

Enthusiasm Evident At Fair Meeting C. of C.

Dates For Fair Will Be Sept. 24 and 25, C. of C. Members and Trustees Decide.

September 24 and 25 are the dates set for the thirteenth Floyd County Fair. This was decided at the called meeting of the Chamber of Commerce in the County Court room last Thursday evening, when twenty-seven trustees, representing nine different communities, met with the Chamber in order to discuss the County Fair.

Floydada was so late in deciding the dates for the County Fair it was impossible not to conflict with some nearby Fair. After considerable discussion it was decided that we could more easily conflict with the Amarillo Fair than any other. These dates still will not keep Floyd County people from attending the Tri-State Fair as it will continue up to the 28th.

Trustees from the different communities were very enthusiastic over the Fair, which will be conducted on the order of the State Fair, and each delegation expressed their intention of lining up their respective communities in the Community Exhibit contest.

In order to better acquaint the communities with the Community Exhibit idea, the Chamber of Commerce members will visit those communities who desire them to, and explain the contest. Score cards, similar to the State Fair Score Cards, have been made by the secretary and are ready for distribution.

R. V. Husky, winner for the "My Home Town" contest in Floydada, gave his talk at the meeting. R. V. is a splendid speaker and is expected to make a good showing for Floydada at the convention.

Communities represented at the meeting were: Sand Hill, Starkey, Harmony, Center, Antelope, Prairie Chapel, Baker and Blanco. Community Exhibit Rules and Regulations

Since it is desirable to have the information generally disseminated at as early a date as possible, the following rules and regulations that will govern the entry and display of community exhibits at the fair here, September 24 and 25, were adopted:

1. Entries for community exhibits will close Thursday, Sept 23, at 12 noon, and all exhibits must be in their places not later than 9 a. m. Friday September 24th, 1926. Any exhibit not in place by that time will be penalized 25 points.
2. Display and decorations from each community shall be products actually grown in said community, or communities, and the manager in charge of the exhibit may be required to make an affidavit that all articles were grown in the community represented, in 1926.
3. Exhibitors will be assigned space in the building by the Director.
4. Specimens or apparatus showing other than agricultural development of the county will not be permitted.
5. All products must be labeled. Tags will be furnished by the Fair and use of others will not be permitted.
6. Only signs bearing the name of the community will be allowed on exhibit. Additional signs made of grain and seed will be permitted on the background.
7. Samples of cotton, each to consist of 20 bales shall be arranged in neat cardboard boxes of uniform size. All bundles shall be not less than three inches nor more than five inches at the middle tie. All exhibits of preserved fruits must be edible.
8. Exhibitors are requested to study the score card carefully as it will be strictly followed.
9. Judging in this department will begin at 2 o'clock Friday September 24. The score card of the State Fair of Texas was adopted as the official score card for community exhibits, and will be followed as closely as conditions will permit. Secretary Ed Bishop, of the Chamber of Commerce, has copies of this score card prepared for the use of prospective exhibitors and will have them in the hands of these at an early date. Copies have also been prepared for general information or distribution among those interested.

Legionnaires and Associates ENJOY GET-TOGETHER FEED

Legionnaires of McDermott Post and associate members of the McDermott Post American Legion Club, enjoyed an informal get-together last Thursday night.

The house was well-filled, and everybody enjoyed themselves thoroughly. Ice cream, cake and punch were served.

MISS EVELYN NEIL MARRIED SATURDAY TO AMARILLO MAN

Miss Evelyn Neil, daughter of C. E. Neil of this city, was married in Amarillo Saturday evening at 8 o'clock to Mr. Horace Almond, at the residence of Rev. Yates, one of the Baptist pastors in that city, who officiated.

Present for the simple wedding ceremony were Mr. and Mrs. C. E. Neil, and Chas. E. Neil, Jr., and the sister and husband of the groom.

Following their wedding the young couple left on a honeymoon trip into the mountains of New Mexico and Colorado, expecting to return to Amarillo the latter part of this week, where they will be at home at 1001 Van Buren St., after June 21.

The groom is manager of a Magnolia Station in Amarillo, the bride having been an employe in the offices of the J. E. Bryant Company.

The bride was reared in Floydada. She was a graduate of Floydada High School of the class of 1923, and for the past two years has been making her residence in Amarillo.

PRaises School Work of Miss Lela Swain, Teacher

"Harmony school district will be glad they have employed Miss Lela Swain on their faculty for next school term," H. D. Bloodworth, one of the trustees of Newland District said Wednesday. "Miss Swain has taught three years at Newland, she made us a mighty good teacher and the whole community regrets to lose her."

4 PRECINCT CONVENTIONS ARE CALLED FOR BY REPUBLICANS

County Chairman E. E. Wells and County Secretary T. C. Russell, of the Republican Executive Committee for Floyd County Saturday issued a call for precinct conventions of the party to be held in four precincts in Floyd County on Primary Election Day, 7 o'clock p. m. is the hour set for the meeting at the respective places. Floydada Precinct No. 1, of which J. M. Willson is precinct chairman; Lockney Precinct No. 5, of which A. L. Rains is chairman; Lone Star Precinct No. 8 of which W. S. Rexrode is chairman; and Cedar Precinct No. 11 of which J. V. Gilley is chairman, are the precincts in which republicans will hold precinct conventions.

The same rules govern all parties as regards to conventions and primaries, the precinct conventions called being for the purpose of electing precinct chairmen to serve until their successors are elected in the 1928 primary, unless such chairmen are elected in the primary, and to elect delegates from the precincts to the county convention to be held July 31.

E. E. Wells, County Chairman of the party in Floydada Monday afternoon, said the Republican ticket so far as county candidates are concerned, would be blank. A complete slate for state and district officers will be on the ticket, however.

"THE DEACON ENTANGLED" LAST OF SEASON'S PLAYS

"The Deacon Entangled," a two-hour comedy-drama to be presented at Sand Hill Auditorium by the P. T. C., on Friday night, June 18, is the last of the series of eight plays announced for the season. Season tickets will be good for this play, which officials of the society expect to prove a most enjoyable one. The play centers around a young fellow, a baseball hero, who was mistaken for a ministerial prospect because he keeps speaking of the "field" being the place for him.

The cast of characters includes: Pike Hanna, Robert Foster, Jim Holmes, Theo Thompson, Sanford Shaw, Miss Glee Shaw, Miss Louise Hanna, Miss Opal Lee Shurbet and Mrs. Jim Holmes. Music for the occasion will be furnished by home talent. The Floydada Quartette will probably give a few selections.

A. F. & A. M. Officers Floyd City Lodge Elected

Officers of Floyd City Lodge, A. F. & A. M., were elected Friday night of last week, for the ensuing year. They will be installed at the next regular meeting of the lodge.

Dr. C. M. Thacker was elected worshipful master and E. S. Randerson senior warden. A. A. Tubbs is junior warden, C. Surginer treasurer, J. D. Starks secretary.

Other officers elected were A. J. Foley senior deacon, J. W. Clonts junior deacon, L. B. Maxey, senior steward, E. L. Henry junior steward, F. L. Davis chaplain and E. C. Austin tiler.

PANHANDLE BAPTIST ASSEMBLY ANNOUNCED, JULY 26-AUGUST 1

Announcement of the program for the Panhandle Baptist Assembly to be held the week of July 26-August 1, at Ceta Canyon, has been received by local Baptist churches, the year's encampment plans including an excellent program of devotional, inspirational and recreational features.

Dr. L. R. Scarborough will preach twice daily during the encampment. Dr. E. B. Atwood, bible teacher at Simmons University, will be the inspirational leader and teacher of doctrine. B. Y. P. U. and Sunday School work will not be neglected during the encampment. At present plans for these call for daily sessions. Dr. G. S. Hopkins, state Sunday School Secretary, will be the Sunday School programs' leader with several assistants. In the W. M. U. Mission Study Mrs. E. B. Atwood, of Abilene, will be the leader. B. Y. P. U. leaders for the encampment will include T. C. Gardner, W. L. Day, Mrs. C. E. Roark, and Mrs. L. E. Waite.

Floyd County Hogs Top Market at Fort Worth

Floyd County hogs topped Fort Worth's live stock market Monday, a carload shipped by Jones & Howard bringing 15 cents per pound.

The hogs were shipped Saturday and went on the market Monday. The hogs were purchased from various hog raisers over the territory.

New City Well Tied In To Water Supply System

The City of Floydada's new water well was tied in the latter part of last week, and began delivering its thousands of gallons of water per day to the ground reservoir.

The city is making use of electric power for this pump, a 20-horse power motor being hooked to the load. A similar motor of 25-horse power is hitched to the booster pump to elevate the water from the ground tank to the standpipe, taking the place of internal combustion engines that were formerly used for the purpose.

The new well is rated by the contractor at 250 gallons per minute. With two of the gas engine pulled wells also running, the new well was being run twelve hours per day the latter part of last week.

Tax Equalization Work Of Com. Court This Week

Commissioners of Floyd County began sitting yesterday as a board of Equalization in the matter of taxable property renditions.

Tax valuations by the board will be made on about the same basis of last year, members of the court said. The highest acreage valuations in the county last year ran \$16 to \$18, the lowest being \$3 an acre in small scope of country in the northeast part of the county, where the land is badly broken in the immediate territory under the caprock.

Dan Moody Speaks At Lubbock and Plainview

Dan Moody, Attorney General of Texas, and candidate for governor, speaks tomorrow night at 8 o'clock at Plainview, and Saturday at Lubbock, on his campaign swing through the panhandle and plains area.

Local supporters of the attorney general are planning to attend the speaking at one or the other of the above places in numbers.

MUTTON BARBECUE ENJOYED BY MEMBERS OF COUNTRY CLUB

Members of Floydada Country Club feasted on mutton from their own flock last Friday evening, when a committee from the grounds and executive committees arranged a barbecue at the new club house, just being completed. Two or three hundred persons, including members of the various families, enjoyed the barbecue, at which coffee, pickles, bread, cakes and lemonade were also served.

J. H. Shurbet, Floydada's premier barbecuer, was official chef in the preparation of the mutton, which was cooked over pits on the grounds.

C. H. Davis, J. V. Daniel, W. M. Windsor and S. F. Corner were principally responsible for the arrangement of the feed, and were warmly praised by the members who spent the evening there.

The barbecue was followed by a business meeting of the club, at which time the officers and directors who have served during the past year, were unanimously selected to serve for another year. They are Jeff D. Ayres, president; Lon M. Davis, vice president; R. E. Fry, secretary; W. Ed Brown, J. V. Daniel, O. P. Rutledge, Jas. K. Green, directors.

SAND HILL COMMUNITY FAIR DATES HAVE NOT BEEN SET

Although the definite date for the Sand Hill Community Fair has not been set, the plans for the fair are being made, with the expectation that this year's fair, which will be the third the community has held, will be even better than its predecessors.

CALLAWAY MOTOR CO. DEALERS FOR BUICK IN FLOYD COUNTY

Callaway Motor Company, headed by T. L. Callaway of Floydada, are now dealers for Floyd County in Buick Automobiles. Purchase of the Floyd County agency was made by Mr. Callaway last week, following a visit to the Oklahoma City Branch of the Buick Motor Company. Headquarters will remain at the Day & Night Garage, Mr. Callaway said.

A distinct addition to the value of the Buick dealership for Floyd County will be brought to Buick owners of the county by the fact that the new agency will stock a complete assortment of repair parts and accessories for all models of Buick cars, and will service Buick motor cars. "We are anxious to make Buick service mean something to Buick buyers and realize that service for their cars is a big item with motor car owners everywhere nowadays," Mr. Callaway said, in making the announcement of the change.

Heretofore, for several weeks Mr. Callaway has represented the McClelland Buick Company, of Plainview, in this county. This agency has had the Floyd County franchise for years.

Of interest to Buick owners in this section is the announcement that Mrs. Payne McClelland, who has been operating the Plainview Buick agency since the death of her husband last fall, has sold that agency to Mr. Beard, an Amarillo man, who has already assumed management of the business at Plainview, Mr. Callaway informed us.

The change affecting the Floyd County agency has already become effective, too, and the new agency will stock parts just as rapidly as possible.

Ice Plant In Operation; First Blocks Pulled Tues.

Texas Utilities Company's Floydada ice plant went into operation Saturday of last week, and the first blocks were pulled from the brine tanks Tuesday shortly after noon, a total of 10,500 pounds being pulled that day.

G. L. Moss, who assisted T. G. Van Sant in the construction of the plant, is the plant manager. He said the plant started into operation as smoothly as was expected.

Opening of the new plant here means a saving to the ice-consuming public of many hundred dollars during the ice season, the price now being 15 cents to 20 cents per hundred lower than when the product had to be trucked to Floydada from other plants of the company. E. E. Brown continues as sales manager for the company, handling the deliveries as well as sales from the dock of the plant. Storage capacity of the plant is in excess of two carloads, which obviates any probability of an ice famine at any time.

Four Communities Name Fair Exhibit Committees

Visits of Fair Workers With Neighbors Add to Interest in County Show This Fall.

In six communities visited by citizens of Floydada in the interest of the Community Exhibits division of the Floyd County Fair, interest in the all-county show for this fall was found to be enthusiastic, and four out of six of the communities named their committees at meetings held.

These communities and their committees are:

Blanco, with W. C. Cates, Horace Simpson, W. H. Smith, Mmes. W. C. Cates, Will Snell, W. F. Daniel and L. C. Wheeler as the committee; Sand Hill, with W. R. Dooley, A. R. Hanna, G. C. Collins as the committee; Prairie Chapel, with J. B. Teaff, Clayton Weathers and France Carthel as the committee;

Antelope, with Joe H. Smith, W. H. Stribling and O. D. Gragg.

Other communities visited, where committees will likely be named at an early date are Starkey and Harmony. Without exception, the reception of the communities was cordial, and everybody was full of pep, in spite of the fact that in all the communities visited the farmers are doing 12 to 16 hours a day in the fields, cleaning up on the weeds and making preparations to harvest. Last night Antelope and Sand Hill were visited. At Sand Hill the crowd was small but there was plenty of pep. E. C. Nelson, Jr., and S. N. Tawwater made talks, and R. V. Husky practiced his speech for the "My Town Contest" at Amarillo. There were several in the delegation to Sand Hill.

The Antelope meeting was also held last night and the small crowd had lots of fun with entertainment features as well as the speaking. The Prairie Chapel Meeting and the Starkey meeting were held Tuesday night. The Starkey Crowd was large, a set program being arranged. Entertainers from Floydada helped to make this meeting enjoyable. Blanco was visited Monday night and Harmony Friday night of last week. Crowds were good at both these places, and the Floydada delegations in each instance had a good time.

Aside from the thirty or forty persons who made the various trips over the county, special entertainers included Misses Patty Loober, Sibyl Covington, Helen King, Francis Kinard, Jewel Stribling, and the Floydada Quartette.

Dog, Believed To Be Mad Attacks 12-Year Old Girl

Last Friday morning Gladys Hix, 12-year-old daughter of Orval Hix, living 15 miles east of Floydada, was attacked by a dog belonging to the family, and her hand badly torn. The girl walked by the dog and he attacked her without provocation, which gave rise to the belief in her father's mind that the dog was rabby-infected.

Mr. Hix brought his daughter to town for treatment after the dog and another one on the place, had been killed. The dog's head was sent to the Pasteur Institute at Austin to be examined.

PLAINVIEW M. E. DISTRICT AGAIN LOVING CUP WINNER

For the second time Plainview District of the Northwest Texas Conference, Methodist Church, of which Floydada is a part, won the loving cup offered Epworth Leaguers in the conference. The cup was awarded at the Summer Assembly of the church held at McMurray College last week.

A party of ten local church workers attended the assembly and enjoyed the four-day program there, returning home Saturday. Every local member took credit work of some kind in the assembly. Rev. Henson gave a series of devotional studies of St. Mark's gospel in the early morning each day.

Two hundred or more persons attended the assembly, the largest in the history of the conference.

Royace Oxford, of Plainview, District Secretary of the Conference Epworth League, was elected president of this organization.

A feature that marked the sessions was the fact that every person in attendance, including some thirty members of the faculties of Clarendon College and McMurray College, took some kind of credit work during the assembly.

Next year's assembly will be held at Clarendon College.

LIDER SUPERVISING HIGHWAY WORK NEAR CITY OF POST

Geo. A. Lider and family are temporarily sojourning at Post, where Mr. Lider is supervising work for the highway department on a bridge contract out of that city.

Mr. Lider will also have charge of a construction job as supervisor on a bridge to be built on the same highway immediately south of Plainview in the near future.

RAIN FALLS OVER LARGE AREA WESTWARD TO N. MEX.

Rain Saturday night that amounted to a sprinkle in Floydada gradually became heavier westward, and extending into the eastern part of New Mexico.

Mrs. W. G. McCoy, of Bledsoe, is here for a visit with her parents, Mr. and Mrs. P. M. Felton. Mr. McCoy accompanied his wife to Floydada last week, returning home after only a brief stay.

Mr. and Mrs. Louie F. Moore and Mrs. Carter, of Lubbock, were here over Sunday on a visit with Mr. Moore's mother, Mrs. Josie Moore, and other relatives.

C. H. Conway, son of Mr. and Mrs. R. H. Conway, of Lakeview, reached home Monday and will remain here until about July 1, when he goes to Houston to work for the Humble Oil & Refining Co. He graduated from Texas University with a degree of Bachelor of Science and Mechanical Engineering.

Tuesday afternoon and night rain fell east of Floydada in a large scope of country under the caprock, extending as far as Haskell. Considerable rain fell in the Spur country, tourists reported Wednesday morning, and eastward of there, reports said, the rain was three or four inches in some sections, with some wind and hail.

First Load Wheat Here One Day Later Than 1924

J. I. Hammonds delivered to Edwards Grain & Elevator Company the first load of wheat of the 1926 crop to come on the local market Tuesday afternoon. It was the first load from a 20-acre field of volunteer wheat that Mr. Hammonds let stand on his place last fall. He said it was combining well.

The wheat from the volunteer crop averaged about 20 bushels. The test was only average, the buyers said.

In 1924 the first load of wheat was delivered to the same dealers on June 14 by J. A. Huckabay, and day earlier than this year's first load.

Wheat from summer-fallowed land in the county is expected to begin moving within a few days.

First loads of wheat came in from three farms southeast of Floydada Wednesday and the fourth farm began adding its quota this morning.

That the crop may be a great deal better on summer-fallowed land this year than it has been estimated, is indicated by the production from the first measured acre reported. This was from Bert Battey's crop. Mr. Battey measured the land and the elevator paid off for forty-five and two-thirds bushels of 62-test wheat from the acre.

Earl Bishop, who lives on the Sadler place south of Mt. Blanco began cutting and hauling Wednesday, bringing three loads Wednesday afternoon and two this morning. His wheat is testing 62 and 63.

W. B. Jones hauled the first summer fallowed wheat to reach the market here Wednesday morning. The first load tested 62 and the second 63. He is combining a forty-acre field in Lakeview Community.

Irvin Newberry is another Lakeview man who has started hauling. He brought in a load from the combine this morning that tested 62½ pounds to the bushel.

J. I. Hammonds at 10 o'clock this morning had hauled over 1,500 bushels of wheat to the elevator. After finishing his small field of volunteer wheat he began on his ripest summer-fallowed crop, which is running better than 60 lbs.

Grain men say that most all the wheat hauled so far is just a little green, but thirty or forty combines will be going in the territory by Monday. Among these will be the harvesters on the Zimmerman and Dougherty farms in southeast Floyd County, where 50,000 or 60,000 bushels are to be harvested.

The market on June wheat is \$1.15 this morning in Floydada.

Unofficial reports on the car situation indicate that heavy movement of cars to this section is under way and although the same sources of information give less than 100 grain cars as standing on sidings at shipping points in this county, signs point to a large increase in the number at a very early date.

Barley Runs 60 Bushels Per Acre at Jones Farm

W. N. Jones combined a field of 5 acres of barley on his farm in Lakeview Community Tuesday afternoon and the crop ran 60 bushels or more per acre.

Mr. Jones guessed at the production from the wagon runs and said it might run 65 bushels, but he felt sure it was 60 or more.

'All Set' For Convention Broadcast From Amarillo

All That Is Humanly Possible Has Been Done, And Amarillo Is Ready, Is Claim.

Amarillo, June 16.—"All Set." This is the message Amarillo is broadcasting to the world on the eve of the 8th Annual Convention of the West Texas Chamber of Commerce.

Fifty thousand people who will swarm this city during the convention June 21-22-23 will find this sort of welcome to greet them, a welcome that has been the result of weeks of careful preparation and determined effort in the face of obstacles. Never before, in the history of the West Texas Chamber of Commerce has a convention loomed with such magnitude nor attracted such widespread attention as has this.

Among the many thousands who will be here will be visitors from every portion of the United States, men and women drawn here by the influence which the phenomenal development of West Texas and especially of that section of West Texas of which Amarillo is the center, is exerting.

To all these Amarillo is opening her homes and her institutions with a hospitality not unworthy of her reputation. Everything that would assist or permit of greater convenience to her visitors and their entertainment while here has been done in so far as it has been possible. The citizens of Amarillo have shown themselves eager and energetic in their efforts, co-operating with their own Chamber of Commerce and the West Texas Chamber at all times in a manner that has meant much toward the successful consummation of the plans which have necessarily been attended with a great mass of detail.

All that is humanly possible to do has been done, and Amarillo is ready. Her homes are open and her people are eagerly awaiting this opportunity to fulfill the pledge made at the convention of the West Texas Chamber of Commerce at Mineral Wells last year.

R. V. HUSKY IN "MY TOWN" CONTEST AT CONVENTION

R. V. Husky, sophomore in Floydada High School, will represent Floydada in the contest to be staged in Amarillo during the West Texas Chamber of Commerce Convention, when several prizes will be awarded to winners in an oratorical contest, the subject of which will be "Why My Town is the Best in West Texas." Each lad will have his home-town for his subject.

Floydada's entry in the contest is the son of Dr. and Mrs. M. F. Husky. He has a remarkably good school record, having made high grades in all his school work. He holds five certificates won in school here for being neither tardy nor absent during a school year.

Visit Floydada Headquarters In Amarillo First

Rush of business at home, with the wheat movement just starting, added to the fact that most local people who plan to attend West Texas Chamber of Commerce Convention in Amarillo, expect to return home at night, have spoiled any plans for special trains or auto caravans of visitors from Floydada for the big show, Ed Bishop, secretary of the Chamber of Commerce, said this morning.

"However, we want every Floydadan who visits Amarillo to stop first at Floydada headquarters at the Panhandle Hardware Company on Polk Street," he said, "Where plans for each day can be made and given out. By this means friends can be located and the various Floydada visitors in Amarillo kept in touch with each other."

Floydada badges, pennants, hat bands and noise-makers can also be obtained at headquarters, the secretary pointed out.

"KEEPER OF THE BEES" ON AT OLYMPIC THEATRE TONIGHT

"Keeper of the Bees," picturization of Gene Stratton-Porter's book that was to have been shown at the Olympic Theatre Wednesday and Thursday of last week, is booked for tonight and tomorrow night at the show.

New equipment was installed and repairing the booth and roof of the Olympic Theatre building completed Monday, the first show with the new machines being given by the theatre Monday night.

"We have newer and better projecting machines with the expectation that we can deliver better pictures on the screen for our patrons," Mr. Cloud said Monday night. "We have some dandy new pictures lined up, too, which will be announced from time to time, booked while I was in Dallas last week."

H. B. Ralls On Job Again

Herbert B. Ralls, who has been vacationing for a few months, while recovering from an attack of insomnia, is back on the job as manager of Higginbotham-Bartlett Company once more.

During his vacation Ralls has visited Temple and Dallas clinics, as well as the Battle Creek Sanitarium.

PORTER A. WHALEY

News dispatches last week told of the selection of Porter A. Whaley, for several years manager of West Texas Chamber of Commerce, as secretary of the San Antonio Chamber of Commerce, to become effective at an early date.

Whether San Antonio will be enough like the kind of West Texas that Whaley knows and likes best, to meet his wishes fully we do not know. His type of man doesn't worry about a job, however, and if the San Antonio work does not suit or does not suit them, there will be another opening for him somewhere else.

Whaley is typical of West Texas. He has been the mouth-piece of the section as a whole for a number of years, and its leader, although mostly behind the scenes. He has established the West Texas Chamber of Commerce on such a broad foundation that it can now function smoothly on its own momentum for a time, even if the directors should have some difficulty in choosing his successor.

Mr. Whaley is an able man. He is worth all the San Antonio Chamber of Commerce is reported to have offered him to take the place. If he doesn't do so on the new job, it will not be his fault.

GRAIN RAISERS DILEMMA

With a big wheat crop ready for the harvest the wheat raiser is in somewhat of a dilemma. As the crops ripen they are ready for the binder several days before they are ready for the combined machines and a few days before they are ready for the header. The grain raiser, if he waits for the combined harvesting method, takes the chances of the elements during the hot days of mid-summer, when a thunderhead may develop into a hail-storm. On the other hand, it will make his handling costs nearly twice as high if he goes ahead and binds or heads, thus reducing his profits heavily.

Most of the raisers are going to take the chances and go the combined harvester route. But some of them are not, according to conditions, including the size of the crop and whether the raiser has his own harvesting machinery.

MACHINERY BILL LESS

An encouraging thing about the possibilities in the small grain crop of Floyd County this year is the fact that the machinery bill is going to be very much smaller than it was in 1924 or in 1919, when similarly heavy crops were handled. In those years a large proportion of the profits went into capital account for machinery with which to handle the crop.

This year, it is estimated the total bill in the county for new machinery will not exceed \$100,000, not much over 5 per cent of the probable gross profit for the crop. Of course, repairs are going to run this figure up materially, but the figure is going to be far and away below the \$300,000 bill of 1924 and the even greater bill of 1919. This investment has been made already and will help increase the profit from the crop and at the same time take no toll from it. All of which will help.

HALF-MINUTE INTERVIEWS

Russell Morrison: "A Holstein bull calf born on my place occupied by Mr. G. A. Tardy, 12 miles southwest of Floydada last week, weighed 106 pounds 20 minutes after it was born. Mr. Tardy told me, and I am ready to believe it. It was the biggest young calf I ever saw."

E. C. Nelson: "I saw E. P. Thompson and Tom P. Steen while I was in California, and both of them are looking good. Both asked me to remember them to friends in this country."

FAIR IDEA GETS AN O. K.

It ought to be, and doubtless is, a source of considerable gratification to the men who are backing the movement for a good all-round county fair this fall, to have the enthusiastic O. K. of so many neighboring communities for the plans that are in the making and the promise of these communities, through their trustees to help make the fair a winner.

A county fair is worth much to any county in cementing its various sections into better regard for each other, more neighborly pride in the whole county, and friendly rivalry for honors. That this year's fair gives every advance promise of being worth-while in every particular is a sign of better things ahead.

This and That

Mayor Henry cut a corner or turned in the middle of the block the other night and the entire force of peace officers in Floydada, including the city marshal and two or three deputies saw him. The next morning all the force lined up bright and early anxious to swear against him. The mayor looked his accusers over and asked to be allowed to plead guilty at once.

These hot summer days had on little cotton. Make big cotton of it.

An occasional binder going this week in the wheat. Combines tune up the latter part of this week and business will pick up shortly thereafter.

Saturday last day for candidates to file for the primary. We've done our best to get more to run, feeling that our readers ought to have plenty to choose from, and although the top crop has been mighty light, we don't blame ourselves.

D. S. Rattan, of Matador, was in town Monday on business. Mr. Rattan is a son of Rev. W. H. Rattan, who preached through the south plains country years ago, and did great missionary work, before the Baptist Church was organized anywhere in Floyd County.

J. E. Wilkins is from Wood County and knows his okra. "I am a painter not a garden raiser," Mr. Wilkins said Tuesday morning as he left samples of this year's onions, beets, lettuce and string beans with The Hesperian's Official Taster. "This is not early for garden stuff. Where I came from they've been eating vegetables a good many weeks." Mr. Wilkins said, when it was suggested he was rushing the season. O. T. gave his most special O. K. to the wonderful garden sass brought in by the painter-garden raiser. O. T. doesn't need any house, but as soon as he gets able he announces plans to build one, just specially for Mr. Wilkins to paint.

Barley and rye ready for the harvest several days ahead of wheat most years, and this year no exception. More of both barley and rye than usual.

We appreciate the nice business we have had from each candidate to announce, and pledge our whole-hearted support to everyone of them.—and may the best man win.

Sheriff J. R. Maddox took Judge F. P. Henry's ugly man laurels away from him last Friday night in a hot contest at Harmony, when in a last-minute show of strength he polled enough votes to nose out ahead and take the cake. Judge Henry has held the honors for years, and his former neighbors in Arkansas will learn with regret that an East Texan has moved into the country and made him take a back seat.

HALF-MINUTE INTERVIEWS

J. G. Martin: "The best news I have had since I came home was that one of those Nebraska Duroc Jersey gilts I am interested in with B. G. Lewis, farrowed 11 good pigs, all of them lived and Mr. Lewis has sold them for \$5 apiece. The sow cost us \$40."

Locals and Personals

Making Industrial Survey of 30 Northwest Counties

Special Representatives of Wichita Falls Chamber of Commerce Asks For Industrial Figures.

J. Malcolm Harrison, special representative of the Wichita Falls Chamber of Commerce, was in Floydada for a short time Saturday while on a tour of some thirty-five counties of northwest Texas making a survey of the industrial conditions in the section. When completed, the survey will be compiled and distributed among the business men of the Wichita Falls organization and for all towns included in the survey.

Bank clearings, bank deposits, postal receipts for 1924-25, in and out-bound freight for two years, population and a general agricultural report will be made.

"In this territory Maury Hopkins and Mack Boswell of the Plainview Chamber of Commerce have been helping wonderfully, and we found your secretary, Ed Bishop, very helpful in obtaining information we desired," Mr. Harrison, who is a relative of Hubert M. Harrison, general manager of the Wichita Falls Chamber of Commerce, said.

"The territory to be included in the survey will cover some 30 or 40 counties in northwest Texas and southern Oklahoma," Mr. Harrison continued. "And we expect to have one of the most imposing statements of industrial conditions every compiled in this territory."

"While in this territory I have been

working with Homer D. Wade some in forwarding plans for the West Texas Chamber of Commerce Convention, and we find the enthusiasm general for the forthcoming convention," the special representative said.

EXES OF '25, W. T. S. T. C., CELEBRATE FIRST ANNIVERSARY

Tate Fry presided at a banquet at West Texas State Teachers' College at Canyon during commencement week, at which gathered more than half of the exes of that school of the year 1925, who assembled to celebrate the class' first anniversary. Odus Mitchell, also former Floydada boy, was among the "exes" at the gathering.

Mrs. L. C. McDonald and Miss Vera Fry, of this city, attended the banquet, which resolved itself into a very enjoyable reunion and birthday party, according to the report contained in the Prairie student publication at the teachers' college.

In the same week Mr. Fry entertained the Redmen Tribe, pep squad of the school, when games were played and refreshments served to a number of honorary members as well as active members.

NOTICE OF APPLICATION FOR PROBATE OF WILL.

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County,—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of

the notice in the County of Floyd State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof: Notice of Application for Probate of Will, and Letters Testamentary

THE STATE OF TEXAS:
To all Persons interested in the Estate of G. M. Risinger, deceased, Mrs. Mary E. Risinger has filed in the County Court of Floyd County, an application for the Probate of the Last Will and Testament of the said G. M. Risinger, deceased, filed with said application, and for letters testamentary as independent executrix of said estate without bond, filed as cause No. 378 on the docket of said court, and which application will be heard at the next term of said Court, commencing the Third Monday in July A. D. 1926, being July 19th, 1926, at the Court house thereof, in the City of Floydada, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said Court this writ, showing your return thereon endorsed showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Floydada, Texas, this 29 day of May A. D. 1926.
(SEAL) CLARA LEE SCOTT,
Clerk County Court, Floyd County, Texas. 153.2

CITATION ON APPLICATION FOR PROBATE OF WILL

THE STATE OF TEXAS

To the Sheriff or any Constable of Floyd County, Greeting:
You are hereby commanded to cause to be published once a week for a period of ten days exclusive of the first day of publication before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Floyd County, a copy of the following notice:
THE STATE OF TEXAS

To all persons interested in the Estate of J. F. Conner, deceased, you are hereby notified that Mrs. Katie B. Conner, has filed in the County Court of Floyd County, an application for the Probate of the last Will and Testament of said J. F. Conner Deceased, filed with said application, and for Letters Testamentary as Executrix of said Estate without Bond, filed as Cause No. 377, on the Docket of said Court, which application will be heard at the next

term of said Court, commencing on the Third Monday in July A. D. 1926, the same being the 19th day of July A. D. 1926 at the Court House thereof, in Floydada, Texas, at which time all persons interested in said Estate may appear and contest said application, should they desire to do so.

Herein fail not, but have you before said Court on the first day of the next term thereof this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Floydada, Texas, this 29th day of May A. D. 1926.
(SEAL) CLARA LEE SCOTT, Clerk County Court Floyd County, Texas 153.2c.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Floyd

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable District Court of Floyd County, on the 25th day of May, 1926, by G. C. Tubbs Clerk of said District Court for the sum of One Thousand, five hundred and 50-100 Dollars and cost of suit, under a Judgment, (Foreclosure Vendor's Lien), in favor of D. M. Willson in a certain cause in said Court, No. 1729 and styled D. M. Willson, vs. V. F. Hodge, placed in my hands for service, I, J. R. Maddox as Sheriff of Floyd County, Texas, did, on the 1st day of June 1926, levy on certain Real Estate, situated in Floyd County, Texas, described as follows, to-wit:

Lots number nine (9) Ten (10) eleven (11) and twelve (12) in Block number Four (4) Bartley Heights addition to the Town of Floydada, Texas, as shown by the plat of said addition, recorded in the Office of the County Clerk of Floyd County, Texas, and levied upon

Young Wife Afraid to Eat Anything

"I was afraid to eat because I always had stomach trouble afterwards. Since taking Adlerika I can eat and feel fine." (signed) Mrs. A. Howard. ONE spoonful Adlerika removes GAS and often brings surprising relief to the stomach. Stops that full, bloated feeling. Removes old waste matter from intestines and makes you feel happy and hungry. Excellent for obstinate constipation. For sale by Floydada Drug Company.

as the property of V. F. Hodge and that on the first Tuesday in July 1926, the same being the 6th day of said month, at the Court House door of Floyd County, in the Town of Floydada, Texas, between the hours of 10 a. m., and 4 p. m., by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said V. F. Hodge.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Floyd County Hesperian a newspaper published in Floyd County.

Witness my hand, this 1st day of June, 1926.

144tc J. R. MADDOX,
Sheriff Floyd County, Texas

NO-NOX

MOTOR FUEL

STOPS KNOCKS

PUTS CARBON TO WORK

PUTTING the old demon, carbon, to work sounds like a paradox—nevertheless that's just what GULF No-Nox Motor Fuel does and here's how it happens: Compression is power. The more compression the more power. Greater compression is secured by reducing the displacement or space in the combustion chamber. Carbon deposits materially reduce this space—old time gasoline would not withstand this added carbon compression—clicks—knocks—pings or detonations of distress quickly following sudden acceleration or heavy pulls.

No-Nox withstands higher compression—stops the knocks or detonations, thereby increasing engine efficiency. GULF No-Nox and Carbon Deposits work together for more power and greater mileage.

Turns Mountains Into Mole Hills

This guarantee goes with it: GULF No-Nox Motor Fuel is Non-Noxious, Non-Poisonous and no more harmful to man or motor than ordinary gasoline—that it contains no *dope* of any kind—that the color is for identification only—that it positively will not heat the motor, winter or summer.

GULF No-Nox Motor Fuel is priced three cents per gallon higher than ordinary gasoline—and is worth it.

Solomon Family and Relatives In Reunion.

Mr. and Mrs. J. S. Solomon, daughters and son, together with Mr. and Mrs. E. W. Solomon and children, of Memphis, enjoyed a reunion of family relations, and old friends numbering some 62 in all, including children, grandchildren and friends, near the Rock Kitchen a mile below the caprock on the Lockney and Quitaque road last Sunday.

At the gathering were Mr. and Mrs. J. P. Longshore, children and grandchildren of Estelline, Mr. and Mrs. J. T. Bain, son and daughter of Hedley, Mrs. Longshore and Mr. Bain are sister and brother of Mrs. J. S. Solomon.

After spending practically the entire day together the various families left for their respective homes late in the afternoon.

Farewell Picnic for Lorene Carter

Thursday evening Mr. and Mrs. Joubert Clements chaperoned a crowd of young people on a picnic given in honor of Miss Lorene Carter.

After a large fire was built a delightful lunch was spread which consisted of sandwiches, pickles, and cakes and after this Rainbow sandwiches were served.

Those present were: Misses Lorene Carter, Gladys Covington, Mrs. Aileen Williams, Mrs. Clements, Willie McFadden, Velma Deen, and Mrs. Francis Holcomb, Messers Jeff Welbourn, Ira Marshall, Harvey Assiter, Maurice Leach, Joubert Clements, and Mr. Holcomb.

Embroidery Club Meets.

The Embroidery Club met with Mrs. Dora Reagan Tuesday and a very pleasant day was spent. A delightful dinner was served in cafeteria style. Those present were: Mmes W. M. Colville, A. D. White, T. A. Caudle, S. D. Bishop, A. P. McKinnon, R. M. McCauley, W. E. Walker, Ulmer White, and Misses Ruby White, and Julia Adams.

The club will meet with Mrs. J. T. Dawson next week in the afternoon.

Martha Girls Picnic.

The Martha Girls Class of the Methodist Church, together with a number of others, were guests Tuesday evening of Miss Daltis Rea and Mrs. H. S. Sanders on a picnic, the feature of

which was barbecued chicken, prepared over improvised pits and served picnic style, with sherbet and cream as the second course.

The thirty-four persons composing the party were: Mr. and Mrs. Bill Sharp, Mr. and Mrs. Truett Butler, Mr. and Mrs. Robert McGuire, Mr. and Mrs. H. S. Sanders, Mr. and Mrs. W. L. Fry, Mr. and Mrs. C. D. Hopkins, Mr. and Mrs. J. B. Bishop, Junior Sanders, Lee Wilkinson, Glenn Armstrong, Mina Lee Solomon, and Misses Lillie and Belva Solomon, Lela Swain, Roma Swain, Aurelia Sanders, Angie Stiles, Virginia Thomas, Daltis Rea, Dessie Walker, Ona Mitchell, Doris Armstrong, Mollie Crum, Lucy Crum, Emma Lou McKinney, Bain of Hedley and Opal Bradley of Abilene.

Blanco News

Blanco, June 15.—Farmers are working early and late trying to clean the row crops before harvest begins. Wheat is ripening fast, and harvesting will be started in some of the fields the latter part of this week.

Luther Martin returned to Childress Sunday p. m. after a few days visit with his parents, Mr. and Mrs. John G. Martin. He is a machinist in the round house at that place.

Clarence and Orville Clark from Oklahoma spent a few days the past week in the W. V. Smith home.

Tom Millican of Acuff was visiting in the home of his daughter, Mrs. Earl Rogers a day or so last week.

We are glad to report Cleo Young as still on the road to recovery.

W. V. Smith is at Electra helping J. R. Brewer harvest his wheat crop.

Mr. and Mrs. Herbert Hicks of Floydada spent a couple of days in the home of her aunt, Mrs. Will Snell the past week.

Mrs. W. H. Smith and children visited her parents at Memphis since our last letter.

P. E. McCarty spent Saturday in Lubbock with his father, J. F. McCarty.

A very nice size crowd attended the C. of C. Meeting at the school house Monday night, those from Floydada who spoke were: R. E. Fry, O. P. Rutledge, Eddie Bishop, and Homer Steen.

Miss Patty Looper sang with Miss Velma Deen at the piano. A quartette of young ladies with their ukeleles pleased the audience with several numbers.

Will Simpson acted as Chairman for the occasion and appointed the trustees, W. C. Cates, Horace Simpson, and W. J. Smith, Mesdames Wheeler, Daniels, Cates, and Snell from the home Demonstration Club to help put this over in the community. We hope to have a very attractive booth at the County Fair which is to be held in Floydada September 24 and 25.

Let each family take a personal interest in this agricultural exhibit and try to see just how many points we can score, as it is to be carried out very much like the Dallas Fair, have community booths while at the Dallas Fair there are county booths of course, Alright Floyd County Communities let us check up and go.

FUNDAMENTALS OF GAS ENGINE CONSTRUCTION TO BE TAUGHT

College Station, Texas, June 15.—A better understanding of the fundamentals of gas engine construction and operation will be taught during the short course in automobiles and tractors to be held at the A. & M. College of Texas this summer. The courses begin on June 16 and 23, and end on August 10 and 17. The course is given by the agricultural engineering department of the College and is open to men and boys over sixteen years of age who are interested in the automotive industry.

Instructions will be given in the following departments: metal working, chassis, gas engine, motor, electrical tractor and trouble shooting. Certificates will be awarded students who pass and complete the course, providing it is shown their work has been satisfactory. Both practical and theoretical instruction will be given in the fundamentals, in as near a non-technical manner as possible.

Mrs. Mary Awtrey is spending the week in Panhandle with her husband, who has charge of a filling station in that city. She is expected to return home Saturday or Sunday.

WITH THE CHURCHES

FLOYDADA CIRCUIT WEST

J. N. S. Webb, Pastor Services at Cone Sunday. Sunday School at 10 a. m., preaching at 11 a. m., and 3:30 p. m. Preaching at Farmer Sunday night.

Pastor's Helpers Meet

Mrs. W. E. Walker was hostess to the "Pastor's Helpers," class of the Methodist Sunday School, Tuesday afternoon. The class met for the purpose of electing new officers. They were called to order by the president and the meeting opened by prayer led by Mrs. Webb.

The following officers were elected: President, Mrs. R. M. McCauley; Vice-President, Mrs. L. C. McDonald; Secretary and Treasurer, Mrs. W. E. Walker; Teacher Mrs. J. H. Green; Assistant Teacher Mrs. W. H. Meachum; and Titling Secretary Mrs. Pearl Wraske.

METHODIST CHURCH

J. L. Henson, Pastor Preaching by the pastor Sunday 11 a. m. and 8:30 p. m. Morning subject: "The Vision of the Pure." Evening Theme: "The Touchstone of Character."

Remember the Hogg Evangelistic Campaign beginning at the Tabernacle Sunday night June 27th. Cooperating churches, First Christian Church, Presbyterian Church, Methodists of Floydada, and the East and West Floydada Circuits with any and all others who will come.

Senior B. Y. P. U. Renders Program at Matador

The Senior B. Y. P. U. of the Baptist Church of Floydada rendered an interesting and inspirational program on "Luther Rice, Baptist Missionary" at the Baptist Church of Matador Sunday night. A goodly number of about 20 went.

The group spread a delicious lunch just this side of town and drove into town afterwards. We were cordially received and treated royally. The entire church hour was given to the program which was enjoyed by all, and an urgent invitation to come again was given.

After the program Rev. Allen, Secretary of Abilene Baptist Orphanage gave a talk. Mrs. Harper Scoggin was chaperone of the Floydada B. Y. P. U.

Tabernacle Meeting Closed

Brother John M. Rice of Abilene, Texas has given some very interesting gospel lessons during the last twelve days and nights.

The local congregation of the Church of Christ which meets on Mississippi Street has been wonderfully strengthened. Brother Rice will return in 1927 for

another meeting beginning on Wednesday night before the 4th Sunday in July and will continue the meeting until the 5th Sunday night in July. Bro. Rice will be welcomed back to Floydada.

There were nineteen additions during the present meeting.

BAPTIST CHURCH

Elmer Caudle, chairman of the pulpit committee of the Baptist Church has called a church conference for 11 o'clock Sunday morning for the purpose of calling a pastor.

Willie B. May returned last week from Waxahachic, where he had been some two weeks on a visit with relatives.

S. F. Conner, Fred Bell, E. P. Nelson, W. C. Grigsby and Albert R. Clubb reached home last night from a fishing trip to Lake Kemp, where they spent the fore part of the week. They were in a heavy wind and rain Tuesday evening and night.

Class Meeting

The ladies' Bible Class of the Mississippi Street Church of Christ met with Mrs. A. L. Scoggin on Wednesday June 16th.

"The Conquest of Canaan from Crossing of Jordan to Time of the Judges" was the lesson discussed by the following:

Crossing the Jordan, by Mrs. A. L. Scoggin.

Encampment at Gilgal, by Mrs. Mal Jarboe.

The fall of Jerico, by Mrs. R. M. Morgan.

The Capture of Ai, by Miss Julia Blackshear.

The Altar at Ebal, by Mrs. Cella Ross

TO MY FRIENDS AND VOTERS OF FLOYD COUNTY, TEXAS

I will not be able to make a house to house canvass of the county this year in the interest of my race for county Treasurer, inasmuch as I feel that my first duty is to the people of this county, and that I owe to them to remain in my office and attend to the duties of it and give the citizenship the very best service possible, and thereby render them the just and honest service that I believe they are entitled to receive for electing me two years ago to the office of county Treasurer. But at the same time, I want you to remember that I am in the race again and I will appreciate your vote and influence more than I can ever tell, and if you see your way clear to support me again, I will continue to render you the service that you are entitled to receive, and show you my appreciation by continuing to run the office for you in a clean business like manner.

Thanking you for your support, I am,
Very sincerely,
MRS. ELDER MORRIS.

**GENE STRATTON-PORTER'S
GREATEST STORY IS FILMED**

The greatest novel ever written of Southern California, with the gorgeous backgrounds of mountains and ocean, has been transposed to the screen in "The Keeper of the Bees." Gene Stratton-Porter's most recent work which appeared serially in McCall's Magazine. Doubleday Page & Co. have just put the book on the market, and the publishers estimate that more than ten million persons have already found the story as fascinating as only a novel by the late Mrs. Porter could be. In addition to its tremendous popularity, "The Keeper of the Bees" has as one of its stars an eleven year old girl who has never before been seen in pictures, and who probably never will be again, despite the fact that she is bound to make a tremendous hit. Gene Stratton Monroe, grand-daughter of the noted novelist, enacts the part of "Little Scout"; the role which inspired her celebrated grandmother to write the story originally. So when she "steals" the picture from more experienced members of a fine cast, it is only proper; for "The Keeper of the Bees" is her property anyway! The production, which has been ably directed by F. B. O. by J. Leo Meehan, who will be remembered for his fine work in transplanting "The Girl of the Limberlost" to the screen, will be seen at the Olympic Theatre Today and Friday.

Locals and Personals

Locals and Personals

Mr. and Mrs. Herbert Hicks returned last week from a two months visit with relatives in Earlsboro, Okla.

Buster Shepherd of Earlsboro, Okla., is visiting his sister, Mrs. Herbert Hicks.

Sam Brewer of Electra is visiting relatives here.

Miss Deara Cone of Canyon was the guest of Mrs. V. M. Manning last week-end.

Tom Brazier of Canyon was the guest of Buster Shepherd Sunday.

Miss Hazel Probasco returned Tuesday after visiting Miss Dorothy Snodgrass in Amarillo.

Irvin Bishop, of Long Beach, Cal., is here on a two-weeks vacation, visiting his father, A. L. Bishop, and his brothers and sisters, having arrived Monday.

Mrs. Wanda Banker reached Floydada last week from Lawrence, Kansas, where she completed her A. B. work and was given a degree at the Kansas State University. She and her little daughter, Doris Eiline, will spend part of the summer here. Mrs. N. A. Armstrong, who spent commencement week at Lawrence, returned with them.

Mdmes. C. Surginer and E. C. Henry, in company with Garner Surginer, left the first of the week for Florida by automobile to spend some weeks on a vacation trip. They will visit at New Smyrna with Mrs. W. R. Ivey, Mrs. Surginer's daughter, while in that state!

Mrs. Ollie Horn and two children, of Paragould, Ark., are here on a visit with Mrs. Horn's sisters, Mdmes. T. C. Russell and Roy L. Snodgrass. Mr. and Mrs. Russell met them in Amarillo Sunday.

Mr. and Mrs. E. C. Nelson and son, Lillburn, are at home from California, where they spent some two weeks on a vacation, visiting their son, Loraine, and nephew, J. V. Nelson and family, while in that state.

Leslie Surginer returned last week from Austin, after completing his year's work at the University of Texas.

Attorney Kenneth Bain returned Wednesday from a business trip to Brownsville, after an absence of several days.

C. Y. Carter has bought the interest of R. L. Hinkson in the Magnolia Filling Station, and is now associated with H. O. Cline in the firm of Cline & Carter.

Mrs. J. R. Thurston and children, Joseph and Louise, returned home last week from Cleburne and other points, where they had been gone some two weeks on a visit with relatives.

Mr. and Mrs. B. G. Morton are on a vacation trip this week, having left for Munday the earlier part of the week and expecting to fish on Lake Kemp before their return.

Judge L. S. Kinder, of Plainview, was a business visitor in Floydada Tuesday of this week.

Corella and Fred Zimmerman, Jr., of Pasadena, Cal., are here to spend several weeks with their father, Fred Zimmerman, having arrived Sunday.

Harper Scoggins spent last week-end in Paducah on business.

YOU SAID IT

"Good heavens, is there any way of making you women dress decently?"
"Certainly there it."
"Well, what is it?"
"Kill off you men."—London Mail.

A full-blooded Sioux Indian is a member of the Capitol police force in Washington.

To shame co-eds in their public use of powdered puffs, lipsticks and rouge, men students at the University of California shaved in class.

By crossing with a tree that has just been rescued from extinction in Hawaii, larger cotton plants have been produced.

10 F. H. S. Graduates, Who Began and Finished School in Same Class

The ten young men and women pictured above were members of the graduating class of forty-eight, who finished Floydada High School this year. Of the ten only one Arie Gamble, ever attended any other school. They began their public school careers together in 1915 with Miss Roxye Ivey as their teacher, in the North Ward School, since destroyed by fire.

Reading from left to right they are: back row, Troye Pope, Helen King, Polk Goen, Arie Gamble, John Gamble, Audrey Felton, A. D. Summerville, Jr.; front row, Clay Willis, L. B. Fawver, Jr., and Tom Bishop. Two members of this group were senior class officers this year. Tom Bishop was president and Audrey Felton treasurer.

'Farm Labor Situation Hard To Gauge,'-Bishop

Floydada Chamber of Commerce, in its efforts to aid in the general work of forwarding the interests of the farmers in Floyd County, without being meddlesome or officious in its work, has been studying the farm labor situation and many farmers and grain men have been interviewed to learn the probable turn the demand for help is going to take, Ed Bishop, secretary of the commercial organization, said Monday.

"With the sunshiny days we have had the past two weeks, our idea, from talks with wheat growers, is that a large percentage of the outside help needed this year, is going to be provided by the row-crop neighbors who will have caught up with the weeds and be ready to help their neighbors," he said. "If continued rains come, they tell me, however, the row-crop workers would be thrown behind with their work and the wheat men would need a very much greater force of men from down-state counties. We are answering inquires, and we are getting a good many of them, to the general effect that the harvest is going to be good, and the outlook for labor demand is that it will be heavy, suggesting that the applicants head this way, ready to go to work between the 20th and 30th of the month.

"There are already a number of harvest workers in the county, whom farmers could pick up and keep partially employed until harvest time and have their crews ready when they get ready to go to harvesting. Several solid-appearing workers have been in and out of this office during the past ten days and we are telling them to keep in touch with us. Whether they will do this or keep moving, we do not know.

"Taken altogether, it is somewhat difficult to judge the situation. It looks like we might need a thousand men for the harvest and also a number for the row-crop work that will have stacked up while the wheat saving is in progress. The judgment of the Labor Bureau at Plainview, in charge of the work of placing harvest workers in this section for the Federal Department of Labor, is that this demand this year will be taken care of by the natural flow of labor westward as the harvest comes this way."

BOTELER & HINSON

H. E. Cannaday Home.

H. E. Cannaday reached home the latter part of last week from a trip to East Texas, where he spent some weeks on a vacation.

"I just cut the bridges behind me when I left and took life easy," Mr. Cannaday said. "After spending a week at Glenrose, I went down to Winnboro and hunted and fished till the world looked level. There are still plenty of fish, squirrels and fruit in that country where I was raised."

Mr. Cannaday was absent from home for five weeks, and had his first real vacation since he has been in business.

Starkey News

There was a large crowd attended the singing Sunday night, and a few visitors. We wish them to come back and be with us again.

One of the good singers of Floydada, who is Mr. Nichols, was with us Sunday night to help sing, and we wish him to be at Cone next Sunday night.

Miss Artie Mitchell spent Sunday with Miss Lillian Allen.

Miss Wanda Howard spent Sunday in Floydada with Miss Dot Formby.

J. D. and Dave Luttrall spent the latter part of last week with their cousin, Clyde Jonas.

Several people of Starkey attended the singing at Cone Sunday evening.

The play the club is getting up, "The Face at the Window," will be put on Friday night week June 25th, every body is invited to come, and it will also be put on at Sand Hill Saturday night June 26th.

LUNCHEON CLUB ELECTS ITS OFFICERS FOR THREE MONTHS

Officers for the ensuing three months were elected by the Floydada Boosters' Luncheon Club at their luncheon held Monday at the Commercial Hotel Dining room.

W. A. Baker was elected toastmaster, W. L. Fry assistant toastmaster, A. L. Polley puncher and C. D. Hopkins secretary-treasurer. The program committee for the next two meetings is composed of J. G. Wood, C. R. Houston and C. M. Wilson.

Attendance at the meeting was the poorest in the history of the club, only 14 being present. W. L. Fry presided.

The principal topic for discussion at the meeting was the West Texas Chamber of Commerce Convention. The difficulty of keeping in touch with Floydada people at the convention was pointed out, because of crowded conditions in Amarillo and the probability that few of the people who go from Floydada will spend the nights in that city. Floydada headquarters, Ed Bishop told the club, will be at Panhandle Hardware Company's store on Polk Street, where Floydada visitors may keep in touch with the activities of representatives of this city in the convention.

Home Demonstration Club News

BLANCO CLUB

On Wednesday night, June 9th, our club had as their guests their families and friends at the school auditorium to hear the subject: "Know your County" discussed. Our President, Mrs. Wheeler very ably presided.

Each member was asked to answer roll call by telling an interesting fact about our community, several responded, and one of the most interesting facts and something each citizen should be proud of is, that so far as I know, no boy of Blanco Community has ever been in jail or had to pay a fine.

Judge Mathews of Floydada was the principal speaker telling us from a legal standpoint of, "How our County is governed and financed and of the County jail and how it is cared for."

Some of the greatest needs of our community were given by Mrs. Snell.

OLYMPIC THEATRE PROGRAM FOR WEEK

Thursday and Friday, June 17 and 18
"THE KEEPER OF THE BEES"
 Gene Stratton-Porter's greatest and latest novel, with Robert Frazer, Clara Bow and Alys Mills; the most beautiful story of the year made into a magnificent motion picture! A photo-drama that will live in your memory as one of the finest stories of all time; a picture saturated with warmth, vitality, sentiment and movement, dripping with drama and taut with tragedy; yet with the roseate, beneficent kindness of this great author; and touched with the genius of her irrepressible humor. You're going to thrill to this beautiful love story with the most amazing climax! Also good two-reel comedy.

Saturday, June 19th—
"THE PHANTOM BULLET"
 featuring HOOT GIBSON in a great Western Mystery Drama. Here's Hoot in a western thriller that will make your eyes pop with surprise and your heart beat quick with delight! Don't miss this dare-devil in the maddest ride of his mad career! Also good two-reel comedy.

Monday & Tuesday, June 21 and 22—
"THE UNHOLY THREE"
 featuring Lon Chaney; the greatest character actor of all times in an amazing underworld romance. Mystery, surprise, romance, are packed without let-up into this amazing underworld picture! The Unholy Three—the Ventriloquist, the Giant and the Dwarf—band together in a life of fantastic crime. It'll keep you guessing—it will thrill and fascinate you! Also good two-reel comedy.

Wed. and Thurs., June 23 and 24—
"THE MERRY WIDOW"
 a super-special, with Mae Murray and John Gilbert, as the widow and the prince, directed by Erich Von Stroheim. Gay! Glittering! Wild revelry by night, with gorgeous women and handsome men, in a world of wealth—and against this glamorous background the thrilling tale of the perils and delights of a mighty love! A great motion picture from the play that won the world's acclaim! Expect something bigger, more beautiful and more thrilling than anything you've ever seen before on the screen. You won't be disappointed. Also Comedy.

NOTE: The management personally recommends each of the above pictures. It is a program of super-specials.

Little Miss Mary Cathrine Smith favored us with two splendid readings. Mrs. Wheeler told of how our club has helped to improve our community.

Rev. J. N. S. Webb offered a prayer while music was furnished for the program by J. W. Dalton on the violin, Joe McPeak on guitar, Herbert Hicks, Joe Floydada on drums, and Will Snell at the piano. At the close of the program cream was served to every one by the club members.

Our next regular meeting is to be Thursday p. m. June 17th, Mrs. Tardy is hostess, when we are to study, "Food Value of Eggs" Miss Bass is to give us the demonstration on ways of serving eggs.

LONE STAR

The Lone Star Girls 4H Home Demonstration Club met June 9th at the home of Mrs. Bert Bobbitt. There were six members present and two visitors. We will meet at the school house July 14th at our next meeting. Our club seemed to increase in number when we met at Mrs. Bobbitt's as it did when we met at Mrs. King's and we sincerely hope that all the members can be present at the school house when we meet there, and have a good meeting as we had at Mrs. King's and Mrs. Bobbitt's. We will meet at ten o'clock and bring our dinner to tsay all day and enjoy the ladies' meeting in the afternoon.

We can not meet on June 23rd on account of the picnic which Miss Bass is going to give all the 4H clubs of the county. All the members of our club are going to the picnic, and have a good time with the other club girls that go.

All the girls are going to enter the dress contest which is to be held on the first Saturday in July and we hope to have a prize winner.

PROVIDENCE CLUB

The Providence club met at their club room June 8th. There were 38 present, and our county demonstration agent, Miss Bass was with us. We are glad to report 4 new members. Mrs. Ben McGhee, Mrs. O. L. Bennett and Miss Ila and Thelma Bennett. We also had 7 visitors. We are certainly pleased at how our club is growing as we have 43 members now, and we hope to have 50 before long. We had our biscuit try out. There were 4 ladies in the contest but Miss Ruby Williamson's biscuits scored the highest so she is given the honor of making the best biscuits in our Providence Club. We all hope Miss Ruby wins a trip to A. & M. College. Mrs. Bass, and Mrs. Morris acted as judges. After the contest as one lady had brought butter, and another a can of delicious strawberry jelly we all enjoyed a feast together. We were glad to meet the ladies from Floydada and hope that they will come again.

Miss Bass brought our canner and sealer. Some of the ladies brought green peas, spinach greens, and asparagus to can and we had our canning demonstration.

We certainly like our canner for it does such good work. We may can quite a bit this summer.

We had two speakers and each gave us a short talk. Mr. T. Z. Reed of Lockney spoke on "Past and present times and the advantages we now enjoy through our demonstration clubs." Mrs. Morris talked on duties of the County Treasurer.

Our next meeting will be held on

June 22. Miss Bass is going to show us several attractive ways of serving eggs, which will be very much appreciated at this season, as we have plenty of them.

Mrs. Kramar is hostess of our next meeting and we will talk on eggs and how to use them. We still wish to ask all the ladies in our community to come to our meetings. We have quite a bunch of ladies already but there is always room for more at Providence.

Mayview Girls' Club

The girls of the Mayview Club met Monday of last week. They worked on the caps. All have completed the tea towels and hot dish holders.

Miss Bass gave instruction about the work for the contest, which all the members are interested in.

Miss Bass Gives Slumber Party to McCoy Girls.

Some time ago Miss Bass promised a "Slumber Party" to the girls' club finishing their sewing first. This was a very attractive proposition for all the club girls, and we went to work with a determination to get the party.

About two weeks ago Miss Bass told us that we were the lucky girls. You can imagine how glad we were, why we could hardly work for thinking of the fun in store for us.

Monday night was the date set for the big event. It was about 6:30 when we all met to go to Miss Bass'. We all stacked in two cars and started merrily on our way, but we had not gone far when we had a flat, and it took the whole bunch to fix it. We didn't let this take all the fun out of our trip, however.

Finally when we got to Miss Bass' home she had the loveliest little picnic lunch ready for us, sandwiches, pickles, salad, ice cream, and cake—well just everything good for a picnic lunch. After we had eaten Miss Bass announced that Mr. Cloud had given us tickets to the picture show, and of course this was the very thing that pleased us most; so we rushed off to the show. My! but what heaps of fun we had. We certainly are indebted to Mr. Cloud also for this evening's enjoyment.

We were such a responsibility to Miss Bass and were so boisterous that Miss Gladys Covington helped chaperone us. After the show we had a stroll through the park, and then went home and sat in the dark and told "Ghost Stories" and "giggled"—well till about one o'clock.

There were beds all over the house, and each girl jumped in the one she wanted and chose her own bed fellows, three to the bed. But the fun didn't stop here. When all at once we heard a crash! Every one came rushing in to find that the davenport had collapsed and sent three of the girls tumbling to the floor. It was too funny, but we fixed it up right for them and put them back to bed. But the thing that excited us most was a live ghost that came slipping through each room grabbing some of the girls by the feet. The lights were all turned on and a search was made but it was not discovered just what became of him.

Next morning we had a walk before breakfast, and when we came back two tables were ready. We enjoyed this good breakfast almost as much as we did the picnic lunch.

We then had a little social hour together, but before we realized it was nine o'clock and Miss Bass sent us home. This will long be remembered by all the McCoy girls, and we just hope she will let us come back again some time.

Those enjoying the slumber party were: Alma Curry, Marie Smith, Opal Smith, Mary Lee Jones, Ilma Jackson, Ina Nell Jackson, Zell Fairchild, Lou Berry, Lounette Pharr, Verna Nixon, and Ella May Puckett.

PICTURIZATION OF GENE STRATTON-PORTER'S LATEST STORY COMING

"The Keeper of the Bees," the delightful new novel by Gene Stratton-Porter which appeared recently in McCall's and which is now sweeping the country in book form, will begin a 2 day run at the Olympic Theatre in its motion picture garb on June 17 and 18 when it has its first showing locally. J. Leo Meehan, who made a tremendous reputation with "The Girl of the Limberlost," direction the new production, which threatens to hang up new records of popularity even for a story from the pen of such a famous writer as the late Mrs. Porter. Mr. Meehan was assisted on the picture by his wife, Jeannette Porter Meehan, daughter of the celebrated author; as it is but natural that the charm and color of the original story has been adhered to with fidelity throughout the screen version. The Southern California backgrounds against which the action and romance are projected prove lovely, and the work of little Gene Stratton Monroe, grand-daughter of Mrs. Porter, is of particular interest in that she is the actual "Little Scout" of the story. The cast has been selected with fine discrimination and the direction stamps Mr. Meehan once more as one of those rare motion picture mentors who can take a good story and tell it on the screen exactly as it was in the book, without recourse to the conventional methods so often applied.

Ambition.
 From Life.
 "What would you do with fifty million dollars, Mose?"
 "Go 'way wif such foolish questions, man—Ah'd jes' read, dass all."
 "Jess read? Yo' crazy; Read what?"
 "Bill o' fares, Jefferson, bill of fares."

County Club Girls To Picnic Friday June 25

The last Friday in this month, June 25, is the date set for the picnic of the club girls in Floyd County. Miss Blanche Bass, County Home Demonstration Agent, announces.

The girls are to meet in Floydada Friday morning and be ready to leave at 10 o'clock. Unless plans are changed, the picnic will be held on Blanco Canyon.

Every girl is to bring her lunch, and come to spend the entire day together. A prize will be given the girls club having the most members present.

Miss Bass asks club girls to remember the date and be ready to leave Floydada at 10 o'clock.

A FOOL-PROOF WORLD

Edwin E. Slosson in Collier's.

Do our charitable agencies and sanitary measures tend toward the deterioration of the race. That is the opinion of Prof. Sir Flinders Petrie of London university, who says:

"To make the world fool-proof is to encourage the growth of fools. It is not the way that Homa Sapiens was evolved. An extra mortality of one of two per thousand falling in the careless and foolish will be the best possible preparation for the future of the race."

"Every step that is taken against contagious diseases is not a real gain, but a loss to the future. The great activities for the eradication of such diseases at present will do away with one of the most useful weedings which would lift the general quality of the community."

"Another legal injury to nature is the prevention of the ill effects of accidents. . . . No poisons should be interdicted, except those which might be taken unawares. In this and other cases let us warn, instruct and guide in every way, publicly and privately; but the result of careless and incapacity must be left to help in weeding out such faults and so raise the individual and the race. In the vaccination difficulty, let us register all unvaccinated persons and put the cost of small-pox hospitals and all incidental expenses upon them. Then the disease may be allowed to weed out the careless and foolish, with little loss or injury to others."

"If by the right of maintenance and the 'minimum standard' we persist in burdening our capable stocks, in order to propagate the incapable, we shall insure the ultimate destruction of the capable along with the incapable."

"Our ideals need to be entirely overhauled and made to fit the needs of the future, and not be ruled by the sentimentality of the present phase. By law and custom we should encourage nothing that is not the best for the nation a century hence."

This doctrine is the application of the laws of the "struggle for existence" and the "survival of the fittest" in their most ruthless form. Yet Sir Flinders Petrie is not a scientist but an archaeologist, and he gets his ideas not from geology and biology, but from studying the history of the rise and fall of nations.

But how far would he carry his relentless logic? Would he say that the elimination of yellow fever from our southern states and Cuba was an injury to the race, lest later the microbe should appear from some neglected quarter and wipe out the unimmunized population? Would he recommend the removal of the railings from stairs and balconies so that the tipsy and dizzy headed should be killed off?

But diseases and accidents do not show that nice discrimination necessary for race purification. Mankind has suffered for thousands of years from many diseases without ever becoming immune to them.

But how far would he carry his relentless logic? WAS PAID FOR DEAD SOLDIERS

Landgrave Overjoyed to Hear 1,650 of His Hessians Were Killed in America.

From the Advocate of Peace.
 A correspondent from Holland writes to us as follows:
 To those disappointed and even distressed with the recent proceedings at Geneva, the following translation of a letter written on the 8th of February, 1777, by the landgrave of Hessen-Kassel and addressed to the commander-in-chief of the Hessian troops in America, undoubtedly will give new hope and cheer. In our present times it seems incredible that the ruler of a country should openly complain that not enough of his subjects were killed in war, with the disastrous result that not enough

indemnification in the way of "head-money (kopf-geld) came to him!

Yet, such times once were, and nobody then thought the worse of them. In the enormous contrast between the then and the now lies the firm ground for optimism. God's mills grind slowly, but—they do grind! The letter follows:

Baron Hohendorff: On my return to Rome I received your letter of December 27th of the past year. From it I learned with indescribable satisfaction about the great courage my troops showed at Trenton, and you can imagine my joy on reading that of 1,950 Hessians who took part in the battle only three hundred escaped. Therefore 1,650 must have fallen. I cannot recommend too strongly to you to send an exact list to my attorney in London.

This caution is all the more necessary, as the list sent to me by the British minister mentions only 1,455 men. In this manner they would do me out of 170,050 gulden. According to calculation of the minister of finance, I would only receive 483,450 gulden instead of 653,500 gulden. The British court asserts that there are 100 wounded, for whom not the same price need to be paid as for the killed.

Remember, that the 300 Lacedaemonians who defended the pass of Thermopylae not a single one returned. How happy it would render me if I could say the same of my brave Hessians!

Tell Major Mindorf that I am singularly displeased with his conduct because he spread his battalion. During the whole campaign not even ten of his men have fallen.

MARK AND WATCH ALL HOME-CANNED PRODUCTS

In connection with your home canning this season, the United States Department of Agriculture advises that all finished products be marked so that those in each batch can be distinguished. That is, make labels giving not only the name of the product and its variety, if you have more than one, but the date on which it was canned, and the time and temperature of processing. For example, the label on a quart jar of string beans might read: "String beans—Kentucky Wonders, 7-15-26; packed hot, processed at 240 degrees F. (10 lbs.) for 40 minutes."

If you are canning in tin, watch for leaks when the cans are plunged in cold water to cool as they come from the canner. Air bubbles will indicate imperfect sealing. Or if you are using glass jars, invert them immediately after processing and look for signs of leakage. All leakers should be opened at once and the contents used on the table or heated again as at first. Hold all canned products at room temperature for a week or 10 days, where they can be examined at least once a day to be sure that they are keeping.

If the contents of any jars or cans show signs of spoilage, examine all of that lot carefully. After this observation period, store the canned goods in a cool place. A short storage at rather high temperature serves to bring out quickly defects that might not be

noticed if the products were stored at a lower temperature. Results can thus be checked up and methods improved.

Stormy weather originates in an area where there is a deficiency of barometric pressure. Last winter there was a period of exceptionally stormy weather over the North Atlantic Ocean, which caused many marine disasters, including the loss of the steamers Antiope and Laristen, and which furnished the occasion for heroic rescues at sea. It lasted almost continuously from December 17 to February 27, and during this time a vast cyclonic circulation covered nearly the whole of the northern half of the ocean. The Weather Bureau of the United States Department of Agriculture illustrates the enormous magnitude of the disturbance by the estimate that the deficiency of barometric pressure as compared to the normal represents a removal of fully 2,000,000 tons of air from the area covered.

The Bureau of Entomology of the United States Department of Agriculture recently held a conference with officers of the Marine Corps at Quantico, Va., concerning the advisability of attempting the control of mosquitoes at breeding places by means of airplanes.

The above is the likeness of Rev. G. O. Dean

He will preach the third Sunday at 11 o'clock at Campbell School House seven miles northeast of Floydada. Subject for the hour—"How to defeat the Devil." Rev. Dean is from Lamb County. He will be accompanied by his home quartet, which will render some special songs for the service. This group of workers are known as the Undenominational gospel band. Every body is invited to come.

Allmon News

Every one is taking advantage of this fine weather. Some are harvesting barley, some cutting alfalfa, others are running cultivators and go-devils. Miss Fannie Harris left Friday for a visit with her sister in Knox City. Misses Amanda and Esther Harry of Amarillo spent last week-end with Mrs. Chas. Allmon. Mr. Holland of Floydada was in our community Sunday. Chas. Allmon and Herman Krause have each purchased new combines. Misses Grace and Pearl Jones were in Floydada Saturday. Mr. Jno. Tomlinson and sons of Ropes visited in the A. F. Moore home Sunday. Mr. and Mrs. Max Braddy have returned from Dallas. They are making their home on the DeCordova place. Grady Moore who has been in the Tech the past year will spend the summer with his uncle here.

HARMONY PIE SUPPER NETS \$51.10 FOR BASEBALL CLUB

The pie supper, popular girl contest and ugly man contest at Harmony last Friday night netted the baseball fund of that community \$51.10. Attendance and interest was good, Floydada people who attended reported. Mayor F. P. Henry and Sheriff J. R. Maddox were candidates for ugly man honors, the sheriff making a last-minute gain that the mayor couldn't overcome. Miss Marie Parkey won the pretty girl's contest. Floydada people present presented the matter of plans for the community exhibits at the Floyd County Fair, and got approval of these plans and promise that the Harmony community would have an exhibit at the fair. Mr. and Mrs. Erschel Morris are the parents of a daughter, who arrived at the Anaheim, Cal., home of the Morris' on June 7, friends here have learned.

LOCALS AND PERSONALS

LeRoy McDonald and Quinby Kizziar are at home from Lubbock, after taking first-year work in Tech College.

Mr. and Mrs. V. B. Rogers and little daughters spent last Sunday at Hale Center, where they were guests of Mr. and Mrs. Lee Johnson.

Miss Erin Gamble left last week for Canyon, where she will spend the summer attending the summer session of West Texas Teachers' College.

Miss Olive Mae Liston, of Lubbock, was the guest last week of Miss Mary Gamble in Floydada.

Mark W. Duncan returned to Lubbock to work this summer after spending a few days at home with his parents, Judge and Mrs. Arthur B. Duncan, following the close of the school year at Tech. He will be employed in a drug store in that city this summer.

E. R. Harris, Geo. T. Meriwether, P. M. Smitherman and Will Shurbet, of Lockney, returned last week from a trip into the Rio Grande Valley. All of these except Mr. Shurbet own property in that section, and made inspections of their land while there. Mr. Smitherman brought back practically grown bolls of cotton and large ears of corn from a field of corn that was already "made."

Mr. and Mrs. W. R. Davis, of Winters, left for their home Thursday of last week after a brief visit in Floydada with their son, C. H. Davis and family.

J. G. Martin and family are at home following a vacation trip of several days into South Texas and the Gulf Coast country.

Mr. and Mrs. C. M. Martin, accompanied by Miss Mary Porter, left the latter part of last week on a vacation trip that will take them to the Pacific Coast and into the Northwest Country. They will return by way of the Yellowstone National Park, having planned a tour of several thousand miles.

E. Hooks, assistant manager out of the Amarillo office of Southwestern Bell Telephone Co., was a business visitor in Floydada the latter part of last week.

John Luttrall and family returned last week from Detroit, Mich., where they had been since last fall.

H. G. Moore returned home the latter part of last week from Lubbock, after completing first-year work at Tech College. He will spend the summer in the harvest here.

W. H. Taylor and wife have moved to Slaton and Mr. Taylor is now at work in the Santa Fe shops there.

Maurice Leach, of Quanah, is here on a visit with Ira Marshall and will likely spend the summer in Floydada.

Mr. and Mrs. Ralph Thomas returned several days ago from California where they had been several months. Clyde Farris, of Lubbock, was a visitor in Floydada over Sunday, guest of his aunt, Mrs. Jno. N. Farris.

Mrs. Jack Loring, of Plainview, is here this week with Mrs. V. B. Rogers. "Wolf Stur's Last Days," a play written by Eloi Embry, which was to have been presented at Sand Hill June 25, will not be presented, Mr. Embry said here Saturday. The play has been disposed of to a publishing house, Mr. Embry said.

E. E. Boothe Bakery last week completed overhauling and was given a new coat of paint by the proprietor, preparatory for the summer run of business.

Mrs. I. R. Rogers, of Lamesa, was here last week for a few days on a visit with her son, V. B. Rogers, and family.

A. C. Goen returned last week from an extended trip into the south Texas and Rio Grande section of the state.

E. B. Massie and sons, E. B. Jr., and Doc, are home from an extended fishing trip, their first location being on the river near Carlsbad, N. Mex., and their last on the rivers and creeks near Mineral Wells. Mrs. Massie and the girls visited in Clovis, N. Mex., during their absence and at Mineral Wells. They will be at home within a few days.

James Lawless and family reached home Saturday from an extended vacation trip into the central-west and southwest part of the state, visiting at Munday, Abilene, San Angelo, and other points with relatives.

E. W. Solomon and wife, of Memphis, were here Saturday to Monday guests of Mr. Solomon's parents, Mr. and Mrs. J. S. Solomon.

Elmer Mickey, Ed and Lefty Holmes are playing quite a bit with the Lockney independent team that is making a good record this season. Sunday at Amarillo the team lost 3 to 2. Ed Holmes caught the game and Lefty and Elmer both had positions in the outfield.

BORN to Mr. and Mrs. Homer Warren, of Center, June 11, a son.

Mrs. Foy Pennington, of Panhandle, has been here for a few days on a visit with her husband's parents, Dr. and Mrs. H. Z. Pennington and family. Miss Geraldine Massie reached home Saturday from Nashville, Tenn., after completing her second year at Ward-Belmont College.

Miss Bonnarea Stephens returned home the first of the week after several days visiting in Ralls with friends.

Mrs. Mike Custer and Mrs. W. L. Bloodworth spent last week in Slaton where they visited relatives.

Faye Tachey, student for the past year at Tech College, is at home for the holidays.

Dorsey Baker, of Lockney, was a business visitor in Floydada Monday of this week.

Old-time dentists recall the days when an aching tooth was pulled, no attempt being made to fill it. They visited the patients in their homes, devoting a half-day to their office practice.

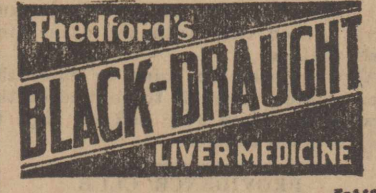

Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it. My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.

Renew Your Health by Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs,—once or twice a week for several weeks—and see how Nature rewards you with health. Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 35 cts. At any drug store. (Adv.)

STAR PARASITE REMOVER
A GREAT POULTRY REMEDY
Given fowls in drinking water or mixed in feed thoroughly rids them of all blood-sucking lice, all mites, fleas and blue bugs, destroys in them all intestinal worms and parasites. Its formula is sulphur and other ingredients known remedies for improving the appetite, purifying the blood, toning the system and preventing disease. Better prevent than try to cure. Contains no alcohol or poison. Can be given to all ages of chicks, old fowls and turkeys, any kind of weather with good results. Its cost is very small—a one dollar bottle will last 100 fowls more than 120 days. The manufacturers are anxious for all poultry raisers to try it 60 days at their risk on the following conditions: After using 60 days if your flock has not improved in health, produced more eggs—eggs that hatch stronger and thrifter young chicks—come back to your dealer—he is authorized to refund your money.
