### Whirlwinds Clash With Post Tomorrow

#### Game On Local Gridiron Called At 3:30, Sharp

Boosters With Invading Eleven Will Run Special Train For Classic.

With the eyes of all Floydada sport followers upon them, Captain "Dixie" White's youthful gridiron warriors again will strive to prove their mettle when they meet in a semi-final championship clash with the Post squad tomorrow afternoon. The Whirlwinds are very optimistic over their opportunities for a win in the battle and the right to enter the championship game. This game will be the fourth this season to take place on the local gridiron. The starting whistle will be blown promptly at 3:30 o'clock, Coach Ike Jay announces.

"We're coming, 200 strong, to win that football game Friday" is the word received from Post fans. A special train of five coaches will be run from Post to Floydada for the occasion, according to a message received by Santa Fe Agent F. J. Barkhurst. The train will leave Post at 11:30 a. m. arriving at Floydada 2:30 p. m. and leaving Floydada at 6:45, arriving at Post 9:45 p. m., according to the Santa Fe schedule.

Coach Ike Jay received word earlier in the week that business houses in that city were closing all day and that large numbers of boosters would accompany the visitors. The Post eleven will arrive this Thursday evening to rest over tomorrow morning for the game. "We're going to win" is their battle cry.

Four teams remain undefeated in District Two; Floydada, Post, Slaton and Lamesa. Tomorrow Slaton battles Lamesa and Floydada meets Post. The Winner of these two games will fight for district honors. Just who the battle will be between and the outcome of Friday's game are matters to be determined tomorrow.

With exactly the proper attitude, the

#### Pierle Lectures Today And Tonight On Health

P. T. A. Organizations Of City Schools Sponsor Appearance of Authority; No Admission Fee.

Proper diet and probable cause and cure for brown stain on the teeth will be discussed this Thursday afternoon and evening at the high school auditorium by Dr. C. A. Pierle, head of the chemistry department of West Texas State Teachers College at Canyon. The lecture which will be devoted largely to general feeding lines for health will be given at 3:30 o'clock. The evening lecture, which will be illustrated by lantern slides, will be given at 7:30, and will bring out some interesting points regarding brown stain on teeth, which is so prevalent in this section.

P. T. A. organizations of the city schools are sponsoring the lectures in connection with the local observance program for National Health Week, November 7-13. No admission will be charged on either of the two special occasions at the high school. "All persons interested are not only invited but urged to be present," W. E. Patty, superintendent of city schools, said.

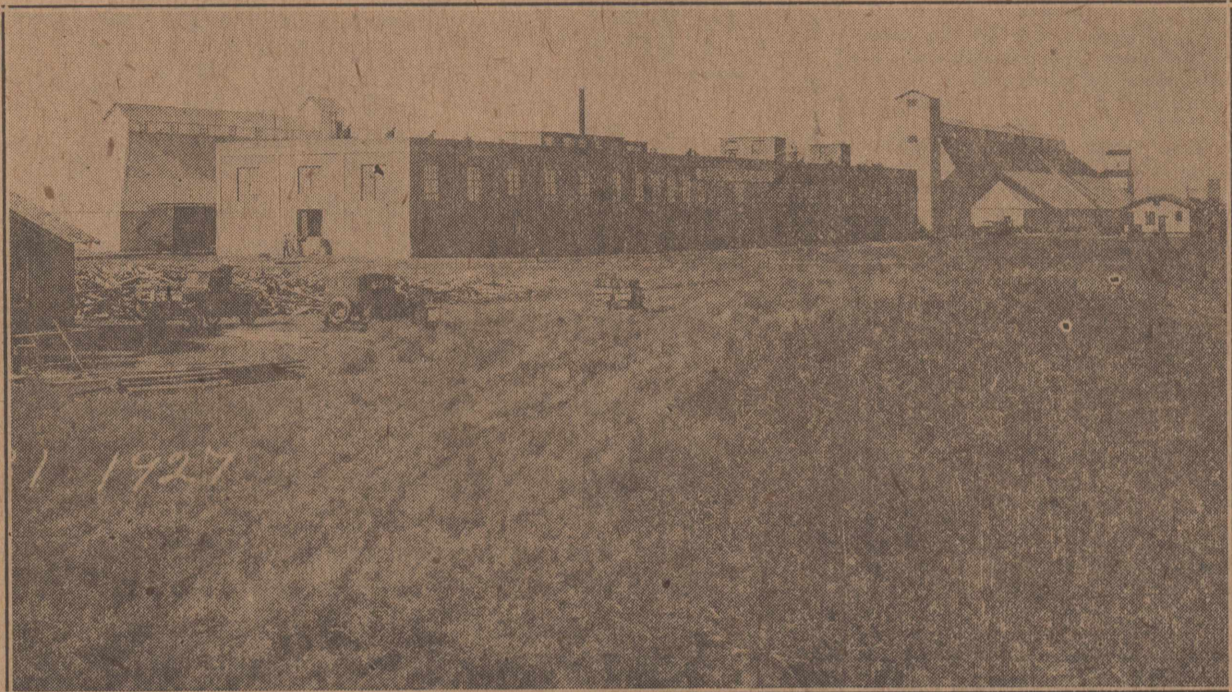

Dr. Pierle is an authority on the subject of brown stain on the teeth, as he has been devoting attention to the matter for several years. His investigations have disclosed the fact that there are only two or three areas in which children develop brown stain on their permanent teeth.

Floyd County is a part of the largest of these areas, which extends from Snyder on the south to some twenty miles north of Amarillo and from the Caprock on the east to a point in New Mexico on the west.

#### Laundry Contract Given To Local Building Firm

Messick Bros., proprietors of Floydada Steam Laundry this morning awarded the contract for the new brick and tile building on North Main Street, which is to house their plant, to Stephenson & Thurmon, local building contractors. Location for the building was bought some weeks ago and announcement made that the plant would be housed in it. It is to be located in Block 50, and will face west on the former site of the Lowry Blacksmith. It will have 25 feet frontage and be 80 feet in depth.

#### Dirt Breaking To Completion Of County's Biggest Industrial Plant

Here is Floyd County's latest industrial addition—the new plant of the Lockney Cotton Oil Company. The giant concern is located immediately southwest of Lockney and said to represent an expenditure of between \$375,000 and \$400,000.

An idea of the size may be gained when it is taken into consideration that the photographer was over one hundred yards from the mill when the picture

presented here was taken. Without doubt, it is said, the mill is the most modern in the entire southwest. It is fire-proof and equipped with the very latest machinery.

Electrical power furnished by Texas Utilities is used to operate the machines any conveyors. The motors were tried out this week and while several carloads of seed have been unloaded no definite announcement of date for op-

erations to begin this season has been given the press.

Below is the scene of the dirt breaking on April 26 1927. Seated on the plow is H. M. Mason, general manager of the new concern; at his left, holding the lines is Artie Baker, prominent business man of Lockney and holding to the plow handles is A. B. Brown, president of the First National Bank of Lockney. Interested Floyd County citizens are seen in the background.

#### 'Beat Post' Is By-Word In Pep Meeting Of Men

With "pep, pep, pep, you've got to get pep" as the by-word a "pep" meeting of some twenty Floydada business men was held this morning at 9 o'clock at the High School building for the purpose of pepping up the Whirlwind football squad. At this meeting the fact was revealed that the Floydada High School team is just as anxious to win tomorrow's grid classic with Post as the visiting team, is and the Green and White boys will go into the game with the intention of holding their record of a goal line uncrossed by a Class B team.

Under the leadership of former Superintendent J. C. Wester, the business men gave a number of yells for the team and for pep. With the able assistance of the high school pep leader Miss Ollie Belle Collins, the entire student body responded with yells that "took the roof off."

Following short "stump" speeches by several business men, the group left amid laughter and loud yells of "beat Post."

#### DIRT BROKEN MONDAY MORNING FOR NEW MOTOR SUPPLY HOME

Dirt was broken Monday morning for the construction of the \$19,000 Motor Supply Company building on the corner of Main and Mississippi streets, and material is being laid on the ground for actual building to begin at once. The new building will be 75x150 feet in size and will house the Motor Supply Chevrolet agency and a 25x35 drive-in station. Contract for the construction of the building was let last week to Stephenson & Thurmon, local contractors.

The new building, when completed, will be one of the largest and best garages in the Plains section. Concrete foundation work for the building will be laid this week-end and brick laying will begin in the near future. Roy L. Snodgrass, manager of the plant announced.

#### Lee Highway Director Tells Story Of Road Development

Dr. S. M. Johnson, in the principal address made at the County Judges' and Commissioners' meeting in Floydada Tuesday afternoon, in a forty-minute address gave an accounting of his stewardship as the director of Lee Highway Association, national good roads organization, declaring that his aspirations at the age of 67 now center around the successful culmination of the task of constructing the trans-continental highway.

#### Lee Highway Builder

"At this time I am more than ever convinced that what I shall make of the work of the remaining days of my life that of helping the thirty-one hundred counties in my country, with the goal of a good road in front of every farmer's home in the United States," the eminent road authority declared. "I, more than any other man, am responsible for Lee Highway Association and its activities. If there is any blame due to anyone for the activities of this organization, the man upon to lay the blame stands before you.

"For seventy-five years the railways of the country were the main factors of development. Where the railways were built the population and development and wealth went. The United States was poured in the mold of the railways. Now the automobile has come as a facility to progress and for the next seventy-five years development and wealth and population will follow the lead of the highways, because transportation carries with it population and brings development."

The story of the early struggles of the highway association were recounted, of the first years of failure, and of finally obtaining the ear and the aid of the U. S. Good Roads Bureau, the State Highway Association, the Automobile Association of America, how the highway was routed and re-routed in an effort to get it best located, of the final selection of the route through Texas by way of Vernon and west. And Jed Morrow of Vernon and Dick Coffee of the same city, together with Judge C. L.

#### Russell First Sheriff Here

Sheriff S. J. Russell of Robert Lee, Coke County, has the honor of being the first to arrive and the first to register here for the two-day meet of the West Texas Sheriff's Association. He arrived at 3 o'clock Wednesday afternoon.

At 10:30 this morning eighteen out-of-town visitors had registered with Mrs. Jack Henry and Mrs. Roy Snodgrass, in charge of registration this morning. Others were constantly arriving but it was anticipated that all of the delegates would not be here until Friday.

V. E. Davis of Sterling City, secretary of the association, was the first of the executives of the organization to register.

#### Dr. P. W. Horn Speaks At Harmony Wed. Night

Head of Texas Technological College To Attend Banquet Assembly as Principal Speaker.

Dr. Paul W. Horn, President of Texas Technological College at Lubbock, will be the principal speaker at the Harmony School Banquet Wednesday night of next week, when the completion of the district's new \$10,000 plant will be celebrated with a banquet of people of that and neighboring communities.

The date, originally announced for Friday night, November 18, was advanced two nights to Wednesday, November 16, so that Dr. Horn, who was asked to make the address, could be present.

Two hundred or more people are expected to be present at the big spread, and members of the school board have the united backing of the people of the community in an effort to make it a most delightful and entertaining as well as an instructive occasion for all.

#### Will Sound Alarm At 11 O'Clock Armistice Day

Many Attractions For Crowds Here Tomorrow When Stores Close For Day.

At 11 o'clock, sharp, tomorrow morning, the first of two "memorial" alarms will be sounded, and the second sounded at 11:01, it was announced this week by Mayor W. D. Smith. During the period of one minute between the two alarms, every American citizen is asked to breathe a silent prayer for the soldiers who died "over there." This short ceremony is in memory of the hour and day that the armistice was signed and world peace was again established, Mayor Smith explained.

Although no official program has been outlined for the day, indications point to a day of plenty of activities throughout the county. The attention of the people will be divided between entertaining the West Texas sheriffs who are in quarterly session here today and tomorrow, attending the semi-final championship football game between Post and Floydada High Schools and attending various get-togethers and entertainments. Programs are being held at a number of rural schools in the county.

Practically every business firm and store in Floydada will be closed all day. Stores will open their doors again Saturday morning, it was announced.

#### Armistice Day Program At Irick Friday Night

What is expected to prove a most enjoyable Armistice Day program is being arranged at Irick for tomorrow night (November 11) when, it is announced, two special speakers from the West Texas State Teachers' College at Canyon will be present and have a part in a program that will be interesting and instructive.

The speakers from Canyon will be J. L. Dufflot and C. W. Batchelder, the latter of the Public Speaking Department, and musical numbers will also be included in the evening's program.

R. V. Bond, principal of Irick School, who was in Floydada for a few minutes Tuesday evening, said the program is planned to begin at 7:30. It will be in keeping with the day which it commemorates.

A supper will be served cafeteria style by the Irick Home Demonstration Club.

#### PREACHING AT ROSWELL

Elder J. J. Day left Saturday for Roswell, where he is spending this week in a meeting for the Church of Christ.

#### Varied Program Ready For Two-Day Sessions

Ball Given Tonight At Martin Building Honoring Visiting Peace Officers.

Into the wide open Gateway to the Plains were marching this Thursday morning the advance guard of the Legion of Peace—first representative arrivals of the West Texas Sheriffs Association gathering for their quarterly session here Thursday and Friday. Sheriff P. G. Stegall and his deputies, hosts for the occasion, with their committees have completed all plans for entertainment. Peace officers are promised that every moment on their program cards will be filled with activity during their stay here.

#### Register At 9 O'Clock

Registration proper began this Thursday morning at 9 o'clock in the sheriff's office at the court house. It is expected that today's visiting delegates will be here by 4 o'clock this afternoon. Mrs. Roy Snodgrass and Mrs. Jack Henry of the registration committee were busy most of the morning when most of the visitors signed and still others are expected to arrive this afternoon to bring the total near the 100 mark. Badges were distributed and introductions made.

Miss Virginia Lewis, Mrs. Leon Collins and Mrs. Aubrey Bishop will have charge of the registration this afternoon, it was stated.

The business session opened this morning in the County Court room. A message from Sheriff Earl McWilliams of Ballinger stated that on account of Armistice Day celebration arrangements in his city, he would be unable to attend. The initial session will close about 3:30 this afternoon.

With invitations extended to various social meetings, a football game and a big ball staged in their honor the Association members will find all of their time taken in activities during their visit in Floydada.

Sheriff Stegall stated this morning that wonderful co-operation on the part of the citizens had been manifested and that he wished to join the entire city in welcoming the visitors with the words, "The town's wide open to you, our friends; make yourselves at home."

Visit Country Club  
Country Club members will meet the delegates as they come from their business meeting this afternoon and will

#### Poultry Show Dates Set For December 15-16-17

Organization Sets Dates And Calls For General Meeting To Perfect Plans On November 22.

December 15, 16 and 17 are the dates set for the Floyd County Poultry Show which will be held this year in Floydada under the supervision of the Floyd County Poultry Association. At a meeting held in the office of the Floydada Chamber of Commerce several members of the association agreed on the above dates and preparations for the show were started.

According to A. B. Muncy, president of the organization, another meeting will be held in the County Court room on Tuesday night November 22 and it is hoped that every interested poultry raiser in the county will be present. At this meeting plans for the show will be completed. It is believed that the catalogue, containing a complete list of the premiums, will be off the press and ready for distribution not later than December 1.

A feature of the coming show that is creating added interest is the grand prize to be given to some poultry raiser in Floyd County. This is a model poultry house built by members of the vocational agricultural class of the Floydada High School. O. T. Williams instructor in this department, is a specialist in the poultry line and will assist in making the show a success. The material for the house was furnished by the Higginbotham-Bartlett Lumber Company of Floydada.

#### WEST TEXAS GAS COMPANY HAS NEW TEMPORARY OFFICE ROOM

West Texas Gas Company has established their office in the building next door to Zeek's Cafe on West California Street. The move to the new quarters was made last week. Mrs. Bill Daily is the secretary in charge.

The company has been sponsoring a cooking demonstration this week with Mrs. Mina K. Graves of Amarillo in charge. She has been pointing out to those attending the features of gas in cooking, giving valuable hints and recipes.

### WEST TEXAS SHERIFFS

There are no more picturesque figures in history than the typical West Texas sheriffs. Broad shouldered men of weather-beaten features, piercing eyes and strong nerves—they have made their place in the scheme of things an important one—a position of honor and respect in the sight of their fellow men.

West Texas sheriffs have a reputation for law enforcement that has become synonymous with their names just as those of the famous Texas Rangers and the Northwest Mounted Police of Canada. From the turbulent early days of settlement of the Lone Star State to the present period of comparative peace and security, the citizenship has had the co-operation, the support and protection of a fearless group of men who have always stood ready that the laws of the people, by the people and for the people should not perish from the earth.

Floydada has the honor and distinction of being host this Thursday and Friday to the Association of these West Texas Sheriffs. This city considers it a privilege to entertain this organization of men whom the people have chosen to uphold the enactments of the legislative bodies of this state.

New York could offer no larger welcome than is yours from Floydada, sheriffs. It's just as sincere and whole-hearted as your local members and the civic clubs of this little West Texas town know how to extend.

Welcome to Floydada, members of the Sheriff's Association! May this only be the first of many of your conventions here.

### FORGET YE NOT

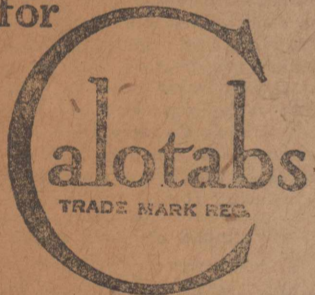

Still vivid in the minds of men are those scenes of nine and ten years ago when the democratic governments were threatened by a most formidable foe. On the eleventh day of this month, nine years ago, the word was flashed back across the waters that the World War was over.

Quickly has the world regained her equilibrium and humanity has made rapid strides of advancement in this new era of peace and prosperity that dawned over the battlefields of France in 1918.

It is not necessary to recall the fact to the mothers and dads who have a crimson flag with a gold star that November 11 should be a day dedicated in honor of the boys who went over and never will come back.

You can do your share to show that the legion of the living have not forgotten!

### IT'S EDUCATION WEEK

This is education week, so designated by the American Legion and the National Education Association. Perhaps it is not recognized as such by the masses of people but it is the most important of the occasional seasons or holidays of the year.

The home is the most fundamental institution among all civilized peoples, and the American home and the American school work together to develop a finer and a richer human life.

The occasion is planned to stress the fact that health is the foundation of individual happiness and community well being. The primary purpose, of course, is to acquaint the public with the actual work of the schools, with their ideals, their achievements, and their needs. An effort is made to emphasize seven cardinal objectives of education, which are: (1) sound health; (2) worthy home membership; (3) mastery of tools, technique and spirit of learning; (4) faithful citizenship; (5) vocational effectiveness; (6) wise use of leisure; (7) ethical character.

Cornelia S. Adair, president of the National Education Association, has struck the key-note of the week in a challenge of a great idea with these words:

"We celebrate Christmas because it gave us a great religion. We observe the Fourth of July because it gave us a free nation. We magnify the schools during one week each year because through them we develop the finer values of our civilization. American Education Week is a permanent institution. The effort to make the observance of such a week world-wide should be encouraged. Religion, politics and commerce may divide, but love of childhood expressed in education is a mighty force for unity. What greater contribution could America make to the world than the ideal—a fair start in life for every boy and girl? In the name of this Ideal let every teacher make careful plans for American Education Week and aid in its full and fitting observance."

### HEAR THESE LECTURES

Every person in Floyd County should avail themselves of the opportunity to hear Dr. C. A. Pierle of W. T. S. T. C. in his addresses Thursday afternoon and evening in the high school auditorium here. The main topic of discussion will be diet and it has been announced that the connection will be shown between diet and brown stain on the teeth, so prevalent in this section of the state.

It will be interesting to hear discussed a subject that is of more than passing importance to parents. Dr. Pierle has devoted a great deal of his time to the study of this subject and his information should prove valuable and authoritative, indeed.

Be sure and hear Dr. Pierle.

### CITIZENS VOTE WISELY

Floydada citizens were emphatic in indicating their favor of the proposal to close Mississippi Street at its intersection with the new Q. A. & P. right of way for the site of a \$85,000 railway station. The vote was five and one-half to one granting the city council power to close the thoroughfare.

Throughout their negotiations with the Frisco lines, the people of this city and the county, as a whole, have given whole-hearted co-operation to every plan that pointed toward improvement of this section.

All contracts and connections between the railway officials and local committees have been amicable and likely can be construed to mean a profitable and pleasant future for all concerned.

PLAINVIEW FORD AGENCY  
SOLD BY L. P. BARKER

L. P. Barker Company of Plainview, one of the oldest Ford agencies in the south plains area, was sold by L. P. Barker last week to Will H. Locke, of Garland, Texas, according to reports received out of Plainview, and the latter has assumed charge of the business.

Mr. Barker, it is said, will spend the winter in Los Angeles with his family, returning to Plainview next spring to enter the automobile finance business.

F. M. Butler, of Amarillo, visited for a short time in Floydada last Friday.

### 'Round The Square

Hot dog! Floydada is soon to have a \$85,000 depot. Last week the progressive citizens 'round the square voted to close Mississippi street to make way for the new Q. A. & P. depot. Congratulations, Floydada, you have proven your progressiveness again.

These school teachers have an awful time. One of the teachers at the local schools received the following note from a fond mother: "Pardon me for mentioning it, but you have pulled Henry's right ear until it is getting longer than the other. Please pull his left ear for a while and oblige his mother."

If Coach Ike Jay's Whirlwinds again win district honors, it will mean a great deal of advertising for Floydada and a great deal of advertising for F. H. S. And under the able leadership of 'Dixie' White, it looks as though the Green and White boys will be victors. They have scored 187 points against their opponents 12, and their goal line has never been crossed by a Class B team.

Football dopsters had all of their "dope" upset last Saturday when A. & M. College ran away with a 36 to 12 victory over S. M. U. Indications now are that A. & M. will be conference champions.

Three holidays in line for the remainder of the year. Armistice Day, Thanksgiving Day, and Christmas. "It won't be long now."

Several months ago a certain Floydada boy made the statement: "Heck, I am not going to be in any old band. It won't amount to anything. There never was one that amounted to anything." Recently the same boy was heard to say "Gee, I wish that I was in the Floydada Band. They sure are good, and they are always going somewhere and doing something."

One man 'round the square who is always buying on credit was heard to say "Well, guess I had better go down and pay for another octave of the piano"

Funny, isn't it, how folks won't take advice? This column has made the suggestion time and time again that Floyd County pave its part of the street 'round the square. But so far, we can't even get anyone to talk about it.

### 14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF DEC. 4, 1913.

Friday about noon Sheriff Goen apprehended two jail breakers southwest of Floydada, a mile west of Jno. W. Howard's residence. The prisoners were riding two broom tail ponies and were feeding them when caught. They escaped about nine o'clock at night. Sawing their cage with steel saws carried into the jail by one of them. The men broke jail at Childress where they were being held in the Childress county jail.

Miss Jessie Green spent from Friday to Monday last with her home folks. She is attending the Normal School at Canyon. (Miss Green is now teaching school in the Philippine Islands).

Walter Nobles, of Cone, was in Floydada Monday transacting business.

(Editor's note—Files of the Hesperian on this date are incomplete and here-with are given more detailed accounts of articles appearing in the December 4 issue.)

## Many Boy Scout Honors Are Awarded In Court Of Honor

District Executive W. P. Knox Assists in Conducting First Assembly.

"Character is not taught, it is caught. And to spread the fundamentals of good character is the purpose of the Boy Scout movement. A good character is simply good habits grown up," were the words of W. P. Knox, District Scout Executive of the South Plains Council Area when he spoke here last Monday evening at the first Boy Scout Court of Honor held in this section.

More than sixty-five merit badges and honors were bestowed in regulation military form upon the members of the two Floydada troops and troops of neighboring towns and communities. The Court of Honor was held in the District Court room Monday evening before a

large audience of parents and business men. Several visitors from other towns were present.

Picturesque, indeed, was the ceremony from the opening assembly to the closing taps. Every action of the court was carried out by the boys and their leaders in regulation form. The most impressive part of the ceremony was the Tenderfoot investiture given in candle rights. All lights in the building were turned out and fifteen candles, representing the laws and oaths of the scout organization, were lighted and the initiation performed by candle ceremony. Executive Knox was assisted in this phase of work by twelve members of Floydada troop 44.

**Court of Honor Program**  
The program carried out was as follows:

Assembly—Bugle call by Joe Hill.  
Entry of Court.  
Invocation—Rev. W. R. Hill.  
Colors—Color Guard, Troop 43.  
Song—"America."  
Pledge of Allegiance—Assembly.  
Opening of Court—Chairman J. C. Gilliam.  
Introduction of Executive W. P. Knox  
Presentation of Tenderfoot and investiture.

Second Class Presentation—G. A. Linder  
First Class Presentation—Rev. W. R. Hill.

Merit Badge Presentation—Executive Knox.  
Star Scout Presentation—Executive Knox.

Presentation of visitors.  
"Taps"—group song.

Five Star Scouts

Five boys, all members of the Floydada troops, received the Star Scout badge Monday night. Star scout honors are the highest rank obtained to date by the local troops and the honor of being a Star Scout is very high. A star scout must receive five merit badges after securing his First Class rank. Rapid progress in scout work is shown by the five boys receiving the honors Monday evening. The following boys received the honor: Joe Hill, Verne Eastridge, Elvin Rainer, Dock Massie and R. L. Stovall.

Awarding of other honors was as follows:

Tenderfoot, troop 44—Arthur Earl Gamble, Floyd Swain, Claude Langford, Floydada; Edwin Dowell and Estral McElroy, Ralls.

2nd Class, all troop 44 Floydada: Hunter King, Reeves Scott, Waymen Findley, Fred Porterfield, Robt. Swain, J. R. deCordova, Fred Wheelless, Tom Deen.

He was very high in his praise of the work being done by the troops of this city and of Ralls, as well as the work and interest being shown by the leaders.

Taps were given at the close of the service by Joe Hill, bugler of the Floydada troops. The assembly joined in song with the words of "Taps," as follows:

"Day is done,  
Gone the Sun,  
From the Lake,  
From the Hill,  
From the Sky,  
All is well,  
Safely Rest,

SWINE RAISERS HAVE 30 DAYS TO ENTER TON LITTER CONTEST

College Station, Texas, Nov. 9.—The first winter ton litter contest ever held in the United States, being conducted this year in Texas through the co-operation of a number of concerns promises already to show more entries than the summer contest which closed Nov. 25.

Farrowing dates for the winter contest opened Aug. 15 and closed Nov. 1, but swine raisers have thirty days after the closing of the farrowing period in which to list entries, E. R. Eudaly, swine husbandman of the Extension Service who is directing the contest, pointed out.

In consequence the complete number of entries will not be known until the last of this month. However, it looks like the total of 250 entries for the summer contest this year will be exceeded, Mr. Eudaly said.

A feature of the winter contest will be a ton litter show at the Southwestern Exposition and Fat Stock Show at Fort Worth next March, entries for the show to be drawn from entries in the contest.

A total of \$325 in cash premiums has been posted for this ton litter show in addition to the \$750 in prizes hung up as premium money for the winter contest by those concerns co-operating with the Extension Service. Contributors to this total of \$750 in prizes for the winter contest include: Progressive Farmer, Dallas; Swift & Company, Armour & Company, Fort Worth Stock Yards Company, Purina Mills, Superior Mills, all of Fort Worth; Texas Cotton Seed Crushers' Association, Dallas.

The idea of holding a winter ton litter contest was advanced by Mr. Eudaly as a means of demonstrating that Texas as a winter grazing state can produce hogs in winter just as well as in summer. In addition, winter is a period during which farmers have more time for hog raising, Mr. Eudaly has pointed out, being the period following the harvesting of the fields in the fall.

## Whirlwinds Down Ralls Eleven 27-0; Goal Line Uncrossed By Class B Team

Total Score Raised to 187 When Jack-rabbits Fall Before Jaymen Friday at Ralls.

In one continuous and whirling blast of the Floydada High Whirlwinds, the Ralls Jackrabbits went down for a heavy defeat last Friday afternoon when they lost a hard fought grid battle 27 to 0. The Whirlwind eleven upheld their record of a goal line uncrossed by a Class B team, and added twenty-seven units more to the rapidly growing total of scores against other teams this season. 187 points have been piled up by the Green and White players this season, and indications point to the probable repetition of last year's record of bi-district champions.

Although the score of last Friday's game indicates a one-sided battle, it proved very thrilling and interesting for both elevens and the large crowd of spectators who witnessed the game. The

Jackrabbits played a defensive game throughout the entire period. Not once did they carry the ball for a first down, but usually punted far and wide on the second down. Place punting by Payne, of Ralls, was very noticeable in the game; but the punting toe of "Steve" Marshall, of the Whirlwinds, came into action. Payne was placed in the background. Dunn, stalwart Ralls right half, was in every line play. Only one stellar play was made by Ralls during the encounter and that by King, fullback, when he received a Floydada punt near the Ralls thirty yard line and carried the pigskin in a broken field run to Floydada's twenty yard line.

### Dixie White Stars

Captain "Dixie" White deserves the bulk of credit in the Whirlwind encounter last Friday. White was the first, always, to break through the defensive lines. It was his spectacular end runs, plunges, and passes that netted the larger gains for Floydada. In the last few minutes of play, White intercepted a Ralls pass and ran, unprotected, in a broken field around left end for fifty yards for the last Whirlwind touchdown. White's passes to Marshall were a thing of much favorable comment on the side lines. Marshall usually succeeded in carrying the ball for a good gain in each of his plays.

Although John Edwards, husky pivot of the locals, was not in the entire game because of a stiff knee, he started Friday. In less than two minutes after he was placed in the second quarter, he blocked a Jackrabbit punt near their own goal line, and fell on the ball for another touchdown. Welbourn also made several stellar plays against the Jackrabbit eleven.

Only one touchdown was scored in the first quarter, and that after Jim Stiles went through in a line play for 25 yards to within five yards of the chalk line. One counter was made in the second period when Edwards blocked a punt. The third quarter of the game remained unscored, and the last

period of play netted two touchdowns for the Whirlwind.

### Whirlwind Line Weak

Floydada's weakest point of play appears to be her line. The Jaymen seem to be lagging in the terrific plunging forces and "brick wall" holding usually seen in the Whirlwind teams. In the third quarter, the Jackrabbits held Floydada for four downs within four yards of her goal line. However, the Whirlwind backfield is a beautiful piece of machinery, nearing perfection. End plays, forward and lateral passes work like a charm for long and continuous gains. Undoubtedly, Coach Jay's championship hopes are based, to an extent, upon his backfield.

Coach Jay is highly pleased with the splendid backing given his team by the citizens of Floydada. Practically one third of the large crowd who witnessed last Friday's game in Ralls were Floydada visitors. As the Whirlwinds progress on their road toward a championship crown, Coach Jay is expecting greater backing by local fans, he states.

### Line-up and Officials

In last week's game, Coach Lovvorn's Jackrabbit eleven and the Green and White boys lined-up as follows:

## Floyd County Clubs

### IRICK 4H CLUB

The Irick 4H Club met with Miss Bass on Monday, October 31. There were eleven members present who were all eager to start their second year work.

Officers were filled by the following appointments: Donna Nell Murphy, president; Dorothy Glass, vice-president; Evelyn Blanton, secretary, and Mildred Jackson, reporter.

We all intend to do the best of work and hope to send another of our girls to Dallas, since Miss Murphy's report of a good time encouraged us all.

### BLANCO 4H CLUB

Girls of Blanco community reorganized their 4H Club Friday, November 4, beginning the second year club work. We are in hopes that our second year's work will be a success.

The following officers were elected: Miss Irene Cates, president; Miss Katherine Alexander, vice-president; Miss Lota Dickerson, secretary and Miss Helen Tinnin, reporter.

### BLANCO H. D. CLUB

Blanco Home Demonstration Club met Thursday afternoon at 2:30 o'clock with Mrs. J. L. McPeak. The subject discussed was "Parliamentary Rules." There were eleven present. Miss Bass was with us and told of the trip she made with the 4H Club girls to the Dallas Fair, which we all enjoyed very much, as she has a way of telling things to make one feel like they were along seeing the sights and hearing all the good things, too. She also told us of the living room contest for 1928. She then gave us a splendid talk and drill on parliamentary drill, which we all appreciated very much.

The next meeting date is November 17, and Mrs. Geo. R. Smith will be the hostess. The subject will be "Cake Baking." Answer to roll call will be given with favorite cake recipes by the members. Mrs. J. L. McPeak will be leader.

Following is the program that will be given:

1. Classification of cakes—Mrs. Wheeler.
2. Selection of ingredients—Mrs. Will Snell.
3. Utensils needed for cake making—Mrs. Farley.
4. Method of mixing—Mrs. J. D. Christian.
5. Baking—Mrs. Cates.
6. Care after baking—Mrs. Daniels.

### INVENTIONS SPEED UP FOOTBALL GAME

The inquisitive and inventive mind, seeking new and better ways to do things, has not neglected football. Fast and accurate footwork, for example, is developed by an ingenious new method of training players devised by Dick Hanley, coach at Northwestern University. This is a novel form of hurdle race in which the runners, at full speed, must step in the center of boxes laid in zig-zag pattern on the ground. This footwork, says Popular Science Monthly, not only "peps up" the men, but teaches them to dodge opposition as they race for a touchdown. Tacklers have no terrors for them after they have learned to leap through the boxlike barriers.

Adjustable football cleats of bakelite are among science's newest contributions to the sport. Unlike the usual cleats of leather, they do not soak up water on a wet field.

From the old game of heavy men and heavy armor has come a new game of speedy scrimmage and running. Hence the latest suit, invented by the coach of the University of Washington football team, weighs only seven pounds. Foam rubber replaces the usual fiber padding. The lightest uniform used previously weighed ten pounds more.

The reduced weight has been achieved by the substitution of foam rubber for the fiber padding previously employed. The new uniforms protect the players as much as the old and are much faster.

When a deep-sea naturalist is preparing a skeleton of a specimen for mounting he removes the skin, loosens the flesh and lowers the body into the sea until it hangs just clear of the bottom; he then allows the sea fleas, active little crustaceans with voracious appetites that swarm the bottom of the sea, to denude the bones for him.

A blind man is employed by the Royal Mint in London to 'ring' the coins and detect those that are not perfect.

In Honolulu there are two coconut fiber caskets, shaped somewhat like an Egyptian mummy case, containing the bones of King Liloa, who reigned over Hawaii in A. D. 1500, and his great-grandson, Lenoikama.

London has a tipless hotel. Patrons are firmly but courteously notified that it is against the rules of the hotel to offer tips. The servants are well paid, and reservations at this hostelry are always at a premium.

The song 'Yankee Doodle' was written as a joke on Dr. 'Dicky' Shuckburg of the King's army in derision of the backwoods Colonial militia. Instead of giving offense, the song made a hit with the entire American militia.

### Ed Holmes Outstanding Actor In Play Friday

Through the maze of the cleverly tangled plot of "Three Hats," Ed Holmes so successfully carried his leading role that he was easily the outstanding character actor of the cast from Sand Hill's P. T. C. Society in their presentation of the three act comedy-drama at the Fairview school auditorium Friday night. Able support given the lead by the other players carried the action forward to a pleasing climax.

Music, readings and songs furnished entertainment between acts. Miss Alma Smith gave "Any School Morning" in a realistic mood. She gave a life-like representation of the average school boy preparing for his daily "grind." B. Martin with his violin and Mrs. Earl Branson at the piano filled all the odd moments with entertaining music.

Miss Bonnie Rhee Freeman gave an amusing dialect reading of an old negro mammy's trial and tribulations with Massa and "The One Legged Goose."

Sand Hill's singing girls scored with their costume songs. In the two groups, representing farmer lads and lassies in the first and Hawaiian maidens in the second were: Misses Blanche Rogers, Thelma Parkey, Ted Standifer, Ila Belle Standifer, Christine Goodman, Aileen Goodman and Lometa Thompson.

Proceeds of the play amounting to \$34.75 went to pay royalty fees and to the school equipment fund of Fairview. The play was given in exchange for the Fairview Dramatic Club production presented at Sand Hill the week previous.

To Misses Bonnie Mickey and Alma Smith and to Ed Holmes goes the credit for the successful direction of "Three Hats."

"We enjoyed Sand Hill's play and hope they will visit our community again," Principal W. C. McClellan of Fairview said in response to a similar expression of appreciation from Ed Holmes.

Members of the cast for "Three Hats" included: Misses Belle Poe, Lucille Davis and Alma Smith; Mr. and Mrs. Arthur Womack; Messrs. Henry Bollman, Theo and Lloyd Thompson and Ed Holmes.

Granting of scholarship to students primarily because of athletic ability has been abolished at Pennsylvania State College by the new board of control of athletics of the college. The ruling takes effect this fall, and after three years no student athlete at the college will receive any financial aid whatever. Action was also taken by the board prohibiting "scouting" of any form on the playing of rival teams.—School Life.

Of the 8,406 teachers taking summer courses this year in the 24 accredited Pennsylvania colleges and universities offering such work, 80 per cent were competing requirements for covering their standard-teaching certificates into permanent forms. Many of them were high-school teachers, graduates of normal schools, who were working toward a college degree to meet the standard for high-school teaching, which is a college certificate.

J. T. Livesay, of Lockney, was a business visitor in Floydada one day the latter part of last week.

### Questions On Health With The Answers

1. Can you give me an approved health scale for adults? (J.C.M., Belton)

1. The following health scale for adults is the one given by the American Public Health Association. The purpose of this scale is to set forth the important hygienic factors which have been found to make for a healthy, efficient, vigorous life, and should be used to guide the individual in carrying out the rules of health. Get your pencil and see how you measure up. Don't give yourself credit for any of the health rules given that you are not complying with. If you are carrying out a rule partially, give yourself part credit. Keep this score as a future guide in keeping physically fit.

**Supper on Canyon Enjoyed By Sunday School Class.**

On Thursday night, November 8, the church bells called Mrs. Porterfield's class to the Methodist church where all were assigned to various cars provided by the boys of the class and driven to Day's Crossing. Having arrived there a huge bon-fire was made and after hearty greetings were exchanged and familiar faces sought out of the crowd the hostess in her tactful way rekindled the play spirit with a number of games and soon the nearby hills and rocks were echoing with the refrain.

After the formation of the campfire circle the Business meeting was held. The class name: "Constant Climbers," and motto: "On Time, Each Time, Every Time" having been chosen at a previous meeting was made impressive. After the adjournment of the class officers Miss Ouida Bell gave several readings amid the flickering shadows and every one entered into the group chatter. Ernest Carter deserves mention for having carried the most wood.

The last course was the werner-marshall, in which no one stood in low rank. After all the foodstuffs were disposed of "and the last crumbs brushed away, The jolly crowd called it a day, And each wished Mrs. Porterfield would come to our house to stay."

Those present were: Misses Eddythe Walker, Grace Alexander, Kathryn Snodgrass, Maude Williams, Mae Colvin, Dorothy Biebel, Edna Edwards, Inez Switzer, Ouida Bell, Dorris Smith, Mary Johnston, Violet West, Mildred Orsburn Oma Beaver, Mina Lee Solomon, Mildred Olson, Mr. and Mrs. Ike Jay, Aubrey Hilburn, Randell Alexander, John Gamble, Skeet Thornton, Lawrence Lewis, Frank Umberson, Alan Berry, Shorty Lester, Kenneyth Umberson, Leroy McDonald, Glenn Moss, Lee Bedford, Ernest Carter, Loraine Britton, O. C. Powers, Pedro Collins, Auto Austin, Henry Solomon and J. E. Young.

**Dinner Given Honoring Mr. and Mrs. Triplett.**

At the close of the Estate Gas Stove Demonstration, conducted by Mrs. J. Frank Triplett, of Hale Center, at the Surginer & Son Hardware Tuesday and Wednesday afternoon, Mr. and Mrs. C. Surginer were host and hostess at a 6 o'clock dinner honoring Mr. and Mrs. Triplett.

The guests included Mr. and Mrs. T. S. Stevenson and children, Mr. and Mrs. E. C. Henry and grandson, Charles Baker; Mr. and Mrs. F. P. Henry, Mr. and Mrs. H. O. Pope, Mr. and Mrs. Carr Surginer and the honor guests, Mr. and Mrs. J. Frank Triplett.

### County Assured Share Auto License Money

Chief License And Weight Inspector Here For Sheriff's Meet, Says Pay Auto License Fee Early.

"Register your cars. Register them before the first of the year as required by the law. The county will get its share of the automobile license fees paid in regardless of whether the money is paid before or after January 1," is the advice of L. Graham Phares, of Austin, Chief License and Weight Inspector of the Texas State Highway Department, who is in Floydada for the West Texas Sheriff's Convention opening in Floydada this morning. In company with him is Deputy Inspector W. B. Guthrie, of Amarillo.

The most recent enactment of the legislature provides, in brief, that the county of registration of a car will get all horse power fees collected as heretofore plus thirty per cent additional of all moneys collected beginning with collections for the year 1928, which shall go into the county road funds for the purpose of maintaining lateral roads.

"It is up to the commissioners, sheriffs and the officials of the counties to help us get in the license fees, and with this provision that gives the county practically one-third of all monies collected, it should certainly prove to the interest of citizens looking to the betterment of lateral roads to give their cooperation, too," Mr. Phares said.

"While some people have felt resentment that the highway department should have inspectors on the state highways insisting on properly licensed cars, and trucks and assessing fines where violations of this provision and the weight provision of the law are found,

you can gain an idea of the number of violations of the license and weight law by the fact that in the period from April 1 to September 1 of this year we collected fees that would have gone unpaid to the extent of \$280,000 at a cost of only \$29,000. Of course, a number of these collections were from people who were merely careless, but we also uncovered lots of crookedness in our rounds," the chief inspector said.

With the information before him that collections made prior to 1928 on 1928 license fees will not cause the county to lose its share of the proceeds to be used on lateral roads, Sheriff and Tax Collector Stegall declared "We would be mighty proud if you will say to the people of the county please come in and register before the rush of the property tax payments come on. It is practically impossible for us to put enough men at work in the office to take care of the property tax alone in the rush season and when the bulk of the license tax payments is also held off it causes much inconvenience in the office and even more inconvenience to the public."

Inspector Phares points out that the highway law requires the automobile license to be paid by January 1 if the vehicle is to be operated on the roads and that no promises can be made that an inspector will not begin making arrests immediately thereafter.

#### MORE FUNDS REALIZED

After a final check on the proceeds from the Halloween carnival recently, the Sand Hill school announce that the total amount realized is now \$141.48. The funds will be used for payment on the lighting system.

Mrs. A. R. Hanna said, "We wish to thank everyone who helped us out in making the affair a success."

#### HIGH SCHOOL GIRLS' TEAM DEFEAT SAND HILL SEXTETTE

Floydada High School girls' basketball team took their second successive win last Thursday afternoon when they defeated the Sand Hill girls' squad at Sand Hill for the second time this season. The score of the game Thursday was 18 to 10. The score of the other game this year was 21 to 16.

Thursday's game was witnessed by a large crowd of Sand Hill school patrons and several interested Floydada people. A great deal of interest in the game was shown on the side lines. These games are not a part of the interscholastic contest as Floydada and Sand Hill are in different classes. The local squad will play their first League game this season this Thursday evening when they meet the Hale Center sextette at Hale Center.

Members of the F. H. S. squad are as follows: centers, Coralee Sherill, Claudia Green and Georgia Eudy; guards, Marylou Cardwell, Kathleen Snodgrass and Lois Handcock; forwards, Marie Smith, Maxine Norris and Ollie Belle Collins.

See The Hesperian's Xmas Cards.

### Locals and Personals

Mr. and Mrs. W. L. Holloman and baby who have been making their home in Clovis, New Mexico, arrived Friday in Floydada to again make their home here. Mr. Holloman is employed with the Santa Fe Railway Company and will have his former job as brakeman on the Floydada branch line to Plainview, taking the place of C. D. Harris. Mr. and Mrs. Harris have moved to Crosbyton.

Mr. and Mrs. Kenneth Bain and children spent Sunday near Turkey, with Mrs. Bain's uncle, B. F. Folley and family.

Mr. and Mrs. Henry Bradford and Mr. and Mrs. Erby Carruth, of Canyon, spent the week-end with Mr. and Mrs. Lon M. Davis. Mrs. Davis is a daughter of Mr. and Mrs. Bradford and a sister of Mrs. Carruth.

Fred H. Erwin and son, J. L., of Plains, Kansas, were here the latter part of last week visiting his sisters, Mrs. Joe Montgomery and Mrs. Clarence Gamble, of Petersburg. They were accompanied by A. C. Krause and sons, Roy and Virgil also of Plains, Kansas, who visited his sister, Mrs. Geo. Finkner, of this city, and his brother, Herman Krause of Petersburg.

Miss Myrtle Terry was at home Saturday and Sunday visiting her parents, Mr. and Mrs. J. R. Terry. She is a student at Tech College.

#### FORMER IOWA CLUB GIRL SPOKE HERE TUESDAY

Miss Beulah Rogers, Educational Representative of the Ball Brothers Jar Company, Muncie, Indiana, was in Floydada Tuesday afternoon and gave a demonstration in the county court room to about thirty-five interested women on the use of the jar and proper canning methods.

Miss Rogers was a canning club girl in Iowa for five years and a graduate of the Home Economics department of the Iowa State College. In 1923 she was a member of two canning club teams sent to France to give canning demonstrations. At the conclusion of the jar demonstration Miss Rogers gave a very interesting account of her visit in France and Home Economics principles as they are taught in France.

"I found there was a great deal of difference" said Miss Ayres, "for instance in the Home Economics School which I attended while there the girls were also taught to laundry. The laundry was in one of the outside rooms of the school which was built over a small stream, and the girls on their hands and knees beat the clothes clean with paddles. I also found the cooking just as different," said Miss Ayres as she gave a very interesting talk on some favorite French foods.

Eyes, or holes in Swiss cheese, are an index to its quality and flavor, experts declare. The proper size of eye for this delicacy is that of an American quarter or the Swiss Franc.

J. C. Dickey left Monday for Brownwood to be at the bedside of his brother, A. B. Dickey, who is seriously ill with pneumonia in a sanitarium in that city. Mr. Dickey is 85 years old.

## Protecting Business Integrity

November 11 commemorates the bringing to a close of a mighty conflict. The Boys In Khaki went over, some of them never to return, that their nation might live on in peace and prosperity. They were a part of that great army of war that marched forth to protect the rights of mankind.

Today this bank takes pleasure in welcoming to Floydada the members of the Legion of Peace—the West Texas Sheriffs. Theirs it is to protect the peace and integrity of a great commonwealth.

This institution in taking its place in the protection and maintenance of the business integrity of Floyd County feels qualified to say to the "boys" of the Army of War and to the "boys" of the Legion of Peace—

### Locals and Personals

J. R. Brewer, of Electra, was in the city over the week-end on business and visiting his daughter, Mrs. Lee Trice, Mrs. A. N. Bratton, and Mrs. J. W. Haney. Mrs. Harper Scoggins went to Amarillo Tuesday to visit her brother, W. B. Friend, who was in that city on limited schedule. He is auditor for the Norfolk and Western Railway Co., with headquarters at Roanoke, Va.

Janette Bratton, small daughter of Mrs. and Mrs. A. N. Bratton is reported to be ill.

Extract from a letter written by a Chipola, Florida, resident on July 18, 1828: "Lands have risen at least 300 per cent in price and are daily advancing; the tide of emigration is flowing in rapidly, and the country still proves unimpairedly healthy; the physicians, to avoid starvation, are moving away."

An apple tree in the orchard of Henry French, Springfield, Massachusetts, recently displayed the 'freaks' combination of rich, ripe fruit with clusters of blossoms attached to the same twig.

### Baker News

Baker, Nov. 7.—The weather has been fine this week and there are a good many children out of school on account of cotton picking and maize heading.

There was a large crowd out at singing Sunday afternoon.

Miss Annie Graves spent Sunday with Miss Lela Jones.

Miss Maggie Graves spent Saturday night and Sunday with Miss Opal Nelson.

Miss Annie Jewell Fawver and two brothers spent Sunday with their brother, Roy Fawver and family.

Mr. and Mrs. Douglass Graves and little daughter are spending a few days with Douglas Graves' father and family, R. P. Graves.

Mrs. Allen Peacock's sister, Miss George Holder, of Commerce is on a visit here.

There will be a program followed by a pie supper at Baker school Friday, night, November 11. Everybody invited.

From September 30, 1777, to June 27 of the following year, the Continental Congress of the struggling states met in the little courthouse of York, Pennsylvania, fleeing from Philadelphia after Washington's defeat at Brandywine. This October, York observed its sesquicentennial, one of the main features of the celebration being a gigantic pageant depicting much of the city's history.

### CONSERVATION OF BIRD INTEREST MADE COMMUNITY IN

For rent of bird houses, placed by school children in the parks of Wilmington, Del., \$2.50 is paid to the owner when a "rightful tenant" is found building a nest in a house. The project is promoted by the Brandywine Garden Club, in cooperation with the city park commission and the department of nature study of the public schools, as described by the supervisor of nature study, in School Life, a publication of the Department of the Interior, Bureau of Education. A year's study of the project is made a feature of the manual-training department. Children of the parks with great interest to watch a house is occupied, and in this way acquire a feeling of ownership in the wooded sections of the city. Pupils in the schools not only provide shelter for the birds but furnish proper food for them in winter.

About one out of every 4,240 persons in the United States is listed in Who's Who, published every two years.

## Welcome to Floydada And Floyd County, West Texas Sheriffs

We believe in Floyd County and Floyd County people. Here are some facts that we believe everyone should know. Especially do we hope that the visiting sheriffs will take this information to their friends at their respective homes:

"For many years Floyd County has been recognized as one of the leading agricultural counties in the Lone Star State and today is the leading county in the production of wheat, which is one of the principal crops produced in the Panhandle.

"The 'Banner Wheat Producing County of the State' enjoyed another splendid year in the 1926 crop, producing approximately 1,543,900 bushels. This was slightly less than the 1924 record of 1,879,899 bushels—a State record. Late wheat failed to produce as well as the early wheat, or the record would have been easily broken. Many crops averaged from twenty-five to forty-five bushels per acre with some reaching as high as fifty-two bushels. The grain produced tests number one in almost every instance. Oats, barley and rye are raised by many farmers."

**Building Quality into Used Cars**

Unusual facilities for reconditioning automobiles make possible the high value found in our dependable used cars. In the first place, we can tell exactly what needs to be done to a car without long and expensive experimenting. Our mechanics are thoroughly competent — and, working with special tools, they accomplish a given task in the minimum time. Furthermore, we use only genuine parts for replacement purposes. As a result, our reconditioned cars simply cannot be matched for value.

## Armistice Day--- November 11

At eleven o'clock on that unforgettable day, November 11, 1918, America was again assured of Democracy when her freedom had been threatened. Nine years have passed since our "Buddies" "Over There" served the chains that bound civilization and threatened its very existence. Happily, since then a greater era has dawned. Out of the roar and smoke and sweat of the great conflict, mankind has reached a better understanding—a greater Spirit of Brotherhood that already has borne fruit in a greater world peace and prosperity.

YET—Let's not forget the price paid by the American Doughboy! Let's pay reverent homage to those sleeping heroes whose deeds in '17 and '18 covered the pages of history with glory—whose very lives they so unselfishly sacrificed for your freedom, and mine. We can never repay them, but we CAN offer them a silent tribute on this day—honor the living Ex-service man.

IN TRIBUTE TO THESE BOYS, OUR DOORS WILL  
BE CLOSED ALL DAY, NOVEMBER 11

### Gather Maize For Higgins Last Week

No truer than the old saying itself that "a friend in need is a friend indeed" was the exemplified friendship by neighbors of J. D. Higgins last week. Tuesday morning wagons began to arrive at the maize field of Mr. Higgins and by 9 o'clock there were 26 wagons and 39 men and boys busy gathering the crop. The work was finished by 3:30 and there were still 34 wagons and 36 men and boys on the job. A total of 60 acres were headed.

Mr. Higgins said words could not expect his feelings of gratitude to everyone who helped. He had just returned from a Lubbock hospital, where he spent a month recovering from a serious operation. He will not be able to work again for some time.

The helping crew of workers ranged from seven-year-old boys up to men of 60 years, with two Wayland College preachers assisting. Among those who took part in the friendly deed of assistance were: W. B. Jordan, T. M. Noland, Alton Noland, G. F. Veach, C. C. Huckabee, A. L. Spence, G. H. Jackson, Claud Carpenter, C. L. Janett, A. A.

Tabbs, J. Z. Woolsey, J. E. Tivis, E. C. Austin, Ralph Tubbs, J. B. Jordan, Mitt Bullard, Dennis Fields, Raymon, Jackson, I. C. Kirk, N. R. Austin, Audie Noland, Tom Noland, R. P. Feagans, C. O. Spence, Otis Huckabee, A. H. Matthews, Cal McGeahy, P. L. Feagans, A. L. Hollums, T. L. King.

J. P. Perdue, H. B. Mankins, T. J. Gill, E. W. Lightfoot, R. E. Bost, L. B. Cozby, Fred Jackson, G. W. Bryant and T. L. Bryant.

At the noon hour lunch was served by the following ladies: Mesdames C. O. Spence, A. L. Spence and E. C. Austin.

### SCHOOL IMPROVEMENT GROUPS NOW ACTIVE IN FIVE STATES

For about a quarter of a century improvement associations or leagues have been important agencies in the improvement of school and community conditions, especially in the South. Such organizations have aided in arousing popular interest in schools and in promoting school legislation, according to a study of State school improvement associations, by Edith A. Lathrop, published by the Interior Department, Bureau of Education, as Rural School Leaflet No. 42.

The associations maintain close relations with State departments of education, and in South Carolina the association works under the immediate direction of the department. The chief activity of the associations is in raising money for school improvement. Such local associations in 1925 raised and expended for this purpose \$93,800 in South Carolina and \$170,000 in Virginia. Local Virginia leagues expended in five years more than a million dollars for educational purposes. Membership in the associations, according to latest available records, was 15,000 in Arkansas, 22,000 in South Carolina, and 70,000 (including juniors) in Virginia. Maine reported 600 local leagues in 1921. The National Congress of Parents and Teachers is doing in many States work formerly carried on by school improvement associations.

According to Dr. William Root of the University of Pittsburgh, intelligent people think twenty times faster than they can write and the arm is so far behind the activity of the brain that poor writing results.

### Luncheon Club Learns Of Floydada Schools

County School Board Members, Boy Scout Executive, 4H Club Workers Among Guests at Meeting.

"The biggest business in Floydada"—its public schools—

Some of the work and effort being put into the "biggest business in Floydada"—its public schools—were told of briefly by Superintendent W. E. Patty to members and visitors at Floydada Luncheon Club's bi-weekly meeting held Monday at the Petite Dining Room. Not only does it have the biggest list of "customers" but its expense account is one of the largest of any institution in the community, and its conduct therefore vitally interesting financially, as well as otherwise to the citizenship generally. This is Educational Week in Texas and the occasion was taken to tell something of the educational work in Floydada. "This community stands high in educational and artistic development," Mr. Patty declared. "Since it represents a doorway to opportunity in this respect it is a good place in which to live. Since coming here I have found a fine spirit among the patrons and citizenship, and this is attested by the fact that at this time of year, when attendance is usually lowest in the schools, the high school and one of the ward schools shows an average attendance of the scholastics of 94 per cent and the other ward school only slightly less. The parents are making whatever sacrifice is necessary to keep their children in school."

Credit was given by the superintendent to the hard and efficient work of the Parent-Teachers' Association of Floydada for the fact that every school has an up-to-date cafeteria, so far as known the only school in the state to have cafeterias, well-maintained, at each school. Floydada schools, he said, is headed by a college-trained faculty, seventy-five per cent of whom have degrees.

W. P. Knox, Boy Scout Executive of the South Plains Area, including fourteen counties, was among those who spoke interestingly during the hour. "Clubs such as the Floydada Luncheon Club are among the influences which have made possible area work of Boy Scouts, which was formerly confined to the larger centers," Mr. Knox told the club. "Especially are the Rotary Clubs due credit for making it possible for us to have area work among boys in the Boy Scout movement in Texas," he said.

The speaker invited the club members to bring their wives and attend the Court of Honor held Monday night and declared "There is no greater thing you can do than to help your boys." He vouchsafed his aid in every way possible toward making the Floyd County Fair a really worthwhile educational and entertainment event for the people of the county next year.

Miss Joyce Grigsby, Starkey Club girl, who was among the Floyd County 4H Club Girls to attend the State Fair, made a most interesting report of her trip to the State Encampment. The things the girls saw and did and the many courtesies they had were the subject for a peppy ten-minute talk by the young lady, who was heartily applauded. Miss Blanche Bass briefly expressed thanks for local help given in the enterprises of the club girls, and said that A. & M. Extension Service officials had been very kind in their praise of the Floyd County Fair.

Among other visitors present were Sheriff P. G. Stegall, J. H. Upton and J. F. Dollar, members of the Floyd County School Board, and S. A. Greer, proprietor of Brookfield Farm.

F. L. Davis, toastmaster, presided at the meeting. Lon M. Davis, secretary of the club, asked for leave of absence for a time on account of pressing personal business affairs, which was granted. Ed Bishop was named to fill the duties of the office temporarily.

A brief announcement was made by Glad Snodgrass of the forthcoming meeting of West Texas Sheriffs in Floydada, with the request that members of the club urge that the peace officers be given every courtesy while on their visit here.

The club was held over-time, and at that some interesting features planned were omitted through necessity.

### SHERIFF'S SALE

THE STATE OF TEXAS  
County of Floyd.

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale and execution issued out of the Honorable District Court of Floyd County, on the 27th day of October 1927, by T. P. Guimarin Clerk of said Court for sum of Thirty-Thousand Six-Hundred Twenty-five and 04/100 (\$30625.04) Dollars and costs of suit under a Judgement, in favor of The First National Bank of Floydada, and the Floyd County National Bank of Floydada in a certain cause in said Court, No. 1889 and styled The First National Bank of Floydada et al vs. L. J. Davis et al, placed in my hands for service, I, P. G. Stegall as Sheriff of Floyd County, Texas, did, on the 31st day of October 1927, levy on certain Real Estate, situated in Floyd County, Texas, described as follows, to-wit:

Survey No. Five (5) in Block No. One (1) located by virtue of Scrip 3/566 issued to H & G N R. R. Co and transferred and patented to Francis W. Abney by Patent No. 87 Vol. 36 dated Feb. 1, 1877, containing 640 acres of land in Floyd County, Texas.

And said judgement further recites in effect that if the land above described bring more than enough to satisfy said sum of \$30625.04 interest and costs, that the remainder shall be applied first to payment of the sum of \$851.71 due W. E. Brown and R. F. Brown as recited in said judgement, and second to payment of the sum of \$418.99

### ONE IN TEN

Neglecting a little wound, cut or abrasion of the flesh may in nine cases out of ten cause no great suffering or inconvenience, but it is the one case in ten that causes blood poisoning, lockjaw or a chronic festering sore. The cheapest, safest and best course is to disinfect the wound with liquid Borozone and apply the Borozone Powder to complete the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Sold by Arwre Drug Company

due J. C. Wooldridge-Lumber Company as recited in said judgement, and the above described land I levied upon as the property of L. J. Davis and wife Dora Davis and that on the first Tuesday in December 1927, the same being the 6th day of said month, at the Court House door, of Floyd County, in the town of Floydada Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Execution and order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said L. J. Davis and Dora Davis.

And in compliance with law, I give this notice by publication, in the English Language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hesperian, a newspaper published in Floyd County. Witness my hand, this 31 day of Oct. 1927.

P. G. STEGALL,  
Sheriff Floyd County, Texas.

### W. A. Shaw Given Surprise Dinner Sunday.

W. A. Shaw found a pleasant surprise waiting for him when he returned from Church Sunday at noon. The house was filled with visitors, mostly relatives, who all greeted him with best wishes for happy returns of the day. A sumptuous meal was also ready. Mr. Shaw did not realize what it was all about when he first came upon the scene, but the thought soon came to him that it was his forty-eighth birthday, and that the entertainment was given in his honor.

Among those present were all of the immediate family, including Virgie, Sandford and Glee Shaw, Dr. M. J. Shaw and wife of Tulia, E. H. Shaw and family, Mr. and Mrs. Wm. Shives and Harry McClure, also of Tulia; H. M. Mitchell and family, John Austin and family, Fount Goynne and family, all of Plainview; Will Weatherby and wife, Mr. and Mrs. Lee Nichols of Floydada; Mary Collier of Lockney and Truman Webb of this city. A total of thirty-two were present.

Everyone declared that they enjoyed the wonderful meal and Mr. Shaw admitted that the surprise was put over

on him very successfully, and that he would be looking for another year later.

### East Ward Call Meeting. For Nov. 18.

On account of the regular meeting of the East Ward Parent-Teachers' Association coming on Armistice day, Friday, November 11, the meeting has been called for Friday afternoon, November 18.

### Percy House Gives Party On Seventh Birthday.

Percy House celebrated his seventh birthday Monday, November 7, with a party to which his little friends were invited. A potato race, a bean race, contests and other games kept the children happy until refreshments of ice cream and cake were served.

Prizes were awarded John Yearwood and Barclay Tyler.

Those present included: Mary Louise Tubbs, La Nell Harmon, Janette Bratton, Mabel Tubbs, Valeen Brewer, Vera Nell Marshall, Gloria Hammonds, Emma Lou Bedford, Richard Tubbs, Paul Scoggins, Harper Scoggins, Merle Scoggins,

John Yearwood, Billy Yearwood, George Tyler, Barclay Tyler, Harley Wright, Ralph Hammonds and the honoree, Percy House.

### Progressive Music Club Given Party.

Among the parties given during Halloween was one which was given at the home of Mrs. Ed Brown with Mrs. Brown assisted by Mrs. E. R. Borum and Mrs. May Anderson as hostesses to the Progressive Music Club. Halloween decorations were in evidence everywhere. Each guest came dressed in masquerade costume.

As they arrived they were given a number and as their numbers were called by Mrs. Brown each responded with a ghost tale, unmasking as their correct name was guessed. Various Halloween games and stunts were played.

After a business meeting the following program was given:

- Piano Solo—Thelma Crawford.
- Piano Solo—Bert Ione Smith.
- Piano Solo—Virginia Welch.
- Duet—Margaret L. Anderson and Hazel Borum.
- Reading—Venitta Borum.
- Piano Solo—Robert Childress.
- Piano Solo—Jessie Bell Massie.
- Piano Solo—Gladys Ruth Brown.
- "The Importance of Music in the Home"—Mrs. G. R. May.
- Piano Solo—Miss Eddythe Walker.
- Piano Duet—Eula Mae and Anna Ruth Gullion.
- Piano Solo—Ruth Baker.
- Violin Solo—Mrs. A. D. Cummings.
- Piano Solo—Perna Lyles.

Refreshments consisting of pumpkin shaped cookies, popcorn balls, mints and hot chocolate were served to the following guests: Mmes. A. J. Welch, J. U. Borum, E. R. Borum, B. F. Manasco, E. B. Massie, May Anderson, A. D. Cummings, J. N. Gullion, Kenneth Bain, Elder Morris, E. C. King, C. M. Lyles, V. Andrews, Frank Stovall, G. R. May and Wilson Kimble; Misses Venitta Borum, Hazel Borum, Eddythe Walker, Jessie Belle Massie, Mary Ann Kimble, Eula Mae and Anna Ruth Gullion, Ruth Baker, Thelma Crawford, Perna Lyles, Edith Blanche King, Jean Bain, Gennell Stovall, Gladys Ruth Brown, Bert Ione Smith, Margaret Louise Anderson; Robert Childress and Elam Morris.

### Mrs. F. L. Davis Hostess At Tacky Party.

Fun galore was had by the members of the Win One Class of the First Christian Church when they were entertained with a tacky party at the home of Mrs. F. L. Davis, Tuesday afternoon. Very comical costumes were worn by all of those present. Mrs. Davis also arranged her home in keeping with the occasion, using tin cans for vases and tow sacks for rugs. Mrs. Walter Newell got the prize for having the tackiest costume.

For the first course of refreshments, water and tooth picks were served followed by weiners and crackers and the refreshments proper which consisted of delicious non num salad.

Those present were Mmes. Champ Walters, E. C. Nelson V. H. Boteler, E. E. Johnson, Walter Newell, C. J. Smith, Frank Leonard, Luther Dorrell, J. B. Jenkins, Ed Brown, J. A. Enoch, W. M. Houghton and the hostess.

### Pastor's Helpers Class Hold All-Day Meeting.

Members of the Methodist Pastor's Helpers Sunday School Class were entertained in an all-day meeting Tuesday at the beautiful home of Mrs. W. L. Boerner with Mrs. Boerner and Mrs. R. M. McCauley as hostesses. The rooms were decorated with lovely autumn flowers. There were eighteen members and four guests present.

At noon the members and guests were invited into the dining room to a most delicious dinner that had been arranged from the food each member had been requested to bring.

The day was spent in conversation, embroidery, and various kinds of dainty needle work. At 3 o'clock a devotional and business meeting was held. A motion was made and carried that the class buy a rug for the Methodist parsonage. Mmes. W. W. Porter, L. C. McDonald, and Ella Johnson were appointed as a committee to purchase same. There were five quilts reported ready for the class to quilt.

### Mrs. Lider Representing Study Club at State Meeting.

In carrying out their course of "Texas History" the members of the 1922 Study club met Thursday at the home of Mrs. E. B. Massie and had an unusually interesting lesson on Texas' part in the World War with Mrs. Geo. A. Lider as leader.

"Biography of Woodrow Wilson" was given by Mrs. J. M. Willson; "What the Armistice Meant to Texas Homes," Mrs. BenHardy; "Floyd County's part in the World War," Mrs. Glad Snodgrass and "What Effort has the World made to Establish Peace?" Was discussed by Mrs. Harper Scoggins. Mrs. J. C. Wester gave a reading and special music was rendered by Mrs. W. C. Grigsby.

A report was made of about \$30 realized from the picture "Texas History" shown at the Royal theatre Thursday night which was sponsored by the Study Club.

Mrs. Geo. Lider, president of the club was sent as a representative from the club to the thirtieth annual convention of the Texas Federation of Women's Clubs which convened at El Paso, November 7.

The club will meet Thursday, November 17, with Mrs. R. E. Fry.

### Mmes. Houston And Husky Joint Hostesses.

Mrs. C. R. Houston and Mrs. M. F. Husky were joint hostesses to the Wesley Girl's Sunday School class of the Methodist Sunday School Wednesday afternoon, November 2, at the home of Mrs. Houston. The home was fragrant with a profusion of autumn flowers which were in colors carrying out an attractive color scheme.

There were thirty-two members of the class in attendance and twenty-five guests.

A very pleasing program furnished entertainment for the afternoon. Mrs. A. D. Cummings played a violin solo, followed by readings by little Miss Virgin-

ia Belle Gamble, Mildred Houston, and Edelle King. Mrs. A. W. Chowning responded with two vocal selections with violin accompaniment played by Mrs. A. D. Cummings. Following this readings were given by Marilyn Fry and Ouida Bell. R. V. Husky favored the guests with a cornet solo "Let Me Call You Sweetheart." For the closing number Mrs. Chowning sang "God Be With You Till We Meet Again."

A lovely salad course in keeping with the Halloween idea was served by the hostesses.

After the party a business session was held and the following new officers for the class were elected: Mrs. Ford Butler, president; Mrs. James Colville, vice president; Mrs. Worth Shipley, secretary; Mrs. Sam Thurmon, treasurer; Mrs. Tom Shaw, reporter and Mrs. G. F. Klebold, teacher.

### Measuring Party Given At Legion Hall.

Mmes. J. B. Jenkins, J. G. Wood, Sam Thurmon, M. F. Husky and Glad Snodgrass acting in behalf of the High School Parent-Teachers' Association received the guests as they arrived at the American Legion home Friday night where they were very delightfully entertained at a measuring party. The hostesses were assisted by their husbands who measured the height of the guests as they arrived, each one paying five cents for each foot they were tall and a penny for each additional inch. About thirty dollars was realized which will go to a fund to install a cafeteria

at the High School.

During the earlier part of the evening a very delightful short program was rendered in which Miss Robbie Archer gave a reading, little Virginia Bell Gamble and Nell Stevenson gave a Japanese song in costume, which was especially pleasing. Mrs. G. V. Slaughter, Jr. gave a reading in costume and after a hearty applause responded to an encore.

Mrs. E. L. Angus favored the guests with a vocal selection "Carry Me Back to Old Virginia." The program was concluded with a humorous reading by Mrs. A. N. Gamble.

After the program seven tables were arranged for eighty-four. In the games Mmes. Geo. Lider, Geo. Smith, A. L. Scoggins and E. C. Henry received high score.

Refreshments were served to the following: Messrs. and Mmes. J. G. Wood, J. B. Jenkins, R. E. Horne, A. D. Cum-

mings, O. P. Rutledge, Glad Snodgrass Sam Thurmon, O. T. Williams, J. C. Gilliam, A. N. Gamble, A. L. Scoggins, T. S. Stevenson, R. E. Fry, E. C. Henry J. A. Arwine, Albert Clubb, J. B. Bartley, Jno. Reagan, Robt. McGuire, James Colville, P. G. Stegall, Dr. and Mrs. V. Andrews.

Mmes. J. R. Archer and daughter, Miss Robbie; Jno. Farris, E. L. Angus, A. J. Welch, G. R. May, J. U. Borum, G. V. Slaughter, Jr., Geo. Lider, Geo. Smith, Fred Bell, M. F. Husky.

Misses Daltis Rea, Lula Belcher, Jean Ayres, Jessie Merle Scoggins, Mabel, Julia Adams, Gwendolyn Stegall, Venitta Borum, Zelma Chambliss.

Hazel Probasco, Kate Lee, Mary Louise and Dorothy Thurmon, Evelyn Allmon, Laura Blanche Hilton, Edelle King; Messrs. John Maxwell, D. Fyffe, Skeet Thornton, Kinder Farris, T. S. Stevenson, Jr., and L. D. Moss.

 Christian Endeavor will attend the union meeting at the Christian church. Evening worship at 7:30.  
 Prayer and study hour Wednesday evening at 7:30.  
 The public is cordially invited to worship with us.

**FIRST CHRISTIAN CHURCH**

F. L. Davis, Minister  
 The services last Lord's day were fine and full of pep. The Sunday School attendance was fine and good interest manifested throughout. The young married people's class is going fine and interest is on the increase.  
 We enjoyed having Scout Executive Knox, of the South Plains Area, last Sunday night. He brought us a good message. One of the worst things about it, it was too short. Services next Lord's day will be as follows: Sunday School at 10 o'clock, with Supt. John A. Enoch in charge. Preaching immediately following. The subject will be "God's Home and Country" in keeping with the National Educational Week.  
 The Young people's union will meet

with our Endeavor's next Sunday at 6:15 o'clock. Note the time, 6:15. Let all of the young people come and enjoy the service.  
 Preaching at 7:30. The subject will be "Salvation on the Cross."  
 Weather and roads permitting we will fill our appointment at Mayview next Sunday afternoon at 3:30 o'clock. All in the locality are invited to attend.  
 Don't forget that you have an invitation to worship at the little church with a big welcome.

**BAPTIST CHURCH**

Rev. W. R. Hill, Th. M., Pastor

Sunday School, with Mr. Gilliam the General Supt., meets at 10 o'clock. Trained teachers in a graded Sunday School. Morning worship at 11 o'clock. For thirty minutes the pastor will give an exposition of Acts 2:38. The treatment will be cordial and didactical and spiritual.

The B. Y. P. U. meetings are at 6, except the Jr., which is at 4:30.  
 The evening preaching hour is 7 o'clock.

A cordial invitation is extended visitors. Come with us and we will try to do you good. Come and welcome.

**AT THE CHURCH OF CHRIST**

Ira L. Sanders, Minister

While some of the members were off at other places out of town, yet there was a fine audience present at the City Park Church of Christ last Lord's Day. Bro. Curb read the lesson at the hour of worship and Bro. Dickey made a nice talk. The Bible Study at 10 o'clock was also good. All classes are growing in interest and numbers and we are delighted with the progress.

We now have some new class rooms arranged in the basement, which gives the young people's class more room and they were delighted to have some more new students in their class last Lord's Day. All were invited to be with us again next Lord's Day. Preaching at 11 and 7 o'clock.

**McCOY M. E. CHURCH**

There was recently organized at the McCoy community Methodist church a women's Missionary Society with the following as officers:

Mrs. Will Snell, president; Mrs. E. W. Holmes, superintendent of mission study; Miss Ura Smith, recording and corresponding secretary; Mrs. Cecil Grigg, local superintendent; Mrs. S. F. Smith, agent for Missionary Voice and Social Service, and Miss Jessie Dalton, treasurer.

J. A. Wyman returned to Floydada Thursday from a visit in Dallas with his son, Judson. He left Friday morning for Carlsbad, New Mexico, where he will visit with his brother, T. O. Wyman.

Sam Reynolds, of Plainview, was a visitor in Floydada, Sunday.

**PERMANENT WAVE MACHINE IS INSTALLED AT PALACE PARLOR**

Installation of a permanent wave machine, the first of its kind in this city, was made last week at the Palace Barber Shop and Beauty Parlor. Miss Ruby Tinnin, beauty specialist in charge operates the machine.

Miss Tinnin returned recently from Dallas, where she has been for the past few weeks taking a special course in one of the largest beauty schools in that city. With the use of the new machine, she will be able to give what is known as the "Eugene Permanent Wave." The Eugene method is used in London, Paris and other large cities, and women of this section are elated over the opportunity to secure this work in this city, it was stated.

**DEMPESEY-TUNNEY FIGHT FILM WILL BE SHOWN HERE FRIDAY**

Tex Richard's famous fight between Jack Dempsey and Gene Tunney held recently in Soldiers Field, Chicago, will be shown in Richard's own moving picture next Friday afternoon and night at the Royal Theatre, it was announced this week. The blow by blow and round by round picture of the famous championship bout, with the questionable seventh round in slow motion, will afford local fight fans an opportunity to judge for themselves the world championship right to the crown.

The picture to be shown here is the official film taken at the ringside of the famous bout by the manager. It is appearing here by special permission of the promoter and is expected to draw fight fans from all portions of the county. It is being shown in connection with the regular picture and is offered as an Armistice Day special.

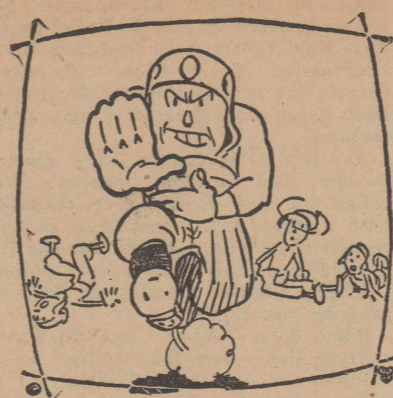

**TAYLOR AND KEYLOR LYCEUM OFFERING AT ROYAL MONDAY**

The fun program to be offered here on the evening of Monday, November 14 at Royal Theatre by the noted Taylor and Keylor Company, is one of the platform's most unique entertainments. Versatility is the keynote of the success of these young men. Their entertainment endeavors to embrace a wide variety of features, including Juggling, Magic, Ventriloquism, Paper-Tearing, Clown Characterizations, Vocal Numbers, Pianologues, Character Songs, Imitations and Rag Picture Creations.

Herbert Taylor is a magician, Ventriloquist and a clown.

W. O. Keylor is a tenor soloist of considerable attainment, featuring vocal work and pianologues.

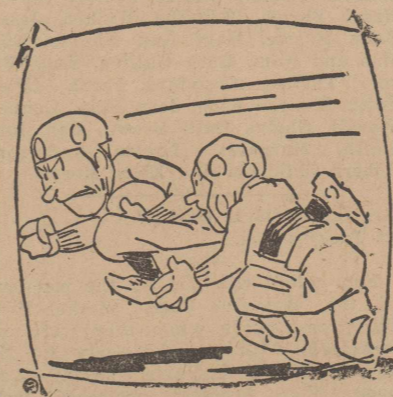

The Taylor and Keylor Program is for the grownups as well as for the kiddies. Through ingenious program arrangements, old and young are continually and delightfully entertained. Their appearance here will mark a delightful trip through "Funland," "Mysteryland," and "Mysteryland."

### What's Doing In West Texas Today

**STINNETT**—A big free barbecue which will be attended by United States Senator Earle B. Mayfield and other men of prominence will celebrate the arrival of the Rock Island Railroad into Stinnett here November 15. This road is now being built from Amarillo to Liberal, Kansas; rails reached city limits of Stinnett October 23. All towns and communities of the North Panhandle will send delegations. Excursions are already being arranged by Amarillo and Liberal, Kansas.

**BURKBURNETT**—Formal opening of the new Inter-State Free bridge across Red River, between Texas and Oklahoma, was celebrated here November 5. Officials of the West Texas Chamber of Commerce participated in the affair; the bridge was erected at a cost of \$80,000.

**THALIA**—This Floyd County town has led the ranks of affiliated West Texas Chamber of Commerce towns. Substantial memberships were subscribed at a recent visit of the regional organization's field man, who was accompanied by Mack Boswell of the Crowell Chamber of Commerce.

**MALLOWATER**—This farming community of some 250 people claims the highest record for the plains country this season. One thousand four hundred bales have been ginned here, more than any other town on the plains. Attention was made recently with the West Texas Chamber of Commerce.

**PAMPA**—Work on the proposed railway from Pampa to Cheyenne, Oklahoma is expected to start early in 1928. The line was offered through a proposal made by Frank Kell, Wichita Falls capitalist and president of the Clinton & Oklahoma Western railroad.

**MEMPHIS**—Business interests of Memphis, Childress, Quanah, and Chillicothe have employed an expert to conduct rural organization work in Hall, Hardeman, and Childress counties, with special stress on dairying.

**HAMLIN**—Hamlin now has four rural mail routes which cover an area of 228.59 miles.

**WEATHERFORD**—The local feed manufacturing mill here is having a record business. Demand for corn has been so great that carloads have been ordered from northeast Texas. The mill grinds corn and grains into feed for cattle feeders, dairymen, and poultry raisers of the section.

**OVALO**—A harmonica band has been organized here and will feature community entertainment programs.

**ROADSHAW**—Farmers of this territory including those from Lawn, Ovalo, Lawn, Kuion, Shep, Moro, Cedar Creek, Iberis, and other communities south of Abilene, were given opportunity to attend a terracing school at Escobedo the first week of November. The school was conducted by J. R. Masterson, Taylor County Agent. A similar meeting was held in Merkel at an earlier date.

**QUANAH**—Quanah was the scene of one of the most unique city celebrations ever held in this section November 4 and 5 when a tribe of Comanche Indians came from their Oklahoma reservation to Quanah, which was named in honor of their chief's father, Quanah. President R. W. Haynie of the West Texas Chamber of Commerce was invited into the tribe and made a white chief. Manager Homer D. Wade and Publicity Manager E. H. Whitehead were in attendance at the Harvest Moon celebration.

#### TECH APPLIES FOR BIRTH IN SOUTHWESTERN CONFERENCE

**LUBBOCK, Texas, Nov. 9.**—At a recent meeting of the board of directors of Texas Technological college, President Paul W. Horn was authorized to make application for admittance into the Southern Association of Colleges and Secondary Schools. Voluminous data regarding the Tech faculty and other information about the school has been submitted, and Dr. Horn or his representative will present Tech's application person at the annual meeting of the association in Jacksonville, Fla., December 1 and 2.

The trustees also voted to approve Tech's application for membership in the Southwestern Conference. This application will be presented at the annual meeting of Southwestern Conference representatives in December. Support

porters of Tech are very hopeful of the school being admitted into the Conference in view of the notable showing which the football team has made during the three seasons of the school's history.

### Locals and Personals

Ovis Awtrey of Plainview spent Sunday here with his mother, Mrs. Mary Awtrey, and other relatives.

Maurice Burke, formerly of this city and recently of Dallas, is now making his home in Plainview. He is employed in the offices of the Plainview Cotton Compress Company.

Miss Velma Deen, who is teacher of piano in the Amherst Public Schools, returned home the earlier part of last week to spend a vacation of two or three weeks, with her parents, Mr. and Mrs. Tom W. Deen, while the school is dismissed for cotton picking.

### FOUR NEW BUILDINGS UNDER CONSTRUCTION ON TECH CAMPUS

**LUBBOCK, Texas, Nov. 9.**—With four buildings under construction, the Tech campus presents a busy aspect. The favorable weather has been responsible for rapid progress of the construction work.

The first unit of the agricultural building is practically finished, and Dean A. H. Leidigh and his faculty expect to move at once into their new home. Both offices and class rooms are provided for in the new structure. The home economics building, which has been housing the agricultural school, will now be used entirely for home economics.

The home economics practice house will be ready for occupancy about January 1. This building will be one of the show places of the Tech campus. With excavations complete for the new

engineering building and concrete being run for the foundation, the walls will begin to rise real soon. This building will have a frontage of 275 feet and will be an imposing structure. A greenhouse for the agricultural school makes the fourth building now under construction.

Ability to swim is a requirement for graduation in 19 public and in 29 private colleges and universities in the United States, as shown by a study of physical education in American colleges and universities, by Marie M. Ready, results of which have been published by the Interior Department, Bureau of Education, as Bulletin No. 14, 1927. In Dartmouth College all first-year students must pass the swimming test before they are allowed to participate in other physical activities.

In a campaign against diphtheria in Georgia about 125,000 children were immunized through cooperation of the school authorities, the State board of health, and parent-teacher Associations. About 50,000 of the children were treated privately. The State laboratory distributed 76,555 cubic centimeters of toxinantitoxin and 7,650 Schick tests to determine immunity against the disease.

### In a Bad Fix from INDIGESTION

"I had suffered with indigestion for 6 years," says Mr. H. C. Dove, R.F.D. 4, Chester, S.C. "I had gotten to the place where I could hardly eat a thing—everything hurt me. I had smothering spells and fell off 20 pounds. I was in a bad fix.

"I read of Black-Draught and decided to try it. I do not believe that I would have been living today had it not been for Black-Draught. I had gotten to where I only ate milk and crackers, but after taking Black-Draught I began to eat and gradually got my appetite back. I gained in weight and felt better. I have not had a bad spell of indigestion in ten months."

Theford's Black-Draught is prepared in a powder from medicinal roots and herbs. In use over 85 years.

Sold everywhere. 25 cents.

### Whirlwind-Post Game Determines Finalists

(Continued from page one)

eleven men in whose hands rests Floydada's conference hopes will go into the game—sure that they have the "stuff" and equally sure that the powerful crew they will oppose have a fighting determination and will put forth every ounce of their fighting energy. With four conference games to their credit, and their goal uncrossed by a Class B team, Coach Jay's Whirlwinds have piled up a tremendous score against their opponents. However, they are being challenged by a heavy team, who have been demons with their opponents and the outcome of the game is an uncertainty for both squads.

#### Teams in Good Shape

Except for the usual minor bruises and sprains which are prevalent throughout the season, the Whirlwinds are in the pink of condition. Edwards is still stiff from an injury sustained in the Spur game and Porterfield is out with a wrenched ankle. However, other Green and White men are feeling as fit as at any time during the year and are ready to give battle with a vengeance. Reports from Post state that every one of their heavy men are in the line and will play Friday.

Just what line of attack Coach Ike Jay will stress has not been announced, but it is expected that end plays and passes will feature the plays. Post is reputed as having a powerful passing machine and it is believed by local fans that they will use an aerial attack.

#### Interest Runs High

Much interest is being shown in the coming game Friday because of the opportunity offered local fans to see the "probable" champion Whirlwinds in action on their home grid. The Turkey Day game between the Floydada boys and the Slaton Tigers, provided the Slaton teams defeats Lamesa, is scheduled to be played in the Tiger town. On the other hand, if Lamesa defeats Slaton, the championship game will probably be played here or in a neutral town. Thus, for certain, Floydada will witness its nearest to a district championship game tomorrow when the Whirlwinds meet the Post eleven.

As special guests of the Chamber of Commerce, more than one hundred sheriffs will see the game while they are here this week in their quarterly meeting. Many spectators are expected from Post, also.

Golconda is a ruined city in India, seven miles northwest of Hyderabad. The diamonds cut and polished in Golconda were once world-renowned. From 1512 it was the seat of a powerful government until it was taken by Aurang-Zeb in 1687 and made a Mogul province.

take them on a motor tour of the city and the Country Club grounds, where they will be entertained for a few hours. The caravan will return at 6 o'clock. R. E. Fry, Glad Snodgrass and O. P. Rutledge have charge of this feature of the program.

At 7 o'clock this Thursday night an informal ball will be given in honor of the sheriffs. The social event will be given at the Barker Bros. building on West Missouri Street, one-half block northwest of the square. The ball will be open to the general public and an admission fee will be charged. The Floydada Orchestra, directed by A. L. Lundgren will furnish the music for the occasion. Roy Snodgrass, John Maxwell and John Reagan have direction of the dance.

Manager J. G. Deakins has announced that all association members wearing badges will be admitted free to the Royal and Olympic theatres Thursday night. He stated that his feature for the Royal would be Louise Fazenda in "Cradle Snatchers" and at the Olympic "Jetta Gouda" in "Fighting Love." "Come and see these shows Thursday night," Mr. Deakins said in issuing his invitation.

On Friday morning the second business session will be held in the County Court room. The time set for the meeting is 9 o'clock. At this time, selection will be made of the next meeting place and other matters of import. The adjournment will be made at 10:50 o'clock.

A brief observance will be made of the four the armistice was signed ending the World War. The Floydada Municipal Band will stand at attention facing west at 11 o'clock, sharp Friday morning. "Taps" will be sounded on the bugle by Band Director Lundgren. Absolute silence will be maintained for two minutes and then the activities of the day will be resumed. The band will render a concert and then will form in parade, passing around the square and thence to the place of the banquet. The "feed" will be served in the Martin building on North Main Street, immediately north of the Floyd County National Bank.

At high noon, Friday, the visitors will be honor guests at a sumptuous luncheon prepared and served by the Floydada High School P. T. A. Tickets for the luncheon were placed on sale here last week and two hundred plates have been reserved.

L. G. Mathews will preside as toastmaster at the banquet. The welcome address will be given by E. C. Nelson, president of the First National Bank. Sheriff Frank Edmondson of Vernon, Wilbarger County, will make the response.

Marksmen among the peace officers will compete for honors at a target shoot at the Floydada Ball Park at 2:30 o'clock Friday. Interest is running high in this event. Sheriff Stegall has offered a prize of \$50 in gold to the officer registering the high score. Judges Eugene Collins of this city and Arthur Barker of Lockney.

Following the shooting, the Floydada High School Green and White Whirlwinds will clash with the Post eleven in a struggle for the right to enter the final grid match in District 2 of the Interscholastic League.

Special invitations have been extended the sheriffs who are chapter members to attend the Eastern Star meeting of the local organization tonight. Special invitations have also been extended to have the delegates hear the free lecture by Dr. C. A. Piere of W. T. S. T. C. this Thursday afternoon at 3:30 and this evening at 7:30 at the High School auditorium. The American Legion will hold an Armistice get-together at the Legion Hall Friday night and all visiting sheriffs are urged to attend as guests of McDermott Post. L. G. Mathews, E. L. Norman, Deputy E. Ray Smith, Sheriff Stegall and Ed Bishop, secretary of the Chamber of Commerce comprise the general steering committee in charge of the plans for the entertainment program for the two-day meet of the association.

Among the out-of-town visitors who had registered at 10:30 Thursday morning were: Sheriff S. J. Russell, Robert Lee, Coke County; V. E. Davis, Sterling City; J. T. Crawford, Seagraves; C. V. Worrell, Seymour; J. R. Huet, San Angelo, Tom Green County; Joe L. Ray, Lamesa, C. B. Johnson, Seymour, H. C. King, Chillicothe.

O. D. Pogue, Chillicothe; S. D. Guimarin, Sterling City; L. G. Phares, State Ranger, Austin; W. B. Guthrie, Amarillo; C. C. Garrison, Silverton; M. C. Pott, Silverton; Elmer Reed, Crosbyton; L. D. Olive, Bastrop; R. F. Wilkinson and R. E. Smith, Hillsboro.

### Johnson Tells Story Of Building Lee Highway

(Continued from page 1)

Glenn of Matador, came in for warm praise for their efforts in supporting the organization during the past five years.

"The line is now located through the five counties represented here, including Floyd County, though we have been repeatedly appealed to the change the route and could thereby have obtained greater and more ready financial assistance in our work," he said. "While we need and must have financial assistance, the route is the primary consideration—the proper route for a highway that shall bear the name of Robert E. Lee." How the influence of the Lee Highway Association in national council was given to aid in bringing order out of chaos in the construction of inter-state and inter-county highways, how the highway came to be on the list of U. S. Arterial roads were graphically told.

#### Crosses 114 Counties

"I am now here to ask the aid of the people in Texas, particularly now of Floyd County, to help us carry out this magnificent program, firmly believing that in the next generation the highest development and the greatest culture will be seen along the route," the speaker said. "Experience is proving that the best investment in any country is hard-surfaced roads, leaving the matter of type to the engineers. Our route crosses from ocean to ocean, 114 counties, all of which either have completed or have under way their programs except two in Oklahoma, Floyd and three others in Texas. Build roads all over the county, give all sections a square deal, but build systematically and with a program that will meet the greatest need first."

Judge Wm. McGehee, chairman of the Nine-County Association of Judges and Commissioners, presided at the meeting, which was attended by representatives of eight of the nine counties, and all of whom gave reports as to progress on the route through their counties. A telegram from the Fort Worth Chamber of Commerce, expressed regret that illness prevented a representative of that organization from being present, and a letter from J. D. Townsend, county judge of Wilbarger County, expressed regret that he could not attend the meeting, and recounted the work in that county where a program of road building was begun several years ago, which in a short time will result, he said, in putting a hard-surfaced or gravelled road by the front door of every school house in Wilbarger County.

"Build Now"—Coffee

R. H. Coffee, called upon as one of the leading workers for Lee Highway Association and its routing through this section, declared that the people of the counties on the route had better get in on the highway program now and build roads. A big responsibility, particularly, rests on Floyd County people, he said. At this time the Highway Commission has definitely assured all counties on the route of two to one aid for building the highway through the state. Secretary Shipp, of the Vernon Chamber of Commerce, told of the possibilities of concerted action in communities and counties, and Judge Atchison of Foard County expressed pleasure that his county was designated on the Lee Highway. "We have our engineering work practically completed and will soon be ready for bids," he said, recounting that his natural leaning was against road bond and similar issues, but that this particular instance the movement for paving on bond money had his hearty sympathy. Commissioners Wisdom and Harper, and Mac Boswell, were among the other Foard County men who made brief talks.

Engineering work in Cottle County is nearly completed for the highway and contracts will be ready to let soon, Commissioner Wade of Cottle County said. "It will mean a great deal to us if Floyd County does not make a gap in the route of hard-surfacing," County Engineer McDaniels, of that county, also spoke briefly of the esteem in which he held the Lee Highway organization.

County Judge Jordan, of Motley County and Judge C. L. Glenn of Matador, director for Texas of the Lee Highway Association, spoke briefly, the latter praising the untiring energy given Lee Highway Association by Dr. Johnson and the latter's personal integrity. Geo. L. Mayfield, Judge of Hale County, and two of the Hale County commissioners were present and made talks. Commissioner Hooper, of Hale County, said that in constructing highways plans should be made to include in the program every portion of the county.

#### Schrier Favors Roads

"No county on Lee Highway will ever regret the money they use to build hard-surfaced roads," Fred Schrier, of Lamb County, told the assembly. He is the grandson of a famous road builder and has watched development and progress in many states for many years as it followed the building of good roads. First bonds in that county have already been voted and expended for building the road beds and drainage structures for hard-surfacing roads as soon as transportation costs can be reduced, Commissioner Walker said, and the declaration that Bailey County would have hard-surfaced roads earlier than would Lamb was made by a representative from that county.

H. B. Adams, of Lockney, made a strong plea for Lee Highway paving in this county. He offered a program of construction in the county, which he declared would serve all interests, touch every school district in the county except two, and which could be constructed cheaper and better than could just one road through the county. This plan includes the Lee Highway, also a road leading to the southeast corner of the county from Floydada, the Ralls-Silverton Highway, and a highway across the county from the northeast to the southwest corner of the county, along the Fort Worth & Denver Railway. His estimate of the cost of such a program is \$1,300,000 and the tax levy necessary to handle it on present valuations eighty to eighty-five cents. This would lower rapidly, however, with the big increase in development and population of Floyd County, he said. In eight years he predicts the population of this county will be 35,000 in ten years 50,000. Its taxable valuations in five years will be

\$18,000,000, he forecast, and in ten years \$25,000,000. "The big industries building in Floyd County now as fast as men and machinery can construct them will add two or three million dollars to our valuations, and these are only the beginning of the developments in this county," Mr. Adams declared. "The plan I am advocating will give us 125 miles of paved highway, will touch every school district in the county except two and will serve all of them. It affords highway facilities to all and gives every community right and justice."

The big development of the country through which the Texas section of Lee Highway passes was the subject of a brief talk by R. M. Johnson, of New Mexico, a son of Dr. S. M. Johnson, president of Lee Highway Association, who said he had travelled 200,000 miles, burned \$5,500 worth of oil and gas, broken fifty springs, and changed 500 tires travelling in the interest of Lee Highway. He gave testimonial to the work done by Dr. Johnson in the face of odds for Lee Highway Association. "There is not now and has never been any graft in Lee Highway Association," he declared. "My father has passed up many legitimate propositions, avoiding even the appearance of evil."

Local Citizens Talk

Following the meeting of the judges and commissioners the meeting was given over to county discussion of the questions of whether further bond elections should be called at this time, what changes if any should be made in the form of the plans, and if no election should be called at this time, when such election should be held.

"Build your road now while you can get two for one aid on it," was the advice of F. L. Davis of this city. "We have held two elections already and the matter should be postponed indefinitely," W. M. Massie said. "The bonds can be voted later on, whereas if we voted them now and found it to be unwise we could not throw the debt we would have created," he said. "I would hate to see another election called soon and believe the people of the county would resent it."

W. L. Boerner declared he would like to see another election called as soon as possible for the paved road bonds, and H. B. Adams declared there was nothing to the idea of waiting. "The only thing that is worrying me is why the commissioners court has not called the election that we have petitioned for. In the round table talk that followed R. M. Johnson said that paving is a matter of investment. It keeps going over the country because it has been found to be a paying proposition, he said. In this connection, F. L. Davis declared that in six weeks last year failure to have Lee Highway paved from Floydada eastward has cost the county and state more than all the taxes paid in by citizens of the county in the current year.

"The cold figures prove that we are paying the bill for paved roads whether or not we have them," Judge McGehee pointed out, showing that the highway bill in the county last year was \$98,000. He also said it should be borne in mind that while taxable values this year in this county are \$11,298,200 the actual values are fully \$40,000,000.

Ivey Thomas of Ramsey, said he had not been invited to the meeting, but that he felt that what the horny handed farmer needs is "more rain and less talk," adding that when he came here twenty years ago he paid \$9 taxes per year on 160 acres of land that now costs him \$60 per year for taxes.

F. T. Emert, of Mayview, declared that if the ideas advanced by H. B. Adams and F. L. Davis were adopted and a \$1,500,000 bond proposal put before the people to pave roads all over the county, "you won't have to go out and get the people to come in to vote for the bonds," indicating his belief such a plan would meet with the approval of a large majority of the people.

The meeting held following the regular session of the judges and commissioners, was in response to an invitation sent out to more than a hundred people in various parts of the county, some known to be for and others against a bond issue for paved roads. A good attendance of these was had for the earlier part of the evening's program but they began leaving the room after the afternoon began to advance, so that the meeting was adjourned before any action was taken as suggested a plan of procedure.

### Classify Rural Schools Of County By Grades

Rural schools of Floyd County Monday of this week were classified by the County School Board in meeting at the County Superintendent's Office, the classification being made under the provisions of the law passed by the last legislature in order to give pupils of the various districts the benefit of free tuition in schools of higher classification.

In that classification the board took principally into consideration the number of teachers used in the various schools, the schools being divided into four classes as follows:

Schools in which shall be taught subjects to and including the seventh grade: Fairmont, Hillcrest, Newland.

Schools in which shall be taught subjects to and including the eighth grade: Pleasant Valley, Muncy, Pleasant Hill, Harmony, Mayview, Providence, Blanco Liberty, Ramsey, Goodnight.

Schools in which shall be taught subjects to and including the ninth grade: Fairview, Starkey, Aiken, Sunser, Center Lone Star, Cedar, McCoy, Baker, Antelope, Allmon, Campbell, Reseland.

Schools in which shall be taught subjects to and including the tenth grade: Irick, Sand Hill, Prairie Chapel, Lakeview.

In the first classification are schools that have one teacher only, in the second classification schools that have two teachers, in the third classification schools that have three teachers and in the fourth classification those that have four or more teachers.

The county apportionment for the scholastic year was set at \$1.25 per capita. All members of the board were present at the meeting together with County Superintendent Price Scott, who is its ex officio secretary. The board personnel is made up of L. B. Maxey, county chairman; J. W. Howard, J. F. Dollar, J. H. Upton and W. N. Jones.

### Armstrong Launches Plans This Week For Filming Cinema Drama Of Plains

Film First Scenes Of Feature At Big Celebration At Floydada.

Heading his own producing company and bringing with him from Hollywood trained cameramen and three principal characters, G. M. Jack Armstrong this week began whipping properties and plans into shape for the production of a picturized drama of the growth and development of the plains of Texas, which will require four to six weeks on a plains location, and will open the actual shooting of the stunts for the picture with a stirring roundup on November 25 and 26, he announced yesterday.

Back From Hollywood

"The coming of Dan Noble" will be the working title of the picture, which will be a six-reel feature story that will depict in dramatic form the overcoming of obstacles incident to the development of the plains the final recognition by the financial giants of the soundness of the section and the triumph of the hero in his enterprises. The story is his own, written especially for the plains.

Armstrong, who was reared in Floydada, the son of Mr. and Mrs. N. A. Armstrong, has been spending most of his time the past five years in the vicinity of Hollywood. His most recent effort in motion pictures was as a gaucho or South American cowboy in a Douglas Fairbanks picture. Armstrong was injured by a falling horse and is just recovering from these injuries.

If the enterprise proves successful, and he is very confident of it, several more pictures already in contemplation will be made, probably a series of six or eight.

Plains Round Up

Featuring the opening of the work on the picture a Plains Round Up will be staged on November 25 and 26, to which invitations are being broadcast over an area in a fifty mile radius of Floydada, and it is hoped to obtain from the hundreds of people present that day a number of persons who will be cast for the play.

Start Wire Arena

Reaching home only Tuesday night, Armstrong began work on plans for the big round up after a half day of rest, and the construction of the huge arena of net wire for the round up will begin at once, probably today. Plans are to give the first part of each day to the shooting of stunt pictures for the cinema which will be followed by contests in horsemanship.

A feature each day for purchases of advance tickets for the round up will be a plate barbecue dinner, prepared by Fred Ramirez, famous Barbecue King of California, who will also have charge of the chuck wagon on location during the weeks that will be taken up in the production of the picture. A widespread sale of tickets will be begun in more than a dozen south plains cities and towns the first of next week, and Mr. Armstrong anticipates a huge crowd for the occasion, including scores of the most beautiful and popular young ladies of the plains section, who will be chosen by the citizens of their respective communities, and possibly used in this or future pictures to be produced.
