NUMBER 9

Rapid Progress Made In Shipley Trial; May Be Given To Jury Saturday Night

Defense Testimony In Progress In Murder Case At Farwell Court House.

More rapid progress has been made in the trial of Mac and Frank Shipley, brothers in Judge Tatum's Court, at Farwell than was expected. The state completed its direct testimony Tuesday and the defense testimony begun Wednesday morning is in progress today. The young men are charged with the murder of H. D. Snodgrass, 52, prominent stockfarmer here on April 18, 1926.

May Finish Saturday

So rapid has been the progress of the case that it is one of the possibilities it will be in the hands of the jury by Saturday night. When court was opened Monday morning at ten o'clock the trial got under way rapidly and venemore being examined and accepted fast. At five-thirty the jury was complete and the court adjourned for testimony to open for the state on Tuesday morning.

State attorneys completed the examination of their witnesses by Tuesday night and rested the case after putting fifteen on the stand. Wednesday the defense began building up their side of the case and had used a total of thirty witnesses when court was adjourned for the day. Defense testimony was resumed this morning and is expected to consume the remainder of the day. The Shipley boys are being tried jointly and it was reported from Farwell last night that they might go on the stand this afternoon in their own defense.

Cloud of Witnesses

If the case continues to move as rapidly as anticipated rebuttal testimony will begin possibly late this afternoon or early tomorrow. If the trial continues swiftly all testimony could be completed, possibly, by tomorrow night, the judge's charge and the arguments of attorneys completed Saturday and the jury given the fates of the defendants by Saturday night. The likelihood is, however, that it will be Monday before the arguments are completed and the jury will begin their balloting.

A cloud of witnesses is present at the trial, practically all of them from Floydada or this immediate vicinity. Although no actual count was made of the number of witnesses, subpoenaed in this county, the number certainly exceeds two hundred and fifty. Of these a large number are housed in hotels and rooming houses at Farwell, some

Floydada Public Schools Will Close Term May 13

Commencement Exercises, Plays, and Programs Will Feature Week of May 8th.

With arrangements being completed this week for all exercises and programs to be held during the week of May 8, the 1926-27 school term of the three Floydada Public Schools will be drawn to a close on Friday May 13. Beginning with the Baccalaureate sermon on Sunday night, May 8, the entire week will be given over to plays, graduation exercises and other programs.

Rev. F. L. Davis, pastor of the First Christian Church of this city, will preach the baccalaureate sermon on Sunday night. The services which are dedicated to the graduating class, will be held at the High School Auditorium. On Monday night, May 9, the Senior class will present their class play entitled "Come Out of the Kitchen." The class this year has a royalty play by special arrangements with Samuel French, of New York. The play is a comedy in three acts written by A. E. Thomas, and will be presented by a cast of eleven characters, all members of the senior class.

Students of the East Ward school will have their closing exercises on Tuesday night, when they present an operetta entitled "Spring Glow." Students in all six grades of the East Ward will take an active part in the operetta and closing exercise. The program will be presented at the East Ward Auditorium May 10.

Mrs. Lon V. Smith will deliver the main address to the Seventh grade graduating class in their commencement exercises which will be held at the Andrews Ward Auditorium on Thursday evening, May 12. Approximately sixty students will receive their diplomas from the grammar school grades in the exercises. The salutatory address will be delivered by Hazel Probasco. Ruth Rutledge is class valedictorian.

Prof. Gordan, Dean of Tech College of Lubbock, will deliver the address to the graduating class of Floydada High School at their commencement exercises at the High School Auditorium Friday evening, May 13. Approximately forty-five seniors will receive their certificates of graduation Friday evening. Miss Daisy Lee Gresham is valedictorian of the class and Miss Mildred Daniels, salutatorian. First honor boy is Oliver W. Holmes. The class will render several musical and vocal numbers in the program also.

Road Bonds Voted In Foard Co. Election

Assures Bridging Last Gap Between Floyd Line And Eastern Market Centers.

Foard County property owners yesterday voted 663 to 280, with one small box to report last night, to issue bonds for paving their fifty-one mile stretch of State Highway No. 28 through Foard County. The total of the bonds to be issued is \$400,000.

This information was contained in a wire received from Crowell early this morning by The Hesperian. A call from Judge C. L. Glenn, of Matador, president of the Texas Division of Lee Highway Association, also gave confirmatory advice of the success of the road bond issue in Foard County.

The successful outcome of the road bond issue in Foard County brings the assurance that the last gap in the hard-surfaced program between the east Floyd County line and the pavement connecting east and northeast market centers, will be filled in. With the bond issues outstanding the route east from Floydada on State Highway Number 28, beginning with Motley County and extending through Cottle, Foard and Wilbarger, will tie up with hard-surfaced roads at Vernon.

Wilbarger was first to carry the bonds. Motley was second, Cottle third. Floyd and Hale County bond issues, which would have extended the route some seventy miles further westward, failed to carry at an election held on December 31 of last year.

Elaborate Exercises As Ground Broken For Mill

Elaborate ceremonies, with A. B. Brown, president of the Chamber of Commerce officiating, marked the beginning of the construction of the cotton oil mill at Lockney Tuesday afternoon, prominent business men of Lockney, together with visitors from half a dozen neighboring cities taking part in the speech-making. Artie Baker, one of the leading citizens of Lockney and whose efforts are responsible for the location of the mill at Lockney, turned the first dirt on the site of the mill.

Contract for the main building of the oil mill was let ten days ago to Harrison Construction Company of Waco. Construction will proceed rapidly with the expectation of having the mill ready for this fall's crop. The first unit of the plant will cost about \$75,000, it is estimated.

Judge Wm. McGehee, of this city, was among those who attended from Floydada and took part in the program. Ed Bishop and O. P. Rutledge, representing the Chamber of Commerce, were present and Mr. Bishop made a short talk congratulating the neighboring city on its enterprise and progress.

Mrs. L. L. Barnett Died In Plainview Tuesday

Mrs. L. L. Barnett, 60, of this city, died at the Plainview Sanitarium in Plainview last Tuesday afternoon following a sudden attack of appendicitis. Mr. and Mrs. Barnett had lived in this city about a year, having lived in the Cone Community for several years prior to moving here. The deceased was a member of the Baptist Church of Cone.

Mrs. Barnett suffered the first attack of appendicitis on Monday of last week. Last Saturday she was carried to Plainview for an operation to remove her appendix but gangrene had developed and caused her death on Tuesday afternoon.

Rev. J. M. Harder, pastor of the Baptist Church of Cone, conducted the funeral services which were held at the Barnett residence on East Kentucky Street. He was assisted by Rev. W. R. Hill and Rev. G. W. Tubbs, of this city. Interment was made in the Floydada Cemetery following the funeral services.

The deceased is survived by her husband, one son, William Barnett, of this city, and one daughter, Miss Martha Barnett, also of this city.

THREE RAILROAD CREWS AT WORK NEAR PETERSBURG

Three railroad crews, putting up the roadbed for the Denver South Plains lines, are at work now in the vicinity of Petersburg, two of the crews north of that city and one south. The biggest crew is at work on a big cut and fill south of town, where three excavators are digging out a cut and the dirt being used to fill across a deep lake.

The line is practically completed a distance of eight miles north from Petersburg.

OIL MEN HERE

This week A. A. Deberry, secretary of the Exploration Oil Company, of San Angelo, was in Floydada with Ira D. Gamble of Gamble Bros., looking over the prospects for his company in this county.

The Exploration Oil Company is one of the companies which have been making an effort to get acreage blocked for oil tests in this county.

MAN BELIEVED TO BE E. A. CHILDERS FOUND DEAD THIS A. M. AT SINTON

Telegraphic advices received here shortly after noon today indicate that E. A. Childers, Floydada citizen who left here ten days ago in company with V. F. Hodge, another citizen of this community, has been murdered. The wire which came to the sheriff's office here was dated at 9:30 this morning. It is from Sheriff Hunt, of Sinton, San Patricio County, first county north of Corpus Christi, and says:

"Man found murdered here supposed to be named Childers, about 57 years old, gray mustache and hair, has been sandy. Was travelling in car with another man supposed to be V. F. Hodge. Hodge is tall, black-headed man. Car and Hodges gone. Please wire me if Childers is known there."

Mrs. Childers, when advised by Deputy Sheriff E. Ray Smith, said that Mr. Childers was in Corpus Christi the first of the week, a letter from him had indicated. A wire stating that both Mr. Childers and Mr. Hodge are known here was forwarded immediately by Mr. Smith. Both are substantial citizens of Floydada, Mr. Hodge having resided here many years.

175 ATTEND BAKER'S "GOOD WILL" BANQUET

Rev. F. L. Davis Main Speaker At Floydada-Baker Get-together Friday Night.

"A Huckster is defined as a pessimist; he complains about everything and is a drawback to his town or his community. An Artist is an optimist, he believes in his fellow workers, his community or his town, and favors every forward step toward the betterment of his home. Are the citizens of Baker and Floydada considered Hucksters or Artists? Are you, Mr. Farmer of the Baker Community, and you, Mr. Merchant of Floydada, a Huckster or an Artist?"

Pessimist or Optimist? This, briefly stated, is the question asked by Rev. F. L. Davis Pastor of the First Christian Church, when he delivered his address at the Baker "Good Will" banquet held last Friday night. "Floyd County welcomes the optimist, but the pessimist is unwelcome everywhere. The purpose of this banquet is to create more optimists and fewer pessimists and to bring us all closer together" he concluded.

Good Will, in its fullest meaning, was present throughout the entire program and banquet. 175 people from Floydada and the Baker Community attended the get-together meeting. Speakers from both places expressed their delight for the feeling of friendliness that existed. R. L. Glenn, principal of the Baker school, was toastmaster and conducted the program splendidly. G. L. Fawver, in extending a welcome to the Floydada people, touched the keynote of friendship. He presented the key and the heart of the Baker Community to G. C. Tubbs, who expressed Floydada's desire.

ARWINE DRUG WINS FIRST IN STATE-WIDE WINDOW CONTEST

Walter Pennington, of the Arwine Drug Co., this week was awarded first prize of \$10 in a state-wide window display contest. The window was prepared at the Arwine Drug Company store some three weeks ago by Mr. Pennington. It contained the "Red Arrow" package line of medical supplies.

The window contest was staged by the Waco Drug Company and drug stores all over the state entered the contest. News reached here last Saturday that the drug store in this city was awarded first prize.

FLOYD STUDENTS WIN PLACES IN DISTRICT

Floydada High School Wins Third At Meet.—Edwards Is High-Point Man.

Many students of Floyd County schools who entered the thirteenth Interscholastic League meeting of District Number Two at Lubbock last Friday and Saturday, placed in the contests. Floyd County schools showed their superiority in many of the events in which they entered contestants, even though the officials of the meet reported that competition in this meet was stronger than any school meet ever held in the South Plains.

Floydada Wins Third The Floydada High School won third place in the number of points, running a close race with Lubbock, who won first place, and Plainview, winners of second place. The total number of points of the three schools, reported in the Sunday issue of the Lubbock Avalanche-Journal, gave Lubbock a total of 33 points, Plainview 34 points and Floydada third with 28 points.

John Edwards, member of the Junior class of F. H. S. was winner of high point honors in the track and field events of the meet. Edwards won two first places, in the discus throw and shot put, one third place, in the 220 yard dash, and 3/4 point as a member of the Floydada mile relay team. Edwards had a total of 12 3/4 points to win the 14 karat gold medal for high points in the meet over Reynolds, of Lubbock, who was second with 11 1/4 points. Edwards represented this district in shot put and discus throw at the State meet at Austin last year.

In literary events, although some of the Floyd County students failed to qualify in the finals, several won first places. In the Rural schools Senior girls declamation, Miss Mattie Pearl Heard of Harmony won first place. Floyd County extemporaneous speaker, Miss Daisy Lee Gresham, of the Floydada school, was awarded third place.

In the essay writing contests, Miss Ollie Belle Collins, of the Floydada High School, won second place in Class A schools and Miss Juanita Shirey, of Lakeview, was awarded first place in the rural school division. In the Ward school division, Doyle Dobson, of Lockney, won second place.

Loss Literary Points. The Floydada girl's debating team, composed of Ollie Belle Collins and Katherine Swift won their first match

Relief Funds For Flood Sufferers Are Sorely Needed, Red Cross Head Advises

Funds for the relief of flood victims in the Mississippi Valley are sorely needed, and the American Red Cross has broadcast a nation-wide appeal for help. County Chairman F. P. Henry, of the Red Cross Monday received a wire advising that \$5,000,000 would be needed for emergency relief for the flood victims in the greatest flood of the nation's history.

Confidence that our people would respond promptly to an appeal for \$100, set as our quota, was expressed in the telegram, and the urgency of the situation was stressed. "Can we count on you?" was the hopeful question asked by the central committee, in behalf of the hundred thousand refugees looking to the Red Cross for care.

The Hesperian wants to help in obtaining the funds for the desperate situation behind the Mississippi levees, and subscribes \$5 to the fund. Will you join us voluntarily in providing the funds asked of Floyd County? If so, bring or send your subscriptions at once to The Hesperian Office. A list of those donating will be published in next week's issue and the money turned over to the Red Cross for the relief of the refugees from the flooded districts. Do not send clothing for relief in that section at this time, is the word sent out.

First Work Done On South Plains Gas Lines; Gas Service By Oct. 15 Sure

'To Award Quannah Contract Monday Or Tues.—Sommer

In answer to a telegraphed request for a statement this morning The Hesperian received the following reply from President Chas. H. Sommer, of the Quannah, Acme & Pacific, relative to their extension to Floydada from MacBain, and the probability of an early visit on his part to this territory:

"We are now busily engaged in tabulating revised bids and will positively make an award Monday or Tuesday of next week. Final contract will then immediately be executed and active work started at once.

"As soon as these matters are closed I expect to leave here for Texas, reaching Floydada by end of next week or early following week."

\$20,825 In Building Permits During April

Permits This Week Include Permission To Marland For Construction of Retail Station.

With three days to go, permission for building construction for the month of April in the City of Floydada had passed the \$20,000 mark, four new residences, one green house and a retail filling station being included in the list for which grants were issued from the office of City Secretary Burl Bedford during the month.

With the opening of spring building permits bulged considerably over the average for the first three months of the year, in each of which permits for \$5,000 in improvements were issued.

Permits issued in April were to W. T. Brown for the construction of a residence on Mississippi Street at a cost of \$3,000; L. B. Maxey for construction of a residence in Bartley Heights at a cost of \$3,000; P. G. Stegall, South Main Street residence to cost \$4,000; S. W. Ross, addition to residence and remodeling \$1,500; T. C. Russell, repairs to brick building \$350; Mrs. P. M. Smith, South Wall Street, residence \$3,225; Marland Refining Company, retail filling station West Missouri St., \$2,000; Jno. A. Hollums, green house, \$2,750.

Permit for the Marland station was issued this week. The figures do not include the \$1,500 storage plant of that company on the Santa Fe industrial switch, permit for which was issued on March 31. Nor do the figures for the year include the Marshall Elevator, now under construction, but cost estimates on which have not been furnished. Total permits issued to date since January 1 cover buildings estimated to cost \$35,650.

To Make Final Payment On Farm Bureau Cotton

Approximately \$64,000 worth of cotton has been marketed through the Floyd County Farm Bureau Cotton Association up to and including March 8, and final payment on this cotton will be made at the County Court room next Saturday afternoon, according to J. Frank Triplett Field Director of the Texas Farm Bureau Cotton Association.

M. S. Hudson, District Director of the Cotton Association will be at the court house and will present the checks personally, at which time he will also explain the methods and policies of the Association for the past six years. Mr. Triplett stated, "All cotton received by the association since March 8, will be settled for at an early date" he said.

The meeting Saturday afternoon will be called at 2 o'clock and all members of the association are urged to be present. All non-members and business men of this and other cities are also invited to be present at the meeting, Mr. Triplett said.

Davis Will Build Round And Square Bale Gins

Lon M. Davis, owner of the Davis Gin, which burned ten days ago, this week contracted for a round bale gin, which he will install, together with square bale equipment on the lots where the gin plant formerly stood.

"We are definitely planning to build, but before starting construction I am going to look around some," Mr. Davis said this week. "We want to have the handiest, most complete gin that money can buy, and I will spend some time studying plans of other ginners before letting my contract," he said.

TENNESSEAN MOVING HERE

Arthur Kreis, who has been making his home at Miami, Fla., last week arrived in Floydada, planning to make this his home temporarily.

He is now at Knoxville, Tenn., to accompany his family here. The Kreis family own an extensive acreage of land in east Floyd County.

Resident Engineer Graves Says Solicitors Will Be Here In May.

W. W. Graves, resident engineer of the West Texas Public Service Corporation, in Amarillo Saturday told a reporter for The Hesperian that the people of Floydada could expect to see representatives of his company here probably by the middle of May soliciting connections with their natural gas pipe lines for domestic use.

Materials Moving Fast

This statement was prefaced by the information that the company confidently expected to have all their pipeline and distribution systems completed by October 1 and ready to deliver natural gas by October 15.

Materials for the \$5,500,000 project have already begun to move freely. In fact, six thousand feet of pipeline between Lubbock and Slaton is being laid this week to comply with a forfeit put up with the City of Lubbock in late February guaranteeing at least a mile of pipeline to be laid by May 1 in Lubbock County. And while the project may not be gotten under way in its entirety before June 1, it will be constructed with great rapidity. Delay, if any is occasioned will be in order to get all materials either on the ground or enroute so that contractors may proceed without any waits to lay the entire projected carrying lines and distributing systems. Mr. Graves' estimate on the time required to get all the work completed, after it is begun, is four months. Material for twenty-nine miles of gathering mains extending from the wells north of Amarillo to a gas-saving station near that city, is already being put on the ground, Mr. Graves said.

Big Development Expected

Asked where work would first be undertaken, Mr. Graves said that as materials began moving freely work would start all along the line, the contracts having been sub-divided so as to get a large number of crews on the lines.

That the men responsible for the big expenditure being made to get service to the South Plains cities and towns are even more optimistic for the future of this territory and are betting on a much larger scale on the potentialities of this section than are residents themselves was indicated in a very pronounced way by Mr. Graves in a brief interview he gave. "We are building absolutely on the future prospects of the plains country, from Amarillo south," Mr. Graves said. "We expect to see that country develop in ten years to four or five times its present density of population," a statement even more optimistic than local people are wont to make. His predictions are based, it was indicated, on excellent conditions which favor the coming of industrial enterprises into the plains-panhandle country. Water and climatic conditions are two great factors which augur well for this section, he declared, with the favorable attitude of the people of the country toward capital being an other important consideration.

Two-Story Building For West California Street

Modern Bakery, Store and Office Building Contract Let This Morning By Boothe.

Contract was let this morning by E. E. Boothe for the construction of a two-story brick building on lots now vacant, immediately east of the location of the Boothe Bakery, which will house a modern bakery plant, afford a store room 14x45 on the ground floor and offices on the second floor. The estimated cost of the new structure is put at \$15,000. H. E. Cannaday is the successful bidder for the construction work.

The new structure will have a frontage of forty-four feet. It will extend back on the lots 82 feet.

Work on the structure will start as soon as materials begin arriving, and Mr. Boothe plans to house the most modern bakery that money can afford and ingenuity devise.

Unbounded faith in Floydada and the future of this section of the plains was expressed by Mr. Boothe in making the new announcement of the plans for the new building. "I am building not only for the present needs of Floydada and this territory but for the future as well. Long experience as a resident of this section convinces me that we have a great future here at Floydada and my plan will be laid out with that thought in mind."

The bakery will continue to operate at its present location until the new home for it is completed and the new plant installed.

PANHANDLE DISTRICT ENDEAVOR CONVENTION HELD AT PLAINVIEW

Misses Ruth Jenkins, Audrey Farris and Troye Willis, delegates from the Endeavor Society of the First Christian Church attended the Panhandle District Endeavor Convention held at Plainview Friday and Saturday.

Over three hundred delegates and visitors were in attendance at the Big Fellowship banquet held Saturday night at the Presbyterian church. New officers for the coming year were elected.

SEEING THE FUTURE

While the critics look with something akin to amusement on the writings of the South Plains newspaper man who sees this as the coming store house of Texas' great riches, it is refreshing to note that men who have control of some of the things that will make this into an empire are seeing visions and dreaming dreams about this section that are beyond the most sanguine words of the editorial writer of this day.

In ten years, as the gas man sees it—and spends his millions on the bet—this section of Texas is to have an increase in population of four or five times its present population. And begins to make his plans concerning this future development; how he can serve it profitably to himself and in a manner that will meet with the approval of the public. Other public servants are making big plans for this territory—railway systems, telephone companies, electric power and light companies—all of them seeing a future for this country beyond the imaginings of the local capitalist and the local worker. These are men of keen perception. Big money is beginning to see the plains and panhandle country as it really it. We can do no better thing than to watch the big man and do likewise.

OIL DEVELOPMENT NEAR

It may be that Floyd County is to have no attempt at oil development soon. Although companies with ample resources and a desire to test the underground wealth of this county are trying in a half dozen instances, more or less, to block up acreage for the purpose, men with good intentions, but with apparently poor judgment, are preventing the accomplishment. Hope that the Hoffer Oil Company may be able to go ahead with their plans south and east of Floydada are brightening, but in other directions the outlook is not so good.

Be this as it may, real oil tests and the possibility that goes with the efforts, are being made close to Floydada's door in Motley County. At least four derricks will be up, and the drills peck away in the bowels of the earth in that county soon. With the kaleidoscopic changes the past short years have brought around, Amarillo has become the oil metropolis of the panhandle, and the city nearest to the capital still within striking distance of developments will have the best opportunity to become the outpost headquarters for the developers. Always, provided that city avails itself of the

Why We Fit Tillyer Lenses

In a few words, we use this latest optical development because it gives you lenses that have our prescription ground accurately from margin to margin. Ordinary lenses give clear vision only through the center—through the margins, the vision blurs and may cause eyestrain. Drop in, let us explain why Wellsworth Tillyer Lenses are so much better for your eyes.

Dr. Wilson Kimble
Optometrist

opportunity. Floydada capital has only to see the possibilities and build accordingly.

HYPTNOTIZED BY WORDS

Are you hypnotized by words? Are you timing small actions, little difficulties, to high-sounding titles and allowing them to affect your mind badly?

A philosopher says, "Call things by their right names. We give a high-sounding name like 'sacrifice' to some act which consists of a plain sort of duty. Little difficulties are made to swell up until they fill our whole horizon. While the big blessings of life are dwindled down to nothing."

You can find this condition prevalent in your own experience possibly. It is a most harmful condition to encourage. It affects the mind badly. Quit calling the things you ought to do by some name that makes you sympathize with yourself. Count your blessings once in awhile.

LIKE BAKER'S STYLE

Every man and woman of Floydada who attended the banquet at Baker the other night came home praising the style of our sister community. In just the same manner as Sand Hill did it, Baker folk "put the big pot in the little one." Everybody had a good time and all of them found out that the neighbors are mighty good people to have about.

'Round The Square

I've kept that school girl complexion I've walked a mile for a smoke, I've asked the man who owns one And he tells me it keeps him broke. I know that a child can play it. To guard the danger line I try, I know when it's time to retire. And I've heard that they satisfy. But there's one thing that keeps me guessing. No matter how hard I strive, I'd like for someone to prove to me That it doesn't pay to advertise.

When asked if the Floydada ball team were good losers, a local fan replied, "Good nothing, why they are perfect."

Recently as a salesman we have been getting but two kinds of orders. "Get out—and Stay out."

Six men from Floydada High School going to Austin to enter the State Meet. A good representation of F. H. S. and well deserve the trip. Floydada should be proud of these six students.

You can buy a dog for money, but it is love that puts the wag in his tail.

Mr. Advertiser—Why not paste a copy of your ad in your show window? Several merchants here are doing it and tell us that it is very attractive and is worth a lot to them. It is making your ad in the Hesperian do double work for you.

We know of a barber who is so lazy that he puts the lather on the brush and asks the customer to wiggle his face.

Because so many men working for other men know more than the men they're working for is one reason they are working for the other man.

Congratulations, Childress. The 1925 meeting of the Panhandle Press Association will be held in that city, and we hope to see the largest attendance the Association has ever had, at the meeting.

"What Texas Makes, Makes Texas" This week is Texas Industrial Week. Why can't the citizens of Floydada buy more products made in our own state?

If you have a friend and would keep him, don't ask him to take your side against another of his friends.

We hear little of the "Lonesome Pine" these days. Now it is the Lonesome Pint—and it isn't lonesome very long at a time.

What's Doing In West Texas Today

STAMFORD—A plea for chambers of commerce to function as agencies in raising funds for Rock Springs' relief has been issued by the West Texas Chamber of Commerce to towns in its territory. Rock Spring now left in wide-spread suffering and destruction with not a bit of tornado insurance, though an inland town, always did its full share in support of West Texas interest, and carried its quota of memberships in the West Texas Chamber of Commerce. Sister towns in the regional organization are therefore being asked by Manager Wade and President Dugan to organize Rock Spring Relief Drives.

DENTON—Denton, Queen College City of North Central Texas, has voted to affiliate with the West Texas Chamber of Commerce. Secretary-Manager G. R. Warren of that place, in making announcement of this, pointed out advantages of holding membership, one among which was benefit to local educational institutions. The Denton Chamber of Commerce, at the time this action was taken, also voted to take membership with the East Texas Chamber of Commerce, and to observe Industrial Development Week. Denton is home of the College of Industrial Arts and the North Texas State Teacher's College.

SWEETWATER—Judge R. C. Crane has returned here after attending the third annual session of the West Texas Historical Association, held in Stamford, April 21. The West Texas Chamber of Commerce, whose headquarters are in that place, has interested itself in that society, especially in respect to securing recognized names for historic, scenic, and beauty spots over West Texas.

MERKEL—Miss Emily Bailey has been selected as sponsor for Lampasas

at the annual convention of the West Texas Chamber of Commerce to be held in Wichita Falls, May 16 and 17. Towns throughout West Texas will have sponsors at the meeting. Miss Helen Frossard has been chosen as sponsor for Turkey, and Memphis has selected Miss Luda Travis as their sponsor.

THROCKMORTON—Throckmorton has been the scene of the annual meet of Texas Fox and Wolf Hunters Association this week. The drive started Tuesday on the Davise Brothers Ranch, nine miles west of Throckmorton, and was extended over three days. The Throckmorton County members of the association were hosts at a big barbecue at the ranch.

BROWNWOOD—The Mid-Texas Press Association will hold its first semi-annual convention at Brownwood, May 13, which will mark the first meeting since the organization formation last September. Prominent newspaper men from Coleman, Brady, Ballinger, Winters, San Saba, Hico, Brownwood, Stephenville, De Leon, Rising Star, and Santa Anna will appear on the program.

WICHITA FALLS—United States Secretary of Labor James J. Davis will arrive in Wichita Falls by airplane about ten o'clock the morning of May 16, to attend the ninth annual convention of the West Texas Chamber of Commerce, according to advisement by telegraph to Manager Homer D. Wade. Manager Wade opened up headquarters in Wichita this week, where he will remain until after the convention.

MERKEL—Merkel has voted bonds for extension of the water system and to pave ten blocks of the business section.

BUILDING \$5000 RESIDENCE

P. G. Stegall last week let the contract for the construction of a \$5000 residence on South Main Street, to Will Walker and W. N. Paschall, contractors of this city. The new residence will be built four blocks south of the square and will be one of the most beautiful in the city, the contractors stated.

Material for the construction of the building will be furnished by Higginbotham-Bartlett Company and construction will start at once, it was stated.

Mrs. Perry Graham, of Dimmitt, and Miss Juanita Largent, of Plainview, were visitors in Floydada Saturday.

Maury Hopkins, secretary of the Chamber of Commerce Plainview, and Miss Mollie Good, of Plainview, were visitors in Floydada Friday.

NEW IN STYLE --- BETTER IN QUALITY

The value-received quality which you get when you buy a Straw Hat here is due to several items.

Style, which is of course of prime interest, is especially evident.

Quality which insures long service under the most strenuous wear is equally important.

You will find both qualifications liberally evident in our Straws, even though the price you pay is a little less.

Mr. and Mrs. Edwin Case were visiting her mother in Amarillo Saturday and Sunday.

FAMOUS COOKERY EXPERT LECTURING HERE THIS WEEK

Miss Ethel Stone, economist from the laboratories of the Westinghouse Electric Company at Mansfield, Ohio, a cookery expert of national fame, is in Floydada this week lecturing at the Texas Utilities Company showroom, where she is also demonstrating electric cookery and incidentally giving out hints for the conservation of energy by the housewife and suggesting means for more economical preparation of foods for the household.
A feature of her talk each afternoon is that she gives out one or more of her famous recipes, and each day presents some visitor with one of the delightful angel food cakes she prepares.
"We feel very fortunate to have Miss Stone with us again this year, after having had her lecture for us last season in various plains cities and towns," B. C. Workman, head of the sales department of Texas Utilities Company, said Wednesday. "Miss Stone is capable and has a personality which ladies in every town she has visited with us, have learned to appreciate."
Fred Cox, of the Dallas branch of Western Electric and Manufacturing Company, is assisting Miss Stone in the conduct of the lecture and demonstration each afternoon from two to four o'clock.

OBSERVE ANNIVERSARY OF ODD FELLOWS WITH PROGRAM

Odd Fellows of Floydada Lodge Tuesday night celebrated the one hundred and eighth anniversary of the founding of the lodge in America, with a feast and program at the Lodge Hall, southeast corner square.
The principal address of the evening was made by Walter Gound. Mr. Gound's address, together with a talk by S. M. Woolsey, a reading by Miss Louise Gound and a duet by Misses Minnie and Louise Edwards preceded the serving of refreshments.
The evening's activities opened with a song by the lodge followed by prayer by the chaplain.
The twenty-fifth anniversary of the founding of Floydada Lodge, I. O. O. F. No. 34, will be observed by the lodge with an appropriate program on May 31. The program is to be arranged later.

HONOR ROLL FOR APRIL

Helen McSpadden, of Littlefield, is a guest of her parents, Mr. and Mrs. A. C. McSpadden.

CARD OF THANKS

The hour has come into our lives when every impulse of our hearts is buried under its weight of sorrow and we wish to give expression to the gratitude that wells up in our hearts to our kind, generous and unwearingly friends, during the illness and death of our baby.
Seldom have any in need of sympathy and friendship received so full a measure of kindness of the human heart.
The untiring efforts of our doctors, the

beautiful flowers and tokens of love are appreciated more than we have words to express.

The waves of sorrow break upon every shore and we can but hope that friends as good and true may gather around each of you, should sorry invade your home.

May God bless each of you.
Mr. and Mrs. P. M. Leatherman and children.
Mr. and Mrs. Joe Ryals and family.
Mr. and Mrs. Morris Leatherman and family.

BOX SUPPER AT PLEASANT HILL

A musical program, consisting of chorus, male quartets and comic songs will be given in connection with a box supper at Pleasant Hill, Friday night. Everybody is invited, and a good time for all is being planned.

Mr. and Mrs. G. C. Tubbs have moved to the P. D. McBride home which they recently purchased. Mr. and Mrs. H. T. Williams bought the home formerly owned by Mr. and Mrs. Tubbs.

PRICE

A great deal is said about price. It is a relative term, conditioned on quality and service. Nothing should be bought on price alone. Few things have been manufactured that could not be made a little cheaper. We like to sell merchandise that will endure, for "The recollection of Quality remains long after the price is forgotten." We believe that good merchandise is cheaper than poor merchandise.

Our mission is to serve the public with the things needed at the lowest price, quality and service considered. We are striving to lower prices, just as you are, but we must guard quality. We believe we can serve you as economically as any concern.

We bid for your business on this basis.

Society and Clubs

Mrs. Jack Henry Hostess To Bridge Club.

Members of the Wednesday Bridge club and invited guests were entertained Wednesday afternoon, April 20, with Mrs. Jack Henry as hostess. In the games Mrs. A. N. Bratton received high score for the guests and Miss Ruth Collins for the members. A delicious salad and ice course was served.

The guests included Mrs. A. N. Bratton, Mrs. John H. Reagan and Mrs. Otto Faulkner, Long Beach, Calif.

The members present were: Mmes. S. W. Ross, J. I. Hammonds, Roy L. Snodgrass, L. L. Collins, Robt. Eubank Homer Steen, W. L. Fry; Misses Ruth Collins and Ethel Houghton.

Mother Goose Play Presented By Pupils of Mrs. Scoggins.

On the night of April 20, a Mother Goose play and variety program was presented at the East Ward auditorium by the kindergarten class of Mrs. Harper Scoggins. The little tots played to a packed house and judging from the spontaneous and hearty applause the affair was a decided success.

The program rendered, follows: Fairy Song and dance in costume, Eight little girls; reading, J. W. Gamble; "A Boy and His Stummick," C. W. Denison; reading and dance, Martha Lee Sparks; "What Will You Take for Me Daddy," Virginia Belle Gamble; "Daffodil Ladies," Flower song, by eight little girls; High School Sextet, selected; "The Little School Mam," Evelyn Hicks; a cutting from "Mandalay," Harper Scoggins; group of songs: "The Fox," "The Frog Went Courtin'," Ten Little Nigger Boys," entire class; Spanish Choruses with interpretation, Bettie Jane Rogers; Rounds: "Brother John" and "Row Row, Row," twelve little pupils; "When the teacher gets cross," Mary Wilson Hicks; "Doll Lullaby," fourteen little girls. "Doughnuts," Mary Looper; group songs with motions: "See Saw," "Jog, Jog," "Rap A Tap," "Creep Mouse Creep," Piggy Wiggy, Jackie Frost," by six little boys; "I am Glad I am a Boy," Paul Scoggins; "When Daddy was a Boy," John Yearwood; duet with dance interpretations, Bettie Jane Rogers and Mary Looper; "What is Ice," Emma L. Bedford; "Mrs. Ocean is a Washerwoman," Mary Emma Collins; "Baby Logic," Vera Nell Marshall; group songs: "Old Black Joe," "Mocking Bird," "Goodnight Ladies,"

"She'll be Coming Round the Mountain," entire class; "Spelling Kitten," Muriel Fagan; High School Sextet, selection; In the Mother Goose play the following characters were represented: Little Jack Horner, John Yearwood; Little Miss Muffet, Muriel Fagan; Little Boy Blue, C. W. Denison; Little Bettie Blue, Mary Looper; Jack and Jill, Harper Scoggins and Vera Nell Marshall; Humpty Dumpty, Dorothy D. Stovall; Daffodowndilly, LaNell Harmon; Tom The Piper's Son, Paul Scoggins; Lucy Locket, Jeanette Bratton; Peter Pumpkin Eater, Kenneth Fagan; Handy Spandy, Percy House; Three Little Kittens, Lela Fay Hicks, Dale Rogers and Mary Beth Lawlis; Mary Contrary, Mary W. Hicks; Little Bo Peep, Betty J. Rogers; The Queen of Hearts, Evelyn Hicks; Little Red Riding Hood, Emma L. Bedford; Old Mother Hubbard, Mary E. Collins; Simple Simon, Coyt Williams; Old King Cole, J. W. Gamble. The play closed with an effective tableau.

The High School Sextet rendered several numbers on the Kindergarten program which were well received. The sextet was organized by Harper Scoggins and has made rapid progress under his direction.

Pupils Receive Medals Of Honor.

Charles Mathews, Edell King and Nell Stevenson were presented with medals of honor by their teacher, Mrs. A. N. Gamble, for their regular attendance and excellent general average in their expression work during the year. The class was divided in three groups according to age and each of the above pupils were winners of their respective classes.

"American Indian," Subject of Study Lesson.

The 1922 Study Club met Thursday, April 21, with Mrs. J. C. Wester as hostess. Mrs. Kenneth Bain presided. The following program was rendered: Roll call—Noted Indian Warrior; Leader—Mrs. C. H. Davis; Paper on Indian Legends of Texas, Mrs. Geo. Lider; "Indian Missions and Religion"—Mrs. Kenneth Bain; "Education and Citizenship"—Mrs. J. U. Borum; The club voted to meet with Mrs. Harper Scoggins on May 5 instead of May 19 to discuss definite plans for an open house for the club to be held at an early date. Mrs. Bain appointed the following as members of the entertainment committee: Chairman, Mrs. Lou V. Smith, Mrs. J. B. Jenkins and Mrs. C. H. Davis.

Club members who were absent at the April 21 session please notice the change in date and place of meeting and all be present on May 5, to help round in the Year's work plan for the open house, dispose of this Year's books and make definite plans for next year's course of study. Reporter.

East Ward P. T. A. Announcement.

The next regular meeting of the East Ward Parent-Teachers' Association will be held Friday afternoon, May 6 instead of Friday, April 29 as has been previously announced.

A. C. McSpadden Celebrates Eighty-Second Birthday.

A. C. McSpadden was honored at a dinner given Sunday at the home of his daughter, Mrs. C. A. Clark on the occasion of his eighty-second birthday. Other guests on the occasion were Mrs. McSpadden and five of the thirteen children of the family.

The children present included: Mrs. H. S. McSpadden and family; Mr. and Mrs. J. R. McSpadden and family; Mr. and Mrs. C. A. Clark and Misses Willie and Ruby McSpadden and Mr. and Mrs. B. F. McIntosh and children, friends of the family.

Patty Looper Celebrates Birthday.

Miss Patty Looper, daughter of Mr. and Mrs. C. P. Looper, entertained a number of her friends, honoring her thirteenth birthday, at the home of her parents last Monday afternoon at 6:00 o'clock. The house was beautifully decorated in her class colors and the favors given were also in keeping with this idea.

After several games were played refreshments, consisting of sandwiches, olives, ice tea, angel food cake and yellow and white ice cream were served.

Those present were Misses Hazel Probasco, Winona Felton, Edna Mae Nelson, George Iris Shaw, Bess Claire Smith and the honor guest.

Pageant of "The Seasons" Great Success.

"The Seasons" parent recital was presented by the pupils of Miss Virginia Price and the City Conservatory of Music at the High School Auditorium, Friday night, to a packed house. The enjoyment and success of the occasion will be measured by the appreciative applause given throughout the program.

"You are about to witness the unfolding and passing of the seasons. If you listen attentively you will be able to see the dawn of the day on a bright Spring morning, hear the very first faint bird notes of the robin from the depths of the forest, hear the spring winds set the first delicate green leaves tremble, hear the water nymphs dance for joy at mother Earth's re-awakening, see the first delicate rose petals unfold their blushes to the sun, see the gorgeous butterflies flit into the glorious sunset glow, and the vision will be unfolded to you thru the medium of beautiful music." is descriptive of the introductory Season, Spring as was given by the reader, Mrs. Harper Scoggins. The interpretation of the music given during each Episode was characteristic of the Season represented.

Following each introduction by the reader, the herald, Mrs. Geo. Bond opened each Episode with an appropriate vocal selection.

G. W. Hall gave selections on the Hawaiian guitar between acts which were enthusiastically received.

The following program was rendered: Rachmaninoff, Ruth Enoch. (a) Down in a Forest, Ronald; (b) The Robbin's Song, White, Mrs. Geo. Bond.

The Spring Song (Ensemble), Mendelssohn, Ina Sims, Mrs. Henry Edwards. Whispering Winds, Hollenhaus, Eugenia Hoffman; The Water Nymph, Nevin, Mildred Strickland.

Yellow Butterflies, Adair, Genell Stovall. Rose Petals, Spaulding, Marjorie Kirk.

The Swing, Spencer, Vivian Stegall. Dreams, Adair, Eula Gullion, Willie Mae Cummings, Ena Lea Fyffe. Sunset Glow, Francis, Jean Bain.

EPISODE II.—SUMMER: Carmena, Wilson, Mrs. Geo. Bond. Old Folks at Home (Ensemble), Butler, Folia Randerson, Maxine Fry, Mabel Tubbs, Floriene Dorrell. Dixie Paraphrase, Goldbeck, Ruth Stegall.

American Fantasia (Ensemble), Victor Herbert, Lois Sitton, Eugenia Hoffman, Ina Sims, Mrs. Henry Edwards. Blue Danube (Colonial), Strauss, Victorine Fitch.

Summer Idylls: Juanita, Marcheta, O Sol Mio, Guitars and Ukeleles. EPISODE III.—AUTUMN: Goode bye, Tosti, Mrs. Bond.

Ad Retailer Advises Merchants To Use Ads

Addressing the Nebraska Retail Clothing Association and Men's Apparel Club at their annual convention February 22nd, at Lincoln, Nebraska, Mr. T. K. Kelly, Twin City Banker and owner of the T. K. Kelly Sales System of Minneapolis, pleaded with his hearers for a more extensive newspaper advertising program than ever previously attempted.

In bringing out the need for a greater amount of newspaper advertising on the part of retail clothiers of Nebraska, Mr. Kelly pointed out present day conditions which made this move necessary. In connection with the conditions requiring greater advertising effort, Mr. Kelly said:

"It is apparent that business is going to tighten and that money is going to be easy.

"One large Detroit bank predicts that within two years we shall see government bonds selling on a 3 per cent basis.

"And indications point to a prolonged period of competition. This competition will become increasingly acute and increasingly difficult to meet but it will be least difficult for those concerns which have had the foresight and vision to use advertising daringly to elevate themselves above price competition.

"Considering these conditions the time seems advantageous for a bold stride that will once and for all establish your business on the highest possible plane in the minds of the consuming public. Never has the opportunity been so ripe as it is this year for an advertising offensive. Newspaper advertising is transforming America into a place of luxury and ease for millions. In the last twenty years advertising has changed the eccentric status of at least one-fifth and probably one-fourth of our people, rising them from a lower to a higher standard, increasing their wants, increasing their ambitions and capacities as well as their purchasing power.

"In the old days of horse-cars an extra team of horses awaited the oncoming vehicles at the foot of each hill where this added help got the car over the top. The streetcars and motor cars of today operate on a different principle. They have within them the reserve power needed to go up over the hill without added push or pull from without.

"Every business needs its hill horses. We cannot expect somebody to be waiting for us at the foot of a hill of difficult business conditions to furnish the added power necessary to get over that hill.

"We must carry that power within our own business and we can carry it thru the constant use of the right sort of advertising methods backed up with the right salesmanship and the

right goods and the right service. "We must remember that advertising must be done and done all of the time. You can't expect to use newspaper advertising in flush times and live on the money newspaper advertising requires, when sales drop. Every day many people who used to patronize your store pass out of the picture and your new people are starting to spend money in your community, and these people know little if anything about your store.

"The job of educating them has to be done again from the start. To the people who do not know of your store your store does not even exist. There is only one way for making your store exist insofar as those people are concerned and that is to inform them and to educate them thru advertising as to the buying advantages offered by your store."

Mr. Kelly indicated his belief that congested traffic conditions and rapidly rising costs of store operation in the larger cities are bringing about a situation favorable to the retailers in the smaller towns and suburban locations. He urged that this advantage be capitalized upon adequately thru a plentiful use of newspaper advertising.

Possibilities of combining some lines of women's furnishings with stocks of men's clothing were illustrated by Mr. Kelly in citing the successes achieved by a number of clothiers in following this program.

Mr. Kelly declared that whereas previously he had felt that minimum of 2 per cent of the gross receipts was sufficient for the average retailer to use for newspaper advertising, that he felt now conditions demanded an increase of this minimum wherever at all possible to approximately 3 per cent of the gross sales.

Locals and Personals

Mr. and Mrs. E. E. Brown and daughter, Mozelle, returned Thursday night from Snyder, where they visited Mr. Brown's sister, Mrs. R. D. English and family. During their absence they visited at Odessa and Midland.

Mrs. L. A. Marshall is slightly improved but still confined to her bed from a recent serious illness.

Miss Gladys House spent last week in Plainview visiting relatives.

Dr. and Mrs. I. W. Hicks had as their guests during the week-end Mrs. Hick's parents, Mr. and Mrs. D. A. Ford and her sisters, Mrs. J. T. Ashford and son, John T., Jr., and Mrs. D. H. Mansell and son, Hicksford and daughter, Dorothy Muriel; all of Lubbock.

A. N. Bratton returned Saturday from a business trip to Wichita Falls.

Little Mary Looper has been confined to her bed with a severe case of tonsillitis.

J. A. Grigsby, of Slaton, spent Saturday and Sunday visiting with his family here.

Miss Ora Mae Robbins, who is attending school at Canyon, spent last week-end visiting her parents, Mr. and Mrs. W. A. Robbins.

Mr. and Mrs. J. V. Daniel, spent last Saturday and Sunday in Amarillo visiting with Mrs. Daniel's brothers, Truett and Frank Butler.

Fred Jenkins, of Lorenzo, spent the week-end here visiting relatives and friends.

Mrs. T. A. Caudle spent last week in Amarillo visiting her son, Brodie Caudle and family.

Raymond Berry, left Wednesday afternoon of last week for Wilwaukee where he will be employed.

Mr. and Mrs. T. P. Collins returned home the latter part of last week from Dallas, where they spent several days.

Mr. and Mrs. John W. Allen, of Petersburg, were business visitors in Floydada Monday.

Rev. W. R. Hill and Rev. G. W. Tubbs attended the funeral of Mrs. H. F. Aulick of Quitaque, at Plainview last Tuesday. Mrs. Aulick was the wife of Rev. Aulick, pastor of the First Baptist Church of Quitaque. She died Monday morning and funeral services held Tuesday.

Mrs. Clarence Goen, of Dimmitt, is here this week visiting relatives. She arrived Sunday.

Mrs. E. B. Massie and little daughter, Jessie Belle, in company with Mr. and Mrs. P. S. Wolf, of Plainview, left Monday for Mineral Wells where they will visit with friends and relatives.

Miss Evilee Goodwin spent last Saturday and Sunday in Matador visiting relatives.

L. T. Bishop returned Monday from Whitewright where he spent last week-end with his wife who is visiting her parents there.

Lemond Moore, of Lubbock, spent last Sunday here visiting his mother, Mrs. Josie Moore. Lemond is employed with the Morrow-Thomas Hardware Company of that city, and has pitched four baseball games for that company in the city league of Lubbock and won every game. In one game he allowed only two hits. He was accompanied Sunday by O. C. Payne who also visited relatives and friends here.

Mrs. E. C. Nelson, Jr., of Amarillo, is visiting friends and relatives here this week. She arrived Monday.

Mr. and Mrs. Wilson Kimble and family spent last Thursday in Plainview visiting.

BLACKSMITHS

out of the Honorable District Court of Floyd County, on the 4th day of April 1927, by the Clerk thereof, in the case of William F. Quebe, Administrator of the estate of Hulda Quebe, Deceased, versus Helmut Quebe, a minor, Charlie Boortz, and Erna Boortz, as the only surviving heirs-at-law of Herman Quebe deceased. No. 1856, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the FIRST TUESDAY in May A. D. 1927, it being the 3rd day of said month, before the Court House door of said Floyd County, in the town of Floydada, the following described property, to-wit:

315 acres of land out of the N. 1/2 of section No. 100, Block D-2 certificate No. 632, T & T Ry Co., survey patented to Henry Quebe, assignee by patent Dated Nov. 15th 1920 recorded in book 3, page 209, patent records of Floyd County, Texas, the 315 acres conveyed being all of the North one-half of section No. 100, except a tract of five acres conveyed to Carl Sammann Et Al, trustees of the German Lutheran Trinity Church, by deed recorded in Book

49 page 427, Deed records of Floyd County, Texas.

Levied on as the property of Helmut Quebe, a minor, Charlie Boortz and Erna Boortz, as the only surviving heirs at law of Herman Quebe, deceased, to satisfy a Judgement amounting to \$16,635.85 in favor of William F. Quebe, administrator of the estate of Hulda Quebe, deceased and cost of suit.

Given under my hand, this 4th day of April 1927.

P. G. STEGALL,
Sheriff Floyd County, Texas.

BILL BOBBITT MAKES CHAMP DEBATING TEAM AT WAYLAND

Wayland College received State-wide notoriety Friday when its boys' debating team composed of Bill Bobbitt and Frank Barns won the State Junior College meet at Arlington, Texas. Five teams, winners in their respective districts, took part in the debate.

Bill Bobbitt is a former student of Floydada High School. He graduated from this school in 1925. In that year he was a member of the F. H. S. debating team, and represented this county in the district meet at Lubbock. His home is at Lone Star.

ATTENDING MEDICAL CONVENTION

Dr. and Mrs. Lon V. Smith accompanied by Dr. and Mrs. A. C. Traweck, of Matador, left last Sunday for El Paso where they are attending a convention of the State Medical Society, in that city. The meeting was held on April 25, 26 and 27.

The party plans to return home the latter part of this week.

MARRIAGE RECORD

License to marry was given during the past two weeks to five Floyd County couples. License issued from the office of County Clerk Tom W. Deen were to the following couples:

Norman Jones and Miss Zeola Davis, April 16;

W. H. Young and Miss Edna Mae Ingram, April 17;

Abie M. Vaughn and Miss Ruth Scogins, April 17;

S. G. O. Mercer and Miss Helen Woody, April 21;

Guy Willis and Miss Lora Mae Tracy, April 25.

SANITARIUM NOTES

Mrs. Leslie Crabtree returned to her home last Sunday after undergoing an appendicitis operation at the Smith and Smith Sanitarium on April 7.

Miss Geraldine Gamblin returned to her home last Saturday, April 23, after being in the hospital for some time.

BAKER, HANNA & CO.

Floydada, Texas

Boy Scouts

F. L. Davis, Secretary Boy Scouts Council of Floydada

Floyd County Admitted to South Plains Area in Boy Scouts

At the quarterly meeting of the South Plains Area Council of Boy Scouts held in the City Hall at Lubbock last Tuesday afternoon the Area voted unanimously to accept Floyd County to the Area; upon condition that we raise our finance quota. At the same meeting the Area voted to endorse the appointment of the local committee, also the firm to handle the Boy Scouts uniforms and materials. Baker, Hanna Company was selected. They will stock the materials.

We feel that we are fortunate in being accepted to this area of Boy Scouts for we are getting far more than we are asked to raise. The Boy Scouts at Post have 420 acres of land for the scout camp. It will be fixed up with lake for boating and swimming for the boys. There is room enough for the troops to build their huts and sufficient room for their work. This tract of land was given to the Boy Scouts of the South Plains Area and now the Boy Scouts of Floyd County have an interest in the camp. Then we have the privilege of help from the scout executive, and the association with a bunch of such fine men and boys is worth a great deal to us.

The meeting Wednesday was fine and all present were enthusiastic in the work. Not all of the towns were represented but those present were all greatly interested. Those attending from here were Scout Master A. J. Brown of the McCoy Troop; J. H. Tribble of Troop No. 3 in town, Fred Bell and Scout Commissioner and Secretary F. L. Davis.

Boy Scouts Meeting

The Boy Scouts Meeting in the Tourist Camp Ground back of the Central Filling Station last Saturday at 5 o'clock was well attended by the boys. But not so many of the men as we had hoped.

Scout Executive A. H. Watts brought over a patrol of six boys from Lubbock, who put on some real Boy Scout stunts. One thing that interested the boys and all present, was starting a fire without matches. One boy started a fire in four seconds by the flint and steel rubbing

together. When it came to starting fire by the old Indian style of rubbing sticks together it was not so fast, but that was done in less than a minute. The knot tying was interesting. The boys could tie all the nine knots in a short time. The sending of messages by semaphore was also interesting. These and many more stunts that all Boy Scouts will learn were demonstrated.

One thing that was interesting was the display of the sash of one of the boys on which were worked fifty-two merit badges won by the owner. It put a good deal of pep in our boys to get as many or more than those he had.

These boys from Lubbock are no smarter than our boys, the only difference being in the fact that they have been in the Scouts longer than our boys. We have some bright boys that will make fine records as we proceed and have time to learn the work.

The weenie roast was enjoyed by all present. We are persuaded that boys do not have to be in the canyon to eat weenies, for they sure can eat them in town. We have about concluded that all that is necessary to have a weenie roast is the weenies and the boys. It doesn't make any difference where it is, or who else is present.

PETERSBURG SHOW BUILDING IS BEING RE-CONSTRUCTED

The picture show building under construction at Petersburg, the walls of which were laid flat by high wind last week, is being re-constructed and less than a week's delay will be occasioned by the work that had to be done over, reports from Petersburg state.

The show house, being built for E. Linn by J. T. Mitchell, was insured under builder's risk insurance.

When completed it will be frame construction with stucco exterior and plastered interior, making an excellent show house.

Crossing Crash Caused Raymond Brock's Death

Clinton Hamrick, Survivor of Accident in Arizona, Reached Home Tuesday Night.

First authentic details of the death of Raymond Brock, 26, of this city, who died in a Tucson, Arizona, hospital Wednesday of last week, were given Tuesday night when Clinton Hamrick, companion of the deceased on an automobile trip to California, reached home, and told of a grade-crossing crash that entirely demolished the car in which they were riding and broke and cut the body of Brock so severely that he died from the shock the following day.

Friends and relatives residing in this county had drawn conclusions that the accident was due to an overturning car, the first intimation that the accident was at a grade crossing coming in the form of a letter from the justice of the peace at San Simon, a little city in the eastern edge of Arizona, asking what disposition should be made of the demolished car. Thirty dollars was offered for it by a garage man there. The body of Brock, shipped to Winsboro, the home of his parents for burial, was examined at the request of the family, and was found to be badly broken up and cut. Both legs, both arms and the back had been broken and a severe cut was found. An operation had also been performed after the boy reached Tucson, where the victims were taken by the train crew following the crash.

N. D. Brock, of Sand Hill, reached home Tuesday afternoon, after attending the funeral for the deceased at Winsboro. The deceased had numerous other relatives in this county, including Mrs. J. H. Embry, an aunt.

Clinton Hamrick was dismissed from the hospital on April 19, shortly after reaching there. When he reached home he was still suffering from internal injuries. He sustained no broken limbs or cuts. He said the crash occurred at a crossing near which was a siding with a freight train standing on it. He and his companion were watching the lights of this train and barely realized their danger when they were hit by the fast passenger. The train crew picked them up and carried them into Tucson.

C. Of C. Hears Reports Of Committee Chairmen

Activities of Various Branches of C. of C. Are Outlined Briefly in Meeting.

"Community meetings of every kind bring big returns in better understanding and friendships," Kight Dickey, chairman of the community meetings committee of the Chamber of Commerce told members of this organization at its Tuesday night meeting. "It does you good to meet your friends away from your place of business, and it makes you a better citizen because you get the viewpoint of others in an atmosphere not flavored with the immediate demands of your business." He reported for this committee, and his remarks were seconded by C. R. Houston, who said that after school is closed the plans for community meetings should be undertaken vigorously.

Roy A. Baker told of the work the band is doing, calling attention to the hard work the boys are doing in preparation for the West Texas Chamber of Commerce meeting. He declared that this trip is going to cost the community some money but that in his opinion it would be money well spent.

In regard to the railway situation O. P. Rutledge reported that when news of the definite award of the Quanah construction contract is received, work will begin on the part of all committees. Only big companies, capable of fast work with plenty of equipment, are bidding on the line, he said, and people can depend on the roadwork being rushed when it is started. Col. W. M. Massie pointed out in the same connection that Floydada has gotten a railroad at a bargain, but that people here cannot afford to parley around. Our big job locally is to concentrate on the job until it is done and then undertake to get the other things done that come in the wake of new rail connections. J. C. Dickey expressed the belief that the committees should be actively at work on right-of-way and similar matters to have all details done ready for the railway company to take them over immediately.

J. C. Gilliam reported briefly on the American Legion's plans for the Fourth of July celebration, and C. W. Boethe pointed out some immediately pressing demands and openings for enterprises not now in Floydada.

W. L. Fry presided in the absence of the president.

DISK TILLER DEMONSTRATED

Demonstration of the John Deere Wheatland Disk Tiller, a new plow on the local market, was made by Stansell & Collins, dealers, on ground in South Floydada Tuesday afternoon. Considerable interest was manifested in the demonstration by wheat growers.

Society and Clubs

QUANAH ROYALLY ENTERTAINS SEVENTH DISTRICT VISITORS

"Delegates and visitors to the sixth annual convention of the Seventh District Federation of Women's Clubs at Quanah were royally entertained throughout the two day session, Thursday and Friday proper, and the pre-convention business meetings held on Wednesday. It was one of the most successful meetings I have ever attended. Everything for our pleasure and convenience was carried out to the merest detail," said Mrs. George A. Linder, a delegate from the 1922 Study Club, who was in attendance.

"It was one of the largest meetings of the district ever held with a report from the credentials chairman, Mrs. Silas Maggard of Hale Center, of 764 state officers and chairmen, district officers and chairmen delegates and visitors in attendance."

Among the noted speakers who appeared on the program were Mrs. J. U. Fields, of Haskell, state president, T. F. W. C. Mrs. Phoebe K. Warner, of Claude and Mrs. R. E. Buchanan, of Ft. Worth, State parliamentarian; Mrs. W. B. Price, district president Lubbock; and Congressman Marvin Jones.

Miss Falba Foote, head of the Home Economics department of W. T. S. T. College, Canyon, made a very interesting talk on the "Efficient Kitchen." Miss Mayme Lee Hayden from College Station made a splendid talk on "Better Equipped Homes for Texas."

Crosby County received the loving cup offered for the best work done in public welfare of which department Mrs. Lon V. Smith is chairman. "We were indeed proud of Mrs. Smith," Mrs. Linder said, "when the announcement was made that she had been appointed chairman of the entertainment committee of Texas for the biennial meeting to be held in San Antonio in 1928." Mrs. Smith addressed the meeting and discussed plans briefly.

Floydada Girl Maid of Honor.

The marriage of Miss Kate Slover, of Menard, daughter of Mr. and Mrs. Sam Slover and Mr. Forest Brown, principal of the High School at O'Donnell, was solemnized at a quiet home wedding at the home of the bride, Sunday, April 24. The ceremony was performed by Rev. A. A. Collins, of this city. Miss Gladys Collins, daughter of Rev. Collins was maid of honor. Otis Williams, of Eldorado, acted as best man.

Rev. Collins and daughter returned home Monday morning.

Parent-Teachers' Convention In Session At Memphis.

Delegates from the Parent-Teachers' Association of Floydada are attending the fourth annual convention of the eighth district Texas Congress of Mothers and Parent-Teachers which convened at Memphis, Wednesday afternoon in a three day session. The general theme of the convention will be "The Educational Significance of the Parent-Teacher Movement." Mrs. J. I. Kendrick, of Amarillo, president, will preside during the meeting. Many social functions have been planned in honor of the visitors, including banquets and teas.

Delegates from the East Ward Parent-Teachers' Association who are attending are: Mrs. J. U. Borum and Mrs. Jno. Hammonds; from the Andrews Ward Parent-Teachers' Association are, Mrs. R. E. Rry, Mrs. W. C. Grigsby, and Mr. and Mrs. Lon M. Davis; from the high school Parent-Teachers' Association are: Mrs. M. F. Husky, Mrs. J. A. Enoch and Mrs. J. B. Jenkins.

GOLF COURSE READY

"You can say in The Hesperian that Floydada Country Club now has one of the keenest golf courses in West Texas." J. W. Clonts, member of the greens and grounds committee of this club, said this morning. Mr. Clonts' remarks were incident to the completion of much hard work on the club's greens and fairways extending over a period of many weeks.

"Floydada golfers and their visitors can now play on their course with the feeling that they are playing on one of the best ones they'll find in this section," Mr. Clonts declared with pride.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by

Home Demonstration Club News Of County

THE MAYVIEW GIRLS CLUB

The Mayview Girls' 4H Club met Monday, April 18, 1927. The president, Catherine Davis, took charge of the meeting, after the roll was called. Miss Bass, Home Demonstration Agent, gave some very interesting facts about the "Clothing Contest."

She also told about the Club Encampment of girls which is to meet the second Friday and Saturday in June at Floydada. The girls of both Hale and Floyd Counties are to be in the encampment. The Clothing Contest will be one of the interesting features. All of the girls are looking forward to this occasion with great interest. They are already making plans for the Clothing Contest.

BLANCO 4H CLUB

Miss Bass met with six of the 4H club girls of Blanco, Thursday morning at 8:30 o'clock. Three received stars for having finished the required amount of work. Each of the members had her article completed and ready to begin work on her home improvement article. The members are all requested to be present at the next meeting.

BLANCO HOME DEMONSTRATION CLUB

Mrs. A. H. Howell was hostess to the Blanco Home Demonstration Club, Thursday, April 21. All of the members were present and three visitors, Mrs. Day, of McCoy, Mrs. Davis and Mrs. Hood. Roll call was answered with "Something I Intend Doing to Make Home Life More Attractive."

The following topics of the lesson were very ably discussed: "The Walls,

Woodworks and Floors," Mrs. Daniel; "Suitable Designs and Colors of Paper for various rooms," Mrs. Henderson; "Appropriate Floor Covering," Mrs. Snell; "Window Draperies," Mrs. J. R. Pinnin; "Pictures," Mrs. Dodd; Arrangement of Furnishings," Mrs. Farley. Miss Bass was present and gave some splendid ideas on Wall paper and curtains.

Mrs. McPeak will be hostess to the club at its next meeting, Thursday, May 12. "Meal Planning," will be the subject of the lesson, with Mrs. Badgett as leader. Roll call will be answered with "The Menu I serve Most Often for Breakfast." Other topics to be discussed will be "Requirements of a Good Menu," Mrs. W. C. Cates; "Economy in Planning the Daily Menu," Mrs. A. H. Howell; "Suggested Balanced Menu for each Meal," Mrs. L. C. Wheeler.

SAND HILL DEMONSTRATION CLUB

The Sand Hill Home Demonstration Club met in their regular meeting, April 20th with twelve members and five visitors present. The subject of the lesson was "Something I Intend to Do to Make Home Life More Attractive." It was indeed an interesting lesson and Miss Bass gave additional information on the subject which was greatly appreciated.

The next meeting will be held May 4, with Mrs. A. B. Masterson as hostess. Roll call will be answered with "The Menu I Serve Most Often for Breakfast." Mrs. Weems will be leader. Other topics to be discussed are: "Requirements of a Good Menu," Mrs. W. E. Miller; "Economy of Planning the Daily Menu," Mrs. A. R. Hanna; "Suggested Balanced Menus for Each Meal," Mrs. G. C. Collins.

THE PROVIDENCE CLUB

The Providence Home Demonstration Club met as usual at their club room Tuesday, April 12, at 2:30 o'clock. There were twelve members present. Mrs. Jones was hostess. A very interesting lesson was had on the subject of "The Magic Paint Brush." Miss Bass gave a demonstration on how to remove old paint and repainting the old article afterwards. Four new members were enrolled at the meeting.

A community fair was decided upon and all articles which are to be exhibited in the County Fair will be judged

and the best will be entered in the County Fair. Miss Opal Wood, County Agent of Hale County will judge the community exhibit.

Mrs. Jones, secretary of the club, was appointed as a delegate to attend A. & M. Short Course this fall. Mrs. Cowart, president is also planning to attend.

After the program Mrs. Jones served a delicious cocoanut cake to those present.

The club adjourned to meet again, Tuesday, April 26, with Mrs. Phillips as hostess. The subject of the lesson will be "Meal Planning," Mrs. Jones will be leader. Roll Call, the Menu I serve most often for breakfast; "Requirements of a Good Menu," Mrs. T. E. Coward; "Economy in Planning the Menu," Mrs. G. E. McCulloch; "Suggested Balanced Menus for Each Meal," Mrs. Williamson.

Miss Bass will meet with the club at the next meeting and as many of the members as can possibly come are requested to be present.

PLEASANT VALLEY CLUB

The regular meeting of the Pleasant Valley Demonstration Club was held at the home of Mrs. Fields, Friday afternoon, April 22. A very interesting program was enjoyed by all present. The subject was "Furnishing The Home," very good talks were given on "Suitable Designs and Color of Paper for Various Rooms," Mrs. Fry; "Appropriate Floor Coverings," Mrs. Mitchell; "Window Draperies," Mrs. Henderson; "Walls, Woodwork and Floors" was also discussed.

The next meeting will be with Mrs. Craft instead of with Mrs. Fry, as was originally planned, on May 13. Every member is urged to be present, as Miss Bass will be present to give special instructions that will be of interest to all of the members. Those who are making house dresses, are to have them started and bring them to the next meeting.

The subject of the next lesson will be "Meal Planning," with Mrs. Hubbard as leader. "Requirements of a Good Menu," Mrs. Rivers; "Economy in Planning the Daily Menu," Mrs. Shurbit; "Suggested Balanced Menus for Each Meal," Mrs. Payne.

INDUSTRIAL WEEK PROGRAM OBSERVED BY LUNCHEON CLUB

Texas Industrial Week was observed by Floydada Luncheon Club at its luncheon Monday noon at the Commercial Hotel Dining Room, when the principal talks made were on the significance of increasing industrial activity in Texas and the lunch served was wholly of Texas-made or grown products and largely Floyd County products.

S. N. Tawwater gave a talk comparing manufacturing figures in Texas with the production of manufactured products in other states. He recited the big toll being paid annually by Texas people to factories and workman in other states for finishing raw materials produced in Texas. His talk was seconded by T. S. Stevenson, who urged giving Texas-made products first choice by Texas purchasers.

A. H. Watts, executive officer of the South Plains Boy Scout Area, who is being moved to another field of work, told the luncheon club of the tremendous value an investment in affiliated Boy Scout work here would be. "Floydada people are being offered the biggest bargain they have ever had an opportunity to obtain," he declared.

Price Scott spoke briefly to the subject of the day, declaring that the greatest resources of Texas are its boys and girls. Mr. Scott was elected a member of the club.

Geo. L. Fawcett, Joe P. Hart and R. P. Graves of Baker, were guests of the Chamber of Commerce at the meeting. The High School Girls' Sextet sang for the club, accompanied by Miss Ethna Green. Their songs were well received and heartily applauded.

The next meeting of the club will be a night meeting at the East Ward School, when members will have as guests their wives and sweethearts.

JONES SHOE SHOP INSTALLING NEW ELECTRIC SHOE MACHINE

Jones Shoe Shop this week is installing a new electric shoe machine. The machine, which arrived Friday afternoon of last week, is the latest obtainable and will do first class work, Mr. Jones stated.

The new shoe machine, will have two electric stitchers whereas the old machine only had one stitcher. One of the stitchers will be used especially for harness and the other for shoe repair work, Mr. Jones stated. Installation will be completed next week.

INFANT SON OF MR. AND MRS. LEATHERMAN DIED SATURDAY

Little Afton Leatherman, 8 months old son of Mr. and Mrs. P. M. Leatherman, of this city, was buried in the Floydada cemetery last Sunday afternoon following his death on Saturday night. The child's death is thought to have been caused by cerebral paralysis, which developed about a week before his death.

The funeral services were held Sunday afternoon at the First Baptist Church and interment was made in the Floydada Cemetery. Rev. W. R. Hill and G. W. Tubbs conducted the funeral services.

Mr. and Mrs. Leatherman reside about a mile west of this city on the A. A. Jones place. They have resided here for about five months.

Miss Blanche Scott, who is attending school at W. T. S. T. C. spent last week-end here visiting her mother, Mrs. D. T. Scott.

FOR HOME AND STABLE

The extraordinary Borozone treatment for flesh wounds, cuts, sores, galls, burns and scalds is just as effective in the stable as in the home. Horse flesh heals with remarkable speed under its powerful influence. The treatment is the same for animals as for humans. First wash out infectious germs with liquid Borozone, and the Borozone Powder completes the healing process. Price (liquid) 80c, 60c and \$1.20. Powder 80c and 60c. Sold by Arwine Drug Company

Mr. and Mrs. W. S. Posey and daughter, Evelyn, of Lubbock, spent Sunday with relatives here. Their niece, Mrs. Otto Faulkner and baby of Long Beach, California, who have been here for several weeks returned home with them. They were accompanied also by Mrs. Robert Eubank who is also a guest in the home of Mr. and Mrs. Posey.

Mrs. J. T. J. Dawson and Mrs. W. I. Cannaday visited in Plainview Tuesday.

GARBAGE NOTICE

Notice is hereby given that all cans thrown out to be removed to the City's Dump Ground must be properly punctured before being thrown in rubbish cans for the City Sanitaryman. This is very essential to prevent the collection of rain water in such cans causing stagnation and the breeding of mosquitoes which cause the spread of disease.

All combustible trash and rubbish must be burned on the premises and not thrown out for removal. The City's Sanitaryman will not take any combustible trash or rubbish or cans which are not properly punctured. 82c. W. D. SMITH, Mayor.

Locals and Personals

Mrs. J. C. Edwards, of Petersburg, is spending the week with her daughters, Mrs. Jno. Smith and Mrs. A. N. Gamble.

Mrs. W. U. White returned Friday from Abilene, where she visited her grandmother, Mrs. J. W. Childers and her aunt, Miss Rose Childers.

Mrs. J. D. Starks and Mrs. W. H. Hilton left Saturday morning for Mineral Wells where they are attending the State Woodmen Circle Convention, which convened Tuesday in a three day session. Mrs. Starks is a delegate from the local Grove. Their plans are to visit several days after the convention.

Mrs. Ida Fairey, of Plainview, returned home Monday morning after spending the week-end with her sister, Mrs. L. A. Marshall.

Mr. and Mrs. Herbert Ralls and baby visited in Floydada Monday. Mr. Ralls was formerly with Higginbotham-Bartlett Lumber Co.

J. R. Brewer, of Electra, returned Wednesday after a visit here with daughters, Mrs. Lee Trice, Mrs. Haney, and Mrs. A. N. Bratton.

LAND!

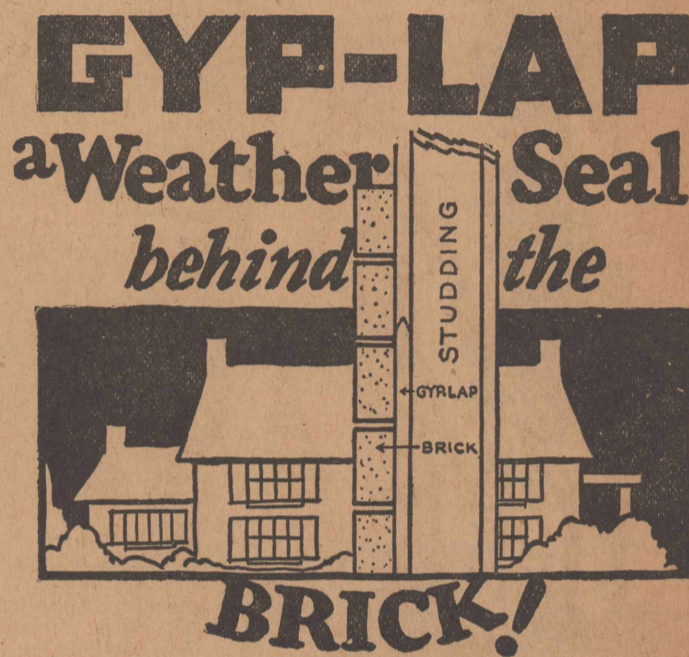

Lands to SELL, FARM or STOCK FARM lease, or to lease for grazing purposes, in most any size tracts wanted in northwest Texas. Make a specialty of the rich prairie lands located in Floyd and other counties of the central plains. Also large list of town lots to select from.

Have GYP-LAP, the fireproof sheathing, put on the framework of your new home, in place of wood sheathing and building paper. Won't cost any more. And GYP-LAP seals your home weather-tight. Tongue-and-groove joints between boards. Made of pure gypsum rock—a splendid insulator. Strengthens the house tremendously. Cuts your heating costs. Makes it cooler in Summer. Permanent—never deteriorates. And remember—it's FIREPROOF. Sure—we sell it—lots of it. Stop and examine a sample.

J. C. WOOLDRIDGE
LUMBER CO.

Run-Down gave out easily

"MY health wasn't any account at all," says Mrs. H. L. Cayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough. Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength. Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better.

"Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the grandest medicine for women that I know anything about."

CHEVROLET

The Most Beautiful Chevrolet in Chevrolet History

Compare it for Appearance Performance Price

Only in cars much higher in price will you find such smartness of line, such beauty of design and such elegance of appointment as in the Most Beautiful Chevrolet!

The performance of the new Chevrolet is literally amazing. Incredible smoothness at every speed... effortless shifting of gears... finger-tip steering... flashing acceleration that is a delight.

Comparison of delivered prices reveals Chevrolet's value supremacy. Delivered prices are f.o.b. prices plus charges for handling, financing, etc. The financing charges of General Motors Acceptance Corporation are the lowest available. Handling charges are in proportion. Thus, Chevrolet delivered prices are even more amazing than the f.o.b. prices.

AVERY TWIN-JACK CULTIVATOR

Easy on both man and team

Avery engineers did a big job in eliminating strain on the operator and lightening the work of the team when they designed the famous Jack Rabbit Cultivator. In the Twin-Jack they have repeated their success, this time in a two-row cultivator that is simple to operate—and easy on both man and team.

The Twin-Jack is sturdy, durable, flexible, easy to handle and comfortable to ride. It has a strong, rigid main frame that will not twist or sag under the hardest conditions. The frame is in perfect balance at all times, with the result that manipulation requires

but minimum effort, the horses are spared sore shoulders, and more ground is covered per day with less fatigue.

Each pair of gangs is controlled by two independent levers, the inside lever raising or lowering the pair simultaneously, when desired. By means of an easy pressure on the stirrups the wheels may be angled to right or to left.

We will be glad to explain the many efficient, time-saving features of the Twin-Jack—or demonstrate at your convenience. There is no obligation.

There is a full line of famous Avery walking, riding and tractor plows, tillage implements and Champion harvesting and haying machines

KIRK & SONS

Yes! Baker, We Enjoyed The Banquet---

And After All We Just Want To Be "GOOD NEIGHBORS"

THE OLD Spirit Of The West" is being revived in Floyd County. Love, Friendliness and neighborliness, the real basis of human happiness, is being brought more and more into the actual life of Floyd County Citizens.

The citizens of Baker, Sand Hill, and other Floyd County Communities, as well as the citizens of Floydada, are to be congratulated upon their forward step to bring the communities nearer together and nearer to Floydada. Good Will Banquets, such as that spread at Baker last Friday night, is helping to bring about this new and better feeling of neighborliness, and the citizens of Floydada extend the hand of friendly fellowship to these communities.

So here they are—not your Merchants, not town Business men, but just your neighbors.

To the people of Baker Community, as to all Floyd County Communities, we offer not only a business Service that we try to make the best possible, but we also offer a service of FRIENDSHIP, without which business would lose much of its effectiveness. Our interests are mutual, and it is always a pleasure for us to welcome you in our place of business, whether you come to buy or to visit with us.

Rutledge & Company
FULL LINE INTERNATIONAL DEALERS

"With Heart and Hand!"

We welcome, not only the Baker Community, but every Community in Floyd County, to Floydada. Our service is yours to call upon us as you will.

It was truly a treat to be with the citizens of the Baker Community in their "Good Will" banquet, and we feel greatly indebted to these people for their hospitality.

LET US BE YOUR FRIENDS!

**The Floyd County
National Bank**

We Believe In Y O U

Confidence in the future growth and prosperity of the Communities of Floyd County is the most sound and conservative investment we can make.

Baker, Sand Hill, all of the communities of Floyd County—because we DO believe in you and have confidence in you, we want you to let us be your true neighbor.

We extend to you The Hand of Good Fellowship!

The First National Bank
Floydada, Texas

"One For All And All For One"

IN EVERYTHING—IT'S TEAM WORK THAT COUNTS

Floydada wants to co-operate with the communities—and the communities want to co-operate with Floydada. In each get-together of these two units more and more will be accomplished for the benefit of each and the benefit of the county as a whole.

We are for you, and for you strong.—Baker, Sand Hill, and other communities. We want your Friendship.

Motor Supply Company
FLOYDADA, TEXAS

Friendship--

CANNOT BE MEASURED IN MONEY

Citizens of Baker, and other Communities of Floyd County,—We value your friendship more than words can express.

And our only way of expressing our appreciation for your friendship, is through serving you—not as merchants to customer, but as neighbor to neighbor.

LET US SERVE YOU IN THE FUTURE!

C. SURGINER & SON
WE WELCOME YOU TO OUR STORE!

Mr. Man--

If you were not at the Baker Banquet, you most certainly missed a treat. I went down there with two tickets and have one left. Didn't need to use the other.

That is the way I want the Baker Community to feel when they trade with me. All you want and something left.

WITH THE CHURCHES

BAPTIST CHURCH SERVICES

W. R. Hill, Pastor
Sunday, May 1st.

The Sunday School, for Bible study, meets at 10:00.

The preaching service begins at 11 o'clock. The sermon subject will be, "The Glory Which Shall be Revealed in Us." Mr. Elmer Wood is our chorister, and we try to make the singing worshipful and in the main congregational.

The Baptist Young Peoples Unions meet promptly at 8:45. Ted Borum is director of B. Y. P. U. activities, and is getting some fine results from the work. He is ably assisted by Mrs. E. F. East-ridge with the Juniors, Mrs. E. Ray Smith with the Intermediates, and Vernon Harmon as President of the Seniors.

No night preaching service on account of the pastor having to leave Sunday afternoon for the Southern Baptist Convention at Louisville, Ky. The meeting lasts eight days beginning Wednesday morning. On Tuesday night will be the Commencement of the Southern Baptist Theological Seminary of which the local pastor is a full-graduate. The pastor will represent the church here in this south-wide convention.

Prayer meetings are at 8 o'clock each Wednesday evening. Laymen will conduct the next two meetings.

On next Sunday, May 8th, the B. Y. P. U.'s will have their Mothers' Day

program at the eleven o'clock hour. There will be no preaching service in the evening on account of the school sermon at the High School auditorium at that time.

Visitors are cordially invited to attend all our services and worship with us. Come and welcome!

CHURCH OF CHRIST

The services at the City Park Church were well attended last Lord's Day. Bro. Clark preached a good sermon at the 11 o'clock hour and all enjoyed the good singing at the evening hour. A special invitation is extended to all to come again next Lord's Day.

Bible study at 10 a. m., regular worship at 11 a. m., young people's meeting at 7 p. m.

Ira L. Sanders, Minister.

FIRST CHRISTIAN CHURCH

F. L. Davis, Minister
The services next Lord's day will be as follows:

Sunday School at 10 a. m. with Superintendent Lon M. Davis in charge. Preaching at 10:50.

The minister will preach the first of a series of sermons on Sunday mornings on the general topics, New Testament Christianity. The first in the series will be on the subject, "Essentials important and unimportant."

The Endeavor will meet at 7 p. m. Miss Hazel Probasco leader. Night

services at 8 o'clock. The sermon will be interesting.

Last Sunday night closed the series on important practical themes, the theme for that hour being, "What is the matter with the preacher?" Those present were impressed with the fact that there was a plenty of the matter with him, and not all the supposed faults were his, but the church had some. The series proved to be interesting and helpful to those who heard them. We believe the series starting next Lord's Day morning will be as interesting.

Troop No. 3 of Boy Scouts will meet at the church next Monday night at 8 p. m. All boys not in one of the other troops invited to join.

Roads and weather permitting, we will fill an appointment at Newland next Sunday at 3 p. m. If you live near there be sure to worship with us at the little church with a big welcome.

CUMBERLAND PRESBYTERIAN CHURCH

A. A. Collins, Pastor
B. F. McIntosh, Superintendent of Sunday School.

Sunday School at 9:45. A friendly class for every one.

Morning worship at 11 a. m. Christian Endeavor at 7 p. m.

Evening worship at 8 p. m. Prayer and study hour Wednesday evening at 8 p. m.

You are always welcome to worship with us.

CHRISTIAN ENDEAVOR

The Cumberland Presbyterian Christian Endeavor will meet at the Church Sunday evening, May 1, at 8:30 o'clock, with Miss Gladys Collins as leader.

The topics is "What Vocations are worth while?"

Song—"Since Jesus Came Into My Heart"

Scripture—1 Cor. 3:6-16.

wered by telling something to make the home life more attractive. Other topics discussed were, "The Walls, Windows and Floors," Mrs. S. H. Horn; "Suitable Designs and color of paper for various rooms," Miss Bass; "Window Draperies," Mrs. W. H. Bethel; "Pictures," Mrs. G. E. Bond; "Arrangement of furnishings," Mrs. A. C. Jackson.

The meeting will be held at the home of Mrs. E. J. Womack, Monday, May 2. The regular lesson will be had in the morning and in the afternoon we will

have a house dress contest in which all members will participate. Miss Wood, Hale County Home Demonstration Agent will judge the dresses. Miss Bass will also be present. Everyone is expected to bring a dish of food to help with the noon lunch. We are expecting a good time. The subject for the morning lesson will be "Meal Planning" Let everyone be present.

HARMONY DEMONSTRATION CLUB

On account of sickness in the com-

munity only a few members will be present at the meeting at the home of Erx Williams, Wednesday, May 1. We were glad to have two also one new member.

A short program on "Furnishing the Home" was discussed. Work was assigned to each member for the month of this fall. Delicious refreshments were served by the hostess.

"Vegetable Cooking" will be the subject for the next meeting with Anna Carr as hostess and Mrs. Pa leader.

CAMPBELL DEMONSTRATION CLUB

The Campbell Home Demonstration Club had a splendid meeting Tuesday afternoon, April 19, at the home of Mrs. Joe Glover. The attendance was the largest had this year, there being nineteen regular members present and six visitors. Miss Bass was also present.

The lesson for the afternoon was "Furnishing the Home" with Miss Nita Glover as leader. Roll call was an-

YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF MAY 1, 1913.

Four students will graduate from the Floydada High School at the schools graduation exercises on May 16, 1913. They are Misses Maxssa Petty, Ethel Tubbs, Kate Butler and Walter Newell. C. H. Veale will deliver the commencement address.

T. H. Tedford and Miss Carrie Russell, of the north portion of the county, were married in Floydada Saturday, May 16, 1913, by Rev. G. I. Britain.

Effective the first of May, 1913, G. S. King has purchased an interest in the firm of Edwards-Hogan Co., tailors and the firm will be known as Haines-King Co. H. S. Haines will have active charge of the business.

Gasoline, Texas—On March 16th, 1913, G. A. Lider, A. D. White, and Jas. Enus left Floydada in a Kaffir-fed automobile for the Quitaque country for the purpose of surveying something like two hundred sections of land, Mr. Lider having been appointed state surveyor to do the work. At the "F" headquarters the party was joined by a Motley County party and work began at Mexican monument running to the mouth of Tom Ball. The party reports many interesting and wild experiences. It will take some sixty or ninety days to complete the job.

Aubrey Bishop, of Amarillo, spent Saturday and Sunday here visiting his father, A. L. Bishop and other relatives.

\$300 IN SPECIAL PRIZES TO TON LITTER CONTESTANTS

Elmer Caudle, manager of Floydada Wheat Growers' Association has called our attention to a very interesting announcement made recently in the Progressive Farmer for the benefit of farmers who are going to enter pigs in the ton-litter contest. According to this announcement Universal Mills is going to give a total of \$300 in cash prizes in addition to any other prize offered as special prizes for swine growers who feed their pigs 50 per cent or more of Superior Pig Feed. \$200 of this will be a first prize.

Mr. Caudle says that Superior Pig Feed is a thoroughly balanced ration made especially for growing pigs and no farmer who uses it properly can fail to get good results with it. He can give interested persons detailed information both as regards to special prizes and the best manner of feeding Superior feeds.

RAIN BY SUNDAY NIGHT

That Floyd County people will experience a good rain by Sunday night is the prediction of C. T. Warren, prominent farmer, who Monday forecast the precipitation for the benefit of a Hesperian reporter.

Mr. Warren had a good "sign" to go by, one that has not failed in his many years of residence here, and did not hesitate to make the prediction, even when the reporter insisted on publishing it.

Misses Erin and Mary Gamble and John Gamble, who are attending school in Canyon, spent last week-end here with their father, I. D. Gamble.

Dan Jenkins and Mark Duncan, who are attending school at Tech, spent Saturday and Sunday with home folks.

Misses Louise Hanna, and Mildred Osburn who are attending W. T. S. T. C. spent last Friday, Saturday and Sunday visiting home folks.

PLANS FOR CO-OPERATIVE GIN HERE BEING WORKED OUT

At the meeting of interested farmers last Friday afternoon at the District Court Room, some seventy-five farmers attended and it was decided to establish a Co-operative Gin in Floydada.

A. E. Miller, state lecturer of the Farm Bureau Federation, outlined two plans for the establishment of the gin, and after some discussion a committee was elected to gather information and get the proposition before the farmers, and to report at another meeting to be held at the District Court Room on Friday, May 6 at 2 p. m. At that time final decision will be made as to which plan will be followed and the kind of gin Arthur J. Beedy, secretary-treasurer of the Floyd County Farm Bureau, issued a statement this week urging everybody interested to be present at the meeting on May 6. The committee elected to investigate and report is composed of J. B. Rutledge, B. B. Gulley, A. W. Dunn, W. B. Wilson, T. J. Gill and Arthur J. Beedy.

BUREAU COUNTY CONVENTION TO BE HELD ON MAY SEVENTH

Official announcement of county conventions of the Texas Farm Bureau Association to be held in each county in the state on Saturday, May 7, has been made by state officials of the Bureau through the Farm Bureau News, organ of the association.

According to this announcement county conventions will select delegates on May 7 to attend the district conventions on May 14. The place for the district convention in this district is designated as Plainview.

In the same issue of the association newspaper it is stated that a meeting of members of the Farm Bureau Cotton Association of this county will be held in Floydada at the court house at a date to be set when distribution checks on the year's cotton business will be handed out to the membership personally by M. S. Hudson, director for this district. Similar meetings of the cotton association will be held in fifty-one other counties in the state.

LILLIES FROM JENNINGS, LA.

Dr. and Mrs. I. W. Hicks were recipients of a box of lovely lillies sent to them for Easter by Mr. and Mrs. E. S. Shoaf from Jennings, La. Mr. Shoaf is secretary of the Chamber of Commerce of that place and was formerly secretary of the Chamber of Commerce at Lockney.

MRS. HATTIE PRICE BAKER TO GRADUATE FROM PEABODY

Nashville, Tenn., April 25.—Mrs. Hattie Baker Price of Floydada will graduate the coming summer according to the catalogue of Peabody College with is just off the press. Mr. and Mrs. H. M. Cook of Canyon are members of the graduate school, seeking masters or doctor's degrees. Misses Frances Spencer of Big Spring and Elva F. Fronabarger of Canyon are seniors.

NORFLEET'S LATEST EXPLOIT POSTPONED SAND HILL DATE

J. Frank Norfleet, noted man hunter, who was to have lectured Friday night of last week at Sand Hill, was unable to fill his engagement there, when he was called away on what is believed to have been a hot trail of the man or men who murdered Fred Conner, Tulsa business man on the highway near Plainview two years ago and mysteriously disappeared.

A telegram from Mr. Norfleet to Principal J. L. Speer, of the Sand Hill school from Oklahoma City, advising he would be unable to fill the engagement, was received too late to advise the crowds who filled the auditorium to hear Norfleet tell the story of "The Denver Raid."

At Mr. Norfleet's suggestion a new date—April 29—tomorrow night—was set for the lecture. The wire directed from Oklahoma City said, "Here-with prisoners. Impossible to fill engagement. Make date April 29."

First reports seen in newspapers were from Fort Smith, Ark., and said that Norfleet had arrested the man who killed Conner and robbed him, throwing his body out of the car near the highway north of Plainview. A news story in an Amarillo newspaper said the boy was probably the son of a widow in that city, named Blake. No recent developments in the case have been given to the public.

Locals and Personals

H. L. Craig, of Plainview, spent the week-end with friends in Floydada. Bud Mariott, of Wichita Falls, spent several days last week here looking after property interests. He returned home Saturday.

Mr. and Mrs. F. G. Tye, and children of White Deer, spent the week-end visiting her parents, Judge and Mrs. J. W. Howard and her brother, Lee Howard and family and Mr. Tye's sister, Mrs. Sam McCleskey, and family.

Mr. and Mrs. W. L. Fry visited in Plainview Sunday.

J. P. Officer, who has been visiting in San Bernardino, Cal., since mid-winter with his son, Dave Officer, returned home last week.

Makes Good Every Promise

There are many good reasons why you should seriously consider the Ford as the proper motor car to purchase for yourself and family, regardless of what price your pocketbook can afford. Here are seven of these reasons. Read them:

HIGH GASOLINE MILEAGE

The late improved Ford models have made mileage records since the first of the year that were nothing short of startling. From every section of the southwest came reports of mileage made in approved tests from thirty to sixty miles and right here in Floyd County a Ford Coupe with strictly regular equipment made 53.2 miles on a gallon of gasoline. Fords in every day use, with the Ford Hot Plate Vaporizer, exclusive Ford feature, are making thirty and forty miles on a gallon of gasoline day in and day out. This means an economy in operation you should not overlook.

SOLVES PARKING PROBLEMS

Because it can be easily handled, and is not so bulky the owner of a Ford often is able to park on a crowded street where the owner of a large car is forced to lose time and patience, and take many steps in order to park in down-town spaces. This reason for buying a Ford is being forced on the automobile buying public by the increasingly difficult matter of parking.

CHOICE OF BEAUTIFUL COLORS

In the purchase of the Ford you have choice of five delightful "high" colors that give your car individuality and that "keen" appearance demanded of cars since the introduction of the Pyroxilin paint. Every Ford is painted with the lasting new paint that is not affected even by weather, water or acids.

GENUINE PARTS ARE LOWER

Economy is the watchword in every Ford department. The effort to serve the public well and economically has succeeded signally. In no other way does this become more apparent than when it becomes necessary to purchase replacements. Genuine Ford replacement parts are so remarkably low as to be a source of wonder to many of our customers. An entire Ford car purchased piece at a time would still show a remarkably low purchase price.

SERVICE STATIONS EVERYWHERE

And then the convenience of the Ford Authorized Sales and Service. You can't drive far enough, on the further-most vacation trip you can plan, to be far-distant from a Ford Sales and Service Station, where you will find readily available dependable service, reasonable Ford prices and careful attention to your needs at the hands of men trained in the Ford way of doing things.

LOW FIRST COST IMPORTANT

And after all is said, Low First Cost is a Real Matter of Concern. The lower the cost of the motor vehicle you drive the less the depreciation charge which you inevitably must pay. Here are the remarkable delivered-at-your-door prices at which YOU can buy a Ford today—any day:

Chassis,	\$378.28
Roadster,	446.88
Roadster, (pick up body)	473.75
Roadster (less deck)	442.70
Touring Car,	467.36
Coupe,	580.93
Tudor Sedan,	591.30
Fordor Sedan,	642.50
Truck Chassis, without starter,	401.30
Fordson Tractor, with fenders,	598.00

Note: Balloon tires are optional on all models Fords, and wire wheels in colors to match are on all closed models.

BARKER BROS.

Authorized Sales and Service

The Value Of COURTESY

The biggest word in the language of business is courtesy. No man in the business of selling will ever accomplish notable results without it. In the successful use of the telephone, whether for business or personal matters, courtesy is of paramount importance.

Courtesy is simply the application of common sense to the problems of business.

The voice with the smile is only one of the cardinal virtues of the successful telephone user.

SOUTHWESTERN BELL TELEPHONE COMPANY

Everything you expect from your MOTOR FUEL

MOTORISTS who drive the year 'round with Conoco Gasoline know they are getting their money's worth. They know it because Conoco never fails in any of the three important tests upon which Gasoline should be judged.

Conoco starts without overtaxing the battery; it delivers a snappy pick-up for traffic driving; it releases full power to the pistons with the resulting extra mileage.

Is it any wonder that car owners who know invariably fill their tanks at the Conoco sign.

CONTINENTAL OIL COMPANY

Producers, Refiners and Marketers of high-grade petroleum products in Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington and Wyoming

Rapid Progress Being Made In Shipley Trial

(Continued from page 1)

are camped in the tourist camp grounds and others are staying in Clovis, making the trip back and forth the ten miles on the highway.

The long list of witnesses includes four members of the spring term, 1926, grand jury, County Clerk Tom W. Deen, District Clerk T. P. Guimarin, Sheriff P. G. Stegall and other peace officers and former peace officers of the county. Both the clerks had duces tecum subpoenas which required that all criminal records of their respective offices back to the year 1892 be produced in court at Farwell. Practically all members both the Snodgrass and Shipley families are attending the trial, most of them as witnesses.

State Rangers Present

That the situation is more or less tense, is indicated by the fact that two state rangers are present at the trial and all witnesses and spectators are being searched before being allowed to enter the court house.

The testimony is taking the same general course as in the preliminary hearing held in Floydada last spring. Mac Shipley, the elder brother of the two, is charged with the actual shooting. The slain man was struck by several bullets and died instantly with many wounds in his head and body. A large crowd was on the street corner at the time, and several eye-witnesses were examined by the state.

Mathews & Folley, attorneys of this city, and E. A. Simpson, of Amarillo, are special prosecutors for the state. They are being assisted by District Attorney D. N. Richards, of the Dalhart District. Defense attorneys are Kenneth Bain, of this city, A. B. Martin of Plainview, and County Judge Lokey, of Farmer County.

Following the preliminary hearing held here last spring the defendants were granted bail in the sum of \$10,000 each. When Judge Tatum was sitting as special judge here in February the case was transferred by agreement to Farwell for trial. The home of the defendants is now at Clovis.

175 Attend Good Will Banquet At Baker Fri.

(Continued from page 1)

light in being with the Baker citizens.

Old Timers Speak
County Clerk Tom W. Deen, teacher of the first term of school at Baker school in 1901, made a short talk expressing his delight in the progress being made by this community. County Judge Wm. McGehee, a resident of Baker community thirty-seven years ago, also gave a very interesting talk telling of old times and the many advantages now prevalent in the community.

Readings by Jewell Mara and Miss Linnie Palvadore, students of Baker school, and two songs by the Baker Glee Club added greatly to the program. Elmer Wood sang for the audience and received hearty applause. Prof. A. L. Lundgren, director of the Floydada Band, rendered a beautiful cornet solo, one of his own composition. He was accompanied at the piano by Mrs. John Smith.

Various visitors from Floydada and Baker were called upon for short speeches. Among those who talked were T. S. Stevenson, Frank Moore, Stanley Cameron, C. W. Boothe, Ed Bishop, Lon M. Davis, O. P. Rutledge, J. G. Wood and Roy Baker.

The following delicious menu was served at the banquet:
Baked Chicken, Dressing, Creamed Potatoes, Buttered Peas, Stuffed Eggs, Pickles, Fruit Salad, Coconut Pie, Rolls Coffee.

McCOY 4H CLUB

The McCoy 4H girls club met last Thursday, April 21. All members were present but one. Those who had all their club sewing, including the home improvement articles, finished and had done something toward their home project, received a star.

Roll call was answered by each girl stating the number of little chickens she had and also the number of times she had made biscuits and salad.

Miss Bass was with us and took both first and second year girls pictures. She made an interesting talk to us about our encampment and dress contest. We are very interested in this and plan to take in the stunt pulling, entrants in the orchestra or other means of entertaining that might be appropriate.

Our next meeting will be held Thursday week. We are going to make light bread and cook vegetables. Everybody is urged to be present at this meeting.

Roy Holmes, from Tech at Lubbock, spent the week-end with his parents, Mr. and Mrs. E. W. Holmes.

Floyd County Students Win Places In District

(Continued from page 1)

over the team representing Dawson County by a unanimous decision. They lost their second debate to the team representing Muleshoe, winners in the district. The Floyd County boys team, composed of Clifton Kester and Edwin Boedeker of Lockney, lost their first match to Slaton.

Clifton Rhoades, of Sand Hill, won first place at the meet in Senior Boys rural school declamation. This entitled him a trip to the state meet in Austin.

In the junior high school boys declamation, Kinder Farris of Floydada won fourth place. The Floyd County contestants in the following events failed to qualify for the final try-outs: Junior high school girls declamation, Junior rural school boys declamation, Essay writing Class B schools and senior high school girls declamation.

The typing team of Floydada high school, who won by forfeit in the county meet, won third place at the district meet. The team is composed of Mildred Daniels and Oleta Jackson.

Many Athletes Win
Floyd County's representatives in girls tennis, doubles, won first place, defeating every team with whom they met. The team, composed of Misses Dutton and Nichols of Prairie Chapel, won easily in the county meet. They will represent this district at the state meeting in Austin.

Miss Kate Stiles, of F. H. S. representing this county in the girls tennis, singles, lost her first set to a Slaton girl who won first place in the meet. The boys doubles team, composed of Jim Carter and J. R. Borum of Floydada, defeated the Tahoka team but lost their second set to the Post team. Fowler, of Lockney, representatives in boys singles, lost his first set to Plainview.

In athletic events, Floyd County has always had good representation. The largest number of points scored by this county in the meet, were in athletic events, Floydada, Lubbock and Plainview running neck-and-neck in points until the last race. In these events, Lubbock won fourth places, Plainview four and Floydada three. Lubbock was awarded three second places, Plainview two and Floydada three.

Relay Thrilling Race
The mile relay race was by far the most thrilling of the day the spectators reported. Floydada High School's crack relay team, predicted to win the race easily, through a mishap came in a close second to the Lubbock team. In winning the relay race, the Lubbock Westerners smashed the former record of this district which was held by the Floydada team, of 3 minutes and 50 seconds and ran the mile in 3 minutes and 34.9 seconds. The Floydada team, for the past two years, have been representatives of District Two in the State meeting at Austin. They will qualify to enter the meet this year also, second place entitling them a trip to the Capitol city. The team this year is composed of Weldon Moore, Jim Stiles, John Edwards and Buford Terry.

Harold Porterfield, of Floydada High School, won first in the javelin throw, tossing the stick 155 feet 7 inches, nearing the district record for the throw. U. S. Marshall, also of F. H. S. won fourth place in this event. In the 100 yard dash, Teaff of Lockney, won third place. Roy Swain, of Floydada, won second in the mile run and Edwards won third in the 220 yard dash. Terry, fast dash man for Floydada Hi, won third in the 440 yard dash. Teaff, of Lockney, was awarded third place in the shot put and Edwards first. Edwards put the shot 43 feet 2 3/4 in. He threw the discus 109 feet for first place. Moore, of F. H. S. won second.

Floyd County contestants entered in the following events failed to qualify for the final try-outs: 120 high hurdles 220 low hurdles, 880 yard dash, pole vault, running high jump, and tunning broad jump.

Beautiful gold medals were awarded to the winners of first place in each event and silver medals to the winners of second place. A large 14 karat medal was presented to John Edwards for high point man.

The Floyd County contestants in the meet were accompanied to Lubbock by a large delegation of students and faculty members from the schools. Several others interested in the meet also attended.

Grocery and dry goods firms found some difficulty in preparing windows for Texas Industrial Week, because of the fact that so few articles sold by these firms are made in the State. Only work clothing, sheeting, shirts, socks and handkerchiefs are made in Texas.

Other firms entering the contest, many just to impress the people with the fact that Texas produces so much raw material and manufactures so little into the finished product, are Brown Bros., Admiration coffee; Star Cash Grocery Co., variety of Texas products including flour, sugar and coffee; Wood Bros., work clothing; Baker-Campbell Co., Post-Tex sheeting and hats; Harmon Furniture Co., Hubbs furniture made in Ft. Worth; Woody Drug Co., King's Mother Day chocolates; Stan-sell-Collins, Floydada flour; Texas sugar, East Texas honey and blackberries; Powers Dry Goods, work clothing; and Glad's Gents Furnishing displayed Texas made shirts, socks, riding trousers and handkerchiefs.

T. S. Rucker, of Lubbock is spending the week with his daughters, Mrs. Jno. N. Farris and Mrs. J. B. Jenkins.

Quarterly Federation Meeting Here Saturday

The quarterly meeting of the Floyd County Federation of Women's Clubs will be held at Floydada, Saturday, April 30, at the High School auditorium. It will be an all day meeting and the program will start at 10:00 o'clock. All of the HomeDemonstration Clubs that are not members of the Federation and also those who are members are invited to attend the meeting.

The following program will be carried out:

Welcome address—Mrs. R. E. Fry.
Response—Mrs. W. H. Bethel.
Song—Floydada High School Sextet.
"Furnishing the Home"—Miss Opal Wood—County Home Demonstration Agent, Hale County.
"The Mumps"—Ruby Lee Baker—Lockney.
Color in the Home—Mrs. J. M. Willson.
Pictures in the Home—Mrs. Ed Bond, Mrs. Charlie Wilson.
Song—Floydada Male Quartet.
Lunch.

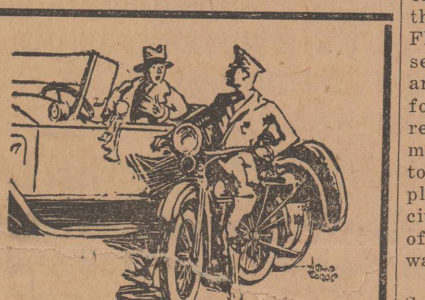

Piano Solo—June Guthrie—Lockney.
Poetry in the Bible—Mrs. Smith.
"Who's Afraid"—Martha, Meriw. Lockney.
"Health and Diet"—Mrs. G. M. T. Aiken.
"The Protective Diet"—Sue Blanto Irick.
Business Session.
Adjournment.

Renew Your Health by Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs,—once or twice a week for several weeks—and see how Nature rewards you with health. Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 35 cts. At any drug store. (Adv.)
