## Baptists To Build New Church In Floydada

Proposed to Start Building As Soon as Plans Can Be Submitted to Congregation.

The Baptist Church of Floydada in regular conference last Sunday morning voted enthusiastically to begin the construction of a new church building at once and named a finance committee of twenty members to secure needed funds to supplement the building fund already in hand, and at the same time a building committee was appointed to secure the plans for the building.

Needs of the future for this progressive congregation are to have careful consideration in the building enterprise, as well as the needs of the present. Several forceful talks were made by the members of the church in the course of the conference, all in favor of undertaking the building of a commodious building at once. A hearty rising vote followed the talks, and the vote was participated in by practically all the members present.

The new building, it is announced, is expected to be one of the best ever erected in Floyd County, and is meant to take care of the Baptist work here for many years in the future. Not only will it be commodious and well-located, but it will be a credit to the community in architectural beauty.

The committee appointed will have the advantages of suggestions of the denominational architectural department with state headquarters at Dallas and southern headquarters at Nashville, Tenn., in carefully considering the many sided needs of all departments of the church and harmonious architectural construction.

The building committee is composed of W. P. Daily, Mrs. Geo. A. Linder, Mrs. Lon V. Smith, C. W. Boothe, L. A. Marshall and J. C. Gilliam, with the pastor as an ex-officio member.

The proposal is that the building be started as soon as plans can be submitted. It will be located on the present Main Street corner at Keptucky, two blocks south of the square, where the church owns five building lots fronting on Main. A nice building fund is already in the treasury.

## Lubbock Scouts Coming To Feed Here Saturday

Executive Will Make Drive For Members of South Plains Scout Council Monday.

In connection with a feed and get-together of the local Boy Scout organization at the Tourist Camp Park next Saturday afternoon, several members of the Lubbock Boy Scout Troop will give a demonstration for the Floydada boys, according to an announcement made this week by District Scout Executive A. H. Watts, of Lubbock. The meeting will be held at about 5 o'clock Saturday afternoon at the tourist park one block west of the square, and the District Executive is urging that all boys of this city of scout age be present at the get-together.

Among the features of the demonstration to be given by the Lubbock boys will be included the making of fire without the aid of matches. In this difficult feat the boys start fire through the use of steel, flint and dry bark. Many other useful and interesting feats will be demonstrated by the visitors for the local troop Saturday afternoon. The public is invited to attend the demonstration also, Mr. Watts stated.

"Plans are being made to wage a drive in Floydada for supporting members of the South Plains Scout Council on Monday of next week," Executive Watts said. "Floydada was very lucky in being admitted into the South Plains Area Council. This council alone owns 410 acres near Post Texas where the troops spend several weeks each year at their annual encampment. This encampment territory is valued at \$25,000 and a share of this belongs to the Floydada troop. Through the supporting members of the council, the boy's annual encampment is maintained, and other necessary expenses of the local troop taken care of," he continued.

Lon M. Davis, chairman of the financing committee, will have charge of the drive which will be made and completed Monday, according to the present plans.

## MISS HAZEL MATHIS, FORMER TEACHER HERE, DIED MONDAY

Miss Hazel Mathis, of White Deer Texas, and formerly a teacher in Floydada High School, died at an Amarillo hospital last Monday morning at about 4 o'clock following a brief illness. She was taken ill less than a week ago at her home where she was teaching school and was carried to an Amarillo hospital.

Miss Mathis was a teacher in the Floydada High School during the 1923-24 term of school. She was re-elected by the school board to serve a second term but wished to finish her course at the West Texas State Teachers' College at Canyon and declined the position. She received her degree from W. T. S. T. C. in January of this year and immediately took a position as a teacher in White Deer where she was teaching at the time of her illness.

The deceased is survived by one sister and eight brothers. Her mother died less than three months ago at her home in White Deer.

Funeral services were held in White Deer last Tuesday afternoon at 3 o'clock and interment made in the White Deer cemetery. Mrs. Calvin Steen, a close friend of the deceased, and other friends here attended the funeral services Tuesday.

## Expect Award To Successful Bidder On 'Q' Route Soon

That announcement of the awarding of a contract for the construction of the Quanah, Acme & Pacific extension to Floydada will be made soon, was indicated in a telegram received Tuesday afternoon from Chas. H. Sommer, president of the line, by W. M. Massie, chairman of the Chamber of Commerce Railroad Committee.

Contracts for the construction of the line were opened on April 7 and in the telegram received by Mr. Massie the delay in awarding the contract was occasioned it was stated, by the fact that "it was necessary to call for additional information on certain parts of bids which made necessary an extension of time for finally closing them until Thursday, April 21." Definite announcement as to the awarding of the contract will be made as soon as final figures can be assembled, it was stated.

A visit by Mr. Sommer to this territory, accompanied by J. M. Kurn, president of the Frisco System, planned for last week, was prevented by serious and disastrous floods on the Frisco lines, Mr. Sommer said, adding that they "hoped to get away for the trip as soon as conditions permit."

## Davis Gin Total Loss In Friday Morning Fire

Sudden Shifting of Wind Saves A. V. Haynes Gin.—Loss Is Heavy.

The second heavy industrial plant fire loss in Floydada since the opening of the new year, was registered Friday morning of last week when the plant of the Davis Gin Company, just completing one of the heaviest seasons runs ever done by a plains gin, was burned to the ground, with several tons of seed and several bales of unginned seed cotton in storage. The total loss will exceed \$30,000, Mr. Davis estimated. His net loss will be between \$12,000 and \$15,000. There will be slight salvage and the plant was partially covered by insurance.

Unless his plans are completely changed Mr. Davis will replace the plant destroyed Friday morning, he said, before the opening of the new ginning season.

Sudden shifting of the wind from the north to the east while the blaze was at its hottest is given credit by members of the fire department for the fact that the A. V. Haynes Company plant was saved. Clean grounds adjoining and between the premises of both gins is also credited with making the job of keeping the fire in bounds easier. The J. C. Woodriddle Lumber Company, also closely adjoining the Davis Gin on the south east, was threatened for a time, but was undamaged.

The fire was first discovered shortly after four o'clock. The plant was burning freely in all parts and salvaging a great deal of the property was an impossibility.

The other heavy industrial loss for the community to be registered since the first of the year was the big Marshall Elevator, which is now being rebuilt of concrete on the same site.

## Prosperous Outlook For McAdoo Territory Now

Good rains over the plains promontory in the edge of Floyd, Crosby and Dickens Counties during the past two weeks, ranging from an inch in the northern part of the territory to three inches or more around McAdoo and below, have started active row-crop farm work by the farmers of that section and very materially increased the moisture in the ground for the growing small grain crop, of which there is a heavy acreage, especially of wheat.

Heavy receipts of eggs and cream at McAdoo, for which a good market is maintained there, is reported by H. G. Edwards, president of the McAdoo Mercantile Company.

R. L. Hinkson, formerly of Floydada, who is operating the leading garage and service station at McAdoo, is doing well with the prospect of a good business this summer and fall.

## Big Saving Effected By Good Fire Record Here

Floydada's good fire record during the year of 1926 will save the property owners a large amount of money on their fire insurance premiums during this year, telegraphic information conveyed to Mayor W. D. Smith last week from the State Fire Insurance Commission indicating that all policies written on and after March 1 would be credited with 12 per cent of the gross premium as indicated by the specific ratings.

Last year the saving was six per cent, based on the good record of 1925. In the year previous the community had been penalized for heavy losses sustained in 1924.

## Floydada Boy Killed In Auto Accident Tuesday

Raymond Brock Instantly Killed And Clinton Hamrick Injured When Car Overturns.

Raymond Brock, 25, of this city, was instantly killed and Clinton Hamrick, also of this city, suffered painful injuries last Tuesday morning when the car in which they were riding overturned near Tucson, Arizona. The two boys left Floydada on Sunday, April 10, for California in a Ford touring car, having stopped at several towns between here and Tucson. Details as to the cause of the accident were unknown here at a late hour Wednesday evening, the first news reaching here when N. D. Brock, of Sand Hill, brother of the deceased, was notified of the accident.

The deceased was the son of J. I. Brock, of Winnsboro, Texas. He came to this city less than a year ago when he started to work for W. C. Sims. He had been employed for some time with Mr. Sims at the Ebank Dairy prior to his resignation on April 1. He spent a week visiting with his relatives at Winnsboro before leaving on the trip to California.

The injured man is the son of J. H. Hamrick of this city. He has lived here for several years. He will return home the latter part of this week from Tucson, if the injuries will permit.

Funeral services for the deceased will be held in Winnsboro this afternoon, according to reports here. Interment will probably be made in the Winnsboro cemetery, it was stated. N. D. Brock, of Sand Hill, is the only relative living near Floydada.

## Win Six Of Possible Twelve Music Prizes

Lockney Music Students Outstanding Winners At Panhandle Music Festival Contest.

Winning six first prizes out of a total possible twelve firsts, one second prize and two third places at the Panhandle Music Festival Contest in Amarillo Monday and Tuesday, fifteen boys and girls of Lockney, entrants in the contest in the city auditorium, made an unequalled record for a panhandle or south plains town in musical accomplishment. Judging in the contest was done by critics from music centers of the east. Miss Lauream Christian is teacher of the entrants made from Lockney.

Herman and Owen Thornton, of Lockney, students of Mrs. O. W. Kirk of this city, also placed in the piano contests, the former winning second in the eight-year-old boys' class and the latter third in the twelve-year-old class.

June Guthrie, fourteen-year-old daughter of Mr. and Mrs. E. Guthrie of Lockney, was declared by the judges to be one of the most talented youthful piano players they had heard this season.

First places in the piano contest went to the following Lockney students in the age class indicated:

June Guthrie in the 14-year-old girls' division; Frankie Dodson in the 10-year-old girls' division; Mary Alice Baker in the 6-year-old girls' division; Milton Adams, in the 8-year-old boys' division; Harris Ball in the 6-year-old boys' division; second prize in the 8-year-old girls' division was won by Patricia Patterson; third in the 10-year-old boys' division was won by Wharton McDuffee and third in the 14-year-old boys' division was won by Roy Thornton. In the violin contest Alice Stewart was first in her division.

Among those who attended the music festival from this county this week were: Mrs. Ohmer Kirk, Lois Sitton, Mildred Strickland, Eugenia Hoffman of Floydada; Miss Lauream Christian, Mr. and Mrs. H. B. Adams, J. H. Hohaus and family; Claude Thornton and family D. F. McDuffee and family; Roy Griffith and family; Burton Thornton and family; Mrs. T. H. Stewart; T. J. Thornton and family; Mrs. Frank Dodson, Mrs. L. H. Gruver, Dr. H. H. Ball and family; Mrs. E. Guthrie, Mrs. R. E. Patterson, Mrs. Artie Baker and Mrs. E. J. Barker of Lockney.

## Odd Fellows To Observe Order's Anniversary

Odd Fellows of Floydada Lodge will observe the one hundred and eighth anniversary of the order Tuesday night of next week, April 26, it is announced.

A feast and program is being arranged for all Odd Fellows and their families.

The lodge, very likely, will be among those to build new structures in Floydada this year. They are now studying the matter of building a two-story brick building on their property on the southeast corner of the square to take the place of the frame building now occupied and owned by them.

## \$50 CHECK GIVEN FIRE BOYS BY WOOLDRIDGE LUMBER CO.

Appreciation of the hard work done by the Floydada Fire Department Friday night of last week, when the J. C. Woodriddle Lumber Company plant was saved from fire at the time the Davis Gin burned, was indicated in a substantial manner by Manager T. W. Quirk when he presented Marshal G. R. Strickland a check for \$50 to be put in the fund for the fire boys.

The check was accompanied by warm praise for the efforts of those who helped save the lumber company's property.

## Plan Industrial Week Observance In Floydada

All-Texas Luncheon To Be Served At Floydada Luncheon Club At Monday Noon.

Texas Industrial Week, April 25 to 30, will be observed in Floydada by the Floydada Luncheon Club and the merchants of the city, the feature of the week to be an all-Texas luncheon served to the members of the Floydada Luncheon at their regular meeting Monday noon.

The Texas Manufacturers Association with the co-operation of Texas newspapers, Chambers of Commerce, Civic bodies, manufacturers, jobbers, retailers and citizens of Texas are staging a State-wide movement for the industrial development of Texas. It is pointed out that Texas now has a population of over five million and is increasing at the rate of 100,000 each year. Agriculture is not able to absorb the rapidly increasing population and the people are flocking to the towns and cities seeking employment in all lines of industries. The total value of the products of the manufacturing establishments of Texas amounts to over one billion dollars and yet many of our products are exported in raw material and imported in the finished product.

The Chamber of Commerce is offering a prize of five dollars to the merchant of Floydada having the best decorated show window showing Texas manufactured or Texas raised products. The windows must be ready for judging by Tuesday noon and must remain there throughout the week. Every window that displays the placard reading "What Texas Makes-Makes Texas" will be entered in the contest.

All the food stuff placed on the table at the regular meeting of the Luncheon Club will either be Texas or Floyd County raised products. Local speakers will talk on the growth and development of the Lone Star State.

## Lockney Cotton Oil Mill Contract Is Let

Contract for the construction of the main building of the Lockney Cotton Oil Mill was let last week to Harrison Construction Company, a Waco concern, and first dirt for the building will be broken Monday of next week according to present plans.

The contract price for the building was approximately \$75,000. Warehouses and seed houses were not included in the contract let, according to H. B. Adams, editor of The Lockney Beacon, in Floydada Wednesday on business.

Between one hundred and one hundred and fifty workmen will be used on the construction job. H. M. Mason will be general superintendent of the mill, having already arrived and taken up his residence at Lockney. It is expected that the mill will be opened ready for the 1927 season.

## \$50,000 Worth of Hogs Shipped In Six Weeks

Floyd County Farmers Cashing Cheap Feed And Pasture Through Hog Sales

More than fifty thousand dollars worth of Floyd County hogs have been paid for and shipped to an El Paso packer, the Peyton Packing Company, in the past six weeks, two loads going out the first of this week from Floydada, purchased from N. A. Armstrong, and two loads from Lockney, making the total consignments to date from the county reach a total value here of \$2,095,62, according to the figures of W. J. Foster, representative of the company, who has been receiving and paying for the hogs.

Four more loads of hogs will leave Floydada this week to bring the total receipts into the county above the \$58,000 mark. Hammonds & Howard will load these four cars.

With the recovery of the hog market last year, stock farmers of the county, with a large surplus of low-priced feed on hand, began re-stocking their hog lots and pastures, with the result that thousands of dollars worth of hogs were produced last fall for home consumption and shipments to packers began to be frequent last fall. Big profits have been realized in some instances, and a general distribution of the profits from the swine production has been noted over the entire county.

## SIMMONS CHORAL CLUB NOT COMING SUNDAY ANNOUNCEMENT

A telegram received this morning by Rev. W. R. Hill from the Simmons University Choral Club stated that the club would be unable to fill their appointment at the First Baptist Church Sunday morning. Over forty students from Simmons University were planning to make the trip this week touring West Texas but due to some unknown reason, they will be unable to be here Sunday, the telegram stated.

## MOTHER OF MRS. BUTLER ILL

Mrs. S. J. Richardson, of Seymour, who has been visiting her daughter, Mrs. D. Ford Butler, for sometime has been seriously ill for about two weeks, but is reported to be slightly improved. Her daughter, Mrs. Porter Brown and daughter, Janice Joyce; and sons, T. J. and W. F. Hooser, of Seymour were at their mother's bedside from Sunday until Thursday of last week. W. F. returned here Tuesday and will remain with his mother during her illness.

## Supplies To Storm Victims Sent Free By Express Co.

"All supplies, clothing or food-stuff, sent to the Rock Springs Texas, tornado suffers via The American Railway Express will be sent free of charge" was the announcement made yesterday afternoon by Express Agent W. O. Jones of this city.

The Express Company is using this means to help relieve the suffering and needy condition of the citizens of the Texas town which was practically destroyed by a twister last week. Orders were issued from the headquarters of the company to stations all over Texas urging the public to take advantage of the free transportation by sending all supplies possible to the sufferers. The order will be in effect until the suffering situation has been relieved, Mr. Jones stated.

## 140 Expected At Baker Banquet Friday Night

All Preparations Completed Success Of Event Assured If Weather Man Helps.

One hundred and forty people will take part in the Baker "Good Will" banquet Friday evening at the Baker school auditorium if the present plans of the different committees are carried out. Of this number between fifty and seventy-five will be Floydada business men and merchants. All preparations for the feed are practically complete and with the assistance of the weather man there is no doubt about the success of the event.

"We have the good will spirit out here and are making arrangements and expecting the Floydada people to be with us for this occasion," said R. L. Glenn, principal of the Baker school and toastmaster of the banquet, who is proving a live wire worker in his community. The program has been prepared with one aim in view of making the occasion one of mutual profit and pleasure to Baker community and Floydada. Those who will take part on the program are all Floydada and Floyd County residents and well known for their ability.

Those attending the banquet from Floydada are asked to leave from the court house square immediately following a concert by the Floydada band. All the band boys do not have a way of conveyance and those who have extra room in their cars are asked to see that the band boys are taken care of.

The program as outlined by the committee follows: Toastmaster, R. L. Glenn, Principal Baker School; welcome address, G. L. Fawver, Trustee of Baker school; Response, G. C. Tubbs, Floydada business man; Reading, Jewell Mara, students of the Baker school; Special music, chorus, Baker Glee club; Address, F. L. Davis, Pastor Christian Church, Floydada; Reading, Miss Linnie Palvador, student of the Baker school; special music, Prof. A. L. Lundgren, Director Floydada Band; Response from visitors.

## Fund For Rock Springs Sufferers Started Here

Judge F. P. Henry, chairman of the Floyd County Chapter, American Red Cross, this week started a campaign for a relief fund for the sufferers in the Rock Springs, Texas, cyclone disaster, where out of a population of eight hundred, nearly fifty are dead and scores are in hospitals in neighboring cities.

"While this is appalling, it does not tell all the story by any means," the judge said. "In addition to the dead and injured many are homeless and without funds of any kind, and thousands of dollars are being spent to obtain food for the daily sustenance of the remaining population until they can begin to take care of themselves again."

In addition to a subscription list which as many as possible are being given an opportunity to see, boxes for relief disaster funds are being placed at each of the Floydada banks and drug stores, so that everyone will have an opportunity to assist.

Total funds raised by subscription and through donations at the stores and banks Wednesday afternoon had reached \$61.24, for which amount Judge Henry forwarded a check this morning.

## ALLEGED CHICKEN THIEVES HELD IN MOTLEY COUNTY JAIL

Three Motley County men, alleged to have been members of a gang of four men who stole chickens in Motley and Floyd County this week and disposed of them in Floydada and Plainview, were arrested Wednesday and lodged in the Motley County jail, while a fourth man wanted is still at large in connection with the charges preferred.

Sheriff P. G. Stegall was in Motley County Wednesday morning with Motley County officers working on the case, after visiting a poultry house in Floydada and one in Plainview with claimants of the chickens who made identifications. Payment was stopped on checks which had been issued to the alleged thieves. Checks issued here totalled nearly \$80 and at Plainview in excess of \$50, Sheriff Stegall said Wednesday.

## Key Rate Reduction Is Hoped For By Council

Adoption of Building Code And New Fire Truck Latest Fire Preventative Measures.

Members of the City Council are optimistic over the possibilities of a materially reduced fire insurance rate for Floydada, the program of improvements planned to add greater protection against fire for property and a corresponding reduction in the fire insurance key rate, having been completed Tuesday night with the acceptance by the council of a new Graham fire truck of 400-gallon pumping capacity, equipped with 1,000 feet of hose and chemical engine, and the adoption of a new building code which becomes effective this week.

The present key rate of 25 cents together with the basis rate of 25 cents makes a total charge of 50 cents for all risks in Floydada, which is thought to be one of the highest rates paid by any community in the plains territory. A very material reduction should be obtained City Secretary Burl Bedford said Wednesday, and added that the city hoped to hear from the Fire Commission next week. A rating inspector from the commission visited Floydada early in this month and his report only awaits formal notice of the arrival of the city's new fire truck.

Things which have been accomplished by the council during the past twelve months which will affect favorably the key rate include:

Installation of the second unit of a dual water system, one of which is not electrically driven;

Completion of fourteen blocks of paving in the business district;

Completion of an adequate street lighting system;

Purchase of a new fire truck with chemical tank and 400-gallon pumper, equipped with 1,000 feet of three-ply hose, with a smaller truck, chemical tank, hook and ladder equipment and 1,000 feet of hose retained for reserve equipment;

Completion of one fire proof and three semi-fire proof water pumping stations;

Adoption of building code recommended by State Fire Insurance Commission.

## C. Of C. Open Meeting Tuesday Night, April 26

Community Meetings, Convention, Publicity, Railroad Subjects For Discussion.

Community meetings, conventions, publicity and railroads will be discussed at the regular meeting of the Floydada Chamber of Commerce, which will be held in the County Court room at 8 o'clock Tuesday evening. This will be an open meeting and a discussion of the many problems that confront the city will follow the regular business session.

As the spring and summer seasons approach the business men become interested in the regular community meetings. A committee from the Floydada Luncheon Club will be prepared to discuss the possibility of staging the meetings this year. Interest in the County Fair should increase the attendance from both Floydada and the communities at these meetings.

Floydada will be represented at the West Texas Chamber of Commerce convention by the Floydada band and the "My Home Town" speaker. Permission to represent Hawaii in the Pageant of Nations has been asked of the officials of the convention and arrangements to dress the band boys accordingly are being made.

Publicity of the right kind is one of the primary purposes of a Chamber of Commerce and the chairman of this committee will have a report ready in which he will outline the amount of publicity secured by the local organization and also give some ideas in which more and better publicity can be obtained.

Any news or definite decision of railroad committee on securing right-of-way will be a part of the discussion following the regular business session. Members of this committee will be asked to take a part on the program.

At a recent meeting of the directors of the organization it was suggested that the posts marking the county boundary lines are badly in need of being repainted. It was the unanimous decision of the directors that this should be done.

Those interested in any of the above named projects should make arrangements to attend this meeting and take a part in the discussion of them or any other feature that they believe Floydada should be working on.

## CO-OPERATIVE GIN MAY BE ESTABLISHED AT FLOYDADA

A call for a meeting of a hundred or more farmers at Floydada tomorrow afternoon at two o'clock for the purpose of discussing plans for a Farmers' Co-operative Gin at Floydada was issued this week by Arthur Beedy, secretary of the Floyd County Farm Bureau.

## FIRE TRUCK RECEIVED

The city's new fire truck—a Graham speed truck equipped with Boyer fire-fighting equipment, including chemical tanks, 400-gallon pumper—purchased early in January through the Motor Supply Company, Graham Bros. agency, was tested on the street Tuesday afternoon and formally received by the city council in their meeting Tuesday night

**FIRE INSURANCE RATE**

Citizens of Floydada will be considerably gratified, if with the purchase of the city's new fire truck and the completion of its program of better protection of the water supply, the fire insurance rates can be considerably reduced.

Floydada business has been penalized heavily. The Hesperian believes, over that of neighboring cities and towns in the plains area with practically equal, and in instances not so good, fire fighting equipment and protection for sources of water supply. This appears to be true at least.

The city fathers are eliminating or have already eliminated the weak links in the chain of fire protection for the community, and the fire insurance rates should come down.

**COOL WEATHER HELPS WHEAT**

Whatever damage lack of moisture and high winds may be doing to the wheat crop of this section, nearly two weeks of cool weather have been quite advantageous to the crop, wheat growers say.

south plains, low temperature prevailed over this section, reaching as low on 40 degrees on two occasions last week.

Wheat thrives on cool spring weather, and this condition has largely offset the effect of dry weather and winds, if these conditions have been seriously affecting the crop, a thing in itself which several wheat growers question.

**COTTON ACREAGE LARGE**

There is no doubt that the cotton acreage in Floyd County and portions of Hale, Dickens and Crosby adjacent, will be lower this year than last—less possibly by as much as 20 percent.

A good many thousand acres of cotton land last season have wheat crops growing on them this season. And a South Plains farmer (wisely enough) is going to plant a good percentage of his cultivated land in feed every year. An increase in the number of chickens, hogs and dairy cattle in this territory will very likely assure as big an acreage in feeds as was planted last year.

**IN RE POLITICS**

Slight simmering in the state political arena was started last week by two announcements, one that Earle B. Mayfield, present incumbent in the office, aspired to succeed himself and would base his fight for return to office on his fight for better transportation facilities for the state and his work in aiding the market for cotton; the other that Thomas L. Blanton, fiery petrel of Abilene, would throw his hat into the ring for Mayfield's place if he obtained sufficient encouragement. Tom Connally, of Waco District, will also try for the senatorial toga in 1928.

That Blanton's race will be based not only on his own record for saving money for taxpayers in congress, but also that he will probably attack Mayfield's personal record, was indicated by the first statements emanating from him. His statements were frankly for the purpose of seeing what the response would be to the suggestion of his candidacy.

Too early yet to pick your horses in this race, wait till they all get lined up ready for the start. An early alignment might prove embarrassing a little later on when you might like to change horses.

**ISSUE OF APRIL 24, 1913**

As a result of activities of local cattle and horse dealers, as well as other business men of the city, it has been formally decided to set apart the second Monday in each month in the future as trades day. The new movement is to be inaugurated on May 12, 1913. We can state that buyers and traders will be present who know the value of horses and mule-flesh, so bring that extra animal,—good, bad or indifferent,—and you'll get a "dicker" if you get busy.

County court was called in session Monday morning, April 21, 1913, with the following list of jurors for the week: J. A. Bagwell, W. C. Wright, C. C. Smith, C. R. McCollum, Joe Smith, Jno. L. West, Walter Long, J. E. Staley, Carr Surginer and Z. T. Riley.

J. D. Starks and Jno. N. Farris left Wednesday, April 23, 1913, for Dallas where they will study the work of the Shriners at Hella Temple.

**'Round The Square**

Traffic regulation 'Round The Square' is getting better every day—But double parking is still being allowed and sure ought to be stopped. Often times, it takes an expert driver to drive down the street without running into some other car.

Friends, like gardens, should be cultivated.

Look Out! The danger season is here. Every flower carries a pistil, the grass has blades and the trees are shooting.

Last Saturday a little boy was repeatedly walking from the First National Bank to Baker-Campbell's and back again. After watching the performance for some time, a man asked the boy why he continued to cross the street, and the lad replied: "I am just getting revenge on some of these cars that have made me jump out of the way for so long. They have to stop and let me pass now."

Happiness must be divided before it can be multiplied.

When a girl runs her hand through your hair it is time to propose or go home.

If you don't believe that the Floydada band is making rapid progress, just listen to one of their concerts. It would be hard to beat it in a town this size. Many attempts have been made to organize a band here, and if this one is not a success, it will not be because the boys are not working on it. They are earning that trip to Wichita Falls.

**Why We Fit Tillyer Lenses**

In a few words, we use this latest optical development because it gives you lenses that have our prescription ground accurately from margin to margin. Ordinary lenses give clear vision only through the center—through the margins, the vision blurs and may cause eyestrain. Drop in, let us explain why Wellsworth Tillyer Lenses are so much better for your eyes.

**BLANCO NEWS**

Blanco, April 18.—A light shower of rain fell in this community Sunday night which was appreciated more than the "West Texas Shower" that visited us Monday afternoon.

D. R. Badgett, in company with his brother-in-law, L. T. Bishop, of Floydada, left Saturday for Whitewright. Mr. Badgett's father of that city is very ill.

Friends in the community were sorry to learn of the death of the little seven months old daughter of Mr. and Mrs. Arch Williams, of Fort Worth, Saturday, April 9. Mrs. Williams was formerly Miss Eschal Wheeler and lived a number of years in the Blanco Community.

Mr. Floyd and family, of Oklahoma, are visiting his sister, Mrs. Ham Smith and family. Mrs. Smith's mother from Memphis also visited with her recently.

A large crowd attended the Easter egg hunt on the canyon Sunday afternoon.

W. C. Cates and family and Prof. and Mrs. M. B. Hood took Sunday dinner with J. B. Tinnin and family.

A. H. Howell is on a business trip to Callahan County this week.

Mike Smith and family, of Sand Hill spent Sunday with his brother, Geo. R. Smith and family.

Miss Eva Lee Alexander, our assistant teacher, was sick the first of the week and her sister, Miss Floy, taught in her place.

Quite a crowd was present at the school house last Friday to clean up the yards and set the fence back. The ladies spread a nice dinner at the noon hour. Clarence Foster from the Hokus-Pokus Store furnished the coffee for the occasion and, judging by the amount consumed, it was thoroughly enjoyed by the crowd.

Miss Ruby Farley, who is attending school at Acuff, spent the week-end at home with her parents, Mr. and Mrs. J. W. Farley.

Mrs. A. H. Thornton was called to Lubbock Friday afternoon on account of the illness of her daughter, Mrs. Chas. Whitacre. Mrs. Thornton returned home Sunday afternoon, leaving her daughter very much improved.

### Amarillo Hi Takes Two Easy Games From Locals

Fielding Errors Mark Worst Baseball Defeat of Season Friday and Saturday.

Amarillo High School Golden Sandm nine took a couple of easy victories from the Floydada Hi Whirls last Friday and Saturday afternoons when the two teams met at the Floydada baseball park, the score of the first game being 10 to 3 and the second to 3.

Many errors were marked against the locals while in the field and strike-outs of the Amarillo pitcher were numerous. Arsen, on the mound for the Sandforms, threw a slow easy ball that was difficult to hit and when struck usually resulted in short pop flies. Dixie White pitched for Floydada in the first of the two game series and struck-out several players until the fifth inning of the game. Amarillo made six scores in this inning and continued to score against White.

In the second game of the series, the Amarilloans began in the first inning of the game by scoring five points against Ashton, who pitched for the locals. In the fifth inning Hanna was substituted in the box for Ashton, but to no avail, the visitors continued to run the score up against their opponents.

The stellar hit of the series was made by Smith, of Amarillo, when he parked the ball for a homer with all the bases loaded, scoring four of the five points made in the first inning of the second game.

The first day's line-up of the two teams was as follows:

Amarillo	Po.	Floydada
Blakes		Ashton
Fairy	2nd	Carter
Boyles	1st	Mowery
Larsen	ss.	White
Gibson	p	Welborn
Smith	c	Hanna
Travis	rf	Bosley
Nunn	cf	Swain

### Sales Mount As Latest Improvements Become Known

The instant Dodge Brothers latest improvements became known, sales began to climb.

Take the car out for a trial and you'll understand why!

It would require a full page to describe these improvements in detail, but here is a partial listing: new silent-type clutch, new comfort-tilt seats, new five-bearing crankshaft, new starting system, new steering ease, smart new lines and colors, easier gear shifting, softer pedal action, new muffler, and far-reaching improvements in the vital parts and body architecture.

Test the car's new smoothness, quietness and ease of handling—then remember its enviable record for long life and low cost of up-keep!

### Cash Prizes Hung Up For Crossings Essays

Plan Is Announced For Big Awards In Three School Divisions By Railway Association.

Concerned over the increase that took place in 1926 compared with 1925 in the number of highway grade crossing accidents and believing that more care should be exercised by all those crossing railroad tracks, the American Railway Association today announced plans for a nation-wide essay contest among school and college students with three cash prizes of \$250 each, to be awarded the authors of essays containing an outstanding, readily available suggestion for preventing such accidents.

One prize of \$250 will be awarded by the American Railway Association for the best essay by a grammar student, a similar prize for the best essay by a high school student and a like amount for the best essay by a college student. Under the rules prescribed by the American Railway Association, the subject of the essay is to be "Cross Crossings Cautiously," and each essay is to be limited to 250 words.

The essays must be terse, logical and constructive and must stress the need for greater care in approaching and passing over railroad crossings.

The essays are to be sent to J. C. Caviston, Secretary of the Safety Section of the American Railway Association, at 30 Vesey Street, New York City, by not later than June 1. Three persons of national reputation to be selected later will act as judges.

Under the plan, class teachers in both grammar and high schools will select the best essays from their classes and transmit them to their principal who will then select the best one from that school and send it to the Superintendent of schools for the county or an equivalent officer. The county superintendent will then select the best essay written by a grammar student and the best one written by a high school student in his county and will transmit them to the American Railway Association. Colleges may follow the same procedure, except that each college or university, through its proper officer, may select one essay and transmit direct to the American Railway Association.

In 1926 there were 5,921 highway grade crossing accidents in which 2,492 persons were killed and 5,991 injured. In 1925 there were 5,479 accidents in which 2,206 persons were killed and 6,555 injured. Owing to the increase that is constantly taking place in the number of automobiles in use, the hazard from such accidents is annually becoming greater. Only through the co-operation of the public and the railroads can a reduction in such accidents be brought about, in view of the fact the complete elimination of highway grade crossings is impossible, not only because of the time that would be involved, but also because of the prohibitive cost which ultimately falls on the public.

**ORDINANCE NUMBER 101**

An Ordinance Designating and Establishing the Fire Limits of the City of Floydada, Texas, and Prescribing the Kind and Class of Materials to be used in the Construction of Buildings within the said Fire Limits; and Providing for a Penalty.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FLOYDADA, TEXAS, THAT:

**SECTION 1. FIRE LIMITS:** The following shall be and are hereby declared to be the fire limits of the City of Floydada, Texas: All of Blocks Numbers 60-61-62-71-72-73-82-83, and 84, Original Townsite of the City of Floydada, Texas.

**SECTION 2. PERMIT REQUIRED:**

No wall, structure, building, or part thereof, shall hereafter be built, enlarged or altered, until a plan of the proposed work together with a statement of the materials to be used shall have been submitted to the City Secretary, who shall, if in accordance with the provisions herein contained, issue a permit for the proposed construction. Structures hereafter erected without permit or not in conformity with this

Ordinance shall be removed. No building shall be moved from one location to another within the fire limits until a permit has been obtained therefor. Permit shall be issued only in case the construction is in accordance with this Ordinance.

**SECTION 3. INCOMBUSTIBLE CONSTRUCTION REQUIRED WITHIN FIRE LIMITS.** Every building hereafter erected, altered or enlarged within the fire limits, shall be enclosed on all sides with walls constructed wholly of stone, well burned brick, or re-inforced concrete, and shall have the roof also the roof and sides of all roof structures, covered with incombustible material. All cornices shall be of incombustible material.

**SECTION 4. FRAME BUILDINGS:** No structure whose walls are wholly, or in part, constructed of wood, shall, hereafter, be built or moved in the fire limits as herein designated or as they may hereafter be established except as follows:

Temporary one story frame building for the use of builders.

Any existing frame or iron-clad building within the fire limits, which may hereafter be damaged by fire, decay or otherwise to the amount greater than one half its present value exclusive of the foundation shall not be repaired or rebuilt, but shall be removed.

**SECTION 5. GAS CONNECTIONS:** Gas connections to stoves and similar heating devices shall be made of rigid metal pipes for small portable gas heating devices, flexible metal or rubber tubing may be used when there is no valve or other shut off on the device.

**SECTION 6.** Any person, firm, contractor or corporation violating any provision of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not to exceed One Hundred (\$100.00) Dollars.

**SECTION 7.** It is further ordained that any Ordinance or parts of Ordinance in conflict with the provisions of this Ordinance are hereby repealed and declared of no effect.

**SECTION 8.** This Ordinance shall be in full force and effect from and after the date of its passage and approval and proper publication.

Passed and approved this the 12th day of April, 1927.  
Attest: BURL BEDFORD,  
(SEAL) City Secretary.  
W. D. SMITH,  
Mayor.

**Children Guests of Parents At Dinner.**

Mr. and Mrs. E. C. Henry were host and hostess Sunday at dinner for all of their children and several friends with their daughter, Mrs. Pitzer Baker, and husband and baby of Weinert, as honor guests.

A sumptuous dinner was served to the following children: Dr. and Mrs. Geo. V. Smith and daughter, Margaret; Mr. and Mrs. R. C. Henry and sons, R. C. and Billie; Mr. and Mrs. Pitzer Baker and son, Charles of Weinert; Mr. and Mrs. A. P. Barker and sons, Arthur and Barry of Lockney; and Kenneth Henry. The following friends were guests: Mrs. Fred Reed, of Weinert, Miss Edythe Walker, Miss Kathryn Walker and Miss Pearl West; Several other friends called during the afternoon.

**New Officers Elected For High School P. T. A.**

New officers for the ensuing year were elected at the High School Parent-Teachers' Association meeting conducted Thursday afternoon, April 14, at the auditorium. The following were elected: president, Mrs. J. B. Jenkins; vice president, Mrs. A. A. Collins, Mrs. E. R. Borum; third vice president, Mrs. Glad Snodgrass; secretary, Mrs. J. A. Enoch; treasurer, Mrs. D. W. Fyffe; reporter, Miss Gladys Collins.

A great deal of interest was manifested in the District Convention which convenes at Memphis, April 27. Three representatives to attend the meeting were elected, Mrs. J. B. Jenkins, Mrs. J. A. Enoch and the retiring president, Mrs. M. F. Husky.

A well arranged and entertaining musical program was rendered by members of the High School orchestra, directed by Mrs. Jno. Smith and the boys' quartet, directed by Miss Delphine Miller. This program was in observance of "Music Week."

**First Christian Church S. S. Weiner Roast.**

About fifty members of the Sunday School of the First Christian Church had a weiner roast at the Canyon last Tuesday night. It was the treat given by the Reds to the Blues as the result of a contest which closed, March 1.

Last October the minister and wife and six others challenged the remainder of the Sunday School for a "Visiting Contest." Various things counted so many points. The minister's bunch was designated the "Blues" and remain-

der the "Blues". Not that they displayed any of the Russian Red's traits but just a name to distinguish. They proved, however, not to be very good visitors for the Blues beat them about 10,000 points. They were game losers and the weiner roast was the result.

The pastor said he had the reputation of being a big eater but he lost to J. C., C. T. and Ted and at that he did not go home hungry.

Plans for a fishing trip and chicken roast for the Sunday School were discussed, the date to be announced later.

**Social Meeting of M. E. Society Monday.**

Mrs. Wilson Kimble was joint hostess with Mrs. L. C. McDonald at a social meeting of the Methodist Missionary Society at her home Monday afternoon. A program on "The Woman's Position in the Church" was given with Mrs. John Smith as leader. The Bible lesson was given by Mrs. J. M. Willson. Mrs. Homer McDonald and Mrs. Clay Johnson each discussed a topic on the lesson.

At the next meeting a missionary lesson will be had conducted by Mrs. H. N. Porterfield.

**Orphan Girl Will Be Given Vacation.**

The Wesley Girls of the Methodist Sunday School met Tuesday night in a business session at the home of Mrs. N. W. Williams for the purpose of making plans for the vacation of the adopted orphan girl of the Wesley Girls, who is in the Methodist Orphanage at Waco. The original plans were to have her visit in Floydada but the final decision was to pay her expenses for a vacation and have the home choose where she would spend the summer months.

Delicious refreshments were served to about fifteen members who were present.

**Pageant Recital Friday Night At High School.**

"The Seasons," a pageant will be presented at the High School auditorium Friday night by the pupils of the City Conservatory of Music and the pupils of Miss Virgie Price. The seasons of the year, Spring, Summer, Autumn and Winter will be represented in the pageant, with Mrs. Geo. Bond as herald and Mrs. Harper Scoggins as reader.

**Easter Egg Hunt Given Children.**

Mrs. J. G. Martin entertained Saturday from 3:00 to 5:00 o'clock with an Easter egg hunt for her daughter, Annie Laura, and son J. G. Jr. Many games of various kinds were played by the children. On account of having to practice for recitals and plays for the

end of school many of the little guests who had been invited were unable to attend.

Cake and ice cream were served to the following: Hazel Borum, Dorothy Hall, Mary Louise Thurmon, Kenneth Stevenson, Annie Laura Martin and J. G. Martin.

**Woman's Council Meeting Monday Afternoon.**

The Woman's Council met Monday afternoon at the Church and had their regular lesson from the "Life of Christ" led by Mrs. F. L. Davis. Much interest was manifested in the review of the book for their examination which will be had upon completion of the book at the next lesson. Mrs. J. A. Enoch answered all of the questions asked in the review.

A business meeting will be held next Monday afternoon.

**Expression-Musical Recital Tonight.**

A joint expression and musical recital will be given tonight at the High School auditorium, beginning at 8:00 o'clock when Mrs. A. N. Gamble and Mrs. J. V. Daniel will present their pupils in a varied and unique program as follows:

**Andrews Ward P. T. A. Elect Officers.**

New officers for the next school term were elected at the regular meeting of the Andrews Ward Parent-Teachers' Association which was held Wednesday afternoon, April 13. They are as follows: Mrs. E. S. Randerson, president; Mrs. Frank Stovall, first vice president; Mrs. C. W. Ginn, second vice president; Mrs. J. U. Borum, third vice president; Mrs. T. S. Stevenson, secretary; Mrs. D. W. Fyffe, corresponding secretary; Mrs. W. H. Hilton, general treasurer; Mrs. R. E. Fry, reporter.

Mrs. E. S. Randerson, Mrs. R. E. Fry and Mrs. T. S. Stevenson were elected as delegates to the District meeting of Parent-Teachers' Associations to be held at Memphis, April 27.

A short program was given and the meeting adjourned to meet again Wednesday afternoon, April 27.

**Easter Egg Hunt Given For School Children.**

Several hundred children from the East Ward School, in grades from one to six, attended the Easter egg hunt given for them Friday afternoon by the Parent-Teachers' Association.

The pupils of the first, second and third grades were given their hunt in the G. A. Linder wheat field and those in the fourth, fifth and sixth grades in the L. A. Marshall field. Prizes were given to each group to the one finding the least and greatest number of eggs. Clyde Spence was given the prize for the three lower grades for finding the most. Jack Stansell found the golden

egg and boxes of cracker jacks were given to the children who did not find any.

Buck Walding received the prize for the three higher grades for finding the greatest number of eggs and John Harvey Scoggin received the prize for finding the least number. Margaret Smith found the golden egg.

The pupils were accompanied by the teachers of the school and a number of their mothers.

**East Ward P. T. A. Announcement.**

The next regular meeting of the East Ward Parent-Teachers' Association will be held Friday afternoon, April 29.

**Floydada Ladies Official Representatives.**

### Mrs. Sam Magness Dies At Home Near Petersburg

Mrs. Sam Magness, 19, a resident of Floyd County for seven years, died at her home five miles south-east of Petersburg, last Thursday afternoon following an illness of less than a week. Mrs. Magness was the daughter of Mr. and Mrs. J. F. Parr, of this county, and had been married about two years, making her home in Floyd County near Petersburg.

Rev. Y. F. Walker, of Lockney, conducted the funeral services which were held at the First Baptist Church of Petersburg Saturday afternoon. Interment was made in the Petersburg cemetery following the funeral services Saturday.

Mrs. Magness is survived by a husband, both parents, four brothers and seven sisters.

F. C. Harmon, of the Harmon undertaking establishment of this city directed the funeral services.

### Senior Class Wins High Schools Follies Contest

Before a packed house last Friday night, the Floydada High School presented their annual "High School Follies," an entertainment consisting of four one act plays, one play being presented by each class of the school. The audience was highly pleased with the entertainment, each play bringing loud applause.

A popular vote was taken by the public following the entertainment to determine which class presented the best play in the best manner. In the count of votes the Senior class held a lead of less than twenty votes over the Junior class, and the Juniors a small lead over the sophomore class. The count of votes in all four classes was very close and voting as a whole was heavy.

The senior class presented the first play, entitled "A Scheme That Failed." The second play, entitled "Borrowers' Day," was given by the sophomore class and the third entitled "Kid Curlers" was presented by the freshmen. The Junior class play, "Rooms to Let," was the last one presented by the classes. The entertainment was well spiced with between-act specialties and music furnished by the high school orchestra.

#### MINNICK RANCH WILL BE SCENE OF BIG POLO GAMES AND RACES

Crowell, April 15.—One of the outstanding sporting events to be held in the Southwest this year will be a nine day polo tournament starting April 23rd and ending May 1st at the Minnick Ranch nine miles south of Crowell with polo teams entered from the University of Oklahoma; Crowell, Texas; Dallas; Fort Reno, Oklahoma; Ponca City, Oklahoma; Wichita Falls; and very probably army teams from Fort Sam Houston at San Antonio and Fort Sill, Oklahoma.

In addition to the regular polo games, steeple chase and quarter mile races will be held on each of the two Sundays of the tournament. Probably the outstanding feature outside of the regular polo games will be the steeple chase races covering a two mile course with over six jumps, three feet and six inches in height. Twenty starters for this event are practically assured including six horses from Oklahoma and other entries from many other sections of the Southwest. Every horse entered thus far is over sixteen hands in height. This event is open to everybody and will be conducted on a strictly sporting basis and a large loving cup will be given as a prize to the winner. Entries in the quarter mile races include some of the fastest horses in the Southwest and the races are expected to be among the most thrilling ever held in West Texas.

#### ALL-DAY EASTER SERVICE AT MT. BLANCO ON SUNDAY

An all-day service marked the observation of Easter at Mt. Blanco Sunday, a program being arranged by the Baptist church for both the forenoon and the afternoon.

The morning Easter service followed the regular Sunday School hour and at 1:30 in the afternoon, following a bountiful dinner served for all, the program was resumed until 3 o'clock in the afternoon.

Rev. G. W. Tubbs is pastor of the Baptist church at Mt. Blanco. A fine crowd attended the services he said, and the day was greatly enjoyed by all.

#### NORMAN JONES MARRIES MISS VEOLA DAVIS OF SILVERTON

The wedding of Mr. Norman Jones, of Floydada, and Miss Veola Davis, of Silverton, was solemnized at the Baptist parsonage on Wall Street, Saturday afternoon, April 16. The ceremony was said by Rev. W. R. Hill.

The bride is the daughter of Mr. and Mrs. W. T. Davis, of Silverton. The groom is the son of Mr. and Mrs. A. A. Jones who live about one mile west of Floydada, residents of the county for about fifteen years. He is associated with his father in the contracting and carpenter business.

Mr. and Mrs. Jones will make their home with his parents for the present.

#### TUTTLE-LOOKINGBILL

Miss Ellen Tuttle, of Plainview, and Mr. Cecil E. Lookingbill, of Tulia, were married in Floydada Sunday afternoon at the Baptist Parsonage on Wall Street, by Rev. W. R. Hill. Immediately after the ceremony Mr. and Mrs. Lookingbill left for Tulia.

BORN—to Mr. and Mrs. R. S. Moore, of Antelope, April 10, a son.

Mr. and Mrs. R. L. Hinkson, who are now making their home at McAdoe, were in Floydada Saturday night and Sunday visiting.

L. T. Bishop spent last Sunday in Whitewright with his wife who is visiting her parents, Mr. and Mrs. D. R. Badgett.

#### FIRST CHRISTIAN CHURCH

F. L. Davis, Minister  
Services last Lord's day were fine throughout. The sunrise Prayer Meeting was well attended and was indeed a spiritual uplift to all present.

The Sunday School attendance was the largest we have had this year, and fine interest prevailed during the lesson period. The offering for Ministerial Relief was larger than we had expected.

The morning worship was largely attended and the singing was simply fine. The choir rendered four beautiful anthems and Mrs. Enoch gave two beautiful vocal solos. All present were mightily well pleased with the singing and several said the pastor preached a better sermon than usual, but who could not after such fine singing.

The dinner at the canyon was indeed sumptuous and a large crowd attended. The egg hunt after dinner was thoroughly enjoyed by all of the children.

The Endeavor meeting at 6:45 was well attended and a fine program. The Bible quotation contest proved interesting. The winner will be awarded a prize next Sunday at the Endeavor meeting.

The pictures of the burial, resurrection and ascension of Christ at the night services were good and thoroughly enjoyed by all present. As a whole Sunday was a good day for us, but let us make next Lord's day better.

The Sunday School will meet at 10:00 a. m., Lon M. Davis, supt. in charge. Preaching at 7:45. The subject will be the last in the series, "What is the Matter with the Preacher?" This will be interesting and will close the series. Remember you are invited to worship with us anytime you can. If you like good singing we have it.

Weather and roads permitting the pastor will fill his appointment at Ralls next Sunday afternoon at 3:00 o'clock.

#### AT CHURCH OF CHRIST

The meeting at the City Park Church of Christ closed Sunday night. The attendance was good and all are rejoicing over the good results obtained. While there were only five additions to the church during the meeting, we all feel that great good was done and our prospect for the future is bright.

Bro. Clark will preach for the church next Lord's Day at 11 a. m., and there will be a special song service at night, led by Prof. Morgan. A special invitation is extended to all to come and enjoy the services with us.  
Ira L. Sanders, Minister.

#### CIVICS CLASS CORRECTLY DISPLAYS NATIONAL FLAG

As a part of their study of the national government and its institutions the seventh grade civics class of the Andrews Ward School Tuesday re-arranged the large national flag in the district court room at the court house to conform to the usages incident to proper respect for the emblem.

The class visited the court room in a body and put into practical effect the text of their study in civics.

#### NOTICE

Owing to the congested condition of traffic due to the promiscuous parking of automobiles in the streets it has become very imperative that the City's Ordinance in regard to parking be fully complied with.

Automobiles or other motor vehicles must be parked at the curb at an angle of 45 degrees within 18 inches of each other. Traffic markers are being placed on the main streets as a guide for persons who are not familiar with the provisions of this Ordinance.

Hereafter no automobile or other motor vehicle shall be permitted to be parked in the center of the street or lengthwise on any part of the street.

A strict observance of this Ordinance will keep you out of trouble.  
W. D. SMITH, Mayor.

A. V. Haynes and Osborn Dunavant made a business trip to Plainview Thursday.

FLOYDADA,

TEXAS

**What's Doing In West Texas Today**

**MEMPHIS**—Work on installation of 40,000 feet of sewer for the northwest part of Memphis is under way here. The additional sewerage will cost some thing near \$6,000 and will be paid for by warrants on a ten year basis.

**CLOVIS, N. M.**—Clovis boasts one of the most complete tourists camps to be found in this state. It is situated within 12 blocks of the business section of the city and is modernly equipped in every respect. There is a community house with a dining hall and recreation room and public kitchen. Hot and cold shower bath facilities are also provided.

**PANHANDLE**—Construction of a double track from this point to Pampa, a distance of 30 miles, is under project by the Santa Fe railway. The improvements are of an approximate cost of \$1,000,000. The forty-five miles of second main track underway between Canyon and Panhandle and this new section of thirty miles gives the Santa Fe about 75 miles of first class double track in this territory.

**CHILDRESS**—Plans for the next district convention of the West Texas Chamber of Commerce to be held here May 5 are being detailed. The convention will call together member towns of the Green Belt and Lower Panhandle region.

**WICHITA FALLS**—Twenty-six cities are already completing preparation to represent as many foreign nationalities in the huge Congress of Nations planned for the ninth annual convention of the West Texas Chamber of Commerce which convenes here May 16 and 17. Arabia, Egypt, Portugal, Spain, Italy, Turkey, England, American Indians, Holland and many other picturesque races will be represented at the meeting.

**GIRARD**—Shoes and socks serve as money depositories in this section, or citizens carry their exchequers about their person. The reason for this condition is that Girard is in need of a bank. The town is located in a prosperous agricultural region and offers a good location for interested capital.

**LEVELLAND**—Citizens of this progressive West Texas town and of the county voted bond issue of \$150,000 for construction of a Hockley County Courthouse here on April 5. Levelled is only three years old, but already has more than 20 modern brick business houses, and is making strides toward a real West Texas city.

**CROSBYTON**—W. A. Wilson of Lamesa was chosen president of the South Plains Secretaries Association formed here at the close of the district convention of that section held April 7. S. W. Cooper, secretary of the local chamber of commerce, was made secretary of the association. The South Plains District Convention of the West Texas Chamber of Commerce which met here April 7 was another record breaker for the regional organization, with 1500 in attendance, and with over 500 registered delegates. The 1926 convention of the South Plains section went to Lamesa after a close contest with Tahoka for the honor.

**BARSTOW**—Franchise for power rights for installation of a power and ice plant and system for this town has been granted and developments are under way in this project.

**BAIRD**—The Humble Oil and Refining Company is completing erection of an oil station and ware house just west of the Texas Company's station on the T. & P. railroad tracks here. The Magnolia Petroleum Company has bought grounds and will start construction of an oil station and ware house immediately.

**KRESS**—Contract has been let for three brick business houses and work has been started on the buildings.

**HEDLEY**—Construction is under way to shorten the road from McLean and Hedley to points south. It is aimed to have the roadway taken over by the State Highway System at an early date.

**AVERY TWIN-JACK CULTIVATOR**

**Easy on both man and team**

Avery engineers did a big job in eliminating strain on the operator and lightening the work of the team when they designed the famous Jack Rabbit Cultivator. In the Twin-Jack they have repeated their success, this time in a two-row cultivator that is simple to operate—and easy on both man and team.

The Twin-Jack is sturdy, durable, flexible, easy to handle and comfortable to ride. It has a strong, rigid main frame that will not twist or sag under the hardest conditions. The frame is in perfect balance at all times, with the result that manipulation requires

but minimum effort, the horses are spared sore shoulders, and more ground is covered per day with less fatigue.

Each pair of gangs is controlled by two independent levers, the inside lever raising or lowering the pair simultaneously, when desired. By means of an easy pressure on the stirrups the wheels may be angled to right or to left.

We will be glad to explain the many efficient, time-saving features of the Twin-Jack—or demonstrate at your convenience. There is no obligation.

There is a full line of famous Avery walking, riding and tractor plows, tillage implements and Champion harvesting and haying machines

### Floyd County Kitchen Improvement Program

(By Miss Blanche Bass)  
The kitchen improvement work which Floyd County has adopted for its five year development program is strictly a plan to meet the needs of the people in this particular section of the State. The aim of this program is to get a larger per cent of the women to make improvements in their kitchens. Last year there were fifty-four kitchens in Floyd County improved as a result of the State Kitchen Contest. "We feel that this is such an important work that we must devise some other means of getting more women interested in this phase of home improvement work."

So far this year we have worked out a score card of 1000 points, giving credit on what we think are the greatest conveniences we could add. Through this plan we are to work through school districts rather than just the homes of the club members. This is an opportunity to reach still a larger number of people, and will cause more women to enroll for club work.

In the back of each year book is printed the score card to be used in this year's work.

In order to check up on this new plan of work we have set the last Tuesday in June to collect all the score cards. Printed forms will be sent out to each woman which she will fill out. There will be a committee of three appointed in each community whose duty it will be to collect these score cards. This committee will bring all score cards to the office of the Home Demonstration Agent and there they will be checked for each club. Then a disinterested committee of three will check them all to see that no errors have been made. The four communities scoring highest will then be given cash prizes by the Floydada Chamber of Commerce.

Each year the score card will be changed. At the end of the fifth year we hope to have convenient and attractive homes in every community.

Score Card

1. Percent club membership	75
2. Running Water	125
3. Scrubless Floors	125
4. Sink	100
5. Screens	100
6. Lighting:

#### McCOY 4H CLUB

The McCoy girls 4H club met last Monday, April 11. This was not our regular meeting and therefore no stars were awarded.

Miss Bass was present and gave an interesting talk on the Hale-Floyd County encampment. We are all very anxious to over the plans for the encampment. We are all going to be present and all who are eligible are going to enter the dress contest. Since we have the greatest number of club members of any club in the county, and will have the most entrants of any club in the county, we plan to win the slumber party.

Almost all have our required sewing finished. By the time the encampment will be held, those who have not finished will be through with theirs.

Miss Bass gave instructions to the first year girls on their cap emblems.

#### ROSELAND DEMONSTRATION CLUB

Twenty-six members were present at the meeting of the Roseland Home Demonstration club which met at the club room, Friday afternoon, April 1. Roll call was answered by each member giving some convenience she means to add to her kitchen this year.

Miss Bass was present and gave a demonstration on both fried and smothered chicken. Each member was very much interested in this demonstration as a number are planning to can chickens.

#### DEMONSTRATION CLUB ORGANIZED WEDNESDAY

About fifty women attended the yeast bread demonstration given by Miss Blanche Bass in the court house Wednesday afternoon, April 13.

After enjoying the good food prepared in the demonstration a Home Demonstration club for the Floydada ladies and those near Floydada was organized with Mrs. Will McGehee, president; Mrs. Wilson Kimble, vice president; Mrs. S. W. Ross, secretary-treasurer and Mrs. R. L. Henry, reporter.

The meetings will be held the second and fourth Wednesdays of each month at the Court House at 2:30 o'clock. All women who do not belong to a demonstration club are invited to join.

The program for the next meeting is as follows:

Roll Call—"Something I intend Doing to Make Home Life More Attractive"—"Reasons for Painting"—Mrs. M. F. Husky.

"Possibilities in Old Furniture"—Mrs. Will McGehee.

"Small Furnishings for the House which may be Made and Painted"—Mrs. E. B. Massie.

"The Walls, Woodwork and Floors"—Mrs. J. B. Jenkins.

"Suitable Designs and Color of Paper for Various Rooms"—Mrs. Jim Houston

"Appropriate Floor Coverings"—Mrs. A. N. Gamble.

"Window Draperies"—Mrs. Jim Willson.

"Pictures"—Mrs. C. B. Sims.

"Arrangement of Furnishings"—Mrs. L. V. Smith.

The next meeting will be held Wednesday afternoon, April 27, at 2:30 o'clock.

#### LAKEVIEW DEMONSTRATION CLUB

The Lakeview Home Demonstration club met Wednesday afternoon, April 13, with Mrs. Earl Edwards, hostess, and Mrs. O. M. Conway leader on the subject, "The Magic Paint Brush."

The president called the house to order and enrolled several new members, after which the minutes of last meeting were read and adopted.

Mrs. Conway proved herself a very capable leader. Other topics for discussion were: "Reasons for Painting," by Mrs. Hambricht, "Possibilities of Old Furniture," by Mrs. Elmer Baker, "Small Furnishings for the Home which may be made and painted," Mrs. Hall. Owing to the absence of Mrs. Dunn we did not get the demonstration on the important topic, "Removal of Old Paint"

The president appointed several committees including program, finance and membership.

The next meeting will be with Mrs. O. M. Conway, Wednesday, April 27, at 2 o'clock. Let everyone be on time Miss Bass will give us a demonstration on yeast bread making.

All ladies interested are invited to membership in the club.

#### CONSUMERS FUEL ASSOCIATION RE-ELECT BOARD OF DIRECTORS

All five members of the board of directors, including the president, of the Consumers Fuel Association were re-elected by the Association in their regular annual stockholders meeting held at the District Court Room Monday of last week. The five members chosen to serve the coming term for the Association are: J. R. Reidhimer, L. E. Williams, W. C. Cates, C. B. Sims and W. N. Jones. Mr. Jones was re-elected president in the first meeting of the new board.

Besides other business taken up at the meeting, a decision was made to elect two members of the board of directors to serve for a period of one year and three members to serve a period of two years. The present board will make the decision as to which members will serve for a period of two years.

A minor change in the by-laws of the Association was also made at the meeting, it was stated.

#### REV. EVANS ARRIVES TO TAKE CHARGE OF MISSIONARY WORK

Rev. R. D. Evans and family of Shidler, Oklahoma, arrived Tuesday night to make Floydada their home and he will take up the missionary work of the Floyd County Baptist Association of this district, which includes churches of four counties.

He will begin a revival meeting next Sunday, April 24, at Fairview.

#### GARBAGE NOTICE

Notice is hereby given that all cans thrown out to be removed to the City's Dump Ground must be properly punctured before being thrown in rubbish cans for the City Sanitaryman. This is very essential to prevent the collection of rain water in such cans causing stagnation and the breeding of mosquitoes which cause the spread of disease.

All combustible trash and rubbish must be burned on the premises and not thrown out for removal. The City's Sanitaryman will not take any combustible trash or rubbish or cans which are not properly punctured.

W. D. SMITH, Mayor.

### Maddox And Seale Lose Heavily In Trent Fire

J. R. Maddox and Col. W. H. Seale lost in excess of \$5,000 in a fire at Trent, Texas, Thursday night when a stock of merchandise they would have opened to the public on Saturday morning, was destroyed in a fire which razed several business houses in that city, and entailed a total loss probably in excess of \$40,000.

Included in the loss by the local men was the stock of M. G. Scott, brother-in-law of Mrs. D. T. Scott, of Harmony, which they had just purchased to combine with a bankrupt stock and new purchases barely received and checked in. On account of an almost prohibitive fire insurance rate, Maddox & Seale had taken only \$2,000 in insurance, which was written some twelve hours before the fire occurred.

#### BAND CONCERT IS POPULAR; PROGRAM CHANGED FOR SUNDAY

Floydada Band, in its two Sunday afternoon concerts the past month, proved very popular, last Sunday afternoon's program being heard by some five hundred residents and visitors, who honked a generous applause.

With a practically complete change of program the concert will be repeated Sunday afternoon from the bandstand.

Bandmaster A. L. Lundgren has arranged the following program:

Sacred, "Lead Kindly Light,"—Dykes

March, "Washington Post,"—Sousa.

Overture, "The Sky Pilot,"—Laurens.

Mexican March, "Zacatecas,"—Codina.

Idyl, "Poppy Land,"—Weidt.

Overture, "Arcadia,"—Laurens.

Trombone Novelty, "Lassus Trombone,"—Fillmore.

March, "Our Director,"—Bieglov.

By Request, "American Patrol,"—Meacham.

Dixie.

#### ATTEND PLAINVIEW C. OF C. BANQUET ON TUESDAY NIGHT

J. G. Wood, Ed Bishop, T. S. Stevenson and Joubert Clements Tuesday night attended the annual banquet of the Plainview Chamber of Commerce, at which more than five hundred citizens of Plainview and neighboring cities and towns were present. W. B. Hamilton, capitalist and business man of Wichita Falls, made the principal address of the evening.

J. G. Wood and Ed Bishop responded with brief talks on behalf of Floydada.

#### MANY FLOYD COUNTY STUDENTS ENTER DISTRICT SCHOOL MEET

Between forty and fifty students of the Floyd County schools, including over twenty from the three Floydada schools, will enter various contests in the District Interscholastic League Meet which will be held in Lubbock Friday and Saturday of this week. All first place winners in the county interscholastic meet held here recently will compete in the district meet with first place winners in other counties in this district. District winners will represent the Panhandle district at the State Meet to be held at Austin the first week in May.

The representation from Floyd County this year is exceptionally large. Besides several members of the faculties of the schools, the contestants will be accompanied by large delegations from the various schools. Several citizens of this town are planning to attend the meet also.

#### CHRISTIAN ENDEAVORERS WILL SEND DELEGATION TO MEETING

A delegation of several people from the Christian Endeavor societies of the First Christian Church and the Cumberland Presbyterian Church of this city plan to attend the Panhandle district Christian Endeavor convention which opens in Plainview Friday and continues through Sunday. Both churches have selected delegates to the convention and besides the delegates, several other members plan to attend.

#### SUSTAINS HEAVY LOSS IN FIRE TUESDAY LAST WEEK

Loss, which will likely aggregate in excess of \$2,000 was sustained by E. J. Hoffman, who lives on the Otis True-love lease in Fairview Community, Tuesday of last week, when his feed and lots burned, together with sheds and a practically new John Deere Tractor.

#### MRS. L. T. MIZZELL DEAD; WAS FLOYD CO. PIONEER

Another one of the early-day residents of Floyd County passed on April 5 with the death of Mrs. L. T. Mizzell, at Lubbock, following an illness of several days from pneumonia.

Mr. and Mrs. Mizzell came to Floyd County in 1891 from Jack County and took up a homestead in the McCoy Community, where W. J. Berry now re-

sides. After living here for sixteen years the couple moved to New Mexico in 1907, where they lived until a few weeks ago they returned to Lubbock to make their home. It was there Mrs. Mizzell died and was buried. She was 87 years of age.

Mrs. Mizzell is survived by her husband, a daughter, Mrs. Hite, living in Jack County, a granddaughter, Mrs. Lloyd Rampey, at Lubbock, and a nephew, Jim Massengale who lives at Cedar in Floyd County.

Postmaster Homer Howard and wife, of Lockney, Judge J. W. Howard and wife, of Starkey, long-time friends of the deceased, visited her a short time before her death. Mr. Massengale and wife were also with Mrs. Mizzell a short time before her death.

Mr. and Mrs. J. T. Spence and Miss Floy Spence, spent the mid-week in Plainview on business, returning home Friday.

V. F. Hodge and E. A. Childers left last Tuesday for the coast country where they will spend some six weeks on an extended vacation.

#### ORDINANCE NUMBER 100

An Ordinance Prohibiting Motor Vehicles or other Vehicles from Entering upon the Intersections of certain streets without coming to a Complete Standstill; Prohibiting Motor Vehicles or other Vehicles from making a "U-Turn" at certain street intersections; Prohibiting the Turning of Motor Vehicles or other Vehicles in the Street between street intersections; Prohibiting the parking of Motor Vehicles or other Vehicles within fifteen feet of any Fire Hydrant or part; Repealing all Ordinances or parts of Ordinances in Conflict herewith; Fixing a Penalty for Violation hereof; and declaring an emergency on account of frequent Accidents Resulting from Crossing Streets and Turning Corners at a High Speed without regard to rights of other persons using the Streets.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:

SECTION 1. (a) It shall hereafter be unlawful for any person driving or operating an automobile or any motor vehicle or other vehicle to enter from the East or from the West upon the street intersection at the intersection of California and Main Streets without bringing such motor vehicle or other vehicle to a complete standstill.

(b) It shall hereafter be unlawful for any person driving or operating an automobile or any motor vehicle or other vehicle to enter from the East or from the West upon the street intersection at the intersection of Missouri and Main Streets without bringing such motor vehicle or other vehicle to a complete standstill.

SECTION 2. (a) It shall hereafter be unlawful for any person driving or operating an automobile or any motor vehicle or other vehicle to make a "U-Turn" at the intersection of California and Main Streets.

(b) It shall hereafter be unlawful for any person driving or operating an automobile or any other motor vehicle or other vehicle to make a "U-Turn" at the intersection of Missouri and Main Streets.

(c) "U-Turn" defined: A motor vehicle or other vehicle making a turn at a street intersection such as to place the vehicle traveling in the opposite direction to which it approached the street intersection.

SECTION 3. It shall hereafter be unlawful for any person driving or operating an automobile or any motor vehicle or other vehicle to turn or change the direction of traveling on any street within the City of Floydada, Texas, except at street intersections; providing, however, that a turn may be made to the right into an alley at an alley intersection.

SECTION 4. It shall hereafter be unlawful for any person driving or operating an automobile or any motor vehicle or other vehicle to park the same

within any distance less than fifteen (15) feet of any Fire Hydrant in the City of Floydada, Texas.

SECTION 5. All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby expressly repealed.

SECTION 6. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not to exceed Twenty-Five (\$25.00) Dollars.

SECTION 7. The fact that it is the practice of persons driving automobiles and other motor vehicles to cross streets at intersections at a high rate of speed and to turn corners at a high rate of speed, without due regard for the rights of other persons lawfully using such streets, frequently resulting in serious accidents, creates an emergency and public necessity that the rule requiring an Ordinance to be read at more than one meeting before passage be, and the same is, hereby suspended and that this Ordinance be adopted at the meeting of its introduction and it shall be effective upon the date of its publication, and it is so ordered.

PASSED AND APPROVED THIS 12th, day of April, 1927.

Attest: BURL BEDFORD, (SEAL) City Secretary. W. D. SML, Ma
