cleaning, _____	30
Lighting, 110 points:	
Natural light, _____	65
Artificial light, _____	45
Heating facilities, 110 points:	
Interior finish, 110 points:	
Walls and ceiling, _____	70
Woodwork, _____	30
Furnishings, 270 points:	
Furniture:	

(a) Adequate for family activities, _____	60
(b) Appropriate, _____	20
(c) Comfortable, _____	30
(d) Condition, _____	15
(e) Design, _____	10
(f) Arrangement, _____	30
Books, magazines, papers, music, games and storage for them, _____	30
Curtains and draperies, _____	25
Pictures, _____	25
(Appropriateness and placing and method of hanging.)	

Accessories (appropriate, harmonious)	
General appearance, _____	100
Attractiveness _____	
Restfulness _____	
Outlook _____	
Suitability to needs of particular family, _____	100
Total, _____	1,000

No announcement has been made of any of the entries in the contest to date, and it is thought certain that a number more will enroll in the contest before the enrollment period closes.

County winners will be chosen early next spring and the contest progress through district and state eliminations until the final grand winners are announced.

WHEN YOU GO TO VOTE

When you go to vote Tuesday of next week you will want to express your convictions at the polls. You may want to put in a "straight" ticket of one kind or another or you may want to vote mixed. Perhaps a majority of the people in the county plan to do the latter.

In this connection, it should be remembered by those who desire to preserve the purity of the ballot box that carrying sample ballots, marked ballots or similar devices to the polling place is strictly a violation of the law, made a part of the Terrell Election Law for the express purpose of stopping the activities of ward heelers, and bosses.

A heavy penalty attaches to the offense of taking marked ballots to the voting place, and if you feel that you must study out how to vote your sentiments, complete your study before you get within 100 feet of the polls. Do not attempt to impose on the good nature of election judges with this kind of thing, because you look upon yourself as a good citizen.

HOW THE PAVING HELPS

The portion of the new paved areas in Floydada which has been opened and turned over to the city by the contractors is helping mightily. It gives an idea what it is going to mean to the people of this section in reaching places most needed to be reached in Floydada.

If, as it has been suggested, it is another three years before another program will be attempted, it is going to make property on these paved streets mightily in demand above that on unpaved streets.

SAMPLE BALLOT THIS WEEK

The Hesperian this week contains a sample ballot, which we offer for the study and information of voters who wish to inform themselves on any phase of the ballots, how they desire to vote their sentiments, et cetera.

In particular, we call your attention to the amendments at the foot of the ballot. Amendments of the constitution are entitled to more consideration than any other portion of the ballot, and get less at the hands of voters, we sometimes think. It is just as important to vote right on the amendments as it is to vote right on the presidential electors.

The reason little attention is given amendments, usually, is that that old trait of human nature comes to the surface in elections. More people go to the polls to vote against somebody than go to the polls to vote for something or somebody. The present attitude of a very considerable portion of the franchise holders in Floyd County is an example in proof. It was ever thus.

RAINS HELP THE MARKET

While Floyd County people generally are rejoicing over the good rains of this week that mean a good winter season, they would also like to have good clear weather for gathering feed and cotton crops at the same time.

Unless the crop is in worse condition than we think, however, the rains will do little damage if reasonably open weather follows the moisture and the cold weather that is expected to follow. At the same time if the rain area is big enough it will stop the flow of the cotton to the market temporarily, give the buyers an opportunity to catch up with their sales, relieving the glutted condition that always follows a prolonged open season.

SHEEP PAYING GOOD RETURNS

Reports indicate the farmers who have, during the past four or five years, come to the conclusion that a few sheep around their places are a good investment, have had no reason to date to change their minds. In fact, where the farm was not over-stocked with these wool-bearing animals, the return on the investment of money and time has been very satisfactory indeed.

Where profits have been largest, it is noted the manager of the business has been careful not to over-stock nor to overlook the main part of his business, that of farming. Sheep as a side line strictly have paid big and the opportunity appar-

ently is still as good as it was. Another advantage to the man who would like to get in the game now is the fact that the pioneers in the movement have already established the business, and a novice can go to a successful sheep-handling neighbor and get the information, which, if followed, will be equally as successful for one as for another. At least, it looks that way on paper. Bankers believe that way about it, and bankers have a successful way about them, you know.

'Round The Square

BY OLD BATTLEAXE

From the looks of the progress being made on paving in our neighboring counties, if Floyd County don't vote bonds this year, the present generation will not get to enjoy the hard surface roads. December 1, is the date, you know, and it's time we put this thing over in first class style. Don't forget to vote for the paving bonds.

O. B. was afraid that some of these non-pavers were not reading our stuff, so last week we addressed a marked copy to "The Dumbest Man in Floydada." And it was returned to us.

You never can tell which way the worm will turn. O. B. felt plumb silly two years ago when he began arguing for pavement round the square—and now see what is happening. If we can get paved highways, lights on the court house, and a new telephone system, we will be setting on top of the world.

Things round the square are "all wet" this week—actually and literally speaking. Actually, because of the rains this week, and literally because of the political arguments. Really it's hard to tell which is falling the fastest, the rain or the am-beer.

This political stuff gives us a laugh. Some folks will fuss and fight over the presidential election, when actually it won't make one particle of difference in Floydada who is elected. We predict that the world won't quite go all the way to the dogs even if Al Smith is elected. Regardless of the election results, we are not planning on moving to Europe.

Dog gone this weather! Just when we had quit worrying over the ice bill, along comes the gas man.

But after seeing some of these "Catch as catch can" marriages, we have just about decided that life is "Just one fool thing after another," anyway.

Things round the square last Saturday were a mell of a hess as that guy on California Street says. The street was torn up so that only half of it could be used, and with the cars parked two and three deep—well, the traffic was just about like our traffic laws—there just wasn't any.

"He that tooteth not his own horn, the same shall not be tooted" said one fellow round the square. "Yea verily," says we. "Likewise, he that lighteth not his own town, the same shall not be lighted"—and that goes for the court house lights—too.

Mrs. G. O. Price and children, and Jim Young, of Hillsboro left Sunday after a weeks visit with their mother, Mrs. M. C. Young.

Mr. and Mrs. R. T. Young and family of Roaring Springs spent Saturday with his mother, Mrs. M. C. Young.

FLOYD COUNTY 14 YEARS AGO

News items taken from files of the Floyd County Hesperian published in Floydada fourteen years ago.

ISSUE OF NOVEMBER 5, 1914

Interest in the general election Tuesday lagged. Only 119 votes were cast in Floydada Precinct. Hardly as large a percentage prevails in any of the returns from ten boxes. The returns from ten boxes out of fifteen give 183 Democrats, five Republicans, and 20 Socialist votes.

E. B. Lauderdale is this week installing barber shop fixtures in the old phone office on the south side, where he will run a one-chair shop.

George L. Fawver, of the Baker

neighborhood, is paid further in advance with the Hesperian subscription department than any other reader on our books. George was afraid the reading would all "be took up" so he paid up to February, 1920.

Mrs. Roy Bruner was hostess to the Carnation Club Thursday of last week at the Bruner Ranch 18 miles northeast of Floydada. The crowd was conveyed to the Bruner home in automobiles driven by Messrs. Featherston and Reagan and Mesdames Jenkins and Farris.

A decidedly optimistic tone has prevailed in the cotton market for the past six days, which has been reflected locally by better prices on staple. Good cotton brought as high as seven cents Tuesday in Floydada, and about the same limits prevailed Wednesday and this morning.

Mr. and Mrs. A. R. Hanna and family, Mr. and Mrs. C. D. Gibbs and son, James Fry, and Mr. and Mrs. Hilery Shurbet spent Sunday in Tulsa with their daughter and sister, Mrs. N. G. Jackson and family.

Laid Up in The Hospital He Sold \$200,000 Worth of Silk

A New York raw silk salesman had to go to the hospital for 10 days. He secured a room with a telephone. Throughout his convalescence, he kept informed of the course of the market. Sent and received his cables by telephone. Kept in constant touch with office and customers. Sold more than \$200,000 worth of silk.

A Milwaukee dry goods salesman was forced to cancel his regular trip because of a broken leg. From his sickroom, he covered in 5 days by telephone the same territory that took from 5 to 6 weeks of traveling.

Held up by road conditions, a tire salesman had to abandon a certain trip in southern Nebraska. He went to the telephone office, covered his territory by Long Distance, and sold \$1280 worth of tires.

You will be surprised how little long distance calls now cost. New station to station day rates are: Los Angeles to New York, \$8.75. Dallas to Chicago, \$3.25. Baltimore to Philadelphia, 70c . . . Calling by number takes less time. . . Number Please?

Doctors Disagree

When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from FLOYDADA DRUG CO.

LAND

We have land to Sell and to Lease for Farming, Stock-Farming and Grazing purposes, from about 80 acres up, in Floyd, Briscoe, Hall, Motley and other counties. Also large list of Lots in Floydada.

The Hesperian \$1.50 per Year.

HIGH In Quality LOW In Price

There's a big difference in tires, although they all look pretty much alike.

Some are made with skimpy, short staple cotton. Some have an overdose of "filler" in the rubber of the tread. Some are long on looks and short on quality.

But you won't need a microscope to be sure that the Goodyear Tire you get from us is a real buy. Goodyear mileages tell the story of "The World's Greatest Tire."

Goodyears are performing so satisfactorily for our customers that they invariably come back—not with a kick but with a boost, and for another Goodyear when they need tire equipment.

We have your size—in fresh, new stocks—at low prices.

Hosiery Sales On The Increase

The increase in hosiery sales in the past three or four years has been phenomenal.

The brevity of feminine apparel— we're casting no reflections, whatever! —has made hosiery a most important part of milady's costume.

It is not our purpose to discuss styles, however. The phase of the hosiery question which we have particularly noted is the fact that our local merchants here in Floydada have stocked the very best lines known—nationally advertised lines that have reputations to sustain.

The purchase of unknown brands of hosiery from strangers who call at your home is not safe. Such salesmen usually are here today and gone tomorrow. Adjustments are not in their plan of business.

Local merchants stand back of their representations. If their lines of hosiery do not give complete satisfaction they want to know it. We know, because we have heard them express themselves on the subject.

A Great Discovery

When Pasteur discovered, in 1881, that the infection of wounds caused by malignant bacteria, he formed a service of inestimable value to mankind. Since then medical science has been producing better and better antiseptics, to kill these germs, may enter the smallest cut and give diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to be sure that these dreadful germs not infect a wound, is to wash the wound, however small, thoroughly with Liquid Borozone, the modern antiseptic. You can get Liquid Borozone in any size to fit your needs and price. Floydada Drug Co.

Sea In Orbit Work

Instituted by Plains Country Will Prove Profitable, Telegram Says.

or the idea in county developed in Dallas this late, Lubbock and Floyd exhibitors, is given freely in published Wednesday of the Fort Worth Star-Getting entirely out of line of competition, each exhibited that attractively their novelty and strikingly.

as, not content with its record of winning most of offered by state and for agricultural exhibitors developed a new technique of promotion. The remarkable this year at the State be described as the fruit "criticism" in the matter natural exhibition. The charge of the exhibits of various Texas counties, many with a long record of contest came to the conclusion the rigid lines of competition did not permit the country at its best foot forward in the of getting public attention of most desirable The Purpose county exhibits is not alone how what the county's farms but also, and importantly so, induce homeseekers to become citizens.

Thus, a county may raise splendid samples of this and that crop. But all this, however much it may figure in it, does not sway entirely the decision of a man seeking a new home where his family can be happy and prosperous. Such a man wants to know other things about the counties. He wants to know about the transportation facilities which he must depend upon to get his produce to market. He wants to know about the roads, the schools, the churches, the social advantages, the health conditions, the "neighborliness" of the citizens. It is the new idea of West Texas counties to supply this information in connection with their exhibits at the various fairs.

If this requirement makes it impractical to conform to the rigid rules of competitive agricultural exhibits, then it is the idea of winning prizes that goes overboard. New citizens who will fit into West Texas' scheme of progress and aid in the development of that great section are the prime objective of the exhibits.

It seems an entirely worthy idea. West Texas' ability to raise prize agricultural products is already well established by its long record of success in competitive exhibits. It can afford to relegate prizes to secondary importance. In addressing its exhibits to the home-land to the contest Texas institutes a decision which seems certain to prove profitable.

N. W. McCleskey of Big Spring, spent the latter part of last week here on business.

Center News

Center, Oct. 30.—We are having some much needed rain today. A slow drizzling rain has fallen most of the day. Cotton pulling will be slowed up for a few days but wheat will be benefitted.

Rev. Bost preached for us Saturday night but he filled the pulpit at Roaring Springs Sunday morning and night. Rev. Chambless preached for us.

The Reverend and Mrs. Merle Weathers spent Sunday with Mr. and Mrs. E. W. Lightfoot.

Mr. and Mrs. H. B. Mankin spent Sunday with Mr. and Mrs. W. L. McAda.

Eddie Fields came home for an extended stay with his parents. Perhaps he will remain here next year.

Reverend Evans attended church here Sunday and was dinner guest of Mr. and Mrs. D. M. Fields.

Mr. and Mrs. A. A. Tubbs were dinner guests of Mr. and Mrs. Tom Jernigan Sunday.

Reverend and Mrs. Chambless took Sunday dinner with Mrs. Montgomery and children.

N. R. Austin and daughter, Miss Nova, attended church at Floydada Sunday.

The young people enjoyed a tacky party at the home of Mr. and Mrs. Guy Jackson. A large crowd was present and everyone had a great time. Mrs. Leo Bryant and Fred Fields won the prize for being dressed tackiest.

Misses Georgia Bryant and Bernice Mankin, and Mr. and Mrs. Marion Carpenter took Sunday night supper with Miss Alma Montgomery.

Mr. and Mrs. W. B. Jordan were Sunday dinner guests of Mr. and Mrs. D. M. Fields.

Mr. and Mrs. Boyd Carpenter spent Sunday with his parents, Mr. and Mrs. J. Q. Carpenter.

Little Miss Clara Tubbs spent Saturday night with little Miss Inez Spence.

W. L. McAda and sons, Hansel and Gracie, and J. W. Cole went to Locknew Monday.

Mr. and Mrs. T. J. Gill took Sunday dinner with Mr. and Mrs. A. L. Spence.

TRIBUTE PAID L. G. POOL BY MASONIC BROTHERHOOD

A tribute to the memory of L. G. Pool, recently-deceased resident of Floydada, is paid by a committee of the Floyd City Lodge, A. F. & A. M. in resolutions presented to the lodge recently and adopted by it unanimously as follows:

"We, your committee appointed to draft resolutions upon the death of Brother L. G. Pool, which occurred on Monday the 18th day of October A. D. 1928, at his home in Floydada, Texas, beg to report the following:

"Resolved First, That we extend our sympathy to the bereaved family, his relatives and friends and sincerely share with them their cup of sorrow; humbly submitting to the will of the Supreme Grand Master of the Universe, realizing that it is His will, not ours, that should be done;

"Resolved Second, That a good man, a kind husband, a loving father, a worthy Mason and a patriotic, progressive citizen has gone to his final reward, that undiscovered

country from whose bourne no traveler will return but not with out leaving behind him many memories which will always endear him to those who knew him.

"We are hereby reminded that ere long we, too, will be consigned to the narrow limits of the silent tomb; yet through the mercy of God we confidently hope, in the Morn of Resurrection, to meet our departed friends and loved ones, there to dwell in ternal Spring, where parting shall be no more.

"Resolved Third, That a copy of these resolutions be spread upon the minutes of this Lodge, a copy furnished the family of our deceased brother and a copy furnished the local press for publication."

The committee of the lodge that drafted the resolution is composed of J. D. Starks, J. W. Howard and W. F. Weatherbee.

Allman News

Allmon, Oct. 25.—Everyone in the Allmon community has been enjoying the pretty weather. Much has been done in the fields.

The high school students have been washing windows for the past two weeks to raise money to buy basketballs and classics.

The regular attendance of the Allmon school for the past two weeks has been poor, because many students are helping gather the cotton.

A mass meeting has been called to meet Friday night, Oct. 26 at eight o'clock, at the school house for the purpose of discussing plans for a banquet or some other means of raising money to buy seats for the auditorium. Everyone is urged to be there.

Excursion To Oklahoma City Only Postponed

"What's become of that trip you planned for Oklahoma City?" is a question often asked nowadays at The Hesperian Office, and the answer is that we are waiting for the "signs to get right." When the trip could not be staged immediately after service was begun on account of the numerous other things that were taking the attention of all concerned, it was thought best not to attempt it for two or three weeks. Then everybody in the country got busy incidental to the harvest of the cotton and feed crops, while in town about half the firms were "breaking in" new help or awaiting the return of vacationists from San Antonio and other points. And now, its the election.

An excursion to Oklahoma City, Kalamazoo, or any other seaport would not get any results now. In fact, it would be hazardous to run a train full of folk from Floydada to Oklahoma City this week or next while everybody is "hetup" over the election. As soon as everybody gets calmed down, probably in or around mid-November, we are now thinking, would be a good time to stage the trip.

Quite a bit of encouragement is being received on the plans for the trip over the line eastward. Many people in the territory outside of the immediate environs of Floydada are planning to go.

Among those who recently indicated intention of making the run to Oklahoma City is R. B. Smith, of Mt. Blanco. "Mrs. Smith and I failed to get to go to the State Fair as

we planned," Mr. Smith said, "And I told her that when the Floydada excursion to Oklahoma City took place we would be 'among those present.'" Several others have indicated their intention of making the trip.

KHIVA SHRINE CEREMONIAL

On November 22, 1928, The Nobility of Khiva Temple, A. A. O. N. M. S., will fill their water jugs, climb aloft their favorite camel, and join the caravan headed for Amarillo, Texas, as on that date a pilgrimage will be made to the sacred city of Mecca.

Many petitions for the Mystic Shrine are being filed with the Recorder of Khiva Temple, George Stapleton, Amarillo, Texas, and the prospects for a high-class ceremonial are exceedingly bright. Several Novices have announced themselves as candidates for the diamond ring.

Khiva Shrine has jurisdiction in territory embracing Northwest Texas and extends south on the Santa Fe as far as Curry County inclusive and east on the F. W. & D. C. Ry., as far as Hall and Cottle Counties, inclusive.

Owing to the excellent crops throughout Khiva's domain, prosperity abounds and many Masons eligible to take the Shrine contemplate crossing the hot sands this fall.

Locals and Personals

Miss Jean Ayres returned Wednesday from Amarillo where she attended a two day Chevrolet bookkeeping school.

Mr. and Mrs. George A. Linder and children spent the week end in Lubbock, with her sister, Mrs. Sam Henry and family.

Mrs. Fred Jones returned Sunday night from Ft. Sumner, New Mexico, where she spent some two weeks with her brother, Cooper Crain, and family.

Mrs. W. L. Hagerty of Los Angeles, California, left Wednesday after a two weeks visit here with her parents, Mr. and Mrs. W. P. Daily and other relatives.

Car Owners Expect More From Kelly's ---And They Get It

More people are buying Kellys this year than in any previous year.

The reason is not far to seek. The tires Kelly is building today are by far the best that ever have come out of the Kelly factory. This statement is not mere talk; it is an undeniable fact, as thousands of tire buyers can testify.

Kelly-Springfields don't cost any more than other tires.

Scoggin-Dickey Motor Company

SAMPLE BALLOT

Table with 5 columns: DEMOCRATIC PARTY, REPUBLICAN PARTY, COMMUNIST PARTY, SOCIALIST PARTY, and blank for other parties. Each column lists candidates for various offices like President, Governor, etc., across different districts.

CLAUDE POLLARD ATTORNEY GENERAL... OFFICES OF THE ATTORNEY GENERAL AUSTIN

Hon. Alvin Moody, Houston, Texas. Dear Mr. Moody: We have received your letter of October 4, inclosing a form of ballot to be used in case a voter desires to vote for the Republican presidential electors and at the same time for all the nominees of the Democratic party for state offices.

The manner of marking a ballot is set forth in Article 2981, of the Revised Civil Statutes of our State, and in this Article is included the provision for voting a mixed ticket. Article 2981 is as follows: "When a voter desires to vote a ticket straight, he shall run a pencil or pen through all other tickets on the official ballot, making a distinct marked line through such ticket not intended to be voted; and when he shall desire to vote a mixed ticket he shall do so by running a line through the names of such candidates as he shall desire to vote against in the ticket he is voting, and by writing the name of the candidate for whom he desires to vote in the blank column and in the space provided for such office; same to be written with black ink or pencil, unless the names of the candidates for which he desires to vote appear on the ballot, in which event he shall leave the same not scratched."

We have examined the sample ballot submitted by you, and in our opinion, a ballot so marked meets the requirements set forth in the Article quoted above and should be accepted by the election judges and counted as a vote for the Republican electors and at the same time as a vote for all of the state Democratic nominees.

That is to say, if a voter desires to vote for the Republican presidential electors and at the same time vote for all the Democratic nominees for state offices, it is legal for

CP/D Very truly yours, Claude Pollard, Attorney General

IMPORTANT A Democrat wishing to vote for Hoover should mark his ballot as shown in the marked sample ballot above. This has been approved by Hon. Claude Pollard, Attorney General of Texas, as a legal ballot which must be counted. Read General Pollard's official letter on this page.

Be sure to observe the following: (1) Mark out ALL TWENTY Smith electors which are those at the head of the "Democratic Party" column. Leave all other names in this column unmarked. (2) Leave UNMARKED ALL TWENTY of the Hoover electors at the top of the "Republican Party" column. Mark out all names in this column below the electors. (3) Mark out the whole of the three columns to the right, headed "Communist Party," "Socialist Party," and the blank column.

I. C. M. Meredith, Tax Assessor of Floyd County Texas, do hereby certify that the above valuations are true and correct as far as can be ascertained by the records of this office and that the total amount of taxes is the exact amount carried on the tax collectors receipt which is attached to the 1928 tax rolls of Floyd County.

C. M. MEREDITH, Tax Assessor,
Floyd County, Floydada, Texas.

What's Doing In West Texas Today

(By West Texas Chamber of Commerce)

Pecos recently celebrated the opening of the new Graham Hotel there. It is Pecos' largest Hotel and represents an investment of \$175,000 by Mr. and Mrs. W. H. Graham and stock holders. The building is three stories high and built of brick.

John P. Fleming of Archer City is taking a trip through East Texas and shipping back fifty head of registered pure bred milch cows. He will sell them to farmers who will give them proper care for exactly what they cost to interest them in dairying.

The Tomoso Hotel at Happy is gaining quite a reputation for distinctive accommodation and serving among the people who have been its

guests since its recent opening. Mr. and Mrs. M. M. Morris are proprietors.

The West Texas Chamber of Commerce Agricultural exhibit program for the year will be launched at the Louisiana Fair in Shreveport, October 24. The WTCC exhibit will not attempt to win prizes and will be totally representative of West Texas agricultural products.

A paper from Amherst states that Boy Scouts of the Central Plains will get the benefit of \$500.00 that was the result of a recent Old Fiddlers contest. A. F. Copeland of Amherst won first prize of \$100.00.

Adcock and Brown of Alvord have loaded their seventh car of peanuts out of town. Peanuts are bringing \$1.00 per bushel and about \$10,000 worth of them have been marketed in Alvord to date.

A new sanitarium is being built near Kerrville for the treatment of

tuberculosis. The building is 104 feet in length and 60 feet wide. It is located on an eight and one half acre tract of land and two and one half miles from town.

Abernathy was host to a band of musicians estimated to be about 300 strong on October 20th. The musicians were members of bands from neighboring towns, and during the day played in concert and individually.

Natural gas for Roswell, N. M., within a comparatively short time became a certainty when the city council voted six to four to extend the franchise of the Southwestern Public Service company for 25 years for the purpose of bringing and distributing natural gas to the city.

The Galbraith-Foxworth Lumber Company of Dalhart has started work on a 50 by 140 foot warehouse building, which will give Dalhart one of the most modern lumber yards in that section of the state when completed.

The October issue of West Texas Today, official magazine of the West Texas Chamber of Commerce, was a Panhandle North Plains special number and contained stories on a number of counties, towns and industries of the northwestern part of the state.

J. E. Johnson of Rotan will have his creamery and ice cream factory in operation within a short time, it is expected. Part of the creamery machinery is already at the location and is being set as it arrives.

Slaton's third annual poultry show will be held December 6, 7 and 8 this year. About four hundred birds were displayed last year. A large increase in entries is anticipated for the show this year.

HOW MANY BARGAIN TIRES ARE REAL BARGAINS?

ISN'T it better to pay a little more for a tire you know is good than to ride in fear and trembling on a "bargain" tire?

"Bargain" tires are short-lived, and in the end you've lost everything, including your temper—and nothing to show for it.

Buy United States Tires from us—ride comfortably and save money.

Floyd County Clubs

PRAIRIE CHAPEL CLUB

The Prairie Chapel Home Demonstration club met Tuesday, Oct. 23, with Mrs. L. Buth. Nine members were present and one visitor, Mrs. Bob Reeves of Lone Star.

Miss Bass gave a salad demonstration, giving us many new ideas for new combinations.

The second Tuesday in November the club will meet with Mrs. C. H. Huffman. Our subject will be "Meal Planning." Following is the program:

Roll call, The Vegetable I serve most often.

Facts to consider in planning a meal, Mrs. Clayton Weathers.

Why Plan Meals, Mrs. John Buth. Classes of Foods, Mrs. Walter Lovell.

Suggested balanced menus, Mrs. Joe Reeves.

HARMONY HOME DEM. CLUB

Harmony Home Demonstration Club met in regular meeting with Mrs. Ramsey, Wednesday afternoon, Oct. 17. Because of the scarcity of laborers in the maize and cotton fields, many of our women are helping there and our attendance was not so good. Eight members were present.

Those who were on the program gave some excellent talks on facts to consider in planning a meal, classes of foods and suggested balanced menus. After our program, delicious refreshments were served by our hostess.

Our next meeting will be Wednesday afternoon, Nov. 7 with Mrs. Gary. Following is the program for this meeting:

Roll call, My favorite casserole dish.

The place of casserole dishes in the menu, Mrs. Battey.

Variety in casserole dishes, Mrs. Heard.

Demonstration, Miss Bass.

PROVIDENCE HOME DEM. CLUB

The Providence Home Demonstration Club met at the Club room, Oct. 23, with eight members present, and Mrs. Ralph Brown as a visitor.

Meal planning was the subject of the lesson. Roll call was answered by "The vegetable I serve most often." The other parts of the program was discussed by different members present. The hostess Mrs. Roy Street served chocolate cake and punch.

Our next meeting will be Nov. 13. Miss Bass will be present and will give a demonstration on casserole dishes.

Mrs. Karl Samman will be hostess. Everyone be there at 1:30 p. m.

PLEASANT HILL CLUB

Mrs. S. D. Scott was hostess to the Pleasant Hill Home demonstration club Thursday, Oct. 25. Miss Bass met with us and gave a very interesting food demonstration. She also explained to the ladies the nature of the living room contest. Several of the members are thinking of entering this contest. The president of our club wishes to get the names of those who decide to enter the contest at our next meeting, Nov. 7.

PLEASANT VALLEY CLUB

Pleasant Valley Club met at the home of Mrs. S. L. Holmes, Oct. 24, with five members and two visitors present.

Miss Bass met with us and gave a demonstration on casserole dishes which we all enjoyed very much. The hostess served cake and cocoa.

Our next meeting will be Nov. 14, with Mrs. W. C. Hubbard. All members are urged to come and visitors are always welcome.

HOLLAND BULB FARMS OF MARVELOUS BEAUTY

The most casual visitor traveling in the train from Leyden to Haarlem in the spring has his attention arrested by the splendor of coloring on either side, for the Dutch bulb farms are probably as rich in bloom as any other in the world. Field after field of exquisite flowers strike the eye. From early April, when hyacinths bloom, to late June, when the Spanish irises are at their best, the fields hold carnival.

One of the most curious details in the work of the bulb farmer is observed late in the summer, when the hyacinths are prepared for purposes of propagation. In other years a bulb was slashed transversely and set in the ground. By the following summer it had thrown off a number of young bulbs. Accident taught the growers a better method.

Among the bulbs were some out of which mice had eaten, an extraordinary number of baby bulbs were found to be growing. The bulb had reproduced itself 30 or 40 fold.

The growers took the hint. Nowadays they cut away the bottom of the bulb from the center and stand the bulb in the sun for a time. Then they plant it out, and every section rises little ones and nourishes them with its own life. Next season the parent bulb has disappeared and 30 or 40 little bulbs have taken its place.

The hen that lays a small egg is a bad influence. It takes nerve to cull her out of the flock, especially if she is a high producer, but rigid culling of small-egg hens must be done to improve the flock and to avoid price cuts that go with small eggs.

Don't overwork your alfalfa patch! Alfalfa that goes into the winter with considerable growth will come out in better condition in the spring. Too late pasturing or cutting may kill a stand. For new seedings that have not made much growth, light dressings of straw help to reduce the chances for winter injury.

Gridsters Will Have Rest This Week-End

Floydada High School Whirlwind football team will not play this week-end, according to Athletic Coach Troy Jones. Friday, October 2, was an open date in the Whirlwind schedule for the season, and since a week's delay was caused in the Lockney Longhorn schedule, it was first planned for the Longhorns and Whirlwinds to meet on this date. However, it was found necessary for the Lockney team to follow their regular schedule and meet the Station Tigers on Friday of this week. This has thrown the Whirlwinds without an opponent on this week-end.

Local football fans and former high school players had planned an All-star versus Whirlwinds game for the week-end but bad weather and wet ground made it necessary for this game to be postponed. Local fans are planning such a game, however, and are inviting all ex-Whirlwinds to take part in the grid clash.

This week will mark the second Friday since the opening of the football season that the Whirlwinds have been without a game.

POULTRY 'PIN MONEY' DAYS NOW GONE AUTHORITY SAYS

The time when the farm poultry flock was a "pin money" pastime for the farmer's wife is gone. The farmer who does not make his chickens contribute liberally to his yearly profit is overlooking one of his surest sources of income, in the opinion of authorities interested in bettering farm conditions.

The whole secret of bigger profits from farm poultry is contained in three simple things—better stock, more hens and better methods. It is just about as easy to handle several hundred hens as it is a few. Good layers eat no more feed than low producers, while the former return a good profit for the care they get.

Farm bureaus and state agricultural experiment stations have been stressing the need of better farm flocks for several years past. Now comes the hatcheryman himself, joining the battle to eliminate the "scrubs" from the farms of the country by pledging himself to improve quality of his chicks.

Leading hatcheries recently united under the slogan "Hatchery Chicks For Greater Profits," promising fair dealing, cooperation with the farmer in raising the chicks purchased, and better quality stock to increase the profits from the farmer's flock.

The United States Agricultural Department reports indicate good egg prices for the coming year, as well as a profitable market for poultry as meat. Nearly all students of market prices agree with this forecast. With a favorable season just ahead the farmer with the largest flocks producing large numbers of eggs is going to reap the greatest profit.

Farm families have been too prone to look upon the poultry flock as a minor side line instead of one of their most reliable sources of income. Particularly in winter, when egg prices are high, and other farm operations are at a standstill, can the farm home secure a steady and lucrative profit if its flocks are of the kind which are capable of turning out a steady supply of eggs.

Temperature is a very important factor in the successful fermentation of vegetable foods, such as pickles and sauerkraut, say chemists of the U. S. Department of Agriculture. The foods should be kept as close as possible to 86 degrees F., at which temperature the bacteria essential to fermentation are most active. This is especially important in making sauerkraut.

By adding beets to the ration of his dairy cows, O. B. McGuire of Tarrant county has increased the milk production of his herd 150 lbs. daily.

Locals and Personals

Mrs. H. F. Hawkins of Chico, and nephew, A. B. Edwards, Jr., of Henrietta, arrived Friday to spend the week end here with her daughters, Mrs. Lon V. Smith and Miss Brown-eyes. Mr. Edwards made a business trip to Hereford during the week end. On account of the muddy roads they will be here several days longer than they had planned.

Mr. and Mrs. J. A. Arwine and little son, Joe, spent from Sunday until Wednesday in Roswell visiting with relatives.

BORN—to Mr. and Mrs. J. D. Williams, Baker, October 28, a girl.

BORN—to Mr. and Mrs. Lee Wilkerson, city, October 25, a girl.

Mr. and Mrs. W. F. McDaniel, of Lubbock, spent last Sunday here visiting with Mrs. McDaniels' parents Mr. and Mrs. S. N. McPeak.

Reverend and Mrs. E. L. Mayfield of Crowell spent Sunday and Monday here with Reverend and Mrs. P. D. O'Brien.

BORN—to Mr. and Mrs. A. W. Harris, Oct. 25, a boy.

Mrs. C. H. Davis went to Sterling City last Thursday for a visit with her parents, Mr. and Mrs. D. C. Durham and family. Mr. Davis will drive there Sunday and bring her home.

Patty Looper Honoree At Halloween Party.

A delightful occasion of the past week was the halloween party given for Miss Patty Looper by her sister, Mrs. Martin Brown last Thursday evening at her home on South Main Street.

Halloween colors were combined in the attractive decorations of the house. Yellow and orange cannas, dahlias, and chrysanthemums in tall vases were tastefully arranged, giving an added touch of beauty and color to the scene.

The young people, masked and in gay costumes, arrived about eight

o'clock. The evening was spent playing games and each guests' fortune was told by Miss Lyda Smith, the fortune teller.

At a late hour refreshments of doughnuts, popcorn balls, apples, and punch were served to: Donnie Stephenson, Hazel Probasco, Ruth Rutledge, Bess Claire Smith, Edna Mae Nelson, Helen Hay, Maurine Hay, Gwendolyn Snodgrass, William Smith Wilamina Salisbury, Wana Tawwater Carl Marshall, Winona Felton, Iris Shaw, Edmon Adams, W. A. Amburn Donly Stephenson, Wilmer Jones, Charles Brown, Marvin Crow, Russell King, Woodrow Tawwater, Bill Weber, Vivian Stegall, Miss Lyda Smith, Mrs. Leslie Surginer, and the honoree.

Hesperian War: Ads Pay.

Mr. and Mrs. Pope Honor Friends With Party.

Mr. and Mrs. H. O. Pope entertained a number of their friends last Thursday evening with an eighty-four party at their home.

Refreshments of fruit salad, butter sandwiches, cookies and hot chocolate were served to Messrs. and Mesdames Ed Johnson, J. G. Wood, W. L. Boerner, W. C. Grigsby, C. R. Houston, Jim Houston, E. P. Nelson, W. I. Cannaday, Glad Snodgrass, Dr. and Mrs. W. M. Houghton and Mrs. Sam Berry.

On account of bad weather the Woman's Co-operative Missionary Society meeting which was to have been held at the Baptist church Monday afternoon was postponed until the following Monday at 3:30 o'clock.

Mrs. T. P. Collins will be hostess to the Wednesday Bridge Club, Wednesday afternoon, November 7, at 3 o'clock.

The Halloween Carnival sponsored by the East Ward Parent-Teachers' Association which was to have been given last night was postponed to Saturday night on account of the bad weather.

Campfire Group Enjoy Hobo Party Saturday.

Mrs. Ruth Mask's Campfire group were entertained with a hobo party last Saturday evening. The girls, dressed as hobos, met at the home of Miss Hazel Probasco. From there they went to the Olympic Theatre where they enjoyed a movie.

After the show, the party returned to Miss Probasco's home where they played games and were served sandwiches, popcorn balls, apples, and hot punch.

Those attending were Misses Winona Felton, Iris Shaw, Bess Smith, Donnie Stephenson, Ruth Rutledge, Edna Mae Nelson, Hazel Probasco, Patty Looper and Gwendolyn Snodgrass. Mrs. M. L. Probasco was chaperone.

Mrs. Kenneth Bain Hostess To Endeavorers.

Mrs. Kenneth Bain was hostess Thursday evening of last week at a Halloween Party for members of the Christian Endeavor Society of the Presbyterian Church.

Decorations in keeping with the Halloween season were used in the entertainment rooms. Punch, sandwiches, and individual pumpkin pies with whipped cream were served to about thirty guests.

Marilynn and Maxine Fry Given Party Saturday.

A very enjoyable occasion of the All Saints season for the kiddies was the party given for Marilyn and Maxine Fry by their mother, Mrs. R. E. Fry at her home last Saturday evening. Mrs. Fry was assisted in entertaining by her mother, Mrs. Lillie Britton, and Mrs. Ora Hubbard of Lockney.

Each little guest, masked and gayly dressed, was greeted by a spook and ushered into the house which was decorated with Halloween colors and symbols. Yellow chrysanthemums and other autumn flowers were also used in the decoration and pumpkin jack-o-lanterns were used for lighting.

Fitting games were played, fortune telling being the feature entertainer. Favors of black cats and bats were placed for favors on the plates of sandwiches, popcorn balls, apples, and cookies.

The guests were Lois Covington, Margaret Smith, Gladys Watson, Dorothy Adams, Irvin Allen, Forrest Fry, Fern Charlotte Fry, Lawless Jones, Bert Ione Smith, Edell King, Virginia Welch, Inis Dea Fyffe, Bonnie Dale Fyffe, Norman Ginn, Guy Ginn, Louise Conner, Junior Rutledge, Florien Dorrell, Edclair Stevens, Joyce King, Folia Rander-son, Jessie Belle Massie, Billie Probasco, James Fry Gibbs, Irene Probasco, T. S. Stevenson, Mary Anna Ross, Louise Gound, Mildred Houston, Iris Kienty, Mary Louise Thurmon, Emma Louise Smith, Nell Stevenson, Gladys Ruth Brown, Virginia Belle Gamble, Dorothy Thurman, Marcella Saulk, Arthur Earl Gamble, J. W. Gamble, Mary Kathryn Smith, Geraldine Gamblin, Rhe Cloud Blanche King, Marilyn Cole, Wanda Teeple, Mary Ann Kimble and Hazel Borum.

East Ward Parent-Teachers Meet Tomorrow.

- FOR—An Amendment to Article III, authorizing Legislature to grant Confederate pensions regardless of date pensioner came to Texas or when widow married pensioner or when she was born.
- AGAINST—An Amendment to Article III, authorizing Legislature to grant Confederate pensions regardless of date pensioner came to Texas or when widow married pensioner or when she was born.

Just Like An Ostrich

A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipated condition and you will strengthen your system against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at Floydada Drug Co.

SORE

Could Not Rest

Mrs. J. H. Nichols, who lives at 513 Elm Tree Lane, Lexington, Ky., says:

"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest.

"The lower part of my body was very sore. I did not feel like eating, and did not sleep well at all at nights.

"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."

About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. "I took Cardui again," she adds, "and it helped me wonderfully. It is a splendid tonic."

Cardui is a mild, medicinal tonic, made from purely vegetable ingredients.

At all druggists.

NOTICE

My ranch land, located in the northeastern district of Floyd County and on the Quitaque River, is again POSTED and the road closed by lock and chain. Owing to the fact that my cattle are grazing on this land, we have found travelers and picnickers are a nuisance. The scattering of cans and papers which is endangering the stock as well as causing more flies, and the difficulty of keeping fences in shape, make it necessary to stop the public from entering said land. Hereafter, any person found therein will be prosecuted accordingly. The Flomot road or Quitaque road is private and CLOSED to travel. All business matters handled at headquarters. N. A. Armstrong. 20tc

"Good Morning Earnest," "Good Morning Tom," "Listen, Tom, I need a man to sand my floor, can you tell me who I might get?" "You bet, just Phone 55, H. M. McDonald, he has one of the finest machines on the market for dressing floors. His prices are reasonable." 34.

Harmony News

Harmony, October 29.—We are having some more moisture which is very much appreciated, something like one inch of rain has fallen during the last twenty-four hours.

Mr. and Mrs. Erx Williams and children, of Hereford, are spending a few days with their parents, Mr. and Mrs. L. E. Williams and Mr. and Mrs. M. W. Heard.

Rev. M. P. Hines filled his regular appointment Sunday morning and Rev. W. H. Long, preached Sunday night. Bro. Strong will hold a meeting here this week. He is a former pastor of this place and we are glad to have him back. R. W. Shelton and W. R. Perkins, of Petersburg, both attended services at Carr's Chapel Sunday, having accompanied Rev. Hines.

Miss Ruth Hale spent the week end with her parents, Rev. and Mrs. Mat Hale, of Ralls.

Miss Juanita Tinnin of this community, and Mr. Emmett Linch of Ralls were married Sunday in Floydada by the Baptist pastor, Rev. P. D. O'Brien. Mrs. Linch is a daughter of Mr. and Mrs. O. M. Tinnin. They were accompanied by her brother, Earl Tinnin, and Mrs. Tinnin, of Ralls. Mr. and Mrs. Linch will make their home at Ralls.

Mrs. J. A. Lee and Miss Quinn of County Line, in Lubbock County, visited Miss Edith Plier Sunday.

L. A. Williams went to Lubbock Saturday to be with his son Raymond, while he had a tonsil operation. Mr. and Mrs. Williams went to see him again Sunday afternoon. They report that he will be able to go back to school Monday morning. Raymond is attending Tech College.

MOVIE STAR NEVER DROVE AUTOMOBILE IN HER LIFE

A modern girl who never before maneuvered the wheel of an automobile.

That is what Director Jack Conway discovered in the person of Alice Day when he came to make the racing sequences of William Haines' starring picture, "The Smart Set," a Metro-Goldwyn-Mayer production which comes to the Royal Theatre Monday and Tuesday, November 5 and 6.

Miss Day is one of the smartest dressed and most modern athletic-girl type of the younger screen players of Hollywood. To look at her one could vision her handling not only a racing car, but even the prop stick of an airplane if necessary. Yet she insisted that she had never driven an automobile.

The finished scenes of the picture show Miss Day driving with as much skill as if she had been doing it for years—but while the first ones were being taken, Conway, William Haines, the cameraman and the crew held their breaths.

The cast of "The Smart Set" includes Jack Holt, Holbart Bosworth, Constance Howard and Coy Watson, Jr. The story is an original by Byron Morgan based on the international polo contest at Meadowbrook field, Long Island, between the British and American teams. The continuity is by Morgan and Ann Price.

Locals and Personals

Rev. and Mrs. Joseph P. Patterson, and children of Roswell, New Mexico, spent Friday and Saturday here with his parents, Rev. and Mrs. Green B. Patterson. Rev. Patterson is a Salvation Army preacher and has made his home for the past seventeen years at Roswell.

Mrs. O. J. Hubbard of Lockney left Wednesday after a visit of several days with Mrs. Lillie Britton.

Mrs. Lillie Britton went to Plainview this Thursday where she will make her home. She will be general supervisor of the Plainview sanitarium.

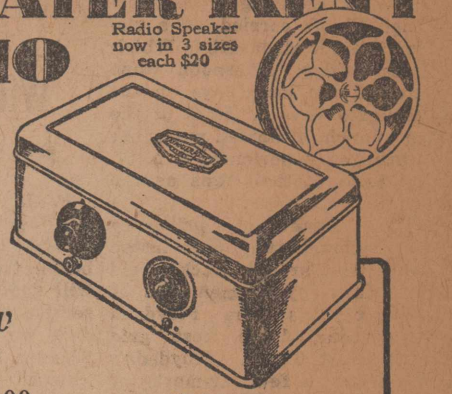

Mrs. W. P. Splawn, of Slaton, is spending the week here with her sister-in-law, Mrs. Chas. Williams, and attending to business affairs, having arrived Monday.

Mr. and Mrs. K. S. Moore spent Friday and Saturday in Lubbock where they visited with their sons, Grady and Weldon, students of the Technological College.

W. B. Henry left Tuesday night for Dallas, where he will attend a reunion of former members of the Marine Corps, and also will spend a short time in Fort Worth on business before his return.

Crosbyton Gridsters Crush Locals 6 To 0

Whirlwinds Take Second Defeat of Season at Hands of Frighting Chiefs at Crosbyton.

For the first time since Class A and Class B divisions were created in Texas interscholastic football circles several years ago, the Crosbyton High Chiefs carried off a victory over the Floydada High Whirlwinds last Friday afternoon when they defeated the local boys on the Crosbyton grid, 6 to 0. Lack of the finishing punch, combined with the lack of gridiron experience, is attributed by local football fans as the cause of the defeat.

Occasional flashes of brilliancy and an occasional rally that lasted for a few downs, brought back to old Whirlwind fans joyous memories of the past six years when Floydada boasted of one of the best grid elevens in West Texas. Floydada's squad bore only a few ear-marks of the former champion Whirlwinds last Friday, when a player would break through with a long end run, or leap into the air to snatch a complete pass.

Twice Floydada rallied and threatened to even up the score, and twice they fell back after carrying the ball dangerously near the Chiefs' goal line. In the first quarter the breaks fell in their favor, and a series of snappy plays put them within scoring distance, only to lose the ball and see it carried to mid-field by the Chiefs. Their second and most successful rally came in the third quarter when Welbourn, Porterfield, Nelson and Luttrell carried the pigskin to the five yard line in a series of fake line and end plays. Less than five yards from their destination, however, they found it impossible to put the scoring punch behind their squad and, with the Chiefs fighting up air-tight, the ball did not move forward two inches in four downs.

Quarterback Harold Porterfield took to an aerial attack in the last few minutes of the last quarter but to no avail. The damage was done, and the Whirlwinds were shot past the stage of being saved. One pass was completed out of seven attempted.

In the Crosbyton squad, one did not see any exceptionally good material. Their team was well organized and they had several outstanding players, but their team did not place in the championship class. Perser, full back, Karr, quarter back and Hilliard, left half, made many beautiful plays. End plays by Perser were probably the best demonstrations of gridiron tackles displayed last Friday.

On the Chief's line-up, Coach Vaughn had two former Floydada boys playing, Albert and Marvin Gamble, brothers, were in the squad. Albert Gamble made several good tackles.

The starting line-ups of the two teams was as follows: Floydada—

left end, Terry; left tackle, New-some; left guard, Carter; center, Mathews; right guard, Green; right tackle, McAda; right end, Summer-ville; left half, Luttrell; right half, Nelson; quarter back, Porterfield and full back Welbourn.

Crosbyton—left end, Hare; left tackle, Blackwood; left guard, Work; center, Curry; right guard, Hafley; right tackle, Freeman; right end, Albert Gamble, left half, Hilliard; right half, Marvin Gamble; quarter back Karr and full back Perser.

With The Churches

FIRST CHRISTIAN CHURCH

F. L. Davis, Minister, Parsonage 321 West Georgia Street.

Next Lord's Day each one should be on time for Sunday School. We will dedicate our new hymnals. This service will be the first thing, before we use them. Be sure to be present to enjoy the service. The Sunday School will meet at 10 o'clock and morning worship at 11. Endeavor at 6:30 and night preaching at 7:30.

The pastor will preach both morning and night. Each message will be vital, interesting and helpful.

Don't forget prayer meeting each Wednesday night at 7:30.

The Council meets each Monday at 8:30 at the church.

The Junior Endeavor meets each Wednesday at 4 p. m., at the parsonage, 321 West Georgia Street.

Weather and roads permitting we will go to Newland next Lord's Day afternoon at 3 p. m. Those living near there are invited to be present.

Remember the little church with a big welcome awaits your attendance. You are invited.

METHODIST CHURCH

Ben Hardy, Pastor.

Study your lesson and come to Sunday School next Sunday morning at 9:45. You will find a class that will fit you. Then lets all stay for the 11:00 worship service.

It will be a good thing to get into the habit of going to Sunday School and church.

Just three more Sundays before annual conference. May there be no shirking but a long pull, a strong pull, and a pull all together for a good report at Conference.

B. Y. P. U. PROGRAM

IS YOUR CAR READY?

Winter is here—Have your car Prepared.

Glass enclosers—the feature that makes your open car as close as a closed car. New tops—weather-proof coating. Paint—helps your car stand up under bad weather. Everything for the improvement of your car, we know how to do it, and our prices are reasonable.

L&O Top and Paint Shop

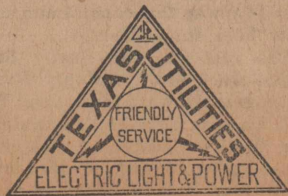

"You Have a Problem—!"

TO SOLVE it judgement must be used—your own, or your own in combination with that of others.

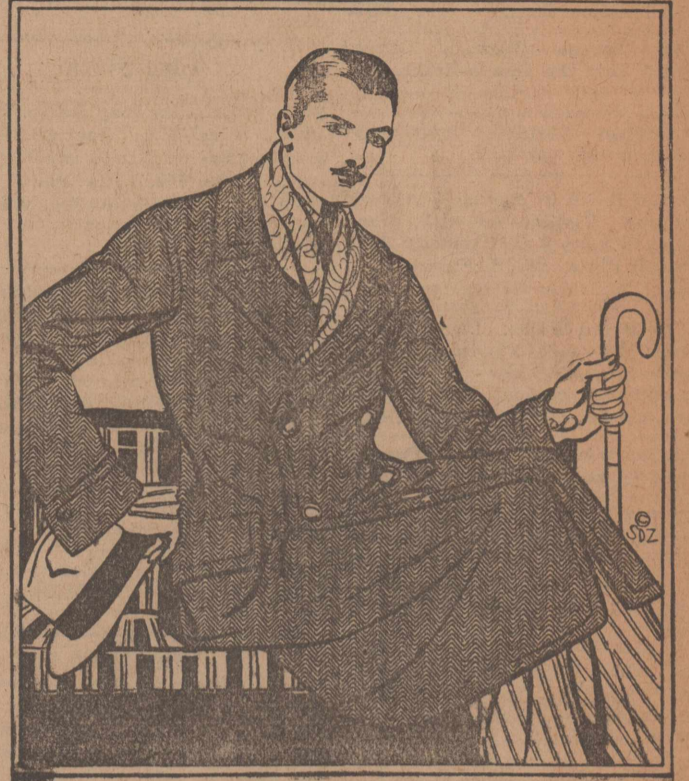

Judgement is the highest qualification of the business man. It places him in a position of leadership, for where judgement is best, these are the best services and the best goods.

But the judgement of many is better than the judgement of one. That is what gives value to an organization. In this business we have an organization. Every move is the studied result of combination of judgements. Sometimes it gives us an advantage in competition; it always keeps us on even terms.

The judgement of this organization is at your service.

It Takes a Smart Suit or O'Coat To Make Men Smart--- Here They Are

O'COATS \$17.50 to \$39.50

The best of dressers will admire our new models for their snappy lines, quality woolsens, fine colors and excellent tailoring! Browns, Blues, Greys, Tans, in all the wanted patterns and weaves! Featuring two button, single breasted models, the kind men are asking for now!

SUITS

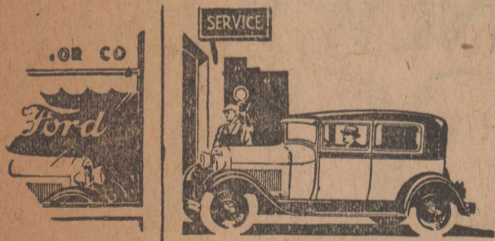

\$22.50 to \$45.00

ALL WITH TWIN TROUSERS

When better suits will be made, we will sell them. Here's an event of great importance to smart dressers. The suits featured at this price are the best the price can buy from a standpoint of real values, snappy styles, quality woolsens, dashing colors, clever patterns and weaves. Tailored by famous makers which adds an extra measure of value.

C. R. Houston Co.

Every purchaser of a new Ford is entitled to Free Inspection Service for the first 1500 miles

THE modern automobile is a finely built piece of machinery and it will stand a lot of abuse. Considering the work it does, it gives surprisingly little trouble. But there isn't a car made that will not run better and longer if given proper care.

The first few hundred miles are especially important because that is when the mechanism of your car is being broken in.

Proper attention during this period will lengthen its life and prevent unnecessary trouble later on.

We are particularly interested in this matter because we believe it is our duty not only to make a good automobile, but to help the owner get the greatest possible use over the longest period of time at a minimum of trouble and expense.

With this in view, the entire Ford dealer organization has been specially trained and equipped to service the new Model A car.

Furthermore, we have instructed every Ford dealer to give the following Free

Inspection Service at 500, 1000 and 1500 miles:

- Check battery
- Check generator charging rate
- Check distributor adjustment
- Check carburetor adjustment
- Check lights
- Check brakes
- Check shock absorber adjustment

- Check tire inflation
- Check steering gear
- Change engine oil
- Lubricate chassis

No charge is made for labor or materials incidental to this service, except, of course, where repairs are necessary through accident, misuse or neglect. The only charge is for new oil.

See your Ford dealer, therefore, and get this Free Inspection of your new car at 500, 1000 and 1500 miles. Find out, too, how little it will cost to have your car given a thorough going-over at regular periods thereafter.

A checking-up by experienced mechanics, together with oiling and greasing every 500 miles, will add months and years to the life of your car and mean more economical and pleasurable motoring every mile you drive.

FORD MOTOR COMPANY

Floydada School News

Reporters from the various Classes and Departments of Floydada Public Schools, the English Class of the High School, and the typing class of the Commercial Department co-operating.

THE DRAMATIC CLUB

Members of the Dramatic Arts Club assembled for their second meeting of the year last Tuesday night, October 23.

After the roll had been called, Doris Smith began the program with a short talk on "History of the Little Theatre." Ruth Jenkins gave a very interesting report on "The Life of Ibsen," after which Lois Sitton discussed "Ibsen's Influence on Modern Drama."

The boys' quartet, composed of Ballard Wilkinson, first tenor; Alsie Carleton, second tenor; E. B. Massie, baritone; and Clyde Snell, bass, entertained us with the song, "Sweet

and Low." As an encore they sang a very clever arrangement of "The Bull Dog on the Bank," the first part of each verse alternating as a solo between the different members.

All were put in a hilarious state of mind by the one act play, "When Angry, Count One Hundred," the parts being taken by Mildred Strickland and Delbert Eubank.

The old members spent an hour in rollicking laughter while the new members were being initiated into the society. Some played and some sang, but the most enjoyable of all was three readings by Miss Smith and Miss Rosson.

The club voted unanimously to order pins. We hope to carry out our

plans and be the first club in Floydada High School to have pins representing its organization.

Our next meeting will be held November 6. We hope to improve our program each time and we intend to start practicing on our three-act play, which is scheduled to be presented the second or third week in November, in the near future. Practice began on the one act play, which is to be given at our next meeting, Thursday of last week.

THE GIRLS RESERVE'S PARTY

The Girl Reserves of Floydada High School were entertained Monday night, October 22 with a Halloween party at the home of Veva Swinson on West Kentucky Street with Misses Oleta Jackson and Veva Swinson acting as joint hostesses. Many interesting games were played during the evening. Refreshments of hot chocolate and cake were served to the following members and their sponsor, Miss Brock: Erna Lee, Dorothy and Thelma Crawford, Mildred McPeak, Mary Ann Swebston, Inez Switzer, Eula Mae Gullion, Iona Sadler, Joy Deen, Flora Day, Juanita Shirey, Zula Eaves, Lucille Burkhead, Georgia Eudy, Hazel Parker, Lila Jane Watson, Amy McRoberts, Irene Cates, Elizabeth McKinney, and the hostesses, Veva Swinson and Oleta Jackson.

After everyone had enjoyed the refreshments served and reported an enjoyable time, the entire party adjourned, to assemble again at the Royal Theatre, where all enjoyed the picture "Ladies of The Mob," featuring Clara Bow.

CLOTHING CLASS VISITS GIN

A very enjoyable hour and half was spent by the first year clothing class Tuesday, October 23 at the Davis Gin. Mr. Davis very kindly showed us through the plant and explained the different stages of ginning.

Miss Hill, our teacher, put all our names on a piece of paper, told the one who got that paper to write to us, and put it inside a cotton bale as it was being made. We hope to receive an answer from some manufacturing plant.

All the class weighed on the cotton scales and found that we were very hale and hearty. We weighed 1,810 pounds, Miss Hill included.

LOST AND FOUND

Lost.—A good reputation by cutting study hall.—Alsie.
Found.—A stolen book in my locker.—Clinton.

JUNIORS HOLD HALLOWEEN FESTIVAL

On Saturday evening, October 27, the Andrews Ward Gymnasium was the scene of the annual Halloween festival of the Junior Class. Large jack-o-lanterns were the only means of light in the spacious room.

The stage was decorated in the Halloween idea for the coronation of the class queen, Miss Jessie Mae Wood. Miss Wood was dressed in a lovely afternoon frock of white beaded georgette and her crown was of pearls and brilliants. Dave Luttrall, class president, presented her, and her attendants, Audrey Farris, Maxine Norris, Bama Gene Smalley, and Mozelle Brown. The Attendants were dressed in Arabian costumes and performed an Arabian dance for the Queen. The class prophesy was then read by Juanita Shirey, and many were astonished at the things they would be doing in later life. This concluded the presentation program.

Refreshments of punch, cakes, and sandwiches with baby chrysanthemums as plate favors, were served by Mrs. Clements, Edwina Christian, Erna Lee Crawford, Dorothy Crawford, and Gene Smalley to those present.

The evening was well spent and all returned home at a late hour tired, but happy.

CLASSES MEET

The Juniors and Seniors met Wednesday afternoon for the purpose of selecting for the seniors, a class ring, and for the juniors a class pin. The Junior class agreed to buy the same ring next year that the Seniors have this year, by signing a two year contract. By doing this, we receive the rings at a reduced price, and in addition, establish a standard ring for two years.

The rings are very artistic, bearing the design of the entrance of the high school building neatly engraved on the crown. We feel that everyone is pleased with this selection, as all voted unanimously for it.

SPECIAL ARMISTICE PROGRAM

On November 8, a special program will be rendered in chapel in commemoration of Armistice Day. You are cordially invited to be present.

Jessie Mae Wood was out of school the entire day Monday, due to the fact that her uncle, Mr. Charlie Sanders, died Sunday, October 28.

PEP SQUAD ATTENDS CROSBY-TON GAME

The Green Peppers went to Crosbyton, but despite all of their efforts, as well as those of the boys, the game was lost. This was the first time that the squad appeared in full uniform! however only about thirty-five of the members were present.

The pep squad wishes to take this opportunity to thank the people who made it possible for them to attend the game.

CARL MARSHALL ENTERTAINS THE SOPHOMORE CLASS

Mr. Carl Marshall entertained the sophomore class at his home at 602 South Wall Street, Friday evening, October 26. The house was decorated in yellow and black and looked very spooky. The guests were first taken into the basement, which was arranged like the infernal regions. While they were down there, the witch told their fortunes. Many games were then played, after which refreshments were served. The party broke up quite late and every one declared he had had the time of his life. Those of the faculty who were there were Misses Rosson, Smith and Biebel and Mr. Carpenter.

Remington Portable typewriters write good and last long.

Jokes

Recently Miss Biebel and Miss Keeton were discussing the lunch for Friday, which was served by the second foods class.

"But I don't know how to act," Miss Keeton said.

"Well, you just act like I do," replied Miss Biebel.

When they had finished eating, the hostess asked Miss Biebel to have something more.

"No, thanks," she replied: "I have eaten elegant sufficiency." The hostess asked Miss Keeton to have something more. She replied, "No thanks, I have eaten an elephant and six pigeons. If I eat any more I will be awiggling."

When Starks Green went home the day he got his report card, his mother anxiously asked him if he passed everything. This was his answer: "Everything but two Buicks and a Hudson, mother, and they must have had aeroplane motors in them."

Mr. Scoggins: Ruth, what is the worst kind of medicine?

Ruth: Aeroplane, because it only takes one drop to kill.

Mr. McWhirter: I want to sing something on the theme of fire prevention. What shall it be?

R. V. (Brightly): "Red Hot Mama."

See Alsie Carleton and Lois Sitton as Steve and Henrietta in "Suppressed Desires."—Dramatic Club Tuesday, November 6.

The condition of the roads Monday morning filled our class rooms with many empty seats; however some of our faithful rural students, in their diligent strife for learning, overcome the hindering elements and arrived some time during the morning, at least.

Locals and Personals

Guests of Mrs. S. M. Cole from Tuesday until Thursday of last week were her sisters Mrs. R. M. Thompson of Dallas, and Mrs. R. E. Grayson and Mr. Grayson of Streetman.

Mr. and Mrs. E. C. McReynolds and children and Mrs. J. L. McReynolds of Amarillo spent the week end in Wichita Falls with relatives and friends.

Mrs. R. E. Hill of Plainview spent the week end with her brother, W. C. Grigsby and family. She was accompanied home Sunday by Mr. and Mrs. C. R. Houston.

Mr. and Mrs. G. A. Linder and children spent the week end in Lubbock with her sister, Mrs. Sam Henry.

"Where Your Dollars Have More Cents"

and Now OAKLAND presents A NEW All-American Six

An entirely new conception of the modern motor car. So original in design . . . so brilliantly executed . . . you'll hardly believe your eyes. Magnificent successor to a justly famous name . . . a New All-American Six.

Daring in style . . . exemplifying Fisher genius in the creation of new designs. Brilliant in beauty . . . revealing new harmonies of colors and lines. Triumphantly new. Appealingly different. Finer in every way. From its chrome-plated front bumper back to its chrome-plated tail-light . . . as new as this morning's dawn.

A new chrome-plated radiator . . . surmounted by a large flat chrome-plated cap. Graced by a new front

louvre effect in an exclusive chevron design. Flanked by new seamless full-crown fenders . . . flaring fenders with a 71-inch spread.

And then the bodies! Seven new and superbly beautiful types . . . Closed types with adjustable drivers' seats. Two convertible closed cars . . . the Convertible Cabriolet and the Landaulet Sedan.

And such glorious performance as you've never known before. Soaring top speed . . . seventy miles an hour and more! Sixty-eight brake horse-power at 3000 r.p.m. A flashing pick-up . . . from 10 to 25 miles per hour in six seconds flat.

Such balance . . . such smoothness . . . such silence . . . such poise.

Resulting from its great new 228-cubic inch engine with exclusive patented rubber-cushioned mountings . . . 81-lb. crankshaft . . . harmonic balancer . . . larger, more highly perfected carburetor . . . the G-M-R cylinder head. Such marvelous control. Steering ease from a new improved mechanism. Braking ease from its new internal expanding four-wheel brakes . . . individually adjusted . . . requiring minimum pressure for a sure, silent, velvet-smooth stop.

Only the highlights have been mentioned. Only a hint regarding its pulse-stirring performance and style. To get the whole picture . . . to appreciate what its price will buy . . . come in. Have your highest expectations realized!

The 4-Door Sedan Body by Fisher Bumpers and Wire Wheel Equipment Extra

Prices \$1145 to \$1375 at factory. Lovejoy Hydraulic Shock Absorbers and spring covers included in list prices. Bumpers and rear fender guards extra. Check Oakland delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

FEDERAL EXTRA SERVICE TIRES

The Nation's Choice

YOU MIGHT LOSE IF YOU PUT YOUR MONEY ON THE DONKEY;

—OR—

YOU MIGHT LOSE ON THE ELEPHANT!

—BUT—

YOU WIN EVERY TIME WITH FEDERAL!

The Federal Extra Service Tire Is Our Candidate, and its surprising popularity as election day draws near is the source of much Whoopee at our headquarters! We can't let this opportunity pass to thank Federal users of Floyd County for their past Support and Influence!

We know Federals have won the victory, because

FEDERAL SALES HAVE JUMPED 200 PER CENT OVER THE PREVIOUS YEAR

Its tremendous popularity is attested by the fact that the users have equipped with Federals in preference to some other brand—Federal does not equip any new automobiles with Federal tires.

Fair Trip Wonderful 4-H Club Girl Writes

Ollie Glass, member of the Irick 4-H Girls' Club, writes The Hesperian a pretty letter of appreciation for the opportunity afforded her by this newspaper to visit the State Fair this year at Dallas, and declares "The Fair will be one of the many wonderful things I shall always remember."

In addition to attendance at the Fair and the encampment there of hundreds of girls from over the state, the Extension Service also gives the girls opportunity to see some of the sights of the city of Dallas annually. Ollie writes that her visit to the zoo, the Baker Hotel, and the magnificent view of Dallas from the Magnolia Building, were among the things she enjoyed most.

The trip to the Fair was given by The Hesperian for excellence in club work during the year. Miss Glass is the third girl this newspaper has helped to make the trip to the fair, the Floyd County Fair Association also awarding one trip annually to one of the county's 4-H Club workers. Ollie is the daughter of Mr. and Mrs. W. T. Glass.

MANY NEW FEATURES ARE BUILT IN 1929 OAKLAND

Completely new and original in appearance, with a host of advanced engineering features, the latest Oakland All-American Six has been announced by Scoggin Dickey Motor Company, local Oakland and Pontiac dealers. The new Oakland will probably be shown in this city for the first time by the latter part of next week, it was stated.

Smarter, roomier than a year ago, with bodies of distinctive design, and a chassis said to be the last word in mechanical refinement, the latest All-American model bears only a passing resemblance to its famous predecessor—the first All-American Six brought out by the Oakland Motor Car Company a year ago.

Briefly, the new line offers a bigger, faster, more powerful engine; new Oakland type internal expanding 4-wheel brakes; masterful body creations by Fisher; new Duo color combinations; higher, larger cross-flow radiator with grill front; adjustable driver's seat; chrome plated lamps of new design; sturdy ten-spoke wheels; lovejoy shock absorbers and spring covers as standard equipment; new steering gear; sturdier frame, and a host of other improvements that are destined to make the car a distinguished addition to the aristocratic motor car family of America.

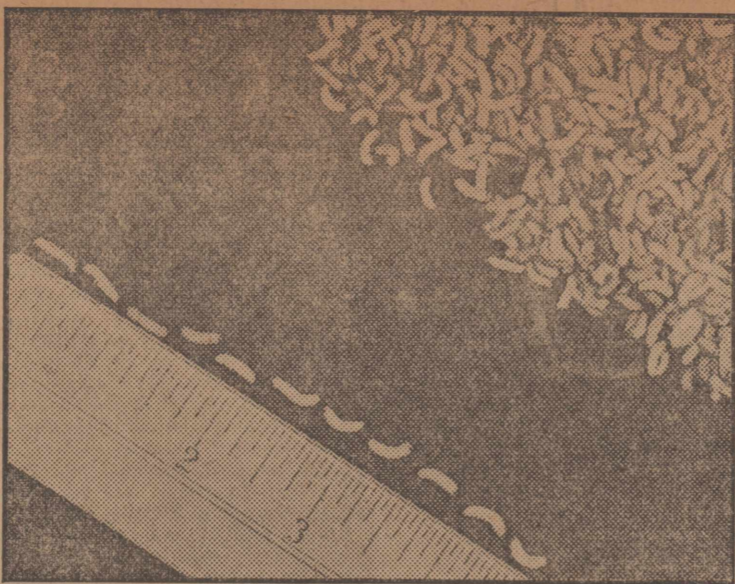

Many months have been spent in developing the car to a point where it offers everything that a discriminating public has learned to expect in the way of style and performance. Every detail has been subjected to exhaustive tests that the car might represent the crowning achievement of 22 years of successful automobile building by the Oakland Motor Car Company.

ADOPT BABY DAUGHTER

Mr. and Mrs. C. A. Mullins returned home Tuesday night from Fort Worth, where Monday morning they received and adopted a little daughter born Saturday night, October 27, at the McGregor Maternity Home, and which they have named Imogene.

On the trip they were accompanied by Mrs. Mullins' sister, Miss Alveta Edeler of Crosbyton and Miss Bessie Mullins, of Oklahoma.

What Pink Bollworm Looks Like

Farmers sometimes find insects in cotton bolls and wonder whether they are pink bollworms. The worm stage of the insect shown in this illustration is the only form that is likely to be found by a casual examination. The worm when full grown varies from about seven sixteenths of an inch to slightly more than one-half inch in length, and has a distinct pinkish color. The pink bollworms shown above are about one half natural size.

Paralytic Stroke Proves Fatal To C. A. Saunders

C. A. Saunders, 70, died suddenly from a paralytic stroke Sunday morning at the home of his sister, Mrs. T. P. Guimarin where he had made his home for the last five years.

Mr. Saunders was born in Alabama and moved to Decatur, Texas, where he was engaged in business for about thirty years. After he was stricken with paralysis five years ago he came to Floydada and made his home with his sister.

Funeral services were held from the Methodist church Monday, with the Rev. Ben Hardy conducting. Interment was made in the Floydada cemetery under the direction of F. C. Harmon.

Surviving Mr. Saunders other than his sister are several nephews and nieces, Mrs. J. G. Wood of this city, Laurin Guimarin, Olney, and S. D. Guimarin of Sterling City being the only ones present for the funeral.

Providence News

Providence, October 29.—Our school has closed for a few weeks so that the children can help pick cotton and gather the crops.

Mrs. F. M. Kennedy and little daughter have been sick with tonsillitis during the past week.

Mr. Terrell has a bunch of cotton pickers who gather a bale of cotton in less than a day and keep him busy, taking it to the Aiken gin.

Mrs. Gennett entertained Mrs. John Houston, of Rosco, last week.

A norther threatened us again the latter part of the week.

Mr. White and little daughter were run into by a car last week but no serious damage was done. They were on their way home from Lockney.

A general rain commenced falling here Sunday night and continued until Monday noon. We failed to get the number of inches that fell.

Mr. and Mrs. John Davidson and children, of Floydada, spent Sunday with Mr. and Mrs. Davenport here.

Monday was a very gloomy day here and not much going on.

Conference Orders New Church For Dougherty

Fourth Quarterly Conference of the Methodist church was held at Fairview, Friday, October 26. Rev. M. M. Beavers, presiding elder of this district delivered a sermon in the forenoon, dinner was served on the ground at noon and the conference session was held in the afternoon.

A new church for Dougherty was ordered at this meeting on which work was to begin in the near future. J. M. Brownlow was appointed chairman of the building committee with Mrs. C. E. Bartlett as a member. They will appoint other members of the committee and work out details of the building.

A committee was appointed to select a site and report to the First Conference upon the advisability of building a church at a centrally located place for Fairview, Campbell, and Center. Members of the committee are Mrs. S. L. Rushing, chairman, Fairview; J. B. Timin, Fairview; J. W. Lyles, Campbell; Mrs. George Stiles, Campbell and Olin Miller, Center.

Preaching services at Dougherty are at present being held at the Woodridge Lumber Co. office. The basement for the new church will be completed first and members hope to have the church completed in time for the Floyd County Singing Convention which will meet at Dougherty the second Sunday in May, according to Rev. Green B. Patterson, pastor of the church. Communities interested in the building of the new church are, Dougherty, Mayview, Newland, Wake, Joe Bailey and Antelope.

Sterley News

Sterley, Oct. 29.—Albert Dutton, one of the oldest brakemen, took two days vacation and got married.

Casey Maddon has just returned from a business trip from Denver.

F. E. Clarity and party made a special trip over the South Plains Monday and Tuesday.

W. J. Oldman has opened up a hamburger joint in Sterley.

The foundation has been laid for a two story brick building.

Mr. and Mrs. J. B. Arnett were in Plainview on business Thursday.

There were quite a few people at the Hallowe'en program at Lone Star from this community.

Mr. Kirk has in a new supply of Dry Goods and groceries.

Frank Cook has returned to Sterley from a business trip to Amarillo.

Tom Ward left this morning for Amarillo.

A new garage has just been completed on Artie Baker's lot.

Mrs. Ford's sister from Wellington is visiting her.

Bill Bobbitt and sister, Miss Evelyn, attended the Hallowe'en Carnival at Lockney Saturday night.

Mr. and Mrs. Joe Reeves spent Sunday in Plainview.

WORKER'S COUNCIL MET IN MONTHLY SESSION TUESDAY

Six communities were represented at the Baptist Workers' Council which was held at the local church Tuesday of this week.

The program was carried out as planned, with Rev. J. Matt Hale delivering the feature address "The Duty and Privilege of Co-operation among Baptists." Because of the lack of a majority of board members present, the board decided to have a call meeting at the local church, Nov. 8, to elect a missionary preacher.

Fairview will be the meeting place for the council when it meets Dec. 4. Lockney, Whiteflat, Fairview, Ralls Lakeview and Floydada were represented at the meeting Tuesday. Lunch was served at noon by the Baptist women.

The Hesperian \$1.50 per Year.

Wichita Trade Trip To Include Floyd County

Delegation of 125 Wichita Falls Business Men Will Visit Floydada November 22.

Wednesday and Thursday, November 21 and 22, are the dates that have been set for a special excursion trip into the South Plains by Wichita Falls business men, celebrating the completion of the new railroad lines in this section. The delegation will arrive in Floydada at 3:30 o'clock Thursday morning and will spend five hours in this city, leaving at 8:30 o'clock.

The route mapped out by J. W. Chatham, traffic manager of the special excursion train, will carry the trippers into the plains over the Denver line into Lubbock Wednesday night. From Lubbock, the train will follow the Denver route back to Lockney and from that city over the Santa Fe into Floydada, returning to Wichita Falls via the Q. A. & E. railroad. A stop will be made at Lockney Wednesday evening.

More than 125 Wichita Falls citizens will make the good-will trip into the plains, according to present plans. The visitors will take breakfast in this city, and a special committee will begin work at an early date for the entertainment of the delegation, according to Ed Bishop, Chamber of Commerce secretary.

Prairie Chapel News

Prairie Chapel, Oct. 23.—Mrs. J. B. Teaff left Tuesday morning for Temple, Texas, to be at the bedside of her father who is seriously ill.

Mr. and Mrs. J. C. Lovell of Cedar spent Sunday with Mr. and Mrs. Walter Lovell.

Mr. and Mrs. E. M. Whorton spent Sunday at Petersburg visiting with their son, Walter.

School has closed for two weeks so the children can help with cotton and row crops.

For two seasons the U. S. Range Live Stock Experiment Station, Miles City, Mont., has made a comparison of the value of alfalfa hay alone and alfalfa hay supplemented with cottonseed cake and corn silage for wintering beef calves. To date the results have indicated that alfalfa hay alone will give equally as good results as when supplemented by these other two feeds which are not readily available in that section.

Plumbing pipes exposed to the winter weather may prove more troublesome than the old "teakettle and pump" combination. Remember the pipes that froze last winter? For protection, commercial coverings, or homemade wrappings of felt or burlap, may be used; or parts of the pipes may be boxed and surrounded with material such as sawdust, straw, or granulated cork.

Lack of housing and of proper care of farm machinery means a loss in dollars and cents. By housing farm machinery, its life is doubled and the annual repair bills cut in half, says the U. S. Department of Agriculture. Machinery should also be painted and the polished surfaces greased to prevent excessive rusting.
