

Hearing On Santa Fe Extension Opens In Floydada Monday

Paving, Bridge, Fair, Railroad Hearing Among Subjects Aired by C. of C.

At Friday night's meeting of the general body of Floydada Chamber of Commerce, enough major subjects of vital interest to the community were aired to please the most exacting. Paving, railroad hearing, the unfair attitude of Dallas Chamber of Commerce, fall fair, a bridge across Blanco Canyon together with a north and south highway, and the financial condition of the Chamber were discussed or reported upon.

An election was held to make the meeting an overflowing one. O. P. Rutledge resigned as president, J. G. Wood, vice president, succeeding to his place and N. W. Williams was elected to fill the unexpired term as a director. Private business demands were Mr. Rutledge's reasons for resigning. J. I. Hammonds presided at the meeting held in the absence of both president and vice-president.

More heat was developed in the discussion of the Dallas Chamber of Commerce position than on any other subject, although the railroad hearing and opposition to the effort of the Santa Fe plan to run an extension southeast of Floydada with no eastern connection, aroused more enthusiasm, perhaps. L. G. Mathews, W. C. Grigsby, W. M. Massie, G. E. Hamilton of Matador, A. N. Gamble and J. A. Nickels talked on the subject of the attitude of the Dallas Chamber of Commerce, and resolutions were adopted asking that it be learned whether the attitude of that Chamber reflects "the studied determination of the major interests of that city" to oppose any railroad construction in West Texas save that of the Fort Worth & Denver. L. G. Mathews declared "Dallas is overlooking a good bet," pointing out that the Boles plan would give connection to eight or ten times the territory the Denver project would give. Secretary Bishop read a form letter being issued from Paducah that was discussed. Col. Massie expressed the belief that Dallas has arrived at that state of mind where she considers West Texas was made for Dallas' convenience. "We want competitive markets that Dallas doesn't care for us to have," he remarked. G. E. Hamilton declared it to be vital to Floydada's interests that Dallas be opposed.

County Fair Plans

S. N. Tawwater, of the Floyd County Fair finance committee reported approximately two-thirds of the \$2500 fund needed for the fair as subscribed. "We've got to have the rest of this and we will be out to see those whom we haven't seen," he said. Everybody seems to be in accord with the idea of staging a good fair, and the committee met with encouragement wherever they had been in their two half-days of work, he reported.

As regards a celebration in Floydada on July 4, J. H. Reagan, commander of McDermott Post, American Legion, says the matter is still a question. "If the community at large and the business interests in particular want the celebration again this year, the American Legion will be glad to take the lead," he said. "However, we would want to be sure of general backing and

WILSON RESIGNS POST COUNTY FARM AGENT

T. Scott Wilson's resignation as Floyd County farm agent has been announced, to become effective May 1. He has served in that capacity for almost six years, and is giving up the work in order to assume the management of the recently organized Community Supply Company.

Mr. Wilson is a 1912 graduate of Kansas University, having specialized in biology and completed a number of courses in agriculture and the liberal arts department. He attended the University of Arkansas and Fairmont College, Wichita, Kansas, before entering Kansas University. Upon his graduation Mr. Wilson taught science and agriculture in 1912-13 at Wellington, Kans., then worked for the United States Department of Agriculture until the summer of 1920 as entomologist or insect investigator, with headquarters at various times in California, Arizona, New Mexico, Kansas and Texas.

He next became connected with the State Department of Agriculture, with offices at Houston, in charge of the pink bollworm control work as it pertained to the oil mills and gins, and which required inspection, fumigation and enforcement regulations—dealing principally with seeds.

Since coming to Floydada as county agent Mr. Wilson has identified himself with a number of educational projects, including promotion of live-stock, general agricultural work, terracing and cooperative marketing in the farmers work.

A. & M. College officials will appoint a successor to Mr. Wilson, but it is expected to be several weeks before the appointment will be made known, Mr. Wilson said.

Miss Lucile Reed of Graham arrived in the city last mid-week and will visit with her cousin, Mrs. Claude Wallace, for some time.

Mr. and Mrs. T. C. Russell motored to Quitaque Sunday.

Rail Cases Consolidated At Request of Santa Fe

All railway construction proposals, representing five distinct applications for permission to build, and all five of which directly affect probable future construction in Floyd County, were consolidated into one case by the Interstate Commerce Commission by an order entered the latter part of last week. The cases were consolidated on application of the Santa Fe Railway Company, which applicant also asked that permission be granted for the introduction of new testimony. No new testimony can be introduced, according to the order entered by the Commission, information received in Floydada indicates.

The application of the Santa Fe was made following the filing of the report of Examiner Boles who recommended that the application of the Texas, Panhandle & Gulf be permitted to construct their lines if proper financing could be arranged by that line. His report would require the applicant to make use of the G. T. & W., the Q. A. & P. and an extension of the latter on the plains, and also arrange to enter Lubbock and Plainview by extensions or trackage arrangements. This last requirement the Santa Fe says is unnecessary and is the basis on which the request for new testimony was put.

Parties at interest are given 20 days from date of notice to file briefs.

Sommer Now President Of Q. A. & P. Ry. Co.

Chas. H. Sommer, of St. Louis, for a number of years active vice president of the Quana, Acme & Pacific Railway Company, was elected president of that railway company at a meeting of the directors in Quana the latter part of last week. He succeeds the late Sam L. Lazarus, who died early in March while in New York City on business.

No change in the plans for construction of their extension westward is anticipated, a statement from Mr. Sommer declaring that the company stands prepared to carry out its contract with Floydada for construction of their extension as soon as permission can be obtained from the Interstate Commerce Commission.

LEE HIGHWAY ASSN. MEETING ENTHUSIASTIC, SAYS GLENN

Judge C. L. Glenn, of Matador, was in Floydada Monday afternoon for a short time. He had been to Lockney to attend the Chamber of Commerce Luncheon Club and discuss with citizens of that town the Lee Highway and tell of the benefits this section may expect to derive from it.

Judge Glenn, at the Chamber of Commerce office in Floydada, declared that his belief is even stronger than ever in the value of Lee Highway; it is his belief that the possibilities of the transcontinental route are inestimable. He expressed delight that Lockney is now more highly interested in the highway through this territory, and believes that Floydada people should bestir themselves to aid in the promotion of the plans of the organization. The meeting of the association last week at Frederick, Okla., was a thoroughly enthusiastic gathering of Lee Highway people, the farthest east representative being from New Jersey. Tennessee, Virginia, Arkansas and Oklahoma were well-represented, Judge Glenn said.

Dr. S. M. Johnson, of Roswell, and Washington, D. C., was continued as director of the organization. The latter was in Floydada for a brief visit Saturday. He was enroute west with Major Barbour in the official Lee Highway inspection car.

Eskridge Resigns as Pastor Baptist Church, Goes to Winnsboro

Resignation of Rev. Edgar Eskridge as pastor of the First Baptist Church, which was intimated before the opening of the Baptist revival, has been turned in and accepted; he and wife left the city Thursday morning for Winnsboro, their former home. Rev. Eskridge expects to go into the evangelistic field.

The revival closed last Sunday, with Rev. Cal McGahey of Wayland College, doing the preaching Friday, Saturday and at the Sunday services, when Rev. Martin left at the request of his churchmen at Santa Anna. Two conversions and ten additions to the church were reported, and the attendance and interest throughout the meeting was considerably hampered by inclement weather.

County Federation Clubs Meet Here on May 1st

Spring Meeting Program Announced, To Be Held in High School Auditorium Saturday.

The Floyd County Federation of Women's Clubs will meet in Floydada Saturday morning at 10 a. m. Sessions will be held in the High School auditorium, and every woman in the county is cordially invited to be present, an announcement from federation officials states. Following is the program arranged:

Instrumental solo—Ethna Green. Welcome Address—Mrs. Geo. A. Linder.

Response—Mrs. G. M. Tate. County Federation and Rural Life—Mrs. J. G. Stapleton and Mr. Neely, all of the same community. They were arrested in Childress Tuesday of last week by Sheriff J. R. Maddox and ex-Sheriff J. A. Grigsby, who returned with the prisoners Thursday. A truck belonging to the Stephens family, carrying 19 turkeys, was taken at the same time. The truck and turkeys had not been returned to this county early this week, on account of the heavy rains which made road travel difficult. Charges were filed and the arrests made when Sheriff Maddox identified turkeys in the truck-load, alleged to be property of residents of Roseland from descriptions given by the owners.

H. A. Stephens and family have been residents of this county about a year, coming from southwest Oklahoma. At this time they reside in Roseland Community where they have a large force on a 450-acre share-crop farm, according to the information given officers.

This arrest is the second in connection with chicken and turkey thefts in the county. Two boys are now in jail in a border-county who are charged with wholesale thefts of chickens north of Lockney, in and near Floydada, and also charged with robbing a smoke-house belonging to Buster Allmon south of town.

Losses to poultry raisers through thefts, generally have been heavy during the past several weeks in this county, but the arrest near the New Mexico line is believed to have broken up a ring with a well-planned system who were causing more losses than any others.

Monday, May 10 Clean Up Day in Floydada

Monday, May 10, is Clean Up Day in Floydada and will be formally proclaimed as such by Mayor F. P. Henry next week.

Announcement of the day is made in advance by the city in order that citizens may be apprised of the date and make their plans to aid in its observance.

"The city plans quite a bit of work before the actual day of Clean up arrives," Judge Henry said Tuesday. "Alley-ways and crossings which cannot be reached right now on account of the mud can be cleaned out in a short time, and we expect to have all alleys and streets spick and span by May 10."

Judge Henry asks The Hesperian to say for the city that every citizen is expected to do his duty on Clean Up Day. Plenty of wagons will be available to haul off refuse that cannot be burned, and every means taken to make it as easy as possible for the observance of the day on the part of the residents of Floydada.

Along with the proclamation the mayor will announce captains for the various blocks and districts of town.

Fire Damages House

Fire last week, probably set by burning soot from the flue, burned a large hole in the roof of the J. J. Ryals residence two miles south of Floydada and came near destroying the building.

The fire was extinguished only after heroic efforts of Mr. Ryals and other members of the family. In addition to the fire damage there was also some water damage to the building which has since been repaired.

Clarendon to Pave 23 Blocks

Contract for twenty-three blocks of paving was recently let in Clarendon, the expenditure for which, together with a viaduct for the city, will cost approximately \$165,000.

Actual work is to begin about June 15, the specifications calling for three-inch brick on a four-inch concrete base.

Floydada Ties For Second Place at District Will Have 9 Representatives State Meet

Floydada High tied for second place in the total number of points scored at the district meet, her track team took third honors and Floyd County placed second among fifteen counties which won places in the Seventeenth Annual Interscholastic League Meet of District 2, held in Lubbock last Friday and Saturday at which 700 contestants were represented. Lubbock won first place with 56 points, Floydada and Lockney tying for second with 52 each, then came Slaton with 35 points and Fluvanna 20.

Athletic points won by Floydada came from Hal Scott and Roy Swain placing first and fourth, respectively, in the mile run; John Edwards winning second in both the shot put and discus; the relay team of Swain, Scott, Steen and Terry capturing first honors; and the boys tennis doubles team of Jim Carter and A. D. Summerville beating Lubbock's entries after five sets of desperate and determined play, 3-6, 6-4, 6-3, 1-6, and 8-6. Then, Floydada's boy debaters, Tom Bishop and Franklin Walker, did exceptionally good work throughout, winning in the finals from Lamesa by a unanimous decision of the judges on the negative side of the question: "Resolved, That the Constitution of the United States should be amended to allow Congress to have power to regulate the labor of persons under 18 years of age." They also eliminated in the order named Crosbyton, Post and O'Donnell, receiving only

Turkey Theft Suspects Arrested at Childress

Father and Son, Residents of Roseland, In Jail Charged With Theft of 19 Birds

H. A. and Virgil Stephens, father and son, 50 and 25 years of age respectively, members of a large family residing in the Roseland Community north of Floydada, are held in the Floyd County jail charged with the theft of turkeys from the farms of Ivey Thomas, Mrs. J. W. Sims, Mr. McCloud, Bill Collins and Mr. Neely, all of the same community. They were arrested in Childress Tuesday of last week by Sheriff J. R. Maddox and ex-Sheriff J. A. Grigsby, who returned with the prisoners Thursday. A truck belonging to the Stephens family, carrying 19 turkeys, was taken at the same time. The truck and turkeys had not been returned to this county early this week, on account of the heavy rains which made road travel difficult. Mother of 21 Is Now Living Near Town of Silverton

A family of 21 by a single mother—no second or third marriages whatever, with big families on each side already. Well, that's among the few things one doesn't see oft-times nowadays, with auto, real estate and every imaginable type of solicitor, high taxes and high everything else on the right, the left, in front, behind, perchance above and doubtless below—everywhere, in fact!

But that's the truth—this mother of 21 proposition, right up near Silverton too, on a farm north of town belonging to one Will Woods. The mother is a Duroc Sow. And the offspring—yes, they're little pigs! All were alive when they discovered America on Mr. Woods' farm, but two have since died, reports state, while the family is such a large one that milk bottles have to be used to supplement the natural method of sustenance for infant piglets.

Ted Borum, A. D. White and Polk Goen visited in Spur and Post City Sunday.

Mr. and Mrs. Burke Dooley and Mildred Kiser arrived in the city Monday afternoon for a several days visit with friends.

Railroad Commissioner Terrell Consents To Change In Wire Received Wednesday

The hearing on the application of the Santa Fe for an extension out of Floydada to a point 15 miles southeastward within Floyd County, will be held in Floydada. This information was received Wednesday morning by Ed Bishop, secretary of the Chamber of Commerce from C. V. Terrell, Railroad Commissioner of Texas, who will conduct the hearing.

O. P. Rutledge Resigns As President C. of C.

O. P. Rutledge Friday of last week resigned as president of Floydada Chamber of Commerce and the resignation was received by the organization Friday night and accepted. At the same time a motion unanimously carried that the Chamber adopt a resolution of thanks to Mr. Rutledge for his untiring efforts as president and likewise as temporary secretary and "private in the ranks" in the past.

Mr. Rutledge assigned as his reason for resigning the demand of private affairs which will require more of his time than he is able to give them while serving in the capacity of president.

J. G. Wood, vice president of the Chamber, becomes president by the resignation of Mr. Rutledge. N. W. Williams was elected a director to complete the membership of the executive board.

OTIS MURRAY BUYS GARAGE; LEASES HUGHES BUILDING

Announcement is made this week of the purchase of the Day & Night Garage from J. M. Hughes by Otis Murray, the change to be effective beginning Saturday. At the same time the new owner of the property is given a term-lease on the Hughes Building which houses the business.

The new owner was formerly with the F. F. Service Station, and more recently in the real estate business.

60 Quarts of Red Liquor And Car Captured Here

Sheriff J. R. Maddox and ex-Sheriff J. A. Grigsby made a big liquor haul in Floydada Sunday night, 60 quarts of red liquor in fruit jars being taken, together with a New Mexico car, parked in the Tourist Camp Ground; and in the small hours of the same night M. E. Priest, of Roswell, N. Mex., alleged to be the owner of the car and the liquor, was accosted and arrested on the Ralls Highway four miles south of town near the E. C. King place. He was placed in jail and charged with transporting liquor.

The car in which Priest was riding when captured was an old Ford. It had one license plate, a New Mexico number. According to the officers, the whiskey was spread out in and under the car, apparently awaiting the arrival of customers.

Annie Donathan Leaves City For Hospital Work at Amarillo

Miss Annie Donathan, for the past three years a nurse at the local sanitarium, left the city Monday morning for Amarillo, where she will complete the work of a graduate nurse at the Northwest Texas Sanitarium. The course will require two years of work there, after which she expects to do graduate work in the surgical field at Galveston and perhaps Chicago.

Miss Donathan is the daughter of Mr. and Mrs. F. P. Donathan of the Lakeview community, and has spent the greater part of her life in Floyd County.

Great Southern Life Insurance Field Man Visits City

Ed S. McKinney, field representative of the Great Southern Life Insurance Co. with headquarters in Amarillo, is in the city this week in the interest of that company. A. C. Goen is local representative for the agency.

Mr. McKinney formerly resided at Rocky Ford, Col., and only recently moved to Amarillo.

Luther Meeker, who moved from Floyd County about three years ago to Apache Junction, Arizona, has been visiting his sister, Mae Meeker, and other relatives of the county. He will return to Apache Junction, which is about 32 miles east of Phoenix, Monday.

Maize, Cotton Planting Started in Floyd County

Maize and cotton planting in Floyd County started Monday of this week and with temporary stops on some farms has been under way since, and unless some marked change in the weather occurs the early acreage planted to these row crops is going to be large.

Sudan and millet plantings are going to be more extensive than last year, it is believed, as a number of farmers make their plans to reduce the cotton and forage crop acreage by this means.

News that the change from Lubbock to Floydada as the place for the hearing had been made, was received with considerable relief locally, the belief being general that the hearing should be held on the ground where the proposed extension is to be made. Floydada will be much more accessible to witnesses living within the territory, who will be asked to testify in the hearing, it is thought here. The prospect of having to go to Lubbock for the hearing was not relished by local people who are deeply concerned in the outcome of the proposal.

Change in the place for the hearing results from efforts of the local Chamber of Commerce, all parties at interest consenting to the change, including the Santa Fe and the Quana Route, the latter as protestants against the application of the former. When the matter was taken up with Commissioner Terrell he advised that the hearing had been set to be held at Lubbock "on account of the inaccessibility of Floydada" and what was thought to be the lack of accommodations here for the hearing. This resulted in redoubled efforts locally, the belief being expressed by Chamber officials that if the Railroad Commission of Texas had no better knowledge of conditions locally than indicated in the correspondence, it was doubly important that the hearing be obtained for this place to give the examiner visual proof of the importance of the territory to be served and the tremendous consumer and producer interest in the outcome of the application; and the need for accessibility.

Just what attorneys and officials of the Santa Fe will be present for the hearing has not been learned locally. C. H. Sommer, president of the Q. A. & P., will be among those here for the hearing representing that railway company, as will Cecil Smith, of Sehman, the company's general counsel, and G. E. Hamilton, of Matador. Quana will be represented very likely, and a number of farmers in the territory will be asked to testify, it is thought, by both sides in the controversy over rail construction.

This week Commissioner Terrell is occupied with the other members of the Texas Railroad Commission in the cotton rate fight at Houston, which will occupy the time of the commission until Saturday, according to newspaper reports.

The hearing will be held in the District Court Room of the county court house, according to plans made by the Chamber of Commerce. Permission of county officials has been obtained to use as much of the second and third floors of the building as are necessary to furnish a room for the hearing and conference rooms for the various interests involved.

COMMUNITY SUPPLY CO. FORMED IN FLOYDADA

Will Buy Farmers Produce, Sell Merchandise to 400 Members; T. Scott Wilson Manager

Organization of a Community Supply Company to handle poultry, eggs and other farm produce and sell general merchandise to the 400 stockholders—members has been made in Floydada, with T. Scott Wilson as manager and treasurer. It is expected that the store will open in about three weeks, the Montgomery Building on the south side of the square having already been leased as headquarters.

Although most of the members are residents of the Floydada trade territory, Dickens, Hale, Motley and Crosby counties have approximately sixty stockholders in the Company. Officers and directors, elected at a meeting held in the district court room last Thursday, are as follows: J. B. Rutledge, President; A. J. Beedy, vice president; W. H. Nelson, secretary; W. B. Jordan, J. D. Christian, C. Alexander, E. W. Holmes, J. J. Thomas and William Finkner.

Announcement concerning the opening date and further details of the organization will be made at a later date.

PARK VANDALS

All of us are vandals, more or less. And there's always an "open season" on public property of any kind. Especially is this true as regards flowers and shrubs and things of similar kind in a park.

Efforts of the various club women of the town, especially the Parent-Teachers Association, together with the city, which have beautified City Park a great deal and made of it a site which will some day be the pride of the community and a beautiful location for an auditorium—the efforts thus put forth are being hindered some by the vandal. Continued reports reach the city office of flowers being pulled, of plants dug up by the roots and similar depredations that are exasperating.

It is true the park belongs to the whole community, and the flowers and shrubs that grow therein. But they belong no more to one than another. The park is a beauty spot for all. If you or I take some of the beauty from the park then we have taken more than our share. We have robbed the rest of the public of something.

Robbing a public park of its beauty is as wrong as robbing a store of its groceries or a farmer of the meat that hangs in the smoke house. Because it is public property is all the more reason it should have the protection of the portion of the public that cares from that portion of the public that doesn't care so long as they get what they want.

ALWAYS PLENTY TO DO

In every community there are always plenty of things to do that must have the unselfish attention of some one who works without reward or hope of reward except the feeling of duty well done and betterments effected.

Friday night's meeting of the Chamber of Commerce made this freshly apparent. Six or eight major problems of Floydada and Floyd County, at least two of which had problems inside of problems, came up for discussion. Some disposition must be made of them, or they might go along without attention and finally cease to be problems because the day for their execution had passed. In addition to these, there were at least two matters of major worth to Floydada which were not on the program and not discussed.

If you'll watch communities, you'll find those which meet these problems as they arise, with a citizenship which responds to the need for unselfish public interest, are the ones which forge ahead. The others fall behind. There are enough exceptions to prove the rule.

CLEAN-UP DAY AGAIN

Clean-Up Day in Floydada has been postponed this year until a late day because of the intermittent rains which have made undertaking a general clean up program a matter of impossibility.

But the time has arrived at last, and the city officials are calling on the citizens of the community to make it a general good cleaning, and promising every aid to the effort.

The response should be whole-hearted and the work done thoroughly. If you tire of the annual demand for a clean-up, remember the program has your welfare, perhaps your health, at stake, partially; that the call, answered promptly and properly, means a more attractive town; and a better community generally in which to live. Let's make the response hearty and the job thorough.

DALLAS' ATTITUDE

About the easiest thing in the world for a small town to think is that a big town or city is mis-treating it. But Dallas' "Fort Worth & Denver or bust" attitude is beginning to gall the many communities in West Texas, which with the best of feeling toward the Denver and the communities which it would like to serve, feel that Dallas has apparently decided that West Texas is placed here by a kind providence solely for the benefit of Dallas.

Dallas Chamber of Commerce announced in a solemnly dignified manner recently that that community would be forced to continue to back the Denver South Plains project to the limit and oppose any proposals which might be adverse. Dallas proper, probably didn't realize, and does not yet, that their Chamber of Commerce committed the immense interests there represented to a proposal to build or connect up only one-fourth of the territory in this section that is sorely in need of better railway facilities. Plainview, and Lubbock, the two communities for which Dallas so feelingly pleads, are, of all communities in the west seeking further railway facilities, the best-served.

The communities thus so harshly left out in the cold by Dallas, are beginning to wonder if the six communities and the four counties which the Denver extension would serve are the only ones for which Dallas feels kindly. If they are, the other communities should be so advised. And if they are not, Dallas should change its attitude toward railway construction in West Texas.

It begins to look like Plainview and Lubbock are the "own" little brothers and the rest of us just the step-children.

Half-hour interview with our candidate for district judge, R. M. Parrish: "My opponents are going to be telling things on me, and they'll just about prove them, too, if I stay in the race."

Spring is here at last. Ants have come out of winter quarters and begun to work.

I AM EDUCATION

I bear the torch that enlightens the world, fires the imagination of man, feeds the flames of genius. I give wings to dreams and might to hand and brain.

From out the deep shadows of the past I come, wearing the scars of struggle and the stripes of toil, but bearing in triumph the wisdom of all ages. Man, because of me, holds dominion over earth, air and sea; it is for him I leash the lightning, plumb the deep and shackle the ether.

I am the parent of progress, creator of destiny. Philosophy, science and art are the works of my hand. I banish ignorance, discharge vice, disarm anarchy.

Thus have I become freedom's citadel, the arm of democracy, the hope of youth, the pride of adolescence, the joy of age. Fortunate the nations and happy the homes that welcome me.

The school is my workshop; here I stir ambitions, stimulate ideals, forge the keys that open the door to opportunity. I am the source of inspiration; the aid of aspiration. I am irresistible power.—Better Schools League.

Sand Hill News

Citizens of Sand Hill—Listen!
Saturday, May 1, is the day set for school bond election here. A \$15,000 school bond will either carry or be voted down. Which?

We understand that if this carries it will not raise our taxes a penny. A separate building from the old one is the plan now. It is to consist of a large auditorium and two school rooms.

If these bonds carry it will move our school children out of the basement of the old building and make room for a real library, laboratory or any kind of manual training or modern work we wish to take up. It will give us a chance at the state aid, which we have been missing so long. We will not be forced to tear up two school rooms every time we have a public gathering. It will give us by far the best rural auditorium in the county. It will give the P. T. C. Society of our community a chance to do more good than has been accomplished the last two years. That is saying a lot too!

This bond election, if it carries, will put us abreast of the times and will keep Sand Hill just a little ahead of our neighboring communities. If it fails we will strike matches to those Coleman lanterns, work at a disadvantage and know that the majority of our community don't want a building that any community would be proud of.

We hope that none of the voters will have to remember the rest of their days that they voted against a school bond election to slow down the progress of schools. Whenever the voters stand they should be there Saturday and vote.

Alken will present "Aaron Slick from Punkin Crick" in our auditorium Thursday night. Several prominent citizens that have seen this play say it is the best that has been shown in this locality. It must be good!

Starkey Club will present "A Little Clod Hopper" in our auditorium Friday night. We know this is a good play and they say they have some star characters that can really present the play in a good fashion. Don't fail to see these plays.

We certainly did enjoy Sunset's play, "An Old Fashioned Mother." Some one is bound to be developing their talents. We will still trade "All a Mistake" for a play of some other community or show it for a part of the proceeds.

Cedar Hill has asked us to show it there, but on account of rain two dates have been postponed, but—we like the rain. We will be there after a while.

Dr. and Mrs. B. A. Prestridge of Panhandle arrived in the city Sunday for several days visit with Miss Opal and George Doggett, children of Mrs. Prestridge.

TO WHOM IT MAY CONCERN

Reports having been circulated in the City of Floydada, that Earl W. Baker Company and Edward W. Gantt Company were operated in conjunction, this is to inform the public that in November, 1925, Earl W. Baker, L. J. Baker and W. L. McManus disposed of all stock in the Gantt-Baker Co., Inc., an incorporation in the State of Oklahoma, and organized a firm to operate under the name of Earl W. Baker & Company.

The business of the Gantt-Baker Co., Inc. is now being handled by E. W. Gantt, and the firm of Earl W. Baker & Company is in no way connected or interested in either of the above firms, and is doing construction work only, being in no way interested in any engineering company.

Signed this 28th day of April, 1926.

SUPERINTENDENT'S NOTES

I suppose everyone is more or less anxious to hear about the District Meet at Lubbock, so I will give the results of it first.

Our boy's debating team defeated Crosbyton, Post, O'Donnell, and finally Lamesa for the championship of the district, winning every decision but one by a 3-0 vote, making 11 votes out of a possible 12. The girl's team was defeated in the finals by Slaton, 2-1, that team winning the District Championship.

In tennis, our representative, Kate Stiles, was eliminated in the semi-finals by Gypsy Williams, of Plainview, who won the District tennis singles championship. Jim Carter lost boy's singles, but he and A. D. Summerville won the District championship for boy's doubles.

Hal Scott won first place in the mile, by a good margin. John Edwards won second place in both discus and shot put. The boys relay team also won first place by a narrow margin. In this race everyone thought that Floydada was defeated at the beginning of the last lap, for Scott, Floydada, was about ten yards behind the leader, and was not gaining very fast. However, Hal put just a little better than his best into his efforts, and won the race. According to Charlie Paddock this is the deciding factor in most races, and Hal had the ability to do just that.

In all we won 52 points at the District Meet, 15 in tennis, 17 in track and 20 in literary events (debates). This disproves the assertion of Lockney that we won on brawn instead of brains, as nearly half of our points were won on literary events. From the standpoint of individual schools, we probably won more points than any other individual school competing in the meet.

Nine boys will go to Austin this year from Floydada. These are: Tom Bishop and Franklin Walker, debaters; Roy Swain, Buford Terry, Hal Scott and Victor Steen, boy's mile relay; Hal Scott, mile run; A. D. Summerville and Jim Carter, boy's tennis doubles; John Edwards, discus throw and shot put. The expenses of these boys will be paid. The trip to Austin is to be valued not only on account of the fun to be had and the interesting things to be seen while on it, but because of the honor and distinction attached to it.

Due to accident, maybe, Buford Terry was tripped and run over by most of his competitors in the half mile run at Lubbock, and although he managed to catch up and lead the field for a while, he was unable to hold his place and did not win. We went to Austin last year on this event, and was running close to the state record time on it this year. However, he will go to Austin, anyway, on the relay team.

PERSONALS

Horace Carr, N. B. Stansell, Theron Summerville, James Boothe, Frank Roberts, and Ben Wimberly are absent from school, mostly on account of mumps.

Miss Jarvis' two gold fish were discovered to be extremely dead Tuesday morning, from cause or causes unknown. No inquest will be held.

Arie Gamble was absent from school Tuesday afternoon, on account of illness.

Miss Vera Fry made a trip to Canyon, leaving here Friday after school, and returning Sunday.

The "Faculty Stunts," scheduled for next Friday night, will not be held, it is reported, on account of the unwillingness of some of the teachers to make "fools of themselves," in their own words; and, instead, the entire faculty will go on a trip to the canyon, where a chicken barbecue will be held.

The junior class play, "Job Thirteen" will be presented at Post City on the 17th of May, in exchange for the senior class play of that town, presented here on the 27th of April. The entire proceeds of the play here went to the junior class treasury, and the entire proceeds of our play there will go to some fund in that city.

The following is the cast of the senior class play, to be given on the 18th of May, the name of which is "Much Ado About Betty."

Lin Leonard, Betty's one best bet—Polk Goen.

Major Jartree, of Wichita, not only bent, but crooked—Franklin Walker.

Ned O'Hare, a jolly young honey-

mooner—Tom Bishop.

Mr. E. Z. Ostrich, who has written a wonderful picture-play—Lowell Watkins.

Dr. McNutt, solid ivory from the neck up—Clay Willis.

Jim Wiles, a high-school senior—Troy Pope.

Archie, a black bell-boy at the Hotel Poinsetta—Hershel Green.

Officer Riley, who always does his duty—L. B. Fawver.

Officer Dugan, from the Emerald Isle, A. D. Summerville.

Mr. Ebenezer O'Hare, a sick and a submerged tenth—Olen Harris.

Mrs. Ebenezer O'Hare, "Birdie," the other nine-tenths—Lena Thomas.

Aunt Winnie, Betty's chaperone—Helen King.

Lizzie Monahan, Betty's maid, with a vivid imagination—Bonnera Stephens.

Ethel Kohler, a high-school admirer of Betty—Bessie Wood.

Violet Ostrich, a firm favorite, Ned's bride—Arie Gamble.

Mrs. K. M. Diggins, a guest at the Hotel Poinsetta—Inez Paschal.

Daffodil Diggins, her daughter, "Yes, Mamma!"—Veda Wooten.

Miss Chizzle, one of the North Georgia Chizzles—Winnie Wilson.

Pearlie Brown, Violet's maid, a widow of ebon hue—Velma Heard.

Violet, Violet Ostrich's little girl, age seven.

Diamond, Pearlie's little girl, age six.

Betty, the star of the Movograph Company—Evelyn Kizziar.

Baseball Game

The Whirlwind baseball nine won a 13-11 victory over the Lockney Steers at the Floydada ball park Wednesday afternoon. Thomas, Steen and Green were local batterymen.

"F" Sweaters of Poor Material

It seems that the football boys and the basketball girls have been "stung" on the sweaters purchased this year. The yarn is of poor quality, the workmanship is poor, the general appearance not good, and in the last run some of them faded rather badly. Several of them are already beginning to show premature signs of wear, such as raveling and worn and faded spots at the elbows.

Lunch Stealing Causes 4 Suspensions

On Tuesday morning two seniors, one junior and one post-graduate were suspended on account of being caught while purloining a lunch. The facts show that the junior "lifted" the lunch, and then passed it back to the two seniors and the post-graduate. The girl to whom the lunch belonged, when she found her lunch gone, and found out who was responsible for its absence, reported all four culprits to the proper authorities, and they were suspended.

All four of these were girls, two of them were girls with a high average in deportment, and two were excellent scholars. The writer knows that none of them are suffering from lack of food, and that they had no real intention of committing theft. However, that doesn't change the situation. Two of the girls were members of the cast of the senior play, and were of course dropped from it.

FLOYDADA AND POST TIE, 2-2

In the first game of the season for Floydada, Tuesday our baseball team played eight innings to a 2-2 tie, with the Post baseball team. They played until it became too dark to see, and then because some of the players were in the cast of the Post play given Tuesday night, they were forced to quit. According to Coach Jay we have a lot better team than we thought we had. White and Thomas pitched, Thomas taking White's place in the last inning. Houghton substituted for Carter at 2nd base, Carter substituting in turn for Porterfield, and Steen took Marshall's place. Bosley made one of Floydada's scores, and Marshall made the other. The line up for Floydada was as follows: Thomas, 1b; Green, c; White, p; Bosley, 3b; Wilkerson, cf; Carter, 2b; Swain, 1b; Porterfield, ss; Marshal, rf.

The Post High School senior play given here Tuesday evening, sponsored by the junior class of Floydada, netted about \$17.00 for the junior treasury. The name of the play was "Touchdown," a four act comedy, and a fairly good play.

Mothers Congress P. T. A. Meeting

8th District, Held at Canyon

The third annual Eighth District, Mothers' Congress of the Parent-Teachers Association, held in Canyon Tuesday and Wednesday, had as local delegates Mrs. George Luder, Mrs. Geo. Smith, Mrs. R. E. Fry and Mrs. Lon M. Davis. Over 150 persons attended, including a number of prominent national and state officers, while the meeting was said to be an unusually profitable one. Canyon people royally entertained the delegates, stated Mrs. George Luder.

"Home and school in Education" was the general topic under discussion. Lack of space forbids a more detailed account of the meeting in this issue.

Mrs. J. N. Johnston is improving and hopes to be back at school soon.

Surprise Birthday Party Given Mrs. S. Y. Carter

A surprise birthday party was given Mrs. S. Y. Carter Wednesday of last week when Mrs. Ott Gamble and Miss Lorene Carter made prior arrangements for the occasion, which lasted throughout the greater portion of the day.

Mrs. Carter was called to the Methodist Church that morning on some pretext, and upon returning to her home found a group of neighbor-friends assembled, each of whom had brought a dish for the noon meal, also quite a nice collection of gifts for the "surprise." It being impossible to ascertain Mrs. Carter's age, those making the birthday cake guessed this as her fifty-fifth year and placed 55 candles on the cake.

The day was pleasantly spent in embroidering by the following persons: Mrs. Ott Gamble, Mrs. O. P. Rutledge, Mrs. W. M. Colville, Mrs. W. I. Cannaday, Mrs. John Smith, Mrs. E. B. Massie, Mrs. R. E. Fry, Mrs. C. R. Houson, Mrs. Tom Shaw, Mrs. R. H. Willis, Mrs. H. S. Sanders, Mrs. John Howard, Mrs. J. C. Dickey, and the honoree, Mrs. S. Y. Carter.

Presbyterian Sunday School Social Given Last Tuesday Night

The "Purples" entertained the "Golds" Tuesday night at the Cumberland Presbyterian Church, that color having been the losers in a contest to increase the membership of the Sunday School, which was conducted during the first quarter of this year's work. Due to inclement weather and the Baptist revival the entertainment had been postponed twice.

Approximately fifty members of the Sunday School assembled for the entertainment and program which had been arranged, at the conclusion of which refreshments of cake and punch were served.

Following is the enjoyable program rendered:

Song, "All Hail the Power of Jesus' Name"—Audience.

Prayer—Rev. G. P. Humphries.

Song, "He Is a Wonderful Savior to me"—Audience.

Scripture lesson—First Psalm.

Song, "A Mighty Army of the King"—children.

Beatitudes—by Class No. 1, Mrs. Kenneth Bain teacher.

Piano solo—Jean Bain.

"Let me Walk with the Men in the Road"—Wanda Teeple.

Twenty-third Psalm and Lord's Prayer—Class No. 2, Mrs. J. R. Archer teacher.

"Do It Now"—Samuel Rutledge.

Piano solo—Margaret Anderson.

Reading, "If"—Virginia Grigsby.

"Loyal"—Raymond King.

Piano solo—Ruth Rutledge.

Song, "Saved by Grace"—Lola Mae Humphries.

"Little Corner"—Robbie Archer.

Final Song—audience.

Closing prayer—E. C. King.

A contest similar to the one given the first quarter is being staged this, the second quarter of the Sunday School, the purple and gold sides being equally divided. The point system is used to determine the winner, regular attendants counting for a certain number of points and new members also figuring in the counting.

Dallas C. of C. Attitude Rapped In Resolutions Adopted Here Friday Night

Resolutions adopted Friday night of last week by the Floydada Chamber of Commerce, in which Dallas' attitude is declared to be unfair in the general railway construction program in West Texas, and in which business interests here are called upon to combat as "uncalled for interference" are given herewith:

Whereas, it has been brought to our attention through the press that the Dallas Chamber of Commerce has declared itself called upon to oppose all plans for railway construction, save one, in West Texas and the South Plains;

And, whereas that organization has announced plans to continue a determined fight before the Interstate Commerce Commission to prevent any plan for bettering railway service in the plains country save one;

And whereas, the plan which the Dallas Chamber of Commerce is determined shall be adopted, would not only not be of any direct benefit to Floydada and more than 2,000 square miles of productive farming territory in its vicinity, but also would prevent this territory obtaining much needed eastern and northeastern railway connections; and would equally fail to give adequate relief to a score of other counties now in need of better railway facilities;

Therefore, be it resolved by Floydada Chamber of Commerce that this unfair attitude on the part of the Dallas Chamber of Commerce be protested, as not truly representative of the best interests of Dallas, and as distinctly detrimental to the fullest development of plains and panhandle areas;

Resolved, further, that Floydada business interests obtain frank statements from businesses in Dallas, with which they have trade relations, declaring whether or not the Dallas Chamber of Commerce is representing their studied determination to oppose any plan save one for railway construction in this territory;

And, that if it is found to be the fixed purpose of Dallas to attempt to forestall developments which are vital to Floydada and a score of other counties in West Texas, then this Chamber of Commerce cannot look upon their action as other than an uncalled for interference and a direct effort to injure a large section of the panhandle and plains including Floydada, to benefit a small section;

And, further that if Dallas business interests cannot be brought to see the unjustness of the position of their Chamber of Commerce, that Floydada business be called upon to seek trade alliances in centers where a friendly rather than an antagonistic attitude may be depended upon.

Mrs. Ben Crush and daughter, of Spur, are visiting this week in the home of Judge and Mrs. F. P. Henry.

T. U. Engineers To Exhibit Work During State League Meet

Austin, Texas, April 27.—An exhibition of the work done by the College of Engineering of the University of Texas is to be made for the visitors attending the Interscholastic League meet in Austin May 6, according to Roy Bedinek, chief of the League. It is expected that the exhibit will be particularly interesting to boys who are interested in a technical education. Student members of various professional engineering organizations are sponsoring the exhibition.

CARD OF THANKS

To our many friends who visited us and helped in many ways during our recent illness, we are extremely grateful.

To the ladies who brought in the many nice things to eat and the pretty pot flowers and cheered us with their presence in the sick room, we extend our heartfelt thanks. Especially do we wish to thank Dr. Houghton.

Our best wish for each of you is that if sickness ever enters your home that you receive the same neighborly assistance we have.

Mr. and Mrs. C. J. Wilton.

Home Demonstration Club News

SAND HILL CLUB

The Sand Hill Home Demonstration Club met Friday afternoon in the home of Mrs. A. R. Hanna. On account of rain, and roads being so muddy, we were unable to meet Wednesday, regular meeting day. We had a good crowd present, twelve Club members and several visitors. Mrs. H. R. Manning joined our Club and we extend her a hearty welcome, as we do every one that wants to be in the Club.

We had a very enthusiastic meeting, it having been so long since the president had been able to be with us. There were a number of things of interest to be discussed. The business meeting was first on program. Following it Mrs. Hanna read the ten commandments on dress; they are surely good and it would help us to remember to put them into practice. Miss Bass then took charge of the subject of "Color, combination and style of house dress." Most every member in the Club has enrolled in the Dress Contest. We hope to have some winners in this contest. The Biscuit Contest was discussed and members urged to enroll. There were six that decided to enter this contest. The exhibit for County and State Fairs was also discussed and work assigned to the several members of the Club. Beginning at this early date to plan for these exhibits, we ought to be able to do better than we did last year. Last but not least was the planning of a kitchen tour, to be made on May 20. Sand Hill is expecting another state winner, so don't be surprised.

Our Clubs are what we make them, so come everybody and let's see how much we can do this year.

Our next meeting will be on May 5, when the Club will meet with Mrs. Jim Holmes. The subject will be on "Vitamines." Following is the program:

What is meant by vitamines?—Mrs. Alice Knight.
Importance of vitamines in diet—Mrs. Arthur Womack.

Source and value of vitamines—A, B, C, D, and E.—Mrs. W. E. Miller.

Importance of using raw vegetables and fruit—Mrs. Frank Probasco.

Exchanging of recipes.
Adjournment.

FAIRVIEW CLUB

The Fairview Girls' Home Demonstration Club met Friday April 23. The minutes of the last meeting were read and thirteen girls responded to the roll call by telling how many chickens each had.

Most of the girls have their sewing done and are ready to take up cooking at our next regular meeting. All are glad because we like cooking.

Several of the girls have dresser scarfs and are working on them. We are to meet again Friday morning, May 14, and invite any of the out-side girls to come and join us.

LONE STAR GIRLS' CLUB

(Too late for last week.)

The Lone Star Girls' 4H Home Demonstration Club met Wednesday, April 14, at the school building. All the members were present and Miss Bass gave further instructions in sewing. We are going to have all our sewing done by next meeting. Miss Bass is going to give a slumber party to the Club that gets their sewing done first and have it neatest, and we are striving for it.

Some of the girls have their pillow cases finished. Miss Bass thinks we have our sewing near enough done that we can start cooking at our next meeting. We will make a soup.

CAMPBELL 4H CLUB

The Girls' Club of Campbell met April 16. Miss Bass and Miss Murray,

District Agent, were with us. Miss Murray gave a very interesting talk about successful Club members, and also told us how we could be a successful Club member.

All members were present and ready to go to work when Miss Bass came. The next meeting will be on May 14. We are going to score in all of our work and have the first cooking lesson.

Mrs. M. L. Kizziar Returns From Women's Club Meet

Mrs. M. L. Kizziar returned Saturday from the fifth annual convention of the Seventh District, Texas Federation of Women's Clubs, which was held at Childress and attended by over 200 delegates from various west Texas towns, according to reports. She was the only local representative, who went as president of the 1922 Study Club. Quannah secured the convention for 1927, Dalhart and Snyder withdrawing when it was seen that Quannah was strongly favored for the next annual convention.

"M" System Store Has Music and Biggest Day Last Saturday

Grocery buying and music proved good mixers at Baker-Campbell's "M" System store last Saturday when the biggest crowd in the history of the city's self-service style grocery store was had, according to Roy A. Baker, manager.

Music for the afternoon was furnished by Miss Velma Deen at the piano, while Mrs. A. W. Chowning sang a number of popular solos throughout the time customers were selecting their groceries to the strains of the music.

It is the intention of the store to have similar entertainment for its patrons each Saturday afternoon from 1 to 7 o'clock, stated Baker.

B. MARSHALL AMONG SIMMONS UNIVERSITY TRACK STARS

Second individual scoring honors in a recent tri-angular track meet between Simmons University, Trinity University and Abilene Christian College were won by B. Marshall, Simmons student of Floydada and a son of Mr. and Mrs. L. A. Marshall of the city, according to reports from the Simmons Brand, college newspaper.

Marshall took first place in the discus throw, first in the shot put and third in the javelin event.

Simmons won the meet with a total of 68 points against 35 for Trinity and 22 for A. C. C.

N. G. Jackson and son, Tom Noble, of Dimmitt, were in Floydada Saturday on business.

ENOCH'S BLACKSMITH SHOP
East Side Court House Square

Ernest Carter returned the latter part of last week from Olney, where he had been working since February. Mr. and Mrs. Murphy Chapman, and two sons, of Lorenzo, were here last week on a visit with Mrs. Chapman's brother, Lee Howard, and sister, Mrs. F. G. Tye.

CITATION (NOTICE) BY PUBLICATION ON APPOINTMENT TEMPORARY ADMINISTRATOR

THE STATE OF TEXAS:

To the Sheriff, or any Constable of Floyd County, Greeting:—

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation, which has been continuously and regularly published, for a period of not less than one year, preceding the date of this notice, in the County of Floyd, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days, exclusive of the first day of publication, before the return day hereof.

NOTICE

To all persons, interested in the Estate of H. D. Snodgrass, deceased.

It appearing to the Hon. E. C. Nelson, Jr., County Judge, of Floyd County, Texas, that the interests of the estate of H. D. Snodgrass, deceased, require the appointment of a temporary administrator, and he, the said County Judge, having, by an order in writing, under his hand and the seal

of the County Court of Floyd County, Texas, attested by the Clerk thereof, on the 15th day of April 1926.

APPOINTED

Rip Snodgrass, Temporary Administrator of the estate of H. D. Snodgrass, deceased, No. 376 on the Probate Docket of Floyd County, Texas,

NOW, THEREFORE, All persons interested in the welfare of the said estate are hereby notified to appear before the county court of Floyd County, Texas, at the next regular term thereof, to be held at the court house in Floydada, Texas, on the 19th day of July 1926. Then and there to contest such appointment if they so desire; and if such appointment is not contested at the term of court so named in this citation, then the same shall become permanent.

Herein fail not, but of this writ make due return as the law directs.

Given under my hand and seal of office in Floydada, Texas, this 15th day of April, 1926.

ATTEST:

(SEAL) CLARA LEE SCOTT
County Clerk Floyd County.

I hereby certify that the above and foregoing is a true and correct copy of the original citation now in my hand.

But I'm Safe!

Can Wheat Farmers of this territory utter that statement after damaging hails have suddenly visited their fields and almost as suddenly blotted out all prospects for a good yield?

Although the hails can not be stopped, the big and almost inevitable damage which accompanies most of the hails can be reduced to a minimum by AN INSURANCE POLICY. Then those who have failed to provide themselves with this protection will vow to never go through another wheat season without a policy.

Investigate today. Be among those who'll be saying, "Let'er hail, But I'm Safe!"

Wm. Pearn Died Monday of Last Week at Dallas

William Pearn, for three years a resident of Floydada, former pastor of the Christian Church, died in Dallas Monday of last week of pernicious anemia from which he suffered for a year prior to his death. He had been confined to his bed since August of last year and several blood transfusions were made in an effort to save his life.

The following, taken from The Dallas News, was forwarded to The Hesperian by Misses Lois Hanna and Winnie McLain:

William Pearn, 57 years old, city salesman for the Southwestern Life Insurance Company for the last ten years, died at 2:25 o'clock Monday afternoon at his home 5518 Vanderbilt avenue. He is survived by his wife Mrs. Willie M. Vaughn Pearn, and two sons living at Roanoka, Va.

Mr. Pearn was born in Cornwall England, and began preaching at the age of 17 years at London, England. He was foreign missionary on the Island of Jamaica for twelve years. He was a chaplain in the United States Army in the Panama Canal Zone for several years. He came to Texas and was superintendent of missions for the Christian Church in West Texas until coming to Dallas ten years ago. When the World War began he volunteered for service in the Y. M. C. A. and served one year in France. On returning to Dallas he resumed his work with the Southwestern Life Insurance Company and took an active part in the city and preached many times in the various churches of Dallas and was acting pastor of the Mount Auburn Christian Church for five months.

Funeral services will be held at the Central Christian Church, where Mr. Pearn has been associate teacher of the Berean Bible Class for a number of years. Dr. Garham Frank, pastor, will conduct the services at 2 o'clock Wednesday afternoon. Burial will be at Grove Hill Cemetery.

ARTHUR B. DUNCAN, JR., IN PLEMONS ABSTRACT OFFICE

Arthur B. Duncan, Jr., and his brother, C. V. Duncan, are working in an abstract office at Plemons, Texas, which is in the new oil field area in the north plains. With the advent of the oil boom came a demand for abstract work and the Duncan boys, from their experience in their father's office here, were in line for a job there.

Arthur B. Jr., was here the latter part of last week in company with Mrs. C. V. Duncan, and Mrs. Joe E. Pitts, the latter of Canyon on a visit with relatives.

Aiken News

Aiken, April 28.—Since so much rain we have a good season in the ground for planting crops. The time is at hand for the seeding of various crops. Farmers are anxious to have a few days of fair weather that they might get their crops planted. Every one is busy with the preparation of land and seeding of some.

After having so much rain and the roads being bad too, every one must have been taking advantage of the fair weather Sunday, as many had gone visiting. The attendance at Sunday School and church was not up to the usual high mark.

Mrs. J. E. McAvoy is still suffering from the effects of influenza, contracted while she was in California, where she was called by the death of her sister, Mrs. Jim Shelton, some time ago. Robert E. Jones and family attended church and visited with relatives at Cedar Hill Sunday.

C. H. Day and family visited with Mr. Day's father and mother, west of Plainview, Sunday.

Mr. and Mrs. Reuben Parish, Misses Avis Allen and Faye Marshall visited in Lubbock Sunday.

P. T. A. Gives Play

The Parent-Teachers' Association gave the play, "Aaron Slick, from Pumpkin Crick," at the school Friday night. The play was well rendered, and those who were not there missed a great treat. Proceeds amounted to \$35.00, which will be used to finance the ninth month of school. The players will go to Sand Hill Thursday night and Cedar Hill Friday night of this week, in exchange for the plays which these schools brought here a few weeks ago.

Those who want a good laugh are asked to see the play at one or both places. The writer believes those who attend will get their money's worth.

There will be one more month of school. The "kiddies" are looking forward with anxious hearts for their vacation and the teachers as well.

Mrs. Marion Allen and little son, Marion, Jr., returned to their home in Amarillo Friday night after having visited with her parents, Mr. and Mrs. D. M. Marshall and their relatives.

W. R. Rutherford and family visited in Floydada Sunday.

Jesse Mullings broke his arm last week but is getting along fine at this writing.

Miss Mary Davidson has recovered from a long siege of flu.

Mrs. Kight Dickey, Draughon's college student at Abilene, is visiting her husband for several days.

Mr. and Mrs. S. N. Tarwater visited in Quanah from Sunday over Monday.

Mr. and Mrs. C. M. Wilson visited his mother and sister in Lockney Sunday and also motored to Plainview.

Mrs. Mary Awtrey went to Panhandle Sunday for a few days visit with her husband and son; she was accompanied to Plainview by her daughter, Miss Tommie Lee.

enthusiasm for it before we begin work."

Paving Program

Ed Bishop, secretary, called attention to the paving program in the city, and told of some demand for a bond issue to pave the square. Col. Massie opposed this plan, saying that we should pave what we can at present out of funds already appropriated by the city, and put off further extensions until we have a railroad connection from the east. L. G. Mathews expressed himself as decidedly in favor of the bond issue to pave the square around the court house, if the commissioners desire it to be done that way. This brought on further discussion of the possibility that a north and south highway through the county might be the cause of the commissioners having to expend considerable money and the further possibility that a bridge across Blanco may be an early need, if the Ralls route be designated by the State Highway Commission. If the highway is designated it may cost the county some money to put the road in condition to turn over, it was pointed out. The matter was finally referred to a committee to go into further and report upon.

Railroad Hearing

The first plan proposed in Mr. Boles' report will serve the Floydada trade territory well and is O. K., G. E. Hamilton, of Matador, told the assembly, but he expressed it as his opinion that the adverse decision in the alternative report given by Mr. Boles to the Q. A. & P. extension program was due to the proposed extension of the Santa Fe southeast of Floydada, the latter proposal made months after the Quanah Route had made its desires known.

"The Santa Fe extension southeast of Floydada was conceived solely to offset the Quanah extension," he declared, and said in his belief there is no comparison in the value of the two proposals not only to Floydada but to southeast Floyd County and the territory adjacent in Motley, Crosby and Dickens Counties. While the Frisco leads to the east and northeast, and would give the territory that kind of an outlet, the present facilities in this section and those proposed "take you west to go east, and out by the back way," he declared. The speaker further said that C. H. Sommer, new president of the Q. A. & P., asked him to advise Floyd County people that there is no change in their desire to build to Floydada and that the contract with Floyd County people will be carried out at once when permission is given to do so.

Col. W. M. Massie, chairman of the committee of Floydada Chamber of Commerce, said that this community had long worked with the Santa Fe as good customers and friends, that friction and unnecessary demands had been kept to the minimum throughout the years the Santa Fe has been operating into this section. However, he feels, he said, that the Santa Fe's efforts at this time to thwart the desires of the people of the territory for eastern connections, must be opposed by every fair means.

A financial report was given by Ed Bishop, secretary, the total enrollment at this time being 154, according to these figures, with no outstanding indebtedness; 26 new members have been signed since he became secretary, the report showed.

SANITARIUM NOTES

William Salisbury, city, returned home Tuesday after recovering from an appendicitis operation.

Sikes McMahan is expected to return to the home of his parents in Matador today (Thursday).

Mrs. Tom Lemons, city, is taking treatment at the sanitarium.

Homer Garrett, Floydada, was operated on for appendicitis last Saturday.

Charlie McDonald, Muncy, underwent an operation for appendicitis Friday.

Jack McIntosh, son of Mr. and Mrs. B. F. McIntosh, city, had his tonsils and adenoids removed last Saturday.

Balis Himpbill of Oklahoma City arrived in the city Sunday for a visit with Miss Henrietta Mullinax, nurse at the sanitarium; they went to Panhandle Monday to see her sister and expect to remain there throughout this week. Miss Veola Tarpley is relieving Miss Mullinax during the latter's absence.

Miss Edra Robinson of Whiteflat has been employed as regular nurse at the sanitarium.

Roe McCleskey, wife and son, of Lockney, visited with Mr. and Mrs. S. B. McCleskey and other relatives here Friday of last week.

CHILDREN'S FATAL DISEASE

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the disease so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 25c. Sold by all drug stores.

WITH THE CHURCHES

FIRST CHRISTIAN CHURCH

Frank LeRoy Davis, Pastor
Services next Lord's Day as follows: Sunday School at 10 a. m., with Supt. Lon M. Davis in charge. Preaching immediately following and preaching at night.

We expect to begin our revival next Lord's Day, providing the Baptist brethren have closed or will close that day. Will run only one week. The messages will center around the last week of our Lord before His crucifixion. There are some very interesting things which happened during that week, and it is worth studying. Services each night and if interest will justify will have morning services also.

The roads and weather permitting we will preach at Mayview in the afternoon immediately following the Sunday School. All in that locality are invited to be present and enjoy the services with us.

The Seagraves meeting was interesting; good attendance, interest and a fine meeting all around. We organized the Church Sunday afternoon and started them out to do a more aggressive work than they have been doing. We closed Wednesday night and came home Thursday.

Be sure and arrange to attend the meeting and enjoy the services with us. "Come with us and we will do this good." "Remember that a big welcome awaits you there at each service."

METHODIST CHURCH

Joseph L. Henson, Pastor
H. C. Smith, pastor of the Methodist Church in Roaring Springs, Texas, will again occupy the pulpit here next Sunday—Both 11 a. m. and 8 p. m. He is a young man and a good preacher. Hear him next Sunday.

J. N. S. Webb, pastor of the Floydada Circuit, West has opened his Church at Cone to the members of the Christian Denomination for a protracted meeting. Webb will preach at Roaring Springs, Sunday and Sunday night.

Our District Conference meets at Lockney next Monday and will adjourn its session there, Wednesday afternoon.

FLOYDADA CIRCUIT WEST

J. N. S. Webb, Pastor
The meeting which has been in progress at Sand Hill since Sunday will continue to include Sunday night.

Services Sunday at 11 a. m., and old-fashioned Methodist love feast at 3 o'clock in the afternoon and preaching again at night.

W. A. Robbins and Rev. A. D. Moore are assisting the pastor in the meeting.

Floyd Baptist Workers' Conference in City, Tuesday, May 4.

Baptist Association Workers' of Floyd County will meet at the Floydada Baptist Church Tuesday, May 4, for an all-day conference, beginning at 10 o'clock. The following program has been arranged for the occasion:

10:00 a. m.—Devotional—W. B. Jordan.

10:30 to 11—Modern Evils and Church Discipline—Ralls Pastor.

11 to 12—Second Coming of Christ—Bro. C. E. Roark, Wayland College.

12 to 1 p. m.—Dinner at Church.

1 to 2—Woman's Work—Mrs. Cap Ellison.

2 to 2:30—Obligation of Church Membership—1. To her Doctrines—2. To her Local and Denominational Finance—Bro. McCarty, Lockney.

2:30 to 3:30—The Relation of Baptist Churches to Other Denominations in Regard to Union Meetings—By J. W. Harder.

3:30 to 4—Round Table Discussion.

W. M. S. Program

The Woman's Missionary Society program to be given in the hour from 1 to 2 p. m., is as follows:

Song, "Make me a channel of blessings."

Devotional, Mrs. Almer Kelly.

Round table discussion, "The needs of foreign fields," led by Mrs. Cap Ellison.

Reading—Mrs. Herbert Ralls.

"The Bible as a missionary textbook" Mrs. L. V. Smith.

Special Song.

Special prayer for foreign fields.—Mrs. McCarty.

Lampasas Pastor Will Preach at Floydada Baptist Church

Rev. Clarence Morton of Lampasas will preach at the local Baptist Church Friday and Saturday nights and at both Sunday services, according to announcement by Elmer Caudle, member of a Pulpit Committee which was appointed Monday night. Other members of the Pulpit Committee whose purpose it is to arrange for services at the Church until a regular pastor has been called, are Mrs. Lon V. Smith, D. I. Bolding, J. G. Wood, W. F. Weatherbee.

The preaching Friday and Saturday nights will begin at 8:15 and at the usual time on Sunday, 11 o'clock in the morning and at 8 o'clock at night.

Local W. M. S. Delegation Attend Annual Convention at Tahoka

Four W. M. S. representatives of the Floydada Baptist Church, Mrs. Lon Smith, Mrs. W. J. Burke, Mrs. W. I. Cannaday and Miss Lela Windsor, attended the annual District W. M. S. Convention in Tahoka Tuesday of this week. Maurice Burke also made the trip as chauffeur.

There were approximately 300 delegates at the convention, and all were royally entertained by Tahoka churchwomen, said one of the local representatives. Dinner was served at the Tahoka Baptist Church that day. Next year's convention will be held at Spur.

HARMONY CLUB

The Demonstration Club met Wednesday afternoon, April 21, with Mrs. Floyd Trowbridge.

Despite the unpleasant weather a good number of members and several visitors were present. The subject for the afternoon was "Set-in Pockets and Bound Buttons." After some time spent in practicing on these, dainty refreshments were served by the hostess.

The next meeting will be with Mrs. O. H. Heard, with "Vitamines" as the subject. The program is as follows:

Roll call; My favorite salad recipe.

What is meant by vitamins?—Mrs. Chas. B. Smith.

Importance of vitamins in diet—Mrs. Floyd Trowbridge.

Source and value of vitamins, A, B, C, D and E—Mrs. O. H. Heard.

Importance of using raw vegetables and fruit—Mrs. R. B. Gary.

Salad demonstration—Miss Bass.

McCoy News

McCoy, April 28.—Several from this community attended singing at Starkey Sunday night. All report an enjoyable time.

Our school closes this week after a successful term. We are planning an all-day picnic on the canyon Friday.

Miss Clara Smith is on the sick list this week.

Grandmother Jones is reported to be improving. All of her children except one have been at her bedside.

We are expecting the Wayland College quartet to be in the services with us Saturday night and Sunday.

There will be singing at the Church Sunday afternoon at 2:30 o'clock. Come and bring some one with you.

The musical given at the home of Mr. and Mrs. W. C. Cates Friday night was

well attended and a very enjoyable evening was spent by all who attended.

The party given Saturday night at the home of Guy Jackson was very much enjoyed.

Attorney G. E. Hamilton and son, John, of Matador, were in Floydada Saturday on business.

A. L. Glass, who has been sick for several weeks, continues the show improvement the past several days.

Raymon Allen, of Lubbock, and Mrs. J. C. Parker, of Lorenzo, were here Monday and Tuesday visiting relatives.

N. A. Armstrong and E. L. Angus were business visitors in Plainview Monday afternoon.

Mr. and Mrs. John Coleman and daughter, Ida, Mae, of New Orleans, and Mrs. E. L. Durr of Houston have been visiting the past week in the home of W. A. Baker. Mrs. Durr is a sister and Mrs. Coleman is a niece of Mrs. H. Collins, Mrs. Baker's mother. The Coleman family have left for Denver, Col., to spend the summer, while Mrs. Durr will remain for an extended visit in the city.

Mr. and Mrs. Walter Collins and Mrs. Elder Morris were in Plainview Sunday.

Truett Butler was a business visitor in Amarillo Monday.

The reason executive ability is scarce in the ranks is that it doesn't stay there long.

Nervous hot flashes

"SOME time ago when in a very nervous, run-down condition," says Mrs. Martha F. Marlow, of Broken Bow, Okla., "I tried numerous remedies to try at least to keep going, but I could not. I was weak and tired—just no good at all. My back ached and I had hot flashes until I was so very nervous I smothered."

"I couldn't sleep and I was never hungry, and I kept getting weaker. I couldn't stand on my feet. This was an unusual condition for me as I had been pretty strong all along. I knew that I would have to do something, and that pretty soon."

"Some friend suggested that I take Cardui, and it certainly was a good suggestion, for after taking one bottle I could tell I was stronger and better. I didn't quit. I kept it up all through the change and did fine. I felt like a different person after I began taking Cardui."

Cardui has helped thousands of suffering women.
